Herb Newman of Sausalito, California is a Staffing service owner of Newman Search at phone number: 1-415-332-8425 with his office at 1707 bridgeway # 3 in Sausalito, California.

He is her relative and as a family member, he promises clients that he will get "old Dianne" to get his client's tax breaks and regulatory bypasses. He got the staffing contracts for Tesla and Solyndra because his relationship with Dianne Feinstein meant he could put her staff and friends in sweet jobs as kick-backs.

Feinstein family covertly own the real estate, construction, staffing suppliers, stock market stocks, railroad deals and other crony scams for Solyndra, Tesla and many other business efforts that Feinstein rigged taxpayer cash for in exchange for campaign finances and search engine rigging.
