

CRIMINAL COMPLAINT; DEMAND FOR DAMAGES AND AN END TO THE COVER-UP

- UPDATE AND PUBLIC REPORT

=====

We filed criminal complaints about these crimes and about our damages with every applicable city, state and federal law enforcement and regulatory office, every inspector general and every jurisdictional politician. We now find out that many of them were profiteering in these crimes and owned the stock of the criminals involved. So now, any party who does not help us, who runs cover-ups, who attacks us in reprisal for reporting their crimes and who engages in these crimes is being investigated using FBI-quality resources, [doxed](#), prosecuted, fired and addressed using the furthest legal means of the courts, the media and crowd-sourced forensics! We have FBI-quality forensic proof of everything on this page. If you have forensic FBI-quality proof that something on here is not true, show us (We can meet you, with the FBI staff, at the conference room at 450 Golden Gate Ave on the 13th Floor in San Francisco) and we will remove any information proven to be in error. This is A report to the FBI, FTC, Congress and the American Public demand an end to these **COVER-UPS!** - Revision #63

=====

WHO:

***THE WHITE HOUSE, THE DEPARTMENT OF ENERGY, SENATORS
WHO OWNED STOCKS AND THEIR BIG TECH FINANCIERS***

WHAT:

***THEY DEFRAUDED US OUT OF MILLIONS OF DOLLARS VIA THEIR
CRONY-CORRUPTION STOCK MARKET SCAM AND THEN ORDERED
ATTACKS ON US WHEN WE TOLD THE FBI, CONGRESS AND FTC
ABOUT THEIR CRIMES.***

WHEN:

FROM 2005 TO TODAY

WHERE:

IN CALIFORNIA AND WASHINGTON DC

DEMAND:

***Government-provided legal counsel and compensation for
damages, expenses, back-salaries and monies owed. To be paid
by the Defendants***

=====

OVERVIEW 1:

The Silicon Valley Tech Cartel is an anti-trust violating organized crime operation based on quid-pro-quo. [They manipulated the Dept of Energy](#) to only fund political favorites and to sabotage the competitors of those favorites in an epic violation of anti-trust and anti-racketeering laws.

Dept of Energy staff own the stock of Tesla and Solyndra - they work, in total conflict-of-interest, as slush-fund bankers for crony insiders! Steven Chu and his agency cronies defrauded all of the non-crony applicants out of their life savings and now they are getting doxed, investigated and sued forever as punishment for their corruption! the crooked senators behind this got tens of millions of dollars of dirty profits from it while their constituents got defrauded!

We are seeking compensation from the perpetrators of these financial crimes and attacks that harmed us. Victims have already gotten over 150 of them fired from their government jobs and directly sued some of them for corruption! The longer this goes unresolved: the more lawsuits and political [embarrassments](#) these crooks can count on!

Says one victim group: " If you add up all the money the Department of Energy has spent on our FOIA's, lawsuits and federal investigations since 2008 you can see that the Department of Energy has now spent more money fighting with us than the amount they would have spent simply settling with us and paying our damages. You can see in the last lawsuit we got free White House and Congressional lawyers. Lawyers love to beat up DOE for corruption for free. All those lawyers are now looking for something to do. We

can keep doing this for another hundred years and embarrass every politician and their financiers forever. The Department of Energy could do the federal budget, the tax-paying public, the Court system, Justice and themselves a HUGE favor by simply paying us our damages and being done with it. We have been blockaded from getting our legal rights, from getting fair legal representation and from getting a jury trial because they know, in a fair un-rigged jury trial, we will win and they will be shamed and forced to pay up!"

A large part of the crimes involved trillions of dollars of payola involving rare earth mining schemes for minerals for cell phone and electric car components:

 Afghan Rare Earth

WITNESS STATEMENT 1:

"... this is about corruption that we experienced. it involves trillions of dollars of government monies! famous politicians partnered with corrupt crony-capitalist Silicon Valley bully tech oligarchs to do these felony dark-money crimes! if you hate injustice, collusion, monopolistic bullies and bribes then you will love this case! it is widely documented that famous politicians including Dianne Feinstein, Barack Obama, John Podesta, Nancy Pelosi and many others hire media assassins and attack operatives to covertly destroy those they do not like or those who compete with their stock market ownership. we caught the people they hired to attack us! note that in the last 2 stimulus bills, tens of billions of dollars, in California,

disappeared in fraud matters connected to politicians. the facts presented here are from police and court records, congressional investigations and eye-witness reports..."

 California Politics

WITNESS STATEMENT 2:

"...State sponsored hacking teams from Russia, China and Iran, (Ie: Solarwinds, Supernova, Spectre, and hundreds of other hacks) along with thousands of bored teenagers have stolen all of the CIA, NSA and Fire Eye hacking tools and hacked 20 years of the bad guys emails, files, text messages and voicemails and sent them to the press, public-interest groups and the enemies of these oligarchs. Corruption has no place to hide now. All of the dirty secrets of their crimes, bribes and quid-pro-quo are on the table and no oligarch or crooked politician will ever be safe again! On top of the hacks and leaks, we have supported new open-source artificial-intelligence based software which operates autonomously (around-the-clock) tracking the covert cash of every politician, their family, and their tech oligarch bosses. When you follow the money with these bot programs the proof of the bribes and payola is crystal clear! These crooks all use the same group o: 1.) dirty law firms like Wilson Sonsini, Perkins Coie, etc.; 2.) corrupt CPA's like Deloitte, etc., 3.) Goldman Sachs investment bankers, 4.) bribery-based lobbyists and Media Matters/ David Plouffe-like attack operatives. See how we are taking these crooks down AT THIS LINK. For example, hired attackers: Nicholas Guido Denton, Ian Fette, Gabby Darbyshire, John Herman, Adrian Covert, John Cook and Patrick George have been placed

under permanent surveillance by our private investigators and federal agents for the rest of their lives, along with their families. Any crimes, tax evasions, drug deals, [sex trafficking](#), money-laundering, political manipulations, stock market holdings, revolving-door job bribes, exchange of bribes and payola with Google and Youtube (we have the bank records) for search rigging, INTERPOL investigated cross-border transfers between the US and Eastern Europe or other additional illicit deeds they engage in, will be uncovered and reported...forever!..."

=====

COUNTER-MEASURES BEING TAKEN AGAINST THE PERPETRATORS:

How the "Corruption Kill Box" works: A CKB Procedure combines federal police investigations created by formal filed criminal referrals and Form 302 overview drafts, public class-action lawsuits, massive news media disclosure blasts, formal regulatory agency complaint filings, individual lawsuits against political and agency executives, documentary film production and distribution, the promotion and organization of Congressional hearings, crowd-sourced social media public forensics and open-source AI financial crimes tracking software. The procedure is an extinction-level event with a 100% success rate against corrupt entities. CKB's only work on the corrupt, so non corrupt parties are safe from it's effects. ANY member of the public can engage in these totally legal anti-corruption actions. Just do it! - <http://www.the-truth-about-the-dept-of-energy.com>

=====

WITNESS STATEMENT 3:

"...how corrupt are our political representatives? "we have not been able to find a single one of our political representatives who was not working for, paid by, sleeping with and/or profiteering off of the stocks and mutual funds of our competitors that attacked us! two of our senators were even caught financing some of the attacks!"

=====

VICTIM REPORT #142:

An Actual Example Of A State-Sponsored Vendetta Attack:

In the case of one victim of this corruption, let's call him "Applicant A", the dirty deeds of public officials are illuminated in all of their darkest forms. He saw, first-hand, how modern politics turns public servants into criminal mobsters. Here is what was in his FBI report:

In college, "Applicant A" was a criminology student on the multi-campus "Core Curriculum" which was offered through Stanford, SFSU and Berkeley campuses. He lived in San Francisco, with a woman who was the best friend of Kathryn Feinstein, daughter

of the future mayor of San Francisco. The woman's mother, in fact, worked for Dianne Feinstein. Kathryn Feinstein often stayed at "Applicant A"'s home and partied there in the hot tub in the back yard and in the downstairs living room. There she told tales and gossip about the deep inside scoop on San Francisco politics. This led to "Applicant A"'s recording and production of an award-winning investigative film series about the characters in San Francisco politics.

Mayor George Moscone was then assassinated one day while "Applicant A" was on his way to City Hall for a meeting at the Mayor's office. This assassination made Diane Feinstein the Mayor of San Francisco and, later, a U.S. Senator.

As further proof of the connection, Mayor Feinstein issued a large published City Hall proclamation to "Applicant A" for his work on a major project for the City of San Francisco, a tribute to George Moscone, viewed by millions of citizens and also had "Applicant A" produce many socialite events at City Hall for, and with, the Mayor's friend Charlotte Maillard.

"Applicant A" knew hundreds of top political officials, dated top officials from the White House or Congress and was constantly being solicited to run for office.

"Applicant A" was one of two producer's creating a major event for The City but a rift developed between "Applicant A" and another group. The opposing group (Comprised of competitors to "Applicant A") were being accused of embezzling civic funds. That other group was headed by two personal friends of Diane Feinstein's. The failures of the opposition group became national news as it was also backed by David Rockefeller's money man,

who also financed Diane Feinstein.

At this time "Applicant A", had numerous law enforcement and intelligence credentials, commendations and certifications and was approached to assist with a sting operation involving some of those officials. The sting operation required that "Applicant A" run for a major office in San Francisco because only a major candidate could have access to the proper people, information and proximity needed for such an operation. Department of Justice, FBI, California Fair Political Practices Commission and other entities had an interest in these task force-type efforts. The combined efforts resulted in one famous City Hall official being arrested for running an underage prostitution ring for San Francisco public officials, co-managed by a SFPD official, and another candidate for mayor, associated with the old school North Beach mob, being run out of politics and having his young daughter removed by the police to protect her from attempted abuse. Both of the indicted officials had close relationships with Diane Feinstein.

"Applicant A" ran the opening ceremonies of one of David Rockefeller's big projects in San Francisco which Rockefeller, Feinstein and James Bronkema were key players in. James Bronkema, The head of the City business council, had his mistress intermediate a potential "peace treaty" between "Applicant A" and his Cartel. He later sought to invite "Applicant A" into the Bay Area political Cartel he ran and disclosed the insider scheme to "Applicant A", hoping to entice him. Bay Area VC Tom Perkins also made "Applicant A" this offer and confirmed the existence, operation and scope of this Cartel which included famous politicians.

Subsequently, the Feinstein family became the investors, government financial agent, contractors, HR providers, staffing liaison, and friends for Elon Musk and managed the State and Federal gifts of billions of dollars of tax payer funds to Musk, which the Feinstein family profited from.

At the same time, "Applicant A" was operating a U.S. Government funded electric vehicle manufacturing company and an energy production company that competed with Elon Musk's companies. "Applicant A" contacted the Fremont, California NUMMI plant which Elon Musk had publicly stated he "had no use for NUMMI". "Applicant A" had been in negotiations and had arranged the first request to re-task NUMMI. A major Washington DC consulting group and CBS News 60 Minutes Producer: Bob Simon, then had communications with Diane Feinstein's Chief of Staff who threatened "Applicant A" against having anything to do with the NUMMI plant. Subsequently Elon Musk announced he had stepped back in and was taking over the NUMMI plant in a surprise announcement MC'd, in person by Diane Feinstein, whose family was managing the leasing, hiring and contracting for the NUMMI and next door Solyndra buildings.

It turned out that a large rare earth minerals mining scam was underway to manipulate TRILLIONS of dollars of corrupt mining profits and federal tax dollars and that "Applicant A"'s federally funded technology obsoleted that plan.

Just after Russia evacuated Afghanistan, a particular set of Russian geological survey reports called: "The Afghan Metals Treasure Maps" were found by CIA researchers in Kabul. They were said to show where many trillions of dollars worth of

copper, lithium, indium and other “rare earth” technology minerals were hidden in the Afghan plains.

That lithium and indium could power Elon Musk’s cars and Solyndra, Fisker’s, Abound’s Cleantech (if only a certain group of Silicon Valley billionaires had a way to monopolize that...hmmmm?) But; were those “Treasure Maps” a trick or a treat?

To this day, controversy exists across the intelligence communities, of many nations, about whether, or not, those maps were a scam created to “trick the American’s” or the actual locations of trillions of dollars of mining deals that were “antibody's for the taking”. The papers that the CIA geologists pulled out of that archival library in Kabul, Afghanistan still read to be a bit too convenient for what happened next. Decades later, after an invasion or two, and vast expenditures of cash, political capitol and lives, very little of the promised golden mining treasure has materialized. What has materialized is epic corruption, political payola, campaign secrets, [death](#)s and controversy.

Goldman Sachs, McKinsey Consulting and Deloitte helped a few rogue CIA buddies distribute a huge number of white papers and press releases which used the buzz words: “Trillions of dollars of lithium in Afghanistan” and “Afghanistan is the Saudi Arabia of Lithium”. Why would those particular companies put so much effort into hyping a pile of dirt on the other side of the planet? Because their investors (John Doerr, Elon Musk, Eric Schmidt, Larry Page, Steve Westly, etc.) had a quid pro quo deal with some members of The White House.

"Applicant A" had received a Congressional commendation, federal funding under contract to The Department of Energy and famous seminal patent awards for his work in the electric vehicle technologies; now used in the Honda, Toyota and Hyundai cars.

 musk_feinstein

Subsequently, the FBI discovered (confirmed via a declassified congressional report) that Daniel Jones, a former intelligence committee staffer for Sen. Dianne Feinstein, hired Fusion GPS and Christopher Steele to push the Russian story and used Fusion GPS, and other services to put hit-jobs on people for Feinstein. Additionally, the FBI discovered that high level Chinese spies worked for Feinstein, including driving her around and that her husband's partner: Mart Bailey, was in China setting up deals that the CIA was concerned about. Fusion GPS, Media Matters, Gawker Media, Gizmodo Media Google and Youtube were subsequently found to have been hired by "a famous politician" to operate over \$30M of character assassination reprisal media defamation attacks against "Applicant A" to punish him for helping law enforcement in these cases. It is well known that Feinstein, Pelosi, Harris, Reid and other Senators commonly use intelligence agency resources and "dirty tricks" to attack citizens they are mad at.

"Applicant A" and his co-workers were cooperating with agency investigations at this time. In order to discourage, threaten and intimidate "Applicant A", he and his peers were attacked with the aforementioned \$30M state-sponsored reprisal attack which included the following attack tactics:

1.) Defrauding Applicants via fake government requests to invest in rigged government contracts;

2.) Placing moles and spying inside Applicant's companies;

3.) Blockading legal counsel for plaintiffs;

[4.\) Character assassination and sophisticated contracted defamation media attacks;](#)

5.) Offshore factory processed social media attacks;

6.) Government benefits from SSA, HUD, etc, blockades and manipulations;

7.) Jobs and venture capital funding blacklisting;

8.) FOIA obfuscation for official government FOIA filings;

9.) Arbitrary government deadline manipulation for SSA, DOE, HUD and other applications;

10.) Creation of endless fake hurdles in agency applications (ie: DOE) to protect rigged "winners";

11.) Toxic workplace poisonings like the Salisbury, Nalvany, Litvinenko poisonings;

12.) Workplace sabotage and obstruction of Applicant's companies;

13.) Media defamation attacks via gawker, Gizmodo,

Jalopnik, Google, Youtube, etc.;

14.) Commercial employment database "lois lerner-ing" and red-flagging;

[15.\) Murders of peers \(ie: Rajeev Motwani, Seth Rich, Gary D. Conley and 120+ others\);](#)

16.) Revenue blockades and internet income re-direction;

17.) Troll farm attack teams hired from Chinese attack farms;

18.) Fusion GPS, Media Matters, David Plouffe attack contracts issued targeting whistle-blowers;

19.) Manual search engine lock-in attacks on Google, YouTube, LinkedIn;

20.) U.S. patent office manipulation to blockade revenue;

21.) Honey-traps sent out targeting the whistle-blowers;

22.) Fake news tabloid empires created just for defamation attacks;

23.) Housing access and financing blockades created to reprisal harass whistle-blowers;

24.) Ongoing hacking of plaintiffs devices;

25.) Tech industry black-list coordination within the National Venture Capital Association;

26.) HUD and USDA mortgage rights blockades:

27.) DNS and IP routing manipulation to prevent victims from selling anything online;

28.) Digital attacks designed to put horrific fake news about target in front of 7.5 billion people...

and more spy agency type "dirty tricks" that cost the victims their lives, life savings, income and other disabling losses...

