(b) Subject to the non-recourse provisions of Section 18.1 , Borrower shall protect, indemnify and save harmless Lender, and all officers, directors, stockholders, members, partners, employees, agents, successors and assigns thereof (collectively, the Indemnified Parties) from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses (including all reasonable attorneys' fees and expenses actually incurred) imposed upon or incurred by or asserted against the Indemnified Parties or the Property or any part of its interest therein, by reason of the occurrence or existence of any of the following (to the extent Proceeds payable on account of the following shall be inadequate; it being understood that in no event will the Indemnified Parties be required to actually pay or incur any costs or expenses as a condition to the effectiveness of the foregoing indemnity) prior to (i) the acceptance by Lender or its designee of a deed-in-lieu of foreclosure with respect to the Property, or (ii) an Indemnified Party or its designee taking possession or control of the Property or (iii) the foreclosure of the Security Instrument, except to the extent caused by the willful misconduct or gross negligence of the Indemnified Parties (other than such willful misconduct or gross negligence imputed to the Indemnified Parties because of their interest in the Property): (1) ownership of Borrower's interest in the Property, or any interest therein, or receipt of any Rents or other sum therefrom, (2) any accident, injury to or death of any persons or loss of or damage to property occurring on or about the Property or any Appurtenances thereto, (3) any design, construction, operation, repair, maintenance, use, non-use or condition of the Property or Appurtenances thereto, including claims or penalties arising from violation of any Legal Requirement or Insurance Requirement, as well as any claim based on any patent or latent defect, whether or not discoverable by Lender, any claim the insurance as to which is inadequate, and any Environmental Claim, (4) any Default under this Agreement or any of the other Loan Documents or any failure on the part of Borrower to perform or comply with any of the terms of any Lease within the applicable notice or grace periods, (5) any performance of any labor or services or the furnishing of any materials or other property in respect of the Property or any part thereof, (6) any negligence or tortious act or omission on the part of Borrower or any of its agents, contractors, servants, employees, sublessees, licensees or invitees, (7) any contest referred to in Section 7.3 hereof, (8) any obligation or undertaking relating to the performance or discharge of any of the terms, covenants and conditions of the landlord contained in the Leases, or (9) except as may be expressly limited herein, the presence at, in or under the Property or the Improvements of any Hazardous Materials in violation of any Environmental Law. Any amounts the Indemnified Parties are legally entitled to receive under this Section which are not paid within fifteen (15) Business Days after written demand therefor by the Indemnified Parties

or Lender, setting forth in reasonable detail the amount of such demand and the basis therefor, shall bear interest from the date of demand at the Default Rate, and shall, together with such interest, be part of the Indebtedness and secured by the Security Instrument. In case any action, suit or proceeding is brought against the Indemnified Parties by reason of any such occurrence, Borrower shall at Borrower's expense resist and defend such action, suit or proceeding or will cause the same to be resisted and defended by counsel at Borrower's reasonable expense for the insurer of the liability or by counsel designated by Borrower (unless reasonably disapproved by Lender promptly after Lender has been notified of such counsel); provided , however , that nothing herein shall compromise the right of Lender (or any Indemnified Party) to appoint its own counsel at Borrower's expense for its defense with respect to any action which in its reasonable opinion presents a conflict or potential conflict between Lender and Borrower that would make such separate representation advisable; provided , further , that if Lender shall have appointed separate counsel pursuant to the foregoing, Borrower shall not be responsible for the expense of additional separate counsel of any Indemnified Party unless in the reasonable opinion of Lender a conflict or potential conflict exists between such Indemnified Party and Lender. So long as Borrower is resisting and defending such action, suit or proceeding as provided above in a prudent and commercially reasonable manner, Lender and the Indemnified Parties shall not be entitled to settle such action, suit or proceeding without Borrower's consent which shall not be unreasonably withheld, delayed or conditioned, and claim the benefit of this Section with respect to such action, suit or proceeding and Lender agrees that it will not settle any such action, suit or proceeding without the consent of Borrower; provided , however , that if Borrower is not diligently defending such action, suit or proceeding in a prudent and commercially reasonable manner as provided above, and Lender has provided Borrower with thirty (30) days' prior written notice, or shorter period if mandated by the requirements of applicable law, and opportunity to correct such determination, Lender may settle such action, suit or proceeding and claim the benefit of this Section 19.12 with respect to settlement of such action, suit or proceeding. Any Indemnified Party will give Borrower prompt notice after such Indemnified Party obtains actual knowledge of any potential claim by such Indemnified Party for indemnification hereunder. The Indemnified Parties shall not settle or compromise any action, proceeding or claim as to which it is indemnified hereunder without notice to Borrower.

Section 19.13 Exhibits and Schedules Incorporated . The Exhibits and Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 19.14 Offsets, Counterclaims and Defenses . Any assignee of Lender's interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

Section 19.15 Liability of Assignees of Lender . No assignee of Lender shall have any personal liability, directly or indirectly, under or in connection with this Agreement or any other Loan Document or any amendment or amendments hereto made at any time or times,

heretofore or hereafter, any different than the liability of Lender hereunder. In addition, no assignee shall have at any time or times hereafter any personal liability, directly or indirectly, under or in connection with or secured by any agreement, lease, instrument, encumbrance, claim or right affecting or relating to the Property or to which the Property is now or hereafter subject any different than the liability of Lender hereunder. The limitation of liability provided in this Section 19.15 is (i) in addition to, and not in limitation of, any limitation of liability applicable to the assignee provided by law or by any other contract, agreement or instrument, and (ii) shall not apply to any assignee's gross negligence or willful misconduct.

Section 19.16 No Joint Venture or Partnership; No Third Party Beneficiaries . (a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Property other than that of mortgagee, beneficiary or lender.

(b) This Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

Section 19.17 Publicity . All news releases, publicity or advertising by Borrower or its Affiliates through any media intended to reach the general public which refers to the Loan Documents or the financing evidenced by the Loan Documents, to Lender, or any of its Affiliates shall be subject to the prior written approval of Lender.

Section 19.18 Waiver of Marshalling of Assets . To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's shareholders and others with interests in Borrower and of the Property, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Property for the collection of the Indebtedness without any prior or different resort for collection or of the right of Lender to the payment of the Indebtedness out of the net proceeds of the Property in preference to every other claimant whatsoever.

Section 19.19 Waiver of Counterclaim and Other Actions . Borrower hereby expressly and unconditionally waives, in connection with any suit, action or proceeding brought by Lender on this Agreement, the Note, the Security Instrument or any Loan Document, any and

every right it may have to (i) interpose any counterclaim therein (other than a counterclaim which can only be asserted in the suit, action or proceeding brought by Lender on this Agreement, the Note, the Security Instrument or any Loan Document and cannot be maintained in a separate action) and (ii) have any such suit, action or proceeding consolidated with any other or separate suit, action or proceeding.

Section 19.20 Conflict; Construction of Documents; Reliance . In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents, the provisions of this Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

Section 19.21 Prior Agreements . This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, are superseded by the terms of this Agreement and the other Loan Documents and unless specifically set forth in a writing contemporaneous herewith the terms, conditions and provisions of any and all such prior agreements do not survive execution of this Agreement.

Section 19.22 Counterparts . This Agreement may be executed in multiple counterparts, each of which shall constitute an original, but all of which shall constitute one document.

Section 19.23 Joint and Several Liability . If Borrower or Sponsor consists of more than one person, the obligations and liabilities of each such person hereunder and under the other Loan Documents shall be joint and several.

It is a requirement that the borrower be a bankruptcy remote, special purpose entity. A bankruptcy remote, special purpose entity is an entity which is unlikely to become insolvent as a result of its own activities and which is adequately insulated from the consequences of any other party's insolvency. Set forth below is language to be included in the organizational documents of corporations, limited partnerships and limited liability companies to evidence such entities' existence as bankruptcy remote, special purpose entities.

I. CORPORATION

If the Single Purpose Entity is a corporation, its certificate of incorporation will have to have the following provisions to be considered a special purpose entity:

A. Purpose

The corporation's purpose should be limited to owning and operating the mortgaged property (or interests in the Borrower).

"Notwithstanding any provision hereof or of any other document governing the formation, management or operation of the Corporation to the contrary, the following shall govern: The nature of the business and of the purposes to be conducted and promoted by the Corporation, is to engage solely in the following activities:

For so long as a mortgage lien exists on the [Property] [use other term for the real estate if necessary], (ii) no amendment to this certificate of incorporation or to the Corporation's By Laws may be made without first obtaining approval of the mortgagee holding a first mortgage lien on the [Property] [use other term for the real estate if necessary] and (ii) the Corporation shall not dissolve, terminate or liquidate."

the contrary, the following shall govern: Any indemnification shall be fully subordinated to any obligations respecting the [Property] [use other term for the real estate if necessary] and shall not constitute a claim against the Corporation in the event that cash flow is insufficient to pay such obligations."

D. Separateness Covenants

In order to demonstrate that it is a bankruptcy remote entity not at risk of having its assets substantively consolidated with those of another entity, the corporation must observe certain covenants designed to make evident the special purpose entity 's separateness from its affiliates.

"Notwithstanding any provision hereof or of any other document governing the formation, management or operation of the Corporation to the contrary, the following shall govern: For so long as any mortgage lien exists on the [Property] [use other term for the real estate if necessary], in order to preserve and ensure its separate and distinct corporate identity, in addition to the other provisions set forth in this certificate of incorporation, the Corporation shall conduct its affairs in accordance with the following provisions:

1. It shall establish and maintain an office through which its business shall be conducted separate and apart from those of its parent and any affiliate and shall allocate fairly and reasonably any overhead for shared office space.

2. It shall maintain separate corporate records and books of account from those of its parent and any affiliate.

3. 4. It shall not commingle assets with those of its parent and any affiliate.

5. It shall conduct its own business in its own name.

6. It shall maintain financial statements separate from its parent and any affiliate.

7. It shall pay any liabilities out of its own funds, including salaries of any employees, not funds of its parent or any affiliate.

8. It shall maintain an arm's length relationship with its parent and any affiliate.

11. It shall not acquire obligations or securities of its partners, members or shareholders.

12. It shall use stationery, invoices and checks separate from its parent and any affiliate.

For purposes of this definition, "control" when used with respect to any specified person, means the power to direct the management and policies of such person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise; and the terms "controlling" and "controlled" have meanings correlative to the foregoing.

If such limited partnership has more than one general partner, then such limited partnership shall continue (and not dissolve) for so long as a solvent general partner exists. For purposes of this definition, "control" when used with respect to any specified person, means the power to direct the management and policies of such person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise; and the terms "controlling" and "controlled" have meanings correlative to the foregoing.

"parent" means, with respect to a corporation, any other corporation owning or controlling, directly or indirectly, fifty percent (50%) or more of the voting stock of the Corporation.

"person" means any individual, corporation, partnership, limited liability company, joint venture, association, joint stock company, trust (including any beneficiary thereof), unincorporated organization, or government or any agency or political subdivision thereof.

e. Voting

When voting on matters concerning the limited liability company, notwithstanding that the limited liability company is not then insolvent, the Corporation must take into account the interest of the Limited Liability Company's creditors, as well as those of its members.

"Notwithstanding any provision hereof or of any other document governing the formation, management or operation of the Corporation to the contrary, the following shall govern: When voting on matters concerning the Limited Liability Company, notwithstanding that the Limited Liability Company is not then insolvent, the Corporation shall take into account the interest of the Limited Liability Company's creditors, as well as those of its members."

IV. OTHER STRUCTURES

The foregoing provisions do not exhaustively contemplate all ownership structures for a mortgaged property. Situations involving ownership structures not specifically contemplated by the provisions set forth on this Exhibit C shall nevertheless require Single Purpose Entities substantively to comply with the requirements to these provisions, modified as appropriate to accommodate the ownership structure in question.

EXHIBIT D

ENFORCEABILITY OPINION REQUIREMENTS

1. The Opinion shall be delivered on the Closing Date and shall satisfy all applicable requirements of the Rating Agencies in relation thereto.

2. The Opinion shall be given by a professional law firm selected by Borrower and reasonably acceptable to Lender.

3. The Opinion shall be in form and substance acceptable to Lender and shall be given in relation to Borrower, Guarantor, Manager and any other relevant party to the Loan (each a " Loan Party"). Depending on the nature of the transaction, the Opinion shall address the applicable law of the State of New York, the State where the Property is located and each State where any Loan Party is organized (collectively, the "Relevant States"). To the extent that the Property is located in a jurisdiction outside of the State of New York and/or any Loan Party is organized under a jurisdiction outside the States of New York or Delaware, the appropriate opinions below should be given by local counsel. The Opinion shall be given on the basis of an examination of an executed original of each completed Loan Document in addition to such other documents or instruments counsel deems relevant.

4. The Opinion shall contain the following opinions:

Opinions with respect to the law of the State of Formation or Organization of the Loan Parties

(a) Each Loan Party is a [*Describe Legal Form*] duly organized, validly existing and in good standing under the laws of the State of [*State of Organization*] and is authorized to do business and in good standing in the State of [*State of Organization*].

(b) Each Loan Party has the requisite power to own its properties and to carry on its business as now being conducted and to enter into the transactions covered by the Loan Documents.

(c) The execution and delivery by each Loan Party of each Loan Document to which it is a party has been duly authorized by all necessary partnership, company and/or corporate action, as applicable. To the extent a party thereto, the Loan Documents have been duly executed and delivered by each Loan Party.

(d) The execution, delivery and performance by each Loan Party of the Loan Documents to which it is a party does not:

(i) conflict with or result in a breach of any of the terms, conditions or provisions of, or constitute a default under, the partnership agreement, partnership certificate, articles of incorporation, by-laws, trust agreement or trust certificate, as applicable, of such Loan Party;

(ii) contravene any law, statute or regulation of the United States of America or the [*State of Organization*] or any agency or political subdivision of either thereof;

(iii) violate any order, writ, injunction, or decree of which, after due inquiry, counsel has actual knowledge, issued by any court or governmental authority of the United States of America or the [*State of Organization*] or any agency or political subdivision of either thereof to which such Loan Party is subject; or

(iv) conflict with or result in any breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any lien other than the lien of the Loan Documents upon any of the assets or properties of such Loan Party pursuant to the terms of any material indenture, mortgage, deed of trust, agreement, contract or instrument to which such Loan Party is a party or by which it or any of its assets or properties is bound.

(e) No order, consent, approval, license or authorization of, or filing, recording or registration with, any governmental or public body or authority of the United States of America or the State of [*Relevant State*] or any agency or political subdivision of either thereof is required in connection with the execution and delivery of any of the Loan Documents, the validity, binding effect or enforceability of any of the Loan Documents or the consummation of the transactions contemplated thereby.

(f) There are no actions, suits or proceedings by or before any court, governmental or regulatory authority or agency of which, after due inquiry, we have actual knowledge pending or threatened against or affecting any Loan Party or Borrower's rights with respect to the Property wherein an adverse ruling or decision, individually or collectively with other such actions, suits or proceedings, is reasonably likely (i) to affect materially and adversely the ability of any Loan Party to consummate the transactions contemplated by the Loan Documents or to perform its obligations under any of the Loan Documents, or (ii) to result in a challenge to the legality, validity, binding effect or enforceability of any of the Loan Documents.

(g) To the extent the State of [*State of Organization*] UCC is applicable to the authorization of the Financing Statement, pursuant to the provisions of the Loan Agreement and the Security Instrument, Borrower has authorized the filing of the Financing Statement for purposes of Section 9-509 of the State of [*State of Organization*] UCC.

(h) To the extent the State of [*State of Organization*] UCC is applicable, the financing Statement includes not only all of the types of information required by Section 9-502(a) of the State of [*State of Organization*] UCC but also the types of information without which the Filing Office may refuse to accept the Financing Statement pursuant to Section 9-516 of the State of [*State of Organization*] UCC.

(i) To the extent the State of [*State of Organization*] UCC is applicable, the security interest of the Secured Party will be perfected in Borrower's rights in all UCC Collateral upon the later of the attachment of the security interest and the filing of the Financing Statement in the Filing Office; provided, however, we express no opinion with respect to (i) money, (ii) deposit accounts, (iii) letter of credit rights, (iv) goods covered by a certificate of title statute,

(v) as-extracted collateral, timber to be cut, or (vi) any property subject to a statute, regulation or treaty of the United States whose requirements for a security interest's obtaining priority over the rights of a lien creditor with respect to the property preempt Section 9-3 10(a) of the State of [*State of Organization*] ."UCC Collateral" means the portion of the Property (as defined in the Security Instrument), the Rate Cap Collateral, the Account Collateral (as defined in the Loan Agreement) and the Collateral Accounts (as defined in the Account Agreement) to the extent the UCC governs a security interest in such collateral.

(j) You have asked whether Borrower is a "registered organization" as such term is defined in Section 9-1 02(a) (70) of the State of [*State of Organization*] UCC. Pursuant to Section 9-102(a)(70) of the State of [*State of Organization*] UCC, a "registered organization" must be (i) organized solely under the laws of a single State (or the United States) and (ii) the State (or the United States) must maintain a public record showing the organization to have been organized.

Opinions with respect to New York Law

(a) To the extent governed by New York law and to the extent a party thereto, the Loan Documents are the legal, valid and binding obligations of each Loan Party, enforceable against such Loan Party in accordance with their terms.

(b) The execution, delivery and performance by each Loan Party of the Loan Documents to which it is a party does not:

(i) contravene any law, statute or regulation of the United States of America or the State of New York or any agency or political subdivision of either thereof;

(ii) violate any order, writ, injunction, or decree of which, after due inquiry, counsel has actual knowledge, issued by any court or governmental authority of the United States of America or the State of New York or any agency or political subdivision of either thereof to which such Loan Party is subject; or

(iii) conflict with or result in any breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any lien other than the lien of the Loan Documents upon any of the assets or properties of such Loan Party pursuant to the terms of any material indenture, mortgage, deed of trust, agreement, contract or instrument to which such Loan Party is a party or by which it or any of its assets or properties is bound.

(c) No order, consent, approval, license or authorization of, or filing, recording or registration with, any governmental or public body or authority of the United States of America or the State of New York or any agency or political subdivision of either thereof is required in connection with the execution and delivery of any of the Loan Documents, the validity, binding effect or enforceability of any of the Loan Documents or the consummation of the transactions contemplated thereby.

(d) There are no actions, suits or proceedings by or before any court, governmental or regulatory authority or agency of which, after due inquiry, we have actual

knowledge pending or threatened against or affecting any Loan Party or Borrower's rights with respect to the Property wherein an adverse ruling or decision, individually or collectively with other such actions, suits or proceedings, is reasonably likely (i) to affect materially and adversely the ability of any Loan Party to consummate the transactions contemplated by the Loan Documents or to perform its obligations under any of the Loan Documents, or (ii) to result in a challenge to the legality, validity, binding effect or enforceability of any of the Loan Documents.

(e) The payment by Borrower and receipt by Lender of all principal and interest will not violate the usury laws of the State of New York or otherwise constitute unlawful interest.

(f) The provisions of the Loan Agreement and the Security Instrument are effective to create, in favor of Lender to secure the obligations purported to be secured thereby, a valid security interest in Borrower's rights in the UCC Collateral.

(g) Under New York UCC, the provisions of the Account Agreement are effective to perfect the security interest of Lender in Borrower's rights in the Collateral Accounts (as defined in the Account Agreement).

Opinions with respect to the law of States in which the Property is located

(a) Each Loan Party is authorized to do business and in good standing in the State of [*Relevant State*].

(b) To the extent governed by the laws of the State of [*Relevant States*] , the Security Instrument and the Assignment of Leases are the legal, valid and binding obligations of Borrower, enforceable against Borrower in accordance with their terms.

(c) The Security Instrument is in proper form so as to comply with recording requirements of the State of [*Relevant State*] . The Security Instrument creates in favor of Lender valid liens on the portion of the Property that are located in the State of [*Relevant States*] , securing payment of the Obligations (as defined in the Security Instrument), and no further action will be required for the valid creation of such liens. Upon recordation in the office of the [*Recording Office*] the Security Instrument will provide constructive notice of the terms thereof and the liens created thereby to third parties acquiring interests in the portion of the Property that are located in the State of [*Relevant States*] subsequent to such recordation.

(d) The Assignment of Leases is in proper form so as to comply with the recording requirements of the State of [*Relevant States*] . At the time the Assignment of Leases is delivered to the Recording Office for recording, it will take effect as to all creditors and subsequent purchasers for a valuable consideration without notice, and it shall be entitled to priority over any other similar instrument delivered to said Recording Office for recording after that time, in the absence of actual notice.

(e) Pursuant to the provisions of the Security Instrument Borrower has authorized the filing of the Fixture Financing Statement identifying the Fixture Collateral for purposes of Section 9-509 of the [*Relevant States*] UCC. " Fixture Collateral" means that portion of the UCC Collateral which consists of "fixtures" (as defined in Article 9 of the UCC) to the extent the UCC governs a security interest in such collateral.

(f) The Fixture Financing Statement includes not only all the types of information required by Section 9-502(a) and 9-502(b) of the [*Relevant States*] UCC but also the types of information without which the Fixture Filing Office may refuse to accept the Fixture Financing Statement pursuant to Section 9-516 of the State of [*Relevant States*] UCC.

(g) Under the [*Relevant States*] UCC, the security interest of the Secured Party will be perfected in Borrower's rights in any Fixture Collateral located on the real property described on Schedule 1 to the Fixture Financing Statement upon the later of the attachment of the security interest and the filing of the Fixture Financing Statement in the Fixture Filing Office.

(h) Borrower has paid all recording tax due in connection with the recording of the Security Instrument and the Assignment of Leases. No additional deed of trust recording, intangibles tax, documentary stamp tax or similar taxes or charges, other than nominal recordation or filing fees, are required to be paid as a condition of the legality of enforceability of the Security Instrument or the Assignment of Leases.

(i) The State of [*Relevant States*] has no law pursuant to which a lien against any assets or properties of Borrower (whether real, personal, mixed, tangible or intangible) superior to the lien created by the Security Instrument could arise as a result of a violation of environmental laws or regulations of such State. No environmental law or regulation of the State of [*Relevant States*] would require any remedial or removal action or certification of nonapplicability as a condition to the granting of the Security Instrument, the foreclosure or other enforcement of the Loan Documents or the sale of any assets or properties of Borrower (whether real, personal, mixed, tangible or intangible) located in the State of [*Relevant States*].

(j) No order, consent, approval, license or authorization of, or filing, recording or registration with, any governmental or public body or authority of the United States of America or the State of [*Relevant States*] or any agency or political subdivision of either thereof is required in connection with the execution and delivery of any of the Loan Documents, the validity, binding effect or enforceability of any of the Loan Documents or the consummation of the transactions contemplated thereby.

(k) There are no actions, suits or proceedings by or before any court, governmental or regulatory authority or agency of which, after due inquiry, we have actual knowledge pending or threatened against or affecting any Loan Party or Borrower's rights with respect to the Property wherein an adverse ruling or decision, individually or collectively with other such actions, suits or proceedings, is reasonably likely (i) to affect materially and adversely the ability of any Loan Party to consummate the transactions contemplated by the Loan Documents or to perform its obligations under any of the Loan Documents, or (ii) to result in a challenge to the legality, validity, binding effect or enforceability of any of the Loan Documents.

(l) If the Obligations (as defined in the Security Instrument) were to be governed by the laws of the State of [*Relevant States*] , the payment by Borrower and receipt by Lender of all principal and interest will not violate the usury laws of the State of [*Relevant States*] or otherwise constitute unlawful interest.

(m) A federal court sitting in the State of [*Relevant States*] and applying the conflict of law rules of the State of [*Relevant States*], and the state courts in the State of [*Relevant States*], would give effect to the choice of law provisions contained in the Loan Documents. If counsel is not able to give this opinion as an unqualified opinion, an opinion that the Loan Agreement and Note would be enforceable under the law of the State of [*Relevant States*] if such law were held to apply will be required.

(n) The operation of any term of the Loan Documents, including, without limitation, the terms regarding late charges, default interest or prepayment premiums, or the lawful exercise of any right thereunder, shall not render the Loan Documents unenforceable, in whole or in part, or subject to any right of rescission, set-off, counterclaim or defense.

5. The Opinion shall be addressed to Lender and its successors and assigns and shall state that it may be relied upon by (i) any assignee of Lender's interest in the Loan, (ii) any servicer of the Loan, (iii) any purchaser of the Loan or any portion thereof in any Securitization, (iv) any Rating Agency involved in a Securitization of the Loan, (v) the issuer of securities in a Securitization of the Loan, and (vi) any trustee or servicer appointed in connection with a Securitization of the Loan.

EXHIBIT E

NON-CONSOLIDATION OPINION REQUIREMENTS

1. The Nonconsolidation Opinion shall be delivered on the Closing Date and shall satisfy all applicable requirements of the Rating Agencies in relation thereto.

2. The Nonconsolidation Opinion shall be given by a professional law firm selected by Borrower and reasonably acceptable to Lender.

3. The Nonconsolidation Opinion shall be in form and substance acceptable to Lender and shall be given in relation to both Borrower and any other SPE Entity relevant to the Loan. The Nonconsolidation Opinion shall identify each entity (a "Relevant Entity") which owns more than a 49% direct or indirect interest in either Borrower and/or such SPE Entity. Depending on the circumstances and nature of the transaction structure, a non-affiliated entity, such as a third party property manager, shall be included as a Relevant Entity if required by the Rating Agencies.

4. The Nonconsolidation Opinion shall state that, in the event that any Relevant Entity were to be a debtor in a case under the Bankruptcy Code, it is counsel's opinion that, under present reported decisional authority and statutes applicable to federal bankruptcy cases, in a properly presented and argued case, a court would not, in the proper exercise of its equitable discretion, disregard the separate existence of Borrower or any SPE Entity so as to order substantive consolidation under the Bankruptcy Code of the assets and liabilities of such Relevant Entity with the assets and liabilities of either Borrower or any SPE Entity and treat such assets and liabilities as though either Borrower and such Relevant Entity or any SPE Entity and such Relevant Entity were one entity.

5. The Nonconsolidation Opinion shall be addressed to Lender and its successors and assigns and shall state that it may be relied upon by (i) any assignee of Lender's interest in the Loan, (ii) any participant of Lender's interest in the Loan, (iii) any servicer of the Loan, (iv) any purchaser of the Loan or any portion thereof in any Securitization, (v) any Rating Agency involved in a Securitization of the Loan, (vi) the issuer of securities in a Securitization of the Loan, and (vii) any trustee or servicer appointed in connection with a Securitization of the Loan.

