

THE SUSPICIOUS DEATHS OF THOSE WHO WERE CONNECTED TO THESE SUSPECTS

There can be no doubt that some of the billionaire oligarchs connected to this case are sociopaths. Jeffrey Epstein killed himself over the mere fact that he was getting exposed. The Google, Facebook, LinkedIn and Tesla oligarchs also present sociopath-type personality disorders. Some of them do have the money, arrogance, connections and resources to have people killed in intelligence-community style assassinations and bizarre deaths like these:
