

Rev 2.3

THESE ARE PRESS CLIPPINGS AND HARD EVIDENCE FACTS ABOUT THIS CASE FOR FEDERAL AGENCIES (INCLUDING FBI, SSA, DOJ, SEC, FTC, GAO, ETC.) CURRENTLY REVIEWING THIS CASE UNDER FILED DEMANDS AND CHARGES.

THE MAIN FACTS ABOUT THIS POLITICAL CORRUPTION CRIME:

- Famous political figures use the trillions of dollars in government treasuries and the stock market for illicit profiteering by rigging the system exclusively for themselves and their crony insiders.

- They attacked us using government taxpayer funded media (Fusion GPS, Black Cube, Google, Pysops, Gizmodo, Media Matters, Blumenthal, etc.) and spy agency tools because we competed with their businesses and reported their crimes.

- San Francisco Bay Area government has as many corrupt politicians as Chicago and relies on the same RICO-violating insider corruption network to operate; as proven by deep AI searches of their financial records. Arrests of those officials is now underway.

- Silicon Valley law enforcement records prove that these tech oligarchs engage in an organized, racketeering-based, massive sex trafficking, tax evasion, anti-trust violating, spousal abuse, money laundering, black-listing, racist, ageist, political bribery, crony racketeering crime Cartel.

- Famous U.S. Senators, Governors and their staff knowingly engage in, finance, operate and benefit from these crimes in exchange for search engine manipulation and stock market

assets.

- Silicon Valley and Hollywood media companies censor and cover-up news coverage of these crimes because they have a financial connection to the perpetrators.

- Most of the government officials working on our case were hand-picked by our business adversaries. Our case has never been fairly reviewed by non-biased, non-conflicted officials. Our FBI-class associates have not found a single entity in our case reviews, or determinations, who was not either: financed by, friends, with, sleeping with, dating the staff of, holding stock market assets in, promised a revolving door job or government service contracts from, partying with, personal friends with, photographed at private events with, exchanging emails with, business associates of or directed by; one of those business adversaries, or the Senators and politicians that those business adversaries pay campaign finances to, or supply political digital services to.

- - That the suspects [manipulate](#) government funds for their personal profiteering at the expense of domestic citizen

taxpayers like us and acquire what the U.S. Treasury calls: "unjust gain".

- - That the suspects engage in 'Lois Lerner' [IRS](#)-like, SPYGATE-like, VA whistleblower-like reprisal and retribution attacks by

manipulating resources within government agencies like SSA, DOJ, FBI, LSC, HUD, HHS, DOE, Etc.

JOIN THE WAR ON POLITICAL CORRUPTION

*These are the **FACTS** behind our case filings to the U.S. Government and the citizens of the nation!*

Federal agency bosses took bribes! We have the proof! They attacked us when we reported the crimes. We have the proof!

Join billions of consumers with new forensic technologies. Be part of the global exposure of dirty payola schemes and the shaming of the tech oligarch crooks who use our Democracy as their plaything. See what happens to those who attack us using our own taxpayer resources: [THE ATTACKS ** - Why We Are Hunting Down And Prosecuting Each Attacker](#)**

We are the largest collective of citizen sleuths and former federal investigation officers in the world. There is no corrupt person or entity we can't take down using 100% legal FBI-class forensics!

****** Our goals:**

- 1.) To put the corrupt people and companies, on the list below, out of business, using fully legal forensic tactics and media shame. Those who were supposed to arrest them have been bribed and influenced to delay justice. Those delays will

no longer be tolerated.

- 2.) To educate every voter in the world about how to operate forensic investigations, as sophisticated as the FBI or the CIA do, from the comfort of their home.

- 3.) To eradicate fake news shill entities and make all news open-source public information gathered by the public. The "deflect, delay & disinform" tactics of the tech oligarchs will be exposed and illuminated at every turn.

- We are well on the way to accomplishing every one of these goals thanks to crowd-sourced forensics and peer-to-peer communities!

Crooks: "...We don't need to have very much money to take you out. What we do have are a very particular set of skills. Skills we have acquired over a very long career. Skills that make us a nightmare for people like you...."