DELAWARE BANKRUPTCY OPINIONS

As a general rule, the following opinions are required with respect to any single-member Delaware limited liability companies (having independent members/managers) in the organizational structure:

1. An opinion of Delaware counsel that federal bankruptcy court would hold that Delaware law, and not federal law, governs the determination of what persons or entities have authority to file a voluntary bankruptcy petition on behalf of the limited liability company.

2. Opinions of Delaware counsel as follows:

a. The limited liability company agreement constitutes a legal, valid and binding agreement of its member, and is enforceable against such member, in accordance with its terms.

b. In order for a voluntary bankruptcy petition to be filed on behalf of the Company, the unanimous consent of all of the independent managers/members is required and the provision requiring such unanimous consent in the limited liability company agreement constitutes a legal, valid and binding agreement of the member, enforceable against the member, in accordance with its terms.

c. The bankruptcy or dissolution of the limited liability company's sole member will not, by itself, cause the limited liability company to be dissolved or its affairs to be wound up.

d. A judgment creditor of the member may not satisfy its claims against the member by asserting a claim against the assets of the limited liability company.

e. The limited liability company is a separate legal entity, and shall continue as such until the cancellation of the limited liability company certificate.

(c) All consents, authorizations and approvals required for the execution and delivery by Interest Rate Cap Guarantor of the Interest Rate Cap Guaranty, and any other agreement which Interest Rate Cap Guarantor has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been obtained and remain in full force and effect, all conditions thereof have been duly complied with, and no other action by, and no notice to or filing with any governmental authority or regulatory body is required for such execution, delivery or performance.

SUBORDINATION,
NON-DISTURBANCE AND ATTORNMENT AGREEMENT

THIS AGREEMENT made as of this___ day of_____, 200___ , between CITIGROUP GLOBAL MARKETS REALTY CORP., a New York corporation, having an address at 388 Greenwich Street, New York, New York 10013 (hereinafter called "Lender"), and_____, a_____, having an address at_____(hereinafter called "Tenant").

W I T N N E S S E T H :

WHEREAS, by a lease (the " Original Lease") dated_____, 200___ between_____(hereinafter called "Landlord"), as landlord, and Tenant, as tenant, as amended by lease amendment[s] dated_____, 200___ , [_____,200___ and_____, 200___ (the Original Lease, as so amended, is hereinafter the "Lease"), a memorandum of which Lease was dated_____and was recorded in_____in Reel_____ , Page___ , [add recording data for memoranda of amendments, if applicable], Landlord leased to Tenant certain premises located in _____(the "Premises") on the property described in Schedule "A" annexed hereto and made a part hereof (the "Property"); and

WHEREAS, Lender is about to make a loan to Landlord, which loan shall be secured by, among other things, a mortgage or deed of trust (which mortgage or deed of trust, and all amendments, renewals, increases, modifications, replacements, substitutions, extensions, spreaders and consolidations thereof and all re-advances thereunder and addictions thereto, is referred to as the "Security Instrument") encumbering the Property; and

WHEREAS, Lender and Tenant desire to confirm their understanding and agreement with respect to the Lease and the Security Instrument.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, Lender and Tenant hereby agree and covenant as follows:

1. The Lease, and all of the terms, covenants, provisions and conditions thereof (including, without limitation, any right of first refusal, right of first offer, option or any similar right with respect to the sale or purchase of the Property, or any portion thereof) is, shall be and shall at all times remain and continue to be subject and subordinate in all respects to the lien, terms, covenants, provisions and conditions of the Security Instrument and to all advances and re-advances made thereunder and all sums secured thereby. This provision shall be self-operative but Tenant shall execute and deliver any additional instruments which Lender may reasonably require to effect such subordination.

2. So long as (i) Tenant is not in default (beyond any period given in the Lease to Tenant to cure such default) in the payment of rent, percentage rent or additional rent or in the performance or observance of any of the other terms, covenants, provisions or conditions

of the Lease on Tenant's part to be performed or observed, (ii) Tenant is not in default under this Agreement and (iii) the Lease is in full force and effect: (a) Tenant's possession of the Premises and Tenant's rights and privileges under the Lease, or any extensions or renewals thereof which may be effected in accordance with any option therefor which is contained in the Lease, shall not be diminished or interfered with by Lender, and Tenant's occupancy of the Premises shall not be disturbed by Lender for any reason whatsoever during the term of the Lease or any such extensions or renewals thereof and (b) Lender will not join Tenant as a party defendant in any action or proceeding to foreclose the Security Instrument or to enforce any rights or remedies of Lender under the Security Instrument which would cut-off, destroy, terminate or extinguish the Lease or Tenant's interest and estate under the Lease (except to the extent required so that Tenant's right to receive or set-off any monies or obligations owed or to be performed by any of Lender's predecessors-in-interest shall not be enforceable thereafter against Lender or any of Lender's successors-in-interest). Notwithstanding the foregoing provisions of this paragraph, if it would be procedurally disadvantageous for Lender not to name or join Tenant as a party in a foreclosure proceeding with respect to the Security Instrument, Lender may so name or join Tenant without in any way diminishing or otherwise affecting the rights and privileges granted to, or inuring to the benefit of, Tenant under this Agreement.

3. (A) After notice is given by Lender that the Security Instrument is in default and that the rentals under the Lease should be paid to Lender, Tenant will attorn to Lender and pay to Lender, or pay in accordance with the directions of Lender, all rentals and other monies due and to become due to Landlord under the Lease or otherwise in respect of the Premises. Such payments shall be made regardless of any right of set-off, counterclaim or other defense which Tenant may have against Landlord, whether as the tenant under the Lease or otherwise.

(B) In addition, if Lender (or its nominee or designee) shall succeed to the rights of Landlord under the Lease through possession or foreclosure action, delivery of a deed or otherwise, or another person purchases the Property or the portion thereof containing the Premises upon or following foreclosure of the Security Instrument or in connection with any bankruptcy case commenced by or against Landlord, then at the request of Lender (or its nominee or designee) or such purchaser (Lender, its nominees and designees, and such purchaser, and their respective successors and assigns, each being a " Successor-Landlord"), Tenant shall attorn to and recognize Successor-Landlord as Tenant's landlord under the Lease and shall promptly execute and deliver any instrument that Successor-Landlord may reasonably request to evidence such attornment. Upon such attornment, the Lease shall continue in full force and effect as, or as if it were, a direct lease between Successor-Landlord and Tenant upon all terms, conditions and covenants as are set forth in the Lease. If the Lease shall have terminated by operation of law or otherwise as a result of or in connection with a bankruptcy case commenced by or against Landlord or a foreclosure action or proceeding or delivery of a deed in lieu, upon request of Successor-Landlord, Tenant shall promptly execute and deliver a direct lease with Successor-Landlord which direct lease shall be on substantially the same terms and conditions as the Lease (subject, however, to the provisions of clauses (i)-(v) of this paragraph 3(B)) and shall be effective as of the day the Lease shall have terminated as aforesaid. Notwithstanding the continuation of the Lease, the attornment of Tenant thereunder or the execution of a direct lease between Successor-Landlord and Tenant as aforesaid, Successor-Landlord shall not:

(i) be liable for any previous act or omission of Landlord under the Lease;

(ii) be subject to any off-set, defense or counterclaim which shall have theretofore accrued to Tenant against Landlord;

(iii) be bound by any modification of the Lease or by any previous prepayment of rent or additional rent made more than one (1) month prior to the date same was due which Tenant might have paid to Landlord, unless such modification or prepayment shall have been expressly approved in writing by Lender;

(iv) be liable for any security deposited under the Lease unless such security has been physically delivered to Lender or Successor-Landlord; and

(v) be liable or obligated to comply with or fulfill any of the obligations of the Landlord under the Lease or any agreement relating thereto with respect to the construction of, or payment for, improvements on or above the Premises (or any portion thereof), leasehold improvements, tenant work letters and/or similar items.

4. Tenant agrees that without the prior written consent of Lender, it shall not (a) amend, modify, terminate or cancel the Lease or any extensions or renewals thereof, (b) tender a surrender of the Lease, (c) make a prepayment of any rent or additional rent more than one (l) month in advance of the due date thereof, or (d) subordinate or permit the subordination of the Lease to any lien subordinate to the Security Instrument. Any such purported action without such consent shall be void as against the holder of the Security Instrument.

5. (A) Tenant shall promptly notify Lender of any default by Landlord under the Lease and of any act or omission of Landlord which would give Tenant the right to cancel or terminate the Lease or to claim a partial or total eviction.

(B) In the event of a default by Landlord under the Lease which would give Tenant the right, immediately or after the lapse of a period of time, to cancel or terminate the Lease or to claim a partial or total eviction, or in the event of any other act or omission of Landlord which would give Tenant the right to cancel or terminate the Lease, Tenant shall not exercise such right (i) until Tenant has given written notice of such default, act or omission to Lender and (ii) unless Lender has failed, within sixty (60) days after Lender receives such notice, to cure or remedy the default, act or omission or, if such default, act or omission shall be one which is not reasonably capable of being remedied by Lender within such sixty (60) day period, until a reasonable period for remedying such default, act or omission shall have elapsed following the giving of such notice and following the time when Lender shall have become entitled under the Security Instrument to remedy the same (which reasonable period shall in no event be less than the period to which Landlord would be entitled under the Lease or otherwise, after similar notice, to effect such remedy), provided that Lender shall with due diligence give Tenant written notice of its intention to and shall commence and continue to, remedy such default, act or omission. If Lender cannot reasonably remedy a default, act or omission of Landlord until after Lender obtains possession of the Premises, Tenant may not terminate or cancel the Lease or claim a partial or total eviction by reason of such default, act or omission

until the expiration of a reasonable period necessary for the remedy after Lender secures possession of the Premises. To the extent Lender incurs any expenses or other costs in curing or remedying such default, act or omission, including, without limitation, attorneys' fees and disbursements, Lender shall be subrogated to Tenant's rights against Landlord.

(C) Notwithstanding the foregoing, Lender shall have no obligation hereunder to remedy such default, act or omission.

6. To the extent that the Lease shall entitle Tenant to notice of the existence of any mortgage and the identity of any mortgagee or any ground lessor, this Agreement shall constitute such notice to Tenant with respect to the Security Instrument and Lender.

7. Upon and after the occurrence of a default under the Security Instrument, which is not cured after any applicable notice and/or cure periods, Lender shall be entitled, but not obligated, to exercise the claims, rights, powers, privileges and remedies of Landlord under the Lease and shall be further entitled to the benefits of, and to receive and enforce performance of, all of the covenants to be performed by Tenant under the Lease as though Lender were named therein as Landlord.

8. Anything herein or in the Lease to the contrary notwithstanding, in the event that a Successor-Landlord shall acquire title to the Property or the portion thereof containing the Premises, Successor-Landlord shall have no obligation, nor incur any liability, beyond Successor-Landlord's then interest, if any, in the Property, and Tenant shall look exclusively to such interest, if any, of Successor-Landlord in the Property for the payment and discharge of any obligations imposed upon Successor-Landlord hereunder or under the Lease, and Successor-Landlord is hereby released or relieved of any other liability hereunder and under the Lease. Tenant agrees that, with respect to any money judgement which may be obtained or secured by Tenant against Successor-Landlord, Tenant shall look solely to the estate or interest owned by Successor-Landlord in the Property, and Tenant will not collect or attempt to collect any such judgement out of any other assets of Successor-Landlord.

9. Notwithstanding anything to the contrary in the Lease, Tenant agrees for the benefit of Landlord and Lender that, except as permitted by, and fully in accordance with, applicable law, Tenant shall not generate, store, handle, discharge or maintain in, on or about any portion of the Property, any asbestos, polychlorinated biphenyls, or any other hazardous or toxic materials, wastes and substances which are defined, determined or identified as such (including, but not limited to, pesticides and petroleum products if they are defined, determined or identified as such) in any federal, state or local laws, rules or regulations (whether now existing or hereafter enacted or promulgated) or any judicial or administrative interpretation of any thereof, including any judicial or administrative interpretation of any thereof, including any judicial or administrative orders or judgments.

10. If the Lease provides that Tenant is entitled to expansion space, Successor-Landlord shall have no obligation nor any liability for failure to provide such expansion space if a prior landlord (including, without limitation, Landlord), by reason of a lease or leases entered into by such prior landlord with other tenants of the Property, has precluded the availability of such expansion space.

11. Except as specifically provided in this Agreement, Lender shall not, by virtue of this Agreement, the Security Instrument or any other instrument to which Lender may be a party, be or become subject to any liability or obligation to Tenant under the Lease or otherwise.

12. (A) Tenant acknowledges and agrees that this Agreement satisfies and complies in all respects with the provisions of Article___ of the Lease and that this Agreement supersedes (but only to the extent inconsistent with) the provisions of such Article and any other provision of the Lease relating to the priority or subordination of the Lease and the interests or estates created thereby to the Security Instrument.

(B) Tenant agrees to enter into a subordination, non-disturbance and attornment agreement with any lender which shall succeed Lender as lender with respect to the Property, or any portion thereof, provided such agreement is substantially similar to this Agreement. Tenant does herewith irrevocably appoint and constitute Lender as its true and lawful attorney-in-fact in its name, place and stead to execute such subordination, non-disturbance and attornment agreement, without any obligation on the part of Lender to do so. This power, being coupled with an interest, shall be irrevocable as long as the Indebtedness secured by the Security Instrument remains unpaid. Lender agrees not to exercise its rights under the preceding two sentences if Tenant promptly enters into the subordination, non-disturbance and attornment agreement as required pursuant to the first sentence of this subparagraph (B).

13. (A) Any notice required or permitted to be given by Tenant to Landlord shall be simultaneously given also to Lender, and any right to Tenant dependent upon notice shall take effect only after notice is so given. Performance by Lender shall satisfy any conditions of the Lease requiring performance by Landlord, and Lender shall have a reasonable time to complete such performance as provided in Paragraph 5 hereof.

(B) All notices or other communications required or permitted to be given to Tenant or to Lender pursuant to the provisions of this Agreement shall be in writing and shall be deemed given only if mailed by United States registered mail, postage prepaid, or if sent by nationally recognized overnight delivery service (such as Federal Express or United States Postal Service Express Mail), addressed as follows: to Tenant, at the address first set forth above, Attention:_____; to Lender, at the address first set forth above, Attention:_____and General Counsel, with a copy to Cadwalader, Wickersham & Taft LLP, One World Financial Center, New York, New York 10281, Attention: Frederic L. Altschuler, Esq.; or to such other address or number as such party may hereafter designate by notice delivered in accordance herewith. All such notices shall be deemed given three (3) business days after delivery to the United States Post office registry clerk if given by registered mail, or on the next business day after delivery to an overnight delivery courier.

14. This Agreement may be modified only by an agreement in writing signed by the parties hereto, or their respective successors-in-interest. This Agreement shall inure to the benefit of and be binding upon the parties hereto, and their respective successors and assigns. The term "Lender" shall mean the then holder of the Security Instrument. The term "Landlord" shall mean the then holder of the landlord's interest in the Lease. The term " person" shall mean

All references herein to the Lease shall mean the Lease as modified by this Agreement and to any amendments or modifications to the Lease which are consented to in writing by Lender. Any inconsistency between the Lease and the provisions of this Agreement shall be resolved, to the extent of such inconsistency, in favor of this Agreement.

15. Tenant hereby represents to Lender as follows:

(a) The Lease is in full force and effect and has not been further amended.

(d) The execution of the Lease was duly authorized and the Lease is in full force and effect and to the best of Tenant's knowledge there exists no default (beyond any applicable grace period) on the part of either Tenant or Landlord under the Lease.

(f) To the best of Tenant's knowledge, there is no present assignment, hypothecation or pledge of the Lease or rents accruing under the Lease by Landlord, other than pursuant to the Security Instrument.

16. Whenever, from time to time, reasonably requested by Lender (but not more than three (3) times during any calendar year), Tenant shall execute and deliver to or at the direction of Lender, and without charge to Lender, one or more written certifications, in a form acceptable to Tenant, of all of the matters set forth in Paragraph 15 above, and any other information the Lender may reasonably require to confirm the current status of the Lease.

17. BOTH TENANT AND LENDER HEREBY IRREVOCABLY WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT.

II. GENERAL TERMS

Section 2.1 Loan; Disbursement to Borrower .

2.1.1 The Loan . Subject to and upon the terms and conditions set forth herein, Lender hereby agrees to make and Borrower hereby agrees to accept the Loan on the Closing Date.

2.1.2 Disbursement to Borrower . Borrower may request and receive only one borrowing hereunder in respect of the Loan and any amount borrowed and repaid hereunder in respect of the Loan may not be reborrowed. Borrower acknowledges and agrees that the full proceeds of the Loan have been disbursed by Lender to Borrower on the Closing Date.

2.1.3 The Note, Security Instrument and Loan Documents . The Loan shall be evidenced by the Note and secured by the Security Instrument, the Assignment of Leases, this Agreement and the other Loan Documents.

2.1.4 Use of Proceeds . Borrower shall use the proceeds of the Loan to repay and discharge any existing mortgage loans secured by the Property, to provide any necessary or appropriate reserves, to make cash distributions to its members for, among other things, repayment of any existing mezzanine loans secured by direct or indirect interests in Borrower, and as may be otherwise set forth on the Loan closing statement executed by Borrower at closing.

Section 2.2 Interest; Loan Payments; Late Payment Charge .

2.2.1 Payment of Principal and Interest .

(i) Except as set forth in Section 2.2.1(ii) , interest shall accrue on the Principal Amount as set forth in the Note.

(ii) Upon the occurrence and during the continuance of an Event of Default and from and after the Maturity Date if the entire Principal Amount is not repaid on the Maturity Date, interest on the outstanding principal balance of the Loan and, to the extent permitted by law, overdue interest and other amounts due in respect of the Loan shall accrue at the Default Rate calculated from the date such payment was due without regard to any grace or cure periods contained herein. Interest at the Default Rate shall be computed from the occurrence of the Event of Default until the actual receipt and collection of the Indebtedness (or that portion thereof that is then due). To the extent permitted by applicable law, interest at the Default Rate shall be added to the Indebtedness, shall itself accrue interest at the same rate as the Loan and shall be secured by the Security Instrument. This paragraph shall not be construed as an agreement or privilege to extend the date of the payment of the Indebtedness, nor as a waiver of any other right or remedy accruing to Lender by reason of the occurrence of any Event of Default, and Lender retains its rights under the Note to accelerate and to continue to demand payment of the Indebtedness upon the happening of any Event of Default.

2.2.2 Method and Place of Payment .

(a) On each Payment Date, Borrower shall pay or cause to be paid to Lender interest accruing pursuant to the Note for the entire Interest Period during which said Payment Date shall occur.

(b) All amounts advanced by Lender pursuant to the applicable provisions of the Loan Documents, other than the Principal Amount, together with any interest at the Default Rate or other charges as provided therein, shall be due and payable hereunder as provided in the Loan Documents. In the event any such advance or charge is not so repaid by Borrower, Lender may, at its option and upon notice to Borrower, first apply any payments received under the Note to repay such advances, together with any interest thereon, or other charges as provided in the Loan Documents, and the balance, if any, shall be applied in payment of any installment of interest or principal then due and payable.

(c) The Maturity Date Payment shall be due and payable in full on the Maturity Date.

2.2.3 Late Payment Charge . If any interest payment due under the Loan Documents is not paid by Borrower within five (5) days after to the date on which it is due (or, if such fifth (5th) day is not a Business Day, then the Business Day immediately preceding such day) on or prior to the date on which it is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of three percent (3%) of such unpaid sum or the Maximum Legal Rate (the "**Late Payment Charge**") in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment. Any such amount shall be secured by this Agreement, the Security Instrument and the other Loan Documents to the extent permitted by applicable law. Borrower acknowledges and agrees that the five day grace period with respect to the applicability of the Late Payment Charge (i) shall only apply to Borrower's first failure to make a monthly interest payment in any calendar year and (ii) shall not constitute a payment grace period and shall in no way limit Lender's rights under Article XVII .

2.2.4 Usury Savings . This Agreement and the Note are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the Principal Amount of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the Principal Amount due under the Note at a rate in excess of the Maximum Legal Rate, then the LIBOR Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due under the Note. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

Section 2.3 Prepayments .

2.3.1 Prepayments . No prepayments of the Indebtedness shall be permitted except as set forth in Section 4 of the Note. Borrower agrees and acknowledges after the closing of the Loan that prior to a material Event of Default (as determined by Lender in its sole and absolute discretion) (x) in the case of prepayments of the Loan in connection with a Casualty or Condemnation, principal will be applied (to the extent not used for restoration pursuant to the terms hereof) to the Note, any substitute or component notes (as applicable) sequentially starting with the most senior securitized tranche and (y) in the case of all prepayments of the Loan other than in accordance with the preceding clause (x), such prepayments will be applied to the Note, any substitute or component notes (as applicable) pro-rata (on the basis of their respective principal balances) among the securitized and any non-securitized portions of the Loan (and pro-rata within the securitized portions of the Loan). Notwithstanding the foregoing, upon the occurrence and during the continuance of a material Event of Default (as determined by Lender in its sole and absolute discretion), Borrower agrees and acknowledges that any principal prepayments of the Loan will be applied to the Note, any substitute or component notes (as applicable) sequentially, starting with the most senior securitized tranche (it being acknowledged that during the continuance of a material Event of Default all securitized portions of the Loan shall be paid in full prior to the payment of any non-securitized portions of the Loan).

2.3.2 Prepayments after Event of Default . If, following an Event of Default, Lender shall accelerate the Indebtedness and Borrower thereafter tenders payment of all or any part of the Indebtedness, or if all or any portion of the Indebtedness is recovered by Lender after such Event of Default, (a) such payment may be made only on the next occurring Payment Date together with all unpaid interest thereon as calculated through the end of the Interest Period during which such Payment Date occurs (even if such period extends beyond such Payment Date and calculated as if such payment had not been made on such Payment Date), and all other fees and sums payable hereunder or under the Loan Documents, including without limitation, interest that has accrued at the Default Rate and any Late Payment Charges), (b) such payment shall be deemed a voluntary prepayment by Borrower, and (c) Borrower shall pay, in addition to the Indebtedness, an amount equal to the Prepayment Fee, if applicable.

2.3.3 Release of Property . Lender shall, at the reasonable expense of Borrower, upon payment in full of the Principal Amount and interest on the Loan and all other amounts due and payable under the Loan Documents in accordance with the terms and provisions of the Note and this Agreement, release the Lien of (i) this Agreement upon the Account Collateral and the Rate Cap Collateral and (ii) the Security Instrument on the Property or assign it, in whole or in part, to a new lender. In such event, Borrower shall submit to Lender, on a date prior to the date of such release or assignment sufficient to provide a reasonable period for review thereof, a release of lien or assignment of lien, as applicable, for such property for execution by Lender. Such release or assignment, as applicable, shall be in a form appropriate in each jurisdiction in which the Property is located and satisfactory to Lender in its reasonable discretion. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such release or assignment, as applicable.

Section 2.4 Regulatory Change; Taxes .

2.4.1 Increased Costs . If, at any time prior to the first Securitization of the Loan, as a result of any Regulatory Change or compliance of Lender therewith, the basis of taxation of payments to Lender of the principal of or interest on the Loan is changed or Lender or the company Controlling Lender shall be subject to (i) any tax, duty, charge or withholding of any kind with respect to this Agreement (excluding federal taxation of the overall net income of Lender); or (ii) any reserve, special deposit or similar requirements relating to any extensions of credit or other assets of, or any deposits with or other liabilities, of Lender or any company Controlling Lender is imposed, modified or deemed applicable; or (iii) any other condition affecting loans to borrowers subject to LIBOR-based interest rates is imposed on Lender or any company Controlling Lender and Lender determines that, by reason thereof, the cost to Lender or any company Controlling Lender of making, maintaining or extending the Loan to Borrower is increased, or any amount receivable by Lender or any company Controlling Lender hereunder in respect of any portion of the Loan to Borrower is reduced, in each case by an amount deemed by Lender in good faith to be material (such increases in cost and reductions in amounts receivable being herein called "**Increased Costs**"), then Lender shall provide notice thereof to Borrower and Borrower agrees that it will pay to Lender upon Lender's written request such additional amount or amounts as will compensate Lender or any company Controlling Lender for such Increased Costs to the extent Lender determines that such Increased Costs are allocable to the Loan and provided that Lender is generally exercising rights similar to those set forth in this Section 2.4.1 against other borrowers similarly situated to Borrower. Lender will notify Borrower of any event occurring after the date hereof which will entitle Lender to compensation pursuant to this Section 2.4.1 as promptly as practicable after it obtains knowledge thereof and determines to request such compensation; provided , however , that, if Lender fails to deliver a notice within 90 days after the date on which an officer of Lender responsible for overseeing this Agreement knows or has reason to know of its right to additional compensation under this Section 2.4.1 , Lender shall only be entitled to additional compensation for any such Increased Costs incurred from and after the date that is 90 days prior to the date Borrower received such notice. If Lender requests compensation under this Section 2.4.1 , Borrower may, by notice to Lender, require that Lender furnish to Borrower a statement setting forth the basis for requesting such compensation and the method for determining the amount thereof, and a description as to why Section 2.4.5 is not applicable.

2.4.2 Special Taxes . At all times prior to the first Securitization of the Loan, Borrower shall make all payments hereunder free and clear of and without deduction for Special Taxes. If, at any time prior to the first Securitization of the Loan, Borrower shall be required by law to deduct any Special Taxes from or in respect of any sum payable hereunder or under any other Loan Document to Lender, (i) the sum payable shall be increased as may be necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.4.2) Lender receives an amount equal to the sum it would have received had no such deductions been made, (ii) Borrower shall make such deductions, and (iii) Borrower shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

2.4.3 Other Taxes . In addition, for all periods prior to the first Securitization of the Loan, Borrower agrees to pay any present or future stamp or documentary

taxes or other excise or property taxes, charges, or similar levies which arise from any payment made hereunder, or from the execution, delivery or registration of, or otherwise with respect to, this Agreement, the other Loan Documents, or the Loan (hereinafter referred to as "**Other Taxes**").

2.4.4 Indemnity . Borrower shall indemnify Lender for all periods prior to the first Securitization of the Loan, for the full amount of Special Taxes and Other Taxes (including any Special Taxes or Other Taxes imposed by any Governmental Authority on amounts payable under this Section 2.4.4) paid by Lender and any liability (including penalties, interest, and expenses) arising therefrom or with respect thereto, whether or not such Special Taxes or Other Taxes were correctly or legally asserted. This indemnification shall be made within thirty (30) days after the date Lender makes written demand therefor.

2.4.5 Change of Office . To the extent that changing the jurisdiction of Lender's applicable office would have the effect of minimizing Special Taxes, Other Taxes or Increased Costs, Lender shall use reasonable efforts to make such a change, provided that same would not otherwise be disadvantageous to Lender.