The Department Of Energy (DOE) acts under White House orders to only give money to White House political financiers and sabotage the competitors of those political insiders. DOE says they don't do what David Axelrod, Rahm Emanuel, or the latest Oval Office lackey, tells them to do, but by now everyone knows that assertion is a complete and total lie!

Some of the people that laid siege to Congress at the start of 2021 believed they were "doing the right thing", others thought they were insane. Department of Energy staff are just as 'insane' in that they are hired to lie, cheat and manipulate funding in order to help their political favorites and harm the competitors to those 'favorites' who they perceive as political 'enemies'. Department of Energy staff are as devoted to cronyism as an ISIS attacker is to sawing off someone's head with his knife. Neither of them perceive themselves as "crazy zealots", both groups think they are 'doing the right thing', but those on the outside can see the truth.

When an Applicant for government funding receives a letter

simply stating that their loan application under the Advanced Technology Vehicles Manufacturing (ATVM), LGP, Battery funds, etc. or other Program, has been rejected it is because the Applicant did not bribe the right people. Bright Automotive famously published a national letter about how the Dept of Energy had lied to them. XP sued the Dept of Energy for corruption and won. Congress has held ongoing hearings about the corruption and payola at the Department of Energy.

No logical reasons are ever given in the DOE letters and only after several attempts at phoning the Department of Energy office can you ever get the so-called "reasons" orally. You may never receive the reasons in writing. Over a hundred Applicants like Bright, Zap, Brammo, EcoMotors, XP Vehicles, Elio, Lordstown and others have been lied to, led down the garden path, stone-walled, delayed and sabotaged in order to protect political insiders Tesla, Solyndra, Abound, Brightsource and other White House financiers.

One could understand a rejection if the reasons given were applicable to an Applicants actual loan application. However, in each case, they were not. Many reasons did not even reflect what was included in the Applicants submissions if the Applicant was a competitor to Elon Musk. Department of Energy staff simply made up data that was not even submitted in order to help Tesla and harm Bright Automotive, for example. In many cases a rejected electric car Applicant was told that their car "did not use enough gasoline" or that their windmill project used "too much sun"... or similar nonsense.

All of Steven Chu's Department of Energy staff were friends of, investors in, or associates of Elon Musk's Cartel. They stayed on,

many of them even still in place in 2021, waiting for Jennifer Granholm to get in and start the old Chu regime back up to hand out cash to the insiders from the Silicon Valley Mafia. In each case, after several attempts at receiving more clarification from the Dept of Energy and ATVM offices, no one from DOE has been in further contact with any outsider Applicant . For years, each Applicant is still requesting additional information about their loan applications and more applicable reasons for rejections.

Most of the competitors to Elon Musk, had cars that could go further than a Tesla, cost up to 80% less than a Tesla, used no gasoline, were easier to repair and build than a Tesla, saved your life better than a Tesla in a crash, didn't blow up like a Tesla, did not get hacked as easy as a Tesla, were faster on torque-factors than a Tesla, were not about to go bankrupt like Elon Musk was at the time, did not require an extension cord to trip over like Tesla does, did not rely on foreign labor like Tesla did, did not have the horrific debt ratio that Tesla had, did not cause genocide and rape around the globe in corrupt lithium and cobalt child labor camps like Elon Musk did and, generally had every advantage over Tesla except: 1.) the Elon Musk partnership that Musk had with Dianne Feinstein's family and the 2.) conduit of cash between Musk and political candidates.

Most of the other Applicant's had thousands of customers lined up who wanted to buy their unique and very "green" cars. The public were eager to buy their products but those products were better and more competitive than Elon Musk's. If you line up every Applicants merits in a spreadsheet, the "DOE winners" would lose. The metrics were ignored or rigged in order to favor Tesla and Solyndra and harm outsiders who competed with them.

One of the rejection reasons that DOE gave an Applicant was that their car “did not use E85 gasoline”. It was an ELECTRIC CAR which uses NO gasoline which one would think that an Obama Administration had as a goal our country should want to attain. Crony insiders Tesla Motors and Fisker also used no gasoline and they were handed the DOE funds with almost no scrutiny. At no point was E85 gasoline ever mentioned, discussed, commented on or requested by DOE. In fact the topic was particularly avoided by DOE staff.

Another reason an Applicant (XP Vehicles) was given was that that “they were not planning on making millions of cars.” Any intelligent auto industry expert knows you have to ramp up production from a few thousand cars in order to get to a few million cars. The Department of Energy was not offering enough money to start making millions of cars right out of the gate. No car company EVER FUNDED by the Dept of Energy, to this day, has ever been capable of making millions of cars from the get go. In fact, XP, who proposed 50,000 vehicles, turned out to be EXACTLY correct based on industry history. Dept of Energy reviewers turned out to be EXACTLY wrong on their comments...or they were making things up to protect Musk. The rejection point was that Applicants were not planning to make enough cars. This was a false statement by DOE. The company would like to build and sell more cars than any other car company. They were fully willing to produce millions of vehicles if provided with the appropriate funding as they quantified millions of fleet buyers for its vehicles. No DOE entity ever asked them to adjust, discuss or amend their numbers. They were more than willing to adjust those numbers if anyone had even bothered to ask. One must start out with small steps and were

planned to ramp up to a massive number over time. To suggest that one do otherwise would demonstrate questionable judgment by DOE reviewers. The validity of this comment was based on either lies or manipulated interpretations by DOE staff designed to harm Applicant ratings over Musk.

Applicant XP, whose business plan was based on selling vehicles to the government was told they were rejected by DOE because they were "... not planning to sell cars to the government". That determination was 100% false. It was a bald faced lie by Department of Energy staff. It was clearly stated in XP's application that the core sales plan of the company is based on government fleet sales. The Dept of Defense wanted a particular light-weight version of the XP car for air-dropped rescues. One cannot help but wonder if DOE even read the applications or just rubber-stamped all non-crony applications as "rejected".

In another example of a failure to read the applications, The Dept of Energy asserted that factory cost estimates were too low because "the metal body fabrication systems" were not calculated high enough. The Applicant did not use much metal fabrication in its bodies, which Dept of Energy staff would have known if they had even read the first page of the application.

Banks and every other business lender takes a few weeks to decide on business funding. The Dept of Energy stonewalled Applicants for YEARS and received numerous write-ups from the GAO as one of the most screwed up organizations in Washington DC.

DOE reviewers never even talked to the founders, inventor, engineers, project leads or primary contractors from non crony

Applicants. Outsider Applicants were even told, over and over again, that everything in their application was good and that no additional information was needed. This is despite the fact that the reasons given for outsider rejections did not reflect the technology being used and therefore the ATVM reviewers did not understand our concept and product. Tesla Motors received over 100 hours of staff meetings and attention to guide them through the DOE. Non-crony Applicant"s got zero help.

It was discovered that McKinsey Consulting was hired to write all of the global white-papers designed to promote the Cleantech investors stock market holdings. They were also hired to staff the Department of Energy entirely with Elon Musk's and Solyndra's friends. They were also the lobbying consultants to Google, Facebook and the Silicon Valley Cartel.

After nearly a year of waiting, accompanied by written, verbal and in-person DOE proclamations that "everything was fine", "everything is on-track", "you appear to meet every criteria", etc. and after staff expended the majority of their personal funds based on these positive assertions, the applications were suddenly and mysteriously rejected. Why was staff at DOE during the course of the year, positive about the outcome and never asked for additional information? It was because they all knew, from December 2008 forward, that only those friends on a secret insiders list were ever going to be approved. Every other "Applicant A" was being defrauded and used as a smoke screen to make it look like things were "in process". Applicant"s were promised, assured and relied on "things are looking good" statements from Dept of Energy staff who were lying. Dept of Energy staff knew from December of 2008 that the money was hard-wired for Tesla and a couple of others.

At the start of the DOE application process DOE's Lachlan Seward, Matt Rogers, Steven Chu, Kathy Zoi, Carol Battershal, and ALL of the senior DOE staff told each Applicant that the review would "be very interactive"... but there was no interaction for non-crony outsiders while Elon Musk and Solyndra folks, who applied later, were reviewed earlier, had hundreds of hours of in-person hand-holding interaction with DOE and had already been awarded their funds. No outsiders got any of this help or "interaction".

Rejection comments supplied by Chris Foster of DOE seemed to be unrelated to the business of each rejected company and had no foundation in fact. It was as if Dept of Energy staff would make anything up to keep competitors against Silicon Valley political campaign financiers from getting to market.

Rejected Applicants provided \$100 million+ of asset collateral opportunity for only a \$40M loan. To repeat, non-crony "Applicant A"s provided over TWICE the collateral of the value of the loan. How is this not as secure of a structure as any of the other Applicants. Elon Musk did not have any collateral like this!

Tesla was in such bad trouble that they had to borrow money from the Middle East and Detroit in order to temporarily cook their books so that DOE could release their cash. In reality, Tesla is a book-cooking stock market valuation manipulation operation and not a car company, as such.

The Department of Energy determined that three of the Applicant's were "most likely" to obsolete and put Elon Musk's company out of business because they beat the competitive

metrics factors for price, range, safety, cost-to-produce...literally, THEY BEAT MUSK ON EVERYTHING! Department of Energy staff are beholden to Elon Musk and HIS political financiers so they could not let any competitors into the market. The Department of Energy is the gate-keeper of who gets to exist in the American auto industry according to Elon Musk's own marketing director: Daryl Sirry. No American bank or VC will finance a car company without DOE insider say-so. The Department of Energy blockades funding for those who directly might compete with Elon Musk because they get paid by Elon Musk and his financiers with stock, jobs, perks, political appointments, etc.

DOE top staff told Applicants that if they paid \$50,000.00 then they could get a full review. One Applicant got investors to fund the \$50K fee. The investors agreed if a DOE staffer would tell them once on the phone or email that that was the case. The (lying bastard) DOE staffer (Foster) refused to come to the phone or reply to any fedex or email until an hour after the deadline to wire the fee, even though he was recorded in his office, hiding from the calls. The staffer then sent an email saying "you missed the deadline to pay the fee, you are rejected", even though he had organized the missing of the fee by refusing any communication that he promised, in writing, to have with the investors who were to pay the fee. Elon Musk did not have to pay the fee until much later after Tesla got caught not paying the fee.

The state is wielding extraordinary power these days — power to close businesses, to directly impact people's livelihoods and even lives — and so it owes it to the public to disclose how and why it makes those decisions that appear to only benefits campaign financiers and insiders. Hiding the identities and processes of the Department of Energy reviewers is a criminal act.

This secrecy is exactly the wrong approach here and will only breed further mistrust, confusion and contempt for the crucial role of government in bringing alternative energy vehicles to market.

Dept of Energy reviewers told non-crony Applicants that “electric motors and batteries were considered” by the DOE reviewers to be “too futuristic of a technology and not developed for commercial use even though they have been in use in over 40 industries for over 20 years, including by NASA. By the way, Tesla, Nissan and Fisker used the same exact electric motors. What was the rationale for this DOE argument aside from cronyism? In the case of XP, every part of the XP car was to be purchased from existing commercial sources with multiple points of supply, so it is not possible to see how a reviewer might think the vehicle had any significant technical acquisition hurdles. Over 100 major supplier companies, that have been building parts for the auto, aerospace and industry for decades) were to deliver the component parts for XP Vehicles. The U.S. Congress said that the primary purpose of this loan program was to develop advanced technology and further reduce U.S. dependence on gasoline. The non crony car "Applicant A"s used no gasoline and got over 125 miles per battery charge. How is the DOE claim that electric cars are not compliant not in direct conflict with the precepts of the Section 136 law?

DOE staff would constantly “Lois Lerner” (or lose) non-crony Applicants paperwork. A DOE staffer named Brent even revealed that Lachlan Seward had ordered some documents shredded for cover-up purposes. Congressional investigations have documented hundreds of such corruption actions at DOE.

So... we thought: "How could the U.S. Government engage in such insane criminal bull shit?"

So, we legally acquired the public Office Of Personnel Management records, social media postings, LinkedIn records, FOIA revelations, voting and contribution records of every Department of Energy contractor and employee who had even the most remote contact with the funding process, from 2008 forward...and LOOKIE, LOOKIE! We have not been able to find a single one of them who was not financially involved with the handful of people who got they Dept of Energy funds. They were the most insider-trading, conflict-of-interest based, sleeping-with-the-recipient bunch of crooks and liars you could ever find. Why is the Dept of Energy allowed to hire only their friends and insider trading associates? Why is every office at DOE not required to have a 50/50 staff mix? The deciders and lobbyists are connected by [sexual culture and greed](#) and defrauded each of the non-crony people who they induced to apply. The Department of Energy knew from Dec. 1, 2008 that nobody was ever going to get Dept of Energy funding except the previously hard-wired crony insiders. Each "Applicant A" who was not an insider lost millions of dollars and years of their lives because of the lies of the U.S. Department of Energy. The Department of Energy has never apologized or paid their bills for the damages!

"Applicant A", at this time, discovered that he had been exposed to toxic materials, possibly intentionally as "political poisoning" (ie: The Salisbury Poisonings and the Alexander Litvinenko poisoning), as a reprisal tactic, from his work with the Department of Energy and Kaiser laboratories. "Applicant A" filed for his benefit rights,, which he had full credits for, but political

officials from Senate offices ordered those funds frozen and used intelligence agency dirty tricks to manipulate and alter government records. The "Solarwinds", "Supernova", "Spectre" and hundreds of other hacks show that the very servers that "Applicant A"'s records were on were, in fact, penetrated.

Agency staffers manipulated Applicant's filed benefits applications with SSA, HUD and other agencies, in order to cut off their funds in reprisal for assistance in corruption investigations.

Congressional officials then assisted some of the whistle-blowers and their peers with a first-ever federal anti-corruption lawsuit. This case set many new legal precedents. The victims team won the lawsuit proving that government agencies "infected by corruption" had manipulated, blockaded and stone-walled the Applicant's government funding.

These citizens instigated Congressional corruption investigations and hearings against the most senior members of the State and Federal government. These actions resulted in the termination of very famous public officials and their crony criminal embezzlement scams and almost resulted in the President being forced to leave office, mid-term, based on revelations of a massive crony kick-back scheme which began to be exposed after the FBI raid of Solyndra. The director of the FBI was fired for assisting in cover-ups related to this matter.

It was revealed that White House executives ordered government agencies to harm members of the public and to reprisal with-hold public resources from the public. This was a violation of tort, RICO and anti-trust laws.

The victims fought back.

They used 100% legal tools to interdict the corruption.

First, with a unique new kind of pioneering federal lawsuit, victims established — FOR THE FIRST TIME IN LEGAL HISTORY — that political cronyism is a valid basis for a claim of arbitrary-and-capricious agency action under the Administrative Procedure Act. See: Federal Case One, (D.D.C. 2015).

Second, they prevailed in the United States Court of Appeals for the District of Columbia Circuit on their appeal of the district court's ruling that an agency may escape judicial review of its action by requesting a voluntary remand but refusing to reconsider its initial denial of an application. See: Case Federal Two, (D.C. Cir. 2017). The Washington DC Circuit agreed with the victims that an agency may only seek a remand if it promises to reconsider its initial decision. It is because of that victory that the government, under court order is now re-doing the victims applications and GAO, FBI, IG's and Congressional oversight offices are watching to assure effective ethics and transparency.

