Woman lists 22 things her boyfriend is banned from doing

One woman drafts a lengthy contract detailing 22 requirements for her boyfriend to sign. Some that include banning him against hanging out with his friends more than twice a week.

Sounds like a bridezilla in the making.

While it isn't that uncommon for couples to have unspoken rules to ensure a happy relationship, one woman took it to the extreme by drafting a lengthy contract detailing 22 requirements for her boyfriend to sign.

The list was first shared on Twitter by a guy who found it in a used car he had purchased, but he then deleted it because people thought it was his own