The Fitness Center Lease will terminate on October 1, 2006. All representations, warranties, covenants

and agreements made in this Agreement or in the other Loan Documents by Borrower shall be deemed to have been relied upon by Lender notwithstanding any investigation heretofore or hereafter made by Lender or on its behalf.

5.1.11 Further Assurances; Separate Notes . (a) Borrower shall execute and acknowledge (or cause to be executed and acknowledged) and deliver to Lender all documents, and take all actions, reasonably required by Lender from time to time to confirm the rights created or now or hereafter intended to be created under this Agreement and the other Loan Documents and any security interest created or purported to be created thereunder, to protect and further the validity, priority and enforceability of this Agreement and the other Loan Documents, to subject to the Loan Documents any property of Borrower intended by the terms of any one or more of the Loan Documents to be encumbered by the Loan Documents, or otherwise carry out the purposes of the Loan Documents and the transactions contemplated thereunder. At any time after the Closing Date, Borrower agrees that it shall, upon request, reasonably cooperate with Lender in connection with any request by Lender to reallocate the LIBOR Margin among the Notes or to sever the Note into two (2) or more separate substitute or component notes in an aggregate principal amount equal to the Principal Amount and to reapportion the Loan among such separate substitute notes, including, without limitation, by executing and delivering to Lender new substitute or component notes to replace the Note, amendments to or replacements of existing Loan Documents to reflect such severance and/or Opinions of Counsel with respect to such substitute or component notes, amendments and/or replacements, provided that Borrower shall bear no costs or expenses in connection therewith (other than administrative costs and expenses of Borrower and legal fees of counsel to the Borrower and Sponsor), and the holders of such substitute or component notes shall designate a lead lender or agent for such holders to whom Borrower may direct all communications with respect to the Loan. Upon the occurrence and during the continuance of an Event of Default, Lender may apply payment of all sums due under such substitute notes in such order and priority as Lender shall elect in its sole and absolute discretion.

(b) No Securitization shall occur prior to April 9, 2007. Borrower further agrees that if, in connection with the Securitization, it is determined by the Rating Agencies that a portion of the Securitization would not receive an “investment grade” rating unless the principal amount of the Loan were to be decreased and, as a result, the principal amount of the

Loan is decreased, then the Borrower shall take all actions as are necessary to effect the "resizing", including the reallocation of the LIBOR Margin of the Loan, and Borrower shall execute and deliver any and all necessary amendments or modifications to the Loan Documents. In connection with the foregoing, Borrower agrees, at Lender's sole cost and expense other than with respect to (1) Borrower's, Operating Lessee's, the Sponsor's, each Ultimate Equity Owners' and their Affiliate's counsel fees and (2) if the principal amount of the Loan is increased, an endorsement to the Title Policy reflecting an increase in the insured amount thereunder which shall be at Borrower's sole cost and expense, to execute and deliver such documents and other agreements reasonably required by Lender to "re-size" the Loan, including, without limitation, an amendment to this Agreement, the Note, the Security Instrument and the other Loan Documents. Further, unless otherwise approved by Lender in its reasonable discretion (prior to a Securitization) and the Rating Agencies in writing, the issuer(s) of the Policies required under this Section 6.1 shall have a claims paying ability rating of "A" or better by Standard & Poor's and "Aa2" or better by Moody's, except that the issuer(s) of the Policies required under Section 6.1(b)(viii) hereof shall have a claims paying ability rating of "A" or better by Standard & Poor's and "A2" or better by Moody's; provided, however, if the insurance provided hereunder is procured by a syndication of more then five (5) insurers then the foregoing requirements shall not be violated if at least (i) sixty percent (60%) of the coverage is with carriers having a claims paying ability rating of "A" or better by Standard & Poor's and "Aa2" or better by Moody's and (ii) each other carrier providing coverage has a claims paying ability rating of "BBB-" or better by Standard & Poor's and Fitch Ratings and "Baa3" or better by Moody's. The Policies (i) shall name Lender (or an agent on Lender's behalf) and its successors and/or assigns as their interest may appear as an additional insured or

as a loss payee (except that in the case of general liability insurance, Lender (or an agent on Lender's behalf) shall be named an additional insured and not a loss payee), and in addition, any Policies of the Condominium Association shall name the Lender as an insured or additional insured, as its interest may appear; (ii) shall contain a Non-Contributory Standard Lender Clause and, except with respect to general liability insurance, a Lender's Loss Payable Endorsement, or their equivalents, naming Lender as the Person to which all payments made by such insurance company shall be paid; (iii) shall include effective waivers by the insurer of all claims for insurance premiums against all loss payees, additional insureds and named insureds (other than Borrower) and all rights of subrogation against any loss payee, additional insured or named insured; (iv) shall be assigned to Lender; (v) except as otherwise provided above, shall be subject to a deductible, if any, not greater in any material respect than the deductible for such coverage on the date hereof; (vi) shall contain such provisions as Lender deems reasonably necessary or desirable to protect its interest, including endorsements providing that neither Borrower, Lender nor any other party shall be a Contributor-insurer (except deductibles) under said Policies and that no material modification, reduction, cancellation or termination in amount of, or material change (other than an increase) in, coverage of any of the Policies shall be effective until at least thirty (30) days after receipt by each named insured, additional insured and loss payee of written notice thereof or ten (10) days after receipt of such notice with respect to nonpayment of premium; (vii) shall permit Lender to pay the premiums and continue any insurance upon failure of Borrower to pay premiums when due, upon the insolvency of Borrower or through foreclosure or other transfer of title to the Property (it being understood that Borrower's rights to coverage under such policies may not be assignable without the consent of the insurer); and (viii) shall provide that any proceeds shall be payable to Lender and that the insurance shall not be impaired or invalidated by virtue of (A) any act, failure to act, negligence of, or violation of declarations, warranties or conditions contained in such policy by any Borrower, Lender or any other named insured, additional insured or loss payee, except for the willful misconduct of Lender knowingly in violation of the conditions of such policy, (B) the occupation, use, operation or maintenance of the Property for purposes more hazardous than permitted by the terms of the Policy, (C) any foreclosure or other proceeding or notice of sale relating to the Property, or (D) any change in the possession of the Property without a change in the identity of the holder of actual title to the Property (provided that with respect to items (C) and (D), any notice requirements of the applicable Policies are satisfied). Notwithstanding the foregoing, for purposes of this Section 6.1 hereof, Lender hereby approves the existing blanket insurance policies.

(d) **Insurance Premiums; Certificates of Insurance.**

(i) Borrower shall pay the premiums for such Policies (the "**Insurance Premiums**") as the same become due and payable and shall furnish to Lender the receipts for the payment of the Insurance Premiums or other evidence of such payment reasonably satisfactory to Lender (provided , however , that Borrower are not required to furnish such evidence of payment to Lender if such Insurance Premiums are to be paid by Lender pursuant to the terms of this Agreement). Within thirty (30) days after request by Lender, Borrower shall obtain such increases in the amounts of coverage required hereunder as may be reasonably requested in writing by Lender or as may be requested in writing by the Rating Agencies, (except with respect to the Terrorism Insurance), taking into consideration changes in liability laws, changes in prudent customs and practices, and the like. In the event Borrower satisfy the requirements under this Section 6.1 through the use of a Policy covering properties in

addition to the Property (a "**Blanket Policy**"), then (unless such policy is provided in substantially the same manner as it is as of the date hereof), Borrower shall provide evidence satisfactory to Lender that the Insurance Premiums for the Property is separately allocated under such Policy to the Property and that payment of such allocated amount (A) shall maintain the effectiveness of such Policy as to the Property and (B) shall otherwise provide the same protection as would a separate policy that complies with the terms of this Agreement as to the Property, notwithstanding the failure of payment of any other portion of the insurance premiums. If no such allocation is available, Lender shall have the right to increase the amount required to be deposited into the Insurance Reserve Account in an amount sufficient to purchase a non-blanket Policy covering the Property from insurance companies which qualify under this Agreement.

(ii) Borrower shall deliver to Lender on or prior to the Closing Date certificates setting forth in reasonable detail the material terms (including any applicable notice requirements) of all Policies from the respective insurance companies (or their authorized agents) that issued the Policies, including that such Policies may not be canceled or modified in any material respect without thirty (30) days' prior notice to Lender, or ten (10) days' notice with respect to nonpayment of premium. Borrower shall deliver to Lender, concurrently with each change in any Policy, a certificate with respect to such changed Policy certified by the insurance company issuing that Policy, in substantially the same form and containing substantially the same information as the certificates required to be delivered by Borrower pursuant to the first sentence of this clause (d)(ii) and stating that all premiums then due thereon have been paid to the applicable insurers and that the same are in full force and effect (or if such certificate and/or other information described in clause (d)(ii) shall not be obtainable by Borrower, Borrower may deliver an Officer's Certificate to such effect in lieu thereof).

(e) **Renewal and Replacement of Policies .**

(i) Not less than three (3) Business Days prior to the expiration, termination or cancellation of any Policy, Borrower shall renew such policy or obtain a replacement policy or policies (or a binding commitment for such replacement policy or policies), which shall be effective no later than the date of the expiration, termination or cancellation of the previous policy, and shall deliver to Lender a certificate in respect of such policy or policies (A) containing the same information as the certificates required to be delivered by Borrower pursuant to clause (d)(ii) above, or a copy of the binding commitment for such policy or policies and (B) confirming that such policy complies with all requirements hereof.

(ii) If Borrower does not furnish to Lender the certificates as required under clause (e)(i) above, Lender may procure, but shall not be obligated to procure, such replacement policy or policies and pay the Insurance Premiums therefor, and Borrower agrees to reimburse Lender for the cost of such Insurance Premiums promptly on demand.

(iii) Concurrently with the delivery of each replacement policy or a binding commitment for the same pursuant to this clause (e) , Borrower shall deliver to Lender a report or attestation from a duly licensed or authorized insurance broker or from the insurer, setting forth the particulars as to all insurance obtained by Borrower pursuant to this Section 6.1 and then in effect and stating that all Insurance Premiums then due thereon have been paid in full

to the applicable insurers, that such insurance policies are in full force and effect and that, in the opinion of such insurance broker or insurer, such insurance otherwise complies with the requirements of this Section 6.1 (or if such report shall not be available after Borrower shall have used reasonable efforts to provide the same, Borrower will deliver to Lender an Officer's Certificate containing the information to be provided in such report).

(f) **Separate Insurance .** Borrower will not take out separate insurance concurrent in form or contributing in the event of loss with that required to be maintained pursuant to this Section 6.1 unless such insurance complies with clause (c) above.

(g) **Securitization .** Following any Securitization, Borrower shall name any trustee, servicer or special servicer designated by Lender as a loss payee, and any trustee, servicer and special servicer as additional insureds, with respect to any Policy for which Lender is to be so named hereunder.

Section 6.2 Condemnation and Insurance Proceeds .

6.2.1 Right to Adjust . (a) If the Property is damaged or destroyed, in whole or in part in any material respect, by a Casualty, Borrower shall give prompt written notice thereof to Lender, generally describing the nature and extent of such Casualty. Following the occurrence of a Casualty, Borrower, regardless of whether proceeds are available, shall in a reasonably prompt manner proceed to restore, repair, replace or rebuild the Property to the extent practicable to be of at least equal value and of substantially the same character as prior to the Casualty, all in accordance with the terms hereof applicable to Alterations.

(b) Subject to clause (e) below, in the event of a Casualty which is not a Material Casualty, Borrower may settle and adjust such claim; provided that such adjustment is carried out in a competent and timely manner. In such case, Borrower is hereby authorized to collect and receipt for Lender any Proceeds.

(c) Subject to clause (e) below, in the event of a Casualty where the loss exceeds the Threshold Amount, Borrower may settle and adjust such claim only with the consent of Lender (which consent shall not be unreasonably withheld, delayed or conditioned) and Lender shall have the opportunity to participate, at Borrower's cost, in any such adjustments.

(d) Except as provided in clause (b) above, the proceeds of any Policy shall be due and payable solely to Lender and held and applied in accordance with the terms hereof (or, if mistakenly paid to the Borrower, shall be held in trust by the Borrower for the benefit of Lender and shall be paid over to Lender by the Borrower within two (2) Business Days of receipt).

(e) Notwithstanding the terms of clauses (a) and (b) above, Lender shall have the sole authority to adjust any claim with respect to a Casualty and to collect all Proceeds if an Event of Default shall have occurred and is continuing.

6.2.2 Right of the Borrower to Apply to Restoration . Notwithstanding anything contained herein to the contrary, (i) the provisions of the Condominium Documents with respect to insurance Proceeds or Condemnation Proceeds for the Restoration shall control in

the event of any conflict between the provisions of the Condominium Documents and the provisions of this Agreement or any of the other Loan Documents and (ii) Lender hereby agrees to apply the insurance Proceeds and Condemnation Proceeds to the Restoration to the extent required by, and in accordance with, the Condominium Documents.

In the event of (a) a Casualty that does not constitute a Material Casualty, or (b) a Condemnation that does not constitute a Material Condemnation, Lender shall permit the application of the Proceeds (after reimbursement of any expenses incurred by Lender) to reimburse or pay Borrower for the cost of restoring, repairing, replacing or rebuilding or otherwise curing title defects at the Property (the "**Restoration**"), in the manner required hereby, provided and on the condition that (1) no Event of Default shall have occurred and be then continuing and (2) in the reasonable judgment of Lender:

(i) the Property can be restored to an economic unit not materially less valuable (taking into account the effect of the termination of any Leases and the proceeds of any rental loss or business interruption insurance which the Borrower receives or is entitled to receive, in each case, due to such Casualty or Condemnation) and not materially less useful than the same was prior to the Casualty or Condemnation,

(ii) the Property, after such Restoration and stabilization, will adequately secure the outstanding balance of the Loan,

(iii) the Restoration can be completed by the earliest to occur of:

(A) the date on which the business interruption insurance carried by Borrower with respect to the Property shall expire;

(B) the 180th day prior to the Maturity Date (taking into account any extension thereof), and

(C) with respect to a Casualty, the expiration of the payment period on the rental loss or business interruption insurance coverage in respect of such Casualty; and

(iv) after receiving reasonably satisfactory evidence to such effect, during the period of the Restoration, the sum of (A) income derived from the Property, plus (B) proceeds of rental loss insurance or business interruption insurance, if any, payable together with such other monies as Borrower may irrevocably make available for the Restoration, will equal or exceed the sum of (x) 105% of Operating Expenses and (y) the Debt Service.

Notwithstanding the foregoing, if any of the conditions set forth in sub-clauses (1) and (2) of the proviso in this Section 6.2.2 is not satisfied, then, unless Lender shall otherwise elect, at its sole option, the Proceeds shall be applied in the following order of priority: (A) first, to prepay the principal of the Loan; (B) second, to pay the amount of (1) all accrued and unpaid interest in respect of the Principal Amount of the Indebtedness so prepaid through the date which is the final day of the Interest Period in which such prepayment is made (including, if an Event of Default has occurred and is then continuing, interest owed at the Default Rate), and (2) all other sums (excluding any Prepayment Fee) then due and owing under the Loan Documents and

(C) third, to reimburse Lender for any fees and expenses of Lender incurred in connection therewith (it being agreed that, upon satisfaction in full of the entitlements under clauses (A), (B) and (C) of this sentence, Borrower shall be entitled to receive a release of the Lien of the Security Instrument and the other Loan Documents with respect to the Property in accordance with and subject to the terms of Section 2.3.3 hereof and any surplus Proceeds shall be paid over to the Borrower or as the Borrower directs. Notwithstanding the foregoing, or anything else to the contrary contained herein, all Proceeds with respect to the insurance determined pursuant to Section 6.1.4 shall be deposited directly into the Collection Account and shall be disbursed in accordance with Article III as if such Proceeds are applied in the manner amounts received from the Manager are applied

6.2.3 Material Casualty or Condemnation and Lender's Right to Apply Proceeds . In the event of a Material Casualty or a Material Condemnation, then Lender shall have the option to (i) apply the Proceeds hereof in the following order of priority: (A) first, to prepay the principal of the Loan; (B) second, to pay the amount of (1) all accrued and unpaid interest in respect of the Principal Amount of the Indebtedness so prepaid through the date which is the final day of the Interest Period in which such prepayment is made (including, if an Event of Default has occurred and is then continuing, interest owed at the Default Rate), and (2) all other sums (excluding any Prepayment Fee) then due and owing under the Loan Documents; (C) third, to reimburse Lender for any fees and expenses of Lender incurred in connection therewith; and (D) fourth, it being agreed that, upon satisfaction in full of the entitlements under clauses (A), (B) and (C) of this sentence, Borrower shall be entitled to receive the balance of the Proceeds, if any and a release of the Lien of the Security Instrument and the other Loan Documents with respect to the Property in accordance with and subject to the terms of Section 2.3.3 hereof), or (ii) make such Proceeds available to reimburse Borrower for the cost of any Restoration in the manner set forth below in Section 6.2.4 hereof provided , however , that if the Management Agreement provides that the Operating Lessee or Borrower is required to use the Proceeds to restore the Property and Operating Lessee or Borrower does not have the right to terminate the Management Agreement pursuant to the terms of the Management Agreement as a result of such Casualty or Condemnation or otherwise, then the Lender shall be obligated to make such Proceeds available to the Borrower for the Restoration of such Property pursuant to Section 6.2.4 below. Notwithstanding anything to the contrary contained herein, in the event of a Material Casualty or a Material Condemnation, where Borrower cannot restore, repair, replace or rebuild the Property to be of at least substantially equal value and of substantially the same character as prior to the Material Casualty or Material Condemnation or title defect because the Property is a legally non-conforming use or as a result of any other Legal Requirement, Borrower hereby agrees that Lender may apply the Proceeds payable in connection therewith in accordance with clauses (A), (B) (C) and (D).

6.2.4 Manner of Restoration and Reimbursement . If Borrower is entitled pursuant to Sections 6.2.2 or 6.2.3 above to reimbursement out of Proceeds (and the conditions specified therein shall have been satisfied), such Proceeds shall be disbursed on a monthly basis upon Lender being furnished with (i) such architect's certificates, waivers of lien, contractor's sworn statements, title insurance endorsements, bonds, plats of survey and such other evidences of cost, payment and performance as Lender may reasonably require and approve, and (ii) all plans and specifications for such Restoration, such plans and specifications to be approved by Lender prior to commencement of any work (such approval not to be

unreasonably withheld, delayed or conditioned). In addition, no payment made prior to the Final Completion of the Restoration (excluding punch-list items) shall exceed ninety percent (90%) of the aggregate value of the work performed from time to time; funds other than Proceeds shall be disbursed prior to disbursement of such Proceeds; and at all times, the undisbursed balance of such Proceeds remaining in the hands of Lender, together with funds deposited for that purpose or irrevocably committed to the satisfaction of Lender by or on behalf of Borrower for that purpose, shall be at least sufficient in the reasonable judgment of Lender to pay for the cost of completion of the Restoration, free and clear of all Liens or claims for Lien. Prior to any disbursement, Lender shall have received evidence reasonably satisfactory to it of the estimated cost of completion of the Restoration (such estimate to be made by Borrower's architect or contractor and approved by Lender in its reasonable discretion), and Borrower shall have deposited with Lender Eligible Collateral in an amount equal to the excess (if any) of such estimated cost of completion over the net Proceeds. Any surplus which may remain out of Proceeds received pursuant to a Casualty after payment of such costs of Restoration shall be paid to the Borrower or as the Borrower directs. Any surplus which may remain out of Proceeds received pursuant to a Condemnation shall be paid to the Borrower or as the Borrower directs.

6.2.5 Condemnation . (a) Borrower shall promptly give Lender written notice of the actual commencement or written threat of commencement of any Condemnation and shall deliver to Lender copies of any and all papers served in connection with such Condemnation. Following the occurrence of a Condemnation, Borrower, regardless of whether Proceeds are available, shall promptly proceed to restore, repair, replace or rebuild the same to the extent practicable to be of at least equal value and of substantially the same character as prior to such Condemnation, all to be effected in accordance with the terms hereof applicable to Alterations.

(b) Lender is hereby irrevocably appointed as Borrower's attorney-in-fact, coupled with an interest, with exclusive power to collect, receive and retain any Proceeds in respect of a Condemnation and to make any compromise or settlement in connection with such Condemnation, subject to the provisions of this Section. Provided no Event of Default has occurred and is continuing, (x) in the event of a Condemnation which is not a Material Condemnation, Borrower may settle and compromise such Proceeds; provided that the same is effected in a competent and timely manner, and (y) in the event of a Condemnation, where the loss exceeds the Threshold Amount, Borrower may settle and compromise the Proceeds only with the consent of Lender (which consent shall not be unreasonably withheld, delayed or conditioned) and Lender shall have the opportunity to participate, at Borrower' cost, in any litigation and settlement discussions in respect thereof. Notwithstanding any Condemnation by any public or quasi-public authority (including any transfer made in lieu of or in anticipation of such a Condemnation), Borrower shall continue to pay the Indebtedness at the time and in the manner provided for in the Note, this Agreement and the other Loan Documents, and the Indebtedness shall not be reduced unless and until any Proceeds shall have been actually received and applied by Lender to discharge the Indebtedness, pay required interest and pay any other required amounts, in each case, pursuant to the terms of Sections 6.2.2 or 6.2.3 above. Lender shall not be limited to the interest paid on the Proceeds by the condemning authority but shall be entitled to receive out of the Proceeds interest at the rate or rates provided in the Note. Borrower shall cause any Proceeds that are payable to Borrower to be paid directly to Lender to be held and applied in accordance with the terms hereof.

VII. IMPOSITIONS, OTHER CHARGES, LIENS AND OTHER ITEMS

Section 7.1 Impositions and Other Charges . Subject to the third sentence of this Section 7.1 , Borrower shall pay, or shall cause Operating Lessee to pay all Impositions now or hereafter levied or assessed or imposed against the Property or any part thereof prior to the imposition of any interest, charges or expenses for the non-payment thereof and shall pay all Other Charges on or before the date they are due. Subject to Borrower's right of contest set forth in Section 7.3 , as set forth in the next two sentences and provided that there are sufficient funds available in the Tax Reserve Account, Lender, on behalf of Borrower, shall pay all Impositions and Other Charges which are attributable to or affect the Property or Borrower, prior to the date such Impositions or Other Charges shall become delinquent or late charges may be imposed thereon, directly to the applicable taxing authority with respect thereto. Lender shall, or Lender shall direct the Cash Management Bank to, pay to the taxing authority such amounts to the extent funds in the Tax Reserve Account are sufficient to pay such Impositions. Nothing contained in this Agreement or the Security Instrument shall be construed to require Borrower to pay any tax, assessment, levy or charge imposed on Lender in the nature of a franchise, capital levy, estate, inheritance, succession, income or net revenue tax.

Section 7.2 No Liens . Subject to its right of contest set forth in Section 7.3 , Borrower shall at all times keep, or cause to be kept, the Property free from all Liens (other than Permitted Encumbrances) and shall pay when due and payable (or bond over) all claims and demands of mechanics, materialmen, laborers and others which, if unpaid, might result in or permit the creation of a Lien on the Property or any portion thereof and shall in any event cause the prompt, full and unconditional discharge of all Liens imposed on or against the Property or any portion thereof within forty-five (45) days after receiving written notice of the filing (whether from Lender, the lienor or any other Person) thereof. Borrower shall do or cause to be done, at the sole cost of Borrower, everything reasonably necessary to fully preserve the first priority of the Lien of the Security Instrument against the Property, subject to the Permitted Encumbrances. Upon the occurrence and during the continuance of an Event of Default with respect to its Obligations as set forth in this Article VII , Lender may (but shall not be obligated to) make such payment or discharge such Lien, and Borrower shall reimburse Lender within three (3) Business Days following demand for all such advances pursuant to Section 19.12 (together with interest thereon at the Default Rate).

Section 7.3 Contest . Nothing contained herein shall be deemed to require Borrower to pay, or cause to be paid, any Imposition or to satisfy any Lien, or to comply with any Legal Requirement or Insurance Requirement, so long as Borrower is in good faith, and by proper legal proceedings, where appropriate, diligently contesting the validity, amount or application thereof, provided that in each case, at the time of the commencement of any such action or proceeding, and during the pendency of such action or proceeding (i) no Event of Default shall exist and be continuing hereunder, (ii) Borrower shall keep Lender informed of the status of such contest at reasonable intervals, (iii) if neither Borrower nor Operating Lessee is providing security as provided in clause (vi) below, adequate reserves with respect thereto are maintained on Borrower's books in accordance with GAAP or in the Tax Reserve Account or Insurance Reserve Account, as applicable, (iv) either such contest operates to suspend collection or enforcement as the case may be, of the contested Imposition, Lien or Legal Requirement and such contest is maintained and prosecuted continuously and with diligence or the Imposition or

Lien is bonded, (v) in the case of any Insurance Requirement, the failure of Borrower to comply therewith shall not impair the validity of any insurance required to be maintained by Borrower under Section 6.1 or the right to full payment of any claims thereunder, and (vi) in the case of Impositions and Liens which are not bonded in excess of $1,000,000 individually, or in the aggregate, during such contest, Borrower, shall deposit with or deliver to Lender either Cash and Cash Equivalents or a Letter or Letters of Credit in an amount equal to 125% of (A) the amount of Borrower's obligations being contested plus (B) any additional interest, charge, or penalty arising from such contest. Notwithstanding the foregoing, the creation of any such reserves or the furnishing of any bond or other security, Borrower promptly shall comply with any contested Legal Requirement or Insurance Requirement or shall pay any contested Imposition or Lien, and compliance therewith or payment thereof shall not be deferred, if, at any time the Property or any portion thereof shall be, in Lender's reasonable judgment, in imminent danger of being forfeited or lost or Lender is likely to be subject to civil or criminal damages as a result thereof. If such action or proceeding is terminated or discontinued adversely to Borrower, Borrower shall deliver to Lender reasonable evidence of Borrower's compliance with such contested Imposition, Lien, Legal Requirements or Insurance Requirements, as the case may be.

VIII. TRANSFERS, INDEBTEDNESS AND SUBORDINATE LIENS

Section 8.1 Restrictions on Transfers and Indebtedness . (a) Except in connection with such action as is permitted by the subsequent provisions of this Article VIII , Borrower will not, without Lender's prior written consent and a Rating Agency Confirmation with respect to the transfer or other matter in question, (A), Transfer legal, Beneficial or direct or indirect equitable interests in all or any part of the Property, the Borrower or Operating Lessee, (B) permit or suffer any owner, directly or indirectly, of a legal, Beneficial or equitable interest in the Property, the Borrower or Operating Lessee to Transfer such interest, whether by transfer of stock or other legal, Beneficial or equitable interest in any entity or otherwise, (C) mortgage, hypothecate or otherwise encumber or grant a security interest in all or any part of the legal, Beneficial or equitable interests in all or any part of the Property, the Borrower or the Operating Lessee, or (D) file of record a declaration of condominium with respect to the Property. Notwithstanding any provision herein to the contrary, nothing contained herein shall be deemed to restrict or otherwise interfere with the ability of the holders of direct or indirect legal, Beneficial or equitable interests in the Ultimate Equity Owner to Transfer such interests, whether in connection with an initial public offering of shares in Ultimate Equity Owner or otherwise or any pledge to secure the Revolver Loan or the enforcement or foreclosure thereof pursuant to such pledge.