Third, these cases placed, on permanent public record, one of the most detailed documentation sets, ever assembled, about how modern political "Dark Money" conduits operate. The legal team hired ex-FBI, CIA and SEC experts to track down covert bank accounts, revolving door bribes, insider stock trades and other payola between the victim's competitors and public officials. This documentation now prevents the use of those kinds of criminal efforts, in the future, by exposing their tactics to the public.

Fourth, the victim's team engaged in the interdiction and termination of corrupt agency executives, contractors and their financiers. This included some of the most well-known names in Washington, DC, at the time. Many of them were, and are still being, investigated and surveilled by the FBI, GAO, SEC and Congress.

Fifth, and most important, the effort put every corrupt political scheme on notice that they WILL be found out and interdicted!

The bottom line? The victims group WON on every single aspect of their public-interest goals but still have yet to be recompensed for their damages!

Now the "bad guys" have less options to engage in the corruption of our Democracy!

Not only did the Department of Energy engage in reprisal attacks. SSA staff and officials from the SSA have been shown to have run political reprisals on "Applicant A". History has shown that some Bay Area SSA staff since 2007 have gone on to work for politicians in dispute with "Applicant A" or for ANTIFA-like political activism groups that advocate attacks. SSA has been forced to remove at least four officials from their SSA jobs and more are under investigation. Dianne Feinstein, Nancy Pelosi, Kamala Harris, Harry Reid and other Senators have the staff and power to manipulate any SSA, HUD, CMA, DOE and other agency decisions, files, results and benefits against any citizen they are pissed of at. All of those Senators own the stock market assets of all of the competitors to "Applicant A" and have the owners of those competing companies over to parties and home dinners

on a regular basis.

Nearly a thousand public officials including White House, FBI (and other agency most senior officials) have been removed from their jobs for using the government for revenge, reprisal, retaliation actions against those they competed with. The published facts, Congressional reports, Inspector General investigations and testimony prove that government officials attack citizens on a regular basis.

In the event of "Applicant A"'s [death](#) an "insurance policy" of devastating encrypted files has been pre- distributed to certain reporter and legal groups.

=====

WITNESS STATEMENT #4:

"...the 2008 and 2020 "stimulus funds" are quid pro quo scams to pay off political insiders. We reported these crimes (with FBI-class evidence) to every law enforcement agency in writing (FBI, DOJ, SEC, IG, FTC, OSC, FEC, etc.). apparently, citizens are ignored if the crimes involve politicians and their billionaires. the cover-ups are off-the-charts! these mobsters (**Google, Tesla, Facebook, LinkedIn, Netflix, In-q-tel, Kleiner Perkins, Greylock**, etc; acting in a coordinated, collusion-based, operation) are paying billions of dollars of political bribes (...via cash, real estate, sex trafficking, pacs, search engine rigging, crony jobs, biased censoring, campaign funds, stock market manipulations, ukrainian money laundering, etc.) to delay justice and blockade our, and your, rights! There can be no question about the fact that Google, Facebook, Netflix, Tesla and the Silicon Valley Cartel control the Obama and Biden White House. For example: Elon Musk ordered the politicians who are his bitches to sabotage his competitors. He gave those political insiders: cash, stock in his cartel, revolving-door jobs, campaign funding, sex workers, off-shore money laundering, and other quid pro quo. Eric Schmidt, Larry Page, Mark Zuckerberg, and the rest of the tech mob, all worked together on these crimes. The hacks and leaks of their documents prove it. Government agency bosses are covering up these crimes to protect their jobs and their corrupt stock market holdings. Musk and Goldman Sachs have gotten over FIFTEEN BILLION DOLLARS of free taxpayer cash and monopolized exclusives to pay for Musk's drugs, sex parties and mansions. This is one of the largest violations of anti-trust laws in history. The politicians and agencies that are supposed to stop him are getting money from him. Musk exists entirely from quid pro quo bribes! Musk's banks, including Deutsche Bank, have had to pay more than \$100 million to settle charges related to violating anti-bribery laws and engaging in money laundering. While the Musk-controlled media bloviate on the god-like image of Musk, he and his buddies are just crooks and mobsters. It is now almost

impossible for the public to reach any media source that is not controlled by the Silicon Valley Cartel via synchronized talking points. Politicians who say that their only motivation is to "save" the helpless billionaire Elon Musk and his unicorns: 1.) sabotage any companies who are not making Tesla's, 2.) [have sex with Tesla lobbyists and bankers](#), 3.) own the stock in Tesla Motors, 4.) are venture capital partners in Kleiner Perkins (ie: Gore) and Greylock capital insiders, 5.) trade revolving door jobs with the Elon Musk cartel, 6.) gave Musk over \$15B of free taxpayer money, 7.) get campaign financing from Musk, 8.) order government agencies to freeze funding for Musk's competitors, 9.) and engage in a vast number of other corruption and anti-trust crimes.

Politicians talk a big game about coming down on the Silicon Valley Cartel but they never really seem to move on their threats or declarations because they are receiving bribes FROM the Silicon Valley Cartel.

It has been proven that Google does indeed pick and choose what search results come up at the top of every search in order to help Google's friends and harm Google's enemies. Google, Facebook, Netflix and Tesla covertly spend billions of dollars influencing Congress.

The monopoly of the Silicon Valley Cartel is distinct and different from somebody like the New York Times, for example, or any major media platform that does not have legal immunity because they are publishers. All other publishers do pick and choose what news stories they publish, what letters to the editor's are printed, what kind of op-eds are put on their platform, and they make those decisions knowing they are legally liable. Google bribed the 230 law into existence as an exclusive law just for Google to get away with

crimes.

[Via agreements to collude](#), the Silicon Valley Cartel platforms are acting as publishers as they are making editorial decisions while maintaining a legal immunity under section 230 which allows them to attack others without consequences. Google has parties and members of congress will go and pick up their checks. Facebook will have a big reception and Congress members go and say "hey, where's my check?". That is outright bribery! READ THIS LINK: [How Silicon Valley, in a Show of Monopolistic Force, Destroys Competitors.pdf](#) The reason no one is acting on big tech is that the companies are inviting our elected members of congress into their very deep pockets. This is a massive abuse of power on several levels and if our elected officials can't resist the temptation of extra money in their pockets, then they need to be removed by recall elections, lawsuits and doxing...."

=====

WITNESS STATEMENT #5:

"...they stole our lives - now we are taking their entire cartel down...without breaking a single law! Hundreds of [public officials, at famous government agencies](#), and dozens of sociopath billionaires are profiteering in these crimes. they are blocking our requests for justice. [they are running felony cover-ups](#) to protect their [sinister dark money scams](#). the public is sick and tired of their criminal

corruption. attached to this site you will find millions of pages of evidence from federal investigators and top reporters proving each assertion herein. (ie: [HTTP://WWW.THE-TRUTH-ABOUT-THE-DEPT-OF-ENERGY.COM](http://www.the-truth-about-the-dept-of-energy.com).)

These felony crimes affect every citizen in the nation. The public must demand new laws to make bribery via stock market securities and 'revolving doors' have a mandatory and severe prison sentence with no more loop-holes for politicians! these tech oligarchs and dirty senators need to be arrested by the fbi and by citizen arrest! none of these scum-bags should ever be allowed to be "white house advisors" again! 98% of the politicians, and their family members, that own stock, use it as payment for bribes, payola and corruption. how can you trust any politician whose family makes most of their money off of stocks they are making the laws for? forbid any politicians from owning stock! Each voter should sue each politician that engages in corruption! That will solve the problem!..."

=====

DEMANDS:

OUR PERSONAL DEMAND TO THE PRESIDENT, THE ATTORNEY GENERAL, THE FBI DIRECTOR, THE INSPECTOR GENERAL AND CONGRESS:

"...WE DEMAND PAYMENT FROM THE U.S. GOVERNMENT AND THE STATE OF CALIFORNIA FOR OUR DAMAGES, FEES, BACK-PAY AND STATE-CAUSED LOSSES FROM THIS POLITICAL CORRUPTION

AND THE RELATED COVER-UPS AND PROVEN HIT-JOBS THAT GOVERNMENT OFFICIALS OPERATED. POLITICIANS DEFRAUDED US OUT OF OUR LIFE SAVINGS THROUGH THEIR ORGANIZED CRIME SCAMS USING GOVERNMENT RESOURCES.

Financial investigator Jim Mintz, GAO and FBI forensic analysts and hundreds of others have proven that Senators and White House bosses gave their friends Eric Schmidt, Larry Page, Mark Zuckerberg, [Elon Musk](#) and their other political financiers over \$45 BILLION dollars of free taxpayer-funded cash. The politicians owned profits in those oligarch's companies and put over \$200M of dirty profits in their covert family bank accounts. Those politicians (ie; Feinstein, Harris, Reid, Pelosi, etc.) cut off our funds, benefits and human rights, and ran media attacks on us (we are the competitors of those oligarchs), to protect their corrupt profiteering scams. Their companies had crappier products, that killed or abused more Americans, that cost more, that avoided giving Americans jobs, that had racist and sex abusing cultures and that relied on payola and quid-pro-quo...they got the money because they paid bribes and for no other reason... " Schmidt, Page, Zuckerberg, Musk, etc. [each spend](#) over \$500M per election to [manipulate elections!](#) How much does the average citizen get to spend to steer election results? How much do you spend to rig elections? [Is it right, or fair,](#) that a crooked billionaire gets to buy elections with covert money while you, the public, languishes?

Every politician who was supposed to be helping us was an owner of our competitors, [having sex](#) with our competitors, running a Dark Money payola scam with our competitors and attacking us using taxpayer money. Their leaked emails and financial records prove it!

The victims were specifically and illegally excluded from participation in funding, benefits, jobs and income by major political figures, including U.S. Senators and White House executives who they knew, and those politician's corrupt Silicon Valley oligarch financiers. The tech Cartel and politicians attacked the victims because they would not cooperate with the crooked: [sex trafficking](#), tax evasion, off-shore money laundering, political bribery quid-pro-quo, revolving door payola scams, foreign nation-sponsored domestic manipulations, stock market rigging, internet censorship and search engine manipulation and other crimes. They attacked the victims because they reported the crimes to federal police. They attacked the victims because their products obsoleted the products the Senators owned the stock of (ie: [Tesla](#), Google, Facebook, Netflix are covertly owned by California politicians). They attacked the victims using taxpayer-funded state resources. That is a felony violation of the law. The ongoing cover-up of these crimes and attacks is also a felony violation of the law. The victims their are owed damages compensation, witness fees and back-pay. Multiple Inspector General hearings, Congressional hearings and undercover videos have proven, beyond a doubt, that public officials order reprisal hit-jobs on citizens funding, SSA benefits, housing, permits, government applications and other things in order to harm them as political revenge for speaking out!

Federal investigators have proven (via records-tracking, financial data, surveillance, insider tips, leaks, etc.) that White House executives, government agency executives (SSA, LSC, DOE, USPTO, etc.) and California political bosses, including California U.S. Senators, owned interests in the victims competitors worth

many billions of dollars. Any citizen can confirm these assertions via public records and the evidence in this report. The FBI has been arresting major political figures in this organized crime ring in San Francisco City Hall. Those government officials ordered, financed and executed whistle-blower reprisals and anti-trust violating attacks on the victims using state-sponsored, taxpayer-funded resources. Using government resources, they engaged in the illegal reprisal attacks on the victims. Those harms are listed in detail in the claim section of the filed Victim Demand entitled: "The Specific Attacks And Harms Undertaken Against Plaintiffs".

Corrupt government officials manipulated SSA, HHS, DOE, USPTO, DOJ, and other agency, payments, funds, benefits and rights in order to harm and economically damage the victims. They produced and financed a massive media defamation campaign using their Paypal Mafia-based "Silicon Valley Cartel". This 'Cartel': 1.) finances the political campaigns of the Senators and the other politicians that own stock in their Silicon Valley dirty tech companies, 2.) is the competitor of the victims, 3.) shared staff with the named politicians, 4.) is the nearly exclusive beneficiary of policy actions by those politicians, and 5.) has a massive number of conflict-of-interest relationships with each of the charged politicians. The victims reported the attackers crimes to the FBI, DOJ, IG and other officials and got attacked for reporting the crimes, for busting up the organized crime effort and for running companies whose product technologies obsoleted those of the tech Cartel. The victims are claiming their rights to their damages and fee compensation, but those same public figures have blocked them from an equitable jury trial to address the matter. The government has provided the attacker/political campaign financiers/competitors of the victims with tens of billions of dollars of free government cash yet the

victims have gotten nothing but grief from the public officials who are supposed to help them because a criminal cover-up is in process. The politicians who got those "bad guys" that free taxpayer-provided money, own the stock of those criminal's companies, are best friends with those oligarchs and are politically financed by those corrupt players. This organized crime cartel operates the most audacious and corrupt scheme in American political history.

No public official should hire, and seek to replicate, the entire crony corruption payola staff from the Obama Administration. Nobody who owns stock in, or has revolving door payola from, Silicon Valley tech weasels should EVER be allowed to work in our government. Those officials only made policy that put cash in their stock market accounts and were extremely corrupt; at the expense of every member of the public!

In addition to the above, agency bosses changed federal criteria from "first-to-apply/first-come-first-served" to "who-are-friends-are" in order to let their friends in line for funding ahead of everyone that applied first.

In order to manipulate the stock market and create a monopoly, Google/YouTube hyped Google insider Elon Musk and hid all of his competitors. Google/YouTube also accepted payments in order to run attack videos and character assassinations on his competitors, some of which were paid for by politicians who owned Google/Tesla stock. Those politicians got Musk and Larry Page government cash hand-outs! Google/Youtube manually manipulates servers to help friends and destroy competitors.

=====

NOTICE TO THE UNITED STATES CONGRESS:

JENNIFER GRANHOLM: FIX THE CORRUPT CRONY CAPITALISM
QUID-PRO-QUO PAYOLA AT THE U.S. DEPARTMENT OF ENERGY.
DON'T BE PART OF IT AGAIN!

Part of the staff at the U.S. Department of Energy are political fan-girl zealots who will lie, stone-wall, cheat, shred, manipulate and defraud in order to exploit their political cause and advance their careers. They will do anything to help their "girlfriends": Elon Musk, Eric Schmidt, Mark Zuckerberg, George Soros and their brethren. They will do anything they can to harm the competitors of those insiders. Nothing that happens at the D.O.E. is not based in bribery and payola!

EVERY new Department of Energy staff has said: "We won't do those bad things the last guys did"; but they have each been found to have lied! Jennifer must be ordered to pay the damages of the past victims and eliminate all of the programs that have been proven to have been corrupt.

Even if you spend years providing data for a Dept of Energy funding application, even though you get approved, at the last minute the White House will covertly whisper orders to cancel your funding because you compete with a financier of The

President.

The lying sycophant scumbags at the Department of Energy are covering up these crimes because they own stock in, and get contracts and revolving door jobs from, [Elon Musk](#), Google, et al. The Department of Energy is a deep, dark, smug abyss of crony payola, kick-backs, market monopolization, bribes and insider corruption beholden to the tech cartel. Google, Facebook and Silicon Valley are a private government that is more powerful than the U.S. Government. They use the U.S. Government as their bitch! These people put mobster-like 'hit-jobs' on the victims and operated state-sponsored attacks against them because they reported the crimes to law enforcement.

Don't be a SUCKER and fall for the lies that the Department of Energy dishes up. The Advanced Technology Vehicle Manufacturing and loan programs are insider controlled, quid pro quo, payola scams to pay off friends and campaign financiers. NO NON-POLITICAL INSIDER HAS EVER GOTTEN MONEY FROM THE DEPT OF ENERGY! No Secretary of Energy in the last 20 years was not a political lackey. No non-insider has ever gotten the DOE funds. Every outsider who competed with an insider was sabotaged, stone-walled, lied to and shut down by the DOE stooges.

