PART I

ITEM 1. BUSINESS.

Overview

Strategic Hotels & Resorts, Inc. (SHR) was incorporated in Maryland in January 2004 to own and asset manage upper upscale and luxury hotels that are subject to long-term management contracts. The terms upper upscale and luxury are classifications of hotels by brand that are defined by Smith Travel Research, an independent provider of lodging industry statistical data. We went public in an initial public offering in June 2004. Our accounting predecessor, Strategic Hotel Capital, L.L.C. (SHC LLC) was founded in 1997 by Laurence Geller, our president and chief executive officer, Goldman, Sachs & Co.'s Whitehall Fund and others. We own our properties through our investment in Strategic Hotel Funding, L.L.C., our operating partnership, which we refer to herein as SH Funding, and its subsidiaries.

We operate as a self-administered and self-managed real estate investment trust (REIT) managed by our board of directors and executive officers and conduct our operations through our direct and indirect subsidiaries including SH Funding. We are the managing member of SH Funding and hold approximately 99% of its membership units as of February 24, 2010.

As of February 24, 2010, we:

- Wholly own or lease 14 hotels, have a 51% interest in affiliates that own two hotels where we asset manage such hotels and have a 45% interest in and act as asset manager for a joint venture that owns one hotel;
- Own land held for development including:
  - 20.5 acres of oceanfront land adjacent to our Four Seasons Punta Mita Resort, Nayarit, Mexico and 60.0 acres near the Four Seasons Punta Mita Resort;
  - a 20,000 square-foot parcel of land on the ocean in Santa Monica, California adjacent to our Loews Santa Monica Beach Hotel entitled for development and residential units;
  - 10.0 acres of land adjacent to our Fairmont Scottsdale hotel; and
  - a 31% interest in a joint venture with two unaffiliated parties that is developing the fractional ownership program known as the Four Seasons Residence Club Punta Mita.

We do not operate any of our hotels directly; instead we employ internationally known hotel management companies to operate them for us under management contracts or operating leases. Our existing hotels are operated under the widely-recognized upper upscale and luxury brands of Fairmont®, Four Seasons®, Hyatt®, InterContinental®, Loews®, Marriott®, Ritz-Carlton® and Westin®. The Hotel del Coronado is operated by a specialty management company, KSL Resorts.

We seek to maximize asset values and operating results through asset management. Although we have no imperative to grow, we will opportunistically seek to acquire additional properties that meet our disciplined investment criteria.

As used in this report, references to "we", "our", "us", and "SHR" are to Strategic Hotels & Resorts, Inc. and, except as the context otherwise requires, its consolidated subsidiaries.

Business Strategy

We are a preeminent owner of upper upscale and luxury branded hotels located primarily in the United States with select international hotels. Our strategy involves the acquisition of hotels with strong underlying real estate values, adding value through the application of management's superior asset management skills, identifying

Table of Contents

redevelopment opportunities to enhance cash flow and value, and opportunistic dispositions of hotels upon completion of our value enhancement and cash flow generating strategies.

- Acquisition Strategy

  Acquisitions have historically been a significant part of the business strategy of the Company and one of our core competencies is a diligent approach that includes continuous research based selection of target markets and individual properties. Members of our management team have the skills and experience to acquire and asset manage hotels both domestically and internationally, which we believe differentiates us among lodging REITs.

- Asset Management Strategy

  We believe that we can enhance our cash flow and earnings growth through expert asset management, which will ultimately generate increased operating margins and higher investment returns. Our value-added asset management strategy has the following general components:

  - Working in partnership with the hotel management companies that operate our hotels, we build an asset management approach to enhance the cash flow and value of our properties. We have multi-property relationships with a select group of hotel management companies that in our opinion have strong brand recognition, superior marketing capabilities, management depth and an ability to work with our team to create efficient operations. We improve hotel operating performance through the application of value-added programs involving consumer and market research, competitive benchmarking, technology upgrades and systems development and upgrades.
  - We provide rigorous oversight of the properties and the hotel management companies that operate them to ensure the alignment of the hotel management companies' and our interests and to monitor the hotel management companies' and our compliance with the management contracts relating to our properties. Typically, this oversight provides sustained increases in operating margins and enhances property values.

- Redevelopment Strategy

  A major component of our value creation strategy is to create incremental sources of income from properties through thoughtfully executed and consumer market research based redevelopment.

  Our current portfolio now includes capital investments completed during the past three years, which give us a fresh and competitive portfolio that management believes can provide relative outperformance during the current recessionary cycle; moderates the need for near-term maintenance capital investment; and can provide incremental growth during a recovery. In addition, prior to this current period of market weakness, we created and planned a variety of property investment programs. Our goal is to enhance the cash flow growth of our portfolio during the future recovery through the careful execution of these plans.

- Disposition Strategy

  - We recycle capital for future investments through opportunistic dispositions. We would consider the disposition of all or part of our investment in a property in circumstances where we believe our asset management strategy has maximized the property's value, the proceeds of the disposition are unusually attractive, the market in which the property is located is declining or static, or competition in the market requires substantial capital investment that will not generate returns that meet our criteria.
  - Proceeds from dispositions would generally be intended to be reinvested in redevelopment activities in our existing portfolio, the acquisition of additional hotel properties where the application of our life cycle-based investment strategy can begin again, or enhancement of the company's balance sheet.

Table of Contents

- During the current market environment, we have undertaken a comprehensive review of our assets against sources of capital in the marketplace with the objective of seeking strategies to sell assets in order to supplement our liquidity position. We recently sold the Four Seasons Mexico City and Renaissance Paris Hotel Le Parc Trocadero for this purpose.

As a result of the current economic downturn, our revenues and operating cash flows have declined and we do not expect significant improvement in 2010. While we are beginning to see certain improvements in the macroeconomic trends, this has not yet translated into improved operating performance. While the depth and length of the current downturn is difficult to predict, we are prudently planning for a lengthy recession and are managing the Company accordingly. We amended our bank credit facility in 2009 to provide more operating cushion with respect to our financial covenants against a prolonged downturn. See "Item 8. Financial Statements and Supplementary Data—9. Indebtedness." In the current liquidity constrained marketplace, we are not actively pursuing acquisitions and have undertaken a process to sell assets and reduce capital commitments in order to enhance our liquidity.

Competition

The hotel industry is highly competitive and the hotels in which we invest are subject to competition from other hotels for guests. Competition is based on a number of factors, most notably convenience of location, brand affiliation, price, range of services, guest amenities or accommodations offered and quality of customer service. Competition is often specific to the individual markets in which our properties are located and includes competition from existing and new hotels operated under brands in the upper upscale and luxury segments. Increased competition could have a material adverse effect on the occupancy rate, average daily room rate and room revenue per available room of our hotels or may require us to make capital improvements that we otherwise would not have to make, which may result in decreases in our profitability.

Because our hotels operate in the upper upscale and luxury segment of the market, we face increased competition from providers of less expensive accommodations, such as limited service hotels or independent owner-managed hotels, during periods of economic downturn when leisure and business travelers become more sensitive to room rates. As a result, there is pressure to lower average daily rates during such periods to compete for these guests.

We face competition from institutional pension funds, private equity investors, other REITs and numerous local, regional and national owners in each of our markets. Some of these entities may have substantially greater financial resources and may be able to accept more risk than we can prudently manage. Competition may generally reduce the number of suitable investment opportunities offered to us and increase the bargaining power of property owners seeking to sell their properties to us.

Seasonality

For information relating to the seasonality of our business, please see "Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations—Seasonality" on page 57 of this Form 10-K.

Employees

As of February 24, 2010, we had 39 full-time and 4 part-time corporate employees. We believe that our relations with our employees are good. None of our corporate employees are unionized.

Environmental

Environmental consultants retained by us or our lenders conducted Phase I environmental site assessments in 2006 on many of our properties. These Phase I assessments often relied on older environmental assessments prepared in connection with a prior financing or acquisition. The lenders did not conduct Phase I assessments on

Table of Contents

our European properties, although older environmental assessments or building engineering surveys exist for these properties. Phase I assessments are designed to evaluate the potential for environmental contamination on properties based generally upon site inspections, facility personnel interviews, historical information and certain publicly-available databases, but Phase I assessments will not necessarily reveal the existence or extent of all environmental conditions, liabilities or compliance concerns at the properties.

Although the Phase I assessments and other environmental assessments that have been conducted with respect to certain of our properties disclose certain conditions on our properties and the use of hazardous substances in operation and maintenance activities that could pose a risk of environmental contamination or liability, we are not aware of any environmental liability that we believe would have a material adverse effect on our business, financial position, results of operations or cash flows. See "Item 1A. Risk Factors—Environmental and other governmental laws and regulations could increase our compliance costs and liabilities and adversely affect our financial condition and results of operations" and "Item 1A. Risk Factors—The presence of any environmental conditions at our properties could result in remediation and other costs and liabilities and adversely affect our financial condition and results of operations."

Insurance

Our management believes that our properties are adequately covered by insurance, subject to the risks described under "Item 1A. Risk Factors," including, among others, the factors described under "Uninsured and underinsured losses could adversely affect our financial condition and results of operations, which may affect our ability to make distributions to our stockholders." We are responsible for arranging the insurance for most of our hotels, although in certain cases, the hotel management companies that operate our hotels assume responsibility for arranging insurance under the relevant management agreement. Our properties are covered by blanket insurance policies, which cover multiple properties. In the event that these blanket policies are drawn on to cover certain losses on certain properties, the amount of insurance coverage available under such policies could thereby be reduced and could be insufficient to cover the remaining properties' insurable risks.

In August 2005, Hurricane Katrina caused substantial damage to our Hyatt Regency New Orleans property. The hurricane damage also caused significant interruption to the hotel's business and the hotel effectively ceased operations. On August 1, 2007, we entered into a complete and final settlement with our insurer for the property with respect to property damage and business interruption insurance claims relating thereto. On December 28, 2007, we sold the Hyatt Regency New Orleans property.

REIT Structure

The provisions of the REIT Modernization Act of 1999, as amended (the RMA), allow REITs, subject to certain limitations, to own, directly or indirectly, up to 100% of the stock of a taxable REIT subsidiary (TRS) that can engage in businesses previously prohibited to a REIT. In particular, these provisions permit hotel REITs to own a TRS that leases hotels from the REIT, rather than requiring the lessee to be a separate, unaffiliated party. However, hotels leased to a TRS still must be managed by an unaffiliated third party. The TRS provisions are complex and impose several conditions on the use of TRSs. No more than 25% of a REIT's assets may consist of securities of TRSs, and no more than 25% of a REIT's assets may consist of non-qualifying assets, including securities of TRSs and other taxable subsidiaries. In addition, the RMA provides that a REIT may generally not own more than 10% of the voting power or value of a corporation that is not treated as a TRS.

Ownership of Hotels

Where we have an ownership interest in a hotel, the entity through which we hold such ownership interest (a Strategic Ownership Entity) will generally lease the hotel to one of our TRSs and the TRS will enter into a management agreement with an independent third party for such party to operate the hotel. A lease between a Strategic Ownership Entity and one of our TRSs (an Affiliate Lease) provides for the TRS to pay to the Strategic Ownership Entity a base rent plus a percentage rent (as more fully described below). An Affiliate Lease must

Table of Contents

contain economic terms that are similar to a lease between unrelated parties or, pursuant to the RMA, the Strategic Ownership Entity may have to pay a 100% penalty tax on some of the payments it receives from our TRS under such Affiliate Lease.

Each Affiliate Lease, other than the lease with respect to the InterContinental Prague, has a non-cancelable term of approximately five years, subject to earlier termination upon the occurrence of certain contingencies such as damage or destruction that renders the hotel unsuitable for our TRS' use and occupancy, condemnation or our sale or disposition of the hotel.

During the term of each Affiliate Lease, other than the lease with respect to the InterContinental Prague, our TRS is obligated to pay a fixed annual base rent and a percentage rent to the applicable Strategic Ownership Entity. With respect to the InterContinental Prague, there is an existing lease agreement between the applicable Strategic Ownership Entity and its affiliated tenant that has prepaid the rent, which is being amortized on a straight-line basis over 15 years. Percentage rent is calculated by multiplying fixed percentages by gross room revenues and other revenues, subject to certain adjustments. Percentage rent is paid quarterly, except with respect to the Paris Marriott Champs Elysees, where percentage rent is paid monthly. Base rent accrues and is paid monthly. Base rents and percentage rents are adjusted annually for changes in the consumer price index or similar indices.

Fixed charges, including real estate and personal property taxes, capital expenditures and a reserve for capital expenditures are obligations of the lessor under our Affiliate Lease. Our TRSs are required to pay rent, all costs and expenses and all utility and other charges incurred in the operation of the hotels we own. The party responsible for maintaining insurance on a property is dependent on the specific lease.

Third Party Lease Agreements

We are the tenant under leases with third-party landlords for the Paris Marriott Champs Elysees and the Marriott Hamburg. We are also the tenant under ground leases with third-party landlords where we lease the land for the Marriott Lincolnshire, the Marriott London Grosvenor Square and a parcel of land that is part of the Fairmont Scottsdale hotel property. The remaining life on the initial terms of these third party leases range from 11 to 75 years. These third party lease agreements require us to make annual rental payments comprised of a minimum rental amount (subject to indexation) and may also include additional rent comprised of a percentage of hotel operating profit, less minimum rent, or the greater of a minimum rental amount and a percentage of certain revenues.

Hotel Management Agreements

Most of our hotels are managed and operated by third parties pursuant to management agreements entered into between our TRSs and hotel management companies. These management agreements generally provide for the payment of base management fees within a range of 1.25% to 5.00% of revenues, as defined in the applicable agreements. In addition, an incentive fee may be paid if certain criteria are met. Certain of the management agreements also provide for the payment by us of advisory fees or license fees. The remaining terms (not including renewal options) of these management agreements range from five to 27 years. A management agreement with one of our operators typically has the terms described below.

- ***Operational services.*** The manager has exclusive authority to supervise, direct and control the day-to-day operation and management of the hotel, including establishing all room rates, processing reservations, procuring inventories, supplies and services, and preparing public relations, publicity and marketing plans for the hotel. The manager receives compensation in the form of a base management fee and an incentive management fee, typically calculated as percentages of gross revenues and operating profits, respectively. In some cases, the incentive management fee is paid only after we have received a certain level of income.

Table of Contents

- ***Executive supervision and management services.*** The manager supervises all managerial and other employees for the hotel, reviews the operation and maintenance of the hotel, prepares reports, budgets and projections and provides other administrative and accounting support services to the hotel. In some cases, we maintain authority to approve the appointment of the hotel's general manager.
- ***Chain services.*** Our management agreements require the managers to furnish chain services that are generally made available to other hotels managed by such operators. Such services include: (1) the development and operation of computer systems and reservation services, (2) management and administrative services, (3) marketing and sales services, (4) human resources training services and (5) such additional services as may from time to time be more efficiently performed on a national, regional or group level.
- ***Working capital.*** Our management agreements typically require us to maintain working capital for a hotel and to fund the cost of fixed asset supplies such as linen and other similar items. We are also responsible for providing funds to meet the cash needs for the hotel operations if at any time the funds available from hotel operations are insufficient to meet the financial requirements of the hotel.
- ***Furniture, fixtures and equipment replacements.*** Our management agreements generally provide that once each year the manager will prepare a list of furniture, fixtures and equipment to be acquired and certain routine repairs to be performed in the next year and an estimate of the funds that are necessary therefore, subject to our review and approval. In addition, we are required to provide to the manager all necessary furniture, fixtures and equipment for the operation of a hotel (including funding any required furniture, fixtures and equipment replacements). For purposes of funding the furniture, fixtures and equipment replacements, a specified percentage of the gross revenues of the hotel is deposited by the manager in an escrow account (typically 4.0% to 5.0%).
- ***Building alterations, improvements and renewals.*** Our management agreements generally require the manager to prepare an annual estimate of the expenditures necessary for major repairs, alterations, improvements, renewals and replacements to the structural, mechanical, electrical, heating, ventilating, air conditioning, plumbing and vertical transportation elements of a hotel. In addition to the foregoing, the management agreements generally provide that the manager may propose such changes, alterations and improvements to the hotel as are required by reason of laws or regulations or, in the manager's reasonable judgment, to keep the hotel in a safe, competitive and efficient operating condition.
- ***Sale of the hotel.*** Most of our management agreements limit our ability to sell, lease, or otherwise transfer a hotel unless the transferee is not a competitor of the manager, and unless the transferee assumes the related management agreement and meets specified other conditions.
- ***Service marks.*** During the term of our management agreements, the service mark, symbols and logos currently used by the manager may be used in the operation of the hotel. Any right to use the service marks, logo and symbols and related trademarks at a hotel will terminate with respect to that hotel upon termination of the management agreement with respect to such hotel.

We lease one of our hotels, the Hamburg Marriott, pursuant to a lease agreement whereby rent is paid by the hotel management company that operates the hotel, as lessee, to us for an amount equal to a fixed base rent plus a specified percentage of profits in excess of the base rent. Otherwise, the terms of the lease are similar to the terms of our management contracts described above.

ITEM 1A. RISK FACTORS.

In addition to the information and factors discussed elsewhere in this annual report on Form 10-K, including our consolidated financial statements and the related notes, the factors disclosed below could cause our actual results to differ materially from those projected in any future-looking statements and could affect our future financial performance.

Risks Related to Our Business

The U.S. and other financial markets have been in turmoil and the U.S. and other economies in which we operate are in the midst of an economic recession, which continue to negatively impact our operations and our liquidity.

The U.S. and other financial markets have been experiencing extreme dislocations and a severe contraction in available liquidity globally as important segments of the credit markets are impaired. Global financial markets have been disrupted by, among other things, volatility in security prices, rating downgrades and declining valuations, and this disruption has been acute in real estate related markets. This disruption has lead to a decline in business and consumer confidence and increased unemployment and has precipitated an economic recession around the globe. As a consequence, owners and operators of commercial real estate, including hotels and resorts, may continue to experience declines in business and real estate values in the U.S. or elsewhere and continuing liquidity constraints as lenders are unwilling or unable to originate new credit and the capital markets may be otherwise unavailable. We are unable to predict the likely duration or severity of the current disruption in financial markets and adverse economic conditions and the effects they may have on our business, financial condition and results of operations.

Our financial covenants may adversely affect our financial position, results of operations and liquidity.

The agreement governing our bank credit facility and certain other agreements include financial and other covenants that must be met for us to remain in compliance with those agreements. Those agreements also contain customary restrictions, requirements and other limitations, including our ability to incur additional indebtedness. Importantly, the bank credit facility contains financial covenants that must be met, including the maintenance of stipulated minimum levels of tangible net worth and fixed charge coverage, and maximum levels of leverage and borrowing base availability. Availability under the bank credit facility is based on, among other factors, the calculation of 1.3 times debt service coverage based on an assumed 8% loan constant for the borrowing base assets. The actual interest rate on the bank credit facility is LIBOR plus 3.75%, or 3.98% as of December 31, 2009. Our ability to borrow under our bank credit facility is subject to compliance with these financial and other covenants, and our ability to comply with these covenants will be impacted by any deterioration in our operations brought on by the current economic downturn, conditions in Mexico related to the H1N1 flu outbreak and security concerns impacting travel to Mexico, potential further declines in our property values, and additional borrowings to maintain our liquidity and fund our capital and financing obligations.

Our available capacity under the bank credit facility and compliance with financial covenants in 2010 and future periods will depend substantially on the financial results of our hotels, and in particular, the results of the borrowing base assets. The operating results of a borrowing base property in Mexico has been negatively impacted by the H1N1 flu outbreak and security concerns impacting travel to Mexico, as well as the general economic downturn. If these negative conditions persist, the maximum availability under the bank credit facility may decline to a level below our short-term borrowing needs. If that were to occur, outstanding borrowings exceeding the maximum availability under the bank credit facility would need to be repaid to avoid a default under the bank credit facility, absent an amendment or waiver. If we are unable to borrow under our bank credit facility or to refinance existing indebtedness, we may be prevented from funding our working capital needs.

To improve liquidity in the short term, we are pursuing a number of alternatives, including but not limited to asset dispositions. In this regard, we sold two hotels in 2009. The net proceeds of any transaction could be utilized to reduce borrowings outstanding under the bank credit facility and improve liquidity. However, there

Table of Contents

can be no assurance that a successful transaction will occur as the current economic climate negatively affects the value of our properties and the weakness in the credit markets increases the cost and difficulty for potential purchasers to acquire financing. These conditions also negatively impact our ability to increase liquidity through other means, including through the sale of equity interests. Absent sufficient successful transactions, we may seek a modification of certain terms of the bank credit facility. We may be unable to complete sufficient successful transactions or modify the terms of the bank credit facility, or otherwise address currently anticipated liquidity requirements prior to a potential reduction in the maximum availability under the bank credit facility below our short-term borrowing needs or a breach of the terms of the bank credit facility. A default under the bank credit facility would allow the lenders to declare all amounts outstanding under the facility to become due and payable. Additionally, such an acceleration event would allow for acceleration of the interest rate swaps (with a termination value of $(101,306,000) as of December 31, 2009) and SH Funding's $180,000,000 in aggregate principal amount of 3.50% Exchangeable Senior Notes due 2012 (Exchangeable Notes).

In the event that negative conditions persist or worsen and we are unable to improve our short-term liquidity position or modify or obtain a waiver to our bank credit facility on acceptable terms, we will be required to take further steps to acquire the funds necessary to satisfy our short-term cash needs, including possibly liquidating some of our assets on terms that would be less attractive than would be obtainable after conditions in the economy, the credit markets and the hotel markets improve, or seeking legal protection from our creditors. If these negative conditions persist and we do not achieve a successful disposition of assets or increase its liquidity through alternative channels or modify or obtain a waiver to certain terms of the bank credit facility, then the risk increases that we may be unable to continue as a going concern.

In addition, our lenders, including the lenders participating in our bank credit facility, may have suffered losses related to their lending and other financial relationships, especially because of the general weakening of the economy and increased financial instability of many borrowers. As a result, lenders may become less able or unwilling to allow us to draw down on our bank credit facility and/or we may be unable to obtain other financing on favorable terms or at all. Our financial condition and results of operations would be adversely affected if we were unable to draw funds under our bank credit facility because of a lender default or if we were unable to obtain other financing.

We have substantial debt, a portion of which is variable rate debt, and upon maturity, we plan to refinance with new debt, which may not be available when required on optimal terms or at all.

We have a substantial amount of outstanding indebtedness, a portion of which bears interest at a variable rate, and to the extent available we may borrow additional variable rate debt under our bank credit facility. Increases in interest rates on our existing variable rate indebtedness would increase our interest expense, which could harm our cash flow and our ability to pay distributions. As of December 31, 2009, we had total debt of $1.6 billion, and, including the effect of interest rate swaps, 14.0% of our total debt had variable interest rates and 86.0% had fixed interest rates.

Our significant debt may negatively affect our business and financial results, including:

- requiring us to use a substantial portion of our funds from operations to make required payments on principal and interest, which reduces the amounts available for distributions to our stockholders and funds available for operations, capital expenditures, future business opportunities and other purposes;
- making us more vulnerable to economic and industry downturns and reducing our flexibility in responding to changing business and economic conditions;
- limiting our ability to borrow more money for operations, capital or to finance acquisitions in the future; and
- requiring us to dispose of properties to make required payments of interest and principal.

Table of Contents

Since we anticipate that our internally generated cash will be adequate to repay only a portion of our indebtedness prior to maturity, we expect that we will be required to repay debt through refinancings and/or equity offerings. The amount of our existing indebtedness may adversely affect our ability to repay debt through refinancings. See the discussion under the subheading "Debt Maturity:" in Note 9 of the Notes to our Consolidated Financial Statements included in Item 8 of this Form 10-K for quantified information regarding our debt maturities as of December 31, 2009. Due to the severe contraction in credit markets, there can be no assurance that we will be able to refinance our debt with new borrowings and our low common stock price may practically eliminate an equity offering as a viable financing alternative. If we are unable to refinance our indebtedness on acceptable terms, or at all, we might be forced to dispose of one or more of our properties on disadvantageous terms, which might result in losses to us and which might adversely affect cash available for distributions to our stockholders. Alternatively, any debt we may arrange may carry a higher rate of interest or the shares we issue in any equity offering may require a higher rate of dividends or other dilutive terms. As a result, certain growth initiatives could prove more costly or not economically feasible. A failure to retain or refinance our bank credit facility or to add new or replacement debt facilities could have a material adverse effect on our business, financial condition and results of operations.

The $630,000,000 in non-recourse financings related to our unconsolidated joint venture that owns the Hotel del Coronado matures January 9, 2011. Due to the severe contraction in the credit markets, the reduction in real estate values generally across the luxury hospitality market, and the size and complexity of this existing financing, there can be no assurance that the joint venture, of which we are the general partner, will be able to refinance or restructure this indebtedness or cure or receive a waiver for an event of default if one were to occur. In such an instance, we could lose our investment in this joint venture of $36,458,000 as of December 31, 2009.

We also intend to incur additional debt in connection with future acquisitions of real estate. We may, in some instances, to the extent available, borrow under our bank credit facility or borrow new funds to acquire properties. The curtailment of lending by many traditional commercial real estate lenders impedes our ability to grow our portfolio of hotels through future acquisitions and otherwise may prevent us from executing our business plans, including limiting the likelihood of successful asset dispositions. In addition, we may incur mortgage debt by obtaining loans secured by a portfolio of some or all of the real estate properties we acquire. If necessary or advisable, we may also borrow funds to satisfy the requirement that we distribute to stockholders at least 90% of our annual REIT taxable income or to ensure otherwise that we maintain our qualification as a REIT for U.S. federal income tax purposes.

Our working capital and liquidity reserves may not be adequate to cover all of our cash needs and we may have to obtain financing from either affiliated or unaffiliated sources. The financial market turmoil and economic recession have severely contracted available liquidity and therefore sufficient financing may not be available or, if available, may not be available on reasonable terms. Additional borrowings for working capital purposes will increase our interest expense, and therefore may harm our financial condition and results of operations.

Our organizational documents do not limit the amount of indebtedness that we may incur. To the extent we become more leveraged, then the resulting increase in our debt service obligations would reduce cash available for distributions to our stockholders and could adversely affect our ability to make payments on our outstanding indebtedness and harm our financial condition.

The outbreak of the H1N1 virus (swine flu) may continue to have an adverse impact on our financial results.

The H1N1 pandemic may continue to have a significant adverse impact on all leisure travel, as a significant number of cases have been reported in many places throughout the world and the World Health Organization, or the WHO, has raised the pandemic alert for the H1N1 virus to Phase 6, the highest level on the WHO's alert system. Currently, it is impossible to determine the severity the recent H1N1 outbreak and the effect it will have on our results of operations. However, it is expected that the H1N1 outbreak will continue to have an adverse effect on our operating results during the first quarter of 2010, at least.

Table of Contents

Our shares of common stock may be delisted from the NYSE if the price per share trades below $1.00 for an extended period of time, which could negatively affect our business, our financial condition and our results of operation and our ability to service our debt obligations.

As of February 24, 2010, the closing price of our common stock on the NYSE was $2.34. Our common stock at times has traded below $1.00. In the event the average closing price of our common stock for a 30-day period is below $1.00, our stock could be delisted from the NYSE. The threat of delisting and/or a delisting of our common stock could have adverse effects by, among other things:

- reducing the trading liquidity and market price of our common stock;
- reducing the number of investors willing to hold or acquire our common stock, thereby further restricting our ability to obtain equity financing;
- causing an event of default under certain of our debt agreements, including our bank credit facility and Exchangeable Notes, which could serve to accelerate the indebtedness, including our interest rate swaps; and
- reducing our ability to retain, attract and motivate directors, officers and employees.

The uncertain environment in the lodging industry and the economy generally will continue to impact our financial results and growth.

The present economic global recession and the uncertainty of its breadth, depth and duration have left unclear whether the lodging industry, which prior to 2008 had experienced a period of sustained growth, will continue to decline. Recent negative publicity regarding luxury hotels and decreases in airline capacity could also reduce demand for our hotel rooms. Accordingly, our financial results and growth could be harmed if the recession continues for a significant period or becomes worse.

The illiquidity of real estate investments and the lack of alternative uses of hotel properties could significantly limit our ability to respond to adverse changes in the performance of our properties and harm our financial condition.

Because real estate investments are relatively illiquid, our ability to promptly sell one or more of our properties in response to changing economic, financial and investment conditions is limited. We cannot predict whether we will be able to sell any property for the price or on the terms set by us, or whether any price or other terms offered by a prospective purchaser would be acceptable to us. We also cannot predict the length of time needed to find a willing purchaser and to close the sale of a property. The difficulty in selling an asset is exacerbated by the dislocation in the debt and equity markets currently being experienced.

In addition, hotel properties may not readily be converted to alternative uses if they were to become unprofitable due to competition, age of improvements, decreased demand or other factors. The conversion of a hotel to alternative uses would also generally require substantial capital expenditures.

We may be required to expend funds to correct defects or to make improvements before a property can be sold. We may not have funds available to correct those defects or to make those improvements and as a result our ability to sell the property would be limited. These factors and any others that would impede our ability to respond to adverse changes in the performance of our properties could significantly harm our financial condition and results of operations.

We incurred losses in fiscal years 2009 and 2008 and, due to the current negative economic environment, we may continue to incur losses in the future.

We incurred net losses of $246.4 million and $317.5 million for our 2009 and 2008 fiscal years, respectively. The economic downturn has negatively impacted business and leisure travel leading to a reduction in revenues at our hotel properties. A prolonged economic downturn will likely produce continued losses. There can be no assurance that we will resume profitable operations and generate net income for our stockholders in the near term or at all.

We rely to a significant extent on our president and chief executive officer, Mr. Laurence Geller, the loss of whom could have a material adverse effect on our business.

Our continued success will depend to a significant extent on the efforts and abilities of our president and chief executive officer, Mr. Laurence Geller. Mr. Geller is an experienced hotel industry senior executive, operator and consultant with over 40 years of experience working with many major multinational hotel companies and executives. Mr. Geller is actively engaged in our management and determines our strategic direction, especially with regard to our operational, financing, acquisition and disposition activities. Mr. Geller's departure could have a material adverse effect on our operations, financial condition and operating results. Mr. Geller's employment agreement was amended and restated on August 27, 2009. Pursuant to that agreement, Mr. Geller will serve as our president and chief executive officer through December 31, 2012, subject to earlier termination under certain circumstances described in the agreement.

The geographic concentration of our hotels in California makes us more susceptible to an economic downturn or natural disaster in that state.

As of February 24, 2010, six of the hotels we own are located in California, the greatest concentration of our portfolio of properties in any state. California has been historically at greater risk to certain acts of nature, such as fire, floods and earthquakes, than other states, and has also been subject to a more pronounced economic downturn than other states. It is also possible that a change in California laws applicable to hotels and the lodging industry may have a greater impact on us than a change in comparable laws in another jurisdiction where we have hotels. Accordingly, our business, financial condition and results of operations may be particularly susceptible to a downturn or changes in the California economy.

We have suspended the payment of dividends on our common and preferred stock.

On November 4, 2008, we suspended payment of our dividend on our shares of common stock. In addition, in February 2009, our board of directors elected to suspend the quarterly dividend beginning with the first quarter of 2009 to holders of shares of our 8.50% Series A Cumulative Redeemable Preferred Stock, of 8.25% Series B Cumulative Redeemable Preferred Stock and 8.25% Series C Cumulative Redeemable Preferred Stock. We suspended these dividend payments in an effort to preserve liquidity. Pursuant to the Articles Supplementary governing our preferred stock, if we do not pay quarterly dividends on our preferred stock for six quarters, whether or not consecutive, the size of our board of directors will be increased by two and the holders of our preferred stock will have the right to elect two additional directors to our board. We can provide no assurance as to when we will resume paying dividends on our common and preferred stock, if ever.

If we fail to maintain effective internal control over financial reporting and disclosure controls and procedures in the future, we may not be able to accurately report our financial results, which could have an adverse effect on our business.

If our internal control over financial reporting and disclosure controls and procedures are not effective, we may not be able to provide reliable financial information. Subsequent to the filing of our annual report on Form 10-K for the year ended December 31, 2005, we determined that our consolidated statements of cash flows for the years ended December 31, 2005 and 2004 included in that annual report on Form 10-K and for the quarter ended March 31, 2005 included in our quarterly report on Form 10-Q for that quarter should be restated because the statements incorrectly classified certain items as cash flows from operating activities that should have been reported as cash flows from investing activities. Accordingly, we restated our consolidated statements of cash flows for the years ended December 31, 2005 and 2004 and our consolidated statement of cash flows for the quarter ended March 31, 2005 in our annual report on Form 10-K/A for the year ended December 31, 2005 and our quarterly report on Form 10-Q for the quarterly period ended March 31, 2006, respectively. In connection with these restatements, we determined that our internal control over financial reporting during the years ended December 31, 2004 and 2005 was not effective due to the existence of a material weakness in our internal control over financial reporting relating to the proper classification of cash flows pertaining to certain escrow deposits,

Table of Contents

purchased notes receivable and investments in our hotels. Although we have implemented additional procedures that we believe enable us to properly prepare and review our consolidated statement of cash flows, we cannot be certain that these measures will ensure that we will maintain adequate controls over our financial reporting process in the future. If we discover additional deficiencies, we will make efforts to remediate these deficiencies; however, there is no assurance that we will be successful either in identifying deficiencies or in their remediation. Any failure to maintain effective controls in the future could adversely affect our business or cause us to fail to meet our reporting obligations. Such non-compliance could also result in an adverse reaction in the financial marketplace due to a loss of investor confidence in the reliability of our financial statements. In addition, perceptions of our business among customers, suppliers, rating agencies, lenders, investors, securities analysts and others could be adversely affected.

Rising operating expenses and costs of capital improvements could reduce our cash flow, EBITDA and funds available for future distributions.

Our properties are subject to operating risks common to the lodging industry in general. If a property's occupancy or room rates drop to the point where its revenues are insufficient to cover its operating expenses, then we could be required to spend additional funds for that property's operating expenses. Our properties are continually subject to increases in real estate and other tax rates, wages and benefits, utility costs, operating expenses, insurance costs, repairs and maintenance and administrative expenses, which may reduce our cash flow, EBITDA and funds available for future distributions to our stockholders.

Our hotel properties have an ongoing need for renovations and other capital improvements, including replacements, from time to time, of furniture, fixtures and equipment. Some of these capital improvements are mandated by health, safety or other regulations. These capital improvements may give rise to (i) a possible shortage of available cash to fund capital improvements, (ii) the possibility that financing for these capital improvements may not be available to us on affordable terms and (iii) uncertainties as to market demand or a loss of market demand after capital improvements have begun. The costs of these capital improvements could adversely affect our financial condition and amounts available for distributions to our stockholders.

Our business and operating results depend in large part upon the performance of third-party hotel management companies that manage our hotels.

Our hotels are managed by third-party hotel management companies pursuant to management agreements or, with respect to the Marriott Hamburg, the lease applicable to that property. Therefore, our business and operating results depend in large part upon the performance of these hotel management companies under these management agreements.

Under the terms of these management agreements, the third-party hotel managers control the daily operations of our hotels. We do not have the authority to require any hotel to be operated in a particular manner or to govern any particular aspect of the daily operations of any hotel (for instance, setting room rates). Thus, even if we believe our hotels are being operated inefficiently or in a manner that does not result in satisfactory occupancy rates, net RevPAR or average daily rate, or ADR, we may not be able to force the hotel management companies in question to change their methods of operation of our hotels. Additionally, in the event that we need to replace any hotel management company, we may be required by the terms of the applicable management agreement to pay a substantial termination fee and may experience disruptions at any affected hotel. The effectiveness of the hotel management companies in managing our hotels will, therefore, significantly affect the revenues, expenses and value of our hotels. Occasionally, we have discovered accounting errors at some of our properties relating to the improper recording of income statement expenses, misstated inventories and other items apparently caused by poor accounting practices and oversight. In the event our third-party hotel management companies are not able to implement and maintain appropriate accounting controls with respect to our properties, our business, results of operations and financial condition could be adversely affected.

Table of Contents

Additionally, the hotel management companies that operate our hotels and their affiliates own, operate, or franchise properties other than our properties, including properties that directly compete with our properties. Therefore, a hotel management company may have different interests than our own with respect to short-term or long-term goals and objectives, including interests relating to the brand under which such hotel management company operates. Such differences may be significant depending upon many factors, including the remaining term of the applicable management agreement, trade area restrictions with respect to competitive practices by the hotel management company or its affiliates or differing policies, procedures or practices. Any of these factors may adversely impact the operation and profitability of a hotel, which could harm our financial condition and results of operations.

All revenues generated at our hotels, including credit card receivables, are deposited by the payors into accounts maintained and controlled by the relevant hotel management company, which pays operating and other expenses for the relevant hotel (including real and personal property taxes), pays itself management fees in accordance with the terms of the applicable management agreement and makes deposits into any reserve funds required by the applicable management agreement. In the event of a bankruptcy or insolvency involving a hotel management company, there is a risk that the payment of operating and other expenses for the relevant hotel and payment of revenues to us may be delayed or otherwise impaired. The bankruptcy or insolvency of a hotel management company may significantly impair its ability to provide services required under the management agreement.

Certain of the employees at our hotels are covered by collective bargaining agreements and labor disputes may disrupt operations or increase costs at our hotels.

Our hotel management companies act as employer of the hotel level employees. At certain of our hotels, these employees are covered by collective bargaining agreements. At the current time, the collective bargaining agreements at our Westin St. Francis hotel and Fairmont Chicago hotel have expired. At this time, we cannot predict when or whether new agreements will be reached in these markets and what the impact of prolonged negotiations could be. If agreements are reached, the agreements may cause us to incur additional expenses related to our employees, thereby reducing our profits and impacting our financial results negatively. Additionally, if agreements are not reached and there are labor disputes, including strikes, in these and other markets in which we have hotels, operations at our hotels could suffer due to the diversion of business to other hotels or increased costs of operating the hotel during such a labor dispute, thereby impacting our financial results negatively.

Our renovation and development activities are subject to timing, budgeting and other risks.

We are in the process of renovating several of our properties and expect to continue similar activities in the future, as well as develop and redevelop certain properties. These renovation, development, and redevelopment activities and the pursuit of acquisition and other corporate opportunities expose us to certain risks, including those relating to:

- construction delays or cost overruns that may increase project costs and, as a result, make the project uneconomical;
- defects in design or construction that may result in additional costs to remedy or require all or a portion of a property to be closed during the period required to rectify any such situation;
- the failure to complete construction of a property on schedule;
- insufficient occupancy rates at a completed project impeding our ability to pay operating expenses or achieve targeted rates of return on investment;
- the incurrence of acquisition and/or predevelopment costs in connection with projects that are delayed or not pursued to completion;
- natural disasters such as earthquakes, hurricanes, floods or fires that could adversely impact a project;

Table of Contents

- receipt of zoning, occupancy, building, land-use or other required governmental permits and authorizations; and
- governmental restrictions on the nature or size of a project or timing of completion.

In the case of an unsuccessful project, we may be required to write off capitalized costs associated with the project and such write-offs may be significant and adversely affect our financial condition and results of operations.

We face competition for the acquisition of real estate properties.

We compete with institutional pension funds, private equity investors, other REITs, owner-operators of hotels and others who are engaged in real estate investment activities that focus on the acquisition of hotels. These competitors may drive up the price we must pay for real property, other assets or other companies we seek to acquire or may succeed in acquiring those real properties, other assets or other companies themselves. In addition, our potential acquisition targets may find our competitors to be more attractive suitors because they may have greater resources, may be willing to pay more or may have a more compatible operating philosophy. In addition, the number of entities competing for suitable investment properties may increase in the future. This would result in increased demand for these real properties, other assets or other companies and therefore increase the prices required to be paid for them. If we pay higher prices for real properties, other assets or other companies, our profitability may be reduced. Also, future acquisitions of real property, other assets or other companies may not yield the returns we expect and, if financed using our equity, may result in stockholder dilution. We also may not be successful in identifying or consummating acquisitions and joint ventures on satisfactory terms. In addition, our profitability may suffer because of acquisition-related costs or amortization costs for intangible assets. We also may incur significant expenses in connection with acquisition or other corporate opportunities we pursue but do not consummate.

Investing through partnerships or joint ventures decreases our ability to manage risk.

In addition to acquiring or developing hotels and resorts directly, we have from time to time invested, and expect to continue to invest in hotels and ancillary businesses, as a co-venturer. Joint venturers often have shared control over the operation of the joint venture assets. Therefore, joint venture investments may involve risks such as the possibility that the co-venturer in an investment might become bankrupt or not have the financial resources to meet its obligations, or have economic or business interests or goals that are inconsistent with our business interests or goals, or be in a position to take action contrary to our instructions or requests or contrary to our policies or objectives. Consequently, actions by a co-venturer might subject hotels, resorts and businesses owned by the joint venture to additional risk. Although we generally seek to maintain sufficient control of any joint venture, we may be unable to take action without the approval of our joint venture partners. Alternatively, our joint venture partners could take actions binding on the joint venture without our consent. Additionally, should a joint venture partner become bankrupt, we could become liable for our partner's share of joint venture liabilities.

Risks Related to the Lodging and Real Estate Industries

A number of factors, many of which are common to the lodging industry and beyond our control, could affect our business, including those described elsewhere herein as well as the following:

- increased competition from new supply or existing hotel properties in our markets, which would likely adversely affect occupancy and revenues at our hotels;
- dependence on business, commercial and leisure travelers and tourism;
- dependence on group and meeting/conference business;
- increases in energy costs, airline strikes or other factors that may affect travel patterns and reduce the number of business and commercial travelers and tourists; and
- risks generally associated with the ownership of hotel properties and real estate, as we discuss in more detail below.

Table of Contents

These factors could have an adverse effect on our financial condition and results of operations, which may affect our ability to make distributions to our stockholders.

Uninsured and underinsured losses could adversely affect our financial condition and results of operations, which may affect our ability to make distributions to our stockholders.

Various types of catastrophic losses, such as losses due to wars, terrorist acts, earthquakes, floods, hurricanes or pollution or other environmental matters generally are either uninsurable or not economically insurable, or may be subject to insurance coverage limitations, such as large deductibles or co-payments. Although our earthquake insurance coverage is limited, as of February 24, 2010, six of our hotels are located in California, which has been historically at a greater risk for certain acts of nature (such as fire, floods and earthquakes) than other states. Our InterContinental Miami and Four Seasons Punta Mita Resort are located in areas that are prone to hurricanes and/or floods.

In the event of a catastrophic loss, our insurance coverage may not be sufficient to cover the full current market value or replacement cost of our lost investment. Should an uninsured loss or a loss in excess of insured limits occur, we could lose all or a portion of the capital we have invested in a property, as well as the anticipated future revenue from the property. In that event, we might nevertheless remain obligated for any mortgage debt or other financial obligations related to the property. In the event of a significant loss that is covered by insurance, our deductible may be high and, as a consequence, it could materially adversely affect our financial condition. Inflation, changes in building codes and ordinances, environmental considerations and other factors might also keep us from using insurance proceeds to replace or renovate a hotel after it has been damaged or destroyed. Under those circumstances, the insurance proceeds we receive might be inadequate to restore our economic position in the damaged or destroyed property.

Certain events, such as Hurricanes Katrina and Rita in 2005, have historically made it more difficult and expensive to obtain property and casualty insurance, including coverage for windstorm, flood and earthquake damage, and such events could occur again. We may encounter difficulty in obtaining or renewing property insurance, including coverage for windstorm, flood and earthquake damage, or casualty insurance on our properties at the same levels of coverage, under similar terms and in a timely manner due to a lack of capacity in the insurance markets or a lack of availability of such insurance at commercially reasonable rates. Insurance we would be able to obtain may be more limited and for some catastrophic risks (*e.g* ., earthquake, flood, windstorm and terrorism) may not be generally available to fully cover potential losses. Even if we would be able to obtain new policies with desired levels and with limitations, we cannot be sure that we would be able to obtain such insurance at premium rates that are commercially reasonable or that there would not be gaps in our coverage. If we were unable to obtain adequate insurance on our properties for certain risks or in a timely manner, it would expose us to uninsured losses and could cause us to be in default under specific covenants on certain of our indebtedness or other contractual commitments which require us to maintain adequate insurance on our properties to protect against the risk of loss. If this were to occur, or if we were unable to obtain adequate insurance and our properties experienced damage which would otherwise have been covered by insurance, it could materially adversely affect our financial condition and the operations of our properties.

We obtain terrorism insurance to cover any property damage caused by any terrorism act under a separate stand-alone policy of insurance, and also have terrorism insurance under our general liability program and in our program for directors' and officers' coverage. We may not be able to recover fully under our existing terrorism insurance for losses caused by some types of terrorist acts, and federal terrorism legislation does not ensure that we will be able to obtain terrorism insurance in adequate amounts or at acceptable premium levels in the future. Insurers only have to provide terrorism coverage to the extent mandated by the Terrorism Risk Insurance Program Reauthorization Act (TRIPRA) effective December 26, 2007. While TRIPRA will reimburse insurers for losses resulting from nuclear, radiological, biological and chemical perils, TRIPRA does not require insurers to offer coverage for these perils and, to date, insurers are not willing to provide this coverage, even with government reinsurance. Any damage related to war and to nuclear, biological and chemical incidents, therefore, is excluded under our policies. TRIPRA is due to expire on December 31, 2014. There is no guaranty that

Table of Contents

terrorism insurance will be readily available or affordable before or after expiration of the TRIPRA in December 2014 or that TRIPRA will not be modified or repealed. As a result of the above, there remains uncertainty regarding the extent and adequacy of terrorism coverage that will be available to protect our interests in the event of future terrorist attacks that impact our properties.

We derive revenues from outside the United States, which subjects us to different legal, monetary and political risks, as well as currency exchange risks, and may cause unpredictability in our cash flows.

Our business plan assumes that a portion of our investments will continue to be in hotel properties located outside the United States. International investments and operations generally are subject to various political and other risks that are different from and in addition to those for U.S. investments and operations, including:

- enactment of laws prohibiting or restricting the foreign ownership of property;
- laws restricting us from removing profits earned from activities within the country to the United States (*i.e.* , nationalization of assets located within a country);
- changes in laws, regulations and policies, including land use, zoning and environmental laws, and in real estate and other tax rates;
- exchange rate fluctuations;
- change in the availability, cost and terms of mortgage funds resulting from varying national economic policies or changes in interest rates;
- high administrative costs; and
- terrorism, war or civil unrest.

Unfavorable legal, regulatory, economic or political changes such as those described above could adversely affect our financial condition and results of operations.

The threat of terrorism has historically adversely affected the lodging industry generally and these adverse effects may worsen if there are further terrorist events.

The threat of terrorism has historically caused a significant decrease in hotel occupancy and average daily rates due to disruptions in business and leisure travel patterns and concerns about travel safety. Future terrorist acts, terrorism alerts or outbreaks of hostilities could have a negative effect on travel and on our business.

Seasonal variations in revenue at our hotels can be expected to cause quarterly fluctuations in our revenues.

Revenues for hotels in tourist areas generally are substantially greater during tourist season than other times of the year. To the extent that cash flows from operations are insufficient during any quarter, due to seasonal fluctuations in revenues, we may have to enter into short-term borrowings to fund operations, pay interest expense or make distributions to our stockholders.

We consider acquisition opportunities in the ordinary course of our business; we face competition in the acquisition of properties and properties that we acquire may not perform as anticipated.

In the ordinary course of our business and when our liquidity position permits, we consider strategic acquisitions. The acquisition of properties involves risks, including the risk that the acquired property will not perform as anticipated and the risk that any actual costs for rehabilitating, repositioning, renovating and improving identified in the pre-acquisition process will exceed estimates. There is, and it is expected that there will continue to be, significant competition for acquisitions that meet our investment criteria as well as risks associated with obtaining financing for acquisition activities.

Table of Contents

Environmental and other governmental laws and regulations could increase our compliance costs and liabilities and adversely affect our financial condition and results of operations.

Our hotel properties are subject to various U.S. federal, state and local environmental laws. Under these laws, courts and government agencies have the authority to require us, as owner of a contaminated property, to clean up the property, even if the contamination pre-dated our ownership of the property or we did not know of or were not responsible for the contamination. These laws may also force a party who owned a property at the time of its contamination, but no longer owns the property, to be responsible for the cleanup. In addition to the costs of clean-up, environmental contamination can affect the value of a property and, therefore, an owner's ability to borrow funds using the property as collateral or to sell the property. These laws can also impose liability on parties that arrange for the disposal of wastes at an offsite property that becomes contaminated.

In addition, some of these environmental laws can restrict the use of a property and place conditions on various activities. An example would be laws that require a business using hazardous substances on a property (such as swimming pool and lawn care chemicals) to manage them carefully and to notify local officials that the chemicals are being used. Failure to comply with these laws could result in fines and penalties or expose us to third-party liability.

From time to time, the United States Environmental Protection Agency (EPA) designates certain sites affected by hazardous substances as Superfund sites. Superfund sites can cover large areas, affecting many different parcels of land. The EPA may choose to pursue parties regardless of their actual contribution to the contamination. The Hilton Burbank Airport and Convention Center, which we sold in September 2006, is located within a Federal Superfund site. The area was designated as a Superfund site because groundwater underneath the area is contaminated. We have not been named, and do not expect to be named, as a party responsible for the clean-up of the groundwater contamination; however, there can be no assurance regarding potential future developments concerning this site.

The presence of any environmental conditions at our properties could result in remediation and other costs and liabilities and adversely affect our financial condition and results of operations.

We have reviewed environmental reports prepared by our consultants and consultants retained by our lenders at various times, which disclose certain conditions on our properties and the use of hazardous substances in operation and maintenance activities that could pose a risk of environmental contamination or impose liability on us. At some facilities these include on-site dry cleaning operations, petroleum storage in underground storage tanks, past tank removals and the known or suspected presence of asbestos, mold or thorium.

The costs to clean up a contaminated property to defend against a claim or to comply with environmental laws could be material and could adversely affect the funds available for distributions to our stockholders. Future laws or regulations may impose material environmental liabilities on us, the current environmental condition of our hotel properties may be affected by the condition of the properties in the vicinity of our hotel properties (such as the presence of leaking underground storage tanks) or by third parties unrelated to us and currently unknown environmental liabilities related to our hotel properties may be identified.

If we are not in compliance with the Americans with Disabilities Act of 1990, we may face significant costs to modify our properties and/or be subject to fines.

Under the Americans with Disabilities Act of 1990 (ADA), all public accommodations must meet various federal requirements related to access and use by disabled persons. Compliance with the ADA's requirements could require removal of access barriers, and non-compliance could result in the U.S. government imposing fines or in private litigants winning damages. If we are required to make substantial modifications to our hotels, whether to comply with the ADA or other changes in governmental rules and regulations, our financial condition, results of operations and ability to make distributions to our stockholders could be adversely affected.

Risks Related to Our Organization and Structure

Provisions of our organizational documents may limit the ability of a third party to acquire control of our company and may depress our stock price.

In order for us to maintain our status as a REIT, no more than 50% of the value of outstanding shares of our stock may be owned, actually or constructively, by five or fewer individuals at any time during the last half of each taxable year. To make sure that we will not fail to qualify as a REIT under this test, subject to some exceptions, our charter prohibits any individual from owning beneficially or constructively more than 9.8% of the value of outstanding shares of our stock or more than 9.8% of the value or number of shares, whichever is more restrictive, of the outstanding shares of our common stock. Any attempt to own or transfer shares of our capital stock in excess of the ownership limit without the consent of our board of directors will be void, and could result in the shares being automatically transferred to a charitable trust. This ownership limitation may prevent an acquisition of control of our company by a third party without our board of directors' grant of an exemption from the ownership limitation, even if our stockholders believe the change of control is in their interest.

Our charter authorizes our board of directors to cause us to issue up to 150,000,000 shares of common stock and up to 150,000,000 shares of preferred stock, to amend our charter without stockholder approval to increase or decrease the aggregate number of shares of stock or the number of shares of any class or series of our stock that we have authority to issue, to classify or reclassify any unissued shares of common stock or preferred stock and to set the preferences, rights and other terms of the classified or reclassified shares. Issuances of additional shares of stock may have the effect of delaying or preventing a change in control of our company, including transactions at a premium over the market price of our stock, even if stockholders believe that a change of control is in their interest.

Our charter permits the removal of a director only upon the affirmative vote of two-thirds of the votes entitled to be cast, generally in the election of directors, and provides that vacancies may only be filled by a majority of the remaining directors. Our bylaws require advance notice of a stockholder's intention to nominate directors or present business for consideration by stockholders at an annual meeting of our stockholders. These provisions may delay, defer or prevent a transaction or change in control that involves a premium price for our common stock or that for other reasons may be desired by our stockholders.

Provisions of Maryland law and our shareholder rights plan may limit the ability of a third party to acquire control of our company.

Certain provisions of the Maryland General Corporation Law (MGCL), may have the effect of inhibiting a third party from making a proposal to acquire us or of impeding a change of control under circumstances that otherwise could provide the holders of shares of our common stock with the opportunity to realize a premium over the then prevailing market price of such shares, including:

- "business combination" provisions that, subject to limitations, prohibit certain business combinations between us and an "interested stockholder" (defined generally as any person who beneficially owns 10% or more of the voting power of our shares or an affiliate thereof) for five years after the most recent date on which the stockholder becomes an interested stockholder, and thereafter imposes special super majority stockholder voting requirements on these combinations;
- "control share" provisions that provide that "control shares" of our company (defined as shares which, when aggregated with other shares controlled by the stockholder, entitle the stockholder to exercise one of three increasing ranges of voting power in electing directors) acquired in a "control share acquisition" (defined as the direct or indirect acquisition of ownership or control of "control shares") have no voting rights except to the extent approved by our stockholders by the affirmative vote of at least two-thirds of all the votes entitled to be cast on the matter, excluding all interested shares; and
- "unsolicited takeover" provisions of Maryland law permit our board of directors, without stockholder approval, to implement a classified board as well as impose other restrictions on the ability of a third party to acquire control.

Table of Contents

We have opted out of the control share provisions of the MGCL pursuant to a provision in our bylaws. However, we may, by amendment to our bylaws, become subject to the control share provisions of the MGCL in the future.

On November 24, 2009, we also extended a shareholder rights plan, commonly known as a poison pill anti-takeover device, through November 30, 2012 to deter hostile or coercive attempts to acquire us. Under the plan, if any person or group acquires more than 20% of our common stock without approval of the board of directors under specified circumstances, our other stockholders have the right to purchase shares of our common stock, or shares of the acquiring company, at a substantial discount to the public market price. This plan makes an acquisition not approved by our board of directors much more costly to a potential acquirer, which may deter a potential acquisition.

You have limited control as a stockholder regarding any changes we make to our policies.

Our board of directors determines our major policies, including our investment objectives, financing, growth and distributions. Our board of directors may amend or revise these and other policies without a vote of our stockholders. This means that our stockholders will have limited control over changes in our policies.

Tax Risks

If we fail to maintain our status as a REIT, our distributions will not be deductible by us, and our income will be subject to U.S. federal taxation, reducing our earnings available for distribution.

We currently qualify as a REIT under Sections 856 through 860 of the Internal Revenue Code of 1986, as amended (the Tax Code). The requirements for this qualification, however, are complex and require annual distributions to our stockholders tied to our taxable income (irrespective of available cash from operations), quarterly asset tests and diversity of stock ownership rules. If we fail to meet these requirements in the future, our distributions to our stockholders will not be deductible by us and we will have to pay a corporate U.S. federal level tax on our income. This would substantially reduce our cash available to pay distributions to our stockholders. In addition, such a tax liability might cause us to borrow funds, liquidate some of our investments or take other steps, which could negatively affect our results of operations. Moreover, if our REIT status is terminated because of our failure to meet a technical REIT requirement or if we voluntarily revoke our election, we would generally be disqualified from electing treatment as a REIT for the four taxable years following the year in which REIT status is lost.

Even if we maintain our status as a REIT, we may become subject to U.S. federal, state, local or foreign taxes on our income or property reducing our earnings available for distribution.

Even if we maintain our status as a REIT, we may become subject to U.S. federal income taxes and related state taxes. For example, if we have net income from a “prohibited transaction”, that income will be subject to a 100% tax. A “prohibited transaction” is, in general, the sale or other disposition of inventory or property, other than foreclosure property, held primarily for sale to customers in the ordinary course of business. We may not be able to make sufficient distributions to avoid excise taxes applicable to REITs. We may also decide to retain income we earn from the sale or other disposition of our property and pay U.S. federal income tax directly on that income. In that event, our stockholders would be treated as if they earned that income and paid the tax on it directly. However, stockholders that are tax-exempt, such as charities or qualified pension plans, would have no benefit from their deemed payment of that tax liability. In addition, the REIT rules impose various taxes and penalties on transactions with taxable REIT subsidiaries that are determined not to be priced at an arm’s length, and on a REIT that has to avail itself of certain cure provisions in the Tax Code for the failure to meet all of the REIT qualification requirements. We cannot assure you that we will be able to continue to satisfy the REIT requirements, or that it will be in our best interests to continue to do so.

Table of Contents

We may also be subject to state and local taxes on our income or property, either directly or at the level of our operating partnerships or at the level of the other companies through which we indirectly own our assets.

Foreign countries impose taxes on our hotels and our operations within their jurisdictions. We may not fully benefit from a foreign tax credit against our U.S. federal income tax liability for the foreign taxes we pay. As a result, our foreign taxes may reduce our income and available cash flow from our foreign hotels, which, in turn, could reduce our ability to make distributions to our stockholders.

Certain of our entities, including our foreign entities, are subject to corporate income taxes. Consequently, these entities are always subject to potential audit. There can be no assurance that certain tax positions the entities have taken will not be challenged by tax authorities and if the challenge is successful, could result in increased tax expense, which could be material.

If the leases of our hotels to our taxable REIT subsidiaries (Affiliate Leases) are not respected as true leases for federal income tax purposes, we would fail to maintain our status as a REIT.

To continue to qualify as a REIT, we must satisfy two gross income tests, under which specified percentages of our gross income must be certain types of passive income, such as rent. The rent paid pursuant to our Affiliate Leases will only qualify for purposes of the gross income tests if such Affiliate Leases are respected as true leases for U.S. federal income tax purposes and are not treated as service contracts, joint ventures or some other type of arrangement. If our Affiliate Leases are not respected as true leases for U.S. federal income tax purposes, we would fail to qualify as a REIT.

Our taxable REIT subsidiaries (TRSs) are subject to special rules that may result in increased taxes.

The REIT has to pay a 100% penalty tax on certain payments that it receives if the economic arrangements between the REIT and the TRS are not comparable to similar arrangements between unrelated parties. The Internal Revenue Service may successfully assert that the economic arrangements of any of our inter-company transactions, including our Affiliate Leases, are not comparable to similar arrangements between unrelated parties.

We may be required to pay a penalty tax upon the sale of a hotel.

The U.S. federal income tax provisions applicable to REITs provide that any gain realized by a REIT on the sale of property held as inventory or other property held primarily for sale to customers in the ordinary course of business is treated as income from a "prohibited transaction" that is subject to a 100% penalty tax. Under current laws, unless a sale of real property qualifies for a safe harbor, the question of whether the sale of a hotel (or other property) constitutes the sale of property held primarily for sale to customers is generally a question of the facts and circumstances regarding a particular transaction. We may make sales that do not satisfy the requirements of the safe harbors or the Internal Revenue Service may successfully assert that one or more of our sales are prohibited transactions; consequently, we may be required to pay a penalty tax.

Dividends payable by REITs do not qualify for the reduced tax rates applicable to certain dividends.

The maximum federal tax rate for certain dividends payable to domestic stockholders that are individuals, trusts and estates is 15% (through 2010). Dividends payable by REITs, however, are generally not eligible for this reduced rate. Although this legislation does not adversely affect the taxation of REITs or dividends paid by REITs, the more favorable rates applicable to regular qualified corporate dividends could cause investors who are individuals, trusts and estates to perceive investments in REITs to be relatively less competitive than investments in stock of non-REIT corporations that pay dividends, which could adversely affect the comparative value of the stock of REITs, including our common stock.

Table of Contents

We may pay required dividends in the form of common stock.

We are required to distribute 90% of our annual REIT taxable income in order to maintain our REIT status. Under recent guidelines published by the Internal Revenue Service, we may pay a significant portion of required dividends for 2010 and 2011 in the form of additional shares of common stock equal in value up to 90% of the required dividend to our common shareholders. The amount of the dividend would be taxable to shareholders (to the extent the dividend is from earnings and profits), including the value of our stock received, not just the portion of the dividend paid in cash. We expect that as we undertake efforts to conserve cash and enhance our liquidity, future required dividends on our common stock, if any, may be paid in common stock to the fullest extent permitted. There can be no assurance as to when we will cease our efforts to conserve cash and enhance liquidity to an extent we believe positions us to resume the payment of dividends completely or substantially in cash.

Principal Terms of Management Agreements. Of the Company's hotel properties, 16 of 17 are subject to management agreements with third party hotel managers and one is subject to a lease agreement with a third party hotel manager. For the management agreements, the principal terms are described below:

- *Base Management Fees* . Our agreements generally provide for the payment of base management fees between 1.25% and 5.00% of the applicable hotel's revenues, as determined in the agreements.
- *Incentive Management Fees*. Our agreements generally provide the opportunity for the hotel manager to earn incentive management fees, which are typically a percentage of a hotel's profit for the year. In certain instances, a level of return to us or performance of the hotel is required before a hotel manager is entitled to an incentive fee. Additionally, notwithstanding the specific formulas for the incentive fee calculations in the agreements, in certain instances, the incentive management fee to be earned by the hotel manager is capped.
- *Terms* . As of December 31, 2009, the remaining terms of the management agreements, not including renewal options, range from five to 27 years and average 15 years. Generally, we do not have the right to exercise renewal options for the agreements. Instead, the term of an agreement either renews automatically, unless the hotel manager provides notice of termination, or is otherwise renewable within the discretion of the hotel manager.
- *Services* . The agreements require the hotel managers to furnish the hotels with certain services, which include on-site management and may include central training, advertising and promotion, national reservations systems, payroll and accounting services and such additional services as needed. We are responsible for payment of the operating expenses related to the hotel.
- *Annual Budget* . The agreements require the hotel manager to prepare and implement annual budgets, subject to our review and approval.
- *Ability to Terminate* . The agreements generally are not subject to early termination by us unless certain conditions exist, including the failure of the hotel manager to satisfy yearly performance-related criteria in 13 of our agreements.
- *Working Capital* . Our agreements typically require us to maintain working capital for the related hotel. We are also responsible for providing funds to meet the cash needs for the hotel operations if at any time the funds available from the hotel operations are insufficient to meet the financial requirements of the hotel.
- *Furniture, Fixtures and Equipment Reserves* . We are required to provide to the hotel manager all of the necessary furniture, fixtures and equipment for the operations of the hotel. Our agreements generally provide that between 4.00% and 5.00% of revenues of the hotel be reserved by the manager or deposited into an escrow account held by us each year.
- *Sale of Hotel* . Generally, our agreements limit our ability to sell, lease or otherwise transfer each hotel unless the transferee is not a competitor of the manager, assumes the management agreement, and meets other specified conditions.

ITEM 5. MARKET FOR REGISTRANT'S COMMON EQUITY, RELATED STOCKHOLDER MATTERS AND ISSUER PURCHASES OF EQUITY SECURITIES.

Our common stock is listed and traded on the New York Stock Exchange (NYSE) under the symbol "BEE". As of February 24 , 2010, the number of registered holders of record of our common stock was 91.

The following table sets forth the high and low sale prices for our common stock as reported on the NYSE composite transaction tape and the per share cash dividends declared on our common stock for the period January 1, 2008 through December 31, 2009.

On November 4, 2008, SHR's board of directors elected to suspend the quarterly dividend to holders of shares of common stock, and, in February 2009, our board of directors elected to suspend the quarterly dividend to holders of shares of our preferred stock. The decision to suspend the payment of dividends on our common and preferred stock was undertaken as a measure to preserve liquidity due to the declining economic environment for hotel operations, no projected taxable distribution requirement and uncertainty regarding operating cash flows for 2010. Based on our current forecasts, we would not be required to make any distributions in 2010 in order to maintain our REIT status through 2010.

We generally intend to distribute each year substantially all of our taxable income (which does not necessarily equal net income as calculated in accordance with generally accepted accounting principles) to our shareholders so as to comply with REIT provisions of the Tax Code. If necessary for REIT qualification purposes, we may need to distribute any taxable income in cash or by a special dividend. Our dividend policy is subject to revision at the discretion of our board of directors. All distributions will be made at the discretion of our board of directors and will depend on our taxable income, our financial condition, our maintenance of REIT status and other factors as our board of directors deems relevant.

For a description of restrictions on the payment of dividends, see "Item 8. Financial Statements and Supplementary Data—9. Indebtedness—Bank Credit Facility."

ITEM 7. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS.

The following discussion and analysis is based primarily on the consolidated financial statements of Strategic Hotels & Resorts, Inc. and its subsidiaries for the years presented and should be read together with the notes thereto contained in this annual report on Form 10-K. Terms employed herein as defined terms, but without definition, have meanings set forth in the notes to the financial statements (see "Item 8. Financial Statements and Supplementary Data").

Overview

We were incorporated in Maryland in January 2004 to acquire and asset-manage upper upscale and luxury hotels (as defined by Smith Travel Research). Our accounting predecessor, Strategic Hotel Capital, L.L.C. (SHC LLC) was founded in 1997 by Laurence Geller, our president and chief executive officer, Goldman, Sachs & Co.'s Whitehall Fund and others. We made an election to be taxed as a real estate investment trust (REIT) under the Sections 856 through 860 of the Internal Revenue Code of 1986, as amended (the Tax Code). On June 29, 2004, we completed our initial public offering (IPO) of our common stock. Prior to the IPO, 21 hotel interests were owned by SHC LLC. Concurrent with and as part of the transactions relating to the IPO, a reverse spin-off distribution to shareholders separated SHC LLC into two companies, a new, privately-held SHC LLC, with interests, at that time, in seven hotels and SHR, a public entity with interests, at that time, in 14 hotels. See "Item 8. Financial Statements and Supplementary Data -1. General" for the hotel interests owned by us as of December 31, 2009.

We operate as a self-administered and self-managed REIT, which means that we are managed by our board of directors and executive officers. A REIT is a legal entity that holds real estate interests and, through payments of dividends to stockholders, is permitted to reduce or avoid federal income taxes at the corporate level. For us to continue to qualify as a REIT, we cannot operate hotels; instead we employ internationally known hotel management companies to operate our hotels for us under management contracts. We conduct our operations through our direct and indirect subsidiaries including our operating partnership, Strategic Hotel Funding, L.L.C. (SH Funding), which currently holds substantially all of our assets. We are the managing member of SH Funding and hold approximately 99% of its membership units as of December 31, 2009. We manage all business aspects of SH Funding, including the sale and purchase of hotels, the investment in these hotels and the financing of SH Funding and its assets.

Throughout this "Management's Discussion and Analysis of Financial Condition and Results of Operations" section, references to "we", "our", "us", and SHR are references to Strategic Hotels & Resorts, Inc. together, except as the context otherwise requires, with its consolidated subsidiaries, including SH Funding (the Company).

When presenting the dollar equivalent amount for any amounts expressed in a foreign currency, the dollar equivalent amount has been computed based on the exchange rate on the date of the transaction or the exchange rate prevailing on December 31, 2009, as applicable, unless otherwise noted.

Outlook

We expect revenue per available room (RevPAR) and occupancy declines to continue through the first part of 2010, with weakness concentrated in the first quarter and the prospects for growth improving in the second half of the year. The lodging industry continues to deal with a weak operating environment hampered by lagging consumer confidence and restrained corporate spending leading to softness in both transient and group demand.

The decline in occupied room nights continued in the fourth quarter of 2009 with losses of transient occupancy concentrated in the highest rated premium segment of the business, which was replaced primarily

Table of Contents

with less expensive discounted business. Corporate demand for group business waned as a result of corporate cost cutting initiatives. For the full year of 2009, occupied room nights declined over 8% with large losses in group room nights offset by a slight increase in transient occupied room nights. Transient room nights increased as a result of a sharp increase in discounted rooms coupled with significant losses in premium room nights.

In most cases, we are in advanced stages of carrying out hotel specific contingency plans designed to reduce costs and maximize efficiency at each hotel. This includes, but is not limited to, adjusting variable labor, eliminating fixed labor, reducing the hours of room service operations and other food and beverage outlets, and reducing, when possible, the implementation of certain brand standards. We believe these efforts have improved our margin performance in prior quarters and we plan to continue aggressively cutting costs as hotel demand deteriorates.

Our hotels have performed favorably against broad luxury hotel competitive metrics with our RevPAR consistently outpacing national luxury measurements.

Factors Affecting Our Results of Operations

Sale of Interests in Hotel Properties.

During 2007 through 2009, we sold the following properties and received net sales proceeds, after proration adjustments related to assets and liabilities of the hotels and closing costs, as shown below:

Property	Disposition Date	Net Sales Proceeds (in millions)
InterContinental Chicago & Hyatt Regency La Jolla(1)	August 31, 2007	$ 111.2
Hyatt Regency New Orleans	December 28, 2007	$ 28.0
Hyatt Regency Phoenix	July 2, 2008	$ 89.6
Four Seasons Mexico City	October 29, 2009	$ 52.2
Renaissance Paris Hotel Le Parc Trocadero	December 21, 2009	$ 50.3

(1) We sold a 49% interest in each of the InterContinental Chicago and Hyatt Regency La Jolla hotels.

Below is a summary of changes in our portfolio that have occurred during the years ended December 31, 2009, 2008 and 2007. The table summarizes the number of hotels and number of rooms, excluding unconsolidated joint ventures:

Total Portfolio Definition. We define our Total Portfolio as properties that we wholly or partially own or lease and whose operations are included in our consolidated operating results. The Total Portfolio excludes all sold properties included in discontinued operations.

Table of Contents

Revenues. Substantially all of our revenue is derived from the operation of our hotels. Specifically, our revenue for the years ended December 31, 2009 and 2008 consisted of:

	Total Portfolio % of Total Revenues	
	2009	2008
Revenues:		
Rooms	54.3%	54.6%
Food and beverage	31.9%	33.5%
Other hotel operating revenue	13.1%	11.3%
	99.3%	99.4%
Lease revenue	0.7%	0.6%
Total revenues	100.0%	100.0%

- ***Rooms revenue .*** Occupancy and average daily rate (ADR) are the major drivers of rooms revenue.
- ***Food and beverage revenue .*** Occupancy, local catering and banquet events are the major drivers of food and beverage revenue.
- ***Other hotel operating revenue .*** Other hotel operating revenue consists primarily of cancellation fees, spa, telephone, parking, golf course, internet access, space rentals, retail and other guest services and is also driven by occupancy.
- ***Lease revenue .*** We sublease our interest in the Marriott Hamburg to a third party and earn annual base rent plus additional rent contingent on the hotel meeting performance thresholds. We subleased our interest in the Paris Marriott to a third party through December 31, 2007. Effective January 1, 2008, we no longer sublease our interest in the Paris Marriott and consolidate the operating results of the hotel in our consolidated statements of operations.

Changes in our revenues are most easily explained by performance indicators that are used in the hotel real estate industry:

- average daily occupancy;
- ADR;
- RevPAR, which is the product of ADR and average daily occupancy, but does not capture food and beverage revenue or other hotel operating revenue such as telephone, parking and other guest services; and
- Total RevPAR, which captures food and beverage and other hotel operating revenue.

We generate a significant portion of our revenue from two broad categories of customers, transient and group.

Our transient customers include individual or group business and leisure travelers that occupy less than 10 rooms per night. Transient customers accounted for approximately 61.1% and 54.1% of the rooms sold during the years ended December 31, 2009 and 2008, respectively. We divide our transient customers into the following subcategories:

- Transient Leisure – This category generates the highest room rates and includes travelers that receive published rates offered to the general public that do not have access to negotiated or discounted rates.
- Transient Negotiated – This category includes travelers, who are typically associated with companies and organizations that generate high volumes of business, that receive negotiated rates that are lower than the published rates offered to the general public.

Table of Contents

Our group customers include groups of 10 or more individuals that occupy 10 or more rooms per night. Group customers accounted for approximately 38.9% and 45.9% of the rooms sold during the years ended December 31, 2009 and 2008, respectively. We divide our group customers into the following subcategories:

- Group Association – This category includes group bookings related to national and regional association meetings and conventions.
- Group Corporate – This category includes group bookings related to corporate business.
- Group Other – This category generally includes group bookings related to social, military, education, religious, fraternal and youth and amateur sports teams.

Fluctuations in revenues, which, for our domestic hotels, tend to correlate with changes in the U.S. GDP, are driven largely by general economic and local market conditions as well as general health and safety concerns, which in turn affect levels of business and leisure travel. Guest demographics also affect our revenues. Due to the current economic environment, demand for hotel rooms has decreased significantly when compared to 2008. Lower occupancy at the hotels has put downward pressure on ADR, therefore contributing to lower rooms revenue. Premium transient and group business has been replaced with less expensive discounted business. The significant decline in percentage of group business guests, which consume larger relative amounts of food and beverage and other services, are contributing to lower total revenue.

In addition to economic conditions, supply is another important factor that can affect revenues. Room rates and occupancy tend to fall when supply increases unless the supply growth is offset by an equal or greater increase in demand. One reason why we target upper upscale and luxury hotels in select urban and resort markets, including major business centers and leisure destinations, is because they tend to be in locations that have greater supply constraints such as lack of available land, high development costs, long development and entitlement lead times and brand trade area restrictions that prevent the addition of a certain brand or brands in close proximity. Nevertheless, our hotels are not insulated from competitive pressures and our hotel operators will lower room rates to compete more aggressively for guests in periods when occupancy declines.

For purposes of calculating our Total Portfolio RevPAR for 2009 and 2008, we exclude unconsolidated joint ventures and the Marriott Hamburg because we sublease the operations of the hotel and only record lease revenue. For purposes of calculating Total Portfolio RevPAR in 2007, we excluded unconsolidated joint ventures and the Marriott Hamburg and the Paris Marriott hotels because we subleased the operations of these hotels and only recorded lease revenue. These methods for calculating RevPAR each period are consistently applied through the remainder of this "Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations" and should be taken into consideration wherever RevPAR results are disclosed.

Hotel Operating Expenses. Our hotel operating expenses for the years ended December 31, 2009 and 2008 consisted of the costs and expenses to provide hotel services, including:

	Total Portfolio % of Total Hotel Operating Expenses	
	2009	2008
Hotel Operating Expenses:		
Rooms	19.4%	18.8%
Food and beverage	29.8%	31.9%
Other departmental expenses	36.8%	35.3%
Management fees	4.6%	5.3%
Other hotel expenses	9.4%	8.7%
Total hotel operating expenses	100.0%	100.0%

- ***Rooms expense.*** Occupancy is a major driver of rooms expense, which has a significant correlation with rooms revenue.

Table of Contents

- ***Food and beverage expense.*** Occupancy, local catering and banquet events are the major drivers of food and beverage expense, which has a significant correlation with food and beverage revenue.
- ***Other departmental expenses*** . Other departmental expenses consist of general and administrative, marketing, repairs and maintenance, utilities and expenses related to earning other operating revenue.
- ***Management fees.*** We pay base and incentive management fees to our hotel operators. Base management fees are computed as a percentage of revenue. Incentive management fees are incurred when operating profits exceed levels prescribed in our management agreements.
- ***Other hotel expenses*** . Other hotel expenses consist primarily of insurance costs and property taxes.

Salaries, wages and related benefits are included within the categories of hotel operating expenses described above and represented approximately 47.4% and 46.4% of the total hotel operating expenses for the years ended December 31, 2009 and 2008, respectively.

Most categories of variable operating expenses, such as utilities and certain labor such as housekeeping, fluctuate with changes in occupancy. Increases in RevPAR attributable to increases in occupancy are accompanied by increases in most categories of variable operating costs and expenses while increases in RevPAR attributable to increases in ADR typically only result in increases in limited categories of operating costs and expenses, such as management fees charged by our operators, which are based on hotel revenues. Thus, changes in ADR have a more significant impact on operating margins.

Lease expense. As a result of sale and leaseback transactions applicable to the Paris Marriott and Marriott Hamburg hotels, we recorded lease expense in our statements of operations. In conjunction with the sale and leaseback transactions, we also recorded a deferred gain. Net lease expense includes an offset for the amortization of the deferred gain of $4.9 million, $5.2 million, and $4.8 million for the years ended December 31, 2009, 2008 and 2007, respectively.

Impairment losses . Overall weakness in the U.S. economy, particularly turmoil in the credit markets, weakness in the housing market, and volatile energy and commodity costs, have resulted in considerable negative pressure on both consumer and business spending. As a result, lodging demand, which is primarily driven by the U.S. GDP growth, business investment and employment growth, weakened. We determined that these conditions have contributed to our low stock price and reduced market capitalization relative to the book value of our equity, which are indicators of potential impairment of goodwill and long-lived assets. Based on our evaluation, we recorded an estimated non-cash goodwill impairment charge of $41.9 million during the year ended December 31, 2009.

An impairment test of long-lived assets was performed for two Mexican development sites at December 31, 2009 based on uncertainties surrounding the development of this land in a manner consistent with our original plan, resulting in an impairment charge of $23.2 million. An impairment test of long-lived assets was performed for the Renaissance Paris Hotel Le Parc Trocadero (Renaissance Paris) at September 30, 2009 based on a change in the anticipated holding period of the hotel, resulting in an impairment charge of $30.8 million.