(b) Borrower shall not incur, create or assume any Indebtedness without the consent of Lender; provided , however , Borrower may, without the consent of Lender, incur, create or assume Permitted Debt or allow or suffer such Permitted Debt to be incurred, created or assumed.

(c) Notwithstanding the foregoing, nothing herein shall prevent Borrower or any direct or indirect owner of any legal or Beneficial or equitable interest therein, to enter into a purchase and sale agreement or other similar arrangements to Transfer any interest in connection with any sale of the Property or other interest so long as a condition precedent to such Transfer is the payment, in full, of the Indebtedness.

Section 8.2 Sale of Building Equipment . Borrower may Transfer or dispose of Building Equipment which is being replaced or which is no longer necessary in connection with the operation of the Property free from the Lien of the Security Instrument provided that such Transfer or disposal will not have a Material Adverse Effect on the value of the Property taken as a whole, will not materially impair the utility of the Property, and will not result in a reduction or abatement of, or right of offset against, the Rents payable under any Lease, in either case as a result thereof, and provided , further , that any new Building Equipment acquired by Borrower or Operating Lessee (and not so disposed of) shall be subject to the Lien of the Security Instrument. Lender shall, from time to time, upon receipt of an Officer's Certificate requesting the same and confirming satisfaction of the conditions set forth above, execute a written instrument in form reasonably satisfactory to Lender to confirm that such Building Equipment which is to be, or has been, sold or disposed of is free from the Lien of the Security Instrument.

Section 8.3 Immaterial Transfers and Easements, etc . Borrower and Operating Lessee may, without the consent of Lender, (i) make immaterial Transfers of portions of the Property to Governmental Authorities for dedication or public use (subject to the provisions of Section 6.2) or, portions of the Property to third parties for the purpose of erecting and operating additional structures whose use is integrated with the use of the Property, and (ii) grant easements, restrictions, covenants, reservations and rights of way in the ordinary course of business for access, water and sewer lines, telephone and telegraph lines, electric lines or other utilities or for other similar purposes, provided that no such Transfer, conveyance or encumbrance set forth in the foregoing clauses (i) and (ii) shall materially impair the utility and operation of the Property or have a Material Adverse Effect on the value of the Property taken as a whole. In connection with any Transfer permitted pursuant to this Section 8.3 , Lender shall execute and deliver any instrument reasonably necessary or appropriate, in the case of the Transfers referred to in clause (i) above, to release the portion of the Property affected by such Condemnation or such Transfer from the Lien of the Security Instrument or, in the case of clause (ii) above, to subordinate the Lien of the Security Instrument to such easements, restrictions, covenants, reservations and rights of way or other similar grants upon receipt by Lender of:

(a) thirty (30) days prior written notice thereof;

(b) a copy of the instrument or instruments of Transfer;

(c) an Officer's Certificate stating (x) with respect to any Transfer, the consideration, if any, being paid for the Transfer and (y) that such Transfer does not materially impair the utility and operation of the Property, materially reduce the value of the Property or have a Material Adverse Effect; and

(d) reimbursement of all of Lender's reasonable costs and expenses incurred in connection with such Transfer.

Section 8.4 Transfers of Interests in Borrower . In addition to any transfer permitted by any other provision of this Article VIII , each holder of any direct or indirect interest in the Borrower shall have the right to transfer (but not pledge, hypothecate or encumber) its equity interest in the Borrower to any Person who is not a Disqualified Transferee without

Lender's consent or a Rating Agency Confirmation if Section 8.6 is complied with and, after giving effect to such transfer:

(a) (i) the Property will be directly owned by a Single Purpose Entity in compliance with the representations, warranties and covenants in Section 4.1.29 hereof (as if the Borrower shall have remade all of such representations, warranties and covenants as of, and after giving effect to, the transfer), and which shall have executed and delivered to Lender an assumption agreement in form and substance acceptable to Lender, evidencing the continuing agreement of the Borrower to abide and be bound by all the terms, covenants and conditions set forth in this Agreement, the Note, the Security Instrument and the other Loan Documents and all other outstanding obligations under the Loan, together with such legal opinions and title insurance endorsements as may be reasonably requested by Lender;

(b) an Acceptable Manager shall continue to act as Manager for the Property pursuant to the existing Management Agreement or an Acceptable Management Agreement;

(c) Any Ultimate Equity Owners or a Close Affiliate of any such entity owns directly or indirectly at least fifty-one percent (51%) of the equity interests in the Borrower and the Person that is the proposed transferee is not a Disqualified Transferee; provided that, after giving effect to any such transfer, in no event shall any Person other than Ultimate Equity Owner or a Close Affiliate of Ultimate Equity Owner exercise Management Control over the Borrower. In the event that Management Control shall be exercisable jointly by any Ultimate Equity Owner or a Close Affiliate of any Ultimate Equity Owner with any other Person or Persons, then the applicable Ultimate Equity Owner or such Close Affiliate shall be deemed to have Management Control only if such Ultimate Equity Owner or such Close Affiliate retains the ultimate right as between such Ultimate Equity Owner or such Close Affiliate and the transferee to unilaterally make all material decisions with respect to the operation, management, financing and disposition of the Property;

(d) if there has been a Transfer of forty-nine percent (49%) or more of the direct membership interests, stock or other direct equity ownership interests in Borrower, Borrower shall have first delivered to Lender (and, after a Securitization, the Rating Agencies) an Officer's Certificate and legal opinion of the types described in Section 8.6 below; and

(e) Borrower shall cause the transferee, if Lender so requests and if such transferee is required to be a Single Purpose Entity pursuant to this Agreement, to deliver to S&P and to any other Rating Agency Lender requests its organizational documents solely for the purpose of Standard & Poor's and such other Rating Agency Lender requests confirming that such organizational documents comply with the single purpose bankruptcy remote entity requirements set forth herein.

Section 8.5 Loan Assumption . Without limiting the foregoing, Borrower and Operating Lessee shall have the right to sell, assign, convey or transfer (but not mortgage, hypothecate or otherwise encumber or grant a security interest in) legal or equitable title to all (but not less than all) of the Property only if:

(a) after giving effect to the proposed transaction:

the Property will be owned by a Single Purpose Entity wholly owned (directly or indirectly) by a Permitted Borrower Transferee, Permitted Borrower Transferee Alternative, Pre-approved Transferee or such other entity (specifically approved in writing by both Lender and each Rating Agency) which will be in compliance with the representations, warranties and covenants contained in Section 4.1.29 hereof (as if such transferee shall have remade all of such representations, warranties and covenants as of, and after giving effect to, the proposed transaction); such Single Purpose Entity shall have executed and delivered to Lender an assumption agreement and such other agreements as Lender may reasonably request (collectively, the **"Assumption Agreement"**) in form and substance acceptable to Lender, evidencing the proposed transferee's agreement to abide and be bound by all the terms, covenants and conditions set forth in this Agreement, the Note, the Security Instrument and the other Loan Documents and all other outstanding obligations under the Loan; the Permitted Borrower Transferee, Permitted Borrower Transferee Alternative, Pre-approved Transferee or such other approved entity shall assume the obligations of Sponsor under the Loan Documents (and such Single Purpose Entity and the applicable Permitted Borrower Transferee, Permitted Borrower Transferee Alternative, Pre-approved Transferee or other approved entity shall thereafter be subject to the provisions of this Article VIII), and the transferee shall cause to be delivered to Lender, such legal opinions and title insurance endorsements as may be reasonably requested by Lender;

(i) an Acceptable Manager shall continue to act as Manager for the Property pursuant to the existing Management Agreement or an Acceptable Management Agreement; and

The notional amount of the Interest Rate Cap Agreement may be reduced from time to time in amounts equal to any prepayment of the principal of the Loan made in accordance with the Loan Documents, provided that the strike rate shall be equal to the LIBOR Cap Strike Rate.

Section 9.2 Pledge and Collateral Assignment . Borrower hereby pledges, assigns, transfers, delivers and grants a continuing first priority lien to Lender, as security for payment of all sums due in respect of the Loan and the performance of all other terms, conditions and covenants of this Agreement and any other Loan Document on Borrower's part to be paid and performed, in, to and under all of Borrower's right, title and interest whether now owned or hereafter acquired and whether now existing or hereafter arising (collectively, the**" Rate Cap Collateral"**): (i) in the Interest Rate Cap Agreement (as soon as such agreement is effective or when and if any replacement agreement becomes effective, any Replacement Interest Rate Cap

Agreement or Extension Interest Rate Cap Agreement); (ii) to receive any and all payments under the Interest Rate Cap Agreement (or, when and if any such agreement becomes effective, any Replacement Interest Rate Cap Agreement or Extension Interest Rate Cap Agreement), whether as contractual obligations, damages or otherwise; and (iii) to all claims, rights, powers, privileges, authority, options, security interests, liens and remedies, if any, under or arising out of the Interest Rate Cap Agreement (as soon as such agreement is effective or when and if any such agreement becomes effective, any Replacement Interest Rate Cap Agreement or Extension Interest Rate Cap Agreement), in each case including all accessions and additions to, substitutions for and replacements, products and proceeds of any of the foregoing. Borrower shall deliver to Lender an executed counterpart of such Interest Rate Cap Agreement, Replacement Interest Rate Cap Agreement or Extension Interest Rate Cap Agreement (which shall, by its terms, authorize the assignment to Lender and require that payments be made directly to Lender) and notify the Counterparty of such assignment (either in such Interest Rate Cap Agreement, Replacement Interest Rate Cap Agreement or Extension Interest Rate Cap Agreement or by separate instrument). Borrower shall not, without obtaining the prior written consent of Lender, further pledge, transfer, deliver, assign or grant any security interest in the Interest Rate Cap Agreement (or, when and if any such agreement becomes effective, any Replacement Interest Rate Cap Agreement or Extension Interest Rate Cap Agreement), or permit any Lien or encumbrance to attach thereto, or any levy to be made thereon, or any UCC-1 Financing Statements or any other notice or instrument as may be required under the UCC, as appropriate, except those naming Lender as the secured party, to be filed with respect thereto.

Section 9.3 Covenants . (a) Borrower shall comply with all of its obligations under the terms and provisions of the Interest Rate Cap Agreement. All amounts paid by the Counterparty under the Interest Rate Cap Agreement to Borrower or Lender shall be deposited immediately into the Holding Account pursuant to Section 3.1 . Borrower shall take all actions reasonably requested by Lender to enforce Borrower's rights under the Interest Rate Cap Agreement in the event of a default by the Counterparty thereunder and shall not waive, amend or otherwise modify any of its rights thereunder.

(b) Borrower shall defend Lender's right, title and interest in and to the Rate Cap Collateral pledged by Borrower pursuant hereto or in which it has granted a security interest pursuant hereto against the claims and demands of all other Persons.

In the event of (x) any downgrade, withdrawal or qualification (each, a**"Downgrade "**) of the rating of the Counterparty such that, thereafter, the Counterparty shall cease to be an Acceptable Counterparty and (y) the Counterparty shall fail to comply with the requirements contained in the Interest Rate Cap Agreement which are described in**"Exhibit I"**upon such occurrence, the Borrower shall either (i) obtain a Rating Agency Confirmation with respect to the Counterparty or (ii) replace the Interest Rate Cap Agreement with a Replacement Interest Cap Agreement, (x) having a term extending through the end of the Interest Period in which the Maturity Date occurs, (y) in a notional amount at least equal to the Principal Amount of the Loan then outstanding, and (z) having a strike rate equal to the LIBOR Cap Strike Rate.

(c) In the event that Borrower fails to purchase and deliver to Lender the Interest Rate Cap Agreement as and when required hereunder, Lender may purchase the Interest Rate Cap Agreement and the cost incurred by Lender in purchasing the Interest Rate Cap Agreement shall be paid by Borrower to Lender with interest thereon at the Default Rate from the date such cost was incurred by Lender until such cost is paid by Borrower to Lender.

(d) Borrower shall not (i) without the prior written consent of Lender, modify, amend or supplement the terms of the Interest Rate Cap Agreement, (ii) without the prior written consent of Lender, except in accordance with the terms of the Interest Rate Cap Agreement, cause the termination of the Interest Rate Cap Agreement prior to its stated maturity date, (iii) without the prior written consent of Lender, except as aforesaid, waive or release any obligation of the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement) under the Interest Rate Cap Agreement, (iv) without the prior written consent of Lender, consent or agree to any act or omission to act on the part of the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement) which, without such consent or agreement, would constitute a default under the Interest Rate Cap Agreement, (v) fail to exercise promptly and diligently each and every material right which it may have under the Interest Rate Cap Agreement, (vi) take or intentionally omit to take any action or intentionally suffer or permit any action to be omitted or taken, the taking or omission of which would result in any right of offset against sums payable under the Interest Rate Cap Agreement or any defense by the Counterparty (or any successor or substitute party to the Interest Rate Cap Agreement) to payment or (vii) fail to give prompt notice to Lender of any notice of default given by or to Borrower under or with respect to the Interest Rate Cap Agreement, together with a complete copy of such notice. If Borrower shall have received written notice that the Securitization shall have occurred, no consent by Lender provided for in this Section 9.3(e) shall be given by Lender unless Lender shall have received a Rating Agency Confirmation.

In connection with an Interest Rate Cap Agreement, Borrower shall obtain and deliver to Lender an Opinion of Counsel from counsel (which counsel may be in-house counsel for the Counterparty) for the Counterparty upon which Lender and its successors and assigns may rely (the **"Counterparty Opinion"**), under New York law and, if the Counterparty is a non-U.S. entity, the applicable foreign law, substantially in compliance with the requirements set forth in **Exhibit F** or in such other form approved by the Lender.

Section 9.4 Representations and Warranties . Borrower hereby covenants with, and represents and warrants to, Lender as follows:

(a) The Interest Rate Cap Agreement constitutes the legal, valid and binding obligation of Borrower, enforceable against Borrower in accordance with its terms, subject only to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(b) The Rate Cap Collateral is free and clear of all claims or security interests of every nature whatsoever, except such as are created pursuant to this Agreement and the other Loan Documents, and Borrower has the right to pledge and grant a security interest in the same as herein provided without the consent of any other Person other than any such consent that has been obtained and is in full force and effect.

(c) The Rate Cap Collateral has been duly and validly pledged hereunder. All consents and approvals required to be obtained by Borrower for the consummation of the transactions contemplated by this Agreement have been obtained.

(d) Giving effect to the aforesaid grant and assignment to Lender, Lender has, as of the date of this Agreement, and as to Rate Cap Collateral acquired from time to time after such date, shall have, a valid, and upon proper filing, perfected and continuing first priority lien upon and security interest in the Rate Cap Collateral; provided that no representation or warranty is made with respect to the perfected status of the security interest of Lender in the proceeds of Rate Cap Collateral consisting of "cash proceeds" or "non-cash proceeds" as defined in the UCC except if, and to the extent, the provisions of Section 9-306 of the UCC shall be complied with.

(e) Except for financing statements filed or to be filed in favor of Lender as secured party, there are no financing statements under the UCC covering any or all of the Rate Cap Collateral and Borrower shall not, without the prior written consent of Lender, until payment in full of all of the Obligations, execute and file in any public office, any enforceable financing statement or statements covering any or all of the Rate Cap Collateral, except financing statements filed or to be filed in favor of Lender as secured party.

Section 9.5 Payments . If Borrower at any time shall be entitled to receive any payments with respect to the Interest Rate Cap Agreement, such amounts shall, immediately upon becoming payable to Borrower, be deposited by Counterparty into the Holding Account.

Section 9.6 Remedies . Subject to the provisions of the Interest Rate Cap Agreement, if an Event of Default shall occur and then be continuing:

(a) Lender, without obligation to resort to any other security, right or remedy granted under any other agreement or instrument, shall have the right to, in addition to all rights, powers and remedies of a secured party pursuant to the UCC, at any time and from time to time, sell, resell, assign and deliver, in its sole discretion, any or all of the Rate Cap Collateral (in one or more parcels and at the same or different times) and all right, title and interest, claim and demand therein and right of redemption thereof, at public or private sale, for cash, upon credit or for future delivery, and in connection therewith Lender may grant options and may impose reasonable conditions such as requiring any purchaser to represent that any "securities" constituting any part of the Rate Cap Collateral are being purchased for investment only, Borrower hereby waiving and releasing any and all equity or right of redemption to the fullest extent permitted by the UCC or applicable law. If all or any of the Rate Cap Collateral is sold by Lender upon credit or for future delivery, Lender shall not be liable for the failure of the purchaser to purchase or pay for the same and, in the event of any such failure, Lender may resell such Rate Cap Collateral. It is expressly agreed that Lender may exercise its rights with respect to less than all of the Rate Cap Collateral, leaving unexercised its rights with respect to the remainder of the Rate Cap Collateral, provided , however , that such partial exercise shall in no way restrict or jeopardize Lender's right to exercise its rights with respect to all or any other portion of the Rate Cap Collateral at a later time or times.

(b) Lender may exercise, either by itself or by its nominee or designee, in the name of Borrower, all of Lender's rights, powers and remedies in respect of the Rate Cap Collateral, hereunder and under law.

(c) Borrower hereby irrevocably, in the name of Borrower or otherwise, authorizes and empowers Lender and assigns and transfers unto Lender, and constitutes and appoints Lender its true and lawful attorney-in-fact, and as its agent, irrevocably, with full power of substitution for Borrower and in the name of Borrower, upon the occurrence and during the continuance of an Event of Default, (i) to exercise and enforce every right, power, remedy, authority, option and privilege of Borrower under the Interest Rate Cap Agreement, including any power to subordinate or modify the Interest Rate Cap Agreement (but not, unless an Event of Default exists and is continuing, the right to terminate or cancel the Interest Rate Cap Agreement), or to give any notices, or to take any action resulting in such subordination, termination, cancellation or modification and (ii) in order to more fully vest in Lender the rights and remedies provided for herein, to exercise all of the rights, remedies and powers granted to Lender in this Agreement, and Borrower further authorizes and empowers Lender, as Borrower's attorney-in-fact, and as its agent, irrevocably, with full power of substitution for Borrower and in the name of Borrower, upon the occurrence and during the continuance of an Event of Default, to give any authorization, to furnish any information, to make any demands, to execute any instruments and to take any and all other action on behalf of and in the name of Borrower which in the opinion of Lender may be necessary or appropriate to be given, furnished, made, exercised or taken under the Interest Rate Cap Agreement, in order to comply therewith, to perform the conditions thereof or to prevent or remedy any default by Borrower thereunder or to enforce any of the rights of Borrower thereunder. These powers-of-attorney are irrevocable and coupled with an interest, and any similar or dissimilar powers heretofore given by Borrower in respect of the Rate Cap Collateral to any other Person are hereby revoked.

(d) Upon the occurrence and during the continuance of an Event of Default, Lender may, without notice to, or assent by, Borrower or any other Person (to the extent permitted by law), but without affecting any of the Obligations, in the name of Borrower or in the name of Lender, notify the Counterparty, or if applicable, any other counterparty to the Interest Rate Cap Agreement, to make payment and performance directly to Lender; extend the time of payment and performance of, compromise or settle for cash, credit or otherwise, and upon any terms and conditions, any obligations owing to Borrower, or claims of Borrower, under the Interest Rate Cap Agreement; file any claims, commence, maintain or discontinue any actions, suits or other proceedings deemed by Lender necessary or advisable for the purpose of collecting upon or enforcing the Interest Rate Cap Agreement; and execute any instrument and do all other things deemed necessary and proper by Lender to protect and preserve and realize upon the Rate Cap Collateral and the other rights contemplated hereby.

(e) Pursuant to the powers-of-attorney provided for above, Lender may take any action and exercise and execute any instrument which it may deem necessary or advisable to accomplish the purposes hereof; provided , however , that Lender shall not be permitted to take any action pursuant to said power-of-attorney that would conflict with any limitation on Lender's rights with respect to the Rate Cap Collateral. Without limiting the generality of the foregoing, Lender, after the occurrence of an Event of Default, shall have the right and power to receive, endorse and collect all checks and other orders for the payment of money made payable to

Borrower representing: (i) any payment of obligations owed pursuant to the Interest Rate Cap Agreement, (ii) interest accruing on any of the Rate Cap Collateral or (iii) any other payment or distribution payable in respect of the Rate Cap Collateral or any part thereof, and for and in the name, place and stead of Borrower, to execute endorsements, assignments or other instruments of conveyance or transfer in respect of any property which is or may become a part of the Rate Cap Collateral hereunder.

(f) Lender may exercise all of the rights and remedies of a secured party under the UCC.

(g) Without limiting any other provision of this Agreement or any of Borrower's rights hereunder, and without waiving or releasing Borrower from any obligation or default hereunder, Lender shall have the right, but not the obligation, to perform any act or take any appropriate action, as it, in its reasonable judgment, may deem necessary to protect the security of this Agreement, to cure such Event of Default or to cause any term, covenant, condition or obligation required under this Agreement or the Interest Rate Cap Agreement to be performed or observed by Borrower to be promptly performed or observed on behalf of Borrower. All amounts advanced by, or on behalf of, Lender in exercising its rights under this Section 9.7(g) (including, but not limited to, reasonable legal expenses and disbursements incurred in connection therewith), together with interest thereon at the Default Rate from the date of each such advance, shall be payable by Borrower to Lender upon demand and shall be secured by this Agreement.

Section 9.7 Sales of Rate Cap Collateral . No demand, advertisement or notice, all of which are, to the fullest extent permitted by law, hereby expressly waived by Borrower, shall be required in connection with any sale or other disposition of all or any part of the Rate Cap Collateral, except that Lender shall give Borrower at least thirty (30) Business Days' prior written notice of the time and place of any public sale or of the time when and the place where any private sale or other disposition is to be made, which notice Borrower hereby agrees is reasonable, all other demands, advertisements and notices being hereby waived. To the extent permitted by law, Lender shall not be obligated to make any sale of the Rate Cap Collateral if it shall determine not to do so, regardless of the fact that notice of sale may have been given, and Lender may without notice or publication adjourn any public or private sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. Upon each private sale of the Rate Cap Collateral of a type customarily sold in a recognized market and upon each public sale, unless prohibited by any applicable statute which cannot be waived, Lender (or its nominee or designee) may purchase any or all of the Rate Cap Collateral being sold, free and discharged from any trusts, claims, equity or right of redemption of Borrower, all of which are hereby waived and released to the extent permitted by law, and may make payment therefor by credit against any of the Obligations in lieu of cash or any other obligations. In the case of all sales of the Rate Cap Collateral, public or private, Borrower shall pay all reasonable costs and expenses of every kind for sale or delivery, including brokers' and attorneys' fees and disbursements and any tax imposed thereon. However, the proceeds of sale of Rate Cap Collateral shall be available to cover such costs and expenses, and, after deducting such costs and expenses from the proceeds of sale, Lender shall apply any residue to the payment of the Obligations in the order of priority as set forth in Section 11 of the Security Instrument.

Section 9.8 Public Sales Not Possible . Borrower acknowledges that the terms of the Interest Rate Cap Agreement may prohibit public sales, that the Rate Cap Collateral may not be of the type appropriately sold at public sales, and that such sales may be prohibited by law. In light of these considerations, Borrower agrees that private sales of the Rate Cap Collateral shall not be deemed to have been made in a commercially unreasonably manner by mere virtue of having been made privately.

Section 9.9 Receipt of Sale Proceeds . Upon any sale of the Rate Cap Collateral by Lender hereunder (whether by virtue of the power of sale herein granted, pursuant to judicial process or otherwise), the receipt by Lender or the officer making the sale or the proceeds of such sale shall be a sufficient discharge to the purchaser or purchasers of the Rate Cap Collateral so sold, and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to Lender or such officer or be answerable in any way for the misapplication or non-application thereof.

Section 9.10 Extension Interest Rate Cap Agreement . If Borrower exercises any of its options to extend the Maturity Date pursuant to Section 5 of the Note, then, on or prior to the Maturity Date being extended, the Borrower shall obtain or have in place an Extension Interest Rate Cap Agreement (i) having a term through the end of the Interest Period in which the extended Maturity Date occurs, (ii) in a notional amount at least equal to the Principal Amount of the Loan as of the Maturity Date being extended, and (iii) having a strike rate equal to an amount such that the maximum interest rate paid by the Borrower after giving effect to payments made under such Extension Interest Rate Cap Agreement shall equal no more than the LIBOR Cap Strike Rate.

Section 9.11 Filing of Financing Statements Authorized . Borrower and Operating Lessee hereby authorize the filing of a form UCC-1 financing statement naming the Borrower and the Operating Lessee as debtors and the Lender as secured party in any office (including the office of the Secretary of State of the State of Delaware) covering all property of the Borrower and the Operating Lessee (including, but not limited to, the Account Collateral and the Rate Cap Collateral, but excluding Excess Cash Flow).

X. MAINTENANCE OF PROPERTY; ALTERATIONS

Section 10.1 Maintenance of Property . Borrower shall keep and maintain, or cause to be kept and maintained, the Property and every part thereof in good condition and repair, subject to ordinary wear and tear, and, subject to Excusable Delays and the provisions of this Agreement with respect to damage or destruction caused by a Casualty or Condemnation, shall not permit or commit any waste, impairment, or deterioration of any portion of the Property in any material respect. Borrower further covenants to do all other acts which from the character or use of the Property may be reasonably necessary to protect the security hereof, the specific enumerations herein not excluding the general. Borrower shall not demolish any Improvement on the Property except as the same may be necessary in connection with an Alteration or a restoration in connection with a Condemnation or Casualty, or as otherwise permitted herein, in each case in accordance with the terms and conditions hereof.

Section 10.2 Alterations and Expansions . Borrower shall not perform or undertake or consent to the performance or undertaking of any Alteration or Expansion, except in accordance with the following terms and conditions:

(a) The Alteration or Expansion shall be undertaken in accordance with the applicable provisions of this Agreement, the other Loan Documents, the Leases and all Legal Requirements.

(b) No Event of Default shall have occurred and be continuing or shall occur as a result of such action.

Such plans and specifications may be revised at any time and from time to time, provided that revisions of such plans and specifications shall be filed with Lender, for information purposes only.