If you don't believe that Silicon Valley is operated by an organized crime cartel of sociopath frat boys that are protected by famous Senators and public officials, who own their stock and get their campaign cash, then here is absolute proof of the crimes and the cover-ups that go all the way to the White House. We conducted an exhaustive, decades-long, investigation deep into the roots of modern political corruption and here is how it

works and how to destroy it!

Have you noticed that all of the "stimulus" money always goes to the politicians friends and benefits their stock market accounts but almost none of the cash goes to the voting citizens? That is the kind of BS we are stopping here!

These tech kleptocrats have tried to hide all their dirty cash all over the world but distinct, AI computer-tracked patterns have emerged that have caught them! The moves and tricks they like to use each contain the seeds of their own destruction. We have been catching them at every stage and those patterns reveal how California politicians and dirty Google/Facebook/Tesla crooks hide their dirty money.

In all these corruption cases, these corrupt people took the same steps to conceal their assets. They each took the money in secret ways. The main ways are 1.) via Dark Money stealth political funds; 2.) bribes paid via insider trading (notice that most of these crooks marry an investment banker to run their dirty schemes) and 3.) getting government contracts, loans and grants for their friends that they get kick-backs from. They then had their dirty law firms and CPA's shove the money into their standardized covert financial structure to hide it. They use family members to run the operation. Their dirty family members and lawyer/CPA teams cover up their tracks. They then have intermediaries spend the money to get them islands, yachts, mansions, hookers, Tesla's, etc.

They use Switzerland, The Ukraine, The Cayman Islands, Mexico, China, Cyprus, Russia and New Zealand as money laundering centers. They create a tsunami of offshore shell companies on

islands and crazy places that few could find on a map. It is all a sham.

They keep moving the money around and buying sham real estate. These Senators and tech oligarchs will just lie and lie and lie because no major law enforcement agency ever has the will to arrest them. If public officials won't do their jobs then the public must do it for them!

Bribery - Wikipedia

See <https://en.wikipedia.org/wiki/Bribery>

Bribery is defined by Black's Law Dictionary as the offering, giving, receiving, or soliciting of any item of value to influence the actions of an official, or other person, in charge of a public or legal duty. With regard to governmental operations, essentially, bribery is "Corrupt solicitation, acceptance, or transfer of value in exchange for official action."

=====

GOVERNMENT OFFICIALS ARE BLOCKADING VICTIMS RIGHTS TO A TRIAL AND TO LEGAL COUNSEL:

"Government staff and contractors have told us: "just sue us". This was their response to trying to resolve this issue.

That response, by government officials, is a felony violation of Constitutional law, human rights law, State and Federal public policy directives, the expectations of the national citizenry and the principles of Democracy.

The government response is, thus legally "non-responsive" and a threat to every voter and citizen.

Our previously filed demand, attached hereto as a PDF document under the title: "VICTIM DEMAND Jan 12 2020.pdf" proves that no care or attention was paid to Plaintiffs previously filed complaint by your office except to operate a cover-up

campaign. Any cover-up campaign of this felony organized crime matter subjects each, and every, government employee and contractor involved in said cover-up to felony arrest and prosecution.

You have blocked Plaintiffs from getting a lawyer or getting any legal help. That is a felony violation of the law and an abhorrent violation of U.S. and State Constitutional and human rights.

The current tactics being used to prevent Plaintiffs from their legal rights include:

A. Plaintiffs have been "black-listed". Even though the law in California (Cal. Lab. Code § § 1050 to 1053) says that an entity can't prevent or attempt to prevent former workers from getting work or representation through misrepresentation, knowingly permitting or failing to take reasonable steps to prevent blacklisting, or make a statement about why an employee was discharged or left employment, implying something other than what is explicitly said, or providing information that was not requested: It is done every day in Silicon Valley. The "Silicon Valley No Poaching Black-List" class-action lawsuit was about this issue. Federal FAR Section 9.104-1 (d), and related laws, apply. Blacklisting is a key part of the IC Vendetta Cycle attacks. The victims also suffered damage to their rights under the Age Discrimination in Employment Act (ADEA) (29 USC Sec. 621, et seq.); the Americans with Disabilities Act (42 USC Sec. 12181, et seq.); the Civil Rights Acts - (42 USC Sec. 2000, et seq.); the Davis-Bacon Act (40 USC Sec. 276a, et seq.); the Employee Retirement Income Security Act (ERISA) (29 USC Sec. 1001, et seq.); the Equal Pay Act (29 USC Sec. 206[d]) and other violations.

B. Each and every law firm capable of handling Plaintiffs case has been contracted, paid and/or influenced so that they are “conflicted out” from representing Plaintiffs. Law firm Mofo was threatened if they helped Plaintiffs. Lawyer Amy Anderson was threatened and lost her license for attempting to help Plaintiffs. Every lawyer or law firm who attempts to help Plaintiffs is hired by Defendants, or their agents and threatened or compromised in order to prevent them from helping Plaintiffs because this case affects trillions of dollars of energy industry profits, the White House, billionaire oligarchs and multi millionaire corrupt Senators. In fact, this issue lies at the root of this entire corruption case. Sociopath over-moneyed Silicon Valley oligarchs have hire Morrison Foerster, Wilson Sonsini, Perkins Coie, Covington Burling and every other major law firm and lobbyist and told them to “kill everyone and destroy everything that I don’t like...”. These law firms (controlled by Mark Zuckerberg, Elon Musk, Larry Page, Eric Schmidt, Steve Westly, Vinod Khosla, Laurene Powell Jobs, Nancy Pelosi, etc. All of whom have nearly a trillion dollars of funds at their disposal) have carte blanche and unlimited payments to run coups, character assassination campaigns, money laundering and other crimes for the oligarchs. They have the staffing to do these things and zero incentive to not do crimes. These law firms are the dirty deeds teams for the mobster-like suspects and there is no law enforcement body with the will nor resources to stop them. It is a violation of the U.S. Constitution to tell Plaintiffs to “go get a law firm” when EVERY possible, equitable, law firm works for, and is massively compensated by, the criminals that need to be sued. Both the politicians AND the tech oligarchs charged with these crimes have hired the very law firms that government agencies have told Plaintiffs to go out and hire.

C. There is a precedent that was set in the US Supreme Court case: Gideon v. Wainwright, (1963) that clarifies that you have a right to a lawyer even if you don't have money for one. The Sixth Amendment, as applied to the states through the Fourteenth Amendment Due Process Clause gives one their Due Process rights. One needs to kill someone, though, to most easily get your free lawyer, since the court-appointed lawyer is rarely ever appointed, on citizens behalf, in a case like this. Even if a defendant is represented by an attorney of his or her choosing, he or she may be entitled to relief on appeal if the attorney did not provide adequate representation. A defendant must demonstrate that the attorney's performance "fell below an objective standard of reasonableness" and that this was prejudicial to the case. See: Strickland v. Washington (<https://supreme.justia.com/cases/federal/us/466/668/case.html>) , 466 U.S. 668, 688-92 (1984). A few "free lawyers", that victims had tried, turned out to be working for the opposition side.

D. The federal organization: <https://www.lsc.gov> is required to help but has refused because it's administrators were friends with, and appointed by, the public officials charged with corruption in this case.

E. Plaintiffs have personally asked the Attorney General, The Director of the FBI and the U.S. Attorney's office for representation but they have been told not to respond because the case is politically embarrassing to major public officials and their corrupt Silicon Valley financiers.

F. The government agencies who have told Plaintiffs that Plaintiffs should "hire a law firm and sue them", in order to resolve this matter, are the same government agencies that have

cut-off, or blockaded Plaintiffs income sources in order to prevent Plaintiffs from being able to afford to hire a law firm to sue them.

G. A federal agency provided Plaintiffs with a list of “free lawyers”. Upon FBI-level investigation of every “free lawyer” on the list, (via their financial contributions, voting records, leaked emails, social media postings, event attendance, public records, social connections lists online and other surveillance data) they all worked for, or with the opposition interests and could not have possibly provided unbiased services. In fact, multiple lawyers have contacted Plaintiffs who turned out to be working for the opposition. They were sent in to delay, or redirect, Plaintiffs in order to keep the cases from being filed or properly prosecuted in order to protect the suspects. This is a common infiltration procedure widely documented in CIA, British secret service, Russian FSB and Snowden leaks documents on IC dirty tricks tactics.

The government is, at the same time, telling us to sue the government, yet blockading us from getting a lawyer per our Constitutional rights.

Agency staff were ordered to harm Applicants by manipulating their benefits in order to deny, delay, obfuscate and reduce their income as reprisal for their assistance to law enforcement in a political corruption and money laundering matter. Agency staff, ranging from the lowest level staff and up to the director headquarters offices, participated in this reprisal-vendetta-revenge action to harm Applicants.

Applicant’s peers have filed DOJ and FBI criminal referrals,

launched federal investigations and the assertions have been proven in numerous IG, FBI, Congressional and major news media investigations. Agency offices have failed to provide responsive FOIA requested data, hearing investigation data and fair responses because some of their staff are STILL operating a criminal cover-up which has now been update-reported to the FBI, Congress, the IG, the AG and investigative reporters.

Other federal agencies have complied, verified and provided the requested deliverables. SSA and DOE have pointed the searchlight of suspicion on themselves, laser-like, by their overt failure to comply, unlike every other agency. Ironically, the political financing of their executives and their personal relationships “happens” to be with the exact same Silicon Valley oligarchs under felony criminal investigations. The stock market brokerage records, family trust accounts, PAC trace-routing, Interpol records and SEC investigation records proves it!

Unfortunately for the crooked agency staff, some Applicants have the authority, law enforcement credentials and training to arrest any person at their home or office and remand them to the FBI, DOJ or Sheriff. For example: Every “unsigned” SSA email is tracked to the individual author by their IP address, device IMEI, web camera, building key card, door camera, parking lot use chart, building camera, vehicle tracking circuits, text dba records, keyboard UI/UX patterns, motherboard ID #, DNS routing, stingray read-outs and a vast number of other metrics. Applicant investigation peers know the exact person that wrote every SSA email or document or file request. There is no such thing as an anonymous SSA email. Transparency is the Applicants middle name. The FBI and CIA people that SSA and DOE insiders think are their “buddies” may actually be the

APPLICANTS buddies!

You will either give the Applicant his money and damages compensation, or suffer the consequences of the rapid acceleration of one of the largest investigations in modern history, supported by millions of voters with a shared peer-to-peer forensics social media network, the FBI and Congress. With the push of a single button, our latest info can be in the inbox of every blogger and independent investigative journalist in the world, in minutes.

History has proven that non-corrupt portions of federal agencies and public service law and community action firms have executed on their willingness to expend millions of dollars of resources to fight this injustice. Every individual involved in this at SSA and DOE are on a forensic database. No person at SSA or DOE who uses our government as a garage sale for corruption favors or a kill mill for political reprisals will avoid the 100% legally executed consequences. They will be targeted and prosecuted even more profoundly than the Applicants were targeted with IC-type hit jobs.

This felony criminal investigation case, is documented on thousands of websites and in dozens of federal court case records in which Applicant won the case or was vindicated in the case and in thousands of news websites.

Applicants researchers and investigators disagree with any decision by any agency which causes a delay in response which puts the applicants in jeopardy for their life and safety.

Testifying, and/or reporting about this crime has resulted in the

death, potentially by [murder](#), of the following individuals who reported to the authorities about this crime matter:

Rajeev Motwani; Gary D. Conley; Seth Rich; Philip Haney; David Bird; Doug Bourn; Misti Epstein; Joshua Brown; Kenneth Bellando; Moritz Erhardt; Imran Aliev; Kate Matrosova; David Drye; Vincent Foster; Kathy Ferguson; Duane Garrett; Eric S. Fox; Judi Gibbs; Berta Caceres; Suzanne Coleman; L.J. Davis; John Hillyer; Stanley Huggins; Sandy Hume; Shawn Lucas; Gary Johnson; John Jones; John F. Kennedy, Jr.; Stephen Ivens; Mary 'Caity' Mahoney; Eric Butera; Danny Casolaro; John Ashe; Tony Moser; Larry Nichols; Joseph Rago; Ron Brown; Bob Simon; Don Adams; Peter Smith; Victor Thorn; Lori Klausutis; Gareth Williams; Daphne Caruana Galizia; James D Johnston; Dave Goldberg; Loretta Fuddy; Paul Wilcher; Gary Webb; Beranton J. Whisenant Jr; Stanley Meyer; Jon Parnell Walker; Tyler Drumheller; Barnaby Jack; Dominic Di-Natale; Barbara Wise; Ilya Zhitomirskiy; Jeff Joe Black; Robin Copeland; John Wheeler; Ashley Turton; Michael Hastings; Antonin Scalia; David Koschman; David Werner; Alex Okrent; Kam Kuwata; Larry Frankel; And hundreds more connected to this case who suddenly, and strangely, turned up dead in this case and, ironically, their deaths all benefit the suspects in this case. Applicants are also whistle-blowers who have been previously attacked in reprisal and who have been threatened with continued harm and [death](#).

Any delay, obfuscation, cover-up, FOIA refusal or other obscuring tactic by each and every member of an agency employee or contracting entity will be prosecuted on a person-by-person basis. Each employee or official who causes, by their action, further harm to the Applicants will be sued personally,

have their assets garnished and will have a formal criminal referral authored and submitted to the FBI, DOJ, FTC, Congress and the news media. Applicants have sued the highest level personnel in the government for corruption, launched FBI and Congressional investigations against them and had them removed from their jobs and placed under permanent surveillance. The court and news records prove this fact. Do not imagine that any reprisal action by a public agency staffer will go unnoticed or unpunished by federal law enforcement, public forensics and major independent news media investigations.

The suggestion, by certain agency bosses, that one should "just file an IG report" is like telling someone to file a complaint against Hitler at the suggestion box at Nazi SS headquarters. You won't make it through the night! IG reports seem to accomplish nothing more than painting a target on your own back. Court records and news headlines prove that almost every citizen who reported similar political corruption through "official channels" was targeted with hit-jobs and economic blockades....ask Snowden!

Pay the Plaintiffs their damages compensation, whistle-blower fees, back-fees and offset monies NOW! Millions of citizens, around the globe, have all of the same evidence you now have and each day of delay only hurts YOUR agencies position in the eyes of the world and in the eyes of the voting population of the nation!"

=====

THE SILICON VALLEY TECH CARTEL IS A RACKETEERING CRIME MOB:

We are fighting the battle to save the internet and now you are part of it!

(ie: <http://silicon-valley-mobsters.com>)

(Please share this with your peers and friends and post it on your social media)

What would you do if you found out that your politicians (ie: Dianne Feinstein, Nancy Pelosi, Harry Reid, Kamala Harris) had put over one hundred million dollars in their covert family bank accounts which they got from sabotaging your business, because it competed with them, and from blockading your money because their tech oligarch insiders told them to? Our forensic investigators can 'swear, warrant and certify' that the politicians did the asserted crimes and corruption.

Like a social Terminex(c) pest control service, we are eliminating every single tech asshole in Silicon Valley (like the roaches that they are) using 100% legal, law enforcement approved, resources.

You are probably asking: "How Did Palo Alto, California Became Populated Entirely By Assholes"?

Why is the Tesla THE OFFICIAL CAR OF TONE-DEAF ARROGANT PRICK ASSHOLES!?

A glut of recent feature films (ie: [The feature film: Assholes: A Theory.](#)) have excoriated the likes of Sand Hill Road and University Avenue scumbags...but pointing them out is not enough. They must be exterminated. You can verify the following facts, yourself, via court records, police records, FBI reports, FOIA and Congressional records.

