Section 2.1 Loan; Disbursement to Borrower .

2.1.1 The Loan . Subject to and upon the terms and conditions set forth herein, Lender hereby agrees to make and Borrower hereby agrees to accept the Loan on the Closing Date.

2.1.2 Disbursement to Borrower . Borrower may request and receive only one borrowing hereunder in respect of the Loan and any amount borrowed and repaid hereunder in respect of the Loan may not be reborrowed. Borrower acknowledges and agrees that the full proceeds of the Loan have been disbursed by Lender to Borrower on the Closing Date.

2.1.3 The Note, Security Instrument and Loan Documents . The Loan shall be evidenced by the Note and secured by the Security Instrument, the Assignment of Leases, this Agreement and the other Loan Documents.

2.1.4 Use of Proceeds . Borrower shall use the proceeds of the Loan to repay and discharge any existing mortgage loans secured by the Property, to provide any necessary or appropriate reserves, to make cash distributions to its members for, among other things, repayment of any existing mezzanine loans secured by direct or indirect interests in Borrower, and as may be otherwise set forth on the Loan closing statement executed by Borrower at closing.

Section 2.2 Interest; Loan Payments; Late Payment Charge .

2.2.1 Payment of Principal and Interest .

(i) Except as set forth in Section 2.2.1(ii) , interest shall accrue on the Principal Amount as set forth in the Note.

(ii) Upon the occurrence and during the continuance of an Event of Default and from and after the Maturity Date if the entire Principal Amount is not repaid on the Maturity Date, interest on the outstanding principal balance of the Loan and, to the extent permitted by law, overdue interest and other amounts due in respect of the Loan shall accrue at the Default Rate calculated from the date such payment was due without regard to any grace or cure periods contained herein. Interest at the Default Rate shall be computed from the occurrence of the Event of Default until the actual receipt and collection of the Indebtedness (or that portion thereof that is then due). To the extent permitted by applicable law, interest at the Default Rate shall be added to the Indebtedness, shall itself accrue interest at the same rate as the Loan and shall be secured by the Security Instrument. This paragraph shall not be construed as an agreement or privilege to extend the date of the payment of the Indebtedness, nor as a waiver of any other right or remedy accruing to Lender by reason of the occurrence of any Event of Default, and Lender retains its rights under the Note to accelerate and to continue to demand payment of the Indebtedness upon the happening of any Event of Default.

2.2.2 Method and Place of Payment .

(a) On each Payment Date, Borrower shall pay or cause to be paid to Lender interest accruing pursuant to the Note for the entire Interest Period during which said Payment Date shall occur.

(b) All amounts advanced by Lender pursuant to the applicable provisions of the Loan Documents, other than the Principal Amount, together with any interest at the Default Rate or other charges as provided therein, shall be due and payable hereunder as provided in the Loan Documents. In the event any such advance or charge is not so repaid by Borrower, Lender may, at its option and upon notice to Borrower, first apply any payments received under the Note to repay such advances, together with any interest thereon, or other charges as provided in the Loan Documents, and the balance, if any, shall be applied in payment of any installment of interest or principal then due and payable.

(c) The Maturity Date Payment shall be due and payable in full on the Maturity Date.

2.2.3 Late Payment Charge . If any interest payment due under the Loan Documents is not paid by Borrower within five (5) days after the date on which it is due (or, if such fifth (5th) day is not a Business Day, then the Business Day immediately preceding such day), Borrower shall pay to Lender upon demand an amount equal to the lesser of four percent (4%) of such unpaid sum or the Maximum Legal Rate (the **"Late Payment Charge"**) in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment. Any such amount shall be secured by this Agreement, the Security Instrument and the other Loan Documents to the extent permitted by applicable law. Borrower acknowledges and agrees that the five day grace period with respect to the applicability of the Late Payment Charge (i) shall only apply to Borrower's first failure to make a monthly interest payment in any calendar year and (ii) shall not constitute a payment grace period and shall in no way limit Lender's rights under Article XVII .

2.2.4 Usury Savings . This Agreement and the Note are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the Principal Amount of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the Principal Amount due under the Note at a rate in excess of the Maximum Legal Rate, then the LIBOR Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due under the Note. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

Section 2.3 Prepayments .

2.3.1 Prepayments . No prepayments of the Indebtedness shall be permitted except as set forth in Section 4 of the Note. Borrower agrees and acknowledges after the closing of the Loan that prior to a material Event of Default (as determined by Lender in its sole and absolute discretion) (x) in the case of prepayments of the Loan in connection with a Casualty or Condemnation, principal will be applied (to the extent not used for restoration pursuant to the terms hereof) to the Note, any substitute or component notes (as applicable) sequentially starting with the most senior securitized tranche and (y) in the case of all prepayments of the Loan other than in accordance with the preceding clause (x), such prepayments will be applied to the Note, any substitute or component notes (as applicable) pro-rata (on the basis of their respective principal balances) among the securitized and any non-securitized portions of the Loan (and pro-rata within the securitized portions of the Loan). Notwithstanding the foregoing, upon the occurrence and during the continuance of a material Event of Default (as determined by Lender in its sole and absolute discretion), Borrower agrees and acknowledges that any principal prepayments of the Loan will be applied to the Note, any substitute or component notes (as applicable) sequentially, starting with the most senior securitized tranche (it being acknowledged that during the continuance of a material Event of Default all securitized portions of the Loan shall be paid in full prior to the payment of any non-securitized portions of the Loan).

2.3.2 Prepayments after Event of Default . If, following an Event of Default, Lender shall accelerate the Indebtedness and Borrower thereafter tenders payment of all or any part of the Indebtedness, or if all or any portion of the Indebtedness is recovered by Lender after such Event of Default, (a) such payment may be made only on the next occurring Payment Date together with all unpaid interest thereon as calculated through the end of the Interest Period during which such Payment Date occurs (even if such period extends beyond such Payment Date and calculated as if such payment had not been made on such Payment Date), and all other fees and sums payable hereunder or under the Loan Documents, including without limitation, interest that has accrued at the Default Rate and any Late Payment Charges), (b) such payment shall be deemed a voluntary prepayment by Borrower, and (c) Borrower shall pay, in addition to the Indebtedness, an amount equal to the Prepayment Fee, if applicable.

2.3.3 Release of Property . Lender shall, at the reasonable expense of Borrower, upon payment in full of the Principal Amount and interest on the Loan and all other amounts due and payable under the Loan Documents in accordance with the terms and provisions of the Note and this Agreement, release the Lien of (i) this Agreement upon the Account Collateral and the Rate Cap Collateral and (ii) the Security Instrument on the Property or assign it, in whole or in part, to a new lender. In such event, Borrower shall submit to Lender, on a date prior to the date of such release or assignment sufficient to provide a reasonable period for review thereof, a release of lien or assignment of lien, as applicable, for such property for execution by Lender. Such release or assignment, as applicable, shall be in a form appropriate in each jurisdiction in which the Property is located and satisfactory to Lender in its reasonable discretion. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such release or assignment, as applicable.

Section 2.4 Regulatory Change; Taxes .

2.4.1 Increased Costs . If, at any time prior to the first Securitization of the Loan, as a result of any Regulatory Change or compliance of Lender therewith, the basis of taxation of payments to Lender of the principal of or interest on the Loan is changed or Lender or the company Controlling Lender shall be subject to (i) any tax, duty, charge or withholding of any kind with respect to this Agreement (excluding federal taxation of the overall net income of Lender); or (ii) any reserve, special deposit or similar requirements relating to any extensions of credit or other assets of, or any deposits with or other liabilities, of Lender or any company Controlling Lender is imposed, modified or deemed applicable; or (iii) any other condition affecting loans to borrowers subject to LIBOR-based interest rates is imposed on Lender or any company Controlling Lender and Lender determines that, by reason thereof, the cost to Lender or any company Controlling Lender of making, maintaining or extending the Loan to Borrower is increased, or any amount receivable by Lender or any company Controlling Lender hereunder in respect of any portion of the Loan to Borrower is reduced, in each case by an amount deemed by Lender in good faith to be material (such increases in cost and reductions in amounts receivable being herein called **"Increased Costs"**), then Lender shall provide notice thereof to Borrower and Borrower agrees that it will pay to Lender upon Lender's written request such additional amount or amounts as will compensate Lender or any company Controlling Lender for such Increased Costs to the extent Lender determines that such Increased Costs are allocable to the Loan and provided that Lender is generally exercising rights similar to those set forth in this Section 2.4.1 against other borrowers similarly situated to Borrower. Lender will notify Borrower of any event occurring after the date hereof which will entitle Lender to compensation pursuant to this Section 2.4.1 as promptly as practicable after it obtains knowledge thereof and determines to request such compensation; provided, however, that, if Lender fails to deliver a notice within 90 days after the date on which an officer of Lender responsible for overseeing this Agreement knows or has reason to know of its right to additional compensation under this Section 2.4.1 , Lender shall only be entitled to additional compensation for any such Increased Costs incurred from and after the date that is 90 days prior to the date Borrower received such notice. If Lender requests compensation under this Section 2.4.1 , Borrower may, by notice to Lender, require that Lender furnish to Borrower a statement setting forth the basis for requesting such compensation and the method for determining the amount thereof, and a description as to why Section 2.4.5 is not applicable.

2.4.2 Special Taxes . At all times prior to the first Securitization of the Loan, Borrower shall make all payments hereunder free and clear of and without deduction for Special Taxes. If, at any time prior to the first Securitization of the Loan, Borrower shall be required by law to deduct any Special Taxes from or in respect of any sum payable hereunder or under any other Loan Document to Lender, (i) the sum payable shall be increased as may be necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.4.2) Lender receives an amount equal to the sum it would have received had no such deductions been made, (ii) Borrower shall make such deductions, and (iii) Borrower shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

2.4.3 Other Taxes . In addition, for all periods prior to the first Securitization of the Loan, Borrower agrees to pay any present or future stamp or documentary taxes or other

excise or property taxes, charges, or similar levies which arise from any payment made hereunder, or from the execution, delivery or registration of, or otherwise with respect to, this Agreement, the other Loan Documents, or the Loan (hereinafter referred to as " Other Taxes").

2.4.4 Indemnity . Borrower shall indemnify Lender for all periods prior to the first Securitization of the Loan, for the full amount of Special Taxes and Other Taxes (including any Special Taxes or Other Taxes imposed by any Governmental Authority on amounts payable under this Section 2.4.4) paid by Lender and any liability (including penalties, interest, and expenses) arising therefrom or with respect thereto, whether or not such Special Taxes or Other Taxes were correctly or legally asserted. This indemnification shall be made within thirty (30) days after the date Lender makes written demand therefor.

2.4.5 Change of Office . To the extent that changing the jurisdiction of Lender's applicable office would have the effect of minimizing Special Taxes, Other Taxes or Increased Costs, Lender shall use reasonable efforts to make such a change, provided that same would not otherwise be disadvantageous to Lender.

2.4.6 Survival . Without prejudice to the survival of any other agreement of Borrower hereunder, the agreements and obligations of Borrower contained in this Section 2.4 shall survive the payment in full of principal and interest hereunder, and the termination of this Agreement.

(b) the Borrower has been in discussions with the owner of the adjoining golf course in respect of the Golf Club Agreement. The golf course owner and Borrower do not agree as to the balance of payments due from the hotel to the golf course for rounds played by guests in 2004-2006, with the golf course owner believing that approximately $55,000 remains unpaid. In addition, the golf course owner has taken the position that although in the past guests could charge their golf fees directly to their hotel account and agreed upon discounts on golf play were paid directly to the hotel, in the future guests may have to directly pay the golf course for their fees, and the discounts be provided directly to the guests. A new general manager of the hotel is to continue discussions with the golf course owner to resolve these matters.

4.1.46 Survival of Representations . Borrower agrees that all of the representations and warranties of Borrower set forth in Section 4.1 and elsewhere in this Agreement and in the other Loan Documents shall be deemed given and made as of the date of the funding of the Loan and survive for so long as any amount remains owing to Lender under this Agreement or any of the other Loan Documents by Borrower or Guarantor unless a longer

survival period is expressly stated in a Loan Document with respect to a specific representation or warranty, in which case, for such longer period. All representations, warranties, covenants and agreements made in this Agreement or in the other Loan Documents by Borrower shall be deemed to have been relied upon by Lender notwithstanding any investigation heretofore or hereafter made by Lender or on its behalf.

V. BORROWER COVENANTS

Section 5.1 Affirmative Covenants . From the Closing Date and until payment and performance in full of all obligations of Borrower under the Loan Documents or the earlier release of the Lien of this Agreement and the Security Instrument in accordance with the terms of this Agreement and the other Loan Documents, Borrower hereby covenants and agrees with Lender to comply with and to cause Operating Lessee to comply with, the following covenants, and in such connection, references in this Article V to Borrower shall alternatively mean Operating Lessee, as the context may require:

5.1.1 Performance by Borrower . Borrower shall observe, perform and fulfill each and every covenant, term and provision of each Loan Document executed and delivered by, or applicable to, Borrower, in accordance with the provisions of each Loan Document, and shall not enter into or otherwise suffer or permit any amendment, waiver, supplement, termination or other modification of any Loan Document executed and delivered by, or applicable to, Borrower, as applicable, without the prior written consent of Lender.

5.1.2 Existence; Compliance with Legal Requirements; Insurance . Subject to Borrower's right of contest pursuant to Section 7.3 , Borrower shall comply and cause the Property to be in compliance with all Legal Requirements applicable to the Borrower, Manager and the Property and the uses permitted upon the Property. Borrower shall do or cause to be done all things necessary to preserve, renew and keep in full force and effect its existence, rights, licenses, permits and franchises necessary to comply with all Legal Requirements applicable to it and the Property. There shall never be committed by Borrower, and Borrower shall not knowingly permit any other Person in occupancy of or involved with the operation or use of the Property to commit, any act or omission affording the federal government or any state or local government the right of forfeiture as against the Property or any part thereof or any monies paid in performance of Borrower's obligations under any of the Loan Documents. Borrower hereby covenants and agrees not to commit, knowingly permit or suffer to exist any act or omission affording such right of forfeiture. Borrower shall at all times maintain, preserve and protect all material franchises and trade names and preserve all the remainder of its property used in the conduct of its business and shall keep the Property in good working order and repair, and from time to time make, or cause to be made, all reasonably necessary repairs, renewals, replacements, betterments and improvements thereto, all as more fully set forth in the Security Instrument. Borrower shall keep the Property insured at all times to such extent and against such risks, and maintain liability and such other insurance, as set forth in this Agreement.

5.1.3 Litigation . Borrower shall give prompt written notice to Lender of any litigation or governmental proceedings pending or threatened in writing against Borrower which, if determined adversely to Borrower, would have a Material Adverse Effect.

5.1.4 Single Purpose Entity . (a) Borrower shall remain a Single Purpose Entity.

(b) Except as permitted by the Loan Documents, Borrower shall continue to maintain its own deposit account or accounts, separate from those of any Affiliate, with commercial banking institutions. None of the funds of Borrower will be commingled with the funds of any other Affiliate, except pursuant to a cash management system maintained with Borrower's Affiliates in accordance with Section 5.1.23 hereof and under which the portion of the commingled funds owned by Borrower is readily ascertainable.

(c) To the extent that Borrower shares the same officers or other employees as any of its Affiliates, the salaries of and the expenses related to providing benefits to such officers and other employees shall be fairly allocated among such entities, and each such entity shall bear its fair share of the salary and benefit costs associated with all such common officers and employees.

(d) To the extent that Borrower jointly contracts with any of its Affiliates to do business with vendors or service providers or to share overhead expenses, the costs incurred in so doing shall be allocated fairly among such entities, and each such entity shall bear its fair share of such costs. To the extent that Borrower contracts or does business with vendors or service providers where the goods and services provided are partially for the benefit of any other Person, the costs incurred in so doing shall be fairly allocated to or among such entities for whose benefit the goods and services are provided, and each such entity shall bear its fair share of such costs. All material transactions between (or among) Borrower and any of its Affiliates shall be conducted on substantially the same terms (or on more favorable terms for Borrower) as would be conducted with third parties.

(e) To the extent that Borrower or any of its Affiliates have offices in the same location, there shall be a fair and appropriate allocation of overhead costs among them, and each such entity shall bear its fair share of such expenses.

(f) Borrower shall conduct its affairs strictly in accordance with its organizational documents, and observe all necessary, appropriate and customary corporate, limited liability company or partnership formalities, as applicable, including, but not limited to, obtaining any and all consents necessary to authorize actions taken or to be taken, and maintaining accurate and separate books, records and accounts, including, without limitation, payroll and intercompany transaction accounts.

(g) In addition, Borrower shall: (i) maintain books and records separate from those of any other Person; (ii) maintain its assets in such a manner that it is not more costly or difficult to segregate, identify or ascertain such assets; (iii) hold regular meetings of its board of directors, shareholders, partners or members, as the case may be, and observe all other corporate, partnership or limited liability company, as the case may be, formalities; (iv) hold itself out to creditors and the public as a legal entity separate and distinct from any other entity; (v) prepare separate tax returns and financial statements, or if part of a consolidated group, then it will be shown as a separate member of such group, provided, however, that any consolidated financial statements contain a note indicating that it and its Affiliates are separate legal entities and

maintain records, books of account, and accounts separate and apart from any other Person and that their respective assets and credit are not available to satisfy each other's debts; (vi) transact all business with its Affiliates on an arm's-length basis and pursuant to enforceable agreements; (vii) conduct business in its name and use separate stationery, invoices and checks bearing its own name; (viii) not commingle its assets or funds with those of any other Person; and (ix) not assume, guarantee or pay the debts or obligations of any other Person (however the presentation of combined or consolidated financial condition or results of operation for purposes of financial statements prepared for the ultimate equity owners of multiple Single Purpose Entities shall be allowed).

5.1.5 Consents . If Borrower is a corporation, the board of directors of such Person may not take any action requiring the unanimous affirmative vote of 100% of the members of the board of directors unless all of the directors, including the Independent Directors, shall have participated in such vote if such vote relates to a Material Action (as such term is defined in the Borrower's organizational documents). If Borrower is a limited liability company, (a) if such Person is managed by a board of managers, the board of managers of such Person may not take any action requiring the unanimous affirmative vote of 100% of the members of the board of managers unless all of the managers, including the Independent Managers, shall have participated in such vote if such vote relates to a Material Action (as such term is defined in the Borrower's organizational documents), (b) if such Person is not managed by a board of managers, the members of such Person may not take any action requiring the affirmative vote of 100% of the members of such Person unless all of the members, including the Independent Members, shall have participated in such vote if such vote relates to a Material Action (as such term is defined in the Borrower's organizational documents). An affirmative vote of 100% of the directors, board of managers or members, as applicable, including without limitation the Independent Directors, of Borrower shall be required to (i) file a bankruptcy or insolvency petition or otherwise institute insolvency proceedings or to authorize Borrower to do so or (ii) file an involuntary bankruptcy petition against any Close Affiliate. Furthermore, Borrower's formation documents shall expressly state that for so long as the Loan is outstanding, Borrower shall not be permitted to (i) dissolve, liquidate, consolidate, merge or sell all or substantially all of Borrower's assets other than in connection with the repayment of the Loan or (ii) engage in any other business activity and such restrictions shall not be modified or violated for so long as the Loan is outstanding.

5.1.6 Access to Property . Borrower shall permit agents, representatives and employees of Lender and the Rating Agencies to inspect the Property or any part thereof during normal business hours on Business Days upon reasonable advance notice.

5.1.7 Notice of Default . Borrower shall promptly advise Lender (a) of any event or condition that has or is likely to have a Material Adverse Effect and (b) of the occurrence of any Default or Event of Default of which Borrower has knowledge.

5.1.8 Cooperate in Legal Proceedings . Borrower shall cooperate fully with Lender with respect to any proceedings before any court, board or other Governmental Authority which would reasonably be expected to affect in any material adverse way the rights of Lender hereunder or under any of the other Loan Documents and, in connection therewith, permit Lender, at its election, to participate in any such proceedings which may have a Material Adverse Effect.

5.1.9 Perform Loan Documents . Borrower shall observe, perform and satisfy all the terms, provisions, covenants and conditions of, and shall pay when due all costs, fees and expenses to the extent required, under the Loan Documents executed and delivered by, or applicable to, Borrower.

5.1.10 Insurance . (a) Borrower shall cooperate with Lender in obtaining for Lender the benefits of any Proceeds lawfully or equitably payable in connection with the Property, and Lender shall be reimbursed for any expenses incurred in connection therewith (including reasonable attorneys' fees and disbursements) out of such Proceeds.

(b) Borrower shall comply with all Insurance Requirements and shall not bring or keep or permit to be brought or kept any article upon any of the Property or cause or permit any condition to exist thereon which would be prohibited by any Insurance Requirement, or would invalidate insurance coverage required hereunder to be maintained by Borrower on or with respect to any part of the Property pursuant to Section 6.1 .

5.1.11 Further Assurances; Separate Notes . (a) Borrower shall execute and acknowledge (or cause to be executed and acknowledged) and deliver to Lender all documents, and take all actions, reasonably required by Lender from time to time to confirm the rights created or now or hereafter intended to be created under this Agreement and the other Loan Documents and any security interest created or purported to be created thereunder, to protect and further the validity, priority and enforceability of this Agreement and the other Loan Documents, to subject to the Loan Documents any property of Borrower intended by the terms of any one or more of the Loan Documents to be encumbered by the Loan Documents, or otherwise carry out the purposes of the Loan Documents and the transactions contemplated thereunder. At any time after the Closing Date, Borrower agrees that it shall, upon request, reasonably cooperate with Lender in connection with any request by Lender to reallocate the LIBOR Margin among the Notes or to sever the Note into two (2) or more separate substitute or component notes in an aggregate principal amount equal to the Principal Amount and to reapportion the Loan among such separate substitute notes, including, without limitation, by executing and delivering to Lender new substitute or component notes to replace the Note, amendments to or replacements of existing Loan Documents to reflect such severance and/or Opinions of Counsel with respect to such substitute or component notes, amendments and/or replacements, provided that Borrower shall bear no costs or expenses in connection therewith (other than administrative costs and expenses of Borrower and legal fees of counsel to the Borrower and Guarantor), and the holders of such substitute or component notes shall designate a lead lender or agent for such holders to whom Borrower may direct all communications with respect to the Loan. Any such substitute or component notes may have varying principal amounts and economic terms, provided, however, that (i) the maturity date of any such substitute or component notes shall be the same as the scheduled Maturity Date of the Note immediately prior to the issuance of such substitute notes, (ii) the substitute notes shall provide for amortization of the Principal Amount on a weighted average basis over a period not less than the amortization period provided under the Note, if any, immediately prior to the issuance of the substitute notes, (iii) the weighted average LIBOR Margin for the term of the substitute notes shall not exceed the LIBOR Margin under the Note

immediately prior to the issuance of such substitute notes; and (iv) the economics of the Loan, taken as a whole, shall not change in a manner which is adverse to Borrower. Upon the occurrence and during the continuance of an Event of Default, Lender may apply payment of all sums due under such substitute notes in such order and priority as Lender shall elect in its sole and absolute discretion.

(b) Borrower further agrees that if, in connection with the Securitization, it is determined by the Rating Agencies that a portion of the Securitization would not receive an "investment grade" rating unless the principal amount of the Loan were to be decreased and, as a result, the principal amount of the Loan is decreased, then the Borrower shall take all actions as are necessary to effect the "resizing", including the reallocation of the LIBOR Margin of the Loan, and Borrower shall execute and deliver any and all necessary amendments or modifications to the Loan Documents. In connection with the foregoing, Borrower agrees, at Lender's sole cost and expense other than with respect to (1) Borrower's, Operating Lessee's, the Guarantor's, each Ultimate Equity Owners' and their Affiliate's counsel fees and (2) if the principal amount of the Loan is increased, an endorsement to the Title Policy reflecting an increase in the insured amount thereunder which shall be at Borrower's sole cost and expense, to execute and deliver such documents and other agreements reasonably required by Lender to "re-size" the Loan, including, without limitation, an amendment to this Agreement, the Note, the Security Instrument and the other Loan Documents. Borrower agrees to reimburse Lender for all costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) incurred by Lender in connection with any "resizing" of the Loan. Notwithstanding the foregoing, Lender agrees that any "resizing" of the Loan shall not change the economics of the Loan in a manner which is adverse to Borrower .

(c) In addition, Borrower shall, at Borrower's sole cost and expense:

(i) furnish to Lender, to the extent not otherwise already furnished to Lender and reasonably acceptable to Lender, all instruments, documents, boundary surveys, footing or foundation surveys, certificates, plans and specifications, appraisals, title and other insurance reports and agreements, and each and every other document, certificate, agreement and instrument required to be furnished by Borrower pursuant to the terms of the Loan Documents;

(ii) execute and deliver, from time to time, such further instruments (including, without limitation, delivery of any financing statements under the UCC) as may be reasonably requested by Lender to confirm the Lien of the Security Instrument on any Building Equipment, Operating Asset or any Intangible;

(iii) execute and deliver to Lender such documents, instruments, certificates, assignments and other writings, and do such other acts necessary to evidence, preserve and/or protect the collateral at any time securing or intended to secure the obligations of Borrower under the Loan Documents, as Lender may reasonably require;

(iv) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the carrying out of the terms and conditions of this Agreement and the other Loan Documents, as Lender shall reasonably require from time to time; and

(v) cause its New York counsel to re-issue the New York opinion delivered on the date hereof (in identical form and without updating) in favor of a trustee in a Securitization if such trustee is different that the trustee currently listed in such opinion.

5.1.12 Mortgage Taxes . Borrower shall pay all taxes, charges, filing, registration and recording fees, excises and levies payable with respect to the Note or the Liens created or secured by the Loan Documents, other than income, franchise and doing business taxes imposed on Lender.

5.1.13 Operation . Borrower shall, and shall cause Manager to, (i) promptly perform and/or observe all of the covenants and agreements required to be performed and observed by it under the Management Agreement and do all things necessary to preserve and to keep unimpaired its material rights thereunder; (ii) promptly notify Lender of any "event of default" under the Management Agreement of which it is aware; (iii) enforce in a commercially reasonable manner the performance and observance of all of the covenants and agreements required to be performed and/or observed by the Manager under the Management Agreement.

5.1.14 Business and Operations . Borrower shall continue to engage in the businesses presently conducted by it as and to the extent the same are necessary for the ownership, maintenance, management and operation of the Property. Borrower shall qualify to do business and shall remain in good standing under the laws of the State in which the Property is located and as and to the extent required for the ownership, maintenance, management and operation of the Property.

5.1.15 Title to the Property . Borrower shall warrant and defend (a) its title to the Property and every part thereof, subject only to Liens permitted hereunder (including Permitted Encumbrances) and (b) the validity and priority of the Liens of the Security Instrument, the Assignment of Leases and this Agreement on the Property, subject only to Liens permitted hereunder (including Permitted Encumbrances), in each case against the claims of all Persons whomsoever. Borrower shall reimburse Lender for any losses, costs, damages or expenses (including reasonable attorneys' fees and court costs) incurred by Lender if an interest in the Property, other than as permitted hereunder, is claimed by another Person.

5.1.16 Costs of Enforcement . In the event (a) that this Agreement or the Security Instrument is foreclosed upon in whole or in part or that this Agreement or the Security Instrument is put into the hands of an attorney for collection, suit, action or foreclosure, (b) of the foreclosure of any security agreement prior to or subsequent to this Agreement in which proceeding Lender is made a party, or a mortgage prior to or subsequent to the Security Instrument in which proceeding Lender is made a party, or (c) of the bankruptcy, insolvency, rehabilitation or other similar proceeding in respect of Borrower or any of its constituent Persons or an assignment by Borrower or any of its constituent Persons for the benefit of its creditors, Borrower, its successors or assigns, shall be chargeable with and agrees to pay all costs of collection and defense, including reasonable attorneys' fees and costs, incurred by Lender or

Borrower in connection therewith and in connection with any appellate proceeding or post-judgment action involved therein, together with all required service or use taxes.

5.1.17 Estoppel Statement . (a) Borrower shall, from time to time, upon thirty (30) days' prior written request from Lender, execute, acknowledge and deliver to the Lender, an Officer's Certificate, stating that this Agreement and the other Loan Documents are unmodified and in full force and effect (or, if there have been modifications, that this Agreement and the other Loan Documents are in full force and effect as modified and setting forth such modifications), stating the amount of accrued and unpaid interest and the outstanding principal amount of the Note and containing such other information, qualified to the Best of Borrower's Knowledge, with respect to the Borrower, the Property and the Loan as Lender shall reasonably request. The estoppel certificate shall also state either that no Default exists hereunder or, if any Default shall exist hereunder, specify such Default and the steps being taken to cure such Default.

(b) Borrower shall use commercially reasonable efforts to deliver to Lender, within thirty (30) days of Lender's request, tenant estoppel certificates from each Tenant under any Material Lease entered into after the Closing Date in substantially the form and substance of the estoppel certificate set forth in **Exhibit G** provided that Borrower shall not be required to deliver such certificates more frequently than one time in any calendar year; provided , however , that there shall be no limit on the number of times Borrower may be required to obtain such certificates if a Default hereunder or under any of the Loan Documents has occurred and is continuing.

5.1.18 Loan Proceeds . Borrower shall use the proceeds of the Loan received by it on the Closing Date only for the purposes set forth in Section 2.1.4 .

5.1.19 No Joint Assessment . Borrower shall not suffer, permit or initiate the joint assessment of the Property (a) with any other real property constituting a tax lot separate from the Property and (b) which constitutes real property with any portion of the Property which may be deemed to constitute personal property, or any other procedure whereby the lien of any taxes which may be levied against such personal property shall be assessed or levied or charged to such real property portion of the Property.

5.1.20 No Further Encumbrances . Borrower shall do, or cause to be done, all things necessary to keep and protect the Property and all portions thereof unencumbered from any Liens, easements or agreements granting rights in or restricting the use or development of the Property, except for (a) Permitted Encumbrances, (b) Liens permitted pursuant to the Loan Documents, (c) Liens for Impositions prior to the imposition of any interest, charges or expenses for the non-payment thereof and (d) any Liens permitted pursuant to Leases.

5.1.21 Leases . Borrower shall promptly after receipt thereof deliver to Lender a copy of any notice received with respect to any Material Lease claiming that Borrower is in default in the performance or observance of any of the material terms, covenants or conditions of any of the Material Leases, if such default is reasonably likely to have a Material Adverse Effect.

5.1.22 Article 8 "Opt In" Language . Each organizational document of Borrower and each of the other entities identified in Section 4.1.29 hereof shall be modified to include the language set forth on **Exhibit R** .

5.1.23 FF&E . (a) Borrower and Operating Lessee (for purposes of this section, collectively referred to as "**Owner**") shall reserve for FF&E on a monthly basis not less than an amount equal to four percent (4%) of adjusted gross revenues with respect to the Property, such reserves to be maintained either (i) by the Manager, in its capacity as agent for Owner, pursuant to and in accordance with the Management Agreement in the Manager FF&E Reserve Account or (ii) by Guarantor or an Affiliate, as agent for Owner (each of Guarantor or such an Affiliate, in such capacity, " **Owner's Agent**"), in an account at an Approved Bank (as defined in the Account Agreement) (the "**Manager FF&E Alternative Reserve Account** ") pursuant to and in accordance with subparagraph (b) below; and amounts in any such account maintained pursuant to either subparagraph (a)(i) or (a)(ii) above (x) shall be available for disbursements therefrom as permitted by the Management Agreement and shall be reserved solely for FF&E in respect of the Property, (y) shall be separately accounted for and solely used with respect to FF&E in respect of the Property, and (z) shall be otherwise subject to proper accounting and reporting procedures in respect of such funds separately and distinctly in respect of the Property; provided, however , such funds may be withdrawn at Owner's direction from either such account and be replaced by a Letter of Credit in equal amount. The parties acknowledge and agree that Owner will retain title to and ownership of all amounts on deposit in the Manager FF&E Reserve Account or Manager FF&E Alternative Reserve Account Manager nor Owner's Agent will acquire title to, legal or beneficial ownership of, any property interest in such amounts (except, with respect to the Manager, such rights as are provided for in the Management Agreement) ("**Account Funds** "). Owner will make known to third parties that, in performing its services hereunder, Manager or Owner's Agent, as the case may be, is acting solely as, in the case of the Manager, as an independent contractor pursuant to the Management Agreement and in the case of Owner's Agent, as the agent of Owner. Owner's Agent shall immediately correct any misunderstanding of any third party of which either becomes aware as to the separateness of Owner from Manager and Owner's Agent.

(b) If Section 5.1.23(a)(ii) applies, in exercising its obligations with respect to the Manager FF&E Alternative Reserve Account, Owner's Agent shall maintain a complete and accurate set of files, books and records of all transactions conducted by Owner's Agent with respect to the Manager FF&E Alternative Reserve Account. Owner's Agent shall make such files, books and records available to Owner and Lender, as either may reasonably require from time to time. The Manager FF&E Alternative Reserve Account may contain funds belonging to other entities (including those of Owner's Agent), but Owner's Agent shall cause such records to enable, at any and all times, the amount of Owner's funds in the Manager FF&E Alternative Reserve Account to be readily identified. Owner's Agent shall not permit any Affiliate of Owner or Owner's Agent to borrow or use funds in the Manager FF&E Alternative Reserve Account. Owner's Agent shall not use funds in the Manager FF&E Alternative Reserve Account belonging to any other entity to pay Owner's Obligations, nor shall it use any of Owner's Account Funds to pay the obligations of Owner's Agent or any of its Affiliates. Any and all transfers of ownership of any portion of Owner's funds in the Manager FF&E Alternative Reserve Account to or from Owner's Agent or letters of credit issued in substitution thereof shall be a distribution or capital contribution to or from Owner and its direct owner, and from such

direct owner to intermediate owners, until such distribution reaches Owner's Agent as the final direct owner, and any such distribution shall be permitted under applicable law.

Without the receipt of a Rating Agency Confirmation, Borrower shall be permitted to waive any termination right by Borrower or Operating Lessee or make any nonmaterial modification, change, supplement, alteration or amendment to the Management Agreement and to waive any nonmaterial rights thereunder, provided that no such nonmaterial modification, change, supplement, alteration, amendment or waiver shall affect the cash management procedures set forth in the Management Agreement or the Loan Documents, decrease the cash flow of the Property, adversely affect the marketability of the Property, change the definitions of "default" or "event of default," change the definitions of "operating expense" or words of similar meaning to add additional items to such definitions, change any definitions or

(c) Borrower may enter into a new Management Agreement with an Acceptable Manager upon receipt of a Rating Agency Confirmation with respect to the Management Agreement and delivery of an acceptable Non-Consolidation Opinion covering such replacement manager if such Person (i) is not covered by the Non-Consolidation Opinion or an Additional Non-Consolidation Opinion, and (ii) is an Affiliate of Borrower.

(d) Notwithstanding anything contained herein (i) approvals will not be required to enter into management agreements for Retail/Service Facilities that are not expected to have a Material Adverse Effect, and (ii) amendments to the Management Agreement relating to the Retail/Service Facilities will be deemed to be nonmaterial modifications permitted by Section 5.2.14(b) provided they are not expected to have a Material Adverse Effect.

(e) If any amendment, modification, change, supplement, alteration or waiver in connection with the Management Agreement is otherwise permitted by the terms of subparagraph (b) above, the Lender shall be deemed to have consented to such amendment, modification, change, supplement, alteration or waiver for purposes of any requirement under the Manager Subordination Agreements.

5.2.19 Golf Club Agreement . Borrower agrees that without the prior consent of Lender, Borrower will not execute modifications to the Golf Club Agreement if such modifications will have a material adverse effect on the use, operation or value (including the cash flow) of the Property, taken as a whole, or the ability of Borrower to pay its obligations in respect of the Loan.

5.2.20 Debt Cancellation . Cancel or otherwise forgive or release any material claim or debt owed to it by any Person, except for adequate consideration or in the ordinary course of its business and except for termination of a Lease as permitted by Section 8.8 ;

5.2.21 Misapplication of Funds . Distribute any revenue from the Property or any Proceeds in violation of the provisions of this Agreement, fail to remit amounts to the Collection Accounts or Holding Account, as applicable, as required by Section 3.1 , misappropriate any security deposit or portion thereof or apply the proceeds of the Loan in violation of Section 2.1.4 ; or

5.2.22 Single-Purpose Entity . Fail to be (or permit Operating Lessee) to fail to be a Single-Purpose Entity or take or suffer any action or inaction the result of which would be to cause such Person to cease to be a Single-Purpose Entity.

(iv) Rental loss and/or business interruption insurance in an amount sufficient to avoid any co-insurance penalty and equal to the greater of (A) the estimated gross revenues from the operation of the Property (including (x) the total payable under the Leases and all Rents and (y) the total of all other amounts to be received by Borrower or third parties that are the legal obligation of the Tenants), net of non-recurring expenses, for a period of up to the next succeeding eighteen (18) months, or (B) the projected Operating Expenses (including debt service) for the maintenance and operation of the Property for a period of up to the next succeeding eighteen (18) months as the same may be reduced or increased from time to time due to changes in such Operating Expenses and shall include an endorsement providing 12 months extended period of indemnity. The amount of such insurance shall be increased from time to time as and when the Rents increase or the estimates of (or the actual) gross revenue, as may be applicable, increases or decreases to the extent Rents or the estimates of gross revenue decrease;

(v) Insurance against loss or damage from (A) leakage of sprinkler systems and (B) explosion of steam boilers, air conditioning equipment, high pressure piping, machinery and equipment, pressure vessels or similar apparatus now or hereafter installed in any of the Improvements (without exclusion for explosions) and insurance against loss of occupancy or use arising from any breakdown, in such amounts as are generally available at reasonable premiums and are generally required by institutional lenders for properties comparable to the Property;

(vii) During any period of repair or restoration, completed value (non-reporting) builder's "all risk" insurance in an amount equal to not less than the full insurable

(viii) Coverage to compensate for the cost of demolition and the increased cost of construction for the Property;

(ix) Intentionally Deleted;

(x) Windstorm insurance in an amount equal to the probable maximum loss (as reasonably determined by Lender) of the Property per occurrence and in the aggregate and shared with other properties covered by the blanket insurance (if any) provided , that any credit enhancement proposed to be provided by or on behalf of Borrower in connection with the deductible on such windstorm insurance shall be subject to the prior receipt of a Rating Agency Confirmation;

(xi) Law and ordinance insurance coverage in an amount no less that set forth in the insurance policies as of the date hereof;

(xii) Provided that insurance coverage relating to the acts of terrorist groups or individuals is either (a) available at commercially reasonable rates and (b) commonly obtained by owners of commercial properties in the same geographic area and which are similar to the Property, Borrower shall be required to carry terrorism insurance throughout the term of the Loan (including any extension terms) in an amount equal to, with respect to "certified" and "non-certified" acts of terrorism, an amount equal to the Terrorism Coverage Required Amount (per occurrence). Lender agrees that terrorism insurance coverage may be provided under a blanket policy that is acceptable to Lender;

(xiii) Such other insurance as may from time to time be reasonably required by Lender in order to protect its interests; and

(xiv) All insurance required under this Section 6.1 may be provided by or on behalf of Borrower in a blanket policy covering the Property and other properties.