(d) The Alteration or Expansion may not in and of itself, either during the Alteration or Expansion or upon completion, be reasonably expected to have a Material Adverse Effect with respect to the Property.

(e) All work done in connection with any Alteration or Expansion shall be performed with due diligence to Final Completion in a good and workmanlike manner, all materials used in connection with any Alteration or Expansion shall be not less than the standard of quality of the materials generally used at the Property as of the date hereof (or, if greater, the then-current customary quality in the sub-market in which the Property is located) and all work shall be performed and all materials used in accordance with all applicable Legal Requirements and Insurance Requirements.

(f) The cost of any Alteration or Expansion shall be promptly and fully paid for by Borrower, subject to the next succeeding sentence. No payment made prior to the Final Completion (excluding punch-list items) of an Alteration or Expansion or Restoration to any contractor, subcontractor, materialman, supplier, engineer, architect, project manager or other Person who renders services or furnishes materials in connection with such Alteration shall exceed ninety percent (90%) of the aggregate value of the work performed by such Person from time to time and materials furnished and incorporated into the Improvements.

(g) Intentionally Deleted.

(h) With respect to any Material Alteration or Material Expansion:

(i) Borrower shall have delivered to Lender Eligible Collateral in an amount equal to at least the total estimated remaining unpaid costs of such Material Alteration or Material Expansion which is in excess of the Threshold Amount, which Eligible Collateral shall

be held by Lender as security for the Indebtedness and released to Borrower as such work progresses in accordance with Section 10.2(h)(iii) ; provided , however , in the event that any Material Alteration or Material Expansion shall be made in conjunction with any Restoration with respect to which Borrower shall be entitled to use or apply Proceeds pursuant to Section 6.2 hereof (including any Proceeds remaining after completion of such Restoration), the amount of the Eligible Collateral to be furnished pursuant hereto need not exceed the aggregate cost of such Restoration and such Material Alteration or Material Expansion (in either case, as estimated by the Independent Architect) less the sum of the amount of any Proceeds which the Borrower is entitled to withdraw pursuant to Section 6.2 hereof and the Threshold Amount;

(ii) Prior to commencement of construction of such Material Alteration or Material Expansion, Borrower shall deliver to Lender a schedule (with the concurrence of the Independent Architect) setting forth the projected stages of completion of such Alteration or Expansion and the corresponding amounts expected to be due and payable by or on behalf of Borrower in connection with such completion, such schedule to be updated quarterly by Borrower (and with the concurrence of the Independent Architect) during the performance of such Alteration or Expansion.

(iii) Any Eligible Collateral that a Borrower delivers to Lender pursuant hereto (and the proceeds of any such Eligible Collateral) shall be invested (to the extent such Eligible Collateral can be invested) by Lender in Permitted Investments for a period of time consistent with the date on which the Borrower notifies Lender that the Borrower expects to request a release of such Eligible Collateral in accordance with the next succeeding sentence. From time to time as the Alteration or Expansion progresses, the amount of any Eligible Collateral so furnished may, upon the written request of Borrower to Lender, be withdrawn by Borrower and paid or otherwise applied by or returned to Borrower in an amount equal to the amount Borrower would be entitled to so withdraw if Section 6.2.4 were applicable, and any Eligible Collateral so furnished which is a Letter of Credit may be reduced by Borrower in an amount equal to the amount Borrower would be entitled to so reduce if Section 6.2.4 hereof were applicable, subject, in each case, to the satisfaction of the conditions precedent to withdrawal of funds or reduction of the Letter of Credit set forth in Section 6.2.4 hereof. In connection with the above-described quarterly update of the projected stages of completion of the Material Alteration or Material Expansion (as concurred with by an Independent Architect), Borrower shall increase (or be permitted to decrease, as applicable) the Eligible Collateral then deposited with Lender as necessary to comply with Section 10.2(h)(i) hereof.

(iv) At any time after Final Completion of such Material Alterations or Material Expansions, the whole balance of any Cash deposited with Lender pursuant to Section 10.2(h) hereof then remaining on deposit may be withdrawn by Borrower and shall be paid by Lender to Borrower, and any Eligible Collateral so deposited shall, to the extent it has not been called upon, reduced or theretofore released, be released by Lender to Borrower, within ten (10) days after receipt by Lender of an application for such withdrawal and/or release together with an Officer's Certificate, and as to the following clauses (A) and (B) of this clause also a certificate of the Independent Architect, setting forth in substance as follows:

(B) that to the knowledge of the certifying Person, (x) such Material Alteration(s) or Material Expansion (s) has been completed in compliance with all Legal Requirements, and (y) to the extent required for the legal use or occupancy of the portion of the Property affected by such Alteration(s) or Expansion(s), the applicable Borrower has obtained a temporary or permanent certificate of occupancy (or similar certificate) or, if no such certificate is required, a statement to that effect;

(C) that to the knowledge of the certifying Person, all amounts that a Borrower is or may become liable to pay in respect of such Material Alteration(s) or Material Expansion(s) through the date of the certification have been paid in full or adequately provided for and, to the extent that such are customary and reasonably obtainable by prudent property owners in the area where the applicable Property is located, that Lien waivers have been obtained from the general contractor and subcontractors performing such Alteration(s) or Expansion(s) or at its sole cost and expense, Borrower shall cause a nationally recognized title insurance company to deliver to Lender an endorsement to the Title Policy, updating such policy and insuring over such Liens without further exceptions to such policy other than Permitted Encumbrances, or shall, at its sole cost and expense, cause a reputable title insurance company to deliver a lender's title insurance policy, in such form, in such amounts and with such endorsements as the Title Policy, which policy shall be dated the date of completion of the Material Alteration and shall contain no exceptions other than Permitted Encumbrances; provided , however , that if, for any reason, Borrower are unable to deliver the certification required by this clause (C) with respect to any costs or expenses relating to the Alteration(s) or Expansion(s), then, assuming Borrower are able to satisfy each of the other requirements set forth in clauses (A) and (B) above, Borrower shall be entitled to the release of the difference between the whole balance of such Eligible Collateral and the total of all costs and expenses to which Borrower are unable to certify; and

XII. ENVIRONMENTAL MATTERS

Section 12.1 Representations . Borrower hereby represents and warrants that except as set forth in the environmental reports and studies delivered to Lender (the **"Environmental Reports"**), (i) Borrower has not engaged in or knowingly permitted any operations or activities upon, or any use or occupancy of the Property, or any portion thereof, for the purpose of or in any way involving the handling, manufacture, treatment, storage, use, generation, release, discharge, refining, dumping or disposal of any Hazardous Materials on, under, in or about the Property, or transported any Hazardous Materials to, from or across the Property, except in all cases in material compliance with Environmental Laws and only in the course of legitimate business operations at the Property; (ii) to the Best of Borrower's Knowledge, no tenant, occupant or user of the Property, or any other Person, has engaged in or permitted any operations or activities upon, or any use or occupancy of the Property, or any portion thereof, for the purpose of or in any material way involving the handling, manufacture, treatment, storage, use, generation, release, discharge, refining, dumping or disposal of any Hazardous Materials on, in or about the Property, or transported any Hazardous Materials to, from or across the Property, except in all cases in material compliance with Environmental Laws and only in the course of legitimate business operations at the Property; (iii) to the Best of Borrower's Knowledge, no Hazardous Materials are presently constructed, deposited, stored, or otherwise located on, under, in or about the Property except in material compliance with Environmental Laws; (iv) to the Best of Borrower's Knowledge, no Hazardous Materials have migrated from the Property upon or beneath other properties which would reasonably be expected to result in material liability for Borrower; and (v) to the Best of Borrower's Knowledge, no Hazardous Materials have migrated or threaten to migrate from other properties upon, about or beneath the Property which would reasonably be expected to result in material liability for Borrower.

Section 12.2 Covenants . Compliance with Environmental Laws .

Subject to Borrower's right to contest under Section 7.3 , Borrower covenants and agrees with Lender that it shall comply with all Environmental Laws. If at any time during the

continuance of the Lien of the Security Instrument, a Governmental Authority having jurisdiction over the Property requires remedial action to correct the presence of Hazardous Materials in, around, or under the Property (an **"Environmental Event"**), Borrower shall deliver prompt notice of the occurrence of such Environmental Event to Lender. Within thirty (30) days after Borrower has knowledge of the occurrence of an Environmental Event, Borrower shall deliver to Lender an Officer's Certificate (an **"Environmental Certificate"**) explaining the Environmental Event in reasonable detail and setting forth the proposed remedial action, if any. Borrower shall promptly provide Lender with copies of all notices from any Governmental Authority which allege or identify any actual or potential violation or noncompliance received by or prepared by or for Borrower in connection with any Environmental Law. For purposes of this paragraph, the term "notice" shall mean any summons, citation, directive, order, claim, pleading, letter, application, filing, report, findings, declarations or other materials provided by any Governmental Entity pertinent to compliance of the Property and Borrower with such Environmental Laws.

Section 12.3 Environmental Reports . Upon the occurrence and during the continuance of an Environmental Event with respect to the Property or an Event of Default, Lender shall have the right to direct Borrower to obtain consultants reasonably approved by Lender to perform a comprehensive environmental audit of the Property. Such audit shall be conducted by an environmental consultant chosen by Lender and may include a visual survey, a record review, an area reconnaissance assessing the presence of hazardous or toxic waste or substances, PCBs or storage tanks at the Property, an asbestos survey of the Property, which may include random sampling of the Improvements and air quality testing, and such further site assessments as Lender may reasonably require due to the results obtained from the foregoing. Borrower grants Lender, its agents, consultants and contractors the right to enter the Property as reasonable or appropriate for the circumstances for the purposes of performing such studies and the reasonable cost of such studies shall be due and payable by Borrower to Lender upon demand and shall be secured by the Lien of the Security Instrument. Lender shall not unreasonably interfere with, and Lender shall direct the environmental consultant to use its commercially reasonable efforts not to hinder, Borrower's or any Tenant's, other occupant's or Manager's operations upon the Property when conducting such audit, sampling or inspections. By undertaking any of the measures identified in and pursuant to this Section 12.3 , Lender shall not be deemed to be exercising any control over the operations of Borrower or the handling of any environmental matter or hazardous wastes or substances of Borrower for purposes of incurring or being subject to liability therefor.

Section 12.4 Environmental Indemnification . Borrower shall protect, indemnify, save, defend, and hold harmless the Indemnified Parties from and against any and all liability, loss, damage, actions, causes of action, costs or expenses whatsoever (including reasonable attorneys' fees and expenses) and any and all claims, suits and judgments which any Indemnified Party may suffer, as a result of or with respect to: (a) any Environmental Claim relating to or arising from the Property; (b) the violation of any Environmental Law in connection with the Property; (c) any release, spill, or the presence of any Hazardous Materials affecting the Property; and (d) the presence at, in, on or under, or the release, escape, seepage, leakage, discharge or migration at or from, the Property of any Hazardous Materials, whether or not such condition was known or unknown to Borrower; provided that, in each case, Borrower shall be relieved of its obligation under this subsection if any of the matters referred to in

clauses (a) through (d) above did not occur (but need not have been discovered) prior to (1) the foreclosure of the Security Instrument, (2) the delivery by Borrower to Lender or its designee of a deed-in-lieu of foreclosure with respect to the Property, or (3) Lender's or its designee's taking possession and control of the Property after the occurrence of an Event of Default hereunder. If any such action or other proceeding shall be brought against Lender, upon written notice from Borrower to Lender (given reasonably promptly following Lender's notice to Borrower of such action or proceeding), Borrower shall be entitled to assume the defense thereof, at Borrower's expense, with counsel reasonably acceptable to Lender; provided , however , Lender may, at its own expense, retain separate counsel to participate in such defense, but such participation shall not be deemed to give Lender a right to control such defense, which right Borrower expressly retains. Notwithstanding the foregoing, each Indemnified Party shall have the right to employ separate counsel at Borrower's expense if, in the reasonable opinion of legal counsel, a conflict or potential conflict exists between the Indemnified Party and Borrower that would make such separate representation advisable. Borrower shall have no obligation to indemnify an Indemnified Party for damage or loss resulting from such Indemnified Party's gross negligence or willful misconduct.

Section 12.5 Recourse Nature of Certain Indemnifications . Notwithstanding anything to the contrary provided in this Agreement or in any other Loan Document, the indemnification provided in Section 12.4 shall be fully recourse to Borrower (but not its constituent parties) and shall be independent of, and shall survive, the discharge of the Indebtedness, the release of the Lien created by the Security Instrument, and/or the conveyance of title to the Property to Lender or any purchaser or designee in connection with a foreclosure of the Security Instrument or conveyance in lieu of foreclosure.

XIII. RESERVED

XIV. SECURITIZATION AND PARTICIPATION

Section 14.1 Sale of Note and Securitization . At the request of Lender and, to the extent not already required to be provided by Borrower under this Agreement, Borrower shall use reasonable efforts to satisfy the market standards which may be reasonably required in the marketplace or by the Rating Agencies in connection with the sale of the Note or participation therein as part of the first successful securitization (such sale and/or securitization, the **" Securitization "**) of rated single or multi-class securities (the **" Securities "**) secured by or evidencing ownership interests in the Note and this Agreement, including using reasonable efforts to do (or cause to be done) the following (but Borrower shall not in any event be required to incur, suffer or accept (except to a de minimis extent)) (i) any lesser rights or greater obligations or liability than as currently set forth in the Loan Documents and (ii) except as set forth in this Article XIV and other than payment by Borrower of any legal fees of Borrower and Sponsor, any expense or any liability:

14.1.1 Provided Information . (i) Provide, at the sole expense of the holder of the Note (other than legal fees of counsel to the Borrower and Sponsor), such non-confidential financial and other information (but not projections) with respect to the Property and Borrower and Manager to the extent such information is reasonably available to Borrower or Manager, (ii) provide, at the sole expense of the holder of the Note (other than legal

fees of counsel to the Borrower and Sponsor), business plans (but not projections) and budgets relating to the Property, to the extent prepared by the Borrower or Manager and (iii) cooperate with the holder of the Note (and its representatives) in obtaining, at the sole expense of the holder of the Note (other than legal fees of counsel to the Borrower and Sponsor), such site inspection, appraisals, market studies, environmental reviews and reports, engineering reports and other due diligence investigations of the Property, as may be reasonably requested by the holder of the Note or reasonably requested by the Rating Agencies (all information provided pursuant to this Section 14.1 together with all other information heretofore provided to Lender in connection with the Loan, as such may be updated, at Borrower's request, in connection with a Securitization, or hereafter provided to Lender in connection with the Loan or a Securitization, being herein collectively called the **"Provided Information"**);

14.1.2 Opinions of Counsel . Use reasonable efforts to cause to be rendered such customary updates or customary modifications to the Opinions of Counsel delivered at the closing of the Loan as may be reasonably requested by the holder of the Note or the Rating Agencies in connection with the Securitization. Borrower's failure to use reasonable efforts to deliver or cause to be delivered the opinion updates or modifications required hereby within twenty (20) Business Days after written request therefor shall constitute an **"Event of Default"** hereunder. To the extent any of the foregoing Opinions of Counsel were required to be delivered in connection with the closing of the Loan, any update thereof shall be at the expense of Lender and without cost to Borrower. Any such Opinions of Counsel that Borrower is reasonably required to cause to be delivered in connection with a Securitization (which the parties agree shall consist of a "Review Letter" and bring downs of the Opinions of Counsel delivered as of the date hereof which Borrower acknowledges will be required to be delivered by Borrower's counsel in connection with a Securitization taking into account the due diligence Borrower's counsel deems reasonably necessary to deliver such "Review Letter"). Borrower shall not be required to pay the cost of any reliance letters or new opinions to permit successor holders of the Loan or any interest therein to rely on the opinions delivered at Closing in connection with Securitization or assignments of the Loan.

14.1.3 Modifications to Loan Documents . Without cost to the Borrower (other than legal fees of counsel to the Borrower and Sponsor), execute such amendments to the organizational documents of Borrower, Security Instrument and Loan Documents as may be reasonably requested by Lender or the Rating Agencies in order to achieve the required rating or to effect the Securitization (including, without limitation, modifying the Payment Date, as defined in the Note, to a date other than as originally set forth in the Note), provided , that nothing contained in this Section 14.1.3 shall result in any economic or other adverse change in the transaction contemplated by the Security Instrument or the Loan Documents (unless Borrower is made whole by the holder of Note) or result in any operational changes that are burdensome to the Property, Operating Lessee, Manager or Borrower.

Section 14.2 Cooperation with Rating Agencies . Borrower shall, at Lender's expense (other than legal fees of counsel to the Borrower and Sponsor), (i) at Lender's request, meet with representatives of the Rating Agencies at reasonable times to discuss the business and operations of the Property, and (ii) cooperate with the reasonable requests of the Rating Agencies in connection with the Property. Until the Obligations are paid in full, Borrower shall provide the Rating Agencies with all financial reports required hereunder and such other information as

they shall reasonably request, including copies of any default notices or other material notices delivered to and received from Lender hereunder, to enable them to continuously monitor the creditworthiness of Borrower and to permit an annual surveillance of the implied credit rating of the Securities.

Section 14.3 Securitization Financial Statements . Borrower acknowledges that all such financial information delivered by Borrower to Lender pursuant to Article XI may, at Lender's option, be delivered to the Rating Agencies.

Section 14.4 Securitization Indemnification .

14.4.1 Disclosure Documents . Borrower understands that certain of the Provided Information may be included in disclosure documents in connection with the Securitization, including a prospectus or private placement memorandum or a public registration statement (each, a**"Disclosure Document"**) and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the**"Securities Act "**) or the Securities and Exchange Act of 1934, as amended (the**" Exchange Act"**), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, upon request, Borrower shall reasonably cooperate with the holder of the Note in updating the Provided Information for inclusion or summary in the Disclosure Document by providing all current information pertaining to Borrower and the Property reasonably requested by Lender.

14.4.2 Indemnification Certificate . In connection with each of (x) a preliminary and a private placement memorandum, or (y) a preliminary and final prospectus, as applicable, Borrower agrees to provide, at Lender's reasonable request, an indemnification certificate (at no cost to Borrower other than legal fees of counsel to the Borrower and Sponsor):

(a) certifying that Borrower has carefully examined those portions of such memorandum or prospectus, as applicable, reasonably designated in writing by Lender for Borrower's review pertaining to Borrower, the Property, the Loan and/or the Provided Information and insofar as such sections or portions thereof specifically pertain to Borrower, the Property, the Provided Information or the Loan (such portions, the **"Relevant Portions"**), the Relevant Portions do not (except to the extent specified by Borrower if Borrower does not agree with the statements therein), as of the date of such certificate, to the Best of Borrower's Knowledge, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading.

(b) indemnifying Lender and the Affiliates of Citigroup Global Markets Inc. (collectively,**"CGM"**) that have prepared the Disclosure Document relating to the Securitization, each of its directors, each of its officers who have signed the Disclosure Document and each person or entity who controls CGM within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the**"CGM Group"**), and CGM, together with the CGM Group, each of their respective directors and each person who controls CGM or the CGM Group, within the meaning of Section 15 of the Securities Act and Section 20

of the Exchange Act (collectively, the **"Underwriter Group"**) for any actual, out-of-pocket losses, third party claims, damages (excluding lost profits, diminution in value and other consequential damages) or liabilities arising out of third party claims (the **"Liabilities"**) to which any member of the Underwriter Group may become subject to the extent such Liabilities arise out of or are based upon any untrue statement of any material fact contained in the Relevant Portions and in the Provided Information or arise out of or are based upon the omission by Borrower to state therein a material fact required to be stated in the Relevant Portions in order to make the statements in the Relevant Portions in light of the circumstances under which they were made, not misleading (except that (x) Borrower's obligation to indemnify in respect of any information contained in a preliminary or final registration statement, private placement memorandum or preliminary or final prospectus shall be limited to any untrue statement or omission of material fact therein known to Borrower to the extent in breach of Borrower's certification made pursuant to clause (a) above and (y) Borrower shall have no responsibility for the failure of any member of the Underwriting Group to accurately transcribe written information supplied by Borrower or to include such portions of the Provided Information).

(c) Borrower's liability under clauses (a) and (b) above shall be limited to Liabilities arising out of or based upon any such untrue statement or omission made in a Disclosure Document in reliance upon and in conformity with information furnished to Lender by, or furnished at the direction and on behalf of, Borrower in connection with the preparation of those portions of the registration statement, memorandum or prospectus pertaining to Borrower, the Property or the Loan, including financial statements of Borrower and operating statements with respect to the Property. This indemnity agreement will be in addition to any liability which Borrower may otherwise have.

(d) Promptly after receipt by an indemnified party under this Article XIV of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Article XIV , notify the indemnifying party in writing of the commencement thereof, but the omission to so notify the indemnifying party will not relieve the indemnifying party from any liability which the indemnifying party may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the indemnifying party. In the event that any action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party. After notice from the indemnifying party to such indemnified party under this Article XIV of its assumption of such defense, the indemnifying party shall not be liable for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof; provided , however , if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there are any legal defenses available to it and/or other indemnified parties that are different from or in conflict with those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties at the expense of the indemnifying party. The indemnifying party shall not be liable for the expenses

of separate counsel unless an indemnified party shall have reasonably concluded that there may be legal defenses available to it that are different from or in conflict with those available to another indemnified party.

(e) In order to provide for just and equitable contribution in circumstances in which the indemnity provided for in this Article XIV is for any reason held to be unenforceable by an indemnified party in respect of any actual, out-of-pocket losses, claims, damages or liabilities relating to third party claims (or action in respect thereof) referred to therein which would otherwise be indemnifiable under this Article XIV , the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such actual, out of pocket losses, third party claims, damages or liabilities (or action in respect thereof) (but excluding damages for lost profits, diminution in value of the Property and consequential damages); provided , however , that no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution for Liabilities arising therefrom from any person who was not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the CGM Group's and Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; (iii) the limited responsibilities and obligations of Borrower as specified herein; and (iv) any other equitable considerations appropriate in the circumstances.

Section 14.5 Retention of Servicer . Lender reserves the right to retain the Servicer. Lender has advised Borrower that the Servicer initially retained by Lender shall be Wachovia Securities and Borrower shall pay any reasonable servicing fees, special servicing fees, trustee fees and any administrative fees and expenses of the Servicer, including, without limitation, reasonable attorney and other third-party fees and disbursements in connection with a prepayment, release of the Property, assumption or modification of the Loan or enforcement of the Loan Documents. Borrower shall also pay the ongoing standard monthly servicing fee.

XV. ASSIGNMENTS AND PARTICIPATIONS

Section 15.1 Assignment and Acceptance . At no incremental cost or liability to Borrower, Lender may assign to one or more Persons all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including, without limitation, all or a portion of the Note); provided that the parties to each such assignment shall execute and deliver to Lender, for its acceptance and recording in the Register (as hereinafter defined), an Assignment and Acceptance. In addition, at no incremental cost to Borrower, Lender may participate to one or more Persons all or any portion of its rights and obligations under this Agreement and the other Loan Documents (including without limitation, all or a portion of the Note) utilizing such documentation to evidence such participation and the parties' respective rights thereunder as Lender, in its sole discretion, shall elect.

Section 15.2 Effect of Assignment and Acceptance . Upon such execution, delivery, acceptance and recording, from and after the effective date specified in such Assignment and Acceptance, (i) the assignee thereunder shall be a party hereto and, to the extent

that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, have the rights and obligations of Lender, as the case may be, hereunder and such assignee shall be deemed to have assumed such rights and obligations, and (ii) Lender shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement and the other Loan Documents (and, in the case of an Assignment and Acceptance covering all or the remaining portion of Lender's rights and obligations under this Agreement and the other Loan Documents, Lender shall cease to be a party hereto) accruing from and after the effective date of the Assignment and Acceptance, except with respect to (A) any payments made by Borrower to Lender pursuant to the terms of the Loan Documents after the effective date of the Assignment and Acceptance and (B) any letter of credit, cash deposit or other deposits or security (other than the Lien of the Security Instrument and the other Loan Documents) delivered to or for the benefit of or deposited with Citigroup Global Markets Realty Corp., as Lender, for which Citigroup Global Markets Realty Corp. shall remain responsible for the proper disposition thereof until such items are delivered to a party who is qualified as an Approved Bank and agrees to hold the same in accordance with the terms and provisions of the agreement pursuant to which such items were deposited.

Section 15.3 Content . By executing and delivering an Assignment and Acceptance, Lender and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Documents or the execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, this Agreement or any other Loan Documents or any other instrument or document furnished pursuant hereto or thereto; (ii) Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of Borrower or the performance or observance by Borrower of any of its obligations under any Loan Documents or any other instrument or document furnished pursuant thereto; (iii) such assignee confirms that it has received a copy of this Agreement, together with copies of such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement and the other Loan Documents; (v) such assignee appoints and authorizes Lender to take such action as agent on its behalf and to exercise such powers and discretion under the Loan Documents as are delegated to Lender by the terms hereof together with such powers and discretion as are reasonably incidental thereto; and (vi) such assignee agrees that it will perform, in accordance with their terms, all of the obligations which by the terms of this Agreement and the other Loan Documents are required to be performed by Lender.

Section 15.4 Register . Borrower shall maintain a copy of each Assignment and Acceptance delivered to and accepted by it and a register for the recordation of the names and addresses of Lender and each assignee pursuant to this Article XV and the Principal Amount of the Loan owing to each such assignee from time to time (the **"Register"**). The entries in the Register shall, with respect to such assignees, be conclusive and binding for all purposes, absent

manifest error. The Register shall be available for inspection by Lender or any assignee pursuant to this Article XV at any reasonable time and from time to time upon reasonable prior written notice.

Section 15.5 Substitute Notes . Upon its receipt of an Assignment and Acceptance executed by an assignee, together with any Note or Notes subject to such assignment, Lender shall, if such Assignment and Acceptance has been completed and is in substantially the form of **Exhibit J** hereto, (i) accept such Assignment and Acceptance, (ii) record the information contained therein in the Register, and (iii) give prompt written notice thereof to Borrower. Within five (5) Business Days after its receipt of such notice, Borrower, at Lender's own expense, shall execute and deliver to Lender in exchange and substitution for the surrendered Note or Notes a new Note to the order of such assignee in an amount equal to the portion of the Loan assigned to it and a new Note to the order of Lender in an amount equal to the portion of the Loan retained by it hereunder. Such new Note or Notes shall be in an aggregate Principal Amount equal to the aggregate then outstanding principal amount of such surrendered Note or Notes, shall be dated the effective date of such Assignment and Acceptance and shall otherwise be in substantially the form of the Note (modified, however, to the extent necessary so as not to impose duplicative or increased obligations on Borrower and to delete obligations previously satisfied by Borrower). Notwithstanding the provisions of this Article XV , Borrower and Operating Lessee shall not be responsible or liable for any additional taxes, reserves, adjustments or other costs and expenses that are related to, or arise as a result of, any transfer of the Loan or any interest or participation therein that arise solely and exclusively from the transfer of the Loan or any interest or participation therein or from the execution of the new Note contemplated by this Section 15.5 , including, without limitation, any mortgage tax. Lender and/or the assignees, as the case may be, shall from time to time designate one agent through which Borrower shall request all approvals and consents required or contemplated by this Agreement and on whose statements Borrower, Operating Lessee and Sponsor may rely.

