

Why Elon Musk's Harem Of Sex Slaves Are All Idiots and Delusional Nut Jobs

Elon Musk's secret plan to father 5,000 children: Public meltdowns in White House, toxic feuds with his harem of mothers and the shocking reason he's so keen to offer his sperm around revealed by insiders

traditional for people in Musk's position to save face by saying that they want to spend more time with their family but which one exactly? For he has at least four families that we know of and reportedly wants many more. Insiders have revealed how Musk is determined to expand a 'harem' of attractive, bright and usually conservative young women to keep churning out his offspring for what his ego tells him will be the salvation of humanity.