(c) All policies of insurance (the "**Policies**") required pursuant to this Section 6.1 shall be issued by companies approved by Lender and licensed or authorized to do business in the state where the Property is located. Further, unless otherwise approved by Lender in its reasonable discretion (prior to a Securitization) and the Rating Agencies in writing, the issuer(s) of the Policies required under this Section 6.1 shall have a claims paying ability rating of "A" or better by Standard & Poor's and "Aa2" or better by Moody's, except that the issuer(s) of the Policies required under Section 6.1(b)(viii) hereof shall have a claims paying ability rating of "A" or better by Standard & Poor's and "A2" or better by Moody's; provided, however, if the insurance provided hereunder is procured by a syndication of more then five (5) insurers then the foregoing requirements shall not be violated if at least (i) sixty percent (60%) of the coverage is with carriers having a claims paying ability rating of "A" or better by Standard & Poor's and "Aa2" or better by Moody's and (ii) each other carrier providing coverage has a claims paying ability rating of "BBB-" or better by Standard & Poor's and Fitch Ratings and "Baa3" or better by Moody's. The Policies (i) shall name Lender (or an agent on Lender's behalf) and its

successors and/or assigns as their interest may appear as an additional insured or as a loss payee (except that in the case of general liability insurance, Lender (or an agent on Lender's behalf) shall be named an additional insured and not a loss payee); (ii) shall contain a Non-Contributory Standard Lender Clause and, except with respect to general liability insurance, a Lender's Loss Payable Endorsement, or their equivalents, naming Lender as the Person to which all payments made by such insurance company shall be paid; (iii) shall include effective waivers by the insurer of all claims for insurance premiums against all loss payees, additional insureds and named insureds (other than Borrower) and all rights of subrogation against any loss payee, additional insured or named insured; (iv) shall be assigned to Lender; (v) except as otherwise provided above, shall be subject to a deductible, if any, not greater in any material respect than the deductible for such coverage on the date hereof; (vi) shall contain such provisions as Lender deems reasonably necessary or desirable to protect its interest, including endorsements providing that neither Borrower, Lender nor any other party shall be a Contributor-insurer (except deductibles) under said Policies and that no material modification, reduction, cancellation or termination in amount of, or material change (other than an increase) in, coverage of any of the Policies shall be effective until at least thirty (30) days after receipt by each named insured, additional insured and loss payee of written notice thereof or ten (10) days after receipt of such notice with respect to nonpayment of premium; (vii) shall permit Lender to pay the premiums and continue any insurance upon failure of Borrower to pay premiums when due, upon the insolvency of Borrower or through foreclosure or other transfer of title to the Property (it being understood that Borrower's rights to coverage under such policies may not be assignable without the consent of the insurer); and (viii) shall provide that any proceeds shall be payable to Lender and that the insurance shall not be impaired or invalidated by virtue of (A) any act, failure to act, negligence of, or violation of declarations, warranties or conditions contained in such policy by Borrower, Lender or any other named insured, additional insured or loss payee, except for the willful misconduct of Lender knowingly in violation of the conditions of such policy, (B) the occupation, use, operation or maintenance of the Property for purposes more hazardous than permitted by the terms of the Policy, (C) any foreclosure or other proceeding or notice of sale relating to the Property, or (D) any change in the possession of the Property without a change in the identity of the holder of actual title to the Property (provided that with respect to items (C) and (D), any notice requirements of the applicable Policies are satisfied). Notwithstanding the foregoing, for purposes of this Section 6.1 hereof, Lender hereby approves the existing blanket insurance policies and any renewals thereof with the same insurance ratings and terms.

(d) **Insurance Premiums; Certificates of Insurance** .

(i) Borrower shall pay the premiums for such Policies (the "**Insurance Premiums**") as the same become due and payable and shall furnish to Lender the receipts for the payment of the Insurance Premiums or other evidence of such payment reasonably satisfactory to Lender (provided , however , that Borrower is not required to furnish such evidence of payment to Lender if such Insurance Premiums are to be paid by Lender pursuant to the terms of this Agreement). Within thirty (30) days after request by Lender, Borrower shall obtain such increases in the amounts of coverage required hereunder as may be reasonably requested in writing by Lender or as may be requested in writing by the Rating Agencies, (except with respect to the Terrorism Insurance), taking into consideration changes in liability laws, changes in prudent customs and practices, and the like. In the event Borrower satisfy the requirements under this Section 6.1 through the use of a Policy covering properties in

addition to the Property (a "**Blanket Policy**"), then (unless such policy is provided in substantially the same manner as it is as of the date hereof), Borrower shall provide evidence satisfactory to Lender that the Insurance Premiums for the Property is separately allocated under such Policy to the Property and that payment of such allocated amount (A) shall maintain the effectiveness of such Policy as to the Property and (B) shall otherwise provide the same protection as would a separate policy that complies with the terms of this Agreement as to the Property, notwithstanding the failure of payment of any other portion of the insurance premiums. If no such allocation is available, Lender shall have the right to increase the amount required to be deposited into the Insurance Reserve Account in an amount sufficient to purchase a non-blanket Policy covering the Property from insurance companies which qualify under this Agreement.

(ii) Borrower shall deliver to Lender on or prior to the Closing Date certificates setting forth in reasonable detail the material terms (including any applicable notice requirements) of all Policies from the respective insurance companies (or their authorized agents) that issued the Policies, including that such Policies may not be canceled or modified in any material respect without thirty (30) days' prior notice to Lender, or ten (10) days' notice with respect to nonpayment of premium. Borrower shall deliver to Lender, concurrently with each change in any Policy, a certificate with respect to such changed Policy certified by the insurance company issuing that Policy, in substantially the same form and containing substantially the same information as the certificates required to be delivered by Borrower pursuant to the first sentence of this clause (d)(ii) and stating that all premiums then due thereon have been paid to the applicable insurers and that the same are in full force and effect (or if such certificate and/or other information described in clause (d)(ii) shall not be obtainable by Borrower, Borrower may deliver an Officer's Certificate to such effect in lieu thereof).

(e) **Renewal and Replacement of Policies** .

(i) Not less than three (3) Business Days prior to the expiration, termination or cancellation of any Policy, Borrower shall renew such policy or obtain a replacement policy or policies (or a binding commitment for such replacement policy or policies), which shall be effective no later than the date of the expiration, termination or cancellation of the previous policy, and shall deliver to Lender a certificate in respect of such policy or policies (A) containing the same information as the certificates required to be delivered by Borrower pursuant to clause (d)(ii) above, or a copy of the binding commitment for such policy or policies and (B) confirming that such policy complies with all requirements hereof.

(ii) If Borrower does not furnish to Lender the certificates as required under clause (e)(i) above, Lender may procure, but shall not be obligated to procure, such replacement policy or policies and pay the Insurance Premiums therefor, and Borrower agrees to reimburse Lender for the cost of such Insurance Premiums promptly on demand.

(iii) Concurrently with the delivery of each replacement policy or a binding commitment for the same pursuant to this clause (e) , Borrower shall deliver to Lender a report or attestation from a duly licensed or authorized insurance broker or from the insurer, setting forth the particulars as to all insurance obtained by Borrower pursuant to this Section 6.1 and then in effect and stating that all Insurance Premiums then due thereon have been paid in full

to the applicable insurers, that such insurance policies are in full force and effect and that, in the opinion of such insurance broker or insurer, such insurance otherwise complies with the requirements of this Section 6.1 (or if such report shall not be available after Borrower shall have used reasonable efforts to provide the same, Borrower will deliver to Lender an Officer's Certificate containing the information to be provided in such report).

(f) **Separate Insurance .** Borrower will not take out separate insurance concurrent in form or contributing in the event of loss with that required to be maintained pursuant to this Section 6.1 unless such insurance complies with clause (c) above.

(g) **Securitization .** Following any Securitization, Borrower shall name any trustee, servicer or special servicer designated by Lender as a loss payee, and any trustee, servicer and special servicer as additional insureds, with respect to any Policy for which Lender is to be so named hereunder.

Section 6.2 Condemnation and Insurance Proceeds .

6.2.1 Right to Adjust . (a) If the Property is damaged or destroyed, in whole or in part in any material respect, by a Casualty, Borrower shall give prompt written notice thereof to Lender, generally describing the nature and extent of such Casualty. Following the occurrence of a Casualty, Borrower, regardless of whether proceeds are available, shall in a reasonably prompt manner proceed to restore, repair, replace or rebuild the Property to the extent practicable to be of at least equal value and of substantially the same character as prior to the Casualty, all in accordance with the terms hereof applicable to Alterations.

(b) Subject to clause (e) below, in the event of a Casualty which is not a Material Casualty, Borrower may settle and adjust such claim; provided that such adjustment is carried out in a competent and timely manner. In such case, Borrower is hereby authorized to collect and receipt for Lender any Proceeds.

(c) Subject to clause (e) below, in the event of a Casualty where the loss exceeds the Threshold Amount, Borrower may settle and adjust such claim only with the consent of Lender (which consent shall not be unreasonably withheld, delayed or conditioned) and Lender shall have the opportunity to participate, at Borrower's cost, in any such adjustments.

(d) Except as provided in clause (b) above, the proceeds of any Policy shall be due and payable solely to Lender and held and applied in accordance with the terms hereof (or, if mistakenly paid to the Borrower, shall be held in trust by the Borrower for the benefit of Lender and shall be paid over to Lender by the Borrower within two (2) Business Days of receipt).

(e) Notwithstanding the terms of clauses (a) and (b) above, Lender shall have the sole authority to adjust any claim with respect to a Casualty and to collect all Proceeds if an Event of Default shall have occurred and is continuing.

6.2.2 Right of the Borrower to Apply to Restoration . In the event of (a) a Casualty that does not constitute a Material Casualty, or (b) a Condemnation that does not constitute a Material Condemnation, Lender shall permit the application of the Proceeds (after

reimbursement of any expenses incurred by Lender) to reimburse or pay Borrower for the cost of restoring, repairing, replacing or rebuilding or otherwise curing title defects at the Property (the "**Restoration**"), in the manner required hereby, provided and on the condition that (1) no Event of Default shall have occurred and be then continuing and (2) in the reasonable judgment of Lender:

(i) the Property can be restored to an economic unit not materially less valuable (taking into account the effect of the termination of any Leases and the proceeds of any rental loss or business interruption insurance which the Borrower receives or is entitled to receive, in each case, due to such Casualty or Condemnation) and not materially less useful than the same was prior to the Casualty or Condemnation,

(ii) the Property, after such Restoration and stabilization, will adequately secure the outstanding balance of the Loan,

(iii) the Restoration can be completed by the earliest to occur of:

(A) the date on which the business interruption insurance carried by Borrower with respect to the Property shall expire;

(B) the 180th day prior to the Maturity Date (taking into account any extension thereof), and

(C) with respect to a Casualty, the expiration of the payment period on the rental loss or business interruption insurance coverage in respect of such Casualty; and

(iv) after receiving reasonably satisfactory evidence to such effect, during the period of the Restoration, the sum of (A) income derived from the Property, plus (B) proceeds of rental loss insurance or business interruption insurance, if any, payable together with such other monies as Borrower may irrevocably make available for the Restoration, will equal or exceed the sum of (x) 105% of Operating Expenses and (y) the Debt Service.

Notwithstanding the foregoing, if any of the conditions set forth in sub-clauses (1) and (2) of the proviso in this Section 6.2.2 is not satisfied, then, unless Lender shall otherwise elect, at its sole option, the Proceeds shall be applied in the following order of priority: (A) first, to prepay the principal of the Loan; (B) second, to pay the amount of (1) all accrued and unpaid interest in respect of the Principal Amount of the Indebtedness so prepaid through the date which is the final day of the Interest Period in which such prepayment is made (including, if an Event of Default has occurred and is then continuing, interest owed at the Default Rate), and (2) all other sums (excluding any Prepayment Fee) then due and owing under the Loan Documents and (C) third, to reimburse Lender for any fees and expenses of Lender incurred in connection therewith (it being agreed that, upon satisfaction in full of the entitlements under clauses (A), (B) and (C) of this sentence, Borrower shall be entitled to receive a release of the Lien of the Security Instrument and the other Loan Documents with respect to the Property in accordance with and subject to the terms of Section 2.3.3 hereof and any surplus Proceeds shall be paid over to the Borrower or as the Borrower directs. Notwithstanding the foregoing, or anything else to

the contrary contained herein, all Proceeds with respect to the insurance determined pursuant to Section 6.1.4 shall be deposited directly into the Collection Account and shall be disbursed in accordance with Article III as if such Proceeds are applied in the manner amounts received from the Manager are applied

6.2.3 Material Casualty or Condemnation and Lender's Right to Apply Proceeds . In the event of a Material Casualty or a Material Condemnation, then Lender shall have the option to (i) apply the Proceeds hereof in the following order of priority: (A) first, to prepay the principal of the Loan; (B) second, to pay the amount of (1) all accrued and unpaid interest in respect of the Principal Amount of the Indebtedness so prepaid through the date which is the final day of the Interest Period in which such prepayment is made (including, if an Event of Default has occurred and is then continuing, interest owed at the Default Rate), and (2) all other sums (excluding any Prepayment Fee) then due and owing under the Loan Documents; (C) third, to reimburse Lender for any fees and expenses of Lender incurred in connection therewith; and (D) fourth, it being agreed that, upon satisfaction in full of the entitlements under clauses (A), (B) and (C) of this sentence, Borrower shall be entitled to receive the balance of the Proceeds, if any and a release of the Lien of the Security Instrument and the other Loan Documents with respect to the Property in accordance with and subject to the terms of Section 2.3.3 hereof), or (ii) make such Proceeds available to reimburse Borrower for the cost of any Restoration in the manner set forth below in Section 6.2.4 hereof provided , however , that if the Management Agreement provides that the Operating Lessee or Borrower is required to use the Proceeds to restore the Property and Operating Lessee or Borrower does not have the right to terminate the Management Agreement pursuant to the terms of the Management Agreement as a result of such Casualty or Condemnation or otherwise, then the Lender shall be obligated to make such Proceeds available to the Borrower for the Restoration of such Property pursuant to Section 6.2.4 below. Notwithstanding anything to the contrary contained herein, in the event of a Material Casualty or a Material Condemnation, where Borrower cannot restore, repair, replace or rebuild the Property to be of at least substantially equal value and of substantially the same character as prior to the Material Casualty or Material Condemnation or title defect because the Property is a legally non-conforming use or as a result of any other Legal Requirement, Borrower hereby agrees that Lender may apply the Proceeds payable in connection therewith in accordance with clauses (A), (B) (C) and (D).

6.2.4 Manner of Restoration and Reimbursement . If Borrower is entitled pursuant to Sections 6.2.2 or 6.2.3 above to reimbursement out of Proceeds (and the conditions specified therein shall have been satisfied), such Proceeds shall be disbursed on a monthly basis upon Lender being furnished with (i) such architect's certificates, waivers of lien, contractor's sworn statements, title insurance endorsements, bonds, plats of survey and such other evidences of cost, payment and performance as Lender may reasonably require and approve, and (ii) all plans and specifications for such Restoration, such plans and specifications to be approved by Lender prior to commencement of any work (such approval not to be unreasonably withheld, delayed or conditioned). In addition, no payment made prior to the Final Completion of the Restoration (excluding punch-list items) shall exceed ninety percent (90%) of the aggregate value of the work performed from time to time; funds other than Proceeds shall be disbursed prior to disbursement of such Proceeds; and at all times, the undisbursed balance of such Proceeds remaining in the hands of Lender, together with funds deposited for that purpose or irrevocably committed to the satisfaction of Lender by or on behalf of Borrower for that purpose,

shall be at least sufficient in the reasonable judgment of Lender to pay for the cost of completion of the Restoration, free and clear of all Liens or claims for Lien. Prior to any disbursement, Lender shall have received evidence reasonably satisfactory to it of the estimated cost of completion of the Restoration (such estimate to be made by Borrower's architect or contractor and approved by Lender in its reasonable discretion), and Borrower shall have deposited with Lender Eligible Collateral in an amount equal to the excess (if any) of such estimated cost of completion over the net Proceeds. Any surplus which may remain out of Proceeds received pursuant to a Casualty after payment of such costs of Restoration shall be paid to the Borrower or as the Borrower directs . Any surplus which may remain out of Proceeds received pursuant to a Condemnation shall be paid to the Borrower or as the Borrower directs.

6.2.5 Condemnation . (a) Borrower shall promptly give Lender written notice of the actual commencement or written threat of commencement of any Condemnation and shall deliver to Lender copies of any and all papers served in connection with such Condemnation. Following the occurrence of a Condemnation, Borrower, regardless of whether Proceeds are available, shall promptly proceed to restore, repair, replace or rebuild the same to the extent practicable to be of at least equal value and of substantially the same character as prior to such Condemnation, all to be effected in accordance with the terms hereof applicable to Alterations.

(b) Lender is hereby irrevocably appointed as Borrower's attorney-in-fact, coupled with an interest, with exclusive power to collect, receive and retain any Proceeds in respect of a Condemnation and to make any compromise or settlement in connection with such Condemnation, subject to the provisions of this Section. Provided no Event of Default has occurred and is continuing, (x) in the event of a Condemnation which is not a Material Condemnation, Borrower may settle and compromise such Proceeds; provided that the same is effected in a competent and timely manner, and (y) in the event of a Condemnation, where the loss exceeds the Threshold Amount, Borrower may settle and compromise the Proceeds only with the consent of Lender (which consent shall not be unreasonably withheld, delayed or conditioned) and Lender shall have the opportunity to participate, at Borrower' cost, in any litigation and settlement discussions in respect thereof. Notwithstanding any Condemnation by any public or quasi-public authority (including any transfer made in lieu of or in anticipation of such a Condemnation), Borrower shall continue to pay the Indebtedness at the time and in the manner provided for in the Note, this Agreement and the other Loan Documents, and the Indebtedness shall not be reduced unless and until any Proceeds shall have been actually received and applied by Lender to discharge the Indebtedness, pay required interest and pay any other required amounts, in each case, pursuant to the terms of Sections 6.2.2 or 6.2.3 above. Lender shall not be limited to the interest paid on the Proceeds by the condemning authority but shall be entitled to receive out of the Proceeds interest at the rate or rates provided in the Note. Borrower shall cause any Proceeds that are payable to Borrower to be paid directly to Lender to be held and applied in accordance with the terms hereof.

VII. IMPOSITIONS, OTHER CHARGES, LIENS AND OTHER ITEMS

Section 7.1 Impositions and Other Charges . Subject to the third sentence of this Section 7.1 , Borrower shall pay, or shall cause Operating Lessee to pay all Impositions now or hereafter levied or assessed or imposed against the Property or any part thereof prior to the imposition of any interest, charges or expenses for the non-payment thereof and shall pay all

Other Charges on or before the date they are due. Subject to Borrower's right of contest set forth in Section 7.3 , as set forth in the next two sentences and provided that there are sufficient funds available in the Tax Reserve Account, Lender, on behalf of Borrower, shall pay all Impositions and Other Charges which are attributable to or affect the Property or Borrower, prior to the date such Impositions or Other Charges shall become delinquent or late charges may be imposed thereon, directly to the applicable taxing authority with respect thereto. Lender shall, or Lender shall direct the Cash Management Bank to, pay to the taxing authority such amounts to the extent funds in the Tax Reserve Account are sufficient to pay such Impositions. Nothing contained in this Agreement or the Security Instrument shall be construed to require Borrower to pay any tax, assessment, levy or charge imposed on Lender in the nature of a franchise, capital levy, estate, inheritance, succession, income or net revenue tax.

Section 7.2 No Liens . Subject to its right of contest set forth in Section 7.3 , Borrower shall at all times keep, or cause to be kept, the Property free from all Liens (other than Permitted Encumbrances) and shall pay when due and payable (or bond over) all claims and demands of mechanics, materialmen, laborers and others which, if unpaid, might result in or permit the creation of a Lien on the Property or any portion thereof and shall in any event cause the prompt, full and unconditional discharge of all Liens imposed on or against the Property or any portion thereof within forty-five (45) days after receiving written notice of the filing (whether from Lender, the lienor or any other Person) thereof. Borrower shall do or cause to be done, at the sole cost of Borrower, everything reasonably necessary to fully preserve the first priority of the Lien of the Security Instrument against the Property, subject to the Permitted Encumbrances. Upon the occurrence and during the continuance of an Event of Default with respect to its Obligations as set forth in this Article VII , Lender may (but shall not be obligated to) make such payment or discharge such Lien, and Borrower shall reimburse Lender within three (3) Business Days following demand for all such advances pursuant to Section 19.12 (together with interest thereon at the Default Rate).

Section 7.3 Contest . Nothing contained herein shall be deemed to require Borrower to pay, or cause to be paid, any Imposition or to satisfy any Lien, or to comply with any Legal Requirement or Insurance Requirement, so long as Borrower is in good faith, and by proper legal proceedings, where appropriate, diligently contesting the validity, amount or application thereof, provided that in each case, at the time of the commencement of any such action or proceeding, and during the pendency of such action or proceeding (i) no Event of Default shall exist and be continuing hereunder, (ii) Borrower shall keep Lender informed of the status of such contest at reasonable intervals, (iii) if neither Borrower nor Operating Lessee is providing security as provided in clause (vi) below, adequate reserves with respect thereto are maintained on Borrower's books in accordance with GAAP or in the Tax Reserve Account or Insurance Reserve Account, as applicable, (iv) either such contest operates to suspend collection or enforcement as the case may be, of the contested Imposition, Lien or Legal Requirement and such contest is maintained and prosecuted continuously and with diligence or the Imposition or Lien is bonded, (v) in the case of any Insurance Requirement, the failure of Borrower to comply therewith shall not impair the validity of any insurance required to be maintained by Borrower under Section 6.1 or the right to full payment of any claims thereunder, and (vi) in the case of Impositions and Liens which are not bonded in excess of $1,000,000 individually, or in the aggregate, during such contest, Borrower, shall deposit with or deliver to Lender either Cash and Cash Equivalents or a Letter or Letters of Credit in an amount equal to 125% of (A) the amount

of Borrower's obligations being contested plus (B) any additional interest, charge, or penalty arising from such contest. Notwithstanding the foregoing, the creation of any such reserves or the furnishing of any bond or other security, Borrower promptly shall comply with any contested Legal Requirement or Insurance Requirement or shall pay any contested Imposition or Lien, and compliance therewith or payment thereof shall not be deferred, if, at any time the Property or any portion thereof shall be, in Lender's reasonable judgment, in imminent danger of being forfeited or lost or Lender is likely to be subject to civil or criminal damages as a result thereof. If such action or proceeding is terminated or discontinued adversely to Borrower, Borrower shall deliver to Lender reasonable evidence of Borrower's compliance with such contested Imposition, Lien, Legal Requirements or Insurance Requirements, as the case may be.

VIII. TRANSFERS, INDEBTEDNESS AND SUBORDINATE LIENS

Section 8.1 Restrictions on Transfers and Indebtedness . (a) Except in connection with such action as is permitted by the subsequent provisions of this Article VIII , Borrower will not, without Lender's prior written consent and a Rating Agency Confirmation with respect to the transfer or other matter in question, (A), Transfer legal, Beneficial or direct or indirect equitable interests in all or any part of the Property, the Borrower or Operating Lessee, (B) permit or suffer any owner, directly or indirectly, of a legal, Beneficial or equitable interest in the Property, the Borrower or Operating Lessee to Transfer such interest, whether by transfer of stock or other legal, Beneficial or equitable interest in any entity or otherwise, (C) mortgage, hypothecate or otherwise encumber or grant a security interest in all or any part of the legal, Beneficial or equitable interests in all or any part of the Property, the Borrower or the Operating Lessee, or (D) file of record a declaration of condominium with respect to the Property. (b) Lender may exercise, either by itself or by its nominee or designee, in the name of Borrower, all of Lender's rights, powers and remedies in respect of the Rate Cap Collateral, hereunder and under law.

(c) Borrower hereby irrevocably, in the name of Borrower or otherwise, authorizes and empowers Lender and assigns and transfers unto Lender, and constitutes and appoints Lender its true and lawful attorney-in-fact, and as its agent, irrevocably, with full power of substitution for Borrower and in the name of Borrower, upon the occurrence and during the continuance of an Event of Default, (i) to exercise and enforce every right, power, remedy, authority, option and privilege of Borrower under the Interest Rate Cap Agreement, including any power to subordinate or modify the Interest Rate Cap Agreement (but not, unless an Event of Default exists and is continuing, the right to terminate or cancel the Interest Rate Cap Agreement), or to give any notices, or to take any action resulting in such subordination, termination, cancellation or modification and (ii) in order to more fully vest in Lender the rights and remedies provided for herein, to exercise all of the rights, remedies and powers granted to Lender in this Agreement, and Borrower further authorizes and empowers Lender, as Borrower's attorney-in-fact, and as its agent, irrevocably, with full power of substitution for Borrower and in the name of Borrower, upon the occurrence and during the continuance of an Event of Default, to give any authorization, to furnish any information, to make any demands, to execute any instruments and to take any and all other action on behalf of and in the name of Borrower which in the opinion of Lender may be necessary or appropriate to be given, furnished, made, exercised or taken under the Interest Rate Cap Agreement, in order to comply therewith, to perform the conditions thereof or to prevent or remedy any default by Borrower thereunder or to enforce any of the rights of Borrower thereunder. These powers-of-attorney are irrevocable and coupled with an interest, and any similar or dissimilar powers heretofore given by Borrower in respect of the Rate Cap Collateral to any other Person are hereby revoked.

(d) Upon the occurrence and during the continuance of an Event of Default, Lender may, without notice to, or assent by, Borrower or any other Person (to the extent permitted by law), but without affecting any of the Obligations, in the name of Borrower or in the name of Lender, notify the Counterparty, or if applicable, any other counterparty to the Interest Rate Cap Agreement, to make payment and performance directly to Lender; extend the time of payment and performance of, compromise or settle for cash, credit or otherwise, and upon any terms and conditions, any obligations owing to Borrower, or claims of Borrower, under the Interest Rate Cap Agreement; file any claims, commence, maintain or discontinue any actions, suits or other proceedings deemed by Lender necessary or advisable for the purpose of collecting upon or enforcing the Interest Rate Cap Agreement; and execute any instrument and do all other things deemed necessary and proper by Lender to protect and preserve and realize upon the Rate Cap Collateral and the other rights contemplated hereby.

(e) Pursuant to the powers-of-attorney provided for above, Lender may take any action and exercise and execute any instrument which it may deem necessary or advisable to accomplish the purposes hereof; provided , however , that Lender shall not be permitted to take

any action pursuant to said power-of-attorney that would conflict with any limitation on Lender's rights with respect to the Rate Cap Collateral. Without limiting the generality of the foregoing, Lender, after the occurrence of an Event of Default, shall have the right and power to receive, endorse and collect all checks and other orders for the payment of money made payable to Borrower representing: (i) any payment of obligations owed pursuant to the Interest Rate Cap Agreement, (ii) interest accruing on any of the Rate Cap Collateral or (iii) any other payment or distribution payable in respect of the Rate Cap Collateral or any part thereof, and for and in the name, place and stead of Borrower, to execute endorsements, assignments or other instruments of conveyance or transfer in respect of any property which is or may become a part of the Rate Cap Collateral hereunder.

(f) Lender may exercise all of the rights and remedies of a secured party under the UCC.

(g) Without limiting any other provision of this Agreement or any of Borrower's rights hereunder, and without waiving or releasing Borrower from any obligation or default hereunder, Lender shall have the right, but not the obligation, to perform any act or take any appropriate action, as it, in its reasonable judgment, may deem necessary to protect the security of this Agreement, to cure such Event of Default or to cause any term, covenant, condition or obligation required under this Agreement or the Interest Rate Cap Agreement to be performed or observed by Borrower to be promptly performed or observed on behalf of Borrower. All amounts advanced by, or on behalf of, Lender in exercising its rights under this Section 9.7(g) (including, but not limited to, reasonable legal expenses and disbursements incurred in connection therewith), together with interest thereon at the Default Rate from the date of each such advance, shall be payable by Borrower to Lender upon demand and shall be secured by this Agreement.

Section 9.7 Sales of Rate Cap Collateral . No demand, advertisement or notice, all of which are, to the fullest extent permitted by law, hereby expressly waived by Borrower, shall be required in connection with any sale or other disposition of all or any part of the Rate Cap Collateral, except that Lender shall give Borrower at least thirty (30) Business Days' prior written notice of the time and place of any public sale or of the time when and the place where any private sale or other disposition is to be made, which notice Borrower hereby agrees is reasonable, all other demands, advertisements and notices being hereby waived. To the extent permitted by law, Lender shall not be obligated to make any sale of the Rate Cap Collateral if it shall determine not to do so, regardless of the fact that notice of sale may have been given, and Lender may without notice or publication adjourn any public or private sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. Upon each private sale of the Rate Cap Collateral of a type customarily sold in a recognized market and upon each public sale, unless prohibited by any applicable statute which cannot be waived, Lender (or its nominee or designee) may purchase any or all of the Rate Cap Collateral being sold, free and discharged from any trusts, claims, equity or right of redemption of Borrower, all of which are hereby waived and released to the extent permitted by law, and may make payment therefor by credit against any of the Obligations in lieu of cash or any other obligations. In the case of all sales of the Rate Cap Collateral, public or private, Borrower shall pay all reasonable costs and expenses of every kind for sale or delivery, including brokers' and attorneys' fees and disbursements and any tax imposed thereon. However, the proceeds of sale

of Rate Cap Collateral shall be available to cover such costs and expenses, and, after deducting such costs and expenses from the proceeds of sale, Lender shall apply any residue to the payment of the Obligations in the order of priority as set forth in Section 11 of the Security Instrument.

Section 9.8 Public Sales Not Possible . Borrower acknowledges that the terms of the Interest Rate Cap Agreement may prohibit public sales, that the Rate Cap Collateral may not be of the type appropriately sold at public sales, and that such sales may be prohibited by law. In light of these considerations, Borrower agrees that private sales of the Rate Cap Collateral shall not be deemed to have been made in a commercially unreasonably manner by mere virtue of having been made privately.

Section 9.9 Receipt of Sale Proceeds . Upon any sale of the Rate Cap Collateral by Lender hereunder (whether by virtue of the power of sale herein granted, pursuant to judicial process or otherwise), the receipt by Lender or the officer making the sale or the proceeds of such sale shall be a sufficient discharge to the purchaser or purchasers of the Rate Cap Collateral so sold, and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to Lender or such officer or be answerable in any way for the misapplication or non-application thereof.

Section 9.10 Extension Interest Rate Cap Agreement . If Borrower exercises any of its options to extend the Maturity Date pursuant to Section 5 of the Note, then, on or prior to the Maturity Date being extended, the Borrower shall obtain or have in place an Extension Interest Rate Cap Agreement (i) having a term through the end of the Interest Period in which the extended Maturity Date occurs, (ii) in a notional amount at least equal to the Principal Amount of the Loan as of the Maturity Date being extended, and (iii) having a strike rate equal to an amount such that the maximum interest rate paid by the Borrower after giving effect to payments made under such Extension Interest Rate Cap Agreement shall equal no more than the LIBOR Cap Strike Rate.

Section 9.11 Filing of Financing Statements Authorized . Borrower and Operating Lessee hereby authorize the filing of a form UCC-1 financing statement naming the Borrower and the Operating Lessee as debtors and the Lender as secured party in any office (including the office of the Secretary of State of the State of Delaware) covering all property of the Borrower and the Operating Lessee (including, but not limited to, the Account Collateral and the Rate Cap Collateral, but excluding Excess Cash Flow).

X. MAINTENANCE OF PROPERTY; ALTERATIONS

Section 10.1 Maintenance of Property . Borrower shall keep and maintain, or cause to be kept and maintained, the Property and every part thereof in good condition and repair, subject to ordinary wear and tear, and, subject to Excusable Delays and the provisions of this Agreement with respect to damage or destruction caused by a Casualty or Condemnation, shall not permit or commit any waste, impairment, or deterioration of any portion of the Property in any material respect. Borrower further covenants to do all other acts which from the character or use of the Property may be reasonably necessary to protect the security hereof, the specific enumerations herein not excluding the general. Borrower shall not demolish any Improvement on the Property except as the same may be necessary in connection with an Alteration or a restoration in connection with a Condemnation or Casualty, or as otherwise permitted herein, in each case in accordance with the terms and conditions hereof.

Section 10.2 Alterations and Expansions . Borrower shall not perform or undertake or consent to the performance or undertaking of any Alteration or Expansion, except in accordance with the following terms and conditions:

(a) The Alteration or Expansion shall be undertaken in accordance with the applicable provisions of this Agreement, the other Loan Documents, the Leases and all Legal Requirements.

(b) No Event of Default shall have occurred and be continuing or shall occur as a result of such action.

(c) A Material Alteration or Material Expansion, to the extent architects are customarily used for alterations or expansions of those types, but including any structural change to any of the Property or the Improvements, shall be conducted under the supervision of an Independent Architect and shall not be undertaken until ten (10) Business Days after there shall have been filed with Lender, for information purposes only and not for approval by Lender, detailed plans and specifications and cost estimates therefor, prepared and approved in writing by such Independent Architect. Such plans and specifications may be revised at any time and from time to time, provided that revisions of such plans and specifications shall be filed with Lender, for information purposes only.

(d) The Alteration or Expansion may not in and of itself, either during the Alteration or Expansion or upon completion, be reasonably expected to have a Material Adverse Effect with respect to the Property.

(e) All work done in connection with any Alteration or Expansion shall be performed with due diligence to Final Completion in a good and workmanlike manner, all materials used in connection with any Alteration or Expansion shall be not less than the standard of quality of the materials generally used at the Property as of the date hereof (or, if greater, the then-current customary quality in the sub-market in which the Property is located) and all work shall be performed and all materials used in accordance with all applicable Legal Requirements and Insurance Requirements.

(f) The cost of any Alteration or Expansion shall be promptly and fully paid for by Borrower, subject to the next succeeding sentence. No payment made prior to the Final Completion (excluding punch-list items) of an Alteration or Expansion or Restoration to any contractor, subcontractor, materialman, supplier, engineer, architect, project manager or other Person who renders services or furnishes materials in connection with such Alteration shall exceed ninety percent (90%) of the aggregate value of the work performed by such Person from time to time and materials furnished and incorporated into the Improvements.

(g) All work performed in connection with the cure of the Deferred Maintenance Conditions shall be performed in accordance with the terms and conditions set forth in clauses (a), (c), (e) and (f) of this Section 10.2 .

(h) With respect to any Material Alteration or Material Expansion:

(i) Borrower shall have delivered to Lender Eligible Collateral in an amount equal to at least the total estimated remaining unpaid costs of such Material Alteration or Material Expansion which is in excess of the Threshold Amount, which Eligible Collateral shall be held by Lender as security for the Indebtedness and released to Borrower as such work progresses in accordance with Section 10.2(h)(iii) ; provided , however , in the event that any Material Alteration or Material Expansion shall be made in conjunction with any Restoration with respect to which Borrower shall be entitled to use or apply Proceeds pursuant to Section 6.2 hereof (including any Proceeds remaining after completion of such Restoration), the amount of the Eligible Collateral to be furnished pursuant hereto need not exceed the aggregate cost of such Restoration and such Material Alteration or Material Expansion (in either case, as estimated by the Independent Architect) less the sum of the amount of any Proceeds which the Borrower is entitled to withdraw pursuant to Section 6.2 hereof and the Threshold Amount;

(ii) Prior to commencement of construction of such Material Alteration or Material Expansion, Borrower shall deliver to Lender a schedule (with the concurrence of the Independent Architect) setting forth the projected stages of completion of such Alteration or Expansion and the corresponding amounts expected to be due and payable by or on behalf of Borrower in connection with such completion, such schedule to be updated quarterly by Borrower (and with the concurrence of the Independent Architect) during the performance of such Alteration or Expansion.

(iii) Any Eligible Collateral that a Borrower delivers to Lender pursuant hereto (and the proceeds of any such Eligible Collateral) shall be invested (to the extent such Eligible Collateral can be invested) by Lender in Permitted Investments for a period of time consistent with the date on which the Borrower notifies Lender that the Borrower expects to request a release of such Eligible Collateral in accordance with the next succeeding sentence. From time to time as the Alteration or Expansion progresses, the amount of any Eligible Collateral so furnished may, upon the written request of Borrower to Lender, be withdrawn by Borrower and paid or otherwise applied by or returned to Borrower in an amount equal to the amount Borrower would be entitled to so withdraw if Section 6.2.4 were applicable, and any Eligible Collateral so furnished which is a Letter of Credit may be reduced by Borrower in an amount equal to the amount Borrower would be entitled to so reduce if Section 6.2.4 hereof were applicable, subject, in each case, to the satisfaction of the conditions precedent to withdrawal of funds or reduction of the Letter of Credit set forth in Section 6.2.4 hereof. In connection with the above-described quarterly update of the projected stages of completion of the Material Alteration or Material Expansion (as concurred with by an Independent Architect), Borrower shall increase (or be permitted to decrease, as applicable) the Eligible Collateral then deposited with Lender as necessary to comply with Section 10.2(h)(i) hereof.

(iv) At any time after Final Completion of such Material Alterations or Material Expansions, the whole balance of any Cash deposited with Lender pursuant to Section 10.2(h) hereof then remaining on deposit may be withdrawn by Borrower and shall be paid by Lender to Borrower, and any Eligible Collateral so deposited shall, to the

extent it has not been called upon, reduced or theretofore released, be released by Lender to Borrower, within ten (10) days after receipt by Lender of an application for such withdrawal and/or release together with an Officer's Certificate, and as to the following clauses (A) and (B) of this clause also a certificate of the Independent Architect, setting forth in substance as follows:

(A) that such Material Alteration(s) or Material Expansion(s) has been completed in all material respects in accordance with any plans and specifications therefor previously filed with Lender under Section 10.2(c) hereof;

(B) that to the knowledge of the certifying Person, (x) such Material Alteration(s) or Material Expansion(s) has been completed in compliance with all Legal Requirements, and (y) to the extent required for the legal use or occupancy of the portion of the Property affected by such Alteration(s) or Expansion(s), the applicable Borrower has obtained a temporary or permanent certificate of occupancy (or similar certificate) or, if no such certificate is required, a statement to that effect;

(C) that to the knowledge of the certifying Person, all amounts that a Borrower is or may become liable to pay in respect of such Material Alteration(s) or Material Expansion(s) through the date of the certification have been paid in full or adequately provided for and, to the extent that such are customary and reasonably obtainable by prudent property owners in the area where the applicable Property is located, that Lien waivers have been obtained from the general contractor and subcontractors performing such Alteration(s) or Expansion(s) or at its sole cost and expense, Borrower shall cause a nationally recognized title insurance company to deliver to Lender an endorsement to the Title Policy, updating such policy and insuring over such Liens without further exceptions to such policy other than Permitted Encumbrances, or shall, at its sole cost and expense, cause a reputable title insurance company to deliver a lender's title insurance policy, in such form, in such amounts and with such endorsements as the Title Policy, which policy shall be dated the date of completion of the Material Alteration and shall contain no exceptions other than Permitted Encumbrances; provided , however , that if, for any reason, Borrower is unable to deliver the certification required by this clause (C) with respect to any costs or expenses relating to the Alteration (s) or Expansion(s), then, assuming Borrower is able to satisfy each of the other requirements set forth in clauses (A) and (B) above, Borrower shall be entitled to the release of the difference between the whole balance of such Eligible Collateral and the total of all costs and expenses to which Borrower is unable to certify; and

(D) that to the knowledge of the certifying Person, no Event of Default has occurred and is continuing.

XI. BOOKS AND RECORDS, FINANCIAL STATEMENTS, REPORTS AND OTHER INFORMATION

Section 11.1 Books and Records . Borrower shall keep and maintain on a fiscal year basis proper books and records separate from any other Person, in which accurate and complete entries shall be made of all dealings or transactions of or in relation to the Note, the Property and the business and affairs of Borrower and Operating Lessee relating to the Property

which shall reflect all items of income and expense in connection with the operation on an individual basis of the Property and in connection with any services, equipment or furnishings provided in connection with the operation of the Property, in accordance with GAAP. Lender and its authorized representatives shall have the right at reasonable times and upon reasonable notice to examine the books and records of Borrower and Operating Lessee relating to the operation of the Property and to make such copies or extracts thereof as Lender may reasonably require. Notwithstanding any other provision of this Agreement or any other Loan Document, so long as the Borrower and Operating Lessee otherwise comply with the foregoing provisions of this Section 11.1 , any requirement for the presentation of audited financial statements or similar reports of the Borrower, the Property or the Operating Lessee shall be deemed satisfied if such audit financial statement or similar reports are contained in an audited financial statement or similar report which includes a separate combining schedule setting forth in reasonable detail the separate financial information which relates solely to the Borrower, the Operating Lessee and the Property.

Section 11.2 Financial Statements .

11.2.1 Monthly Reports . At the request of Lender, Borrower shall furnish to Lender, within thirty (30) days after the end of each calendar month, unaudited operating statements, aged accounts receivable reports, rent rolls, STAR Reports and PACE Reports; occupancy and ADR reports for the Property, in each case accompanied by an Officer's Certificate certifying (i) with respect to the operating statements, that to the Best of Borrower's Knowledge and the best of such officer's knowledge such statements are true, correct, accurate and complete and fairly present the results of the operations of Borrower and the Property, and (ii) with respect to the aged accounts receivable reports, rent rolls, occupancy and ADR reports, that such items are to the Best of Borrower's Knowledge and the best of such officer's knowledge true, correct and accurate and fairly present the results of the operations of Borrower and the Property. (a) quarterly and year to date financial statements prepared for such fiscal quarter with respect to the Borrower, including a balance sheet and operating statement for such quarter for the Borrower for such quarter;

The annual financial statements of the Borrower shall be accompanied by (i) an Officer's Certificate certifying that each such annual financial statement presents fairly, in all material respects, the financial condition and results of operation of the Property and has been prepared in accordance with GAAP and (ii) a management report, in form and substance reasonably satisfactory to Lender, discussing the reconciliation between the financial statements for such Fiscal Year and the most recent Budget. Together with the Borrower's annual financial statements, the Borrower shall furnish to Lender (A) an Officer's Certificate certifying as of the date thereof whether, to Borrower's knowledge, there exists a Default or Event of Default, and if such Default or Event of Default exists, the nature thereof, the period of time it has existed and the action then being taken to remedy the same; and (B) an annual report, for the most recently completed fiscal year, containing:

(1) Capital Expenditures (including for this purpose any and all additions to, and replacements of, FF&E,) made in respect of the Property, including separate line items with respect to any project costing in excess of $500,000;

(2) occupancy levels for the Property for such period; and

(3) average daily room rates at the Property for such period.