Section 15.6 Participations . Each assignee pursuant to this Article XV may sell participations to one or more Persons (other than Borrower or any of its Affiliates) in or to all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including, without limitation, all or a portion of the Note held by it); provided , however , that (i) such assignee's obligations under this Agreement and the other Loan Documents shall remain unchanged, (ii) such assignee shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) such assignee shall remain the holder of any such Note for all purposes of this Agreement and the other Loan Documents, and (iv) Borrower, Lender and the assignees pursuant to this Article XV shall continue to deal solely and directly with such assignee in connection with such assignee's rights and obligations under this Agreement and the other Loan Documents. In the event that more than one (1) party comprises Lender, Lender shall designate one party to act on the behalf of all parties comprising Lender in providing approvals and all other necessary consents under the Loan Documents and on whose statements Borrower, Operating Lessee and Sponsor may rely.

Section 15.7 Disclosure of Information . Any assignee pursuant to this Article XV may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Article XV , disclose to the assignee or participant or proposed assignee or participant, any information relating to Borrower furnished to such assignee by or on

behalf of Borrower; provided , however , that, prior to any such disclosure, the assignee or participant or proposed assignee or participant shall agree in writing for the benefit of Borrower to preserve the confidentiality of any confidential information received by it.

Section 15.8 Security Interest in Favor of Federal Reserve Bank . Notwithstanding any other provision set forth in this Agreement or any other Loan Document, any assignee pursuant to this Article XV may at any time create a security interest in all or any portion of its rights under this Agreement or the other Loan Documents (including, without limitation, the amounts owing to it and the Note or Notes held by it) in favor of any Federal Reserve Bank in accordance with Regulation A of the Board of Governors of the Federal Reserve System.

XVI. RESERVE ACCOUNTS

Section 16.1 Tax Reserve Account . In accordance with the time periods set forth in Section 3.1 , if an Event of Default shall have occurred and be continuing, if required under Section 3.1 , Borrower shall deposit into the Tax Reserve Account an amount equal to (a) one-twelfth of the annual Impositions that Lender reasonably estimates, based on the most recent tax bill for the Property, will be payable during the next ensuing twelve (12) months in order to accumulate with Lender sufficient funds to pay all such Impositions at least twenty (20) days prior to the imposition of any interest, charges or expenses for the non-payment thereof and (b) one-twelfth of the annual Other Charges that Lender reasonably estimates will be payable during the next ensuing twelve (12) months (said monthly amounts in (a) and (b) above hereinafter called the **"Monthly Tax Reserve Amount"**, and the aggregate amount of funds held in the Tax Reserve Account being the **"Tax Reserve Amount"**). As of the Closing Date, the Monthly Tax Reserve Amount is $0.00, but such amount is subject to adjustment by Lender in accordance with the provisions of Section 3.1 and this Section 16.1 . The Monthly Tax Reserve Amount shall be paid by Borrower to Lender on each Payment Date during the continuance of an Event of Default to the extent required to be paid hereunder. Lender will apply the Monthly Tax Reserve Amount to payments of Impositions and Other Charges required to be made by Borrower pursuant to Article V and Article VII and under the Security Instrument, subject to Borrower's right to contest Impositions in accordance with Section 7.3 . In making any payment relating to the Tax Reserve Account, Lender may do so according to any bill, statement or estimate procured from the appropriate public office, without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of funds in the Tax Reserve Account shall exceed the amounts due for Impositions and Other Charges pursuant to Article V and Article VII , Lender shall credit such excess against future payments to be made to the Tax Reserve Account. If at any time Lender reasonably determines that the Tax Reserve Amount is not or will not be sufficient to pay Impositions and Other Charges by the dates set forth above, Lender shall notify Borrower of such determination and Borrower shall increase its monthly payments to Lender by the amount that Lender reasonably estimates is sufficient to make up the deficiency at least thirty (30) days prior to the imposition of any interest, charges or expenses for the non-payment of the Impositions and Other Charges. Upon payment of the Impositions and Other Charges, Lender shall reassess the amount necessary to be deposited in the Tax Reserve Account for the succeeding period, which calculation shall take into account any excess amounts remaining in the Tax Reserve Account.

Section 16.2 Insurance Reserve Account . If an Event of Default shall have occurred and be continuing and if required as provided in Section 3.1 hereof, Borrower will immediately pay to Lender for transfer by Lender to the Holding Account (or if Borrower fails to so pay Lender, Lender will transfer from the Holding Account) an amount (the **"Insurance Reserve Amount"**) equal to payments of insurance premiums required to be made by Borrower to pay (or to reimburse Borrower or Operating Lessee for) the insurance required pursuant to Article VI and under the Security Instrument in accordance with the time periods set forth in Section 3.1 , an amount equal to one-twelfth of the insurance premiums that Lender reasonably estimates based on the most recent bill, will be payable for the renewal of the coverage afforded by the insurance policies upon the expiration thereof in order to accumulate with Lender sufficient funds to pay all such insurance premiums at least twenty (20) days prior to the expiration of the policies required to be maintained by Borrower pursuant to the terms hereof (said monthly amounts hereinafter called the **"Monthly Insurance Reserve Amount"**); provided , however , that immediately following an Insurance Reserve Trigger, Borrower will pay to Lender for transfer by Lender to the Insurance Reserve Account (or if Borrower fails to so pay Lender, Lender will transfer from the Holding Account) an amount equal to payments of insurance premiums required to be made by Borrower to pay (or to reimburse Borrower or Operating Lessee) for the insurance required pursuant to Article VI and under the Security Instrument. As of the Closing Date, the Monthly Insurance Reserve Amount is $0.00. The Monthly Insurance Reserve Amount, if same is payable pursuant to Section 3.1 and this Section 16.2 , shall be paid by Borrower to Lender on each Payment Date. Lender will apply the Monthly Insurance Reserve Amount to payments of insurance premiums required to be made by Borrower to pay for the insurance required pursuant to Article VI and under the Security Instrument. In making any payment relating to the Insurance Reserve Account, Lender may do so according to any bill, statement or estimate procured from the insurer or agent, without inquiry into the accuracy of such bill, statement or estimate or into the validity thereof. If at any time Lender reasonably determines that the Insurance Reserve Amount is not or will not be sufficient to pay insurance premiums (up to a maximum amount equal to the aggregate annual insurance premium required hereunder), Lender shall notify Borrower of such determination and Borrower shall increase the Insurance Reserve Amount by the amount that Lender reasonably estimates is sufficient to make up the deficiency at least thirty (30) days prior to expiration of the applicable insurance policies. Upon payment of such insurance premiums, Lender shall reassess the amount necessary to be deposited in the Insurance Reserve Account for the succeeding period, which calculation shall take into account any excess amounts remaining in the Insurance Reserve Account.

Section 16.3 Intentionally Deleted .

Section 16.4 FF&E Reserve Account . In accordance with Section 3.1 , and during any period when Manager is not reserving for FF&E pursuant to the terms of the Management Agreement, upon the request of Borrower, Lender will, within fifteen (15) Business Days (or such shorter time as may be appropriate in Lender's reasonable discretion during emergency situations identified to Lender by Borrower in writing) after the receipt of such request and the satisfaction of the other conditions set forth in this Section, cause disbursements to Operating Lessee from the FF&E Reserve Account to pay or to reimburse Operating Lessee or Manager for actual costs incurred in connection with capital expenditures relating to FF&E at the Property (to the extent such expenditures are permitted hereunder), provided that (A) Lender has

received invoices evidencing that the costs for which such disbursements are requested are due and payable and are in respect of capital expenditures relating to FF&E at the property, (B) Operating Lessee has applied any amounts previously received by it in accordance with this Section for the expenses to which specific draws made hereunder relate and received any Lien waivers or other releases which would customarily be obtained with respect to the work in question and (C) Lender has received an Officer's Certificate confirming that the conditions in the foregoing clauses (A) and (B) have been satisfied and that the copies of invoices and evidence of Lien waivers (to the extent required above) attached to such Officer's Certificate are true, complete and correct.

Section 16.5 Condominium Charges Reserve Account . In accordance with the time periods set forth in Section 3.1 , if an Event of Default shall have occurred and be continuing, if required under Section 3.1 , Borrower shall deposit into the Condominium Charges Reserve Account an amount equal to the amount of Condominium Charges that will be payable under the Condominium Documents for the next calendar month after the relevant Payment Date (such amounts so deposited shall hereinafter be referred to as the "**Condominium Reserve Funds**"). Such deposit may be increased by Lender in the amount Lender deems is necessary in its reasonable discretion based on any increases in the Condominium Charges. Provided no Event of Default has occurred and is continuing, Lender shall apply the Condominium Reserve Funds to payments of Condominium Charges. In making any payment relating to Condominium Charges, Lender may do so according to any bill or statement given by the Condominium Association without inquiry into the accuracy of such bill or statement or into the validity of any rent, additional rent or other charge thereof. If the amount of the Condominium Reserve Funds shall exceed the amounts due for Condominium Charges, Lender shall, in its sole discretion, either (a) return any excess to Borrower or (b) credit such excess against future payments to be made to the Condominium Reserve Funds. Any Condominium Reserve Funds remaining after the Indebtedness has been paid in full shall be returned to Borrower.

Section 16.6 Letter of Credit Provisions .

16.6.1 Delivery of Letter of Credit . In lieu of maintaining on deposit all or any portion of the funds in the Low Debt Service Reserve Account with Lender pursuant to Section 16.4 , Borrower shall have the right to deliver a Letter of Credit in the amount of all or any portion of the amounts on deposit with Lender from time to time under Sections 16.4 .

16.6.2 Reduction of Letter of Credit. In the event that Borrower elects to deliver the Letter of Credit to Lender under the terms of Section 16.4.1 , Lender agrees to permit the reduction from time to time of the outstanding amount of the Letter of Credit by (i) the amount of cash funds delivered to Lender as reserve funds by Borrower in place of such Letter of Credit, and (ii) the amount that Borrower would otherwise be entitled to receive as a disbursement from the applicable reserve account pursuant to Section 16.4 .

16.6.3 Security for Debt . Each Letter of Credit delivered under this Agreement shall be additional security for the payment of the Indebtedness. Upon the occurrence and during the continuance of an Event of Default, Lender shall have the right, at its option, to draw on any Letter of Credit and to apply all or any part thereof to the payment of the items for which such Letter of Credit was established or to apply each such Letter of Credit to payment of the Indebtedness in such order, proportion or priority as Lender may determine.

16.6.4 Additional Rights of Lender . In addition to any other right Lender may have to draw upon a Letter of Credit pursuant to the terms and conditions of this Agreement, Lender shall have the additional rights to draw in full any Letter of Credit: (a) if Lender has received a notice from the issuing bank that the Letter of Credit will not be renewed and a substitute Letter of Credit is not provided at least thirty (30) days prior to the date on which the outstanding Letter of Credit is scheduled to expire; (b) upon receipt of notice from the issuing bank that the Letter of Credit will be terminated (except if a substitute Letter of Credit is provided); or (c) if Lender has received notice that the bank issuing the Letter of Credit shall cease to be an Approved Bank (unless an alternative Approved Bank issues an equivalent Letter of Credit within fifteen (15) days of Borrower's receipt of notice of same). Notwithstanding anything to the contrary contained in the above, Lender is not obligated to draw any Letter of Credit upon the happening of an event specified in (a), (b) or (c) above and shall not be liable for any losses sustained by Borrower due to the insolvency of the bank issuing the Letter of Credit if Lender has not drawn the Letter of Credit.

Section 17.2 Remedies . Such rights and remedies shall include, without limitation, the right to exercise all voting, consent, managerial and other rights relating to the Condominium, whether in Borrower's name or otherwise, and the right to exercise Borrower's rights in the Condominium, including, without limitation, voting to elect members of the Board of Managers and voting to amend the Condominium Documents. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender shall not be subject to any one action or election of remedies law or rule and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Property and the Security Instrument has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Indebtedness or the Indebtedness has been paid in full.

(b) Upon the occurrence and during the continuance of an Event of Default, with respect to the Account Collateral, the Lender may:

(i) subject to the terms of the Subordination of Operating Lease and/or Manager Subordination Agreements, without notice to Borrower, except as required by law, and at any time or from time to time, charge, set-off and otherwise apply all or any part of the Account Collateral against the Obligations, Operating Expenses and/or Capital Expenditures for the Property or any part thereof;

(iii) subject to the terms of the Subordination of Operating Lease and/or Manager Subordination Agreements, demand, collect, take possession of or receipt for, settle, compromise, adjust, sue for, foreclose or realize upon the Account Collateral (or any portion thereof) as Lender may determine in its sole discretion; and

(iv) take all other actions provided in, or contemplated by, this Agreement.

(c) With respect to Borrower, the Account Collateral, the Rate Cap Collateral and the Property, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to the Property for the satisfaction of any of the Indebtedness, and Lender may seek satisfaction out of the Property or any part thereof, in its absolute discretion in respect of the Indebtedness. In addition, Lender shall have the right from time to time to partially foreclose this Agreement and the Security Instrument in any manner and for any amounts secured by this Agreement or the Security Instrument then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the

payment of one or more scheduled payments of principal or interest, Lender may foreclose this Agreement and the Security Instrument to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose this Agreement and the Security Instrument to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by this Agreement or the Security Instrument as Lender may elect. Notwithstanding one or more partial foreclosures, the Property shall remain subject to this Agreement and the Security Instrument to secure payment of sums secured by this Agreement and the Security Instrument and not previously recovered.

Section 17.3 Remedies Cumulative; Waivers . The rights, powers and remedies of Lender under this Agreement and the Security Instrument shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower or any Sponsor shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or any Sponsor or to impair any remedy, right or power consequent thereon.

Section 17.4 Costs of Collection . In the event that after an Event of Default: (i) the Note or any of the Loan Documents is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding; (ii) an attorney is retained to represent Lender in any bankruptcy, reorganization, receivership, or other proceedings affecting creditors' rights and involving a claim under the Note or any of the Loan Documents; or (iii) an attorney is retained to protect or enforce the lien or any of the terms of this Agreement, the Security Instrument or any of the Loan Documents; then Borrower shall pay to Lender all reasonable attorney's fees, costs and expenses actually incurred in connection therewith, including costs of appeal, together with interest on any judgment obtained by Lender at the Default Rate.

XVIII. SPECIAL PROVISIONS

Section 18.1 Exculpation .

Anything contained herein, in the Note or in any other Loan Document to the contrary notwithstanding (except as set forth in the balance of this Section 18.1 or in the Environmental Indemnity), no recourse shall be had for the payment of the principal or interest on the Note or for any other portion of the Indebtedness hereunder or under the other Loan Documents against (i) any Affiliate, parent company, trustee or advisor of Borrower or owner of a direct or indirect Beneficial or equitable interest in Borrower or Sponsor, any member in Borrower, or any partner, shareholder or member therein (other than against Sponsor pursuant to the Sponsor Indemnity Agreement); (ii) any legal representative, heir, estate, successor or assign of any thereof; (iii) any corporation (or any officer, director, employee or shareholder thereof),

individual or entity to which any ownership interest in Borrower shall have been transferred; (iv) any purchaser of any asset of Borrower; or (v) any other Person (except Borrower), for any deficiency or other sum owing with respect to the Note or the Indebtedness. It is understood that the Note and the Indebtedness (except as set forth in the balance of this Section 18.1 and in the Environmental Indemnity) may not be enforced against any Person described in clauses (i) through (v) above (other than against Sponsor pursuant to the Sponsor Indemnity Agreement as set forth in clause (i) above) and Lender agrees not to sue or bring any legal action or proceeding against any such Person in such respect. Notwithstanding the foregoing, the foregoing shall not: (a) prevent recourse to the Borrower or the assets of Borrower, or enforcement of the Security Instrument or other instrument or document by which Borrower is bound pursuant to the Loan Documents; (b) estop Lender from instituting or prosecuting a legal action or proceeding or otherwise making a claim against Borrower as a result of any of the following or against the Person or Persons committing any of the following: (i) fraud or intentional misrepresentation by Borrower or Operating Lessee in connection with the Loan, (ii) the misappropriation by Borrower or Operating Lessee or any Affiliate of Borrower or Operating Lessee of any Proceeds (including, without limitation, any Rents and any security deposits), (iii) the breach of any representation, warranty, covenant or indemnification provision in the Environmental Indemnity, (iv) any transfer in violation of Section 8 or otherwise violate the provisions of such Section 8 , (v) any loss, damage, cost or expense incurred by or on behalf of Lender by reason of all or any part of the Property, the Collection Account, the Holding Account, the Collateral Accounts or the Interest Rate Cap Agreement being encumbered by a Lien (other than pursuant to the Loan Documents in favor of Lender) in violation of the Loan Documents, (vi) physical damage to any Property from intentional waste committed by Borrower or Operating Lessee or any Affiliate of Borrower or Operating Lessee, (vii) any loss, damage, cost or expense incurred by or on behalf of Lender by reason of the failure of Borrower and/or Operating Lessee to comply with any of the provisions of Section XIV hereof, (viii) any and all liabilities, obligations, losses, damages, costs and expenses (including, without limitation, reasonable attorneys' fees, causes of action, suits, claims, demands and adjustments of any nature or description whatsoever) which may at any time be imposed upon, incurred by or awarded against Lender, in the event (and arising out of such circumstances) that (x) Borrower should raise any defense, counterclaim and/or allegation in any foreclosure action by Lender relative to the Property, the Collection Account, the Holding Account, the Collateral Accounts or assignment of Borrower's rights to the Interest Rate Cap Agreement (including the right to receive any proceeds derived therefore) or any part thereof which is found by a court to have been raised by Borrower or Operating Lessee in bad faith or to be wholly without basis in fact or law, or (y) an involuntary case is commenced against Borrower or Operating Lessee under the Bankruptcy Code with the collusion of Borrower or Operating Lessee, Sponsor or any of their Affiliates or (z) an order for relief is entered with respect to Borrower or Operating Lessee under the Bankruptcy Code through the actions of Borrower or Operating Lessee, Sponsor or any of their Affiliates; or (ix) attorney's fees, costs and expenses incurred by Lender, its agent or any servicer of the Loan in connection with any successful suit by Lender to enforce the terms of the Loan Documents; or (c) estop Lender from enforcing its rights under the indemnity agreement being executed concurrently herewith by the Sponsor in favor of the Lender, for losses caused by any of the foregoing items set forth in section (b) above. Borrower hereby agrees that notwithstanding any provision to the contrary herein or in any other Loan Document, to the extent otherwise permitted by law, its obligations pursuant to clause (b)(ix) of this Section shall survive the full repayment of the Loan and/or the passage of title to all or any portion of the Property to Lender.

BORROWER ACKNOWLEDGES THAT IT HAS CONSULTED WITH LEGAL COUNSEL REGARDING THE MEANING OF THIS WAIVER AND ACKNOWLEDGES THAT THIS WAIVER IS AN ESSENTIAL INDUCEMENT FOR THE MAKING OF THE LOAN. THIS WAIVER SHALL SURVIVE THE REPAYMENT OF THE LOAN.

Section 19.8 Headings . The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 19.9 Severability . Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

Section 19.10 Preferences . To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

Section 19.11 Waiver of Notice . Borrower shall not be entitled to any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. Borrower hereby expressly waives

the right to receive any notice from Lender with respect to any matter for which this Agreement or the other Loan Documents do not specifically and expressly provide for the giving of notice by Lender to Borrower.

Section 19.12 Expenses; Indemnity . (a) Except as may be otherwise expressly set forth in the Loan Documents, Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender upon receipt of written notice from Lender for all reasonable costs and expenses (including reasonable attorneys' fees and disbursements) incurred by Lender in connection with (i) the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower (including without limitation any opinions requested by Lender pursuant to this Agreement); (ii) Lender's ongoing performance of and compliance with all agreements and conditions contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date; (iii) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters as required herein or under the other Loan Documents; (iv) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement; (v) the filing and recording fees and expenses, mortgage recording taxes, title insurance and reasonable fees and expenses of counsel for providing to Lender all required legal opinions, and other similar expenses incurred in creating and perfecting the Lien in favor of Lender pursuant to this Agreement and the other Loan Documents; (vi) enforcing or preserving any rights, in response to third party claims or the prosecuting or defending of any action or proceeding or other litigation, in each case against, under or affecting Borrower, this Agreement, the other Loan Documents, the Property, or any other security given for the Loan; (vii) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other Loan Documents or with respect to the Property or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a work-out or of any insolvency or bankruptcy proceedings and (viii) procuring insurance policies pursuant to Section 6.1.11 ; provided , however , that Borrower shall not be liable for the payment of any such costs and expenses to the extent the same arise (A) by reason of the gross negligence, illegal acts, fraud or willful misconduct of Lender or (B) in connection with any action taken under Article IV or a Securitization, other than the Borrower's internal administrative costs. Any cost and expenses due and payable to Lender may be paid from any amounts in the Collection Account or the Holding Account if same are not paid by Borrower within ten (10) Business Days after receipt of written notice from Lender.

(b) Subject to the non-recourse provisions of Section 18.1 , Borrower shall protect, indemnify and save harmless Lender, and all officers, directors, stockholders, members, partners, employees, agents, successors and assigns thereof (collectively, the Indemnified Parties) from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses (including all reasonable attorneys' fees and expenses actually incurred) imposed upon or incurred by or asserted against the Indemnified Parties or the Property or any part of its interest therein, by reason of the occurrence or existence of any of the following (to the extent Proceeds payable on account of the following shall be inadequate; it being understood that in no event will the Indemnified Parties be required to actually pay or incur any costs or expenses as a condition to the effectiveness of the foregoing indemnity) prior to (i) the

acceptance by Lender or its designee of a deed-in-lieu of foreclosure with respect to the Property, or (ii) an Indemnified Party or its designee taking possession or control of the Property or (iii) the foreclosure of the Security Instrument, except to the extent caused by the willful misconduct or gross negligence of the Indemnified Parties (other than such willful misconduct or gross negligence imputed to the Indemnified Parties because of their interest in the Property): (1) ownership of Borrower's interest in the Property, or any interest therein, or receipt of any Rents or other sum therefrom, (2) any accident, injury to or death of any persons or loss of or damage to property occurring on or about the Property or any Appurtenances thereto, (3) any design, construction, operation, repair, maintenance, use, non-use or condition of the Property or Appurtenances thereto, including claims or penalties arising from violation of any Legal Requirement or Insurance Requirement, as well as any claim based on any patent or latent defect, whether or not discoverable by Lender, any claim the insurance as to which is inadequate, and any Environmental Claim, (4) any Default under this Agreement or any of the other Loan Documents or any failure on the part of Borrower to perform or comply with any of the terms of any Lease within the applicable notice or grace periods, (5) any performance of any labor or services or the furnishing of any materials or other property in respect of the Property or any part thereof, (6) any negligence or tortious act or omission on the part of Borrower or any of its agents, contractors, servants, employees, sublessees, licensees or invitees, (7) any contest referred to in Section 7.3 hereof, (8) any obligation or undertaking relating to the performance or discharge of any of the terms, covenants and conditions of the landlord contained in the Leases, or (9) except as may be expressly limited herein, the presence at, in or under the Property or the Improvements of any Hazardous Materials in violation of any Environmental Law. Any amounts the Indemnified Parties are legally entitled to receive under this Section which are not paid within fifteen (15) Business Days after written demand therefor by the Indemnified Parties or Lender, setting forth in reasonable detail the amount of such demand and the basis therefor, shall bear interest from the date of demand at the Default Rate, and shall, together with such interest, be part of the Indebtedness and secured by the Security Instrument. In case any action, suit or proceeding is brought against the Indemnified Parties by reason of any such occurrence, Borrower shall at Borrower's expense resist and defend such action, suit or proceeding or will cause the same to be resisted and defended by counsel at Borrower's reasonable expense for the insurer of the liability or by counsel designated by Borrower (unless reasonably disapproved by Lender promptly after Lender has been notified of such counsel); provided , however , that nothing herein shall compromise the right of Lender (or any Indemnified Party) to appoint its own counsel at Borrower's expense for its defense with respect to any action which in its reasonable opinion presents a conflict or potential conflict between Lender and Borrower that would make such separate representation advisable; provided , further , that if Lender shall have appointed separate counsel pursuant to the foregoing, Borrower shall not be responsible for the expense of additional separate counsel of any Indemnified Party unless in the reasonable opinion of Lender a conflict or potential conflict exists between such Indemnified Party and Lender. So long as Borrower is resisting and defending such action, suit or proceeding as provided above in a prudent and commercially reasonable manner, Lender and the Indemnified Parties shall not be entitled to settle such action, suit or proceeding without Borrower's consent which shall not be unreasonably withheld, delayed or conditioned, and claim the benefit of this Section with respect to such action, suit or proceeding and Lender agrees that it will not settle any such action, suit or proceeding without the consent of Borrower; provided , however , that if Borrower is not diligently defending such action, suit or proceeding in a prudent and commercially reasonable

manner as provided above, and Lender has provided Borrower with thirty (30) days' prior written notice, or shorter period if mandated by the requirements of applicable law, and opportunity to correct such determination, Lender may settle such action, suit or proceeding and claim the benefit of this Section 19.12 with respect to settlement of such action, suit or proceeding. Any Indemnified Party will give Borrower prompt notice after such Indemnified Party obtains actual knowledge of any potential claim by such Indemnified Party for indemnification hereunder. The Indemnified Parties shall not settle or compromise any action, proceeding or claim as to which it is indemnified hereunder without notice to Borrower.

Section 19.13 Exhibits and Schedules Incorporated . The Exhibits and Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 19.14 Offsets, Counterclaims and Defenses . Any assignee of Lender's interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

Section 19.15 Liability of Assignees of Lender . No assignee of Lender shall have any personal liability, directly or indirectly, under or in connection with this Agreement or any other Loan Document or any amendment or amendments hereto made at any time or times, heretofore or hereafter, any different than the liability of Lender hereunder. In addition, no assignee shall have at any time or times hereafter any personal liability, directly or indirectly, under or in connection with or secured by any agreement, lease, instrument, encumbrance, claim or right affecting or relating to the Property or to which the Property is now or hereafter subject any different than the liability of Lender hereunder. The limitation of liability provided in this Section 19.15 is (i) in addition to, and not in limitation of, any limitation of liability applicable to the assignee provided by law or by any other contract, agreement or instrument, and (ii) shall not apply to any assignee's gross negligence or willful misconduct.