A Statement from one of the victims: "WE DEMAND A FAIR JURY TRIAL WITH ADEQUATE LEGAL REPRESENTATION! OUR CONSTITUTIONAL AND CIVIL RIGHTS ARE BEING BLOCKED BY CORRUPT POLITICIANS WHO KNOW WHAT WILL BE EXPOSED ABOUT THEM IN COURT!!! WE DEMAND LSC LEGAL FEE COVERAGE FOR A FAIR JURY TRIAL AND A FAIR CONGRESSIONAL PUBLIC DISCLOSURE HEARING!"

THE MASSIVE CORRUPTION & BRIBERY TODAY:

California & DC politicians are being paid bribes with Billions of dollars of Google, Twitter, Facebook, Tesla, Netflix and Sony Pictures stock and stock warrants which is never reported to the FEC; Billions of dollars of Google, Twitter, Facebook, Tesla, Netflix and Sony Pictures search engine rigging and shadow-banning which is never reported to the FEC; Free rent; Rare-Earth mining rights; Male and female prostitutes; Cars; Dinners; Party Financing; Sports Event Tickets; Political campaign printing and mailing services "Donations"; Secret PAC Financing; Jobs in Corporations in Silicon Valley For The Family Members of Those Who Take Bribes And Those Who Take Bribes; "Consulting" contracts from McKinsey as fronted pay-off gigs; Overpriced "Speaking Engagements" which are really just pay-offs conducted for donors; Gallery art; Private jet rides and the use of Government fuel depots (ie: Google handed out NASA jet fuel to staff); Recreational drugs; Real Estate; Fake mortgages; The use of Cayman, Boca Des Tores, Swiss and related money-laundering accounts; The use of HSBC, Wells Fargo, Goldman Sachs and Deutsche Bank money laundering accounts and covert stock accounts; Free spam and bulk mailing services owned by Silicon Valley corporations; Use of high tech law firms such as Perkins Coie, Wilson Sonsini, MoFo, Covington & Burling, etc. to conduit bribes to officials; and other means now documented by us, The FBI, the FTC, The SEC, The FEC and journalists. DEMAND COMPLETE LAWS TO MAKE ANY BENEFITS TO POLITICIANS TOTALLY ILLEGAL!

Our Promise:

We guarantee that these deeds done in the dark will come to light and that these perpetrators will be fully exposed, shamed and prosecuted.

In the TV series: "Surviving R. Kelly" you can clearly see how a certain low I.Q. percentage of the population will defend an R. Kelly, an Elon Musk and a Harvey Weinstein even though they obviously and overtly engage in heinous crimes.

The Jeffrey Epstein's, the John Doerr's, the Andy Rubin's, the Steve Jurvetson's, the Eric Schmidt's, the Larry Page's, etc. think they are untouchable because they buy protection and pay bribes.

That will always be their downfall!

ATTACKS AND CENSORSHIP BY GOOGLE-ALPHABET-YOUTUBE

We have placed more software sensors on more server networks globally than anyone else has ever announced. When Google-Alphabet-YouTube Shadow Bans, DNS re-routes, Hides, Demonetizes, Search Manipulates, Server Table Edits, Censors, Election Rigs, SEO limits, etc; our links, we record it, document it technically and report it to every regulatory and publishing group in the world. We also compile the data into evidence for lawsuits against Google and each Google executive. Our insiders work at the deepest levels of their operation. It isn't nice to mess with Mother Nature or Freedom Of Speech. It's worse to run tax evasion, sex trafficking, dark money funds, real estate fraud and other crimes from inside Google!

Our autonomous monitoring applications are on a vast number of co-location servers, shared hosting ISP's, stand-alone servers and sites around the world and have been operating for over ten years. We log: 1.) Google's search results compared to other search engines, 2.) Google's DNS and spoofing activities, 3.) Google's results on 100 key search terms including search terms of assets, candidates and business associates connected to Google (ie: "Obama", "Elon Musk", "Election Results", etc.), 4.) Where Google sends data from users clicking on Google supplied links, 5.) Where fabricated "mole" data that was injected as user data ultimately ended up later, 6.) Google's election manipulation attempts, and other metrics. The results prove that Google abuses the market, the public, privacy rights, politics and human

rights.

So Google, everytime you do it, you are just digging your own grave and giving us all the proof we need to wipe you out, process anti-trust filings and expose your monopolist, sex trafficking, sociopath owners!

 http://londonworldwide.com/public/.SILICON_VALLEY_MAFIA_CARRTEL_s.png

 http://londonworldwide.com/public/.MUSK_SEX_CULT_s.jpg

WHO IS THE SILICON VALLEY MAFIA?