During the year ended December 31, 2009, we recorded a $26.5 million impairment charge due to an other-than-temporary decline in value of our 45% investments in SHC KSL Partners, LP (Hotel Venture), the owner of the Hotel del Coronado in San Diego, California, and HdC North Beach Development, LLLP (North Beach Venture).

The estimates and assumptions made in assessing fair value of the reporting units, which for us is each of our hotel properties, and the valuation of the underlying assets and liabilities are inherently subject to significant uncertainties. In addition, continued deterioration in economic and market conditions present a potential for

Table of Contents

additional impairment charges on our hotel properties subsequent to December 31, 2009. Any such adjustment could be material, but will be non-cash. See "—Critical Accounting Policies" for further detail regarding our analysis.

Corporate expenses. Corporate level expenses include payroll and related costs, professional fees, travel expenses and office rent.

Recent Events . We expect that the following events will cause our future results of operations to differ from our historical performance:

Acceleration of Restricted Stock Units (RSUs). During the first quarter of 2009, the compensation committee approved the acceleration of vesting of certain RSUs issued prior to December 31, 2008. Effective March 31, 2009, the vesting of approximately 295,000 shares was accelerated resulting in a one-time charge of $3.6 million in the first quarter of 2009 to recognize the remaining unamortized deferred compensation costs related to these vested RSUs.

Suspension of Stock Dividends . On November 4, 2008, the board of directors elected to suspend the quarterly dividend to holders of shares of our common stock. On February 24, 2009, the board of directors elected to suspend the quarterly dividend to holders of shares of our preferred stock.

Amendment to Bank Credit Facility. In February 2009, we entered into the third amendment to our bank credit facility. This amendment, among other things, provides us with additional flexibility with respect to our financial covenants and related financial calculations, reduces the facility size from $500.0 million to $400.0 million and increases the interest rate from the London Interbank Offered Rate (LIBOR) plus a margin of 0.80% to 1.50% to LIBOR plus a margin of 3.75%. See "—Liquidity and Capital Resources" for further detail regarding the third amendment to our bank credit facility.

Sale of Interests in Hotel Properties. In 2009, we sold the Four Seasons Mexico City and the Renaissance Paris hotels for net sales proceeds of $52.2 million and $50.3 million, respectively.

We sold the Four Seasons Mexico City and Renaissance Paris hotels during the fourth quarter of 2009. We sold the Hyatt Regency Phoenix hotel during the third quarter of 2008. The results of operations for these sold hotels are included in (loss) income from discontinued operations, net of tax for the years ended December 31, 2009 and 2008.

Rooms . Rooms revenue decreased $114.2 million, or 22.5%, for the year ended December 31, 2009 from the year ended December 31, 2008. RevPAR for the year ended December 31, 2009 decreased by 22.3% from the year ended December 21, 2008. The components of RevPAR from our Total Portfolio for the years ended December 31, 2009 and 2008 are summarized as follows:

	Years Ended December 31,	
	2009	2008
Occupancy	66.13%	72.11%
ADR	$ 233.84	$ 276.17
RevPAR	$ 154.65	$ 199.15

When comparing the same period from prior year, rooms revenue decreased across our portfolio of hotels. The reduction in rooms revenue was the result of declines in both occupancy and ADR. Corporate spending on travel has decreased as a result of corporate cost cutting initiatives and the negative perception of staying at luxury hotels. In addition, consumer spending on travel has decreased significantly due to the current economic downturn. Lower occupancy at the hotels has put downward pressure on ADR, and premium transient and group business has been replaced by less expensive discount business. The majority of our portfolio properties incurred significant declines in RevPAR ranging from 20%-30%.

Food and Beverage. Food and beverage revenue decreased $80.3 million, or 25.8%, for the year ended December 31, 2009 from the year ended December 31, 2008. Consistent with the decrease in rooms revenue, food and beverage revenue decreased across our entire portfolio of hotels, except at the Four Seasons Washington, D.C. hotel. The primary driver of the food and beverage revenue decrease was the decline in occupancy at the hotels, in particular, a decline in group bookings, which typically have significant levels of spending on food and beverage. The decrease in revenue was partially offset by increases at the Four Seasons Washington, D.C. hotel, which opened a new restaurant in the first quarter of 2009 and recovered business that was displaced during the renovation of the hotel in 2008.

Other Hotel Operating Revenue. For the Total Portfolio, other hotel operating revenue decreased $9.6 million, or 9.1%, for the year ended December 31, 2009 from the year ended December 31, 2008. The decline in occupancy at the hotels has resulted in overall decreases in ancillary revenues at the hotels, including spa, retail and telephone revenues. In addition, there was a decrease in fees earned from the villa rental program at the Four Seasons Punta Mita Resort due to the weak economy and the swine flu outbreak. These decreases were partially offset by a $6.2 million increase in cancellation fees received primarily at the Fairmont Scottsdale, Ritz-Carlton Half Moon Bay, Four Seasons Punta Mita and Ritz-Carlton Laguna Niguel hotels.

Lease Revenue. Lease revenue decreased $0.5 million, or 9.8%, for the year ended December 31, 2009 from the year ended December 31, 2008. The decrease in lease revenue is due to a decline in ADR at the Marriott Hamburg due to lower demand in the market.

Table of Contents

Hotel Operating Expenses. The following table presents the components of our hotel operating expenses for the years ended December 31, 2009 and 2008, including the amount and percentage changes in these expenses between the two years (in thousands):

	Total Portfolio			
	2009	2008	Change($)	Change (%)
Hotel operating expenses:				
Rooms	$110,631	$126,804	$ (16,173)	12.8%
Food and beverage	170,503	215,683	(45,180)	20.9%
Other departmental expenses	210,044	238,258	(28,214)	11.8%
Management fees	26,593	35,920	(9,327)	26.0%
Other hotel expenses	53,613	58,423	(4,810)	8.2%
Total hotel operating expenses	$571,384	$675,088	$(103,704)	15.4%

Hotel operating expenses decreased $103.7 million, or 15.4%. Rooms, food and beverage, and other departmental expenses decreased due to a combination of a decline in occupancy at the hotels, which reduced variable costs, including a $17.3 million decrease in food and beverage costs and a $8.2 million decrease in credit card and travel agent commissions, and the successful implementation of our fixed-cost reduction initiative, which included a $42.6 million decrease in payroll due to lower headcount totals. A modification of the license and service agreement of a restaurant operator at the Westin St. Francis hotel contributed to the decrease in both the food and beverage and payroll costs. The $9.3 million decrease in management fee expense includes a decrease in base management fees, which correlates with the overall decrease in revenue at the hotels, and a decrease in the incentive management fees, which decreased based on declines in the profitability at the hotels.

Depreciation and Amortization. Depreciation and amortization increased $22.7 million, or 19.5%, for the year ended December 31, 2009 when compared to year ended December 31, 2008. The increase is due to capital projects being placed in service during late 2008 through 2009. Major projects were placed in service at the Marriott London Grosvenor Square, the Fairmont Scottsdale, the Westin St. Francis, the Four Seasons Washington, D.C., and the Paris Marriott.

Impairment Losses and Other Charges. During the year ended December 31, 2009, we recorded a non-cash goodwill impairment charge of $41.9 million. The charge related to the Four Seasons Washington, D.C. ($23.9 million), Ritz-Carlton Half Moon Bay ($15.5 million) and Marriott London Grosvenor Square ($2.5 million) hotels. We recorded a long-lived asset impairment charge of $23.2 million related to two Mexican development sites based on uncertainties surrounding the development of this land in a manner consistent with our original plan. We also recorded an impairment charge of $26.5 million related to an other-than-temporary decline in value of our investment in the Hotel and North Beach Ventures.

During the year ended December 31, 2009, we abandoned several capital projects due to unfavorable market conditions and recorded a charge of approximately $8.3 million to write off capitalized costs and deposits related to these projects. For the year ended December 31, 2009, we also recorded a charge of $0.2 million to write off our investment in Luxury Leisure Properties International, L.L.C. (LLPI). See “Item 8. Financial Statements and Supplementary Data—6. Investment In Joint Ventures” for a description of LLPI. Our interest in the LLPI venture was redeemed in May 2009.

During the year ended December 31, 2008, we recorded a non-cash impairment charge that consisted of $284.1 million of goodwill, $0.6 million of other intangible assets, and $1.0 million of investment in joint ventures. The charges related to the Ritz-Carlton Laguna Niguel ($61.5 million), Westin St. Francis ($57.1 million), Fairmont Scottsdale ($50.7 million) Marriott London Grosvenor Square ($49.6 million), the InterContinental Prague ($49.4 million), the Four Seasons Washington, D.C. ($16.4 million) and our investment in the Residence Club Punta Mita (RCPM) ($1.0 million).

Table of Contents

We also recorded a charge of approximately $35.7 million during the year ended December 31, 2008 related to abandoning our planned purchase of an interest in a mixed-use building, the Aqua Building. The charge included the loss of our $28.0 million deposit in the form of a letter of credit that secured the contract and approximately $7.7 million in planning and development costs. Additionally, we abandoned several capital projects at certain of our properties due to unfavorable market conditions and recorded a charge of approximately $7.1 million to write off capitalized costs related to these projects.

Corporate Expenses. Corporate expenses decreased $0.7 million, or 2.5%, for the year ended December 31, 2009 when compared to the same period in 2008. These expenses consist primarily of payroll and related costs, professional fees, travel expenses and office rent. The overall decrease in corporate expenses is attributable to a decrease in professional fees and a decrease in costs related to terminated transactions, partially offset by an increase related to the vesting acceleration of certain RSUs issued prior to December 31, 2008.

Interest Expense, Net. The $14.1 million, or 16.1%, increase in interest expense, net for the year ended December 31, 2009 when compared to the year ended December 31, 2008 was primarily due to:

- a $6.9 million decrease in capitalized interest,
- a $2.6 million increase attributable to higher average borrowings,
- a $2.6 million increase in the amortization of deferred financing costs,
- a $1.1 million decrease in interest income, and
- a $0.9 million increase due to the net impact of an increase in amortization of interest rate swap costs offset by lower average interest rates.

The components of interest expense, net for the years ended December 31, 2009 and 2008 are summarized as follows (in thousands):

We recorded $1.7 million of equity in earnings during the year ended December 31, 2009, which is a $1.1 million decrease from the $2.8 million equity in earnings recorded during the year ended December 31, 2008. The change was primarily due to a decrease in operating performance related to the Hotel Del Coronado and the RCPM, partially offset by a decrease in interest expense at the Hotel Venture, which was the result of lower interest rates.

Foreign Currency Exchange Loss. We recorded a foreign currency exchange loss of $2.1 million during the year ended December 31, 2009, which is a $1.0 million increase from the $1.1 million foreign currency exchange loss recorded in the same period in the prior year. The change was primarily related to changing foreign exchange rates related to Euro-denominated loans associated with the InterContinental Prague hotel and working capital at certain foreign hotel properties.

Income Tax Expense. Income tax expense decreased $6.6 million during the year ended December 31, 2009 when compared to the year ended December 31, 2008. The decrease in the income tax expense is primarily attributable to decreases in earnings at our various U.S. domestic and foreign properties.

Distributions in Excess of Noncontrolling Interest Capital. We made a distribution to our noncontrolling interest partner in excess of the noncontrolling interest partners' capital account in the amount of $2.5 million during the year ended December 31, 2008. On January 1, 2009, we adopted new accounting guidance related to noncontrolling interests in consolidated financial statements. The adoption of this new guidance requires any future distributions that exceed a noncontrolling interest partner's capital balance to be recorded as a deficit in the noncontrolling interest balance and no longer reflected in the consolidated statements of operations.

(Loss)Income from Discontinued Operations, Net of Tax . We sold the Four Seasons Mexico City and Renaissance Paris hotels during the fourth quarter of 2009 and the Hyatt Regency Phoenix hotel during the third quarter of 2008. The results of operations of these hotels were reclassified as discontinued operations for the periods presented. (Loss) income from discontinued operations amounted to $9.3 million in loss and $17.8 million in income for the years ended December 31, 2009 and 2008, respectively.

The loss from discontinued operations for the year ended December 31, 2009 primarily consisted of the operating results of the Four Seasons Mexico City and the Renaissance Paris hotels, which included a non-cash

long-lived asset impairment charge of $30.8 million related to the Renaissance Paris hotel, offset by a $6.5 million gain recognized on the sale of the Four Seasons Mexico City hotel and a $11.7 million gain recognized on the sale of the Renaissance Paris hotel.

The $17.8 million income from discontinued operations for the year ended December 31, 2008 primarily consisted of a $37.1 million gain recognized on the sale of the Hyatt Regency Phoenix hotel and a $0.4 million gain recognized on the sale of the Hyatt Regency New Orleans hotel as well as the operating results of the Four Seasons Mexico City and Hyatt Regency Phoenix hotels, partially offset by the operating results of the Renaissance Paris, which included a non-cash goodwill impairment charge of $33.3 million.

Net Loss Attributable to the Noncontrolling Interests in SHR's Operating Partnership. We record net loss or income attributable to noncontrolling interest in SHR's operating partnership based on the percentage of SH Funding we do not own. Net loss attributable to noncontrolling interests in SHR's operating partnership decreased by $0.9 million when compared to prior year. This change was due to the decrease in net loss recognized during the year ended December 31, 2009 when compared to the year ended December 31, 2008. Our ownership percentage of SH Funding did not change.

Net Income Attributable to the Noncontrolling Interests in Consolidated Affiliates. We record net loss or income attributable to noncontrolling interests in consolidated affiliates for the non-ownership interests in hotels that are partially owned by us. Net income attributable to noncontrolling interests in consolidated affiliates decreased by $3.2 million for the year ended December 31, 2009 when compared to the same period in the prior year due to lower net income of our consolidated affiliates.

We sold the Four Seasons Mexico City and Renaissance Paris hotels during the fourth quarter of 2009, the Hyatt Regency Phoenix hotel during the third quarter of 2008, and the Hyatt Regency New Orleans hotel during the fourth quarter of 2007. The results of operations for these sold hotels are included in income (loss) from discontinued operations, net of tax for the years ended December 31, 2008 and 2007.

Rooms . Rooms revenue increased $19.7 million, or 4.0%. RevPAR for the year ended December 31, 2008 increased by 0.7% from the year ended December 31, 2007. The components of RevPAR for the years ended December 31, 2008 and 2007 are summarized as follows:

	Years Ended December 31,	
	2008	2007
Occupancy	72.11%	76.28%
ADR	$ 276.17	$ 259.30
RevPAR	$ 199.15	$ 197.78

The primary driver of the increase in rooms revenue was the consolidation of the Paris Marriott operations on January 1, 2008, which generated $39.0 million of rooms revenue during the year ended December 31, 2008. The remaining properties realized a $19.3 million decrease in rooms revenue. This decrease was driven mainly by RevPAR declines at the Marriott Lincolnshire (13.7%), which saw a drop in group demand due to increased competition coupled with a discounting of transient room rates, at the Marriott London Grosvenor Square (11.9%), which experienced displacement from room renovations earlier in the year as well as foreign currency translation, and at the Fairmont Chicago (10.2%), which experienced displacement from renovations during the first half of 2008.

Food and Beverage. Food and beverage revenue decreased by $5.1 million, or 1.6%. Food and beverage revenue for all properties, excluding the Paris Marriott, decreased by $12.9 million due to a shifting of the mix of business from group to transient at several of our hotels. In addition, lower overall occupancy has resulted in decreases in ancillary revenues such as food and beverage. This decrease was partially offset by the consolidation of the Paris Marriott in 2008, which generated food and beverage revenue of $7.8 million.

Lease Revenue. Lease revenue decreased $18.0 million, or 77.0%. The decrease in lease revenue was primarily related to the Paris Marriott. Effective January 1, 2008, we no longer sublease the operations of the Paris Marriott to a third party and no longer record lease revenue. We now record the operating results of the Paris Marriott in our consolidated statement of operations, including operating revenues and expenses.

Hotel Operating Expenses. The following table presents the components of our hotel operating expenses for the years ended December 31, 2008 and 2007, including the amount and percentage changes in these expenses between the two periods (in thousands):

properties, hotel operating expenses decreased $11.6 million, which mainly consisted of declines in insurance expense of $4.0 million due to lower premiums. In addition, in the prior year, we wrote off $1.2 million of deferred costs related to a condominium-hotel project that was delayed indefinitely at the Fairmont Chicago, with no similar write-off during 2008.

Depreciation and Amortization. Depreciation and amortization increased $17.0 million, or 17.1%, for the year ended December 31, 2008 when compared to the year ended December 31, 2007. Approximately $0.9 million of the increase related to depreciation on corporate assets, which increased when the corporate office relocated in September 2007. The remainder of the increase in depreciation and amortization is primarily due to capital projects being placed in service at the individual hotels.

Impairment Losses and Other Charges. During the year ended December 31, 2008, we recorded a non-cash impairment charge that consisted of $284.1 million of goodwill, $0.6 million of other intangible assets, and $1.0 million of investment in joint ventures. The charges related to the Ritz-Carlton Laguna Niguel ($61.5 million), Westin St. Francis ($57.1 million), Fairmont Scottsdale ($50.7 million) Marriott London Grosvenor Square ($49.6 million), the InterContinental Prague ($49.4 million), the Four Seasons Washington, D.C. ($16.4 million) and our investment in RCPM ($1.0 million).

We also recorded a charge of approximately $35.7 million during the year ended December 31, 2008 related to abandoning our planned purchase of an interest in a mixed-use building, the Aqua Building. The charge included the loss of our $28.0 million deposit in the form of a letter of credit that secured the contract and approximately $7.7 million in planning and development costs. Additionally, we abandoned several capital projects at certain of our properties due to unfavorable market conditions and recorded a charge of approximately $7.1 million to write off capitalized costs related to these projects.

During the year ended December 31, 2007, we recorded a charge of $7.4 million to write off previously deferred costs related to our decision to abandon the planned public listing of our European hotel assets.

Corporate Expenses. Corporate expenses decreased $3.4 million, or 11.4% for the year ended December 31, 2008 when compared to the same period in 2007. These expenses consist primarily of payroll and related costs, professional fees, travel expenses and office rent. The overall decrease in corporate expenses is primarily attributable to:

- a $2.2 million decrease in payroll and related costs primarily due to decreases in bonus expenses partially offset by increase in severance costs,
- a $0.9 million decrease in travel and entertainment and recruiting expenses, and
- a $0.5 million decrease in office expenses, partially offset by
- a $0.3 million increase in professional fees.

Interest Expense, Net. The $0.3 million, or 0.3%, increase in interest expense, net for the year ended December 31, 2008 when compared to the year ended December 31, 2007 was primarily due to:

- a $5.8 million increase attributable to higher average borrowings and
- an $0.8 million decrease in interest income, partially offset by
- a $3.0 million decrease due to lower average rates,
- a $2.7 million increase in capitalized interest, and
- a $0.6 million decrease in amortization.

At December 31, 2008, including the effect of interest rate swaps, 15.4% of our total debt had variable interest rates and 84.6% had fixed interest rates.

Loss on Early Extinguishment of Debt. There was a loss of early extinguishment of debt of $7.8 million for the year ended December 31, 2007. Approximately $3.5 million of the loss was driven by costs related to the defeasance of a fixed rate loan partially secured by the Hyatt Regency La Jolla hotel on August 23, 2007. Approximately $3.0 million of the balance included the prepayment premium and the write-off of unamortized deferred financing costs related to the March 9, 2007 repayment of a floating rate loan portfolio secured by six hotel properties. Another $0.8 million related to the unamortized deferred financing costs written off in conjunction with the March 9, 2007 refinancing of our bank credit facility. The remaining balance consisted of the write-off of unamortized deferred financing costs related to the repayment or refinancing of other mortgage loans.

Table of Contents

Equity in earnings decreased $5.5 million during the year ended December 31, 2008 when compared to the year ended December 31, 2007. The decrease in equity in earnings was primarily due to the sale of the North Beach Venture residential condominium hotel units in 2007. During the year ended December 31, 2007, our share of income, net of taxes related to the sale of these units was approximately $13.1 million. There was one unit sold during the year ended December 31, 2008. The decrease in equity in earnings was partially offset by a $5.7 million decrease in our share of interest expense at the Hotel del Coronado Venture due to lower borrowings and interest rates in 2008 when compared to 2007.

Foreign Currency Exchange Loss. Foreign currency exchange loss decreased by $2.4 million during the year ended December 31, 2008 when compared to the same period in the prior year. The decrease was primarily related to changing foreign exchange rates related to Euro-denominated loans associated with the InterContinental Prague hotel.

Other Expenses, Net. Other expenses, net includes asset management fees, non-income related state, local and franchise taxes, as well as miscellaneous income and expenses. The increase in this expense of $0.5 million is primarily attributable to a $0.7 million decrease in asset management fees, offset by a $0.2 million decrease in state and local tax expense.

Income Tax Expense. Income tax expense increased $3.4 million during the year ended December 31, 2008 when compared to the year ended December 31, 2007. The increase in income tax expense is primarily due to a decrease in the deferred tax benefit at the InterContinental Prague due to the enactment of lower tax rates effective after January 1, 2008, partially offset by a decrease in the InterContinental Prague's current foreign income tax due to a decrease in earnings in 2008 when compared to 2007. Additionally, taxes in the United States decreased related to residential sales at the North Beach Venture. The majority of the North Beach Venture units were sold in 2007 with no significant activity in 2008.

Distributions in Excess of Noncontrolling Interest Capital . We made a distribution to our noncontrolling interest partner in a consolidated entity in excess of the noncontrolling interest partner's capital account in the amount of $2.5 million for the year ended December 31, 2008.

(Loss) Gain on Sale of Noncontrolling Interests in Hotel Properties. On August 31, 2007, we sold a 49% interest in each of the InterContinental Chicago and Hyatt Regency La Jolla hotels. We recognized a gain on the sale of approximately $85.8 million during the year ended December 31, 2007.

Income (Loss) from Discontinued Operations, Net of Tax . We sold the Four Seasons Mexico City and Renaissance Paris hotels during the fourth quarter of 2009, the Hyatt Regency Phoenix hotel during the third quarter of 2008, and the Hyatt Regency New Orleans hotel during the fourth quarter of 2007. The results of operations of these hotels were reclassified as discontinued operations for the periods presented. Income (loss) from discontinued operations amounted to $17.8 million in income and $36.1 million in loss for the years ended December 31, 2008 and 2007, respectively.

The $17.8 million income from discontinued operations for the year ended December 31, 2008 primarily consisted of a $37.1 million gain recognized on the sale of the Hyatt Regency Phoenix hotel and a $0.4 million gain recognized on the sale of the Hyatt Regency New Orleans hotel and the operating results of the Four Seasons Mexico City and Hyatt Regency Phoenix hotels, partially offset by the operating results of the Renaissance Paris hotel, which included a non-cash goodwill impairment charge of $33.3 million.

The loss from discontinued operations for the year ended December 31, 2007 primarily consisted of the operating results at the Four Seasons Mexico City, Renaissance Paris, Hyatt Regency Phoenix and Hyatt Regency New Orleans hotels, which included $7.3 million of losses on the early extinguishment of debt related to the defeasance of fixed rate mortgage loans secured by two of these hotels and a $37.7 million impairment loss on the Hyatt Regency New Orleans hotel due to a change in our anticipated holding period of the property and our updated estimates of the fair value of the property.

Net Loss (Income) Attributable to the Noncontrolling Interests in SHR's Operating Partnership. We record net loss or income attributable to noncontrolling interests in SHR's operating partnership based on the percentage of SH Funding we do not own. Net loss (income) attributable to the noncontrolling interest in SHR's operating partnership changed to $4.1 million of loss for the year ended December 31, 2008 when compared to income of $1.0 million for the year ended December 31, 2007. This change was due to the change in the results of our operations and primarily driven by the impairment losses and other charges recorded during 2008. Our ownership percentage of SH Funding did not change.

Net Income Attributable to the Noncontrolling Interests in Consolidated Affiliates. We record net loss or income attributable to noncontrolling interests in consolidated affiliates for the non-ownership interests in hotels that are partially owned by us. Net income attributable to the noncontrolling interests in consolidated affiliates increased $2.5 million for the year ended December 31, 2008 when compared to the year ended December 31, 2007. The change reflected the effect of the sale of 49% noncontrolling interests in the InterContinental Chicago and Hyatt Regency La Jolla hotels in August 2007, as well as the acquisition of the remaining noncontrolling interests in the InterContinental Miami hotel in September 2007.

Liquidity and Capital Resources

Our short-term liquidity requirements consist primarily of funds necessary to pay for operating expenses and other expenditures. Historically, we have satisfied our short-term liquidity requirements through our existing working capital, cash provided by operations, and our bank credit facility. In February 2009, we entered into the third amendment to our bank credit facility, which among other things provides us with additional flexibility to maintain compliance with our financial covenants during 2010 and provides sufficient borrowing capacity to meet our short-term liquidity requirements during such time. As of December 31, 2009, the Company was in compliance with its financial and other restrictive covenants contained in the bank credit facility.

Our available capacity under the bank credit facility and compliance with financial covenants in future periods will depend substantially on the financial results of our hotels, and in particular, the results of the borrowing base assets. As of February 24, 2010, the outstanding borrowings and letters of credit in the aggregate were $197.8 million.

In the fourth quarter of 2009, we sold the Four Seasons Mexico City and Renaissance Paris for net sales proceeds of $102.4 million. A significant portion of the net proceeds from the sales were used to pay down the bank credit facility. To further improve liquidity in the short term, we are actively pursuing a number of alternatives, including but not limited to additional asset dispositions. The net proceeds of any additional transaction could be utilized to reduce borrowings outstanding under the bank credit facility and further improve liquidity. As of December 31, 2009, maximum availability under the bank credit facility was $287.3 million, and outstanding borrowings and letters of credit in the aggregate were $180.8 million. The administrative agent for the bank credit facility is currently obtaining appraisals for the borrowing base assets and depending upon the final appraised values, the maximum availability may decrease. We believe that the measures we have taken as described above should be sufficient to satisfy our liquidity needs for the next 12 months. However, if current financial market conditions worsen and our business deteriorates further, we may breach one or more of our financial covenants or the maximum availability under the bank credit facility may fall below our short-term borrowing needs. A default under the bank credit facility would allow the lenders to declare all amounts outstanding under the facility to become due and payable. Additionally, such an acceleration event would allow for acceleration of the interest rate swaps and the Exchangeable Notes.

If an event of default were to occur and we were unable to modify or obtain a waiver to certain terms of the bank credit facility, then the risk increases that we may be unable to continue as a going concern. The accompanying consolidated financial statements have been prepared in conformity with GAAP applicable to a going concern, which contemplates the realization of assets and the satisfaction of liabilities in the normal course

Table of Contents

of business. Accordingly, our consolidated financial statements do not reflect any adjustments related to the recoverability of assets and satisfaction of liabilities that might be necessary should we be unable to continue as a going concern.

In February 2009, our board of directors elected to suspend the quarterly dividend to holders of Series A, B and C Cumulative Redeemable Preferred Stock as a measure to preserve liquidity. Factors contributing to this decision were the declining economic environment for hotel operations, no projected taxable distribution requirement for 2009 under the REIT rules, and uncertainty regarding operating cash flows in 2009. Elimination of preferred dividends equates to approximately $7.7 million in cash flow savings each quarter. In November 2008, our board of directors elected to suspend the quarterly dividend to holders of shares of our common stock beginning in the fourth quarter of 2008, which was estimated to save approximately $22.5 million each quarter.

Capital expenditures for the years ended December 31, 2009, 2008 and 2007 amounted to $75.4 million, $182.8 million and $129.1 million, respectively. Included in the 2009, 2008 and 2007 amounts were $1.7 million, $8.6 million and $8.4 million of capitalized interest, respectively, which include amounts related to continuing and discontinued operations. Capital expenditures for the year ended December 31, 2007 included approximately $16.7 million to redevelop the Hyatt Regency New Orleans hotel. For the year ended December 31, 2010, we expect to fund hotel property and equipment replacement projects in accordance with hotel management or lease agreements of approximately $30.0 million and owner-funded projects of up to approximately $5.0 million. Consistent with our efforts to preserve liquidity, capital expenditures have been cancelled or deferred to a minimum spending level in 2010.

Bank credit facility . In February 2009, we entered into the third amendment to our bank credit facility, which among other things provides us with additional flexibility with respect to our financial covenants and related financial calculations. The following summarizes key financial terms and conditions of the bank credit facility, as amended:

- the maximum facility size was reduced to $400.0 million;
- interest rate on the facility is LIBOR plus a margin of 3.75% in the case of each LIBOR loan and base rate plus a margin of 2.75% in the case of each base rate loan and a commitment fee of 0.50% per annum based on the unused revolver balance;
- lenders received additional collateral in the form of mortgages over the four borrowing base properties which mortgages supplement the existing pledges of the Company's interest in SH Funding and SH Funding's interest in certain subsidiaries and guarantees of the loan from the Company and certain of its subsidiaries, all of which continue to secure the bank credit facility;
- maximum availability is determined by the lesser of a 1.3 times debt service coverage on the borrowing base assets (based on the trailing 12 months net operating income for these assets divided by an 8% debt constant on the balance outstanding under the facility, as defined in the loan agreement), or a 45% advance rate against the appraised value of the borrowing base assets;
- minimum corporate fixed charge coverage of 1.0 times, which may be reduced at SH Funding's option to 0.9 times for up to four consecutive quarters with a quarterly fee of 0.25% paid on outstanding balances during each quarter that the coverage ratio is reduced, provided that the minimum corporate fixed charge coverage can increase up to 1.15 times subject to certain conditions set forth in the bank credit facility;
- maximum corporate leverage of 80.0% as defined in the third amendment;
- minimum tangible net worth, as defined in the agreement, of $600.0 million, excluding goodwill and currency translation adjustments;
- default under and acceleration of any loan secured by property located in Europe, would not constitute an event of default;

Table of Contents

- maturity date of March 9, 2011, with a one-year extension option conditioned upon compliance with a corporate fixed charge coverage ratio of 1.15 times for the year ending December 31, 2010; and
- restrictions on the Company and SH Funding's ability to pay dividends. Such restrictions include:
  - a prohibition on each of the Company and SH Funding's ability to pay any amount of preferred dividends in cash or in kind if SH Funding has elected to reduce its fixed charge coverage ratio to 0.9 as discussed above;
  - prohibitions on the Company and SH Funding and their respective subsidiaries' ability to pay any dividends unless certain ratios and other conditions are met; and
  - prohibitions on the Company and SH Funding's ability to issue dividends in cash or in kind at any time an event of default shall have occurred.

  Notwithstanding the dividend restriction described above, for so long as the Company qualifies, or has taken all other actions necessary to qualify as a REIT, SH Funding may authorize, declare and pay quarterly cash dividends to the Company when and to the extent necessary for the Company to distribute cash dividends to its shareholders generally in an aggregate amount not to exceed the minimum amount necessary for the Company to maintain its tax status as a REIT, unless SH Funding receives notice of any monetary event of default or other material event of default.

Other terms and conditions exist including provisions to release assets from the borrowing base and limitations on the Company's ability to incur costs for discretionary capital programs.

(1) These mortgage loans require that we maintain a minimum tangible net worth requirement. On March 25, 2009, we entered into second amendments to our mortgage loans to modify the tangible net worth covenant

Table of Contents

to be consistent with the amended covenant in the bank credit facility as described above, which is calculated without regard to goodwill. We met the requirements of this modified tangible net worth calculation as of December 31, 2009.

(2) As of December 31, 2009, we were in violation of certain loan to value and interest cover ratio covenants under the InterContinental Prague loan agreement. The lender provided us with a waiver through March 15, 2010 to comply with these loan covenants. In February 2010, we entered into an amended and restated loan agreement with the lender. Under the amended terms, the maturity date of the loan is extended to March 2015. Interest remains payable quarterly and is equal to EURIBOR plus 1.20% through March 2012 and subsequently increases to EURIBOR plus 1.80% through loan maturity. Additionally, the amended and restated loan agreement a) waives the loan to value and interest cover ratio covenants through March 2012 and reintroduces the ratio covenants with increased thresholds subsequent to March 2012 through loan maturity, b) postpones the amortization of principal payments, c) establishes a €2.0 million liquidity reserve to cover potential shortfalls in debt service, d) allows accrued and unpaid interest up to €2.0 million to be added to the principal balance under certain circumstances and e) requires that we use the net proceeds from the prior sale of two apartment buildings in Prague that were previously part of the lender's security for the loan to pay down the principal amount of the loan by €2.4 million.

Our long-term liquidity requirements consist primarily of funds necessary to pay for scheduled debt maturities, renovations, expansions and other non-recurring capital expenditures that need to be made periodically to our properties and the costs associated with acquisitions of properties. In addition, we may use cash to buy back outstanding debt or common or preferred securities from time to time when market conditions are favorable through open market purchases, privately negotiated transactions, or a tender offer, although the terms of our bank credit facility prohibit us from buying back common or preferred shares unless certain conditions are met.

Historically, we have satisfied our long-term liquidity requirements through various sources of capital, including our existing working capital, cash provided by operations, sales of properties, long-term property mortgage indebtedness, bank credit facilities, issuance of senior unsecured debt instruments and through the issuance of additional equity securities. The recent crisis in the credit markets has resulted in a challenging credit environment and our ability to raise capital through various debt markets is uncertain. Our ability to raise funds through the issuance of equity securities is dependent upon, among other things, general market conditions for both REITs in general and us specifically and market perceptions about us. We will continue to analyze which source of capital is most advantageous to us at any particular point in time, but equity and debt financing may not be consistently available to us on terms that are attractive or at all. In addition, the credit crisis and general uncertainty regarding the economy have also resulted in a substantial decline in the volume of real estate transactions and have contributed to an environment where sales of properties are difficult to complete and subject to a high degree of uncertainty.

Equity Securities

As of December 31, 2009, we had 862,342 RSUs outstanding, of which 216,004 were vested. In addition, we had 885,026 options to purchase shares of SHR common stock (Options) outstanding.

The following table presents the changes in our issued and outstanding shares of common stock and operating partnership units (OP Units) since December 31, 2008 (excluding RSUs):

Cash Flows

Operating Activities. Net cash provided by operating activities was $46.6 million for the year ended December 31, 2009 compared to $95.2 million for the year ended December 31, 2008 and $174.7 million for the year ended December 31, 2007. Cash flows from operations decreased from 2008 to 2009 primarily due to decreased operating income at the hotels, which have been negatively impacted by the current economic downturn. Cash flows from operations decreased from 2007 to 2008 primarily due to $12.7 million of insurance proceeds that were received in 2007, with no corresponding proceeds received in 2008, a $28.5 million charge in 2008 related to our decision not to purchase an interest in the Aqua Building, and a decrease in accounts payable and accrued expenses, partially offset by a decrease in accounts receivable.

Investing Activities. Net cash provided by investing activities was $66.3 million for the year ended December 31, 2009 compared to net cash used in investing activities of $83.9 million for the year ended December 31, 2008 and $49.4 million for the year ended December 31, 2007. (FF&E Reserves). Restricted cash and cash equivalents decreased by $4.8 million during the year ended December 31, 2008, primarily due to renovations funded through FF&E Reserves. Restricted cash and cash equivalents decreased by $34.2 million during the year ended December 31, 2007 primarily due to the release of insurance proceeds.

Financing Activities. Net cash used in financing activities was $78.8 million for the year ended December 31, 2009 compared to $34.7 million for the year ended December 31, 2008 and $104.8 million for the year ended December 31, 2007. Dividend Policy

We generally intend to distribute each year substantially all of our taxable income (which does not necessarily equal net income as calculated in accordance with GAAP) to our shareholders so as to comply with REIT provisions of the Tax Code. If necessary for REIT qualification purposes, we may need to distribute any taxable income in cash or by a special dividend. Our dividend policy is subject to revision at the discretion of our board of directors. All distributions will be made at the discretion of our board of directors and will depend on our taxable income, our financial condition, our maintenance of REIT status and other factors as our board of directors deems relevant.

Our board of directors elected to suspend the quarterly dividend to holders of shares of our common and preferred stock as a measure to preserve liquidity due to the declining economic environment for hotel operations, no projected taxable distribution requirement and uncertainty regarding operating cash flows for

Table of Contents

2009. Based on our current forecasts, we would not be required to make any distributions in order to maintain our REIT status. The elimination of our preferred and common dividends equates to approximately $30.2 million in cash flow savings each quarter. The board of directors will continue to evaluate the dividend policy in light of the REIT provisions of the Tax Code and the economic climate.

Contractual Obligations

The following table summarizes our future payment obligations and commitments as of December 31, 2009 (in thousands):

(3) Interest on variable rate debt obligations is calculated based on the variable rates at December 31, 2009 and includes the effect of our interest rate swaps.

Reserve Funds for Capital Expenditures

We maintain each of our hotels in excellent repair and condition and in conformity with applicable laws and regulations and in accordance with the agreed upon requirements in our management agreements with our preferred operators.

We are obligated to maintain reserve funds for capital expenditures at the majority of our hotels (including the periodic replacement or refurbishment of furniture, fixtures and equipment) as determined pursuant to the management agreements with our preferred operators. As of December 31, 2009, $15.8 million was in restricted cash reserves for future capital expenditures. Generally, our agreements with hotel operators require us to reserve funds at amounts ranging between 4.0% and 5.0% of the individual hotel's annual revenues and require the funds to be set aside in restricted cash. Expenditures are capitalized as incurred and depreciation begins when the related asset is placed in service. Any unexpended amounts will remain our property upon termination of the management and operating contracts.

Off-Balance Sheet Arrangements

Hotel and North Beach Ventures

On January 9, 2006, our subsidiaries closed the acquisition of 45% joint venture ownership interests in the Hotel Venture, the owner of the Hotel del Coronado in San Diego, California, and the North Beach Venture, the owner of an adjacent residential condominium-hotel development. The Hotel Venture and North Beach Venture are collectively referred to as the Partnerships. We account for our investments in the Partnerships under the equity method of accounting. The Hotel Venture obtained $610.0 million of non-recourse mortgage and

mezzanine debt financings and a $20.0 million revolving credit facility, concurrent with our acquisitions, which are secured by, among other things, a mortgage on the Hotel del Coronado. At December 31, 2009, there was an outstanding balance of $18.5 million on the revolving credit facility. At December 31, 2009, there were letters of credit outstanding of $1.5 million, which are secured by the revolving credit facility. The mortgage and mezzanine debt financings and revolving credit facility mature January 9, 2011. At December 31, 2009, our investment in the Partnerships amounted to $36.5 million. Our equity in earnings of the Partnerships was $0.9 million for the year ended December 31, 2009.

We earn fees under an asset management agreement with the Partnerships. We receive fees amounting to 1% of the Partnerships' revenues and 2% of the Partnerships' development costs. In addition, we earn financing fees of 0.325% of any debt principal placed on behalf of the Hotel Venture, as well as certain incentive fees as provided by the asset management agreements. We recognize income of 55% of these fees, representing the percentage of the Partnerships not owned by us.

RCPM

We own a 31% interest in and act as asset manager for a joint venture with two unaffiliated parties that is developing the RCPM, a luxury vacation home product sold in fractional ownership interests on the property adjacent to our Four Seasons Punta Mita Resort hotel in Mexico. We account for this investment under the equity method of accounting. At December 31, 2009, our investment in the joint venture amounted to $3.6 million. Our equity in earnings of the joint venture was $0.3 million for the year ended December 31, 2009.

BuyEfficient

We own a 50% interest in an electronic purchasing platform joint venture called BuyEfficient with an unaffiliated third party. This platform allows members to procure food, operating supplies, furniture, fixtures and equipment. We account for this investment under the equity method of accounting. At December 31, 2009, our investment in the joint venture amounted to $6.7 million. Our equity in earnings of the joint venture was $0.5 million for the year ended December 31, 2009.

Related Party Transactions

We have in the past engaged in and currently engage in transactions with related parties. See "Item 8. Financial Statements and Supplementary Data—15. Related Party Transactions" for a discussion of our transactions with related parties.

Critical Accounting Policies

Our discussion and analysis of our financial condition and results of operations is based upon our consolidated financial statements, which have been prepared in accordance with GAAP. The preparation of these financial statements requires us to make estimates and judgments that affect the reported amounts of assets, liabilities, revenues and expenses and related disclosure of contingent assets and liabilities.

We evaluate our estimates on an ongoing basis. We base our estimates on historical experience, information that is currently available to us and on various other assumptions that we believe are reasonable under the circumstances. Actual results may differ from these estimates under different assumptions or conditions. We believe the following critical accounting policies affect the most significant judgments and estimates used in the preparation of our consolidated financial statements.

- ***Impairment of Long-Lived Assets and Goodwill.*** We review our long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. We review goodwill for impairment at least annually and whenever circumstances or events indicate potential impairment. The recoverability of assets to be held and used is measured by a

Table of Contents

comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment recognized is measured by the amount by which the carrying amount of the assets exceeds the estimated fair value of the assets. In our analysis of fair value, we use discounted cash flow analysis to estimate the fair value of our properties taking into account each property's expected cash flow from operations, holding period and proceeds from disposing of the property. In addition to the discounted cash flow analysis, management also considers external independent appraisals to estimate fair value. The analysis and appraisals used by management are consistent with those used by a market participant. The factors addressed in determining estimated proceeds from disposition include anticipated operating cash flow in the year of disposition, terminal capitalization rate and selling price per room. Judgment is required in determining the discount rate applied to estimated cash flows, growth rate of the properties, the need for capital expenditures, as well as specific market and economic conditions. Additionally, the classification of assets as held for sale requires the recording of assets at their net realizable value which can affect the amount of impairment recorded.

Goodwill has an indefinite useful life that should not be amortized but should be reviewed annually for impairment, or more frequently if events or changes in circumstances indicate that goodwill might be impaired. The measurement of impairment of goodwill consists of two steps. In the first step, we compare the fair value of each reporting unit, which in our case is each hotel property, to its carrying value. In the second step of the impairment test, the impairment loss is determined by comparing the implied fair value of goodwill to the recorded amount of goodwill. The activities in the second step include hypothetically allocating the fair value of the reporting unit used in step one to all of the assets and liabilities, including all intangible assets, even if no intangible assets are currently recorded, of that reporting unit as if the reporting unit had been acquired in a business combination and the fair value of the reporting unit was the price paid to acquire the reporting unit.

During 2009, management concluded that indicators of potential impairment were present and that evaluations of carrying values of goodwill, intangible assets, and other long-lived assets were therefore required. We reached the conclusion that impairment tests were required to be performed as of June 30, 2009 based on our assessment of the conditions that have contributed to our low stock price and reduced market capitalization relative to the book value of our equity, including generally weak economic conditions, macroeconomic factors impacting industry business conditions, recent and forecasted operating performance, and continued tightening of the credit markets, along with other factors. Based on our analysis, we recorded a non-cash impairment charge that consisted of $41.9 million of goodwill.

At December 31, 2009, we performed an impairment test of long-lived assets for two Mexican development sites based on uncertainties surrounding the development of this land in a manner consistent with our original plan, resulting in an impairment charge of $23.1 million. In addition, during the third quarter of 2009, we recorded an impairment charge of $30.8 million, which is included in income (loss) from discontinued operations, related to the Renaissance Paris due to a change in the anticipated holding period for this hotel.

The estimates and assumptions made in assessing the fair value of the reporting units and the valuation of the underlying assets and liabilities are inherently subject to significant uncertainties. In addition, continued deterioration in economic and market conditions present a potential for additional impairment charges on our hotel properties subsequent to December 31, 2009. Any such adjustments could be material, but will be non-cash.

- ***Acquisition Related Assets and Liabilities.*** Accounting for the acquisition of a hotel property as a purchase transaction requires an allocation of the purchase price to the assets acquired and the liabilities assumed in the transaction at their respective estimated fair values. The most difficult estimations of individual fair values are those involving long-lived assets, such as property and equipment and intangible assets. We use all available information to make these fair value determinations and, for hotel acquisitions, engage an independent valuation specialist to assist in the

Table of Contents

fair value determination of the acquired long-lived assets. Due to inherent subjectivity in determining the estimated fair value of long-lived assets, we believe that the recording of acquired assets and liabilities is a critical accounting policy.

- ***Depreciation and Amortization Expense.*** Depreciation expense is based on the estimated useful life of our assets. The life of the assets is based on a number of assumptions, including cost and timing of capital expenditures to maintain and refurbish the asset, as well as specific market and economic conditions. While management believes its estimates are reasonable, a change in the estimated lives could affect depreciation expense and net income or the gain or loss on the sale of any of the assets.
- ***Derivative Instruments and Hedging Activities.*** Derivative instruments and hedging activities require management to make judgments on the nature of its derivatives and their effectiveness as hedges. These judgments determine if the changes in fair value of the derivative instruments are reported in our consolidated statements of operations as a component of net income or as a component of comprehensive income and as a component of equity on our consolidated balance sheets. While management believes its judgments are reasonable, a change in a derivative's effectiveness as a hedge could affect expenses, net income and equity.
- ***Disposal of Long-Lived Assets.*** We classify assets as held for sale in accordance with GAAP. Assets identified as held for sale are reclassified on our balance sheet and the related results of operations are reclassified as discontinued operations on our statement of operations. While these classifications do not have an effect on total assets, net equity or net income, they affect the classifications within each statement. Additionally, a determination to classify an asset as held for sale affects depreciation expense as long-lived assets are not depreciated while classified as held for sale.

Seasonality

The lodging business is seasonal in nature, and we experience some seasonality in our business. Revenues for hotels in tourist areas, those with significant group business, and in areas driven by greater climate changes are generally seasonal. Quarterly revenues also may be adversely affected by events beyond our control, such as extreme weather conditions, terror attacks or alerts, airline strikes, economic factors and other considerations affecting travel.

The Marriott domestic hotels report their results of operations using a fiscal year consisting of thirteen four-week periods. As a result, for our domestic Marriott branded property, for all years presented, the first three quarters consist of 12 weeks each and the fourth quarter consists of 16 weeks.

To the extent that cash flows from operations are insufficient during any quarter, due to temporary or seasonal fluctuations in revenues, we may have to enter into short-term borrowings to pay operating expenses and make distributions to our stockholders.

New Accounting Pronouncements

In June 2009, the Financial Accounting Standards Board (FASB) issued the FASB Accounting Standards Codification™ (Codification). This is the single source of authoritative nongovernmental U.S. generally accepted accounting principles (GAAP). The Codification launched on July 1, 2009 and is effective for interim and annual periods ending after September 15, 2009. The Codification does not change U.S. GAAP, but combines all authoritative standards into a comprehensive, topically organized online database. After the Codification launch on July 1, 2009, only one level of authoritative GAAP exists, other than guidance issued by the SEC. All other accounting literature excluded from the Codification is considered non-authoritative. The Codification has an impact on our financial statement disclosures as all references to authoritative accounting literature are references in accordance with the Codification.

Table of Contents

In June 2009, the FASB issued new accounting guidance, which amends the consolidation guidance applicable to variable interest entities (VIEs). The new guidance requires a qualitative rather than a quantitative analysis to determine the primary beneficiary of a VIE, requires continuous assessment of whether an enterprise is the primary beneficiary of a VIE and requires enhanced disclosures about an enterprise's involvement with a VIE. The new guidance is effective as of the beginning of each reporting entity's first annual reporting period that begins after November 15, 2009. We do not expect that the adoption of this new guidance will have a material impact on our consolidated financial statements.

In June 2009, we adopted new guidance on interim disclosures about fair value of financial instruments. This new guidance relates to fair value disclosures for any financial instruments that are not currently reflected on the balance sheet at fair value. Prior to the issuance of this new guidance, fair values for these assets and liabilities were only disclosed once a year. The new guidance now requires these disclosures on a quarterly basis, providing qualitative and quantitative information about fair value estimates for all those financial instruments not measured on the balance sheet at fair value.

In April 2009, the FASB issued new accounting guidance on accounting for assets acquired and liabilities assumed in a business combination that arise from contingencies. This new guidance amends and clarifies the initial recognition and measurement, subsequent measurement and accounting, and related disclosures arising from contingencies in a business combination. This new guidance is effective for business combinations with acquisition dates on or after fiscal years beginning on or after December 15, 2008. This new guidance will impact our accounting for future acquisitions.

In April 2009, the FASB issued new accounting guidance to determine fair values when there is no active market or where the price inputs being used represent distressed sales. It reaffirms the objective of fair value measurement—to reflect how much an asset would be sold for in an orderly transaction (as opposed to a distressed or forced transaction) at the date of the financial statements under current market conditions. Specifically, it reaffirms the need to use judgment to ascertain if a formerly active market has become inactive and in determining fair values when markets have become inactive. We adopted this new guidance in June 2009 and determined that this new guidance did not have a material impact on our consolidated financial statements.

On January 1, 2009, we adopted new accounting guidance on accounting for convertible debt instruments that may be settled in cash upon conversion (including partial cash settlement). This new guidance requires the liability and equity components of convertible debt instruments that may be settled in cash upon conversion (including partial cash settlement) to be separately accounted for in a manner that reflects the issuer's nonconvertible debt borrowing rate. The resulting debt discount is amortized over the debt instrument's expected life as additional interest expense. We applied this change in accounting principle retrospectively to all prior periods presented. The adjustment had no effect on net cash flows from operations.

In June 2008, the FASB ratified new accounting guidance to determine whether an instrument or embedded feature is indexed to an entity's own stock. This new guidance provides a two-step approach to determine whether a financial instrument or an embedded feature is indexed to an issuer's own stock and exempt from the accounting guidance regarding derivative instruments and hedging activities. The transition under this new guidance requires a cumulative adjustment to the opening balance of retained earnings in the year in which the new guidance becomes effective. We adopted this guidance on January 1, 2009 and determined that this new guidance did not have a material impact on our consolidated financial statements.

In June 2008, the FASB issued new accounting guidance to address whether instruments granted in share-based payment transactions are participating securities prior to vesting. This new guidance indicates that unvested share-based payment awards that contain non-forfeitable rights to dividends or dividend equivalents (whether paid or unpaid) are participating securities that should be included in earnings per share calculations under the two-class method. We adopted this new guidance on January 1, 2009 and determined that this new guidance did not have a material impact on our consolidated financial statements.

Table of Contents

In March 2008, the FASB issued new accounting guidance to improve financial reporting about derivative instruments by requiring enhanced disclosures to enable investors to better understand their effects on an entity's financial position, financial performance, and cash flows. This new guidance is effective for financial statements issued for fiscal years and interim periods beginning after November 15, 2008. We adopted this new guidance on January 1, 2009 and complied with the expanded disclosure requirements, as applicable.

In February 2008, the FASB issued new accounting guidance which deferred the effective date for measuring fair value of non-financial assets and liabilities, except those items recognized or disclosed at fair value on an annual or more frequently recurring basis, until fiscal years beginning after November 15, 2008 and interim periods within those fiscal years. We adopted the new guidance with respect to our non-financial assets and liabilities and determined that the new guidance did not have a material impact on our financial statements.

In December 2007, the FASB issued new accounting guidance on noncontrolling interests in consolidated financial statements. The new guidance requires that noncontrolling interests, previously reported as minority interests, be reported as a separate component of equity, a change that affects our financial statement presentation of minority interests in our consolidated subsidiaries. The new guidance specifies that consolidated net income attributable to the parent and to the noncontrolling interests be clearly identified and presented separately on the face of the consolidated statements of operations. The new guidance also establishes a single method of accounting for changes in a parent's ownership interest in a subsidiary and specifies that these transactions be recorded as equity transactions as long as the ownership change does not result in deconsolidation. The new guidance also expands disclosures in the financial statements to include a reconciliation of the beginning and ending balances of the equity attributable to the parent and the noncontrolling owners and a schedule showing the effects of changes in a parent's ownership interest in a subsidiary on the equity attributable to the parent. We adopted this new guidance on January 1, 2009. The new guidance is applied prospectively in 2009, except for the presentation and disclosure requirements which are applied retrospectively. The retrospective presentation and disclosure requirements had no effect on previously reported net loss available to common shareholders or earnings per share. The prospective accounting requirements are dependent on future transactions involving noncontrolling interests.

In December 2007, the FASB issued new accounting guidance on business combinations. The new guidance broadens the previous guidance on business combinations, extending its applicability to all transactions and other events in which one entity obtains control over one or more other businesses. This new guidance also establishes requirements for how the acquirer recognizes the fair value of the assets acquired, liabilities assumed, and noncontrolling interests in the acquiree as a result of business combinations; and requires the acquisition related costs to be expensed rather than included as part of the basis of the acquisition. The new guidance expands required disclosures to improve the ability to evaluate the nature and financial effects of business combinations. The new guidance is effective for all business combinations for which the acquisition date is on or after fiscal years beginning on or after December 15, 2008. We adopted this new guidance on January 1, 2009 and the guidance will impact our accounting for future acquisitions and related transaction costs.

Item 7A. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK.

Interest Rate Risk

Our future income, cash flows and fair values relevant to financial instruments are dependent upon prevailing market interest rates. Market risk refers to the risk of loss from adverse changes in market prices and interest rates. The majority of our outstanding debt, after considering the effect of interest rate swaps, has a fixed interest rate. We use some derivative financial instruments to manage, or hedge, interest rate risks related to our borrowings, from lines of credit to medium- and long-term financings. We generally require that hedging derivative instruments be effective in reducing the interest rate risk exposure that they are designed to hedge. We do not use derivatives for trading or speculative purposes and only enter into contracts with major financial institutions based on their credit rating and other factors. We use methods which incorporate standard market

Table of Contents

conventions and techniques such as discounted cash flow analysis and option pricing models to determine fair value. All methods of estimating fair value result in general approximation of value and such value may or may not actually be realized.

See "Item 8. Financial Statements and Supplementary Data—11. Derivatives" for information on our interest rate cap and swap agreements outstanding as of December 31, 2009.

As of December 31, 2009, our total outstanding mortgages, bank credit facility and Exchangeable Notes, net of discount, were approximately $1.6 billion, of which approximately $230.0 million, or 14.0%, was variable rate debt. Total variable rate debt excluded $1.2 billion fixed by the interest rate swaps described above. If market rates of interest on our variable rate debt, including the effect of the interest rate swaps described above, increase by 20%, the increase in interest expense on the variable rate debt would decrease future earnings and cash flows by approximately $0.1 million annually. If market rates of interest on our variable rate debt, including the effect of the swaps, decrease by 10%, the decrease in interest expense on our variable rate debt would increase future earnings and cash flows by approximately $50,000 annually.

Interest risk amounts were determined by considering the impact of hypothetical interest rates on our financial instruments. These analyses do not consider the effect of the reduced level of overall economic activity that could exist in that environment. Furthermore, in the event of a 20% increase in the market rates of interest on our variable rate debt as discussed above, we may take actions to further mitigate our exposure to the change. However, due to the uncertainty of the specific actions that would be taken and their possible effects, these analyses assume no changes in our financial structure.

Currency Exchange Risk

As we have international operations, currency exchange risk arises as a normal part of our business. In particular, we are subject to fluctuations due to changes in foreign exchange rates in the British pound, euro, Czech crown and Mexican peso. We reduce this risk by transacting our international business in local currencies. In this manner, assets and liabilities are matched in the local currency, which reduces the need for dollar conversion. Generally, we do not enter into forward or option contracts to manage our currency exchange risk exposure applicable to net operating cash flows.

To manage the currency exchange risk applicable to equity positions in foreign hotels, we may use long-term mortgage debt denominated in the local currency. In addition, we may enter into forward or option contracts. We do not currently have any currency forward or option contracts.

Our exposure to foreign currency exchange rates relates primarily to our foreign hotels. For our foreign hotels, exchange rates impact the U.S. dollar value of our reported earnings, our investments in the hotels and the intercompany transactions with the hotels.

For the year ended December 31, 2009, approximately 19.8% of our total revenues were generated outside of the United States, with approximately 6.2% of total revenues generated from the Paris Marriott and Marriott Hamburg (which use the euro), approximately 5.5% of total revenues generated from the Four Seasons Punta Mita Resort (which uses the Mexican peso), approximately 4.2% of total revenues generated from the Marriott London Grosvenor Square (which uses the British pound), and approximately 3.9% of total revenues generated from the InterContinental Prague (which uses the Czech crown). As a result, fluctuations in the value of foreign currencies against the U.S. dollar may have a significant impact on our reported results. Revenues and expenses denominated in foreign currencies are translated into U.S. dollars at a weighted average exchange rate for the period. Consequently, as the value of the U.S. dollar changes relative to the currencies of these markets, our reported results vary.

Table of Contents

If the U.S. dollar had weakened an additional 10% during the year ended December 31, 2009, total revenues and operating income or loss would have changed from the amounts reported by (in millions):

	Mexican Peso	Euro	Czech Crown	British Pound	Total
Increase in total revenues	$ 4.0	$4.5	$ 2.8	$ 3.0	$14.3
Increase (decrease) in operating income	$ (2.0)	$0.3	$ 0.2	$ (0.2)	$ (1.7)

Fluctuations in foreign currency exchange rates also impact the U.S. dollar amount of our shareholders' equity. The assets and liabilities of our non-U.S. hotels are translated into U.S. dollars at exchange rates in effect at the end of the period. The resulting translation adjustments are recorded in shareholders' equity as a component of accumulated other comprehensive loss. If the U.S. dollar had weakened by 10% as of December 31, 2009, resulting translation adjustments recorded in shareholders' equity would have decreased by approximately $5.3 million from the amounts reported.

ITEM 8. FINANCIAL STATEMENTS AND SUPPLEMENTARY DATA.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders of
Strategic Hotels & Resorts, Inc.
Chicago, Illinois

We have audited the accompanying consolidated balance sheets of Strategic Hotels & Resorts, Inc. and subsidiaries (the "Company") as of December 31, 2009 and 2008, and the related consolidated statements of operations and comprehensive (loss) income, shareholders' equity, and cash flows for each of the three years in the period ended December 31, 2009. Our audit also included the financial statement schedule listed in the Index at Item 15. These financial statements and financial statement schedule are the responsibility of the Company's management. Our responsibility is to express an opinion on the financial statements and financial statement schedule based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, such consolidated financial statements present fairly, in all material respects, the financial position of Strategic Hotels & Resorts, Inc. and subsidiaries as of December 31, 2009 and 2008, and the results of their operations and their cash flows for each of the three years in the period ended December 31, 2009, in conformity with accounting principles generally accepted in the United States of America. Also, in our opinion, such financial statement schedule, when considered in relation to the basic consolidated financial statements taken as a whole, presents fairly, in all material respects, the information set forth therein.

As discussed in Note 2 to the consolidated financial statements, on January 1, 2009, the Company changed its method of accounting for noncontrolling interests and convertible debt instruments and retrospectively adjusted all periods presented in the consolidated financial statements.

We have also audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the Company's internal control over financial reporting as of December 31, 2009, based on the criteria established in *Internal Control—Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission and our report dated February 25, 2010 expressed an unqualified opinion on the Company's internal control over financial reporting.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. GENERAL

Strategic Hotels & Resorts, Inc. (SHR and, together with its subsidiaries, the Company) was incorporated in January 2004 to acquire and asset-manage upper upscale and luxury hotels that are subject to long-term management contracts. As of December 31, 2009, the Company's portfolio included 17 full-service hotel interests located in urban and resort markets in the United States; Paris, France; Punta Mita, Nayarit, Mexico; Hamburg, Germany; London, England and Prague, Czech Republic. The Company operates in one reportable business segment, hotel ownership.

SHR operates as a self-administered and self-managed real estate investment trust (REIT), which means that it is managed by its board of directors and executive officers. A REIT is a legal entity that holds real estate interests and, through payments of dividends to stockholders, is permitted to reduce or avoid federal income taxes at the corporate level. For SHR to continue to qualify as a REIT, it cannot operate hotels; instead it employs internationally-known hotel management companies to operate its hotels under management contracts. SHR conducts its operations through its direct and indirect subsidiaries, including its operating partnership, Strategic Hotel Funding, L.L.C. (SH Funding), which currently holds substantially all of the Company's assets. SHR is the sole managing member of SH Funding and holds approximately 99% of its membership units as of December 31, 2009. SHR manages all business aspects of SH Funding, including the sale and purchase of hotels, the investment in these hotels and the financing of SH Funding and its assets.

As of December 31, 2009, SH Funding owned or leased the following 17 hotels:

1. Fairmont Chicago
2. Fairmont Scottsdale(1)
3. Four Seasons Punta Mita Resort
4. Four Seasons Washington, D.C.
5. Hotel del Coronado(2)
6. Hyatt Regency La Jolla(3)
7. InterContinental Chicago(3)
8. InterContinental Miami
9. InterContinental Prague
10. Loews Santa Monica Beach Hotel
11. Marriott Champs Elysees Paris (Paris Marriott)(4)(5)
12. Marriott Hamburg(4)
13. Marriott Lincolnshire(6)
14. Marriott London Grosvenor Square(6)
15. Ritz-Carlton Half Moon Bay
16. Ritz-Carlton Laguna Niguel
17. Westin St. Francis

(1) The Company has a ground lease interest in one land parcel at this property.
(2) This property is owned by an unconsolidated affiliate in which the Company indirectly holds a 45% interest.
(3) These properties are owned by consolidated affiliates in which the Company indirectly holds 51% interests.
(4) The Company has leasehold interests in these properties.
(5) Effective January 1, 2008, the Company reflects the operating results of this property in its consolidated statements of operations.
(6) These properties are subject to ground lease arrangements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation:

The accompanying consolidated financial statements and related notes have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP). The accompanying consolidated financial statements include the accounts of SHR, its subsidiaries and other entities in which the Company has a controlling interest.

If the Company determines that it is the holder of a variable interest in a variable interest entity (VIE) and that its variable interest will absorb a majority of the entity's expected losses, receive a majority of the entity's

Table of Contents

STRATEGIC HOTELS & RESORTS, INC. AND SUBSIDIARIES (SHR)
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS—(Continued)

expected residual returns, or both, then the Company will consolidate the entity. For entities that are not considered VIEs, the Company consolidates those entities it controls. It accounts for those entities over which it has a significant influence but does not control using the equity method of accounting. At December 31, 2009, SH Funding owned the following interests in joint ventures, which are accounted for using the equity method of accounting: a 50% interest in BuyEfficient, L.L.C. (BuyEfficient); a 45% interest in the joint ventures that own the Hotel del Coronado and an associated condominium-hotel development adjacent to the Hotel del Coronado; and a 31% interest in the joint venture that owns the Four Seasons Residence Club Punta Mita (RCPM) (see note 6). At December 31, 2009, SH Funding also owned 51% controlling interests in each of the entities that own the InterContinental Chicago and the Hyatt Regency La Jolla hotels, which are consolidated in the accompanying financial statements.

All significant intercompany transactions and balances have been eliminated in consolidation. Certain amounts included in the financial statements for prior periods have been reclassified to conform to the current financial statement presentation.

Use of Estimates:

The preparation of the consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

Investment in Hotel Properties and Depreciation:

Investment in hotel properties consists of land, leasehold interest, buildings, building and leasehold improvements, site improvements and furniture, fixtures and equipment.

Depreciation is computed on a straight-line basis over the following useful lives:

Leasehold interest	Life of lease (51 years)
Buildings	37-39 years
Building and leasehold improvements	5 – 10 years
Site improvements	15 years
Furniture, fixtures & equipment	3-5 years

Hotel improvements in progress include costs incurred for capital projects for hotels that are in the process of being developed, renovated, rehabilitated or expanded. Completed renovations and improvements are capitalized and depreciated over their estimated useful lives. Interest expense and certain other costs as well as project related salary and benefit costs incurred during a renovation or development period are capitalized and depreciated over the lives of the related assets. Costs incurred for repairs and maintenance are expensed.

Assets to be disposed of are reported at the lower of the carrying amount or estimated fair value less costs to sell. The Company classifies the operations of hotels sold or to be sold as discontinued operations (see note 5).

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS—(Continued)

Impairment:

Investment in Hotel Properties

The Company reviews its investment in hotel properties for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. An impairment loss is recognized if the estimated future undiscounted cash flows derived from the asset are less than its carrying amount. The impairment loss is measured as the excess of the carrying value over the fair value of the asset, with fair value determined based on estimated future discounted cash flows or other relevant data as to the fair value of the asset (Level 3 inputs).

Goodwill

Goodwill is reviewed for impairment at least annually as of December 31 and whenever circumstances or events indicate potential impairment. The measurement of impairment of goodwill consists of two steps. In the first step, the Company compares the fair value of each reporting unit, which for the Company is each hotel property, to its carrying value. The assessment of fair values of the hotel properties incorporates unobservable inputs (Level 3), including existing market-based considerations, as well as discounted cash flow analysis of the Company's projections. When the fair value of the property is less than its carrying value, the Company is required to perform a second step in order to determine the implied fair value of each reporting unit's goodwill, and to compare it to the carrying value of the reporting unit's goodwill. The activities in the second step include hypothetically valuing all of the tangible and intangible assets and liabilities of the impaired reporting unit as if the reporting unit had been acquired in a business combination, which includes valuing all of the Company's intangibles, even if they are not currently recorded within the carrying value.

Intangible Assets

Intangible assets are reviewed for impairment whenever circumstances or events indicate potential impairment, as part of the Company's investment in hotel property impairment process described above.

Investment in Unconsolidated Joint Ventures

A series of operating losses of an investee or other factors may indicate that a decrease in value of the Company's investment in unconsolidated joint ventures has occurred which is other-than-temporary. Accordingly, the investment in each of the unconsolidated joint ventures is evaluated periodically and as deemed necessary for recoverability and valuation declines that are other than temporary. If the investment is other than temporarily impaired, the Company writes down the investment to its estimated fair value. The Company also considers any impairments in the underlying real estate investments, the ownership and distribution preferences and limitations and rights to sell and repurchase of its ownership interests.

Deferred Financing Costs:

Deferred financing costs consist of loan fees and other costs incurred in connection with obtaining various loans. The deferred financing costs have been capitalized and are being amortized to interest expense over the life of the underlying loan using the straight-line method, which approximates the effective interest method. In determining the life of the loan, the Company considers the extension option periods when (a) it is the Company's intention, at loan inception, to exercise the options and renew the loans to extend through the option periods, and (b) such extension is at the discretion of the Company without a requirement of a significant financial obligation upon such extension. If the aforementioned criteria are not met, the Company does not

Table of Contents

STRATEGIC HOTELS & RESORTS, INC. AND SUBSIDIARIES (SHR)
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS—(Continued)

include the extension periods in the life of the loan. Upon early extinguishment of the various loans, any related unamortized deferred financing costs are written off and included in loss on early extinguishment of debt.

Inventories:

Inventories located at the hotel properties consist primarily of food and beverage stock. These items are stated at the lower of cost, as determined by an average cost method, or market and are included in other assets on the accompanying consolidated balance sheets.

Cash and Cash Equivalents:

The Company considers all cash on hand, demand deposits with financial institutions and short-term highly liquid investments with purchased or original maturities of three months or less to be cash equivalents.

Restricted Cash and Cash Equivalents:

As of December 31, 2009 and 2008, restricted cash and cash equivalents included $15,829,000 and $32,104,000, respectively, that will be used for property and equipment replacement in accordance with hotel management or lease agreements (FF&E Reserves). At December 31, 2009 and 2008, restricted cash and cash equivalents also included reserves of $7,000,000 and $5,254,000, respectively, required by loan and other agreements.

Foreign Currency:

Foreign currency-denominated assets and liabilities, where the functional currency is the local currency, are translated into U.S. dollars at the exchange rates in effect at the balance sheet date. Income and expense items are translated at the average exchange rates during the respective periods. Gains and losses from foreign currency translation, where the functional currency is the local currency, are recorded as a separate component of accumulated other comprehensive loss within shareholders' equity.

Revenue Recognition:

Revenues include rooms, food and beverage and other hotel operating revenue such as internet access, telephone, parking, golf course, spa, retail and space rentals. These revenues are recorded net of taxes collected from customers and remitted to government authorities and are recognized as the related services are rendered. Lease revenues are based on a percentage of hotel revenues or a percentage of adjusted operating profit, as defined in the lease agreements. Lease revenues are recognized on an accrual basis pursuant to the terms of each lease.

Noncontrolling Interests:

Third party noncontrolling partners own an approximate one percent interest in SH Funding. The interests held by these noncontrolling partners are stated at the greater of carrying value or their redemption value and are presented as noncontrolling interests in SHR's operating partnership in the consolidated balance sheets. Net loss (income) attributable to the noncontrolling interest partners is presented as noncontrolling interest in SHR's operating partnership in the consolidated statements of operations. Net (loss) income and other comprehensive (loss) income are attributed to noncontrolling interest partners in SH Funding based on their weighted average

Table of Contents

ownership percentages during the period. The ownership percentage is calculated by dividing the number of units held by the noncontrolling interest partners by the sum of units held by SHR and the units held by noncontrolling interest partners, all calculated based on the weighted average days outstanding at the end of the period.

These noncontrolling partners have a right to exercise a redemption right to require SH Funding to redeem all or a portion of the units held by the noncontrolling interest partners on a specified redemption date at a redemption price equal to the number of operating partnership units multiplied by SHR's common stock price and in the form of a cash amount. SH Funding is not obligated to satisfy the redemption right if SHR elects to purchase the units. SHR has the sole and absolute discretion to purchase the units. If it does purchase the units, SHR has the sole and absolute discretion to pay either in cash or shares.

The following table reflects the activity of the noncontrolling interests in SHR's operating partnership (in thousands):

	For the years ended December 31,		
	2009	2008	2007
Noncontrolling interest in SHR's operating partnership			
Balance, beginning of year	$ 5,330	$16,326	$12,463
Impact of adopting new guidance on noncontrolling interests	—	—	8,801
Balance, beginning of year (restated)	5,330	16,326	21,264
Net (loss) income attributable to the noncontrolling interests in SHR's operating partnership	(3,129)	(4,065)	969

Adjustment for noncontrolling interest ownership in SHR's operating partnership	136	(515)	(674)
Balance, end of year	$ 2,717	$ 5,330	$16,326

The historical cost of the redeemable noncontrolling interests is based on the proportional relationship between the carrying value of equity associated with SHR's common shareholders relative to that of the unitholders of SH Funding, as SH Funding units may be exchanged into SHR common stock on a one-for-one basis. As of December 31, 2009, 2008 and 2007, the redeemable noncontrolling interests had a redemption value of approximately $1,776,000 (based on SHR's common share price of $1.86 on December 31, 2009), $1,639,000 (based on SHR's common share price of $1.68 on December 31, 2008), and $16,326,000 (based on SHR's common share price of $16.73 on December 31, 2007), respectively.

The Company also consolidates affiliates that it controls but does not wholly own. The ownership interests held by the third party noncontrolling partners are presented as noncontrolling interests in consolidated affiliates in the Company's consolidated balance sheets. The net income attributed to the noncontrolling partners is presented as noncontrolling interests in consolidated affiliates. The activity for the noncontrolling interests in consolidated affiliates for the years ended December 31, 2009, 2008 and 2007 is presented in the Company's consolidated statements of equity.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS—(Continued)

Income Taxes :

SHR has elected to be taxed as a REIT under Sections 856 through 860 of the Internal Revenue Code of 1986, as amended (the Tax Code). As a REIT, SHR generally will not be subject to U.S. federal income tax if it distributes 100% of its annual taxable income to its shareholders. As a REIT, SHR is subject to a number of organizational and operational requirements. If it fails to qualify as a REIT in any taxable year, SHR will be subject to U.S. federal income tax (including any applicable alternative minimum tax) on its taxable income at regular corporate tax rates. Even if it qualifies for taxation as a REIT, it may be subject to foreign, state and local income taxes and to U.S. federal income tax and excise tax on its undistributed income. In addition, taxable income from SHR's taxable REIT subsidiaries is subject to federal, foreign, state and local income taxes. Also, the foreign countries where the Company has operations do not recognize REITs under their respective tax laws. Accordingly, the Company is subject to tax in those jurisdictions.

Deferred tax assets and liabilities are established for temporary differences between the financial reporting basis and the tax basis of assets and liabilities at the enacted tax rates expected to be in effect when the temporary differences reverse. A valuation allowance for deferred tax assets is provided if the Company believes all or some portion of the deferred tax asset may not be realized. Any increase or decrease in the valuation allowance that results from a change in circumstances that causes a change in the estimated realizability of the related deferred tax asset is included in income.

Distributions in Excess of Noncontrolling Interest Capital:

Prior to the Company adopting new guidance on accounting for noncontrolling interests in consolidated financial statements on January 1, 2009, distributions that exceeded noncontrolling interest partners' capital in a consolidated entity were recorded as an expense in the consolidated statements of operations. The adoption of the new guidance requires that any future distributions that exceed noncontrolling interest partners' capital will result in a deficit noncontrolling interest balance.

Per Share Data:

Basic (loss) income per share is computed by dividing the net (loss) income attributable to SHR common shareholders by the weighted average common shares outstanding during each period. Diluted (loss) income per share is computed by dividing the net (loss) income attributable to SHR common shareholders as adjusted for the impact of dilutive securities, if any, by the weighted average common shares outstanding plus potentially dilutive securities. Dilutive securities may include restricted stock units (RSUs), stock options (Options), exchangeable debt securities and noncontrolling interests that have an option to exchange their interests to shares. No effect is shown for securities that are anti-dilutive. The following table sets forth the components of the calculation of (loss) income from continuing operations attributable to SHR common shareholders for the years ended December 31, 2009, 2008 and 2007 (in thousands):

	2009	2008	2007
Numerator:			
(Loss) income from continuing operations attributable to SHR	$(234,745)	$(334,907)	$102,132
Preferred shareholder dividends	(30,886)	(30,886)	(30,107)
(Loss) income from continuing operations attributable to SHR common shareholders	$(265,631)	$(365,793)	$ 72,025
Denominator:			
Weighted average common shares—basic	75,267	75,140	75,075
Potentially dilutive securities	—	—	249
Weighted average common shares—diluted	75,267	75,140	75,324

Securities that could potentially dilute basic (loss) income per share in the future that are not included in the computation of diluted (loss) income per share because they are anti-dilutive as of December 31, 2009, 2008 and 2007 are as follows (in thousands):

	2009	2008	2007
Noncontrolling interests	955	976	976
Options and RSUs	1,531	1,413	804

In addition, the diluted (loss) income per share computation will not give effect to the dilution from the exchange of SH Funding's 3.50% Exchangeable Senior Notes due 2012 (Exchangeable Notes) (see note 9) until the average share price of SHR's common stock exceeds the initial exchange price of approximately $27.70.

Derivative Instruments and Hedging Activities:

The Company recognizes all derivatives as either assets or liabilities on the balance sheet and measures those instruments at fair value. If certain conditions are met, a derivative may be specifically designated as (a) a hedge of the exposure to changes in the fair value of a recognized asset or liability or an unrecognized firm commitment, (b) a hedge of the exposure to variable cash flows of a forecasted transaction, or (c) a hedge of the foreign currency exposure of a net investment in a foreign-currency-denominated forecasted transaction. The accounting for changes in the fair value of a derivative depends on the intended use of the derivative and resulting designation.

Fair Value of Financial and Nonfinancial Instruments:

Fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability. As a basis for considering market participant assumptions in fair value measurements, a fair value hierarchy has been established that distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity (observable inputs that are classified within Levels 1 and 2 of the hierarchy) and the reporting entity's own assumptions about market participant assumptions (unobservable inputs classified within Level 3 of the hierarchy).

Level 1 inputs utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access. Level 2 inputs are inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs may include quoted prices for similar assets and liabilities in active markets, as well as inputs that are observable for the asset or liability (other

than quoted prices), such as interest rates, foreign exchange rates, and yield curves that are observable at commonly quoted intervals. Level 3 inputs are unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity. In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety. The Company's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the asset or liability.

Retrospective Adoption of New Accounting Guidance on Convertible Debt Instruments and Noncontrolling Interests:

On January 1, 2009, the Company adopted new accounting guidance on accounting for convertible debt instruments that may be settled in cash upon conversion (including partial cash settlement). This new guidance requires the liability and equity components of convertible debt instruments that may be settled in cash upon conversion (including partial cash settlement) to be separately accounted for in a manner that reflects the issuer's nonconvertible debt borrowing rate. The resulting debt discount is amortized over the debt instrument's expected life as additional interest expense. The Company applied this change in accounting principle retrospectively to all prior periods presented. The adjustment had no effect on net cash flows from operations.

For the year ended December 31, 2009, this change in accounting principle resulted in an increase of $4,023,000 to interest expense and net loss and an increase of $0.05 to basic and diluted loss per share. The following table summarizes the effect of the accounting change on the Company's prior period consolidated financial statements (in thousands, expect per share data):

On January 1, 2009, the Company adopted new guidance on accounting for noncontrolling interests in consolidated financial statements. The new guidance requires that noncontrolling interests, previously reported as minority interests, be reported as a separate component of equity, a change that affects the Company's financial

statement presentation of noncontrolling interests in its consolidated subsidiaries. The new guidance specifies that consolidated net (loss) income attributable to the parent and to the noncontrolling interests be clearly identified and presented separately on the face of the consolidated statements of operations. The new guidance also establishes a single method of accounting for changes in a parent's ownership interest in a subsidiary and specifies that these transactions be recorded as equity transactions as long as the ownership change does not result in deconsolidation. This new guidance also expands disclosures in the financial statements to include a reconciliation of the beginning and ending balances of the equity attributable to the parent and the noncontrolling owners and a schedule showing the effects of changes in a parent's ownership interest in a subsidiary on the equity attributable to the parent. The new guidance is applied prospectively in 2009, except for the presentation and disclosure requirements, which are applied retrospectively. The retrospective presentation and disclosure requirements had no effect on previously reported net loss available to common shareholders or earnings per share. The prospective accounting requirements are dependent on future transactions involving noncontrolling interests.

