

These are the people of DOGE messing with our private information and firing government employees. This list was put together by ProPublica.

Christopher Stanley, 33

Stanley was part of the team Musk used to take over [Twitter](#), now X, according to his LinkedIn profile, serving as senior director for security engineering for the company. *The New York Times* reports he now works for Musk at DOGE.

Brad Smith, 42

According to *The New York Times*, Smith, a friend of Trump's son-in-law [Jared Kushner](#), was one of the first people appointed to help lead DOGE. He also served with the first Trump administration and was involved with Operation Warp Speed, the federal government's coronavirus vaccine development program.

Thomas Shedd, 28

Shedd serves as director of the Technology Transformation Services, a government body created to assist federal agencies with IT, and previously worked as a software engineer at Tesla.

Amanda Scales, 34

According to ProPublica, Scales is chief of staff at the Office of Personnel Management, a government agency that helps manage civil service. She previously worked for Musk's artificial intelligence company Xai.

Michael Russo, 67

Russo is a senior figure at the Social Security Administration, a government agency that administers the American Social Security program. According to his LinkedIn page, Russo previously worked for Shift4 Payments, a payment processing company that has invested in Musk's company SpaceX.

Rachel Riley, 33

Riley works in the Department of Health & Human Services as a senior adviser in the secretary's office. ProPublica reports she has been "working closely" with Brad Smith, who led DOGE during the transition period.

Nikhil Rajpal, 30

According to *Wired*, Rajpal, who in 2018 worked as an engineer at Twitter, is part of the DOGE team. He formally works as part of the Office of Personnel Management.

Justin Monroe, 36

According to ProPublica, Monroe is working as an adviser in the [FBI](#) director's office, having previously been senior director for security at SpaceX.

Katie Miller, 33

Miller is a spokesperson for DOGE. Trump announced her involvement with the new body in December. She served as Vice President [Mike Pence](#)'s press secretary during Trump's first term.

Tom Krause, 47

Krause is a Treasury Department employee who is also affiliated with DOGE, according to *The New York Times*. Krause was involved in the DOGE team's bid to gain access to the Treasury Department's payments system.

Gavin Kliger, 25

Kliger, a senior adviser at the Office of Personnel Management, is reportedly closely linked to Musk's team. On his personal Substack blog, he wrote a post titled "Why I gave up a seven-figure salary to save America."

Gautier "Cole" Killian, 24

Killian is an Environmental Protection Agency employee who researched blockchain at McGill University. Killian is also a member of the DOGE team, according to *Wired*.

Stephanie Holmes, 43

ProPublica reports that Holmes runs human resources at DOGE, having previously managed her own HR consulting company, BrighterSideHR.

[Luke Farritor](#), 23

Farritor works as an executive engineer at the Department of Health and previously interned at SpaceX, according to his LinkedIn account. He won a \$100,000 fellowship from billionaire tech entrepreneur [Peter Thiel](#) in March 2024.

Marko Elez, 25

Elez is a Treasury Department staffer who worked as an engineer at X for one year and at SpaceX for around three years. *The Wall Street Journal* reported that Elez was linked to a social media account that had made racist remarks, but Musk [stood by him after he initially resigned](#).

Steve Davis, 45

Davis is a longtime Musk associate who previously worked for the tech billionaire at SpaceX, the Boring Company and X. According to *The New York Times*, Davis was one of the first people involved in setting up DOGE with Musk and has been involved in staff recruitment.

Edward Coristine, 19

Coristine is a Northeastern University graduate who was detailed to the Office of Personnel Management and is affiliated with DOGE. He previously interned at Neuralink, a Musk company that works on brain-computer interfaces.

Nate Cavanaugh, 28

Cavanaugh is an entrepreneur who interviewed staffers at the General Services Administration as part of the DOGE team, according to ProPublica.

Akash Bobba, 21

A recent graduate from the [University of California](#), Berkeley, Bobba works as an "expert" at the Office of Personnel Management and was identified by *Wired* as part of Musk's DOGE team.

Brian Bjelde, 44

A 20-year SpaceX veteran, Bjelde now works as a senior adviser at the Office of Personnel Management, where he wants to cut 70 percent of the workforce, according to [CNN](#).

Riccardo Biasini, 39

Biasini is an engineer who now works as a senior adviser to the director at the Office of Personnel Management. He previously worked for two Musk companies, Tesla and the Boring Company.

Anthony Armstrong, 57

Another senior adviser to the director at the Office of Personnel Management Armstrong previously worked as a banker with Morgan Stanley, and was involved in Musk's 2022 purchase of Twitter.

Keenan D. Kmiec, 45

Kmiec is a lawyer who works as part of the Executive Office of the President. He previously clerked on the [Supreme Court](#) for Chief Justice [John Roberts](#).

James Burnham, 41

Burnham is a general counsel at DOGE whose involvement with the Musk-led body was first reported by *The New York Times* in January. He previously worked as a clerk for Supreme Court Justice [Neil Gorsuch](#).

Jacob Altik, 32

A lawyer affiliated with the Executive Office of the President, Altik previously clerked for D.C. Circuit Court of Appeals Judge Neomi Rao, whom Trump appointed during his first term.

Jordan M. Wick, 28

Wick is an official member of DOGE and previously worked as a software engineer for the self-driving car company Waymo.

Ethan Shaotran, 22

Shaotran is a former Harvard student who *Wired* listed as one of several young software engineers working to analyze internal government data at DOGE.

Kyle Schutt, 37

Schutt is a software engineer affiliated with DOGE and worked at the General Services Administration. He was involved in the launch of WinRed, a [Republican](#) fundraising platform that helped raise \$1.8 billion ahead of the November 2024 elections.

Ryan Riedel, 37

Riedel is the chief information officer at the Department of Energy and a former SpaceX employee.

Adam Ramada, 35

Ramada is an official DOGE member, according to federal records seen by ProPublica. Ramada previously worked for venture capital company Spring Tide Capital. E&E News reported he had been seen at the Energy Department and the General Services Administration.

Kendell M. Lindemann, 24

Lindemann is an official member of the DOGE team who previously worked for health care company Russell Street Ventures, founded by fellow DOGE associate Brad Smith, and as a business analyst for McKinsey & Company.

Nicole Hollander, 42

Hollander works at the General Services Administration. She was previously employed by X, where she was involved with the company's real estate portfolio.

Alexandra T. Beynon, 36

Beynon is listed as an official member of DOGE, according to documents seen by ProPublica. She previously worked for therapy startup Mindbloom and banking firm Goldman Sachs.

Jennifer Balajadia, 36

Balajadia is a member of the DOGE team who previously worked for the Boring Company for seven years. [According to](#) *The New York Times*, she is a close Musk confidant and assists with his scheduling.
