Malibu blaze ignited by deadly crash of pric...

The driver of a vehicle that crashed over the side of **Malibu** Canyon Road, killing him and igniting a small brush **fire**, was a 53-year-old man.

Lithium ion batteries: Cause wars in the Congo, Afghanistan and Bolivia; are owned by ex-CIA bosses; mutate fetuses when they burn; destroy your brain, lungs and nervous system when they burn; kill the factory workers who make them; cause Panasonic to be one of the most corrupt companies in the world; poison the Earth when disposed of; can't be extinguished by firemen; poison firemen; are based on criminally corrupt mining schemes like URANIUM ONE; Have over 61 toxic chemicals in them; come from an industry that spends billions on internet shills and trolls used to nay say all other forms of energy; are owned by corrupt U.S. Senators who are running a SAFETY COVER-UP about their dangers; Apple products with lithium ion batteries have been exploding and setting people on fire; over time the chemical dendrites inside each battery grow worse and increase the chances of explosion over time - LITHIUM ION BATTERIES BECOME MORE AND MORE LIKELY TO EXPLODE AS TIME GOES ON AND AS THEY AGE; "Bad Guys" have figured out to make them explode remotely; have their dangers hidden by CNN and MSM because pretty much only the DNC people profit from them; are the heart of Elon Musk's stock market scam; the Obama Administration promised Silicon Valley oligarchs the market monopoly on lithium ion batteries and the sabotage of fuel cells in exchange for campaign financing and search engine rigging; United States Senators that are supposed to protect us from these deadly products own the stock market assets of them so they protect them and stop the FDA, OSHA, DOT & NHTSA from outlawing them. WRITE YOUR ELECTED REPRESENTATIVE AND DEMAND THAT LITHIUM ION BATTERIES BE MADE ILLEGAL TO SELL!

Elon Musk exists because he bribed DNC politicians and Senators Feinstein, Reid, Boxer, Harris, Clinton and Pelosi to give him free taxpayer cash and government resources from the Dept. of Energy and the Calif treasury. DOE has been covering-up organized crime activities at DOE in which DOE funds are being used as a slush-fund to pay off DNC campaign financiers and to pay for CIA/GPS Fusion-Class attacks on Silicon Valley business competitors of those DNC campaign financiers who DOE staff share stock market holdings with. Elon Musk is a criminal, a mobster, an asshole, a bald fake-hair wearing, plastic surgery-addicted, douchebag, woman abusing, sex addicted, tax evader. Musk exploits poor people and child slaves in the Congo and Afghanistan to mine his lithium and Cobalt. Musk spends billions per year to hire Russian trolls, fake blogger fan-boys and buy fake news self-aggrandizement articles about himself. Musk thinks he is the 'Jesus' of Silicon Valley. Fake News manipulator Google is run by Larry Page and Larry is Musk's investor and bromance butt buddy. Musk uses massive numbers of shell companies and trust funds to self-deal, evade the law and hide his bribes and stock market insider trading. A huge number of Tesla drivers have been killed and Musk covers it up. The DNC and the MSM refuse to allow any articles about Musk's crimes to be printed because they benefit from Musk's crimes. Musk has been professionally diagnosed as a 'psychotic narcissist.' In EVERY blog that you read that mentions 'Musk', at least 1/3 of the comments have been placed there by Musk's paid shills. Musk holds the record for getting sued for fraud by his investors, wives, former partners, employees, suppliers and co-founders. Elon Musk has gone out of his way to hire hundreds of ex-CIA staff and assign them to "dirty tricks teams" to attack his competitors and elected officials who Musk hates. Musk never founded his companies. He stole them in hostile ownership take-overs. Musk can't fix a car or build a rocket and has almost no mechanical skills. Musk is a lying con artist and partners with Goldman Sachs to rig the stock market. Over 1000

witnesses can prove every one of those claims in any live televised Congressional hearing!

Compared To How Many Tesla VIN #'s Have Been Issued, Tesla Has Had A Huge Number Of Accidents And Deaths For Such A Tiny Car Company

TESLA'S ARE REGULARLY HACKED AND REGULARLY CRASH. A NUMBER OF TESLA DRIVERS HAVE KILLED INNOCENT BYSTANDERS, BICYCLISTS AND ONCOMING DRIVERS.

name in fatal crash not yet released

Laguna Beach police are interviewing the driver of a third vehicle who witnessed the fatal head-on auto collision that killed two men Tuesday morning on Laguna Canyon Road, police Capt. Jason Kravetz said Friday.

Kravetz said a white Mercedes sedan was in the lane next to the Tesla that veered into oncoming traffic and struck a Honda Accord, killing Alberto Casique-Salinas, 46, of Anaheim, and Garcia-Gonzales, 38, of Santa Ana. The men were heading north on Laguna Canyon Road on their way to work for a Laguna Beach company, police said.

During the ongoing investigation, Kravetz said he could not release the name of the driver, who police said was hospitalized Tuesday and released later that
