

Ben Carson Discovers Obama's HUD is raping Americans via over \$516.4 BILLION In Mismanaged Funds

Housing and Urban Development Secretary Ben Carson has gotten down to business.

The results of a new, independent audit of the last years of President Barack Obama's term — 2015 and 2016 — show an incredible mismanagement of funds and a wealth of errors.

Here's what *Audit Report 2017-FO-0005*, released Wednesday, **notes**:

"The total amounts of errors corrected in HUD's notes and consolidated financial statements were **\$516.4 billion** and \$3.4 billion, respectively. There were several other unresolved audit matters, which restricted our ability to obtain sufficient, appropriate evidence to express an opinion."
