JOHN PODESTA In March — that is, long after the election was over — it was revealed that Mrs. Clinton's campaign chairman had failed to disclose the receipt of 75,000 shares of stock from a Kremlin-financed company — Joule Unlimited — for which he served as director from 2010 to 2014, when he joined the Obama White House in 2014. Podesta apparently had a large chunk of the shares transferred to "**Leonidio Holdings, a brand-new entity he incorporated only on Dec. 20, 2013, about 10 days before he entered the White House**" according to [Source](#)

Podesta also studied at the Massachusetts Institute of Technology and Georgetown University, and received his J.D. at the latter. In 1968, while studying at **M.I.T.**, he signed on as a scheduler for Eugene McCarthy's presidential run -- starting a long personal trend of backing the Democratic loser.

Podesta transferred his shares to his daughter Megan Rouse. I think Leonido Holdings was her deal. there should be posts about this in Pizzagate from a year ago.