New Accounting Guidance:

In June 2009, the Financial Accounting Standard Board (FASB) issued the FASB Accounting Standards Codification™ (Codification). This is the single source of authoritative nongovernmental U.S. GAAP. The Codification launched on July 1, 2009 and is effective for interim and annual periods ending after September 15, 2009. The Codification does not change U.S. GAAP, but combines all authoritative standards into a comprehensive, topically organized online database. After the Codification launch on July 1, 2009, only one level of authoritative GAAP exists, other than guidance issued by the SEC. All other accounting literature excluded from the Codification is considered non-authoritative. The Codification has an impact on the Company's financial statement disclosures as all references to authoritative accounting literature are references in accordance with the Codification.

In June 2009, the FASB issued new accounting guidance, which amends the consolidation guidance applicable to VIEs. The new guidance requires a qualitative rather than a quantitative analysis to determine the primary beneficiary of a VIE, requires continuous assessment of whether an enterprise is the primary beneficiary of a VIE, and requires enhanced disclosures about an enterprise's involvement with a VIE. The new guidance is effective as of the beginning of each reporting entity's first annual reporting period that begins after November 15, 2009. The Company does not expect that the adoption of this new guidance will have a material impact on its consolidated financial statements.

In June 2009, the Company adopted new guidance on interim disclosures about fair value of financial instruments. This new guidance relates to fair value disclosures for any financial instruments that are not currently reflected on the balance sheet at fair value. Prior to the issuance of this new guidance, fair values for these assets and liabilities were only disclosed once a year. The new guidance now requires these disclosures on a quarterly basis, providing qualitative and quantitative information about fair value estimates for all those financial instruments not measured on the balance sheet at fair value.

In April 2009, the FASB issued new accounting guidance on accounting for assets acquired and liabilities assumed in a business combination that arise from contingencies. This new guidance amends and clarifies the initial recognition and measurement, subsequent measurement and accounting, and related disclosures arising from contingencies in a business combination. This new guidance is effective for business combinations with acquisition dates on or after fiscal years beginning on or after December 15, 2008. This new guidance will impact the Company's accounting for future acquisitions.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS—(Continued)

In April 2009, the FASB issued new accounting guidance to determine fair values when there is no active market or where the price inputs being used represent distressed sales. It reaffirms the objective of fair value measurement—to reflect how much an asset would be sold for in an orderly transaction (as opposed to a distressed or forced transaction) at the date of the financial statements under current market conditions. Specifically, it reaffirms the need to use judgment to ascertain if a formerly active market has become inactive and in determining fair values when markets have become inactive. The Company adopted this new guidance in June 2009 and determined that this new guidance did not have a material impact on its consolidated financial statements.

In June 2008, the FASB issued new accounting guidance to determine whether an instrument or embedded feature is indexed to an entity's own stock. This new guidance provides a two-step approach to determine whether a financial instrument or an embedded feature is indexed to an issuer's own stock and exempt from the accounting guidance regarding derivative instruments and hedging activities. The transition under this new guidance requires a cumulative adjustment to the opening balance of retained earnings in the year in which the new guidance becomes effective. The Company adopted the new guidance on January 1, 2009 and determined that this new guidance did not have a material impact on its consolidated financial statements.

In June 2008, the FASB issued new accounting guidance to address whether instruments granted in share-based payment transactions are participating securities prior to vesting. This new guidance indicates that unvested share-based payment awards that contain non-forfeitable rights to dividends or dividend equivalents (whether paid or unpaid) are participating securities that should be included in earnings per share calculations under the two-class method. The Company adopted this new guidance on January 1, 2009 and determined that this new guidance did not have a material impact on its consolidated financial statements.

In March 2008, the FASB issued new accounting guidance to improve financial reporting about derivative instruments by requiring enhanced disclosures to enable investors to better understand their effects on an entity's financial position, financial performance, and cash flows. This new guidance is effective for financial statements issued for fiscal years and interim periods beginning after November 15, 2008. The Company adopted this new guidance on January 1, 2009 and complied with the expanded disclosure requirements, as applicable (see note 11).

In February 2008, the FASB issued new accounting guidance which deferred the effective date for measuring fair value of non-financial assets and liabilities, except those items recognized or disclosed at fair value on an annual or more frequently recurring basis, until fiscal years beginning after November 15, 2008 and interim periods within those fiscal years. The Company adopted the new guidance with respect to its non-financial assets and liabilities and determined that the new guidance did not have a material impact on its financial statements.

In December 2007, the FASB issued new accounting guidance on business combinations. The new guidance broadens the previous guidance on business combinations, extending its applicability to all transactions and other events in which one entity obtains control over one or more other businesses. The new guidance also establishes requirements for how the acquirer recognizes the fair value of the assets acquired, liabilities assumed, and noncontrolling interests in the acquiree as a result of business combinations; and requires the acquisition related costs to be expensed rather than included as part of the basis of the acquisition. The new guidance expands required disclosures to improve the ability to evaluate the nature and financial effects of business combinations.

The new guidance is effective for all business combinations for which the acquisition date is on or after fiscal years beginning on or after December 15, 2008. The Company adopted this new guidance on January 1, 2009 and the guidance will impact the Company's accounting for future acquisitions and related transaction costs.

The Company paid the first installment of $15,000,000 plus closing costs of $1,121,000 on October 4, 2007 and executed two non-interest bearing promissory notes for the remaining balance. On September 30, 2008, the Company paid the first of the two notes (see note 9). 4. IMPAIRMENT LOSSES AND OTHER CHARGES

Goodwill and Intangible Asset Impairment Losses

During the second quarter of 2009, management concluded that indicators of potential impairment were present and that evaluations of carrying values of goodwill and intangible assets were therefore required based on the continued deterioration of economic and credit market conditions and declines in the Company's revenues, operating profits, forecasted performance and market capitalization from previous levels.

The Company performed an interim (during the second quarter of 2009) test of impairment of goodwill and an annual (during the fourth quarter of 2009) test for impairment of goodwill. Based on its interim impairment test in the second quarter of 2009, the Company recorded non-cash goodwill impairment losses of $41,869,000. In the fourth quarter of 2009, the Company performed its annual impairment analysis and did not record any additional non-cash impairment losses related to goodwill. For the year ended December 31, 2008, the Company recorded impairment losses of $284,139,000. There was no goodwill impairment for the year ended December 31, 2007.

Long-Lived Asset Impairment Losses

The Company also performed an impairment test of its long-lived assets for two Mexican development sites at December 31, 2009 based on uncertainties surrounding the development of this land in a manner consistent with the Company's original plan, resulting in an impairment loss of $23,173,000. The Company determined there was no impairment of investment in hotel properties included in loss from continuing operations for the years ended December 31, 2008 and 2007.

Investment in Unconsolidated Joint Venture Impairment Losses

During the fourth quarter of 2009, the Company recorded a $26,500,000 impairment loss due to an other-than-temporary decline in value of its 45% interests in the joint ventures that own the Hotel del Coronado and an associated condominium-hotel development adjacent to the Hotel del Coronado. For the year ended December 31, 2008, the Company recognized an other-than-temporary decline in the value of its investment in RCPM and recorded an impairment loss of $1,000,000. There was no impairment of investment in unconsolidated joint ventures for the year ended December 31, 2007.

The Company recorded a charge of approximately $8,261,000 and $7,079,000 to write off costs and deposits related to capital projects that management decided to abandon during the years ended December 31, 2009 and 2008, respectively.

During the third quarter of 2008, management decided to not purchase an interest in a mixed-use building, the Aqua Building, which was under construction and adjacent to the Fairmont Chicago hotel. As a result, the Company recorded a charge of approximately $35,684,000, which includes the loss of $28,000,000 deposited in the form of a letter of credit that secured the purchase agreement and approximately $7,684,000 of planning and development costs previously recorded as investment in hotel properties, net.

During the fourth quarter of 2006 and the first half of 2007, the Company incurred direct costs in connection with its planned public listing of its European hotel assets. Due to unfavorable market conditions, the Company determined in the third quarter of 2007 to abandon the plan in its current form. In connection therewith, the Company recorded a charge of $7,372,000 during the year ended December 31, 2007 to write off previously deferred costs relating to this potential transaction.

Renaissance Paris Impairment

An impairment test of long-lived assets was performed for the Renaissance Paris at September 30, 2009 as a result in a change in the anticipated holding period for that hotel. The Company determined that the hotel's long-lived assets' carrying value exceeded the fair value of $51,954,000, with fair value determined based on estimated future discounted cash flows or the relevant data as to the fair value of the asset (Level 3 inputs). As a result of this test, the Company recorded an impairment loss of $30,795,000 related to the Renaissance Paris hotel, which is included in (loss) income from discontinued operations in the consolidated statement of operations for the year ended December 31, 2009.

In the fourth quarter of 2008, the Company performed its annual impairment analysis. Based on the results of its impairment test, the Company recorded a non-cash impairment loss of $33,335,000 to reduce the carrying value of the goodwill related to the Renaissance Paris to its fair value of $0, which is included in loss from discontinued operations in the consolidated statement of operations for the year ended December 31, 2008.

Hyatt Regency New Orleans Impairment and Disposition

In August 2005, Hurricane Katrina caused substantial damage to the Hyatt Regency New Orleans property. The hurricane damage also caused significant interruption to the hotel's business, and the hotel effectively ceased operations. On August 1, 2007, the Company entered into a complete and final settlement of its property damage and business interruption insurance claims. The total settlement, net of deductibles, was $143,007,000.

In connection with completing the insurance settlement process, the Company updated its ongoing evaluation and assessment of its strategic options with respect to the Hyatt Regency New Orleans property, including updating the Company's estimate of the fair market value of the property. Based on this assessment the Company recognized an impairment loss of $37,716,000 to property and equipment and goodwill in the third quarter of 2007 as shown below (in thousands):

Total impairment of property and equipment	$ 141,217
Less insurance settlement allocated to property and equipment damage	(115,571)

7. MANAGEMENT AGREEMENTS

Most of the Company's hotels are subject to management agreements that the Company assumed upon acquisition of the hotels. These agreements generally provide for the payment of base management fees of 1.25% to 5.00% of revenues (as defined in the agreements). In addition, an incentive fee may be paid if certain criteria are met. The terms of these agreements generally require management of the hotels to furnish the hotels with certain services, which include on-site management and may include central training, advertising and promotion, national reservation system, payroll and accounting services, and such additional services as needed. At December 31, 2009, the remaining terms (not including renewal options) of these management agreements range from five to 27 years and average 15 years.

In the second quarter of 2007, Marriott and the Company executed amendments to the terms of various management agreements. In connection with such amendments, Marriott agreed to pay specified cash consideration to the Company over a four year period and waived a termination fee related to termination of a management agreement on the Rancho Las Palmas Resort that was due in 2009. Consideration resulting from the amendments, including amounts previously recognized as termination liabilities, are classified as deferred credits and will be recognized ratably in earnings (as an offset to management fee expense) over the expected remaining initial terms of the respective management agreements. At December 31, 2009 and 2008, deferred credits of $9,120,000 and $9,964,000, respectively, were included in accounts payable and accrued expenses.

(1) if during any calendar quarter beginning after June 30, 2007 (and only during such calendar quarter) the closing price per share of the Company's common stock for at least 20 trading days in 30 consecutive trading days of the previous quarter is more than 130% of the applicable exchange price per share;

(2) if, for any five consecutive trading-day period, the trading price of the Exchangeable Notes on each trading day during such period is less than 95% of the product of the closing price per share of SHR's common stock multiplied by the exchange rate on such trading day;

(3) if the Company calls the Exchangeable Notes for redemption;

(4) as described in the indenture governing the Exchangeable Notes, if the Company makes specified distributions to holders of SHR's common stock or specified corporate transactions occur; or

(5) if SHR's common stock ceases to be listed on a U.S. national or regional securities exchange.

The Exchangeable Notes may be exchanged based on an initial exchange rate of 36.1063 shares per $1,000 principal amount of the Exchangeable Notes, which represented an initial exchange price of approximately $27.70 per share and an exchange premium of approximately 20% based on a price of $23.08 per share of SHR's common stock on March 29, 2007. Upon exchange, at the Company's election, a holder would receive an amount in cash equal to the lesser of (i) the principal amount of such holder's Exchangeable Notes, or (ii) the exchange value, as defined. If the exchange value exceeds $1,000, the Company will also deliver, at its option, cash or SHR common stock or a combination of cash and SHR common stock for the exchange value in excess of

$1,000. If the Exchangeable Notes are exchanged in connection with events specified in the indenture governing the Exchangeable Notes, the Company may be required to provide a make-whole premium in the form of an increase in the exchange rate, subject to a stated maximum amount. In addition, in connection with designated events, the holders of the Exchangeable Notes may require the Company to purchase all or a portion of their Exchangeable Notes at a purchase price equal to 100% of the principal amount of the Exchangeable Notes, plus accrued and unpaid interest, if any.

The Exchangeable Notes are unsecured obligations that rank equally in right of payment with any other senior unsecured indebtedness the Company may incur and are effectively subordinated in right of payment to all of the Company's secured indebtedness and all liabilities and preferred equity of the Company's subsidiaries. The Company is not subject to any financial covenants under the indenture governing the Exchangeable Notes. However, a default under the bank credit facility would allow for acceleration of the Exchangeable Notes.

In connection with the issuance of the Exchangeable Notes, the Company purchased call options for $9,900,000, which was recorded in additional paid-in capital, to purchase approximately 928,000 shares of SHR's common stock at a strike price of $27.70 up to a cap price of $32.31 per share (subject to adjustment in certain circumstances). The call options generally allow the Company to receive shares of SHR's common stock from counterparties equal to the number of shares of common stock to be issued to holders of the Exchangeable Notes upon exchange. The economic impact of these call option transactions is to mitigate the dilutive impact on the Company as if the exchange price were increased from $27.70 to $32.31 per common share, which represents an increase from the 20% premium to a 40% premium based on the March 29, 2007 closing price of $23.08 per share. The call option transactions are expected to generally reduce the potential dilution upon exchange in the event the market value per share of SHR's common stock is greater than the strike price of the call option transaction. If however the market value per share of SHR's common stock exceeds the $32.31 per common share, then the dilution mitigation under the call option transactions will be capped, which means there would be dilution from exchange of the Exchangeable Notes to the extent that the market value per share of SHR's common stock exceeds $32.31. These call options will terminate April 1, 2012, subject to earlier exercise.

The Company also entered into a registration rights agreement in connection with the issuance of the Exchangeable Notes. As required under the registration rights agreement, the Company filed a shelf registration statement, which became effective August 23, 2007. The Company must use reasonable efforts to keep the shelf registration statement effective until the earlier of 1) the date one year following the last date on which the Exchangeable Notes have been exchanged and settlement has occurred or 2) the date on which there are no longer any Exchangeable Notes or restricted shares of SHR's common stock outstanding. If the Company fails to comply with certain of its obligations under the registration rights agreement, it will be required to pay additional interest on the Exchangeable Notes in an amount equal to an annual rate of 0.25% for the first 90 days following a registration default and 0.50% following the first 90 days through the day on which the registration default is cured or the date that registration statement is no longer required to be kept effective. If the Exchangeable Notes are exchanged into SHR common stock during a period of registration default, a holder will not be entitled to receive additional interest, but instead will receive an increase in the exchange rate of 3% for each $1,000 principal amount of the Exchangeable Notes. The maximum amount of consideration that the Company would be required to transfer if a registration default were to occur would be approximately $1,913,000 in additional interest or approximately 195,000 additional shares of SHR common stock, if the Exchangeable Notes were exchanged. After the filing of the annual report on Form 10-K for the year ended December 31, 2008, the Company's previous shelf registration statement was no longer effective. On March 26, 2009, a new registration statement was declared effective by the SEC. During the year ended December 31, 2009, the Company recorded additional interest expense of $11,000 under the registration rights agreement described above for the temporary unavailability of an effective registration statement with respect to SHR's common stock that may, under certain circumstance, be issued with respect to the Exchangeable Notes.

Contemporaneously with the closing of the sale of the Exchangeable Notes, approximately $25,000,000 of the net proceeds was used to repurchase and retire approximately 1,083,000 shares of SHR's common stock. The remaining net proceeds were used to repay amounts outstanding under the Company's bank credit facility.

Bank Credit Facility:

In February 2009, SH Funding entered into the third amendment to the bank credit facility, which among other things provides the Company with additional flexibility with respect to its financial covenants and related financial calculations. In connection with this amendment, the Company wrote off $883,000 of unamortized deferred financing costs during the year ended December 31, 2009. The following summarizes key financial terms and conditions of the bank credit facility, as amended:

- the maximum facility size was reduced to $400,000,000;
- interest rate on the facility is LIBOR plus a margin of 3.75% in the case of each LIBOR loan and base rate plus a margin of 2.75% in the case of each base rate loan and a commitment fee of 0.50% per annum based on the unused revolver balance;
- lenders received additional collateral in the form of mortgages over four borrowing base properties, which mortgages supplement the existing pledges of the Company's interest in SH Funding and SH Funding's interest in certain subsidiaries and guarantees of the loan from the Company and certain of its subsidiaries, all of which continue to secure the bank credit facility;
- maximum availability is determined by the lesser of a 1.3 times debt service coverage on the borrowing base assets (based on the trailing 12 months net operating income for these assets divided by an 8% debt constant on the balance outstanding under the facility, as defined in the loan agreement) or a 45% advance rate against the appraised value of the borrowing base assets;
- minimum corporate fixed charge coverage of 1.0 times, which may be reduced at SH Funding's option to 0.9 times for up to four consecutive quarters with a quarterly fee of 0.25% paid on outstanding balances during each quarter that the coverage ratio is reduced, provided that the minimum corporate fixed charge coverage can increase up to 1.15 times subject to certain conditions set forth in the bank credit facility;
- maximum corporate leverage of 80% as defined in the agreement;
- minimum tangible net worth, as defined in the agreement, of $600,000,000, excluding goodwill and currency translation adjustments;
- default under and acceleration of any loan secured by property located in Europe would not constitute an event of default;
- maturity date of March 9, 2011, with a one-year extension option conditioned upon compliance with a corporate fixed charge coverage ratio of 1.15 times for the year ending December 31, 2010; and
- restrictions on the Company and SH Funding's ability to pay dividends. Such restrictions include:
  - a prohibition on each of the Company and SH Funding's ability to pay any amount of preferred dividends in cash or in kind if SH Funding has elected to reduce its fixed charge coverage to 0.9 as discussed above;
  - prohibitions on the Company and SH Funding and their respective subsidiaries' ability to pay any dividends unless certain ratios and other conditions are met; and
  - prohibitions on the Company and SH Funding's ability to issue dividends in cash or in kind at any time an event of default shall have occurred.

Notwithstanding the dividend restrictions described above, for so long as the Company qualifies, or has taken all other actions necessary to qualify as a REIT, SH Funding may authorize, declare and pay quarterly cash dividends to the Company when and to the extent necessary for the Company to distribute cash dividends to its shareholders generally in an aggregate amount not to exceed the minimum amount necessary for the Company to maintain its tax status as a REIT, unless SH Funding receives notice of any monetary event of default or other material event of default.

Other terms and conditions exist including provisions to release assets from the borrowing base and limitations on the Company's ability to incur costs for discretionary capital programs. Under the agreement, SH Funding has a letter of credit sub-facility of $75,000,000, which is secured by the amended $400,000,000 bank credit facility. Letters of credit reduce the borrowing capacity under the facility.

This amended agreement replaced the previous $225,000,000 bank credit facility agreement. SHR wrote off $796,000 of unamortized deferred financing costs applicable to the $225,000,000 bank credit facility, which is included in loss on early extinguishment of debt for the year ended December 31, 2007.

The weighted average interest rate for the year ended December 31, 2009 was 3.72%. As noted above, maximum availability is determined by the lesser of a 1.3 times debt service coverage on the borrowing base assets or a 45% advance rate against the appraised value of the borrowing base assets. Based on these requirements, the Company had $287,300,000 available under the bank credit facility at December 31, 2009. At December 31, 2009, there was $178,000,000 of borrowings outstanding under the bank credit facility and outstanding letters of credit of $2,750,000 (see note 16). The agreement also requires maintenance of financial covenants, all of which SH Funding and SHR were in compliance with at December 31, 2009.

Debt Maturity:

The following table summarizes the aggregate maturities (assuming all extension options exercised, excluding the conditional option to extend the bank credit facility) as of December 31, 2009 for all mortgage debt, the Exchangeable Notes and the Company's bank credit facility (in thousands):

Total interest expense in continuing and discontinued operations includes amortization of deferred financing costs of $6,693,000, $4,051,000, and $4,755,000 for the years ended December 31, 2009, 2008 and 2007, respectively.

Liquidity and Operating Matters:

The Company's short-term liquidity requirements consist primarily of funds necessary to pay for operating expenses and other expenditures. Historically, the Company has satisfied its short-term liquidity requirements through its existing working capital, cash provided by operations, and its bank credit facility. In February 2009, the Company entered into the third amendment to its bank credit facility, which among other things provides the Company with additional flexibility to maintain compliance with its financial covenants during 2010 and provides sufficient borrowing capacity to meet its short-term liquidity requirements during such time. As of December 31, 2009, the Company was in compliance with its financial and other restrictive covenants contained in the bank credit facility.

The Company's available capacity under the bank credit facility and compliance with financial covenants in 2010 and future periods will depend substantially on the financial results of the Company's hotels, and in particular, the results of the borrowing base assets. As of February 24, 2010, the outstanding borrowings and letters of credit in the aggregate were $197,750,000.

In the fourth quarter of 2009, the Company sold the Four Seasons Mexico City and Renaissance Paris for net sales proceeds of $102,431,000. A significant portion of the net proceeds from the sales were used to pay down the bank credit facility. To further improve liquidity in the short term, the Company is actively pursuing a number of alternatives, including but not limited to additional asset dispositions. The net proceeds of any additional transaction could be utilized to reduce borrowings outstanding under the bank credit facility and further improve liquidity. As of December 31, 2009, maximum availability under the bank credit facility was $287,300,000, and outstanding borrowings and letters of credit in the aggregate were $180,750,000. The administrative agent for the bank credit facility is currently obtaining appraisals for the borrowing base assets and depending upon the final appraised values, the maximum availability may decrease. The Company believes that the measures it has taken as described above should be sufficient to satisfy its liquidity needs for the next 12 months. However, if current financial market conditions worsen and the Company's business deteriorates further, it may breach one or more of its financial covenants or the maximum availability under the bank credit facility may fall below the Company's short-term borrowing needs. A default under the bank credit facility would allow the lenders to declare all amounts outstanding under the facility to become due and payable. Additionally, such an acceleration event would allow for acceleration of the interest rate swaps and the Exchangeable Notes.

If an event of default were to occur and the Company was unable to modify or obtain a waiver to certain terms of the bank credit facility, then the risk increases as to whether the Company can continue as a going concern. The accompanying consolidated financial statements have been prepared in conformity with GAAP applicable to a going concern, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business. Accordingly, the Company's consolidated financial statements do not reflect any adjustments related to the recoverability of assets and satisfaction of liabilities that might be necessary should the Company be unable to continue as a going concern.

The dividend was payable on November 28, 2008 to the stockholders of record as of the close of business on November 28, 2008. Each Right will allow its holder to purchase from SHR one one-thousandth of a share of a new series of SHR participating preferred stock for $20.00, once the Rights become exercisable. The Rights will become exercisable and will separate from SHR's common stock only upon the occurrence of certain events. On November 24, 2009, the Company entered into an amendment to extend the stockholder rights plan through November 30, 2012, unless the rights are earlier redeemed or amended by SHR's board of directors.

Distributions to Shareholders and Unitholders

11. DERIVATIVES

The Company manages its interest rate risk by varying its exposure to fixed and variable rates while attempting to minimize its interest costs. The Company manages its fixed interest rate and variable interest rate risk through the use of interest rate caps and swaps. The Company enters into interest rate caps and swaps with high credit quality counterparties and diversifies its positions among such counterparties in order to reduce its exposure to credit losses. The caps limit the Company's exposure on its variable rate debt that would result from an increase in interest rates. The Company's lenders, as stipulated in the respective loan agreements, generally require such caps. Upon extinguishment of debt, income effects of cash flow hedges are reclassified from accumulated OCL to interest expense, equity in earnings of joint ventures, loss on early extinguishment of debt, or (loss) income from discontinued operations as appropriate. The Company recognizes all derivatives at fair value as either assets or liabilities in the accompanying consolidated balance sheets as either other assets or in accounts payable and accrued expenses.

The valuation of the interest rate swaps and caps is determined using widely accepted valuation techniques including discounted cash flow analysis on the expected cash flows of each derivative. This analysis reflects the contractual terms of the derivatives, including the period to maturity, and uses observable market-based inputs, including interest rate curves and implied volatilities. The Company incorporates credit valuation adjustments (CVA) to appropriately reflect its own nonperformance risk and the respective counterparty's nonperformance risk. When assessing nonperformance risk, the Company has considered the impact of netting and any applicable credit enhancements, such as collateral postings, thresholds, mutual puts, and guarantees.

Except for the CVA noted below, all inputs used to measure fair value of the derivative financial instruments are Level 2 inputs. The Company has concluded that the inputs used to measure its CVA are Level 3 inputs. If the inputs used to measure fair value fall in different levels of the fair value hierarchy, the level in the

Table of Contents

STRATEGIC HOTELS & RESORTS, INC. AND SUBSIDIARIES (SHR)
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS—(Continued)

fair value hierarchy within which the fair value measurement in its entirety falls shall be determined based on the lowest level input that is significant to the fair value measurement in its entirety. The Company assessed the impact of the CVA on the overall fair value of its derivative instruments and concluded that the CVA has a significant impact to the fair values as of December 31, 2009. As of December 31, 2009, all derivative liabilities are categorized as Level 3 and the Company does not have any fair value measurements using inputs based on quoted prices in active markets (Level 1 or Level 2).

Cash Flow Hedges of Interest Rate Risk:

The Company's objectives in using interest rate derivatives are to add stability to interest expense and to manage its exposure to interest rate movements. To accomplish this objective, the Company primarily uses interest rate swaps and caps as part of its interest rate risk management strategy. Interest rate swaps designated as cash flow hedges involve the receipt of variable-rate amounts from a counterparty in exchange for the Company making fixed-rate payments over the life of the agreements without exchange of the underlying notional amount.

The effective portion of changes in the fair value of derivatives designated and that qualify as cash flow hedges is recorded in accumulated OCL and is subsequently reclassified into earnings in the period that the hedged forecasted transaction affects earnings. During the years ended December 31, 2009, 2008, and 2007, such derivatives were used to hedge the variable cash flows associated with existing variable-rate debt. The ineffective portion of the change in fair value of the derivatives is recognized directly in earnings. During the year ended December 31, 2009, the Company recorded $1,197,000 of hedge ineffectiveness as interest expense.

Amounts reported in accumulated OCL related to derivatives will be reclassified to interest expense as interest payments are made on the Company's variable-rate debt. During the next twelve months, the Company estimates that an additional $51,059,000 will be reclassified as an increase to interest expense.

As of December 31, 2009, the Company had the following outstanding interest rate derivatives that were designated as cash flow hedges of interest rate risk:

Interest Rate Derivative	Number of Instruments	Notional (in thousands)	
Interest rate swaps	20	$	1,250,000
Interest rate swap	1	£	77,250
Interest rate swap	1	€	104,000

At December 31, 2009 and 2008, the aggregate notional amount of the Company's domestic interest rate swaps was $975,000,000. These swaps have fixed pay rates against LIBOR ranging from 0.90% to 5.50% and maturity dates ranging from April 2010 to December 2014. In addition, at December 31, 2009 and 2008, the Company had a GBP LIBOR interest rate swap agreement with a notional amount of £77,250,000. The swap has a fixed pay rate against GBP LIBOR of 5.72%, which adjusts to 3.22% for the period from January 2009 through January 2011, and a maturity date of October 2013. The Company also has a EURIBOR interest rate swap agreement with a notional amount of €104,000,000. The swap has a fixed pay rate against EURIBOR of 4.53% and a maturity date of March 2012.

At December 31, 2009 and 2008, the aggregate notional amount of the Company's forward-starting interest rate swaps was $275,000,000 and $475,000,000, respectively. The forward-starting swaps have effective dates ranging from April 2010 to February 2011. These swaps have fixed pay rates against LIBOR ranging from 5.23% to 5.42% and maturity dates ranging from April 2015 to February 2016. These outstanding forward-starting interest rate swaps will hedge the future interest payments of debt that are currently hedged by interest rate swaps that will mature on the dates that these swaps become effective.

Non-designated Hedges:

Derivatives not designated as hedges are not speculative and are used to manage the Company's exposure to interest rate movements and other identified risks but do not meet the strict hedge accounting requirements. Changes in the fair value of derivatives not designated in hedging relationships are recorded directly in earnings. As of December 31, 2009, the Company had the following outstanding interest rate derivatives that were non-designated hedges:

Interest Rate Derivative	Number of Instruments	Notional (in thousands)
Interest rate caps	9	$ 594,750

At December 31, 2009 and 2008, the aggregate notional amount of the Company's purchased and sold interest rate cap agreements was $594,750,000. These caps have LIBOR strike rates ranging from 5.00% to 7.50% and maturity dates ranging from March 2010 to January 2011.

The Company does not have any fair value measurements using inputs based on quoted prices in active markets (Level 1 or Level 2) as of December 31, 2009 or 2008. The following table reflects changes in interest rate swap liabilities categorized as Level 3 since January 1, 2008 (in thousands):

As of December 31, 2009, the fair value of derivatives in a net liability position, which includes accrued interest but excludes any adjustment for nonperformance risk, related to these agreements was $(101,306,000). As of December 31, 2009, the Company has not posted any collateral related to these agreements. If the Company had breached any of these provisions at December 31, 2009, it would have been required to settle its obligations under the agreements at their termination value of $(101,306,000). The Company has not breached any of the provisions as of December 31, 2009.

12. SHARE-BASED EMPLOYEE COMPENSATION PLANS

On June 21, 2004, the Company adopted the 2004 Incentive Plan (the Plan). The Plan provided for the grant of equity-based awards in the form of, among others, options to purchase shares of SHR common stock (Options), RSUs, and stock appreciation rights (SARs), which are collectively referred to as the Awards. On May 22, 2008, SHR's shareholders approved SHR's Amended and Restated 2004 Incentive Plan (the Amended Plan). The Amended Plan: (a) added units of SH Funding as an additional type of award (OP Units); (b) adjusted the number of authorized shares from 3,000,000 shares of SHR common stock to 4,200,000 shares of SHR common stock or OP Units; (c) limited the maximum term of Options and SARs to no more than 10 years and prohibited the repricing of Options and SARs; and (d) established minimum vesting periods for certain awards.

STRATEGIC HOTELS & RESORTS, INC. AND SUBSIDIARIES (SHR)
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS—(Continued)

The Plan is administered by a Compensation Committee (the Committee) appointed by the board of directors. The Committee consists of two or more members of the board of directors. The Committee has the authority and sole discretion to determine the type, extent, and terms (including vesting) of Awards granted, as well as those eligible to receive Awards. Options granted have an exercise price determined by the Committee but cannot be less than 100% of the fair market value of the shares on the grant date. The term of the Options is determined by the Committee but is generally ten years from the date of grant.

The Company recorded compensation expense of $5,954,000, $5,067,000, and $4,712,000 related to share-based employee compensation (net of estimated forfeitures) for the years ended December 31, 2009, 2008 and 2007, respectively.

Value Creation Plan:

On August 27, 2009, the Company adopted the Value Creation Plan to further align the interests and efforts of key employees to the interests of the Company's stockholders in creating stockholder value and providing key employees an added incentive to work towards the Company's growth and success. The Value Creation Plan provides for up to 2.5% of SHR's market capitalization (limited to a maximum market capitalization based on a common stock price of $20.00 per share) to be provided to participants in the Value Creation Plan in 2012 if the highest average closing price of SHR's common stock during certain consecutive twenty trading day periods in 2012 is at least $4.00 (Normal Distribution Amount). In addition, if a change of control occurs at any time prior to December 31, 2012, participants in the Value Creation Plan will generally not be entitled to the Normal Distribution Amount and will instead be entitled to receive 2.5% of SHR's market capitalization based on the value of a share of the SHR's common stock upon the change of control (Change of Control Price), regardless of whether the Change of Control Price is at least $4.00 or greater than $20.00. A total of up to one million units (representing the opportunity to earn an amount equal to 2.5% of SHR's market capitalization) can be allocated under the Value Creation Plan to key employees, and 600,000 of those units have been granted to the Company's chief executive officer. Payments upon a unit of distribution may be made in cash, in shares of SHR's common stock (subject to approval by the stockholders of SHR), in some combination thereof or in any other manner approved by the committee of the board administering the Value Creation Plan.

The Company has accounted for the Value Creation Plan as a liability award and has recorded the liability in accounts payable and accrued expenses on the consolidated balance sheet. The fair value of the Value Creation Plan will be re-measured at the end of each reporting period, and the Company will make adjustments to the compensation expense and liability to reflect the fair value. The fair value of the liability at December 31, 2009 and the compensation expense recognized for the year ended December 31, 2009 was $108,000.

Options:

The Company measures compensation expense for the Options based upon the fair value at the date of grant as calculated by a binomial option pricing model. Compensation expense is recognized on a straight-line basis over the service period, net of estimated forfeitures, if any. Compensation expense related to the Options is included in corporate expenses in the consolidated statements of operations. Total unrecognized compensation expense related to Options at December 31, 2009 was $749,000 and is expected to be recognized over a period of one year.

The table below summarizes the Option activity under the Plan for 2009, 2008 and 2007.

	2009		2008		2007	
	Shares	Weighted Average Exercise Price	Shares	Weighted Average Exercise Price	Shares	Weighted Average Exercise Price
Options outstanding at the beginning of the year	885,026	$ 19.22	736,221	$ 20.39	669,797	$ 20.40
Granted	—	—	148,805	13.44	66,424	20.24
Options outstanding at the end of the year	885,026	$ 19.22	885,026	$ 19.22	736,221	$ 20.39
Options exercisable at the end of the year	612,159	$ 19.25	317,150	$ 19.29	22,141	$ 20.24

The fair value for Options granted in 2008 and 2007 was estimated at the date of grant using a binomial option-pricing model based on the following inputs:

Inputs:	2008	2007
Risk-free interest rate	2.94%	4.53%
Expected dividend yield	7.14%	4.55%
Volatility	25.26%	21.85%
Weighted average expected life	6 years	7 years
Weighted average fair value of options granted	$ 1.92	$ 3.75

The inputs in the binomial option-pricing model included the following assumptions: a) a risk-free interest rate equal to U.S. Government Strip rates for the number of years remaining until exercise; b) a dividend yield based on SHR's historical dividend payments per share; c) volatility equal to an average that includes available historic volatility data; and d) an expected life equal to 60% (for 2008 grants) and 70% (for 2007 grants) of the term of the Option.

RSUs:

SHR has issued RSUs to certain employees, officers and directors under the Plan. RSUs represent awards of shares of SHR's common stock that generally vest over three or four years or as otherwise approved by the Committee, provided the participant continues as an employee, director or continues to provide services to the Company. Unvested RSUs will be forfeited upon termination. RSUs are essentially the same as restricted stock except that, instead of actual shares, RSUs represent a promise to distribute shares at some future date. Participants holding RSUs will have no voting rights until such time as the underlying shares are issued. Dividends will no longer accrue on RSUs as a result of the decision by SHR's board of directors to suspend the dividend.

On August 27, 2009, the Company granted an award of 75,000 RSUs to its chief executive officer in connection with his amended and restated employment agreement. These RSUs will vest in three equal annual installments, subject to acceleration upon certain events and other terms of his amended and restated employment agreement.

During the first quarter of 2009, the compensation committee approved the acceleration of vesting of certain RSUs issued prior to December 31, 2008. Effective March 31, 2009, the vesting of approximately 295,000 shares was accelerated.

The Company measures compensation expense for RSUs based on the fair market value of its common shares at the date of grant, adjusted for estimated forfeitures. Compensation expense for RSUs is recognized on a straight-line basis over the service period and is included in corporate expenses in the consolidated statements of operations. Total unrecognized compensation expense related to nonvested RSUs at December 31, 2009 was $615,000 and is expected to be recognized over a weighted average period of 2.19 years.

Information regarding RSUs is summarized in the following table:

Performance-Based RSUs

The Company granted performance-based RSUs to its chief executive officer and chief financial officer providing a right to earn shares of SHR common stock at target performance (Target Performance Shares). Two-thirds of the Target Performance Shares are earned based on the Company's performance versus budgeted Funds from Operations (FFO) per share and one-third are earned based on SHR's shareholder return measured against the Bloomberg Hotel REIT Index. The chief executive officer's Target Performance Shares are earned in equal amounts on three annual measurement dates beginning December 31, 2007 and will vest one year after they are earned subject to acceleration upon certain events and other terms. The chief financial officer's Target Performance Shares are earned in the year granted and will vest in three equal installments beginning in the year earned.

The Company measures compensation expense for performance-based RSUs based on the fair market value of its common shares at the date of grant, adjusted for estimated forfeitures. Compensation expense for performance-based RSUs is recognized on a straight-line basis over the service period and is included in corporate expenses in the consolidated statements of operations. Total unrecognized compensation expense related to performance-based RSUs at December 31, 2008 was $214,000 and is expected to be recognized over a weighted average period of one year.

Information regarding performance-based RSUs is summarized in the following table:

The Amended Plan allows the Committee to grant SARs. As of December 31, 2009, no SARs have been issued under the Amended Plan.

13. DEFINED CONTRIBUTION PLAN

The Company has a defined contribution plan that covers employees meeting eligibility requirements. The Company matches 100% of the first 6% of compensation that an employee elects to defer. The Company's matching contribution vests immediately. The Company can make additional discretionary contributions up to 4% of compensation. Any discretionary matching contributions are fully vested on grant date upon such contributions, or if employees have less than three years of service, the contributions vest at 33.33% per year of service. Contributions by the Company were $432,000, $613,000, and $719,000 for the years ended December 31, 2009, 2008 and 2007, respectively.

14. INCOME TAXES

As a REIT, SHR generally will not be subject to U.S. federal income tax if it distributes 100% of its annual taxable income to its shareholders. SHR may be subject to certain state and local taxes on its income and property and to federal income and excise taxes on its undistributed taxable income. In addition, taxable income from taxable REIT subsidiaries is subject to federal, state and local taxes.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS—(Continued)

(a) The transaction involving the Paris Marriott (see note 8) was treated as a sale for French income tax purposes. For financial reporting purposes the transaction was recorded as a sale-leaseback and the related gain on sale has been deferred. As a result, SHR incurred a significant current tax liability and deferred tax asset. The deferred tax asset is reduced as the deferred gain is amortized over the life of the lease. The balance also fluctuates based on changes in foreign currency exchange rates.

(b) For income tax purposes, the Company's net operating losses can be carried forward for a time period ranging from nine years to indefinitely depending on the rules of the related tax jurisdictions.

(c) The Company provides a valuation against net operating loss carryforwards due to the uncertainty of realization. The valuation allowance increased by $11,629,000, $4,491,000, and $8,176,000 during the years ended December 31, 2009, 2008 and 2007, respectively.

Characterization of Cash Distributions

For federal income tax purposes, the cash distributions paid to SHR's common and preferred shareholders may be characterized as ordinary income, return of capital (generally non-taxable) or capital gain. The following characterizes distributions paid per common share and preferred share for the years ended December 31, 2009, 2008 and 2007 (see note 10 for additional distribution information):

15. RELATED PARTY TRANSACTIONS

LLPI

On February 12, 2008, the Company invested $1,200,000 of a $2,000,000 subscription in LLPI, a newly-formed venture with the objectives of purchasing, developing and arranging for the operations of luxury resort and tourist-oriented destination properties in multiple locations throughout North America, Central America and Europe. The son-in-law of Laurence Geller, the Company's president and chief executive officer, Mr. Franco, was one of the founders of and served as executive vice president—development of LLPI. Upon formation, the Company owned 40%, Mr. Franco owned 10% and unrelated parties owned the remaining interests in the venture.

The Company's interest in the LLPI venture was redeemed in May 2009, at which time, Mr. Franco then owned 40% and the other remaining member owned 60% of LLPI. As part of the redemption, the Company received a return of $185,000 of capital and the remaining $190,000 in the Company's capital account was re-allocated to the remaining members, including Mr. Franco. At the time of the Company's redemption, LLPI also distributed $181,000 to each of the remaining members, including Mr. Franco.

From March 2009 through August 2009, LLPI, which has changed its name to Punta Mita Properties, LLC, provided asset management services to RCPM for a fee of $25,000 per month. Beginning in September 2009, the fees for the asset management services were reduced to a $10,000 base fee per month, with an opportunity to earn an additional $15,000 per month if certain sales occur (see note 6).

Consulting Agreement

On August 16, 2007, the Company entered into a consulting agreement with Sir David M.C. Michels, a member of SHR's board of directors. On August 21, 2008, the Company amended the agreement. Under the terms of the agreement, Mr. Michels provides certain consulting services to the Company relating to its European strategy, including pursuing acquisition opportunities, facilitating relationships and advising on current European operations.

On August 5, 2009, the Company and Mr. Michels agreed to terminate the consulting agreement dated August 16, 2007, as amended on August 21, 2008 (collectively, the Consulting Agreement). Pursuant to the termination agreement dated August 5, 2009 between the parties (the Termination Agreement, and together with the Consulting Agreement, the Agreements), Mr. Michels served as a consultant to the Company until December 31, 2009 (the Termination Date) and received $125,000, in consideration of (i) Mr. Michels' consulting services through the Termination Date and (ii) contractually provided termination fees and the waiver of certain other benefits to which Mr. Michels was otherwise entitled to under the terms of the Consulting Agreement. Mr. Michels shall not receive any additional compensation or equity grants under the terms of the Agreements. All prior grants made by the Company to Mr. Michels pursuant to the Consulting Agreement shall continue to vest provided the conditions to such vesting contained in the Consulting Agreement are satisfied. For the years ended December 31, 2009, 2008 and 2007, the Company recognized expense of $212,000, $418,000, and $198,000, respectively, related to the Agreements.

17. FAIR VALUE OF FINANCIAL INSTRUMENTS

As of December 31, 2009 and 2008, the carrying amounts of certain financial instruments employed by the Company, including cash and cash equivalents, restricted cash and cash equivalents, accounts receivable, and accounts payable and accrued expenses were representative of their fair values because of the short-term maturity of these instruments. At December 31, 2009 and 2008, there was no fixed-rate mortgage debt.

To calculate the estimated fair value of the variable-rate mortgage debt and bank credit facility as of December 31, 2009, the Company estimated that in the current market the spread over the applicable index (LIBOR, EURIBOR, or GBP LIBOR as applicable) would be in the range of 400 to 600 basis points as compared to the current contractual spread as disclosed above (see note 9). Using these estimated market spreads and a discount rate of 7.4%, the Company estimated the fair value of the debt to be approximately $82,000,000 to $139,000,000 lower than the carrying value of $1,479,000,000. To calculate the fair value of the Exchangeable Notes as of December 31, 2009, the Company assumed a market spread of between 400 to 600 basis points and estimated the fair value to be approximately $8,000,000 to $15,000,000 lower than the face value of $180,000,000. For every 100 basis point change in the assumed market spread, the corresponding change in the fair value of our total debt would be approximately $32,000,000.

To calculate the estimated fair value of the variable-rate mortgage debt and bank credit facility as of December 31, 2008, the Company estimated that in the current market the spread over the applicable index (LIBOR, EURIBOR, or GBP LIBOR as applicable) would be in the range of 400 to 600 basis points as compared to the current contractual spread as disclosed above (see note 9). Using these estimated market spreads and a discount rate of 7.4%, the Company estimated the fair value of the debt to be approximately $148,000,000 to $252,000,000 lower than the carrying value of $1,491,000,000. Notes as of December 31, 2008, the Company assumed a market spread of between 400 to 600 basis points over the five-year swap rate at December 31, 2008 and estimated the fair value to be approximately $10,000,000 to $21,000,000 lower than the face value of $180,000,000. For every 100 basis point change in the assumed market spread, the corresponding change in the fair value of the Company's total debt would be approximately $57,000,000.

Interest rate swap and cap agreements have been recorded at their estimated fair values.

18. GEOGRAPHIC AND BUSINESS SEGMENT INFORMATION

As of December 31, 2009, the Company's foreign operations and long-lived assets consisted of one Mexican hotel property, two Mexican development sites, a 31% interest in a Mexican joint venture RCPM and four European properties, including leasehold interests in each a French and a German hotel property.

The following table presents revenues (excluding the unconsolidated joint ventures and discontinued operations) and long-lived assets for the geographical areas in which the Company operates (in thousands):

ITEM 9. CHANGES IN AND DISAGREEMENTS WITH ACCOUNTANTS ON ACCOUNTING AND FINANCIAL DISCLOSURE.

ITEM 9A. CONTROLS AND PROCEDURES.

Evaluation of Disclosure Controls and Procedures

An evaluation of the effectiveness of the design and operation of our "disclosure controls and procedures" (as defined in Rule 13a-15(e) under the Exchange Act), as of the end of the period covered by this annual report on Form 10-K, was made under the supervision and with the participation of our management, including our Chief Executive Officer and our Chief Financial Officer. Based upon this evaluation, as of December 31, 2009, our Chief Executive Officer and our Chief Financial Officer concluded that our disclosure controls and procedures are effective to ensure that information required to be disclosed by us in reports filed or submitted under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms and that information required to be disclosed by us in reports filed or submitted under the Securities Exchange Act is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure.

Management's Report on Internal Control Over Financial Reporting

Our management is responsible for establishing and maintaining adequate internal control over financial reporting, and for performing an assessment of the effectiveness of internal control over financial reporting as of December 31, 2009. Internal control over financial reporting is a process designed to provide reasonable assurance to our management and board of directors regarding the reliability of financial reporting and the preparation and fair presentation of published financial statements. Our system of internal control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of our assets; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures are being made only in accordance with authorizations of our management and directors; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of our assets that could have a material effect on the financial statements.

All internal control systems, no matter how well designed, have inherent limitations, which include the possibility of human error and the circumvention or overriding of the controls and procedures. Therefore, even those systems determined to be effective can provide only reasonable assurance with respect to financial statement preparation and presentations and all misstatements may not be prevented or detected. Also, the effectiveness of internal control over financial reporting may deteriorate in future periods due to either changes in conditions or declining levels of compliance with policies or procedures.

Our management assessed the effectiveness of the Company's internal control over financial reporting as of December 31, 2009. In making this assessment, management used criteria set forth in *Internal Control— Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission.

Based on this assessment management believes that, as of December 31, 2009, our internal control over financial reporting was effective based on such criteria.

Deloitte & Touche LLP, an independent registered public accounting firm, issued an audit report on the effectiveness of our internal control over financial reporting as of December 31, 2009. This report appears below.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders of
Strategic Hotels & Resorts, Inc.
Chicago, Illinois

We have audited the internal control over financial reporting of Strategic Hotels & Resorts, Inc. and subsidiaries (the "Company") as of December 31, 2009, based on criteria established in *Internal Control—Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission. The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting, included in the accompanying Management's Report on Internal Control Over Financial Reporting. Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

A company's internal control over financial reporting is a process designed by, or under the supervision of, the company's principal executive and principal financial officers, or persons performing similar functions, and effected by the company's board of directors, management, and other personnel to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of the inherent limitations of internal control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may not be prevented or detected on a timely basis. Also, projections of any evaluation of the effectiveness of the internal control over financial reporting to future periods are subject to the risk that the controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of December 31, 2009, based on the criteria established in *Internal Control—Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission.

We have also audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated financial statements and financial statement schedule as of and for the year ended December 31, 2009 of the Company and our report dated February 25, 2010 expressed an unqualified opinion on those financial statements and financial statement schedule, and included an explanatory paragraph regarding the change in accounting for noncontrolling interests and convertible debt instruments for which the consolidated financial statements were retrospectively adjusted.

REGISTRATION RIGHTS AGREEMENT
(Rockefeller Interests)

THIS REGISTRATION RIGHTS AGREEMENT (this "Agreement"), is made and entered into as of June 29, 2004, among Strategic Hotel Capital, Inc., a Maryland corporation (the " Company"), each of the parties identified as an "Investor" on Schedule I hereto (each, an "Investor") and Rockmark Corporation, a Delaware corporation ("Rockmark"), on behalf of itself and as Investor Representative.

WHEREAS, Strategic Hotel Capital, L.L.C., a Delaware limited liability company ("SHC LLC"), the Investors and Rockmark are parties to a Second Amended and Restated Transfer and Registration Rights Agreement dated as of October 31, 1999 (the "SHC LLC Agreement");

WHEREAS, concurrently with the execution of this Agreement, the Company will effect an initial public offering of shares of its common stock (the "IPO"); and

WHEREAS, the parties desire to provide each investor with certain registration rights analogous to those in the SHC LLC Agreement.

NOW, THEREFORE, in consideration of the foregoing, the parties hereto agree as follows:

1. DEFINITIONS.

As used in this Agreement, the following terms shall have the following respective meanings:

"Affiliate": with regard to a Person, a Person that controls, is controlled by, or is under common control with, such original Person. For purposes of this definition, "control" when used with respect to any Person means the power to direct the management and policies of such Person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise; and the terms "affiliated," "controlling" and "controlled" have meanings correlative to the foregoing.

"Closing Price": the reported last sale price of a unit of a security, on a given day, regular way, or, in case no such sale takes place on such day, the average of the reported closing bid and asked prices regular way, in each case on the New York Stock Exchange Composite Tape, or, if the security is not listed or admitted to trading on such exchange, on the American Stock Exchange Composite Tape, or, if the security is not listed or admitted to trading on such exchange, the principal national securities exchange on which the security is listed or admitted to trading, or, if the security is not listed or admitted to trading on any national securities exchange, the closing sales price, or, if there is no closing sales price, the average of the closing bid and asked prices, in the over-the-counter market as reported by the Nasdaq Stock Market, Inc., or, if not so reported, as reported by the National Quotation Bureau, Incorporated, or any successor thereof, or, if not so reported, the average of the closing bid and asked prices as furnished by any member of the National Association of Securities Dealers, Inc. selected from time to time by the Company for that purpose, or, if no such prices are furnished, the fair market value of the security as determined in good faith by the board of directors of the Company, which determination shall be based upon recent issuances or current offerings pursuant to bona fide private offerings of the same class of security by the Company; provided, however, that any determination of the "Closing Price" of any security hereunder shall be based on the assumption that such security is freely transferable without registration under the Securities Act.

The Company shall have the privilege to postpone, on one occasion only, each filing of a registration statement under this Section 2.1 and each proposed sale of Shares by an Investor under an effective Shelf Registration, for a reasonable period of time (not exceeding 90 days) if the Company furnishes the Investor with a certificate signed by the Chairman of the Board or the Chief Executive Officer of the Company stating that, in its good faith judgment, the Company's board of directors has determined that effecting the registration at such time would adversely affect a material financing, acquisition, disposition of assets or stock, merger or other comparable transaction or would require the Company to make public disclosure of information the public disclosure of which would have a material adverse effect upon the Company.

2.2 Registration Procedures . If and whenever the Company is required by any of the provisions of this Article 2 to use its reasonable efforts to effect the registration of any of the Shares pursuant to Rule 415 under the Securities Act, the Company shall use its reasonable efforts to as expeditiously as possible:

(a) prepare and file with the Commission a registration statement with respect to such securities and use its reasonable efforts to cause such registration statement to become effective and remain effective for as long as shall be necessary to complete the distribution of the Shares so registered;

(b) prepare and file with the Commission such amendments and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to keep such registration statement effective for so long as shall be necessary to complete the distribution of the Shares so registered and to comply with the provisions of the Securities Act with respect to the sale or other disposition of all securities covered by such registration statement whenever the Investor shall desire to sell or otherwise dispose of the same;

(c) furnish to the Investor such numbers of copies of such registration statement, each amendment and supplement thereto, the prospectus included in such registration statement, including any preliminary prospectus, and any amendments or supplement thereto, and such other documents, as the Investor may reasonably request in order to facilitate the sale or other disposition of the Shares owned by the Investor;

(d) use its reasonable efforts to register and qualify the securities covered by such registration statement under such other securities or blue sky laws of such jurisdictions as the Investor shall reasonably request, and do any and all other acts and things reasonably requested by the Investor to assist the Investor to consummate the sale or other disposition in such jurisdictions of the securities owned by the Investor, except that the Company shall not for any such purpose be required to qualify to do business as a foreign corporation in any jurisdiction wherein it is not so qualified or to file therein any general consent to service of process;

(e) otherwise use its reasonable efforts to comply with all applicable rules and regulations of the Commission, and make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least twelve months, beginning with the first fiscal quarter beginning after the effective date of the registration statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act;

(f) use its reasonable efforts to list such securities on any securities exchange or interdealer quotation system on which any stock of the Company is then listed, if the listing or quotation of such securities is then permitted under the rules of such exchange or interdealer quotation system;

(g) if the Investor intends to dispose of its securities through an underwritten public offering, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the managing underwriter or underwriters of such underwritten offering, including, without limitation, to obtain an opinion of counsel to the Company and a “comfort letter” from the independent public accountants to the Company in the usual and customary form for such underwritten offering;

(h) notify the Investor, at any time when a prospectus relating to such registration statement is required to be delivered under the Securities Act, of the happening of any event of which it has knowledge as a result of which the prospectus included in such registration statement, as then in effect, contains an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing;

(i) make the Company's executive officers available at the Company's principal executive offices to discuss the affairs of the Company at times that may be mutually and reasonably agreed to; and

(j) upon the request of the Investor, take any and all other actions which may be reasonably necessary to complete the registration and thereafter to complete the distribution of the Shares so registered.

2.3 Dribble Out . From and after the time that an Investor's Shares are registered under an effective registration statement under this Article 2, such Investor shall not in any calendar quarter sell, transfer or assign through the facilities of any exchange or quotation system on which the Shares are then listed or quoted a number of Shares to another Person if the aggregate number of Shares so sold, transferred or assigned in such calendar quarter would exceed 5% of the Shares of the Company then outstanding. The foregoing provisions of this Section 2.3 shall not restrict a block (as defined pursuant to Rule 10b-18(a)(5) under the Exchange Act) sale of the Investor's Shares, the transfer of Shares to an Affiliate or any sale of Shares by the Investor pursuant to an underwritten offering.

2.4 Black-Out Period . During the period beginning on the date of each subsequently filed prospectus or prospectus supplement with respect to an offering under such Shelf Registration and ending 90 days thereafter, each Investor agrees that it will not request that the Company register any of its Shares pursuant to this Article 2.

3. PROVISIONS APPLICABLE TO REGISTRATION RIGHTS.

3.1 Expenses .

(a) Except as set forth in Section 3.1(b), the expenses specified in the following sentence incurred in any Shelf Registration (or any attempted Shelf Registration that is not consummated) of an Investor's Shares under this Agreement shall be paid by the Investor. The expenses referred to in the preceding sentence shall be limited to underwriters' discounts or commissions or fees or fees of placement agents, the expenses of printing and distributing the registration statement and the prospectus used in connection therewith and any amendment or supplement thereto, fees and disbursements of counsel for the Investor.

(b) All other expenses incurred in any Shelf Registration (or any attempted Shelf Registration that is not consummated) shall be paid by the Company, including, without limitation, (i) the expenses of its internal counsel (and/or, if the Company chooses, its outside counsel) including fees and expenses related to the preparation of the registration statement and the prospectus used in connection therewith and any amendment or supplement thereto, (ii) any necessary accounting expenses, including any special audits which shall be necessary to comply with governmental requirements in connection with any such registration, including the expense related to any comfort letters and (iii) expenses of complying with the securities or blue sky laws of any jurisdictions.

3.2 Indemnification . In the event any Investor's Shares are included in a registration statement under Article 2:

(a) Indemnity by Company . Without limitation of any other indemnity provided to an Investor, to the extent permitted by law, the Company will indemnify and hold harmless each Investor, the Affiliates, officers, directors and partners of each Investor, each underwriter (as defined in the Securities Act), and each Person, if any, who controls an Investor or underwriter (within the meaning of the Securities Act), against any losses, claims, damages, liabilities and expenses (joint or several) to which they may become subject under the Securities Act, the Exchange Act or other federal or state law, insofar as such losses, claims, damages, liabilities and expenses (or actions in respect thereof) arise out of or are based upon any of the following statements, omissions or violations (collectively a "Violation"): (i) any untrue statement or alleged untrue statement of a material fact contained in such registration statements (including any preliminary prospectus or final prospectus contained therein or any amendments or supplements thereto), (ii) the omission or alleged omission to state therein a material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, or (iii) any other violation or alleged violation by the Company of the Securities Act, the Exchange Act, any state securities law or any rule or regulation promulgated under the Securities Act, the Exchange Act or any state securities law, and the Company will reimburse each Investor and its Affiliates, officers, directors or partners, underwriter and controlling person for any reasonable legal or other expenses incurred by them in connection with investigating or defending any such loss, claim, damage, liability, expense or action; provided , however , that the Company shall not be liable to any Investor in any such case for any such loss, claim, damage, liability, expense or action to the extent that it arises out of or is based upon a Violation which occurs in reliance upon and in conformity with written information furnished expressly for use in connection with such registration by such Investor or any Affiliate, officer, director, partner or controlling person thereof.

(b) Indemnity by Investors . In connection with any registration statement in which any Investor is participating, the participating Investor(s) will furnish to the Company in writing such reasonably necessary information and affidavits as the Company reasonably requests for use in connection with any such registration statement or prospectus and, to the extent permitted by law, will indemnify the Company, its directors and officers and each Person who controls the Company (within the meaning of the Securities Act or Exchange Act) against any losses, claims, damages, liabilities and expenses resulting from any Violation, but only to the extent that such Violation is contained in any information or affidavit so furnished in writing to the Company by such Investor stated to be specifically for use in such registration statement or prospectus (the furnishing of such reasonably necessary information or affidavit by the Investor being a condition precedent to the Company's obligation to cause the registration statement to become effective); provided , that the obligation to indemnify will be several and not joint with any other Person and will be limited to the net amount received by the Investor from the sale of Shares, pursuant to such registration statement.

(c) Notice; Right to Defend . Promptly after receipt by an indemnified party under this Section 3.2 of notice of the commencement of any action (including any governmental action), such indemnified party will, if a claim in respect thereof is to be made against any indemnifying party under this Section 3.2, deliver to the indemnifying party a written notice of the commencement thereof and the indemnifying party shall have the right to participate in, and, if the indemnifying party agrees in writing that it will be responsible for any costs, expenses, judgments, damages and losses incurred by the indemnified party with respect to such claim, jointly with any other indemnifying party similarly noticed, to assume the defense thereof with counsel mutually satisfactory to the parties; provided , however , that an indemnified party shall have the right to retain its own counsel, with the fees and expenses to be paid by the indemnifying party, if the indemnified party reasonably believes that representation of such indemnified party by the counsel retained by the indemnifying party would be inappropriate due to actual or potential differing interests between such indemnified party and any other party represented by such counsel in such proceeding. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall relieve such indemnifying party of any liability to the indemnified party under this Section 3.2 only if and to the extent that such failure is prejudicial to its ability to defend such action, and the omission so to deliver written notice to the indemnifying party will not relieve it of any liability that it may have to any indemnified party other than under this Section 3.2.

(d) Contribution . If the indemnification provided for in this Section 3.2 is held by a court of competent jurisdiction to be unavailable to an indemnified party with respect to any loss, liability, claim, damage or expense referred to therein, then the indemnifying party, in lieu of indemnifying such indemnified party thereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such loss, liability, claim, damage or expense in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of the indemnified party on the other hand in connection with the statements or omissions which resulted in such loss, liability, claim, damage or expense as well as any other relevant equitable considerations. The relative fault of the indemnifying party and the indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. Notwithstanding the foregoing, the amount an Investor shall be obligated to contribute pursuant to this Section 3.2(d) shall be limited to an amount equal to the proceeds to the Investor of the Shares sold pursuant to the registration statement which gives rise to such obligation to contribute (less the aggregate amount of any damages which the Investor has otherwise been required to pay in respect of such loss, claim, damage, liability or action or any substantially similar loss, claim, damage, liability or action arising from the sale of such Shares).

(e) Survival of Indemnity . The indemnification provided by this Section 3.2 shall be a continuing right to indemnification and shall survive the registration and sale of any securities by any Person entitled to indemnification hereunder and the expiration or termination of this Agreement.

3.3 Rule 144 . In order to permit each Investor to sell the Shares it holds, if it so desires, from time to time pursuant to Rule 144 promulgated by the Commission or any successor to such rule or any other rule or regulation of the Commission that may at any time permit each Investor to sell its Shares to the public without registration ("Resale Rules"), the Company will:

(a) comply with all rules and regulations of the Commission applicable in connection with use of the Resale Rules;

(b) make and keep adequate and current public information available, as those terms are understood and defined in the Resale Rules, at all times;

(c) file with the Commission in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act;

(d) furnish to each Investor so long as it owns any Shares, forthwith upon request (i) a written statement by the Company that it has complied with the reporting requirements of the Resale Rules, the Securities Act and the Exchange Act, (ii) a copy of the most recent annual or quarterly report of the Company and any other reports and documents so filed by the Company, and (iii) such other information as may be reasonably requested in availing an Investor of any rule or regulation of the Commission which permits the selling of any such Shares without registration; and

(e) take any action (including cooperating with each Investor to cause the transfer agent to remove any restrictive legend on certificates evidencing the Shares) as shall be reasonably requested by the Investor or which shall otherwise facilitate the sale of Shares from time to time by the Investor pursuant to the Resale Rules.

3.4 Investor Status and Responsibilities . Each Investor acknowledges the limitations that may be imposed upon the Investor under Section 10 of the Exchange Act and the rules and regulations thereunder in connection with the Investor's sale or transfer of Shares and agrees to sell or transfer any such shares only subject to any such applicable limitations.

3.5 Limitations on Other Registration Rights . Except as otherwise set forth in this Agreement, the Company shall not, without the prior written consent of each Investor include in any registration in which an Investor has a right to participate pursuant to this Agreement any securities of any Person.

3.6 Piggyback Registration Rights . Nothing contained in this Agreement shall confer upon any holder of securities of the Company any right to include any or all of such holder's securities in a registration statement filed by the Company under the Securities Act for the sale of such securities for the Company's own account or in any registration statement filed on behalf of Investor pursuant to Article 2.

4. MISCELLANEOUS.

4.1 Appointment of Investor Representative . Each Investor hereby designates and appoints Rockmark as its attorney-in-fact, representative and agent (in such capacity, the "Investor Representative"), and Rockmark hereby accepts such designation and appointment. By such designation and appointment, each Investor authorizes the Investor Representative to act at the direction of and for and on behalf such Investor whenever any consent, approval or action is to be taken by or on behalf of the Investor under each of this Agreement, the Operating Agreement, the Fifth Amended and Restated Agreement of Limited Partnership of Strategic Hotel Capital Limited Partnership (the "Partnership Agreement "). Delivery to the Investor Representative of any amount, notice, document or instrument which is to be given, delivered or paid to any Investor pursuant to this Agreement or the Partnership Agreement shall be deemed to be (and shall be effective as) delivery to such Investor. The Company will effect the registration of such Shares under the Securities Act, in accordance with the remaining provisions of this Article 2.

(a) Company's Ability to Postpone . The Company shall have the privilege to postpone the filing of a registration statement under this Section 2.1 for a reasonable period of time (not exceeding 90 days) if the Company furnishes the Requesting Investor with a certificate signed by the Chairman of the Board or the Chief Executive Officer of the Company stating that, in its good faith judgment, the Company's board of directors has determined that effecting the registration at such time would adversely affect a material financing, acquisition, disposition of assets or shares, merger or other comparable transaction or would require the Company to make public disclosure of information the public disclosure of which would have a material adverse effect upon the Company. The Company shall only be entitled to exercise its rights under this Section 2.1(a) on one occasion during any 12-month period as to any Investor.

(b) Overhang Risk . If the managing underwriter for the Requesting Investor (and the other Investors pursuant to Section 2.3) advises that the number of Shares sought to be included in such registration would create an Overhang Risk, then the number of securities to be registered by the Investors participating in such registration shall be reduced to the number of Shares recommended by the managing underwriter as set forth in Section 2.1(e) below.

(c) Required Inclusion in Underwritten Offering . If a Demand Registration is an underwritten offering, the Requesting Investor shall (together with the Company as provided in Section 2.4(g) and the other Investors), enter into an underwriting agreement in customary and usual form with the underwriter or underwriters selected for such underwriting by the Requesting Investor.

(d) Number of Demand Registrations . Each of Whitehall 7 and Prudential Insurance shall be entitled to two Demand Registrations (such Demand Registrations being assignable to, and divisible among, any Person who is an "Investor" as defined in this Agreement), provided that such Investor continues to own at least $50 million of Securities (based on the Closing Price) on the date the registration is requested; provided , however , that in the event of a Proration, each Investor shall be entitled to one additional Demand Registration (which shall not be subject to such $50 million requirement). In the event of a Proration: (i) upon the expiration of the Selling Period, the Company shall be obligated to file an additional registration statement (which registration statement shall contain a current prospectus) relating to the Unincluded Securities; (ii) the Company shall use its reasonable efforts to effect the registration of the Unincluded Securities as promptly as practicable thereafter; and (iii) an Investor may withdraw its Unincluded Securities from such additional registration without cost or penalty at any time prior to the effective date of such additional registration statement.

(e) Limitation . If the number of securities to be registered in any Demand Registration is to be reduced as described in Section 2.1(b), then the amount of securities to be offered by the participating Investors shall be allocated pro rata among all participating investors on the basis of the number of securities such Investors have requested to be included in such Demand Registration.

(f) Black-Out Period . During the period beginning on either (x) the effective date of a Demand Registration or (y) the effective date of a registration statement filed pursuant to the exercise of registration rights granted to other holders of securities of the Company and ending 90 days thereafter (unless a shorter period is agreed to by the managing underwriter for such offering), each Investor agrees that it will not request that the Company register any of its Shares pursuant to this Article 2; provided , however , that the Company may only utilize clause (y) above to postpone an Investor's right to require the Company to file a registration statement under Section 2.1 on one occasion only as to each Demand Registration.

2.2 Option to Acquire . In the event that the Company has received a request for a Demand Registration from an Investor pursuant to Section 2.1, the Company or any non-Requesting Investor (in proportion to their percentage ownership of Shares) shall have the option, for a period of 30 days from the date of the Requesting Investor's request, to acquire all of the Shares sought to be included in a Demand Registration at a per share price equal to the average Closing Price of the Shares during the 20-day period beginning 10 days prior to receipt of the Investor's request and ending 10 days thereafter. The Requesting Investor shall have the absolute right to withdraw its request for a Demand Registration at any time prior to the expiration of such 20-day period. In the event that the Company or the non-requesting Investors elect not to purchase all of the Shares covered by the Investor's request, the Company shall proceed with the registration of the Shares pursuant to this Article 2.

2.3 Participation Rights of Other Investors . Whenever the Company shall be requested by an Investor pursuant to Section 2.1 to effect the registration of any of its Shares under the Securities Act, and the Company or a non-requesting Investor shall not have exercised its rights under Section 2.2, the Company shall:

(a) promptly (but not later than 10 days after such request) give written notice of such proposed registration to the other Investors (which notice shall inform Investors that they have 15 days to notify the Company that they wish to participate in such registration and which notice shall also be sent to each investor pursuant to the Rockmark Registration Rights Agreement);

(b) as expeditiously as possible (but not later than 45 days after such request) file a registration statement under the Securities Act with respect to:

(1) those Shares which the Company has been requested to register pursuant to Section 2.1; and

(2) all other Shares (subject to Section 2.1(e)) held by the other Investors (including the investors requesting inclusion pursuant to Section 2.3(a)) included by such Investors in written request to the Company for registration thereof within 15 days after the Company has given written notice to such Investors; and

(c) use its reasonable efforts to effect such registration as quickly as practicable.

2.4 Registration Procedures . If and whenever the Company is required by any of the provisions of this Article 2 to effect the registration of any of the Shares under the Securities Act, the Company will (except as otherwise provided in this Agreement) use its reasonable efforts to as expeditiously as possible:

(a) prepare and file with the Commission a registration statement with respect to such securities and use its reasonable efforts to cause such registration statement to become effective and remain effective for as long as shall be necessary to complete the distribution of the Shares so registered;

(b) prepare and file with the Commission such amendments and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to keep such registration statement effective and to comply with the provisions of the Securities Act with respect to the sale or other disposition of all securities covered by such registration statement whenever the Investors shall desire to sell or otherwise dispose of the same;

(c) furnish to the Investors such numbers of copies of a summary prospectus or other prospectus, including a preliminary prospectus or any amendment or supplement to any prospectus, in conformity with the requirements of the Securities Act, and such other documents, as the Investors may reasonably request in order to facilitate the public sale or other disposition of the securities covered by such registration statement;

(d) use its reasonable efforts to register and qualify the securities covered by such registration statement under such other securities or blue sky laws of such jurisdictions as the Investors shall request, and do any and all other acts and things reasonably requested by the Investors to assist them to consummate the public sale or other disposition in such jurisdictions of the securities owned by the Investors, except that the Company shall not for any such purpose be required to qualify to do business as a foreign corporation in any jurisdiction wherein it is not so qualified or to file therein any general consent to service of process;

(e) otherwise use its reasonable efforts to comply with all applicable rules and regulations of the Commission, and make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least twelve months, beginning with the first fiscal quarter beginning after the effective date of the registration statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act;

(f) use its reasonable efforts to list such securities on any securities exchange or interdealer quotation system on which any shares of the Company are then listed, if the listing or quotation of such securities is then permitted under the rules of such exchange or interdealer quotation system;

(g) enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the managing underwriter or underwriters of such underwritten offering, including, without limitation, to obtain an opinion of counsel to the Company and a "comfort letter" from the independent public accountants to the Company in the usual and customary form for such underwritten offering;

(h) notify the Investors, at any time when a prospectus relating thereto covered by such registration statement is required to be delivered under the Securities Act, of the happening of any event of which it has knowledge as a result of which the prospectus included in such registration statement, as then in effect, contains an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing;

(i) with respect to a single Demand Registration by each Investor, make the Company's executive officers available for a total of five business days to participate in "road show" presentations in New York City, Boston, Philadelphia, Baltimore, Washington D.C. and Chicago and, with respect to any other Demand Registrations by an Investor, make the Company's executive officers available at the Company's principal executive offices to discuss the affairs of the Company at times that may be mutually and reasonably agreed upon; and

(j) upon the request of any Investor, take any and all other actions which may be reasonably necessary to complete the registration and thereafter to complete the distribution of the Shares so registered.

3. SHELF REGISTRATION RIGHTS.

3.1 Shelf Registration . Beginning on June 30, 2005, the Company shall file and use its reasonable efforts to continuously maintain a registration statement relating to the resale of the Investors' Shares pursuant to Rule 415 under the Securities Act. Any Investor shall be entitled, upon 15 days' prior written notice to the Company and each other Investor, to sell such number of Shares as are then registered pursuant to such registration statement (each a "Shelf Takedown"). The selling Investor shall also give the Company and each other Investor prompt written notice of the consummation of such Shelf Takedown. The selling Investor shall also give the Company and each other Investor prompt written notice of the consummation of such Shelf Takedown. No Investor shall have the right to cause the Company to register its Shares under this Section 3.1 if the number of Shares requested to be so registered may be immediately sold pursuant to the Resale Rules.

(a) Company's Ability to Postpone . The Company shall have the privilege to postpone, on one occasion only as to each Shelf Registration to which a party is entitled, each filing of a registration statement under this Section 3.1 and each proposed Shelf Takedown by an Investor under an effective Shelf Registration, for a reasonable period of time (not exceeding 90 days) if the Company furnishes the Investor with a certificate signed by the Chairman of the Board or the Chief Executive Officer of the Company stating that, in its good faith judgment, the Company's board of directors has determined that effecting the registration at such time would adversely affect a material financing, acquisition, disposition of assets or stock, merger or other comparable transaction or would require the Company to make public disclosure of information the public disclosure of which would have a material adverse effect upon the Company; provided , however , that notwithstanding anything herein to the contrary, the Company shall only be entitled to exercise its rights under this Section 3.1(a) on one occasion during any 12-month period as to any Investor.

(b) Overhang Risk . If a Shelf Takedown is an underwritten offering and the managing underwriter for the Requesting Investor (and the other Investors pursuant to Section 3.2) advises that the number of Shares sought to be included in such underwritten Shelf Takedown would create an Overhang Risk, then the number of securities to be registered by the Investors participating in such registration shall be reduced to the number of Shares recommended by the managing underwriter as set forth in Section 3.1(d) below.

(c) Required Inclusion in Underwritten Offering . If a Shelf Takedown is an underwritten offering, the Requesting Investor shall (together with Company as provided in Section 3.3(g) and the other Investors), enter into an underwriting agreement in customary and usual form with the underwriter or underwriters selected for such underwriting by the Requesting Investor.

(d) Limitation . If the number of securities proposed to be sold in a Shelf Takedown is to be reduced as described in Section 3.1(b), then the amount of securities to be offered by the participating Investors shall be allocated pro rata among the all participating Investors on the basis of the number of securities such Investors have requested to be included in such Shelf Takedown.

3.2 Participating Rights of Other Investors . Whenever the Company shall be requested by an Investor pursuant to Section 3.1 to effect the Shelf Takedown of any of its Shares under the Securities Act, the Company shall:

(a) promptly (but not later than 5 days after such request) give written notice of such proposed Shelf Takedown to the other Investors (which notice shall inform Investors that they have 5 days to notify the Company that they wish to participate in such Shelf Takedown and which notice shall also be sent to each investor pursuant to the Rockmark Registration Rights Agreement); and

(b) use its reasonable efforts to include all other Shares (subject to Section 3.1(d)) held by the other Investors requesting inclusion pursuant to Section 3.2(a) included in such Shelf Takedown.

3.3 Registration Procedures . If and whenever the Company is required by any of the provisions of this Article 3 to use its reasonable efforts to effect the registration of any of the Shares pursuant to Rule 415 under the Securities Act, the Company shall:

(a) prepare and file with the Commission a registration statement with respect to such securities and use its reasonable efforts to cause such registration statement to become effective and remain effective for as long as shall be necessary to complete the distribution of the Shares so registered;

(b) prepare and file with the Commission such amendments and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to keep such registration statement effective for so long as shall be necessary to complete the distribution of the Shares so registered and to comply with the provisions of the Securities Act with respect to the sale or other disposition of all securities covered by such registration statement whenever the Investor shall desire to sell or otherwise dispose of the same;

(c) furnish to the Investor such numbers of copies of such registration statement, each amendment and supplement thereto, the prospectus included in such registration statement, including any preliminary prospectus, and any amendments or supplement thereto, and such other documents, as the Investor may reasonably request in order to facilitate the sale or other disposition of the Shares owned by the Investor;

(d) use its reasonable efforts to register and qualify the securities covered by such registration statement under such other securities or blue sky laws of such jurisdictions as the Investor shall reasonably request, and do any and all other acts and things reasonably requested by the Investor to assist the Investor to consummate the sale or other disposition in such jurisdictions of the securities owned by the Investor, except that the Company shall not for any such purpose be required to qualify to do business as a foreign corporation in any jurisdiction wherein it is not so qualified or to file therein any general consent to service of process;

(e) otherwise use its reasonable efforts to comply with all applicable rules and regulations of the Commission, and make available to its security holders, as soon as reasonably practicable, an earnings statement covering the period of at least twelve months, beginning with the first fiscal quarter beginning after the effective date of the registration statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act;

(f) use its reasonable efforts to list such securities on any securities exchange or interdealer quotation system on which any stock of the Company is then listed, if the listing or quotation of such securities is then permitted under the rules of such exchange or interdealer quotation system;

(g) if the Investor intends to dispose of its securities through an underwritten public offering, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the managing underwriter or underwriters of such underwritten offering, including, without limitation, to obtain an opinion of counsel to the Company and a "comfort letter" from the independent public accountants to the Company in the usual and customary form for such underwritten offering;

(h) notify the Investor, at any time when a prospectus relating to such registration statement is required to be delivered under the Securities Act, of the happening of any event of which it has knowledge as a result of which the prospectus included in such registration statement, as then in effect, contains an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing;

(i) with respect to a single Shelf Takedown, in the form of an underwritten offering by each Investor, make the Company's executive officers available for a total of five business days to participate in "road show" presentations in New York City, Boston, Philadelphia, Baltimore, Washington, D.C. and Chicago, and with respect to any other underwritten Shelf Takedowns by an Investor, make the Company's executive officers available at the Company's principal executive offices to discuss the affairs of the Company at times that may be mutually and reasonably agreed upon; and

(j) upon the request of the Investor, take any and all other actions which may be reasonably necessary to complete the registration and thereafter to complete the distribution of the Shares so registered.

3.3 Dribble Out . From and after the time that an Investor's Shares are registered under an effective registration statement under this Article 3, such Investor shall not in any calendar quarter sell, transfer or assign through the facilities of any exchange or quotation system on which the Shares are then listed or quoted a number of Shares to another Person if the aggregate number of Shares so sold, transferred or assigned in such calendar quarter would exceed 5% of the Shares of the Company then outstanding. The foregoing provisions of this Section 3.3 shall not restrict a block (as defined pursuant to Rule 10b-18(a)(5) under the Exchange Act) sale of the Investor's Shares, the transfer of Shares to an Affiliate or any sale of Shares by the Investor pursuant to an underwritten offering.

