

# Opinion: YouTube CEO Susan Wojcicki Is A Murderer

Mon, 19 Feb 2024 13:25:34, admin45789, [category: news, post\_tag: youtube-ceo-susan-wojcicki-is-a-murderer]

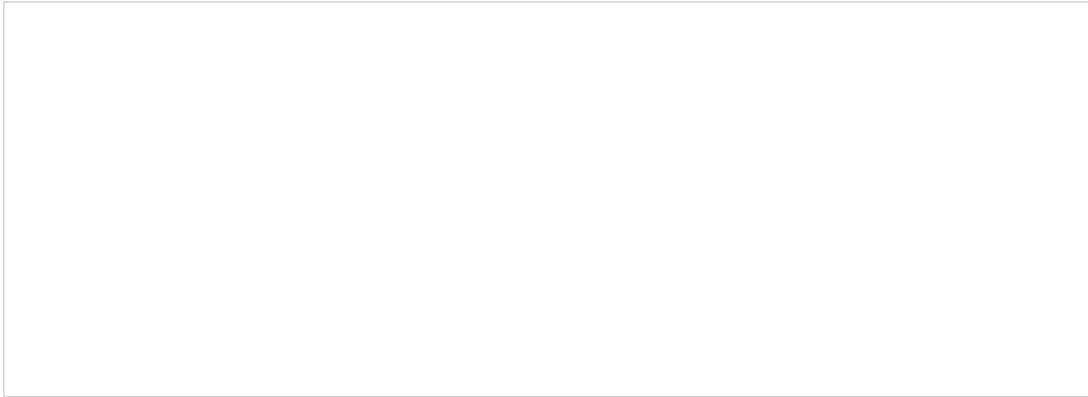

**YouTube CEO Susan Wojcicki Is A Murderer** because she knowingly posted and promoted YouTube videos which she knew were lies, which she wanted to use to cause harm to her enemies and ideological opposition, and she had YouTube shadow-ban, SEO lock and digitally manipulate in ways which cost us, and our peers, THEIR LIVES!

While Hamas and the Arabs have put a hit job on her, this is not about that. This is about the fact that Wojcicki's ex staff, who now work at Netflix, Google, Genentech and other tech firms say: *"She is an insane narcissist"*.

After contacting Obama and Biden's whore, who knew us, she helped make an attack video about us and locked it into the top position of every YouTube search result around the globe. We used that fact to prove to Congress that Google and YouTube TO MANUALLY MANIPULATE RESULTS in order to harm competitors and those who the do not like.

**"Fuck You Susan! Rot in hell!"** Many of us hope that she suffers greatly for her insane abuse of a public utility media system and her vast use of YouTube to manipulate elections, politics and monopolize information and news!

Take a look at others thoughts on this:

There's two reasons why she hasn't been fired, and won't be fired. 1. Because she's a woman and "muh diversity". 2. Her sister married a Google co-founder. They've since divorced but the connection is still there. Should she be fired? YES. She's a greedy, incompetent bitch.

auracyofficial • Whats wrong with it? • If you search anything on YouTube it will give you like 4 related to the search then it will just start throwing completely irrelevant videos at you from you sub feed/trending/home page. Super annoying when you're trying to find specific things. And the one replacing her is even worse!
