

Meet Elon Musk's Grim Reaper hitman: He is loathed by the left as DOGE's cruel henchman. Now, friends reveal the surprising truth of their intimate relationship

Wearing a smile and a t-shirt with the Jolly Green Giant logo on it, Steve Davis looks about as far from Elon Musk's shadowy henchman as you could imagine. The photo, obtained exclusively by the Daily Mail, was taken in 1997 during Davis's senior year at high school in Massachusetts. Back then Davis, now 45, was simply a ferociously clever geek known for his goofy sense of humor and competitive streak. Today he is one of the most powerful men you've never heard of and, perhaps, one of the most reviled, beside his boss at the Department of Government Efficiency, Elon Musk.
