

GRAND JURY INVESTIGATION OF CALIFORNIA'S MARIN COUNTY AND THEIR CORRUPTION DEMANDED BY CITIZENS

The Marin County Corruption Scandal!

**- What to do when County officials engage in
political reprisals and ideological
vendettas against you!**

By Andy Cosgrove and The Marin Alliance

Are public employees who hate Trump or hate Obama using the public offices that your tax dollars pay for in order to attack you because they hate the current President or they hate your politics? **Is that legal? No!** It is a violation of the law, a violation of the U.S. Constitution and a violation of the trust of the public.

File public-interest lawsuits for RICO, Civil Rights violations and related corruption charges against the top 10 county administrators, PERSONALLY, the county itself and the attacking investigator, **personally**, for abuse of office.

Publish a WIKIPEDIA book, ASAP about the entire incident naming all of the names involved.

Contact the Secret Service to advise them that a public official is using Government resources to express their intentions towards the acting President.

Investigate the top 15 county officials and their campaign financiers and track-back every: Hooker use and sex party activity; Off-shore tax evasion account; Un-reported or improperly documented

Illicit family trust funds; Covert construction company and building supplier ownerships which inure to those officials through payola and kickback deals; All of their pedophilia crimes; Nepotism hires, and every other traceable illicit action which clever private and public investigation and forensic science can uncover.

Seek Federal defunding of the entire County and contact every federal entity that has ever distributed funds to the county within the last 10 years to demand defunding of that County.

Deploy a global website that documents each and every corrupt person and their corrupt deeds in the county (ie: <http://xyzcase.xyz>)

Use the peer-to-peer investigation network of millions of voters and current and former intelligence and law enforcement contacts to eradicate any and all improprieties in the County and place all County staff under long term surveillance using Voat.co, Reddit.com, Facebook, and all social media.

Send out bi-weekly national press releases with updates on the investigations.

Hold public TV press conferences in front of the offices of officials engaging in such reprisals.

Use ALL of these entirely legally actions WITH the support of Congressional officials and Federal law resources.

Make absolutely certain that every voter in the County knows that the defunding and the ruckus is because of them. You can even name the whole scandal after the Chief Administrator of the County or the investigator who was doing the reprisals so that everyone knows who to thank for all of the hassle.

You can now easily eradicate these corrupt public officials, wipe out their pensions, expose them in global media, have them arrested and indicted and end their ability to abuse public offices. They work for YOU. They are YOUR employees. Hold them to task! Thousands of dirty officials have been terminated, 100% legally, using these tactics!

In Marin County, California an incredible number of public officials have been caught having sex with the children of the local populace and then using their offices to cover up their underage sex crimes. In addition, the greatest disparity of millionaire vs. poor people exists in Marin County yet, goes who all the bosses of Marin County government and the Judiciary are: Millionaires! The poor (under \$75K/Yr. Total family income) are consistently set upon in Marin by bureaucratic fascists who feel that anyone who is not pulling in a cool million are “sub-humans”. In fact the majority of Marin County are not even remotely millionaires and that majority is tired of getting a boot on their head every time they look for justice. These bureaucrats must no longer be allowed to prey on our children, our poor and become fat off the trough of the public’s taxes.

They get away with these things because they live in a bubble in which they believe they are “untouchable” and that nobody is their boss. Tell them now, Tell them Today: YOU ARE THEIR BOSS!

Pedo-like Marin County Bosses should no longer get to think that the public is their day labor and realize that every one of the Elitist Political Mob

Bosses lording it up under Frank Lloyd Wright's big blue domes are the tools of that very public! The ***Alliance Against Marin County Corruption*** is asking everyone to participate in an Anti-Corruption program by reporting on, discussing and exposing Corruption in Marin County by adding **#STOPMARINCORRUPTION** as a hashtag, or keyword, on all of your social media when exposing corruption in Marin County.

Marin Residents are stepping up to the task, even if their elected officials won't do it!

ALL OF THESE CORRUPTION CRIMES ARE ABOUT CRONY KICK-BACK PROFIT PAYOLA

It is of the utmost importance that researchers, investigators and observers understand that these matters have nothing to do with issues of politics or ideologies.

Politics or ideologies were used, by the criminals involved, as mass marketing manipulation tools in a secondary manner in order to manipulate voter trending pressures and increase the crooks government cash windfalls.

The core goal of these corruption crimes was to conduit trillions of government treasury dollars and stock market valuation manipulation profits into the pockets of certain politicians and their crony financiers.

In the ensuing exposure and cover-up, now underway, the criminal elements constantly seek to steer circumspection away from themselves by drawing on emotional political ideology triggers, ie: “..*don't believe that we*

politicians did any crimes, we are part of your political party. It must be the bad OTHER political party making up stories because they are jealous..”

In fact, for a free scoop into the pig trough full of trillions of taxpayer dollars these criminals have proven that they will lie, murder, extort and operate more like a crime syndicate than a pool of elected representatives.

This is not about politics, this is about crime.
