Bibliography and Evidence Sets

Filed with law enforcement, the public, the media, and the court system in an extensive number of duplicate repositories.

An extensive number of documents, reports, white papers, grand jury reviews, indictments, news stories and law enforcement reports have been published. These materials document, in deep detail, the crimes and corruption that certain politicians, their staff and campaign financiers, engaged in, in order to stop outsiders from competing with their crony deals. There were an extensive number of victims of these malicious attacks by elected officials. The following bibliography provides indisputable evidence of the crimes and cover-ups.

These are the key outside materials of interest in this matter. Click the highlighted item to download the document, usually a .pdf or image file:
