

These investigations focus on Silicon Valley Venture Capitalists, Washington DC and Sacramento California politicians, including White House staff, and the organized crimes engaged in by those parties including:

- Sex trafficking and the operation of executive hooker-clubs
- Illicit campaign finance and election rigging using their social media networks
- Use of Google, Facebook, Twitter, Amazon and other social media entities for psychological warfare against the public
- Lies about the impressions or traffic on social media in order to defraud the public, campaigns, and advertisers
- Black-listing of suppliers and entrepreneurs
- Bribery of senior law enforcement officials and judges
- Anti-Trust law violations
- Crimes and illicit activities as a "Cartel"
- Tax evasion and the coordinated operation of false-front Cayman Islands accounts
- Conduit-rings to pay political favors with search engine and social media rigging
- RICO Racketeering Cartel operations
- Coordinated character assassinations of reporters and citizens who reported their crimes
- Fraudulent trust funds, shell corporations and family accounts for political and business bribery
- Manifestation of their rape-culture, frat-boy, take-what-you-want, misogynistic culture into a crime family-type operation
- The bribery of Senators and public agency staff via stock market exchanges
- Crony government funds payola via exclusionary tax waivers, tax credits, employment liability reductions, and similiae provided only to graft partners
- Interference via moles, internet manipulation and political campaign blockades
- Collusion and covert meetings designed to coordinate illicit trade practices
- Intellectual property theft
- Falsification of government review data in order to steer funds to their personal accounts
