## INTERACTIVE PUBLIC TIMELINE: CAR-GATE ENERGY DEPT. SCANDAL

**Rules:** You may only add items that are clearly visible as facts in public university research libraries and on, at least, 5 or more public online or hard-copy newspapers. Include links, book references by ISBN # and video dates in your submissions for related archives. Items without validation evidence will be removed. No more than three sentences per item. Let's aim for daily additions. Item numbers are produced with a BATES NUMBERING" reference code to support federal and media investigators case files. Item numbers are generated upon acceptance by the jury team. All submissions are copied to lawenforcement and related investigators. Submit your item proposals via the usual SOMO process. ("Ref." links) may, or may not, include the validation facts that you send. ("Ref" links) may include already posted material, to save time. Volunteers will detail the reference links out as time allows.