3.4 Black-Out Period . During the period beginning on the date of each subsequently filed prospectus or prospectus supplement with respect to a Shelf Takedown in the form of an underwritten offering and ending 90 days thereafter (unless a shorter period is agreed to by the managing underwriter for such offering), each Investor agrees that it will not request that the Company register any of its Shares pursuant to this Article 3. The Company may postpone, on one occasion only, each filing of a registration statement under this Article 3 if registration rights granted pursuant to any other holders of securities of the Company have been exercised and the distribution thereto not completed. The period during which the Company may postpone such filing shall commence on the date such registration rights have been commenced and shall terminate 90 days after the effective date of such registration statement; provided , however , that the Company may only utilize this provision to postpone an Investor's right to require the Company to file a registration statement under this Article 3 on one occasion as to each Shelf Registration.

4. PROVISIONS APPLICABLE TO REGISTRATION RIGHTS.

4.1 Expenses .

(a) Except as set forth in Section 4.1(b), the expenses specified in the following sentence incurred in any Shelf Registration or Demand Registration (or any attempted Shelf Registration or Demand Registration that is not consummated) of an Investor's Shares under this Agreement shall be paid by the Investor. The expenses referred to in the preceding sentence shall be limited to underwriters' discounts or commissions or fees or fees of placement agents, the expenses of printing and distributing the registration statement and the prospectus used in connection therewith and any amendment or supplement thereto, fees and disbursements of counsel for the Investor.

(b) All other expenses incurred in any Shelf Registration or Demand Registration (or any attempted Shelf Registration or Demand Registration that is not consummated) shall be paid by the Company, including, without limitation, (i) the expenses of its internal counsel (and/or, if the Company chooses, its outside counsel) including fees and expenses related to the preparation of the registration statement and the prospectus used in connection therewith and any amendment or supplement thereto, (ii) any necessary accounting expenses, including any special audits which shall be necessary to comply with governmental requirements in connection with any such registration, including the expense related to any comfort letters and (iii) expenses of complying with the securities or blue sky laws of any jurisdictions.

4.2 Indemnification . In the event any Investor's Shares are included in a registration statement under Article 2 or Article 3:

(a) Indemnity by Company . Without limitation of any other indemnity provided to an Investor, to the extent permitted by law, the Company will indemnify and hold harmless each Investor, the Affiliates, officers, directors and partners of each Investor, each underwriter (as defined in the Securities Act), and each Person, if any, who controls an Investor or underwriter (within the meaning of the Securities Act), against any losses, claims, damages, liabilities and expenses (joint or several) to which they may become subject under the Securities Act, the Exchange Act or other federal or state law, insofar as such losses, claims, damages, liabilities and expenses (or actions in respect thereof) arise out of or are based upon any of the following statements, omissions or violations (collectively a "Violation"): (i) any untrue statement or alleged untrue statement of a material fact contained in such registration statements (including any preliminary prospectus or final prospectus contained therein or any amendments or supplements thereto), (ii) the omission or alleged omission to state therein a material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, or (iii) any other violation or alleged violation by the Company of the Securities Act, the Exchange Act, any state securities law or any rule or regulation promulgated under the Securities Act, the Exchange Act or any state securities law, and the Company will reimburse each Investor and its Affiliates, officers, directors or partners, underwriter and controlling person for any reasonable legal or other expenses incurred by them in connection with investigating or defending any such loss, claim, damage, liability, expense or action; provided , however , that the Company shall not be liable to any Investor in any such case for any such loss, claim, damage, liability, expense or action to the extent that it arises out of or is based upon a Violation which occurs in reliance upon and in conformity with written information furnished expressly for use in connection with such registration by such Investor or any Affiliate, officer, director, partner or controlling person thereof.

(b) Indemnity by Investors . In connection with any registration statement in which any Investor is participating, the participating Investor(s) will furnish to the Company in writing such reasonably necessary information and affidavits as the Company reasonably requests for use in connection with any such registration statement or prospectus and, to the extent permitted by law, will indemnify the Company, its directors and officers and each Person who controls the Company (within the meaning of the Securities Act or Exchange Act) against any losses, claims, damages, liabilities and expenses resulting from any Violation, but only to the extent that such Violation is contained in any information or affidavit so furnished in writing to the Company by such Investor stated to be specifically for use in such registration statement or prospectus (the furnishing of such reasonably necessary information or affidavit by the Investor being a condition precedent to the Company's obligation to cause the registration statement to become effective); provided , that the obligation to indemnify will be several and not joint with any other Person and will be limited to the net amount received by the Investor from the sale of Shares, pursuant to such registration statement.

(c) Notice; Right to Defend . Promptly after receipt by an indemnified party under this Section 4.2 of notice of the commencement of any action (including any governmental action), such indemnified party will, if a claim in respect thereof is to be made against any indemnifying party under this Section 4.2, deliver to the indemnifying party a written notice of the commencement thereof and the indemnifying party shall have the right to participate in, and, if the indemnifying party agrees in writing that it will be responsible for any costs, expenses, judgments, damages and losses incurred by the indemnified party with respect to such claim, jointly with any other indemnifying party similarly noticed, to assume the defense thereof with counsel mutually satisfactory to the parties; provided , however , that an indemnified party shall have the right to retain its own counsel, with the fees and expenses to be paid by the indemnifying party, if the indemnified party reasonably believes that representation of such indemnified party by the counsel retained by the indemnifying party would be inappropriate due to actual or potential differing interests between such indemnified party and any other party represented by such counsel in such proceeding. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall relieve such indemnifying party of any liability to the indemnified party under this Section 4.2 only if and to the extent that such failure is prejudicial to its ability to defend such action, and the omission so to deliver written notice to the indemnifying party will not relieve it of any liability that it may have to any indemnified party other than under this Section 4.2.

(d) Contribution . If the indemnification provided for in this Section 4.2 is held by a court of competent jurisdiction to be unavailable to an indemnified party with respect to any loss, liability, claim, damage or expense referred to therein, then the indemnifying party, in lieu of indemnifying such indemnified party thereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such loss, liability, claim, damage or expense in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of the indemnified party on the other hand in connection with the statements or omissions which resulted in such loss, liability, claim, damage or expense as well as any other relevant equitable considerations. The relative fault of the indemnifying party and the indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. Notwithstanding the foregoing, the amount an Investor shall be obligated to contribute pursuant to this Section 4.2(d) shall be limited to an amount equal to the proceeds to the Investor of the Shares sold pursuant to the registration statement which gives rise to such obligation to contribute (less the aggregate amount of any damages which the Investor has otherwise been required to pay in respect of such loss, claim, damage, liability or action or any substantially similar loss, claim, damage, liability or action arising from the sale of such Shares).

(e) Survival of Indemnity . The indemnification provided by this Section 4.2 shall be a continuing right to indemnification and shall survive the registration and sale of any securities by any Person entitled to indemnification hereunder and the expiration or termination of this Agreement.

4.3 Rule 144 . In order to permit each Investor to sell the Shares it holds, if it so desires, from time to time pursuant to Rule 144 promulgated by the Commission or any successor to such rule or any other rule or regulation of the Commission that may at any time permit each Investor to sell its Shares to the public without registration ("Resale Rules"), the Company will:

(a) comply with all rules and regulations of the Commission applicable in connection with use of the Resale Rules;

(b) make and keep adequate and current public information available, as those terms are understood and defined in the Resale Rules, at all times;

(c) file with the Commission in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act;

(d) furnish to each Investor so long as it owns any Shares, forthwith upon request (i) a written statement by the Company that it has complied with the reporting requirements of the Resale Rules, the Securities Act and the Exchange Act, (ii) a copy of the most recent annual or quarterly report of the Company and any other reports and documents so filed by the Company, and (iii) such other information as may be reasonably requested in availing an Investor of any rule or regulation of the Commission which permits the selling of any such Shares without registration; and

(e) take any action (including cooperating with each Investor to cause the transfer agent to remove any restrictive legend on certificates evidencing the Shares) as shall be reasonably requested by the Investor or which shall otherwise facilitate the sale of Shares from time to time by the Investor pursuant to the Resale Rules.

4.4 Investor Status and Responsibilities . Each Investor acknowledges the limitations that may be imposed upon the Investor under Section 10 of the Exchange Act and the rules and regulations thereunder in connection with the Investor's sale or transfer of Shares and agrees to sell or transfer any such shares only subject to any such applicable limitations.

4.5 Limitations on Other Registration Rights . Except as otherwise set forth in this Agreement, the Company shall not, without the prior written consent of each Investor include in any registration in which an Investor has a right to participate pursuant to this Agreement any securities of any Person.

4.6 Piggyback Registration Rights . Nothing contained in this Agreement shall confer upon any holder of securities of the Company any right to include any or all of such holder's securities in a registration statement filed by the Company under the Securities Act for the sale of such securities for the Company's own account or in any registration statement filed on behalf of another Investor pursuant to Article 3.

5.3 Waivers . The failure of a party hereto at any time or times to require performance of any provision hereof shall in no manner affect its right at a later time to enforce the same. No waiver by a party of any condition or of any breach of any term, covenant, representation or warranty contained in this Agreement shall be effective unless in writing, and no waiver in any one or more instances shall be deemed to be a further or continuing waiver of any such condition or breach in other instances or a waiver of any other condition or breach of any other term, covenant, representation or warranty.

5.4 Counterparts . This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

5.5 Interpretation . Underscored references to Articles, Sections, Subsections, Exhibits or Schedules shall refer to those portions of this Agreement.

5.6 Governing Law . THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

5.7 Assignment . This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. 5.8 No Third Party Beneficiaries . This Agreement is solely for the benefit of the parties hereto and no provision of this Agreement shall be deemed to confer upon any third parties any remedy, claim, liability, reimbursement, cause of action or other right.

5.9 Severability . If any provision of this Agreement shall be held invalid, illegal or unenforceable, the validity, legality or enforceability of the other provisions hereof shall not be affected thereby, and there shall be deemed substituted for the provision at issue a valid, legal and enforceable provision as similar as possible to the provision at issue.

5.10 Entire Understanding . This Agreement sets forth the entire agreement and understanding of the parties hereto with respect to the matters set forth herein and supersedes any and all prior agreements, arrangements and understandings among the parties.

5.11 Specific Performance . Each of the parties acknowledges that the obligations undertaken by it pursuant to this Agreement are unique and that the other parties will not have an adequate remedy at law if it shall fail to perform any of its obligations hereunder, and each party therefore confirms that the right of each other party hereto to specific performance of the terms of this Agreement is essential to protect the rights and interests of such parties. Accordingly, in addition to any other remedies that the parties may have at law or in equity, each party shall have the right to have all obligations, covenants, agreements and other provisions of this Agreement specifically performed by each other party, and shall have the right to obtain preliminary and permanent injunctive relief to secure specific performance and to prevent a breach or contemplated breach of this Agreement by each other party.

5.12 Reorganization . In connection with any merger, consolidation, sale of all or substantially all of the Company's assets, the Company will use its best efforts to take such actions, or to cause the other party to such transaction to take such actions, to ensure that the parties hereto have, immediately after consummation of such transaction, substantially the same rights in respect of such other Person or the Company, as applicable, as they may have immediately prior to consummation of such transaction in respect of the Company under this Agreement.

To the extent permitted by applicable law, interest at the Default Rate shall be added to the Indebtedness, shall itself accrue interest at the same rate as the Loan and shall be secured by the Security Instrument. This paragraph shall not be construed as an agreement or privilege to extend the date of the payment of the Indebtedness, nor as a waiver of any other right or remedy accruing to Lender by reason of the occurrence of any Event of Default, and Lender retains its rights under the Note to accelerate and to continue to demand payment of the Indebtedness upon the happening of any Event of Default.

2.2.2 Method and Place of Payment .

(a) On each Payment Date, Borrower shall pay or cause to be paid to Lender interest accruing pursuant to the Note for the entire Interest Period during which said Payment Date shall occur.

All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

Section 2.4 Regulatory Change; Taxes .

2.4.1 Increased Costs . If, at any time prior to the first Securitization of the Loan, as a result of any Regulatory Change or compliance of Lender therewith, the basis of taxation of payments to Lender of the principal of or interest on the Loan is changed or Lender or the company Controlling Lender shall be subject to (i) any tax, duty, charge or withholding of any kind with respect to this Agreement (excluding federal taxation of the overall net income of Lender); or (ii) any reserve, special deposit or similar requirements relating to any extensions of credit or other assets of, or any deposits with or other liabilities, of Lender or any company Controlling Lender is imposed, modified or deemed applicable; or (iii) any other condition affecting loans to borrowers subject to LIBOR-based interest rates is imposed on Lender or any company Controlling Lender and Lender determines that, by reason thereof, the cost to Lender or any company Controlling Lender of making, maintaining or extending the Loan to Borrower is increased, or any amount receivable by Lender or any company Controlling Lender hereunder in respect of any portion of the Loan to Borrower is reduced, in each case by an amount deemed by Lender in good faith to be material (such increases in cost and reductions in amounts receivable being herein called **"Increased Costs"**), then Lender shall provide notice thereof to Borrower and Borrower agrees that it will pay to Lender upon Lender's written request such additional amount or amounts as will compensate Lender or any company Controlling Lender for such Increased Costs to the extent Lender determines that such Increased Costs are allocable to the Loan and provided that Lender is generally exercising rights similar to those set forth in this Section 2.4.1 against other borrowers similarly situated to Borrower. Lender will notify Borrower of any event occurring after the date hereof which will entitle Lender to compensation pursuant to this Section 2.4.1 as promptly as practicable after it obtains knowledge thereof and determines to request such compensation; provided , however , that, if Lender fails to deliver a notice within 90 days after the date on which an officer of Lender responsible for overseeing this Agreement knows or has reason to know of its right to additional compensation under this Section 2.4.1 , Lender shall only be entitled to additional compensation for any such Increased Costs incurred from and after the date that is 90 days prior to the date Borrower received such notice. If Lender requests compensation under this Section 2.4.1 , Borrower may, by notice to Lender, require that Lender furnish to Borrower a statement setting forth the basis for requesting such compensation and the method for determining the amount thereof, and a description as to why Section 2.4.5 is not applicable.

2.4.2 Special Taxes . At all times prior to the first Securitization of the Loan, Borrower shall make all payments hereunder free and clear of and without deduction for Special Taxes. If, at any time prior to the first Securitization of the Loan, Borrower shall be required by law to deduct any Special Taxes from or in respect of any sum payable hereunder or under any other Loan Document to Lender, (i) the sum payable shall be increased as may be necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.4.2) Lender receives an amount equal to the sum it would have received had no such deductions been made, (ii) Borrower shall make such deductions, and (iii) Borrower shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

2.4.3 Other Taxes . In addition, for all periods prior to the first Securitization of the Loan, Borrower agrees to pay any present or future stamp or documentary taxes or other excise or property taxes, charges, or similar levies which arise from any payment made hereunder, or from the execution, delivery or registration of, or otherwise with respect to, this Agreement, the other Loan Documents, or the Loan (hereinafter referred to as "**Other Taxes** ").

2.4.4 Indemnity . Borrower shall indemnify Lender for all periods prior to the first Securitization of the Loan, for the full amount of Special Taxes and Other Taxes (including any Special Taxes or Other Taxes imposed by any Governmental Authority on amounts payable under this Section 2.4.4) paid by Lender and any liability (including penalties, interest, and expenses) arising therefrom or with respect thereto, whether or not such Special Taxes or Other Taxes were correctly or legally asserted. This indemnification shall be made within thirty (30) days after the date Lender makes written demand therefor.

2.4.5 Change of Office . To the extent that changing the jurisdiction of Lender's applicable office would have the effect of minimizing Special Taxes, Other Taxes or Increased Costs, Lender shall use reasonable efforts to make such a change, provided that same would not otherwise be disadvantageous to Lender.

3.1.11 Reasonable Care . Beyond the exercise of reasonable care in the custody thereof, Lender shall have no duty as to any Account Collateral in its possession or control as agent therefor or bailee thereof or any income thereon or the preservation of rights against any person or otherwise with respect thereto. Lender shall be deemed to have exercised reasonable care in the custody and preservation of the Account Collateral in its possession if the Account Collateral is accorded treatment substantially equal to that which Lender accords its own property, it being understood that Lender shall not be liable or responsible for any loss or damage to any of the Account Collateral, or for any diminution in value thereof, by reason of the act or omission of Lender, its Affiliates, agents, employees or bailees, except to the extent that such loss or damage results from Lender's gross negligence or willful misconduct. In no event shall Lender be liable either directly or indirectly for losses or delays resulting from any event which may be the basis of an Excusable Delay, computer malfunctions, interruption of communication facilities, labor difficulties or other causes beyond Lender's reasonable control or for indirect, special or consequential damages except to the extent of Lender's gross negligence or willful misconduct. Notwithstanding the foregoing, Borrower acknowledges and agrees that (i) Lender does not have custody of the Account Collateral, (ii) Cash Management Bank has custody of the Account Collateral, (iii) the initial Cash Management Bank was chosen by Borrower and (iv) Lender has no obligation or duty to supervise Cash Management Bank or to see to the safe custody of the Account Collateral.

3.1.12 Lender's Liability . (a) Lender shall be responsible for the performance only of such duties with respect to the Account Collateral as are specifically set forth in this Section 3.1 or elsewhere in the Loan Documents, and no other duty shall be implied from any provision hereof. Lender shall not be under any obligation or duty to perform any act with respect to the Account Collateral which would cause it to incur any expense or liability or to institute or defend any suit in respect hereof, or to advance any of its own monies. Borrower shall indemnify and hold Lender, its employees and officers harmless from and against any loss, cost or damage (including, without limitation, reasonable attorneys' fees and disbursements) incurred by Lender in connection with the transactions contemplated hereby with respect to the Account Collateral (excluding losses on Permitted Investments) except as such may be caused by the gross negligence or willful misconduct of Lender, its employees, officers or agents.

(b) Lender shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper, document or signature believed by it in good faith to be genuine, and, in so acting, it may be assumed that any person purporting to give any of the foregoing in connection with the provisions hereof has been duly authorized to do so. Lender may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder and in good faith in accordance therewith.

3.1.13 Continuing Security Interest . This Agreement shall create a continuing security interest in the Account Collateral and shall remain in full force and effect until payment in full of the Indebtedness; provided , however , such security interest shall automatically terminate with respect to funds which were duly deposited into Borrower's Account in accordance with the terms hereof. Upon payment in full of the Indebtedness, this security interest shall automatically terminate without further notice from any party and Borrower shall be entitled to the return, upon its request, of such of the Account Collateral as shall not have been sold or otherwise applied pursuant to the terms hereof and Lender shall execute such instruments and documents as may be reasonably requested by Borrower to evidence such termination and the release of the Account Collateral.

Borrower represents and warrants that none of the Permitted Encumbrances will have a Material Adverse Effect. Borrower shall preserve its right, title and interest in and to the Property for so long as the Note remains outstanding and will warrant and defend same and the validity and priority of the Lien hereof from and against any and all claims whatsoever other than the Permitted Encumbrances.

4.1.7 No Bankruptcy Filing . Neither Borrower, Prime Lessee nor Operating Lessee has any material contingent liabilities, liabilities for delinquent taxes, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments that are known to Borrower and could reasonably be expected to have a Material Adverse Effect, except as referred to or reflected in said financial statements and operating statements. 4.1.19 Enforceability . The Loan Documents are not subject to any existing right of rescission, set-off, counterclaim or defense by Borrower, including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable (subject to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law)), and Borrower has not asserted any right of rescission, set-off, counterclaim or defense with respect thereto.

The current Leases are in full force and effect and to the Best of Borrower's Knowledge, there are no material defaults thereunder by either party (other than as expressly disclosed on the certified rent roll delivered to Lender or the Tenant estoppel certificates delivered to Lender in connection with the closing of the Loan) and there are no conditions that, with the passage of time or the giving of notice, or both, would constitute material defaults thereunder. No Rent has been paid more than one (1) month in advance of its due date, except as disclosed in the Tenant estoppel certificates delivered to Lender in connection with the closing of the Loan. There has been no prior sale, transfer or assignment, hypothecation or pledge by Borrower of any Lease or of the Rents received therein, which will be outstanding following the funding of the Loan, other than those being assigned to Lender concurrently herewith. The fair saleable value of Borrower's assets is and will, immediately following the making of the Loan, be greater than Borrower's probable liabilities, including the maximum amount of its contingent liabilities on its Debts as such Debts become absolute and matured. Borrower's assets do not and, immediately following the making of the Loan will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to, and does not believe that it will, incur Debt and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such Debt and liabilities as they mature (taking into account the timing and amounts of cash to be received by Borrower and the amounts to be payable on or in respect of obligations of Borrower).

(c) *Ground Lease Assignable* . After Lender complies with Section 15.2 of the Ground Lease, any sale of the Ground Lease and of the leasehold estate created thereby in any proceeding for the foreclosure of the Security Instrument shall be deemed to be a permitted sale, transfer or assignment of the Ground Lease and of the leasehold estate created thereby.

(d) *Default* . As of the date hereof, the Ground Lease is in full force and effect and no default has occurred under the Ground Lease and there is no existing condition which, but for the passage of time or the giving of notice, could result in a default under the terms of the Ground Lease.

(i) *Insurance Proceeds* . Under the terms of the Ground Lease and the Security Instrument, taken together, any related insurance and condemnation proceeds will be applied either to the repair or restoration of all or part of the Ground Lease Property, with Lender having the right to hold and disburse the proceeds as the repair or restoration progresses, or to the payment of the outstanding principal balance of the Loan together with any accrued interest thereon.

(j) *Subleasing* . The Ground Lease does not impose any restrictions on subleasing other than a "sublet in whole" as is more fully set forth in Article XIII of the Ground Lease.

4.1.46 TIC. The TIC Agreement is in full force and effect and no default has occurred and there is no condition existing which, but for the passage of time or the giving of notice, or both, could result in a default under the terms of the TIC Agreement. 4.1.47 Survival of Representations . Borrower agrees that all of the representations and warranties of Borrower set forth in Section 4.1 and elsewhere in this Agreement and in the other Loan Documents shall be deemed given and made as of the date of the funding of the Loan and survive for so long as any amount remains owing to Lender under this Agreement or any of the other Loan Documents by Borrower or Guarantor unless a longer survival period is expressly stated in a Loan Document with respect to a specific representation

or warranty, in which case, for such longer period. All representations, warranties, covenants and agreements made in this Agreement or in the other Loan Documents by Borrower shall be deemed to have been relied upon by Lender notwithstanding any investigation heretofore or hereafter made by Lender or on its behalf.

V. BORROWER COVENANTS

Section 5.1 Affirmative Covenants . From the Closing Date and until payment and performance in full of all obligations of Borrower under the Loan Documents or the earlier release of the Lien of this Agreement and the Security Instrument in accordance with the terms of this Agreement and the other Loan Documents, Borrower hereby covenants and agrees with Lender to comply with and to cause Prime Lessee and Operating Lessee to comply with, the following covenants, and in such connection, references in this Article V to Borrower shall alternatively mean Prime Lessee or Operating Lessee, as the context may require:

5.1.1 Performance by Borrower . Borrower shall observe, perform and fulfill each and every covenant, term and provision of each Loan Document executed and delivered by, or applicable to, Borrower, in accordance with the provisions of each Loan Document, and shall not enter into or otherwise suffer or permit any amendment, waiver, supplement, termination or other modification of any Loan Document executed and delivered by, or applicable to, Borrower, as applicable, without the prior written consent of Lender.

Subject to Borrower's right of contest pursuant to Section 7.3 , Borrower shall comply and cause the Property to be in compliance with all Legal Requirements applicable to the Borrower, Manager and the Property and the uses permitted upon the Property. Borrower shall do or cause to be done all things necessary to preserve, renew and keep in full force and effect its existence, rights, licenses, permits and franchises necessary to comply with all Legal Requirements applicable to it and the Property. There shall never be committed by Borrower, and Borrower shall not knowingly permit any other Person in occupancy of or involved with the operation or use of the Property to commit, any act or omission affording the federal government or any state or local government the right of forfeiture as against the Property or any part thereof or any monies paid in performance of Borrower's obligations under any of the Loan Documents. Borrower hereby covenants and agrees not to commit, knowingly permit or suffer to exist any act or omission affording such right of forfeiture. Borrower shall at all times maintain, preserve and protect all material franchises and trade names and preserve all the remainder of its property used in the conduct of its business and shall keep the Property in good working order and repair, and from time to time make, or cause to be made, all reasonably necessary repairs, renewals, replacements, betterments and improvements thereto, all as more fully set forth in the Security Instrument. 5.1.3 Litigation . Borrower shall give prompt written notice to Lender of any litigation or governmental proceedings pending or threatened in writing against Borrower which, if determined adversely to Borrower, would have a Material Adverse Effect.

5.1.4 Single Purpose Entity . (a) Borrower shall remain a Single Purpose Entity.

(b) Except as permitted by the Loan Documents, Borrower shall continue to maintain its own deposit account or accounts, separate from those of any Affiliate, with commercial banking institutions. None of the funds of Borrower will be commingled with the funds of any other Affiliate.

(c) To the extent that Borrower shares the same officers or other employees as any of its Affiliates, the salaries of and the expenses related to providing benefits to such officers and other employees shall be fairly allocated among such entities, and each such entity shall bear its fair share of the salary and benefit costs associated with all such common officers and employees.

(d) To the extent that Borrower jointly contracts with any of its Affiliates to do business with vendors or service providers or to share overhead expenses, the costs incurred in so doing shall be allocated fairly among such entities, and each such entity shall bear its fair share of such costs. To the extent that Borrower contracts or does business with vendors or service providers where the goods and services provided are partially for the benefit of any other Person, the costs incurred in so doing shall be fairly allocated to or among such entities for whose benefit the goods and services are provided, and each such entity shall bear its fair share of such costs. All material transactions between (or among) Borrower and any of its Affiliates shall be conducted on substantially the same terms (or on more favorable terms for Borrower) as would be conducted with third parties.

(e) To the extent that Borrower or any of its Affiliates have offices in the same location, there shall be a fair and appropriate allocation of overhead costs among them, and each such entity shall bear its fair share of such expenses.

(f) Borrower shall conduct its affairs strictly in accordance with its organizational documents, and observe all necessary, appropriate and customary corporate, limited liability company or partnership formalities, as applicable, including, but not limited to, obtaining any and all consents necessary to authorize actions taken or to be taken, and maintaining accurate and separate books, records and accounts, including, without limitation, payroll and intercompany transaction accounts.

5.1.5 Consents . If Borrower is a corporation, the board of directors of such Person may not take any action requiring the unanimous affirmative vote of 100% of the members of the board of directors unless all of the directors, including the Independent Directors, shall have participated in such vote if such vote relates to a Material Action (as such term is defined in the Borrower's organizational documents). If Borrower is a limited liability company, (a) if such Person is managed by a board of managers, the board of managers of such Person may not take any action requiring the unanimous affirmative vote of 100% of the members of the board of managers unless all of the managers, including the Independent Managers, shall have participated in such vote if such vote relates to a Material Action (as such term is defined in the Borrower's organizational documents), (b) if such Person is not managed by a board of managers, the members of such Person may not take any action requiring the affirmative vote of 100% of the members of such Person unless all of the members, including the Independent Members, shall have participated in such vote if such vote relates to a Material Action (as such term is defined in the Borrower's organizational documents). An affirmative vote of 100% of the directors, board of managers or members, as applicable, including without limitation the Independent Directors, of Borrower shall be required to (i) file a bankruptcy or insolvency petition or otherwise institute insolvency proceedings or to authorize Borrower to do so or (ii) file an involuntary bankruptcy petition against any Close Affiliate. Furthermore, Borrower's formation documents shall expressly state that for so long as the Loan is outstanding, Borrower shall not be permitted to (i) dissolve, liquidate, consolidate, merge or sell all or substantially all of Borrower's assets other than in connection with the repayment of the Loan or (ii) engage in any other business activity and such restrictions shall not be modified or violated for so long as the Loan is outstanding.

5.1.6 Access to Property . Borrower shall permit agents, representatives and employees of Lender and the Rating Agencies to inspect the Property or any part thereof during normal business hours on Business Days upon reasonable advance notice.

5.1.7 Notice of Default . Borrower shall promptly advise Lender (a) of any event or condition that has or is likely to have a Material Adverse Effect and (b) of the occurrence of any Default or Event of Default of which Borrower has knowledge.

5.1.8 Cooperate in Legal Proceedings . Borrower shall cooperate fully with Lender with respect to any proceedings before any court, board or other Governmental Authority which would reasonably be expected to affect in any material adverse way the rights of Lender hereunder or under any of the other Loan Documents and, in connection therewith, permit Lender, at its election, to participate in any such proceedings which may have a Material Adverse Effect.

5.1.9 Perform Loan Documents . Borrower shall observe, perform and satisfy all the terms, provisions, covenants and conditions of, and shall pay when due all costs, fees and expenses to the extent required, under the Loan Documents executed and delivered by, or applicable to, Borrower.

5.1.10 Insurance . (a) Borrower shall cooperate with Lender in obtaining for Lender the benefits of any Proceeds lawfully or equitably payable in connection with the Property, and Lender shall be reimbursed for any expenses incurred in connection therewith (including reasonable attorneys' fees and disbursements) out of such Proceeds.

(b) Borrower shall comply with all Insurance Requirements and shall not bring or keep or permit to be brought or kept any article upon any of the Property or cause or permit any condition to exist thereon which would be prohibited by any Insurance Requirement, or would invalidate insurance coverage required hereunder to be maintained by Borrower on or with respect to any part of the Property pursuant to Section 6.1 .

5.1.11 Further Assurances; Separate Notes . (a) Borrower shall execute and acknowledge (or cause to be executed and acknowledged) and deliver to Lender all documents, and take all actions, reasonably required by Lender from time to time to confirm the rights created or now or hereafter intended to be created under this Agreement and the other Loan Documents and any security interest created or purported to be created thereunder, to protect and further the validity, priority and enforceability of this Agreement and the other Loan Documents, to subject to the Loan Documents any property of Borrower intended by the terms of any one or more of the Loan Documents to be encumbered by the Loan Documents, or otherwise carry out the purposes of the Loan Documents and the transactions contemplated thereunder. At any time after the Closing Date, Borrower agrees that it shall, upon request, reasonably cooperate with Lender in connection with any request by Lender to reallocate the LIBOR Margin among the Notes or to sever the Note into two (2) or more separate substitute or component notes in an aggregate principal amount equal to the Principal Amount and to reapportion the Loan among such separate substitute notes, including, without limitation, by executing and delivering to Lender new substitute or component notes to replace the Note, amendments to or replacements of existing Loan Documents to reflect such severance and/or Opinions of Counsel with respect to such substitute or component notes, amendments and/or replacements, provided that Borrower shall bear no costs or expenses in connection therewith (other than administrative costs and expenses of Borrower and legal fees of counsel to the Borrower and Guarantor), and the holders of such substitute or component notes shall designate a lead lender or agent for such holders to whom Borrower may direct all communications with respect to the Loan. Any such substitute or component notes may have varying principal amounts and economic terms, provided , however , that (i) the maturity date of any such substitute or component notes shall be the same as the scheduled Maturity Date of the Note immediately prior to the issuance of such substitute notes, (ii) the substitute notes shall provide for amortization of the Principal Amount on a weighted average basis over a period not less than the amortization period provided under the Note, if any, immediately prior to the issuance of the substitute notes, (iii) the weighted average LIBOR Margin for the term of the substitute notes shall not exceed the LIBOR Margin under the Note immediately prior to the issuance of such substitute notes; and (iv) the economics of the Loan, taken as a whole, shall not change in a manner which is adverse to Borrower. Upon the occurrence and during the continuance of an Event of Default, Lender may apply payment of all sums due under such substitute notes in such order and priority as Lender shall elect in its sole and absolute discretion.

(b) No Securitization shall occur prior to March 1, 2007. Borrower further agrees that if, in connection with the Securitization, it is determined by the Rating Agencies that

a portion of the Securitization would not receive an "investment grade" rating unless the principal amount of the Loan were to be decreased and, as a result, the principal amount of the Loan is decreased, then (i) the Borrower shall take all actions as are necessary to effect the "resizing", including the reallocation of the LIBOR Margin of the Mezzanine Loan and the Loan, (ii) the Borrower shall cause the Mezzanine Borrower to comply with its agreements to effect a "resizing", and (iii) Lender shall on the date of the "resizing" of the Loan lend to the Mezzanine Borrower (by way of a reallocation of the principal amount of the Loan and the Mezzanine Loan) such additional amount equal to the amount of the principal reduction of the Loan (without Prepayment Fee or penalty) provided that Borrower and the Mezzanine Borrower execute and deliver any and all necessary amendments or modifications to the Loan Documents and the Mezzanine Loan Documents. In addition, Borrower and Lender agree that if, in connection with the Securitization, it is determined by the Rating Agencies that, if the principal amount of the Mezzanine Loan were to be decreased and, as a result the principal amount of the Loan were increased, more "investment grade" rated securities could be issued, then (i) if "resizing" to decrease the size of the Mezzanine Loan and increase the size of the Loan is provided for in the Mezzanine Loan Documents, each of them shall take all actions provided for in the documentation for the Loan as are necessary to effect the "resizing" of the Loan and the Mezzanine Loan, (ii) Borrower shall cause the Mezzanine Borrower to comply with its agreements to effect a "resizing" and (iii) Lender shall on the date of the "resizing" of the Loan lend to the Borrower (by way of a reallocation of the principal amount of the Loan and the Mezzanine Loan) an additional amount equal to the amount of principal reduction of the Mezzanine Loan, provided that Borrower and the Mezzanine Borrower execute and deliver any and all necessary modifications to the Loan Documents and Mezzanine Loan Documents. In connection with the foregoing, Borrower agrees, at Lender's sole cost and expense other than with respect to (1) Borrower's, Prime Lessee's, Operating Lessee's, the Guarantor's, each Ultimate Equity Owners' and their Affiliate's counsel fees and (2) if the principal amount of the Loan is increased, an endorsement to the Title Policy reflecting an increase in the insured amount thereunder which shall be at Borrower's sole cost and expense, to execute and deliver such documents and other agreements reasonably required by Mezzanine Lender and/or Lender to "re-size" the Loan and the Mezzanine Loan, including, without limitation, an amendment to this Agreement, the Note, the Security Instrument and the other Loan Documents. Borrower agrees to reimburse Lender for all costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) incurred by Lender in connection with any "resizing" of the Loan. Notwithstanding the foregoing, Lender agrees that any "resizing" of the Loan and the Mezzanine Loan shall not change the economics of the Loan and the Mezzanine Loan taken as a whole in a manner which is adverse to Borrower .

(c) In addition, Borrower shall, at Borrower's sole cost and expense:

(i) furnish to Lender, to the extent not otherwise already furnished to Lender and reasonably acceptable to Lender, all instruments, documents, boundary surveys, footing or foundation surveys, certificates, plans and specifications, appraisals, title and other insurance reports and agreements, and each and every other document, certificate, agreement and instrument required to be furnished by Borrower pursuant to the terms of the Loan Documents;

(ii) execute and deliver, from time to time, such further instruments (including, without limitation, delivery of any financing statements under the UCC) as may be reasonably requested by Lender to confirm the Lien of the Security Instrument on any Building Equipment, Operating Asset or any Intangible;

(iii) execute and deliver to Lender such documents, instruments, certificates, assignments and other writings, and do such other acts necessary to evidence, preserve and/or protect the collateral at any time securing or intended to secure the obligations of Borrower under the Loan Documents, as Lender may reasonably require;

(iv) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the carrying out of the terms and conditions of this Agreement and the other Loan Documents, as Lender shall reasonably require from time to time; and

(v) cause its New York counsel to re-issue the New York opinion delivered on the date hereof (in identical form and without updating) in favor of a trustee in a Securitization if such trustee is different that the trustee currently listed in such opinion.

5.1.12 Mortgage Taxes . Borrower shall pay all taxes, charges, filing, registration and recording fees, excises and levies payable with respect to the Note or the Liens created or secured by the Loan Documents, other than income, franchise and doing business taxes imposed on Lender.

Borrower shall, and shall cause Manager to, (i) promptly perform and/or observe all of the covenants and agreements required to be performed and observed by it under the Management Agreement and do all things necessary to preserve and to keep unimpaired its material rights thereunder; (ii) promptly notify Lender of any "event of default" under the Management Agreement of which it is aware; (iii) enforce in a commercially reasonable manner the performance and observance of all of the covenants and agreements required to be performed and/or observed by the Manager under the Management Agreement.

5.1.14 Business and Operations . Borrower shall continue to engage in the businesses presently conducted by it as and to the extent the same are necessary for the ownership, maintenance, management and operation of the Property. Borrower shall qualify to do business and shall remain in good standing under the laws of the State in which the Property is located and as and to the extent required for the ownership, maintenance, management and operation of the Property.

5.1.15 Title to the Property . Borrower shall warrant and defend (a) its title to the Property and every part thereof, subject only to Liens permitted hereunder (including Permitted Encumbrances) and (b) the validity and priority of the Liens of the Security Instrument, the Assignment of Leases and this Agreement on the Property, subject only to Liens permitted hereunder (including Permitted Encumbrances), in each case against the claims of all Persons whomsoever. Borrower shall reimburse Lender for any losses, costs, damages or expenses (including reasonable attorneys' fees and court costs) incurred by Lender if an interest in the Property, other than as permitted hereunder, is claimed by another Person.

5.1.16 Costs of Enforcement . In the event (a) that this Agreement or the Security Instrument is foreclosed upon in whole or in part or that this Agreement or the Security

Instrument is put into the hands of an attorney for collection, suit, action or foreclosure, (b) of the foreclosure of any security agreement prior to or subsequent to this Agreement in which proceeding Lender is made a party, or a mortgage prior to or subsequent to the Security Instrument in which proceeding Lender is made a party, or (c) of the bankruptcy, insolvency, rehabilitation or other similar proceeding in respect of Borrower or any of its constituent Persons or an assignment by Borrower or any of its constituent Persons for the benefit of its creditors, Borrower, its successors or assigns, shall be chargeable with and agrees to pay all costs of collection and defense, including reasonable attorneys' fees and costs, incurred by Lender or Borrower in connection therewith and in connection with any appellate proceeding or post-judgment action involved therein, together with all required service or use taxes.

5.1.17 Estoppel Statement . (a) Borrower shall, from time to time, upon thirty (30) days' prior written request from Lender, execute, acknowledge and deliver to the Lender, an Officer's Certificate, stating that this Agreement and the other Loan Documents are unmodified and in full force and effect (or, if there have been modifications, that this Agreement and the other Loan Documents are in full force and effect as modified and setting forth such modifications), stating the amount of accrued and unpaid interest and the outstanding principal amount of the Note and containing such other information, qualified to the Best of Borrower's Knowledge, with respect to the Borrower, the Property and the Loan as Lender shall reasonably request. The estoppel certificate shall also state either that no Default exists hereunder or, if any Default shall exist hereunder, specify such Default and the steps being taken to cure such Default.

(b) Borrower shall use commercially reasonable efforts to deliver to Lender, within thirty (30) days of Lender's request, tenant estoppel certificates from each Tenant under any Material Lease entered into after the Closing Date in substantially the form and substance of the estoppel certificate set forth in **Exhibit G** provided that Borrower shall not be required to deliver such certificates more frequently than one time in any calendar year; provided , however , that there shall be no limit on the number of times Borrower may be required to obtain such certificates if a Default hereunder or under any of the Loan Documents has occurred and is continuing.

5.1.18 Loan Proceeds . Borrower shall use the proceeds of the Loan received by it on the Closing Date only for the purposes set forth in Section 2.1.4 .

5.1.19 No Joint Assessment . Borrower shall not suffer, permit or initiate the joint assessment of the Property (a) with any other real property constituting a tax lot separate from the Property and (b) which constitutes real property with any portion of the Property which may be deemed to constitute personal property, or any other procedure whereby the lien of any taxes which may be levied against such personal property shall be assessed or levied or charged to such real property portion of the Property.

5.1.20 No Further Encumbrances . Borrower shall do, or cause to be done, all things necessary to keep and protect the Property and all portions thereof unencumbered from any Liens, easements or agreements granting rights in or restricting the use or development of the Property, except for (a) Permitted Encumbrances, (b) Liens permitted pursuant to the Loan Documents, (c) Liens for Impositions prior to the imposition of any interest, charges or expenses for the non-payment thereof and (d) any Liens permitted pursuant to Leases.

5.1.21 Leases . Borrower shall promptly after receipt thereof deliver to Lender a copy of any notice received with respect to any Material Lease claiming that Borrower is in default in the performance or observance of any of the material terms, covenants or conditions of any of the Material Leases, if such default is reasonably likely to have a Material Adverse Effect.

5.1.24 Qualified Intermediary. Prior to consummation of the Exchange, Qualified Intermediary shall not pledge its indirect interests in Borrower, except as permitted by the terms of this Agreement and the Exchange Documents.

5.1.25 TIC. (a) Borrower will: (i) promptly perform and observe all of the covenants, agreements, obligations and conditions required to be performed and observed by Borrower under the TIC Agreement, and do all things necessary to preserve and keep unimpaired its rights thereunder; (ii) promptly notify Lender in writing of the receipt by any Co- Borrower of any notice (other than notices customarily sent on a regular periodic basis) from any party under the TIC Agreement and of any notice noting or claiming any default by any party to the TIC Agreement in the performance or observance of any of the terms, covenants, or conditions on the part of Borrower to be performed or observed under the TIC Agreement; (iii) promptly notify Lender in writing of the receipt by any party to the TIC Agreement of any notice from any party to the TIC Agreement of any alleged termination of the TIC Agreement and promptly cause a copy of each such notice to be delivered to Lender; and (iv) promptly notify Lender in writing of any request made by any party to the TIC Agreement to any other party thereto for arbitration or appraisal proceedings pursuant to the TIC Agreement, and of the institution of any arbitration or appraisal proceedings and promptly deliver to Lender a copy of the determination of the arbitrators or appraisers in each such proceeding. Borrower shall deliver to Lender such certificate within ten (10) days after Lender's demand therefor. Each of the Co-Borrowers, as owners in indivision, shall at all times share one centralized address for notice and one centralized address for service of process, which common service of process address and notice address are as set forth in Section 19.3 and Section 19.6 hereof (and which common service of process address and notice address may be changed by Borrower from time to time in accordance with the provisions of Section 19.3 and Section 19.6 respectively).

(b) Borrower will not surrender the TIC Agreement or its estate and interest therein, nor terminate or cancel the TIC Agreement; and (except for modifications or amendments made in connection with permitted Transfers under Article VIII solely to reflect such transfers of interests) Borrower will not, without the prior written consent of Lender, modify, change, supplement, alter or amend the TIC Agreement (except for modifications or amendments made in connection with permitted Transfers under Article VIII solely to reflect such transfers of interests), either orally or in writing, and as further security for the repayment of the Debt and for the performance of the covenants, agreements, obligations and conditions herein and in the TIC Agreement contained, each Co-Borrower hereby pledges and assigns to Lender all of its rights, privileges and prerogatives as a party to the TIC Agreement, including, without limitation, any and all rights of first refusal (including those which arise under Section 363(i) of the Bankruptcy Code), any options to purchase and similar rights (provided, however, the foregoing shall not be deemed to limit or restrict any Co-Borrower's right to exercise any such rights or options in order to effect transfers otherwise permitted by Article VIII) as well as rights to terminate, cancel, modify, change, supplement, alter or amend the TIC Agreement (except as provided above), and any such termination, cancellation, modification, change, supplement, alteration or amendment of the TIC Agreement (except as provided above), without the prior written consent thereto by Lender, shall be void and of no force and effect. Lender may immediately pay and expend such sums of money (notwithstanding any cure periods applicable to acceleration of the Note or exercise of remedies provided for herein) as Lender, in its sole discretion, deems necessary to prevent or cure any such default by any party to the TIC

Agreement, and Borrower hereby agrees to pay to Lender, upon not less than ten (10) business days' notice, all such sums so paid and expended by Lender, together with interest thereon from the date of each such payment at the Default Rate. 5.1.26 Fountain . Within six (6) months of the date of this Agreement, Borrower shall provide Lender with all plans, drawings, cost estimations and all other documentation as may be required by Lender (acting reasonably) relating to all works proposed by Borrower and/or Operating Lessee in respect of the Fountain.

From the Closing Date until payment and performance in full of all Obligations of Borrower under the Loan Documents or the earlier release of the Lien of this Agreement or the Security Instrument in accordance with the terms of this Agreement and the other Loan Documents, Borrower hereby covenants and agrees with Lender that it will not do (and will not permit Prime Lessee or Operating Lessee to do), or permit to be done, directly or indirectly, any of the following (and in such connection, references in this Article V to Borrower shall alternatively mean Prime Lessee or Operating Lessee, as the context may require):

5.2.1 Incur Debt . Incur, create or assume (or permit Prime Lessee or Operating Lessee to incur, create or assume) any Indebtedness other than Permitted Debt or Transfer all or any part of the Property or any interest therein, except as permitted in the Loan Documents;

Without the receipt of a Rating Agency Confirmation, Borrower shall be permitted to make any nonmaterial modification, change, supplement, alteration or amendment to the Management Agreement and to waive any nonmaterial rights thereunder, provided that no such modification, change, supplement, alteration, amendment or waiver shall affect the cash management procedures set forth in the Management Agreement or the Loan Documents, decrease the cash flow of the Property, adversely affect the marketability of the Property, change the definitions of "default" or "event of default," change the definitions of "operating expense" or words of similar meaning to add additional items to such definitions, change any definitions or provisions so as to reduce the payments due the Borrower thereunder, change the timing of remittances to the Borrower thereunder, increase or decrease reserve requirements, change the term of the Management Agreement or increase any Management Fees payable under the Management Agreement.

Section 5.3 Ground Lease Provisions .

Notwithstanding any other provision of this Agreement or any other Loan Document to the contrary, Borrower hereby warrants, covenants, represents and agrees as to the Ground Lease as follows:

(a) **The Ground Lease .** Borrower shall (i) pay all rents, additional rents and other sums required to be paid by Borrower as tenant under and pursuant to the provisions of the Ground Lease as and when such rent or other charge is payable, (ii) diligently perform and observe all of the terms, covenants and conditions of the Ground Lease on the part of Borrower, as tenant thereunder, to be performed and observed at least three (3) days prior to the expiration of any applicable grace period therein provided, and (iii) promptly notify Lender of the giving of any written notice by the lessor under the Ground Lease to Borrower of any default by Borrower in the performance or observance of any of the terms, covenants or conditions of the Ground Lease on the part of Borrower, as tenant thereunder, to be performed or observed and deliver to Lender a true copy of each such notice. Borrower shall not, without the prior consent of Lender, surrender the leasehold estate created by any Ground Lease or terminate or cancel the Ground Lease or modify, change, supplement, alter or amend the Ground Lease, either orally or in writing, and Borrower hereby assigns to Lender, as further security for the payment of the Indebtedness and for the performance and observance of the terms, covenants and conditions of

the Security Agreement and this Agreement, all of the rights, privileges and prerogatives of Borrower, as tenant under the Ground Lease, to surrender the leasehold estate created by the Ground Lease or to terminate, cancel, modify, change, supplement, alter or amend the Ground Lease and any such surrender of the leasehold estate created by the Ground Lease or termination, cancellation, modification, change, supplement, alteration or amendment of the Ground Lease without the prior consent of Lender shall be void and of no force and effect. If Borrower shall default in the performance or observance of any term, covenant or condition of the Ground Lease on the part of Borrower, as tenant thereunder, to be performed or observed, then, without limiting the generality of the other provisions of the Security Agreement and this Agreement and without waiving or releasing Borrower from any of its obligations hereunder, Lender shall have the right, but shall be under no obligation, to pay any sums and to perform any act or take any action as may be appropriate to cause all of the terms, covenants and conditions of the Ground Lease on the part of Borrower, as tenant thereunder, to be performed or observed or to be promptly performed or observed on behalf of Borrower, to the end that the rights of Borrower in, to and under the Ground Lease shall be kept unimpaired as a result thereof and free from default, even though the existence of such event of default or the nature thereof be questioned or denied by Borrower or by any party on behalf of Borrower. If Lender shall make any payment or perform any act or take action in accordance with the preceding sentence, Lender will give prior written notice thereof to Borrower before the making of any such payment, the performance of any such act, or the taking of any such action. In any such event, subject to the rights of tenants, subtenants and other occupants under the leases, Lender and any person designated as Lender's agent by Lender shall have, and are hereby granted, the right to enter upon the Ground Lease Property at any reasonable time, on reasonable notice and from time to time for the purpose of taking any such action. Lender may pay and expend such sums of money as Lender reasonably deems necessary for any such purpose and upon so doing shall be subrogated to any and all rights of the landlord under the Ground Lease. Borrower hereby agrees to pay to Lender within five (5) days after demand, all such sums so paid and expended by Lender, together with interest thereon from the day of such payment at the Default Rate. All sums so paid and expended by Lender and the interest thereon shall be secured by the legal operation and effect of the Security Agreement. If the lessor under any Ground Lease shall deliver to Lender a copy of any notice of default sent by said lessor to Borrower, as tenant under the Ground Lease, such notice shall constitute full protection to Lender for any action taken or omitted to be taken by Lender, in good faith, in reliance thereon. Borrower shall exercise each individual option, if any, to extend or renew the term of the Ground Lease upon demand by Lender made at any time within one (1) year of the last day upon which any such option may be exercised, and if Borrower shall fail to do so, Borrower hereby expressly authorizes and appoints Lender its attorney-in-fact to exercise any such option in the name of and upon behalf of Borrower, which power of attorney shall be irrevocable and shall be deemed to be coupled with an interest. Lender shall not require Borrower to exercise such option to extend or renew the term of the Ground Lease unless such option to extend or renew is, by the terms of the Ground Lease, exercisable within two (2) years of the Maturity Date. Borrower will not subordinate or consent to the subordination of any Ground Lease to any mortgage, security deed, lease or other interest on or in the landlord's interest in all or any part of the Ground Lease Property, unless, in each such case, the written consent of Lender shall have been first had and obtained, which approval shall not unreasonably be withheld, it being acknowledged by Lender that the Ground Lease in the form in effect as of the date hereof provides for such subordination.

(b) **Subleases .** Each Material Lease of any portion of the Ground Lease Property subject to the Ground Lease hereafter made and each renewal of any existing such Lease shall provide that, (i) in the event of the termination of the Ground Lease, the lease shall not terminate or be terminable by the tenant; (ii) in the event of any action for the foreclosure of the Security Agreement, the lease shall not terminate or be terminable by the subtenant by reason of the termination of the Ground Lease unless the tenant is specifically named and joined in any such action and unless a judgment is obtained therein against the tenant; and (iii) in the event that the Ground Lease is terminated as aforesaid, the tenant shall attorn to the landlord under the Ground Lease or to the purchaser at the sale of the Ground Lease Property on such foreclosure, as the case may be.

(c) **No Merger of Fee and Leasehold Estates; Releases .** So long as any portion of the Indebtedness shall remain unpaid, unless Lender shall otherwise consent, the fee title to the Ground Lease Property and the leasehold estate therein created pursuant to the provisions of the Ground Lease shall not merge but shall always be kept separate and distinct, notwithstanding the union of such estates in Borrower, Lender, or in any other person by purchase, operation of law or otherwise.

(d) **Borrower's Acquisition of Fee Estate .** In the event that Borrower, so long as any portion of the Indebtedness remains unpaid, shall be the owner and holder of the fee title to the Ground Lease Property subject to the Ground Lease, the Lien of the Security Agreement shall be spread to cover Borrower's fee title to the Ground Lease Property and said fee title shall be deemed to be included in the Ground Lease Property. Borrower agrees, at its sole cost and expense, including, without limitation, Lender's reasonable attorneys' fees, to (i) execute any and all documents or instruments necessary to subject its fee title to the Ground Lease Property to the lien of the Security Agreement; and (ii) provide a title insurance policy which shall insure that the lien of the Security Agreement is a first lien (subject to Permitted Encumbrances) on Borrower's fee title to the Ground Lease Property. Notwithstanding the foregoing, if the Ground Lease is for any reason whatsoever terminated prior to the natural expiration of its term, and if, pursuant to any provisions of the Ground Lease or otherwise, Lender or its designee shall acquire from the landlord thereunder another lease of the Ground Lease Property, Borrower shall have no right, title or interest in or to such other lease or the leasehold estate created thereby.

(e) **Rejection of the Ground Lease .** If the Ground Lease is terminated by the landlord thereunder for any reason in the event of the rejection or disaffirmance of the Ground Lease by the landlord thereunder pursuant to the Bankruptcy Code or any other law affecting creditor's rights, (i) Borrower, immediately after obtaining notice thereof, shall give notice thereof to Lender, (ii) Borrower, without the prior written consent of Lender, shall not elect to treat the Ground Lease as terminated pursuant to Section 365(h) of the Bankruptcy Code or any comparable federal or state statute or law, and any election by Borrower made without such consent shall be void and (iii) the Security Agreement and all the Lien, terms, covenants and conditions of the Security Agreement shall extend to and cover Borrower's possessory rights under Section 365(h) of the Bankruptcy Code and to any claim for damages due to the rejection of the Ground Lease or other termination of the Ground Lease. In addition, Borrower hereby assigns irrevocably to Lender, Borrower's rights to treat the Ground Lease as terminated pursuant to Section 365(h) of the Bankruptcy Code and to offset rents under the Ground Lease in

the event any case, proceeding or other action is commenced by or against the landlord under the Bankruptcy Code or any comparable federal or state statute or law, provided that Lender shall not exercise such rights and shall permit Borrower to exercise such rights with the prior written consent of Lender, not to be unreasonably withheld or delayed, unless an Event of Default shall have occurred and be continuing.

(i) Borrower hereby assigns to Lender Borrower's right to reject the Ground Lease under Section 365 of the Bankruptcy Code or any comparable federal or state statute or law with respect to any case, proceeding or other action commenced by or against Borrower under the Bankruptcy Code or comparable federal or state statute or law, provided the Lender shall not exercise such right, and shall permit Borrower to exercise such right with the prior written consent of Lender, not to be unreasonably withheld or delayed, unless an Event of Default shall have occurred and be continuing. Further, if Borrower shall desire to so reject the Ground Lease, at Lender's request, to the extent not prohibited by the terms of the Ground Lease and applicable law, Borrower shall assign its interest in the Ground Lease to Lender in lieu of rejecting the Ground Lease as described above, upon receipt by Borrower of written notice from Lender of such request together with Lender's agreement to cure any existing defaults of Borrower under the Ground Lease and to provide adequate assurance of future performance of Borrower's obligations thereunder.

(ii) Borrower hereby assigns to Lender Borrower's right to seek an extension of the 60-day period within which Borrower must accept or reject the Ground Lease under Section 365 of the Bankruptcy Code or any comparable federal or state statute or law with respect to any case, proceeding or other action commenced by or against Borrower under the Bankruptcy Code or comparable federal or state statute or law, provided the Lender shall not exercise such right, and shall permit Borrower to exercise such right with the prior written consent of Lender, not to be unreasonably withheld or delayed, unless an Event of Default shall have occurred and be continuing. Further, if Borrower shall desire to so reject the Ground Lease, at Lender's request, to the extent not prohibited by the terms of the Ground Lease and applicable law, Borrower shall assign its interest in the Ground Lease to Lender in lieu of rejecting such Ground Lease as described above, upon receipt by Borrower of written notice from Lender of such request together with Lender's agreement to cure any existing defaults of Borrower under the Ground Lease and to provide adequate assurance of future performance of Borrower's obligations thereunder.

(iii) Borrower hereby agrees that if the Ground Lease is terminated for any reason in the event of the rejection or disaffirmance of the Ground Lease pursuant to the Bankruptcy Code or any other law affecting creditor's rights, any property of Borrower not removed from the Ground Lease Property by Borrower as permitted or required by the Ground Lease, shall at the option of Lender be deemed abandoned by Borrower, provided that Lender may remove any such property required to be removed by Borrower pursuant to the Ground Lease and all reasonable out-of-pocket costs and expenses associated with such removal shall be paid by Borrower within five (5) days of receipt by Borrower of an invoice for such removal costs and expenses.

The amount of such insurance shall be (a) increased from time to time as and when the Rents increase or the estimates of (or the actual) gross revenue (minus estimated (or actual) variable costs which will no longer be incurred due to the business interruption) increases or (b) decreased from time to time to the extent Rents or the estimates of such gross revenue or variable costs decreases;

6.1.8 Terrorism Insurance . Provided that insurance coverage ("**Terrorism Insurance**") relating to the acts of terrorism is either (i) commercially available, (ii) commonly obtained by owners of commercial properties in the same geographic area as the Property and which are similar to the Property or (iii) maintained for another hotel property in the same geographic area as the Property which is at least 51% owned directly or indirectly by Ultimate Equity Owners, Borrower shall be required to carry Terrorism Insurance throughout the term of the Loan (including any extension terms) on a per occurrence basis in an amount equal to the Total Insurable Value, plus twelve (12) months business interruption insurance pursuant to the requirements of Section 6.1.4 above (the "**Required Terrorism Amount**"), with a maximum deductible of five percent (5%) of the Required Terrorism Amount, unless a greater deductible is approved by Lender in writing in its reasonable discretion); provided , however ; if Borrower maintains a Terrorism Insurance deductible of less than five percent (5%) of the Required Terrorism Amount, the Required Terrorism Amount may be reduced by the difference between (i) five percent (5%) of the Required Terrorism Amount and (ii) the actual amount of the Terrorism Insurance deductible. Notwithstanding the foregoing, Borrower shall at all times maintain Terrorism Insurance in an amount not less than that which can be purchased for a sum equal to $283,500, provided that Borrower shall not be obligated to purchase more than the Required Terrorism Amount. Lender agrees that Terrorism Insurance coverage may be provided under a blanket policy that is acceptable to Lender and that such coverage may cover foreign acts of terrorism for the Required Terrorism Amount and only $100,000,000 of Terrorism Insurance coverage with respect to domestic acts of terrorism.

Upon sixty (60) days' notice, such other reasonable types of insurance not covered in Sections 6.1.1 through 6.1.10 and in such reasonable amounts as Lender from time to time may reasonably require against such other insurable hazards (but not earthquake) which at the time are commonly insured against for property similar to the Property located in or around the region in which the Property is located and as may be reasonably required to protect Lender's interests.

6.1.12 Ratings of Insurers . Borrower shall maintain insurance coverage with one or more domestic primary insurers reasonably acceptable to Lender, having claims-paying-ability and financial strength ratings by S&P of not less than "A-" (and its equivalent by the other Rating Agencies); provided , however , such rating requirements will deemed to be satisfied if (A) the required insurance is provided by a syndicate of five (5) or more insurers with (i) at least sixty percent (60%) of the total coverage under such policies provided by carriers having claims-paying-ability and financial strength ratings by S&P of not less than "A-" (and its equivalent by the other Rating Agencies), (ii) at least thirty percent (30%) of the total coverage under such policies provided by carriers having claims-paying-ability and financial strength ratings by S&P of not less than "BBB+" (and its equivalent by the other Rating Agencies) (without duplication with the carriers having ratings by S&P of not less than "A-" (and its equivalent by the other Rating Agencies)), and (iii) the remaining ten percent (10%) of the total coverage under policies provided by carriers having an AM Best Rating of at least "A-VIII" (without duplication with the carriers having ratings by S&P of not less than "A-" or "BBB+" (and their equivalents by the other Rating Agencies)); or (B) the required insurance is provided by a syndicate of four (4) or fewer insurers with (i) at least seventy-five percent (75%) of the total coverage under such policies provided by carriers having claims-paying-ability and financial strength ratings by S&P of not less than "A-" (and its equivalent by the other Rating Agencies), (ii) at least fifteen percent (15%) of the total coverage under such policies provided by carriers having claims-paying-ability and financial strength ratings by S&P of not less than "BBB+" (and its equivalent by the other Rating Agencies) (without duplication with the carriers having ratings by S&P of not less than "A-" (and its equivalent by the other Rating Agencies)), and (iii) the remaining ten percent (10%)of the total coverage under policies under such policies provided by carriers having an AM Best Rating of at least "A-VIII" (without duplication with the carriers having ratings by S&P of not less than "A-" or "BBB+" (and their equivalents by the other Rating Agencies)). Seismic Insurance required pursuant to Section 6.1.11 shall not be required to satisfy the foregoing rating requirements, provided that such Seismic Insurance shall be required to be provided by insurers having an AM Best Rating of A-VIII, if available. Notwithstanding the foregoing, after a Securitization, required insurance may be obtained from insurers that do not satisfy the foregoing ratings requirements if Borrower shall have obtained a Rating Agency Confirmation with respect thereto. All insurers providing insurance required by this Agreement shall be authorized to issue insurance in the applicable State.

6.1.13 Form of Insurance Policies; Endorsements . The Policies (i) shall name Lender and its successors and/or assigns as their interest may appear as an additional insured or as a loss payee (except that in the case of general liability insurance, Lender shall be named an additional insured and not a loss payee); (ii) shall contain a Non-Contributory

Standard Lender Clause and, except with respect to general liability insurance and workers' compensation insurance, a Lender's Loss Payable Endorsement, or their equivalents; (iii) shall include effective waivers by the insurer of all claims for insurance premiums against all loss payees, additional insureds and named insureds (other than Borrower) and all rights of subrogation against any loss payee, additional insured or named insured; (iv) shall be assigned to Lender; (v) except as otherwise provided above, shall be subject to a deductible, if any, not greater in any material respect than the deductible for such coverage on the date hereof; (vi) shall contain such provisions as Lender deems reasonably necessary or desirable to protect its interest, including endorsements providing that neither Borrower, Lender nor any other party shall be a Contributor-insurer (except deductibles) under said Policies and that no material modification, reduction, cancellation or termination in amount of, or material change (other than an increase) in, coverage of any of the Policies shall be effective until at least thirty (30) days after receipt by each named insured, additional insured and loss payee of written notice thereof or ten (10) days after receipt of such notice with respect to nonpayment of premium; (vii) shall permit Lender to pay the premiums and continue any insurance upon failure of Borrower to pay premiums when due, upon the insolvency of Borrower or through foreclosure or other transfer of title to the Property (it being understood that Borrower's rights to coverage under such policies may not be assignable without the consent of the insurer); and (viii) shall provide that any proceeds shall be payable to Lender and that the insurance shall not be impaired or invalidated by virtue of (A) any act, failure to act, negligence of, or violation of declarations, warranties or conditions contained in such policy by the Borrower, Lender or any other named insured, additional insured or loss payee, except for the willful misconduct of Lender knowingly in violation of the conditions of such policy, (B) the occupation, use, operation or maintenance of the Property for purposes more hazardous than permitted by the terms of the Policy, (C) any foreclosure or other proceeding or notice of sale relating to the Property, or (D) any change in the possession of the Property without a change in the identity of the holder of actual title to the Property (provided that with respect to items (C) and (D), any notice requirements of the applicable Policies are satisfied). Notwithstanding the foregoing, for purposes hereof, Lender hereby approves the existing insurance policies as of the Closing Date and any renewals thereof with the same insurance ratings and terms.

6.1.14 Premiums; Certificates; Renewals . (a) Borrower shall pay or cause to be paid the premiums for such Policies (the **"Insurance Premiums"**) as the same become due and payable and shall furnish to Lender the receipts for the payment of the Insurance Premiums or other evidence of such payment reasonably satisfactory to Lender (provided , however , that Borrower is not required to furnish such evidence of payment to Lender if such Insurance Premiums are to be paid by Lender pursuant to the terms of this Agreement). Within thirty (30) days after request by Lender, Borrower shall obtain such increases in the amounts of coverage required hereunder as may be reasonably requested in writing by Lender or as may be requested in writing by the Rating Agencies (except with respect to the Terrorism Insurance and seismic insurance required hereunder), taking into consideration changes in liability laws, changes in prudent customs and practices, and the like. In the event Borrower satisfies the requirements under this Section 6.1.14 through the use of a Policy covering properties in addition to the Property, then (unless such policy is provided in substantially the same manner as it is as of the date hereof), Borrower shall provide evidence satisfactory to Lender that the Insurance Premiums for the Property are separately allocated under such Policy to the Property and that payment of such allocated amount (A) shall maintain the effectiveness of such Policy as to the

Property and (B) shall otherwise provide the same protection as would a separate policy that complies with the terms of this Agreement as to the Property, notwithstanding the failure of payment of any other portion of the insurance premiums. If no such allocation is available, Lender shall have the right to increase the amount required to be deposited into the Insurance Reserve Account in an amount sufficient to purchase a nonblanket Policy covering the Property from insurance companies which qualify under this Agreement.

(b) Borrower shall deliver to Lender on or prior to the Closing Date certificates setting forth in reasonable detail the material terms (including any applicable notice requirements) of all Policies from the respective insurance companies (or their authorized agents) that issued the Policies, including that such Policies may not be canceled or modified in any material respect without thirty (30) days' prior notice to Lender, or ten (10) days' notice with respect to nonpayment of premium. Borrower shall deliver to Lender, concurrently with each change in any Policy, a certificate with respect to such changed Policy certified by the insurance company issuing that Policy, in substantially the same form and containing substantially the same information as the certificates required to be delivered by Borrower pursuant to the first sentence of this clause (i) and stating that all premiums then due thereon have been paid to the applicable insurers and that the same are in full force and effect (or if such certificate and/or other information described in this clause (ii) shall not be obtainable by Borrower, Borrower may deliver an Officer's Certificate to such effect in lieu thereof).

(c) Within three (3) Business Days prior to the expiration, termination or cancellation of any Policy, Borrower shall renew such policy or obtain a replacement policy or policies (or a binding commitment for such replacement policy or policies), which shall be effective no later than the date of the expiration, termination or cancellation of the previous policy, and shall deliver to Lender a certificate in respect of such policy or policies (A) containing the same information as the certificates required to be delivered by Borrower pursuant to clause (b) above, or a copy of the binding commitment for such policy or policies and (B) confirming that such policy complies with all requirements hereof.

(d) If Borrower does not furnish to Lender the certificates as required under clause (c) above, upon three (3) Business Days prior notice to Borrower, Lender may procure, but shall not be obligated to procure, such replacement policy or policies and pay the Insurance Premiums therefor, and Borrower agree to reimburse Lender for the cost of such Insurance Premiums promptly on demand.

(e) Concurrently with the delivery of each replacement policy or a binding commitment for the same, Borrower shall deliver to Lender a report or attestation from a duly licensed or authorized insurance broker or from the insurer, setting forth the particulars as to all insurance obtained by Borrower pursuant to this Section 6.1 and then in effect and stating that all Insurance Premiums then due thereon have been paid in full to the applicable insurers, that such insurance policies are in full force and effect and that, in the opinion of such insurance broker or insurer, such insurance otherwise complies with the requirements of this Section 6.1 (or if such report shall not be available after Borrower shall have used reasonable efforts to provide the same, Borrower will deliver to Lender an Officer's Certificate containing the information to be provided in such report).

6.1.15 Separate Insurance . Borrower shall not take out separate insurance contributing in the event of loss with that required to be maintained pursuant to this Section 6.1 unless such insurance complies with this Section 6.1 .

6.1.16 Blanket Policies . The insurance coverage required under this Section 6.1 may be effected under a blanket policy or policies covering the Property and other properties and assets not constituting a part of the Property; provided that any such blanket policy shall specify, except in the case of public liability insurance, the portion of the total coverage of such policy that is allocated to the Property, and any sublimits in such blanket policy applicable to the Property, which amounts shall not be less than the amounts required pursuant to this Section 6.1 and which shall in any case comply in all other respects with the requirements of this Section 6.1 . Upon Lender's request, Borrower shall deliver to Lender an Officer's Certificate setting forth (i) the number of properties covered by such policy, (ii) the location by city (if available, otherwise, county) and state of the properties, (iii) the average square footage of the properties (or the aggregate square footage), (iv) a brief description of the typical construction type included in the blanket policy and (v) such other information as Lender may reasonably request.

6.1.17 Securitization . Following any Securitization, Borrower shall name any trustee, servicer or special servicer designated by Lender as a loss payee, and any trustee, servicer and special servicer as additional insureds, with respect to any Policy for which Lender is to be so named hereunder.

Section 6.2 Condemnation and Insurance Proceeds .

6.2.1 Right to Adjust . (a) If the Property is damaged or destroyed, in whole or in part in any material respect, by a Casualty, Borrower shall give prompt written notice thereof to Lender, generally describing the nature and extent of such Casualty. Following the occurrence of a Casualty, Borrower, regardless of whether proceeds are available, shall in a reasonably prompt manner proceed to restore, repair, replace or rebuild the Property to the extent practicable to be of at least equal value and of substantially the same character as prior to the Casualty, all in accordance with the terms hereof applicable to Alterations.

(b) Subject to clause (e) below, in the event of a Casualty which is not a Material Casualty, Borrower may settle and adjust such claim; provided that such adjustment is carried out in a competent and timely manner. In such case, Borrower is hereby authorized to collect and receipt for Lender any Proceeds.

(c) Subject to clause (e) below, in the event of a Casualty where the loss exceeds the Threshold Amount, Borrower may settle and adjust such claim only with the consent of Lender (which consent shall not be unreasonably withheld, delayed or conditioned) and Lender shall have the opportunity to participate, at Borrower's cost, in any such adjustments.

(d) Except as provided in clause (b) above, the proceeds of any Policy shall be due and payable solely to Lender and held and applied in accordance with the terms hereof (or, if mistakenly paid to the Borrower, shall be held in trust by the Borrower for the benefit of Lender and shall be paid over to Lender by the Borrower within two (2) Business Days of receipt).

(e) Notwithstanding the terms of clauses (a) and (b) above, Lender shall have the sole authority to adjust any claim with respect to a Casualty and to collect all Proceeds if an Event of Default shall have occurred and is continuing.

6.2.2 Right of the Borrower to Apply to Restoration . In the event of (a) a Casualty that does not constitute a Material Casualty, or (b) a Condemnation that does not constitute a Material Condemnation, Lender shall permit the application of the Proceeds (after reimbursement of any expenses incurred by Lender) to reimburse or pay Borrower for the cost of restoring, repairing, replacing or rebuilding or otherwise curing title defects at the Property (the Restoration), in the manner required hereby, provided and on the condition that (1) no Event of Default shall have occurred and be then continuing and (2) in the reasonable judgment of Lender:

(i) the Property can be restored to an economic unit not materially less valuable (taking into account the effect of the termination of any Leases and the proceeds of any rental loss or business interruption insurance which the Borrower receives or is entitled to receive, in each case, due to such Casualty or Condemnation) and not materially less useful than the same was prior to the Casualty or Condemnation,

(ii) the Property, after such Restoration and stabilization, will adequately secure the outstanding balance of the Loan,

(iii) the Restoration can be completed by the earliest to occur of:

(A) the date on which the business interruption insurance carried by Borrower with respect to the Property shall expire;

(B) the 180 th day prior to the Maturity Date (taking into account any extension thereof), and

(C) with respect to a Casualty, the expiration of the payment period on the rental loss or business interruption insurance coverage in respect of such Casualty; and

(iv) after receiving reasonably satisfactory evidence to such effect, during the period of the Restoration, the sum of (A) income derived from the Property, plus (B) proceeds of rental loss insurance or business interruption insurance, if any, payable together with such other monies as Borrower may irrevocably make available for the Restoration, will equal or exceed the sum of (x) 105% of Operating Expenses and (y) the Debt Service.

Notwithstanding the foregoing, if any of the conditions set forth in sub-clauses (1) and (2) of the proviso in this Section 6.2.2 is not satisfied, then, unless Lender shall otherwise elect, at its sole option, the Proceeds shall be applied in the following order of priority: (A) first, to prepay the principal of the Loan; (B) second, to pay the amount of (1) all accrued and unpaid interest in respect of the Principal Amount of the Indebtedness so prepaid through the date which is the

final day of the Interest Period in which such prepayment is made (including, if an Event of Default has occurred and is then continuing, interest owed at the Default Rate), and (2) all other sums (excluding any Prepayment Fee) then due and owing under the Loan Documents and (C) third, to reimburse Lender for any fees and expenses of Lender incurred in connection therewith (it being agreed that, upon satisfaction in full of the entitlements under clauses (A), (B) and (C) of this sentence, Borrower shall be entitled to receive a release of the Lien of the Security Instrument and the other Loan Documents with respect to the Property in accordance with and subject to the terms of Section 2.3.3 hereof and any surplus Proceeds shall be paid over to the Mezzanine Lender to be applied in accordance with the terms of the Mezzanine Loan Agreement. Notwithstanding the foregoing, or anything else to the contrary contained herein, all Proceeds with respect to the insurance determined pursuant to Section 6.1.4 shall be deposited directly into the Collection Account and shall be disbursed in accordance with Article III as if such Proceeds are applied in the manner amounts received from the Manager are applied

6.2.3 Material Casualty or Condemnation and Lender's Right to Apply Proceeds . In the event of a Material Casualty or a Material Condemnation, then Lender shall have the option to (i) apply the Proceeds hereof in the following order of priority: (A) first, to prepay the principal of the Loan; (B) second, to pay the amount of (1) all accrued and unpaid interest in respect of the Principal Amount of the Indebtedness so prepaid through the date which is the final day of the Interest Period in which such prepayment is made (including, if an Event of Default has occurred and is then continuing, interest owed at the Default Rate), and (2) all other sums (excluding any Prepayment Fee) then due and owing under the Loan Documents; (C) third, to reimburse Lender for any fees and expenses of Lender incurred in connection therewith; and (D) fourth, the balance of Proceeds shall then be paid to Mezzanine Lender to be applied pursuant to the terms of the Mezzanine Loan Agreement (it being agreed that, upon satisfaction in full of the entitlements under clauses (A), (B) (C) and (D) of this sentence, Borrower shall be entitled to receive the balance of the Proceeds, if any and a release of the Lien of the Security Instrument and the other Loan Documents with respect to the Property in accordance with and subject to the terms of Section 2.3.3 hereof), or (ii) make such Proceeds available to reimburse Borrower for the cost of any Restoration in the manner set forth below in Section 6.2.4 hereof provided , however , that if the Management Agreement provides that the Operating Lessee or Borrower is required to use the Proceeds to restore the Property and Operating Lessee or Borrower does not have the right to terminate the Management Agreement pursuant to the terms of the Management Agreement as a result of such Casualty or Condemnation or otherwise, then the Lender shall be obligated to make such Proceeds available to the Borrower for the Restoration of such Property pursuant to Section 6.2.4 below. Notwithstanding anything to the contrary contained herein, in the event of a Material Casualty or a Material Condemnation, where Borrower cannot restore, repair, replace or rebuild the Property to be of at least substantially equal value and of substantially the same character as prior to the Material Casualty or Material Condemnation or title defect because the Property is a legally non-conforming use or as a result of any other Legal Requirement, Borrower hereby agrees that Lender may apply the Proceeds payable in connection therewith in accordance with clauses (A), (B) (C) and (D).

6.2.4 Manner of Restoration and Reimbursement . If Borrower is entitled pursuant to Sections 6.2.2 or 6.2.3 above to reimbursement out of Proceeds (and the conditions specified therein shall have been satisfied), such Proceeds shall be disbursed on a

monthly basis upon Lender being furnished with (i) such architect's certificates, waivers of lien, contractor's sworn statements, title insurance endorsements, bonds, plats of survey and such other evidences of cost, payment and performance as Lender may reasonably require and approve, and (ii) all plans and specifications for such Restoration, such plans and specifications to be approved by Lender prior to commencement of any work (such approval not to be unreasonably withheld, delayed or conditioned). In addition, no payment made prior to the Final Completion of the Restoration (excluding punch-list items) shall exceed ninety percent (90%) of the aggregate value of the work performed from time to time; funds other than Proceeds shall be disbursed prior to disbursement of such Proceeds; and at all times, the undisbursed balance of such Proceeds remaining in the hands of Lender, together with funds deposited for that purpose or irrevocably committed to the satisfaction of Lender by or on behalf of Borrower for that purpose, shall be at least sufficient in the reasonable judgment of Lender to pay for the cost of completion of the Restoration, free and clear of all Liens or claims for Lien. Prior to any disbursement, Lender shall have received evidence reasonably satisfactory to it of the estimated cost of completion of the Restoration (such estimate to be made by Borrower's architect or contractor and approved by Lender in its reasonable discretion), and Borrower shall have deposited with Lender Eligible Collateral in an amount equal to the excess (if any) of such estimated cost of completion over the net Proceeds. Any surplus which may remain out of Proceeds received pursuant to a Casualty after payment of such costs of Restoration shall be paid to the Mezzanine Lender to be applied in accordance with the terms of the Mezzanine Loan Agreement. Any surplus which may remain out of Proceeds received pursuant to a Condemnation shall be paid to the Mezzanine Lender to be applied in accordance with the terms of the Mezzanine Loan Agreement.

6.2.5 Condemnation . (a) Borrower shall promptly give Lender written notice of the actual commencement or written threat of commencement of any Condemnation and shall deliver to Lender copies of any and all papers served in connection with such Condemnation. Following the occurrence of a Condemnation, Borrower, regardless of whether Proceeds are available, shall promptly proceed to restore, repair, replace or rebuild the same to the extent practicable to be of at least equal value and of substantially the same character as prior to such Condemnation, all to be effected in accordance with the terms hereof applicable to Alterations.