As U.S. Marshal Raylan Givens (Timothy Olyphant) famously opined on the TV show "Justified", "You run into an asshole in the morning, you run into an asshole at lunch. You run into assholes all day"; America on the precipice of the fallout of a monumental presidential election, it seems that assholes are not only everywhere you turn—in newspapers, on cable TV, at political rallies and protests, and all over social media—but that they, and their behavior, has been normalized because they own the media. Silicon Valley has a tsunami of "assholery" underway. This reality is covered in the philosophy of professor Aaron James' non-fiction book and new documentary aimed at both 1.) precisely defining the term "asshole," and 2.) investigating how those who fit that bill have increasingly come to dominate key spheres of modern public life.

Stanford University graduates are inspired by the likes of corrupt Elon Musk and corrupt Italian Prime Minister Silvio Berlusconi—the forerunner of the media-manipulating populist-criminal-

strongman trend that's recently swept through Western nations —or passages discussing Facebook, Twitter and Google's prioritization of profit over their responsibility to safeguard democracy from hate speech and disinformation. Stanford and Yale have proven to be the key training grounds for beginner assholes. Eric Schmidt, Larry Page, Elon Musk, Jack Dorsey, Reid Hoffman, John Doerr, Vinod Khosla and Mark Zuckerberg are the embodiment of this problem. They flout all of the rules and standards of common decency. They have made it appear acceptable, and in fact rewarding, to act in the worst possible manner as a means of achieving one's selfish ends. Their Silicon Valley is the pit of American assholery. You can spot an asshole, easily, when they are driving the official car of assholes: A Tesla, but what about the ones that are more under-cover?

Most people that have been tech raped by a Palo Alto Sandhill Road scumbag feel the same way as Mr. Sun, who says: " Silicon Valley Oligarchs must be punished. Without breaking a single law and WITH the help of the largest law enforcement and investigative resources on the planet, my task force has killed off every single motherfucker that has come after me with their anti-trust violating schemes, including some of the largest entities in the world! My peers and I use lawsuits, federal investigations, news reports, whistle-blowers, new public regulations, anti-trust filings, tens of millions of crowd-sourced voters and unique AI-based forensics. Our private investigators have found my every person and organization on the globe that hates the oligarchs. We gathered them together and aimed them all at the tech assholes! My rule is that Anyone who attacks me stays on the shit list for the rest of their lives plus the next 100+ years of internet time. When you Zuckerbergs, Larry Page;'s Elon Musk's, John Doerr's, Reid Hoffman's, etc., come for

me, prepare to suffer. Every stock you buy is a notice to my team to bankrupt the company that you invested in. Even if I am dead, your punishment will be carried out by a legacy team of public volunteers. It may happen to you tomorrow or it may be a slow-drip over the next 15 years. Never stop looking over your shoulder. If you decided to cheat against our businesses rather than fairly compete against us, then start carving your tombstone. If you hired media attackers, expect 100 times what you did to us to come back at you and your family forever! We are fine with "forgive-and-forget", except when it comes to criminal bullies: They are terminated!

He has pledged millions of dollars, from his family trust, to the effort. His AI database lists every investor, VC and executive in Silicon Valley, their family data and their "asshole ranking". Most of the people attacked and ripped off by the tech oligarchs feel the same way. None of the victims have the monopolized control of the big tech law firms like the tech oligarchs do. None of the victims can afford to have an army of crooked law firms (ie: Mofo, Covington & Burling, Perkins Coie, Wilson Sonsini, etc.) working around the clock to enable financial crimes, corruption and Democracy abuses.

To grasp the argument that these people are assholes, one need only listen to the Silicon Valley Assholes's basic description. As many state, "The asshole is the guy who allows himself special advantages in Bay Area cooperative life out of an entrenched sense of entitlement that immunizes him against the complaints of other people." In other words, he's the individual—generally male, although as John Cleese candidly admits, his mother probably was one too—who thinks the general rules don't apply to them because they're somehow smarter, better, or more

special than their fellow citizens. James' example is a surfer who violates the right-of-way customs in the ocean. Yet the type is universal, whether in line at the grocery store, on the road in traffic, or at work. They're the arrogant creeps convinced they're fundamentally superior, and thus free to conduct themselves in whatever way they see fit. That IS the essence of scumbag megalomaniacs: Eric Schmidt, Larry Page, Elon Musk, Jack Dorsey, Reid Hoffman, John Doerr, Vinod Khosla and Mark Zuckerberg!!!

The way "they see fit", of course, is often hateful, perverse and idiotic. The Assholes thrive in a bubble of trophy wives, rent boys and superficial TED conferences. In the midst of ongoing protests and debate over America's own domestic culture, which has long had a tradition of closing ranks and demonizing critics, every Silicon Valley employee ordeal sounds eerily familiar among every worker at Google and Facebook.

Such attitudes, according to the Silicon Valley Assholes are created by Stanford University Fraternities which are breeding grounds for horrid group-think mindsets about women and sex. The tech financial sector encourages greed, ruthlessness, and vulgarity as the best way to get ahead. Google executives champion initiation-ritual abuse in service of its own greater good. You can see the movies: Animal House, The Wolf of Wall Street and Full Metal Jacket to see the underscore of the notion that these milieus are all rife with a similar brand of assholery in which arrogance and entitlement justify all manner of despicable ideas and deeds. Every major rape fraternity in the USA eventually sent those abusive boys to run Sandhill Road venture capital companies and Google or Facebook departments.

Every executive at Google knows that they are doing crimes, lying to Congress and the public and operating the biggest scam in history. That is why they will come up with any lie, re-interpretation of the facts or denial to hide the truth!

Any Presidential Administration that puts sociopath, Epstein-like Eric Schmidt, Larry Page or ANY Google executive IN their Administration is either proving their tone-deaf lack of awareness of the facts or that their President is such a bitch to Google's campaign cash that they could not possibly be trusted by any world leader or any citizen. (See: <https://therevolvingdoorproject.org/letter-to-oppose-eric-schmidt/>) (<https://nymag.com/intelligencer/2013/07/eric-schmidt-penthouse-new-york-photos-apartment.html>)

The Silicon Valley Assholes Process proves that real Silicon Valley VC and tech assholes probably don't know they are one; central to this condition is the certainty that all bad behavior is actually OK.

This is detectable in the media posts of workers from Greylock, Kleiner, Andressen and other tech asshole firms. Many of the tech interns freely admit that that they only pay attention to other social media users if there's a personal benefit to connecting with them. That type of me-first worldview is crucial to Palo Alto Sandhill Road's conception of twisted reality. Asshole-rich Silicon Valley America (where "exceptionalism" is ingrained from an early age) lives in contrast to asshole-light Canada (where folks tend to be more agreeable and accommodating)(Justin, though, is a novel kind of asshole).

The most compelling—and enraging—realities concerns Silicon

Valley, where Mark Zuckerberg and like-minded CEOs have bred a culture of trampling on competitors, laws, historical norms, and the bedrock tenets of democracy in pursuit of additional eyeballs, clicks, and revenue streams. In a place where young men team up in a desperate quest to develop the innovative next big thing that'll turn them into tech moguls ("bro-gramming"), nothing matters but the self-centered end goal. And though Facebook, Twitter, Google, Kleiner Perkins, Greylock and their ilk could alter this landscape by simply cracking down on the horridness that permeates their platforms, they choose not to because of the negative financial consequences and their lust for hookers, private jets and cocaine.

To travel through Silicon Valley is to take a gravely depressing survey of a 21st century in thrall—in several crucial arenas—to humanity's worst impulses.

So what is being done about this crisis of society?

We have hired the best investigators who used to work with the FBI, CIA, FTC, DOJ, SEC, GAO, IG and Interpol.

We have also been teaching every voter in the world how to be a top notch criminal investigator and how to use digital forensic AI tools to "follow-the-money" and bust these crooks. Imagine the entire resources of Palantir, XKEYSCORE, Splunk, Axiom, Fusion GPS and Taleo aimed at people like Zuckerberg, Hoffman, Musk and Schmidt. They will never survive it!

Every single asshole in Silicon Valley can expect to have accurate, highly professional, criminal charges and referrals filed against them with every federal law enforcement and regulatory agency.

Those reports are being BCC'd to the news media and the public.

When you see reports like these, you can clearly see that: Every Tech CEO And Investor In Silicon Valley Is A Predatory, Parasitic, [Sex Trafficking](#), [Misogynist](#), Money Laundering, Politician Bribing, Exclusionary, Black-Listing Criminal:

[Sexual harassment in Silicon Valley: have we reached a ...](#)

< <https://www.theguardian.com/technology/2017/jul/09/silicon-valley-sexual-harassment-women-speak-up>

Jul 9, 2017 The last week has seen women in Silicon Valley share stories of sexual harassment, assault and discrimination, prompting a backlash and high-profile resignations.

[The big lesson Silicon Valley can learn from the Theranos ...](https://fortune.com/2018/03/15/elizabeth-holmes-theranos-fraud-secrecy/)
c <https://fortune.com/2018/03/15/elizabeth-holmes-theranos-fraud-secrecy/>

Theranos CEO Elizabeth Holmes and former president Ramesh "Sunny" Balwani were charged with an "elaborate, years-long fraud."

A viral thread has busted the MYTH about "Famous Billionaires Starting Out "Poor". Jonas Grinevičius and Justinas Keturka have revealed that we all love stories about scrappy underdogs who overcome the odds and make it big through relentless hard work, unwavering grit, and sheer force of will. However, the stories about how some of the richest and most powerful people made their millions (and billions) are too romanticized and gloss over some very important details. That's the point that Aidan Smith made in a viral Twitter thread where he explained how Jeff Bezos and others had a huge leg-up when it came to helping lay the foundations of their business empires. Namely—having families with lots of money. Google used taxpayer funds to start its monopoly per <https://medium.com/insurge-intelligence/how-the-cia-made-google-e836451a959e> and <https://qz.com/1145669/googles-blue-origin-partly-lies-in-cia-and-nsa-research-grants-for-mass-surveillance/> Not only does Google not pay tens of billions of dollars of its taxes to sponsor firemen and teachers but Google used public resources to start its company! Billions of dollars of citizen funds were used by Google to create it's evil empire. Google gets away with this crap because it bribes major U.S. politicians from California!

Aidan told Bored Panda that the US isn't the only country where a lot of people believe myths about businessmen while the truth is a Google search away. "It's far from a U.S.-exclusive phenomenon, but in America, it's easier for most people to imagine becoming a billionaire themselves than it is to imagine an economic order in which a handful of people own half the world's wealth. Social mobility from working-class to middle-class is increasingly out of reach and the illusion that one can conceivably amass a net worth of over a billion dollars is a comforting fantasy for many people."

The indisputable facts are the assertions that the Silicon Valley oligarchs:

1. Control business and politics like a crime Cartel
2. Are a white male fraternity who attack outsiders in organized manners
3. Come from dynastic families that systematically ran them through Stanford, Harvard and Yale sociopath-in-training men's clubs
4. Were socially trained and programmed to operate in a closed, tribal, exclusionary manner
5. Operated the "Angelgate" collusion scandal and most every other financial crime in America.
6. Operated the "Silicon Valley High Tech Employee Collusion" for which they were sued in a famous class-action case

7. Controlled the White House and traded most of the key staff with the Administration.
8. Have been sued, indicted and charged in divorce proceedings with an unusually massive amount of sex trafficking matters
9. Use the same 10 law-firms who have been charged with public policy manipulation
10. Control internet news, media and information
11. "Own" certain U.S. Senators by virtue of direct bribe payments and securities/stock payola payments
12. Use a variety of tools like GUST, Private Google Docs sites, covert Facebook pages and similar, to secret conspire and plan collusion and organized monopolistic practices
13. Have their venture capitalists spy on entrepreneurs and copy their technology to be deployed by Google, or Facebook under a new name
14. Are a Mafia-like criminal organization.

Who are some of the biggest, elitist, self-aggrandizing, entitled, tone-deaf assholes in Silicon Valley?

The Tech Crunch Silicon Valley database-of-assholes provides that answer. They include: David Krane, Brian Bendett, Brendan Bulik-Sullivan, Terri Burns, Blake Byers, Tim Draper, Steve Jurvetson, Elon Musk, Steve Westly, Steve Spinner, Tyson Clark,

Frederique Dame, Tom Perkins, Scott Davis, Reid Hoffman, Eric Schmidt, Larry Page, Jared Cohen, David Drummond, Karim Faris, Tom Hulme, Joe Kraus, John Lyman, Vinod Khosla, Laura Melahn, Dave Munichiello, Erik Nordlander, Anthony Philippakis, Sridhar Ramaswamy, David Reshef, Ben Robbins, Issi Rozen, David Schenkein, Vidu Shanmugarajah, M.G. Siegler, Graham Spencer, Bethany Tsui, Jessica Verrilli, Andy Wheeler, Krishna Yeshwant, Asheem Chandna, Jerry Chen, Mike Duboe, Sarah Guo, Christine Kim, Josh McFarland, Saam Motamedi, Sridhar Ramaswamy, Corinne Riley, Jason Risch, Seth Rosenberg, David Sze, David Thacker, David Wadhvani, Manuel Bernal, Allie Dalglish, Don Sullivan, Yasmin Green, Kent Walker, Matt Rogers, Steven Chu, David Plouffe, Sergy Brin, Andy Rubin, Ian Fette, Travis Kalanick, Elizabeth Holmes, Dustin Moskovitz, Laurene Powell Jobs, Andy Bechtolsheim, Brian Goncher, Cheryl Sandberg, Gilman Louie, Ira Ehrenpreis, Tim Cook, James Breyer, Joe Lonsdale, Keith Rabois, Marc Andreessen, George Soros, Mario Rosatti, Martin LaGod, Michael Moritz, Viktor Vekselberg, Larry Summers, Pierre Omidyar, Tom Steyer, RoseAnn Rotando, Larry Birenbaum, Judy Estrin, Steven Goldby, Terry Kramer, Helen Raiser, John Scully, Sandi Thompson, Ann Wojcicki and their ilk...

You can see that most of them have the same facial deformities that make them all look like yuppie frat or sorority clones with Moonie/Scientology dead eyes and fake smiles that broadcast their blind zealotry and sports bar fakery to the world. Every email, phone call, text, condo, office and brothel that these people use should be bugged by the FBI. These scammers built an insider-trading bubble of TED conferences and tech parties in which they mutually promote their Elizabeth Holmesian fantasies of holier-than-thou idiocracy. Emily Chang's book: "Brotopia" covers these scum-bags in great length.

The Silicon Valley cartel propagandizes climate issues because they own all the companies that will get government cash for climate issues. Are climate issues a bigger deal than: CANCER, [SEX TRAFFICKING](#), POOR EDUCATION SYSTEMS, POLICE BRUTALITY, RACISM, HOUSING PRICES, PANDEMICS, MEDICAL COVERAGES, WARS, DRUG TRAFFICKING, CARTELS, STD'S, MONOPOLIES, POLITICAL BRIBERY, THE SPACE RACE, TOXIC FOODS, SEX ABUSE AT WORK, AND THOUSANDS OF OTHER ISSUES...?????. The Silicon Valley Cartel says "It Is", but that is only because they own all of the companies that will get free government cash to "fix" climate issues. They do not care one tiny bit about the climate. They care about CASH!

As a Hoover Fellow puts it: "...Elite arrogant asshole dynasties send their kids to Stanford University. Stanford puts the kids in asshole frat houses to train them to get away with rape and run monopolies. When they graduate they either go up the hill to Sandhill Road and start a venture capital clone operation or they get their frat friends on Sandhill Road to racketeer-fund their start-up or political campaign using money scammed from your parents pension funds. They only work with their frat buddies and insiders in a tribal 'old boys club' manner. They steal all the technology and markets they want because they control all of the tech lawyers and politicians via bribes and revolving doors. Most of the money in Stanford University bank accounts is from Foreign and Hollywood oligarchs delivered as bribes meant to get their snot-nosed brats into Stanford. Stanford bosses keep all of this covered-up and covertly fund political campaigns to grease the wheels of political corruption. They then sexually extort some Stanford interns in Rosewood Hotel rooms, get the most 'trophy wife' ones pregnant, and start the cycle all over

again. Alas, Stanford is the training ground for abuse, corruption and 'Bro-Crime'..."