Section 19.16 No Joint Venture or Partnership; No Third Party Beneficiaries . (a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Property other than that of mortgagee, beneficiary or lender.

(b) This Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require

satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

Section 19.17 Publicity . All news releases, publicity or advertising by Borrower or its Affiliates through any media intended to reach the general public which refers to the Loan Documents or the financing evidenced by the Loan Documents, to Lender, or any of its Affiliates shall be subject to the prior written approval of Lender.

Section 19.18 Waiver of Marshalling of Assets . To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's shareholders and others with interests in Borrower and of the Property, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Property for the collection of the Indebtedness without any prior or different resort for collection or of the right of Lender to the payment of the Indebtedness out of the net proceeds of the Property in preference to every other claimant whatsoever.

Section 19.19 Waiver of Counterclaim and Other Actions . Borrower hereby expressly and unconditionally waives, in connection with any suit, action or proceeding brought by Lender on this Agreement, the Note, the Security Instrument or any Loan Document, any and every right it may have to (i) interpose any counterclaim therein (other than a counterclaim which can only be asserted in the suit, action or proceeding brought by Lender on this Agreement, the Note, the Security Instrument or any Loan Document and cannot be maintained in a separate action) and (ii) have any such suit, action or proceeding consolidated with any other or separate suit, action or proceeding.

Section 19.20 Conflict; Construction of Documents; Reliance . In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents, the provisions of this Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

Section 19.21 Prior Agreements . This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, are superseded by the terms of this Agreement and the other Loan Documents and unless specifically set forth in a writing contemporaneous herewith the terms, conditions and provisions of any and all such prior agreements do not survive execution of this Agreement.

Section 19.22 Counterparts . This Agreement may be executed in multiple counterparts, each of which shall constitute an original, but all of which shall constitute one document.

Section 19.23 Joint and Several Liability . If Borrower or Sponsor consists of more than one person, the obligations and liabilities of each such person hereunder and under the other Loan Documents shall be joint and several.

(i) contravene any law, statute or regulation of the United States of America or the State of New York or any agency or political subdivision of either thereof;

(ii) violate any order, writ, injunction, or decree of which, after due inquiry, counsel has actual knowledge, issued by any court or governmental authority of the United States of America or the State of New York or any agency or political subdivision of either thereof to which such Loan Party is subject; or

(iii) conflict with or result in any breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any lien other than the lien of the Loan Documents upon any of the assets or properties of such Loan Party pursuant to the terms of any material indenture, mortgage, deed of trust, agreement, contract or instrument to which such Loan Party is a party or by which it or any of its assets or properties is bound.

(c) No order, consent, approval, license or authorization of, or filing, recording or registration with, any governmental or public body or authority of the United States of America or the State of New York or any agency or political subdivision of either thereof is required in connection with the execution and delivery of any of the Loan Documents, the validity, binding effect or enforceability of any of the Loan Documents or the consummation of the transactions contemplated thereby.

(d) There are no actions, suits or proceedings by or before any court, governmental or regulatory authority or agency of which, after due inquiry, we have actual

knowledge pending or threatened against or affecting any Loan Party or Borrower's rights with respect to the Property wherein an adverse ruling or decision, individually or collectively with other such actions, suits or proceedings, is reasonably likely (i) to affect materially and adversely the ability of any Loan Party to consummate the transactions contemplated by the Loan Documents or to perform its obligations under any of the Loan Documents, or (ii) to result in a challenge to the legality, validity, binding effect or enforceability of any of the Loan Documents.

(e) The payment by Borrower and receipt by Lender of all principal and interest will not violate the usury laws of the State of New York or otherwise constitute unlawful interest.

(f) The provisions of the Loan Agreement and the Security Instrument are effective to create, in favor of Lender to secure the obligations purported to be secured thereby, a valid security interest in Borrower's rights in the UCC Collateral.

(g) Under New York UCC, the provisions of the Account Agreement are effective to perfect the security interest of Lender in Borrower's rights in the Collateral Accounts (as defined in the Account Agreement).

(c) The Security Instrument is in proper form so as to comply with recording requirements of the State of [*Relevant State*]. The Security Instrument creates in favor of Lender valid liens on the portion of the Property that are located in the State of [*Relevant States*], securing payment of the Obligations (as defined in the Security Instrument), and no further action will be required for the valid creation of such liens. Upon recordation in the office of the [*Recording Office*] the Security Instrument will provide constructive notice of the terms thereof and the liens created thereby to third parties acquiring interests in the portion of the Property that are located in the State of [*Relevant States*] subsequent to such recordation.

(f) The Fixture Financing Statement includes not only all the types of information required by Section 9-502(a) and 9-502(b) of the [*Relevant States*] UCC but also the types of information without which the Fixture Filing Office may refuse to accept the Fixture Financing Statement pursuant to Section 9-516 of the State of [*Relevant States*] UCC.

(g) Under the [*Relevant States*] UCC, the security interest of the Secured Party will be perfected in Borrower's rights in any Fixture Collateral located on the real property described on Schedule 1 to the Fixture Financing Statement upon the later of the attachment of the security interest and the filing of the Fixture Financing Statement in the Fixture Filing Office.

(h) Borrower has paid all recording tax due in connection with the recording of the Security Instrument and the Assignment of Leases. No additional deed of trust recording, intangibles tax, documentary stamp tax or similar taxes or charges, other than nominal recordation or filing fees, are required to be paid as a condition of the legality of enforceability of the Security Instrument or the Assignment of Leases.

(i) The State of [*Relevant States*] has no law pursuant to which a lien against any assets or properties of Borrower (whether real, personal, mixed, tangible or intangible) superior to the lien created by the Security Instrument could arise as a result of a violation of environmental laws or regulations of such State. No environmental law or regulation of the State of [*Relevant States*] would require any remedial or removal action or certification of nonapplicability as a condition to the granting of the Security Instrument, the foreclosure or other enforcement of the Loan Documents or the sale of any assets or properties of Borrower (whether real, personal, mixed, tangible or intangible) located in the State of [*Relevant States*].

(j) No order, consent, approval, license or authorization of, or filing, recording or registration with, any governmental or public body or authority of the United States of America or the State of [*Relevant States*] or any agency or political subdivision of either thereof is required in connection with the execution and delivery of any of the Loan Documents, the validity, binding effect or enforceability of any of the Loan Documents or the consummation of the transactions contemplated thereby.

(k) There are no actions, suits or proceedings by or before any court, governmental or regulatory authority or agency of which, after due inquiry, we have actual knowledge pending or threatened against or affecting any Loan Party or Borrower's rights with respect to the Property wherein an adverse ruling or decision, individually or collectively with other such actions, suits or proceedings, is reasonably likely (i) to affect materially and adversely the ability of any Loan Party to consummate the transactions contemplated by the Loan Documents or to perform its obligations under any of the Loan Documents, or (ii) to result in a challenge to the legality, validity, binding effect or enforceability of any of the Loan Documents.

(l) If the Obligations (as defined in the Security Instrument) were to be governed by the laws of the State of [*Relevant States*], the payment by Borrower and receipt by

Lender of all principal and interest will not violate the usury laws of the State of [*Relevant States*] or otherwise constitute unlawful interest.

(m) A federal court sitting in the State of [*Relevant States*] and applying the conflict of law rules of the State of [*Relevant States*], and the state courts in the State of [*Relevant States*], would give effect to the choice of law provisions contained in the Loan Documents. If counsel is not able to give this opinion as an unqualified opinion, an opinion that the Loan Agreement and Note would be enforceable under the law of the State of [*Relevant States*] if such law were held to apply will be required.

(n) The operation of any term of the Loan Documents, including, without limitation, the terms regarding late charges, default interest or prepayment premiums, or the lawful exercise of any right thereunder, shall not render the Loan Documents unenforceable, in whole or in part, or subject to any right of rescission, set-off, counterclaim or defense.

5. The Opinion shall be addressed to Lender and its successors and assigns and shall state that it may be relied upon by (i) any assignee of Lender's interest in the Loan, (ii) any servicer of the Loan, (iii) any purchaser of the Loan or any portion thereof in any Securitization, (iv) any Rating Agency involved in a Securitization of the Loan, (v) the issuer of securities in a Securitization of the Loan, and (vi) any trustee or servicer appointed in connection with a Securitization of the Loan.

EXHIBIT E

NON-CONSOLIDATION OPINION REQUIREMENTS

1. The Nonconsolidation Opinion shall be delivered on the Closing Date and shall satisfy all applicable requirements of the Rating Agencies in relation thereto.

2. The Nonconsolidation Opinion shall be given by a professional law firm selected by Borrower and reasonably acceptable to Lender.

3. The Nonconsolidation Opinion shall be in form and substance acceptable to Lender and shall be given in relation to both Borrower and any other SPE Entity relevant to the Loan. The Nonconsolidation Opinion shall identify each entity (a "Relevant Entity") which owns more than a 49% direct or indirect interest in either Borrower and/or such SPE Entity. Depending on the circumstances and nature of the transaction structure, a non-affiliated entity, such as a third party property manager, shall be included as a Relevant Entity if required by the Rating Agencies.

4. The Nonconsolidation Opinion shall state that, in the event that any Relevant Entity were to be a debtor in a case under the Bankruptcy Code, it is counsel's opinion that, under present reported decisional authority and statutes applicable to federal bankruptcy cases, in a properly presented and argued case, a court would not, in the proper exercise of its equitable discretion, disregard the separate existence of Borrower or any SPE Entity so as to order substantive consolidation under the Bankruptcy Code of the assets and liabilities of such Relevant Entity with the assets and liabilities of either Borrower or any SPE Entity and treat such assets and liabilities as though either Borrower and such Relevant Entity or any SPE Entity and such Relevant Entity were one entity.

5. The Nonconsolidation Opinion shall be addressed to Lender and its successors and assigns and shall state that it may be relied upon by (i) any assignee of Lender's interest in the Loan, (ii) any participant of Lender's interest in the Loan, (iii) any servicer of the Loan, (iv) any purchaser of the Loan or any portion thereof in any Securitization, (v) any Rating Agency involved in a Securitization of the Loan, (vi) the issuer of securities in a Securitization of the Loan, and (vii) any trustee or servicer appointed in connection with a Securitization of the Loan.

DELAWARE BANKRUPTCY OPINIONS

As a general rule, the following opinions are required with respect to any single-member Delaware limited liability companies (having independent members/managers) in the organizational structure:

1. An opinion of Delaware counsel that federal bankruptcy court would hold that Delaware law, and not federal law, governs the determination of what persons or entities have authority to file a voluntary bankruptcy petition on behalf of the limited liability company.

2. Opinions of Delaware counsel as follows:

a. The limited liability company agreement constitutes a legal, valid and binding agreement of its member, and is enforceable against such member, in accordance with its terms.

b. In order for a voluntary bankruptcy petition to be filed on behalf of the Company, the unanimous consent of all of the independent managers/members is required and the provision requiring such unanimous consent in the limited liability company agreement constitutes a legal, valid and binding agreement of the member, enforceable against the member, in accordance with its terms.

c. The bankruptcy or dissolution of the limited liability company's sole member will not, by itself, cause the limited liability company to be dissolved or its affairs to be wound up.

d. A judgment creditor of the member may not satisfy its claims against the member by asserting a claim against the assets of the limited liability company.

e. The limited liability company is a separate legal entity, and shall continue as such until the cancellation of the limited liability company certificate.

(c) All consents, authorizations and approvals required for the execution and delivery by Interest Rate Cap Guarantor of the Interest Rate Cap Guaranty, and any other agreement which Interest Rate Cap Guarantor has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been obtained and remain in full force and effect, all conditions thereof have been duly complied with, and no other action by, and no notice to or filing with any governmental authority or regulatory body is required for such execution, delivery or performance.

6. THIS AGREEMENT made as of this___ day of_____ , 200___ , between CITIGROUP GLOBAL MARKETS REALTY CORP., a New York corporation, having an address at 388 Greenwich Street, New York, New York 10013 (hereinafter called "Lender"), and_____, a_____, having an address at_____(hereinafter called "Tenant").

W I T N E S S E T H :

WHEREAS, by a lease (the " Original Lease") dated_____ ,200___ between_____(hereinafter called "Landlord"), as landlord, and Tenant, as tenant, as amended by lease amendment[s] dated_____ , 200___ , [_____ , 200 ___ and_____ , 200___] (the Original Lease, as so amended, is hereinafter the "Lease"), a memorandum of which Lease was dated_____and was recorded in_____in Reel___ , Page___, [add recording data for memoranda of amendments, if applicable], Landlord leased to Tenant certain premises located in_____(the "Premises") on the property described in Schedule "A" annexed hereto and made a part hereof (the "Property"); and

WHEREAS, Lender is about to make a loan to Landlord, which loan shall be secured by, among other things, a mortgage or deed of trust (which mortgage or deed of trust, and all amendments, renewals, increases, modifications, replacements, substitutions, extensions, spreaders and consolidations thereof and all re-advances thereunder and addictions thereto, is referred to as the "Security Instrument") encumbering the Property; and

WHEREAS, Lender and Tenant desire to confirm their understanding and agreement with respect to the Lease and the Security Instrument.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, Lender and Tenant hereby agree and covenant as follows:

1. The Lease, and all of the terms, covenants, provisions and conditions thereof (including, without limitation, any right of first refusal, right of first offer, option or any similar right with respect to the sale or purchase of the Property, or any portion thereof) is, shall be and shall at all times remain and continue to be subject and subordinate in all respects to the lien, terms, covenants, provisions and conditions of the Security Instrument and to all advances and re-advances made thereunder and all sums secured thereby. This provision shall be self-operative but Tenant shall execute and deliver any additional instruments which Lender may reasonably require to effect such subordination.

2. So long as (i) Tenant is not in default (beyond any period given in the Lease to Tenant to cure such default) in the payment of rent, percentage rent or additional rent or in the performance or observance of any of the other terms, covenants, provisions or conditions

of the Lease on Tenant's part to be performed or observed, (ii) Tenant is not in default under this Agreement and (iii) the Lease is in full force and effect: (a) Tenant's possession of the Premises and Tenant's rights and privileges under the Lease, or any extensions or renewals thereof which may be effected in accordance with any option therefor which is contained in the Lease, shall not be diminished or interfered with by Lender, and Tenant's occupancy of the Premises shall not be disturbed by Lender for any reason whatsoever during the term of the Lease or any such extensions or renewals thereof and (b) Lender will not join Tenant as a party defendant in any action or proceeding to foreclose the Security Instrument or to enforce any rights or remedies of Lender under the Security Instrument which would cut-off, destroy, terminate or extinguish the Lease or Tenant's interest and estate under the Lease (except to the extent required so that Tenant's right to receive or set-off any monies or obligations owed or to be performed by any of Lender's predecessors-in-interest shall not be enforceable thereafter against Lender or any of Lender's successors-in-interest). Notwithstanding the foregoing provisions of this paragraph, if it would be procedurally disadvantageous for Lender not to name or join Tenant as a party in a foreclosure proceeding with respect to the Security Instrument, Lender may so name or join Tenant without in any way diminishing or otherwise affecting the rights and privileges granted to, or inuring to the benefit of, Tenant under this Agreement.

3. (A) After notice is given by Lender that the Security Instrument is in default and that the rentals under the Lease should be paid to Lender, Tenant will attorn to Lender and pay to Lender, or pay in accordance with the directions of Lender, all rentals and other monies due and to become due to Landlord under the Lease or otherwise in respect of the Premises. Such payments shall be made regardless of any right of set-off, counterclaim or other defense which Tenant may have against Landlord, whether as the tenant under the Lease or otherwise.

(B) In addition, if Lender (or its nominee or designee) shall succeed to the rights of Landlord under the Lease through possession or foreclosure action, delivery of a deed or otherwise, or another person purchases the Property or the portion thereof containing the Premises upon or following foreclosure of the Security Instrument or in connection with any bankruptcy case commenced by or against Landlord, then at the request of Lender (or its nominee or designee) or such purchaser (Lender, its nominees and designees, and such purchaser, and their respective successors and assigns, each being a " Successor-Landlord"), Tenant shall attorn to and recognize Successor-Landlord as Tenant's landlord under the Lease and shall promptly execute and deliver any instrument that Successor-Landlord may reasonably request to evidence such attornment. Upon such attornment, the Lease shall continue in full force and effect as, or as if it were, a direct lease between Successor-Landlord and Tenant upon all terms, conditions and covenants as are set forth in the Lease. If the Lease shall have terminated by operation of law or otherwise as a result of or in connection with a bankruptcy case commenced by or against Landlord or a foreclosure action or proceeding or delivery of a deed in lieu, upon request of Successor-Landlord, Tenant shall promptly execute and deliver a direct lease with Successor-Landlord which direct lease shall be on substantially the same terms and conditions as the Lease (subject, however, to the provisions of clauses (i)-(v) of this paragraph 3(B)) and shall be effective as of the day the Lease shall have terminated as aforesaid. Notwithstanding the continuation of the Lease, the attornment of Tenant thereunder or the execution of a direct lease between Successor-Landlord and Tenant as aforesaid, Successor-Landlord shall not:

(i) be liable for any previous act or omission of Landlord under the Lease;

(ii) be subject to any off-set, defense or counterclaim which shall have theretofore accrued to Tenant against Landlord;

(iii) be bound by any modification of the Lease or by any previous prepayment of rent or additional rent made more than one (1) month prior to the date same was due which Tenant might have paid to Landlord, unless such modification or prepayment shall have been expressly approved in writing by Lender;

(iv) be liable for any security deposited under the Lease unless such security has been physically delivered to Lender or Successor-Landlord; and

(v) be liable or obligated to comply with or fulfill any of the obligations of the Landlord under the Lease or any agreement relating thereto with respect to the construction of, or payment for, improvements on or above the Premises (or any portion thereof), leasehold improvements, tenant work letters and/or similar items.

4. Tenant agrees that without the prior written consent of Lender, it shall not (a) amend, modify, terminate or cancel the Lease or any extensions or renewals thereof, (b) tender a surrender of the Lease, (c) make a prepayment of any rent or additional rent more than one (1) month in advance of the due date thereof, or (d) subordinate or permit the subordination of the Lease to any lien subordinate to the Security Instrument. Any such purported action without such consent shall be void as against the holder of the Security Instrument.

5. (A) Tenant shall promptly notify Lender of any default by Landlord under the Lease and of any act or omission of Landlord which would give Tenant the right to cancel or terminate the Lease or to claim a partial or total eviction.

(B) In the event of a default by Landlord under the Lease which would give Tenant the right, immediately or after the lapse of a period of time, to cancel or terminate the Lease or to claim a partial or total eviction, or in the event of any other act or omission of Landlord which would give Tenant the right to cancel or terminate the Lease, Tenant shall not exercise such right (i) until Tenant has given written notice of such default, act or omission to Lender and (ii) unless Lender has failed, within sixty (60) days after Lender receives such notice, to cure or remedy the default, act or omission or, if such default, act or omission shall be one which is not reasonably capable of being remedied by Lender within such sixty (60) day period, until a reasonable period for remedying such default, act or omission shall have elapsed following the giving of such notice and following the time when Lender shall have become entitled under the Security Instrument to remedy the same (which reasonable period shall in no event be less than the period to which Landlord would be entitled under the Lease or otherwise, after similar notice, to effect such remedy), provided that Lender shall with due diligence give Tenant written notice of its intention to and shall commence and continue to, remedy such default, act or omission. If Lender cannot reasonably remedy a default, act or omission of Landlord until after Lender obtains possession of the Premises, Tenant may not terminate or cancel the Lease or claim a partial or total eviction by reason of such default, act or omission

until the expiration of a reasonable period necessary for the remedy after Lender secures possession of the Premises. To the extent Lender incurs any expenses or other costs in curing or remedying such default, act or omission, including, without limitation, attorneys' fees and disbursements, Lender shall be subrogated to Tenant's rights against Landlord.

(C) Notwithstanding the foregoing, Lender shall have no obligation hereunder to remedy such default, act or omission.

6. To the extent that the Lease shall entitle Tenant to notice of the existence of any mortgage and the identity of any mortgagee or any ground lessor, this Agreement shall constitute such notice to Tenant with respect to the Security Instrument and Lender.

7. Upon and after the occurrence of a default under the Security Instrument, which is not cured after any applicable notice and/or cure periods, Lender shall be entitled, but not obligated, to exercise the claims, rights, powers, privileges and remedies of Landlord under the Lease and shall be further entitled to the benefits of, and to receive and enforce performance of, all of the covenants to be performed by Tenant under the Lease as though Lender were named therein as Landlord.

8. Anything herein or in the Lease to the contrary notwithstanding, in the event that a Successor-Landlord shall acquire title to the Property or the portion thereof containing the Premises, Successor-Landlord shall have no obligation, nor incur any liability, beyond Successor-Landlord's then interest, if any, in the Property, and Tenant shall look exclusively to such interest, if any, of Successor-Landlord in the Property for the payment and discharge of any obligations imposed upon Successor-Landlord hereunder or under the Lease, and Successor-Landlord is hereby released or relieved of any other liability hereunder and under the Lease. Tenant agrees that, with respect to any money judgement which may be obtained or secured by Tenant against Successor-Landlord, Tenant shall look solely to the estate or interest owned by Successor-Landlord in the Property, and Tenant will not collect or attempt to collect any such judgement out of any other assets of Successor-Landlord.

9. Notwithstanding anything to the contrary in the Lease, Tenant agrees for the benefit of Landlord and Lender that, except as permitted by, and fully in accordance with, applicable law, Tenant shall not generate, store, handle, discharge or maintain in, on or about any portion of the Property, any asbestos, polychlorinated biphenyls, or any other hazardous or toxic materials, wastes and substances which are defined, determined or identified as such (including, but not limited to, pesticides and petroleum products if they are defined, determined or identified as such) in any federal, state or local laws, rules or regulations (whether now existing or hereafter enacted or promulgated) or any judicial or administrative interpretation of any thereof, including any judicial or administrative interpretation of any thereof, including any judicial or administrative orders or judgments.

10. If the Lease provides that Tenant is entitled to expansion space, Successor-Landlord shall have no obligation nor any liability for failure to provide such expansion space if a prior landlord (including, without limitation, Landlord), by reason of a lease or leases entered into by such prior landlord with other tenants of the Property, has precluded the availability of such expansion space.

11. Except as specifically provided in this Agreement, Lender shall not, by virtue of this Agreement, the Security Instrument or any other instrument to which Lender may be a party, be or become subject to any liability or obligation to Tenant under the Lease or otherwise.

12. (A) Tenant acknowledges and agrees that this Agreement satisfies and complies in all respects with the provisions of Article of the Lease and that this Agreement supersedes (but only to the extent inconsistent with) the provisions of such Article and any other provision of the Lease relating to the priority or subordination of the Lease and the interests or estates created thereby to the Security Instrument.

(B) Tenant agrees to enter into a subordination, non-disturbance and attornment agreement with any lender which shall succeed Lender as lender with respect to the Property, or any portion thereof, provided such agreement is substantially similar to this Agreement. Tenant does herewith irrevocably appoint and constitute Lender as its true and lawful attorney-in-fact in its name, place and stead to execute such subordination, non-disturbance and attornment agreement, without any obligation on the part of Lender to do so. This power, being coupled with an interest, shall be irrevocable as long as the Indebtedness secured by the Security Instrument remains unpaid. Lender agrees not to exercise its rights under the preceding two sentences if Tenant promptly enters into the subordination, non-disturbance and attornment agreement as required pursuant to the first sentence of this subparagraph (B).

13. (A) Any notice required or permitted to be given by Tenant to Landlord shall be simultaneously given also to Lender, and any right to Tenant dependent upon notice shall take effect only after notice is so given. Performance by Lender shall satisfy any conditions of the Lease requiring performance by Landlord, and Lender shall have a reasonable time to complete such performance as provided in Paragraph 5 hereof.

(B) All notices or other communications required or permitted to be given to Tenant or to Lender pursuant to the provisions of this Agreement shall be in writing and shall be deemed given only if mailed by United States registered mail, postage prepaid, or if sent by nationally recognized overnight delivery service (such as Federal Express or United States Postal Service Express Mail), addressed as follows: to Tenant, at the address first set forth above, Attention:_____; to Lender, at the address first set forth above, Attention:_____and General Counsel, with a copy to Cadwalader, Wickersham & Taft LLP, One World Financial Center, New York, New York 10281, Attention: Frederic L. Altschuler, Esq.; or to such other address or number as such party may hereafter designate by notice delivered in accordance herewith. All such notices shall be deemed given three (3) business days after delivery to the United States Post office registry clerk if given by registered mail, or on the next business day after delivery to an overnight delivery courier.

14. This Agreement may be modified only by an agreement in writing signed by the parties hereto, or their respective successors-in-interest. This Agreement shall inure to the benefit of and be binding upon the parties hereto, and their respective successors and assigns. The term "Lender" shall mean the then holder of the Security Instrument. The term "Landlord" shall mean the then holder of the landlord's interest in the Lease. The term " person" shall mean

an individual, joint venture, corporation, partnership, trust, limited liability company, unincorporated association or other entity. All references herein to the Lease shall mean the Lease as modified by this Agreement and to any amendments or modifications to the Lease which are consented to in writing by Lender. Any inconsistency between the Lease and the provisions of this Agreement shall be resolved, to the extent of such inconsistency, in favor of this Agreement.

15. Tenant hereby represents to Lender as follows:

(a) The Lease is in full force and effect and has not been further amended.

(b) There has been no assignment of the Lease or subletting of any portion of the premises demised under the Lease.

(c) There are no oral or written agreements or understandings between Landlord and Tenant relating to the premises demised under the Lease or the Lease transaction except as set forth in the Lease.

(d) The execution of the Lease was duly authorized and the Lease is in full force and effect and to the best of Tenant's knowledge there exists no default (beyond any applicable grace period) on the part of either Tenant or Landlord under the Lease.

(e) There has not been filed by or against nor to the best of the knowledge and belief of Tenant is there threatened against Tenant, any petition under the bankruptcy laws of the United States.

(f) To the best of Tenant's knowledge, there is no present assignment, hypothecation or pledge of the Lease or rents accruing under the Lease by Landlord, other than pursuant to the Security Instrument.

16. Whenever, from time to time, reasonably requested by Lender (but not more than three (3) times during any calendar year), Tenant shall execute and deliver to or at the direction of Lender, and without charge to Lender, one or more written certifications, in a form acceptable to Tenant, of all of the matters set forth in Paragraph 15 above, and any other information the Lender may reasonably require to confirm the current status of the Lease.

17. BOTH TENANT AND LENDER HEREBY IRREVOCABLY WAWE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT.

18. This Agreement shall be governed by and construed in accordance with the laws of the State in which the Property is located.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.

