

TESLA MOTORS IS FAILING ON EVERY LEVEL!

Tesla receives a failing grade from Better B...

Tesla just got a **failing** grade, and not from the many folks waiting for their Model 3 to come online. No, the Better Business Bureau gave the company an "F" for not resolving customer complaints, sometimes not even responding to complaints. According to a report in the Mercury News, the BBB received ...

Tesla Bonds Are in Free Fall - Bloomberg

Elon Musk's creditors are suddenly having a serious bout of buyer's remorse. In August, they lined up for the chance to finance **Tesla** Inc.'s ambitious rollout of its Model 3 sedan. Wooed by Musk's personal appeals, bond investors pretty much ignored the carmaker's prolific cash burn and ...

Everything that's wrong with **Tesla**, and why ...

Tesla is an amazing car company with an incredible CEO. I wouldn't necessarily bet against them, but here is why I think we maybe should. Ever since **Tesla** loaned me a Model S almost two years ago, I have almost jumped in and bought one on three different occasions.

New video shows **Tesla's** Autopilot **failing** at...

Late last month, a **Tesla** owner died when his Model X, with Autopilot engaged, followed a line on the road into a concrete divider and crashed. Earlier this week, a video from a **Tesla** owner in Chicago demonstrated how that might have happened using a similar intersection, and now another **Tesla** owner ...
