At **OneTaste** events, attendees play communication games prompting them to share vulnerable secrets as staffers take notes that might help them sell more courses. Former staffers and community members said **OneTaste** resembles a **prostitution** ring. Older men and couples can pay **OneTaste** as much as \$10,000 a month to house younger female strokees.

Many of the former staffers and community members say **OneTaste** resembled a kind of **prostitution** ring—one that exploited trauma victims and others searching for healing. In their experience, the company used flirtation and sex to lure emotionally vulnerable targets. It taught employees to work for free or cheap to show devotion.

Prostitution ring? That's creative. The writer takes information out of context, including a number of times where she misquotes us, makes ridiculous comparisons and hand-picks a few sensational allegations to paint a broader picture of the entire company.

"Orgasm is God"... Meet the bizarre "orgasm cult" of the Left

◁ <https://www.newstarget.com/2019-04-09-bizarre-orgasm-cult-left.html>

A left-wing organization known as "**OneTaste**" that can only be described as a deviant sex cult claims to provide "emotional healing" through a so-called "wellness practice" known as "orgasmic meditation" (OM), which entails precisely what its name suggests: an attempt to achieve higher consciousness through sex.