"...The Silicon Valley Mafia is The Sandhill Road Venture Capital frat boy company bosses in Palo Alto, their National Venture Capital Association (NVCA) partners (Greylock Capital; Kleiner Perkins Caufield & Byers, Draper, Khosla Ventures, etc.) and the tech companies (Google, Tesla, Facebook, Amazon, Twitter, LinkedIn, etc.) they control. They are sometimes referred to as "The Deep State". They have purchased California, New York and Washington, DC politicians (mostly Senators) who they also control. The names of the worst-200 most horrific and sociopath-like members are listed in these reports. They hire dirty law firms like MoFo, Wilson Sonsini, Covington, Perkins, etc. and dirty lobbyists like McBee, Podesta, Blumenthal, etc. to do their dirty deeds.

They hire rogue ex-intelligence agents to operate Fusion GPS, Gawker/Gizmodo, Black Cube, ShareBlue, New America, In-Q-Tel, Podesta Group, Media Matters, etc. massive media attack programs against competitors, reporters and outsiders. They collude on black-lists, valuation controls, election manipulation, search engine rigging, domestic spying for political manipulation, stock rigging, insider trading, Jeffrey Epstein-like executive prostitute sex-trafficking clubs, trophy wife assignments, the bribery of politicians and worse. They are felons who bribe politicians to halt investigations and interdiction efforts.

They have quid-pro-quo stock market bribe deals with Senators Reid, Feinstein, Harris, Boxer, Spier, etc. For example, in the CleanTech Crash: Every single Dept of Energy executive, and related Senator,

owns stock market assets in Tesla, Fisker, Solyndra, Ener1, etc. so they blockaded and sabotaged every applicant who competed with their holdings in a RICO-violating, felony organized crime, using taxpayer funds, in order to profit at the expense of taxpayers.

They are widely covered in news media articles as: 'sex abusers, cult enthusiasts, elitists, rapists, woman beaters, probiosis abusers, sexual work extortion operators, extremists, arrogant clones of each other, tone deaf, echo-chamber reinforcing, misogynist, racist, manipulative, insecure, covertly gay, corrupt, thieves' and other anti-social revelations. The divorce court and lawsuit federal court records on them prove that they are sex-abusing sociopaths.

They use their monopolistic control of the internet to massively and exclusively scale services that only they control and use to abuse the public's privacy, human rights, invention rights and information. They run their cartel like the old Italian Mafia once did.

Google's Larry Page, his boyfriend Elon Musk; Google's Eric Schmidt, Dave Rubin, David Drummond, Kent Walker, Jared Cohen and Sergy Brin; Political manipulators David Plouffe, Steve Westly, Steve Spinner and Vinod Khosla; Sociopath billionaires Reid Hoffman, Jeff Epstein, Tim Draper, Steve Jurvetson, etc. all order their staff and associates to: bribe politicians; operate sex trafficking for them; manipulate stock market valuations; launder money; run off-shore tax evasion schemes; black-list employees and competitors; hide, down-rank, DNS dead-hole, shadow-ban, censor and server obsfucate enemies on the entire web; rig the U.S. Patent Office; help them cheat on their wives; and engage in massive volumes of insider, illicit, RICO and anti-trust violating crimes while bribing public officials to avoid prosecution.

We demand that the FBI arrest them!"

- Tom Martin

THE STANFORD CYCLE OF CORRUPTION

"Elite arrogant asshole dynasties send their kids to Stanford University.

Stanford puts the kids in asshole frat houses to train them to get away with rape and run monopolies.

When they graduate they either go up the hill to Sandhill Road and start a venture capital clone operation or they get their frat friends on Sandhill Road to racketeer-fund their start-up or political campaign using money scammed from your parents pension funds.

They only work with their frat buddies and insiders in a tribal old boys club manner.

They steal all the technology and markets they want because they control all of the tech lawyers and politicians via bribes and revolving doors.

Stanford bosses keep all of this covered-up and covertly fund political camapigns to grease the wheels of political corruption.

They then sexually extort some Standford interns in Rosewood Hotel rooms, get the most 'trophy wife' ones pregnant, and start the cycle all over again...."

