

ALL POLITICIANS ARE NOW BEING HISTORICALLY REVIEWED FOR SEX ACTS

- The class mates and school peers of every politician are being contacted going as far back as Ruth Ginsberg's elementary school days

- Every email, text message, school record, dating site message, escort site record and recollection of school peers of every public official is being pulled up by private investigators using Palantir and other CIA-Class digital surveillance tools

After watching hearing, woman accuses Washington state lawmaker of raping her in 2007 (foxnews.com)
