

# EVERYONE IS STEALING TESLA CHARGING CABLES, AROUND THE GLOBE, TO GET THE VALUABLE METALS OUT OF THEM

## [Road to nowhere: Shocking video reveals how California thieves are stealing Tesla charging station cables for their \\$3 per pound copper](#)

Viral video shared on TikTok by Joshua Beckler shows the aftermath of a recent theft at a Tesla Supercharger station in Vallejo, California. The nine stations can be seen without any of the cables attached to them as Beckler shows the core of the heavy duty cable, which is clearly rich in copper. The incident happened over the weekend before it was reported to Vallejo police on Sunday morning.