11.2.4 Leasing Reports . Not later than forty-five (45) days after the end of each fiscal quarter of Borrower's operations, Borrower shall deliver to Lender a true and complete rent roll for the Property, dated as of the last month of such fiscal quarter, showing the percentage of gross leasable area of the Property, if any, leased as of the last day of the preceding calendar quarter, the current annual rent for the Property, the expiration date of each Lease, whether to Borrower's knowledge any portion of the Property has been sublet, and if it has, the name of the subtenant, and such rent roll shall be accompanied by an Officer's Certificate certifying that such rent roll is true, correct and complete in all material respects as of its date and stating whether Borrower, within the past three (3) months, has issued a notice of default with respect to any Lease which has not been cured and the nature of such default.

If Borrower subsequently amends the Budget, Borrower shall promptly deliver the amended Budget to Lender.

11.2.7 Other Information . Borrower shall, promptly after written request by Lender or, if a Securitization shall have occurred, the Rating Agencies, furnish or cause to be furnished to Lender, in such manner and in such detail as may be reasonably requested by Lender, such reasonable additional information as may be reasonably requested with respect to the Property. The information required to be furnished by Borrower to Lender under this Section 11.2 shall be provided in both hard copy format and electronic format; provided that Borrower shall only be required to provide the information required under this Section 11.2.7 in electronic format if such information is so available in the ordinary course of the operations of the Borrower and Manager and without significant expense.

XII. ENVIRONMENTAL MATTERS

Section 12.1 Representations . Borrower hereby represents and warrants that except as set forth in the environmental reports and studies delivered to Lender (the **"Environmental Reports"**), (i) Borrower has not engaged in or knowingly permitted any operations or activities upon, or any use or occupancy of the Property, or any portion thereof, for the purpose of or in any way involving the handling, manufacture, treatment, storage, use, generation, release, discharge, refining, dumping or disposal of any Hazardous Materials on, under, in or about the Property, or transported any Hazardous Materials to, from or across the Property, except in all cases in material compliance with Environmental Laws and only in the course of legitimate business operations at the Property; (ii) to the Best of Borrower's Knowledge, no tenant, occupant or user of the Property, or any other Person, has engaged in or permitted any operations or activities upon, or any use or occupancy of the Property, or any portion thereof, for the purpose of or in any material way involving the handling, manufacture, treatment, storage, use, generation, release, discharge, refining, dumping or disposal of any Hazardous Materials on, in or about the Property, or transported any Hazardous Materials to, from or across the Property, except in all cases in material compliance with Environmental Laws and only in the course of legitimate business operations at the Property; (iii) to the Best of Borrower's Knowledge, no Hazardous Materials are presently constructed, deposited, stored, or otherwise located on, under, in or about the Property except in material compliance with Environmental Laws; (iv) to the Best of Borrower's Knowledge, no Hazardous Materials have migrated from the Property upon or beneath other properties which would reasonably be expected to result in material liability for Borrower; and (v) to the Best of Borrower's Knowledge, no Hazardous Materials have migrated or threaten to migrate from other properties upon, about or beneath the Property which would reasonably be expected to result in material liability for Borrower.

Section 12.2 Covenants . Compliance with Environmental Laws .

Subject to Borrower's right to contest under Section 7.3 , Borrower covenants and agrees with Lender that it shall comply with all Environmental Laws. If at any time during the continuance of the Lien of the Security Instrument, a Governmental Authority having jurisdiction over the Property requires remedial action to correct the presence of Hazardous Materials in, around, or under the Property (an "**Environmental Event**"), Borrower shall deliver prompt notice of the occurrence of such Environmental Event to Lender. Within thirty (30) days after Borrower has knowledge of the occurrence of an Environmental Event, Borrower shall deliver to Lender an Officer's Certificate (an "**Environmental Certificate**") explaining the Environmental Event in reasonable detail and setting forth the proposed remedial action, if any. Borrower shall promptly provide Lender with copies of all notices from any Governmental Authority which allege or identify any actual or potential violation or noncompliance received by or prepared by or for Borrower in connection with any Environmental Law. For purposes of this paragraph, the term "notice" shall mean any summons, citation, directive, order, claim, pleading, letter, application, filing, report, findings, declarations or other materials provided by any Governmental Entity pertinent to compliance of the Property and Borrower with such Environmental Laws.

Section 12.3 Environmental Reports . Upon the occurrence and during the continuance of an Environmental Event with respect to the Property or an Event of Default, Lender shall have the right to direct Borrower to obtain consultants reasonably approved by Lender to perform a comprehensive environmental audit of the Property. Such audit shall be conducted by an environmental consultant chosen by Lender and may include a visual survey, a record review, an area reconnaissance assessing the presence of hazardous or toxic waste or substances, PCBs or storage tanks at the Property, an asbestos survey of the Property, which may include random sampling of the Improvements and air quality testing, and such further site assessments as Lender may reasonably require due to the results obtained from the foregoing. Borrower grants Lender, its agents, consultants and contractors the right to enter the Property as reasonable or appropriate for the circumstances for the purposes of performing such studies and the reasonable cost of such studies shall be due and payable by Borrower to Lender upon demand and shall be secured by the Lien of the Security Instrument. Lender shall not unreasonably interfere with, and Lender shall direct the environmental consultant to use its commercially reasonable efforts not to hinder, Borrower's or any Tenant's, other occupant's or Manager's operations upon the Property when conducting such audit, sampling or inspections. By undertaking any of the measures identified in and pursuant to this Section 12.3 , Lender shall not be deemed to be exercising any control over the operations of Borrower or the handling of any environmental matter or hazardous wastes or substances of Borrower for purposes of incurring or being subject to liability therefor.

Section 12.4 Environmental Indemnification . Borrower shall protect, indemnify, save, defend, and hold harmless the Indemnified Parties from and against any and all liability, loss, damage, actions, causes of action, costs or expenses whatsoever (including reasonable attorneys' fees and expenses) and any and all claims, suits and judgments which any Indemnified Party may suffer, as a result of or with respect to: (a) any Environmental Claim relating to or arising from the Property; (b) the violation of any Environmental Law in connection with the Property; (c) any release, spill, or the presence of any Hazardous Materials

affecting the Property; and (d) the presence at, in, on or under, or the release, escape, seepage, leakage, discharge or migration at or from, the Property of any Hazardous Materials, whether or not such condition was known or unknown to Borrower; provided that, in each case, Borrower shall be relieved of its obligation under this subsection if any of the matters referred to in clauses (a) through (d) above did not occur (but need not have been discovered) prior to (1) the foreclosure of the Security Instrument, (2) the delivery by Borrower to Lender or its designee of a deed-in-lieu of foreclosure with respect to the Property, or (3) Lender's or its designee's taking possession and control of the Property after the occurrence of an Event of Default hereunder. If any such action or other proceeding shall be brought against Lender, upon written notice from Borrower to Lender (given reasonably promptly following Lender's notice to Borrower of such action or proceeding), Borrower shall be entitled to assume the defense thereof, at Borrower's expense, with counsel reasonably acceptable to Lender; provided , however , Lender may, at its own expense, retain separate counsel to participate in such defense, but such participation shall not be deemed to give Lender a right to control such defense, which right Borrower expressly retains. Notwithstanding the foregoing, each Indemnified Party shall have the right to employ separate counsel at Borrower's expense if, in the reasonable opinion of legal counsel, a conflict or potential conflict exists between the Indemnified Party and Borrower that would make such separate representation advisable. Borrower shall have no obligation to indemnify an Indemnified Party for damage or loss resulting from such Indemnified Party's gross negligence or willful misconduct.

Section 12.5 Recourse Nature of Certain Indemnifications . Notwithstanding anything to the contrary provided in this Agreement or in any other Loan Document, the indemnification provided in Section 12.4 shall be fully recourse to Borrower (but not its constituent parties) and shall be independent of, and shall survive, the discharge of the Indebtedness, the release of the Lien created by the Security Instrument, and/or the conveyance of title to the Property to Lender or any purchaser or designee in connection with a foreclosure of the Security Instrument or conveyance in lieu of foreclosure.

XIII. RESERVED

XIV. SECURITIZATION AND PARTICIPATION

Section 14.1 Sale of Note and Securitization . At the request of Lender and, to the extent not already required to be provided by Borrower under this Agreement, Borrower shall use reasonable efforts to satisfy the market standards which may be reasonably required in the marketplace or by the Rating Agencies in connection with the sale of the Note or participation therein as part of the first successful securitization (such sale and/or securitization, the **" Securitization "**) of rated single or multi-class securities (the **" Securities "**) secured by or evidencing ownership interests in the Note and this Agreement, including using reasonable efforts to do (or cause to be done) the following (but Borrower shall not in any event be required to incur, suffer or accept (except to a de minimis extent)) (i) any lesser rights or greater obligations or liability than as currently set forth in the Loan Documents and (ii) except as set forth in this Article XIV and other than payment by Borrower of any legal fees of Borrower and Guarantor, any expense or any liability:

14.1.1 Provided Information . (i) Provide, at the sole expense of the holder of the Note (other than legal fees of counsel to the Borrower and Guarantor), such non-confidential financial and other information (but not projections) with respect to the Property and Borrower and Manager to the extent such information is reasonably available to Borrower or Manager, (ii) provide, at the sole expense of the holder of the Note (other than legal fees of counsel to the Borrower and Guarantor), business plans (but not projections) and budgets relating to the Property, to the extent prepared by the Borrower or Manager and (iii) cooperate with the holder of the Note (and its representatives) in obtaining, at the sole expense of the holder of the Note (other than legal fees of counsel to the Borrower and Guarantor), such site inspection, appraisals, market studies, environmental reviews and reports, engineering reports and other due diligence investigations of the Property, as may be reasonably requested by the holder of the Note or reasonably requested by the Rating Agencies (all information provided pursuant to this Section 14.1 together with all other information heretofore provided to Lender in connection with the Loan, as such may be updated, at Borrower's request, in connection with a Securitization, or hereafter provided to Lender in connection with the Loan or a Securitization, being herein collectively called the "**Provided Information**");

14.1.2 Opinions of Counsel . Use reasonable efforts to cause to be rendered such customary updates or customary modifications to the Opinions of Counsel delivered at the closing of the Loan as may be reasonably requested by the holder of the Note or the Rating Agencies in connection with the Securitization. Borrower's failure to use reasonable efforts to deliver or cause to be delivered the opinion updates or modifications required hereby within twenty (20) Business Days after written request therefor shall constitute an "**Event of Default**" hereunder. To the extent any of the foregoing Opinions of Counsel were required to be delivered in connection with the closing of the Loan, any update thereof shall be at the expense of Lender and without cost to Borrower. Any such Opinions of Counsel that Borrower is reasonably required to cause to be delivered in connection with a Securitization (which the parties agree shall consist of a "Review Letter" and bring downs of the Opinions of Counsel delivered as of the date hereof which Borrower acknowledges will be required to be delivered by Borrower's counsel in connection with a Securitization taking into account the due diligence Borrower's counsel deems reasonably necessary to deliver such "Review Letter"). Borrower shall not be required to pay the cost of any reliance letters or new opinions to permit successor holders of the Loan or any interest therein to rely on the opinions delivered at Closing in connection with Securitization or assignments of the Loan.

14.1.3 Modifications to Loan Documents . Without cost to the Borrower (other than legal fees of counsel to the Borrower and Guarantor), execute such amendments to the organizational documents of Borrower, Security Instrument and Loan Documents as may be reasonably requested by Lender or the Rating Agencies in order to achieve the required rating or to effect the Securitization (including, without limitation, modifying the Payment Date, as defined in the Note, to a date other than as originally set forth in the Note), provided , that nothing contained in this Section 14.1.3 shall result in any economic or other adverse change in the transaction contemplated by the Security Instrument or the Loan Documents (unless Borrower is made whole by the holder of Note) or result in any operational changes that are burdensome to the Property, Operating Lessee, Manager or Borrower.

Section 14.2 Cooperation with Rating Agencies . Borrower shall, at Lender's expense (other than legal fees of counsel to the Borrower and Guarantor), (i) at Lender's request, meet with representatives of the Rating Agencies at reasonable times to discuss the business and operations of the Property, and (ii) cooperate with the reasonable requests of the Rating Agencies in connection with the Property. Until the Obligations are paid in full, Borrower shall provide the Rating Agencies with all financial reports required hereunder and such other information as they shall reasonably request, including copies of any default notices or other material notices delivered to and received from Lender hereunder, to enable them to continuously monitor the creditworthiness of Borrower and to permit an annual surveillance of the implied credit rating of the Securities.

Section 14.3 Securitization Financial Statements . Borrower acknowledges that all such financial information delivered by Borrower to Lender pursuant to Article XI may, at Lender's option, be delivered to the Rating Agencies.

Section 14.4 Securitization Indemnification .

14.4.1 Disclosure Documents . Borrower understands that certain of the Provided Information may be included in disclosure documents in connection with the Securitization, including a prospectus or private placement memorandum or a public registration statement (each, a **"Disclosure Document"**) and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the **"Securities Act "**) or the Securities and Exchange Act of 1934, as amended (the **" Exchange Act"**), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, upon request, Borrower shall reasonably cooperate with the holder of the Note in updating the Provided Information for inclusion or summary in the Disclosure Document by providing all current information pertaining to Borrower and the Property reasonably requested by Lender.

14.4.2 Indemnification Certificate . In connection with each of (x) a preliminary and a private placement memorandum, or (y) a preliminary and final prospectus, as applicable, Borrower agrees to provide, at Lender's reasonable request, an indemnification certificate (at no cost to Borrower other than legal fees of counsel to the Borrower and Guarantor):

(a) certifying that Borrower has carefully examined those portions of such memorandum or prospectus, as applicable, reasonably designated in writing by Lender for Borrower's review pertaining to Borrower, the Property, the Loan and/or the Provided Information and insofar as such sections or portions thereof specifically pertain to Borrower, the Property, the Provided Information or the Loan (such portions, the **"Relevant Portions"**), the Relevant Portions do not (except to the extent specified by Borrower if Borrower does not agree with the statements therein), as of the date of such certificate, to the Best of Borrower's Knowledge, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading.

(b) indemnifying Lender and the Affiliates of Credit Suisse (collectively, "**CS**") that have prepared the Disclosure Document relating to the Securitization, each of its directors, each of its officers who have signed the Disclosure Document and each person or entity who controls CS within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the "**CS Group**"), and CS, together with the CS Group, each of their respective directors and each person who controls CS or the CS Group, within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act (collectively, the " **Underwriter Group**") for any actual, out-of-pocket losses, third party claims, damages (excluding lost profits, diminution in value and other consequential damages) or liabilities arising out of third party claims (the " **Liabilities**") to which any member of the Underwriter Group may become subject to the extent such Liabilities arise out of or are based upon any untrue statement of any material fact contained in the Relevant Portions and in the Provided Information or arise out of or are based upon the omission by Borrower to state therein a material fact required to be stated in the Relevant Portions in order to make the statements in the Relevant Portions in light of the circumstances under which they were made, not misleading (except that (x) Borrower's obligation to indemnify in respect of any information contained in a preliminary or final registration statement, private placement memorandum or preliminary or final prospectus shall be limited to any untrue statement or omission of material fact therein known to Borrower to the extent in breach of Borrower's certification made pursuant to clause (a) above and (y) Borrower shall have no responsibility for the failure of any member of the Underwriting Group to accurately transcribe written information supplied by Borrower or to include such portions of the Provided Information).

(c) Borrower's liability under clauses (a) and (b) above shall be limited to Liabilities arising out of or based upon any such untrue statement or omission made in a Disclosure Document in reliance upon and in conformity with information furnished to Lender by, or furnished at the direction and on behalf of, Borrower in connection with the preparation of those portions of the registration statement, memorandum or prospectus pertaining to Borrower, the Property or the Loan, including financial statements of Borrower and operating statements with respect to the Property. This indemnity agreement will be in addition to any liability which Borrower may otherwise have.

(d) Promptly after receipt by an indemnified party under this Article XIV of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Article XIV , notify the indemnifying party in writing of the commencement thereof, but the omission to so notify the indemnifying party will not relieve the indemnifying party from any liability which the indemnifying party may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the indemnifying party. In the event that any action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party. After notice from the indemnifying party to such indemnified party under this Article XIV of its assumption of such defense, the indemnifying party shall not be liable for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense

thereof; provided , however , if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there are any legal defenses available to it and/or other indemnified parties that are different from or in conflict with those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties at the expense of the indemnifying party. The indemnifying party shall not be liable for the expenses of separate counsel unless an indemnified party shall have reasonably concluded that there may be legal defenses available to it that are different from or in conflict with those available to another indemnified party.

(e) In order to provide for just and equitable contribution in circumstances in which the indemnity provided for in this Article XIV is for any reason held to be unenforceable by an indemnified party in respect of any actual, out-of-pocket losses, claims, damages or liabilities relating to third party claims (or action in respect thereof) referred to therein which would otherwise be indemnifiable under this Article XIV , the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such actual, out of pocket losses, third party claims, damages or liabilities (or action in respect thereof) (but excluding damages for lost profits, diminution in value of the Property and consequential damages); provided , however , that no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution for Liabilities arising therefrom from any person who was not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the CS Group's and Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; (iii) the limited responsibilities and obligations of Borrower as specified herein; and (iv) any other equitable considerations appropriate in the circumstances.

Section 14.5 Retention of Servicer . Lender reserves the right to retain the Servicer. Lender has advised Borrower that the Servicer initially retained by Lender shall be Wachovia Securities and Borrower shall pay any reasonable servicing fees, special servicing fees, trustee fees and any administrative fees and expenses of the Servicer, including, without limitation, reasonable attorney and other third-party fees and disbursements in connection with a prepayment, release of the Property, assumption or modification of the Loan or enforcement of the Loan Documents. Borrower shall also pay the ongoing standard monthly servicing fee.

XV. ASSIGNMENTS AND PARTICIPATIONS

Section 15.1 Assignment and Acceptance . At no incremental cost or liability to Borrower, Lender may assign to one or more Persons all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including, without limitation, all or a portion of the Note); provided that the parties to each such assignment shall execute and deliver to Lender, for its acceptance and recording in the Register (as hereinafter defined), an Assignment and Acceptance. In addition, at no incremental cost to Borrower, Lender may participate to one or more Persons all or any portion of its rights and obligations under this

Agreement and the other Loan Documents (including without limitation, all or a portion of the Note) utilizing such documentation to evidence such participation and the parties' respective rights thereunder as Lender, in its sole discretion, shall elect.

Section 15.2 Effect of Assignment and Acceptance . Upon such execution, delivery, acceptance and recording, from and after the effective date specified in such Assignment and Acceptance, (i) the assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, have the rights and obligations of Lender, as the case may be, hereunder and such assignee shall be deemed to have assumed such rights and obligations, and (ii) Lender shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement and the other Loan Documents (and, in the case of an Assignment and Acceptance covering all or the remaining portion of Lender's rights and obligations under this Agreement and the other Loan Documents, Lender shall cease to be a party hereto) accruing from and after the effective date of the Assignment and Acceptance, except with respect to (A) any payments made by Borrower to Lender pursuant to the terms of the Loan Documents after the effective date of the Assignment and Acceptance and (B) any letter of credit, cash deposit or other deposits or security (other than the Lien of the Security Instrument and the other Loan Documents) delivered to or for the benefit of or deposited with Column Financial, Inc., as Lender, for which Column Financial, Inc. shall remain responsible for the proper disposition thereof until such items are delivered to a party who is qualified as an Approved Bank and agrees to hold the same in accordance with the terms and provisions of the agreement pursuant to which such items were deposited.

Section 15.3 Content . By executing and delivering an Assignment and Acceptance, Lender and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Documents or the execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, this Agreement or any other Loan Documents or any other instrument or document furnished pursuant hereto or thereto; (ii) Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of Borrower or the performance or observance by Borrower of any of its obligations under any Loan Documents or any other instrument or document furnished pursuant thereto; (iii) such assignee confirms that it has received a copy of this Agreement, together with copies of such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement and the other Loan Documents; (v) such assignee appoints and authorizes Lender to take such action as agent on its behalf and to exercise such powers and discretion under the Loan Documents as are delegated to Lender by the terms hereof together with such powers and discretion as are reasonably incidental thereto; and (vi) such assignee agrees that it will perform, in accordance with their terms, all of the obligations which by the terms of this Agreement and the other Loan Documents are required to be performed by Lender.

Section 15.4 Register . Borrower shall maintain a copy of each Assignment and Acceptance delivered to and accepted by it and a register for the recordation of the names and addresses of Lender and each assignee pursuant to this Article XV and the Principal Amount of the Loan owing to each such assignee from time to time (the "**Register**"). The entries in the Register shall, with respect to such assignees, be conclusive and binding for all purposes, absent manifest error. The Register shall be available for inspection by Lender or any assignee pursuant to this Article XV at any reasonable time and from time to time upon reasonable prior written notice.

Section 15.5 Substitute Notes . Upon its receipt of an Assignment and Acceptance executed by an assignee, together with any Note or Notes subject to such assignment, Lender shall, if such Assignment and Acceptance has been completed and is in substantially the form of **Exhibit J** hereto, (i) accept such Assignment and Acceptance, (ii) record the information contained therein in the Register, and (iii) give prompt written notice thereof to Borrower. Within five (5) Business Days after its receipt of such notice, Borrower, at Lender's own expense, shall execute and deliver to Lender in exchange and substitution for the surrendered Note or Notes a new Note to the order of such assignee in an amount equal to the portion of the Loan assigned to it and a new Note to the order of Lender in an amount equal to the portion of the Loan retained by it hereunder. Such new Note or Notes shall be in an aggregate Principal Amount equal to the aggregate then outstanding principal amount of such surrendered Note or Notes, shall be dated the effective date of such Assignment and Acceptance and shall otherwise be in substantially the form of the Note (modified, however, to the extent necessary so as not to impose duplicative or increased obligations on Borrower and to delete obligations previously satisfied by Borrower). Notwithstanding the provisions of this Article XV , Borrower and Operating Lessee shall not be responsible or liable for any additional taxes, reserves, adjustments or other costs and expenses that are related to, or arise as a result of, any transfer of the Loan or any interest or participation therein that arise solely and exclusively from the transfer of the Loan or any interest or participation therein or from the execution of the new Note contemplated by this Section 15.5 , including, without limitation, any mortgage tax. Lender and/or the assignees, as the case may be, shall from time to time designate one agent through which Borrower shall request all approvals and consents required or contemplated by this Agreement and on whose statements Borrower, Operating Lessee and Guarantor may rely.

Section 15.6 Participations . Each assignee pursuant to this Article XV may sell participations to one or more Persons (other than Borrower or any of its Affiliates) in or to all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including, without limitation, all or a portion of the Note held by it); provided , however , that (i) such assignee's obligations under this Agreement and the other Loan Documents shall remain unchanged, (ii) such assignee shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) such assignee shall remain the holder of any such Note for all purposes of this Agreement and the other Loan Documents, and (iv) Borrower, Lender and the assignees pursuant to this Article XV shall continue to deal solely and directly with such assignee in connection with such assignee's rights and obligations under this Agreement and the other Loan Documents. In the event that more than one (1) party comprises Lender, Lender shall

designate one party to act on the behalf of all parties comprising Lender in providing approvals and all other necessary consents under the Loan Documents and on whose statements Borrower, Operating Lessee and Guarantor may rely.

Section 15.7 Disclosure of Information . Any assignee pursuant to this Article XV may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Article XV , disclose to the assignee or participant or proposed assignee or participant, any information relating to Borrower furnished to such assignee by or on behalf of Borrower; provided , however , that, prior to any such disclosure, the assignee or participant or proposed assignee or participant shall agree in writing for the benefit of Borrower to preserve the confidentiality of any confidential information received by it.

Section 15.8 Security Interest in Favor of Federal Reserve Bank . Notwithstanding any other provision set forth in this Agreement or any other Loan Document, any assignee pursuant to this Article XV may at any time create a security interest in all or any portion of its rights under this Agreement or the other Loan Documents (including, without limitation, the amounts owing to it and the Note or Notes held by it) in favor of any Federal Reserve Bank in accordance with Regulation A of the Board of Governors of the Federal Reserve System.

XVI. RESERVE ACCOUNTS

Section 16.1 Tax Reserve Account . In accordance with the time periods set forth in Section 3.1 , if an Event of Default shall have occurred and be continuing, if required under Section 3.1 , Borrower shall deposit into the Tax Reserve Account an amount equal to (a) one-twelfth of the annual Impositions that Lender reasonably estimates, based on the most recent tax bill for the Property, will be payable during the next ensuing twelve (12) months in order to accumulate with Lender sufficient funds to pay all such Impositions at least twenty (20) days prior to the imposition of any interest, charges or expenses for the non-payment thereof and (b) one-twelfth of the annual Other Charges that Lender reasonably estimates will be payable during the next ensuing twelve (12) months (said monthly amounts in (a) and (b) above hereinafter called the " **Monthly Tax Reserve Amount**", and the aggregate amount of funds held in the Tax Reserve Account being the "**Tax Reserve Amoun t** "). As of the Closing Date, the Monthly Tax Reserve Amount is $0.00, but such amount is subject to adjustment by Lender in accordance with the provisions of Section 3.1 and this Section 16.1 . The Monthly Tax Reserve Amount shall be paid by Borrower to Lender on each Payment Date during the continuance of an Event of Default to the extent required to be paid hereunder. Lender will apply the Monthly Tax Reserve Amount to payments of Impositions and Other Charges required to be made by Borrower pursuant to Article V and Article VII and under the Security Instrument, subject to Borrower's right to contest Impositions in accordance with Section 7.3 . In making any payment relating to the Tax Reserve Account, Lender may do so according to any bill, statement or estimate procured from the appropriate public office, without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of funds in the Tax Reserve Account shall exceed the amounts due for Impositions and Other Charges pursuant to Article V and Article VII , Lender shall credit such excess against future payments to be made to the Tax Reserve Account. If at any time Lender reasonably determines that the Tax Reserve Amount is not or will not be

sufficient to pay Impositions and Other Charges by the dates set forth above, Lender shall notify Borrower of such determination and Borrower shall increase its monthly payments to Lender by the amount that Lender reasonably estimates is sufficient to make up the deficiency at least thirty (30) days prior to the imposition of any interest, charges or expenses for the non-payment of the Impositions and Other Charges. Upon payment of the Impositions and Other Charges, Lender shall reassess the amount necessary to be deposited in the Tax Reserve Account for the succeeding period, which calculation shall take into account any excess amounts remaining in the Tax Reserve Account.

Section 16.2 Insurance Reserve Account . If an Event of Default shall have occurred and be continuing and if required as provided in Section 3.1 hereof, Borrower will immediately pay to Lender for transfer by Lender to the Holding Account (or if Borrower fails to so pay Lender, Lender will transfer from the Holding Account) an amount (the "**Insurance Reserve Amount**") equal to payments of insurance premiums required to be made by Borrower to pay (or to reimburse Borrower or Operating Lessee for) the insurance required pursuant to Article VI and under the Security Instrument in accordance with the time periods set forth in Section 3.1 , an amount equal to one-twelfth of the insurance premiums that Lender reasonably estimates based on the most recent bill, will be payable for the renewal of the coverage afforded by the insurance policies upon the expiration thereof in order to accumulate with Lender sufficient funds to pay all such insurance premiums at least twenty (20) days prior to the expiration of the policies required to be maintained by Borrower pursuant to the terms hereof (said monthly amounts hereinafter called the "**Monthly Insurance Reserve Amount**"); provided, however, that immediately following an Insurance Reserve Trigger, Borrower will pay to Lender for transfer by Lender to the Insurance Reserve Account (or if Borrower fails to so pay Lender, Lender will transfer from the Holding Account) an amount equal to payments of insurance premiums required to be made by Borrower to pay (or to reimburse Borrower or Operating Lessee) for the insurance required pursuant to Article VI and under the Security Instrument. As of the Closing Date, the Monthly Insurance Reserve Amount is $0.00. The Monthly Insurance Reserve Amount, if same is payable pursuant to Section 3.1 and this Section 16.2 , shall be paid by Borrower to Lender on each Payment Date. Lender will apply the Monthly Insurance Reserve Amount to payments of insurance premiums required to be made by Borrower to pay for the insurance required pursuant to Article VI and under the Security Instrument. In making any payment relating to the Insurance Reserve Account, Lender may do so according to any bill, statement or estimate procured from the insurer or agent, without inquiry into the accuracy of such bill, statement or estimate or into the validity thereof. If at any time Lender reasonably determines that the Insurance Reserve Amount is not or will not be sufficient to pay insurance premiums (up to a maximum amount equal to the aggregate annual insurance premium required hereunder), Lender shall notify Borrower of such determination and Borrower shall increase the Insurance Reserve Amount by the amount that Lender reasonably estimates is sufficient to make up the deficiency at least thirty (30) days prior to expiration of the applicable insurance policies. Upon payment of such insurance premiums, Lender shall reassess the amount necessary to be deposited in the Insurance Reserve Account for the succeeding period, which calculation shall take into account any excess amounts remaining in the Insurance Reserve Account.

Section 16.3 Intentionally Deleted .

Section 16.4 FF&E Reserve Account . In accordance with Section 3.1 , and during any period when Manager is not reserving for FF&E pursuant to the terms of the Management Agreement, upon the request of Borrower, Lender will, within fifteen (15) Business Days (or such shorter time as may be appropriate in Lender's reasonable discretion during emergency situations identified to Lender by Borrower in writing) after the receipt of such request and the satisfaction of the other conditions set forth in this Section, cause disbursements to Operating Lessee from the FF&E Reserve Account to pay or to reimburse Operating Lessee or Manager for actual costs incurred in connection with capital expenditures relating to FF&E at the Property (to the extent such expenditures are permitted hereunder), provided that (A) Lender has received invoices evidencing that the costs for which such disbursements are requested are due and payable and are in respect of capital expenditures relating to FF&E at the property, (B) Operating Lessee has applied any amounts previously received by it in accordance with this Section for the expenses to which specific draws made hereunder relate and received any Lien waivers or other releases which would customarily be obtained with respect to the work in question and (C) Lender has received an Officer's Certificate confirming that the conditions in the foregoing clauses (A) and (B) have been satisfied and that the copies of invoices and evidence of Lien waivers (to the extent required above) attached to such Officer's Certificate are true, complete and correct.

Section 16.5 Letter of Credit Provisions .

16.5.1 Delivery of Letter of Credit . In lieu of maintaining on deposit all or any portion of the funds in the FF&E Reserve Account with Lender pursuant to Section 16.4 , Borrower shall have the right to deliver a Letter of Credit in the amount of all or any portion of the amounts on deposit with Lender from time to time under Sections 16.4 .

16.5.2 Reduction of Letter of Credit . In the event that Borrower elects to deliver the Letter of Credit to Lender under the terms of Section 16.4.1 , Lender agrees to permit the reduction from time to time of the outstanding amount of the Letter of Credit by (i) the amount of cash funds delivered to Lender as reserve funds by Borrower in place of such Letter of Credit, and (ii) the amount that Borrower would otherwise be entitled to receive as a disbursement from the applicable reserve account pursuant to Section 16.4 .

16.5.3 Security for Debt . Each Letter of Credit delivered under this Agreement shall be additional security for the payment of the Indebtedness. Upon the occurrence and during the continuance of an Event of Default, Lender shall have the right, at its option, to draw on any Letter of Credit and to apply all or any part thereof to the payment of the items for which such Letter of Credit was established or to apply each such Letter of Credit to payment of the Indebtedness in such order, proportion or priority as Lender may determine.

16.5.4 Additional Rights of Lender . In addition to any other right Lender may have to draw upon a Letter of Credit pursuant to the terms and conditions of this Agreement, Lender shall have the additional rights to draw in full any Letter of Credit: (a) if Lender has received a notice from the issuing bank that the Letter of Credit will not be renewed and a substitute Letter of Credit is not provided at least thirty (30) days prior to the date on which the outstanding Letter of Credit is scheduled to expire; (b) upon receipt of notice from the issuing bank that the Letter of Credit will be terminated (except if a substitute Letter of Credit is

provided); or (c) if Lender has received notice that the bank issuing the Letter of Credit shall cease to be an Approved Bank (unless an alternative Approved Bank issues an equivalent Letter of Credit within fifteen (15) days of Borrower's receipt of notice of same). Notwithstanding anything to the contrary contained in the above, Lender is not obligated to draw any Letter of Credit upon the happening of an event specified in (a), (b) or (c) above and shall not be liable for any losses sustained by Borrower due to the insolvency of the bank issuing the Letter of Credit if Lender has not drawn the Letter of Credit.

XVII. DEFAULTS

(b) Unless waived in writing by Lender, upon the occurrence and during the continuance of an Event of Default (other than an Event of Default described in clauses (a)(vi), (vii) or (viii) above) Lender may, without notice or demand, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, take such action that Lender deems advisable to protect and enforce its rights against Borrower and in the Property, including, without limitation, (i) declaring immediately due and payable the entire Principal Amount together with interest thereon and all other sums due by Borrower under the Loan Documents, (ii) collecting interest on the Principal Amount at the Default Rate whether or not Lender elects to accelerate the Note and (iii) enforcing or availing itself of any or all rights or remedies set forth in the Loan Documents against Borrower and the Property, including, without limitation, all rights or remedies available at law or in equity; and upon any Event of Default described in subsections (a)(vi) or (a)(vii) above, the Indebtedness and all other obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable, without notice or demand, and Borrower hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding. The foregoing provisions shall not be construed as a waiver by Lender of its right to pursue any other remedies available to it under this Agreement, the Security Instrument or any other Loan Document. Any payment hereunder may be enforced and recovered in whole or in part at such time by one or more of the remedies provided to Lender in the Loan Documents.

Section 17.2 Remedies . (a) Unless waived in writing by Lender, upon the occurrence and during the continuance of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Indebtedness shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to the Property. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender shall not be subject to any one action or election of remedies law or rule and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and

effect until Lender has exhausted all of its remedies against the Property and the Security Instrument has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Indebtedness or the Indebtedness has been paid in full.

(b) Upon the occurrence and during the continuance of an Event of Default, with respect to the Account Collateral, the Lender may:

(i) subject to the terms of the Subordination of Operating Lease and/or Manager Subordination Agreements, without notice to Borrower, except as required by law, and at any time or from time to time, charge, set-off and otherwise apply all or any part of the Account Collateral against the Obligations, Operating Expenses and/or Capital Expenditures for the Property or any part thereof;

(ii) in Lender's sole discretion, at any time and from time to time, exercise any and all rights and remedies available to it under this Agreement, and/or as a secured party under the UCC;

(iii) subject to the terms of the Subordination of Operating Lease and/or Manager Subordination Agreements, demand, collect, take possession of or receipt for, settle, compromise, adjust, sue for, foreclose or realize upon the Account Collateral (or any portion thereof) as Lender may determine in its sole discretion; and

(iv) take all other actions provided in, or contemplated by, this Agreement.

(c) With respect to Borrower, the Account Collateral, the Rate Cap Collateral and the Property, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to the Property for the satisfaction of any of the Indebtedness, and Lender may seek satisfaction out of the Property or any part thereof, in its absolute discretion in respect of the Indebtedness. In addition, Lender shall have the right from time to time to partially foreclose this Agreement and the Security Instrument in any manner and for any amounts secured by this Agreement or the Security Instrument then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal or interest, Lender may foreclose this Agreement and the Security Instrument to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose this Agreement and the Security Instrument to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by this Agreement or the Security Instrument as Lender may elect. Notwithstanding one or more partial foreclosures, the Property shall remain subject to this Agreement and the Security Instrument to secure payment of sums secured by this Agreement and the Security Instrument and not previously recovered.

Section 17.3 Remedies Cumulative; Waivers . The rights, powers and remedies of Lender under this Agreement and the Security Instrument shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or

otherwise. Lender's rights, powers and remedies may be pursued singly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower or Guarantor shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or Guarantor or to impair any remedy, right or power consequent thereon.

Section 17.4 Costs of Collection . In the event that after an Event of Default: (i) the Note or any of the Loan Documents is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding; (ii) an attorney is retained to represent Lender in any bankruptcy, reorganization, receivership, or other proceedings affecting creditors' rights and involving a claim under the Note or any of the Loan Documents; or (iii) an attorney is retained to protect or enforce the lien or any of the terms of this Agreement, the Security Instrument or any of the Loan Documents; then Borrower shall pay to Lender all reasonable attorney's fees, costs and expenses actually incurred in connection therewith, including costs of appeal, together with interest on any judgment obtained by Lender at the Default Rate.

Any cost and expenses due and payable to Lender may be paid from any amounts in the Collection or the Holding Account if same are not paid by Borrower within ten (10) Business Days after receipt of written notice from Lender.

(b) Subject to the non-recourse provisions of Section 18.1 , Borrower shall protect, indemnify and save harmless Lender, and all officers, directors, stockholders, members, partners, employees, agents, successors and assigns thereof (collectively, the Indemnified Parties) from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses (including all reasonable attorneys' fees and expenses actually incurred)

imposed upon or incurred by or asserted against the Indemnified Parties or the Property or any part of its interest therein, by reason of the occurrence or existence of any of the following (to the extent Proceeds payable on account of the following shall be inadequate; it being understood that in no event will the Indemnified Parties be required to actually pay or incur any costs or expenses as a condition to the effectiveness of the foregoing indemnity) prior to (i) the acceptance by Lender or its designee of a deed-in-lieu of foreclosure with respect to the Property, or (ii) an Indemnified Party or its designee taking possession or control of the Property or (iii) the foreclosure of the Security Instrument, except to the extent caused by the willful misconduct or gross negligence of the Indemnified Parties (other than such willful misconduct or gross negligence imputed to the Indemnified Parties because of their interest in the Property): (1) ownership of Borrower's interest in the Property, or any interest therein, or receipt of any Rents or other sum therefrom, (2) any accident, injury to or death of any persons or loss of or damage to property occurring on or about the Property or any Appurtenances thereto, (3) any design, construction, operation, repair, maintenance, use, non-use or condition of the Property or Appurtenances thereto, including claims or penalties arising from violation of any Legal Requirement or Insurance Requirement, as well as any claim based on any patent or latent defect, whether or not discoverable by Lender, any claim the insurance as to which is inadequate, and any Environmental Claim, (4) any Default under this Agreement or any of the other Loan Documents or any failure on the part of Borrower to perform or comply with any of the terms of any Lease within the applicable notice or grace periods, (5) any performance of any labor or services or the furnishing of any materials or other property in respect of the Property or any part thereof, (6) any negligence or tortious act or omission on the part of Borrower or any of its agents, contractors, servants, employees, sublessees, licensees or invitees, (7) any contest referred to in Section 7.3 hereof, (8) any obligation or undertaking relating to the performance or discharge of any of the terms, covenants and conditions of the landlord contained in the Leases, or (9) except as may be expressly limited herein, the presence at, in or under the Property or the Improvements of any Hazardous Materials in violation of any Environmental Law. Any amounts the Indemnified Parties are legally entitled to receive under this Section which are not paid within fifteen (15) Business Days after written demand therefor by the Indemnified Parties or Lender, setting forth in reasonable detail the amount of such demand and the basis therefor, shall bear interest from the date of demand at the Default Rate, and shall, together with such interest, be part of the Indebtedness and secured by the Security Instrument. In case any action, suit or proceeding is brought against the Indemnified Parties by reason of any such occurrence, Borrower shall at Borrower's expense resist and defend such action, suit or proceeding or will cause the same to be resisted and defended by counsel at Borrower's reasonable expense for the insurer of the liability or by counsel designated by Borrower (unless reasonably disapproved by Lender promptly after Lender has been notified of such counsel); provided , however , that nothing herein shall compromise the right of Lender (or any Indemnified Party) to appoint its own counsel at Borrower's expense for its defense with respect to any action which in its reasonable opinion presents a conflict or potential conflict between Lender and Borrower that would make such separate representation advisable; provided , further , that if Lender shall have appointed separate counsel pursuant to the foregoing, Borrower shall not be responsible for the expense of additional separate counsel of any Indemnified Party unless in the reasonable opinion of Lender a conflict or potential conflict exists between such Indemnified Party and Lender. So long as Borrower is resisting and defending such action, suit or proceeding as provided above in a prudent and commercially reasonable manner, Lender and the Indemnified Parties shall not be

entitled to settle such action, suit or proceeding without Borrower's consent which shall not be unreasonably withheld, delayed or conditioned, and claim the benefit of this Section with respect to such action, suit or proceeding and Lender agrees that it will not settle any such action, suit or proceeding without the consent of Borrower; provided , however , that if Borrower is not diligently defending such action, suit or proceeding in a prudent and commercially reasonable manner as provided above, and Lender has provided Borrower with thirty (30) days' prior written notice, or shorter period if mandated by the requirements of applicable law, and opportunity to correct such determination, Lender may settle such action, suit or proceeding and claim the benefit of this Section 19.12 with respect to settlement of such action, suit or proceeding. Any Indemnified Party will give Borrower prompt notice after such Indemnified Party obtains actual knowledge of any potential claim by such Indemnified Party for indemnification hereunder. The Indemnified Parties shall not settle or compromise any action, proceeding or claim as to which it is indemnified hereunder without notice to Borrower.

