I was certain that would be the decision but was of course hoping it wasn't.
Could we set up a time for them to meet for 15 minutes before the event in a
separate, private location? I don't want to be a pain just trying to cut
through the red tape.

Fyi, I learned last night that Bakhari is an limited partner in a fund that
Hunter is associated with.

Michael, the White House has ruled that foreign nationals may not attend
political or fundraising events that include the POTUS or VP. Attendants
must have a social security number. Just so you know we have a similar
situation today at the VP home...CEO of a Chinese company is being courted
to locate a plant here in DE (1500 potential jobs), planned to attend event
in order to meet the VP, and legal has ruled that cannot attend. I'm
certain this ruling would extend to Musharef. I'm willing to call whomever
you wish regarding this decision. Best, dennis.

Email I rec'd from Michael Karloutsis...eric, are you familiar with raza
bakhari? dt

Dennis, just an FYI, Raza Bakhari the gentleman who is the connection to
musharef apparently has some type of relationship with Hunter. They spoke in
the last 24 hours. Not sure that will help in the vetting process but he is
still interested in bringing musharef to the event when we have it.
