

THE U.S. DEPARTMENT OF ENERGY CLEANTECH CRASH

In all of recorded history, there has never been so much taxpayer cash given to so few people, where each, and every, one of the recipients was a friend of the politician giving away the taxpayer cash and everyone who got the cash immediately skimmed "unjust profits" and shut down the business. On top of that, every applicant, who was not a friend of the politician, was considered a competitor, and was attacked and sabotaged using state and federal resources. This was a felony-class crime that has cost taxpayers trillions of dollars in losses. Evidence proving this, as fact, many times over, is available to be presented before the Special Prosecutor in a public hearing.
