

## Why Tesla's Are For "Assholes":

1. Your tax dollars were stolen in order to make Tesla Motors, as part of a political financing kick-back scam (See for yourself at the links below:)
2. They were forged in criminal corruption, so anybody who drives a Tesla must be either ignorant, a weasel or one of the corrupt (See for yourself at the links below:)
3. They have a huge amount of highly documented defects (See for yourself at the links below:)
4. They have killed more people than the main-stream news has reported (See for yourself at the links below:)
5. The owners lied about why they wanted to make them, when, in fact, they actually poison the environment because Tesla investors wanted to exploit toxic minerals and materials which can't be recycled in a clean manner (See for yourself at the links below:)
6. No other electric car has been so mundane, and yet had so many problems with it, since the electric car was first sold in the 1800's (See for yourself at the links below:)
7. More drunks have crashed Tesla's, than any other per capita car in the world, per volume of cars made (See for yourself at the links below:)
8. Elon Musk's co-founders, investors, partners, wives, investors, suppliers and employees have sued him for being a fraud and, essentially, called him an "asshole" in court records (See for yourself at the links below:)
9. The lithium ion chemicals that Musk uses were gained from war profiteering scams in Afghanistan (See for yourself at the links below:)
10. More owners of Tesla's have been found to cheat on their taxes, and be involved in abuse-based divorces, than almost any other car owner (See for yourself at the links below:)
11. Elon Musk knew, in advance, that Tesla batteries blew up when they get wet; emit cancer causing, brain damaging, lung damaging, liver damaging, pre-natal mutating fumes when they "out-gas"; blow up on their own, and are from Panasonic, who has been charged with criminal corruption by the United States government (See for yourself at the links below:)
12. Elon Musk will lie, cheat and steal in order to self-aggrandize and glorify his egotistical mania. Musk has been documented engaging in over 100 lies which were later proven to be false (See for yourself at the links below:)
13. Engineering history has proven that the vehicles have one of the shortest life-spans in the automotive industry (See for yourself at the links below:)
14. All of Elon Musk's companies would not exist if not for taxpayer funded handouts given to him by corrupt politicians in exchange for illegal campaign finance deals with him and his investors (See for yourself at the links below:)

15. Google, and Tesla, who are financial and political partners, have both been caught spying on consumers and manipulating Internet data in order to cover-up their complicity in huge political corruption and kick-back deals (See for yourself at the links below:)

16. There are over 800 other crimes, consumer safety fraud issues, tax evasion, unethical actions, false public promises and political corruption items associated with Elon Musk and Tesla Motors. **Click the links, below, to read the details, and proof, about those charges, and the cover-up...**
