# California and DC Politicians Are Paid Bribes With Google,

**Facebook and Tesla Stock Warrants!** 

Nancy Pelosi, Dianne Feinstein, Ken Alex, Kamala Harris, Jerry Brown, and a horde of other political whores trade political corruption favors for stock market stock windfalls.

They changed the laws to try to make themselves exempt from the law but their audacious greed has become an off-the-charts money grab that has damaged so many of their constituents that they can no longer avoid the consequences.

You can either walk into Dianne Feinstein's house in Presidio Terrace and hand her a paper Safeway bag full of cash or you can send an electronic stock transfer notice, by email, to her broker at Goldman Sachs and have him place the stock rights in her daughter, Kathryn's, family trust fund in Nevada. Either tactic is exactly the same kind of bribe.
