

THE GREATEST F*CK YOU TO GOOGLE EVER DEPLOYED

Because Google fucked us over on purpose, we devised a way to force Google to turn it's entire global network over to it's worse enemies and let them use Google against them! Suck it Google!

[Tulsi Gabbard is suing Google for \\$50 million after the tech giant suspended her ad account without explanation when she became the top-trending candidate after the first debate \(twitter.com\)](#)