Everyone asks: " How Does Elon Musk Maintain His Corrupt Empire Of Lies Without Getting Shut Down By The Government?"

Elon Musk has spent more money creating fake fame for his narcissist personality disorder than any other person in history! Musk is obsessed with buying troll farm outputs, Chinese click-bait processing service orders, fake Facebook likes, fake Twitter follows, Reddit self-glory lie-blogger services and PR hype media articles about himself. Musk can't stand to go a single day without trying to make people think he is a god-like deity when he is just a scamming tech mobster!

Elon Musk runs a RICO-violating, stock market-manipulating, anti-trust-violating organized crime cartel! He is the high tech Godfather of financial crime and he is many times more "untouchable" than Al Capone! Public officials should be embarrassed to death that Musk waltzes around with such impunity. Musk maintains his immunity with BRIBES to Congress, bribes to the DOT, bribes to the NHTSA, and other political agencies. He acts as a conduit to pass free government cash he scams from politicians through his organization and back out, covertly, to those same politicians like Harris, Pelosi, Feinstein, et al.

HOW THE SILICON VALLEY SCAMS WORK:

Elon Musk, and the Silicon Valley Cartel, have over 1000 people at Goldman Sachs that are dedicated to keeping this corrupt empire operating on smoke and mirrors in order to hype up the

stock via dirty tricks such as these:

**** The Silicon Valley Stock Scam Called: "Pools"**

Agreements, often written, among a group of traders to delegate authority to a single manager to trade in a specific stock for a specific period of time and then to share in the resulting profits or losses." [5] In Australia section 1041B prohibits pooling. (

https://en.wikipedia.org/wiki/Market_manipulation#cite_note-5)

**** The Silicon Valley Stock Scam Called: "Churning"**

When a trader places both buy and sell orders at about the same price. The increase in activity is intended to attract additional investors, and increase the price.

**** The Silicon Valley Stock Scam Called: "Stock bashing"**

This scheme is usually orchestrated by savvy online message board posters (a.k.a. "Bashers") who make up false and/or misleading information about the target company in an attempt to get shares for a cheaper price. This activity, in most cases, is conducted by posting libelous posts on multiple public forums. The perpetrators sometimes work directly for unscrupulous Investor Relations firms who have convertible notes that convert for more shares the lower the bid or ask price is; thus the lower these Bashers can drive a stock price down by trying to convince shareholders they have bought a worthless security, the more shares the Investor Relations firm receives as compensation. Immediately after the stock conversion is complete and shares are issued to the Investor Relations firm, consultant, attorney or

similar party, the basher/s then become friends of the company and move quickly to ensure they profit on a classic Pump & Dump scheme to liquidate their ill-gotten shares. (see P&D)

** The Silicon Valley Stock Scam Called: "Pump and dump"

A [pump and dump](#) scheme is generally part of a more complex grand plan of market manipulation on the targeted security. The Perpetrators (Usually stock promoters) convince company affiliates and large position non-affiliates to release shares into a free trading status as "Payment" for services for promoting the security. Instead of putting out legitimate information about a company the promoter sends out bogus e-mails (the "Pump") to millions of unsophisticated investors (Sometimes called "Retail Investors") in an attempt to drive the price of the stock and volume to higher points. After they accomplish both, the promoter sells their shares (the "Dump") and the stock price falls, taking all the duped investors' money with it.

** The Silicon Valley Stock Scam Called: "Runs"

When a group of traders create activity or rumours in order to drive the price of a security up. An example is the [Guinness share-trading fraud](#) of the 1980s. In the US, this activity is usually referred to as painting the tape.^[6] Runs may also occur when trader(s) are attempting to drive the price of a certain share down, although this is rare. (see Stock Bashing) (https://en.wikipedia.org/wiki/Guinness_share-trading_fraud)

** The Silicon Valley Stock Scam Called: "Ramping (the market)"

Actions designed to artificially raise the market price of listed

securities and give the impression of voluminous trading in order to make a quick profit.[7] (https://en.wikipedia.org/wiki/Market_manipulation#cite_note-7)

** The Silicon Valley Stock Scam Called: "Wash trade"

In a [wash trade](#) the manipulator sells and repurchases the same or substantially the same security for the purpose of generating activity and increasing the price.

** The Silicon Valley Stock Scam Called: "Bear raid"

In a [bear raid](#) there is an attempt to push the price of a stock down by heavy selling or [short selling](#). [8] (https://en.wikipedia.org/wiki/Market_manipulation#cite_note-8)

** The Silicon Valley Stock Scam Called: "Lure and Squeeze"

This works with a company that is very [distressed on paper](#), with impossibly high debt, consistently high annual losses but very few assets, making it look as if bankruptcy must be imminent. The stock price gradually falls as people new to the stock short it on the basis of the poor outlook for the company, until the number of shorted shares greatly exceeds the total number of shares that are not held by those aware of the lure and squeeze scheme (call them "people in the know"). In the meantime, people in the know increasingly purchase the stock as it drops to lower and lower prices. When the short interest has reached a maximum, the company announces it has made a deal with its creditors to settle its loans in exchange for shares of stock (or some similar kind of arrangement that leverages the stock price to benefit the company), knowing that those who have short

positions will be squeezed as the price of the stock sky-rockets. Near its peak price, people in the know start to sell, and the price gradually falls back down again for the cycle to repeat.

** The Silicon Valley Stock Scam Called: "Quote stuffing"

[Quote stuffing](#) is made possible by high-frequency trading programs that can execute market actions with incredible speed. However, high-frequency trading in and of itself is not illegal. The tactic involves using specialized, high-bandwidth hardware to quickly enter and withdraw large quantities of orders in an attempt to flood the market, thereby gaining an advantage over slower market participants.[9] (https://en.wikipedia.org/wiki/Market_manipulation#cite_note-9)

** The Silicon Valley Stock Scam Called: "Cross-Product Manipulation"

A type of manipulation possible when financial instruments are settled based on [benchmarks](#) set by the trading of physical commodities, for example in United States Natural Gas Markets. The manipulator takes a large [long_\(short\)_financial_position](#) that will benefit from the benchmark settling at a higher (lower) price, then trades in the physical commodity markets at such a large volume as to influence the benchmark price in the direction that will benefit their financial position.

** The Silicon Valley Stock Scam Called: "Spoofing (finance)"

[Spoofing](#) is a disruptive algorithmic trading entity employed by traders to outpace other market participants and to manipulate commodity markets. Spoofers feign interest in trading futures,

stocks and other products in financial markets creating an illusion of exchange pessimism in the futures market when many offers are being cancelled or withdrawn, or false optimism or demand when many offers are being placed in bad faith. Spoofers bid or offer with intent to cancel before the orders are filled. The flurry of activity around the buy or sell orders is intended to attract other [high-frequency traders](#) (HFT) to induce a particular market reaction such as manipulating the market price of a security. Spoofing can be a factor in the rise and fall of the price of shares and can be very profitable to the spoofer who can time buying and selling based on this manipulation.

**** The Silicon Valley Stock Scam Called: "Price-Fixing"**

A very simple type of fraud where the principles who publish a price or indicator conspire to set it falsely and benefit their own interests. [The Libor scandal](#) for example, involved bankers setting the [Libor](#) rate to benefit their trader's portfolios or to make certain entities appear more creditworthy than they were.

**** The Silicon Valley Stock Scam Called: "High Closing (finance)"**

High closing is an attempt to manipulate the price of a security at the end of trading day to ensure that it closes higher than it should. This is usually achieved by putting in manipulative trades close to closing.

**** The Silicon Valley Stock Scam Called: "Cornering the market"**

In [cornering the market](#) the manipulators buy sufficiently large amount of a commodity so they can control the price creating in effect a [monopoly](#). For example, the brothers [Nelson Bunker](#)

[Hunt](#) and [William Herbert Hunt](#) attempted to corner the world [silver](#) markets in the late 1970s and early 1980s, at one stage holding the rights to more than half of the world's deliverable silver.^[10] (https://en.wikipedia.org/wiki/Market_manipulation#cite_note-TEXAS-10) During the Hunts' accumulation of the precious metal, silver prices rose from \$11 an ounce in September 1979 to nearly \$50 an ounce in January 1980.^[11] (https://en.wikipedia.org/wiki/Market_manipulation#cite_note-NYT-11) Silver prices ultimately collapsed to below \$11 an ounce two months later,^[11] much of the fall occurring on a single day now known as [Silver Thursday](#), due to changes made to exchange rules regarding the purchase of commodities on margin.^[12] (https://en.wikipedia.org/wiki/Market_manipulation#cite_note-TimeBubble-12)

**** The Silicon Valley Stock Scam Called: "The Political Campaign Conduit Double Blind"**

In this scam, government money is given to a Tesla, Solyndra, etc. who then money launder the cash through executive-held 501 c3 and c4 charities; and company assets and then provide DARK MONEY cash and services to political campaigns like Obama and Clinton election funds. In the case of Tesla, Google (an investor and boyfriend of Musk) supplied billions of dollars of web search rigging. Stock ownership in the companies and deals is traded for campaign funds. David Brock is a master of this kind of Dark Money money-laundering for political campaigns using PACS and pass-through spoofing.

Tesla and Solyndra investors have used ALL of the above tactics

and more. Goldman Sachs and JP Morgan have thousands of staff who PROVIDE these stock market manipulation tricks to people like Elon Musk, Larry Page, Eric Schmidt, et al. These kinds of financial crimes and corruption account for the manipulation of over ONE TRILLION DOLLARS of ill-gotten profits annually!

They all run a constant shell game and ponzi scheme using shell corporations, fake family trusts, hookers, facade real estate, dirty CPA's, dirty corporate law firms, David Plouffe and James Halderman-type dirty operatives, lobbyists who are just bribery bag men, crooked CIA and FBI insiders and other criminal tools.

THE PUBLIC CAN NOW HUNT THESE CORRUPT PIGS DOWN LIKE DOGS:

Given the massive stimulus packages that are in force today and expected to be implemented going forward, regulators need to set clear guidelines for how and when such privileged information can be disclosed, and impose rigorous trading restrictions for investors with access to private information. Failure to do so always gives unfair advantage to some and damages the level playing field in financial markets.

To avoid providing such unfair advantage to selected executives, the SEC and the Department of Justice need to develop new procedures to incorporate potential illegal transactions derived from information about government intervention through diverse channels. Plaintiffs advocate for a more transparent and consistent protocol on information disclosure regarding government's loan programs to prevent similar events from recurring. For example, the government could channel the

release of news about COVID-19-related stimulus interventions through a common platform to prevent leakage from diverse sources and reduce information asymmetry among investors.

The corrupt DFC loan to Kodak is the first of its kind under the Defense Production Act but not the first ever because DOE already created the pump-and-dump scheme for tech oligarchs. Nobody should be surprised by Kodak trying a proven corruption scam. Since we are in unprecedented times, government agencies and regulators need to make changes to adapt to the current situation and fulfill their mission to ensure a level playing field for investors even during this difficult period. Regulation never happens in these scams because most California Senators and their families profit from these crimes and corruption.

In addition to Musk's insidious army of corruption douche-bag enablers at Goldman Sachs, there are also:

- An army of worker-bee financial scam artist operatives at corrupt Welles Fargo and Deutsche Bank. There are about 120 people in that set of insider operatives
- Jared Birchall, the head of Elon Musk's family office Excession LLC is a front man and bag man for the outside layer of Musk's public-facing scams
- Deloitte Consulting has 17 financial advisors dedicated to ponzi scheming the appearance of liquidity in the Musk Empire
- Law firm Wilson Sonsini has 42 lawyers and admins dedicated to delaying, deferring and holding off law-suits and anti-trust

filings against Musk.

- McKinsey Consulting has 120 staff dedicated to authoring and distributing bullshit hype 'white papers' to Congress that sell budget ideas to the government that exclusively benefit Elon Musk. McKinsey is also in charge of getting people appointed or hired by the government who will provide payola and quid pro quo back to the Musk empire.

- Corrupt law firm Covington and Burling has 27 people dedicated to influencing and changing laws and public policy that will exclusively protect Musk. They put Eric Holder, Steven Chu and other top officials into the Obama Administration based on promises by those officials to protect and fund Musk.

- James Howard is one of over 56 private investigators that Musk has hired to dig up dirt on people that Musk does not like and to run attacks on them.

- In-Q-Tel is a rogue off-shoot of the CIA. Musk has hired a large number of In-Q-Tel staff to engage in CIA-class dirty tricks against competitors and former employees who expose Musk's lies.

- Gawker Media, AKA Gizmodo Media are a tabloid character-assassination-for-hire operation which Musk contracts and owns interest in. They are mission-ed to to destroy the lives of others, in cooperation with Google's servers. Payments for attack services, between all of the parties, have been uncovered.

- Google is an investor in Musk's operations and the bosses of Google are bro-mance boyfriends of Musk. Google controls most

perceptions on the internet using psychological manipulation tactics taught to them by their investor: In-Q-Tel. In-Q-Tel also works for and with Musk. Larry Page, of Google, and Musk got an apartment together and plan political schemes together.

- Elon Musk, or his associates have hired every high tech law firm that could go after him in order to conflict-out and law firms that might get hired to go after him. His top corrupt manipulator partners-in-legal crime include: Quinn Emanuel Urquhart & Sullivan, Fenwick & West, Connolly & Williams, Perkins Coie, Steven Farina, Raol Campos and hundreds of others. In fact, a competitor of Musk's was seeking a law firm to sue Musk and was told by Law firm Wilson Sonsini: "You can't sue Elon Musk because he and his Sandhill road Cartel control every high tech law firm in America..." In some cases, Musk has sent some of his lawyers to smaller business entities that want to sue Musk. Musk's lawyers pretend to be lawyers who are "offering to help" the opposition company but they are really there to covertly sabotage their legal efforts in order to protect Musk.

[Tesla](#) and CEO Elon Musk are facing dozens of lawsuits and investigations, according to public filings.

The costs of defense and settlements burden the car maker financially at a time when Tesla is already [cutting headcount](#), [closing stores](#) and [delaying loan repayments](#).

Among Tesla's most recent legal woes, the Securities and Exchange Commission has filed a motion to hold Musk in contempt of court. The financial regulators argue that Musk violated the agreement [they finalized with him and Tesla in October 2018](#) requiring the CEO to submit his tweets for review

by the company's in-house counsel if they contained material business information and could potentially affect the company's stock price.

Musk is represented in this matter by John C. Hueston, formerly the lead prosecutor for the federal trial of Enron's Jeffrey Skilling.

Beyond the contempt case, here are some of the other cases and investigations Tesla and Musk are facing that could most impact the company.

- [NHTSA and NTSB](#) regularly investigate crashes involving Tesla vehicles and the use of "Autopilot" features. These agencies initiated new investigations in March 2019, after another Tesla-involved incident proved fatal for a Model 3 driver who collided with a semi-trailer in [Delray Beach, Florida](#).
- According to a [Department of Justice](#) statement, a former Tesla employee named Salil Parulekar was indicted in November 2018 for allegedly embezzling \$9.3 million from Tesla by diverting payments from one supplier to another. The potential case, which hasn't moved past the indictment, could reveal more about troubles with Tesla's supply chain.
- Two former Tesla security employees, [Karl Hansen](#) and Sean Gouthro, filed whistleblower complaints via the law firm Meissner Associates to the SEC. They claim, among other things, that Tesla [spied on workers](#), and covered up theft

and narcotics trafficking at its battery plant in Sparks, Nevada.

