

# YOUTUBE AND GOOGLE HIRE FAR LEFT HATE GROUPS TO CENSOR CONSERVATIVE NEWS AND VIDEOS

**Outrageous...** The far left Southern Poverty Law Center has **repeatedly placed** the **“Singing Nuns”** on its hate group map.

Here the Singing Nuns from Spokane sing "Ave Maria."

A typical hate group, huh?

The Singing Nuns are traditional Catholic Sisters, members of the Congregation of Mary Immaculate Queen. In other words, they wear their full-length blue habits all the time — not just on

special occasions or when they are singing. Their motherhouse, St. Michael's Convent, is located at Mount St. Michael, just north of Spokane, Washington.

**The far left SPLC says these traditional Catholic nuns are a hate group.**

The SPLC is also behind a terrorist attack on a conservative organization in Washington DC.

In August 2012, a **LGBT volunteer** carrying bag of Chick-fil-A sandwiches **shot up** the conservative Family Research Council headquarters in Washington DC.

The shooter, Floyd Corkins, later admitted he **got his information** from the far left Southern Poverty Law Center (SPLC) website.

YouTube is using the Southern Poverty Law Center to decide which content is “extremist.”

**The Daily Caller** reported:

*The Southern Poverty Law Center is assisting YouTube in policing content on their platform, The Daily Caller has learned.*

*The left-wing nonprofit — which has more recently come under fire for labeling legitimate conservative organizations as “hate groups” — is one of the more than 100 nongovernment organizations (NGOs) and government agencies in YouTube’s “Trusted Flaggers” program, a source with knowledge of the arrangement told TheDC.*

*The SPLC and other program members help police YouTube for extremist content, ranging from so-called hate speech to terrorist recruiting videos.*

**More...**

*The SPLC is working with **@Youtube** to censor “extremist content”.*

*The SPLC includes “hate music” in their list of “hate groups” but DOES NOT include armed communist militia groups that OPENLY call for political violence.*

Why would Youtube use such a biased org to censor content? [pic.twitter.com/sRuZZoTOzt](https://pic.twitter.com/sRuZZoTOzt)