Section 19.13 Exhibits and Schedules Incorporated . The Exhibits and Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 19.14 Offsets, Counterclaims and Defenses . Any assignee of Lender's interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

Section 19.15 Liability of Assignees of Lender . No assignee of Lender shall have any personal liability, directly or indirectly, under or in connection with this Agreement or any other Loan Document or any amendment or amendments hereto made at any time or times, heretofore or hereafter, any different than the liability of Lender hereunder. In addition, no assignee shall have at any time or times hereafter any personal liability, directly or indirectly, under or in connection with or secured by any agreement, lease, instrument, encumbrance, claim or right affecting or relating to the Property or to which the Property is now or hereafter subject any different than the liability of Lender hereunder. The limitation of liability provided in this Section 19.15 is (i) in addition to, and not in limitation of, any limitation of liability applicable to the assignee provided by law or by any other contract, agreement or instrument, and (ii) shall not apply to any assignee's gross negligence or willful misconduct.

Section 19.16 No Joint Venture or Partnership; No Third Party Beneficiaries . (a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Property other than that of mortgagee, beneficiary or lender.

(b) This Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

Section 19.17 Publicity . All news releases, publicity or advertising by Borrower or its Affiliates through any media intended to reach the general public which refers to the Loan Documents or the financing evidenced by the Loan Documents, to Lender, or any of its Affiliates shall be subject to the prior written approval of Lender.

Section 19.18 Waiver of Marshalling of Assets . To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's shareholders and others with interests in Borrower and of the Property, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Property for the collection of the Indebtedness without any prior or different resort for collection or of the right of Lender to the payment of the Indebtedness out of the net proceeds of the Property in preference to every other claimant whatsoever.

Section 19.19 Waiver of Counterclaim and Other Actions . Borrower hereby expressly and unconditionally waives, in connection with any suit, action or proceeding brought by Lender on this Agreement, the Note, the Security Instrument or any Loan Document, any and every right it may have to (i) interpose any counterclaim therein (other than a counterclaim which can only be asserted in the suit, action or proceeding brought by Lender on this Agreement, the Note, the Security Instrument or any Loan Document and cannot be maintained in a separate action) and (ii) have any such suit, action or proceeding consolidated with any other or separate suit, action or proceeding.

Section 19.20 Conflict; Construction of Documents; Reliance . In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents, the provisions of this Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under

any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

Section 19.21 Prior Agreements . This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, are superseded by the terms of this Agreement and the other Loan Documents and unless specifically set forth in a writing contemporaneous herewith the terms, conditions and provisions of any and all such prior agreements do not survive execution of this Agreement.

Section 19.22 Counterparts . This Agreement may be executed in multiple counterparts, each of which shall constitute an original, but all of which shall constitute one document.

Section 19.23 Joint and Several Liability . If Borrower or Guarantor consists of more than one person, the obligations and liabilities of each such person hereunder and under the other Loan Documents shall be joint and several.

Set forth below is language to be included in the organizational documents of corporations, limited partnerships and limited liability companies to evidence such entities' existence as bankruptcy remote, special purpose entities.

I. CORPORATION

If the Single Purpose Entity is a corporation, its certificate of incorporation will have to have the following provisions to be considered a special purpose entity:

A. Purpose

The corporation's purpose should be limited to owning and operating the mortgaged property (or interests in the Borrower).

"Notwithstanding any provision hereof or of any other document governing the formation, management or operation of the Corporation to the contrary, the following shall govern: The nature of the business and of the purposes to be conducted and promoted by the Corporation, is to engage solely in the following activities:

"Notwithstanding any provision hereof or of any other document governing the formation, management or operation of the Corporation to the contrary, the following shall govern: The Corporation shall only incur indebtedness in an amount necessary to acquire, operate and maintain the [Property] [use other term for the real estate if necessary]. For so long as a mortgage lien exists on the [Property] [use other term for the real estate if necessary], (ii) no amendment to this certificate of incorporation or to the Corporation's By Laws may be made without first obtaining approval of the mortgagee holding a first mortgage lien on the [Property] [use other term for the real estate if necessary] and (ii) the Corporation shall not dissolve, terminate or liquidate."

"The Board of Directors may not take any action requiring the unanimous affirmative vote of 100% of the members of the Board of Directors unless all directors including the Independent Directors shall have participated in such vote."

"Notwithstanding any provision hereof or of any other document governing the formation, management or operation of the Corporation to

the contrary, the following shall govern: Any indemnification shall be fully subordinated to any obligations respecting the [Property] [use other term for the real estate if necessary] and shall not constitute a claim against the Corporation in the event that cash flow is insufficient to pay such obligations."

D. Separateness Covenants

In order to demonstrate that it is a bankruptcy remote entity not at risk of having its assets substantively consolidated with those of another entity, the corporation must observe certain covenants designed to make evident the special purpose entity's separateness from its affiliates.

"Notwithstanding any provision hereof or of any other document governing the formation, management or operation of the Corporation to the contrary, the following shall govern: For so long as any mortgage lien exists on the [Property] [use other term for the real estate if necessary], in order to preserve and ensure its separate and distinct corporate identity, in addition to the other provisions set forth in this certificate of incorporation, the Corporation shall conduct its affairs in accordance with the following provisions:

1. It shall establish and maintain an office through which its business shall be conducted separate and apart from those of its parent and any affiliate and shall allocate fairly and reasonably any overhead for shared office space.

2. It shall maintain separate corporate records and books of account from those of its parent and any affiliate.

3. Its Board of Directors shall hold appropriate meetings (or act by unanimous consent) to authorize all appropriate corporate actions, and in authorizing such actions, shall observe all corporate formalities. The Board of Directors shall include at least two (2) individuals who are Independent Directors. As used herein, an " Independent Director" shall mean an individual who shall not have been at the time of such individual's appointment, and may not have been at any time (i) a partner, member, shareholder of, or an officer or employee of, the Corporation or any of its respective partners, members, shareholders, subsidiaries or affiliates, (ii) a customer of, or supplier to, the Corporation or managing member of the Corporation or any of their respective partners, members, shareholders, subsidiaries or affiliates, (iii) a person controlling any such partner, member, shareholder, supplier or customer, or (iv) a member of the immediate family of any such shareholder, officer, employee, supplier or customer of any other director of the Corporation or of the managing member of the Corporation. 4. It shall not commingle assets with those of its parent and any affiliate.

5. It shall conduct its own business in its own name.

6. It shall maintain financial statements separate from its parent and any affiliate.

7. It shall pay any liabilities out of its own funds, including salaries of any employees, not funds of its parent or any affiliate.

8. It shall maintain an arm's length relationship with its parent and any affiliate.

11. It shall not acquire obligations or securities of its partners, members or shareholders.

12. It shall use stationery, invoices and checks separate from its parent and any affiliate.

13. It shall not pledge its assets for the benefit of any other entity, including its parent and any affiliate or make any loans or advances to any other person.

administrative, legal or accounting services from this corporation, its parent or any affiliate. For purposes of this definition, "control" when used with respect to any specified person, means the power to direct the management and policies of such person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise; and the terms "controlling" and "controlled" have meanings correlative to the foregoing.

"parent" means, with respect to a corporation, any other corporation owning or controlling, directly or indirectly, fifty percent (50%) or more of the voting stock of the Corporation.

"person" means any individual, corporation, partnership, limited liability company, joint venture, association, joint stock company, trust (including any beneficiary thereof), unincorporated organization, or government or any agency or political subdivision thereof.

II. LIMITED PARTNERSHIP

If the Single Purpose Entity is a limited partnership, to be a special purpose entity, all of its general partners shall be special purpose entities. If such limited partnership has more than one general partner, then such limited partnership shall continue (and not dissolve) for so long as a solvent general partner exists. Consequently, both the limited partnership's partnership agreement and the certificate of incorporation of its general partner(s) will have to meet certain requirements to be considered special purpose entities. Such requirements are as follows:

A. Limited Partnership Agreement

a. Purpose

For purpose of this Article __ , the following terms shall have the following meanings:

"affiliate" means any person controlling or controlled by or under common control with the parent, including, without limitation (i) any person who has a familial relationship, by blood, marriage or otherwise with any director, officer or employee of the Corporation, its parent, or any affiliate thereof and (ii) any person which receives compensation for administrative, legal or accounting services from this corporation, its parent or any affiliate. For purposes of this definition, "control" when used with respect to any specified person, means the power to direct the management and policies of such person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise; and the terms "controlling" and "controlled" have meanings correlative to the foregoing.

"parent" means, with respect to a corporation, any other corporation owning or controlling, directly or indirectly, fifty percent (50%) or more of the voting stock of the Corporation.

"person" means any individual, corporation, partnership, limited liability company, joint venture, association, joint stock company, trust (including any beneficiary thereof), unincorporated organization, or government or any agency or political subdivision thereof.

e. Voting

When voting on matters concerning the limited liability company, notwithstanding that the limited liability company is not then insolvent, the Corporation must take into account the interest of the Limited Liability Company's creditors, as well as those of its members.

"Notwithstanding any provision hereof or of any other document governing the formation, management or operation of the Corporation to the contrary, the following shall govern: When voting on matters concerning the Limited Liability Company, notwithstanding that the Limited Liability Company is not then insolvent, the Corporation shall take into account the interest of the Limited Liability Company's creditors, as well as those of its members."

IV. OTHER STRUCTURES

The foregoing provisions do not exhaustively contemplate all ownership structures for a mortgaged property. Situations involving ownership structures not specifically contemplated by the provisions set forth on this Exhibit C shall nevertheless require Single Purpose Entities substantively to comply with the requirements to these provisions, modified as appropriate to accommodate the ownership structure in question.

EXHIBIT D

ENFORCEABILITY OPINION REQUIREMENTS

1. The Opinion shall be delivered on the Closing Date and shall satisfy all applicable requirements of the Rating Agencies in relation thereto.

2. The Opinion shall be given by a professional law firm selected by Borrower and reasonably acceptable to Lender.

3. The Opinion shall be in form and substance acceptable to Lender and shall be given in relation to Borrower, Guarantor, Manager and any other relevant party to the Loan (each a " Loan Party"). Depending on the nature of the transaction, the Opinion shall address the applicable law of the State of New York, the State where the Property is located and each State where any Loan Party is organized (collectively, the "Relevant States"). To the extent that the Property is located in a jurisdiction outside of the State of New York and/or any Loan Party is organized under a jurisdiction outside the States of New York or Delaware, the appropriate opinions below should be given by local counsel. The Opinion shall be given on the basis of an examination of an executed original of each completed Loan Document in addition to such other documents or instruments counsel deems relevant.

4. The Opinion shall contain the following opinions:

Opinions with respect to the law of the State of Formation or Organization of the Loan Parties

(a) Each Loan Party is a [*Describe Legal Form*] duly organized, validly existing and in good standing under the laws of the State of [*State of Organization*] and is authorized to do business and in good standing in the State of [*State of Organization*].

(b) Each Loan Party has the requisite power to own its properties and to carry on its business as now being conducted and to enter into the transactions covered by the Loan Documents.

(c) The execution and delivery by each Loan Party of each Loan Document to which it is a party has been duly authorized by all necessary partnership, company and/or corporate action, as applicable. To the extent a party thereto, the Loan Documents have been duly executed and delivered by each Loan Party.

(d) The execution, delivery and performance by each Loan Party of the Loan Documents to which it is a party does not:

(i) conflict with or result in a breach of any of the terms, conditions or provisions of, or constitute a default under, the partnership agreement, partnership certificate, articles of incorporation, by-laws, trust agreement or trust certificate, as applicable, of such Loan Party;

(ii) contravene any law, statute or regulation of the United States of America or the *[State of Organization]* or any agency or political subdivision of either thereof;

(iii) violate any order, writ, injunction, or decree of which, after due inquiry, counsel has actual knowledge, issued by any court or governmental authority of the United States of America or the *[State of Organization]* or any agency or political subdivision of either thereof to which such Loan Party is subject; or

(iv) conflict with or result in any breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any lien other than the lien of the Loan Documents upon any of the assets or properties of such Loan Party pursuant to the terms of any material indenture, mortgage, deed of trust, agreement, contract or instrument to which such Loan Party is a party or by which it or any of its assets or properties is bound.

(e) No order, consent, approval, license or authorization of, or filing, recording or registration with, any governmental or public body or authority of the United States of America or the State of *[Relevant State]* or any agency or political subdivision of either thereof is required in connection with the execution and delivery of any of the Loan Documents, the validity, binding effect or enforceability of any of the Loan Documents or the consummation of the transactions contemplated thereby.

(f) There are no actions, suits or proceedings by or before any court, governmental or regulatory authority or agency of which, after due inquiry, we have actual knowledge pending or threatened against or affecting any Loan Party or Borrower's rights with respect to the Property wherein an adverse ruling or decision, individually or collectively with other such actions, suits or proceedings, is reasonably likely (i) to affect materially and adversely the ability of any Loan Party to consummate the transactions contemplated by the Loan Documents or to perform its obligations under any of the Loan Documents, or (ii) to result in a challenge to the legality, validity, binding effect or enforceability of any of the Loan Documents.

(g) To the extent the State of *[State of Organization]* UCC is applicable to the authorization of the Financing Statement, pursuant to the provisions of the Loan Agreement and the Security Instrument, Borrower has authorized the filing of the Financing Statement for purposes of Section 9-509 of the State of *[State of Organization]* UCC.

(h) To the extent the State of *[State of Organization]* UCC is applicable, the financing Statement includes not only all of the types of information required by Section 9-502(a) of the State of *[State of Organization]* UCC but also the types of information without which the Filing Office may refuse to accept the Financing Statement pursuant to Section 9-516 of the State of *[State of Organization]* UCC.

(i) To the extent the State of *[State of Organization]* UCC is applicable, the security interest of the Secured Party will be perfected in Borrower's rights in all UCC Collateral upon the later of the attachment of the security interest and the filing of the Financing Statement in the Filing Office; provided, however, we express no opinion with respect to (i) money, (ii) deposit accounts, (iii) letter of credit rights, (iv) goods covered by a certificate of title statute,

(v) as-extracted collateral, timber to be cut, or (vi) any property subject to a statute, regulation or treaty of the United States whose requirements for a security interest's obtaining priority over the rights of a lien creditor with respect to the property preempt Section 9-3 10(a) of the State of *[State of Organization]*."UCC Collateral" means the portion of the Property (as defined in the Security Instrument), the Rate Cap Collateral, the Account Collateral (as defined in the Loan Agreement) and the Collateral Accounts (as defined in the Account Agreement) to the extent the UCC governs a security interest in such collateral.

(j) You have asked whether Borrower is a "registered organization" as such term is defined in Section 9-1 02(a)(70) of the State of *[State of Organization]* UCC. Pursuant to Section 9-102(a)(70) of the State of *[State of Organization]* UCC, a "registered organization" must be (i) organized solely under the laws of a single State (or the United States) and (ii) the State (or the United States) must maintain a public record showing the organization to have been organized.

Opinions with respect to New York Law

(a) To the extent governed by New York law and to the extent a party thereto, the Loan Documents are the legal, valid and binding obligations of each Loan Party, enforceable against such Loan Party in accordance with their terms.

(b) The execution, delivery and performance by each Loan Party of the Loan Documents to which it is a party does not:

(i) contravene any law, statute or regulation of the United States of America or the State of New York or any agency or political subdivision of either thereof;

(ii) violate any order, writ, injunction, or decree of which, after due inquiry, counsel has actual knowledge, issued by any court or governmental authority of the United States of America or the State of New York or any agency or political subdivision of either thereof to which such Loan Party is subject; or

(iii) conflict with or result in any breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any lien other than the lien of the Loan Documents upon any of the assets or properties of such Loan Party pursuant to the terms of any material indenture, mortgage, deed of trust, agreement, contract or instrument to which such Loan Party is a party or by which it or any of its assets or properties is bound.

(c) No order, consent, approval, license or authorization of, or filing, recording or registration with, any governmental or public body or authority of the United States of America or the State of New York or any agency or political subdivision of either thereof is required in connection with the execution and delivery of any of the Loan Documents, the validity, binding effect or enforceability of any of the Loan Documents or the consummation of the transactions contemplated thereby.

(d) There are no actions, suits or proceedings by or before any court, governmental or regulatory authority or agency of which, after due inquiry, we have actual

knowledge pending or threatened against or affecting any Loan Party or Borrower's rights with respect to the Property wherein an adverse ruling or decision, individually or collectively with other such actions, suits or proceedings, is reasonably likely (i) to affect materially and adversely the ability of any Loan Party to consummate the transactions contemplated by the Loan Documents or to perform its obligations under any of the Loan Documents, or (ii) to result in a challenge to the legality, validity, binding effect or enforceability of any of the Loan Documents.

(e) The payment by Borrower and receipt by Lender of all principal and interest will not violate the usury laws of the State of New York or otherwise constitute unlawful interest.

(f) The provisions of the Loan Agreement and the Security Instrument are effective to create, in favor of Lender to secure the obligations purported to be secured thereby, a valid security interest in Borrower's rights in the UCC Collateral.

(g) Under New York UCC, the provisions of the Account Agreement are effective to perfect the security interest of Lender in Borrower's rights in the Collateral Accounts (as defined in the Account Agreement).

Opinions with respect to the law of States in which the Property is located

(a) Each Loan Party is authorized to do business and in good standing in the State of [*Relevant State*].

(b) To the extent governed by the laws of the State of [*Relevant States*], the Security Instrument and the Assignment of Leases are the legal, valid and binding obligations of Borrower, enforceable against Borrower in accordance with their terms.

(c) The Security Instrument is in proper form so as to comply with recording requirements of the State of [*Relevant State*]. The Security Instrument creates in favor of Lender valid liens on the portion of the Property that are located in the State of [*Relevant States*], securing payment of the Obligations (as defined in the Security Instrument), and no further action will be required for the valid creation of such liens. Upon recordation in the office of the [*Recording Office*] the Security Instrument will provide constructive notice of the terms thereof and the liens created thereby to third parties acquiring interests in the portion of the Property that are located in the State of [*Relevant States*] subsequent to such recordation.

(d) The Assignment of Leases is in proper form so as to comply with the recording requirements of the State of [*Relevant States*]. At the time the Assignment of Leases is delivered to the Recording Office for recording, it will take effect as to all creditors and subsequent purchasers for a valuable consideration without notice, and it shall be entitled to priority over any other similar instrument delivered to said Recording Office for recording after that time, in the absence of actual notice.

(e) Pursuant to the provisions of the Security Instrument Borrower has authorized the filing of the Fixture Financing Statement identifying the Fixture Collateral for purposes of Section 9-509 of the [*Relevant States*] UCC. "Fixture Collateral " means that portion of the UCC Collateral which consists of "fixtures" (as defined in Article 9 of the UCC) to the extent the UCC governs a security interest in such collateral.

(f) The Fixture Financing Statement includes not only all the types of information required by Section 9-502(a) and 9-502(b) of the *[Relevant States]* UCC but also the types of information without which the Fixture Filing Office may refuse to accept the Fixture Financing Statement pursuant to Section 9-516 of the State of *[Relevant States]* UCC.

(g) Under the *[Relevant States]* UCC, the security interest of the Secured Party will be perfected in Borrower's rights in any Fixture Collateral located on the real property described on Schedule 1 to the Fixture Financing Statement upon the later of the attachment of the security interest and the filing of the Fixture Financing Statement in the Fixture Filing Office.

(h) Borrower has paid all recording tax due in connection with the recording of the Security Instrument and the Assignment of Leases. No additional deed of trust recording, intangibles tax, documentary stamp tax or similar taxes or charges, other than nominal recordation or filing fees, are required to be paid as a condition of the legality of enforceability of the Security Instrument or the Assignment of Leases.

(i) The State of [*Relevant States*] has no law pursuant to which a lien against any assets or properties of Borrower (whether real, personal, mixed, tangible or intangible) superior to the lien created by the Security Instrument could arise as a result of a violation of environmental laws or regulations of such State. No environmental law or regulation of the State of [*Relevant States*] would require any remedial or removal action or certification of nonapplicability as a condition to the granting of the Security Instrument, the foreclosure or other enforcement of the Loan Documents or the sale of any assets or properties of Borrower (whether real, personal, mixed, tangible or intangible) located in the State of [*Relevant States*].

(j) No order, consent, approval, license or authorization of, or filing, recording or registration with, any governmental or public body or authority of the United States of America or the State of *[Relevant States]* or any agency or political subdivision of either thereof is required in connection with the execution and delivery of any of the Loan Documents, the validity, binding effect or enforceability of any of the Loan Documents or the consummation of the transactions contemplated thereby.

(k) There are no actions, suits or proceedings by or before any court, governmental or regulatory authority or agency of which, after due inquiry, we have actual knowledge pending or threatened against or affecting any Loan Party or Borrower's rights with respect to the Property wherein an adverse ruling or decision, individually or collectively with other such actions, suits or proceedings, is reasonably likely (i) to affect materially and adversely the ability of any Loan Party to consummate the transactions contemplated by the Loan Documents or to perform its obligations under any of the Loan Documents, or (ii) to result in a challenge to the legality, validity, binding effect or enforceability of any of the Loan Documents

(l) If the Obligations (as defined in the Security Instrument) were to be governed by the laws of the State of *[Relevant States],* the payment by Borrower and receipt by Lender of all principal and interest will not violate the usury laws of the State of *[Relevant States]* or otherwise constitute unlawful interest.

(m) A federal court sitting in the State of *[Relevant States]* and applying the conflict of law rules of the State of *[Relevant States],* and the state courts in the State of *[Relevant States],* would give effect to the choice of law provisions contained in the Loan Documents. If counsel is not able to give this opinion as an unqualified opinion, an opinion that the Loan Agreement and Note would be enforceable under the law of the State of *[Relevant States]* if such law were held to apply will be required.

(n) The operation of any term of the Loan Documents, including, without limitation, the terms regarding late charges, default interest or prepayment premiums, or the lawful exercise of any right thereunder, shall not render the Loan Documents unenforceable, in whole or in part, or subject to any right of rescission, set-off, counterclaim or defense.

5. The Opinion shall be addressed to Lender and its successors and assigns and shall state that it may be relied upon by (i) any assignee of Lender's interest in the Loan, (ii) any servicer of the Loan, (iii) any purchaser of the Loan or any portion thereof in any Securitization, (iv) any Rating Agency involved in a Securitization of the Loan, (v) the issuer of securities in a Securitization of the Loan, and (vi) any trustee or servicer appointed in connection with a Securitization of the Loan.

EXHIBIT E

NON-CONSOLIDATION OPINION REQUIREMENTS

1. The Nonconsolidation Opinion shall be delivered on the Closing Date and shall satisfy all applicable requirements of the Rating Agencies in relation thereto.

2. The Nonconsolidation Opinion shall be given by a professional law firm selected by Borrower and reasonably acceptable to Lender.

3. The Nonconsolidation Opinion shall be in form and substance acceptable to Lender and shall be given in relation to both Borrower and any other SPE Entity relevant to the Loan. The Nonconsolidation Opinion shall identify each entity (a "Relevant Entity") which owns more than a 49% direct or indirect interest in either Borrower and/or such SPE Entity. Depending on the circumstances and nature of the transaction structure, a non-affiliated entity, such as a third party property manager, shall be included as a Relevant Entity if required by the Rating Agencies.

4. The Nonconsolidation Opinion shall state that, in the event that any Relevant Entity were to be a debtor in a case under the Bankruptcy Code, it is counsel's opinion that, under present reported decisional authority and statutes applicable to federal bankruptcy cases, in a properly presented and argued case, a court would not, in the proper exercise of its equitable discretion, disregard the separate existence of Borrower or any SPE Entity so as to order substantive consolidation under the Bankruptcy Code of the assets and liabilities of such Relevant Entity with the assets and liabilities of either Borrower or any SPE Entity and treat such assets and liabilities as though either Borrower and such Relevant Entity or any SPE Entity and such Relevant Entity were one entity.

5. The Nonconsolidation Opinion shall be addressed to Lender and its successors and assigns and shall state that it may be relied upon by (i) any assignee of Lender's interest in the Loan, (ii) any participant of Lender's interest in the Loan, (iii) any servicer of the Loan, (iv) any purchaser of the Loan or any portion thereof in any Securitization, (v) any Rating Agency involved in a Securitization of the Loan, (vi) the issuer of securities in a Securitization of the Loan, and (vii) any trustee or servicer appointed in connection with a Securitization of the Loan.

DELAWARE BANKRUPTCY OPINIONS

As a general rule, the following opinions are required with respect to any single-member Delaware limited liability companies (having independent members/managers) in the organizational structure:

1. An opinion of Delaware counsel that federal bankruptcy court would hold that Delaware law, and not federal law, governs the determination of what persons or entities have authority to file a voluntary bankruptcy petition on behalf of the limited liability company.

2. Opinions of Delaware counsel as follows:

a. The limited liability company agreement constitutes a legal, valid and binding agreement of its member, and is enforceable against such member, in accordance with its terms.

b. In order for a voluntary bankruptcy petition to be filed on behalf of the Company, the unanimous consent of all of the independent managers/members is required and the provision requiring such unanimous consent in the limited liability company agreement constitutes a legal, valid and binding agreement of the member, enforceable against the member, in accordance with its terms.

c. The bankruptcy or dissolution of the limited liability company's sole member will not, by itself, cause the limited liability company to be dissolved or its affairs to be wound up.

d. A judgment creditor of the member may not satisfy its claims against the member by asserting a claim against the assets of the limited liability company.

e. The limited liability company is a separate legal entity, and shall continue as such until the cancellation of the limited liability company certificate.

(c) All consents, authorizations and approvals required for the execution and delivery by Interest Rate Cap Guarantor of the Interest Rate Cap Guaranty, and any other agreement which Interest Rate Cap Guarantor has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been obtained and remain in full force and effect, all conditions thereof have been duly complied with, and no other action by, and no notice to or filing with any governmental authority or regulatory body is required for such execution, delivery or performance.

- "Cross Default" provision of Section 5(a)(vi) of the ISDA Master Agreement will not apply. Grace and cure periods in Section 5 of the ISDA Master Agreement will either (i) not apply or (ii) if applicable, any grace or cure periods must expire in time to ensure the availability of cap payments by cap provider on a timely basis for distribution to the holders of the rated securities.

    - Section 2(d)(ii) of the Cross Border Agreement must be amended to provide that there is no obligation by Borrower to make payments to the cap provider for any payments made by the cap provider without deduction for taxes (for which there is no obligation to gross up).

SUBORDINATION,
NON-DISTURBANCE AND ATTORNMENT AGREEMENT

THIS AGREEMENT made as of this___ day of_____, 200__ , between COLUMN FINANCIAL, INC., a Delaware corporation, having an address at 11 Madison Avenue, New York, New York 10010 (hereinafter called "Lender"), and_____, a_____, having an address at_____(hereinafter called "Tenant").

W I T N E S S E T H :

WHEREAS, by a lease (the " Original Lease") dated_____, 200__ between_____(hereinafter called "Landlord"), as landlord, and Tenant, as tenant, as amended by lease amendment[s] dated_____, 200__ , [_____, 200__ and_____, 200__] (the Original Lease, as so amended, is hereinafter the "Lease"), a memorandum of which Lease was dated_____and was recorded in_____in Reel_____ , Page___ , [add recording data for memoranda of amendments, if applicable], Landlord leased to Tenant certain premises located in _____(the "Premises") on the property described in Schedule "A" annexed hereto and made a part hereof (the "Property"); and

WHEREAS, Lender is about to make a loan to Landlord, which loan shall be secured by, among other things, a mortgage or deed of trust (which mortgage or deed of trust, and all amendments, renewals, increases, modifications, replacements, substitutions, extensions, spreaders and consolidations thereof and all re-advances thereunder and addictions thereto, is referred to as the "Security Instrument") encumbering the Property; and

WHEREAS, Lender and Tenant desire to confirm their understanding and agreement with respect to the Lease and the Security Instrument.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, Lender and Tenant hereby agree and covenant as follows:

1. The Lease, and all of the terms, covenants, provisions and conditions thereof (including, without limitation, any right of first refusal, right of first offer, option or any similar right with respect to the sale or purchase of the Property, or any portion thereof) is, shall be and shall at all times remain and continue to be subject and subordinate in all respects to the lien, terms, covenants, provisions and conditions of the Security Instrument and to all advances and re-advances made thereunder and all sums secured thereby. This provision shall be self-operative but Tenant shall execute and deliver any additional instruments which Lender may reasonably require to effect such subordination.

2. So long as (i) Tenant is not in default (beyond any period given in the Lease to Tenant to cure such default) in the payment of rent, percentage rent or additional rent or in the performance or observance of any of the other terms, covenants, provisions or conditions of the Lease on Tenant's part to be performed or observed, (ii) Tenant is not in default under this

Agreement and (iii) the Lease is in full force and effect: (a) Tenant's possession of the Premises and Tenant's rights and privileges under the Lease, or any extensions or renewals thereof which may be effected in accordance with any option therefor which is contained in the Lease, shall not be diminished or interfered with by Lender, and Tenant's occupancy of the Premises shall not be disturbed by Lender for any reason whatsoever during the term of the Lease or any such extensions or renewals thereof and (b) Lender will not join Tenant as a party defendant in any action or proceeding to foreclose the Security Instrument or to enforce any rights or remedies of Lender under the Security Instrument which would cut-off, destroy, terminate or extinguish the Lease or Tenant's interest and estate under the Lease (except to the extent required so that Tenant's right to receive or set-off any monies or obligations owed or to be performed by any of Lender's predecessors-in-interest shall not be enforceable thereafter against Lender or any of Lender's successors-in-interest). Notwithstanding the foregoing provisions of this paragraph, if it would be procedurally disadvantageous for Lender not to name or join Tenant as a party in a foreclosure proceeding with respect to the Security Instrument, Lender may so name or join Tenant without in any way diminishing or otherwise affecting the rights and privileges granted to, or inuring to the benefit of, Tenant under this Agreement.

3. (A) After notice is given by Lender that the Security Instrument is in default and that the rentals under the Lease should be paid to Lender, Tenant will attorn to Lender and pay to Lender, or pay in accordance with the directions of Lender, all rentals and other monies due and to become due to Landlord under the Lease or otherwise in respect of the Premises. Such payments shall be made regardless of any right of set-off, counterclaim or other defense which Tenant may have against Landlord, whether as the tenant under the Lease or otherwise.

(B) In addition, if Lender (or its nominee or designee) shall succeed to the rights of Landlord under the Lease through possession or foreclosure action, delivery of a deed or otherwise, or another person purchases the Property or the portion thereof containing the Premises upon or following foreclosure of the Security Instrument or in connection with any bankruptcy case commenced by or against Landlord, then at the request of Lender (or its nominee or designee) or such purchaser (Lender, its nominees and designees, and such purchaser, and their respective successors and assigns, each being a " Successor-Landlord"), Tenant shall attorn to and recognize Successor-Landlord as Tenant's landlord under the Lease and shall promptly execute and deliver any instrument that Successor-Landlord may reasonably request to evidence such attornment. Upon such attornment, the Lease shall continue in full force and effect as, or as if it were, a direct lease between Successor-Landlord and Tenant upon all terms, conditions and covenants as are set forth in the Lease. If the Lease shall have terminated by operation of law or otherwise as a result of or in connection with a bankruptcy case commenced by or against Landlord or a foreclosure action or proceeding or delivery of a deed in lieu, upon request of Successor-Landlord, Tenant shall promptly execute and deliver a direct lease. with Successor-Landlord which direct lease shall be on substantially the same terms and conditions as the Lease (subject, however, to the provisions of clauses (i)-(v) of this paragraph 3(B)) and shall be effective as of the day the Lease shall have terminated as aforesaid. Notwithstanding the continuation of the Lease, the attornment of Tenant thereunder or the execution of a direct lease between Successor-Landlord and Tenant as aforesaid, Successor-Landlord shall not:

(i) be liable for any previous act or omission of Landlord under the Lease;

(ii) be subject to any off-set, defense or counterclaim which shall have theretofore accrued to Tenant against Landlord;

(iii) be bound by any modification of the Lease or by any previous prepayment of rent or additional rent made more than one (1) month prior to the date same was due which Tenant might have paid to Landlord, unless such modification or prepayment shall have been expressly approved in writing by Lender;

(iv) be liable for any security deposited under the Lease unless such security has been physically delivered to Lender or Successor-Landlord; and

(v) be liable or obligated to comply with or fulfill any of the obligations of the Landlord under the Lease or any agreement relating thereto with respect to the construction of, or payment for, improvements on or above the Premises (or any portion thereof), leasehold improvements, tenant work letters and/or similar items.

4. Tenant agrees that without the prior written consent of Lender, it shall not (a) amend, modify, terminate or cancel the Lease or any extensions or renewals thereof, (b) tender a surrender of the Lease, (c) make a prepayment of any rent or additional rent more than one (l) month in advance of the due date thereof, or (d) subordinate or permit the subordination of the Lease to any lien subordinate to the Security Instrument. Any such purported action without such consent shall be void as against the holder of the Security Instrument.

5. (A) Tenant shall promptly notify Lender of any default by Landlord under the Lease and of any act or omission of Landlord which would give Tenant the right to cancel or terminate the Lease or to claim a partial or total eviction.

(B) In the event of a default by Landlord under the Lease which would give Tenant the right, immediately or after the lapse of a period of time, to cancel or terminate the Lease or to claim a partial or total eviction, or in the event of any other act or omission of Landlord which would give Tenant the right to cancel or terminate the Lease, Tenant shall not exercise such right (i) until Tenant has given written notice of such default, act or omission to Lender and (ii) unless Lender has failed, within sixty (60) days after Lender receives such notice, to cure or remedy the default, act or omission or, if such default, act or omission shall be one which is not reasonably capable of being remedied by Lender within such sixty (60) day period, until a reasonable period for remedying such default, act or omission shall have elapsed following the giving of such notice and following the time when Lender shall have become entitled under the Security Instrument to remedy the same (which reasonable period shall in no event be less than the period to which Landlord would be entitled under the Lease or otherwise, after similar notice, to effect such remedy), provided that Lender shall with due diligence give Tenant written notice of its intention to and shall commence and continue to, remedy such default, act or omission. If Lender cannot reasonably remedy a default, act or omission of Landlord until after Lender obtains possession of the Premises, Tenant may not terminate or cancel the Lease or claim a partial or total eviction by reason of such default, act or omission

until the expiration of a reasonable period necessary for the remedy after Lender secures possession of the Premises. To the extent Lender incurs any expenses or other costs in curing or remedying such default, act or omission, including, without limitation, attorneys' fees and disbursements, Lender shall be subrogated to Tenant's rights against Landlord.

(C) Notwithstanding the foregoing, Lender shall have no obligation hereunder to remedy such default, act or omission.

6. To the extent that the Lease shall entitle Tenant to notice of the existence of any mortgage and the identity of any mortgagee or any ground lessor, this Agreement shall constitute such notice to Tenant with respect to the Security Instrument and Lender.

7. Upon and after the occurrence of a default under the Security Instrument, which is not cured after any applicable notice and/or cure periods, Lender shall be entitled, but not obligated, to exercise the claims, rights, powers, privileges and remedies of Landlord under the Lease and shall be further entitled to the benefits of, and to receive and enforce performance of, all of the covenants to be performed by Tenant under the Lease as though Lender were named therein as Landlord.

8. Anything herein or in the Lease to the contrary notwithstanding, in the event that a Successor-Landlord shall acquire title to the Property or the portion thereof containing the Premises, Successor-Landlord shall have no obligation, nor incur any liability, beyond Successor-Landlord's then interest, if any, in the Property, and Tenant shall look exclusively to such interest, if any, of Successor-Landlord in the Property for the payment and discharge of any obligations imposed upon Successor-Landlord hereunder or under the Lease, and Successor-Landlord is hereby released or relieved of any other liability hereunder and under the Lease. Tenant agrees that, with respect to any money judgement which may be obtained or secured by Tenant against Successor-Landlord, Tenant shall look solely to the estate or interest owned by Successor-Landlord in the Property, and Tenant will not collect or attempt to collect any such judgement out of any other assets of Successor-Landlord.

9. Notwithstanding anything to the contrary in the Lease, Tenant agrees for the benefit of Landlord and Lender that, except as permitted by, and fully in accordance with, applicable law, Tenant shall not generate, store, handle, discharge or maintain in, on or about any portion of the Property, any asbestos, polychlorinated biphenyls, or any other hazardous or toxic materials, wastes and substances which are defined, determined or identified as such (including, but not limited to, pesticides and petroleum products if they are defined, determined or identified as such) in any federal, state or local laws, rules or regulations (whether now existing or hereafter enacted or promulgated) or any judicial or administrative interpretation of any thereof, including any judicial or administrative interpretation of any thereof, including any judicial or administrative orders or judgments.

10. If the Lease provides that Tenant is entitled to expansion space, Successor-Landlord shall have no obligation nor any liability for failure to provide such expansion space if a prior landlord (including, without limitation, Landlord), by reason of a lease or leases entered into by such prior landlord with other tenants of the Property, has precluded the availability of such expansion space.

11. Except as specifically provided in this Agreement, Lender shall not, by virtue of this Agreement, the Security Instrument or any other instrument to which Lender may be a party, be or become subject to any liability or obligation to Tenant under the Lease or otherwise.

12. (A) Tenant acknowledges and agrees that this Agreement satisfies and complies in all respects with the provisions of Article___ of the Lease and that this Agreement supersedes (but only to the extent inconsistent with) the provisions of such Article and any other provision of the Lease relating to the priority or subordination of the Lease and the interests or estates created thereby to the Security Instrument.

(B) Tenant agrees to enter into a subordination, non-disturbance and attornment agreement with any lender which shall succeed Lender as lender with respect to the Property, or any portion thereof, provided such agreement is substantially similar to this Agreement. Tenant does herewith irrevocably appoint and constitute Lender as its true and lawful attorney-in-fact in its name, place and stead to execute such subordination, non-disturbance and attornment agreement, without any obligation on the part of Lender to do so. This power, being coupled with an interest, shall be irrevocable as long as the Indebtedness secured by the Security Instrument remains unpaid. Lender agrees not to exercise its rights under the preceding two sentences if Tenant promptly enters into the subordination, non-disturbance and attornment agreement as required pursuant to the first sentence of this subparagraph (B).

13. (A) Any notice required or permitted to be given by Tenant to Landlord shall be simultaneously given also to Lender, and any right to Tenant dependent upon notice shall take effect only after notice is so given. Performance by Lender shall satisfy any conditions of the Lease requiring performance by Landlord, and Lender shall have a reasonable time to complete such performance as provided in Paragraph 5 hereof.

(B) All notices or other communications required or permitted to be given to Tenant or to Lender pursuant to the provisions of this Agreement shall be in writing and shall be deemed given only if mailed by United States registered mail, postage prepaid, or if sent by nationally recognized overnight delivery service (such as Federal Express or United States Postal Service Express Mail), addressed as follows: to Tenant, at the address first set forth above, Attention: _____; to Lender, at the address first set forth above, Attention:_____and General Counsel, with a copy to Cadwalader, Wickersham & Taft LLP, One World Financial Center, New York, New York 10281, Attention: Frederic L. Altschuler, Esq.; or to such other address or number as such party may hereafter designate by notice delivered in accordance herewith. All such notices shall be deemed given three (3) business days after delivery to the United States Post office registry clerk if given by registered mail, or on the next business day after delivery to an overnight delivery courier.

14. This Agreement may be modified only by an agreement in writing signed by the parties hereto, or their respective successors-in-interest. This Agreement shall inure to the benefit of and be binding upon the parties hereto, and their respective successors and assigns. The term "Lender" shall mean the then holder of the Security Instrument. The term "Landlord" shall mean the then holder of the landlord's interest in the Lease. The term " person" shall mean

All references herein to the Lease shall mean the Lease as modified by this Agreement and to any amendments or modifications to the Lease which are consented to in writing by Lender. Any inconsistency between the Lease and the provisions of this Agreement shall be resolved, to the extent of such inconsistency, in favor of this Agreement.

(f) To the best of Tenant's knowledge, there is no present assignment, hypothecation or pledge of the Lease or rents accruing under the Lease by Landlord, other than pursuant to the Security Instrument.