(b) Lender is hereby irrevocably appointed as Borrower's attorney-in-fact, coupled with an interest, with exclusive power to collect, receive and retain any Proceeds in respect of a Condemnation and to make any compromise or settlement in connection with such Condemnation, subject to the provisions of this Section. Provided no Event of Default has occurred and is continuing, (x) in the event of a Condemnation which is not a Material Condemnation, Borrower may settle and compromise such Proceeds; provided that the same is effected in a competent and timely manner, and (y) in the event of a Condemnation, where the loss exceeds the Threshold Amount, Borrower may settle and compromise the Proceeds only with the consent of Lender (which consent shall not be unreasonably withheld, delayed or conditioned) and Lender shall have the opportunity to participate, at Borrower' cost, in any litigation and settlement discussions in respect thereof. Notwithstanding any Condemnation by any public or quasi-public authority (including any transfer made in lieu of or in anticipation of such a Condemnation), Borrower shall continue to pay the Indebtedness at the time and in the manner provided for in the Note, this Agreement and the other Loan Documents, and the

Indebtedness shall not be reduced unless and until any Proceeds shall have been actually received and applied by Lender to discharge the Indebtedness, pay required interest and pay any other required amounts, in each case, pursuant to the terms of Sections 6.2.2 or 6.2.3 above. Lender shall not be limited to the interest paid on the Proceeds by the condemning authority but shall be entitled to receive out of the Proceeds interest at the rate or rates provided in the Note. Borrower shall cause any Proceeds that are payable to Borrower to be paid directly to Lender to be held and applied in accordance with the terms hereof.

Section 6.3 Insurance Provisions in Management Agreement . Despite any other provision of this Article VI , if any provision of this Article VI conflicts with or is inconsistent with any insurance provision in the Management Agreement with respect to the Property, the provisions of the Management Agreement will prevail.

VII. IMPOSITIONS, OTHER CHARGES, LIENS AND OTHER ITEMS

Section 7.1 Impositions and Other Charges . Subject to the third sentence of this Section 7.1 , Borrower shall pay, or shall cause Operating Lessee to pay all Impositions now or hereafter levied or assessed or imposed against the Property or any part thereof prior to the imposition of any interest, charges or expenses for the non-payment thereof and shall pay all Other Charges on or before the date they are due. Subject to Borrower's right of contest set forth in Section 7.3 , as set forth in the next two sentences and provided that there are sufficient funds available in the Tax Reserve Account, Lender, on behalf of Borrower, shall pay all Impositions and Other Charges which are attributable to or affect the Property or Borrower, prior to the date such Impositions or Other Charges shall become delinquent or late charges may be imposed thereon, directly to the applicable taxing authority with respect thereto. Lender shall, or Lender shall direct the Cash Management Bank to, pay to the taxing authority such amounts to the extent funds in the Tax Reserve Account are sufficient to pay such Impositions. Nothing contained in this Agreement or the Security Instrument shall be construed to require Borrower to pay any tax, assessment, levy or charge imposed on Lender in the nature of a franchise, capital levy, estate, inheritance, succession, income or net revenue tax.

Section 7.2 No Liens . Subject to its right of contest set forth in Section 7.3 , Borrower shall at all times keep, or cause to be kept, the Property free from all Liens (other than Permitted Encumbrances) and shall pay when due and payable (or bond over) all claims and demands of mechanics, materialmen, laborers and others which, if unpaid, might result in or permit the creation of a Lien on the Property or any portion thereof and shall in any event cause the prompt, full and unconditional discharge of all Liens imposed on or against the Property or any portion thereof within forty-five (45) days after receiving written notice of the filing (whether from Lender, the lienor or any other Person) thereof. Borrower shall do or cause to be done, at the sole cost of Borrower, everything reasonably necessary to fully preserve the first priority of the Lien of the Security Instrument against the Property, subject to the Permitted Encumbrances. Upon the occurrence and during the continuance of an Event of Default with respect to its Obligations as set forth in this Article VII , Lender may (but shall not be obligated to) make such payment or discharge such Lien, and Borrower shall reimburse Lender within three (3) Business Days following demand for all such advances pursuant to Section 19.12 (together with interest thereon at the Default Rate).

Section 7.3 Contest . Nothing contained herein shall be deemed to require Borrower to pay, or cause to be paid, any Imposition or to satisfy any Lien, or to comply with any Legal Requirement or Insurance Requirement, so long as Borrower is in good faith, and by proper legal proceedings, where appropriate, diligently contesting the validity, amount or application thereof, provided that in each case, at the time of the commencement of any such action or proceeding, and during the pendency of such action or proceeding (i) no Event of Default shall exist and be continuing hereunder, (ii) Borrower shall keep Lender informed of the status of such contest at reasonable intervals, (iii) if neither Borrower nor Operating Lessee is providing security as provided in clause (vi) below, adequate reserves with respect thereto are maintained on Borrower's books in accordance with GAAP or in the Tax Reserve Account or Insurance Reserve Account, as applicable, (iv) either such contest operates to suspend collection or enforcement as the case may be, of the contested Imposition, Lien or Legal Requirement and such contest is maintained and prosecuted continuously and with diligence or the Imposition or Lien is bonded, (v) in the case of any Insurance Requirement, the failure of Borrower to comply therewith shall not impair the validity of any insurance required to be maintained by Borrower under Section 6.1 or the right to full payment of any claims thereunder, and (vi) in the case of Impositions and Liens which are not bonded in excess of $1,000,000 individually, or in the aggregate, during such contest, Borrower, shall deposit with or deliver to Lender either Cash and Cash Equivalents or a Letter or Letters of Credit in an amount equal to 125% of (A) the amount of Borrower's obligations being contested plus (B) any additional interest, charge, or penalty arising from such contest. Notwithstanding the foregoing, the creation of any such reserves or the furnishing of any bond or other security, Borrower promptly shall comply with any contested Legal Requirement or Insurance Requirement or shall pay any contested Imposition or Lien, and compliance therewith or payment thereof shall not be deferred, if, at any time the Property or any portion thereof shall be, in Lender's reasonable judgment, in imminent danger of being forfeited or lost or Lender is likely to be subject to civil or criminal damages as a result thereof. If such action or proceeding is terminated or discontinued adversely to Borrower, Borrower shall deliver to Lender reasonable evidence of Borrower's compliance with such contested Imposition, Lien, Legal Requirements or Insurance Requirements, as the case may be.

VIII. TRANSFERS, INDEBTEDNESS AND SUBORDINATE LIENS

Section 8.1 Restrictions on Transfers and Indebtedness . (a) Except in connection with a Permitted Mezzanine Transfer or any Exchange (which shall not require Lender's consent or a Rating Confirmation), unless such action is permitted by the subsequent provisions of this Article VIII , Borrower will not, without Lender's prior written consent and a Rating Agency Confirmation with respect to the transfer or other matter in question, (A), Transfer legal, Beneficial or direct or indirect equitable interests in all or any part of the Property, the Borrower, Operating Lessee or the Mezzanine Borrower, (B) permit or suffer any owner, directly or indirectly, of a legal, Beneficial or equitable interest in the Property, the Borrower or Operating Lessee to Transfer such interest, whether by transfer of stock or other legal, Beneficial or equitable interest in any entity or otherwise, (C) mortgage, hypothecate or otherwise encumber or grant a security interest in all or any part of the legal, Beneficial or equitable interests in all or any part of the Property, the Borrower or the Operating Lessee, or (D) file of record a declaration of condominium with respect to the Property. Notwithstanding any provision herein to the contrary, nothing contained herein shall be deemed to restrict or otherwise interfere with the ability of the holders of direct or indirect legal, Beneficial or equitable interests in the Ultimate Equity Owner to Transfer such interests, whether in connection with an initial public offering of shares in Ultimate Equity Owner or otherwise.

(b) Borrower shall not incur, create or assume any Indebtedness without the consent of Lender; provided , however , Borrower may, without the consent of Lender, incur, create or assume Permitted Debt.

Section 8.2 Sale of Building Equipment . Borrower may Transfer or dispose of Building Equipment which is being replaced or which is no longer necessary in connection with the operation of the Property free from the Lien of the Security Instrument provided that such Transfer or disposal will not have a Material Adverse Effect on the value of the Property taken as a whole, will not materially impair the utility of the Property, and will not result in a reduction or abatement of, or right of offset against, the Rents payable under any Lease, in either case as a result thereof, and provided , further , that any new Building Equipment acquired by Borrower or Operating Lessee(and not so disposed of) shall be subject to the Lien of the Security Instrument. Lender shall, from time to time, upon receipt of an Officer's Certificate requesting the same and confirming satisfaction of the conditions set forth above, execute a written instrument in form reasonably satisfactory to Lender to confirm that such Building Equipment which is to be, or has been, sold or disposed of is free from the Lien of the Security Instrument.

Section 8.3 Immaterial Transfers and Easements, etc . Borrower and Operating Lessee may, without the consent of Lender, (i) make immaterial Transfers of portions of the Property to Governmental Authorities for dedication or public use (subject to the provisions of Section 6.2) or, portions of the Property to third parties for the purpose of erecting and operating additional structures whose use is integrated with the use of the Property, and (ii) grant easements, restrictions, covenants, reservations and rights of way in the ordinary course of business for access, water and sewer lines, telephone and telegraph lines, electric lines or other utilities or for other similar purposes, provided that no such Transfer, conveyance or encumbrance set forth in the foregoing clauses (i) and (ii) shall materially impair the utility and operation of the Property or have a Material Adverse Effect on the value of the Property taken as a whole. In connection with any Transfer permitted pursuant to this Section 8.3 , Lender shall execute and deliver any instrument reasonably necessary or appropriate, in the case of the Transfers referred to in clause (i) above, to release the portion of the Property affected by such Condemnation or such Transfer from the Lien of the Security Instrument or, in the case of clause (ii) above, to subordinate the Lien of the Security Instrument to such easements, restrictions, covenants, reservations and rights of way or other similar grants upon receipt by Lender of:

(a) thirty (30) days prior written notice thereof;

(b) a copy of the instrument or instruments of Transfer;

(c) an Officer's Certificate stating (x) with respect to any Transfer, the consideration, if any, being paid for the Transfer and (y) that such Transfer does not materially impair the utility and operation of the Property, materially reduce the value of the Property or have a Material Adverse Effect; and

(d) reimbursement of all of Lender's reasonable costs and expenses incurred in connection with such Transfer.

Section 8.4 Transfers of Interests in Borrower . In addition to any transfer permitted by any other provision of this Article VIII (including, without limitation, any transfer in connection with an Exchange), each holder of any direct or indirect interest in the Mezzanine Borrower shall have the right to transfer (but not pledge, hypothecate or encumber) its equity interest in the Mezzanine Borrower to any Person who is not a Disqualified Transferee without Lender's consent or a Rating Agency Confirmation if Section 8.6 is complied with and, after giving effect to such transfer:

(a) (i) the Property will be directly owned by a Single Purpose Entity in compliance with the representations, warranties and covenants in Section 4.1.29 hereof (as if the Borrower shall have remade all of such representations, warranties and covenants as of, and after giving effect to, the transfer), and which shall have executed and delivered to Lender an assumption agreement in form and substance acceptable to Lender, evidencing the continuing agreement of the Borrower to abide and be bound by all the terms, covenants and conditions set forth in this Agreement, the Note, the Security Instrument and the other Loan Documents and all other outstanding obligations under the Loan, together with such legal opinions and title insurance endorsements as may be reasonably requested by Lender;

In the event that Management Control shall be exercisable jointly by any Ultimate Equity Owner or a Close Affiliate of any Ultimate Equity Owner with any other Person or Persons, then the applicable Ultimate Equity Owner or such Close Affiliate shall be deemed to have Management Control only if such Ultimate Equity Owner or such Close Affiliate retains the ultimate right as between such Ultimate Equity Owner or such Close Affiliate and the transferee to unilaterally make all material decisions with respect to the operation, management, financing and disposition of the Property;

(d) if there has been a Transfer of forty-nine percent (49%) or more of the direct membership interests, stock or other direct equity ownership interests in Borrower, Borrower shall have first delivered to Lender (and, after a Securitization, the Rating Agencies) an Officer's Certificate and legal opinion of the types described in Section 8.6 below; and

(e) Borrower shall cause the transferee, if Lender so requests and if such transferee is required to be a Single Purpose Entity pursuant to this Agreement, to deliver to S&P and to any other Rating Agency Lender requests its organizational documents solely for the purpose of Standard & Poor's and such other Rating Agency Lender requests confirming that such organizational documents comply with the single purpose bankruptcy remote entity requirements set forth herein.

Section 8.5 Loan Assumption . Without limiting the foregoing, Borrower, Prime Lessee and Operating Lessee shall have the right to sell, assign, convey or transfer (but not mortgage, hypothecate or otherwise encumber or grant a security interest in) legal or equitable title to all (but not less than all) of the Property only if:

(a) after giving effect to the proposed transaction:

the Property will be owned by a Single Purpose Entity wholly owned (directly or indirectly) by a Permitted Borrower Transferee, Permitted Borrower Transferee Alternative, Pre-approved Transferee or such other entity (specifically approved in writing by both Lender and each Rating Agency) which will be in compliance with the representations, warranties and covenants contained in Section 4.1.29 hereof (as if such transferee shall have remade all of such representations, warranties and covenants as of, and after giving effect to, the proposed transaction); such Single Purpose Entity shall have executed and delivered to Lender an assumption agreement and such other agreements as Lender may reasonably request (collectively, the**"Assumption Agreement"**) in form and substance acceptable to Lender, evidencing the proposed transferee's agreement to abide and be bound by all the terms, covenants and conditions set forth in this Agreement, the Note, the Security Instrument and the other Loan Documents and all other outstanding obligations under the Loan; the Permitted Borrower Transferee, Permitted Borrower Transferee Alternative, Pre-approved Transferee or such other approved entity shall assume the obligations of Guarantor under the Loan Documents (and such Single Purpose Entity and the applicable Permitted Borrower Transferee, Permitted Borrower Transferee Alternative, Pre-approved Transferee or other approved entity shall thereafter be subject to the provisions of this Article VIII), and the transferee shall cause to be delivered to Lender, such legal opinions and title insurance endorsements as may be reasonably requested by Lender;

(i) an Acceptable Manager shall continue to act as Manager for the Property pursuant to the existing Management Agreement or an Acceptable Management Agreement; and

(ii) no Event of Default shall have occurred and be continuing;

(b) the Assumption Agreement shall state the applicable transferee's agreement to abide by and be bound by the terms in the Note (or such other promissory notes to be executed by the transferee, such other promissory note or notes to be on the same terms as the Note), the Security Instrument, this Agreement (or such other loan agreement to be executed by such transferee, which shall contain terms substantially identical to the terms hereof) and such other Loan Documents (or other loan documents to be delivered by such transferee, which shall contain terms substantially identical to the terms of the applicable Loan Documents) whenever arising, and Borrower, and/or such transferee shall deliver such legal opinions and title insurance endorsements as may reasonably be requested by Lender;

(c) following execution of a contract for the sale of the Property and not less than thirty (30) days prior to the expected date of such proposed sale, Borrower shall submit notice of such sale to Lender. Borrower shall submit to Lender, not less than ten (10) days prior to the expected date of such sale, the Assumption Agreement for execution by Lender. Such documents shall be in a form appropriate for the jurisdiction in which the Property is located and shall be reasonably satisfactory to Lender. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such assumption, together with an Officer's Certificate certifying that (i) the assumption to be effected will be effected in compliance with the terms of this Agreement and (ii) will not impair or otherwise adversely affect the validity or priority of the Lien of the Security Instrument;

(d) prior to any such transaction, the proposed transferee shall deliver to Lender an Officer's Certificate stating that (x) such transferee is not an "employee benefit plan" within the meaning of Section 3(3) of ERISA that is subject Title I of ERISA or any other Similar Law and (y) the underlying assets of the proposed transferee do not constitute assets of any such employee benefit plan for purposes of ERISA or any Similar Law;

(e) if the transfer is to (i) an entity other than a Single Purpose Entity wholly owned directly or indirectly by one or more Pre-approved Transferees, Permitted Borrower Transferees or Permitted Borrower Transferee Alternatives, a Rating Agency Confirmation shall have been received in respect of such proposed transfer (or, if the proposed transfer shall occur prior to a Securitization, such transfer shall be subject to Lender's consent in its sole discretion) and (ii) a Permitted Borrower Transferee Alternative, such transfer shall be subject to Lender's prior written consent in its reasonable discretion;

(f) the terms of Section 8.6 shall be complied with and Borrower shall cause the transferee to deliver to S&P and to any other Rating Agency Lender requests its organizational documents solely for the purpose of S&P and any other Rating Agency Lender requests confirming that such organizational documents comply with the single purpose bankruptcy remote entity requirements set forth herein;

(g) Lender shall have received the payment of, or reimbursement for, all reasonable costs and expenses incurred by Lender and the Rating Agencies (and any servicer in connection with a Securitization) in connection therewith (including, without limitation, reasonable attorneys' fees and disbursements); and

(h) The Mezzanine Borrower shall simultaneously exercise its right to transfer the "Collateral" (as defined in the Mezzanine Loan) pursuant to and in accordance with Section 8.5 of each Mezzanine the Loan Agreement.

Section 8.6 Notice Required; Legal Opinions . Not less than five (5) Business Days prior to the closing of any transaction permitted under the provisions of Sections 8.2 through 8.5 , Borrower shall deliver or cause to be delivered to Lender (A) an Officer's Certificate describing the proposed transaction and stating that such transaction is permitted hereunder and under the other Loan Documents, together with any documents upon which such Officer's Certificate is based, and (B) a legal opinion of counsel to Borrower or the transferee selected by either of them (to the extent approved by Lender and the Rating Agencies),

in form and substance consistent with similar opinions then being required by the Rating Agencies and acceptable to the Rating Agencies, confirming, among other things, that the assets of the Borrower, and of its managing general partner or managing member, as applicable, will not be substantively consolidated with the assets of such owners or Controlling Persons of the Borrower as Lender or the Rating Agencies may specify, in the event of a bankruptcy or similar proceeding involving such owners or Controlling Persons.

Section 8.7 Leases .

8.7.1 New Leases and Lease Modifications . All amounts paid by the Counterparty under the Interest Rate Cap Agreement to Borrower or Lender shall be deposited immediately into the Holding Account pursuant to Section 3.1 . If Borrower shall have received written notice that the Securitization shall have occurred, no consent by Lender provided for in this Section 9.3(e) shall be given by Lender unless Lender shall have received a Rating Agency Confirmation.

In connection with an Interest Rate Cap Agreement, Borrower shall obtain and deliver to Lender an Opinion of Counsel from counsel (which counsel may be in-house counsel for the Counterparty) for the Counterparty upon which Lender and its successors and assigns may rely (the **"Counterparty Opinion"**), under New York law and, if the Counterparty is a non-U.S. entity, the applicable foreign law, substantially in compliance with the requirements set forth in **Exhibit F** or in such other form approved by the Lender.

(b) The Rate Cap Collateral is free and clear of all claims or security interests of every nature whatsoever, except such as are created pursuant to this Agreement and the other Loan Documents, and Borrower has the right to pledge and grant a security interest in the same as herein provided without the consent of any other Person other than any such consent that has been obtained and is in full force and effect.

(c) The Rate Cap Collateral has been duly and validly pledged hereunder. All consents and approvals required to be obtained by Borrower for the consummation of the transactions contemplated by this Agreement have been obtained.

(d) Giving effect to the aforesaid grant and assignment to Lender, Lender has, as of the date of this Agreement, and as to Rate Cap Collateral acquired from time to time after such date, shall have, a valid, and upon proper filing, perfected and continuing first priority lien

upon and security interest in the Rate Cap Collateral; provided that no representation or warranty is made with respect to the perfected status of the security interest of Lender in the proceeds of Rate Cap Collateral consisting of "cash proceeds" or "non-cash proceeds" as defined in the UCC except if, and to the extent, the provisions of Section 9-306 of the UCC shall be complied with.

(e) Except for financing statements filed or to be filed in favor of Lender as secured party, there are no financing statements under the UCC covering any or all of the Rate Cap Collateral and Borrower shall not, without the prior written consent of Lender, until payment in full of all of the Obligations, execute and file in any public office, any enforceable financing statement or statements covering any or all of the Rate Cap Collateral, except financing statements filed or to be filed in favor of Lender as secured party.

Section 9.5 Payments . If Borrower at any time shall be entitled to receive any payments with respect to the Interest Rate Cap Agreement, such amounts shall, immediately upon becoming payable to Borrower, be deposited by Counterparty into the Holding Account.

Section 9.6 Remedies . Subject to the provisions of the Interest Rate Cap Agreement, if an Event of Default shall occur and then be continuing:

(a) Lender, without obligation to resort to any other security, right or remedy granted under any other agreement or instrument, shall have the right to, in addition to all rights, powers and remedies of a secured party pursuant to the UCC, at any time and from time to time, sell, resell, assign and deliver, in its sole discretion, any or all of the Rate Cap Collateral (in one or more parcels and at the same or different times) and all right, title and interest, claim and demand therein and right of redemption thereof, at public or private sale, for cash, upon credit or for future delivery, and in connection therewith Lender may grant options and may impose reasonable conditions such as requiring any purchaser to represent that any "securities" constituting any part of the Rate Cap Collateral are being purchased for investment only, Borrower hereby waiving and releasing any and all equity or right of redemption to the fullest extent permitted by the UCC or applicable law. If all or any of the Rate Cap Collateral is sold by Lender upon credit or for future delivery, Lender shall not be liable for the failure of the purchaser to purchase or pay for the same and, in the event of any such failure, Lender may resell such Rate Cap Collateral. It is expressly agreed that Lender may exercise its rights with respect to less than all of the Rate Cap Collateral, leaving unexercised its rights with respect to the remainder of the Rate Cap Collateral, provided , however , that such partial exercise shall in no way restrict or jeopardize Lender's right to exercise its rights with respect to all or any other portion of the Rate Cap Collateral at a later time or times.

(b) Lender may exercise, either by itself or by its nominee or designee, in the name of Borrower, all of Lender's rights, powers and remedies in respect of the Rate Cap Collateral, hereunder and under law.

(c) Borrower hereby irrevocably, in the name of Borrower or otherwise, authorizes and empowers Lender and assigns and transfers unto Lender, and constitutes and appoints Lender its true and lawful attorney-in-fact, and as its agent, irrevocably, with full power of substitution for Borrower and in the name of Borrower, upon the occurrence and during the continuance of an Event of Default, (i) to exercise and enforce every right, power, remedy,

authority, option and privilege of Borrower under the Interest Rate Cap Agreement, including any power to subordinate or modify the Interest Rate Cap Agreement (but not, unless an Event of Default exists and is continuing, the right to terminate or cancel the Interest Rate Cap Agreement), or to give any notices, or to take any action resulting in such subordination, termination, cancellation or modification and (ii) in order to more fully vest in Lender the rights and remedies provided for herein, to exercise all of the rights, remedies and powers granted to Lender in this Agreement, and Borrower further authorizes and empowers Lender, as Borrower's attorney-in-fact, and as its agent, irrevocably, with full power of substitution for Borrower and in the name of Borrower, upon the occurrence and during the continuance of an Event of Default, to give any authorization, to furnish any information, to make any demands, to execute any instruments and to take any and all other action on behalf of and in the name of Borrower which in the opinion of Lender may be necessary or appropriate to be given, furnished, made, exercised or taken under the Interest Rate Cap Agreement, in order to comply therewith, to perform the conditions thereof or to prevent or remedy any default by Borrower thereunder or to enforce any of the rights of Borrower thereunder. These powers-of-attorney are irrevocable and coupled with an interest, and any similar or dissimilar powers heretofore given by Borrower in respect of the Rate Cap Collateral to any other Person are hereby revoked.

(d) Upon the occurrence and during the continuance of an Event of Default, Lender may, without notice to, or assent by, Borrower or any other Person (to the extent permitted by law), but without affecting any of the Obligations, in the name of Borrower or in the name of Lender, notify the Counterparty, or if applicable, any other counterparty to the Interest Rate Cap Agreement, to make payment and performance directly to Lender; extend the time of payment and performance of, compromise or settle for cash, credit or otherwise, and upon any terms and conditions, any obligations owing to Borrower, or claims of Borrower, under the Interest Rate Cap Agreement; file any claims, commence, maintain or discontinue any actions, suits or other proceedings deemed by Lender necessary or advisable for the purpose of collecting upon or enforcing the Interest Rate Cap Agreement; and execute any instrument and do all other things deemed necessary and proper by Lender to protect and preserve and realize upon the Rate Cap Collateral and the other rights contemplated hereby.

(e) Pursuant to the powers-of-attorney provided for above, Lender may take any action and exercise and execute any instrument which it may deem necessary or advisable to accomplish the purposes hereof; provided , however , that Lender shall not be permitted to take any action pursuant to said power-of-attorney that would conflict with any limitation on Lender's rights with respect to the Rate Cap Collateral. Without limiting the generality of the foregoing, Lender, after the occurrence of an Event of Default, shall have the right and power to receive, endorse and collect all checks and other orders for the payment of money made payable to Borrower representing: (i) any payment of obligations owed pursuant to the Interest Rate Cap Agreement, (ii) interest accruing on any of the Rate Cap Collateral or (iii) any other payment or distribution payable in respect of the Rate Cap Collateral or any part thereof, and for and in the name, place and stead of Borrower, to execute endorsements, assignments or other instruments of conveyance or transfer in respect of any property which is or may become a part of the Rate Cap Collateral hereunder.

(f) Lender may exercise all of the rights and remedies of a secured party under the UCC.

(g) Without limiting any other provision of this Agreement or any of Borrower's rights hereunder, and without waiving or releasing Borrower from any obligation or default hereunder, Lender shall have the right, but not the obligation, to perform any act or take any appropriate action, as it, in its reasonable judgment, may deem necessary to protect the security of this Agreement, to cure such Event of Default or to cause any term, covenant, condition or obligation required under this Agreement or the Interest Rate Cap Agreement to be performed or observed by Borrower to be promptly performed or observed on behalf of Borrower. All amounts advanced by, or on behalf of, Lender in exercising its rights under this Section 9.7(g) (including, but not limited to, reasonable legal expenses and disbursements incurred in connection therewith), together with interest thereon at the Default Rate from the date of each such advance, shall be payable by Borrower to Lender upon demand and shall be secured by this Agreement.

Section 9.7 Sales of Rate Cap Collateral . No demand, advertisement or notice, all of which are, to the fullest extent permitted by law, hereby expressly waived by Borrower, shall be required in connection with any sale or other disposition of all or any part of the Rate Cap Collateral, except that Lender shall give Borrower at least thirty (30) Business Days' prior written notice of the time and place of any public sale or of the time when and the place where any private sale or other disposition is to be made, which notice Borrower hereby agrees is reasonable, all other demands, advertisements and notices being hereby waived. To the extent permitted by law, Lender shall not be obligated to make any sale of the Rate Cap Collateral if it shall determine not to do so, regardless of the fact that notice of sale may have been given, and Lender may without notice or publication adjourn any public or private sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. Upon each private sale of the Rate Cap Collateral of a type customarily sold in a recognized market and upon each public sale, unless prohibited by any applicable statute which cannot be waived, Lender (or its nominee or designee) may purchase any or all of the Rate Cap Collateral being sold, free and discharged from any trusts, claims, equity or right of redemption of Borrower, all of which are hereby waived and released to the extent permitted by law, and may make payment therefor by credit against any of the Obligations in lieu of cash or any other obligations. In the case of all sales of the Rate Cap Collateral, public or private, Borrower shall pay all reasonable costs and expenses of every kind for sale or delivery, including brokers' and attorneys' fees and disbursements and any tax imposed thereon. However, the proceeds of sale of Rate Cap Collateral shall be available to cover such costs and expenses, and, after deducting such costs and expenses from the proceeds of sale, Lender shall apply any residue to the payment of the Obligations in the order of priority as set forth in Section 11 of the Security Instrument.

Section 9.8 Public Sales Not Possible . Borrower acknowledges that the terms of the Interest Rate Cap Agreement may prohibit public sales, that the Rate Cap Collateral may not be of the type appropriately sold at public sales, and that such sales may be prohibited by law. In light of these considerations, Borrower agrees that private sales of the Rate Cap Collateral shall not be deemed to have been made in a commercially unreasonably manner by mere virtue of having been made privately.

Section 9.9 Receipt of Sale Proceeds . Upon any sale of the Rate Cap Collateral by Lender hereunder (whether by virtue of the power of sale herein granted, pursuant to judicial process or otherwise), the receipt by Lender or the officer making the sale or

the proceeds of such sale shall be a sufficient discharge to the purchaser or purchasers of the Rate Cap Collateral so sold, and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to Lender or such officer or be answerable in any way for the misapplication or non-application thereof.

Section 9.10 Extension Interest Rate Cap Agreement . If Borrower exercises any of its options to extend the Maturity Date pursuant to Section 5 of the Note, then, on or prior to the Maturity Date being extended, the Borrower shall obtain or have in place an Extension Interest Rate Cap Agreement (i) having a term through the end of the Interest Period in which the extended Maturity Date occurs, (ii) in a notional amount at least equal to the Principal Amount of the Loan as of the Maturity Date being extended, and (iii) having a strike rate equal to an amount such that the maximum interest rate paid by the Borrower after giving effect to payments made under such Extension Interest Rate Cap Agreement shall equal no more than the LIBOR Cap Strike Rate.

Section 9.11 Filing of Financing Statements Authorized . Borrower and Operating Lessee hereby authorize the filing of a form UCC-1 financing statement naming the Borrower and the Operating Lessee as debtors and the Lender as secured party in any office (including the office of the Secretary of State of the State of Delaware) covering all property of the Borrower and the Operating Lessee (including, but not limited to, the Account Collateral and the Rate Cap Collateral, but excluding Excess Cash Flow).

Such plans and specifications may be revised at any time and from time to time, provided that revisions of such plans and specifications shall be filed with Lender, for information purposes only.

(d) The Alteration or Expansion may not in and of itself, either during the Alteration or Expansion or upon completion, be reasonably expected to have a Material Adverse Effect with respect to the Property.

(e) All work done in connection with any Alteration or Expansion shall be performed with due diligence to Final Completion in a good and workmanlike manner, all materials used in connection with any Alteration or Expansion shall be not less than the standard of quality of the materials generally used at the Property as of the date hereof (or, if greater, the then-current customary quality in the sub-market in which the Property is located) and all work shall be performed and all materials used in accordance with all applicable Legal Requirements and Insurance Requirements.

(f) The cost of any Alteration or Expansion shall be promptly and fully paid for by Borrower, subject to the next succeeding sentence. No payment made prior to the Final Completion (excluding punch-list items) of an Alteration or Expansion or Restoration to any contractor, subcontractor, materialman, supplier, engineer, architect, project manager or other Person who renders services or furnishes materials in connection with such Alteration shall exceed ninety percent (90%) of the aggregate value of the work performed by such Person from time to time and materials furnished and incorporated into the Improvements.

(g) **Intentionally Deleted.**

(h) With respect to any Material Alteration or Material Expansion:

(i) Borrower shall have delivered to Lender Eligible Collateral in an amount equal to at least the total estimated remaining unpaid costs of such Material Alteration or Material Expansion which is in excess of the Threshold Amount, which Eligible Collateral shall be held by Lender as security for the Indebtedness and released to Borrower as such work progresses in accordance with Section 10.2(h)(iii) ; provided , however , in the event that any Material Alteration or Material Expansion shall be made in conjunction with any Restoration with respect to which Borrower shall be entitled to use or apply Proceeds pursuant to Section 6.2 hereof (including any Proceeds remaining after completion of such Restoration), the amount of the Eligible Collateral to be furnished pursuant hereto need not exceed the aggregate cost of such Restoration and such Material Alteration or Material Expansion (in either case, as estimated by the Independent Architect) less the sum of the amount of any Proceeds which the Borrower is entitled to withdraw pursuant to Section 6.2 hereof and the Threshold Amount;

(ii) Prior to commencement of construction of such Material Alteration or Material Expansion, Borrower shall deliver to Lender a schedule (with the concurrence of the Independent Architect) setting forth the projected stages of completion of such Alteration or Expansion and the corresponding amounts expected to be due and payable by or on behalf of Borrower in connection with such completion, such schedule to be updated quarterly by Borrower (and with the concurrence of the Independent Architect) during the performance of such Alteration or Expansion.

XII. ENVIRONMENTAL MATTERS

Section 12.1 Representations . Borrower hereby represents and warrants that except as set forth in the environmental reports and studies delivered to Lender (the **"Environmental Reports"**), (i) Borrower has not engaged in or knowingly permitted any operations or activities upon, or any use or occupancy of the Property, or any portion thereof, for the purpose of or in any way involving the handling, manufacture, treatment, storage, use, generation, release, discharge, refining, dumping or disposal of any Hazardous Materials on, under, in or about the Property, or transported any Hazardous Materials to, from or across the Property, except in all cases in material compliance with Environmental Laws and only in the course of legitimate business operations at the Property; (ii) to the Best of Borrower's Knowledge, no tenant, occupant or user of the Property, or any other Person, has engaged in or permitted any operations or activities upon, or any use or occupancy of the Property, or any portion thereof, for the purpose of or in any material way involving the handling, manufacture, treatment, storage, use, generation, release, discharge, refining, dumping or disposal of any Hazardous Materials on, in or about the Property, or transported any Hazardous Materials to, from or across the Property, except in all cases in material compliance with Environmental Laws and only in the course of legitimate business operations at the Property; (iii) to the Best of Borrower's Knowledge, no Hazardous Materials are presently constructed, deposited, stored, or otherwise located on, under, in or about the Property except in material compliance with Environmental Laws; (iv) to the Best of Borrower's Knowledge, no Hazardous Materials have migrated from the Property upon or beneath other properties which would reasonably be expected to result in material liability for Borrower; and (v) to the Best of Borrower's Knowledge, no Hazardous Materials have migrated or threaten to migrate from other properties upon, about or beneath the Property which would reasonably be expected to result in material liability for Borrower.

Section 12.2 Covenants. Compliance with Environmental Laws . Subject to Borrower's right to contest under Section 7.3 , Borrower covenants and agrees with Lender that it shall comply with all Environmental Laws. If at any time during the continuance of the Lien of the Security Instrument, a Governmental Authority having jurisdiction over the Property requires remedial action to correct the presence of Hazardous Materials in, around, or under the Property (an **"Environmental Event"**), Borrower shall deliver prompt notice of the occurrence of such Environmental Event to Lender. Within thirty (30) days after Borrower has knowledge of the occurrence of an Environmental Event, Borrower shall deliver to Lender an Officer's Certificate (an **"Environmental Certificate"**) explaining the Environmental Event in reasonable detail and setting forth the proposed remedial action, if any. Borrower shall promptly provide Lender with copies of all notices from any Governmental Authority which allege or identify any actual or potential violation or noncompliance received by or prepared by or for Borrower in connection with any Environmental Law. For purposes of this paragraph, the term "notice" shall mean any summons, citation, directive, order, claim, pleading, letter, application, filing, report, findings, declarations or other materials provided by any Governmental Entity pertinent to compliance of the Property and Borrower with such Environmental Laws.

Section 12.3 Environmental Reports . Upon the occurrence and during the continuance of an Environmental Event with respect to the Property or an Event of Default, Lender shall have the right to direct Borrower to obtain consultants reasonably approved by Lender to perform a comprehensive environmental audit of the Property. Such audit shall be conducted by an environmental consultant chosen by Lender and may include a visual survey, a record review, an area reconnaissance assessing the presence of hazardous or toxic waste or substances, PCBs or storage tanks at the Property, an asbestos survey of the Property, which may include random sampling of the Improvements and air quality testing, and such further site assessments as Lender may reasonably require due to the results obtained from the foregoing. Borrower grants Lender, its agents, consultants and contractors the right to enter the Property as reasonable or appropriate for the circumstances for the purposes of performing such studies and the reasonable cost of such studies shall be due and payable by Borrower to Lender upon demand and shall be secured by the Lien of the Security Instrument. Lender shall not unreasonably interfere with, and Lender shall direct the environmental consultant to use its commercially reasonable efforts not to hinder, Borrower's or any Tenant's, other occupant's or Manager's operations upon the Property when conducting such audit, sampling or inspections. By undertaking any of the measures identified in and pursuant to this Section 12.3 , Lender shall not be deemed to be exercising any control over the operations of Borrower or the handling of any environmental matter or hazardous wastes or substances of Borrower for purposes of incurring or being subject to liability therefor.

Section 12.4 Environmental Indemnification . Borrower shall protect, indemnify, save, defend, and hold harmless the Indemnified Parties from and against any and all liability, loss, damage, actions, causes of action, costs or expenses whatsoever (including reasonable attorneys' fees and expenses) and any and all claims, suits and judgments which any Indemnified Party may suffer, as a result of or with respect to: (a) any Environmental Claim relating to or arising from the Property; (b) the violation of any Environmental Law in connection with the Property; (c) any release, spill, or the presence of any Hazardous Materials affecting the Property; and (d) the presence at, in, on or under, or the release, escape, seepage, leakage, discharge or migration at or from, the Property of any Hazardous Materials, whether or not such condition was known or unknown to Borrower; provided that, in each case, Borrower shall be relieved of its obligation under this subsection if any of the matters referred to in clauses (a) through (d) above did not occur (but need not have been discovered) prior to (1) the foreclosure of the Security Instrument, (2) the delivery by Borrower to Lender or its designee of a deed-in-lieu of foreclosure with respect to the Property, or (3) Lender's or its designee's taking possession and control of the Property after the occurrence of an Event of Default hereunder. If any such action or other proceeding shall be brought against Lender, upon written notice from Borrower to Lender (given reasonably promptly following Lender's notice to Borrower of such action or proceeding), Borrower shall be entitled to assume the defense thereof, at Borrower's expense, with counsel reasonably acceptable to Lender; provided , however , Lender may, at its own expense, retain separate counsel to participate in such defense, but such participation shall not be deemed to give Lender a right to control such defense, which right Borrower expressly retains. Notwithstanding the foregoing, each Indemnified Party shall have the right to employ separate counsel at Borrower's expense if, in the reasonable opinion of legal counsel, a conflict or potential conflict exists between the Indemnified Party and Borrower that would make such separate representation advisable. Borrower shall have no obligation to indemnify an Indemnified Party for damage or loss resulting from such Indemnified Party's gross negligence or willful misconduct.

Section 12.5 Recourse Nature of Certain Indemnifications . Notwithstanding anything to the contrary provided in this Agreement or in any other Loan Document, the indemnification provided in Section 12.4 shall be fully recourse to Borrower (but not its constituent parties) and shall be independent of, and shall survive, the discharge of the Indebtedness, the release of the Lien created by the Security Instrument, and/or the conveyance of title to the Property to Lender or any purchaser or designee in connection with a foreclosure of the Security Instrument or conveyance in lieu of foreclosure.

At the request of Lender and, to the extent not already required to be provided by Borrower under this Agreement, Borrower shall use reasonable efforts to satisfy the market standards which may be reasonably required in the marketplace or by the Rating Agencies in connection with the sale of the Note or participation therein as part of the first successful securitization (such sale and/or securitization, the **"Securitization"**) of rated single or multi-class securities (the **"Securities"**) secured by or evidencing ownership interests in the Note and this Agreement, including using reasonable efforts to do (or cause to be done) the following (but Borrower shall not in any event be required to incur, suffer or accept (except to a de minimis extent)) (i) any lesser rights or greater obligations or liability than as currently set forth in the Loan Documents and (ii) except as set forth in this Article XIV and other than payment by Borrower of any legal fees of Borrower and Guarantor, any expense or any liability:

14.1.1 Provided Information . (i) Provide, at the sole expense of the holder of the Note (other than legal fees of counsel to the Borrower and Guarantor), such non-confidential financial and other information (but not projections) with respect to the Property and Borrower and Manager to the extent such information is reasonably available to Borrower or Manager, (ii) provide, at the sole expense of the holder of the Note (other than legal fees of counsel to the Borrower and Guarantor), business plans (but not projections) and budgets relating to the Property, to the extent prepared by the Borrower or Manager and (iii) cooperate with the holder of the Note (and its representatives) in obtaining, at the sole expense of the holder of the Note (other than legal fees of counsel to the Borrower and Guarantor), such site inspection, appraisals, market studies, environmental reviews and reports, engineering reports and other due diligence investigations of the Property, as may be reasonably requested by the holder of the Note or reasonably requested by the Rating Agencies (all information provided pursuant to this Section 14.1 together with all other information heretofore provided to Lender in connection with the Loan, as such may be updated, at Borrower's request, in connection with a Securitization, or hereafter provided to Lender in connection with the Loan or a Securitization, being herein collectively called the **"Provided Information"**);

14.1.2 Opinions of Counsel . Use reasonable efforts to cause to be rendered such customary updates or customary modifications to the Opinions of

Counsel delivered at the closing of the Loan as may be reasonably requested by the holder of the Note or the Rating Agencies in connection with the Securitization. Borrower's failure to use reasonable efforts to deliver or cause to be delivered the opinion updates or modifications required hereby within twenty (20) Business Days after written request therefor shall constitute an "**Event of Default**" hereunder. To the extent any of the foregoing Opinions of Counsel were required to be delivered in connection with the closing of the Loan, any update thereof shall be at the expense of Lender and without cost to Borrower. Any such Opinions of Counsel that Borrower is reasonably required to cause to be delivered in connection with a Securitization (which the parties agree shall consist of a "Review Letter" and bring downs of the Opinions of Counsel delivered as of the date hereof which Borrower acknowledges will be required to be delivered by Borrower's counsel in connection with a Securitization taking into account the due diligence Borrower's counsel deems reasonably necessary to deliver such "Review Letter"). Borrower shall not be required to pay the cost of any reliance letters or new opinions to permit successor holders of the Loan or any interest therein to rely on the opinions delivered at Closing in connection with Securitization or assignments of the Loan.

14.1.3 Modifications to Loan Documents . Without cost to the Borrower (other than legal fees of counsel to the Borrower and Guarantor), execute such amendments to the organizational documents of Borrower, Security Instrument and Loan Documents as may be reasonably requested by Lender or the Rating Agencies in order to achieve the required rating or to effect the Securitization (including, without limitation, modifying the Payment Date, as defined in the Note, to a date other than as originally set forth in the Note), provided , that nothing contained in this Section 14.1.3 shall result in any economic or other adverse change in the transaction contemplated by the Security Instrument or the Loan Documents (unless Borrower is made whole by the holder of Note) or result in any operational changes that are burdensome to the Property, Operating Lessee, Manager or Borrower.

Section 14.2 Cooperation with Rating Agencies . Borrower shall, at Lender's expense (other than legal fees of counsel to the Borrower and Guarantor), (i) at Lender's request, meet with representatives of the Rating Agencies at reasonable times to discuss the business and operations of the Property, and (ii) cooperate with the reasonable requests of the Rating Agencies in connection with the Property. Until the Obligations are paid in full, Borrower shall provide the Rating Agencies with all financial reports required hereunder and such other information as they shall reasonably request, including copies of any default notices or other material notices delivered to and received from Lender hereunder, to enable them to continuously monitor the creditworthiness of Borrower and to permit an annual surveillance of the implied credit rating of the Securities.

Section 14.3 Securitization Financial Statements . Borrower acknowledges that all such financial information delivered by Borrower to Lender pursuant to Article XI may, at Lender's option, be delivered to the Rating Agencies.

Section 14.4 Securitization Indemnification .

14.4.1 Disclosure Documents . Borrower understands that certain of the Provided Information may be included in disclosure documents in connection with the Securitization, including a prospectus or private placement memorandum or a public registration

statement (each, a**" Disclosure Document"**) and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the**"Securities Act"**) or the Securities and Exchange Act of 1934, as amended (the**"Exchange Act"**), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, upon request, Borrower shall reasonably cooperate with the holder of the Note in updating the Provided Information for inclusion or summary in the Disclosure Document by providing all current information pertaining to Borrower and the Property reasonably requested by Lender.

14.4.2 Indemnification Certificate . In connection with each of (x) a preliminary and a private placement memorandum, or (y) a preliminary and final prospectus, as applicable, Borrower agrees to provide, at Lender's reasonable request, an indemnification certificate (at no cost to Borrower other than legal fees of counsel to the Borrower and Guarantor):

(a) certifying that Borrower has carefully examined those portions of such memorandum or prospectus, as applicable, reasonably designated in writing by Lender for Borrower's review pertaining to Borrower, the Property, the Loan and/or the Provided Information and insofar as such sections or portions thereof specifically pertain to Borrower, the Property, the Provided Information or the Loan (such portions, the **"Relevant Portions"**), the Relevant Portions do not (except to the extent specified by Borrower if Borrower does not agree with the statements therein), as of the date of such certificate, to the Best of Borrower's Knowledge, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading.

(b) indemnifying Lender and the Affiliates of Citigroup Global Markets Inc. (collectively,**"CGM"**) that have prepared the Disclosure Document relating to the Securitization, each of its directors, each of its officers who have signed the Disclosure Document and each person or entity who controls CGM within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the**"CGM Group"**), and CGM, together with the CGM Group, each of their respective directors and each person who controls CGM or the CGM Group, within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act (collectively, the**"Underwriter Group"**) for any actual, out-of-pocket losses, third party claims, damages (excluding lost profits, diminution in value and other consequential damages) or liabilities arising out of third party claims (the**"Liabilities"**) to which any member of the Underwriter Group may become subject to the extent such Liabilities arise out of or are based upon any untrue statement of any material fact contained in the Relevant Portions and in the Provided Information or arise out of or are based upon the omission by Borrower to state therein a material fact required to be stated in the Relevant Portions in order to make the statements in the Relevant Portions in light of the circumstances under which they were made, not misleading (except that (x) Borrower's obligation to indemnify in respect of any information contained in a preliminary or final registration statement, private placement memorandum or preliminary or final prospectus shall be limited to any untrue statement or omission of material fact therein known to Borrower to the extent in breach of Borrower's certification made pursuant to clause (a) above and (y) Borrower shall have no responsibility for the failure of any member of the Underwriting Group to accurately transcribe written information supplied by Borrower or to include such portions of the Provided Information).

(c) Borrower's liability under clauses (a) and (b) above shall be limited to Liabilities arising out of or based upon any such untrue statement or omission made in a Disclosure Document in reliance upon and in conformity with information furnished to Lender by, or furnished at the direction and on behalf of, Borrower in connection with the preparation of those portions of the registration statement, memorandum or prospectus pertaining to Borrower, the Property or the Loan, including financial statements of Borrower and operating statements with respect to the Property. This indemnity agreement will be in addition to any liability which Borrower may otherwise have.

(d) Promptly after receipt by an indemnified party under this Article XIV of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Article XIV , notify the indemnifying party in writing of the commencement thereof, but the omission to so notify the indemnifying party will not relieve the indemnifying party from any liability which the indemnifying party may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the indemnifying party. In the event that any action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party. After notice from the indemnifying party to such indemnified party under this Article XIV of its assumption of such defense, the indemnifying party shall not be liable for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof; provided , however , if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there are any legal defenses available to it and/or other indemnified parties that are different from or in conflict with those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties at the expense of the indemnifying party. The indemnifying party shall not be liable for the expenses of separate counsel unless an indemnified party shall have reasonably concluded that there may be legal defenses available to it that are different from or in conflict with those available to another indemnified party.

(e) In order to provide for just and equitable contribution in circumstances in which the indemnity provided for in this Article XIV is for any reason held to be unenforceable by an indemnified party in respect of any actual, out-of-pocket losses, claims, damages or liabilities relating to third party claims (or action in respect thereof) referred to therein which would otherwise be indemnifiable under this Article XIV , the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such actual, out of pocket losses, third party claims, damages or liabilities (or action in respect thereof) (but excluding damages for lost profits, diminution in value of the Property and consequential damages); provided , however , that no person guilty of fraudulent misrepresentation (within the

meaning of Section 11(f) of the Securities Act) shall be entitled to contribution for Liabilities arising therefrom from any person who was not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the CGM Group's and Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; (iii) the limited responsibilities and obligations of Borrower as specified herein; and (iv) any other equitable considerations appropriate in the circumstances.

Section 14.5 Retention of Servicer . Lender reserves the right to retain the Servicer. Lender has advised Borrower that the Servicer initially retained by Lender shall be Gemsa Loan Services, L.P. Borrower shall pay any reasonable servicing fees, special servicing fees, trustee fees and any administrative fees and expenses of the Servicer, including, without limitation, reasonable attorney and other third-party fees and disbursements in connection with a prepayment, release of the Property, assumption or modification of the Loan or enforcement of the Loan Documents. Borrower shall also pay the ongoing standard monthly servicing fee.

In addition, at no incremental cost to Borrower, Lender may participate to one or more Persons all or any portion of its rights and obligations under this Agreement and the other Loan Documents (including without limitation, all or a portion of the Note) utilizing such documentation to evidence such participation and the parties' respective rights thereunder as Lender, in its sole discretion, shall elect.

Section 15.2 Effect of Assignment and Acceptance . Upon such execution, delivery, acceptance and recording, from and after the effective date specified in such Assignment and Acceptance, (i) the assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, have the rights and obligations of Lender, as the case may be, hereunder and such assignee shall be deemed to have assumed such rights and obligations, and (ii) Lender shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement and the other Loan Documents (and, in the case of an Assignment and Acceptance covering all or the remaining portion of Lender's rights and obligations under this Agreement and the other Loan Documents, Lender shall cease to be a party hereto) accruing from and after the effective date of the Assignment and Acceptance, except with respect to (A) any payments made by Borrower to Lender pursuant to the terms of the Loan Documents after the effective date of the Assignment and Acceptance and (B) any letter of credit, cash deposit or other deposits or security (other than the Lien of the Security Instrument and the other Loan Documents) delivered to or for the benefit of or deposited with Citigroup Global Markets Realty Corp., as Lender, for which Citigroup Global Markets Realty

Corp. shall remain responsible for the proper disposition thereof until such items are delivered to a party who is qualified as an Approved Bank and agrees to hold the same in accordance with the terms and provisions of the agreement pursuant to which such items were deposited.

Section 15.3 Content . By executing and delivering an Assignment and Acceptance, Lender and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Documents or the execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, this Agreement or any other Loan Documents or any other instrument or document furnished pursuant hereto or thereto; (ii) Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of Borrower or the performance or observance by Borrower of any of its obligations under any Loan Documents or any other instrument or document furnished pursuant thereto; (iii) such assignee confirms that it has received a copy of this Agreement, together with copies of such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement and the other Loan Documents; (v) such assignee appoints and authorizes Lender to take such action as agent on its behalf and to exercise such powers and discretion under the Loan Documents as are delegated to Lender by the terms hereof together with such powers and discretion as are reasonably incidental thereto; and (vi) such assignee agrees that it will perform, in accordance with their terms, all of the obligations which by the terms of this Agreement and the other Loan Documents are required to be performed by Lender.

Section 15.4 Register . Borrower shall maintain a copy of each Assignment and Acceptance delivered to and accepted by it and a register for the recordation of the names and addresses of Lender and each assignee pursuant to this Article XV and the Principal Amount of the Loan owing to each such assignee from time to time (the **"Register"**). The entries in the Register shall, with respect to such assignees, be conclusive and binding for all purposes, absent manifest error. The Register shall be available for inspection by Lender or any assignee pursuant to this Article XV at any reasonable time and from time to time upon reasonable prior written notice.

Section 15.5 Substitute Notes . Upon its receipt of an Assignment and Acceptance executed by an assignee, together with any Note or Notes subject to such assignment, Lender shall, if such Assignment and Acceptance has been completed and is in substantially the form of **Exhibit J** hereto, (i) accept such Assignment and Acceptance, (ii) record the information contained therein in the Register, and (iii) give prompt written notice thereof to Borrower. Within five (5) Business Days after its receipt of such notice, Borrower, at Lender's own expense, shall execute and deliver to Lender in exchange and substitution for the surrendered Note or Notes a new Note to the order of such assignee in an amount equal to

the portion of the Loan assigned to it and a new Note to the order of Lender in an amount equal to the portion of the Loan retained by it hereunder. Such new Note or Notes shall be in an aggregate Principal Amount equal to the aggregate then outstanding principal amount of such surrendered Note or Notes, shall be dated the effective date of such Assignment and Acceptance and shall otherwise be in substantially the form of the Note (modified, however, to the extent necessary so as not to impose duplicative or increased obligations on Borrower and to delete obligations previously satisfied by Borrower). Notwithstanding the provisions of this Article XV , Borrower and Operating Lessee shall not be responsible or liable for any additional taxes, reserves, adjustments or other costs and expenses that are related to, or arise as a result of, any transfer of the Loan or any interest or participation therein that arise solely and exclusively from the transfer of the Loan or any interest or participation therein or from the execution of the new Note contemplated by this Section 15.5 , including, without limitation, any mortgage tax. Lender and/or the assignees, as the case may be, shall from time to time designate one agent through which Borrower shall request all approvals and consents required or contemplated by this Agreement and on whose statements Borrower, Operating Lessee and Guarantor may rely.

Section 15.6 Participations . Each assignee pursuant to this Article XV may sell participations to one or more Persons (other than Borrower or any of its Affiliates) in or to all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including, without limitation, all or a portion of the Note held by it); provided , however , that (i) such assignee's obligations under this Agreement and the other Loan Documents shall remain unchanged, (ii) such assignee shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) such assignee shall remain the holder of any such Note for all purposes of this Agreement and the other Loan Documents, and (iv) Borrower, Lender and the assignees pursuant to this Article XV shall continue to deal solely and directly with such assignee in connection with such assignee's rights and obligations under this Agreement and the other Loan Documents. In the event that more than one (1) party comprises Lender, Lender shall designate one party to act on the behalf of all parties comprising Lender in providing approvals and all other necessary consents under the Loan Documents and on whose statements Borrower, Operating Lessee and Guarantor may rely.

Section 15.7 Disclosure of Information . Any assignee pursuant to this Article XV may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Article XV , disclose to the assignee or participant or proposed assignee or participant, any information relating to Borrower furnished to such assignee by or on behalf of Borrower; provided , however , that, prior to any such disclosure, the assignee or participant or proposed assignee or participant shall agree in writing for the benefit of Borrower to preserve the confidentiality of any confidential information received by it.

Section 15.8 Security Interest in Favor of Federal Reserve Bank . Notwithstanding any other provision set forth in this Agreement or any other Loan Document, any assignee pursuant to this Article XV may at any time create a security interest in all or any portion of its rights under this Agreement or the other Loan Documents (including, without limitation, the amounts owing to it and the Note or Notes held by it) in favor of any Federal Reserve Bank in accordance with Regulation A of the Board of Governors of the Federal Reserve System.

XVI. RESERVE ACCOUNTS

Section 16.1 Tax Reserve Account . In accordance with the time periods set forth in Section 3.1 , if an Event of Default shall have occurred and be continuing, if required under Section 3.1 , Borrower shall deposit into the Tax Reserve Account an amount equal to (a) one-twelfth of the annual Impositions that Lender reasonably estimates, based on the most recent tax bill for the Property, will be payable during the next ensuing twelve (12) months in order to accumulate with Lender sufficient funds to pay all such Impositions at least twenty (20) days prior to the imposition of any interest, charges or expenses for the non-payment thereof and (b) one-twelfth of the annual Other Charges that Lender reasonably estimates will be payable during the next ensuing twelve (12) months (said monthly amounts in (a) and (b) above hereinafter called the**" Monthly Tax Reserve Amount"**, and the aggregate amount of funds held in the Tax Reserve Account being the**"Tax Reserve Amount"**). As of the Closing Date, the Monthly Tax Reserve Amount is $0.00, but such amount is subject to adjustment by Lender in accordance with the provisions of Section 3.1 and this Section 16.1 . The Monthly Tax Reserve Amount shall be paid by Borrower to Lender on each Payment Date during the continuance of an Event of Default to the extent required to be paid hereunder. Lender will apply the Monthly Tax Reserve Amount to payments of Impositions and Other Charges required to be made by Borrower pursuant to Article V and Article VII and under the Security Instrument, subject to Borrower's right to contest Impositions in accordance with Section 7.3 . In making any payment relating to the Tax Reserve Account, Lender may do so according to any bill, statement or estimate procured from the appropriate public office, without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of funds in the Tax Reserve Account shall exceed the amounts due for Impositions and Other Charges pursuant to Article V and Article VII , Lender shall credit such excess against future payments to be made to the Tax Reserve Account. If at any time Lender reasonably determines that the Tax Reserve Amount is not or will not be sufficient to pay Impositions and Other Charges by the dates set forth above, Lender shall notify Borrower of such determination and Borrower shall increase its monthly payments to Lender by the amount that Lender reasonably estimates is sufficient to make up the deficiency at least thirty (30) days prior to the imposition of any interest, charges or expenses for the non-payment of the Impositions and Other Charges. Upon payment of the Impositions and Other Charges, Lender shall reassess the amount necessary to be deposited in the Tax Reserve Account for the succeeding period, which calculation shall take into account any excess amounts remaining in the Tax Reserve Account.

Section 16.2 Insurance Reserve Account . If required as provided in Section 3.1 hereof, Borrower will immediately pay to Lender for transfer by Lender to the Holding Account (or if Borrower fails to so pay Lender, Lender will transfer from the Holding Account) an amount (the**" Insurance Reserve Amount**") equal to payments of insurance premiums required to be made by Borrower to pay (or to reimburse Borrower or Operating Lessee for) the insurance required pursuant to Article VI and under the Security Instrument in accordance with the time periods set forth in Section 3.1 , an amount equal to one-twelfth of the insurance premiums that Lender reasonably estimates based on the most recent bill, will be payable for the renewal of the coverage afforded by the insurance policies upon the expiration thereof in order to accumulate with Lender sufficient funds to pay all such insurance premiums at least twenty (20) days prior to the expiration of the policies required to be maintained by Borrower pursuant to the

terms hereof (said monthly amounts hereinafter called the **"Monthly Insurance Reserve Amount"**); provided , however , that immediately following an Insurance Reserve Trigger, Borrower will pay to Lender for transfer by Lender to the Insurance Reserve Account (or if Borrower fails to so pay Lender, Lender will transfer from the Holding Account) an amount equal to payments of insurance premiums required to be made by Borrower to pay (or to reimburse Borrower or Operating Lessee) for the insurance required pursuant to Article VI and under the Security Instrument. As of the Closing Date, the Monthly Insurance Reserve Amount is $0.00. The Monthly Insurance Reserve Amount, if same is payable pursuant to Section 3.1 and this Section 16.2 , shall be paid by Borrower to Lender on each Payment Date. Lender will apply the Monthly Insurance Reserve Amount to payments of insurance premiums required to be made by Borrower to pay for the insurance required pursuant to Article VI and under the Security Instrument. In making any payment relating to the Insurance Reserve Account, Lender may do so according to any bill, statement or estimate procured from the insurer or agent, without inquiry into the accuracy of such bill, statement or estimate or into the validity thereof. If at any time Lender reasonably determines that the Insurance Reserve Amount is not or will not be sufficient to pay insurance premiums (up to a maximum amount equal to the aggregate annual insurance premium required hereunder), Lender shall notify Borrower of such determination and Borrower shall increase the Insurance Reserve Amount by the amount that Lender reasonably estimates is sufficient to make up the deficiency at least thirty (30) days prior to expiration of the applicable insurance policies. Upon payment of such insurance premiums, Lender shall reassess the amount necessary to be deposited in the Insurance Reserve Account for the succeeding period, which calculation shall take into account any excess amounts remaining in the Insurance Reserve Account.

Section 16.3 Intentionally Deleted .

Section 16.4 FF&E Reserve Account . In accordance with Section 3.1 , and during any period when Manager is not reserving for FF&E pursuant to the terms of the Management Agreement, upon the request of Borrower, Lender will, within fifteen (15) Business Days (or such shorter time as may be appropriate in Lender's reasonable discretion during emergency situations identified to Lender by Borrower in writing) after the receipt of such request and the satisfaction of the other conditions set forth in this Section, cause disbursements to Operating Lessee from the FF&E Reserve Account to pay or to reimburse Operating Lessee or Manager for actual costs incurred in connection with capital expenditures relating to FF&E at the Property (to the extent such expenditures are permitted hereunder), provided that (A) Lender has received invoices evidencing that the costs for which such disbursements are requested are due and payable and are in respect of capital expenditures relating to FF&E at the property, (B) Operating Lessee has applied any amounts previously received by it in accordance with this Section for the expenses to which specific draws made hereunder relate and received any Lien waivers or other releases which would customarily be obtained with respect to the work in question and (C) Lender has received an Officer's Certificate confirming that the conditions in the foregoing clauses (A) and (B) have been satisfied and that the copies of invoices and evidence of Lien waivers (to the extent required above) attached to such Officer's Certificate are true, complete and correct.

16.5.2 Reduction of Letter of Credit . In the event that Borrower elects to deliver the Letter of Credit to Lender under the terms of Section 16.4.1 , Lender agrees to permit the reduction from time to time of the outstanding amount of the Letter of Credit by (i) the amount of cash funds delivered to Lender as reserve funds by Borrower in place of such Letter of Credit, and (ii) the amount that Borrower would otherwise be entitled to receive as a disbursement from the applicable reserve account pursuant to Section 16.4 .

16.5.3 Security for Debt . Each Letter of Credit delivered under this Agreement shall be additional security for the payment of the Indebtedness. Upon the occurrence and during the continuance of an Event of Default, Lender shall have the right, at its option, to draw on any Letter of Credit and to apply all or any part thereof to the payment of the items for which such Letter of Credit was established or to apply each such Letter of Credit to payment of the Indebtedness in such order, proportion or priority as Lender may determine.

16.5.4 Additional Rights of Lender . In addition to any other right Lender may have to draw upon a Letter of Credit pursuant to the terms and conditions of this Agreement, Lender shall have the additional rights to draw in full any Letter of Credit: (a) if Lender has received a notice from the issuing bank that the Letter of Credit will not be renewed and a substitute Letter of Credit is not provided at least thirty (30) days prior to the date on which the outstanding Letter of Credit is scheduled to expire; (b) upon receipt of notice from the issuing bank that the Letter of Credit will be terminated (except if a substitute Letter of Credit is provided); or (c) if Lender has received notice that the bank issuing the Letter of Credit shall cease to be an Approved Bank (unless an alternative Approved Bank issues an equivalent Letter of Credit within fifteen (15) days of Borrower's receipt of notice of same). Notwithstanding anything to the contrary contained in the above, Lender is not obligated to draw any Letter of Credit upon the happening of an event specified in (a), (b) or (c) above and shall not be liable for any losses sustained by Borrower due to the insolvency of the bank issuing the Letter of Credit if Lender has not drawn the Letter of Credit.

Section 17.2 Remedies . (a) Unless waived in writing by Lender, upon the occurrence and during the continuance of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Indebtedness shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to the Property. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting

the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender shall not be subject to any one action or election of remedies law or rule and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Property and the Security Instrument has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Indebtedness or the Indebtedness has been paid in full.

(b) Upon the occurrence and during the continuance of an Event of Default, with respect to the Account Collateral, the Lender may:

(i) subject to the terms of the Assignment of Management Agreement, without notice to Borrower, except as required by law, and at any time or from time to time, charge, set-off and otherwise apply all or any part of the Account Collateral against the Obligations, Operating Expenses and/or Capital Expenditures for the Property or any part thereof;

(iv) take all other actions provided in, or contemplated by, this Agreement.

(c) With respect to Borrower, the Account Collateral, the Rate Cap Collateral and the Property, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to the Property for the satisfaction of any of the Indebtedness, and Lender may seek satisfaction out of the Property or any part thereof, in its absolute discretion in respect of the Indebtedness. In addition, Lender shall have the right from time to time to partially foreclose this Agreement and the Security Instrument in any manner and for any amounts secured by this Agreement or the Security Instrument then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal or interest, Lender may foreclose this Agreement and the Security Instrument to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose this Agreement and the Security Instrument to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by this Agreement or the Security Instrument as Lender may elect. Notwithstanding one or more partial foreclosures, the Property shall remain subject to this Agreement and the Security Instrument to secure payment of sums secured by this Agreement and the Security Instrument and not previously recovered.

Section 17.3 Remedies Cumulative; Waivers . The rights, powers and remedies of Lender under this Agreement and the Security Instrument shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower or any Guarantor shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or any Guarantor or to impair any remedy, right or power consequent thereon.

Section 17.4 Costs of Collection . In the event that after an Event of Default: (i) the Note or any of the Loan Documents is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding; (ii) an attorney is retained to represent Lender in any bankruptcy, reorganization, receivership, or other proceedings affecting creditors' rights and involving a claim under the Note or any of the Loan Documents; or (iii) an attorney is retained to protect or enforce the lien or any of the terms of this Agreement, the Security Instrument or any of the Loan Documents; then Borrower shall pay to Lender all reasonable attorney's fees, costs and expenses actually incurred in connection therewith, including costs of appeal, together with interest on any judgment obtained by Lender at the Default Rate.

Section 19.8 Headings . The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 19.9 Severability . Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

Section 19.11 Waiver of Notice . Borrower shall not be entitled to any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. Borrower hereby expressly waives the right to receive any notice from Lender with respect to any matter for which this Agreement or the other Loan Documents do not specifically and expressly provide for the giving of notice by Lender to Borrower.

Section 19.12 Expenses; Indemnity . (a) Except as may be otherwise expressly set forth in the Loan Documents, Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender upon receipt of written notice from Lender for all reasonable costs and expenses (including reasonable attorneys' fees and disbursements) incurred by Lender in connection with (i) the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower (including without limitation any opinions requested by Lender pursuant to this Agreement); (ii) Lender's ongoing

performance of and compliance with all agreements and conditions contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date; (iii) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters as required herein or under the other Loan Documents; (iv) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement; (v) the filing and recording fees and expenses, mortgage recording taxes, title insurance and reasonable fees and expenses of counsel for providing to Lender all required legal opinions, and other similar expenses incurred in creating and perfecting the Lien in favor of Lender pursuant to this Agreement and the other Loan Documents; (vi) enforcing or preserving any rights, in response to third party claims or the prosecuting or defending of any action or proceeding or other litigation, in each case against, under or affecting Borrower, this Agreement, the other Loan Documents, the Property, or any other security given for the Loan; (vii) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other Loan Documents or with respect to the Property or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a work-out or of any insolvency or bankruptcy proceedings and (viii) procuring insurance policies pursuant to Section 6.1.11 ; provided , however , that Borrower shall not be liable for the payment of any such costs and expenses to the extent the same arise (A) by reason of the gross negligence, illegal acts, fraud or willful misconduct of Lender or (B) in connection with any action taken under Article IV or a Securitization, other than the Borrower's internal administrative costs. Any cost and expenses due and payable to Lender may be paid from any amounts in the Deposit Accounts or the Holding Account if same are not paid by Borrower within ten (10) Business Days after receipt of written notice from Lender.

(b) Subject to the non-recourse provisions of Section 18.1 , Borrower shall protect, indemnify and save harmless Lender, and all officers, directors, stockholders, members, partners, employees, agents, successors and assigns thereof (collectively, the Indemnified Parties) from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses (including all reasonable attorneys' fees and expenses actually incurred) imposed upon or incurred by or asserted against the Indemnified Parties or the Property or any part of its interest therein, by reason of the occurrence or existence of any of the following (to the extent Proceeds payable on account of the following shall be inadequate; it being understood that in no event will the Indemnified Parties be required to actually pay or incur any costs or expenses as a condition to the effectiveness of the foregoing indemnity) prior to (i) the acceptance by Lender or its designee of a deed-in-lieu of foreclosure with respect to the Property, or (ii) an Indemnified Party or its designee taking possession or control of the Property or (iii) the foreclosure of the Security Instrument, except to the extent caused by the willful misconduct or gross negligence of the Indemnified Parties (other than such willful misconduct or gross negligence imputed to the Indemnified Parties because of their interest in the Property): (1) ownership of Borrower's interest in the Property, or any interest therein, or receipt of any Rents or other sum therefrom, (2) any accident, injury to or death of any persons or loss of or damage to property occurring on or about the Property or any Appurtenances thereto, (3) any design, construction, operation, repair, maintenance, use, non-use or condition of the Property or Appurtenances thereto, including claims or penalties arising from violation of any Legal Requirement or Insurance Requirement, as well as any claim based on any patent or latent defect, whether or not discoverable by Lender, any claim the insurance as to which is inadequate,

and any Environmental Claim, (4) any Default under this Agreement or any of the other Loan Documents or any failure on the part of Borrower to perform or comply with any of the terms of any Lease within the applicable notice or grace periods, (5) any performance of any labor or services or the furnishing of any materials or other property in respect of the Property or any part thereof, (6) any negligence or tortious act or omission on the part of Borrower or any of its agents, contractors, servants, employees, sublessees, licensees or invitees, (7) any contest referred to in Section 7.3 hereof, (8) any obligation or undertaking relating to the performance or discharge of any of the terms, covenants and conditions of the landlord contained in the Leases, or (9) except as may be expressly limited herein, the presence at, in or under the Property or the Improvements of any Hazardous Materials in violation of any Environmental Law. Any amounts the Indemnified Parties are legally entitled to receive under this Section which are not paid within fifteen (15) Business Days after written demand therefor by the Indemnified Parties or Lender, setting forth in reasonable detail the amount of such demand and the basis therefor, shall bear interest from the date of demand at the Default Rate, and shall, together with such interest, be part of the Indebtedness and secured by the Security Instrument. In case any action, suit or proceeding is brought against the Indemnified Parties by reason of any such occurrence, Borrower shall at Borrower's expense resist and defend such action, suit or proceeding or will cause the same to be resisted and defended by counsel at Borrower's reasonable expense for the insurer of the liability or by counsel designated by Borrower (unless reasonably disapproved by Lender promptly after Lender has been notified of such counsel); provided , however , that nothing herein shall compromise the right of Lender (or any Indemnified Party) to appoint its own counsel at Borrower's expense for its defense with respect to any action which in its reasonable opinion presents a conflict or potential conflict between Lender and Borrower that would make such separate representation advisable; provided , further , that if Lender shall have appointed separate counsel pursuant to the foregoing, Borrower shall not be responsible for the expense of additional separate counsel of any Indemnified Party unless in the reasonable opinion of Lender a conflict or potential conflict exists between such Indemnified Party and Lender. So long as Borrower is resisting and defending such action, suit or proceeding as provided above in a prudent and commercially reasonable manner, Lender and the Indemnified Parties shall not be entitled to settle such action, suit or proceeding without Borrower's consent which shall not be unreasonably withheld, delayed or conditioned, and claim the benefit of this Section with respect to such action, suit or proceeding and Lender agrees that it will not settle any such action, suit or proceeding without the consent of Borrower; provided , however , that if Borrower is not diligently defending such action, suit or proceeding in a prudent and commercially reasonable manner as provided above, and Lender has provided Borrower with thirty (30) days' prior written notice, or shorter period if mandated by the requirements of applicable law, and opportunity to correct such determination, Lender may settle such action, suit or proceeding and claim the benefit of this Section 19.12 with respect to settlement of such action, suit or proceeding. Any Indemnified Party will give Borrower prompt notice after such Indemnified Party obtains actual knowledge of any potential claim by such Indemnified Party for indemnification hereunder. The Indemnified Parties shall not settle or compromise any action, proceeding or claim as to which it is indemnified hereunder without notice to Borrower.

Section 19.13 Exhibits and Schedules Incorporated . The Exhibits and Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 19.14 Offsets, Counterclaims and Defenses . Any assignee of Lender's interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

Section 19.15 Liability of Assignees of Lender . No assignee of Lender shall have any personal liability, directly or indirectly, under or in connection with this Agreement or any other Loan Document or any amendment or amendments hereto made at any time or times, heretofore or hereafter, any different than the liability of Lender hereunder. In addition, no assignee shall have at any time or times hereafter any personal liability, directly or indirectly, under or in connection with or secured by any agreement, lease, instrument, encumbrance, claim or right affecting or relating to the Property or to which the Property is now or hereafter subject any different than the liability of Lender hereunder. The limitation of liability provided in this Section 19.15 is (i) in addition to, and not in limitation of, any limitation of liability applicable to the assignee provided by law or by any other contract, agreement or instrument, and (ii) shall not apply to any assignee's gross negligence or willful misconduct.

Section 19.16 No Joint Venture or Partnership; No Third Party Beneficiaries . (a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Property other than that of mortgagee, beneficiary or lender.

(b) This Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein provided , however , that it is hereby agreed by Lender and Borrower that the provisions of Section 3.1.5 and the provisions of Sections 6.2.2 and 6.2.5 (to the extent they relate to disbursement of funds to the Mezzanine Account and/or to pay amounts owed in connection with the Mezzanine Loan) are intended to confer upon Mezzanine Lender the right to insist upon and enforce the performance and observance of the obligation expressly set forth therein. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

Section 19.17 Publicity . All news releases, publicity or advertising by Borrower or its Affiliates through any media intended to reach the general public which refers to the Loan Documents or the financing evidenced by the Loan Documents, to Lender, or any of its Affiliates shall be subject to the prior written approval of Lender.

Section 19.18 Waiver of Marshalling of Assets . To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's shareholders and others with interests in Borrower and of the Property, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Property for the collection of the Indebtedness without any prior or different resort for collection or of the right of Lender to the payment of the Indebtedness out of the net proceeds of the Property in preference to every other claimant whatsoever.

Section 19.19 Waiver of Counterclaim and Other Actions . Borrower hereby expressly and unconditionally waives, in connection with any suit, action or proceeding brought by Lender on this Agreement, the Note, the Security Instrument or any Loan Document, any and every right it may have to (i) interpose any counterclaim therein (other than a counterclaim which can only be asserted in the suit, action or proceeding brought by Lender on this Agreement, the Note, the Security Instrument or any Loan Document and cannot be maintained in a separate action) and (ii) have any such suit, action or proceeding consolidated with any other or separate suit, action or proceeding.

Section 19.20 Conflict; Construction of Documents; Reliance . In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents, the provisions of this Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

Section 19.21 Prior Agreements . This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, are superseded by the terms of this Agreement and the other Loan Documents and unless specifically set forth in a writing contemporaneous herewith the terms, conditions and provisions of any and all such prior agreements do not survive execution of this Agreement.

Section 19.22 Counterparts . This Agreement may be executed in multiple counterparts, each of which shall constitute an original, but all of which shall constitute one document.

Section 19.23 Joint and Several Liability . If Borrower consists of more than one person, the obligations and liabilities of each such person hereunder and under the other Loan Documents shall be joint and several.

Section 19.24 Contribution Among Co-Borrowers .

(a) *Contribution* . To provide for the just and equitable contribution among the Co-Borrowers on a several basis owing to the different equity each Co-Borrower owns in their tenancy in common ownership of the Property, if any payment is made by a Co-Borrower hereunder or under the Note or any other Loan Document in respect of the Obligations, such Co-Borrower shall be entitled to a contribution from the other Co-Borrower for all payments, damages and expenses incurred by such Co-Borrower under or in connection with such Obligations, such contributions to be made in the manner and to the extent set forth below. Any amount payable as a contribution under this Agreement shall be determined as of the date on which the related payment is made by a Co-Borrower.

(b) *Calculation of Contributions* . Each Co-Borrower shall be liable for contribution to the other Co-Borrower in respect of all payments, damages and expenses incurred by the other Co-Borrower hereunder or under the Note or any other Loan Document in an aggregate amount, equal to (i) the ratio of (x) the equity in the tenancy in common ownership of the Property owned by the contributing Co-Borrower to (y) the aggregate equity tenancy in common ownership of the Property, multiplied by (ii) the aggregate amount of such payments, damages and expenses incurred by the other Co-Borrower under or in connection with the Obligations.

(ii) violate any order, writ, injunction, or decree of which, after due inquiry, counsel has actual knowledge, issued by any court or governmental authority of the United States of America or the State of New York or any agency or political subdivision of either thereof to which such Loan Party is subject; or

(iii) conflict with or result in any breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any lien other than the lien of the Loan Documents upon any of the assets or properties of such Loan Party pursuant to the terms of any material indenture, mortgage, deed of trust, agreement, contract or instrument to which such Loan Party is a party or by which it or any of its assets or properties is bound.

(c) No order, consent, approval, license or authorization of, or filing, recording or registration with, any governmental or public body or authority of the United States of America or the State of New York or any agency or political subdivision of either thereof is required in connection with the execution and delivery of any of the Loan Documents, the validity, binding effect or enforceability of any of the Loan Documents or the consummation of the transactions contemplated thereby.

(d) There are no actions, suits or proceedings by or before any court, governmental or regulatory authority or agency of which, after due inquiry, we have actual

knowledge pending or threatened against or affecting any Loan Party or Borrower's rights with respect to the Property wherein an adverse ruling or decision, individually or collectively with other such actions, suits or proceedings, is reasonably likely (i) to affect materially and adversely the ability of any Loan Party to consummate the transactions contemplated by the Loan Documents or to perform its obligations under any of the Loan Documents, or (ii) to result in a challenge to the legality, validity, binding effect or enforceability of any of the Loan Documents.

(e) The payment by Borrower and receipt by Lender of all principal and interest will not violate the usury laws of the State of New York or otherwise constitute unlawful interest.

(f) The provisions of the Loan Agreement and the Security Instrument are effective to create, in favor of Lender to secure the obligations purported to be secured thereby, a valid security interest in Borrower's rights in the UCC Collateral.

(g) Under New York UCC, the provisions of the Account Agreement are effective to perfect the security interest of Lender in Borrower's rights in the Collateral Accounts (as defined in the Account Agreement).

(g) Under the [*Relevant States*] UCC, the security interest of the Secured Party will be perfected in Borrower's rights in any Fixture Collateral located on the real property described on Schedule 1 to the Fixture Financing Statement upon the later of the attachment of the security interest and the filing of the Fixture Financing Statement in the Fixture Filing Office.

(h) Borrower has paid all recording tax due in connection with the recording of the Security Instrument and the Assignment of Leases. No additional deed of trust recording, intangibles tax, documentary stamp tax or similar taxes or charges, other than nominal recordation or filing fees, are required to be paid as a condition of the legality of enforceability of the Security Instrument or the Assignment of Leases.