- A former employee, [Marcus Vaughn](#), is pursuing a class-action lawsuit against Tesla in California alleging that the company ignored black employees' reports of rampant racism. Tesla is trying to compel arbitration, and the plaintiff's lawyers say they are fighting Tesla's motions.
- The National Labor Relations Board filed a [complaint in August 2018](#) accusing Musk of violating labor laws with a tweet on May 20 that employees wouldn't have stock options if they formed a union.
- Tesla-owned SolarCity has been the subject of multiple SEC investigations dating back to 2012, according to [Probes Reporter](#), a firm that publishes FOIA research for investors. (As of May 2108, SolarCity was still under at least one SEC investigation, said Probes Reporter CEO John P. Gavin.)
- Musk is being [sued by spelunker Verne Unsworth](#), whom Musk claimed without evidence was a pedophile and child rapist. Musk lobbed those dramatic accusations at Unsworth after the cave diver questioned the Musk's attempts to aid in the rescue of a Thai boys' soccer team. Unsworth was part of the successful rescue effort and was critical of Musk's approach.

- In a Delaware Chancery Court, shareholders are suing Tesla alleging that the company's [acquisition of SolarCity in 2016](#) was improperly handled by the board, benefitted six out of seven of Tesla's then-board members, and was ultimately a detriment to the company and its minority shareholders.

Analysis by legal research firm Plainsite found at least [38 securities actions](#) filed against Tesla or Elon Musk (or both) since 2010, the year the company went public. Plainsite – which founder Aaron Greenspan describes as a “legal transparency initiative” – scans public records across the US legal system to document the volume and types of litigation effecting major U.S. corporations. (Greenspan personally holds puts in Tesla today.)

By way of comparison, Greenspan says he found only 1 securities lawsuit against [Ford Motor Company](#) filed since 2016, and only 4 since 1996, although this does not include all Ford subsidiaries.

Along with the securities litigation, Plainsite also found 43 workers' rights cases, 14 deposit theft cases, and 20 vendor and government non-payment cases filed against Tesla since it went public in 2010. Of the 20 non-payment cases, 6 were from tax agencies in different states, Greenspan said.

Tesla also faces dozens of lawsuits around specific car-related issues, including allegations that Bluetooth doesn't work, that Autopilot has caused Tesla cars to swerve into the wrong lanes and more. Most car-specific lawsuits against Tesla focus on [the Model X](#). But Greenspan expects Model 3-related lawsuits to

grow as the company sells more of these electric sedans. Even with all of these lawsuits, Musk has the taxpayer provided cash to buy off any judge, any court, any politician and any influence dynamic.

- Steve Davis runs operations to manipulate actual intent for Musk's The Boring Company.

- The pretend CFO's in Musk's cartel including Zachary Kirkhorn, Vaibhav Taneja, Deepak Ahuja, Eric Branderiz, etc., are fully aware of the lies and financial crimes that Musk's shell game is based. They need to be in prison too.

- Above and beyond the army of over 3000 corruption implementation employees and contractors, Musk #1 protection scheme is lobbyists and political intermediaries who pay bribes and produce quid pro quo and revolving door payola. Podesta Group, Roberti Global, David Plouffe, Jeff Burton, and over 150 other groups and individuals transfer the cash, PAC omerta funds, jobs, real estate, [sex](#) and other goodies to politicians. Senator Dianne Feinstein's go from working for Feinstein to working for Musk like a political conveyor belt. Bribes hidden via family trust funds and elaborate shell game corporations and off-shore snake holes are the bread-and-butter of the Musk existence.

These facts are known, they are documented in FBI, SEC, FTC, FEC and Congressional records. It is pathetic that Musk can operate and that he is not sitting in a federal prison cell! Elon Musk is a scammer, mobster, liar, pervert, drug abusing, narcissist, Senator-bribing sociopath! Musk can run and try to hide in Texas but there is now no place he can hide!

NOTICE: To the editors allowing idiot child "reporters" to support Elon Musk's BS:

We file complaints against each one of your writers who has accepted compensation in order to use your publication to promote falsehoods, lies and contrived public relations tripe for Elon Musk's narcissist self-aggrandizement campaign designed to cover-up his crimes, scams and corruptions. Your writers have full knowledge of the proven facts in investigative documents such as:

[How The Sociopath Venture Capitalists of Silicon Valley Prop Up Elon Musk And His Failed Tesla Motors.pdf](#)

[How Does Elon Musk Maintain His Corrupt Empire Of Lies Without Getting Shut Down By The Government?.pdf](#)

[TESLA MOTORS UPDATE #3.pdf](#)

[MUSK REPORTER.pdf](#)

<http://www.the-elon-musk-problem.com>

[THE SICK CORRUPT EMPIRE OF ELON MUSK - THE MOVIE](#)

[THE BOOK OF TESLA EDIT ODT V.2.7.pdf](#)

[THE DIRTY DEEDS OF SILICON VALLEY.pdf](#)

and hundreds of thousands of previous news reports, FBI and SEC reports. These facts are easily found online by anyone of, at least, grade-school intelligence level. (ie: <http://american-corruption.com/public> or Reddit or Voat..or pretty much anywhere...). If your reporters ignore these facts then your publication will suffer revenue loss, stock market hits, devaluation, reports of your [sex abuses](#) and other sadness!

We file formal complaints against each one of these shells with industry associations, your investors and on public forums.

Your writers who selectively author fake-news hype instead of investigative journalism will be exposed and punished. Your publication's market value and credibility will be greatly diminished by this information manipulation. (ie, You WILL LOSE YOUR MONEY!) Such fake news articles should be removed and accurate counter-point should be published. Without the proper correction, it is impossible to see how your publication could not follow Gawker, San Diego Magazine, The Outline, and the rest into the spiral of bankruptcy and termination.

Thank you for your kind attention to this matter.

THE CRONY CAPITALISM THAT POWERS THE U.S. DEPT OF ENERGY

White House Staff including Rahm Emanuel, Bill Daley, Jay Carney, David Plouffe, Robert Gibbs, Steve Rattner, David Axelrod, John Podesta, et al; and The Secretary of Energy Steven Chu and the Chief Counsel for the United States Department of Energy Daniel Cohen and Bill Cooper were, (from 2007 forward), either financed by, friends with, sleeping with, dating the staff of, holding stock market assets in, promised a revolving door job or government service contracts from, partying with, personal friends with, photographed at private events with, exchanging emails with, business associates of or directed by; our business adversaries, or the Senators and Department of Energy politicians that those business adversaries pay campaign finances to, or supply political digital search manipulation services to. Criminal U.S. Senators coordinated and profited in these schemes. Their own family members have now supplied evidence against them. Elon Musk and his frat boys display their self-aggrandizing vanity in sociopath glory because nobody tells them "no". Now we are calling them out!

From 2007 forward, The White House and The Department Of Energy were controlled by the Silicon Valley tech oligarchs for monopolistic profiteering! That is a violation of the law, the Constitution and the American Way. The named person's we have presented to the FBI, DOJ, SEC and other agencies,

engaged in crimes to personally profit in the stock market and political venues. At the same time they operated the command and control of millions of dollars of defamation, character assassination and black-list attacks against us for reporting their crimes. These perpetrators are now being exposed, arrested, indicted and drained of their ill-gotten profits. We are owed our damages compensation and we will not rest until we get it! Every member of the public is invited to help crowd-source the termination of these corrupt crooks.

We worked for, with, in and around the White House and The Department of Energy. We were at the homes of the most famous people in government and their Silicon Valley financiers. We have cooperated with top law enforcement and Congressional investigators. Additional whistle-blowers have provided our effort with even more evidence. Ourselves, and investigating agencies, have absolute proof of the crimes, corruption and illicit activities and the ongoing cover-ups.

=====

STATE SPONSORED REVENGE AND REPRISAL PROGRAMS ARE OPERATED BY PUBLIC OFFICIALS

Agency staff were ordered to harm Applicants by manipulating their benefits in order to deny, delay, obfuscate and reduce their income as reprisal for their assistance to law enforcement in a political corruption and money laundering matter. Agency staff,

ranging from the lowest level staff at the San Francisco, San Mateo, Los Angeles and Marin offices, and up to the director headquarters offices, participated in this reprisal-vendetta-revenge action to harm Applicants. Applicant's peers have filed DOJ and FBI criminal referrals, launched federal investigations and the assertions have been proven in numerous IG, FBI, Congressional and major news media investigations. Agency offices have failed to provide responsive FOIA requested data, hearing investigation data and fair responses because some of their staff are STILL operating a criminal cover-up which has now been update-reported to the FBI, Congress, the IG, the AG and investigative reporters.

Other federal agencies have complied, verified and provided the requested deliverables. SSA and DOE have pointed the searchlight of suspicion on themselves, laser-like, by their overt failure to comply, unlike every other agency. Ironically, the political financing of their executives and their personal relationships "happens" to be with the exact same Silicon Valley oligarchs under felony criminal investigations. The stock market brokerage records, family trust accounts, PAC trace-routing, Interpol records and SEC investigation records proves it!

Unfortunately for the crooked agency staff, some Applicants have the authority, law enforcement credentials and training to arrest any person at their home or office and remand them to the FBI, DOJ or Sheriff. SSA and DOE staff should not longer screw around! For example: Every "unsigned" SSA email is tracked to the individual author by their IP address, device IMEI, web camera, building key card, door camera, parking lot use chart, building camera, vehicle tracking circuits, text dba records, keyboard UI/UX patterns, motherboard ID #, DNS routing,

stingray read-outs and a vast number of other metrics. Applicant investigation peers know the exact person that wrote every SSA email or document or file request. There is no such thing as an anonymous SSA email. Transparency is the Applicants middle name. The FBI and CIA people that SSA and DOE insiders think are their "buddies" may actually be the APPLICANTS buddies!

You will either give the Applicant his money and damages compensation, from his 2007 benefits filings, forward, or suffer the consequences of the rapid acceleration of one of the largest investigations in modern history, supported by millions of voters with a shared peer-to-peer forensics social media network, the FBI and Congress. With the push of a single button, our latest info can be in the inbox of every blogger and independent investigative journalist in the world, in minutes.

History has proven that non-corrupt portions of federal agencies and public service law and community action firms have executed on their willingness to expend millions of dollars of resources to fight this injustice. Every individual involved in this at SSA and DOE are on a forensic database. No person at SSA or DOE who uses our government as a garage sale for corruption favors or a kill mill for political reprisals will avoid the 100% legally executed consequences. They will be targeted and prosecuted even more profoundly than the Applicants waere targeted with IC-type hit jobs.

This felony criminal investigation case, is documented on thousands of websites and in dozens of federal court case records in which Applicant won the case or was vindicated in the case and in thousands of news websites. Applicants researchers and investigators disagree with any decision by any agency

which causes a delay in response which puts the applicants in jeopardy for their life and safety. Testifying, and/or reporting about this crime has resulted in the [death](#), potentially by [murder](#), of the following individuals who reported to the authorities about this crime matter: Rajeev Motwani; Gary D. Conley; Seth Rich; Philip Haney; David Bird; Doug Bourn; Misti Epstein; Joshua Brown; Kenneth Bellando; Moritz Erhardt; Imran Aliev; Kate Matrosova; David Drye; Vincent Foster; Kathy Ferguson; Duane Garrett; Eric S. Fox; Judi Gibbs; Berta Caceres; Suzanne Coleman; L.J. Davis; John Hillyer; Stanley Huggins; Sandy Hume; Shawn Lucas; Gary Johnson; John Jones; John F. Kennedy, Jr.; Stephen Ivens; Mary 'Caity' Mahoney; Eric Butera; Danny Casolara; John Ashe; Tony Moser; Larry Nichols; Joseph Rago; Ron Brown; Bob Simon; Don Adams; Peter Smith; Victor Thorn; Lori Klausutis; Gareth Williams; Daphne Caruana Galizia; James D Johnston; Dave Goldberg; Loretta Fuddy; Paul Wilcher; Gary Webb; Beranton J. Whisenant Jr; Stanley Meyer; Jon Parnell Walker; Tyler Drumheller; Barnaby Jack; Dominic Di-Natale; Barbara Wise; Ilya Zhitomirskiy; Jeff Joe Black; Robin Copeland; John Wheeler; Ashley Turton; Michael Hastings; Antonin Scalia; David Koschman; David Werner; Alex Okrent; Kam Kuwata; Larry Frankel; And hundreds more connected to this case who suddenly, and strangely, turned up dead in this case and, ironically, their [deaths](#) all benefit the suspects in this case. Applicants are also whistle-blowers who have been previously attacked in reprisal and who have been threatened with continued harm and death.

Because this case involves a huge number of [deaths](#), spies, trillions of dollars of energy industry funds, hit-jobs and epic political dirty tricks contracts there is a warning in effect to every suspect on "the list". "If any other principle whistle-blower in this

case is killed, within 24 hours of their death, every person on "the list" will experience the worst possible outcome!"

Any delay, obfuscation, cover-up, FOIA refusal or other obscuring tactic by each and every member of an agency employee or contracting entity will be prosecuted on a person-by-person basis. Each employee or official who causes, by their action, further harm to the Applicants will be sued personally, have their assets garnished and will have a formal criminal referral authored and submitted to the FBI, DOJ, FTC, Congress and the news media. Applicants have sued the highest level personnel in the government for corruption, launched FBI and Congressional investigations against them and had them removed from their jobs and placed under permanent surveillance. The court and news records prove this fact. Do not imagine that any reprisal action by a public agency staffer will go unnoticed or unpunished by federal law enforcement, public forensics and major independent news media investigations.

Pay the Applicants their damages compensation, whistle-blower fees, back-fees and offset monies NOW!

The solipsistic self-aggrandizing corrupt pigs in San Francisco's City Hall and Pacific Heights are being hunted down (100% legally) and eviscerated by the FBI, public task forces like ours, the news media, private citizens and the biggest email leaks in history. Hundreds of people will be taken down. The few arrests you have read about in the media are only the beginning. We are all starting at the bottom of the cesspool and working our way up, all the way through Elon Musk, Eric Schmidt, Larry Page, et al, and up to the White House. They will not escape, even in death. Roger Boas, Jeffrey Epstein, et al, may not still be lurking around but the truth about them will live on FOREVER!

=====

THE PERPETRATORS:

The Organized Crime Bosses And Their Assassin Operatives That Are Being Terminated.

These are the people known as "The Deep State", "The Silicon Valley Cartel", "The Tech Mafia", et al:

"To date, every single one of the targets that attacked us: 1.) have been sued; 2.) investigated by the government and our private investigators; 3.) had case files opened on them by the IRS, DOJ, GAO, FBI, FEC, SEC, FTC and others; 4.) placed under surveillance; 5.) had whistle-blowers and ex-staff expose them; 6.) been tracked across every social media post that has ever been made about them; 7.) had all of their illicit campaign funding and covert PAC cash exposed; 8.) had all of their family trust and shell corporation hiding places tracked and exposed by AI forensic software that works around-the-clock and 9.) placed on law enforcement watch-lists. Even the "untouchables" like Musk, Tesla, Google, Facebook, et al, now have nut-crunching law-suits filed against them, with more coming. There is no place to hide! You tried to kill us and we killed you back you criminal scum-bags!"