16. Whenever, from time to time, reasonably requested by Lender (but not more than three (3) times during any calendar year), Tenant shall execute and deliver to or at the direction of Lender, and without charge to Lender, one or more written certifications, in a form acceptable to Tenant, of all of the matters set forth in Paragraph 15 above, and any other information the Lender may reasonably require to confirm the current status of the Lease.

17. BOTH TENANT AND LENDER HEREBY IRREVOCABLY WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT.

The Treasurer shall have the custody of the Company funds and securities and shall keep full and accurate accounts of receipts and disbursements in books belonging to the Company and shall deposit all moneys and other valuable effects in the name and to the credit of the Company in such depositories as may be designated by the Board of

Directors. The Treasurer shall disburse the funds of the Company as may be ordered by the Board of Directors, taking proper vouchers for such disbursements, and shall render to the President and to the Board of Directors, at its regular meetings or when the Board of Directors so requires, an account of all of the Treasurer's transactions and of the financial condition of the Company. The Assistant Treasurer, or if there shall be more than one, the Assistant Treasurers, shall, in the absence of the Treasurer or in the event of the Treasurer's inability to act, perform the duties and exercise the powers of the Treasurer and shall perform such other duties and have such other powers as the Board of Directors may from time to time prescribe.

(c) Officers as Agents . The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Board of Directors not inconsistent with this Agreement or the Asset Management Agreement, are agents of the Company for the purpose of the Company's business and, the actions of the officers taken in accordance with such powers shall bind the Company.

Section 3.12 Tax Covenants . Notwithstanding anything to the contrary contained herein or in any other agreement between the parties hereto:

(a) The Company shall not engage in commercial activity as such term is defined in Section 892 of the Code.

(b) The Company shall take all actions necessary to ensure that the REIT Subsidiary does not pay dividends in 2007 or in 2008 in a manner that would result in the shareholders being treated as receiving such dividend in 2007 pursuant to Section 857(b)(9) of the Code; rather, the Company shall cause the REIT Subsidiary to declare and pay dividends after April 30, 2008 pursuant to Section 858 of the Code with respect to the 2007 taxable year.

(c) The Company will not incur any "effectively connected income" within the meaning of Section 864 of the Code.

(d) If the Company receives a properly executed Internal Revenue Service Form W-8EXP and for as long as such form is valid, the Company will not withhold any tax pursuant to Chapter 3 of the Code on any amounts accrued or payable to RECO, including with respect to capital gain dividends paid by the REIT Subsidiary.

(e) The Company acknowledges that the REIT Subsidiary is intended to qualify at all times as a "real estate investment trust" within the meaning of Section 856 of the Code. Accordingly, the Company shall use its commercially reasonable efforts to conduct the operations and otherwise administer the REIT Subsidiary at all times in a manner that will enable it to satisfy all the requirements for real estate investment trust status under Sections 856 through 860 of the Code, and to avoid, to the extent possible, the imposition of any entity-level federal or state income or excise taxes (other than income taxes imposed on any "taxable REIT subsidiary" of any REIT and other than excise tax pursuant to Section 858 of the Code on the dividend referred to in Section 3.12(b)).

In particular, the Company shall use commercially reasonable efforts to administer the REIT Subsidiary in accordance with the following limitations: (i) in no event shall any shareholder of the REIT Subsidiary be required to contribute funds to the REIT Subsidiary in order to permit the REIT Subsidiary to satisfy the foregoing distribution requirement; and (ii) the SHR shall use commercially reasonable efforts to cause the REIT Subsidiary not to engage in any "prohibited transactions" within the meaning of Section 857(b)(6)(B)(iii) of the Code. If the REIT Subsidiary's available funds are insufficient to meet the foregoing distribution requirement, the Company may cause the REIT Subsidiary to make a "consent dividend" within the meaning of Section 565 of the Code. In no event shall the Company be required to contribute funds to the REIT Subsidiary in order to permit the REIT Subsidiary to satisfy the foregoing requirements.

(f) SHR shall have the sole responsibility and obligation to oversee, implement and enforce the policies and decisions of the Board of Directors with respect to the covenants and agreements expressly set forth in this Section 3.12 . SHR shall discharge its duties expressly set forth in this Section 3.12 in good faith and in accordance with good industry practice, all applicable laws and this Agreement. SHR may delegate some or all of the duties set forth in this Section 3.12 to the Asset Manager, provided that such delegation shall not discharge SHR's responsibilities or obligations hereunder. Any Person not Affiliated with SHR that deals with SHR in connection with the performance of its duties under this Section 3.12 may rely absolutely on any action, failure to act, or execution and delivery of any instrument by SHR on behalf of the Company as having been authorized by requisite action of the Company.

ARTICLE IV

Section 4.1 Limitation of Liability . Except as otherwise required by applicable law and as expressly set forth in this Agreement, no Member shall have any personal liability whatever in such Member's capacity as a Member, whether to the Company, to any other Members, to the creditors of the Company, or to any third party, for the debts, liabilities, commitments or other obligations of the Company or for any losses of the Company. Each Member shall only be liable to make any payments expressly set forth herein.

Section 4.2 Rights and Duties . The Members (in their capacity as such) shall not participate in the management or control of the Company's business, transact any business for the Company or have the power to act for or bind the Company. A Member may not resign from the Company prior to the dissolution and winding up of the Company, except upon a Transfer of all of its Interests expressly permitted under this Agreement. Upon any such resignation, the Member shall not be entitled to receive the fair value of the Member's Interests under Section 18-604 of the Delaware Act.

ARTICLE V
MEETINGS AND VOTING OF MEMBERS

Section 5.1 Meetings . There shall be no mandatory regular meetings of the Members.

Section 5.2 Special Meetings . Special meetings of the Class A Members, for any purpose or purposes, may be called by any Director or any Class A Member.

Section 5.3 Time and Place, Notice, Etc. Special meetings of the Class A Members may be held at the principal office of the Company, or at such other place as shall be determined by the Persons calling the meeting pursuant to Section 5.2 . Notice of any special meeting shall set forth the time of the meeting and shall be sent to each Class A Member as set forth in Section 12.1 at least 10 days before the day on which the meeting is to be held, or if sent by fax or delivered personally or by telephone, not later than 5 days before the day on which the meeting is to be held.

Other than the Class A Members, no Member shall have any voting rights.

Section 5.6 Meeting Through Use of Communications Equipment . Members shall have the right to participate in meetings by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and such participants shall constitute presence in person at the meeting.

Section 5.8 Written Consent . Any action permitted to be taken at any meeting of the Class A Members may be taken without a meeting if Class A Members having the requisite voting power to approve such action consent thereto in writing.

ARTICLE VI
CONTRIBUTIONS, UNITS AND CAPITAL ACCOUNTS

Section 6.1 Contributions and Commitments .

(a) Initial Capital Contributions . In consideration of the issuance by the Company of Interests according to the relative ownership percentages as set forth in on the Register, each of the Members has contributed or shall be deemed to have contributed (in the form of cash or such other form of consideration acceptable to the Company) an initial Capital Contribution to the Company ("Initial Capital Contribution") equal to the amount set forth opposite such Member's name on the Register. Except as set forth in Section 6.1(b) , no Member shall be required to make any additional Capital Contributions.

(b) Mandatory Capital Contributions . If the Board of Directors determines that additional capital is required to fund any Necessary Expenditures, then the Board of Directors shall deliver a notice (a "Mandatory Capital Notice") to each Class A Member describing the Necessary Expenditures and setting forth each Class A Member's mandatory Capital Contribution for such Necessary Expenditures, which in all cases shall be pro rata in accordance with Initial Percentage Interests (a "Mandatory Contribution"). Each Member shall make its respective Mandatory Contribution to the Company within the 15 days after receipt of the Mandatory Capital Notice. Mandatory Contributions shall be made by certified or cashier's check or by wire transfer of immediately available funds to an account designated in writing in the Mandatory Capital Notice or otherwise by the Board of Directors. Upon a failure by any Member to make a Mandatory Contribution when due, the Company and/or the other Members shall have all available remedies at law, in equity or otherwise set forth in this Agreement (including without limitation the exercise of Liquidity Rights and the issuance of any New Securities as contemplated below). In the event that the sum of (1) the Initial Capital Contributions and all Mandatory Capital Contributions made by RECO to the Company plus (2) the Initial Capital Contributions and all Mandatory Capital Contributions (each as defined in the Other Holding LLC Agreement) made by RECO to the Other Holding LLC exceeds $88,000,000 in the aggregate (the "RECO Capital Limit"), then RECO may, but shall not be obligated to, fund its Mandatory Contributions in excess of the RECO Capital Limit; provided that in the event of any failure by RECO to fund its pro rata portion of Mandatory Contributions in excess of the RECO Capital Limit, SHR may, in addition to any rights or remedies set forth in Section 8.3 hereof and without any approval of RECO or the RECO Director but subject to the participation rights set forth in the next sentence, cause the Board of Directors (excluding the RECO Director) to cause the Company to fund all capital requirements in excess of the RECO Capital Limit (including SHR's Mandatory Contribution called at the same time as RECO's Mandatory Contribution in excess of the RECO Capital Limit) by issuing any form of debt or equity securities of the Company, the REIT Subsidiary or any of its direct or indirect Subsidiaries that are treated as a corporation for U.S. federal income tax purposes (the "New Securities") to SHR, any of its Affiliates or to any third party. The New Securities shall have such rights, preferences, priorities, interest, dividend rates and/or other terms and conditions as determined by SHR in its sole and absolute discretion. Notwithstanding the foregoing, not later than simultaneous with or promptly after issuance of any New Securities, SHR shall offer to RECO (by written notice) the right to purchase its pro rata portion of such New Securities based on its Percentage Interest. Within 10 days after receipt of such notice from SHR, RECO may elect, by written notice to SHR, to purchase all (but not less than all) of such New Securities offered by SHR in accordance with the preceding sentence. If RECO fails to timely deliver such election notice, it shall have no right to participate in the offering of any such New Securities. For the avoidance of doubt, the determination as to whether to deliver a Mandatory Capital Notice (and the delivery thereof) and/or to issue New Securities as set forth herein (or to establish the terms thereof) shall not constitute a Major Decision.

Section 6.2 Register of Interests . The Board of Directors shall maintain the Register setting forth the name and address of each Member, the aggregate Capital Contributions and Percentage Interest of each Member, the type of Interests owned by the Members and such other

information as deemed appropriate by the Board of Directors. The initial form of Register is attached hereto as **Exhibit C** . The Board of Directors may update the Register from time to time as necessary to accurately reflect the information therein, including the payment of any additional Capital Contributions. Any reference in the Agreement to the Register shall be deemed a reference to the Register as in effect from time to time. No action of any Member shall be required to amend or update the Register.

Section 6.3 Capital Account Maintenance . An individual Capital Account shall be maintained for each Member.

Section 6.4 No Obligation of Members to Restore Deficit . The Members shall have no liability to the Company, to any other Member, or to the creditors of the Company on account of any deficit balance in such Member's Capital Account. Subject to Section 3.3 hereof, any Member, with the approval of the Board of Directors, may make loans to the Company and any such loan shall not be considered a Capital Contribution.

Section 6.5 No Interest on Capital Contributions . No interest shall be paid to the Members with respect to their contributions to the capital of the Company.

Section 6.6 Company Funds and Property . All funds received by the Company will be utilized for Company purposes. Title to all property contributed to the Company or acquired by the Company shall be held in the name of the Company. No Member shall have any ownership interest in such property in its individual right, and each Member's interest in the Company shall be personal property for all purposes. Until required for the Company's business, all Company funds shall be deposited and maintained in such accounts in such financial institutions as shall be selected by the Board of Directors from time to time. Company funds shall not be commingled with the funds of any other Person.

ARTICLE VII
DISTRIBUTIONS; ALLOCATIONS

Section 7.1 Distributions Generally . All Operating Distributions and Capital Event Distributions shall be distributed as set in this Article VII . The Board of Directors shall in all cases, in its good faith discretion, determine whether and to what extent any Distributions shall be made to the Members, out of funds legally available therefor, but in each case subject to the rights and preferences of each class of Interests set forth herein. Operating Distributions, if any, shall be made to the Members on a quarterly basis, and Capital Event Distributions, if any, shall be made to the Members promptly after actual receipt of the proceeds of the corresponding Capital Event, provided, in no event shall any distributions be made hereunder to any Member until after April 30, 2008. The determination of whether amounts to be distributed are classified as Operating Cash Flow, Net Financing Proceeds or Net Sales Proceeds shall be made by the Board of Directors in its good faith discretion.

Section 7.2 Operating Distributions . All distributions of Operating Cash Flow (such distributions being referred to herein as "Operating Distributions"), as determined by the Board of Directors shall be made to the holders of Class A Interests, pro rata based upon their respective Percentage Interests.

Section 7.3 Capital Event Distributions . Subject to Section 7.4 , all distributions of Net Financing Proceeds and Net Sales Proceeds (such distributions being referred to herein as "Capital Event Distributions", and each transaction giving rise to such distributions, including without limitation any Liquidation/Sale Event, being referred to herein as a "Capital Event"), as determined by the Board of Directors, out of legally available funds, shall be made to the holders of Interests in the following order of priority:

(i) First, 100% to the holders of Class A Interests, pro rata in accordance with their respective Percentage Interests, until each such holder has been distributed under Section 7.2 and this Section 7.3 (i) an aggregate amount equal to its Capital Contributions plus a 10% Internal Rate of Return thereon;

(ii) Second, (A) 20% to the holder of Class B Interests; and (B) 80% to the holders of Class A Interests, pro rata in accordance with their respective Percentage Interests, until each such holder of Class A Interests has been distributed under Section 7.2 , Section 7.3(i) and this Section 7.3(ii)(B) an aggregate amount equal to its Capital Contributions plus a 12.5% Internal Rate of Return thereon;

(iii) Third, 100% to the holder of Class B Interests until such holder has received, in the aggregate under this Section 7.3(iii) , an amount equal to the Class B Preference Amount; and

(iv) Fourth, (A) 20% to the holder of Class B Interests; and (B) 80% to the holders of Class A Interests, pro rata in accordance with their respective Percentage Interests.

The amount otherwise payable under Section 7.3(ii)(A) as a result of any Capital Event shall be adjusted by deducting therefrom the aggregate amount previously paid as Operating Incentive Fees (as defined in the Asset Management Agreement) with respect to the Hotel. The calculation and priority of Capital Event Distributions is illustrated in further detail in the sample calculations attached hereto as **Exhibit D** .

Notwithstanding anything to the contrary herein, if a Disposition has occurred hereunder prior to any Other Disposition, and Capital Event Distributions are payable to the holder of Class B Interests pursuant to this Section 7.3 as a result of such Disposition, then such Capital Event Distribution shall not be distributed to the Class B Member unless and until the Class B Member provides an affiliate guaranty, a letter of credit or similar assurance in a form reasonably acceptable to the Members in favor of RECO or the Other Holding LLC (with RECO as a third party beneficiary with unilateral enforcement rights) to secure payment of any potential Class B Overpayment that may arise under the Other Holding LLC Agreement.

Section 7.4 Effect of Certain Other Dispositions . Upon a Disposition hereunder, if an Other Disposition has occurred prior to, or is occurring simultaneous with, such Disposition, then, notwithstanding anything to the contrary herein, the amounts distributable to the holders of Class A Interests and Class B Interests hereunder from the Net Sales Proceeds related to such Disposition (the "Final Distributions") shall be determined in accordance with the following:

(a) The Final Distributions shall be calculated and distributed by the Board of Directors on a combined basis with distributions under the Other Holding LLC Agreement, such that the Final Distributions take into account all amounts paid or payable hereunder and under the Other Holding LLC Agreement (including without limitation proceeds from sales of Interests hereunder or thereunder) as if all such amounts were paid or payable hereunder, with the Capital Contributions for each holder being equal to the sum of its Capital Contributions (as defined herein), plus its Capital Contributions (as defined in the Other Holding LLC Agreement) and the Class B Preference Amount being equal to $46,034,000.

(b) If, after giving effect to the calculation described in subsection (a) above, the holder of Class B Interests or the holder of Class B Interests of the Other Holding LLC have received distributions but the maximum amount payable to the Class A Interest holders under Section 7.3(ii)(B) has not been paid, there shall be deemed to be a "Class B Overpayment ." In such event, the Class B Member shall pay to the Company (for distribution to the holders(s) of Class A Interests pro rata based on their Percentage Interests), or shall have deducted from distributions otherwise payable to the Class B Member in respect of its Class A Interests, an amount up to the amount of the Class B Overpayment in order to provide for the combined distributions hereunder and under the Other Holding LLC Agreement as contemplated herein. The application of this combined calculation and distribution shall be as determined by the Board of Directors in good faith and is illustrated in further detail in the sample calculations attached hereto as **Exhibit D** .

Section 7.5 Allocation of Profits and Losses . Subject to the allocation rules set forth in Section 7.6 and Section 7.7 , Profits and Losses shall be allocated among the Members for each Company taxable year or period as follows :

(a) Profits .

(i) First, to the Members, to the extent of, in proportion to, and in the reverse order of cumulative Losses previously allocated to each such Member in past tax years or periods under Section 7.5(b)(iii) hereof (but only to the extent incurred after the Effective Date) in excess of cumulative Profits previously allocated under this Section 7.5(a)(i) ;

(ii) Second, to the Members, to the extent of, in proportion to, and in the reverse order of cumulative Losses previously allocated to each such Member in past tax years or periods under Section 7.5(b)(ii) hereof (but only to the extent incurred after the Effective Date) in excess of cumulative Profits previously allocated under this Section 7.5(a)(ii) ;

(iii) Third, to the Members, to the extent of any amounts distributed to such Members during the relevant tax year or period pursuant to Sections 7.2 and 7.3 ; and

(iv) Finally, any remaining Profits shall be allocated to the Members, in proportion to the number of Class A Interests held by each Member.

(b) Losses .

(i) First, to the Members, to the extent of, in proportion to, and in the reverse order of cumulative Profits allocated to them pursuant to Section 7.5(a)(iii) above, in excess of cumulative Losses previously allocated under this to Section 7.5(b)(i) , provided, that no Member shall be allocated Loss pursuant to this Section 7.5(b)(i) to the extent such allocation would create a negative Adjusted Capital Account balance;

(ii) Second, to the Members, to the extent of, and in proportion to, their relative positive Adjusted Capital Account balances after taking into account the allocation rules set forth in Section 7.6 and Section 7.7 and allocations pursuant Section 7.5(b)(i) above; and

(iii) Finally, the balance (if any) of Loss shall be allocated to the Members, in proportion to the number of Class A Interests held by each Member.

Section 7.6 Special Allocations . The following special allocations shall be made in the following order and priority:

(a) The provisions of this Agreement relating to the allocations of items of income, gain, loss and deduction are intended to comply with Regulations Sections 1.704-1 and 1.704-2. In the event that subsequent events (including a loan by a Member to the Company) cause the allocations set forth in Section 7.5 not to be in accordance with the Regulations, then notwithstanding any other provision of this Agreement, the Company may make such modifications to this Agreement (including the addition of special allocation provisions specified by Regulations Section 1.704-2) that are necessary to cause such allocations to have substantial economic effect within the meaning of Regulations Section 1.704-1(b)(2) or to be deemed to be in accordance with the Members' interests in the Company under Regulations Section 1.704-1. Without limiting the foregoing, this Section 7.6(a) is intended to cause the Company to have a "qualified income offset" in compliance with Regulations Section 1.704-1(b)(2)(ii)(d) and shall be applied and interpreted in accordance with such Regulation; provided that an allocation pursuant to the qualified income offset shall be made only after all other allocations provided for in this Section 7.6 have been tentatively made as if such qualified income offset were not in this Agreement. Consistent with this Section 7.6(a) , "nonrecourse deductions," as defined in Regulations Section 1.704-2(b), shall be allocated to the Members, pro rata, in accordance with such Treasury Regulations.

(b) The allocations set forth in Section 7.6(a) (the "Regulatory Allocations") are intended to comply with certain requirements of Regulations Sections 1.704-1(b) and 1.704-2. Notwithstanding any other provisions of this Article VII (other than the Regulatory Allocations), all Regulatory Allocations shall be taken into account in allocating other items of income, gain, loss and deduction among the Members so that, to

the greatest extent possible, the net amount of all allocations pursuant to this Article VII to each Member shall be equal to the net amount that would have been allocated to each such Member in each Company taxable year or period if the Regulatory Allocations had not occurred. Allocations pursuant to this Section 7.6(b) shall only be made with respect to Regulatory Allocations to the extent the Company determines that such allocations are consistent with the overall economic sharing arrangement among the Members, as reflected in this Agreement.

Section 7.7 Other Allocation Rules .

(a) In the event Members are admitted to the Company pursuant to this Agreement on different dates, the Company items of income, gain, loss, deduction and credit allocated to the Members for each Company taxable year or period during which Members are so admitted shall be allocated among the Members for such Company taxable year using any convention permitted by Code Section 706 and selected by the Tax Matters Member.

(b) In the event a Member transfers its Interest during a Company taxable year, the allocation of Company items of income, gain, loss, deduction and credit allocated to such Member and its Transferee for such Company taxable year shall be made between such Member and its Transferee in accordance with Code Section 706 using any convention permitted by Code Section 706 and selected by the Tax Matters Member.

(c) In the event the Gross Asset Value of any Company asset is adjusted in accordance with subsection (b) of the definition of “Gross Asset Value” above, the amount of such adjustment shall be taken into account as an item of income, gain, loss or deduction from the disposition of such asset and specially allocated Member by Member so that, to the greatest extent possible, the Capital Account attributable to each Member as a percentage of the total of all Capital Accounts is equal to the same percentage as the number of Interests held by such Member represents of the total number of Interests outstanding.

Section 7.8 Tax Allocations; Code 704(c) Allocations . Except as otherwise provided in this Section 7.8 , all items of Company income, gain, loss, deduction and credit for federal and applicable state and local income tax purposes shall be allocated among the Members in as nearly the same manner as they share correlative Profits, Losses or Company items of income, gain, loss or deduction, as the case may be, for the Company taxable year. Allocations pursuant to this Section 7.8 are solely for purposes of federal, state and local taxes and shall not affect, or in any way be taken into account in computing, any Member’s Capital Account or share of Profits, Losses or other items or distributions pursuant to any provision of this Agreement.

(a) In accordance with Code Section 704(c) and the Regulations thereunder, but solely for income tax purposes, income, gain, loss and deduction with respect to any asset contributed to the capital of the Company (including income, gain, loss and deduction determined with respect to the alternative minimum tax) shall be allocated among the Members so as to take account of any variation between the adjusted basis of

such asset to the Company for federal income tax purposes (including such adjusted basis for alternative minimum tax purposes) and its initial Gross Asset Value, including special allocations to a contributing Member that are required under Code Section 704(c) to be made upon distribution of such asset to any of the non-contributing Members; provided , however , that if any Member contributed assets with an adjusted tax basis in excess of the initial Gross Asset Value for such assets, the Company shall take into account such variation only in determining the amount of items allocated to the contributing Member, and except as provided in the Regulations, in determining the amount of items allocated to the non-contributing Member, the tax basis of the contributed assets in the hands of the Company shall be treated as being equal to its initial Gross Asset Value. Further, in the event the Gross Asset Value of any Company asset is adjusted pursuant to paragraph (b) of the definition of "Gross Asset Value" contained herein, such that "reverse section 704(c) allocations" are required under Regulations Section 1.704-3(a)(6), then, solely for federal income tax purposes, subsequent allocations of income, gain, loss and deduction with respect to such asset (including income, gain, loss and deduction determined with respect to the alternative minimum tax) shall take account of any variation between the adjusted basis of such asset (including such adjusted basis for alternative minimum tax purposes) and its Gross Asset Value in the same manner as under Code Section 704(c) and the Regulations thereunder.

(b) Any elections or other decisions relating to allocations under this Section 7.8 , including the selection of any allocation method permitted under Regulations Section 1.704-3, shall be made as approved by the Tax Matters Member.

(c) If any taxable item of income or gain is computed differently from the taxable item of income or gain which results for purposes of the alternative minimum tax, then, to the extent possible, without changing the overall allocations of items for purposes of either the Members' Capital Accounts or the regular income tax, (i) each Member shall be allocated items of taxable income or gain for alternative minimum tax purposes taking into account the prior allocations of originating tax preferences or alternative minimum tax adjustments to such Member (and its predecessors) and (ii) other Company items of income or gain for alternative minimum tax purposes of the same character that would have been recognized, but for the originating tax preferences or alternative minimum tax adjustments, shall be allocated away from those Members that are allocated amounts pursuant to clause (i) so that, to the extent possible, the other Members are allocated the same amount, and type, of alternative minimum tax income and gain that would have been allocated to them had the originating tax preferences or alternative minimum tax adjustments not occurred.

Section 7.9 Tax Matters Member; Tax Elections . SHR shall be the "tax matters partner" of the Company as defined in Code Section 6231(a)(7) (the "Tax Matters Member") and has and shall have all the powers and obligations of a tax matters partner pursuant to the Code. All elections, filings and determinations required or permitted to be made by the Company under the tax laws of the United States, the several States or any other relevant jurisdiction shall be timely determined and made by the Tax Matters Member. The Tax Matters Member shall provide each Member with prompt notice with respect to any administrative or judicial actions taken with respect to any tax matters and with respect to any material decisions or actions taken by the Tax Matters Member pursuant to this Section 7.9 .

Section 7.10 Tax Withholding . Subject to Section 3.12(d) , the Company may take any and all actions that it determines to be necessary or appropriate to insure that the Company satisfies any and all withholding and tax payment obligations under Section 1441, 1445, 1446 or any other provision of the Code, applicable state law or other applicable law. Without limiting the generality of the foregoing, subject to Section 3.12(d) , the Company may withhold any amount of taxes that it determines is required to be withheld from amounts otherwise distributable to any Member pursuant to this Article VII; provided, however, that such amount shall be deemed to have been distributed to such Member for purposes of applying this Agreement. In the event that the Company withholds or pays tax in respect of any Member for any period in excess of the amount of cash otherwise distributable to such Member for such period (or there is a determination by any taxing authority that the Company should have withheld or paid any tax for any period in excess of the tax, if any, that the Company actually withheld or paid for such period), then at the sole election of the Board of Directors, either (i) the Member shall make a cash payment to the Company equal to the full amount of such excess (and the amount paid shall be added to the Member's Capital Account but shall not be deemed to be a Capital Contribution hereunder) or (ii) the Company shall reduce subsequent distributions that would otherwise be made to such Member until the Company has recovered the amount of such excess, provided that the amount of such reduction shall be deemed to have been distributed for all purposes of this Agreement, but such deemed distribution shall not further reduce the Member's Capital Account.

Section 7.11 Tax Elections . The Company may, in the reasonable discretion of the Board of Directors, elect pursuant to Section 754 of the Code, and similar provisions of applicable state income tax laws, to adjust the basis of the Company property as allowed by Sections 734(b) and 743(b) of the Code (or such similar state law provisions). The election, if made, will be filed with the Company information income tax return for the first taxable year to which the election applies. The Company may also, in the reasonable discretion of the Board of Directors, make elections pursuant to Sections 179 (concerning expensing of certain assets), 709(b) (concerning amortization of organization fees), and any other provision of the Code.

ARTICLE VIII
SALE AND TRANSFER OF INTERESTS; LIQUIDITY RIGHTS

Section 8.1 Restrictions on Transfer .

(a) General . Except as expressly permitted in Section 8.1(b) or 8.1(c) , no Member may Transfer all or any portion of its Interests without the unanimous written consent of the Board of Directors. Any attempted Transfer in contravention of the provisions of this Article II shall be null and void *ab initio* , such that the purported transferor shall continue to be the holder of the subject Interests for all purposes and the purported transferee shall not be deemed the holder thereof as a result of such purported Transfer, and the Company shall not give effect to such Transfer or otherwise recognize any rights of such purported transferee. For the avoidance of doubt, an SHR Change in Control shall not constitute a Transfer for purposes of this Agreement, and shall not require any consent or approval from RECO or the Board of Directors.

(b) Permitted Transfers . Notwithstanding the general restriction on Transfer set forth in Section 8.1(a) , a Member may transfer any or all of its Interests to a Wholly-Owned Affiliate; provided that (i) no Transfer shall be made by any Member to any Wholly-Owned Affiliate that would constitute a Prohibited Assignment (as defined in the Hotel Management Agreement); (ii) such Wholly-Owned Affiliate must agree in an instrument reasonably satisfactory to the other Member to be bound by this Agreement; and (iii) such Transfer is made in compliance with all applicable securities laws.

(c) Pledges . Notwithstanding anything to the contrary set forth in this Agreement, SHR or RECO may pledge (such Member granting the pledge, the "Pledging Member" and the other Member, the "Non-Pledging Member") its respective direct or indirect equity interests in the Company to a lender or financing source. Notwithstanding the foregoing, no such pledge shall be permitted (i) to the extent that such pledge (or the exercise by such lender or financing source of its rights under the pledge) would constitute a Prohibited Assignment under the Hotel Management Agreement or (ii) unless the Lender (as hereinafter defined) agrees to provide to the Non-Pledging Member at the same time a copy of any default or foreclosure notice delivered by such Lender to the Pledging Member. Notwithstanding anything to the contrary contained in this Agreement, if any Member has pledged its Interests in the Company to a lender or financing source (a "Lender") and such Lender has delivered a notice of foreclosure with respect to such Interests (the " Foreclosure Notice"), the Non-Pledging Member shall be entitled to Transfer its Interests without the consent of the Pledging Member, unless the foreclosure action initiated by the Lender has been withdrawn prior to the execution by the Non-Pledging Member of a letter of intent or agreement providing for a Transfer of its Interest to a qualified purchaser with access to sufficient capital to consummate the proposed purchase.

Section 8.2 Change of Control . If an SHR Change in Control occurs within the period beginning on the Effective Date and ending on the date that is eighteen (18) months after the Effective Date, SHR shall provide notice of such SHR Change in Control within thirty (30) days after the occurrence thereof (such notice being a " Change of Control Notice"). For the purposes hereof, an SHR Change in Control shall be deemed to have occurred upon the execution by the parties thereto of any definitive purchase agreement, merger agreement or similar definitive agreement, which upon consummation of the transactions contemplated thereby, will result in an SHR Change in Control.

Section 8.3 Liquidity Rights .

(a) Each Member shall have the right (the "Liquidity Right"): (i) from and after the fourth anniversary of the Effective Date; (ii) upon the occurrence of a Deadlock; and (iii) upon the occurrence of a Terminable Event with respect to such Member, exercisable by written notice (the "Liquidity Notice") to the other Member (the "Notice Member"), to require the Company and/or the Notice Member to purchase all (but not less than all) of its Interests. In the case of a Liquidity Right that is triggered as a result

of the occurrence or existence of a Deadlock or a Terminable Event, then the Member giving the Liquidity Notice (the "Electing Member") must exercise such Liquidity Right within 180 days after the occurrence of such Deadlock or Terminable Event. The Liquidity Notice shall set forth the Electing Member's minimum acceptable sale price for the Hotel on an unencumbered basis (the "Floor Value"). Upon receipt of such Liquidity Notice, the Company shall conduct a market test to determine the actual fair market value of the Hotel (the "Actual Value") in accordance with Section 8.6 hereof.

(b) If the Actual Value, as determined in accordance with Section 8.6 , is less than the Floor Value, then the Electing Member may withdraw its request to exercise its Liquidity Right. After any such withdrawal, the Electing Member who made the withdrawal may not exercise any Liquidity Rights under this Section 8.3 until one full calendar year has elapsed after the determination of the Actual Value unless a separate and distinct Deadlock or Terminable Event occurs during such one year period. If the Actual Value, as determined in accordance with Section 8.6 , is equal to or greater than the Floor Value (or is less than the Floor Value but the Electing Member has not withdrawn its request to exercise its Liquidity Right), then either: (i) the Notice Member may elect in its sole discretion to acquire all of the Interests of the Electing Member at the Buyout Price (as defined below), and the Electing Member shall thereafter be bound to consummate such sale at the Buyout Price; or (ii) the Notice Member may elect to proceed with a Sale of the Hotel or a Sale of the Company and/or its Subsidiaries in accordance with the sale procedures set forth in Section 8.4 (either such Sale transaction described in this item (ii) being referred to as a "Forced Sale").

(c) If the Notice Member elects to acquire the Interests of the Electing Member as contemplated in subsection (b)(i) above, then the closing of such purchase and sale shall occur within 90 days following the date that the Buyout Price is established in accordance with Section 8.6 . If the Notice Member elects to consummate a Forced Sale as contemplated in subsection (b)(ii) above, then such Forced Sale shall be conducted in accordance with the sale procedures set forth in Section 8.4 below.

Section 8.4 Sale Procedures .

(a) If the Notice Member elects to proceed with a Forced Sale in accordance with Section 8.3 or the Members otherwise mutually agree to consummate a Sale of the Hotel or a Sale of the Company and/or its Subsidiaries in accordance with Section 3.3 (as applicable, an "Approved Sale"), such transaction shall be conducted by SHR in accordance with customary procedures for the sale of a luxury hotel. SHR shall have the sole right to approve the terms and conditions of any such Approved Sale and to control the sale process; provided that: (i) in the case of a Forced Sale, RECO shall have the right to approve any alterations to the sale consideration or other material economic terms, which approval shall not be unreasonably withheld or delayed; and (ii) in the case of any Approved Sale other than a Forced Sale, such transaction and certain terms thereof shall be subject to Board approval as a Major Decision in accordance with Section 3.3(a) hereof. Further, in the event of any Approved Sale or Forced Sale, RECO shall, as reasonably required in connection with the consummation of such transaction, take all actions required of it in order to consummate such transaction including without

limitation, as applicable, (i) executing any documents or instruments reasonably requested by the proposed purchaser; (ii) providing the same or substantially similar representations, warranties, covenants, releases and indemnities as SHR or its Affiliates are providing in such transaction; (iii) agreeing to any escrows, holdback amounts or deposits required by the purchaser on a pro rata basis, but otherwise on the same or substantially similar terms as SHR or its Affiliates; (iv) at the closing of such transaction, conveying good title to its Interests, free and clear of all claims and encumbrances created by, through or under such holder or on its behalf (other than any contemplated by this Agreement and any restrictions on transfer applicable under state and/or federal securities laws), against delivery to such holder of the consideration for the Interests of such holder being sold; and (v) approving, at a Members' meeting or by written consent, the transaction as a Member and waiving, if applicable, any dissenters and/or appraisal rights.

(b) Notwithstanding anything to the contrary herein, in the event of any Sale of the Hotel, Sale of the Company (in each case whether in an Approved Sale or a Forced Sale) or other Liquidity Right contemplated by this Agreement, as well as any dissolution or liquidation of the Company as contemplated in Article IX (each, a "Liquidation/Sale Event "), such transaction or proceeding shall in all cases be structured as follows: (i) first, the Company shall be dissolved and liquidated and the common stock of the REIT Subsidiary shall be distributed to the Members (together with the other assets of the Company, if any) in accordance with the rights and preferences set forth in Section 7.3 , and (ii) second, the common stock of the REIT Subsidiary then owned by the selling Member shall be redeemed by the REIT Subsidiary or transferred to the acquiring Member, an Affiliate thereof or a third party (in each case at the applicable price set forth in this Agreement) (collectively, the " Liquidation/Sale Procedure"). Any and all additional administrative fees and expenses (including without limitation fees and expenses of accountants, attorneys and other professionals) incurred by SHR and/or the Company to accommodate the Liquidation/Sale Procedure shall be borne solely by RECO. Upon the consummation of any Liquidation/Sale Event, the selling Member shall provide customary representations, warranties and indemnities with respect to its transfer of Common Stock of the REIT Subsidiary.

Section 8.5 Sale Proceeds . In any Approved Sale or Forced Sale, the aggregate consideration received by the Members shall be distributed among the Members as if such consideration were received by the Company, the debts and obligations of the Company paid in full (including without limitation any prepayment penalties with respect to outstanding indebtedness and all asset management fees payable to the Asset Manager under the Asset Management Agreement), and the proceeds distributed pursuant to Section 7.3 hereof.

Section 8.6 Market Test Procedures and Determination of Buyout Price .

(a) The Actual Value of the Hotel shall be established as follows. SHR and RECO shall attempt to agree upon a broker or investment banking firm (the "Broker") to conduct the sale process. If SHR and RECO are unable to agree to the appointment of the Broker within a reasonable period of time, but not to exceed 30 days, then SHR shall promptly provide RECO with a list of 3 reputable, nationally recognized Brokers and

RECO shall promptly select the Broker from such list. The Broker shall implement a bona fide, competitive auction or other sale process to secure indications of interest from qualified purchasers for the purchase of the entire Hotel on a debt-free basis (the " Auction"). Such sale process shall be conducted within a specified period of time reasonably determined by the Broker, but not to exceed 6 months. Upon completion of the Auction and the receipt of final indications of interests from qualified purchasers with access to sufficient capital to consummate the proposed purchase, the parties shall determine the average of the 3 highest final bids received in the Auction (or if less than 3 bids were received, the average of all final bids received). Such average amount shall be the "Actual Value"; provided that any such final bids that are less than 90% of the highest final bid shall be excluded for purposes of calculating such average. Each of SHR and RECO shall cooperate as necessary to ensure that the Broker and the bidders have access to such information and documentation as is reasonably necessary for conducting the Auction.

(b) The "Buyout Price" shall be determined by calculating the amount that would be distributed to the Electing Member if the Hotel were sold for the Actual Value determined as set forth above, the other assets of the Company (if any) were sold at their book values, and the proceeds were applied, paid or distributed to the Members as provided in Section 7.3 hereof, after payment in full of all indebtedness and liabilities of the Company (including without limitation any break-up or other fees payable to any bidder or to the Broker in connection with the Auction, any prepayment penalties with respect to outstanding indebtedness, a reasonable estimate of all transaction fees and transfer taxes that would have been payable if the Hotel were actually sold to a third party purchaser, and all asset management fees payable to the Asset Manager).

(c) To the extent that any action or transaction listed as a Major Decision in Section 3.3 is necessary or appropriate to satisfy the Liquidity Right of an Electing Member, including any debt or equity financing in connection therewith, then: (i) such action or transaction shall not be deemed a Major Decision and shall not be subject to unanimous approval of the Board of Directors; and (ii) any reasonable costs or expenses incurred in connection with such transaction (including without limitation any financing fees, attorneys fees, accounting fees and other professional fees and expenses) shall be borne by the Company or its Subsidiaries and taken into account in determining the Buyout Price.

ARTICLE IX
DISSOLUTION, LIQUIDATION AND TERMINATION

Section 9.1 Events of Dissolution . The Company shall be dissolved, and wound up pursuant to Section 9.2 , upon the earlier to occur of (it being understood that the following events are the only events that can cause the dissolution and liquidation of the Company):

(c) the occurrence of any Liquidation/Sale Event;

(d) the entry of a decree of judicial dissolution pursuant to Section 18-802 of the Act; or

Section 9.3 Judicial Winding Up . If the Company is dissolved for any reason and if within 90 days following the date of dissolution the Liquidator has failed to commence such actions as provided in Section 9.2 , any Member, Director or any of their respective Affiliates shall have the right to seek judicial supervision of the winding up of the Company as may be contemplated in the Act.

Section 9.4 [Intentionally Omitted].

Section 9.5 Distributions . Upon the winding up of the Company, its assets (other than cash) shall be sold (except that the common stock of the REIT Subsidiary may be distributed in kind) and its assets or the proceeds thereof shall be distributed as follows: (i) first, to creditors of the Company, including Members who are creditors, in satisfaction of all liabilities of the Company (whether by payment or the making of reasonable provision for payment thereof); and (ii) thereafter, among the Members in accordance with Section 7.3 hereof.

Section 9.6 Source of Distributions . Each holder of an Interest in the Company shall look solely to the assets of the Company for the return of its or his Capital Contribution and its or his share of Profits and Losses and shall have no recourse upon dissolution or otherwise against the Company, the Members or the Liquidator. No holder of an interest in the Company shall have any right to demand or receive property other than cash upon dissolution and termination of the Company. All of the Company's properties shall be sold upon liquidation of the Company and no Company property shall be distributed in kind to the Members either during the term of the Company or upon the dissolution and termination thereof unless in each case otherwise unanimously agreed by the Board of Directors.

Section 9.7 Termination . Upon the completion of the winding up of the Company and the distribution of all Company funds, the Liquidator shall execute a certificate of cancellation of the Certificate and record all other documents required to effectuate the dissolution and termination of the Company and the cancellation of the Certificate.