(i) The State of [*Relevant States*] has no law pursuant to which a lien against any assets or properties of Borrower (whether real, personal, mixed, tangible or intangible) superior to the lien created by the Security Instrument could arise as a result of a violation of environmental laws or regulations of such State. No environmental law or regulation of the State of [*Relevant States*] would require any remedial or removal action or certification of nonapplicability as a condition to the granting of the Security Instrument, the foreclosure or other enforcement of the Loan Documents or the sale of any assets or properties of Borrower (whether real, personal, mixed, tangible or intangible) located in the State of [*Relevant States*].

(j) No order, consent, approval, license or authorization of, or filing, recording or registration with, any governmental or public body or authority of the United States of America or the State of [*Relevant States*] or any agency or political subdivision of either thereof is required in connection with the execution and delivery of any of the Loan Documents, the validity, binding effect or enforceability of any of the Loan Documents or the consummation of the transactions contemplated thereby.

(k) There are no actions, suits or proceedings by or before any court, governmental or regulatory authority or agency of which, after due inquiry, we have actual knowledge pending or threatened against or affecting any Loan Party or Borrower's rights with respect to the Property wherein an adverse ruling or decision, individually or collectively with other such actions, suits or proceedings, is reasonably likely (i) to affect materially and adversely the ability of any Loan Party to consummate the transactions contemplated by the Loan Documents or to perform its obligations under any of the Loan Documents, or (ii) to result in a challenge to the legality, validity, binding effect or enforceability of any of the Loan Documents.

(l) If the Obligations (as defined in the Security Instrument) were to be governed by the laws of the State of [*Relevant States*], the payment by Borrower and receipt by Lender of all principal and interest will not violate the usury laws of the State of [*Relevant States*] or otherwise constitute unlawful interest.

(m) A federal court sitting in the State of [*Relevant States*] and applying the conflict of law rules of the State of [*Relevant States*], and the state courts in the State of [*Relevant States*], would give effect to the choice of law provisions contained in the Loan Documents. If counsel is not able to give this opinion as an unqualified opinion, an opinion that the Loan Agreement and Note would be enforceable under the law of the State of [*Relevant States*] if such law were held to apply will be required.

(n) The operation of any term of the Loan Documents, including, without limitation, the terms regarding late charges, default interest or prepayment premiums, or the lawful exercise of any right thereunder, shall not render the Loan Documents unenforceable, in whole or in part, or subject to any right of rescission, set-off, counterclaim or defense.

5. The Opinion shall be addressed to Lender and its successors and assigns and shall state that it may be relied upon by (i) any assignee of Lender's interest in the Loan, (ii) any servicer of the Loan, (iii) any purchaser of the Loan or any portion thereof in any Securitization, (iv) any Rating Agency involved in a Securitization of the Loan, (v) the issuer of securities in a Securitization of the Loan, and (vi) any trustee or servicer appointed in connection with a Securitization of the Loan.

EXHIBIT E

NON-CONSOLIDATION OPINION REQUIREMENTS

1. The Nonconsolidation Opinion shall be delivered on the Closing Date and shall satisfy all applicable requirements of the Rating Agencies in relation thereto.

2. The Nonconsolidation Opinion shall be given by a professional law firm selected by Borrower and reasonably acceptable to Lender.

3. The Nonconsolidation Opinion shall be in form and substance acceptable to Lender and shall be given in relation to both Borrower and any other SPE Entity relevant to the Loan. The Nonconsolidation Opinion shall identify each entity (a "Relevant Entity") which owns more than a 49% direct or indirect interest in either Borrower and/or such SPE Entity. Depending on the circumstances and nature of the transaction structure, a non-affiliated entity, such as a third party property manager, shall be included as a Relevant Entity if required by the Rating Agencies.

4. The Nonconsolidation Opinion shall state that, in the event that any Relevant Entity were to be a debtor in a case under the Bankruptcy Code, it is counsel's opinion that, under present reported decisional authority and statutes applicable to federal bankruptcy cases, in a properly presented and argued case, a court would not, in the proper exercise of its equitable discretion, disregard the separate existence of Borrower or any SPE Entity so as to order substantive consolidation under the Bankruptcy Code of the assets and liabilities of such Relevant Entity with the assets and liabilities of either Borrower or any SPE Entity and treat such assets and liabilities as though either Borrower and such Relevant Entity or any SPE Entity and such Relevant Entity were one entity.

5. The Nonconsolidation Opinion shall be addressed to Lender and its successors and assigns and shall state that it may be relied upon by (i) any assignee of Lender's interest in the Loan, (ii) any participant of Lender's interest in the Loan, (iii) any servicer of the Loan, (iv) any purchaser of the Loan or any portion thereof in any Securitization, (v) any Rating Agency involved in a Securitization of the Loan, (vi) the issuer of securities in a Securitization of the Loan, and (vii) any trustee or servicer appointed in connection with a Securitization of the Loan.

DELAWARE BANKRUPTCY OPINIONS

As a general rule, the following opinions are required with respect to any single-member Delaware limited liability companies (having independent members/managers) in the organizational structure:

1. An opinion of Delaware counsel that federal bankruptcy court would hold that Delaware law, and not federal law, governs the determination of what persons or entities have authority to file a voluntary bankruptcy petition on behalf of the limited liability company.

2. Opinions of Delaware counsel as follows:

a. The limited liability company agreement constitutes a legal, valid and binding agreement of its member, and is enforceable against such member, in accordance with its terms.

b. In order for a voluntary bankruptcy petition to be filed on behalf of the Company, the unanimous consent of all of the independent managers/members is required and the provision requiring such unanimous consent in the limited liability company agreement constitutes a legal, valid and binding agreement of the member, enforceable against the member, in accordance with its terms.

c. The bankruptcy or dissolution of the limited liability company's sole member will not, by itself, cause the limited liability company to be dissolved or its affairs to be wound up.

d. A judgment creditor of the member may not satisfy its claims against the member by asserting a claim against the assets of the limited liability company.

e. The limited liability company is a separate legal entity, and shall continue as such until the cancellation of the limited liability company certificate.

(c) All consents, authorizations and approvals required for the execution and delivery by Interest Rate Cap Guarantor of the Interest Rate Cap Guaranty, and any other agreement which Interest Rate Cap Guarantor has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been obtained and remain in full force and effect, all conditions thereof have been duly complied with, and no other action by, and no notice to or filing with any governmental authority or regulatory body is required for such execution, delivery or performance.

(b) A judgment obtained in the courts of the State of New York is enforceable in the jurisdiction where Counterparty and/or Interest Rate Cap Guarantor, as applicable, is located.

6. The Counterparty Opinion shall be addressed to Lender and its successors and assigns and shall state that it may be relied upon by (i) any assignee of Lender's interest in the Loan, (ii) any participant of Lender's interest in the Loan, (iii) any servicer of the Loan, (iv) any purchaser of the Loan or any portion thereof in any Securitization, (v) any Rating Agency involved in a Securitization of the Loan, (vi) the issuer of securities in a Securitization of the Loan, and (vii) any trustee or servicer appointed in connection with a Securitization of the Loan.

INTEREST RATE CAP AGREEMENT REQUIREMENTS

- The form of cap agreement should be the 1992 ISDA Agreement (Multicurrency Cross Border or Local Currency Single Jurisdiction) subject to the 2000 Definitions.

- "Cross Default" provision of Section 5(a)(vi) of the ISDA Master Agreement will not apply. Grace and cure periods in Section 5 of the ISDA Master Agreement will either (i) not apply or (ii) if applicable, any grace or cure periods must expire in time to ensure the availability of cap payments by cap provider on a timely basis for distribution to the holders of the rated securities.
- "Credit Event Upon Merger" provisions of Section 5(b)(iv) of the ISDA Master Agreement will not apply.
- "Automatic Early Termination" provision in Section 6(a) of the ISDA Master Agreement will not apply.
- Termination Events under Sections 5(b)(ii) and 5(b)(iii) of the ISDA Master Agreement either (i) will only constitute termination events exercisable by Borrower against cap provider or (ii) if exercisable by both parties, at the time of any event triggering a termination event under Sections 5(b)(ii) and/or 5(b)(iii), cap provider must either (a) transfer the cap to a replacement cap provider acceptable to each Rating Agency at cap provider's sole cost and expense, or (b) continue to perform its obligations under the cap agreement including, without limitation, the obligation to unconditionally "gross up" in the event that a withholding tax is imposed on payments being made by the cap provider.
- Borrower shall be precluded from payment of any out of pocket expenses required under Section 11 of the ISDA Master Agreement and incurred by cap provider related to the enforcement and protection of cap provider's rights under the cap agreement.
- Market Quotation and Second Method will be used for the purpose of computing amounts payable on early termination with a provision for loss if Market Quotation is not available.
- The parties shall be deemed to have no Affiliates for purposes of the ISDA Master Agreement.
- "Specified Entities" will not apply for purposes of Sections 5(a)(v), 5(a)(vi), 5(a)(vii) and 5(b)(iv) of the ISDA Master Agreement.

- If this transaction will be guaranteed by a parent to provide a required rating, the guarantee must be unconditional, irrevocable, continuing and a guarantee of payment, not collection, and otherwise satisfy Rating Agency requirements. Any act or omission of such guarantor that would constitute an event of default by the cap provider (other than a cross default) under Section 5 of the ISDA Master Agreement will constitute an event of default under the ISDA Master Agreement.

- If the ISDA Master Agreement (Multicurrency Cross Border) ("Cross Border Agreement") is utilized, additional scheduled items and provisions to address "indemnifiable taxes" and other related issues present in cross border transactions must be incorporated:
    - Section 2(d)(i)(4) of the Cross Border Agreement must be amended to require the cap provider to unconditionally "gross up" in the event that a withholding tax is imposed on payments being made by the cap provider.
    - The definition of "indemnifiable tax" must cover any and all withholding tax.
    - Section 2(d)(i)(4) of the Cross Border Agreement will be deleted such that cap provider is not excused from having to "gross up" due to Borrower's breach of a tax representation or failure to notify cap provider of a breach of a tax representation and (ii) Borrower makes no tax representations in the cap agreement or schedule.
    - Section 2(d)(ii) of the Cross Border Agreement must be amended to provide that there is no obligation by Borrower to make payments to the cap provider for any payments made by the cap provider without deduction for taxes (for which there is no obligation to gross up).

behalf and to exercise such powers and discretion under the Loan Documents as are delegated to Lender by the terms thereof, together with such powers and discretion as are reasonably incidental thereto; and (iv) agrees that it will perform in accordance with their terms all of the obligations that by the terms of the Loan Agreement and the Note are required to be performed by it as an assignee of an interest therein.

4. Following the execution of this Assignment and Acceptance, it will be delivered to Lender for acceptance and recording. The effective date for this Assignment and Acceptance (the **Effective Date**) shall be the date of acceptance hereof by the Lender, unless otherwise specified on Schedule 1 attached hereto.

5. Upon such acceptance and recording by Lender, as of the Effective Date, (i) the Assignee shall be a party to the Loan Agreement and the Note and, to the extent provided in this Assignment and Acceptance, have the rights and obligations of an assignee thereof, and (ii) the Assignor shall, to the extent provided in the Loan Agreement and this Assignment and Acceptance, relinquish its rights and be released from its obligations under the Loan Agreement and the Note.

6. Upon such acceptance and recording by Lender, from and after the Effective Date, Lender shall make all payments under the Loan Agreement and the Note or notes in respect of the interest assigned hereby (including, without limitation, all payments of principal, interest and commitment fees with respect thereto) to the Assignee. 7. This Assignment and Acceptance shall be governed by, and construed in accordance with, the laws of the State of New York.

8. This Assignment and Acceptance may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of Schedule 1 to this Assignment and Acceptance by telecopier shall be effective as delivery of a manually executed counterpart of this Assignment and Acceptance.

THIS AGREEMENT made as of this___ day of_____, 200__ , between CITIGROUP GLOBAL MARKETS REALTY CORP., a New York corporation, having an address at 388 Greenwich Street, New York, New York 10013 (hereinafter called "Lender"), and_____, a_____, having an address at_____(hereinafter called "Tenant").

W I T N E S S E T H :

WHEREAS, by a lease (the " Original Lease") dated_____, 200__ between_____(hereinafter called "Landlord"), as landlord, and Tenant, as tenant, as amended by lease amendment[s] dated_____, 200__ , [_____, 200__ and_____, 200__] (the Original Lease, as so amended, is hereinafter the "Lease"), a memorandum of which Lease was dated_____and was recorded in_____in Reel____ , Page___ , [add recording data for memoranda of amendments, if applicable], Landlord leased to Tenant certain premises located in_____(the "Premises") on the property described in Schedule "A" annexed hereto and made a part hereof (the "Property"); and

WHEREAS, Lender is about to make a loan to Landlord, which loan shall be secured by, among other things, a mortgage or deed of trust (which mortgage or deed of trust, and all amendments, renewals, increases, modifications, replacements, substitutions, extensions, spreaders and consolidations thereof and all re-advances thereunder and addictions thereto, is referred to as the "Security Instrument") encumbering the Property; and

WHEREAS, Lender and Tenant desire to confirm their understanding and agreement with respect to the Lease and the Security Instrument.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, Lender and Tenant hereby agree and covenant as follows:

1. The Lease, and all of the terms, covenants, provisions and conditions thereof (including, without limitation, any right of first refusal, right of first offer, option or any similar right with respect to the sale or purchase of the Property, or any portion thereof) is, shall be and shall at all times remain and continue to be subject and subordinate in all respects to the lien, terms, covenants, provisions and conditions of the Security Instrument and to all advances and re-advances made thereunder and all sums secured thereby. This provision shall be self-operative but Tenant shall execute and deliver any additional instruments which Lender may reasonably require to effect such subordination.

2. So long as (i) Tenant is not in default (beyond any period given in the Lease to Tenant to cure such default) in the payment of rent, percentage rent or additional rent or in the performance or observance of any of the other terms, covenants, provisions or conditions

of the Lease on Tenant's part to be performed or observed, (ii) Tenant is not in default under this Agreement and (iii) the Lease is in full force and effect: (a) Tenant's possession of the Premises and Tenant's rights and privileges under the Lease, or any extensions or renewals thereof which may be effected in accordance with any option therefor which is contained in the Lease, shall not be diminished or interfered with by Lender, and Tenant's occupancy of the Premises shall not be disturbed by Lender for any reason whatsoever during the term of the Lease or any such extensions or renewals thereof and (b) Lender will not join Tenant as a party defendant in any action or proceeding to foreclose the Security Instrument or to enforce any rights or remedies of Lender under the Security Instrument which would cut-off, destroy, terminate or extinguish the Lease or Tenant's interest and estate under the Lease (except to the extent required so that Tenant's right to receive or set-off any monies or obligations owed or to be performed by any of Lender's predecessors-in-interest shall not be enforceable thereafter against Lender or any of Lender's successors-in-interest). Notwithstanding the foregoing provisions of this paragraph, if it would be procedurally disadvantageous for Lender not to name or join Tenant as a party in a foreclosure proceeding with respect to the Security Instrument, Lender may so name or join Tenant without in any way diminishing or otherwise affecting the rights and privileges granted to, or inuring to the benefit of, Tenant under this Agreement.

3. (A) After notice is given by Lender that the Security Instrument is in default and that the rentals under the Lease should be paid to Lender, Tenant will attorn to Lender and pay to Lender, or pay in accordance with the directions of Lender, all rentals and other monies due and to become due to Landlord under the Lease or otherwise in respect of the Premises. Such payments shall be made regardless of any right of set-off, counterclaim or other defense which Tenant may have against Landlord, whether as the tenant under the Lease or otherwise.

(B) In addition, if Lender (or its nominee or designee) shall succeed to the rights of Landlord under the Lease through possession or foreclosure action, delivery of a deed or otherwise, or another person purchases the Property or the portion thereof containing the Premises upon or following foreclosure of the Security Instrument or in connection with any bankruptcy case commenced by or against Landlord, then at the request of Lender (or its nominee or designee) or such purchaser (Lender, its nominees and designees, and such purchaser, and their respective successors and assigns, each being a " Successor-Landlord"), Tenant shall attorn to and recognize Successor-Landlord as Tenant's landlord under the Lease and shall promptly execute and deliver any instrument that Successor-Landlord may reasonably request to evidence such attornment. Upon such attornment, the Lease shall continue in full force and effect as, or as if it were, a direct lease between Successor-Landlord and Tenant upon all terms, conditions and covenants as are set forth in the Lease. If the Lease shall have terminated by operation of law or otherwise as a result of or in connection with a bankruptcy case commenced by or against Landlord or a foreclosure action or proceeding or delivery of a deed in lieu, upon request of Successor-Landlord, Tenant shall promptly execute and deliver a direct lease with Successor-Landlord which direct lease shall be on substantially the same terms and conditions as the Lease (subject, however, to the provisions of clauses (i)-(v) of this paragraph 3(B)) and shall be effective as of the day the Lease shall have terminated as aforesaid. Notwithstanding the continuation of the Lease, the attornment of Tenant thereunder or the execution of a direct lease between Successor-Landlord and Tenant as aforesaid, Successor-Landlord shall not:

(i) be liable for any previous act or omission of Landlord under the Lease;

(ii) be subject to any off-set, defense or counterclaim which shall have theretofore accrued to Tenant against Landlord;

(iii) be bound by any modification of the Lease or by any previous prepayment of rent or additional rent made more than one (1) month prior to the date same was due which Tenant might have paid to Landlord, unless such modification or prepayment shall have been expressly approved in writing by Lender;

(iv) be liable for any security deposited under the Lease unless such security has been physically delivered to Lender or Successor-Landlord; and

(v) be liable or obligated to comply with or fulfill any of the obligations of the Landlord under the Lease or any agreement relating thereto with respect to the construction of, or payment for, improvements on or above the Premises (or any portion thereof), leasehold improvements, tenant work letters and/or similar items.

4. Tenant agrees that without the prior written consent of Lender, it shall not (a) amend, modify, terminate or cancel the Lease or any extensions or renewals thereof, (b) tender a surrender of the Lease, (c) make a prepayment of any rent or additional rent more than one (1) month in advance of the due date thereof, or (d) subordinate or permit the subordination of the Lease to any lien subordinate to the Security Instrument. Any such purported action without such consent shall be void as against the holder of the Security Instrument.

5. (A) Tenant shall promptly notify Lender of any default by Landlord under the Lease and of any act or omission of Landlord which would give Tenant the right to cancel or terminate the Lease or to claim a partial or total eviction.

(B) In the event of a default by Landlord under the Lease which would give Tenant the right, immediately or after the lapse of a period of time, to cancel or terminate the Lease or to claim a partial or total eviction, or in the event of any other act or omission of Landlord which would give Tenant the right to cancel or terminate the Lease, Tenant shall not exercise such right (i) until Tenant has given written notice of such default, act or omission to Lender and (ii) unless Lender has failed, within sixty (60) days after Lender receives such notice, to cure or remedy the default, act or omission or, if such default, act or omission shall be one which is not reasonably capable of being remedied by Lender within such sixty (60) day period, until a reasonable period for remedying such default, act or omission shall have elapsed following the giving of such notice and following the time when Lender shall have become entitled under the Security Instrument to remedy the same (which reasonable period shall in no event be less than the period to which Landlord would be entitled under the Lease or otherwise, after similar notice, to effect such remedy), provided that Lender shall with due diligence give Tenant written notice of its intention to and shall commence and continue to, remedy such default, act or omission. If Lender cannot reasonably remedy a default, act or omission of Landlord until after Lender obtains possession of the Premises, Tenant may not terminate or cancel the Lease or claim a partial or total eviction by reason of such default, act or omission

until the expiration of a reasonable period necessary for the remedy after Lender secures possession of the Premises. To the extent Lender incurs any expenses or other costs in curing or remedying such default, act or omission, including, without limitation, attorneys' fees and disbursements, Lender shall be subrogated to Tenant's rights against Landlord.

(C) Notwithstanding the foregoing, Lender shall have no obligation hereunder to remedy such default, act or omission.

6. To the extent that the Lease shall entitle Tenant to notice of the existence of any mortgage and the identity of any mortgagee or any ground lessor, this Agreement shall constitute such notice to Tenant with respect to the Security Instrument and Lender.

7. Upon and after the occurrence of a default under the Security Instrument, which is not cured after any applicable notice and/or cure periods, Lender shall be entitled, but not obligated, to exercise the claims, rights, powers, privileges and remedies of Landlord under the Lease and shall be further entitled to the benefits of, and to receive and enforce performance of, all of the covenants to be performed by Tenant under the Lease as though Lender were named therein as Landlord.

8. Anything herein or in the Lease to the contrary notwithstanding, in the event that a Successor-Landlord shall acquire title to the Property or the portion thereof containing the Premises, Successor-Landlord shall have no obligation, nor incur any liability, beyond Successor-Landlord's then interest, if any, in the Property, and Tenant shall look exclusively to such interest, if any, of Successor-Landlord in the Property for the payment and discharge of any obligations imposed upon Successor-Landlord hereunder or under the Lease, and Successor-Landlord is hereby released or relieved of any other liability hereunder and under the Lease. Tenant agrees that, with respect to any money judgement which may be obtained or secured by Tenant against Successor-Landlord, Tenant shall look solely to the estate or interest owned by Successor-Landlord in the Property, and Tenant will not collect or attempt to collect any such judgement out of any other assets of Successor-Landlord.

9. Notwithstanding anything to the contrary in the Lease, Tenant agrees for the benefit of Landlord and Lender that, except as permitted by, and fully in accordance with, applicable law, Tenant shall not generate, store, handle, discharge or maintain in, on or about any portion of the Property, any asbestos, polychlorinated biphenyls, or any other hazardous or toxic materials, wastes and substances which are defined, determined or identified as such (including, but not limited to, pesticides and petroleum products if they are defined, determined or identified as such) in any federal, state or local laws, rules or regulations (whether now existing or hereafter enacted or promulgated) or any judicial or administrative interpretation of any thereof, including any judicial or administrative interpretation of any thereof, including any judicial or administrative orders or judgments.

10. If the Lease provides that Tenant is entitled to expansion space, Successor-Landlord shall have no obligation nor any liability for failure to provide such expansion space if a prior landlord (including, without limitation, Landlord), by reason of a lease or leases entered into by such prior landlord with other tenants of the Property, has precluded the availability of such expansion space.

11. Except as specifically provided in this Agreement, Lender shall not, by virtue of this Agreement, the Security Instrument or any other instrument to which Lender may be a party, be or become subject to any liability or obligation to Tenant under the Lease or otherwise.

12. (A) Tenant acknowledges and agrees that this Agreement satisfies and complies in all respects with the provisions of Article___ of the Lease and that this Agreement supersedes (but only to the extent inconsistent with) the provisions of such Article and any other provision of the Lease relating to the priority or subordination of the Lease and the interests or estates created thereby to the Security Instrument.

(B) Tenant agrees to enter into a subordination, non-disturbance and attornment agreement with any lender which shall succeed Lender as lender with respect to the Property, or any portion thereof, provided such agreement is substantially similar to this Agreement. Tenant does herewith irrevocably appoint and constitute Lender as its true and lawful attorney-in-fact in its name, place and stead to execute such subordination, non-disturbance and attornment agreement, without any obligation on the part of Lender to do so. This power, being coupled with an interest, shall be irrevocable as long as the Indebtedness secured by the Security Instrument remains unpaid. Lender agrees not to exercise its rights under the preceding two sentences if Tenant promptly enters into the subordination, non-disturbance and attornment agreement as required pursuant to the first sentence of this subparagraph (B).

13. (A) Any notice required or permitted to be given by Tenant to Landlord shall be simultaneously given also to Lender, and any right to Tenant dependent upon notice shall take effect only after notice is so given. Performance by Lender shall satisfy any conditions of the Lease requiring performance by Landlord, and Lender shall have a reasonable time to complete such performance as provided in Paragraph 5 hereof.

(B) All notices or other communications required or permitted to be given to Tenant or to Lender pursuant to the provisions of this Agreement shall be in writing and shall be deemed given only if mailed by United States registered mail, postage prepaid, or if sent by nationally recognized overnight delivery service (such as Federal Express or United States Postal Service Express Mail), addressed as follows: to Tenant, at the address first set forth above, Attention:_____; to Lender, at the address first set forth above, Attention:_____and General Counsel, with a copy to Cadwalader, Wickersham & Taft LLP, One World Financial Center, New York, New York 10281, Attention: Frederic L. Altschuler, Esq.; or to such other address or number as such party may hereafter designate by notice delivered in accordance herewith. All such notices shall be deemed given three (3) business days after delivery to the United States Post office registry clerk if given by registered mail, or on the next business day after delivery to an overnight delivery courier.

14. This Agreement may be modified only by an agreement in writing signed by the parties hereto, or their respective successors-in-interest. This Agreement shall inure to the benefit of and be binding upon the parties hereto, and their respective successors and assigns. The term "Lender" shall mean the then holder of the Security Instrument. The term "Landlord" shall mean the then holder of the landlord's interest in the Lease. The term " person" shall mean

an individual, joint venture, corporation, partnership, trust, limited liability company, unincorporated association or other entity. All references herein to the Lease shall mean the Lease as modified by this Agreement and to any amendments or modifications to the Lease which are consented to in writing by Lender. Any inconsistency between the Lease and the provisions of this Agreement shall be resolved, to the extent of such inconsistency, in favor of this Agreement.

15. Tenant hereby represents to Lender as follows:

(a) The Lease is in full force and effect and has not been further amended.

(b) There has been no assignment of the Lease or subletting of any portion of the premises demised under the Lease.

(c) There are no oral or written agreements or understandings between Landlord and Tenant relating to the premises demised under the Lease or the Lease transaction except as set forth in the Lease.

(d) The execution of the Lease was duly authorized and the Lease is in full force and effect and to the best of Tenant's knowledge there exists no default (beyond any applicable grace period) on the part of either Tenant or Landlord under the Lease.

(f) To the best of Tenant's knowledge, there is no present assignment, hypothecation or pledge of the Lease or rents accruing under the Lease by Landlord, other than pursuant to the Security Instrument.

16. Whenever, from time to time, reasonably requested by Lender (but not more than three (3) times during any calendar year), Tenant shall execute and deliver to or at the direction of Lender, and without charge to Lender, one or more written certifications, in a form acceptable to Tenant, of all of the matters set forth in Paragraph 15 above, and any other information the Lender may reasonably require to confirm the current status of the Lease.

17. BOTH TENANT AND LENDER HEREBY IRREVOCABLY WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT.

18. This Agreement shall be governed by and construed in accordance with the laws of the State in which the Property is located.

acknowledges and agrees that the five day grace period with respect to the applicability of the Late Payment Charge (i) shall only apply to Mezzanine Borrower's first failure to make a monthly interest payment in any calendar year and (ii) shall not constitute a payment grace period and shall in no way limit Mezzanine Lender's rights under Article XVII .

2.2.4 Usury Savings . This Agreement and the Mezzanine Note are subject to the express condition that at no time shall Mezzanine Borrower be obligated or required to pay interest on the Principal Amount of the Loan at a rate which could subject Mezzanine Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents (Mezzanine), Mezzanine Borrower is at any time required or obligated to pay interest on the Principal Amount due under the Mezzanine Note at a rate in excess of the Maximum Legal Rate, then the LIBOR Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due under the Mezzanine Note. All sums paid or agreed to be paid to Mezzanine Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

Section 2.3 Prepayments . No prepayments of the Indebtedness shall be permitted except as set forth in Section 2.3.1 hereof and Section 4 of the Mezzanine Note. Mezzanine Borrower agrees and acknowledges after the closing of the Loan that prior to a material Event of Default (as determined by Mezzanine Lender in its sole and absolute discretion) (x) in the case of prepayments of the Loan in connection with a casualty or Taking, principal will be applied (to the extent not used for restoration pursuant to the terms of the Mortgage Loan Agreement) to the Mezzanine Note, any substitute or component notes (as applicable) and the Mortgage Note sequentially starting with the most senior tranche and (y) in the case of all prepayments of the Loan other than in accordance with the preceding clause (x), such prepayments will be applied to the Mezzanine Note, any substitute or component notes (as applicable) and the Mortgage Note pro-rata (on the basis of their respective principal balances) among the securitized and any non-securitized portions of the loans (and pro-rata within the securitized portions of the loans). Notwithstanding the foregoing, upon the occurrence and during the continuance of a material Event of Default (as determined by Mezzanine Lender in its sole and absolute discretion), Mezzanine Borrower agrees and acknowledges that any principal prepayments of the Loan will be applied to the Mezzanine Note, any substitute or component notes (as applicable) and the Mortgage Note sequentially, starting with the most senior tranche (it being acknowledged that during the continuance of a material Event of Default all securitized portions of the loans shall be paid in full prior to the payment of any non-securitized portions of the loans).

2.3.1 Mandatory Prepayment . (a) Except as described in Section 2.3.1(b) below, Mezzanine Borrower shall repay the Mezzanine Note, in full, together with the Prepayment Fee (if applicable), in accordance with Section 4(b) of the Mezzanine Note upon the occurrence of any of the following events:

(i) if any Transfer is made or effectuated in violation of the provisions of Article VIII ; or

(ii) if the Loan (Mortgage) is repaid or refinanced.

(b) If there shall occur a casualty or Taking in respect of the Property and as a result thereof the Loan (Mortgage) is prepaid in whole or in part, then, to the extent that there shall be excess proceeds or awards available following the application of the proceeds or awards to reconstruct or repair the Property or to the payment of all or any portion of the Loan (Mortgage) pursuant to the terms of the Loan Documents (Mortgage) (the "**Excess Proceeds**"), Mezzanine Borrower shall repay the Mezzanine Note, or a portion thereof, in the amount of such available Excess Proceeds. All Excess Proceeds shall be deposited directly into the Mezzanine Account.

2.3.2 Prepayments After Event of Default . If, following an Event of Default, Mezzanine Lender shall accelerate the Indebtedness and Mezzanine Borrower thereafter tenders payment of all or any part of the Indebtedness, or if all or any portion of the Indebtedness is recovered by Mezzanine Lender after such Event of Default, (a) such payment may be made only on the next occurring Payment Date together with all unpaid interest thereon as calculated through the end of the Interest Period during which such Payment Date occurs (even if such period extends beyond such Payment Date and calculated as if such payment had not been made on such Payment Date), and all other fees and sums payable hereunder or under the Loan Documents (Mezzanine), including without limitation, interest that has accrued at the Default Rate and any Late Payment Charges), (b) such payment shall be deemed a voluntary prepayment by Mezzanine Borrower, and (c) Mezzanine Borrower shall pay, in addition to the Indebtedness, an amount equal to the Prepayment Fee, if applicable.

2.3.3 Release of Collateral . Mezzanine Lender shall, upon the written request and at the reasonable expense of Mezzanine Borrower, upon payment in full of the Principal Amount and interest on the Loan and all other amounts due and payable under the Loan Documents (Mezzanine) in accordance with the terms and provisions of the Mezzanine Note and this Agreement, release the Lien of (i) this Agreement upon the Account Collateral (Mezzanine) and the Rate Cap Collateral (Mezzanine) and (ii) the Pledge on the Collateral or assign it, in whole or in part, to a new lender. In such event, Mezzanine Borrower shall submit to Mezzanine Lender, on a date prior to the date of such release or assignment sufficient to provide a reasonable period for review thereof, a release of lien or assignment of lien, as applicable, for such Collateral for execution by Lender. Such release or assignment, as applicable, shall be in a form satisfactory to Mezzanine Lender in its reasonable discretion. In addition, Mezzanine Borrower shall provide all other documentation Mezzanine Lender reasonably requires to be delivered by Mezzanine Borrower in connection with such release or assignment, as applicable.

If, as a result of any Regulatory Change or compliance of Mezzanine Lender therewith, the basis of taxation of payments to Mezzanine Lender or any company Controlling Mezzanine Lender of the principal of or interest on the Loan is changed or Mezzanine Lender or the company Controlling Mezzanine Lender shall be subject to (i) any tax,

duty, charge or withholding of any kind with respect to this Agreement (excluding federal taxation of the overall net income of Mezzanine Lender or the company Controlling Mezzanine Lender); or (ii) any reserve, special deposit or similar requirements relating to any extensions of credit or other assets of, or any deposits with or other liabilities, of Mezzanine Lender or any company Controlling Mezzanine Lender is imposed, modified or deemed applicable; or (iii) any other condition affecting loans to borrowers subject to LIBOR-based interest rates is imposed on Mezzanine Lender or any company Controlling Mezzanine Lender and Mezzanine Lender determines that, by reason thereof, the cost to Mezzanine Lender or any company Controlling Mezzanine Lender of making, maintaining or extending the Loan to Mezzanine Borrower is increased, or any amount receivable by Mezzanine Lender or any company Controlling Mezzanine Lender hereunder in respect of any portion of the Loan to Mezzanine Borrower is reduced, in each case by an amount deemed by Mezzanine Lender in good faith to be material (such increases in cost and reductions in amounts receivable being herein called "**Increased Costs**"), then Mezzanine Lender shall provide notice thereof to Mezzanine Borrower and Mezzanine Borrower agrees that it will pay to Mezzanine Lender upon Mezzanine Lender's written request such additional amount or amounts as will compensate Mezzanine Lender or any company Controlling Mezzanine Lender for such Increased Costs to the extent Mezzanine Lender determines that such Increased Costs are allocable to the Loan and provided that Mezzanine Lender is generally exercising rights similar to those set forth in this Section 2.4.1 against other borrowers similarly situated to Mezzanine Borrower. Mezzanine Lender will notify Mezzanine Borrower of any event occurring after the date hereof which will entitle Mezzanine Lender to compensation pursuant to this Section 2.4.1 as promptly as practicable after it obtains knowledge thereof and determines to request such compensation; provided, however, that, if Mezzanine Lender fails to deliver a notice within 90 days after the date on which an officer of Mezzanine Lender responsible for overseeing this Agreement knows or has reason to know of its right to additional compensation under this Section 2.4.1 , Mezzanine Lender shall only be entitled to additional compensation for any such Increased Costs incurred from and after the date that is 90 days prior to the date Mezzanine Borrower received such notice. If Mezzanine Lender requests compensation under this Section 2.4.1 , Mezzanine Borrower may, by notice to Mezzanine Lender, require that Mezzanine Lender furnish to Mezzanine Borrower a statement setting forth the basis for requesting such compensation and the method for determining the amount thereof, and a description as to why Section 2.4.1 is not applicable.

2.4.2 Special Taxes . Mezzanine Borrower shall make all payments hereunder free and clear of and without deduction for Special Taxes. If Mezzanine Borrower shall be required by law to deduct any Special Taxes from or in respect of any sum payable hereunder or under any other Loan Document (Mezzanine) to Mezzanine Lender, (i) the sum payable shall be increased as may be necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.4.2) Mezzanine Lender receives an amount equal to the sum it would have received had no such deductions been made, (ii) Mezzanine Borrower shall make such deductions, and (iii) Mezzanine Borrower shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

2.4.3 Other Taxes . In addition, Mezzanine Borrower agrees to pay any present or future stamp or documentary taxes or other excise or property taxes, charges, or similar levies which arise from any payment made hereunder, or from the execution, delivery or registration of, or otherwise with respect to, this Agreement, the other Loan Documents (Mezzanine), or the Loan (hereinafter referred to as "**Other Taxes**").

Mezzanine Borrower shall indemnify Mezzanine Lender for the full amount of Special Taxes and Other Taxes (including any Special Taxes or Other Taxes imposed by any Governmental Authority on amounts payable under this Section 2.4.4) paid by Mezzanine Lender and any liability (including penalties, interest, and expenses) arising therefrom or with respect thereto, whether or not such Special Taxes or Other Taxes were correctly or legally asserted. This indemnification shall be made within thirty (30) days after the date Mezzanine Lender makes written demand therefor.

Mezzanine Borrower acknowledges that Mezzanine Lender shall not be required to make such withdrawal and deposit until such time as Mezzanine Lender is able to calculate the amount of the Debt Service (Mezzanine) for the next occurring Payment Date. As used herein, the term **"Net Excess Cash Flow"** means the amount available in the Mezzanine Account after the transfers to the Mezzanine Debt Service Reserve Account required under this Section 3.1.6 have been made and the term **"Net Excess Cash Flow Commencement Date"** shall mean the date such amounts have been fully funded or reserved within the Mezzanine Account in any given calendar month.

(b) If for any reason there will be insufficient amounts in the Mezzanine Debt Service Reserve Account on any Payment Date to pay the Debt Service (Mezzanine) due on such Payment Date, Mezzanine Borrower shall immediately deposit into the Mezzanine Account an amount equal to the shortfall of available funds in the Mezzanine Debt Service Reserve Account. Any failure by Mezzanine Borrower to deposit the full amount required by the preceding sentence shall constitute an Event of Default hereunder. If Mezzanine Lender shall reasonably determine that there will be insufficient amounts in the Mezzanine Account to pay any Protective Advances as and when the same are due and payable, Mezzanine Lender shall provide written notice of same to Mezzanine Borrower setting forth the basis for such determination. Within five (5) Business Days of receipt of said notice, Mezzanine Borrower shall deposit into the Mezzanine Account an amount equal to the shortfall of available funds in the Mezzanine Account. Any failure by Mezzanine Borrower to deposit the full amount required by the preceding sentence within said five (5) Business Day period shall constitute an Event of Default hereunder.

(c) Provided that (i) no Event of Default shall have occurred and be continuing hereunder or under the other Loan Documents (Mezzanine), (ii) no Mortgage Event of Default shall have occurred and be continuing, (iii) Mezzanine Borrower shall have delivered to Mezzanine Lender an Officer's Certificate (which Mezzanine Borrower shall not be obligated to deliver more frequently than once per calendar month) certifying that the signatories know of no Event of Default or Mortgage Event of Default (as applicable) that has occurred and is then outstanding hereunder or under any of the other Loan Documents (Mezzanine) or under any of the Loan Documents (Mortgage), and (iv) Mezzanine Borrower shall have deposited into the Mezzanine Account all funds then required to have been so deposited, then Mezzanine Lender shall transfer the Net Excess Cash Flow from the Mezzanine Account to Mezzanine Borrower's Account (or a third party account as directed by Mezzanine Borrower).

(d) In the event that an Event of Default shall have occurred and is then continuing, then, without notice from Mezzanine Lender, all Net Excess Cash Flow shall be applied to reduce the outstanding Principal Amount of the Mezzanine Note. At such time that the Event of Default shall no longer be continuing and provided none of the event set forth in subsection c(i) through (iii) shall have occurred and is then continuing, then all Net Excess Cash Flow shall be distributed in accordance with the provision of subsection (c) above.

(e) Whether or not an Event of Default has then occurred and is continuing under the Loan Documents (Mezzanine), Mezzanine Lender (so long as Mezzanine Lender is not the same entity as Mortgage Lender) agrees to deliver to Mortgage Lender a monthly notice letter (the**"Mezzanine Lender Monthly Debt Service Notice Letter"**) at least five (5) Business Days prior to each Payment Date setting forth the Debt Service (Mezzanine) payable by Mezzanine Borrower on the first Payment Date occurring after the date such notice is delivered.

(f) Mezzanine Borrower hereby acknowledges that, pursuant to Section 3.1.5 of the Loan Agreement (Mortgage), (i) to the extent the Mortgage Lender has received notice from Mezzanine Lender that an Event of Default has occurred and is continuing under the Loan Documents (Mezzanine) (a**"Mezzanine Loan Default Notice"**) and until such time as Mortgage Lender receives a notice from Mezzanine Lender that such Event of Default is no longer continuing (a **"Mezzanine Loan Default Revocation Notice"**) and provided there is no Event of Default under the Mortgage Loan, the Mortgage Borrower has irrevocably directed that all Excess Cash Flow is to be deposited directly into the Mezzanine Account for application as provided in this Agreement (in lieu of transferring such funds to such accounts of the Mortgage Borrower or as the Mortgage Borrower may have so directed if the Mortgage Lender had not received such notice from Mezzanine Lender) and (ii) the directions described in the preceding clause shall not be changed or terminated without the written consent of the Mezzanine Lender. Notwithstanding any provision herein to the contrary, provided no Event of Default has occurred or is continuing, there shall be disbursed to Mezzanine Borrower the Proceeds of a Condemnation or Casualty remaining after payment of all amounts to which Mortgage Lender and Mezzanine Lender are entitled. Mezzanine Borrower agrees that Mezzanine Lender shall not be required to deliver to Mortgage Lender a Mezzanine Loan Default Notice prior to the deposit of Proceeds into the Mezzanine Account.

3.1.7 Cash Management Bank . (a) For the purposes of this Agreement, the Cash Management Bank (Mezzanine) named herein shall be deemed to be an Approved Bank;

provided , however , that the term "Approved Bank" shall be applicable for all other purposes and shall be applicable to any successor or assign of Cash Management Bank (Mezzanine). Mezzanine Lender shall have the right at Mezzanine Borrower's sole cost and expense to replace the Cash Management Bank (Mezzanine) with a financial institution reasonably satisfactory to Mezzanine Borrower in the event that (i) the Cash Management Bank (Mezzanine) fails, in any material respect, to comply with the Account Agreement (Mezzanine), (ii) the Cash Management Bank (Mezzanine) named herein is no longer the Cash Management Bank (Mezzanine) or (iii) the Cash Management Bank (Mezzanine) is no longer an Approved Bank.

(b) During the term of the Loan, so long as no Event of Default shall have occurred and is continuing, Mezzanine Borrower, at its sole cost and expense, shall have the right to replace the Cash Management Bank (Mezzanine) with a financial institution that is an Approved Bank provided such institution shall execute and deliver to Mezzanine Lender (with a copy to Mortgage Lender) the Account Agreement (Mezzanine) (and Mezzanine Lender shall reasonably cooperate with Mezzanine Borrower in connection with such transfer). Upon the occurrence and during the continuance of an Event of Default, Mezzanine Lender shall have the right at Mezzanine Borrower's sole cost and expense to replace Cash Management Bank at any time, without notice to Mezzanine Borrower. Mezzanine Borrower shall cooperate with Mezzanine Lender in connection with the appointment of any replacement Cash Management Bank and the execution by the Cash Management Bank and the Mezzanine Borrower of an Account Agreement and delivery of same to Mezzanine Lender.

5.1.7 Cooperate in Legal Proceedings . Mezzanine Borrower shall cooperate (and shall cause Mortgage Borrower to cooperate) fully with Mezzanine Lender with respect to any proceedings before any court, board or other Governmental Authority which would reasonably be expected to affect in any material adverse way the rights of Mezzanine Lender hereunder or under any of the other Loan Documents (Mezzanine) and, in connection therewith, permit Mezzanine Lender, at its election, to participate in any such proceedings which may have a Material Adverse Effect.

5.1.8 Perform Loan Documents (Mezzanine) . Mezzanine Borrower shall observe, perform and satisfy all the terms, provisions, covenants and conditions of, and shall pay when due all costs, fees and expenses to the extent required, under the Loan Documents (Mezzanine) executed and delivered by, or applicable to, Mezzanine Borrower.

5.1.9 Further Assurances; Separate Notes . (a) If the Loan is extended and the Extension Option is exercised Mezzanine Borrower shall execute and acknowledge (or cause to be executed and acknowledged) and deliver to Mezzanine Lender all documents, and take all actions, reasonably required by Mezzanine Lender from time to time to confirm the rights created or now or hereafter intended to be created under this Agreement and the other Loan Documents (Mezzanine) and any security interest created or purported to be created thereunder, to protect and further the validity, priority and enforceability of this Agreement and the other Loan Documents (Mezzanine), to subject to the Loan Documents (Mezzanine) any property of Mezzanine Borrower intended by the terms of any one or more of the Loan Documents (Mezzanine) to be encumbered by the Loan Documents (Mezzanine), or otherwise carry out the purposes of the Loan Documents (Mezzanine) and the transactions contemplated thereunder. On or after March 15, 2007, Mezzanine Borrower agrees that it shall, upon request, reasonably cooperate with Mezzanine Lender in connection with any request by Mezzanine Lender to reallocate the LIBOR Margin among the Notes or to sever the Mezzanine Note into two (2) or more separate substitute or component notes in an aggregate principal amount equal to the Principal Amount and to reapportion the Loan among such separate substitute notes, including, without limitation, by executing and delivering to Mezzanine Lender new substitute or component notes to replace the Mezzanine Note, amendments to or replacements of existing Loan Documents (Mezzanine) to reflect such severance and/or Opinions of Counsel with respect to such substitute or component notes, amendments and/or replacements, provided that Mezzanine Borrower shall bear no costs or expenses in connection therewith (other than

administrative costs and expenses of Mezzanine Borrower and legal fees of counsel to the Borrower and Guarantor), and the holders of such substitute or component notes shall designate a lead lender or agent for such holders to whom Mezzanine Borrower may direct all communications with respect to the Loan. Any such substitute or component notes may have varying principal amounts and economic terms, provided, however, that (i) the maturity date of any such substitute or component notes shall be the same as the scheduled Maturity Date of the Mezzanine Note immediately prior to the issuance of such substitute notes, (ii) the substitute notes shall provide for amortization of the Principal Amount on a weighted average basis over a period not less than the amortization period provided under the Mezzanine Note, if any, immediately prior to the issuance of the substitute notes, (iii) the weighted average LIBOR Margin for the term of the substitute notes shall not exceed the LIBOR Margin under the Mezzanine Note immediately prior to the issuance of such substitute notes; and (iv) the economics of the Loan, taken as a whole, shall not change in a manner which is adverse to Mezzanine Borrower. Upon the occurrence and during the continuance of an Event of Default, Mezzanine Lender may apply payment of all sums due under such substitute notes in such order and priority as Mezzanine Lender shall elect in its sole and absolute discretion.

(b) No Securitization shall occur prior to March 15, 2007. Mezzanine Borrower further agrees that if, in connection with the Securitization, it is determined by the Rating Agencies that a portion of the Securitization would not receive an "investment grade" rating unless the principal amount of the Mortgage Loan were to be decreased and, as a result, the principal amount of the Mortgage Loan is decreased, then (i) the Mezzanine Borrower shall take all actions as are necessary to effect the "resizing", including the reallocation of the LIBOR Margin of the Loan and the Mortgage Loan, (ii) the Mezzanine Borrower shall cause the Mortgage Borrower to comply with its agreements to effect a "resizing", and (iii) Mezzanine Lender shall on the date of the "resizing" of the Loan lend to the Mezzanine Borrower (by way of a reallocation of the principal amount of the Mortgage Loan and the Loan) such additional amount equal to the amount of the principal reduction of the Loan (without Prepayment Fee or penalty) provided that Mortgage Borrower and Mezzanine Borrower execute and deliver any and all necessary amendments or modifications to the Loan Documents (Mortgage) and the Loan Documents (Mezzanine). In addition, Mezzanine Borrower and Mezzanine Lender agree that if, in connection with the Securitization, it is determined by the Rating Agencies that, if the principal amount of the Loan were to be decreased and, as a result the principal amount of the Mortgage Loan were increased, more "investment grade" rated securities could be issued, then (i) if "resizing" to increase the size of the Mortgage Loan and decrease the size of the Loan is provided for in the Loan Documents (Mortgage), each of them shall take all actions provided for in the documentation for the Loan as are necessary to effect the "resizing" of the Loan and the Mortgage Loan, (ii) Mezzanine Borrower shall cause the Mortgage Borrower to comply with its agreements to effect a "resizing" and (iii) Mortgage Lender shall on the date of the "resizing" of the Loan lend to the Mortgage Borrower (by way of a reallocation of the principal amount of the Mortgage Loan and the Loan) an additional amount equal to the amount of principal reduction of the Loan, provided that Mortgage Borrower and Mezzanine Borrower execute and deliver any and all necessary modifications to the Loan Documents (Mortgage) and Loan Documents (Mezzanine). In connection with the foregoing, Mezzanine Borrower agrees, at Mezzanine Borrower's sole cost and expense, to execute and deliver such documents and other agreements reasonably required by Mortgage Lender and/or Mezzanine Lender to "re-size" the Loan and the Mortgage Loan, including, without limitation, an amendment to this Agreement, the Mezzanine

Note, the Pledge and the other Loan Documents (Mortgage) and, if the principal amount of the Mortgage Loan is increased, an endorsement to the Title Policy reflecting an increase in the insured amount thereunder. Mezzanine Borrower agrees to reimburse Mezzanine Lender for all costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) incurred by Mezzanine Lender in connection with any "resizing" of the Loan and to pay for all reasonable costs and expenses incurred to reallocate the insurance coverage of any "Eagle 9" or other UCC insurance coverage obtained by Mezzanine Lender at Closing (or during the Extension Term) to reflect the new loan amount, and shall deliver opinions of counsel similar to those delivered on the date hereof with respect to Mezzanine Borrower and the Mezzanine Loans. Notwithstanding the foregoing, Mezzanine Lender agrees that any "resizing" of the Mortgage Loan and the Loan shall not change the economics of the Mortgage Loan and the Loan taken as a whole in a manner which is adverse to Mezzanine Borrower.

(c) If securitized after March 15, 2007, in addition, Mezzanine Borrower shall, at Mezzanine Borrower's sole cost and expense:

(i) furnish to Mezzanine Lender, to the extent not otherwise already furnished to Mezzanine Lender and reasonably acceptable to Mezzanine Lender, all instruments, documents, boundary surveys, footing or foundation surveys, certificates, plans and specifications, appraisals, title and other insurance reports and agreements, and each and every other document, certificate, agreement and instrument required to be furnished by Mortgage Borrower pursuant to the terms of the Loan Documents (Mortgage);

(ii) execute and deliver, from time to time, such further instruments (including, without limitation, delivery of any financing statements under the UCC) as may be reasonably requested by Mezzanine Lender to confirm the lien of the Pledge and this Agreement or any Collateral;

(iii) execute and deliver to Mezzanine Lender such documents, instruments, certificates, assignments and other writings, and do such other acts necessary to evidence, preserve and/or protect the collateral at any time securing or intended to secure the obligations of Mezzanine Borrower under the Loan Documents (Mezzanine), as Mezzanine Lender may reasonably require;

(iv) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the carrying out of the terms and conditions of this Agreement and the other Loan Documents (Mezzanine), as Mezzanine Lender shall reasonably require from time to time; and

(v) cause its New York counsel to re-issue the New York opinion delivered on the date hereof (in identical form and without updating) in favor of any purchaser of the Loan or an interest therein.

Mezzanine Borrower shall warrant and defend (a) its title to the Collateral and every part thereof, subject only to Liens permitted hereunder (including Permitted Encumbrances) and (b) the validity and priority of the Lien of the Pledge and this Agreement on the Collateral, subject only to Liens permitted hereunder (including Permitted Encumbrances), in each case against the claims of all Persons whomsoever. Mezzanine Borrower shall reimburse Mezzanine Lender for any losses, costs, damages or expenses (including reasonable attorneys' fees and court costs) incurred by Mezzanine Lender if an interest in the Collateral, other than as permitted hereunder, is claimed by another Person.

5.1.12 Costs of Enforcement . In the event (a) that this Agreement or the Pledge is foreclosed upon in whole or in part or that this Agreement or the Pledge is put into the hands of an attorney for collection, suit, action or foreclosure, (b) of the foreclosure of any security agreement prior to or subsequent to this Agreement or the Pledge in which proceeding Mezzanine Lender is made a party, or a Pledge prior to or subsequent to the Pledge in which proceeding Mezzanine Lender is made a party, or (c) of the bankruptcy, insolvency, rehabilitation or other similar proceeding in respect of Mezzanine Borrower or any of its constituent Persons or an assignment by Mezzanine Borrower or any of its constituent Persons for the benefit of its creditors, Mezzanine Borrower, its successors or assigns, shall be chargeable with and agrees to pay all costs of collection and defense, including reasonable attorneys' fees and costs, incurred by Mezzanine Lender or Mezzanine Borrower in connection therewith and in connection with any appellate proceeding or post-judgment action involved therein, together with all required service or use taxes.

(b) Mezzanine Borrower shall use commercially reasonable efforts to deliver to Mezzanine Lender, within thirty (30) days of Mezzanine Lender's request, tenant estoppel

(a) Mezzanine Borrower hereby covenants that it shall cause Mortgage Borrower to fully keep, perform and comply with (or cause to be kept, performed and complied with) each of the covenants set forth in the Loan Agreement (Mortgage) and the Security Instrument, which are hereby incorporated by reference as if fully set forth herein, notwithstanding any waiver or future amendment of such covenants by Mortgage Lender (other than a Permitted Loan Amendment). Mezzanine Borrower acknowledges that the obligation to comply with such covenants is separate from, and may be enforced independently from, the obligations of the Mortgage Borrower under the Loan Documents (Mortgage).

(b) Mezzanine Borrower shall not, and shall cause Mortgage Borrower not to, (i) amend or modify (by agreement on the part of the Mortgage Borrower or Mezzanine Borrower) or (ii) affirmatively permit the modification or amendment of (by operation of law or otherwise) the Loan Documents (Mortgage) in effect as of the Closing Date that would be a Prohibited Loan Amendment (as hereinafter defined) except for those amendments or modifications ("**Permitted Loan Amendments**") that are (i) required under the Loan Documents (Mortgage), or that Mortgage Borrower is required to consent to thereunder pursuant

to the express terms of the Loan Documents (Mortgage), (ii) which do not constitute a Prohibited Loan Amendment, or (iii) are otherwise consented to by Mezzanine Lender. (c) In the event the Loan (Mortgage) shall at any time be repaid, or the Liens securing the Loan (Mortgage) at any time be released in full, then unless and until the Mezzanine Note shall have been repaid in full and all obligations of Mezzanine Borrower to Mezzanine Lender hereunder and under the other Loan Documents (Mezzanine) shall have been satisfied, then Mezzanine Borrower and Manager shall nevertheless comply or cause the Mortgage Borrower to comply with each of the terms and provisions of the Loan Documents (Mortgage) (other than payment of principal, interest and premium (if any)) and the Loan Documents (Mortgage) shall nevertheless be deemed to remain in full force and effect as between Mezzanine Borrower and Mezzanine Lender with Mezzanine Lender being deemed in such context to possess exclusively all of the rights and remedies of the Mortgage Lender thereunder including without limitation, all rights of consent and approval, rights to receive and control the disposition of casualty insurance proceeds and condemnation awards, and the right to collect rents through a lockbox and make waterfall distributions (but expressly excluding any rights and remedies relating to payment of the indebtedness under the Loan Documents (Mortgage) and evidenced by the Mortgage Note and Mezzanine Borrower shall nevertheless comply or cause the Mortgage Borrower to comply with each of the terms and provisions of the Loan Documents (Mortgage) (and any Permitted Loan Amendments or amendment or modification consented to in writing by

Notwithstanding the foregoing, Mezzanine Borrower shall cause Mortgage Borrower promptly to pay any contested Imposition, Lien or claim and the payment thereof shall not be deferred, if Mezzanine Lender or Mortgage Borrower may be subject to civil or criminal damages as a result thereof. (g) Mezzanine Borrower agrees to bear and shall reimburse Mezzanine Lender on demand all reasonable out-of-pocket expenses incurred by Mezzanine Lender in connection with any transaction described in this Section 8.8 ; and

(h) Simultaneously with the consummation of the Exchange, the Prime Lease shall be terminated.

IX. INTEREST RATE CAP AGREEMENT

Section 9.1 Interest Rate Cap Agreement . During (i) the Initial Term, only if LIBOR exceeds 6.50% upon which Mezzanine Lender shall require Mezzanine Borrower, and (ii) the Extension Term, Mezzanine Borrower shall maintain the Interest Rate Cap Agreement with an Acceptable Counterparty in effect and having a term extending through the last day of the accrual period in which the applicable Maturity Date occurs, and an initial notional amount equal to the Loan Amount. The Interest Rate Cap Agreement during both the Initial Term (if required) and the Extension Term shall have a strike rate equal to the LIBOR Cap Strike Rate. The notional amount of the Interest Rate Cap Agreement may be reduced from time to time in amounts equal to any prepayment of the principal of the Loan made in accordance with the Loan Documents (Mezzanine), provided that the strike rate shall be equal to the LIBOR Cap Strike Rate.

Section 9.2 Pledge and Collateral Assignment . Mezzanine Borrower hereby pledges, assigns, transfers, delivers and grants a continuing first priority lien to Mezzanine Lender, as security for payment of all sums due in respect of the Loan and the performance of all other terms, conditions and covenants of this Agreement and any other Loan Documents (Mezzanine) on Mezzanine Borrower's part to be paid and performed, in, to and under all of Mezzanine Borrower's right, title and interest whether now owned or hereafter acquired and whether now existing or hereafter arising (collectively, the "**Rate Cap Collateral (Mezzanine)**"): (i) in the Interest Rate Cap Agreement (as soon as such agreement is effective or when and if any replacement agreement becomes effective, any Replacement Interest Rate Cap Agreement (Mezzanine) or Extension Interest Rate Cap Agreement); (ii) to receive any and all payments under the Interest Rate Cap Agreement (or, when and if any such agreement becomes effective, any Replacement Interest Rate Cap Agreement (Mezzanine) or Extension Interest Rate Cap Agreement), whether as contractual obligations, damages or otherwise; and (iii) to all claims, rights, powers, privileges, authority, options, security interests, liens and remedies, if any, under or arising out of the Interest Rate Cap Agreement (as soon as such agreement is effective or when and if any such agreement becomes effective, any Replacement Interest Rate Cap Agreement (Mezzanine) or Extension Interest Rate Cap Agreement), in each case including all accessions and additions to, substitutions for and replacements, products and proceeds of any of the foregoing. Mezzanine Borrower shall deliver to Mezzanine Lender an executed counterpart of such Interest Rate Cap Agreement, Replacement Interest Rate Cap Agreement (Mezzanine) or Extension Interest Rate Cap Agreement (Mezzanine) (which shall, by

its terms, authorize the assignment to Mezzanine Lender and require that payments be made directly to Mezzanine Lender) and notify the Counterparty of such assignment (either in such Interest Rate Cap Agreement (Mezzanine), Replacement Interest Rate Cap Agreement (Mezzanine) or Extension Interest Rate Cap Agreement or by separate instrument). Mezzanine Borrower shall not, without obtaining the prior written consent of Mezzanine Lender, further pledge, transfer, deliver, assign or grant any security interest in the Interest Rate Cap Agreement (Mezzanine)(or, when and if any such agreement becomes effective, any Replacement Interest Rate Cap Agreement (Mezzanine) or Extension Interest Rate Cap Agreement), or permit any Lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements or any other notice or instrument as may be required under the UCC, as appropriate, except those naming Mezzanine Lender as the secured party, to be filed with respect thereto.

Section 9.3 Covenants . (a) Mezzanine Borrower shall comply with all of its obligations under the terms and provisions of the Interest Rate Cap Agreement (Mezzanine). All amounts paid by the Counterparty under the Interest Rate Cap Agreement (Mezzanine) to Mezzanine Borrower or Mezzanine Lender shall be deposited immediately into the Mezzanine Account pursuant to Section 3.1 . Mezzanine Borrower shall take all actions reasonably requested by Mezzanine Lender to enforce Mezzanine Borrower's rights under the Interest Rate Cap Agreement (Mezzanine) in the event of a default by the Counterparty thereunder and shall not waive, amend or otherwise modify any of its rights thereunder.

(b) Mezzanine Borrower shall defend Mezzanine Lender's right, title and interest in and to the Rate Cap Collateral (Mezzanine) pledged by Mezzanine Borrower pursuant hereto or in which it has granted a security interest pursuant hereto against the claims and demands of all other Persons.

(c) In the event of (x) any downgrade, withdrawal or qualification (each, a "**Downgrade**") of the rating of the Counterparty such that, thereafter, the Counterparty shall cease to be an Acceptable Counterparty and (y) the Counterparty shall fail to comply with the requirements contained in the Interest Rate Cap Agreement (Mezzanine) which are described in **Exhibit I** upon such occurrence, the Mezzanine Borrower shall either (i) obtain Lender's prior written consent to retain such Counterparty or (ii) replace the Interest Rate Cap Agreement (Mezzanine) with a Replacement Interest Cap Agreement, (x) having a term extending through the end of the Interest Period in which the Maturity Date occurs, (y) in a notional amount at least equal to the Principal Amount of the Loan then outstanding, and (z) having a strike rate equal to the LIBOR Cap Strike Rate.

(d) In the event that Mezzanine Borrower fails to purchase and deliver to Mezzanine Lender the Interest Rate Cap Agreement (Mezzanine) as and when required hereunder, Mezzanine Lender may purchase the Interest Rate Cap Agreement (Mezzanine) and the cost incurred by Mezzanine Lender in purchasing the Interest Rate Cap Agreement (Mezzanine) shall be paid by Mezzanine Borrower to Mezzanine Lender with interest thereon at the Default Rate from the date such cost was incurred by Mezzanine Lender until such cost is paid by Mezzanine Borrower to Mezzanine Lender.

(e) Mezzanine Borrower shall not (i) without the prior written consent of Mezzanine Lender, modify, amend or supplement the terms of the Interest Rate Cap Agreement

(Mezzanine), (ii) without the prior written consent of Mezzanine Lender, except in accordance with the terms of the Interest Rate Cap Agreement (Mezzanine), cause the termination of the Interest Rate Cap Agreement (Mezzanine) prior to its stated maturity date, (iii) without the prior written consent of Mezzanine Lender, except as aforesaid, waive or release any obligation of the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement (Mezzanine)) under the Interest Rate Cap Agreement (Mezzanine), (iv) without the prior written consent of Mezzanine Lender, consent or agree to any act or omission to act on the part of the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement (Mezzanine)) which, without such consent or agreement, would constitute a default under the Interest Rate Cap Agreement (Mezzanine), (v) fail to exercise promptly and diligently each and every material right which it may have under the Interest Rate Cap Agreement (Mezzanine), (vi) take or intentionally omit to take any action or intentionally suffer or permit any action to be omitted or taken, the taking or omission of which would result in any right of offset against sums payable under the Interest Rate Cap Agreement (Mezzanine) or any defense by the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement (Mezzanine)) to payment or (vii) fail to give prompt notice to Mezzanine Lender of any notice of default given by or to Mezzanine Borrower under or with respect to the Interest Rate Cap Agreement (Mezzanine), together with a complete copy of such notice.

(f) In connection with an Interest Rate Cap Agreement (Mezzanine), Mezzanine Borrower shall obtain and deliver to Mezzanine Lender an Opinion of Counsel from counsel (which counsel may be in-house counsel for the Counterparty) for the Counterparty upon which Mezzanine Lender and its successors and assigns may rely (the "**Counterparty Opinion**"), under New York law and, if the Counterparty is a non-U.S. entity, the applicable foreign law, substantially in compliance with the requirements set forth in **Exhibit F** or in such other form approved by the Mezzanine Lender.

Section 9.4 Representations and Warranties . If Mezzanine Borrower is obligated to maintain an Interest Rate Cap Agreement pursuant to this Article IX , Mezzanine Borrower shall covenant with, and represent and warrant to, Mezzanine Lender as follows:

(a) The Interest Rate Cap Agreement (Mezzanine) constitutes the legal, valid and binding obligation of Mezzanine Borrower, enforceable against Mezzanine Borrower in accordance with its terms, subject only to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(b) The Rate Cap Collateral (Mezzanine) is free and clear of all claims or security interests of every nature whatsoever, except such as are created pursuant to this Agreement and the other Loan Documents (Mezzanine), and Mezzanine Borrower has the right to pledge and grant a security interest in the same as herein provided without the consent of any other Person other than any such consent that has been obtained and is in full force and effect.

(c) The Rate Cap Collateral (Mezzanine) has been duly and validly pledged hereunder. All consents and approvals required to be obtained by Mezzanine Borrower for the consummation of the transactions contemplated by this Agreement have been obtained.

(d) Giving effect to the aforesaid grant and assignment to Mezzanine Lender, Mezzanine Lender has, as of the date of this Agreement, and as to Rate Cap Collateral (Mezzanine) acquired from time to time after such date, shall have, a valid, and upon proper filing, perfected and continuing first priority lien upon and security interest in the Rate Cap Collateral (Mezzanine); provided that no representation or warranty is made with respect to the perfected status of the security interest of Mezzanine Lender in the proceeds of Rate Cap Collateral (Mezzanine) consisting of "cash proceeds" or "non-cash proceeds" as defined in the UCC except if, and to the extent, the provisions of Section 9-306 of the UCC shall be complied with.

(e) Except for financing statements filed or to be filed in favor of Mezzanine Lender as secured party, there are no financing statements under the UCC covering any or all of the Rate Cap Collateral (Mezzanine) and Mezzanine Borrower shall not, without the prior written consent of Mezzanine Lender, until payment in full of all of the Obligations (Mezzanine), execute and file in any public office, any enforceable financing statement or statements covering any or all of the Rate Cap Collateral (Mezzanine), except financing statements filed or to be filed in favor of Mezzanine Lender as secured party.

Section 9.5 Payments . If Mezzanine Borrower at any time shall be entitled to receive any payments with respect to the Interest Rate Cap Agreement (Mezzanine), such amounts shall, immediately upon becoming payable to Mezzanine Borrower, be deposited by Counterparty into the Mezzanine Account.

Section 9.6 Remedies . Subject to the provisions of the Interest Rate Cap Agreement (Mezzanine), if an Event of Default shall occur and then be continuing:

(a) Mezzanine Lender, without obligation to resort to any other security, right or remedy granted under any other agreement or instrument, shall have the right to, in addition to all rights, powers and remedies of a secured party pursuant to the UCC, at any time and from time to time, sell, resell, assign and deliver, in its sole discretion, any or all of the Rate Cap Collateral (Mezzanine) (in one or more parcels and at the same or different times) and all right, title and interest, claim and demand therein and right of redemption thereof, at public or private sale, for cash, upon credit or for future delivery, and in connection therewith Mezzanine Lender may grant options and may impose reasonable conditions such as requiring any purchaser to represent that any "securities" constituting any part of the Rate Cap Collateral (Mezzanine) are being purchased for investment only, Mezzanine Borrower hereby waiving and releasing any and all equity or right of redemption to the fullest extent permitted by the UCC or applicable law. If all or any of the Rate Cap Collateral (Mezzanine) is sold by Mezzanine Lender upon credit or for future delivery, Mezzanine Lender shall not be liable for the failure of the purchaser to purchase or pay for the same and, in the event of any such failure, Mezzanine Lender may resell such Rate Cap Collateral (Mezzanine). It is expressly agreed that Mezzanine Lender may exercise its rights with respect to less than all of the Rate Cap Collateral (Mezzanine), leaving unexercised its rights with respect to the remainder of the Rate Cap Collateral (Mezzanine), provided, however, that such partial exercise shall in no way restrict or jeopardize Mezzanine Lender's right to exercise its rights with respect to all or any other portion of the Rate Cap Collateral (Mezzanine) at a later time or times.

(b) Mezzanine Lender may exercise, either by itself or by its nominee or designee, in the name of Mezzanine Borrower, all of Mezzanine Lender's rights, powers and remedies in respect of the Rate Cap Collateral (Mezzanine), hereunder and under law.

(c) Mezzanine Borrower hereby irrevocably, in the name of Mezzanine Borrower or otherwise, authorizes and empowers Mezzanine Lender and assigns and transfers unto Mezzanine Lender, and constitutes and appoints Mezzanine Lender its true and lawful attorney-in-fact, and as its agent, irrevocably, with full power of substitution for Mezzanine Borrower and in the name of Mezzanine Borrower, upon the occurrence and during the continuance of an Event of Default, (i) to exercise and enforce every right, power, remedy, authority, option and privilege of Mezzanine Borrower under the Interest Rate Cap Agreement (Mezzanine), including any power to subordinate or modify the Interest Rate Cap Agreement (Mezzanine) (but not, unless an Event of Default exists and is continuing, the right to terminate or cancel the Interest Rate Cap Agreement (Mezzanine)), or to give any notices, or to take any action resulting in such subordination, termination, cancellation or modification and (ii) in order to more fully vest in Mezzanine Lender the rights and remedies provided for herein, to exercise all of the rights, remedies and powers granted to Mezzanine Lender in this Agreement, and Mezzanine Borrower further authorizes and empowers Mezzanine Lender, as Mezzanine Borrower's attorney-in-fact, and as its agent, irrevocably, with full power of substitution for Mezzanine Borrower and in the name of Mezzanine Borrower, upon the occurrence and during the continuance of an Event of Default, to give any authorization, to furnish any information, to make any demands, to execute any instruments and to take any and all other action on behalf of and in the name of Mezzanine Borrower which in the opinion of Mezzanine Lender may be necessary or appropriate to be given, furnished, made, exercised or taken under the Interest Rate Cap Agreement (Mezzanine), in order to comply therewith, to perform the conditions thereof or to prevent or remedy any default by Mezzanine Borrower thereunder or to enforce any of the rights of Mezzanine Borrower thereunder. These powers-of-attorney are irrevocable and coupled with an interest, and any similar or dissimilar powers heretofore given by Mezzanine Borrower in respect of the Rate Cap Collateral (Mezzanine) to any other Person are hereby revoked.

(d) Upon the occurrence and during the continuance of an Event of Default, Mezzanine Lender may, without notice to, or assent by, Mezzanine Borrower or any other Person (to the extent permitted by law), but without affecting any of the Obligations (Mezzanine), in the name of Mezzanine Borrower or in the name of Mezzanine Lender, notify the Counterparty, or if applicable, any other counterparty to the Interest Rate Cap Agreement (Mezzanine), to make payment and performance directly to Mezzanine Lender; extend the time of payment and performance of, compromise or settle for cash, credit or otherwise, and upon any terms and conditions, any obligations owing to Mezzanine Borrower, or claims of Mezzanine Borrower, under the Interest Rate Cap Agreement (Mezzanine); file any claims, commence, maintain or discontinue any actions, suits or other proceedings deemed by Mezzanine Lender necessary or advisable for the purpose of collecting upon or enforcing the Interest Rate Cap Agreement (Mezzanine); and execute any instrument and do all other things deemed necessary and proper by Mezzanine Lender to protect and preserve and realize upon the Rate Cap Collateral (Mezzanine) and the other rights contemplated hereby.

(e) Pursuant to the powers-of-attorney provided for above, Mezzanine Lender may take any action and exercise and execute any instrument which it may deem necessary or

advisable to accomplish the purposes hereof; provided, however, that Mezzanine Lender shall not be permitted to take any action pursuant to said power-of-attorney that would conflict with any limitation on Mezzanine Lender's rights with respect to the Rate Cap Collateral (Mezzanine). Without limiting the generality of the foregoing, Mezzanine Lender, after the occurrence of an Event of Default, shall have the right and power to receive, endorse and collect all checks and other orders for the payment of money made payable to Mezzanine Borrower representing: (i) any payment of obligations owed pursuant to the Interest Rate Cap Agreement (Mezzanine), (ii) interest accruing on any of the Rate Cap Collateral (Mezzanine) or (iii) any other payment or distribution payable in respect of the Rate Cap Collateral (Mezzanine) or any part thereof, and for and in the name, place and stead of Mezzanine Borrower, to execute endorsements, assignments or other instruments of conveyance or transfer in respect of any property which is or may become a part of the Rate Cap Collateral (Mezzanine) hereunder.

(f) Mezzanine Lender may exercise all of the rights and remedies of a secured party under the UCC.

(g) Without limiting any other provision of this Agreement or any of Mezzanine Borrower's rights hereunder, and without waiving or releasing Mezzanine Borrower from any obligation or default hereunder, Mezzanine Lender shall have the right, but not the obligation, to perform any act or take any appropriate action, as it, in its reasonable judgment, may deem necessary to protect the security of this Agreement, to cure such Event of Default or to cause any term, covenant, condition or obligation required under this Agreement or the Interest Rate Cap Agreement (Mezzanine) to be performed or observed by Mezzanine Borrower to be promptly performed or observed on behalf of Mezzanine Borrower. All amounts advanced by, or on behalf of, Mezzanine Lender in exercising its rights under this Section 9.7(g) (including, but not limited to, reasonable legal expenses and disbursements incurred in connection therewith), together with interest thereon at the Default Rate from the date of each such advance, shall be payable by Mezzanine Borrower to Mezzanine Lender upon demand and shall be secured by this Agreement.

Section 9.7 Sales of Rate Cap Collateral (Mezzanine) . No demand, advertisement or notice, all of which are, to the fullest extent permitted by law, hereby expressly waived by Mezzanine Borrower, shall be required in connection with any sale or other disposition of all or any part of the Rate Cap Collateral (Mezzanine), except that Mezzanine Lender shall give Mezzanine Borrower at least thirty (30) Business Days' prior written notice of the time and place of any public sale or of the time when and the place where any private sale or other disposition is to be made, which notice Mezzanine Borrower hereby agrees is reasonable, all other demands, advertisements and notices being hereby waived. To the extent permitted by law, Mezzanine Lender shall not be obligated to make any sale of the Rate Cap Collateral (Mezzanine) if it shall determine not to do so, regardless of the fact that notice of sale may have been given, and Mezzanine Lender may without notice or publication adjourn any public or private sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. Upon each private sale of the Rate Cap Collateral (Mezzanine) of a type customarily sold in a recognized market and upon each public sale, unless prohibited by any applicable statute which cannot be waived, Mezzanine Lender (or its nominee or designee) may purchase any or all of the Rate Cap Collateral (Mezzanine) being sold, free and discharged from any trusts, claims, equity or right of redemption of Mezzanine Borrower, all of which are hereby

waived and released to the extent permitted by law, and may make payment therefor by credit against any of the Obligations (Mezzanine) in lieu of cash or any other obligations. In the case of all sales of the Rate Cap Collateral (Mezzanine), public or private, Mezzanine Borrower shall pay all reasonable costs and expenses of every kind for sale or delivery, including brokers' and attorneys' fees and disbursements and any tax imposed thereon. However, the proceeds of sale of Rate Cap Collateral (Mezzanine) shall be available to cover such costs and expenses, and, after deducting such costs and expenses from the proceeds of sale, Mezzanine Lender shall apply any residue to the payment of the Obligations (Mezzanine) in the order of priority as set forth in Section 17.5 .

Section 9.8 Public Sales Not Possible . Mezzanine Borrower acknowledges that the terms of the Interest Rate Cap Agreement (Mezzanine) may prohibit public sales, that the Rate Cap Collateral (Mezzanine) may not be of the type appropriately sold at public sales, and that such sales may be prohibited by law. In light of these considerations, Mezzanine Borrower agrees that private sales of the Rate Cap Collateral (Mezzanine) shall not be deemed to have been made in a commercially unreasonably manner by mere virtue of having been made privately.

Section 9.9 Receipt of Sale Proceeds . Upon any sale of the Rate Cap Collateral (Mezzanine) by Mezzanine Lender hereunder (whether by virtue of the power of sale herein granted, pursuant to judicial process or otherwise), the receipt by Mezzanine Lender or the officer making the sale or the proceeds of such sale shall be a sufficient discharge to the purchaser or purchasers of the Rate Cap Collateral (Mezzanine) so sold, and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to Mezzanine Lender or such officer or be answerable in any way for the misapplication or non-application thereof.

Section 9.10 Extension Interest Rate Cap Agreement (Mezzanine) . If Mezzanine Borrower exercises any of its options to extend the Maturity Date pursuant to Section 5 of the Note, then, on or prior to the Maturity Date being extended, the Mezzanine Borrower shall obtain or have in place an Extension Interest Rate Cap Agreement (i) having a term through the end of the Interest Period in which the extended Maturity Date occurs, (ii) in a notional amount at least equal to the Principal Amount of the Loan as of the Maturity Date being extended, and (iii) having a strike rate equal to an amount such that the maximum interest rate paid by the Mezzanine Borrower after giving effect to payments made under such Extension Interest Rate Cap Agreement shall equal no more than the LIBOR Pay Rate.

Section 9.11 Filing of Financing Statements Authorized . Mezzanine Borrower hereby authorizes the filing of a form UCC-1 financing statement naming Mezzanine Borrower as debtor and Mezzanine Lender as secured party in any office (including the office of the Secretary of State of the State of Delaware) covering all property of Mezzanine Borrower (including, but not limited to, the Account Collateral (Mezzanine) and the Rate Cap Collateral (Mezzanine), but excluding Net Excess Cash Flow).

The information required to be furnished by Mezzanine Borrower to Mezzanine Lender under this Section 11.2 shall be provided in both hard copy format and electronic format; provided that Mezzanine Borrower shall only be required to provide the information required under this Section 11.2.7 in electronic format if such information is so available in the ordinary course of the operations of the Mezzanine Borrower and Manager, and without significant expense.

XII. ENVIRONMENTAL MATTERS

Section 12.1 Representations . Mezzanine Borrower hereby represents and warrants that except as set forth in the environmental reports and studies delivered to Mezzanine Lender (the "**Environmental Reports**"), (i) neither Mezzanine Borrower nor Mortgage Borrower has engaged in or knowingly permitted any operations or activities upon, or any use or occupancy of the Property, or any portion thereof, for the purpose of or in any way involving the handling, manufacture, treatment, storage, use, generation, release, discharge, refining, dumping or disposal of any Hazardous Materials on, under, in or about the Property, or transported any Hazardous Materials to, from or across the Property, except in all cases in material compliance

with Environmental Laws and only in the course of legitimate business operations at the Property; (ii) to the Best of Mezzanine Borrower's Knowledge, no tenant, occupant or user of the Property, or any other Person, has engaged in or permitted any operations or activities upon, or any use or occupancy of the Property, or any portion thereof, for the purpose of or in any material way involving the handling, manufacture, treatment, storage, use, generation, release, discharge, refining, dumping or disposal of any Hazardous Materials on, in or about the Property, or transported any Hazardous Materials to, from or across the Property, except in all cases in material compliance with Environmental Laws and only in the course of legitimate business operations at the Property; (iii) to the Best of Mezzanine Borrower's Knowledge, no Hazardous Materials are presently constructed, deposited, stored, or otherwise located on, under, in or about the Property except in material compliance with Environmental Laws; (iv) to the Best of Mezzanine Borrower's Knowledge, no Hazardous Materials have migrated from the Property upon or beneath other properties which would reasonably be expected to result in material liability for Mezzanine Borrower or Mortgage Borrower; and (v) to the Best of Mezzanine Borrower's Knowledge, no Hazardous Materials have migrated or threaten to migrate from other properties upon, about or beneath the Property which would reasonably be expected to result in material liability for Mezzanine Borrower or Mortgage Borrower.