The following Parties participated in the scam, thought they were "untouchable" and found out that the arm of the law is very long, the hatred of the public for corruption is profound and that hundreds of public service groups have identified, tracked and assisted in their termination. This is the current list of the primary political mobster-scammers in this corruption who are all connected by financial, email and forensic FBI, SEC, FTC and CIA-class evidence. It is well known that every significant hacking

and surveillance tool from the CIA, NSA, Fire-Eye and the FSB has been leaked on to the internet. Every teenage hacker is now exposing the last 20 years of these crooks crimes. They are all under deep investigation, surveillance and targeted for 100% legal termination using all the info found freely on the web and whistle-blower tips:

The Mob Bosses That Are Going Down:

- Google/Alphabet/YouTube – Hiding under the guise of "Alphabet"; Charged with manipulation by multiple nations and national organizations; charged with crimes; charged with privacy harvesting frauds against the public; raided for tax fraud; loss of public trust; charged with campaign rigging by TV shows, presidential candidates, federal investigators and news media; under investigation for stock market pumping;
- Steven Chu – Secretary of Energy (Sent packing/fired/forced to resign. Sued for corruption, publicly shamed by news media and Congress. Under ongoing investigation and surveillance)
- The NVCA, or National Venture Capital Association, is the lobbyist and Cartel organizer behind much of the misdeeds of this group, they bribe politicians, organize anti-patent campaigns and promote a RICO-violating anti-trust law violating set of tactics to protect their members and to harm competitors, most of the women and blacks that have worked at the NVCA have said they experienced abuse.

- SpaceX and their Star Link Web satellites are a domestic spying operation. They send all of the data that goes over their links to privacy abusers, data harvesters, and political spying operations. Friends don't let friends use Star Link. Any 14 year old hacker can hack into Star Links web streams. Star Link is a danger to global privacy on an epic scale.
- Lachlan Seward – Manager to Steven Chu (Sent packing/fired/forced to resign. Sued for corruption. publicly shamed by news media and Congress. Under ongoing investigation and surveillance))
- Rahm Emanuel – White House strong-arm (Sent packing/fired/forced to resign and his Chicago finance head was indicted for Corruption)(Under ongoing investigation and surveillance)
- Robert Gibbs – White House press secretary (Sent packing/fired/forced to resign)(Under ongoing investigation and surveillance))(accused of political bribery and kickbacks; tax evasion, and more...)
- David Axelrod – White House strategist (Sent packing/fired/forced to resign)(Under ongoing investigation and surveillance))(accused of political bribery and kickbacks; tax evasion, and more...)

- Barack Obama – White House leader (Under investigation. Universally disdained in the press. shunned by his own party)
- Larry Summers – White House finance head (Fired)(Under ongoing investigation and surveillance))(accused of political bribery and kickbacks; tax evasion, and more...)
- Bill Daley – White House strong-arm (Sent packing/fired/forced to resign)(Under ongoing investigation and surveillance))
- Steve Rattner- White House Car Deals Director working in the West Wing and then with In-Q-Tel (Fired- Indicted in NY State for SEC Fraud/Corruption)(Under ongoing investigation and surveillance))
- Eric Holder – Attorney General- DOJ. Eric Holder was nominated and appointed by the very individuals who ran the scam, created the marching orders, got the insider cash and ordered the hit jobs on their competitors. He ran the cover-up and halted any investigations into the crimes in order to protect his corrupt backers and business partners. He has been financially connected to every person, group and business who is charged with organizing and operating the scam. (Forced to resign) (Charged with staff & VC

Protections and blockade of FBI and Special Prosecutor deployments in order to run the cover-up)(Under ongoing investigation and surveillance)

- Larry Page – Owner- Google (Under ongoing investigation and surveillance)(accused of political bribery and kickbacks; tax evasion, and more...)
- Eric Schmidt – Owner- Google (Under ongoing investigation and surveillance)(accused of political bribery and kickbacks; tax evasion, and more, a national coalition is actively exposing his sexual perversions, sex penthouses, etc...)
- John Doerr – Owner – Kleiner Perkins. “Godfather” – Silicon Valley Cartel (Under ongoing investigation and surveillance)) (accused of political bribery and kickbacks; tax evasion, and more...)(All of his personal assets, investments and portfolio holdings are under investigation and targeted for extinction)
- Steve Westly – Campaign Bundler (Under ongoing investigation and surveillance))(accused of political bribery and kickbacks; tax evasion, and more...)(All of his personal assets, investments and portfolio holdings are under investigation and targeted for extinction)
- Richard Blum – Senator Feinsteins Husband (He is now under investigation. Has had contracts interdicted by

Congressional action)(accused of political bribery and kickbacks; tax evasion, and more...)

- Ray Lane – VC (Charged with Federal Tax Fraud)(Under ongoing investigation and surveillance))(accused of political bribery and kickbacks; tax evasion, and more...)
- Elon Musk – CEO – Tesla (Under ongoing investigation and surveillance) & in multiple lawsuits for fraud)(Now uncovered as largest individual recipient of government payola in history)(accused of political bribery and kickbacks; tax evasion, and more...) (All of his personal assets, investments and portfolio holdings are under investigation and targeted for extinction) He cuts up and tortures animals for his Neuralink, spies on citizens with his SpaceX and runs an EV monopoly and causes genocide with his cobalt and lithium mines with his corrupt Tesla cars. His life is devoted to weird sex, drugs, political bribes and stock market manipulations.
- Andy Bechtolsheim – VC- Insider campaign backer (He is now under investigation)(accused of political bribery and kickbacks; tax evasion, and more...)
- Vinod Khosla – VC Campaign backer (Under ongoing investigation and surveillance)(in multiple lawsuits)(accused of political bribery and kickbacks; tax evasion, and more... Exposed in 60 Minutes and CNN news coverage)

- Martin LaGod – VC Campaign backer from Firelake (Under ongoing investigation and surveillance)(assets, investments and stock portfolio tracked and targeted)(All of his personal assets, investments and portfolio holdings are under investigation and targeted for extinction)
- Latham and Watkins - Extremist law firm known for rigging public policy decisions, running attacks on candidates and manipulating the law to the advantage of Silicon Valley oligarchs
- Ira Ehrenpreis – VC Campaign backer (He is now under investigation)(accused of political bribery and kickbacks; tax evasion, and more...) (All of his personal assets, investments and portfolio holdings are under investigation and targeted for extinction)
- Eric Strickland – Head of Auto Safety agency (Sent packing/fired/forced to resign)(he is now under investigation. Charged with cover-up of Tesla and GM auto dangers he had known about)
- Tom Perkins – VC Campaign backer (He is now under investigation, slammed by public and media)(accused of political bribery and kickbacks; tax evasion, and more...)

- In-Q-Tel, Inc. – CIA off-shoot associated with Eric Schmidt, Google, Elon Musk and the Cartel leaders. Ran “hit-jobs” on Silicon Valley VC adversaries and reporters (Sued, under investigation, exposed in multiple documentaries, under investigation for Cocaine trafficking)
- Tim Draper – VC Campaign backer (Under ongoing investigation and surveillance))(accused of political bribery and kickbacks; tax evasion, and more...)(All of his personal assets, investments and portfolio holdings are under investigation and targeted for extinction)
- Lloyd Craig Blankfein – Head of Goldman Sachs and liaison in almost every single CleanTech company scam (Under ongoing investigation and surveillance))(accused of political bribery and kickbacks; tax evasion, and more...) (All of his personal assets, investments and portfolio holdings are under investigation and targeted for extinction)
- Raj Gupta – McKinsey Fixer (Indicted, Jailed)(he is now under investigation)
- Jacque Littlefield - Ran a private army out of Woodside, California (Dead)

- Roger Boas – Ran San Francisco Child sex ring brothels with crooked San Francisco Cop and embezzled money from San Francisco City Hall
- Brian Goncher – Deloitte VC intermediary (Under ongoing investigation and surveillance)) (accused of political bribery and kickbacks; tax evasion, and more...)
- John Molinari – Old school San Francisco North Beach Mobster. Ran for Mayor. Lied about district. Daughter removed from him due to abuse.
- Goldman Sachs – Financial packager (Suspected of staging most of the TARP/DOE deals for personal gain & insider payouts)(Under ongoing investigation and surveillance)
- Kleiner Perkins – Campaign funding VC who (Received massive windfalls from Russian mining & tech start-up rigging. Sued. Under ongoing investigation and surveillance) (Offices broken into by federal investigators) All assets being tracked and terminated.)
- Draper Fisher – VC firm (Campaign funder who received massive windfalls from Russian mining & tech start-up rigging)(Under ongoing investigation and surveillance)

- McKinsey Consulting – Government services contractor (Supplied DOE manipulation staff, manipulated white-papers to Congress and lobbying manipulation for the scam)(Under ongoing investigation and surveillance)
- John Denniston – Kleiner Perkins stock market manipulation boss
- Dianne Feinstein – Senator (He is now under investigation) Wife of Silicon Valley Cartel Member Richard Blum(accused of political bribery and kickbacks; tax evasion, and more...) (Under ongoing investigation and surveillance)
- Harry Reid – Senator- Solar factory guru, Congress lead (Accused of political bribery and kickbacks; tax evasion, and more, ran scams with Elon Musk...Forced out of Congress in shame) (Under ongoing investigation and surveillance)
- Senator Calderone – Senator (Indicted & charged with corruption)
- Leland Yee – Senator (Indicted & charged with corruption)
- Lois Lerner – IRS head charged with running political hit-jobs (Sent packing/fired/forced to resign)(She is now under investigation. Shamed in news media)(Under ongoing

investigation and surveillance)

- James Brown Jr – Obama Programming lead in California (Arrested for corruption)
- Daniel Cohen – DOE Legal counsel (Sent packing/fired/forced to resign)(Under ongoing investigation and surveillance)
- Perkins Coi – Law firm who sold lobby manipulation services (Under federal investigation)
- Jonathan Silver – DOE VC (Sent packing/fired/forced to resign)((Under ongoing investigation and surveillance)(Shamed in media for epic failures)
- Bill Lockyer – Calif State finance head ((Under ongoing investigation and surveillance) and charged with corruption by media. Assets and ownerships under investigation)
- Steve Jurvetson – VC who manipulated Senate staff for Tesla cash ((Under ongoing investigation and surveillance) All assets being tracked and terminated.)

- Matt Rogers – Mckinsey corruption operator reporting to Steven Chu (Under ongoing investigation and surveillance) (All assets being tracked and terminated.)
- Steve Spinner and Alison Spinner- Mckinsey corruption operator reporting to Steven Chu with secret connection inside Solyndra (Under ongoing investigation and surveillance) All assets being tracked and terminated.)
- Google, Facebook, Netflix, Linkedin, Wordpress and their political manipulation-based peers will be put out of business for their lies, harms and attacks on society. No matter how long it takes and how large the challenge!

Their Assassin Operatives That Run The Hit Jobs And Attacks For Them:

- Gawker Media (Jezebel, Gizmodo, Jalopnik, Gawker) – Sued; Bankrupt; under investigation for tax fraud and campaign finance disclosure evasion
- Jay Carney – White House press lead (Forced to resign) (Under ongoing investigation and surveillance)

- David Plouffe – White House money packager. Arranged deals between VC campaign Donors (Forced to Resign. Under ongoing investigation and surveillance)
- John Cook – Nicholas Guido Denton’s character assassination expert
- Nicholas Guido Denton – Defamation-for hire boss of tabloid empire also charged with abuse of young boys
- John Herrman - Nicholas Guido Denton’s character assassin
- Adrian Covert - Nicholas Guido Denton’s character assassin
- Patrick George - Nicholas Guido Denton’s character assassin
- Gabrielle Darbyshire - Nicholas Guido Denton’s character assassin
- Investigations have also revealed that the White House and California Senators hired the character assassination and defamation attack services: [Cardinal & Pine](#); Pacronym, Acronym; [The Americano](#); [Investing in US](#); Shadow Inc; Courier Newsroom; IN-Q-Tel; Gawker Media; Jalopnik; Gizmodo Media; K2 Intelligence; WikiStrat; Podesta Group;

Fusion GPS; Google; YouTube; Alphabet; Facebook; Twitter; Think Progress; Media Matters); Black Cube; Correct The Record; Orbis Business Intelligence, Undercover Global Ltd; Stratfor; Jigsaw; ShareBlue/Acronym; Versa LLC; American Ledger; Supermajority News; New Venture Fund; Sixteen Thirty Fund; Cambridge Analytica; Sid Blumenthal; [States Newsroom](#); Hopewell Fund; Open Society.; David Brock; AmpliFire News; American Bridge; Plouffe Consulting; Pantsuit Nation; MotiveAI; American Bridge 21st Century Foundation; Priorities USA; PR Firm Sunshine Sachs; The American Independent Foundation; Covington and Burling; BuzzFeed; [The American Independent](#); Perkins Coie; Secondary Infektion; Wilson Sonsini and thousands more to run hit-jobs, character assassinations, dirty tricks and economic reprisal attacks on any applicants who reported the crimes. Each of those companies are now under federal and civil investigation. Most of these businesses offer the service of manipulating elections and news coverage in order to steer stock market profits into the pockets of billionaire clients at the expense of the taxpayer and Democracy. They hide their transactions via money-laundering. All of these services, when focused on individual citizens, are lethal.

Please report your complaints about Tesla, Google, Match.com,

OK Cupid, Netflix, Facebook, Kleiner Perkins, Sony Pictures (and the other tech cartel members) for the active investigations and federal lawsuits now in progress. By filing a complaint and telling your story, you can help identify trends and patterns of questionable business practices that will contribute to law enforcement and consumer protection efforts. You can be certain that these particular cases will get driven hard and pushed before Congress. The more reports we can get filed on these bad guys, the bigger the cases we can get processed. File your complaint at <http://www.ftc.gov/complaint>

Are you wondering [why you don't see any of the true facts on the "mainstream" internet or "news" sites](#). The tech Taliban of the internet have colluded to become an information and ideological control empire. If they can make you think, act and vote like they want then they can put their candidates in office who will give them trillions of dollars of government contracts. It has already worked. They all: sleep with each other; go to each other's parties; hire the same lobbyists, lawyers, Goldman Sachs fund managers; marry and date only people from the same frat houses and sororities; have the same homosexual agenda; finance the same PAC's; hide their money in the same off-shore bolt holes; instruct their HR departments to only hire young, naive, easily brainwashed, radical dyed-hair hippie-types; have bank accounts that have received CIA or In-Q-Tel cash; control the National Venture Capital Association so that nobody who competes with them can get funded; practice exclusionary culture, ie: while screaming about women's rights and BLM they never hire women or blacks; buy off the U.S. Patent Office to keep from having to pay for stealing most of their technology; own the servers and control equipment that operates 90% of the internet; etc. The Tech Taliban are: Netflix, Google, Alphabet,

Youtube, LinkedIn, Amazon, AWS, CNN, Facebook, Tesla, SpaceX, Survey Monkey, etc.

[They do what they do to get profits from politicians they put in office.](#)

=====

TAKING THEM DOWN:

The greatest success in shutting down their efforts has come from two tactics:

1.) Forcing government agencies to sue them with RICO and Anti-trust lawsuits and by gathering groups of people to sue them with Class Action lawsuits. Lawyers will do Class Actions at no cost to you if you get enough people together.

2.) Using a CKB Procedure on each one. How the "Corruption Kill Box" (CKB) works: A CKB Procedure combines federal police investigations created by formal filed criminal referrals (which any member of the public can submit) and Form 302 overview drafts, public class-action lawsuits, massive news media disclosure blasts, formal regulatory agency complaint filings, individual lawsuits against political and agency executives, documentary film production and distribution, [crash the crooks stocks](#), the promotion and organization of Congressional hearings, crowd-sourced social media public forensics and open-

source AI financial crimes tracking software. The procedure is an extinction-level event with a 100% success rate against corrupt entities. CKB's only work on the corrupt, so non corrupt parties are safe from it's effects.

ANY member of the public can engage in these totally legal anti-corruption actions. Don't sit around and complain about these criminals. They own parts of the government.

YOU have to do something!

Just do it!

<http://www.the-truth-about-the-dept-of-energy.com>

(Pass this along to others who might partner up and take action)

Every public figure we file a complaint with that does nothing or that runs a cover-up is listed on a document and in a dossier that they will have to answer for later!

DAILY UPDATES TO THESE CASE DOCUMENTS ARE PROVIDED BY PUBLIC TASK FORCE MEMBERS FROM AROUND THE WORLD