HOW OUR CROWD-SOURCED PUBLIC MEMBERS AND FEDERAL COPS TAKE DOWN THESE CROOKS:

How did we fight back against the most powerful organized crime entity on Earth? Is it possible for anybody to fight the "Illuminati" and keep knocking them off their thrones like we do?

We get those questions all the time. Here are the answers.

First, they started it. The bad guys attacked us because our products and services were better than theirs and they could not compete. They decided to cheat rather than compete and they cheated with political bribes, black-lists, collusion and other anti-trust violating acts. When we helped law enforcement investigate them, the bad guys doubled down on their attacks. The bad guys crossed the line when they used our own government officials and taxpayer funds to operate their crimes. They broke felony laws and the basic principles of Democracy.

So who are these mobsters? They are your Senators, White House Staff, insider agency staff and their Silicon Valley Oligarch sociopath political financiers. Some of your public officials set-up, operated and maintained an organized crime scheme for personal profit at the expense of every taxpayer. They went after Five Trillion dollars of your tax money for their personal interests via rigged stock market scams, rigged government contracts,

exclusionary policy manipulations and other schemes that harmed American taxpayers.

We are taxpayers...so.. Game On!

We wrote FBI-quality criminal activities reports and filed them with every law enforcement and regulatory agency in every country in the world that we could find, including the FBI, OSC, GAO, EU, Interpol, FSB, UN, etc.

We identified and listed every person, organization and company involved in the attacks and RICO law violations and provided that list to The U.S. Congress and every agency.

We built an NSA-class global open-source database that can track all of the locations, hookers, fake fronts, family trusts, bank accounts, stock market accounts, bribes and other goodies, of any corrupt public official, in minutes!

We opened our own private investigator and crowd-sourced investigations into the following:

- Every stock market account they or their family owns
- Every Uber or Lyft ride they ever took for any meeting or transport of sex workers
- Every flight manifest they appeared on
- Every bank account they have ever held
- Every lawsuit, divorce record and police record they have ever appeared in
- Every trust fund they or their family holds

- Every shell corporation they, or their family holds
- Every person named in the Epstein Pedo book:
<https://www.scribd.com/document/416207833/Jeffrey-Epsteins-Little-Black-Book-Redacted> cross referenced across all of the other databases and then supplied to the FBI and Child Protection Agencies
- Every item in the Swiss Leaks that cross connects to their holdings
- Every item in the Panama Papers Leaks that cross connects to their holdings
- Every item in the WikiLeaks that cross connects to their holdings
- Every item in the Snowden Leaks that cross connects to their holdings
- Every sex trafficking incident that connects to each of them alone, and in groups
- Every financial transaction between any of the parties on the master list and the character assassination and hit job firms of: Google, Univision, Gawker Media, Unimoda, Jalopnik, Gizmodo, Black Cube, Fusion GPS, UC Global, Media Matters, Think Progress, IN-Q-Tel, K2 Intelligence, WikiStrat, Podesta Group, YouTube, Alphabet, David Drummond, Larry Page, Facebook, Correct The Record, Stratfor, ShareBlue, Sid Blumenthal, David Brock, Eric Schmidt, Sunshine Sachs, Covington and Burling, BuzzFeed, Perkins Coie and Wilson Sonsini or their derivatives with common owners.

- Every item in the Quest Leaks that cross connects to their holdings
- Every tactical deployment, by a campaign financier, of the tactics listed in this manual:
<https://www.cia.gov/library/readingroom/docs/CIA-RDP89-01258R000100010002-4.pdf>
- Every sex service that their credit card payments every connect too
- Every real estate transaction that any name or company they, or their family, were involved in, tracks to

..... and hundreds of thousands of other information points about them that prove that they benefit from crimes that they engage in for others who engage in crimes using the America public policy system.

It all goes into shared 100% legal public collaborative databases that work like XKEYSCORE, or MS Access, or Oracle Databases.

The proof of collusion, organized criminal actions and raw covert corruption is indisputable. The actors are all the same people. The beneficiaries are all the same people. The communications between the parties all coordinate the same actions.

We have demanded their arrests, indictments, exposures and bankruptcies. We say "Fuck You" to the Silicon Valley Oligarch 'Illuminati' scumbags and the crooked Senators and Governor's they bribed. You say you are going to "kill us and destroy our lives.." and that you are so frightening. You think you are a big scary thing? Here comes 'scary'! Watch what billions of taxpaying

voters with collaborative FBI-class forensics investigation software is doing to you now!