Section 12.2 Covenants. Compliance with Environmental Laws . Subject to Mortgage Borrower's right to contest under Section 7.3 of the Loan Agreement (Mortgage), Mezzanine Borrower covenants and agrees with Mezzanine Lender that it shall comply and shall cause Mortgage Borrower to comply in all material respects with all Environmental Laws. If at any time during the continuance of the Lien of the Security Instrument and/or Pledge, a Governmental Authority having jurisdiction over the Property requires remedial action to correct the presence of Hazardous Materials in, around, or under the Property (an "**Environmental Event**"), Mezzanine Borrower shall deliver prompt notice of the occurrence of such Environmental Event to Mezzanine Lender. Within thirty (30) days after Mezzanine Borrower has knowledge of the occurrence of an Environmental Event, Mezzanine Borrower shall deliver to Mezzanine Lender an Officer's Certificate (an "**Environmental Certificate**") explaining the Environmental Event in reasonable detail and setting forth the proposed remedial action, if any. Mezzanine Borrower shall promptly provide Mezzanine Lender with copies of all notices from any Governmental Authority which allege or identify any actual or potential violation or noncompliance received by or prepared by or for Mezzanine Borrower in connection with any Environmental Law. For purposes of this paragraph, the term "notice" shall mean any summons, citation, directive, order, claim, pleading, letter, application, filing, report, findings, declarations or other materials provided by any Governmental Authority pertinent to compliance of the Property and Mezzanine Borrower with such Environmental Laws.

12.2.1 Reserved .

Section 12.3 Environmental Reports . Upon the occurrence and during the continuance of an Environmental Event with respect to the Property or an Event of Default, Mezzanine Lender shall have the right to direct Mezzanine Borrower to obtain consultants reasonably approved by Mezzanine Lender to perform a comprehensive environmental audit of the Property. Such audit shall be conducted by an environmental consultant chosen by Mezzanine Lender and may include a visual survey, a record review, an area reconnaissance assessing the presence of hazardous or toxic waste or substances, PCBs or storage tanks at the

Property, an asbestos survey of the Property, which may include random sampling of the Improvements and air quality testing, and such further site assessments as Mezzanine Lender may reasonably require due to the results obtained from the foregoing. Mezzanine Borrower grants (and shall cause Mortgage Borrower to grant) to Mezzanine Lender, its agents, consultants and contractors the right to enter the Property as reasonable or appropriate for the circumstances for the purposes of performing such studies and the reasonable cost of such studies shall be due and payable by Mezzanine Borrower to Mezzanine Lender upon demand and shall be secured by the Lien of this Agreement and the Pledge. Mezzanine Lender shall not unreasonably interfere with (and shall cause Mortgage Borrower not to unreasonably interfere with), and Mezzanine Lender shall direct the environmental consultant to use its commercially reasonable efforts not to hinder, Mortgage Borrower's or any Tenant's, other occupant's or Manager's operations upon the Property when conducting such audit, sampling or inspections. By undertaking any of the measures identified in and pursuant to this Section 12.3 , Mezzanine Lender shall not be deemed to be exercising any control over the operations of Mezzanine Borrower or Mortgage Borrower or the handling of any environmental matter or hazardous wastes or substances of Mezzanine Borrower or Mortgage Borrower for purposes of incurring or being subject to liability therefor.

Section 12.4 Environmental Indemnification . Mezzanine Borrower shall protect, indemnify, save, defend, and hold harmless the Indemnified Parties from and against any and all liability, loss, damage, actions, causes of action, costs or expenses whatsoever (including reasonable attorneys' fees and expenses) and any and all claims, suits and judgments which any Indemnified Party may suffer, as a result of or with respect to: (a) any Environmental Claim relating to or arising from the Property; (b) the violation of any Environmental Law in connection with the Property; (c) any release, spill, or the presence of any Hazardous Materials affecting the Property; and (d) the presence at, in, on or under, or the release, escape, seepage, leakage, discharge or migration at or from, the Property of any Hazardous Materials, whether or not such condition was known or unknown to Mezzanine Borrower; provided that, in each case, Mezzanine Borrower shall be relieved of its obligation under this subsection if any of the matters referred to in clauses (a) through (d) above did not occur (but need not have been discovered) prior to the foreclosure of the Pledge. If any such action or other proceeding shall be brought against Mezzanine Lender, upon written notice from Mezzanine Borrower to Mezzanine Lender (given reasonably promptly following Mezzanine Lender's notice to Mezzanine Borrower of such action or proceeding), Mezzanine Borrower shall be entitled to assume the defense thereof, at Mezzanine Borrower's expense, with counsel reasonably acceptable to Mezzanine Lender; provided , however , Mezzanine Lender may, at its own expense, retain separate counsel to participate in such defense, but such participation shall not be deemed to give Mezzanine Lender a right to control such defense, which right Mezzanine Borrower expressly retains. Notwithstanding the foregoing, each Indemnified Party shall have the right to employ separate counsel at Mezzanine Borrower's expense if, in the reasonable opinion of legal counsel, a conflict or potential conflict exists between the Indemnified Party and Mezzanine Borrower that would make such separate representation advisable. Mezzanine Borrower shall have no obligation to indemnify an Indemnified Party for damage or loss resulting from such Indemnified Party's gross negligence or willful misconduct.

Section 12.5 Recourse Nature of Certain Indemnifications . Notwithstanding anything to the contrary provided in this Agreement or in any other Loan Document (Mezzanine), the indemnification provided in Section 12.4 shall be fully recourse to Mezzanine

Borrower (but not its constituent parties) and shall be independent of, and shall survive, the discharge of the Indebtedness, the release of the Lien created by the Pledge, and/or the conveyance of title to the Collateral to Mezzanine Lender or any purchaser or designee in connection with a foreclosure of the Pledge or conveyance in lieu of foreclosure.

Any such actions taken by Mezzanine Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as Mezzanine Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Mezzanine Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents (Mezzanine). Without limiting the generality of the foregoing, Mezzanine Borrower agrees that if an Event of Default is continuing (i) Mezzanine Lender shall not be subject to any one action or election of remedies law or rule and (ii) all liens and other rights, remedies or privileges provided to Mezzanine Lender shall remain in full force and effect until Mezzanine Lender has exhausted all of its remedies against the Collateral and this Agreement and the Pledge have been foreclosed, sold and/or otherwise realized upon in satisfaction of the Indebtedness or the Indebtedness has been paid in full.

(b) Upon the occurrence of any Event of Default, Mezzanine Lender may, but without any obligation to do so and without notice to or demand on Mezzanine Borrower and without releasing Mezzanine Borrower from any obligation hereunder, take any action to cure such Event of Default. Mezzanine Lender may appear in, defend, or bring any action or proceeding to protect its interests in the Collateral or to foreclose its security interest under this Agreement and the Pledge or under any of the other Loan Documents (Mezzanine) or collect the Indebtedness.

(c) Upon the occurrence and during the continuance of an Event of Default, with respect to the Account Collateral (Mezzanine), the Mezzanine Lender may:

(i) without notice to Mezzanine Borrower, except as required by law, and at any time or from time to time, charge, set-off and otherwise apply all or any part of the Account Collateral (Mezzanine) against the Obligations (Mezzanine) or any part thereof;

(ii) in Mezzanine Lender's sole discretion, at any time and from time to time, exercise any and all rights and remedies available to it under this Agreement, and/or as a secured party under the UCC;

(iii) demand, collect, take possession of or receipt for, settle, compromise, adjust, sue for, foreclose or realize upon the Account Collateral (Mezzanine) (or any portion thereof) as Mezzanine Lender may determine in its sole discretion; and

(iv) take all other actions provided in, or contemplated by, this Agreement.

(d) With respect to Mezzanine Borrower, the Account Collateral (Mezzanine), the Rate Cap Collateral (Mezzanine) and the Collateral, nothing contained herein or in any other Loan Document (Mezzanine) shall be construed as requiring Mezzanine Lender to resort to the Collateral for the satisfaction of any of the Indebtedness, and Mezzanine Lender may seek satisfaction out of the Collateral or any part thereof, in its absolute discretion in respect of the Indebtedness. In addition, Mezzanine Lender shall have the right from time to time to partially foreclose this Agreement and the Pledge in any manner and for any amounts secured by this Agreement or the Pledge then due and payable as determined by Mezzanine Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Mezzanine Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal or interest, Mezzanine Lender may foreclose this Agreement and the Pledge to recover such delinquent payments, or (ii) in the event Mezzanine Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Mezzanine Lender may foreclose this Agreement and the Pledge to recover so much of the principal balance of the Loan as Mezzanine Lender may accelerate and such other sums secured by this Agreement or the Pledge as Mezzanine Lender may elect. Notwithstanding one or more partial foreclosures, the Collateral shall remain subject to this Agreement and the Pledge to secure payment of sums secured by this Agreement and the Pledge and not previously recovered.

Section 17.3 Remedies Cumulative; Waivers . The rights, powers and remedies of Mezzanine Lender under this Agreement and the Loan Documents (Mezzanine) shall be cumulative and not exclusive of any other right, power or remedy which Mezzanine Lender may have against Mezzanine Borrower pursuant to this Agreement or the other Loan Documents (Mezzanine), or existing at law or in equity or otherwise. Mezzanine Lender's rights, powers and remedies may be pursued singly, concurrently or otherwise, at such time and in such order as Mezzanine Lender may determine in Mezzanine Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Mezzanine Borrower or

any Guarantor shall not be construed to be a waiver of any subsequent Default or Event of Default by Mezzanine Borrower or any Guarantor or to impair any remedy, right or power consequent thereon.

Section 17.4 Costs of Collection . In the event that after an Event of Default: (i) the Mezzanine Note or any of the Loan Documents (Mezzanine) is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding; (ii) an attorney is retained to represent Mezzanine Lender in any bankruptcy, reorganization, receivership, or other proceedings affecting creditors' rights and involving a claim under this Agreement, the Mezzanine Note or any of the Loan Documents (Mezzanine); or (iii) an attorney is retained to protect or enforce the lien or any of the terms of this Agreement, the Pledge or any of the Loan Documents (Mezzanine); then Mezzanine Borrower shall pay to Mezzanine Lender all reasonable attorney's fees, costs and expenses actually incurred in connection therewith, including costs of appeal, together with interest on any judgment obtained by Mezzanine Lender at the Default Rate.

Section 17.5 Distribution of Collateral Proceeds . In the event that, following the occurrence and during the continuance of any Event of Default, any monies are received in connection with the enforcement of any of the Loan Documents (Mezzanine), or otherwise with respect to the realization upon any of the Collateral, such monies shall be distributed for application as follows:

(a) First, to the payment of, or (as the case may be) the reimbursement of, Mezzanine Lender for or in respect of all reasonable costs, expenses, disbursements and losses which shall have been incurred or sustained by Mezzanine Lender to protect or preserve the Collateral or in connection with the collection of such monies by Mezzanine Lender (including without limitation, enforcement costs), for the exercise, protection or enforcement by Mezzanine Lender of all or any of the rights, remedies, powers and privileges of Mezzanine Lender under this Agreement or any of the other Loan Documents (Mezzanine) or in respect of the Collateral or in support of any provision of adequate indemnity to Mezzanine Lender against any taxes or liens which by law shall have, or may have, priority over the rights of Mezzanine Lender to such monies;

(b) Second, to all other Obligations (Mezzanine) in such order or preference as Mezzanine Lender shall determine in its sole and absolute discretion;

(c) Third, the excess, if any, shall be deposited in Mezzanine Borrower's Account.

Any cost and expenses due and payable to Mezzanine Lender may be paid from any amounts in the Mezzanine Account if same are not paid by Mezzanine Borrower within ten (10) Business Days after receipt of written notice from Mezzanine Lender.

(b) Subject to the non-recourse provisions of Section 18.1 , Mezzanine Borrower shall protect, indemnify and save harmless Mezzanine Lender, and all officers, directors, stockholders, members, partners, employees, agents, successors and assigns thereof (collectively, the **"Indemnified Parties"**) from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses (including all reasonable attorneys' fees and expenses actually incurred) imposed upon or incurred by or asserted against the Indemnified Parties, the Collateral or the Property or any part of its interest therein, by reason of the occurrence or existence of any of the following (to the extent Proceeds payable on account of the following shall be inadequate; it being understood that in no event will the Indemnified Parties be required to actually pay or incur any costs or expenses as a condition to the effectiveness of the foregoing indemnity) prior to (i) the acceptance by Mezzanine Lender or its designee of a deed-in-lieu of foreclosure with respect to the Collateral, or (ii) an Indemnified Party or its designee taking possession or control of the Collateral or (iii) the foreclosure of the Pledge, except to the extent caused by the willful misconduct or gross negligence of the Indemnified Parties (other than such willful misconduct or gross negligence imputed to the Indemnified Parties because of their interest in the Property): (1) ownership of Mezzanine Borrower's interest in the Property, or any interest therein, or receipt of any Rents or other sum therefrom, (2) any accident, injury to or death of any persons or loss of or damage to Property occurring on or about the Property or any Appurtenances thereto, (3) any design, construction, operation, repair, maintenance, use, non-use or condition of the Property or Appurtenances thereto, including claims or penalties arising from violation of any Legal Requirement or Insurance Requirement, as well as any claim based on any patent or latent defect, whether or not discoverable by Mezzanine Lender, any claim the insurance as to which is inadequate, and any Environmental Claim, (4) any Default under this Agreement or any of the other Loan Documents

Any amounts the Indemnified Parties are legally entitled to receive under this Section which are not paid within fifteen (15) Business Days after written demand therefor by the Indemnified Parties or Mezzanine Lender, setting forth in reasonable detail the amount of such demand and the basis therefor, shall bear interest from the date of demand at the Default Rate, and shall, together with such interest, be part of the Indebtedness and secured by this Agreement and the Pledge. In case any action, suit or proceeding is brought against the Indemnified Parties by reason of any such occurrence, Mezzanine Borrower shall at Mezzanine Borrower's expense resist and defend such action, suit or proceeding or will cause the same to be resisted and defended by counsel at Mezzanine Borrower's reasonable expense for the insurer of the liability or by counsel designated by Mezzanine Borrower (unless reasonably disapproved by Mezzanine Lender promptly after Mezzanine Lender has been notified of such counsel); provided , however , that nothing herein shall compromise the right of Mezzanine Lender (or any Indemnified Party) to appoint its own counsel at Mezzanine Borrower's expense for its defense with respect to any action which in its reasonable opinion presents a conflict or potential conflict between Mezzanine Lender and Mezzanine Borrower that would make such separate representation advisable; provided further that if Mezzanine Lender shall have appointed separate counsel pursuant to the foregoing, Mezzanine Borrower shall not be responsible for the expense of additional separate counsel of any Indemnified Party unless in the reasonable opinion of Mezzanine Lender a conflict or potential conflict exists between such Indemnified Party and Mezzanine Lender. So long as Mezzanine Borrower is resisting and defending such action, suit or proceeding as provided above in a prudent and commercially reasonable manner, Mezzanine Lender and the Indemnified Parties shall not be entitled to settle such action, suit or proceeding without Mezzanine Borrower's consent which shall not be unreasonably withheld or delayed, and claim the benefit of this Section with respect to such action, suit or proceeding and Mezzanine Lender agrees that it will not settle any such action, suit or proceeding without the consent of Mezzanine Borrower; provided , however , that if Mezzanine Borrower is not diligently defending such action, suit or proceeding in a prudent and commercially reasonable manner as provided above, and Mezzanine Lender has provided Mezzanine Borrower with thirty (30) days' prior written notice, or shorter period if mandated by the requirements of applicable law, and opportunity to correct such determination, Mezzanine Lender may settle such action, suit or proceeding and claim the benefit of this Section 19.12 with respect to settlement of such action, suit or proceeding. Any Indemnified Party will give Mezzanine Borrower prompt notice after such Indemnified Party obtains actual knowledge of any potential claim by such Indemnified Party for indemnification hereunder. The Indemnified Parties shall not settle or compromise any action, proceeding or claim as to which it is indemnified hereunder without notice to Mezzanine Borrower.

Section 19.13 Exhibits and Schedules Incorporated . The Exhibits and Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 19.14 Offsets, Counterclaims and Defenses . Any assignee of Mezzanine Lender's interest in and to this Agreement, the Mezzanine Note and the other Loan Documents (Mezzanine) shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Mezzanine Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Mezzanine Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Mezzanine Borrower.

No assignee of Mezzanine Lender shall have any personal liability, directly or indirectly, under or in connection with this Agreement or any other Loan Document (Mezzanine) or any amendment or amendments hereto made at any time or times, heretofore or hereafter, any different than the liability of Mezzanine Lender hereunder. In addition, no assignee shall have at any time or times hereafter any personal liability, directly or indirectly, under or in connection with or secured by any agreement, lease, instrument, encumbrance, claim or right affecting or relating to the Property or to which the Property is now or hereafter subject any different than the liability of Mezzanine Lender hereunder. The limitation of liability provided in this Section 19.15 is (i) in addition to, and not in limitation of, any limitation of liability applicable to the assignee provided by law or by any other contract, agreement or instrument, and (ii) shall not apply to any assignee's gross negligence or willful misconduct.

Section 19.16 No Joint Venture or Partnership; No Third Party Beneficiaries . (a) Mezzanine Borrower and Mezzanine Lender intend that the relationships created hereunder and under the other Loan Documents (Mezzanine) be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Mezzanine Borrower and Mezzanine Lender nor to grant Mezzanine Lender any interest in the Collateral other than that of Mezzanine Lender.

(b) This Agreement and the other Loan Documents (Mezzanine) are solely for the benefit of Mezzanine Lender and Mezzanine Borrower and nothing contained in this Agreement or the other Loan Documents (Mezzanine) shall be deemed to confer upon anyone other than Mezzanine Lender and Mezzanine Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. All conditions to the obligations of Mezzanine Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Mezzanine Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Mezzanine Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Mezzanine Lender if, in Mezzanine Lender's sole discretion, Mezzanine Lender deems it advisable or desirable to do so.

Section 19.17 Publicity . All news releases, publicity or advertising by Mezzanine Borrower or its Affiliates through any media intended to reach the general public which refers to the Loan Documents (Mezzanine) or the financing evidenced by the Loan Documents (Mezzanine), to Mezzanine Lender, or any of its Affiliates shall be subject to the prior written approval of Mezzanine Lender.

Section 19.18 Waiver of Marshalling of Assets . To the fullest extent permitted by law, Mezzanine Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Mezzanine Borrower, Mezzanine Borrower's shareholders and others with interests in Mezzanine Borrower and of the Collateral, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Mezzanine Lender under the Loan Documents (Mezzanine) to a sale of the Collateral for the collection of the Indebtedness without any prior or different resort for collection or of the right of Mezzanine Lender to the payment of the Indebtedness out of the net proceeds of the Collateral in preference to every other claimant whatsoever.

Section 19.19 Waiver of Counterclaim and other Actions . Mezzanine Borrower hereby expressly and unconditionally waives, in connection with any suit, action or proceeding brought by Mezzanine Lender on this Agreement, the Mezzanine Note, the Pledge or any Loan Document (Mezzanine), any and every right it may have to (i) interpose any counterclaim therein (other than a counterclaim which can only be asserted in the suit, action or proceeding brought by Mezzanine Lender on this Agreement, the Mezzanine Note, the Pledge or any Loan Document (Mezzanine) and cannot be maintained in a separate action) and (ii) have any such suit, action or proceeding consolidated with any other or separate suit, action or proceeding.

Section 19.20 Conflict; Construction of Documents; Reliance . In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents (Mezzanine), the provisions of this Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents (Mezzanine) and that such Loan Documents (Mezzanine) shall not be subject to the principle of construing their meaning against the party which drafted same. Mezzanine Borrower acknowledges that, with respect to the Loan, Mezzanine Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Mezzanine Lender or any parent, subsidiary or Affiliate of Mezzanine Lender. Mezzanine Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents (Mezzanine) or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Mezzanine Lender of any equity interest any of them may acquire in Mezzanine Borrower, and Mezzanine Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Mezzanine Lender's exercise of any such rights or remedies.

Mezzanine Borrower acknowledges that Mezzanine Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Mezzanine Borrower or its Affiliates.

Section 19.21 Prior Agreements . This Agreement and the other Loan Documents (Mezzanine) contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, are superseded by the terms of this Agreement and the other Loan Documents (Mezzanine) and unless specifically set forth in a writing contemporaneous herewith the terms, conditions and provisions of any and all such prior agreements do not survive execution of this Agreement.

If the Single Purpose Entity is a limited liability company, to be a special purpose entity, each managing member shall be a special purpose corporation. If such limited liability company has more than one managing member, then such limited liability company shall continue (and not dissolve) for so long as a solvent managing member exists. Such requirements are as follows:

A. Articles of Organization

a. Purpose

"Notwithstanding any provision hereof or of any other document governing the formation, management or operation of the Limited Liability Company to the contrary, the following shall govern: The nature of the business and of the purposes to be conducted and promoted by the Limited Liability Company, is to engage solely in the following activities:

d. Separateness Covenants

In order to demonstrate that it is a bankruptcy remote entity not at risk of having its assets substantively consolidated with those of another entity, the limited liability company must observe certain covenants designed to make evident the special purpose entity's separateness from its affiliates.

"Notwithstanding any provision hereof or of any other document governing the formation, management or operation of the Limited Liability Company to the contrary, the following shall govern: For so long as any mortgage lien exists on the [Property] [use other term for the real estate if necessary], in order to preserve and ensure its separate and distinct identity, in addition to the other provisions set forth in these articles of organization, the Limited Liability Company shall conduct its affairs in accordance with the following provisions:

e. Dissolution

If such vote is not obtained, for so long as a mortgage lien exists on the [Property] [use other term for the real estate if necessary] the limited liability company may not be permitted to liquidate the [Property] [use other term for the real estate if necessary] without first obtaining approval of the mortgagee holding a first mortgage lien on the [Property] [use other term for the real estate if necessary]. (b) The execution, delivery and performance by each Loan Party of the Loan Documents to which it is a party does not:

(i) contravene any law, statute or regulation of the United States of America or the State of New York or any agency or political subdivision of either thereof;

(ii) violate any order, writ, injunction, or decree of which, after due inquiry, counsel has actual knowledge, issued by any court or governmental authority of the United States of America or the State of New York or any agency or political subdivision of either thereof to which such Loan Party is subject; or

(iii) conflict with or result in any breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any lien other than the lien of the Loan Documents upon any of the assets or properties of such Loan Party pursuant to the terms of any material indenture, mortgage, deed of trust, agreement, contract or instrument to which such Loan Party is a party or by which it or any of its assets or properties is bound.

(c) No order, consent, approval, license or authorization of, or filing, recording or registration with, any governmental or public body or authority of the United States of America or the State of New York or any agency or political subdivision of either thereof is required in connection with the execution and delivery of any of the Loan Documents, the validity, binding effect or enforceability of any of the Loan Documents or the consummation of the transactions contemplated thereby.

(d) There are no actions, suits or proceedings by or before any court, governmental or regulatory authority or agency of which, after due inquiry, we have actual

knowledge pending or threatened against or affecting any Loan Party or Borrower's rights with respect to the Property wherein an adverse ruling or decision, individually or collectively with other such actions, suits or proceedings, is reasonably likely (i) to affect materially and adversely the ability of any Loan Party to consummate the transactions contemplated by the Loan Documents or to perform its obligations under any of the Loan Documents, or (ii) to result in a challenge to the legality, validity, binding effect or enforceability of any of the Loan Documents.

(e) The payment by Borrower and receipt by Lender of all principal and interest will not violate the usury laws of the State of New York or otherwise constitute unlawful interest.

(f) The provisions of the Loan Agreement and the Security Instrument are effective to create, in favor of Lender to secure the obligations purported to be secured thereby, a valid security interest in Borrower's rights in the UCC Collateral.

(g) Under New York UCC, the provisions of the Account Agreement are effective to perfect the security interest of Lender in Borrower's rights in the Collateral Accounts (as defined in the Account Agreement).

Opinions with respect to the law of States in which the Property is located

(a) Each Loan Party is authorized to do business and in good standing in the State of [*Relevant State*].

(b) To the extent governed by the laws of the State of [*Relevant States*], the Security Instrument and the Assignment of Leases are the legal, valid and binding obligations of Borrower, enforceable against Borrower in accordance with their terms.

(c) The Security Instrument is in proper form so as to comply with recording requirements of the State of [*Relevant State*]. The Security Instrument creates in favor of Lender valid liens on the portion of the Property that are located in the State of [*Relevant States*], securing payment of the Obligations (as defined in the Security Instrument), and no further action will be required for the valid creation of such liens. Upon recordation in the office of the [*Recording Office*] the Security Instrument will provide constructive notice of the terms thereof and the liens created thereby to third parties acquiring interests in the portion of the Property that are located in the State of [*Relevant States*] subsequent to such recordation.

(d) The Assignment of Leases is in proper form so as to comply with the recording requirements of the State of [*Relevant States*]. At the time the Assignment of Leases is delivered to the Recording Office for recording, it will take effect as to all creditors and subsequent purchasers for a valuable consideration without notice, and it shall be entitled to priority over any other similar instrument delivered to said Recording Office for recording after that time, in the absence of actual notice.

(e) Pursuant to the provisions of the Security Instrument Borrower has authorized the filing of the Fixture Financing Statement identifying the Fixture Collateral for purposes of Section 9-509 of the [*Relevant States*] UCC. "Fixture Collateral " means that portion of the UCC Collateral which consists of "fixtures" (as defined in Article 9 of the UCC) to the extent the UCC governs a security interest in such collateral.

(f) The Fixture Financing Statement includes not only all the types of information required by Section 9-502(a) and 9-502(b) of the *[Relevant States]* UCC but also the types of information without which the Fixture Filing Office may refuse to accept the Fixture Financing Statement pursuant to Section 9-516 of the State of *[Relevant States]* UCC.

(g) Under the *[Relevant States]* UCC, the security interest of the Secured Party will be perfected in Borrower's rights in any Fixture Collateral located on the real property described on Schedule 1 to the Fixture Financing Statement upon the later of the attachment of the security interest and the filing of the Fixture Financing Statement in the Fixture Filing Office.

(h) Borrower has paid all recording tax due in connection with the recording of the Security Instrument and the Assignment of Leases. No additional deed of trust recording, intangibles tax, documentary stamp tax or similar taxes or charges, other than nominal recordation or filing fees, are required to be paid as a condition of the legality of enforceability of the Security Instrument or the Assignment of Leases.

(i) The State of [*Relevant States*] has no law pursuant to which a lien against any assets or properties of Borrower (whether real, personal, mixed, tangible or intangible) superior to the lien created by the Security Instrument could arise as a result of a violation of environmental laws or regulations of such State. No environmental law or regulation of the State of [Relevant States] would require any remedial or removal action or certification of nonapplicability as a condition to the granting of the Security Instrument, the foreclosure or other enforcement of the Loan Documents or the sale of any assets or properties of Borrower (whether real, personal, mixed, tangible or intangible) located in the State of [*Relevant States*].

(j) No order, consent, approval, license or authorization of, or filing, recording or registration with, any governmental or public body or authority of the United States of America or the State of *[Relevant States]* or any agency or political subdivision of either thereof is required in connection with the execution and delivery of any of the Loan Documents, the validity, binding effect or enforceability of any of the Loan Documents or the consummation of the transactions contemplated thereby.

(k) There are no actions, suits or proceedings by or before any court, governmental or regulatory authority or agency of which, after due inquiry, we have actual knowledge pending or threatened against or affecting any Loan Party or Borrower's rights with respect to the Property wherein an adverse ruling or decision, individually or collectively with other such actions, suits or proceedings, is reasonably likely (i) to affect materially and adversely the ability of any Loan Party to consummate the transactions contemplated by the Loan Documents or to perform its obligations under any of the Loan Documents, or (ii) to result in a challenge to the legality, validity, binding effect or enforceability of any of the Loan Documents.

(l) If the Obligations (as defined in the Security Instrument) were to be governed by the laws of the State of *[Relevant States],* the payment by Borrower and receipt by Lender of all principal and interest will not violate the usury laws of the State of *[Relevant States]* or otherwise constitute unlawful interest.

(m) A federal court sitting in the State of *[Relevant States]* and applying the conflict of law rules of the State of *[Relevant States],* and the state courts in the State of *[Relevant States],* would give effect to the choice of law provisions contained in the Loan Documents. If counsel is not able to give this opinion as an unqualified opinion, an opinion that the Loan Agreement and Note would be enforceable under the law of the State of *[Relevant States]* if such law were held to apply will be required.

(n) The operation of any term of the Loan Documents, including, without limitation, the terms regarding late charges, default interest or prepayment premiums, or the lawful exercise of any right thereunder, shall not render the Loan Documents unenforceable, in whole or in part, or subject to any right of rescission, set-off, counterclaim or defense.

5. The Opinion shall be addressed to Lender and its successors and assigns and shall state that it may be relied upon by (i) any assignee of Lender's interest in the Loan, (ii) any servicer of the Loan, (iii) any purchaser of the Loan or any portion thereof in any Securitization, (iv) any Rating Agency involved in a Securitization of the Loan, (v) the issuer of securities in a Securitization of the Loan, and (vi) any trustee or servicer appointed in connection with a Securitization of the Loan.

NON-CONSOLIDATION OPINION REQUIREMENTS

1. The Nonconsolidation Opinion shall be delivered on the Closing Date and shall satisfy all applicable requirements of the Rating Agencies in relation thereto.

2. The Nonconsolidation Opinion shall be given by a professional law firm selected by Borrower and reasonably acceptable to Lender.

3. The Nonconsolidation Opinion shall be in form and substance acceptable to Lender and shall be given in relation to both Borrower and any other SPE Entity relevant to the Loan. The Nonconsolidation Opinion shall identify each entity (a "Relevant Entity") which owns more than a 49% direct or indirect interest in either Borrower and/or such SPE Entity. Depending on the circumstances and nature of the transaction structure, a non-affiliated entity, such as a third party property manager, shall be included as a Relevant Entity if required by the Rating Agencies.

4. The Nonconsolidation Opinion shall state that, in the event that any Relevant Entity were to be a debtor in a case under the Bankruptcy Code, it is counsel's opinion that, under present reported decisional authority and statutes applicable to federal bankruptcy cases, in a properly presented and argued case, a court would not, in the proper exercise of its equitable discretion, disregard the separate existence of Borrower or any SPE Entity so as to order substantive consolidation under the Bankruptcy Code of the assets and liabilities of such Relevant Entity with the assets and liabilities of either Borrower or any SPE Entity and treat such assets and liabilities as though either Borrower and such Relevant Entity or any SPE Entity and such Relevant Entity were one entity.

5. The Nonconsolidation Opinion shall be addressed to Lender and its successors and assigns and shall state that it may be relied upon by (i) any assignee of Lender's interest in the Loan, (ii) any participant of Lender's interest in the Loan, (iii) any servicer of the Loan, (iv) any purchaser of the Loan or any portion thereof in any Securitization, (v) any Rating Agency involved in a Securitization of the Loan, (vi) the issuer of securities in a Securitization of the Loan, and (vii) any trustee or servicer appointed in connection with a Securitization of the Loan.

DELAWARE BANKRUPTCY OPINIONS

As a general rule, the following opinions are required with respect to any single-member Delaware limited liability companies (having independent members/managers) in the organizational structure:

1. An opinion of Delaware counsel that federal bankruptcy court would hold that Delaware law, and not federal law, governs the determination of what persons or entities have authority to file a voluntary bankruptcy petition on behalf of the limited liability company.

2. Opinions of Delaware counsel as follows:

a. The limited liability company agreement constitutes a legal, valid and binding agreement of its member, and is enforceable against such member, in accordance with its terms.

b. In order for a voluntary bankruptcy petition to be filed on behalf of the Company, the unanimous consent of all of the independent managers/members is required and the provision requiring such unanimous consent in the limited liability company agreement constitutes a legal, valid and binding agreement of the member, enforceable against the member, in accordance with its terms.

c. The bankruptcy or dissolution of the limited liability company's sole member will not, by itself, cause the limited liability company to be dissolved or its affairs to be wound up.

d. A judgment creditor of the member may not satisfy its claims against the member by asserting a claim against the assets of the limited liability company.

e. The limited liability company is a separate legal entity, and shall continue as such until the cancellation of the limited liability company certificate.

(c) All consents, authorizations and approvals required for the execution and delivery by Interest Rate Cap Guarantor of the Interest Rate Cap Guaranty, and any other agreement which Interest Rate Cap Guarantor has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been obtained and remain in full force and effect, all conditions thereof have been duly complied with, and no other action by, and no notice to or filing with any governmental authority or regulatory body is required for such execution, delivery or performance.

6. INTEREST RATE CAP AGREEMENT REQUIREMENTS

- The form of cap agreement should be the 1992 ISDA Agreement (Multicurrency Cross Border or Local Currency Single Jurisdiction) subject to the 2000 Definitions.
- Once the cap premium is paid by Borrower, it cannot default. (Paragraph 4 of the May 1989 ISDA Addendum to Schedule to Interest Rate and Currency Exchange Agreement or similar language must be incorporated by reference).
- "Cross Default" provision of Section 5(a)(vi) of the ISDA Master Agreement will not apply. Grace and cure periods in Section 5 of the ISDA Master Agreement will either (i) not apply or (ii) if applicable, any grace or cure periods must expire in time to ensure the availability of cap payments by cap provider on a timely basis for distribution to the holders of the rated securities.
- "Credit Event Upon Merger" provisions of Section 5(b)(iv) of the ISDA Master Agreement will not apply.
- "Automatic Early Termination" provision in Section 6(a) of the ISDA Master Agreement will not apply.
- Termination Events under Sections 5(b)(ii) and 5(b)(iii) of the ISDA Master Agreement either (i) will only constitute termination events exercisable by Borrower against cap provider or (ii) if exercisable by both parties, at the time of any event triggering a termination event under Sections 5(b)(ii) and/or 5(b)(iii), cap provider must either (a) transfer the cap to a replacement cap provider acceptable to each Rating Agency at cap provider's sole cost and expense, or (b) continue to perform its obligations under the cap agreement including, without limitation, the obligation to unconditionally "gross up" in the event that a withholding tax is imposed on payments being made by the cap provider.
- Borrower shall be precluded from payment of any out of pocket expenses required under Section 11 of the ISDA Master Agreement and incurred by cap provider related to the enforcement and protection of cap provider's rights under the cap agreement.
- Market Quotation and Second Method will be used for the purpose of computing amounts payable on early termination with a provision for loss if Market Quotation is not available.
- The parties shall be deemed to have no Affiliates for purposes of the ISDA Master Agreement.
- "Specified Entities" will not apply for purposes of Sections 5(a)(v), 5(a)(vi), 5(a)(vii) and 5(b)(iv) of the ISDA Master Agreement.
- Transaction will be governed by New York law.
- For the purposes of Section 6(e) of the ISDA Master Agreement, set off and counterclaim will not apply and all payments by cap provider shall be made without set off or counterclaim.

- If this transaction will be guaranteed by a parent to provide a required rating, the guarantee must be unconditional, irrevocable, continuing and a guarantee of payment, not collection, and otherwise satisfy Rating Agency requirements. Any act or omission of such guarantor that would constitute an event of default by the cap provider (other than a cross default) under Section 5 of the ISDA Master Agreement will constitute an event of default under the ISDA Master Agreement.

- The definition of LIBOR will be USD LIBOR BBA and must match the definition of LIBOR in the loan agreement.

- The definition of Business Day must match the definition of Business Day in the loan agreement. LIBOR must be determined on the LIBOR Determination Date.

- Payments must be made by the cap provider on or prior to the applicable Payment Date in respect of a period corresponding to the applicable Interest Period.

- The Termination Date of the cap must be no earlier than the last day of the Interest Period in which the Maturity Date under the loan agreement occurs.

- The Day Count Fraction in the cap must match that contained in the loan agreement.

- The Notional Amount in the cap must match the principal amount of the loan as of the date of the loan agreement.

- US Dollars are selected as the Termination Currency under the cap.

- Section 2(c)(ii) of the ISDA Master Agreement will apply to the Transaction.

- Cap provider and Borrower will represent that it is not a multi branch party.

- Cap provider will covenant that it will not petition Borrower into bankruptcy (or join in any such petition) for 365 days after all outstanding rated securities have been paid in full.

- If the ISDA Master Agreement (Multicurrency Cross Border) ("Cross Border Agreement") is utilized, additional scheduled items and provisions to address "indemnifiable taxes" and other related issues present in cross border transactions must be incorporated:

    - Section 2(d)(i)(4) of the Cross Border Agreement must be amended to require the cap provider to unconditionally "gross up" in the event that a withholding tax is imposed on payments being made by the cap provider.

    - The definition of "indemnifiable tax" must cover any and all withholding tax.

    - Section 2(d)(i)(4) of the Cross Border Agreement will be deleted such that cap provider is not excused from having to "gross up" due to Borrower's breach of a tax representation or failure to notify cap provider of a breach of a tax representation and (ii) Borrower makes no tax representations in the cap agreement or schedule.

    - Section 2(d)(ii) of the Cross Border Agreement must be amended to provide that there is no obligation by Borrower to make payments to the cap provider for any payments made by the cap provider without deduction for taxes (for which there is no obligation to gross up).

- Section 4(e) of the Cross Border Agreement must be amended to provide that there are no payment obligations by Borrower to cap provider for any indemnification resulting from stamp registration or other documentary tax levied by Borrower's taxing authority on the cap provider.

- Cap provider and any guarantor must provide a New York opinion of counsel satisfactory to the Rating Agencies regarding the cap. If cap provider or its guarantor is a non U.S. entity, a foreign opinion must be provided as well. SUBORDINATION,
NON-DISTURBANCE AND ATTORNMENT AGREEMENT

THIS AGREEMENT made as of this___ day of_____ , 200___ , between CITIGROUP GLOBAL MARKETS REALTY CORP., a New York corporation, having an address at 388 Greenwich Street, New York, New York 10013 (hereinafter called "Lender"), and_____, a_____, having an address at_____(hereinafter called "Tenant").

W I T N E S S E T H :

WHEREAS, by a lease (the " Original Lease") dated_____ , 200___ between_____(hereinafter called "Landlord"), as landlord, and Tenant, as tenant, as amended by lease amendment[s] dated_____ , 200___ , [_____ , 200___ and_____ , 200___] (the Original Lease, as so amended, is hereinafter the "Lease"), a memorandum of which Lease was dated_____and was recorded in_____in Reel___ , Page___, [add recording data for memoranda of amendments, if applicable], Landlord leased to Tenant certain premises located in_____ (the "Premises") on the property described in Schedule "A" annexed hereto and made a part hereof (the "Property"); and

WHEREAS, Lender is about to make a loan to Landlord, which loan shall be secured by, among other things, a mortgage or deed of trust (which mortgage or deed of trust, and all amendments, renewals, increases, modifications, replacements, substitutions, extensions, spreaders and consolidations thereof and all re-advances thereunder and addictions thereto, is referred to as the "Security Instrument") encumbering the Property; and

WHEREAS, Lender and Tenant desire to confirm their understanding and agreement with respect to the Lease and the Security Instrument.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, Lender and Tenant hereby agree and covenant as follows:

1. The Lease, and all of the terms, covenants, provisions and conditions thereof (including, without limitation, any right of first refusal, right of first offer, option or any similar right with respect to the sale or purchase of the Property, or any portion thereof) is, shall be and shall at all times remain and continue to be subject and subordinate in all respects to the lien, terms, covenants, provisions and conditions of the Security Instrument and to all advances and re-advances made thereunder and all sums secured thereby. This provision shall be self-operative but Tenant shall execute and deliver any additional instruments which Lender may reasonably require to effect such subordination.

2. So long as (i) Tenant is not in default (beyond any period given in the Lease to Tenant to cure such default) in the payment of rent, percentage rent or additional rent or in the performance or observance of any of the other terms, covenants, provisions or conditions

of the Lease on Tenant's part to be performed or observed, (ii) Tenant is not in default under this Agreement and (iii) the Lease is in full force and effect: (a) Tenant's possession of the Premises and Tenant's rights and privileges under the Lease, or any extensions or renewals thereof which may be effected in accordance with any option therefor which is contained in the Lease, shall not be diminished or interfered with by Lender, and Tenant's occupancy of the Premises shall not be disturbed by Lender for any reason whatsoever during the term of the Lease or any such extensions or renewals thereof and (b) Lender will not join Tenant as a party defendant in any action or proceeding to foreclose the Security Instrument or to enforce any rights or remedies of Lender under the Security Instrument which would cut-off, destroy, terminate or extinguish the Lease or Tenant's interest and estate under the Lease (except to the extent required so that Tenant's right to receive or set-off any monies or obligations owed or to be performed by any of Lender's predecessors-in-interest shall not be enforceable thereafter against Lender or any of Lender's successors-in-interest). Notwithstanding the foregoing provisions of this paragraph, if it would be procedurally disadvantageous for Lender not to name or join Tenant as a party in a foreclosure proceeding with respect to the Security Instrument, Lender may so name or join Tenant without in any way diminishing or otherwise affecting the rights and privileges granted to, or inuring to the benefit of, Tenant under this Agreement.

3. (A) After notice is given by Lender that the Security Instrument is in default and that the rentals under the Lease should be paid to Lender, Tenant will attorn to Lender and pay to Lender, or pay in accordance with the directions of Lender, all rentals and other monies due and to become due to Landlord under the Lease or otherwise in respect of the Premises. Such payments shall be made regardless of any right of set-off, counterclaim or other defense which Tenant may have against Landlord, whether as the tenant under the Lease or otherwise.

(B) In addition, if Lender (or its nominee or designee) shall succeed to the rights of Landlord under the Lease through possession or foreclosure action, delivery of a deed or otherwise, or another person purchases the Property or the portion thereof containing the Premises upon or following foreclosure of the Security Instrument or in connection with any bankruptcy case commenced by or against Landlord, then at the request of Lender (or its nominee or designee) or such purchaser (Lender, its nominees and designees, and such purchaser, and their respective successors and assigns, each being a " Successor-Landlord"), Tenant shall attorn to and recognize Successor-Landlord as Tenant's landlord under the Lease and shall promptly execute and deliver any instrument that Successor-Landlord may reasonably request to evidence such attornment. Upon such attornment, the Lease shall continue in full force and effect as, or as if it were, a direct lease between Successor-Landlord and Tenant upon all terms, conditions and covenants as are set forth in the Lease. If the Lease shall have terminated by operation of law or otherwise as a result of or in connection with a bankruptcy case commenced by or against Landlord or a foreclosure action or proceeding or delivery of a deed in lieu, upon request of Successor-Landlord, Tenant shall promptly execute and deliver a direct lease with Successor-Landlord which direct lease shall be on substantially the same terms and conditions as the Lease (subject, however, to the provisions of clauses (i)-(v) of this paragraph 3(B)) and shall be effective as of the day the Lease shall have terminated as aforesaid. Notwithstanding the continuation of the Lease, the attornment of Tenant thereunder or the execution of a direct lease between Successor-Landlord and Tenant as aforesaid, Successor-Landlord shall not:

(i) be liable for any previous act or omission of Landlord under the Lease;

(ii) be subject to any off-set, defense or counterclaim which shall have theretofore accrued to Tenant against Landlord;

(iii) be bound by any modification of the Lease or by any previous prepayment of rent or additional rent made more than one (1) month prior to the date same was due which Tenant might have paid to Landlord, unless such modification or prepayment shall have been expressly approved in writing by Lender;

(iv) be liable for any security deposited under the Lease unless such security has been physically delivered to Lender or Successor-Landlord; and

(v) be liable or obligated to comply with or fulfill any of the obligations of the Landlord under the Lease or any agreement relating thereto with respect to the construction of, or payment for, improvements on or above the Premises (or any portion thereof), leasehold improvements, tenant work letters and/or similar items.

4. Tenant agrees that without the prior written consent of Lender, it shall not (a) amend, modify, terminate or cancel the Lease or any extensions or renewals thereof, (b) tender a surrender of the Lease, (c) make a prepayment of any rent or additional rent more than one (1) month in advance of the due date thereof, or (d) subordinate or permit the subordination of the Lease to any lien subordinate to the Security Instrument. Any such purported action without such consent shall be void as against the holder of the Security Instrument.

5. (A) Tenant shall promptly notify Lender of any default by Landlord under the Lease and of any act or omission of Landlord which would give Tenant the right to cancel or terminate the Lease or to claim a partial or total eviction.

(B) In the event of a default by Landlord under the Lease which would give Tenant the right, immediately or after the lapse of a period of time, to cancel or terminate the Lease or to claim a partial or total eviction, or in the event of any other act or omission of Landlord which would give Tenant the right to cancel or terminate the Lease, Tenant shall not exercise such right (i) until Tenant has given written notice of such default, act or omission to Lender and (ii) unless Lender has failed, within sixty (60) days after Lender receives such notice, to cure or remedy the default, act or omission or, if such default, act or omission shall be one which is not reasonably capable of being remedied by Lender within such sixty (60) day period, until a reasonable period for remedying such default, act or omission shall have elapsed following the giving of such notice and following the time when Lender shall have become entitled under the Security Instrument to remedy the same (which reasonable period shall in no event be less than the period to which Landlord would be entitled under the Lease or otherwise, after similar notice, to effect such remedy), provided that Lender shall with due diligence give Tenant written notice of its intention to and shall commence and continue to, remedy such default, act or omission. If Lender cannot reasonably remedy a default, act or omission of Landlord until after Lender obtains possession of the Premises, Tenant may not terminate or cancel the Lease or claim a partial or total eviction by reason of such default, act or omission

until the expiration of a reasonable period necessary for the remedy after Lender secures possession of the Premises. To the extent Lender incurs any expenses or other costs in curing or remedying such default, act or omission, including, without limitation, attorneys' fees and disbursements, Lender shall be subrogated to Tenant's rights against Landlord.

(C) Notwithstanding the foregoing, Lender shall have no obligation hereunder to remedy such default, act or omission.

6. To the extent that the Lease shall entitle Tenant to notice of the existence of any mortgage and the identity of any mortgagee or any ground lessor, this Agreement shall constitute such notice to Tenant with respect to the Security Instrument and Lender.

7. Upon and after the occurrence of a default under the Security Instrument, which is not cured after any applicable notice and/or cure periods, Lender shall be entitled, but not obligated, to exercise the claims, rights, powers, privileges and remedies of Landlord under the Lease and shall be further entitled to the benefits of, and to receive and enforce performance of, all of the covenants to be performed by Tenant under the Lease as though Lender were named therein as Landlord.

8. Anything herein or in the Lease to the contrary notwithstanding, in the event that a Successor-Landlord shall acquire title to the Property or the portion thereof containing the Premises, Successor-Landlord shall have no obligation, nor incur any liability, beyond Successor-Landlord's then interest, if any, in the Property, and Tenant shall look exclusively to such interest, if any, of Successor-Landlord in the Property for the payment and discharge of any obligations imposed upon Successor-Landlord hereunder or under the Lease, and Successor-Landlord is hereby released or relieved of any other liability hereunder and under the Lease. Tenant agrees that, with respect to any money judgement which may be obtained or secured by Tenant against Successor-Landlord, Tenant shall look solely to the estate or interest owned by Successor-Landlord in the Property, and Tenant will not collect or attempt to collect any such judgement out of any other assets of Successor-Landlord.

9. Notwithstanding anything to the contrary in the Lease, Tenant agrees for the benefit of Landlord and Lender that, except as permitted by, and fully in accordance with, applicable law, Tenant shall not generate, store, handle, discharge or maintain in, on or about any portion of the Property, any asbestos, polychlorinated biphenyls, or any other hazardous or toxic materials, wastes and substances which are defined, determined or identified as such (including, but not limited to, pesticides and petroleum products if they are defined, determined or identified as such) in any federal, state or local laws, rules or regulations (whether now existing or hereafter enacted or promulgated) or any judicial or administrative interpretation of any thereof, including any judicial or administrative interpretation of any thereof, including any judicial or administrative orders or judgments.

10. If the Lease provides that Tenant is entitled to expansion space, Successor-Landlord shall have no obligation nor any liability for failure to provide such expansion space if a prior landlord (including, without limitation, Landlord), by reason of a lease or leases entered into by such prior landlord with other tenants of the Property, has precluded the availability of such expansion space.

11. Except as specifically provided in this Agreement, Lender shall not, by virtue of this Agreement, the Security Instrument or any other instrument to which Lender may be a party, be or become subject to any liability or obligation to Tenant under the Lease or otherwise.

12. (A) Tenant acknowledges and agrees that this Agreement satisfies and complies in all respects with the provisions of Article of the Lease and that this Agreement supersedes (but only to the extent inconsistent with) the provisions of such Article and any other provision of the Lease relating to the priority or subordination of the Lease and the interests or estates created thereby to the Security Instrument.

(B) Tenant agrees to enter into a subordination, non-disturbance and attornment agreement with any lender which shall succeed Lender as lender with respect to the Property, or any portion thereof, provided such agreement is substantially similar to this Agreement. Tenant does herewith irrevocably appoint and constitute Lender as its true and lawful attorney-in-fact in its name, place and stead to execute such subordination, non-disturbance and attornment agreement, without any obligation on the part of Lender to do so. This power, being coupled with an interest, shall be irrevocable as long as the Indebtedness secured by the Security Instrument remains unpaid. Lender agrees not to exercise its rights under the preceding two sentences if Tenant promptly enters into the subordination, non-disturbance and attornment agreement as required pursuant to the first sentence of this subparagraph (B).

13. (A) Any notice required or permitted to be given by Tenant to Landlord shall be simultaneously given also to Lender, and any right to Tenant dependent upon notice shall take effect only after notice is so given. Performance by Lender shall satisfy any conditions of the Lease requiring performance by Landlord, and Lender shall have a reasonable time to complete such performance as provided in Paragraph 5 hereof.

(B) All notices or other communications required or permitted to be given to Tenant or to Lender pursuant to the provisions of this Agreement shall be in writing and shall be deemed given only if mailed by United States registered mail, postage prepaid, or if sent by nationally recognized overnight delivery service (such as Federal Express or United States Postal Service Express Mail), addressed as follows: to Tenant, at the address first set forth above, Attention: _____; to Lender, at the address first set forth above, Attention:_____and General Counsel, with a copy to Cadwalader, Wickersham & Taft LLP, One World Financial Center, New York, New York 10281, Attention: Frederic L. Altschuler, Esq.; or to such other address or number as such party may hereafter designate by notice delivered in accordance herewith. All such notices shall be deemed given three (3) business days after delivery to the United States Post office registry clerk if given by registered mail, or on the next business day after delivery to an overnight delivery courier.

14. This Agreement may be modified only by an agreement in writing signed by the parties hereto, or their respective successors-in-interest. This Agreement shall inure to the benefit of and be binding upon the parties hereto, and their respective successors and assigns. The term "Lender" shall mean the then holder of the Security Instrument. The term "Landlord" shall mean the then holder of the landlord's interest in the Lease. The term " person" shall mean

an individual, joint venture, corporation, partnership, trust, limited liability company, unincorporated association or other entity. All references herein to the Lease shall mean the Lease as modified by this Agreement and to any amendments or modifications to the Lease which are consented to in writing by Lender. Any inconsistency between the Lease and the provisions of this Agreement shall be resolved, to the extent of such inconsistency, in favor of this Agreement.

15. Tenant hereby represents to Lender as follows:

(a) The Lease is in full force and effect and has not been further amended.

(b) There has been no assignment of the Lease or subletting of any portion of the premises demised under the Lease.

(c) There are no oral or written agreements or understandings between Landlord and Tenant relating to the premises demised under the Lease or the Lease transaction except as set forth in the Lease.

(d) The execution of the Lease was duly authorized and the Lease is in full force and effect and to the best of Tenant's knowledge there exists no default (beyond any applicable grace period) on the part of either Tenant or Landlord under the Lease.

(f) To the best of Tenant's knowledge, there is no present assignment, hypothecation or pledge of the Lease or rents accruing under the Lease by Landlord, other than pursuant to the Security Instrument.

16. Whenever, from time to time, reasonably requested by Lender (but not more than three (3) times during any calendar year), Tenant shall execute and deliver to or at the direction of Lender, and without charge to Lender, one or more written certifications, in a form acceptable to Tenant, of all of the matters set forth in Paragraph 15 above, and any other information the Lender may reasonably require to confirm the current status of the Lease.

17. BOTH TENANT AND LENDER HEREBY IRREVOCABLY WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT.

18. This Agreement shall be governed by and construed in accordance with the laws of the State in which the Property is located.

II. GENERAL TERMS

Section 2.1 Loan; Disbursement to Borrower .

2.1.1 The Loan . Subject to and upon the terms and conditions set forth herein, Lender hereby agrees to make and Borrower hereby agrees to accept the Loan on the Closing Date.

2.1.2 Disbursement to Borrower . Borrower may request and receive only one borrowing hereunder in respect of the Loan and any amount borrowed and repaid hereunder in respect of the Loan may not be reborrowed. Borrower acknowledges and agrees that the full proceeds of the Loan have been disbursed by Lender to Borrower on the Closing Date.

2.1.3 The Note, Security Instrument and Loan Documents . The Loan shall be evidenced by the Note and secured by the Security Instrument, the Assignment of Leases, this Agreement and the other Loan Documents.

2.1.4 Use of Proceeds . Borrower shall use the proceeds of the Loan to repay and discharge any existing mortgage loans secured by the Property, to provide any necessary or appropriate reserves, to make cash distributions to its members for, among other things, repayment of any existing mezzanine loans secured by direct or indirect interests in Borrower, and as may be otherwise set forth on the Loan closing statement executed by Borrower at closing.

Section 2.2 Interest; Loan Payments; Late Payment Charge .

2.2.1 Payment of Principal and Interest .

(i) Except as set forth in Section 2.2.1(ii) , interest shall accrue on the Principal Amount as set forth in the Note.

(ii) Upon the occurrence and during the continuance of an Event of Default and from and after the Maturity Date if the entire Principal Amount is not repaid on the Maturity Date, interest on the outstanding principal balance of the Loan and, to the extent permitted by law, overdue interest and other amounts due in respect of the Loan shall accrue at the Default Rate calculated from the date such payment was due without regard to any grace or cure periods contained herein. Interest at the Default Rate shall be computed from the occurrence of the Event of Default until the actual receipt and collection of the Indebtedness (or that portion thereof that is then due). To the extent permitted by applicable law, interest at the Default Rate shall be added to the Indebtedness, shall itself accrue interest at the same rate as the

Loan and shall be secured by the Security Instrument. This paragraph shall not be construed as an agreement or privilege to extend the date of the payment of the Indebtedness, nor as a waiver of any other right or remedy accruing to Lender by reason of the occurrence of any Event of Default, and Lender retains its rights under the Note to accelerate and to continue to demand payment of the Indebtedness upon the happening of any Event of Default.

2.2.2 Method and Place of Payment .

(a) On each Payment Date, Borrower shall pay or cause to be paid to Lender interest accruing pursuant to the Note for the entire Interest Period during which said Payment Date shall occur.

(b) All amounts advanced by Lender pursuant to the applicable provisions of the Loan Documents, other than the Principal Amount, together with any interest at the Default Rate or other charges as provided therein, shall be due and payable hereunder as provided in the Loan Documents. In the event any such advance or charge is not so repaid by Borrower, Lender may, at its option and upon notice to Borrower, first apply any payments received under the Note to repay such advances, together with any interest thereon, or other charges as provided in the Loan Documents, and the balance, if any, shall be applied in payment of any installment of interest or principal then due and payable.

(c) The Maturity Date Payment shall be due and payable in full on the Maturity Date.

2.2.3 Late Payment Charge . If any interest payment due under the Loan Documents is not paid by Borrower within five (5) days after to the date on which it is due (or, if such fifth (5th) day is not a Business Day, then the Business Day immediately preceding such day) on or prior to the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of three percent (3%) of such unpaid sum or the Maximum Legal Rate (the "**Late Payment Charge**") in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment. Any such amount shall be secured by this Agreement, the Security Instrument and the other Loan Documents to the extent permitted by applicable law. Borrower acknowledges and agrees that the five day grace period with respect to the applicability of the Late Payment Charge (i) shall only apply to Borrower's first failure to make a monthly interest payment in any calendar year and (ii) shall not constitute a payment grace period and shall in no way limit Lender's rights under Article XVII .

2.2.4 Usury Savings . This Agreement and the Note are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the Principal Amount of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the Principal Amount due under the Note at a rate in excess of the Maximum Legal Rate, then the LIBOR Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not

on account of the interest due under the Note. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

Section 2.3 Prepayments .

2.3.1 Prepayments . No prepayments of the Indebtedness shall be permitted except as set forth in Section 4 of the Note. Borrower agrees and acknowledges after the closing of the Loan that prior to a material Event of Default (as determined by Lender in its sole and absolute discretion) (x) in the case of prepayments of the Loan in connection with a Casualty or Condemnation, principal will be applied (to the extent not used for restoration pursuant to the terms hereof) to the Note, any substitute or component notes (as applicable) sequentially starting with the most senior securitized tranche and (y) in the case of all prepayments of the Loan other than in accordance with the preceding clause (x), such prepayments will be applied to the Note, any substitute or component notes (as applicable) pro-rata (on the basis of their respective principal balances) among the securitized and any non-securitized portions of the Loan (and pro-rata within the securitized portions of the Loan). Notwithstanding the foregoing, upon the occurrence and during the continuance of a material Event of Default (as determined by Lender in its sole and absolute discretion), Borrower agrees and acknowledges that any principal prepayments of the Loan will be applied to the Note, any substitute or component notes (as applicable) sequentially, starting with the most senior securitized tranche (it being acknowledged that during the continuance of a material Event of Default all securitized portions of the Loan shall be paid in full prior to the payment of any non-securitized portions of the Loan).

2.3.2 Prepayments after Event of Default . If, following an Event of Default, Lender shall accelerate the Indebtedness and Borrower thereafter tenders payment of all or any part of the Indebtedness, or if all or any portion of the Indebtedness is recovered by Lender after such Event of Default, (a) such payment may be made only on the next occurring Payment Date together with all unpaid interest thereon as calculated through the end of the Interest Period during which such Payment Date occurs (even if such period extends beyond such Payment Date and calculated as if such payment had not been made on such Payment Date), and all other fees and sums payable hereunder or under the Loan Documents, including without limitation, interest that has accrued at the Default Rate and any Late Payment Charges), (b) such payment shall be deemed a voluntary prepayment by Borrower, and (c) Borrower shall pay, in addition to the Indebtedness, an amount equal to the Prepayment Fee, if applicable.

2.3.3 Release of Property . Lender shall, at the reasonable expense of Borrower, upon payment in full of the Principal Amount and interest on the Loan and all other amounts due and payable under the Loan Documents in accordance with the terms and provisions of the Note and this Agreement, release the Lien of (i) this Agreement upon the Account Collateral and the Rate Cap Collateral and (ii) the Security Instrument on the Property or assign it, in whole or in part, to a new lender. In such event, Borrower shall submit to Lender, on a date prior to the date of such release or assignment sufficient to provide a reasonable period

for review thereof, a release of lien or assignment of lien, as applicable, for such property for execution by Lender. Such release or assignment, as applicable, shall be in a form appropriate in each jurisdiction in which the Property is located and satisfactory to Lender in its reasonable discretion. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such release or assignment, as applicable.

Section 2.4 Regulatory Change; Taxes .

2.4.1 Increased Costs . If, at any time prior to the first Securitization of the Loan, as a result of any Regulatory Change or compliance of Lender therewith, the basis of taxation of payments to Lender of the principal of or interest on the Loan is changed or Lender or the company Controlling Lender shall be subject to (i) any tax, duty, charge or withholding of any kind with respect to this Agreement (excluding federal taxation of the overall net income of Lender); or (ii) any reserve, special deposit or similar requirements relating to any extensions of credit or other assets of, or any deposits with or other liabilities, of Lender or any company Controlling Lender is imposed, modified or deemed applicable; or (iii) any other condition affecting loans to borrowers subject to LIBOR-based interest rates is imposed on Lender or any company Controlling Lender and Lender determines that, by reason thereof, the cost to Lender or any company Controlling Lender of making, maintaining or extending the Loan to Borrower is increased, or any amount receivable by Lender or any company Controlling Lender hereunder in respect of any portion of the Loan to Borrower is reduced, in each case by an amount deemed by Lender in good faith to be material (such increases in cost and reductions in amounts receivable being herein called "**Increased Costs**"), then Lender shall provide notice thereof to Borrower and Borrower agrees that it will pay to Lender upon Lender's written request such additional amount or amounts as will compensate Lender or any company Controlling Lender for such Increased Costs to the extent Lender determines that such Increased Costs are allocable to the Loan and provided that Lender is generally exercising rights similar to those set forth in this Section 2.4.1 against other borrowers similarly situated to Borrower. Lender will notify Borrower of any event occurring after the date hereof which will entitle Lender to compensation pursuant to this Section 2.4.1 as promptly as practicable after it obtains knowledge thereof and determines to request such compensation; provided , however , that, if Lender fails to deliver a notice within 90 days after the date on which an officer of Lender responsible for overseeing this Agreement knows or has reason to know of its right to additional compensation under this Section 2.4.1 , Lender shall only be entitled to additional compensation for any such Increased Costs incurred from and after the date that is 90 days prior to the date Borrower received such notice. If Lender requests compensation under this Section 2.4.1 , Borrower may, by notice to Lender, require that Lender furnish to Borrower a statement setting forth the basis for requesting such compensation and the method for determining the amount thereof, and a description as to why Section 2.4.5 is not applicable.

2.4.2 Special Taxes . At all times prior to the first Securitization of the Loan, Borrower shall make all payments hereunder free and clear of and without deduction for Special Taxes. If, at any time prior to the first Securitization of the Loan, Borrower shall be required by law to deduct any Special Taxes from or in respect of any sum payable hereunder or under any other Loan Document to Lender, (i) the sum payable shall be increased as may be necessary so that after making all required deductions (including deductions applicable to

additional sums payable under this Section 2.4.2) Lender receives an amount equal to the sum it would have received had no such deductions been made, (ii) Borrower shall make such deductions, and (iii) Borrower shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

2.4.3 Other Taxes . In addition, for all periods prior to the first Securitization of the Loan, Borrower agrees to pay any present or future stamp or documentary taxes or other excise or property taxes, charges, or similar levies which arise from any payment made hereunder, or from the execution, delivery or registration of, or otherwise with respect to, this Agreement, the other Loan Documents, or the Loan (hereinafter referred to as "**Other Taxes**").

2.4.4 Indemnity . Borrower shall indemnify Lender for all periods prior to the first Securitization of the Loan, for the full amount of Special Taxes and Other Taxes (including any Special Taxes or Other Taxes imposed by any Governmental Authority on amounts payable under this Section 2.4.4) paid by Lender and any liability (including penalties, interest, and expenses) arising therefrom or with respect thereto, whether or not such Special Taxes or Other Taxes were correctly or legally asserted. This indemnification shall be made within thirty (30) days after the date Lender makes written demand therefor.

2.4.5 Change of Office . To the extent that changing the jurisdiction of Lender's applicable office would have the effect of minimizing Special Taxes, Other Taxes or Increased Costs, Lender shall use reasonable efforts to make such a change, provided that same would not otherwise be disadvantageous to Lender.

2.4.6 Survival . Without prejudice to the survival of any other agreement of Borrower hereunder, the agreements and obligations of Borrower contained in this Section 2.4 shall survive the payment in full of principal and interest hereunder, and the termination of this Agreement.

The obligation of Lender to make the Loan hereunder is subject to the fulfillment by, or on behalf of, Borrower or waiver by Lender of the following conditions precedent no later than the Closing Date; provided , however , that unless a condition precedent shall expressly survive the Closing Date pursuant to a separate agreement, by funding the Loan, Lender shall be deemed to have waived any such conditions not theretofore fulfilled or satisfied:

4.1.19 Enforceability . The Loan Documents are not subject to any existing right of rescission, set-off, counterclaim or defense by Borrower, including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable (subject to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law)), and Borrower has not asserted any right of rescission, set-off, counterclaim or defense with respect thereto.

4.1.20 No Prior Assignment . a written agreement) except under and pursuant to the provisions of the Leases. The Gift Shop Lease will terminate on October 1, 2006. All other current Leases are in full force and effect and to the Best of Borrower's Knowledge, there are no material defaults thereunder by either party (other than as expressly disclosed on the certified rent roll delivered to Lender or the Tenant estoppel certificates delivered to Lender in connection with the closing of the Loan) and there are no conditions that, with the passage of time or the giving of notice, or both, would constitute material defaults thereunder. No Rent has been paid more than one (1) month in advance of its due date, except as disclosed in the Tenant estoppel certificates delivered to Lender in connection with the closing of the Loan. There has been no prior sale, transfer or assignment, hypothecation or pledge by Borrower of any Lease or of the Rents received therein, which will be outstanding following the funding of the Loan, other than those being assigned to Lender concurrently herewith. The fair saleable value of Borrower's assets is and will, immediately following the making of the Loan, be greater than Borrower's probable liabilities, including the maximum amount of its contingent liabilities on its Debts as such Debts become absolute and matured. Borrower's assets do not and, immediately following the making of the Loan will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to, and does not believe that it will, incur Debt and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such Debt and liabilities as they mature (taking into account the timing and amounts of cash to be received by Borrower and the amounts to be payable on or in respect of obligations of Borrower).

Borrower covenants and agrees that it shall pay as and when due any and all brokerage fees, charges, commissions or other compensation or reimbursement due to any broker of Borrower with respect to the transactions contemplated by the Loan Documents. All representations, warranties, covenants and agreements made in this Agreement or in the other Loan Documents by Borrower shall be deemed to have been relied upon by Lender notwithstanding any investigation heretofore or hereafter made by Lender or on its behalf.

Borrower shall at all times maintain, preserve and protect all material franchises and trade names and preserve all the remainder of its property used in the conduct of its business and shall keep the Property in good working order and repair, and from time to time make, or cause to be made, all reasonably necessary repairs, renewals, replacements, betterments and improvements thereto, all as more fully set forth in the Security Instrument. Borrower shall keep the Property insured at all times to such extent and against such risks, and maintain liability and such other insurance, as set forth in this Agreement.

5.1.5 Consents . If Borrower is a corporation, the board of directors of such Person may not take any action requiring the unanimous affirmative vote of 100% of the members of the board of directors unless all of the directors, including the Independent Directors, shall have participated in such vote if such vote relates to a Material Action (as such term is defined in the Borrower's organizational documents). If Borrower is a limited liability company, (a) if such Person is managed by a board of managers, the board of managers of such Person may not take any action requiring the unanimous affirmative vote of 100% of the members of the board of managers unless all of the managers, including the Independent Managers, shall have participated in such vote if such vote relates to a Material Action (as such term is defined in the Borrower's organizational documents), (b) if such Person is not managed by a board of managers, the members of such Person may not take any action requiring the affirmative vote of 100% of the members of such Person unless all of the members, including the Independent Members, shall have participated in such vote if such vote relates to a Material Action (as such term is defined in the Borrower's organizational documents). 5.1.9 Perform Loan Documents . Borrower shall observe, perform and satisfy all the terms, provisions, covenants and conditions of, and shall pay when due all costs, fees and expenses to the extent required, under the Loan Documents executed and delivered by, or applicable to, Borrower.

5.1.11 Further Assurances; Separate Notes . (a) Borrower shall execute and acknowledge (or cause to be executed and acknowledged) and deliver to Lender all documents, and take all actions, reasonably required by Lender from time to time to confirm the rights created or now or hereafter intended to be created under this Agreement and the other Loan Documents and any security interest created or purported to be created thereunder, to protect and further the validity, priority and enforceability of this Agreement and the other Loan Documents, to subject to the Loan Documents any property of Borrower intended by the terms of any one or more of the Loan Documents to be encumbered by the Loan Documents, or otherwise carry out the purposes of the Loan Documents and the transactions contemplated thereunder. At any time after the Closing Date, Borrower agrees that it shall, upon request, reasonably cooperate with Lender in connection with any request by Lender to reallocate the LIBOR Margin among the Notes or to sever the Note into two (2) or more separate substitute or component notes in an aggregate principal amount equal to the Principal Amount and to reapportion the Loan among

such separate substitute notes, including, without limitation, by executing and delivering to Lender new substitute or component notes to replace the Note, amendments to or replacements of existing Loan Documents to reflect such severance and/or Opinions of Counsel with respect to such substitute or component notes, amendments and/or replacements, provided that Borrower shall bear no costs or expenses in connection therewith (other than administrative costs and expenses of Borrower and legal fees of counsel to the Borrower and Sponsor), and the holders of such substitute or component notes shall designate a lead lender or agent for such holders to whom Borrower may direct all communications with respect to the Loan. Upon the occurrence and during the continuance of an Event of Default, Lender may apply payment of all sums due under such substitute notes in such order and priority as Lender shall elect in its sole and absolute discretion.

(b) No Securitization shall occur prior to April 9, 2007. Borrower further agrees that if, in connection with the Securitization, it is determined by the Rating Agencies that a portion of the Securitization would not receive an "investment grade" rating unless the principal amount of the Loan were to be decreased and, as a result, the principal amount of the Loan is decreased, then the Borrower shall take all actions as are necessary to effect the "resizing", including the reallocation of the LIBOR Margin of the Loan, and Borrower shall execute and deliver any and all necessary amendments or modifications to the Loan Documents. In connection with the foregoing, Borrower agrees, at Lender's sole cost and expense other than with respect to (1) Borrower's, Operating Lessee's, the Sponsor's, each Ultimate Equity Owners' and their Affiliate's counsel fees and (2) if the principal amount of the Loan is increased, an endorsement to the Title Policy reflecting an increase in the insured amount thereunder which shall be at Borrower's sole cost and expense, to execute and deliver such documents and other agreements reasonably required by Lender to "re-size" the Loan, including, without limitation, an amendment to this Agreement, the Note, the Security Instrument and the other Loan Documents. Borrower agrees to reimburse Lender for all costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) incurred by Lender in connection with any "resizing" of the Loan. Notwithstanding the foregoing, Lender agrees that any "resizing" of the Loan shall not change the economics of the Loan in a manner which is adverse to Borrower .

(iii) execute and deliver to Lender such documents, instruments, certificates, assignments and other writings, and do such other acts necessary to evidence, preserve and/or protect the collateral at any time securing or intended to secure the obligations of Borrower under the Loan Documents, as Lender may reasonably require;

(iv) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the carrying out of the terms and conditions of this Agreement and the other Loan Documents, as Lender shall reasonably require from time to time; and

Borrower shall warrant and defend (a) its title to the Property and every part thereof, subject only to Liens permitted hereunder (including Permitted Encumbrances) and (b) the validity and priority of the Liens of the Security Instrument, the Assignment of Leases and this Agreement on the Property, subject only to Liens permitted hereunder (including Permitted Encumbrances), in each case against the claims of all Persons whomsoever. Borrower shall reimburse Lender for any losses, costs, damages or expenses (including reasonable attorneys' fees and court costs) incurred by Lender if an interest in the Property, other than as permitted hereunder, is claimed by another Person.

5.1.16 Costs of Enforcement . If no such allocation is available, Lender shall have the right to increase the amount required to be deposited into the Insurance Reserve Account in an amount sufficient to purchase a non-blanket Policy covering the Property from insurance companies which qualify under this Agreement.

(ii) Borrower shall deliver to Lender on or prior to the Closing Date certificates setting forth in reasonable detail the material terms (including any applicable notice requirements) of all Policies from the respective insurance companies (or their authorized agents) that issued the Policies, including that such Policies may not be canceled or modified in any material respect without thirty (30) days' prior notice to Lender, or ten (10) days' notice with respect to nonpayment of premium. Borrower shall deliver to Lender, concurrently with each change in any Policy, a certificate with respect to such changed Policy certified by the insurance company issuing that Policy, in substantially the same form and containing substantially the same information as the certificates required to be delivered by Borrower pursuant to the first sentence of this clause (d)(ii) and stating that all premiums then due thereon have been paid to the applicable insurers and that the same are in full force and effect (or if such certificate and/or other information described in clause (d)(ii) shall not be obtainable by Borrower, Borrower may deliver an Officer's Certificate to such effect in lieu thereof).

(e) **Renewal and Replacement of Policies.**

(i) Not less than three (3) Business Days prior to the expiration, termination or cancellation of any Policy, Borrower shall renew such policy or obtain a replacement policy or policies (or a binding commitment for such replacement policy or policies), which shall be effective no later than the date of the expiration, termination or cancellation of the previous policy, and shall deliver to Lender a certificate in respect of such policy or policies (A) containing the same information as the certificates required to be delivered by Borrower pursuant to clause (d)(ii) above, or a copy of the binding commitment for such policy or policies and (B) confirming that such policy complies with all requirements hereof.

(ii) If Borrower does not furnish to Lender the certificates as required under clause (e)(i) above, Lender may procure, but shall not be obligated to procure, such replacement policy or policies and pay the Insurance Premiums therefor, and Borrower agrees to reimburse Lender for the cost of such Insurance Premiums promptly on demand.

(iii) Concurrently with the delivery of each replacement policy or a binding commitment for the same pursuant to this clause (e) , Borrower shall deliver to Lender a report or attestation from a duly licensed or authorized insurance broker or from the insurer, setting forth the particulars as to all insurance obtained by Borrower pursuant to this Section 6.1

and then in effect and stating that all Insurance Premiums then due thereon have been paid in full to the applicable insurers, that such insurance policies are in full force and effect and that, in the opinion of such insurance broker or insurer, such insurance otherwise complies with the requirements of this Section 6.1 (or if such report shall not be available after Borrower shall have used reasonable efforts to provide the same, Borrower will deliver to Lender an Officer's Certificate containing the information to be provided in such report).

(f) **Separate Insurance .** Borrower will not take out separate insurance concurrent in form or contributing in the event of loss with that required to be maintained pursuant to this Section 6.1 unless such insurance complies with clause (c) above.

(g) **Securitization .** Following any Securitization, Borrower shall name any trustee, servicer or special servicer designated by Lender as a loss payee, and any trustee, servicer and special servicer as additional insureds, with respect to any Policy for which Lender is to be so named hereunder.

Section 6.2 Condemnation and Insurance Proceeds .

6.2.1 Right to Adjust . (a) If the Property is damaged or destroyed, in whole or in part in any material respect, by a Casualty, Borrower shall give prompt written notice thereof to Lender, generally describing the nature and extent of such Casualty. Following the occurrence of a Casualty, Borrower, regardless of whether proceeds are available, shall in a reasonably prompt manner proceed to restore, repair, replace or rebuild the Property to the extent practicable to be of at least equal value and of substantially the same character as prior to the Casualty, all in accordance with the terms hereof applicable to Alterations.

(b) Subject to clause (e) below, in the event of a Casualty which is not a Material Casualty, Borrower may settle and adjust such claim; provided that such adjustment is carried out in a competent and timely manner. In such case, Borrower is hereby authorized to collect and receipt for Lender any Proceeds.

(c) Subject to clause (e) below, in the event of a Casualty where the loss exceeds the Threshold Amount, Borrower may settle and adjust such claim only with the consent of Lender (which consent shall not be unreasonably withheld, delayed or conditioned) and Lender shall have the opportunity to participate, at Borrower's cost, in any such adjustments.

(d) Except as provided in clause (b) above, the proceeds of any Policy shall be due and payable solely to Lender and held and applied in accordance with the terms hereof (or, if mistakenly paid to the Borrower, shall be held in trust by the Borrower for the benefit of Lender and shall be paid over to Lender by the Borrower within two (2) Business Days of receipt).

(e) Notwithstanding the terms of clauses (a) and (b) above, Lender shall have the sole authority to adjust any claim with respect to a Casualty and to collect all Proceeds if an Event of Default shall have occurred and is continuing.

6.2.2 Right of the Borrower to Apply to Restoration . In the event of (a) a Casualty that does not constitute a Material Casualty, or (b) a Condemnation that does not

constitute a Material Condemnation, Lender shall permit the application of the Proceeds (after reimbursement of any expenses incurred by Lender) to reimburse or pay Borrower for the cost of restoring, repairing, replacing or rebuilding or otherwise curing title defects at the Property (the "**Restoration**"), in the manner required hereby, provided and on the condition that (1) no Event of Default shall have occurred and be then continuing and (2) in the reasonable judgment of Lender:

(i) the Property can be restored to an economic unit not materially less valuable (taking into account the effect of the termination of any Leases and the proceeds of any rental loss or business interruption insurance which the Borrower receives or is entitled to receive, in each case, due to such Casualty or Condemnation) and not materially less useful than the same was prior to the Casualty or Condemnation,

(ii) the Property, after such Restoration and stabilization, will adequately secure the outstanding balance of the Loan,

(iii) the Restoration can be completed by the earliest to occur of:

(A) the date on which the business interruption insurance carried by Borrower with respect to the Property shall expire;

(B) the 180th day prior to the Maturity Date (taking into account any extension thereof), and

(C) with respect to a Casualty, the expiration of the payment period on the rental loss or business interruption insurance coverage in respect of such Casualty; and

(iv) after receiving reasonably satisfactory evidence to such effect, during the period of the Restoration, the sum of (A) income derived from the Property, plus (B) proceeds of rental loss insurance or business interruption insurance, if any, payable together with such other monies as Borrower may irrevocably make available for the Restoration, will equal or exceed the sum of (x) 105% of Operating Expenses and (y) the Debt Service.

