

Trump: Our Country's Biggest Enemy Is Silicon Valley's and Hollywood's 'Fake News'

(CNSNews.com) -- Criticizing some of the liberal media's coverage of the U.S-North Korea summit on denuclearization, President Donald Trump said "Fake News" outlets NBC and CNN are trying to "downplay" the summit, a deal they would have praised a year ago, and added that America's "biggest enemy is Fake News," which is "so easily promulgated by fools!"

In a June 13 tweet, the president wrote, "So funny to watch the Fake News, especially NBC and CNN. they are fighting hard to downplay the deal with North Korea."

"500 days ago they would have 'begged' for this deal -- looked like war would break out [then]," he wrote.

"Our Country's biggest enemy is the Fake News so easily promulgated by fools!" said President Trump.