ARTICLE X
ADDITIONAL COVENANTS AND AGREEMENTS

Section 10.1 Financial and Other Information . The Company shall deliver to each Member the following:

(a) as soon as practicable, but in any event within ninety (90) days after the end of each fiscal year, an audited consolidated balance sheet as of the fiscal year end and audited statements of operations, cash flows, and shareholders' equity for the fiscal year;

(b) as soon as practicable, but in any event within forty-five (45) days after the end of each of the first three fiscal quarters, an unaudited consolidated balance sheet of the Company as of the end of such fiscal quarter and unaudited consolidated statements of operations, cash flows and shareholders' equity for such fiscal quarter and fiscal year to date;

(c) as soon as practicable after receipt from Hotel Manager, the monthly reporting package or other monthly financial statements provided by the Hotel Manager;

(d) as soon as practicable after completion, an annual budget and business plan for the forthcoming fiscal year together with any update of such plan as it is prepared; and

(e) such other information relating to the financial condition, business, prospects or corporate affairs of the Company as such Shareholder may from time to time reasonably request.

Section 10.2 Tax Information . The Company shall cause to be delivered to each Person who was a Member at any time during a Fiscal Year (and will use its commercially reasonable efforts to do so within 180 days after the end of such Fiscal Year) a Form K-1 and such other information, if any, with respect to the Company as may be necessary for the preparation of such Member's federal, state and local income tax returns, including a statement showing such Member's share of income, gain or loss, expense and credits for such Fiscal Year for federal income tax purposes.

Section 10.3 REIT Opinion . Each of SHR and RECO shall have the right to require, not more than one (1) time every other fiscal year, by providing written notice to the Company, that the Company cause the delivery of an opinion of counsel from a nationally recognized law firm selected by the Company addressed to RECO and SHR (and any other applicable party) with respect to the qualification of the REIT Subsidiary as a real estate investment trust under the Code.

Section 10.4 Acquisition of Certain Indebtedness by SHR . SHR or one of its Affiliates (the "SHR Lender") may, in its sole discretion and without any approval from RECO or the Board of Directors, acquire from a third party lender any indebtedness secured by the Hotel or payable directly or indirectly out of the revenues of the Hotel (the "Hotel Debt"). If the SHR Lender acquires any Hotel Debt, it shall have all of the same rights and remedies of the lender who initially funded such indebtedness (the "Assignor Lender"), including without limitation with respect to priority of payment, affirmative and negative covenants, events of default and any other terms and conditions set forth in the applicable loan agreement, pledge agreement, deed of trust, mortgage or other agreement or instrument securing such loan or relating thereto (the "Third Party Loan Documents"). Notwithstanding the preceding sentence, for so long as the SHR Lender owns such Hotel Debt and no Designated Event has occurred, the SHR Lender will

refrain from initiating foreclosure proceedings with respect to the Hotel or any other collateral securing the Hotel Debt, it being understood that the SHR Lender shall retain all other rights and remedies with respect to such Hotel Debt in accordance with the Third Party Loan Documents. Any of the following events or circumstances with respect to the Company or any Subsidiary shall be considered a "Designated Event" for purposes of the SHR Lender's ability to exercise its foreclosure rights: (1) making an assignment for the benefit of creditors or filing a petition under federal bankruptcy law or any state insolvency law; (2) a sale or Transfer by either SHR or RECO of all or a material portion of its Interests; (3) if SHR no longer has a right to appoint a majority of the Board of Directors; or (4) if any other Person (other than SHR or its Affiliates) who holds Hotel Debt initiates foreclosure proceedings with respect to the Hotel or any other collateral securing such Hotel Debt. For the avoidance of doubt, the foregoing restrictions on the SHR Lender's ability to initiate foreclosure proceedings shall only apply to an SHR Lender and not to any other Person to whom the SHR Lender assigns or transfers such Hotel Debt or who otherwise owns any Hotel Debt, and the restrictions, limitations and other conditions set forth herein or required hereby on the rights and remedies of the holder of any Hotel Debt shall immediately be terminated and of no further force and effect upon such assignment or transfer.

(a) Each Member, and any successor or assign of such Member, who receives from the Company or its agents, directly or indirectly, any information that the Company has not made generally available to the public, pursuant to the preparation and execution of this Agreement or the Purchase Agreement or disclosure in connection therewith or otherwise pursuant to the provisions of this Agreement or the Purchase Agreement or as a Member: (i) acknowledges and agrees that such information is confidential and for its use only in connection with its investment in the Company; and (ii) agrees that it will not disseminate such information to any person other than its accountant, investment advisor, limited partners, attorney, advisor, Affiliates and any financing sources.

(b) The obligation to hold in confidence and not to disclose confidential information pursuant to this Section 10.5 shall not apply to any such information that (i) is or becomes generally available to the public other than as a result of a direct or indirect disclosure by a Member in violation of this Agreement, (ii) is disclosed to the Member on a non confidential basis by a third party provided that such third party is not, to the knowledge of the Member, bound by a confidentiality agreement with the Company, (iii) is independently discovered, derived or developed by the Shareholder without access to the confidential information, or (iv) is required to be disclosed by applicable law or regulation, regulatory body, stock exchange, court or administrative order, or any listing or trading agreement with such regulatory body or stock exchange concerning such Member or the Company.

(c) SHR shall keep confidential the identity of RECO as a Member of the Company and shall not disclose the investment of RECO in the Company without the prior consent of RECO except as is required to be disclosed by applicable law or regulation, regulatory body, stock exchange, court or administrative order, or any listing or trading agreement with such regulatory body or stock exchange and only after prior notice to such Shareholder of the intent or requirement to disclose such information.

Section 10.6 Issuance of Certain Shares of the REIT Subsidiary . The Company shall use commercially reasonable efforts to cause the REIT Subsidiary to issue Class A Preferred Stock (as defined in the Certificate of Incorporation of the REIT Subsidiary) to at least 101 Persons by January 8, 2008.

Section 10.7 Indemnification Regarding Certain Transfer Taxes . SHR shall indemnify the Company against any and all losses, claims or liabilities that the Company incurs directly, or indirectly through the Company's indirect interest in the owner of the Hotel, in connection with the notice received by SHC Michigan Avenue, LLC from the Chicago Department of Revenue dated June 25, 2007, relating to transfer tax alleged to be due in connection with an April 1, 2005, transfer.

ARTICLE XI
BOOKS AND RECORDS

Section 11.1 Books and Records . The books and records of the Company shall, at the cost and expense of the Company, be kept or caused to be kept by the Company at the principal place of business of the Company or as otherwise determined by the Board of Directors. The books of account shall be kept in a manner that allows for the preparation of the Company's financial statements in accordance with GAAP. Each Member and its duly authorized representatives, upon five days notice, shall be permitted for any purpose reasonably related to such Member's interest as a member of the Company to inspect the books and records of the Company at any reasonable time during normal business hours. However, the Board of Directors shall have the right in its discretion to keep confidential from the Members, for such period of time as the Board of Directors deems appropriate, any information which the Board of Directors reasonably believes to be in the nature of trade secrets or other information the disclosure of which the Board of Directors in good faith believes is not in the best interest of the Company or the business or that the Company (or any Subsidiary) is required by law or agreement with a third party to keep confidential.

Each committee shall keep regular minutes of its meetings and report the same to the Board of Directors when required.

Section 3.8 Outside Activities . Each Director, officer, Member and any Person who is an Affiliate of any of the foregoing may engage or hold interests in other business ventures of every kind and description for his, her or its own account, whether or not such business ventures are in direct or indirect competition with the business of the Company and whether or not the Company has any interest therein. Neither the Company nor any of the Members shall have any rights by virtue of this Agreement in such independent business ventures or to the income or profits derived therefrom.

Section 3.9 Exculpation .

(a) No Director, officer, Tax Matters Member or Liquidator nor any of their respective agents, partners, members, employees, directors, managers, owners, counsel or Affiliates, in their respective capacity as such, shall have any duty to the Company or any Member except as set forth herein or in other written agreements executed in connection herewith. No Director, Tax Matters Member or Liquidator nor any of their respective agents, partners, members, employees, directors, managers, owners, counsel or Affiliates, acting as such, shall (i) be personally liable for the debts, obligations, or liabilities of the Company, including any such debts, obligations, or liabilities arising under a judgment decree or order of a court or arbitrator; (ii) be obligated to restore any deficit Capital Account; (iii) be required to return all or any portion of any Capital Contribution returned pursuant to Article VII ; or (iv) be required to lend any funds to the Company.

(b) No Director, officer, Tax Matters Member, Liquidator nor any of their respective agents, partners, members, employees, directors, managers, owners, counsel or Affiliates shall be liable, responsible, or accountable in damages or otherwise to the Company or any Member for any action taken or failure to act (even if such action or failure to act constituted negligence on such Person's part) on behalf of the Company within the scope of the authority conferred on such Person by this Agreement or by law, unless such act or failure to act constituted gross negligence or willful misconduct.

Section 3.10 Indemnification . The Company shall indemnify and hold harmless, to the fullest extent permitted by law, (i) each Member, in its capacity as such, (ii) each current or former Director or officer of the Company, in his, her or its capacity as such, (iii) the Tax Matters Member, in his, her or its capacity as such, (v) a Liquidator acting pursuant to Section 9.2 , in its capacity as such, and (v) each director, officer, agent, partner, member, employee, owner or consultant of each Member, Director, Tax Matters Member or Liquidator, in each case in its capacity as such (individually, an "Indemnified Party"), as follows:

(a) The Company shall indemnify and hold harmless, to the fullest extent permitted by law, any Indemnified Party from and against any and all losses, claims, damages, liabilities, expenses (including legal fees and other professional fees and expenses), judgments, fines, surcharges, tax penalties, settlements, and other amounts ("Indemnified Costs") arising from all claims, demands, actions, suits, or proceedings ("Actions"), whether civil, criminal, administrative, or investigative, in which the Indemnified Party may be involved, or threatened to be involved, as a party or otherwise in any way related to or arising out of this Agreement, the Company or the management or administration of the Company or in connection with the business or affairs of the Company or the activities of such Indemnified Party on behalf of the Company; provided, however, that no such Person shall be indemnified hereunder for any Indemnified Costs that proximately result from such Person's gross negligence or willful misconduct.

(b) The Company shall pay or reimburse, to the fullest extent allowed by law and consistent with Section 3.10(a) , in advance of the final disposition of the proceeding, Indemnified Costs incurred by the Indemnified Party in connection with any Action that is the subject of Section 3.10(a) ; provided, however, that the Indemnified Party shall provide to the Company written confirmation that the Indemnified Party will return any amounts so advanced by the Company to the extent that it is subsequently determined that the Indemnified Party was not entitled to receive such amounts advanced. It shall not be a condition of any such undertaking that it be secured, and the financial capacity of the Indemnified Party shall not be considered in connection with this Section 3.10(b) .

(c) Notwithstanding any other provision of this Section 3.10 , the Company shall pay or reimburse actual out-of-pocket Indemnified Costs incurred by an Indemnified Party in connection with such Person's appearance as a witness or other participation in a proceeding or investigation involving or affecting the Company at a time when the Indemnified Party is not a named defendant or respondent in the proceeding.

(d) Subject to Section 3.3 , the Board of Directors may cause the Company to purchase and maintain insurance or other arrangements on behalf of the Indemnified Parties against any liability asserted against any Indemnified Party and incurred by any Indemnified Party in that capacity or arising out of the Indemnified Party's status in that capacity, regardless of whether the Company would have the power to indemnify the Indemnified Party against that liability under this Section 3.10 . The indemnification provided by this Section 3.10 shall be in addition to any other rights to which the Indemnified Parties may be entitled under any agreement, vote of the Members, as a matter of law, or otherwise, and shall inure to the benefit of the heirs, successors, assigns, and administrators of the Indemnified Party.

(e) An Indemnified Party shall not be denied indemnification in whole or in part under this Section 3.10 because the Indemnified Party had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

(f) The indemnification provided by this Section 3.10 shall be recoverable only out of the assets of the Company, and no Member shall have any obligation to make any Capital Contributions therefor or otherwise have personal liability on account thereof.

(g) The amount of any indemnification payable under this Section 3.10 shall be calculated so as to account for (i) any associated tax benefits and burdens to the Indemnified Party resulting from the matter (including those resulting from any such indemnity) and (ii) the receipt of insurance proceeds or other proceeds paid by Persons not affiliated with the Indemnified Party to the extent that such proceeds are paid without reservation, are actually received and specifically relate to the claim otherwise covered by the indemnity provisions herein. The parties agree to respond within a reasonable time to any inquiry by the Company as to the status of any such insurance or other third-party payment. Each party hereto who is an Indemnified Party agrees to act in good faith to pursue diligently any bona fide potential payer of insurance or, in the absence of a valid business reason, any bona fide potential third-party payer. The Company shall be subrogated to any claims or rights of any Indemnified Party as against any other Person(s) with respect to any Indemnified Costs paid by the Company. Each Indemnified Party shall cooperate with the Company to a reasonable extent, at the Company's expense, in the assertion by the Company of any such claim against such other Persons.

(h) Each Member hereby acknowledges and agrees that, in accordance with Section 18-1101 of the Delaware Act, no Director (in his or her capacity as such) shall have any liability to the Company or any other Director or any Member for breach of fiduciary duties; provided that this sentence shall not be construed to limit or eliminate liability for any act or omission that constitutes a bad faith or intentional violation of the implied contractual covenant of good faith and fair dealing.

Section 3.11 Appointment of Officers; Authority of Officers .

(a) Election of Officers . The Board of Directors hereby appoints the individuals set forth on **Exhibit B** hereto to serve as the officers of the Company, subject to removal and/or replacement by the Board of Directors in accordance with this Agreement. Any removal or replacement of the foregoing individuals shall not require an amendment to this Agreement.

(b) Authority of Officers . Subject in all cases to the ultimate authority of the Board of Directors and/or the rights and responsibilities granted to the Asset Manager, the officers shall manage the day-to-day business and affairs of the Company in the ordinary course of its business, in each case, unless the Board of Directors shall have previously restricted (specifically or generally) such powers. For the avoidance of doubt and without limiting the extent of any rights and/or powers vested in the Board of Directors hereunder, (i) at no time shall actions or decisions relating to Major Decisions be deemed to have been delegated to the officers, (ii) all decisions, determinations, actions, approvals and/or consents relating to Major Decisions shall require the approval of the Board of Directors in accordance with Section 3.3 , and (iii) no officers of the Company shall have power or authority with respect to any Major Decisions in the

absence of such approval of the Board of Directors. Subject to and without express or implied limitation of the foregoing, the officers of the Company shall have the following powers and responsibilities, it being understood that the Board of Directors may revoke, alter and/or diminish any of the following powers and responsibilities without amending this Agreement:

(i) President . The President, if any, shall be the chief executive officer of the Company, shall preside at all meetings of the Board, shall be responsible for the general and active management of the business of the Company and shall see that all orders and resolutions of the Board are carried into effect. The President or any other Officer authorized by the President or the Board shall execute all bonds, mortgages and other contracts, except: (i) where required or permitted by law or this Agreement to be otherwise signed and executed; or (ii) where signing and execution thereof shall be expressly delegated by the Board of Directors to some other officer or agent of the Company.

(ii) Vice President . In the absence of the President or in the event of the President's inability to act, the Vice President, if any (or in the event there be more than one Vice President, the Vice Presidents), shall perform the duties of the President, and when so acting, shall have all the powers of and be subject to all the restrictions upon the President. The Vice Presidents, if any, shall perform such other duties and have such other powers as the Board of Directors may from time to time prescribe.

(iii) Secretary and Assistant Secretary . The Secretary, if any, shall be responsible for filing legal documents and maintaining records for the Company. The Secretary shall attend all meetings of the Board and record all the proceedings of the meetings of the Company and of the Board in a book to be kept for that purpose and shall perform like duties for the standing committees when required. The Secretary shall give, or shall cause to be given, notice of all meetings of the Member, if any, and special meetings of the Board of Directors, and shall perform such other duties as may be prescribed by the Board of Directors or the President, under whose supervision the Secretary shall serve. The Assistant Secretary, or if there be more than one, the Assistant Secretaries, shall, in the absence of the Secretary or in the event of the Secretary's inability to act, perform the duties and exercise the powers of the Secretary and shall perform such other duties and have such other powers as the Board of Directors may from time to time prescribe.

(iv) Treasurer and Assistant Treasurer . The Treasurer shall have the custody of the Company funds and securities and shall keep full and accurate accounts of receipts and disbursements in books belonging to the Company and shall deposit all moneys and other valuable effects in the name and to the credit of the Company in such depositories as may be designated by the Board of Directors. The Treasurer shall disburse the funds of the Company as may be ordered by the Board of Directors, taking proper vouchers for such disbursements, and shall render to the President and to the Board of Directors, at its regular

meetings or when the Board of Directors so requires, an account of all of the Treasurer's transactions and of the financial condition of the Company. The Assistant Treasurer, or if there shall be more than one, the Assistant Treasurers, shall, in the absence of the Treasurer or in the event of the Treasurer's inability to act, perform the duties and exercise the powers of the Treasurer and shall perform such other duties and have such other powers as the Board of Directors may from time to time prescribe.

(c) Officers as Agents . The officers, to the extent of their powers set forth in this Agreement or otherwise vested in them by action of the Board of Directors not inconsistent with this Agreement or the Asset Management Agreement, are agents of the Company for the purpose of the Company's business and, the actions of the officers taken in accordance with such powers shall bind the Company.

Section 3.12 Tax Covenants . Notwithstanding anything to the contrary contained herein or in any other agreement between the parties hereto:

(a) The Company shall not engage in commercial activity as such term is defined in Section 892 of the Code.

(b) The Company shall take all actions necessary to ensure that the REIT Subsidiary does not pay dividends in 2007 or in 2008 in a manner that would result in the shareholders being treated as receiving such dividend in 2007 pursuant to Section 857(b)(9) of the Code; rather, the Company shall cause the REIT Subsidiary to declare and pay dividends after April 30, 2008 pursuant to Section 858 of the Code with respect to the 2007 taxable year.

(c) The Company will not incur any "effectively connected income" within the meaning of Section 864 of the Code.

(d) If the Company receives a properly executed Internal Revenue Service Form W-8EXP and for as long as such form is valid, the Company will not withhold any tax pursuant to Chapter 3 of the Code on any amounts accrued or payable to RECO, including with respect to capital gain dividends paid by the REIT Subsidiary.

(e) The Company acknowledges that the REIT Subsidiary is intended to qualify at all times as a "real estate investment trust" within the meaning of Section 856 of the Code. Accordingly, the Company shall use its commercially reasonable efforts to conduct the operations and otherwise administer the REIT Subsidiary at all times in a manner that will enable it to satisfy all the requirements for real estate investment trust status under Sections 856 through 860 of the Code, and to avoid, to the extent possible, the imposition of any entity-level federal or state income or excise taxes (other than income taxes imposed on any "taxable REIT subsidiary" of any REIT and other than excise tax pursuant to Section 858 of the Code on the dividend referred to in Section 3.12(b)). In particular, the Company shall use commercially reasonable efforts to administer the REIT Subsidiary in accordance with the following limitations: (i) in no event shall any shareholder of the REIT Subsidiary be required to contribute funds to the

REIT Subsidiary in order to permit the REIT Subsidiary to satisfy the foregoing distribution requirement; and (ii) the SHR shall use commercially reasonable efforts to cause the REIT Subsidiary not to engage in any "prohibited transactions" within the meaning of Section 857(b)(6)(B)(iii) of the Code. If the REIT Subsidiary's available funds are insufficient to meet the foregoing distribution requirement, the Company may cause the REIT Subsidiary to make a "consent dividend" within the meaning of Section 565 of the Code. In no event shall the Company be required to contribute funds to the REIT Subsidiary in order to permit the REIT Subsidiary to satisfy the foregoing requirements.

(f) SHR shall have the sole responsibility and obligation to oversee, implement and enforce the policies and decisions of the Board of Directors with respect to the covenants and agreements expressly set forth in this Section 3.12 . SHR shall discharge its duties expressly set forth in this Section 3.12 in good faith and in accordance with good industry practice, all applicable laws and this Agreement. SHR may delegate some or all of the duties set forth in this Section 3.12 to the Asset Manager, provided that such delegation shall not discharge SHR's responsibilities or obligations hereunder. Any Person not Affiliated with SHR that deals with SHR in connection with the performance of its duties under this Section 3.12 may rely absolutely on any action, failure to act, or execution and delivery of any instrument by SHR on behalf of the Company as having been authorized by requisite action of the Company.

ARTICLE IV

Section 4.1 Limitation of Liability . Except as otherwise required by applicable law and as expressly set forth in this Agreement, no Member shall have any personal liability whatever in such Member's capacity as a Member, whether to the Company, to any other Members, to the creditors of the Company, or to any third party, for the debts, liabilities, commitments or other obligations of the Company or for any losses of the Company. Each Member shall only be liable to make any payments expressly set forth herein.

Section 4.2 Rights and Duties . The Members (in their capacity as such) shall not participate in the management or control of the Company's business, transact any business for the Company or have the power to act for or bind the Company. A Member may not resign from the Company prior to the dissolution and winding up of the Company, except upon a Transfer of all of its Interests expressly permitted under this Agreement. Upon any such resignation, the Member shall not be entitled to receive the fair value of the Member's Interests under Section 18-604 of the Delaware Act.

ARTICLE V
MEETINGS AND VOTING OF MEMBERS

Section 5.1 Meetings . There shall be no mandatory regular meetings of the Members.

Section 5.2 Special Meetings . Special meetings of the Class A Members, for any purpose or purposes, may be called by any Director or any Class A Member.

Section 5.3 Time and Place, Notice, Etc. Special meetings of the Class A Members may be held at the principal office of the Company, or at such other place as shall be determined by the Persons calling the meeting pursuant to Section 5.2 . Notice of any special meeting shall set forth the time of the meeting and shall be sent to each Class A Member as set forth in Section 12.1 at least 10 days before the day on which the meeting is to be held, or if sent by fax or delivered personally or by telephone, not later than 5 days before the day on which the meeting is to be held.

Section 5.5 Voting . Except as otherwise expressly provided herein or as expressly required by law, all decisions to be made by the Class A Members shall require the affirmative vote of the holders of at least two-thirds of the outstanding Class A Interests. Other than the Class A Members, no Member shall have any voting rights.

Section 5.6 Meeting Through Use of Communications Equipment . Members shall have the right to participate in meetings by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and such participants shall constitute presence in person at the meeting.

Section 5.8 Written Consent . Any action permitted to be taken at any meeting of the Class A Members may be taken without a meeting if Class A Members having the requisite voting power to approve such action consent thereto in writing.

ARTICLE VI
CONTRIBUTIONS, UNITS AND CAPITAL ACCOUNTS

Section 6.1 Contributions and Commitments .

(a) Initial Capital Contributions . In consideration of the issuance by the Company of Interests according to the relative ownership percentages as set forth in on the Register, each of the Members has contributed or shall be deemed to have contributed (in the form of cash or such other form of consideration acceptable to the Company) an initial Capital Contribution to the Company ("Initial Capital Contribution ") equal to the amount set forth opposite such Member's name on the Register. Except as set forth in Section 6.1(b) , no Member shall be required to make any additional Capital Contributions.

(b) Mandatory Capital Contributions . If the Board of Directors determines that additional capital is required to fund any Necessary Expenditures, then the Board of Directors shall deliver a notice (a "Mandatory Capital Notice") to each Class A Member describing the Necessary Expenditures and setting forth each Class A Member's

mandatory Capital Contribution for such Necessary Expenditures, which in all cases shall be pro rata in accordance with Initial Percentage Interests (a "Mandatory Contribution"). Each Member shall make its respective Mandatory Contribution to the Company within the 15 days after receipt of the Mandatory Capital Notice. Mandatory Contributions shall be made by certified or cashier's check or by wire transfer of immediately available funds to an account designated in writing in the Mandatory Capital Notice or otherwise by the Board of Directors. Upon a failure by any Member to make a Mandatory Contribution when due, the Company and/or the other Members shall have all available remedies at law, in equity or otherwise set forth in this Agreement (including without limitation the exercise of Liquidity Rights and the issuance of any New Securities as contemplated below). In the event that the sum of (1) the Initial Capital Contributions and all Mandatory Capital Contributions made by RECO to the Company plus (2) the Initial Capital Contributions and all Mandatory Capital Contributions (each as defined in the Other Holding LLC Agreement) made by RECO to the Other Holding LLC exceeds $88,000,000 in the aggregate (the "RECO Capital Limit"), then RECO may, but shall not be obligated to, fund its Mandatory Contributions in excess of the RECO Capital Limit; provided that in the event of any failure by RECO to fund its pro rata portion of Mandatory Contributions in excess of the RECO Capital Limit, SHR may, in addition to any rights or remedies set forth in Section 8.3 hereof and without any approval of RECO or the RECO Director but subject to the participation rights set forth in the next sentence, cause the Board of Directors (excluding the RECO Director) to cause the Company to fund all capital requirements in excess of the RECO Capital Limit (including SHR's Mandatory Contribution called at the same time as RECO's Mandatory Contribution in excess of the RECO Capital Limit) by issuing any form of debt or equity securities of the Company, the REIT Subsidiary or any of its direct or indirect Subsidiaries that are treated as a corporation for U.S. federal income tax purposes (the "New Securities") to SHR, any of its Affiliates or to any third party. The New Securities shall have such rights, preferences, priorities, interest, dividend rates and/or other terms and conditions as determined by SHR in its sole and absolute discretion. Notwithstanding the foregoing, not later than simultaneous with or promptly after issuance of any New Securities, SHR shall offer to RECO (by written notice) the right to purchase its pro rata portion of such New Securities based on its Percentage Interest. Within 10 days after receipt of such notice from SHR, RECO may elect, by written notice to SHR, to purchase all (but not less than all) of such New Securities offered by SHR in accordance with the preceding sentence. If RECO fails to timely deliver such election notice, it shall have no right to participate in the offering of any such New Securities. For the avoidance of doubt, the determination as to whether to deliver a Mandatory Capital Notice (and the delivery thereof) and/or to issue New Securities as set forth herein (or to establish the terms thereof) shall not constitute a Major Decision.

Section 6.2 Register of Interests . The Board of Directors shall maintain the Register setting forth the name and address of each Member, the aggregate Capital Contributions and Percentage Interest of each Member, the type of Interests owned by the Members and such other information as deemed appropriate by the Board of Directors. The initial form of Register is attached hereto as **Exhibit C** . The Board of Directors may update the Register from time to time as necessary to accurately reflect the information therein, including the payment of any additional Capital Contributions. Any reference in the Agreement to the Register shall be deemed a reference to the Register as in effect from time to time. No action of any Member shall be required to amend or update the Register.

Section 6.3 Capital Account Maintenance . An individual Capital Account shall be maintained for each Member.

Section 6.4 No Obligation of Members to Restore Deficit . The Members shall have no liability to the Company, to any other Member, or to the creditors of the Company on account of any deficit balance in such Member's Capital Account. Subject to Section 3.3 hereof, any Member, with the approval of the Board of Directors, may make loans to the Company and any such loan shall not be considered a Capital Contribution.

Section 6.5 No Interest on Capital Contributions . No interest shall be paid to the Members with respect to their contributions to the capital of the Company.

Section 6.6 Company Funds and Property . All funds received by the Company will be utilized for Company purposes. Title to all property contributed to the Company or acquired by the Company shall be held in the name of the Company. No Member shall have any ownership interest in such property in its individual right, and each Member's interest in the Company shall be personal property for all purposes. Until required for the Company's business, all Company funds shall be deposited and maintained in such accounts in such financial institutions as shall be selected by the Board of Directors from time to time. Company funds shall not be commingled with the funds of any other Person.

ARTICLE VII
DISTRIBUTIONS; ALLOCATIONS

Section 7.1 Distributions Generally . All Operating Distributions and Capital Event Distributions shall be distributed as set in this Article VII . The Board of Directors shall in all cases, in its good faith discretion, determine whether and to what extent any Distributions shall be made to the Members, out of funds legally available therefor, but in each case subject to the rights and preferences of each class of Interests set forth herein. Operating Distributions, if any, shall be made to the Members on a quarterly basis, and Capital Event Distributions, if any, shall be made to the Members promptly after actual receipt of the proceeds of the corresponding Capital Event, provided, in no event shall any distributions be made hereunder to any Member until after April 30, 2008. The determination of whether amounts to be distributed are classified as Operating Cash Flow, Net Financing Proceeds or Net Sales Proceeds shall be made by the Board of Directors in its good faith discretion.

Section 7.2 Operating Distributions . All distributions of Operating Cash Flow (such distributions being referred to herein as " Operating Distributions"), as determined by the Board of Directors shall be made to the holders of Class A Interests, pro rata based upon their respective Percentage Interests.

Section 7.3 Capital Event Distributions . Subject to Section 7.4 , all distributions of Net Financing Proceeds and Net Sales Proceeds (such distributions being referred to herein as "Capital Event Distributions", and each transaction giving rise to such distributions, including without limitation any Liquidation/Sale Event, being referred to herein as a "Capital Event"), as determined by the Board of Directors, out of legally available funds, shall be made to the holders of Interests in the following order of priority:

(i) First, 100% to the holders of Class A Interests, pro rata in accordance with their respective Percentage Interests, until each such holder has been distributed under Section 7.2 and this Section 7.3(i) an aggregate amount equal to its Capital Contributions plus a 10% Internal Rate of Return thereon;

(ii) Second, (A) 20% to the holder of Class B Interests; and (B) 80% to the holders of Class A Interests, pro rata in accordance with their respective Percentage Interests, until each such holder of Class A Interests has been distributed under Section 7.2 , Section 7.3(i) and this Section 7.3(ii)(B) an aggregate amount equal to its Capital Contributions plus a 12.5% Internal Rate of Return thereon;

(iii) Third, 100% to the holder of Class B Interests until such holder has received, in the aggregate under this Section 7.3(iii) , an amount equal to the Class B Preference Amount; and

(iv) Fourth, (A) 20% to the holder of Class B Interests; and (B) 80% to the holders of Class A Interests, pro rata in accordance with their respective Percentage Interests.

The amount otherwise payable under Section 7.3(ii)(A) as a result of any Capital Event shall be adjusted by deducting therefrom the aggregate amount previously paid as Operating Incentive Fees (as defined in the Asset Management Agreement) with respect to the Hotel. The calculation and priority of Capital Event Distributions is illustrated in further detail in the sample calculations attached hereto as **Exhibit D** .

Notwithstanding anything to the contrary herein, if a Disposition has occurred hereunder prior to any Other Disposition, and Capital Event Distributions are payable to the holder of Class B Interests pursuant to this Section 7.3 as a result of such Disposition, then such Capital Event Distribution shall not be distributed to the Class B Member unless and until the Class B Member provides an affiliate guaranty, a letter of credit or similar assurance in a form reasonably acceptable to the Members in favor of RECO or the Other Holding LLC (with RECO as a third party beneficiary with unilateral enforcement rights) to secure payment of any potential Class B Overpayment that may arise under the Other Holding LLC Agreement.

Section 7.4 Effect of Certain Other Dispositions . Upon a Disposition hereunder, if an Other Disposition has occurred prior to, or is occurring simultaneous with, such Disposition, then, notwithstanding anything to the contrary herein, the amounts distributable to the holders of Class A Interests and Class B Interests hereunder from the Net Sales Proceeds related to such Disposition (the "Final Distributions") shall be determined in accordance with the following:

(a) The Final Distributions shall be calculated and distributed by the Board of Directors on a combined basis with distributions under the Other Holding LLC Agreement, such that the Final Distributions take into account all amounts paid or payable hereunder and under the Other Holding LLC Agreement (including without

limitation proceeds from sales of Interests hereunder or thereunder) as if all such amounts were paid or payable hereunder, with the Capital Contributions for each holder being equal to the sum of its Capital Contributions (as defined herein), plus its Capital Contributions (as defined in the Other Holding LLC Agreement) and the Class B Preference Amount being equal to $46,034,000.

(b) If, after giving effect to the calculation described in subsection (a) above, the holder of Class B Interests or the holder of Class B Interests of the Other Holding LLC have received distributions but the maximum amount payable to the Class A Interest holders under Section 7.3(ii)(B) has not been paid, there shall be deemed to be a "Class B Overpayment ." In such event, the Class B Member shall pay to the Company (for distribution to the holders(s) of Class A Interests pro rata based on their Percentage Interests), or shall have deducted from distributions otherwise payable to the Class B Member in respect of its Class A Interests, an amount up to the amount of the Class B Overpayment in order to provide for the combined distributions hereunder and under the Other Holding LLC Agreement as contemplated herein. The application of this combined calculation and distribution shall be as determined by the Board of Directors in good faith and is illustrated in further detail in the sample calculations attached hereto as **Exhibit D** .

Section 7.5 Allocation of Profits and Losses . Subject to the allocation rules set forth in Section 7.6 and Section 7.7 , Profits and Losses shall be allocated among the Members for each Company taxable year or period as follows :

(a) Profits .

(i) First, to the Members, to the extent of, in proportion to, and in the reverse order of cumulative Losses previously allocated to each such Member in past tax years or periods under Section 7.5(b)(iii) hereof (but only to the extent incurred after the Effective Date) in excess of cumulative Profits previously allocated under this Section 7.5(a)(i) ;

(ii) Second, to the Members, to the extent of, in proportion to, and in the reverse order of cumulative Losses previously allocated to each such Member in past tax years or periods under Section 7.5(b)(ii) hereof (but only to the extent incurred after the Effective Date) in excess of cumulative Profits previously allocated under this Section 7.5(a)(ii) ;

(iii) Third, to the Members, to the extent of any amounts distributed to such Members during the relevant tax year or period pursuant to Sections 7.2 and 7.3 ; and

(iv) Finally, any remaining Profits shall be allocated to the Members, in proportion to the number of Class A Interests held by each Member.

(b) Losses .

(i) First, to the Members, to the extent of, in proportion to, and in the reverse order of cumulative Profits allocated to them pursuant to Section 7.5(a)(iii) above, in excess of cumulative Losses previously allocated under this to Section 7.5(b)(i) , provided, that no Member shall be allocated Loss pursuant to this Section 7.5(b)(i) to the extent such allocation would create a negative Adjusted Capital Account balance;

(ii) Second, to the Members, to the extent of, and in proportion to, their relative positive Adjusted Capital Account balances after taking into account the allocation rules set forth in Section 7.6 and Section 7.7 and allocations pursuant Section 7.5(b)(i) above; and

(iii) Finally, the balance (if any) of Loss shall be allocated to the Members, in proportion to the number of Class A Interests held by each Member.

Section 7.6 Special Allocations . The following special allocations shall be made in the following order and priority:

(a) The provisions of this Agreement relating to the allocations of items of income, gain, loss and deduction are intended to comply with Regulations Sections 1.704-1 and 1.704-2. In the event that subsequent events (including a loan by a Member to the Company) cause the allocations set forth in Section 7.5 not to be in accordance with the Regulations, then notwithstanding any other provision of this Agreement, the Company may make such modifications to this Agreement (including the addition of special allocation provisions specified by Regulations Section 1.704-2) that are necessary to cause such allocations to have substantial economic effect within the meaning of Regulations Section 1.704-1(b)(2) or to be deemed to be in accordance with the Members' interests in the Company under Regulations Section 1.704-1. Without limiting the foregoing, this Section 7.6(a) is intended to cause the Company to have a "qualified income offset" in compliance with Regulations Section 1.704-1(b)(2)(ii)(d) and shall be applied and interpreted in accordance with such Regulation; provided that an allocation pursuant to the qualified income offset shall be made only after all other allocations provided for in this Section 7.6 have been tentatively made as if such qualified income offset were not in this Agreement. Consistent with this Section 7.6(a) , "nonrecourse deductions," as defined in Regulations Section 1.704-2(b), shall be allocated to the Members, pro rata, in accordance with such Treasury Regulations.

(b) The allocations set forth in Section 7.6(a) (the "Regulatory Allocations") are intended to comply with certain requirements of Regulations Sections 1.704-1(b) and 1.704-2. Notwithstanding any other provisions of this Article VII (other than the Regulatory Allocations), all Regulatory Allocations shall be taken into account in allocating other items of income, gain, loss and deduction among the Members so that, to the greatest extent possible, the net amount of all allocations pursuant to this Article VII to each Member shall be equal to the net amount that would have been allocated to each such Member in each Company taxable year or period if the Regulatory Allocations had not occurred. Allocations pursuant to this Section 7.6(b) shall only be made with respect to Regulatory Allocations to the extent the Company determines that such allocations are consistent with the overall economic sharing arrangement among the Members, as reflected in this Agreement.

Section 7.7 Other Allocation Rules .

(a) In the event Members are admitted to the Company pursuant to this Agreement on different dates, the Company items of income, gain, loss, deduction and credit allocated to the Members for each Company taxable year or period during which Members are so admitted shall be allocated among the Members for such Company taxable year using any convention permitted by Code Section 706 and selected by the Tax Matters Member.

(b) In the event a Member transfers its Interest during a Company taxable year, the allocation of Company items of income, gain, loss, deduction and credit allocated to such Member and its Transferee for such Company taxable year shall be made between such Member and its Transferee in accordance with Code Section 706 using any convention permitted by Code Section 706 and selected by the Tax Matters Member.

(c) In the event the Gross Asset Value of any Company asset is adjusted in accordance with subsection (b) of the definition of "Gross Asset Value" above, the amount of such adjustment shall be taken into account as an item of income, gain, loss or deduction from the disposition of such asset and specially allocated Member by Member so that, to the greatest extent possible, the Capital Account attributable to each Member as a percentage of the total of all Capital Accounts is equal to the same percentage as the number of Interests held by such Member represents of the total number of Interests outstanding.

Section 7.8 Tax Allocations; Code 704(c) Allocations . Except as otherwise provided in this Section 7.8 , all items of Company income, gain, loss, deduction and credit for federal and applicable state and local income tax purposes shall be allocated among the Members in as nearly the same manner as they share correlative Profits, Losses or Company items of income, gain, loss or deduction, as the case may be, for the Company taxable year. Allocations pursuant to this Section 7.8 are solely for purposes of federal, state and local taxes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of Profits, Losses or other items or distributions pursuant to any provision of this Agreement.

(a) In accordance with Code Section 704(c) and the Regulations thereunder, but solely for income tax purposes, income, gain, loss and deduction with respect to any asset contributed to the capital of the Company (including income, gain, loss and deduction determined with respect to the alternative minimum tax) shall be allocated among the Members so as to take account of any variation between the adjusted basis of such asset to the Company for federal income tax purposes (including such adjusted basis for alternative minimum tax purposes) and its initial Gross Asset Value, including special allocations to a contributing Member that are required under Code Section 704(c) to be made upon distribution of such asset to any of the non-contributing Members; provided , however , that if any Member contributed assets with an adjusted tax basis in excess of the

initial Gross Asset Value for such assets, the Company shall take into account such variation only in determining the amount of items allocated to the contributing Member, and except as provided in the Regulations, in determining the amount of items allocated to the non-contributing Member, the tax basis of the contributed assets in the hands of the Company shall be treated as being equal to its initial Gross Asset Value. Further, in the event the Gross Asset Value of any Company asset is adjusted pursuant to paragraph (b) of the definition of "Gross Asset Value" contained herein, such that "reverse section 704(c) allocations" are required under Regulations Section 1.704-3(a)(6), then, solely for federal income tax purposes, subsequent allocations of income, gain, loss and deduction with respect to such asset (including income, gain, loss and deduction determined with respect to the alternative minimum tax) shall take account of any variation between the adjusted basis of such asset (including such adjusted basis for alternative minimum tax purposes) and its Gross Asset Value in the same manner as under Code Section 704(c) and the Regulations thereunder.

(b) Any elections or other decisions relating to allocations under this Section 7.8 , including the selection of any allocation method permitted under Regulations Section 1.704-3, shall be made as approved by the Tax Matters Member.

(c) If any taxable item of income or gain is computed differently from the taxable item of income or gain which results for purposes of the alternative minimum tax, then, to the extent possible, without changing the overall allocations of items for purposes of either the Members' Capital Accounts or the regular income tax, (i) each Member shall be allocated items of taxable income or gain for alternative minimum tax purposes taking into account the prior allocations of originating tax preferences or alternative minimum tax adjustments to such Member (and its predecessors) and (ii) other Company items of income or gain for alternative minimum tax purposes of the same character that would have been recognized, but for the originating tax preferences or alternative minimum tax adjustments, shall be allocated away from those Members that are allocated amounts pursuant to clause (i) so that, to the extent possible, the other Members are allocated the same amount, and type, of alternative minimum tax income and gain that would have been allocated to them had the originating tax preferences or alternative minimum tax adjustments not occurred.

Section 7.9 Tax Matters Member; Tax Elections . SHR shall be the "tax matters partner" of the Company as defined in Code Section 6231(a)(7) (the "Tax Matters Member") and has and shall have all the powers and obligations of a tax matters partner pursuant to the Code. All elections, filings and determinations required or permitted to be made by the Company under the tax laws of the United States, the several States or any other relevant jurisdiction shall be timely determined and made by the Tax Matters Member. The Tax Matters Member shall provide each Member with prompt notice with respect to any administrative or judicial actions taken with respect to any tax matters and with respect to any material decisions or actions taken by the Tax Matters Member pursuant to this Section 7.9 .