Notwithstanding the foregoing, if any of the conditions set forth in sub-clauses (1) and (2) of the proviso in this Section 6.2.2 is not satisfied, then, unless Lender shall otherwise elect, at its sole option, the Proceeds shall be applied in the following order of priority: (A) first, to prepay the principal of the Loan; (B) second, to pay the amount of (1) all accrued and unpaid interest in respect of the Principal Amount of the Indebtedness so prepaid through the date which is the final day of the Interest Period in which such prepayment is made (including, if an Event of Default has occurred and is then continuing, interest owed at the Default Rate), and (2) all other sums (excluding any Prepayment Fee) then due and owing under the Loan Documents and (C) third, to reimburse Lender for any fees and expenses of Lender incurred in connection therewith (it being agreed that, upon satisfaction in full of the entitlements under clauses (A), (B) and (C) of this sentence, Borrower shall be entitled to receive a release of the Lien of the Security Instrument and the other Loan Documents with respect to the Property in accordance with and subject to the terms of Section 2.3.3 hereof and any surplus Proceeds shall be paid over to the Borrower or as the Borrower directs. Notwithstanding the foregoing, or anything else to

the contrary contained herein, all Proceeds with respect to the insurance determined pursuant to Section 6.1.4 shall be deposited directly into the Collection Account and shall be disbursed in accordance with Article III as if such Proceeds are applied in the manner amounts received from the Manager are applied

6.2.3 Material Casualty or Condemnation and Lender's Right to Apply Proceeds . In the event of a Material Casualty or a Material Condemnation, then Lender shall have the option to (i) apply the Proceeds hereof in the following order of priority: (A) first, to prepay the principal of the Loan; (B) second, to pay the amount of (1) all accrued and unpaid interest in respect of the Principal Amount of the Indebtedness so prepaid through the date which is the final day of the Interest Period in which such prepayment is made (including, if an Event of Default has occurred and is then continuing, interest owed at the Default Rate), and (2) all other sums (excluding any Prepayment Fee) then due and owing under the Loan Documents; (C) third, to reimburse Lender for any fees and expenses of Lender incurred in connection therewith; and (D) fourth, it being agreed that, upon satisfaction in full of the entitlements under clauses (A), (B) and (C) of this sentence, Borrower shall be entitled to receive the balance of the Proceeds, if any and a release of the Lien of the Security Instrument and the other Loan Documents with respect to the Property in accordance with and subject to the terms of Section 2.3.3 hereof), or (ii) make such Proceeds available to reimburse Borrower for the cost of any Restoration in the manner set forth below in Section 6.2.4 hereof provided , however , that if the Management Agreement provides that the Operating Lessee or Borrower is required to use the Proceeds to restore the Property and Operating Lessee or Borrower does not have the right to terminate the Management Agreement pursuant to the terms of the Management Agreement as a result of such Casualty or Condemnation or otherwise, then the Lender shall be obligated to make such Proceeds available to the Borrower for the Restoration of such Property pursuant to Section 6.2.4 below. Notwithstanding anything to the contrary contained herein, in the event of a Material Casualty or a Material Condemnation, where Borrower cannot restore, repair, replace or rebuild the Property to be of at least substantially equal value and of substantially the same character as prior to the Material Casualty or Material Condemnation or title defect because the Property is a legally non-conforming use or as a result of any other Legal Requirement, Borrower hereby agrees that Lender may apply the Proceeds payable in connection therewith in accordance with clauses (A), (B) (C) and (D).

6.2.4 Manner of Restoration and Reimbursement . If Borrower is entitled pursuant to Sections 6.2.2 or 6.2.3 above to reimbursement out of Proceeds (and the conditions specified therein shall have been satisfied), such Proceeds shall be disbursed on a monthly basis upon Lender being furnished with (i) such architect's certificates, waivers of lien, contractor's sworn statements, title insurance endorsements, bonds, plats of survey and such other evidences of cost, payment and performance as Lender may reasonably require and approve, and (ii) all plans and specifications for such Restoration, such plans and specifications to be approved by Lender prior to commencement of any work (such approval not to be unreasonably withheld, delayed or conditioned). In addition, no payment made prior to the Final Completion of the Restoration (excluding punch-list items) shall exceed ninety percent (90%) of the aggregate value of the work performed from time to time; funds other than Proceeds shall be disbursed prior to disbursement of such Proceeds; and at all times, the undisbursed balance of such Proceeds remaining in the hands of Lender, together with funds deposited for that purpose or irrevocably committed to the satisfaction of Lender by or on behalf of Borrower for that

purpose, shall be at least sufficient in the reasonable judgment of Lender to pay for the cost of completion of the Restoration, free and clear of all Liens or claims for Lien. Prior to any disbursement, Lender shall have received evidence reasonably satisfactory to it of the estimated cost of completion of the Restoration (such estimate to be made by Borrower's architect or contractor and approved by Lender in its reasonable discretion), and Borrower shall have deposited with Lender Eligible Collateral in an amount equal to the excess (if any) of such estimated cost of completion over the net Proceeds. Any surplus which may remain out of Proceeds received pursuant to a Casualty after payment of such costs of Restoration shall be paid to the Borrower or as the Borrower directs . Any surplus which may remain out of Proceeds received pursuant to a Condemnation shall be paid to the Borrower or as the Borrower directs.

6.2.5 Condemnation . (a) Borrower shall promptly give Lender written notice of the actual commencement or written threat of commencement of any Condemnation and shall deliver to Lender copies of any and all papers served in connection with such Condemnation. Following the occurrence of a Condemnation, Borrower, regardless of whether Proceeds are available, shall promptly proceed to restore, repair, replace or rebuild the same to the extent practicable to be of at least equal value and of substantially the same character as prior to such Condemnation, all to be effected in accordance with the terms hereof applicable to Alterations.

(b) Lender is hereby irrevocably appointed as Borrower's attorney-in-fact, coupled with an interest, with exclusive power to collect, receive and retain any Proceeds in respect of a Condemnation and to make any compromise or settlement in connection with such Condemnation, subject to the provisions of this Section. Provided no Event of Default has occurred and is continuing, (x) in the event of a Condemnation which is not a Material Condemnation, Borrower may settle and compromise such Proceeds; provided that the same is effected in a competent and timely manner, and (y) in the event of a Condemnation, where the loss exceeds the Threshold Amount, Borrower may settle and compromise the Proceeds only with the consent of Lender (which consent shall not be unreasonably withheld, delayed or conditioned) and Lender shall have the opportunity to participate, at Borrower' cost, in any litigation and settlement discussions in respect thereof. Notwithstanding any Condemnation by any public or quasi-public authority (including any transfer made in lieu of or in anticipation of such a Condemnation), Borrower shall continue to pay the Indebtedness at the time and in the manner provided for in the Note, this Agreement and the other Loan Documents, and the Indebtedness shall not be reduced unless and until any Proceeds shall have been actually received and applied by Lender to discharge the Indebtedness, pay required interest and pay any other required amounts, in each case, pursuant to the terms of Sections 6.2.2 or 6.2.3 above. Lender shall not be limited to the interest paid on the Proceeds by the condemning authority but shall be entitled to receive out of the Proceeds interest at the rate or rates provided in the Note. Borrower shall cause any Proceeds that are payable to Borrower to be paid directly to Lender to be held and applied in accordance with the terms hereof.

VII. IMPOSITIONS, OTHER CHARGES, LIENS AND OTHER ITEMS

Section 7.1 Impositions and Other Charges . Subject to the third sentence of this Section 7.1 , Borrower shall pay, or shall cause Operating Lessee to pay all Impositions now or hereafter levied or assessed or imposed against the Property or any part thereof prior to the

imposition of any interest, charges or expenses for the non-payment thereof and shall pay all Other Charges on or before the date they are due. Subject to Borrower's right of contest set forth in Section 7.3 , as set forth in the next two sentences and provided that there are sufficient funds available in the Tax Reserve Account, Lender, on behalf of Borrower, shall pay all Impositions and Other Charges which are attributable to or affect the Property or Borrower, prior to the date such Impositions or Other Charges shall become delinquent or late charges may be imposed thereon, directly to the applicable taxing authority with respect thereto. Lender shall, or Lender shall direct the Cash Management Bank to, pay to the taxing authority such amounts to the extent funds in the Tax Reserve Account are sufficient to pay such Impositions. Nothing contained in this Agreement or the Security Instrument shall be construed to require Borrower to pay any tax, assessment, levy or charge imposed on Lender in the nature of a franchise, capital levy, estate, inheritance, succession, income or net revenue tax.

Section 7.2 No Liens . Subject to its right of contest set forth in Section 7.3 , Borrower shall at all times keep, or cause to be kept, the Property free from all Liens (other than Permitted Encumbrances) and shall pay when due and payable (or bond over) all claims and demands of mechanics, materialmen, laborers and others which, if unpaid, might result in or permit the creation of a Lien on the Property or any portion thereof and shall in any event cause the prompt, full and unconditional discharge of all Liens imposed on or against the Property or any portion thereof within forty-five (45) days after receiving written notice of the filing (whether from Lender, the lienor or any other Person) thereof. Borrower shall do or cause to be done, at the sole cost of Borrower, everything reasonably necessary to fully preserve the first priority of the Lien of the Security Instrument against the Property, subject to the Permitted Encumbrances. Upon the occurrence and during the continuance of an Event of Default with respect to its Obligations as set forth in this Article VII , Lender may (but shall not be obligated to) make such payment or discharge such Lien, and Borrower shall reimburse Lender within three (3) Business Days following demand for all such advances pursuant to Section 19.12 (together with interest thereon at the Default Rate).

Section 7.3 Contest . Nothing contained herein shall be deemed to require Borrower to pay, or cause to be paid, any Imposition or to satisfy any Lien, or to comply with any Legal Requirement or Insurance Requirement, so long as Borrower is in good faith, and by proper legal proceedings, where appropriate, diligently contesting the validity, amount or application thereof, provided that in each case, at the time of the commencement of any such action or proceeding, and during the pendency of such action or proceeding (i) no Event of Default shall exist and be continuing hereunder, (ii) Borrower shall keep Lender informed of the status of such contest at reasonable intervals, (iii) if neither Borrower nor Operating Lessee is providing security as provided in clause (vi) below, adequate reserves with respect thereto are maintained on Borrower's books in accordance with GAAP or in the Tax Reserve Account or Insurance Reserve Account, as applicable, (iv) either such contest operates to suspend collection or enforcement as the case may be, of the contested Imposition, Lien or Legal Requirement and such contest is maintained and prosecuted continuously and with diligence or the Imposition or Lien is bonded, (v) in the case of any Insurance Requirement, the failure of Borrower to comply therewith shall not impair the validity of any insurance required to be maintained by Borrower under Section 6.1 or the right to full payment of any claims thereunder, and (vi) in the case of Impositions and Liens which are not bonded in excess of $1,000,000 individually, or in the aggregate, during such contest, Borrower, shall deposit with or deliver to Lender either Cash and

Cash Equivalents or a Letter or Letters of Credit in an amount equal to 125% of (A) the amount of Borrower's obligations being contested plus (B) any additional interest, charge, or penalty arising from such contest. Notwithstanding the foregoing, the creation of any such reserves or the furnishing of any bond or other security, Borrower promptly shall comply with any contested Legal Requirement or Insurance Requirement or shall pay any contested Imposition or Lien, and compliance therewith or payment thereof shall not be deferred, if, at any time the Property or any portion thereof shall be, in Lender's reasonable judgment, in imminent danger of being forfeited or lost or Lender is likely to be subject to civil or criminal damages as a result thereof. If such action or proceeding is terminated or discontinued adversely to Borrower, Borrower shall deliver to Lender reasonable evidence of Borrower's compliance with such contested Imposition, Lien, Legal Requirements or Insurance Requirements, as the case may be.

VIII. TRANSFERS, INDEBTEDNESS AND SUBORDINATE LIENS

Section 8.1 Restrictions on Transfers and Indebtedness . (a) Except in connection with such action as is permitted by the subsequent provisions of this Article VIII , Borrower will not, without Lender's prior written consent and a Rating Agency Confirmation with respect to the transfer or other matter in question, (A), Transfer legal, Beneficial or direct or indirect equitable interests in all or any part of the Property, the Borrower or Operating Lessee, (B) permit or suffer any owner, directly or indirectly, of a legal, Beneficial or equitable interest in the Property, the Borrower or Operating Lessee to Transfer such interest, whether by transfer of stock or other legal, Beneficial or equitable interest in any entity or otherwise, (C) mortgage, hypothecate or otherwise encumber or grant a security interest in all or any part of the legal, Beneficial or equitable interests in all or any part of the Property, the Borrower or the Operating Lessee, or (D) file of record a declaration of condominium with respect to the Property. Notwithstanding any provision herein to the contrary, nothing contained herein shall be deemed to restrict or otherwise interfere with the ability of the holders of direct or indirect legal, Beneficial or equitable interests in the Ultimate Equity Owner to Transfer such interests, whether in connection with an initial public offering of shares in Ultimate Equity Owner or otherwise or any pledge to secure the Revolver Loan or the enforcement or foreclosure thereof pursuant to such pledge.

(b) Borrower shall not incur, create or assume any Indebtedness without the consent of Lender; provided , however , Borrower may, without the consent of Lender, incur, create or assume Permitted Debt or allow or suffer such Permitted Debt to be incurred, created or assumed.

(c) Notwithstanding the foregoing, nothing herein shall prevent Borrower or any direct or indirect owner of any legal or Beneficial or equitable interest therein, to enter into a purchase and sale agreement or other similar arrangements to Transfer any interest in connection with any sale of the Property or other interest so long as a condition precedent to such Transfer is the payment, in full, of the Indebtedness.

Section 8.2 Sale of Building Equipment . Borrower may Transfer or dispose of Building Equipment which is being replaced or which is no longer necessary in connection with the operation of the Property free from the Lien of the Security Instrument provided that such Transfer or disposal will not have a Material Adverse Effect on the value of the Property

taken as a whole, will not materially impair the utility of the Property, and will not result in a reduction or abatement of, or right of offset against, the Rents payable under any Lease, in either case as a result thereof, and provided , further , that any new Building Equipment acquired by Borrower or Operating Lessee (and not so disposed of) shall be subject to the Lien of the Security Instrument. Lender shall, from time to time, upon receipt of an Officer's Certificate requesting the same and confirming satisfaction of the conditions set forth above, execute a written instrument in form reasonably satisfactory to Lender to confirm that such Building Equipment which is to be, or has been, sold or disposed of is free from the Lien of the Security Instrument.

In connection with any Transfer permitted pursuant to this Section 8.3 , Lender shall execute and deliver any instrument reasonably necessary or appropriate, in the case of the Transfers referred to in clause (i) above, to release the portion of the Property affected by such Condemnation or such Transfer from the Lien of the Security Instrument or, in the case of clause (ii) above, to subordinate the Lien of the Security Instrument to such easements, restrictions, covenants, reservations and rights of way or other similar grants upon receipt by Lender of:

(a) thirty (30) days prior written notice thereof;

(b) a copy of the instrument or instruments of Transfer;

(c) an Officer's Certificate stating (x) with respect to any Transfer, the consideration, if any, being paid for the Transfer and (y) that such Transfer does not materially impair the utility and operation of the Property, materially reduce the value of the Property or have a Material Adverse Effect; and

Section 9.2 Pledge and Collateral Assignment . Borrower hereby pledges, assigns, transfers, delivers and grants a continuing first priority lien to Lender, as security for payment of all sums due in respect of the Loan and the performance of all other terms, conditions and covenants of this Agreement and any other Loan Document on Borrower's part to be paid and performed, in, to and under all of Borrower's right, title and interest whether now owned or hereafter acquired and whether now existing or hereafter arising (collectively, the "**Rate Cap Collateral** "): (i) in the Interest Rate Cap Agreement (as soon as such agreement is effective or when and if any replacement agreement becomes effective, any Replacement Interest Rate Cap

Agreement or Extension Interest Rate Cap Agreement); (ii) to receive any and all payments under the Interest Rate Cap Agreement (or, when and if any such agreement becomes effective, any Replacement Interest Rate Cap Agreement or Extension Interest Rate Cap Agreement), whether as contractual obligations, damages or otherwise; and (iii) to all claims, rights, powers, privileges, authority, options, security interests, liens and remedies, if any, under or arising out of the Interest Rate Cap Agreement (as soon as such agreement is effective or when and if any such agreement becomes effective, any Replacement Interest Rate Cap Agreement or Extension Interest Rate Cap Agreement), in each case including all accessions and additions to, substitutions for and replacements, products and proceeds of any of the foregoing. Borrower shall deliver to Lender an executed counterpart of such Interest Rate Cap Agreement, Replacement Interest Rate Cap Agreement or Extension Interest Rate Cap Agreement (which shall, by its terms, authorize the assignment to Lender and require that payments be made directly to Lender) and notify the Counterparty of such assignment (either in such Interest Rate Cap Agreement, Replacement Interest Rate Cap Agreement or Extension Interest Rate Cap Agreement or by separate instrument). Borrower shall not, without obtaining the prior written consent of Lender, further pledge, transfer, deliver, assign or grant any security interest in the Interest Rate Cap Agreement (or, when and if any such agreement becomes effective, any Replacement Interest Rate Cap Agreement or Extension Interest Rate Cap Agreement), or permit any Lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements or any other notice or instrument as may be required under the UCC, as appropriate, except those naming Lender as the secured party, to be filed with respect thereto.

Section 9.3 Covenants . (a) Borrower shall comply with all of its obligations under the terms and provisions of the Interest Rate Cap Agreement. All amounts paid by the Counterparty under the Interest Rate Cap Agreement to Borrower or Lender shall be deposited immediately into the Holding Account pursuant to Section 3.1 . Borrower shall take all actions reasonably requested by Lender to enforce Borrower's rights under the Interest Rate Cap Agreement in the event of a default by the Counterparty thereunder and shall not waive, amend or otherwise modify any of its rights thereunder.

(b) Borrower shall defend Lender's right, title and interest in and to the Rate Cap Collateral pledged by Borrower pursuant hereto or in which it has granted a security interest pursuant hereto against the claims and demands of all other Persons.

In the event of (x) any downgrade, withdrawal or qualification (each, a "**Downgrade** ") of the rating of the Counterparty such that, thereafter, the Counterparty shall cease to be an Acceptable Counterparty and (y) the Counterparty shall fail to comply with the requirements contained in the Interest Rate Cap Agreement which are described in "**Exhibit I** " upon such occurrence, the Borrower shall either (i) obtain a Rating Agency Confirmation with respect to the Counterparty or (ii) replace the Interest Rate Cap Agreement with a Replacement Interest Cap Agreement, (x) having a term extending through the end of the Interest Period in which the Maturity Date occurs, (y) in a notional amount at least equal to the Principal Amount of the Loan then outstanding, and (z) having a strike rate equal to the LIBOR Cap Strike Rate.

(c) In the event that Borrower fails to purchase and deliver to Lender the Interest Rate Cap Agreement as and when required hereunder, Lender may purchase the Interest Rate Cap Agreement and the cost incurred by Lender in purchasing the Interest Rate Cap Agreement shall be paid by Borrower to Lender with interest thereon at the Default Rate from the date such cost was incurred by Lender until such cost is paid by Borrower to Lender.

(d) Borrower shall not (i) without the prior written consent of Lender, modify, amend or supplement the terms of the Interest Rate Cap Agreement, (ii) without the prior written consent of Lender, except in accordance with the terms of the Interest Rate Cap Agreement, cause the termination of the Interest Rate Cap Agreement prior to its stated maturity date, (iii) without the prior written consent of Lender, except as aforesaid, waive or release any obligation of the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement) under the Interest Rate Cap Agreement, (iv) without the prior written consent of Lender, consent or agree to any act or omission to act on the part of the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement) which, without such consent or agreement, would constitute a default under the Interest Rate Cap Agreement, (v) fail to exercise promptly and diligently each and every material right which it may have under the Interest Rate Cap Agreement, (vi) take or intentionally omit to take any action or intentionally suffer or permit any action to be omitted or taken, the taking or omission of which would result in any right of offset against sums payable under the Interest Rate Cap Agreement or any defense by the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement) to payment or (vii) fail to give prompt notice to Lender of any notice of default given by or to Borrower under or with respect to the Interest Rate Cap Agreement, together with a complete copy of such notice. If Borrower shall have received written notice that the Securitization shall have occurred, no consent by Lender provided for in this Section 9.3(e) shall be given by Lender unless Lender shall have received a Rating Agency Confirmation.

In connection with an Interest Rate Cap Agreement, Borrower shall obtain and deliver to Lender an Opinion of Counsel from counsel (which counsel may be in-house counsel for the Counterparty) for the Counterparty upon which Lender and its successors and assigns may rely (the **"Counterparty Opinion"**), under New York law and, if the Counterparty is a non-U.S. entity, the applicable foreign law, substantially in compliance with the requirements set forth in **Exhibit F** or in such other form approved by the Lender.

Section 9.4 Representations and Warranties . Borrower hereby covenants with, and represents and warrants to, Lender as follows:

(a) The Interest Rate Cap Agreement constitutes the legal, valid and binding obligation of Borrower, enforceable against Borrower in accordance with its terms, subject only to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(b) The Rate Cap Collateral is free and clear of all claims or security interests of every nature whatsoever, except such as are created pursuant to this Agreement and the other Loan Documents, and Borrower has the right to pledge and grant a security interest in the same as herein provided without the consent of any other Person other than any such consent that has been obtained and is in full force and effect.

(c) The Rate Cap Collateral has been duly and validly pledged hereunder. All consents and approvals required to be obtained by Borrower for the consummation of the transactions contemplated by this Agreement have been obtained.

(d) Giving effect to the aforesaid grant and assignment to Lender, Lender has, as of the date of this Agreement, and as to Rate Cap Collateral acquired from time to time after such date, shall have, a valid, and upon proper filing, perfected and continuing first priority lien upon and security interest in the Rate Cap Collateral; provided that no representation or warranty is made with respect to the perfected status of the security interest of Lender in the proceeds of Rate Cap Collateral consisting of "cash proceeds" or "non-cash proceeds" as defined in the UCC except if, and to the extent, the provisions of Section 9-306 of the UCC shall be complied with.

(e) Except for financing statements filed or to be filed in favor of Lender as secured party, there are no financing statements under the UCC covering any or all of the Rate Cap Collateral and Borrower shall not, without the prior written consent of Lender, until payment in full of all of the Obligations, execute and file in any public office, any enforceable financing statement or statements covering any or all of the Rate Cap Collateral, except financing statements filed or to be filed in favor of Lender as secured party.

Section 9.5 Payments . If Borrower at any time shall be entitled to receive any payments with respect to the Interest Rate Cap Agreement, such amounts shall, immediately upon becoming payable to Borrower, be deposited by Counterparty into the Holding Account.

Section 9.6 Remedies . Subject to the provisions of the Interest Rate Cap Agreement, if an Event of Default shall occur and then be continuing:

(a) Lender, without obligation to resort to any other security, right or remedy granted under any other agreement or instrument, shall have the right to, in addition to all rights, powers and remedies of a secured party pursuant to the UCC, at any time and from time to time, sell, resell, assign and deliver, in its sole discretion, any or all of the Rate Cap Collateral (in one or more parcels and at the same or different times) and all right, title and interest, claim and demand therein and right of redemption thereof, at public or private sale, for cash, upon credit or for future delivery, and in connection therewith Lender may grant options and may impose reasonable conditions such as requiring any purchaser to represent that any "securities" constituting any part of the Rate Cap Collateral are being purchased for investment only, Borrower hereby waiving and releasing any and all equity or right of redemption to the fullest extent permitted by the UCC or applicable law. If all or any of the Rate Cap Collateral is sold by Lender upon credit or for future delivery, Lender shall not be liable for the failure of the purchaser to purchase or pay for the same and, in the event of any such failure, Lender may resell such Rate Cap Collateral. It is expressly agreed that Lender may exercise its rights with respect to less than all of the Rate Cap Collateral, leaving unexercised its rights with respect to the remainder of the Rate Cap Collateral, provided , however , that such partial exercise shall in no way restrict or jeopardize Lender's right to exercise its rights with respect to all or any other portion of the Rate Cap Collateral at a later time or times.

(b) Lender may exercise, either by itself or by its nominee or designee, in the name of Borrower, all of Lender's rights, powers and remedies in respect of the Rate Cap Collateral, hereunder and under law.

(c) Borrower hereby irrevocably, in the name of Borrower or otherwise, authorizes and empowers Lender and assigns and transfers unto Lender, and constitutes and appoints Lender its true and lawful attorney-in-fact, and as its agent, irrevocably, with full power of substitution for Borrower and in the name of Borrower, upon the occurrence and during the continuance of an Event of Default, (i) to exercise and enforce every right, power, remedy, authority, option and privilege of Borrower under the Interest Rate Cap Agreement, including any power to subordinate or modify the Interest Rate Cap Agreement (but not, unless an Event of Default exists and is continuing, the right to terminate or cancel the Interest Rate Cap Agreement), or to give any notices, or to take any action resulting in such subordination, termination, cancellation or modification and (ii) in order to more fully vest in Lender the rights and remedies provided for herein, to exercise all of the rights, remedies and powers granted to Lender in this Agreement, and Borrower further authorizes and empowers Lender, as Borrower's attorney-in-fact, and as its agent, irrevocably, with full power of substitution for Borrower and in the name of Borrower, upon the occurrence and during the continuance of an Event of Default, to give any authorization, to furnish any information, to make any demands, to execute any instruments and to take any and all other action on behalf of and in the name of Borrower which in the opinion of Lender may be necessary or appropriate to be given, furnished, made, exercised or taken under the Interest Rate Cap Agreement, in order to comply therewith, to perform the conditions thereof or to prevent or remedy any default by Borrower thereunder or to enforce any of the rights of Borrower thereunder. These powers-of-attorney are irrevocable and coupled with an interest, and any similar or dissimilar powers heretofore given by Borrower in respect of the Rate Cap Collateral to any other Person are hereby revoked.

(d) Upon the occurrence and during the continuance of an Event of Default, Lender may, without notice to, or assent by, Borrower or any other Person (to the extent permitted by law), but without affecting any of the Obligations, in the name of Borrower or in the name of Lender, notify the Counterparty, or if applicable, any other counterparty to the Interest Rate Cap Agreement, to make payment and performance directly to Lender; extend the time of payment and performance of, compromise or settle for cash, credit or otherwise, and upon any terms and conditions, any obligations owing to Borrower, or claims of Borrower, under the Interest Rate Cap Agreement; file any claims, commence, maintain or discontinue any actions, suits or other proceedings deemed by Lender necessary or advisable for the purpose of collecting upon or enforcing the Interest Rate Cap Agreement; and execute any instrument and do all other things deemed necessary and proper by Lender to protect and preserve and realize upon the Rate Cap Collateral and the other rights contemplated hereby.

(e) Pursuant to the powers-of-attorney provided for above, Lender may take any action and exercise and execute any instrument which it may deem necessary or advisable to accomplish the purposes hereof; provided , however , that Lender shall not be permitted to take any action pursuant to said power-of-attorney that would conflict with any limitation on Lender's rights with respect to the Rate Cap Collateral. Without limiting the generality of the foregoing, Lender, after the occurrence of an Event of Default, shall have the right and power to receive, endorse and collect all checks and other orders for the payment of money made payable to

Borrower representing: (i) any payment of obligations owed pursuant to the Interest Rate Cap Agreement, (ii) interest accruing on any of the Rate Cap Collateral or (iii) any other payment or distribution payable in respect of the Rate Cap Collateral or any part thereof, and for and in the name, place and stead of Borrower, to execute endorsements, assignments or other instruments of conveyance or transfer in respect of any property which is or may become a part of the Rate Cap Collateral hereunder.

(f) Lender may exercise all of the rights and remedies of a secured party under the UCC.

(g) Without limiting any other provision of this Agreement or any of Borrower's rights hereunder, and without waiving or releasing Borrower from any obligation or default hereunder, Lender shall have the right, but not the obligation, to perform any act or take any appropriate action, as it, in its reasonable judgment, may deem necessary to protect the security of this Agreement, to cure such Event of Default or to cause any term, covenant, condition or obligation required under this Agreement or the Interest Rate Cap Agreement to be performed or observed by Borrower to be promptly performed or observed on behalf of Borrower. All amounts advanced by, or on behalf of, Lender in exercising its rights under this Section 9.7(g) (including, but not limited to, reasonable legal expenses and disbursements incurred in connection therewith), together with interest thereon at the Default Rate from the date of each such advance, shall be payable by Borrower to Lender upon demand and shall be secured by this Agreement.

Section 9.7 Sales of Rate Cap Collateral . No demand, advertisement or notice, all of which are, to the fullest extent permitted by law, hereby expressly waived by Borrower, shall be required in connection with any sale or other disposition of all or any part of the Rate Cap Collateral, except that Lender shall give Borrower at least thirty (30) Business Days' prior written notice of the time and place of any public sale or of the time when and the place where any private sale or other disposition is to be made, which notice Borrower hereby agrees is reasonable, all other demands, advertisements and notices being hereby waived. To the extent permitted by law, Lender shall not be obligated to make any sale of the Rate Cap Collateral if it shall determine not to do so, regardless of the fact that notice of sale may have been given, and Lender may without notice or publication adjourn any public or private sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. Upon each private sale of the Rate Cap Collateral of a type customarily sold in a recognized market and upon each public sale, unless prohibited by any applicable statute which cannot be waived, Lender (or its nominee or designee) may purchase any or all of the Rate Cap Collateral being sold, free and discharged from any trusts, claims, equity or right of redemption of Borrower, all of which are hereby waived and released to the extent permitted by law, and may make payment therefor by credit against any of the Obligations in lieu of cash or any other obligations. In the case of all sales of the Rate Cap Collateral, public or private, Borrower shall pay all reasonable costs and expenses of every kind for sale or delivery, including brokers' and attorneys' fees and disbursements and any tax imposed thereon. However, the proceeds of sale of Rate Cap Collateral shall be available to cover such costs and expenses, and, after deducting such costs and expenses from the proceeds of sale, Lender shall apply any residue to the payment of the Obligations in the order of priority as set forth in Section 11 of the Security Instrument.

Section 9.8 Public Sales Not Possible . Borrower acknowledges that the terms of the Interest Rate Cap Agreement may prohibit public sales, that the Rate Cap Collateral may not be of the type appropriately sold at public sales, and that such sales may be prohibited by law. In light of these considerations, Borrower agrees that private sales of the Rate Cap Collateral shall not be deemed to have been made in a commercially unreasonably manner by mere virtue of having been made privately.

Section 9.9 Receipt of Sale Proceeds . Upon any sale of the Rate Cap Collateral by Lender hereunder (whether by virtue of the power of sale herein granted, pursuant to judicial process or otherwise), the receipt by Lender or the officer making the sale or the proceeds of such sale shall be a sufficient discharge to the purchaser or purchasers of the Rate Cap Collateral so sold, and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to Lender or such officer or be answerable in any way for the misapplication or non-application thereof.

Section 9.10 Extension Interest Rate Cap Agreement . If Borrower exercises any of its options to extend the Maturity Date pursuant to Section 5 of the Note, then, on or prior to the Maturity Date being extended, the Borrower shall obtain or have in place an Extension Interest Rate Cap Agreement (i) having a term through the end of the Interest Period in which the extended Maturity Date occurs, (ii) in a notional amount at least equal to the Principal Amount of the Loan as of the Maturity Date being extended, and (iii) having a strike rate equal to an amount such that the maximum interest rate paid by the Borrower after giving effect to payments made under such Extension Interest Rate Cap Agreement shall equal no more than the LIBOR Cap Strike Rate.

Section 9.11 Filing of Financing Statements Authorized . Borrower and Operating Lessee hereby authorize the filing of a form UCC-1 financing statement naming the Borrower and the Operating Lessee as debtors and the Lender as secured party in any office (including the office of the Secretary of State of the State of Delaware) covering all property of the Borrower and the Operating Lessee (including, but not limited to, the Account Collateral and the Rate Cap Collateral, but excluding Excess Cash Flow).

X. MAINTENANCE OF PROPERTY; ALTERATIONS

Section 10.1 Maintenance of Property . Borrower shall keep and maintain, or cause to be kept and maintained, the Property and every part thereof in good condition and repair, subject to ordinary wear and tear, and, subject to Excusable Delays and the provisions of this Agreement with respect to damage or destruction caused by a Casualty or Condemnation, shall not permit or commit any waste, impairment, or deterioration of any portion of the Property in any material respect. Borrower further covenants to do all other acts which from the character or use of the Property may be reasonably necessary to protect the security hereof, the specific enumerations herein not excluding the general. Borrower shall not demolish any Improvement on the Property except as the same may be necessary in connection with an Alteration or a restoration in connection with a Condemnation or Casualty, or as otherwise permitted herein, in each case in accordance with the terms and conditions hereof.

Section 10.2 Alterations and Expansions . Borrower shall not perform or undertake or consent to the performance or undertaking of any Alteration or Expansion, except in accordance with the following terms and conditions:

(a) The Alteration or Expansion shall be undertaken in accordance with the applicable provisions of this Agreement, the other Loan Documents, the Leases and all Legal Requirements.

(b) No Event of Default shall have occurred and be continuing or shall occur as a result of such action.

(c) A Material Alteration or Material Expansion, to the extent architects are customarily used for alterations or expansions of those types, but including any structural change to any of the Property or the Improvements, shall be conducted under the supervision of an Independent Architect and shall not be undertaken until ten (10) Business Days after there shall have been filed with Lender, for information purposes only and not for approval by Lender, detailed plans and specifications and cost estimates therefor, prepared and approved in writing by such Independent Architect. Such plans and specifications may be revised at any time and from time to time, provided that revisions of such plans and specifications shall be filed with Lender, for information purposes only.

(d) The Alteration or Expansion may not in and of itself, either during the Alteration or Expansion or upon completion, be reasonably expected to have a Material Adverse Effect with respect to the Property.

(e) All work done in connection with any Alteration or Expansion shall be performed with due diligence to Final Completion in a good and workmanlike manner, all materials used in connection with any Alteration or Expansion shall be not less than the standard of quality of the materials generally used at the Property as of the date hereof (or, if greater, the then-current customary quality in the sub-market in which the Property is located) and all work shall be performed and all materials used in accordance with all applicable Legal Requirements and Insurance Requirements.

(f) The cost of any Alteration or Expansion shall be promptly and fully paid for by Borrower, subject to the next succeeding sentence. No payment made prior to the Final Completion (excluding punch-list items) of an Alteration or Expansion or Restoration to any contractor, subcontractor, materialman, supplier, engineer, architect, project manager or other Person who renders services or furnishes materials in connection with such Alteration shall exceed ninety percent (90%) of the aggregate value of the work performed by such Person from time to time and materials furnished and incorporated into the Improvements.

(g) Intentionally Deleted.

(h) With respect to any Material Alteration or Material Expansion:

(i) Borrower shall have delivered to Lender Eligible Collateral in an amount equal to at least the total estimated remaining unpaid costs of such Material Alteration or Material Expansion which is in excess of the Threshold Amount, which Eligible Collateral shall

be held by Lender as security for the Indebtedness and released to Borrower as such work progresses in accordance with Section 10.2(h)(iii) ; provided , however , in the event that any Material Alteration or Material Expansion shall be made in conjunction with any Restoration with respect to which Borrower shall be entitled to use or apply Proceeds pursuant to Section 6.2 hereof (including any Proceeds remaining after completion of such Restoration), the amount of the Eligible Collateral to be furnished pursuant hereto need not exceed the aggregate cost of such Restoration and such Material Alteration or Material Expansion (in either case, as estimated by the Independent Architect) less the sum of the amount of any Proceeds which the Borrower is entitled to withdraw pursuant to Section 6.2 hereof and the Threshold Amount;

(ii) Prior to commencement of construction of such Material Alteration or Material Expansion, Borrower shall deliver to Lender a schedule (with the concurrence of the Independent Architect) setting forth the projected stages of completion of such Alteration or Expansion and the corresponding amounts expected to be due and payable by or on behalf of Borrower in connection with such completion, such schedule to be updated quarterly by Borrower (and with the concurrence of the Independent Architect) during the performance of such Alteration or Expansion.

(iii) Any Eligible Collateral that a Borrower delivers to Lender pursuant hereto (and the proceeds of any such Eligible Collateral) shall be invested (to the extent such Eligible Collateral can be invested) by Lender in Permitted Investments for a period of time consistent with the date on which the Borrower notifies Lender that the Borrower expects to request a release of such Eligible Collateral in accordance with the next succeeding sentence. From time to time as the Alteration or Expansion progresses, the amount of any Eligible Collateral so furnished may, upon the written request of Borrower to Lender, be withdrawn by Borrower and paid or otherwise applied by or returned to Borrower in an amount equal to the amount Borrower would be entitled to so withdraw if Section 6.2.4 were applicable, and any Eligible Collateral so furnished which is a Letter of Credit may be reduced by Borrower in an amount equal to the amount Borrower would be entitled to so reduce if Section 6.2.4 hereof were applicable, subject, in each case, to the satisfaction of the conditions precedent to withdrawal of funds or reduction of the Letter of Credit set forth in Section 6.2.4 hereof. In connection with the above-described quarterly update of the projected stages of completion of the Material Alteration or Material Expansion (as concurred with by an Independent Architect), Borrower shall increase (or be permitted to decrease, as applicable) the Eligible Collateral then deposited with Lender as necessary to comply with Section 10.2(h)(i) hereof.

(iv) At any time after Final Completion of such Material Alterations or Material Expansions, the whole balance of any Cash deposited with Lender pursuant to Section 10.2(h) hereof then remaining on deposit may be withdrawn by Borrower and shall be paid by Lender to Borrower, and any Eligible Collateral so deposited shall, to the extent it has not been called upon, reduced or theretofore released, be released by Lender to Borrower, within ten (10) days after receipt by Lender of an application for such withdrawal and/or release together with an Officer's Certificate, and as to the following clauses (A) and (B) of this clause also a certificate of the Independent Architect, setting forth in substance as follows:

(A) that such Material Alteration(s) or Material Expansion(s) has been completed in all material respects in accordance with any plans and specifications therefor previously filed with Lender under Section 10.2(c) hereof;

(B) that to the knowledge of the certifying Person, (x) such Material Alteration(s) or Material Expansion (s) has been completed in compliance with all Legal Requirements, and (y) to the extent required for the legal use or occupancy of the portion of the Property affected by such Alteration(s) or Expansion(s), the applicable Borrower has obtained a temporary or permanent certificate of occupancy (or similar certificate) or, if no such certificate is required, a statement to that effect;

(C) that to the knowledge of the certifying Person, all amounts that a Borrower is or may become liable to pay in respect of such Material Alteration(s) or Material Expansion(s) through the date of the certification have been paid in full or adequately provided for and, to the extent that such are customary and reasonably obtainable by prudent property owners in the area where the applicable Property is located, that Lien waivers have been obtained from the general contractor and subcontractors performing such Alteration(s) or Expansion(s) or at its sole cost and expense, Borrower shall cause a nationally recognized title insurance company to deliver to Lender an endorsement to the Title Policy, updating such policy and insuring over such Liens without further exceptions to such policy other than Permitted Encumbrances, or shall, at its sole cost and expense, cause a reputable title insurance company to deliver a lender's title insurance policy, in such form, in such amounts and with such endorsements as the Title Policy, which policy shall be dated the date of completion of the Material Alteration and shall contain no exceptions other than Permitted Encumbrances; provided , however , that if, for any reason, Borrower is unable to deliver the certification required by this clause (C) with respect to any costs or expenses relating to the Alteration(s) or Expansion(s), then, assuming Borrower is able to satisfy each of the other requirements set forth in clauses (A) and (B) above, Borrower shall be entitled to the release of the difference between the whole balance of such Eligible Collateral and the total of all costs and expenses to which Borrower is unable to certify; and

(D) that to the knowledge of the certifying Person, no Event of Default has occurred and is continuing.

XI. BOOKS AND RECORDS, FINANCIAL STATEMENTS, REPORTS AND OTHER INFORMATION

Section 11.1 Books and Records . Borrower shall keep and maintain on a fiscal year basis proper books and records separate from any other Person, in which accurate and complete entries shall be made of all dealings or transactions of or in relation to the Note, the Property and the business and affairs of Borrower and Operating Lessee relating to the Property which shall reflect all items of income and expense in connection with the operation on an individual basis of the Property and in connection with any services, equipment or furnishings provided in connection with the operation of the Property, in accordance with GAAP. Lender and its authorized representatives shall have the right at reasonable times and upon reasonable notice to examine the books and records of Borrower and Operating Lessee relating to the operation of the Property and to make such copies or extracts thereof as Lender may reasonably

require. Notwithstanding any other provision of this Agreement or any other Loan Document, so long as the Borrower and Operating Lessee otherwise comply with the foregoing provisions of this Section 11.1 , any requirement for the presentation of audited financial statements or similar reports of the Borrower, the Property or the Operating Lessee shall be deemed satisfied if such audit financial statement or similar reports are contained in an audited financial statement or similar report which includes a separate combining schedule setting forth in reasonable detail the separate financial information which relates solely to the Borrower, the Operating Lessee and the Property.

Section 11.2 Financial Statements.

11.2.1 Monthly Reports . At the request of Lender, Borrower shall furnish to Lender, within thirty (30) days after the end of each calendar month, unaudited operating statements, aged accounts receivable reports, rent rolls, STAR Reports and PACE Reports; occupancy and ADR reports for the Property, in each case accompanied by an Officer's Certificate certifying (i) with respect to the operating statements, that to the Best of Borrower's Knowledge and the best of such officer's knowledge such statements are true, correct, accurate and complete and fairly present the results of the operations of Borrower and the Property, and (ii) with respect to the aged accounts receivable reports, rent rolls, occupancy and ADR reports, that such items are to the Best of Borrower's Knowledge and the best of such officer's knowledge true, correct and accurate and fairly present the results of the operations of Borrower and the Property. Together with the Borrower's annual financial statements, the Borrower shall furnish to Lender (A) an Officer's Certificate certifying as of the date thereof whether, to Borrower's knowledge, there exists a Default or Event of Default, and if such Default or Event of Default exists, the nature thereof, the period of time it has existed and the action then being taken to remedy the same; and (B) an annual report, for the most recently completed fiscal year, containing:

11.2.7 Other Information . Borrower shall, promptly after written request by Lender or, if a Securitization shall have occurred, the Rating Agencies, furnish or cause to be furnished to Lender, in such manner and in such detail as may be reasonably requested by Lender, such reasonable additional information as may be reasonably requested with respect to the Property. The information required to be furnished by Borrower to Lender under this Section 11.2 shall be provided in both hard copy format and electronic format; provided that Borrower shall only be required to provide the information required under this Section 11.2.7 in electronic format if such information is so available in the ordinary course of the operations of the Borrower and Manager and without significant expense.

XII. ENVIRONMENTAL MATTERS

Section 12.1 Representations . Borrower hereby represents and warrants that except as set forth in the environmental reports and studies delivered to Lender (the " **Environmental Reports**"), (i) Borrower has not engaged in or knowingly permitted any operations or activities upon, or any use or occupancy of the Property, or any portion thereof, for the purpose of or in any way involving the handling, manufacture, treatment, storage, use, generation, release, discharge, refining, dumping or disposal of any Hazardous Materials on, under, in or about the Property, or transported any Hazardous Materials to, from or across the Property, except in all cases in material compliance with Environmental Laws and only in the course of legitimate business operations at the Property; (ii) to the Best of Borrower's Knowledge, no tenant, occupant or user of the Property, or any other Person, has engaged in or permitted any operations or activities upon, or any use or occupancy of the Property, or any portion thereof, for the purpose of or in any material way involving the handling, manufacture, treatment, storage, use, generation, release, discharge, refining, dumping or disposal of any Hazardous Materials on, in or about the Property, or transported any Hazardous Materials to, from or across the Property, except in all cases in material compliance with Environmental Laws and only in the course of legitimate business operations at the Property; (iii) to the Best of Borrower's Knowledge, no Hazardous Materials are presently constructed, deposited, stored, or otherwise located on, under, in or about the Property except in material compliance with Environmental Laws; (iv) to the Best of Borrower's Knowledge, no Hazardous Materials have migrated from the Property upon or beneath other properties which would reasonably be expected to result in material liability for Borrower; and (v) to the Best of Borrower's Knowledge, no Hazardous Materials have migrated or threaten to migrate from other properties upon, about or beneath the Property which would reasonably be expected to result in material liability for Borrower.

Section 12.2 Covenants . Compliance with Environmental Laws .

Subject to Borrower's right to contest under Section 7.3 , Borrower covenants and agrees with Lender that it shall comply with all Environmental Laws. If at any time during the

continuance of the Lien of the Security Instrument, a Governmental Authority having jurisdiction over the Property requires remedial action to correct the presence of Hazardous Materials in, around, or under the Property (an **"Environmental Event"**), Borrower shall deliver prompt notice of the occurrence of such Environmental Event to Lender. Within thirty (30) days after Borrower has knowledge of the occurrence of an Environmental Event, Borrower shall deliver to Lender an Officer's Certificate (an **"Environmental Certificate"**) explaining the Environmental Event in reasonable detail and setting forth the proposed remedial action, if any. Borrower shall promptly provide Lender with copies of all notices from any Governmental Authority which allege or identify any actual or potential violation or noncompliance received by or prepared by or for Borrower in connection with any Environmental Law. For purposes of this paragraph, the term "notice" shall mean any summons, citation, directive, order, claim, pleading, letter, application, filing, report, findings, declarations or other materials provided by any Governmental Entity pertinent to compliance of the Property and Borrower with such Environmental Laws.

Section 12.3 Environmental Reports . Upon the occurrence and during the continuance of an Environmental Event with respect to the Property or an Event of Default, Lender shall have the right to direct Borrower to obtain consultants reasonably approved by Lender to perform a comprehensive environmental audit of the Property. Such audit shall be conducted by an environmental consultant chosen by Lender and may include a visual survey, a record review, an area reconnaissance assessing the presence of hazardous or toxic waste or substances, PCBs or storage tanks at the Property, an asbestos survey of the Property, which may include random sampling of the Improvements and air quality testing, and such further site assessments as Lender may reasonably require due to the results obtained from the foregoing. Borrower grants Lender, its agents, consultants and contractors the right to enter the Property as reasonable or appropriate for the circumstances for the purposes of performing such studies and the reasonable cost of such studies shall be due and payable by Borrower to Lender upon demand and shall be secured by the Lien of the Security Instrument. Lender shall not unreasonably interfere with, and Lender shall direct the environmental consultant to use its commercially reasonable efforts not to hinder, Borrower's or any Tenant's, other occupant's or Manager's operations upon the Property when conducting such audit, sampling or inspections. By undertaking any of the measures identified in and pursuant to this Section 12.3 , Lender shall not be deemed to be exercising any control over the operations of Borrower or the handling of any environmental matter or hazardous wastes or substances of Borrower for purposes of incurring or being subject to liability therefor.

Section 12.4 Environmental Indemnification . Borrower shall protect, indemnify, save, defend, and hold harmless the Indemnified Parties from and against any and all liability, loss, damage, actions, causes of action, costs or expenses whatsoever (including reasonable attorneys' fees and expenses) and any and all claims, suits and judgments which any Indemnified Party may suffer, as a result of or with respect to: (a) any Environmental Claim relating to or arising from the Property; (b) the violation of any Environmental Law in connection with the Property; (c) any release, spill, or the presence of any Hazardous Materials affecting the Property; and (d) the presence at, in, on or under, or the release, escape, seepage, leakage, discharge or migration at or from, the Property of any Hazardous Materials, whether or not such condition was known or unknown to Borrower; provided that, in each case, Borrower shall be relieved of its obligation under this subsection if any of the matters referred to in

clauses (a) through (d) above did not occur (but need not have been discovered) prior to (1) the foreclosure of the Security Instrument, (2) the delivery by Borrower to Lender or its designee of a deed-in-lieu of foreclosure with respect to the Property, or (3) Lender's or its designee's taking possession and control of the Property after the occurrence of an Event of Default hereunder. If any such action or other proceeding shall be brought against Lender, upon written notice from Borrower to Lender (given reasonably promptly following Lender's notice to Borrower of such action or proceeding), Borrower shall be entitled to assume the defense thereof, at Borrower's expense, with counsel reasonably acceptable to Lender; provided, however, Lender may, at its own expense, retain separate counsel to participate in such defense, but such participation shall not be deemed to give Lender a right to control such defense, which right Borrower expressly retains. Notwithstanding the foregoing, each Indemnified Party shall have the right to employ separate counsel at Borrower's expense if, in the reasonable opinion of legal counsel, a conflict or potential conflict exists between the Indemnified Party and Borrower that would make such separate representation advisable. Borrower shall have no obligation to indemnify an Indemnified Party for damage or loss resulting from such Indemnified Party's gross negligence or willful misconduct.

Section 12.5 Recourse Nature of Certain Indemnifications . Notwithstanding anything to the contrary provided in this Agreement or in any other Loan Document, the indemnification provided in Section 12.4 shall be fully recourse to Borrower (but not its constituent parties) and shall be independent of, and shall survive, the discharge of the Indebtedness, the release of the Lien created by the Security Instrument, and/or the conveyance of title to the Property to Lender or any purchaser or designee in connection with a foreclosure of the Security Instrument or conveyance in lieu of foreclosure.

XIII. RESERVED

XIV. SECURITIZATION AND PARTICIPATION

Section 14.1 Sale of Note and Securitization . At the request of Lender and, to the extent not already required to be provided by Borrower under this Agreement, Borrower shall use reasonable efforts to satisfy the market standards which may be reasonably required in the marketplace or by the Rating Agencies in connection with the sale of the Note or participation therein as part of the first successful securitization (such sale and/or securitization, the " **Securitization**") of rated single or multi-class securities (the " **Securities**") secured by or evidencing ownership interests in the Note and this Agreement, including using reasonable efforts to do (or cause to be done) the following (but Borrower shall not in any event be required to incur, suffer or accept (except to a de minimis extent)) (i) any lesser rights or greater obligations or liability than as currently set forth in the Loan Documents and (ii) except as set forth in this Article XIV and other than payment by Borrower of any legal fees of Borrower and Sponsor, any expense or any liability:

14.1.1 Provided Information . (i) Provide, at the sole expense of the holder of the Note (other than legal fees of counsel to the Borrower and Sponsor), such non-confidential financial and other information (but not projections) with respect to the Property and Borrower and Manager to the extent such information is reasonably available to Borrower or Manager, (ii) provide, at the sole expense of the holder of the Note (other than legal

fees of counsel to the Borrower and Sponsor), business plans (but not projections) and budgets relating to the Property, to the extent prepared by the Borrower or Manager and (iii) cooperate with the holder of the Note (and its representatives) in obtaining, at the sole expense of the holder of the Note (other than legal fees of counsel to the Borrower and Sponsor), such site inspection, appraisals, market studies, environmental reviews and reports, engineering reports and other due diligence investigations of the Property, as may be reasonably requested by the holder of the Note or reasonably requested by the Rating Agencies (all information provided pursuant to this Section 14.1 together with all other information heretofore provided to Lender in connection with the Loan, as such may be updated, at Borrower's request, in connection with a Securitization, or hereafter provided to Lender in connection with the Loan or a Securitization, being herein collectively called the **"Provided Information "**);

14.1.2 Opinions of Counsel . Use reasonable efforts to cause to be rendered such customary updates or customary modifications to the Opinions of Counsel delivered at the closing of the Loan as may be reasonably requested by the holder of the Note or the Rating Agencies in connection with the Securitization. Borrower's failure to use reasonable efforts to deliver or cause to be delivered the opinion updates or modifications required hereby within twenty (20) Business Days after written request therefor shall constitute an "**Event of Default**" hereunder. To the extent any of the foregoing Opinions of Counsel were required to be delivered in connection with the closing of the Loan, any update thereof shall be at the expense of Lender and without cost to Borrower. Any such Opinions of Counsel that Borrower is reasonably required to cause to be delivered in connection with a Securitization (which the parties agree shall consist of a "Review Letter" and bring downs of the Opinions of Counsel delivered as of the date hereof which Borrower acknowledges will be required to be delivered by Borrower's counsel in connection with a Securitization taking into account the due diligence Borrower's counsel deems reasonably necessary to deliver such "Review Letter"). Borrower shall not be required to pay the cost of any reliance letters or new opinions to permit successor holders of the Loan or any interest therein to rely on the opinions delivered at Closing in connection with Securitization or assignments of the Loan.

14.1.3 Modifications to Loan Documents . Without cost to the Borrower (other than legal fees of counsel to the Borrower and Sponsor), execute such amendments to the organizational documents of Borrower, Security Instrument and Loan Documents as may be reasonably requested by Lender or the Rating Agencies in order to achieve the required rating or to effect the Securitization (including, without limitation, modifying the Payment Date, as defined in the Note, to a date other than as originally set forth in the Note), provided , that nothing contained in this Section 14.1.3 shall result in any economic or other adverse change in the transaction contemplated by the Security Instrument or the Loan Documents (unless Borrower is made whole by the holder of Note) or result in any operational changes that are burdensome to the Property, Operating Lessee, Manager or Borrower.

Section 14.2 Cooperation with Rating Agencies . Borrower shall, at Lender's expense (other than legal fees of counsel to the Borrower and Sponsor), (i) at Lender's request, meet with representatives of the Rating Agencies at reasonable times to discuss the business and operations of the Property, and (ii) cooperate with the reasonable requests of the Rating Agencies in connection with the Property. Until the Obligations are paid in full, Borrower shall provide the Rating Agencies with all financial reports required hereunder and such other information as

they shall reasonably request, including copies of any default notices or other material notices delivered to and received from Lender hereunder, to enable them to continuously monitor the creditworthiness of Borrower and to permit an annual surveillance of the implied credit rating of the Securities.

Section 14.3 Securitization Financial Statements . Borrower acknowledges that all such financial information delivered by Borrower to Lender pursuant to Article XI may, at Lender's option, be delivered to the Rating Agencies.

Section 14.4 Securitization Indemnification .

14.4.1 Disclosure Documents . Borrower understands that certain of the Provided Information may be included in disclosure documents in connection with the Securitization, including a prospectus or private placement memorandum or a public registration statement (each, a**"Disclosure Document "**) and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the**" Securities Act"**) or the Securities and Exchange Act of 1934, as amended (the**"Exchange Act"**), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, upon request, Borrower shall reasonably cooperate with the holder of the Note in updating the Provided Information for inclusion or summary in the Disclosure Document by providing all current information pertaining to Borrower and the Property reasonably requested by Lender.

14.4.2 Indemnification Certificate . In connection with each of (x) a preliminary and a private placement memorandum, or (y) a preliminary and final prospectus, as applicable, Borrower agrees to provide, at Lender's reasonable request, an indemnification certificate (at no cost to Borrower other than legal fees of counsel to the Borrower and Sponsor):

(a) certifying that Borrower has carefully examined those portions of such memorandum or prospectus, as applicable, reasonably designated in writing by Lender for Borrower's review pertaining to Borrower, the Property, the Loan and/or the Provided Information and insofar as such sections or portions thereof specifically pertain to Borrower, the Property, the Provided Information or the Loan (such portions, the **"Relevant Portions"**), the Relevant Portions do not (except to the extent specified by Borrower if Borrower does not agree with the statements therein), as of the date of such certificate, to the Best of Borrower's Knowledge, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading.

(b) indemnifying Lender and the Affiliates of Citigroup Global Markets Inc. (collectively,**"CGM "**) that have prepared the Disclosure Document relating to the Securitization, each of its directors, each of its officers who have signed the Disclosure Document and each person or entity who controls CGM within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the**"CGM Group"**), and CGM, together with the CGM Group, each of their respective directors and each person who controls CGM or the CGM Group, within the meaning of Section 15 of the Securities Act and Section 20

of the Exchange Act (collectively, the **"Underwriter Group"**) for any actual, out-of-pocket losses, third party claims, damages (excluding lost profits, diminution in value and other consequential damages) or liabilities arising out of third party claims (the **"Liabilities"**) to which any member of the Underwriter Group may become subject to the extent such Liabilities arise out of or are based upon any untrue statement of any material fact contained in the Relevant Portions and in the Provided Information or arise out of or are based upon the omission by Borrower to state therein a material fact required to be stated in the Relevant Portions in order to make the statements in the Relevant Portions in light of the circumstances under which they were made, not misleading (except that (x) Borrower's obligation to indemnify in respect of any information contained in a preliminary or final registration statement, private placement memorandum or preliminary or final prospectus shall be limited to any untrue statement or omission of material fact therein known to Borrower to the extent in breach of Borrower's certification made pursuant to clause (a) above and (y) Borrower shall have no responsibility for the failure of any member of the Underwriting Group to accurately transcribe written information supplied by Borrower or to include such portions of the Provided Information).

(c) Borrower's liability under clauses (a) and (b) above shall be limited to Liabilities arising out of or based upon any such untrue statement or omission made in a Disclosure Document in reliance upon and in conformity with information furnished to Lender by, or furnished at the direction and on behalf of, Borrower in connection with the preparation of those portions of the registration statement, memorandum or prospectus pertaining to Borrower, the Property or the Loan, including financial statements of Borrower and operating statements with respect to the Property. This indemnity agreement will be in addition to any liability which Borrower may otherwise have.

(d) Promptly after receipt by an indemnified party under this Article XIV of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Article XIV , notify the indemnifying party in writing of the commencement thereof, but the omission to so notify the indemnifying party will not relieve the indemnifying party from any liability which the indemnifying party may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the indemnifying party. In the event that any action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party. After notice from the indemnifying party to such indemnified party under this Article XIV of its assumption of such defense, the indemnifying party shall not be liable for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof; provided , however , if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there are any legal defenses available to it and/or other indemnified parties that are different from or in conflict with those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties at the expense of the indemnifying party. The indemnifying party shall not be liable for the expenses

of separate counsel unless an indemnified party shall have reasonably concluded that there may be legal defenses available to it that are different from or in conflict with those available to another indemnified party.

(e) In order to provide for just and equitable contribution in circumstances in which the indemnity provided for in this Article XIV is for any reason held to be unenforceable by an indemnified party in respect of any actual, out-of-pocket losses, claims, damages or liabilities relating to third party claims (or action in respect thereof) referred to therein which would otherwise be indemnifiable under this Article XIV , the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such actual, out of pocket losses, third party claims, damages or liabilities (or action in respect thereof) (but excluding damages for lost profits, diminution in value of the Property and consequential damages); provided , however , that no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution for Liabilities arising therefrom from any person who was not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the CGM Group's and Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; (iii) the limited responsibilities and obligations of Borrower as specified herein; and (iv) any other equitable considerations appropriate in the circumstances.

Section 14.5 Retention of Servicer . Lender reserves the right to retain the Servicer. Lender has advised Borrower that the Servicer initially retained by Lender shall be Wachovia Securities and Borrower shall pay any reasonable servicing fees, special servicing fees, trustee fees and any administrative fees and expenses of the Servicer, including, without limitation, reasonable attorney and other third-party fees and disbursements in connection with a prepayment, release of the Property, assumption or modification of the Loan or enforcement of the Loan Documents. Borrower shall also pay the ongoing standard monthly servicing fee.

XV. ASSIGNMENTS AND PARTICIPATIONS

Section 15.1 Assignment and Acceptance . At no incremental cost or liability to Borrower, Lender may assign to one or more Persons all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including, without limitation, all or a portion of the Note); provided that the parties to each such assignment shall execute and deliver to Lender, for its acceptance and recording in the Register (as hereinafter defined), an Assignment and Acceptance. In addition, at no incremental cost to Borrower, Lender may participate to one or more Persons all or any portion of its rights and obligations under this Agreement and the other Loan Documents (including without limitation, all or a portion of the Note) utilizing such documentation to evidence such participation and the parties' respective rights thereunder as Lender, in its sole discretion, shall elect.

Section 15.2 Effect of Assignment and Acceptance . Upon such execution, delivery, acceptance and recording, from and after the effective date specified in such Assignment and Acceptance, (i) the assignee thereunder shall be a party hereto and, to the extent

that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, have the rights and obligations of Lender, as the case may be, hereunder and such assignee shall be deemed to have assumed such rights and obligations, and (ii) Lender shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement and the other Loan Documents (and, in the case of an Assignment and Acceptance covering all or the remaining portion of Lender's rights and obligations under this Agreement and the other Loan Documents, Lender shall cease to be a party hereto) accruing from and after the effective date of the Assignment and Acceptance, except with respect to (A) any payments made by Borrower to Lender pursuant to the terms of the Loan Documents after the effective date of the Assignment and Acceptance and (B) any letter of credit, cash deposit or other deposits or security (other than the Lien of the Security Instrument and the other Loan Documents) delivered to or for the benefit of or deposited with Citigroup Global Markets Realty Corp., as Lender, for which Citigroup Global Markets Realty Corp. shall remain responsible for the proper disposition thereof until such items are delivered to a party who is qualified as an Approved Bank and agrees to hold the same in accordance with the terms and provisions of the agreement pursuant to which such items were deposited.

Section 15.3 Content . By executing and delivering an Assignment and Acceptance, Lender and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Documents or the execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, this Agreement or any other Loan Documents or any other instrument or document furnished pursuant hereto or thereto; (ii) Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of Borrower or the performance or observance by Borrower of any of its obligations under any Loan Documents or any other instrument or document furnished pursuant thereto; (iii) such assignee confirms that it has received a copy of this Agreement, together with copies of such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement and the other Loan Documents; (v) such assignee appoints and authorizes Lender to take such action as agent on its behalf and to exercise such powers and discretion under the Loan Documents as are delegated to Lender by the terms hereof together with such powers and discretion as are reasonably incidental thereto; and (vi) such assignee agrees that it will perform, in accordance with their terms, all of the obligations which by the terms of this Agreement and the other Loan Documents are required to be performed by Lender.

Section 15.4 Register . Borrower shall maintain a copy of each Assignment and Acceptance delivered to and accepted by it and a register for the recordation of the names and addresses of Lender and each assignee pursuant to this Article XV and the Principal Amount of the Loan owing to each such assignee from time to time (the **"Register"**). The entries in the Register shall, with respect to such assignees, be conclusive and binding for all purposes, absent

manifest error. The Register shall be available for inspection by Lender or any assignee pursuant to this Article XV at any reasonable time and from time to time upon reasonable prior written notice.

Section 15.5 Substitute Notes . Upon its receipt of an Assignment and Acceptance executed by an assignee, together with any Note or Notes subject to such assignment, Lender shall, if such Assignment and Acceptance has been completed and is in substantially the form of **Exhibit J** hereto, (i) accept such Assignment and Acceptance, (ii) record the information contained therein in the Register, and (iii) give prompt written notice thereof to Borrower. Within five (5) Business Days after its receipt of such notice, Borrower, at Lender's own expense, shall execute and deliver to Lender in exchange and substitution for the surrendered Note or Notes a new Note to the order of such assignee in an amount equal to the portion of the Loan assigned to it and a new Note to the order of Lender in an amount equal to the portion of the Loan retained by it hereunder. Such new Note or Notes shall be in an aggregate Principal Amount equal to the aggregate then outstanding principal amount of such surrendered Note or Notes, shall be dated the effective date of such Assignment and Acceptance and shall otherwise be in substantially the form of the Note (modified, however, to the extent necessary so as not to impose duplicative or increased obligations on Borrower and to delete obligations previously satisfied by Borrower). Notwithstanding the provisions of this Article XV , Borrower and Operating Lessee shall not be responsible or liable for any additional taxes, reserves, adjustments or other costs and expenses that are related to, or arise as a result of, any transfer of the Loan or any interest or participation therein that arise solely and exclusively from the transfer of the Loan or any interest or participation therein or from the execution of the new Note contemplated by this Section 15.5 , including, without limitation, any mortgage tax. Lender and/or the assignees, as the case may be, shall from time to time designate one agent through which Borrower shall request all approvals and consents required or contemplated by this Agreement and on whose statements Borrower, Operating Lessee and Sponsor may rely.

Section 15.6 Participations . Each assignee pursuant to this Article XV may sell participations to one or more Persons (other than Borrower or any of its Affiliates) in or to all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including, without limitation, all or a portion of the Note held by it); provided , however , that (i) such assignee's obligations under this Agreement and the other Loan Documents shall remain unchanged, (ii) such assignee shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) such assignee shall remain the holder of any such Note for all purposes of this Agreement and the other Loan Documents, and (iv) Borrower, Lender and the assignees pursuant to this Article XV shall continue to deal solely and directly with such assignee in connection with such assignee's rights and obligations under this Agreement and the other Loan Documents. In the event that more than one (1) party comprises Lender, Lender shall designate one party to act on the behalf of all parties comprising Lender in providing approvals and all other necessary consents under the Loan Documents and on whose statements Borrower, Operating Lessee and Sponsor may rely.

Section 15.7 Disclosure of Information . Any assignee pursuant to this Article XV may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Article XV , disclose to the assignee or participant or proposed assignee or participant, any information relating to Borrower furnished to such assignee by or on

behalf of Borrower; provided , however , that, prior to any such disclosure, the assignee or participant or proposed assignee or participant shall agree in writing for the benefit of Borrower to preserve the confidentiality of any confidential information received by it.

Section 15.8 Security Interest in Favor of Federal Reserve Bank . Notwithstanding any other provision set forth in this Agreement or any other Loan Document, any assignee pursuant to this Article XV may at any time create a security interest in all or any portion of its rights under this Agreement or the other Loan Documents (including, without limitation, the amounts owing to it and the Note or Notes held by it) in favor of any Federal Reserve Bank in accordance with Regulation A of the Board of Governors of the Federal Reserve System.

XVI. RESERVE ACCOUNTS

Section 16.1 Tax Reserve Account . In accordance with the time periods set forth in Section 3.1 , if an Event of Default shall have occurred and be continuing, if required under Section 3.1 , Borrower shall deposit into the Tax Reserve Account an amount equal to (a) one-twelfth of the annual Impositions that Lender reasonably estimates, based on the most recent tax bill for the Property, will be payable during the next ensuing twelve (12) months in order to accumulate with Lender sufficient funds to pay all such Impositions at least twenty (20) days prior to the imposition of any interest, charges or expenses for the non-payment thereof and (b) one-twelfth of the annual Other Charges that Lender reasonably estimates will be payable during the next ensuing twelve (12) months (said monthly amounts in (a) and (b) above hereinafter called the **" Monthly Tax Reserve Amount"**, and the aggregate amount of funds held in the Tax Reserve Account being the **"Tax Reserve Amount "**). As of the Closing Date, the Monthly Tax Reserve Amount is $0.00, but such amount is subject to adjustment by Lender in accordance with the provisions of Section 3.1 and this Section 16.1 . The Monthly Tax Reserve Amount shall be paid by Borrower to Lender on each Payment Date during the continuance of an Event of Default to the extent required to be paid hereunder. Lender will apply the Monthly Tax Reserve Amount to payments of Impositions and Other Charges required to be made by Borrower pursuant to Article V and Article VII and under the Security Instrument, subject to Borrower's right to contest Impositions in accordance with Section 7.3 . In making any payment relating to the Tax Reserve Account, Lender may do so according to any bill, statement or estimate procured from the appropriate public office, without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of funds in the Tax Reserve Account shall exceed the amounts due for Impositions and Other Charges pursuant to Article V and Article VII , Lender shall credit such excess against future payments to be made to the Tax Reserve Account. If at any time Lender reasonably determines that the Tax Reserve Amount is not or will not be sufficient to pay Impositions and Other Charges by the dates set forth above, Lender shall notify Borrower of such determination and Borrower shall increase its monthly payments to Lender by the amount that Lender reasonably estimates is sufficient to make up the deficiency at least thirty (30) days prior to the imposition of any interest, charges or expenses for the non-payment of the Impositions and Other Charges. Upon payment of the Impositions and Other Charges, Lender shall reassess the amount necessary to be deposited in the Tax Reserve Account for the succeeding period, which calculation shall take into account any excess amounts remaining in the Tax Reserve Account.

Section 16.2 Insurance Reserve Account . If an Event of Default shall have occurred and be continuing and if required as provided in Section 3.1 hereof, Borrower will immediately pay to Lender for transfer by Lender to the Holding Account (or if Borrower fails to so pay Lender, Lender will transfer from the Holding Account) an amount (the **"Insurance Reserve Amount "**) equal to payments of insurance premiums required to be made by Borrower to pay (or to reimburse Borrower or Operating Lessee for) the insurance required pursuant to Article VI and under the Security Instrument in accordance with the time periods set forth in Section 3.1 , an amount equal to one-twelfth of the insurance premiums that Lender reasonably estimates based on the most recent bill, will be payable for the renewal of the coverage afforded by the insurance policies upon the expiration thereof in order to accumulate with Lender sufficient funds to pay all such insurance premiums at least twenty (20) days prior to the expiration of the policies required to be maintained by Borrower pursuant to the terms hereof (said monthly amounts hereinafter called the **"Monthly Insurance Reserve Amount"**); provided, however, that immediately following an Insurance Reserve Trigger, Borrower will pay to Lender for transfer by Lender to the Insurance Reserve Account (or if Borrower fails to so pay Lender, Lender will transfer from the Holding Account) an amount equal to payments of insurance premiums required to be made by Borrower to pay (or to reimburse Borrower or Operating Lessee) for the insurance required pursuant to Article VI and under the Security Instrument. As of the Closing Date, the Monthly Insurance Reserve Amount is $0.00. The Monthly Insurance Reserve Amount, if same is payable pursuant to Section 3.1 and this Section 16.2 , shall be paid by Borrower to Lender on each Payment Date. Lender will apply the Monthly Insurance Reserve Amount to payments of insurance premiums required to be made by Borrower to pay for the insurance required pursuant to Article VI and under the Security Instrument. In making any payment relating to the Insurance Reserve Account, Lender may do so according to any bill, statement or estimate procured from the insurer or agent, without inquiry into the accuracy of such bill, statement or estimate or into the validity thereof. If at any time Lender reasonably determines that the Insurance Reserve Amount is not or will not be sufficient to pay insurance premiums (up to a maximum amount equal to the aggregate annual insurance premium required hereunder), Lender shall notify Borrower of such determination and Borrower shall increase the Insurance Reserve Amount by the amount that Lender reasonably estimates is sufficient to make up the deficiency at least thirty (30) days prior to expiration of the applicable insurance policies. Upon payment of such insurance premiums, Lender shall reassess the amount necessary to be deposited in the Insurance Reserve Account for the succeeding period, which calculation shall take into account any excess amounts remaining in the Insurance Reserve Account.

Section 16.3 Intentionally Deleted .

Section 16.4 FF&E Reserve Account . In the event that Borrower elects to deliver the Letter of Credit to Lender under the terms of Section 16.4.1 , Lender agrees to permit the reduction from time to time of the outstanding amount of the Letter of Credit by (i) the amount of cash funds delivered to Lender as reserve funds by Borrower in place of such Letter of Credit, and (ii) the amount that Borrower would otherwise be entitled to receive as a disbursement from the applicable reserve account pursuant to Section 16.4 .

16.5.4 Additional Rights of Lender . In addition to any other right Lender may have to draw upon a Letter of Credit pursuant to the terms and conditions of this Agreement, Lender shall have the additional rights to draw in full any Letter of Credit: (a) if Lender has received a notice from the issuing bank that the Letter of Credit will not be renewed and a substitute Letter of Credit is not provided at least thirty (30) days prior to the date on which the outstanding Letter of Credit is scheduled to expire; (b) upon receipt of notice from the issuing bank that the Letter of Credit will be terminated (except if a substitute Letter of Credit is provided); or (c) if Lender has received notice that the bank issuing the Letter of Credit shall cease to be an Approved Bank (unless an alternative Approved Bank issues an equivalent Letter of Credit within fifteen (15) days of Borrower's receipt of notice of same). Notwithstanding anything to the contrary contained in the above, Lender is not obligated to draw any Letter of Credit upon the happening of an event specified in (a), (b) or (c) above and shall not be liable for any losses sustained by Borrower due to the insolvency of the bank issuing the Letter of Credit if Lender has not drawn the Letter of Credit.

(b) Unless waived in writing by Lender, upon the occurrence and during the continuance of an Event of Default (other than an Event of Default described in clauses (a)(vi), (vii) or (viii) above) Lender may, without notice or demand, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, take such action that Lender deems advisable to protect and enforce its rights against Borrower and in the Property, including, without limitation, (i) declaring immediately due and payable the entire Principal Amount together with interest thereon and all other sums due by Borrower under the Loan Documents, (ii) collecting interest on the Principal Amount at the Default Rate whether or not Lender elects to accelerate the Note and (iii) enforcing or availing itself of any or all rights or remedies set forth in the Loan Documents against Borrower and the Property, including, without limitation, all rights or remedies available at law or in equity; and upon any Event of Default described in subsections (a)(vi) or (a)(vii) above, the Indebtedness and all other obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable, without notice or demand, and Borrower hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding. The foregoing provisions shall not be construed as a waiver by Lender of its right to pursue any other remedies available to it under this Agreement, the Security Instrument or any other Loan Document. Any payment hereunder may be enforced and recovered in whole or in part at such time by one or more of the remedies provided to Lender in the Loan Documents.

Section 17.2 Remedies . (a) Unless waived in writing by Lender, upon the occurrence and during the continuance of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Indebtedness shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to the Property. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender shall not be subject to any one action or election of remedies law or rule and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Property and the Security Instrument has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Indebtedness or the Indebtedness has been paid in full.

(b) Upon the occurrence and during the continuance of an Event of Default, with respect to the Account Collateral, the Lender may:

(i) subject to the terms of the Subordination of Operating Lease and/or Manager Subordination Agreements, without notice to Borrower, except as required by law, and at any time or from time to time, charge, set-off and otherwise apply all or any part of the Account Collateral against the Obligations, Operating Expenses and/or Capital Expenditures for the Property or any part thereof;

(ii) in Lender's sole discretion, at any time and from time to time, exercise any and all rights and remedies available to it under this Agreement, and/or as a secured party under the UCC;

(iii) subject to the terms of the Subordination of Operating Lease and/or Manager Subordination Agreements, demand, collect, take possession of or receipt for, settle, compromise, adjust, sue for, foreclose or realize upon the Account Collateral (or any portion thereof) as Lender may determine in its sole discretion; and

(iv) take all other actions provided in, or contemplated by, this Agreement.

(c) With respect to Borrower, the Account Collateral, the Rate Cap Collateral and the Property, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to the Property for the satisfaction of any of the Indebtedness, and Lender may seek satisfaction out of the Property or any part thereof, in its absolute discretion in respect of the Indebtedness. In addition, Lender shall have the right from time to time to partially foreclose this Agreement and the Security Instrument in any manner and for any amounts secured by this Agreement or the Security Instrument then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal or interest, Lender may foreclose this Agreement and the Security Instrument to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose this Agreement and the Security Instrument to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by this Agreement or the Security Instrument as Lender may elect. Notwithstanding one or more partial foreclosures, the Property shall remain subject to this Agreement and the Security Instrument to secure payment of sums secured by this Agreement and the Security Instrument and not previously recovered.

Section 17.3 Remedies Cumulative; Waivers . The rights, powers and remedies of Lender under this Agreement and the Security Instrument shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower or any Sponsor shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or any Sponsor or to impair any remedy, right or power consequent thereon.

Section 17.4 Costs of Collection . In the event that after an Event of Default: (i) the Note or any of the Loan Documents is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding; (ii) an attorney is retained to represent Lender in any bankruptcy, reorganization, receivership, or other proceedings affecting creditors' rights and involving a claim under the Note or any of the Loan Documents; or (iii) an attorney is retained to protect or enforce the lien or any of the terms of this Agreement, the Security Instrument or any of the Loan Documents; then Borrower shall pay to Lender all reasonable attorney's fees, costs and expenses actually incurred in connection therewith, including costs of appeal, together with interest on any judgment obtained by Lender at the Default Rate.

Notwithstanding the foregoing, the foregoing shall not: (a) prevent recourse to the Borrower or the assets of Borrower, or enforcement of the Security Instrument or other instrument or document by which Borrower is bound pursuant to the Loan Documents; (b) estop Lender from instituting or prosecuting a legal action or proceeding or otherwise making a claim against Borrower as a result of any of the following or against the Person or Persons committing any of the following: (i) fraud or intentional misrepresentation by Borrower or Operating Lessee in connection with the Loan, (ii) the misappropriation by Borrower or Operating Lessee or any Affiliate of Borrower or Operating Lessee of any Proceeds (including, without limitation, any Rents and any security deposits), (iii) the breach of any representation, warranty, covenant or indemnification provision in the Environmental Indemnity, (iv) any transfer in violation of Section 8 or otherwise violate the provisions of such Section 8 , (v) any loss, damage, cost or expense incurred by or on behalf of Lender by reason of all or any part of the Property, the Collection Account, the Holding Account, the Collateral Accounts or the Interest Rate Cap Agreement being encumbered by a Lien (other than pursuant to the Loan Documents in favor of Lender) in violation of the Loan Documents, (vi) physical damage to any Property from intentional waste committed by Borrower or Operating Lessee or any Affiliate of

Borrower hereby agrees that notwithstanding any provision to the contrary herein or in any other Loan Document, to the extent otherwise permitted by law, its obligations pursuant to clause (b)(ix) of this Section shall survive the full repayment of the Loan and/or the passage of title to all or any portion of the Property to Lender.