Section 7.10 Tax Withholding . Subject to Section 3.12(d) , the Company may take any and all actions that it determines to be necessary or appropriate to insure that the Company satisfies any and all withholding and tax payment obligations under Section 1441, 1445, 1446 or

any other provision of the Code, applicable state law or other applicable law. Without limiting the generality of the foregoing, subject to Section 3.12(d) , the Company may withhold any amount of taxes that it determines is required to be withheld from amounts otherwise distributable to any Member pursuant to this Article VII; provided, however, that such amount shall be deemed to have been distributed to such Member for purposes of applying this Agreement. In the event that the Company withholds or pays tax in respect of any Member for any period in excess of the amount of cash otherwise distributable to such Member for such period (or there is a determination by any taxing authority that the Company should have withheld or paid any tax for any period in excess of the tax, if any, that the Company actually withheld or paid for such period), then at the sole election of the Board of Directors, either (i) the Member shall make a cash payment to the Company equal to the full amount of such excess (and the amount paid shall be added to the Member's Capital Account but shall not be deemed to be a Capital Contribution hereunder) or (ii) the Company shall reduce subsequent distributions that would otherwise be made to such Member until the Company has recovered the amount of such excess, provided that the amount of such reduction shall be deemed to have been distributed for all purposes of this Agreement, but such deemed distribution shall not further reduce the Member's Capital Account.

Section 7.11 Tax Elections . The Company may, in the reasonable discretion of the Board of Directors, elect pursuant to Section 754 of the Code, and similar provisions of applicable state income tax laws, to adjust the basis of the Company property as allowed by Sections 734(b) and 743(b) of the Code (or such similar state law provisions). The election, if made, will be filed with the Company information income tax return for the first taxable year to which the election applies. The Company may also, in the reasonable discretion of the Board of Directors, make elections pursuant to Sections 179 (concerning expensing of certain assets), 709(b) (concerning amortization of organization fees), and any other provision of the Code.

ARTICLE VIII
SALE AND TRANSFER OF INTERESTS; LIQUIDITY RIGHTS

Section 8.1 Restrictions on Transfer .

(a) General . Except as expressly permitted in Section 8.1(b) or 8.1(c) , no Member may Transfer all or any portion of its Interests without the unanimous written consent of the Board of Directors. Any attempted Transfer in contravention of the provisions of this Article II shall be null and void *ab initio* , such that the purported transferor shall continue to be the holder of the subject Interests for all purposes and the purported transferee shall not be deemed the holder thereof as a result of such purported Transfer, and the Company shall not give effect to such Transfer or otherwise recognize any rights of such purported transferee. For the avoidance of doubt, an SHR Change in Control shall not constitute a Transfer for purposes of this Agreement, and shall not require any consent or approval from RECO or the Board of Directors.

(b) Permitted Transfers . Notwithstanding the general restriction on Transfer set forth in Section 8.1(a) , a Member may transfer any or all of its Interests to a Wholly-Owned Affiliate; provided that (i) no Transfer shall be made by any Member to any

Wholly-Owned Affiliate that would constitute a Prohibited Assignment (as defined in the Hotel Management Agreement); (ii) such Wholly-Owned Affiliate must agree in an instrument reasonably satisfactory to the other Member to be bound by this Agreement; and (iii) such Transfer is made in compliance with all applicable securities laws.

(c) Pledges . Notwithstanding anything to the contrary set forth in this Agreement, SHR or RECO may pledge (such Member granting the pledge, the "Pledging Member" and the other Member, the "Non-Pledging Member") its respective direct or indirect equity interests in the Company to a lender or financing source. Notwithstanding the foregoing, no such pledge shall be permitted (i) to the extent that such pledge (or the exercise by such lender or financing source of its rights under the pledge) would constitute a Prohibited Assignment under the Hotel Management Agreement or (ii) unless the Lender (as hereinafter defined) agrees to provide to the Non-Pledging Member at the same time a copy of any default or foreclosure notice delivered by such Lender to the Pledging Member. Notwithstanding anything to the contrary contained in this Agreement, if any Member has pledged its Interests in the Company to a lender or financing source (a "Lender") and such Lender has delivered a notice of foreclosure with respect to such Interests (the "Foreclosure Notice"), the Non-Pledging Member shall be entitled to Transfer its Interests without the consent of the Pledging Member, unless the foreclosure action initiated by the Lender has been withdrawn prior to the execution by the Non-Pledging Member of a letter of intent or agreement providing for a Transfer of its Interest to a qualified purchaser with access to sufficient capital to consummate the proposed purchase.

Section 8.2 Change of Control . If an SHR Change in Control occurs within the period beginning on the Effective Date and ending on the date that is eighteen (18) months after the Effective Date, SHR shall provide notice of such SHR Change in Control within thirty (30) days after the occurrence thereof (such notice being a " Change of Control Notice"). For the purposes hereof, an SHR Change in Control shall be deemed to have occurred upon the execution by the parties thereto of any definitive purchase agreement, merger agreement or similar definitive agreement, which upon consummation of the transactions contemplated thereby, will result in an SHR Change in Control.

Section 8.3 Liquidity Rights .

(a) Each Member shall have the right (the "Liquidity Right"): (i) from and after the fourth anniversary of the Effective Date; (ii) upon the occurrence of a Deadlock; and (iii) upon the occurrence of a Terminable Event with respect to such Member, exercisable by written notice (the "Liquidity Notice") to the other Member (the "Notice Member"), to require the Company and/or the Notice Member to purchase all (but not less than all) of its Interests. In the case of a Liquidity Right that is triggered as a result of the occurrence or existence of a Deadlock or a Terminable Event, then the Member giving the Liquidity Notice (the "Electing Member") must exercise such Liquidity Right within 180 days after the occurrence of such Deadlock or Terminable Event. The Liquidity Notice shall set forth the Electing Member's minimum acceptable sale price for the Hotel on an unencumbered basis (the "Floor Value"). Upon receipt of such Liquidity Notice, the Company shall conduct a market test to determine the actual fair market value of the Hotel (the "Actual Value ") in accordance with Section 8.6 hereof.

(b) If the Actual Value, as determined in accordance with Section 8.6 , is less than the Floor Value, then the Electing Member may withdraw its request to exercise its Liquidity Right. After any such withdrawal, the Electing Member who made the withdrawal may not exercise any Liquidity Rights under this Section 8.3 until one full calendar year has elapsed after the determination of the Actual Value unless a separate and distinct Deadlock or Terminable Event occurs during such one year period. If the Actual Value, as determined in accordance with Section 8.6 , is equal to or greater than the Floor Value (or is less than the Floor Value but the Electing Member has not withdrawn its request to exercise its Liquidity Right), then either: (i) the Notice Member may elect in its sole discretion to acquire all of the Interests of the Electing Member at the Buyout Price (as defined below), and the Electing Member shall thereafter be bound to consummate such sale at the Buyout Price; or (ii) the Notice Member may elect to proceed with a Sale of the Hotel or a Sale of the Company and/or its Subsidiaries in accordance with the sale procedures set forth in Section 8.4 (either such Sale transaction described in this item (ii) being referred to as a "Forced Sale").

(c) If the Notice Member elects to acquire the Interests of the Electing Member as contemplated in subsection (b)(i) above, then the closing of such purchase and sale shall occur within 90 days following the date that the Buyout Price is established in accordance with Section 8.6 . If the Notice Member elects to consummate a Forced Sale as contemplated in subsection (b)(ii) above, then such Forced Sale shall be conducted in accordance with the sale procedures set forth in Section 8.4 below.

Section 8.4 Sale Procedures .

(a) If the Notice Member elects to proceed with a Forced Sale in accordance with Section 8.3 or the Members otherwise mutually agree to consummate a Sale of the Hotel or a Sale of the Company and/or its Subsidiaries in accordance with Section 3.3 (as applicable, an "Approved Sale"), such transaction shall be conducted by SHR in accordance with customary procedures for the sale of a luxury hotel. SHR shall have the sole right to approve the terms and conditions of any such Approved Sale and to control the sale process; provided that: (i) in the case of a Forced Sale, RECO shall have the right to approve any alterations to the sale consideration or other material economic terms, which approval shall not be unreasonably withheld or delayed; and (ii) in the case of any Approved Sale other than a Forced Sale, such transaction and certain terms thereof shall be subject to Board approval as a Major Decision in accordance with Section 3.3(a) hereof. Further, in the event of any Approved Sale or Forced Sale, RECO shall, as reasonably required in connection with the consummation of such transaction, take all actions required of it in order to consummate such transaction including without limitation, as applicable, (i) executing any documents or instruments reasonably requested by the proposed purchaser; (ii) providing the same or substantially similar representations, warranties, covenants, releases and indemnities as SHR or its Affiliates are providing in such transaction; (iii) agreeing to any escrows, holdback amounts or deposits required by the purchaser on a pro rata basis, but otherwise on the same or

substantially similar terms as SHR or its Affiliates; (iv) at the closing of such transaction, conveying good title to its Interests, free and clear of all claims and encumbrances created by, through or under such holder or on its behalf (other than any contemplated by this Agreement and any restrictions on transfer applicable under state and/or federal securities laws), against delivery to such holder of the consideration for the Interests of such holder being sold; and (v) approving, at a Members' meeting or by written consent, the transaction as a Member and waiving, if applicable, any dissenters and/or appraisal rights.

(b) Notwithstanding anything to the contrary herein, in the event of any Sale of the Hotel, Sale of the Company (in each case whether in an Approved Sale or a Forced Sale) or other Liquidity Right contemplated by this Agreement, as well as any dissolution or liquidation of the Company as contemplated in Article IX (each, a " Liquidation/Sale Event"), such transaction or proceeding shall in all cases be structured as follows: (i) first, the Company shall be dissolved and liquidated and the common stock of the REIT Subsidiary shall be distributed to the Members (together with the other assets of the Company, if any) in accordance with the rights and preferences set forth in Section 7.3 , and (ii) second, the common stock of the REIT Subsidiary then owned by the selling Member shall be redeemed by the REIT Subsidiary or transferred to the acquiring Member, an Affiliate thereof or a third party (in each case at the applicable price set forth in this Agreement) (collectively, the " Liquidation/Sale Procedure"). Any and all additional administrative fees and expenses (including without limitation fees and expenses of accountants, attorneys and other professionals) incurred by SHR and/or the Company to accommodate the Liquidation/Sale Procedure shall be borne solely by RECO. Upon the consummation of any Liquidation/Sale Event, the selling Member shall provide customary representations, warranties and indemnities with respect to its transfer of Common Stock of the REIT Subsidiary.

Section 8.5 Sale Proceeds . In any Approved Sale or Forced Sale, the aggregate consideration received by the Members shall be distributed among the Members as if such consideration were received by the Company, the debts and obligations of the Company paid in full (including without limitation any prepayment penalties with respect to outstanding indebtedness and all asset management fees payable to the Asset Manager under the Asset Management Agreement), and the proceeds distributed pursuant to Section 7.3 hereof.

Section 8.6 Market Test Procedures and Determination of Buyout Price .

(a) The Actual Value of the Hotel shall be established as follows. SHR and RECO shall attempt to agree upon a broker or investment banking firm (the "Broker") to conduct the sale process. If SHR and RECO are unable to agree to the appointment of the Broker within a reasonable period of time, but not to exceed 30 days, then SHR shall promptly provide RECO with a list of 3 reputable, nationally recognized Brokers and RECO shall promptly select the Broker from such list. The Broker shall implement a bona fide, competitive auction or other sale process to secure indications of interest from qualified purchasers for the purchase of the entire Hotel on a debt-free basis (the "Auction"). Such sale process shall be conducted within a specified period of time reasonably determined by the Broker, but not to exceed 6 months. Upon completion of

the Auction and the receipt of final indications of interests from qualified purchasers with access to sufficient capital to consummate the proposed purchase, the parties shall determine the average of the 3 highest final bids received in the Auction (or if less than 3 bids were received, the average of all final bids received). Such average amount shall be the "Actual Value"; provided that any such final bids that are less than 90% of the highest final bid shall be excluded for purposes of calculating such average. Each of SHR and RECO shall cooperate as necessary to ensure that the Broker and the bidders have access to such information and documentation as is reasonably necessary for conducting the Auction.

(b) The "Buyout Price " shall be determined by calculating the amount that would be distributed to the Electing Member if the Hotel were sold for the Actual Value determined as set forth above, the other assets of the Company (if any) were sold at their book values, and the proceeds were applied, paid or distributed to the Members as provided in Section 7.3 hereof, after payment in full of all indebtedness and liabilities of the Company (including without limitation any break-up or other fees payable to any bidder or to the Broker in connection with the Auction, any prepayment penalties with respect to outstanding indebtedness, a reasonable estimate of all transaction fees and transfer taxes that would have been payable if the Hotel were actually sold to a third party purchaser, and all asset management fees payable to the Asset Manager).

(c) To the extent that any action or transaction listed as a Major Decision in Section 3.3 is necessary or appropriate to satisfy the Liquidity Right of an Electing Member, including any debt or equity financing in connection therewith, then: (i) such action or transaction shall not be deemed a Major Decision and shall not be subject to unanimous approval of the Board of Directors; and (ii) any reasonable costs or expenses incurred in connection with such transaction (including without limitation any financing fees, attorneys fees, accounting fees and other professional fees and expenses) shall be borne by the Company or its Subsidiaries and taken into account in determining the Buyout Price.

ARTICLE IX
DISSOLUTION, LIQUIDATION AND TERMINATION

Section 9.1 Events of Dissolution . The Company shall be dissolved, and wound up pursuant to Section 9.2 , upon the earlier to occur of (it being understood that the following events are the only events that can cause the dissolution and liquidation of the Company):

(a) the tenth (10th) anniversary of the Effective Date;

(b) a unanimous vote by the Board of Directors to dissolve the Company;

(c) the occurrence of any Liquidation/Sale Event;

(d) the entry of a decree of judicial dissolution pursuant to Section 18-802 of the Act; or

(e) any time there are no Members of the Company, unless the Company is continued without dissolution pursuant to the Act.

Section 9.2 Manner of Liquidation . If the Company is dissolved for any reason, the Board of Directors shall commence to wind up the affairs of the Company and to liquidate and sell its assets (in such capacity, the "Liquidator"). The liquidation of the Company shall be conducted in accordance with the Liquidation/Sale Procedure.

Section 9.3 Judicial Winding Up . If the Company is dissolved for any reason and if within 90 days following the date of dissolution the Liquidator has failed to commence such actions as provided in Section 9.2 , any Member, Director or any of their respective Affiliates shall have the right to seek judicial supervision of the winding up of the Company as may be contemplated in the Act.

Section 9.4 [Intentionally Omitted].

Section 9.5 Distributions . Upon the winding up of the Company, its assets (other than cash) shall be sold (except that the common stock of the REIT Subsidiary may be distributed in kind) and its assets or the proceeds thereof shall be distributed as follows: (i) first, to creditors of the Company, including Members who are creditors, in satisfaction of all liabilities of the Company (whether by payment or the making of reasonable provision for payment thereof); and (ii) thereafter, among the Members in accordance with Section 7.3 hereof.

Section 9.6 Source of Distributions . Each holder of an Interest in the Company shall look solely to the assets of the Company for the return of its or his Capital Contribution and its or his share of Profits and Losses and shall have no recourse upon dissolution or otherwise against the Company, the Members or the Liquidator. No holder of an interest in the Company shall have any right to demand or receive property other than cash upon dissolution and termination of the Company. All of the Company's properties shall be sold upon liquidation of the Company and no Company property shall be distributed in kind to the Members either during the term of the Company or upon the dissolution and termination thereof unless in each case otherwise unanimously agreed by the Board of Directors.

Section 9.7 Termination . Upon the completion of the winding up of the Company and the distribution of all Company funds, the Liquidator shall execute a certificate of cancellation of the Certificate and record all other documents required to effectuate the dissolution and termination of the Company and the cancellation of the Certificate.

ARTICLE X
ADDITIONAL COVENANTS AND AGREEMENTS

Section 10.1 Financial and Other Information . The Company shall deliver to each Member the following:

(a) as soon as practicable, but in any event within ninety (90) days after the end of each fiscal year, an audited consolidated balance sheet as of the fiscal year end and audited statements of operations, cash flows, and shareholders' equity for the fiscal year;

(b) as soon as practicable, but in any event within forty-five (45) days after the end of each of the first three fiscal quarters, an unaudited consolidated balance sheet of the Company as of the end of such fiscal quarter and unaudited consolidated statements of operations, cash flows and shareholders' equity for such fiscal quarter and fiscal year to date;

(c) as soon as practicable after receipt from Hotel Manager, the monthly reporting package or other monthly financial statements provided by the Hotel Manager;

(d) as soon as practicable after completion, an annual budget and business plan for the forthcoming fiscal year together with any update of such plan as it is prepared; and

(e) such other information relating to the financial condition, business, prospects or corporate affairs of the Company as such Shareholder may from time to time reasonably request.

Section 10.2 Tax Information . The Company shall cause to be delivered to each Person who was a Member at any time during a Fiscal Year (and will use its commercially reasonable efforts to do so within 180 days after the end of such Fiscal Year) a Form K-1 and such other information, if any, with respect to the Company as may be necessary for the preparation of such Member's federal, state and local income tax returns, including a statement showing such Member's share of income, gain or loss, expense and credits for such Fiscal Year for federal income tax purposes.

Section 10.3 REIT Opinion . Each of SHR and RECO shall have the right to require, not more than one (1) time every other fiscal year, by providing written notice to the Company, that the Company cause the delivery of an opinion of counsel from a nationally recognized law firm selected by the Company addressed to RECO and SHR (and any other applicable party) with respect to the qualification of the REIT Subsidiary as a real estate investment trust under the Code.

Section 10.4 Acquisition of Certain Indebtedness by SHR . SHR or one of its Affiliates (the "SHR Lender") may, in its sole discretion and without any approval from RECO or the Board of Directors, acquire from a third party lender any indebtedness secured by the Hotel or payable directly or indirectly out of the revenues of the Hotel (the "Hotel Debt"). If the SHR Lender acquires any Hotel Debt, it shall have all of the same rights and remedies of the lender who initially funded such indebtedness (the "Assignor Lender"), including without limitation with respect to priority of payment, affirmative and negative covenants, events of default and any other terms and conditions set forth in the applicable loan agreement, pledge agreement, deed of trust, mortgage or other agreement or instrument securing such loan or relating thereto (the "Third Party Loan Documents"). Notwithstanding the preceding sentence, for so long as the SHR Lender owns such Hotel Debt and no Designated Event has occurred, the SHR Lender will refrain from initiating foreclosure proceedings with respect to the Hotel or any other collateral securing the Hotel Debt, it being understood that the SHR Lender shall retain all other rights and remedies with respect to such Hotel Debt in accordance with the Third Party Loan Documents. Any of the following events or circumstances with respect to the Company or any Subsidiary

shall be considered a "Designated Event" for purposes of the SHR Lender's ability to exercise its foreclosure rights: (1) making an assignment for the benefit of creditors or filing a petition under federal bankruptcy law or any state insolvency law; (2) a sale or Transfer by either SHR or RECO of all or a material portion of its Interests; (3) if SHR no longer has a right to appoint a majority of the Board of Directors; or (4) if any other Person (other than SHR or its Affiliates) who holds Hotel Debt initiates foreclosure proceedings with respect to the Hotel or any other collateral securing such Hotel Debt. For the avoidance of doubt, the foregoing restrictions on the SHR Lender's ability to initiate foreclosure proceedings shall only apply to an SHR Lender and not to any other Person to whom the SHR Lender assigns or transfers such Hotel Debt or who otherwise owns any Hotel Debt, and the restrictions, limitations and other conditions set forth herein or required hereby on the rights and remedies of the holder of any Hotel Debt shall immediately be terminated and of no further force and effect upon such assignment or transfer.

Section 10.5 Confidentiality Agreement .

(a) Each Member, and any successor or assign of such Member, who receives from the Company or its agents, directly or indirectly, any information that the Company has not made generally available to the public, pursuant to the preparation and execution of this Agreement or the Purchase Agreement or disclosure in connection therewith or otherwise pursuant to the provisions of this Agreement or the Purchase Agreement or as a Member: (i) acknowledges and agrees that such information is confidential and for its use only in connection with its investment in the Company; and (ii) agrees that it will not disseminate such information to any person other than its accountant, investment advisor, limited partners, attorney, advisor, Affiliates and any financing sources.

(b) The obligation to hold in confidence and not to disclose confidential information pursuant to this Section 10.5 shall not apply to any such information that (i) is or becomes generally available to the public other than as a result of a direct or indirect disclosure by a Member in violation of this Agreement, (ii) is disclosed to the Member on a non confidential basis by a third party provided that such third party is not, to the knowledge of the Member, bound by a confidentiality agreement with the Company, (iii) is independently discovered, derived or developed by the Shareholder without access to the confidential information, or (iv) is required to be disclosed by applicable law or regulation, regulatory body, stock exchange, court or administrative order, or any listing or trading agreement with such regulatory body or stock exchange concerning such Member or the Company.

(c) SHR shall keep confidential the identity of RECO as a Member of the Company and shall not disclose the investment of RECO in the Company without the prior consent of RECO except as is required to be disclosed by applicable law or regulation, regulatory body, stock exchange, court or administrative order, or any listing or trading agreement with such regulatory body or stock exchange and only after prior notice to such Shareholder of the intent or requirement to disclose such information.

Section 10.6 Issuance of Certain Shares of the REIT Subsidiary . The Company shall use commercially reasonable efforts to cause the REIT Subsidiary to issue Class A Preferred Stock (as defined in the Certificate of Incorporation of the REIT Subsidiary) to at least 101 Persons by January 8, 2008.

ARTICLE XI
BOOKS AND RECORDS

Section 11.1 Books and Records . The books and records of the Company shall, at the cost and expense of the Company, be kept or caused to be kept by the Company at the principal place of business of the Company or as otherwise determined by the Board of Directors. The books of account shall be kept in a manner that allows for the preparation of the Company's financial statements in accordance with GAAP. Each Member and its duly authorized representatives, upon five days notice, shall be permitted for any purpose reasonably related to such Member's interest as a member of the Company to inspect the books and records of the Company at any reasonable time during normal business hours. However, the Board of Directors shall have the right in its discretion to keep confidential from the Members, for such period of time as the Board of Directors deems appropriate, any information which the Board of Directors reasonably believes to be in the nature of trade secrets or other information the disclosure of which the Board of Directors in good faith believes is not in the best interest of the Company or the business or that the Company (or any Subsidiary) is required by law or agreement with a third party to keep confidential.

(c) Borrower shall, and shall cause each Borrowing Base Entity to, (i) promptly perform and observe all of the material terms, covenants and conditions required to be performed and observed by Borrower and such Borrowing Base Entities under the Leases and the REAs, if the failure to perform or observe the same would have a Material Adverse Effect and (ii) exercise, within ten (10) Business Days after a written request by Administrative Agent, any right to request from the Tenant under any Lease, or the party to any REAs a certificate with respect to the status thereof.

(d) All New Leases entered into by Borrower and any Borrowing Base Entities after the Third Amendment Closing Date shall by their express terms be subject and subordinate to this Agreement and the First Lien Mortgages (through a subordination provision contained in such Lease or otherwise) and shall provide that if Administrative Agent agrees to a Non-Disturbance Agreement pursuant to Section 7.1.32(f) , the Person holding any rights thereunder shall attorn to Administrative Agent or any other Person succeeding to the interests of Administrative Agent upon the exercise of its remedies hereunder or any transfer in lieu thereof on the terms set forth in this Section 7.1.32 .

change in the provisions thereof; provided , however , Administrative Agent or such successor in interest shall not be liable for or bound by (i) any payment of an installment of rent or additional rent made more than thirty (30) days before the due date of such installment, (ii) any act or omission of or default by Borrower or the applicable Borrowing Base Entity under any such Lease (but the Administrative Agent, or such successor, shall be subject to the continuing obligations of the landlord to the extent arising from and after such succession to the extent of Administrative Agent's, or such successor's, interest in the Borrowing Base Property), (iii) any credits, claims, setoffs or defenses which any Tenant may have against Borrower or the applicable Borrowing Base Entity, (iv) any obligation under such Lease to maintain a fitness facility at the Borrowing Base Property, (v) any obligation on Borrower's or the applicable Borrowing Base Entity's part, pursuant to such Lease, to perform any tenant improvement work or (vi) any obligation on Borrower's or the applicable Borrowing Base Entity's part, pursuant to such Lease, to pay any sum of money to any Tenant. Each such New Lease shall also provide that, upon the reasonable request by Administrative Agent or such successor in interest, the Tenant shall execute and deliver an instrument or instruments confirming such attornment.

(f) Administrative Agent on behalf of the Lenders shall enter into, and, if required by applicable law to provide constructive notice or requested by a Tenant, record in the county where the subject Property is located, a subordination, attornment and non-disturbance agreement, substance substantially similar to the form attached to this Agreement as Exhibit L (a "Non-Disturbance Agreement"), with any Tenant (other than an Affiliate of Borrower or a Borrowing Base Entity) entering into a Lease permitted hereunder or otherwise consented to by Lender within ten (10) Business Days after written request therefor by Borrower, provided that such request is accompanied by an officer's certificate stating that such Lease complies in all material respects with this Section 7.1.32 . All reasonable third party costs and expenses incurred by Administrative Agent in connection with the negotiation, preparation, execution and delivery of any Non-Disturbance Agreement, including, without limitation, reasonable attorneys' fees and disbursements, shall be paid by Borrower (in advance, if requested by Lender).

located in the United States, the term "proceeds" shall have the meaning set forth in the Uniform Commercial Code of the State in which the applicable Borrowing Base Property is located) of any or all of the foregoing. Without Administrative Agent's written consent, which consent shall not be unreasonably withheld, conditioned or delayed, Borrower shall not, and shall not permit the Borrowing Base Entities to, close any of the Accounts, nor take any action or omit to take any action that would result in the monies payable to the Accounts being deposited in accounts other than the Accounts.".

"*(a) Minimum Total Fixed Charge Coverage Ratio .*

(i) Borrower will not permit the Total Fixed Charge Coverage Ratio, as of the end of any Fiscal Quarter, to be less than 1.0:1.0; provided , however , that, subject to clauses (ii) and (iii) below, for up to four (4) consecutive Fiscal Quarters, Borrower may elect once and only once, upon not less than ten (10) Business Days' prior written notice to Administrative Agent, to reduce such ratio to 0.90:1.0 (the "Low Fixed Charge Covenant Period"). From and after Borrower's election to implement a Low Fixed Charge Covenant

Period, the Advance Rate will be permanently reduced by five (5) percentage points from its then current percentage (subject to further reduction pursuant to Section 7.1.22(f)). During the Low Fixed Charge Coverage Period, neither Borrower nor Guarantor may authorize, declare, or pay any amount of preferred Dividends in cash or in kind, except to the extent permitted pursuant to Section 7.2.6(c) . From and after the expiration of the Low Fixed Charge Covenant Period, Borrower will not permit the Total Fixed Charge Coverage Ratio, as of the end of any Fiscal Quarter, to be less than 1.0:1.0.

(ii) Notwithstanding anything to the contrary contained herein, from and after the earliest of (A) the first (1st) day of the Extension Term, (B) the date on which Borrower elects the Alternative Capex/Investments Basket, or (C) except to the extent paid pursuant to Section 7.2.6(c) , the date on which Borrower resumes payment of any common Dividends in cash or in kind, (1) Borrower will not permit the Total Fixed Charge Coverage Ratio, as of the end of any Fiscal Quarter, to be less than 1.15:1.0 and (2) the Low Fixed Charge Covenant Period will no longer be available.

(iii) Notwithstanding anything to the contrary contained herein, in the event that the Initial Maturity Date occurs during the Low Fixed Charge Covenant Period, the Low Fixed Charge Covenant Period shall be deemed to have expired as of the Initial Maturity Date, regardless of whether the Initial Maturity Date occurs prior to the end of the fourth (4th) Fiscal Quarter of the Low Fixed Charge Covenant Period.

(iv) Notwithstanding anything to the contrary contained herein, from and after payment of any Catch-Up Amounts, Borrower will not permit the Total Fixed Charge Coverage Ratio, as of the end of any Fiscal Quarter, to be less than 1.10:1.00.

(b) Borrower will not permit the Total Leverage Ratio to be greater than .80 to 1.0.

(c) Borrower will not permit, as of any date, Consolidated Tangible Net Worth to be less than an amount equal to Six Hundred Million Dollars ($600,000,000) plus seventy-five percent (75%) of the net proceeds to Guarantor of any new issuances of common Capital Stock but excluding therefrom (x) the proceeds of any common Capital Stock of Guarantor or Borrower used in a transaction or a series of transactions to redeem all or any portion of an outstanding issue of Capital Stock (including payment in connection therewith of any accrued Dividends in accordance herewith) or (y) Capital Stock of Guarantor or Borrower issued to discharge Indebtedness.".

1.4.16 Section 7.2.4(d) of the Original Agreement is hereby amended by inserting the following after the last sentence thereof:

"*Notwithstanding anything to the contrary contained herein other than as set forth in the immediately succeeding sentence, Borrower shall not incur, or permit to be incurred after the Third Amendment Closing Date, any Construction Costs of the Consolidated Group (other than Construction Costs relating to projects in progress as set forth on Schedule XI , which for the avoidance of doubt excludes any projects that are currently in design or pre-development stage, such as the La Solana project) once such Construction Costs are equal to, in the aggregate, Fifty Million Dollars ($50,000,000) (the "Capex/Investments Basket"). Notwithstanding the foregoing, provided that (A) no Default has occurred and is continuing and (B) the Total Fixed Charge Coverage Ratio is not less than 1.15:1.0 calculated as of the previous Fiscal Quarter, Borrower may, upon not less than ten (10) days' prior written notice to Administrative Agent (which notice shall contain an officer's certificate certifying as to Borrower's compliance with clauses (A) and (B) above), incur Construction Costs after the Third Amendment Closing Date that shall not exceed, as of any date, ten percent (10%) of Gross Asset Value (the "Alternative Capex/Investments Basket"). The election by Borrower to so utilize the Alternative Capex/Investments Basket shall be deemed to be permanent, and the Capex/Investments Basket will then no longer be available. Any payments made by Borrower, Guarantor or any Subsidiary that is not a Non-Borrowing Base Subsidiary to reduce the principal amount of any Indebtedness owed by any Non-Borrowing Base Property Subsidiary shall reduce the Capex/Investments Basket or Alternative Capex/Investments Basket, as applicable.* ".

(i) any Subsidiary of Borrower may authorize, declare and pay Dividends to Borrower or to any Subsidiary of Borrower;

(ii) except as provided in clause (a)(i) above or clause (c) below, Guarantor and Borrower may not authorize, declare or pay any amount of Dividends payable to holders of common Capital Stock or operating partnership stock in cash or in kind until the Total Fixed Charge Coverage Ratio exceeds 1.3:1.0. Once the Total Fixed Charge Coverage Ratio exceeds 1.3:1.0, Guarantor, Borrower

and any of their respective Subsidiaries may authorize, declare or pay Dividends payable to holders of common Capital Stock or operating partnership stock from time to time (in addition to those permitted pursuant to the preceding clause (a)(i)), so long as (A) no Event of Default exists at the time of the respective authorization, declaration or payment or would exist immediately after giving effect thereto, and (B) calculations are made by Borrower establishing compliance with the financial covenants contained in Section 7.2.4 for the Test Period, on a pro forma basis (giving effect to the payment of the applicable Dividend);

(iii) except as provided in clause (a)(i) above or clause (c) below, Guarantor and Borrower may not authorize, declare or pay any amounts to holders of preferred Capital Stock in excess of the amounts owed thereto which accrued with respect to the most recent Fiscal Quarter ("Catch-Up Amounts") for prior Fiscal Quarters until the Total Fixed Charge Coverage Ratio exceeds 1.15:1.00 for the prior two (2) consecutive Fiscal Quarters (such ratio shall be calculated for both quarters using a dividend amount paid to holders of preferred Capital Stock equal to the greater of (a) distributions on preferred partnership units payable by Borrower for the latest Fiscal Quarter multiplied by four (4) and (b) distributions on preferred partnership units payable by Borrower for the latest Fiscal Quarter plus any Catch Up Amounts being paid at such time); provided , however , that any transaction or series of transactions in which the common or preferred Capital Stock of Guarantor or Borrower is exchanged for additional common or preferred Capital Stock of Guarantor or Borrower shall not be deemed the payment of a Catch-Up Amount for the purposes of this Section 7.2.6(a)(iii) or Section 7.2.4(a)(iv) ;

(iv) provided no Event of Default exists at the time of the respective authorization, declaration or payment or would exist immediately after giving effect thereto and subject to clause (iii) above, Guarantor, Borrower and their respective Subsidiaries may authorize, declare or pay any amount of preferred Dividends;

(b) No redemption, retirement, purchase or other acquisition or similar transaction, of any class of Borrower's or Guarantor's outstanding Capital Stock (each, a "Share Repurchase") shall be permitted without the

The foregoing restriction shall not be deemed to apply to (i) the purchase or exercise of Capped Call Options by Borrower or Guarantor, (ii) a reverse stock split pursuant to the terms of Section 7.1.16 or (iii) a transaction or series of transactions in which an outstanding issue of the Capital Stock of Guarantor or Borrower is replaced, redeemed, or exchanged with a new issue of Capital Stock or the proceeds thereof, as applicable (or in each case portions thereof).

(c) No Dividend in cash or in kind may be paid or made by Borrower or Guarantor under this Section 7.2.6 at any time that an Event of Default shall have occurred and be continuing or would result from any such Dividend or other payment; provided , however , that notwithstanding the restrictions of Section 7.2.6(a) or the first part of this sentence, for so long as Guarantor qualifies, or has taken all other actions necessary to qualify, as a "real estate investment trust" under the Code during any Fiscal Year of Guarantor, Borrower may authorize, declare and pay quarterly cash Dividends (which may be based on estimates) to Guarantor when and to the extent necessary for Guarantor to distribute, and Guarantor may so distribute, cash Dividends to its shareholders generally in an aggregate amount not to exceed the minimum amount necessary for Guarantor to maintain its tax status as a real estate investment trust, unless Borrower receives notice from Administrative Agent of any monetary Event of Default or other material Event of Default.

(d) For avoidance of doubt, a Dividend paid or satisfied with the issuance of Capital Stock shall not be deemed to be a Dividend "in kind".".

If an Event of Default shall have occurred and be continuing, or if Borrower or the applicable Borrowing Base Entity fails to file and/or prosecute any insurance claim for a period of fifteen (15) Business Days following Borrower's receipt of written notice from Administrative Agent, Borrower hereby irrevocably empowers, and shall cause the applicable Borrowing Base Entity to irrevocably empower, Administrative Agent, in the name of Borrower or such Borrowing Base Entity, as applicable, as its true and lawful attorney-in-fact, to file and prosecute such claim (including settlement thereof) with counsel satisfactory to Administrative Agent and to collect and to make receipt for any such payment, all at Borrower's expense (including payment of and interest thereon at a rate equal to the Alternate Base Rate then in effect for Base Rate Loans plus the Applicable

14.1.3 the Lincolnshire Ground Lessee enjoys the quiet and peaceful possession of the Lincolnshire Leasehold Estate;

14.1.4 the Lincolnshire Ground Lessee has not delivered or received any notices of default under the Lincolnshire Ground Lease and to the best of Borrower's knowledge the Lincolnshire Ground Lessee is not in default under any of the terms of the Lincolnshire Ground Lease, and there are no circumstances which, with the passage of time or the giving of notice, or both, would constitute a default under the Lincolnshire Ground Lease;

14.1.5 To the best knowledge of Borrower, Lincolnshire Fee Owner is not in default under any of the terms of the Lincolnshire Ground Lease on its part to be observed and performed;

14.1.6 Borrower has delivered to Administrative Agent a true, accurate and complete copy of the Lincolnshire Ground Lease; and

14.1.7 Borrower knows of no adverse claim to the title or possession of the Lincolnshire Ground Lessee or the Lincolnshire Fee Owner.

Section 14.2 Cure by Administrative Agent . In the event of a default by a Ground Lessee in the performance of any of its obligations under a Ground Lease, (i) which default would permit the Fee Owner to terminate such Ground Lease and (ii) Borrower or the applicable Borrowing Base Entities are not diligently prosecuting the cure thereof, then, in each and every such case, Borrower shall cause the Ground Lessee to (A) permit Administrative Agent to, at its option, cause the default or defaults to be remedied and (B) otherwise exercise any and all rights of the Ground Lessee thereunder in the name of and on behalf of the Ground Lessee. Borrower shall cause the Ground Lessee to, on demand, reimburse Administrative Agent for all advances made and expenses incurred by Administrative Agent in curing any such default (including, without limitation, reasonable attorneys' fees and disbursements), together with interest thereon at a rate equal to the Alternate Base Rate then in effect for Base Rate Loans plus the Applicable Margin for Base Rate Loans plus two percent (2%) from the date that such advance is made to and including the date the same is paid to Administrative Agent.

Section 14.3 Option to Renew or Extend a Ground Lease . Borrower shall cause each Ground Lessee to give Administrative Agent written notice of its intention to exercise each and every option, if any, to renew or extend the term of a Ground Lease, at least thirty (30) days prior to the expiration of the time to exercise such option under the terms thereof (the "Exercise Period"). If required by Administrative Agent, Borrower shall cause such Ground Lessee to duly exercise during the Exercise Period any renewal or extension option with respect to such Ground Lease if Administrative Agent reasonably determines that the exercise of such option is necessary to protect the Collateral. If such Ground Lessee intends to renew or extend the term of such Ground Lease, Borrower shall deliver to Administrative Agent, with the notice of such decision, a copy of the notice of renewal or extension delivered to the Fee Owner, together with the terms and conditions of such renewal or

extension. If such Ground Lessee does not renew or extend before or during the Exercise Period the term of such Ground Lease, Administrative Agent may, at its option (if Administrative Agent reasonably determines that the exercise of such option is necessary to protect the Collateral), exercise during the Exercise Period the option to renew or extend, subject to the terms thereof, in the name of and on behalf of such Ground Lessee. Borrower shall cause (and with respect to the Lincolnshire Ground Lessee does cause) each Ground Lessee to irrevocably appoint Administrative Agent as its attorney-in-fact, coupled with an interest, to execute and deliver, for and in the name of such Ground Lessee, all instruments and agreements necessary under the Lincolnshire Ground Lease or otherwise to cause (if Administrative Agent reasonably determines that the exercise of such option is necessary to protect the Collateral) any renewal or extension of the Ground Lease during the Exercise Period.

Section 14.4 Ground Lease Covenants .

14.4.1 Waiver of Interest in New Ground Lease . In the event a Ground Lease shall be terminated by reason of a default thereunder by the Ground Lessee and Administrative Agent shall require from Fee Owner a new ground lease, Borrower hereby waives and shall cause such Ground Lessee to waive any right, title and interest in and to such new Ground Lease or the leasehold estate created thereby, waiving all rights of redemption now or hereafter operable under any law.

Borrower shall not permit a Ground Lessee to elect to treat a Ground Lease as terminated, canceled or surrendered pursuant to the applicable provisions of the Bankruptcy Code (including, without limitation, Section 365(h)(1) thereof) without Administrative Agent's prior written consent in the event of Fee Owner's bankruptcy. In addition, Borrower shall, in the event of Fee Owner's bankruptcy, cause the applicable Ground Lessee to reaffirm and ratify the legality, validity, binding effect and enforceability of the applicable Ground Lease and to remain in possession of the Leasehold Estate and any Improvements, notwithstanding any rejection thereof by Fee Owner or any trustee, custodian or receiver.

14.4.3 Notice Prior to Rejection . Borrower shall give Administrative Agent not less than thirty (30) days prior written notice of the date on which a Ground Lessee shall apply to any court or other governmental authority for authority and permission to reject a Ground Lease in the event that there shall be filed by or against the Borrower or Ground Lessee any petition, action or proceeding under the Bankruptcy Code or under any other similar federal or state law now or hereafter in effect and if a Ground Lessee determines to reject the applicable Ground Lease. Administrative Agent shall have the right, but not the obligation, to serve upon Borrower within such thirty (30) day period a notice stating that (i) Administrative Agent demands that Borrower cause such Ground Lessee to assume and assign such Ground Lease to Administrative Agent subject to

and in accordance with the Bankruptcy Code, and (ii) Administrative Agent covenants to cure or provide reasonably adequate assurance thereof with respect to all defaults reasonably susceptible of being cured by Administrative Agent and of future performance under such Ground Lease. 4.1.18 Labor . No organized work stoppage or labor strike is pending or to Borrower's knowledge threatened by employees and other laborers at any Borrowing Base Property. To Borrower's knowledge, neither a Borrowing Base Entity nor the Manager of such Borrowing Base Property (i) is involved in or threatened with any material labor dispute, grievance or litigation relating to material labor matters involving any employees and other laborers at the Borrowing Base Property, including, without limitation, violation of any federal, state or local labor, safety or employment laws (domestic or foreign) and/or charges of unfair labor practices or discrimination complaints, (ii) has engaged in any unfair labor practices within the meaning of the National Labor Relations Act or the Railway Labor Act or (iii) is a party to, or bound by, any collective bargaining agreement or union contract with respect to employees and other laborers at any Borrowing Base Property and no such agreement or contract is currently being negotiated by Borrower, Manager or any Borrowing Base Entity.

4.1.19 Brokers . Borrower has not dealt with any broker or finder with respect to the transactions contemplated by the Loan Documents has not done any acts, had any negotiations or conversations, or made any agreements or promises which will in any way create or give rise to any obligation or liability for the payment of any brokerage fee, charge, commission or other compensation to any Person with respect to the transactions contemplated by this Third Amendment. Administrative Agent has not dealt with any broker or finder with respect to the transactions contemplated by the Loan Documents has not done any acts, had any negotiations or conversations, or made any agreements or promises which will in any way create or give rise to any obligation or liability for the payment of any brokerage fee, charge, commission or other compensation to any Person with respect to the transactions contemplated by this Third Amendment. Borrower and Administrative Agent shall each indemnify and hold harmless the other from and against any loss, liability, cost or expense, including any judgments, attorneys' fees, or costs of appeal, incurred by the other party and arising out of or relating to any breach or default by the indemnifying party of its representations, warranties and/or agreements set forth in this Section 4.1.19 . The provisions of this Section 4.1.19 shall survive the expiration and termination of the Agreement and the payment of the Indebtedness.

4.1.20 Taxpayer Identification Number . Borrower's Federal taxpayer identification number is 36-4200430. The Federal taxpayer number for each Property Owner of a Borrowing Base Property located in the United States of America is 36-4312527 (with respect to SHC Laguna Niguel I LLC), 36-4312523 (with respect to SHC Lincolnshire LLC) and 20-4135050 (with respect to SHC Washington, L.L.C.). The Federal taxpayer number for each

Operating Lessee of a Borrowing Base Property located in the United States of America is 20-4707064 (with respect to DTRS Laguna, L.L.C.), 20-1232041 (with respect to DTRS Lincolnshire, L.L.C.) and 20-4135120 (with respect to DTRS Washington, L.L.C.).

4.1.21 Solvency/Fraudulent Conveyance . Borrower and the Borrowing Base Entities (a) have not entered into the transaction contemplated by the Agreement or any Loan Document with the actual intent to hinder, delay, or defraud any creditor and (b) have received reasonably equivalent value in exchange for their obligations under the Loan Documents. After giving effect to the Facility and the provisions of the Loan Documents, the fair saleable value of Borrower's assets exceeds and will, immediately following the making of the Facility, exceed Borrower's total liabilities, including, without limitation, subordinated, unliquidated, disputed and contingent liabilities. After giving effect to the Facility and the provisions of the Loan Documents, the fair saleable value of the assets of each Borrowing Base Entity exceeds and will, immediately following the execution and delivery of this Third Amendment, exceed the total liabilities of such Borrowing Base Entity, including, without limitation, subordinated, unliquidated, disputed and contingent liabilities. The fair saleable value of Borrower's assets is and will, immediately following the execution and delivery of this Third Amendment, be greater than Borrower's probable liabilities, including the maximum amount of its contingent liabilities on its Indebtedness as such Indebtedness become absolute and matured. The fair saleable value of the assets of each Borrowing Base Entity is and will, immediately following the execution and delivery of this Third Amendment, be greater than the probable liabilities of such Borrowing Base Entity, including the maximum amount of its contingent liabilities on its Indebtedness as such Indebtedness becomes absolute and matured. The assets of Borrower and each Borrowing Base Entity do not and, immediately following the execution and delivery of this Third Amendment will not, constitute unreasonably small capital to carry out each party's business as conducted or as proposed to be conducted. Each of Borrower and each Borrowing Base Entity does not intend to, and does not believe that it will, incur Indebtedness and liabilities (including contingent liabilities and other commitments) beyond their ability to pay such Indebtedness and liabilities as they mature (taking into account the timing and amounts of cash to be received by Borrower or such Borrowing Base Entity and the amounts to be payable on or in respect of obligations of Borrower or such Borrowing Base Entity).

4.1.22 Leases and REAs . Borrower represents that it has heretofore delivered, or caused the applicable Borrowing Base Entity to deliver, to Administrative Agent true and complete copies of all Leases and REAs and any and all amendments or modifications thereof. To Borrower's knowledge, no events or circumstances exist which with or without the giving of notice, the passage of time or both, may constitute a material default on the part of Borrower or such Borrowing Base Entity under any Leases or REAs except as disclosed on Schedule XVII . To Borrower's knowledge, Borrower or its predecessors and each Borrowing Base Entity of a Borrowing Base Property or its predecessors have complied with and performed all of its or their material construction, improvement and alteration obligations with respect to each Borrowing Base Property required as of the date hereof and any other obligations under the other REAs or the Leases that are required as of the date hereof have either been complied with or the failure to comply with the same does not and could not reasonably be expected to have a Material Adverse Effect.

4.1.23 Borrowing Base Property . Each Borrowing Base Property satisfies the following criteria: (i) such Borrowing Base Property is leased to an Operating Lessee; (ii) such

Borrowing Base Property is designated a full-service property (in accordance with industry standard, as reasonably determined by Administrative Agent); (iii) the Specified Borrowing Base Properties shall at all times be luxury or better quality hotels, and Marriott Lincolnshire shall at all times be an upper-upscale, luxury or better quality hotel, as designated by Smith Travel Research (or a similar successor company designated by Administrative Agent); (iv) such Property is operated under a nationally recognized brand (a) in the case of Marriott Lincolnshire, by an Approved Manager (as set forth on Schedule IV of the Original Agreement) and (b) in the case of the Specified Borrowing Base Properties, by an Approved Luxury Manager; (v) such Borrowing Base Property is fully operating, open to the public and not under development or redevelopment (except for routine, ordinary course renovation, maintenance and repair that does not result in the closure of more than fifteen percent (15%) of the rooms at such hotel); provided , however , that temporary closure due to force majeure events, not to exceed five (5) Business Days, shall be permitted; (vi) such Borrowing Base Property is not subject to or encumbered by any Indebtedness other than Permitted Borrowing Base Debt; (vii) such Borrowing Base Property is free of material structural defects or material environmental issues; (viii) neither such Borrowing Base Property nor the Property Owner thereof is encumbered with Permitted Borrowing Base Debt or any other Material Agreement that by its terms precludes the grant of the Collateral or the exercise by or on behalf of the Secured Creditors of remedies with respect to the Collateral; and (ix) the Property Owner of such Borrowing Base Property is Borrower or a Subsidiary Guarantor.

4.1.24 Mexico Insurance . The insurance policies listed and described on Annex A to the Irrevocable Administration and Security Trust Agreement with Reversion Rights, dated the Third Amendment Closing Date, with respect to the real estate and the equipment used to operate the Four Seasons Mexico City and the Four Seasons Punta Mita which are the Company's responsibility, are valid and effective as of the date hereof.

V. RELEASE OF ADMINISTRATIVE AGENT AND THE LENDERS

Section 5.1 Borrower, on its own behalf and on behalf of Guarantor and all Subsidiaries (the "Releasing Parties"), hereby releases, remises, acquits and forever discharges each of Administrative Agent and the Lenders, and their respective employees, agents, representatives, consultants, attorneys, fiduciaries, servants, officers, directors, partners, predecessors, successors and assigns, subsidiaries, parents and affiliates (all of the foregoing hereinafter called the "Released Parties"), from any and all actions and causes of action, judgments, executions, suits, debts, claims, demands, liabilities, obligations, damages and expenses of any and every character, including legal fees, known or unknown, direct and/or indirect, at law or in equity, of whatsoever kind or nature, whether heretofore or hereafter arising, for or because of any matter or things done, omitted or suffered to be done by any of the Released Parties prior to and including the date of this Third Amendment that, in any way directly or indirectly, arise out of or in any way are connected to or related to the Original Agreement, the Facility or the Loan Documents, including but not limited to, claims relating to any settlement negotiations (all of the foregoing hereinafter called the "Released Matters"). Each of the Released Parties acknowledges that the agreements in this Article V are intended to be in full satisfaction of all or any alleged injuries or damages arising in connection with the Released Matters. Each of the Releasing Parties hereby represents and warrants to Released Parties that it has not purported to transfer, assign or otherwise convey any of its right, title or interest in any Released Matter to any other Person and that the foregoing constitutes a full and complete release of all Released Matters.".

A lot and block description shall be acceptable in place of a metes and bounds description in exceptional cases.

(e) Policy Form . An ALTA Loan Policy in form and substance acceptable to Administrative Agent. Without limiting Administrative Agent's right to require specific coverages, endorsements or other title work, the Title Policy shall (i) be in the 2006 ALTA Loan Policy (6-17-2006) or, if not available, ALTA 1992 form (deleting arbitration and providing the ALTA 21 Creditor's Rights Endorsements) or, if not available, the form acceptable to Administrative Agent, (ii) to the extent available, include the "extended coverage" provisions described in paragraph 5 below, (iii) include all applicable endorsements described in paragraph 6 below, and (iv) include Schedule B exceptions in a form and to the extent acceptable to Administrative Agent's counsel.

5. Extended Coverage Requirements . The Title Policy shall:

(a) not contain any exception for filed or unfilled mechanic, materialmen or similar liens;

(b) limit any general exception for real estate taxes and other charges to real estate or other similar taxes or assessments that are not yet due and payable or delinquent and are not a current lien on the Borrowing Base Properties;

(c) limit any general exception for the rights of persons in possession to the rights of specified tenants, as tenants only with no right or option to purchase, set forth on the rent roll for the Borrowing Base Properties and attached to the Title Policy; and

(d) not contain any general exception as to matters that an accurate Survey of the Borrowing Base Properties would disclose, but may contain specific exceptions to matters disclosed on the Survey to be delivered on the date of execution of the Third Amendment, subject to review by Administrative Agent's counsel.

6. Required Endorsements . The following endorsements are required, to the extent available in the jurisdiction in which the Borrowing Base Properties are located:

- Restrictions, Encroachments, Minerals Endorsement ALTA Form 9 or equivalent.

- (The Title Policy may make an exception only for specific state statutes that provide for potential subsequent liens that could take priority over the lien securing the Loans.)
- Direct Access to Public Road Endorsement;
- Usury Endorsement.

Use Restrictions . Confirms that the current use of the Borrowing Base Properties are permitted under the zoning ordinance and that the Borrowing Base Properties are not a non-conforming use.

Dimensional Requirements . Confirms that the Borrowing Base Properties are in compliance with all dimensional requirements of the zoning code, including minimum lot area, maximum building height, maximum floor area ratio and setback or buffer requirements.

Parking Requirements . Confirms that the Borrowing Base Properties are in compliance with all parking and loading requirements, including the number of spaces and dimensional requirements for the parking spaces.

- Separate Tax Lot Endorsement.

- Contiguity Endorsement.
- Variable Rate Endorsement.

Insurance

1.1 Insurance Requirements Property Insurance . Insurance against loss customarily included under so called "All Risk" policies including flood, earthquake (in an amount sufficient to fully insure the expected probable maximum loss ("PML") for a 500-year event, with a PML study delivered by Borrower as of the Third Amendment Closing Date, addressing all of the properties located in an area susceptible to significant earthquake damage (which the parties agree are the Ritz Carlton, Laguna Niguel, the Four Seasons Punta Mita and Four Seasons Mexico City) should the insurance program be provided under a blanket policy), windstorm including named storm, vandalism, and malicious mischief, and such other insurable hazards as, under good insurance practices, from time to time are insured against for other property and buildings similar to the Improvements and Building Equipment in nature, use, location, height, and type of construction. Such insurance policy shall also insure the additional expense of demolition and if any of the Improvements or the use of the Borrowing Base Property shall at any time constitute legal non-conforming structures or uses, provide coverage for contingent liability from "Operation of Building Laws," "Demolition Costs" and "Increased Cost of Construction Endorsements" and containing an "Ordinance or Law Coverage" or "Enforcement" endorsement providing no less than $50,000,000 of coverage. The amount of such "All Risk" insurance shall be not less than one hundred percent (100%) of the replacement cost value of the Improvements and the Building Equipment. Each such insurance policy shall contain an agreed amount (coinsurance waiver) and replacement cost value endorsement and shall cover, without limitation, any and all tenant improvements and betterments which Borrower or a Borrowing Base Entity is required to insure in accordance with any Lease. If the insurance required under this paragraph is not obtained by blanket insurance policies, the insurance policy shall be endorsed to also provide guaranteed building replacement cost. Administrative Agent shall be named "Loss Payee" on a "Standard Mortgagee Endorsement" and be provided not less than thirty (30) days advance notice of change in coverage, cancellation or non-renewal.

1.1.2 Liability Insurance . "General Public Liability" insurance, including, without limitation, "Commercial General Liability" insurance; "Owned" (if any), "Hired" and "Non Owned Auto Liability"; and "Umbrella Liability" coverage for "Personal Injury", "Bodily Injury", "Death, Accident and Property Damage", providing in combination no less than $1,000,000 per occurrence and $2,000,000 in the annual aggregate, and, in addition thereto, not less than $50,000,000 excess and/or umbrella liability insurance shall be maintained for any and all claims. The policies described in this paragraph shall cover, without limitation: elevators, escalators, independent contractors (to the extent such independent contractors are typically covered by a standard ISO Commercial General Liability policy), "Contractual Liability" (covering, to the maximum extent permitted by law, Borrower's or a Borrowing Base Entity's obligation to indemnify Administrative Agent as required under the Agreement and "Products and Completed Operations Liability" coverage). All public liability insurance shall name Administrative Agent as "Additional Insured" either on a specific endorsement or under a blanket endorsement satisfactory to Administrative Agent.

1.1.3 Workers' Compensation Insurance . Workers compensation and disability insurance as required by law.

1.1.4 Commercial Rents Insurance . "Commercial rents" insurance in an amount equal to eighteen (18) months actual rental loss and with a limit of liability sufficient to avoid any co-insurance penalty and to provide proceeds which will cover the actual loss of profits and rents sustained during the period of at least eighteen (18) months following the date of casualty. Such policies of insurance shall be subject only to exclusions that are acceptable to Administrative Agent; provided, however, that such exclusions are reasonably consistent with those required for facilities similar to the Facility provided herein. Such insurance shall be deemed to include "loss of rental value" insurance where applicable. The term "rental value" means the sum of (A) the total then ascertainable Rents payable under the Leases and (B) the total ascertainable amount of all other amounts to be received by Borrower or a Borrowing Base Entity from third parties which are the legal obligation of Tenants, reduced to the extent such amounts would not be received because of operating expenses not incurred during a period of non-occupancy of that portion of such Borrowing Base Property then not being occupied.

1.1.5 Builder's All-Risk Insurance . During any period of repair or restoration, builder's "All-Risk" insurance in an amount equal to not less than the full insurable value of the Borrowing Base Property against such risks (including so called "All Risk" perils coverage and collapse of the Improvements to agreed limits as Administrative Agent may reasonably request, in form and substance reasonably acceptable to Administrative Agent).

1.1.6 Boiler and Machinery Insurance . Comprehensive boiler and machinery insurance (without exclusion for explosion) covering all mechanical and electrical equipment against physical damage, rent loss and improvements loss and covering, without limitation, all tenant improvements and betterments that Borrower or a Borrowing Base Entity is required to insure pursuant to any Lease on a replacement cost basis. The minimum amount of limits to be provided shall be $50,000,000 per accident.

1.1.7 Flood Insurance . If any portion of the Improvements on any Borrowing Base Property is located within an area designated as "flood prone" or a "special flood hazard area" (as defined under the regulations adopted under the National Flood Insurance Act of 1968 and the Flood Disaster Protection Act of 1973), flood insurance shall be provided, in an amount not less than the maximum limit of coverage available under the Federal Flood Insurance plan with respect to the Property. Unless a higher amount is required by FEMA or other law, the maximum deductible clause under such an NFIA policy shall be no greater than $50,000 per building for a Property located in a "special flood hazard area". Nonetheless, Administrative Agent reserves the right to require flood insurance for each Borrowing Base Property in an amount and with a deductible clause reasonably satisfactory to Administrative Agent. Borrower shall deliver to Administrative Agent a FEMA Elevation Certification prepared by a surveyor if any portion of the Improvements on any Borrowing Base Property is located in flood zones A, AR, or V. \

1.1.8 Earthquake Insurance

Borrower shall maintain earthquake insurance in any area susceptible to significant earthquake damage in an amount sufficient to fully insure the expected probable maximum loss for a 500-year event, with a PML study delivered by Borrower as of the Third Amendment Closing Date, addressing all of the properties located in an area susceptible to significant

earthquake damage should the insurance program be provided under a blanket policy. Administrative Agent agrees that earthquake insurance for California and Mexican properties in the amount of One Hundred Million Dollars ($100,000,000) is sufficient, given the current properties covered by Borrower's blanket insurance policy.

1.1.9 Terrorism Insurance .

(a) So long as the Terrorism Risk Insurance Program Reauthorization Act of 2007 ("TRIPRA") or a subsequent statute, extension, reauthorization or substantially similar statute is in effect, Borrower shall be required, and shall require the Borrowing Base Entities, to carry insurance covering foreign and domestic acts of certified sabotage and terrorism and acts by terrorist groups or individuals (collectively, "Terrorism Insurance"), with such coverage provided by the All Risk carriers or through a stand-alone policy. Coverage must be included in the General Public Liability policies. For each Borrowing Base Property, coverage must be in an amount (the "Terrorism Insurance Amount") equal to the sum of the following:

(i) the lesser of (A) the amount set forth on the most recent Acceptable Appraisal and (B) the full replacement cost of such Borrowing Base Property; plus

(ii) rental loss or business interruption insurance in an amount equal to estimated Rents from the operations of the Borrowing Base Property for the succeeding eighteen (18) month period.

(b) If TRIPRA or a substantially similar statute is not in effect, then provided that Terrorism Insurance is commercially available, Borrower shall be required to carry Terrorism Insurance throughout the term of the Loan in an amount not less than the amount of coverage that can be purchased for an amount equal to the product of (x) the cost of stand alone terrorism insurance allocated for the Borrowing Base Properties as of the Third Amendment Closing Date and (y) two. In no event shall Borrower be required to purchase coverage exceeding the Terrorism Insurance Amount. Borrower agrees that if Terrorism Insurance is required pursuant to this Schedule XVIII and any property insurance policy covering the applicable Borrowing Base Property provides for any exclusions of coverage for acts of terrorism, then a separate terrorism insurance policy in the coverage amount required under this Schedule XVIII and in form and substance reasonably acceptable to Administrative Agent will be obtained by the Borrower or a Borrowing Base Entity for the applicable Borrowing Base Property. Administrative Agent agrees that Terrorism Insurance coverage may be provided under a blanket policy that satisfies the applicable provisions of the Agreement, including this Schedule XVIII .

1.1.10 Other Insurance . At Administrative Agent's reasonable request, such other insurance with respect to the Borrowing Base Property against loss or damage of the kinds from time to time customarily insured against and in such amounts as are generally required by institutional lenders on loans of similar amounts and secured by properties comparable to the applicable Borrowing Base Property.

1.1.11 Ratings of Insurers . Borrower shall, and shall cause the Borrowing Base Entities to, maintain the insurance coverage described in Section 1.1.1 through Section 1.1.8 of

this Schedule XVIII above, in all cases, with one or more domestic primary insurers reasonably acceptable to Administrative Agent, having (x) claims-paying-ability and financial strength ratings by S&P of not less than "A-. All insurers providing insurance required by this Agreement shall be authorized to issue insurance in the applicable jurisdiction, provided, however, if the insurance provided pursuant to Sections 1.1.1 and 1.1.4 of this Schedule XVIII is procured by a syndication of more then five (5) insurers then the foregoing requirements shall not be violated if such insurance is provided (a) under a blanket policy and at least sixty percent (60%) of the overall limits of insurance in place on the date hereof and thereafter is with carriers having a claims paying ability rating of "A-" or better, with the primary layer provided by a carrier rated "A-" or better, and the other carriers having a claims paying ability rating of "BBB" or better by S&P and its equivalent by one other Rating Agency; Administrative Agent may allow up to 10% of the overall limits of insurance, except for the primary layer, to be unrated or rated below "BBB" provided it is rated at least "A-" or better by AM Best Company with a financial size category of not less than "VIII".

1.1.12 Form of Insurance Policies; Endorsements . All insurance policies shall be in such form and with such endorsements as are reasonably satisfactory to Administrative Agent (and Administrative Agent shall have the right to approve amounts, form, risk coverage, deductibles, loss payees and insureds) in its reasonable discretion. A certificate of insurance with respect to all of the above-mentioned insurance policies has been delivered to Administrative Agent and originals or certified copies of all such policies shall be delivered to Administrative Agent when the same are available (but no later than thirty (30) days after the Third Amendment Closing Date) and shall be held by Administrative Agent. All policies shall name Administrative Agent as an additional insured or mortgagee, shall provide that all Proceeds (except with respect to Proceeds of general liability and workers' compensation insurance) be payable to Administrative Agent as and to the extent set forth in Article XII , and shall contain: (i) a standard "non-contributory mortgagee" endorsement or its equivalent relating, inter alia , to recovery by Administrative Agent notwithstanding the negligent or willful acts or omissions of Borrower or any Borrowing Base Entity; (ii) a waiver of subrogation endorsement in favor of Administrative Agent; (iii) an endorsement providing that no policy shall be impaired or invalidated by virtue of any act, failure to act, negligence of, or violation of declarations, warranties or conditions contained in such policy by Borrower or any Borrowing Base Entity, Administrative Agent or any other named insured, additional insured or loss payee, except for the willful misconduct of Administrative Agent knowingly in violation of the conditions of such policy; (iv) an endorsement providing for a deductible per loss of an amount not more than that which is customarily maintained by prudent owners of properties with a standard of operation and maintenance comparable to and in the general vicinity of the applicable Borrowing Base Property, but in no event in excess of an amount reasonably acceptable to Administrative Agent; and (v) a provision that such policies shall not be canceled, terminated or expire without at least thirty (30) days' prior written notice to Administrative Agent, in each instance. Each insurance policy shall contain a provision whereby the insurer: (i) agrees that such policy shall not be canceled or terminated, the coverage, deductible, and limits of such policy shall not be modified, other provisions of such policy shall not be modified if such policy, after giving effect to such modification, would not satisfy the requirements of the Agreement, and such policy shall not be canceled or fail to be renewed, without in each case, at least thirty (30) days prior written notice to Administrative Agent, (ii) waives any right to claim any premiums and commissions against Administrative Agent, provided that the policy need not waive the requirement that the premium

be paid in order for a claim to be paid to the insured, and (iii) provides that Administrative Agent at its option, shall be permitted to make payments to effect the continuation of such policy upon notice of cancellation due to non-payment of premiums. In the event any insurance policy (except for general public and other liability and workers compensation insurance) shall contain breach of warranty provisions, such policy shall provide that with respect to the interest of Administrative Agent, such insurance policy shall not be invalidated by and shall insure Administrative Agent regardless of (A) any act, failure to act or negligence of or violation of warranties, declarations or conditions contained in such policy by any named insured, (B) the occupancy or use of the Borrowing Base Property for purposes more hazardous than permitted by the terms thereof, or (C) any foreclosure or other action or proceeding taken by Administrative Agent pursuant to any provision of the Agreement.

1.1.13 Certificates . Borrower shall, and shall cause the Borrowing Base Entities to, deliver to Administrative Agent annually, concurrently with the renewal of the insurance policies required hereunder, a certificate from Borrower's insurance agent setting forth a schedule describing all premiums required to be paid by Borrower or a Borrowing Base Entity to maintain the policies of insurance required under this Schedule XVIII , and stating that Borrower or a Borrowing Base Entity has arranged to pay such premiums timely. Certificates of insurance with respect to all replacement policies shall be delivered to Administrative Agent prior to the expiration date of any of the insurance policies required to be maintained hereunder. Upon the request of Administrative Agent, Borrower shall deliver to Administrative Agent originals (or certified copies) of such replacement insurance policies as soon as practicable after Borrower's receipt of such request. If Borrower, or the Borrowing Base Entities, fails to maintain and deliver to Administrative Agent the certificates of insurance required by this Schedule XVIII , upon three (3) Business Days' prior written notice to Borrower, Administrative Agent may procure such insurance, and Borrower shall reimburse Administrative Agent all costs thereof, including interest thereon at the Alternate Base Rate then in effect for Base Rate Loans plus the Applicable Margin for Base Rate Loans plus two percent (2%). Administrative Agent shall not, by the fact of approving, disapproving, accepting, preventing, obtaining or failing to obtain any insurance, incur any liability for or with respect to the amount of insurance carried, the form or legal sufficiency of insurance contracts, solvency of insurance companies, or payment or defense of lawsuits, and Borrower hereby expressly assumes full responsibility therefor and all liability, if any, with respect.

1.1.14 Separate Insurance . Borrower shall, and shall cause the Borrowing Base Entities not to, take out separate insurance contributing in the event of loss with that required to be maintained pursuant to this Schedule XVIII unless such insurance complies with this Schedule XVIII .

1.1.15 Blanket Policies . The insurance coverage required under this Schedule XVIII may be effected under a blanket policy or policies covering the Borrowing Base Properties and other properties and assets not constituting a part of the Borrowing Base Properties, which amounts shall not be less than the amounts required pursuant to this Schedule XVIII and which shall in any case comply in all other respects with the requirements of this Schedule XVIII . Upon Administrative Agent' request, Borrower shall deliver to Administrative Agent an Officer's Certificate setting forth (i) the number of properties covered by such policy, (ii) the location by city (if available, otherwise, county) and state of the properties, (iii) the average square footage

of the properties (or the aggregate square footage), (iv) a brief description of the typical construction type included in the blanket policy and (v) such other information as Administrative Agent may reasonably request.

WHEREAS, Administrative Agent and Tenant desire to confirm their understanding and agreement with respect to the Lease and the Security Instrument.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, Administrative Agent and Tenant hereby agree and covenant as follows:

1. The Lease, and all of the terms, covenants, provisions and conditions thereof (including, without limitation, any right of first refusal, right of first offer, option or any similar right with respect to the sale or purchase of the Property, or any portion thereof) is, shall be and shall at all times remain and continue to be subject and subordinate in all respects to the lien, terms, covenants, provisions and conditions of the Security Instrument and to all advances and re-advances made thereunder and all sums secured thereby. This provision shall be self-operative but Tenant shall execute and deliver any additional instruments which Administrative Agent may reasonably require to effect such subordination.

2. So long as (i) Tenant is not in default (beyond any period given in the Lease to Tenant to cure such default) in the payment of rent, percentage rent or additional rent or in the performance or observance of any of the other terms, covenants, provisions or conditions of the Lease on Tenant's part to be performed or observed, (ii) Tenant is not in default under this Agreement and (iii) the Lease is in full force and effect: (a) Tenant's possession of the Premises and Tenant's rights and privileges under the Lease, or any extensions or renewals thereof which may be effected in accordance with any option therefor which is contained in the Lease, shall not be diminished or interfered with by Administrative Agent, and Tenant's occupancy of the Premises shall not be disturbed by Administrative Agent for any reason whatsoever during the term of the Lease or any such extensions or renewals thereof and (b) Administrative Agent will not join Tenant as a party defendant in any action or proceeding to foreclose the Security Instrument or to enforce any rights or remedies of Administrative Agent under the Security Instrument which would cut-off, destroy, terminate or extinguish the Lease or Tenant's interest and estate under the Lease (except to the extent required so that Tenant's right to receive or set-off any monies or obligations owed or to be performed by any of Administrative Agent's predecessors-in-interest shall not be enforceable thereafter against Administrative Agent or any of Administrative Agent's successors-in-interest). Notwithstanding the foregoing provisions of this paragraph, if it would be procedurally disadvantageous for Administrative Agent not to name or join Tenant as a party in a foreclosure proceeding with respect to the Security Instrument, Administrative Agent may so name or join Tenant without in any way diminishing or otherwise affecting the rights and privileges granted to, or inuring to the benefit of, Tenant under this Agreement.

3. (A) After notice is given by Administrative Agent that the Security Instrument is in default and that the rentals under the Lease should be paid to Administrative Agent, Tenant will attorn to Administrative Agent and pay to Administrative Agent, or pay in accordance with the directions of Administrative Agent, all rentals and other monies due and to become due to Landlord under the Lease or otherwise in respect of the Premises. Such payments shall be made regardless of any right of set-off, counterclaim or other defense which Tenant may have against Landlord, whether as the tenant under the Lease or otherwise.

(B) In addition, if Administrative Agent (or its nominee or designee) shall succeed to the rights of Landlord under the Lease through possession or foreclosure action, delivery of a deed or otherwise, or another person purchases the Property or the portion thereof containing the Premises upon or following foreclosure of the Security Instrument or in connection with any bankruptcy case commenced by or against Landlord, then at the request of Administrative Agent (or its nominee or designee) or such purchaser (Administrative Agent, its nominees and designees, and such purchaser, and their respective successors and assigns, each being a " Successor-Landlord"), Tenant shall attorn to and recognize Successor-Landlord as Tenant's landlord under the Lease and shall promptly execute and deliver any instrument that Successor-Landlord may reasonably request to evidence such attornment. Upon such attornment, the Lease shall continue in full force and effect as, or as if it were, a direct lease between Successor-Landlord and Tenant upon all terms, conditions and covenants as are set forth in the Lease. If the Lease shall have terminated by operation of law or otherwise as a result of or in connection with a bankruptcy case commenced by or against Landlord or a foreclosure action or proceeding or delivery of a deed in lieu, upon request of Successor-Landlord, Tenant shall promptly execute and deliver a direct lease with Successor-Landlord which direct lease shall be on substantially the same terms and conditions as the Lease (subject, however, to the provisions of clauses (i)-(v) of this paragraph 3(B)) and shall be effective as of the day the Lease shall have terminated as aforesaid. Notwithstanding the continuation of the Lease, the attornment of Tenant thereunder or the execution of a direct lease between Successor-Landlord and Tenant as aforesaid, Successor-Landlord shall not:

(i) be liable for any previous act or omission of Landlord under the Lease;

(ii) be subject to any off-set, defense or counterclaim which shall have theretofore accrued to Tenant against Landlord;

(iii) be bound by any modification of the Lease or by any previous prepayment of rent or additional rent made more than one (1) month prior to the date same was due which Tenant might have paid to Landlord, unless such modification or prepayment shall have been expressly approved in writing by Administrative Agent;

(iv) be liable for any security deposited under the Lease unless such security has been physically delivered to Administrative Agent or Successor-Landlord; and

(v) be liable or obligated to comply with or fulfill any of the obligations of the Landlord under the Lease or any agreement relating thereto with respect to the construction of, or payment for, improvements on or above the Premises (or any portion thereof), leasehold improvements, tenant work letters and/or similar items.

4. Tenant agrees that without the prior written consent of Administrative Agent, if such consent is required by the Credit Agreement, it shall not (a) amend, modify, terminate or cancel the Lease or any extensions or renewals thereof, (b) tender a surrender of the Lease, (c) make a prepayment of any rent or additional rent more than one (1) month in advance of the due date thereof, or (d) subordinate or permit the subordination of the Lease to any lien subordinate to the Security Instrument. Any such purported action without such required consent shall be void as against the holder of the Security Instrument.

5. (A) Tenant shall promptly notify Administrative Agent of any default by Landlord under the Lease and of any act or omission of Landlord which would give Tenant the right to cancel or terminate the Lease or to claim a partial or total eviction.

(B) In the event of a default by Landlord under the Lease which would give Tenant the right, immediately or after the lapse of a period of time, to cancel or terminate the Lease or to claim a partial or total eviction, or in the event of any other act or omission of Landlord which would give Tenant the right to cancel or terminate the Lease, Tenant shall not exercise such right (i) until Tenant has given written notice of such default, act or omission to Administrative Agent and (ii) unless Administrative Agent has failed, within sixty (60) days after Administrative Agent receives such notice, to cure or remedy the default, act or omission or, if such default, act or omission shall be one which is not reasonably capable of being remedied by Administrative Agent within such sixty (60) day period, until a reasonable period for remedying such default, act or omission shall have elapsed following the giving of such notice and following the time when Administrative Agent shall have become entitled under the Security Instrument to remedy the same (which reasonable period shall in no event be less than the period to which Landlord would be entitled under the Lease or otherwise, after similar notice, to effect such remedy), provided that Administrative Agent shall with due diligence give Tenant written notice of its intention to and shall commence and continue to, remedy such default, act or omission. If Administrative Agent cannot reasonably remedy a default, act or omission of Landlord until after Administrative Agent obtains possession of the Premises, Tenant may not terminate or cancel the Lease or claim a partial or total eviction by reason of such default, act or omission until the expiration of a reasonable period necessary for the remedy after Administrative Agent secures possession of the Premises. To the extent Administrative Agent incurs any expenses or other costs in curing or remedying such default, act or omission, including, without limitation, attorneys' fees and disbursements, Administrative Agent shall be subrogated to Tenant's rights against Landlord.

(C) Notwithstanding the foregoing, Administrative Agent shall have no obligation hereunder to remedy such default, act or omission.

6. To the extent that the Lease shall entitle Tenant to notice of the existence of any mortgage and the identity of any mortgagee or any ground lessor, this Agreement shall constitute such notice to Tenant with respect to the Security Instrument and Administrative Agent.

7. Upon and after the occurrence of (i) a monetary Event of Default (as defined in the Credit Agreement) or an Event of Default pursuant to Sections 8.1.9 or 8.1.10 of the Credit Agreement or (ii) any other Event of Default and Acceleration (as defined in the Credit Agreement), Administrative Agent shall be entitled, but not obligated, to exercise the claims, rights, powers, privileges and remedies of Landlord under the Lease and shall be further entitled to the benefits of, and to receive and enforce performance of, all of the covenants to be performed by Tenant under the Lease as though Administrative Agent were named therein as Landlord.

8. Anything herein or in the Lease to the contrary notwithstanding, in the event that a Successor-Landlord shall acquire title to the Property or the portion thereof containing the Premises, Successor-Landlord shall have no obligation, nor incur any liability, beyond Successor-Landlord's then interest, if any, in the Property, and Tenant shall look exclusively to such interest, if any, of Successor-Landlord in the Property for the payment and discharge of any obligations imposed upon Successor-Landlord hereunder or under the Lease, and Successor-Landlord is hereby released or relieved of any other liability hereunder and under the Lease. Tenant agrees that, with respect to any money judgment which may be obtained or secured by Tenant against Successor-Landlord, Tenant shall look solely to the estate or interest owned by Successor-Landlord in the Property, and Tenant will not collect or attempt to collect any such judgment out of any other assets of Successor-Landlord.

9. Notwithstanding anything to the contrary in the Lease, Tenant agrees for the benefit of Landlord and Administrative Agent that, except as permitted by, and fully in accordance with, applicable law, Tenant shall not generate, store, handle, discharge or maintain in, on or about any portion of the Property, any asbestos, polychlorinated biphenyls, or any other hazardous or toxic materials, wastes and substances which are defined, determined or identified as such (including, but not limited to, pesticides and petroleum products if they are defined, determined or identified as such) in any federal, state or local laws, rules or regulations (whether now existing or hereafter enacted or promulgated) or any judicial or administrative interpretation of any thereof, including any judicial or administrative interpretation of any thereof, including any judicial or administrative orders or judgments.

10. If the Lease provides that Tenant is entitled to expansion space, Successor-Landlord shall have no obligation nor any liability for failure to provide such expansion space if a prior landlord (including, without limitation, Landlord), by reason of a lease or leases entered into by such prior landlord with other tenants of the Property, has precluded the availability of such expansion space.

11. Except as specifically provided in this Agreement, Administrative Agent shall not, by virtue of this Agreement, the Security Instrument or any other instrument to which Administrative Agent may be a party, be or become subject to any liability or obligation to Tenant under the Lease or otherwise.

12. (A) Tenant acknowledges and agrees that this Agreement satisfies and complies in all respects with the provisions of Article___ of the Lease and that this Agreement supersedes (but only to the extent inconsistent with) the provisions of such Article and any other provision of the Lease relating to the priority or subordination of the Lease and the interests or estates created thereby to the Security Instrument.

(B) Tenant agrees to enter into a subordination, non-disturbance and attornment agreement with any Administrative Agent which shall succeed Administrative Agent as Administrative Agent with respect to the Property, or any portion thereof, provided such agreement is substantially and in all material respects similar to this Agreement. Tenant does herewith irrevocably appoint and constitute Administrative Agent as its true and lawful attorney-in-fact in its name, place and stead to execute such subordination, non-disturbance and attornment agreement, without any obligation on the part of Administrative Agent to do so. This power, being coupled with an interest, shall be irrevocable as long as the Indebtedness secured by the Security Instrument remains unpaid. Administrative Agent agrees not to exercise its rights under the preceding two sentences if Tenant promptly enters into the subordination, non-disturbance and attornment agreement as required pursuant to the first sentence of this subparagraph (B).

13. (A) Any notice required or permitted to be given by Tenant to Landlord shall be simultaneously given also to Administrative Agent, and any right to Tenant dependent upon notice shall take effect only after notice is so given. Performance by Administrative Agent shall satisfy any conditions of the Lease requiring performance by Landlord, and Administrative Agent shall have a reasonable time to complete such performance as provided in Paragraph 5 hereof.

(B) All notices or other communications required or permitted to be given to Tenant or to Administrative Agent pursuant to the provisions of this Agreement shall be in writing and shall be deemed given only if mailed by United States registered mail, postage prepaid, or if sent by nationally recognized overnight delivery service (such as Federal Express or United States Postal Service Express Mail), addressed as follows: to Tenant, at the address first set forth above, Attention: _____; to Administrative Agent, at the address first set forth above, Attention: George Reynolds and General Counsel, with a copy to Skadden, Arps, Slate, Meagher & Flom LLP, Four Times Square, New York, New York 10036, Attention: Harvey R. Uris, Esq.; or to such other address or number as such party may hereafter designate by notice delivered in accordance herewith. All such notices shall be deemed given three (3) business days after delivery to the United States Post office registry clerk if given by registered mail, or on the next business day after delivery to an overnight delivery courier.

14. This Agreement may be modified only by an agreement in writing signed by the parties hereto, or their respective successors-in-interest. This Agreement shall inure to the benefit of and be binding upon the parties hereto, and their respective successors and assigns. The term “Administrative Agent” shall mean the then holder of the Security Instrument. The term “Landlord” shall mean the then holder of the landlord’s interest in the Lease. The term “person” shall mean an individual, joint venture, corporation, partnership, trust, limited liability company, unincorporated association or other entity. All references herein to the Lease shall mean the Lease as modified by this Agreement and to any amendments or modifications to the Lease which are consented to in writing by Administrative Agent. Any inconsistency between the Lease and the provisions of this Agreement shall be resolved, to the extent of such inconsistency, in favor of this Agreement.

15. Tenant hereby represents to Administrative Agent as follows:

(a) The Lease is in full force and effect and has not been further amended.

(b) There has been no assignment of the Lease or subletting of any portion of the premises demised under the Lease.

(c) There are no oral or written agreements or understandings between Landlord and Tenant relating to the premises demised under the Lease or the Lease transaction except as set forth in the Lease.

(d) The execution of the Lease was duly authorized and the Lease is in full force and effect and to the best of Tenant's knowledge there exists no default (beyond any applicable grace period) on the part of either Tenant or Landlord under the Lease.

(e) There has not been filed by or against nor to the best of the knowledge and belief of Tenant is there threatened against Tenant, any petition under the bankruptcy laws of the United States.

(f) To the best of Tenant's knowledge, there is no present assignment, hypothecation or pledge of the Lease or rents accruing under the Lease by Landlord, other than pursuant to the Security Instrument.

16. Whenever, from time to time, reasonably requested by Administrative Agent (but not more than three (3) times during any calendar year), Tenant shall execute and deliver to or at the direction of Administrative Agent, and without charge to Administrative Agent, one or more written certifications, in a form acceptable to Tenant, of all of the matters set forth in Paragraph 15 above, and any other information the Administrative Agent may reasonably require to confirm the current status of the Lease.

17. BOTH TENANT AND ADMINISTRATIVE AGENT HEREBY IRREVOCABLY WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT.

18. This Agreement shall be governed by and construed in accordance with the laws of the State in which the Property is located.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