Section 2.6.2 Disbursements . The Issuer will notify the Borrower and the Administrative Agent promptly of the presentment for payment of any Letter of Credit issued by the Issuer, together with notice of the date (the "Disbursement Date") such payment shall be made (each such payment, a "Disbursement"). The Administrative Agent shall apply all funds then on deposit with the Administrative Agent pursuant to Section 3.2.1(b)(B) , Section 8.2 , Section 8.3 or Section 8.4 for the purpose of cash collateralizing the Letter of Credit Outstandings to reimburse the Issuer for any such Disbursement provided such cash collateral, after giving effect to such disbursement would not otherwise be required to be re-deposited under any such Section. Subject to the terms and provisions of such Letter of Credit and this Agreement, the Issuer shall make such payment to the beneficiary (or its designee) of such Letter of Credit. Prior to 1:00 p.m., New York City time, on the first Business Day following the Disbursement Date, the Borrower will reimburse the Administrative Agent, for the account of Issuer, for all amounts which the Issuer has disbursed under such Letter of Credit to the extent that the amounts on deposit with the Administrative Agent are insufficient to satisfy such disbursement, together with interest thereon at a rate per annum equal to the Alternate

Base Rate then in effect for Base Rate Loans (with the Applicable Margin for Revolving Loans maintained as Base Rate Loans accruing on such amount) pursuant to Section 3.3 for the period from the Disbursement Date through the date of such reimbursement. Notwithstanding anything contained herein to the contrary, however, unless the Borrower shall have notified the Administrative Agent and the Issuer prior to 1:00 P.M. (New York City time) on the Business Day immediately preceding the date of such drawing that the Borrower intends to reimburse the Issuer for the amount of such drawing with funds other than the proceeds of the Loans, the Borrower shall be deemed to have timely given a Notice of Borrowing pursuant to Section 2.3 to the Administrative Agent, requesting a Borrowing of Base Rate Loans on the date on which such drawing is honored and in an amount equal to the amount of such drawing less amounts, if any, applied, or required to be applied, to reimburse the Issuer pursuant to the second sentence of this Section 2.6.2 . Each Lender (other than the Issuer) shall, in accordance with Section 2.3.1 , make available its pro rata share of such Borrowing to the Administrative Agent, the proceeds of which shall be applied directly by the Administrative Agent to reimburse the Issuer for the amount of such draw. Without limiting in any way the foregoing and notwithstanding anything to the contrary contained herein, the Borrower hereby acknowledges and agrees that it shall be obligated to reimburse the Lender as set forth herein upon each Disbursement of a Letter of Credit.

Section 2.6.3 Reimbursement Obligations . The obligation (a "Reimbursement Obligation ") of the Borrower under Section 2.6.2 to reimburse the Issuer with respect to each Disbursement (including interest thereon), and, upon the failure of the Borrower to reimburse the Issuer, each Lender's obligation under Section 2.6.1 to reimburse the Issuer, shall be absolute and unconditional under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment which the Borrower or such Lender, as the case may be, may have or have had against the Issuer or any such Lender, including any defense based upon the failure of any Disbursement to conform to the terms of the applicable Letter of Credit (if, in the Issuer's good faith opinion, such Disbursement is determined to be appropriate) or any non-application or misapplication by the beneficiary of the proceeds of such Letter of Credit; provided , however , that after paying in full its Reimbursement Obligation hereunder, nothing herein shall preclude the right of such Lender to commence any proceeding against the Issuer for any wrongful Disbursement made by the Issuer under a Letter of Credit as a result of acts or omissions constituting gross negligence or willful misconduct (as determined by a court of competent jurisdiction on the part of the Issuer in a final and non-appealable decision); provided , further , that, in any event, the Borrower may have a claim against the Issuer, and the Issuer may be liable to the extent (but only to the extent) of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower which were caused by the Issuer's willful misconduct or gross negligence as determined by a court of competent jurisdiction in a final and non-appealable decision or the Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a demand for payment strictly complying with the terms and conditions of such Letter of Credit.

Section 2.6.4 Intentionally Omitted .

Section 2.6.5 Nature of Reimbursement Obligations . The Borrower and, to the extent set forth in Section 2.6.1 , each Lender shall assume all risks of the acts, omissions or misuse of any Letter of Credit by the beneficiary thereof. The Issuer (except to the extent of its own gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision)) shall not be responsible for:

(a) the form, validity, sufficiency, accuracy, genuineness or legal effect of any Letter of Credit or any document submitted by any party in connection with the application for and issuance of a Letter of Credit, even if it should in fact prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged;

(b) the form, validity, sufficiency, accuracy, genuineness or legal effect of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or the proceeds thereof in whole or in part, which may prove to be invalid or ineffective for any reason;

(c) failure of the beneficiary to comply fully with conditions required in order to demand payment under a Letter of Credit;

(d) errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, telegraph, telex or otherwise; or

(e) any loss or delay in the transmission or otherwise of any document or draft required in order to make a Disbursement under a Letter of Credit.

None of the foregoing shall affect, impair or prevent the vesting of any of the rights or powers granted to the Issuer or any Lender hereunder. In furtherance and extension and not in limitation or derogation of any of the foregoing, any action taken or omitted to be taken by the Issuer in good faith (and not constituting gross negligence or willful misconduct) shall be binding upon the Borrower and each Lender, and shall not put the Issuer under any resulting liability to the Borrower or any Lender, as the case may be.

Section 2.6.6 Certain Notifications Regarding Letters of Credit . Promptly after the issuance of, or any modification or amendment to, any standby Letter of Credit, the Issuer shall notify the Borrower and the Administrative Agent in writing of such issuance, modification or amendment. Promptly after receipt of such notice, the Administrative Agent shall notify the Lenders in writing of such issuance, modification or amendment. On the first Business Day of each week, the Issuer shall furnish the Administrative Agent with a written (including via facsimile) report of the daily aggregate outstandings of Letters of Credit issued by the Issuer for the immediately preceding week.

Section 2.6.7 Excess Cash Collateral . Subject to Section 8.4 , unless a Default or an Event of Default has occurred and is continuing, if the amount on deposit with the Administrative Agent designated for, or intended to be used for, the purpose of

cash collateralizing the Letter of Credit Outstandings is in excess of the Letter of Credit Outstandings at such time and would not otherwise be required to be deposited under Section 3.2.1(b)(B) , Section 8.2 , Section 8.3 , or Section 8.4 (the amount of any such excess is referred to herein as the "Excess Cash Collateral"), the Administrative Agent shall promptly return to the Borrower the Excess Cash Collateral.

Section 2.7 Loan Accounts and Revolving Notes . All Loans under this Agreement shall be made by Lenders pro rata on the basis of their respective Revolving Loan Commitments, it being understood that no Lender shall be responsible for any default by any other Lender in its obligation to make Loans hereunder or any other breach by any other Lender of this Agreement and that each Lender shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to fulfill its commitments hereunder.

(a) The Loans made by each Lender and the Letters of Credit issued by the Issuer shall be evidenced by one or more loan accounts or records maintained by such Lender or the Issuer, as the case may be, in the ordinary course of business. The loan accounts or records maintained by the Administrative Agent, the Issuer and each Lender shall be conclusive absent clearly demonstrable error of the amount of the Loans made by the Lenders to, and the Letters of Credit issued by the Issuer for the account of, the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Loans and the Reimbursement Obligations.

(b) Upon the request of any Lender made through the Administrative Agent, the Loans made by such Lender may be evidenced by (and the Borrowers agree to issue) one or more Revolving Notes, instead of or in addition to loan accounts. Each such Lender is irrevocably authorized by the Borrower to endorse on the Revolving Note(s) the date, amount and maturity of each Loan made, continued or converted by it and the amount of each payment of principal made by the Borrower with respect thereto. Each such Lender's record shall be conclusive absent clearly demonstrable error; provided , however , that the failure of a Lender to make, or an error in making, a notation thereon with respect to any Loan shall not limit or otherwise affect the obligations of the Borrower hereunder or under any such Revolving Note to such Lender. The reasonable costs and expenses incurred in connection with the issuance of each Note shall be for the account of the Borrower.

Section 2.8 Additional Revolving Loan Commitments .

(a) So long as no Default or Event of Default then exists or would result therefrom, the Borrower shall have the right after the Closing Date and on or prior to 180 days prior to the Maturity Date, and upon at least five (5) Business Days prior written notice to the Administrative Agent (which shall promptly notify each of the Lenders), to request that one or more Lenders (and/or one or

more other Persons which will become Lenders as provided below) provide Additional Revolving Loan Commitments and, subject to the applicable terms and conditions contained in this Agreement, make Revolving Loans pursuant thereto; it being understood and agreed, however, that (i) no Lender shall be obligated to provide an Additional Revolving Loan Commitment as a result of any such request by the Borrower, (ii) until such time, if any, as (x) such Lender has agreed in its sole discretion to provide an Additional Revolving Loan Commitment and executed and delivered to the Administrative Agent an Additional Revolving Loan Commitment Agreement in respect thereof as provided in clause (b) of this Section 2.8 , and (y) such Additional Revolving Loan Commitment Agreement has become effective, such Lender shall not be obligated to fund any Revolving Loans in excess of its Revolving Loan Commitment as in effect prior to giving effect to such Additional Revolving Loan Commitment provided pursuant to this Section 2.8 , (iii) any Lender (or, in the circumstances contemplated by clause (vi) below, any other Person which will qualify as an Eligible Assignee) may so provide an Additional Revolving Loan Commitment without the consent of any other Lender, (iv) each provision of Additional Revolving Loan Commitments on a given date pursuant to this Section 2.8 shall be in a minimum aggregate amount (for all Lenders (including, in the circumstances contemplated by clause (vi) below, Eligible Assignees who will become Lenders)) of at least $5,000,000 and in integral multiples of $1,000,000 in excess thereof, (v) the aggregate amount of all Additional Revolving Loan Commitments permitted to be provided pursuant to this Section 2.8 shall not cause the Aggregate Commitment to exceed Five Hundred Million Dollars ($500,000,000), (vi) if after the Borrower has requested the then existing Lenders (other than Defaulting Lenders) to provide Additional Revolving Loan Commitments pursuant to this Section 2.8 , the Borrower has not received Additional Revolving Loan Commitments in an aggregate amount equal to that amount of the Additional Revolving Loan Commitments which the Borrower desires to obtain pursuant to such request (as set forth in the notice provided by the Borrower as provided below) then the Borrower may request Additional Revolving Loan Commitments from Persons reasonably acceptable to the Administrative Agent and the Issuer which would qualify as Eligible Assignees hereunder in an aggregate amount equal to such deficiency on terms which are no more favorable to such Eligible Assignee in any respect than the terms offered to the Lenders, provided that any such Additional Revolving Loan Commitments provided by any such Eligible Assignee which is not already a Lender shall be in a minimum amount (for such Eligible Assignee) of at least $5,000,000.

(b) In connection with the Additional Revolving Loan Commitments to be provided pursuant to this Section 2.8 , (i) the Borrower, the Administrative Agent and each such Lender or other Eligible Assignee (each, an "Additional Revolving Loan Lender") which agrees to provide an Additional Revolving Loan Commitment shall execute and deliver to the Administrative Agent an Additional Revolving Loan Commitment Agreement substantially in the form of Exhibit J (appropriately completed), with the effectiveness of such Additional Revolving Loan Lender's Additional Revolving Loan Commitment to occur upon delivery of

such Additional Revolving Loan Commitment Agreement to the Administrative Agent, the payment of up-front, commitment or other fees required in connection therewith (including, without limitation, any fees owing to the Administrative Agent) and the satisfaction of the other conditions in this Section 2.8(b) to the reasonable satisfaction of the Administrative Agent, (ii) the Additional Loan Commitment Requirements and any other conditions precedent agreed to by the Borrower that may be set forth in the respective Additional Revolving Loan Commitment Agreement shall have been satisfied, and (iii) if requested by the Administrative Agent, the Borrower shall deliver to the Administrative Agent an opinion or opinions, in form and substance reasonably satisfactory to the Administrative Agent, from counsel to the Borrower reasonably satisfactory to the Administrative Agent and dated such date, covering such of the matters set forth in the opinions of counsel delivered to the Administrative Agent on the Closing Date pursuant to Section 5.1.11 as may be reasonably requested by the Administrative Agent, and such other matters as the Administrative Agent may reasonably request. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Additional Revolving Loan Commitment Agreement, and at such time (i) the Revolving Loan Commitment under, and for all purposes of, this Agreement shall be increased by the aggregate amount of such Additional Revolving Loan Commitments, (ii) Annex I shall be deemed modified to reflect the revised Revolving Loan Commitments of the affected Lenders and (iii) to the extent requested by any Additional Revolving Loan Lender, Revolving Notes will be issued at the Borrower's expense, to such Additional Revolving Loan Lender, to be in conformity with the requirements of Section 2.7 (with appropriate modification) to the extent needed to reflect the Additional Revolving Loan Commitment made by such Additional Revolving Loan Lender.

(c) In connection with any provision of Additional Revolving Loan Commitments pursuant to this Section 2.8 , the Lenders and the Borrower hereby agree that, notwithstanding anything to the contrary contained in this Agreement, (i) the Borrower shall, in coordination with the Administrative Agent, (x) repay outstanding Revolving Loans and incur additional Revolving Loans or (y) take such other actions as may be reasonably required by the Administrative Agent (including by requiring new Revolving Loans to be incurred and added to then outstanding Borrowings of the respective such Loans, even though as a result thereof such new Loans may have a shorter Interest Period than the then outstanding Borrowings of the respective such Loans), in each case to the extent necessary so that all of the Additional Revolving Loan Lenders effectively participate in each outstanding Borrowing of Revolving Loans pro rata on the basis of their Percentages (determined after giving effect to any increase in the Revolving Loan Commitment pursuant to this Section 2.8), (ii) the Borrower shall pay to the respective Lenders any costs of the type referred to in Section 4.5 in connection with any repayment and/or Borrowing required pursuant to preceding clause (i), and (iii) to the extent Revolving Loans are to be so incurred or added to the then outstanding Borrowings of the respective Loans which are maintained as LIBO Rate Loans, the Lenders that have made such Loans shall be entitled to

receive from the Borrower such amounts, as reasonably determined by the respective Lenders, to compensate them for funding the various Revolving Loans during an existing Interest Period (rather than at the beginning of the respective Interest Period, based upon rates then applicable thereto). All determinations by any Lender pursuant to clauses (ii) and (iii) above shall, absent manifest error, be final and conclusive and binding on all parties hereto.

Section 2.9 Swingline Loan Subfacility .

(a) Swingline Commitment .

Subject to the terms and conditions of this Section 2.9, the Swingline Lender, in its individual capacity, agrees to make certain revolving credit loans to the Borrower (each a "Swingline Loan" and, collectively, the "Swingline Loans") from time to time prior to the Revolving Loan Commitment Termination Date; provided, however, that the aggregate amount of Swingline Loans outstanding at any time shall not exceed the lesser of (i) Fifty Million Dollars ($50,000,000), and (ii) the Revolving Credit Loan Commitment Amount (the "Swingline Commitment"). Subject to the limitations set forth herein, any amounts repaid in respect of Swingline Loans may be reborrowed.

(b) Swingline Borrowings .

(i) Notice of Borrowing . With respect to any Swingline Borrowing, the Borrower shall give the Swingline Lender and the Administrative Agent notice in writing which shall be received by the Swingline Lender and Administrative Agent not later than 12:00 noon (New York City time) on the proposed date of such Swingline Borrowing (and confirmed by telephone by such time), specifying (A) that a Swingline Borrowing is being requested, (B) the amount of such Swingline Borrowing, (C) the proposed date of such Swingline Borrowing, which shall be a Business Day and (D) that no Default or Event of Default has occurred and is continuing both before and after giving effect to such Swingline Borrowing. Such notice shall be irrevocable.

(ii) Minimum Amounts . Each Swingline Borrowing shall be in a minimum principal amount of $500,000, or an integral multiple of $100,000 in excess thereof.

(iii) Repayment of Swingline Loans . Each Swingline Loan, including all interest accrued thereon, shall be due and payable on the earliest of (A) five (5) Business Days from and including the date of the applicable Swingline Borrowing, (B) the date of the next Revolving Borrowing or (C) the Maturity Date. If, and to the extent, any Swingline Loans shall be outstanding on the date of any Revolving Borrowing, such Swingline Loans shall first be repaid from the proceeds of such Revolving Borrowing prior to the disbursement of the same to the Borrower. If, and to the extent, a Revolving Borrowing is not requested prior to the Maturity

Date or the end of the five Business Day period after a Swingline Borrowing, or unless the Borrower shall have notified the Administrative Agent and the Swingline Lender prior to 1:00 P.M. (New York City time) on the fourth (4th) Business Day after the Swingline Borrowing that the Borrower intends to reimburse the Swingline Bank for the amount of such Swingline Borrowing with funds other than proceeds of the Loans, the Borrower shall be deemed to have requested a Borrowing comprised entirely of Base Rate Loans in the amount of the applicable Swingline Loan then outstanding, the proceeds of which shall be used to repay such Swingline Loan to the Swingline Lender. In addition, if (x) the Borrower does not repay the Swingline Loan on or prior to the end of such five Business Day period, or (y) a Default or Event of Default shall have occurred during such five Business Day period, the Swingline Lender may, at any time, in its sole discretion, by written notice to the Borrower and the Administrative Agent, demand repayment of its Swingline Loans by way of a Borrowing, in which case the Borrower shall be deemed to have requested a Borrowing comprised entirely of Base Rate Loans in the amount of such Swingline Loans then outstanding, the proceeds of which shall be used to repay such Swingline Loans to the Swingline Lender. Any Borrowing which is deemed requested by the Borrower in accordance with this Section 2.9 (b)(iii) is hereinafter referred to as a " Mandatory Borrowing". Each Lender hereby irrevocably agrees to make Loans promptly upon receipt of notice from the Swingline Lender of any such deemed request for a Mandatory Borrowing in the amount and in the manner specified in the preceding sentences and on the date such notice is received by such Lender (or the next Business Day if such notice is received after 12:00 noon (New York City time)) notwithstanding (I) that the amount of the Mandatory Borrowing may not comply with the minimum amount of Borrowings otherwise required hereunder, (II) whether any conditions specified in Section 5.2 are then satisfied, (III) whether a Default or an Event of Default then exists, (IV) failure of any such deemed request for a Borrowing to be made by the time otherwise required in Section 2.1, (V) the date of such Mandatory Borrowing (provided that such date must be a Business Day), or (VI) any termination of the Commitments immediately prior to such Mandatory Borrowing or contemporaneously therewith; provided, however, that no Lender shall be obligated to make Committed Loans in respect of a Mandatory Borrowing if a Default or an Event of Default then exists and the applicable Swingline Loan was made by the Swingline Lender without receipt of a written Notice of Borrowing in the form specified in subclause (i) above or after the Administrative Agent has delivered a notice of Default or Event of Default which has not been rescinded.

(iv) Purchase of Participations . In the event that any Mandatory Borrowing cannot for any reason be made on the date otherwise required above (including, without limitation, as a result of the commencement of a proceeding under the Bankruptcy Code with respect to the Borrower), then

each Lender hereby agrees that it shall forthwith purchase (as of the date the Mandatory Borrowing would otherwise have occurred, but adjusted for any payment received from the Borrower on or after such date and prior to such purchase) from the Swingline Lender such participations in the outstanding Swingline Loans as shall be necessary to cause each such Lender to share in such Swingline Loans ratably based upon its Pro Rata Share (determined before giving effect to any termination of the Commitments pursuant hereto), provided that (A) all interest payable on the Swingline Loans with respect to any participation shall be for the account of the Swingline Lender until but excluding the day upon which the Mandatory Borrowing would otherwise have occurred, and (B) in the event of a delay between the day upon which the Mandatory Borrowing would otherwise have occurred and the time any purchase of a participation pursuant to this sentence is actually made, the purchasing Lender shall be required to pay to the Swingline Lender interest on the principal amount of such participation for each day from and including the day upon which the Mandatory Borrowing would otherwise have occurred to but excluding the date of payment for such participation, at the rate equal to the Federal Funds Rate, for the two (2) Business Days after the date the Mandatory Borrowing would otherwise have occurred, and thereafter at a rate equal to the Base Rate. Notwithstanding the foregoing, no Lender shall be obligated to purchase a participation in any Swingline Loan if a Default or an Event of Default then exists and such Swingline Loan was made by the Swingline Lender without receipt of a written Notice of Borrowing in the form specified in subclause (i) above or after the Administrative Agent has delivered a notice of Default or Event of Default which has not been rescinded.

(c) Interest Rate . Each Swingline Loan shall bear interest on the outstanding principal amount thereof, for each day from the date such Swingline Loan is made until the date it is repaid, at a rate per annum equal to the Federal Funds Rate plus the Applicable Margin for LIBO Rate Loans for such day.

ARTICLE III

MATURITY DATE; REPAYMENTS, PREPAYMENTS, INTEREST AND FEES

Section 3.1 Maturity Date; Extension Option .

(a) Initial Maturity Date . The term of the Loans shall terminate and expire on the Initial Maturity Date, unless extended by Borrower pursuant to clause (b) below.

(b) Extended Maturity Date . Subject to the provisions of this Section 3.1 (b) , Borrower shall have the option (the "Extension Option"), by irrevocable written

notice (the "Extension Notice") delivered to Administrative Agent no later than sixty (60) days prior to the Initial Maturity Date, to extend the Initial Maturity Date for a period of twelve (12) months (the "Extension Term ") to the fifth (5 th) anniversary of the Closing Date (the "Extended Maturity Date"). Borrower's right to so extend the Initial Maturity Date shall be subject to the satisfaction (or waiver, in the sole discretion of the Required Lenders) of the following conditions precedent prior to the commencement of the Extension Term:

(i) payment by Borrower on the Initial Maturity Date of an extension fee equal to 0.25% of the aggregate outstanding Revolving Loan Commitment Amount as of such date, together with all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Lenders in connection with the Extension Option;

(ii) no Default or Event of Default shall have occurred and be continuing on the date Borrower delivers the Extension Notice or as of the Initial Maturity Date; and

(iii) Borrower shall deliver (1) an Officer's Certificate which confirms and certifies that all applicable representations and warranties contained in the Loan Documents are true and correct in all material respects as if made on and as of the Initial Maturity Date and (2) such other acknowledgments and ratifications from the Guarantor and Subsidiary Guarantors as the Administrative Agent may request.

(c) Extension Documentation . As soon as practicable following any extension of the Maturity Date pursuant to this Section 3.1 , Borrower shall, if requested by Administrative Agent, execute and deliver an amendment or restatement of the Notes and shall, if requested by Administrative Agent, enter into such other amendments or modifications to the related Loan Documents as may be necessary or appropriate to evidence the extension of the Maturity Date as provided in this Section 3.1 ; provided , however, that failure by Borrower to enter into any such amendments and/or restatements, in and of itself, shall not affect the rights or obligations of Borrower or Administrative Agent with respect to the extension of the Maturity Date.

Section 3.2 Repayments and Prepayments; Application .

Section 3.2.1 Repayments and Prepayments . The Borrower shall repay in full the unpaid principal amount of all Loans on the Maturity Date. Prior thereto, payments and prepayments of Loans shall or may be made as set forth below.

(a) Voluntary Prepayments. From time to time on any Business Day, the Borrower may make a voluntary prepayment, in whole or in part, of the outstanding principal amount of any Loans, provided that

(A) any such prepayment of the Revolving Loans shall be made pro rata among the Revolving Loans of the same type and, if applicable, having the same Interest Period of all Lenders that have made such Revolving Loans;

(B) all such voluntary prepayments shall require at least one (1) Business Days' prior written notice to the Administrative Agent; and

(C) all such voluntary partial prepayments shall be, in an aggregate minimum amount of $1,000,000 and an integral multiple of $500,000 in excess thereof (or, if less, in the remaining outstanding principal amount thereof), except in the case of Swingline Loans, which shall be in the minimum amount of $100,000, and integral multiples of $100,000.

(b) Exceeding Commitment Amounts .

(A) On each date when the aggregate outstanding principal amount of all Revolving Loans, Swingline Loans and Letter of Credit Outstandings exceeds the Revolving Loan Commitment Amount (as it may, from time to time, be reduced including pursuant to Section 2.2 or increased pursuant to Section 2.8), the Borrower shall make a mandatory prepayment of the Swingline Loans and/or Revolving Loans in an aggregate amount equal to the amount by which the Swingline Loans, Revolving Loans and Letter of Credit Outstandings exceed the then Revolving Loan Commitment Amount.

(B) On each date when the aggregate amount of all Letter of Credit Outstandings exceeds the Letter of Credit Commitment Amount (as it may be reduced from time to time, including pursuant to Section 2.2), the Borrower shall give cash collateral to the Administrative Agent, pursuant to Section 8.4 hereof, to collateralize Letter of Credit Outstandings in an aggregate amount (taking into account any amounts then on deposit in the Letter of Credit Collateral Account) equal to such excess.

(c) Acceleration of Maturity . Immediately upon any acceleration of any Loans pursuant to Section 8.2 or Section 8.3 , the Borrower shall repay all the Loans.

Each prepayment of any Loans made pursuant to this Section shall be without premium or penalty, except as may be required by Section 4.5 . No prepayment of principal of any Revolving Loans pursuant to clause (a) or (b) of this Section shall cause a reduction in the Revolving Loan Commitment Amount.

Section 3.2.2 Application . Each prepayment or repayment of the principal of the Revolving Loans shall be applied, to the extent of such prepayment or

repayment, as the Borrower shall direct (and in the absence of such direction, shall be applied first, to the principal amount thereof being maintained as Base Rate Loans, second to the principal amount thereof being maintained as LIBO Rate Loans with respect to which the date of such prepayment or repayment is the last day of the Interest Period applicable thereto and third, to the principal amount thereof being maintained as LIBO Rate Loans with the shortest Interest Periods remaining); provided, that prepayments or repayments of LIBO Rate Loans not made on the last day of the Interest Period with respect thereto, shall be prepaid or repaid subject to the provisions of Section 4.5 (together with a payment of all accrued interest).

Section 3.3 Interest Provisions . Interest on the outstanding principal amount of Loans shall accrue and be payable in accordance with this Section 3.3 .

Section 3.3.1 Rates . Pursuant to an appropriately delivered Borrowing Request or Continuation/Conversion Notice, the Borrower may elect that Loans comprising a Borrowing accrue interest at a rate per annum:

(a) on that portion maintained from time to time as a Base Rate Loan, equal to the sum of the Alternate Base Rate from time to time in effect plus the Applicable Margin; and

(b) on that portion maintained as a LIBO Rate Loan, during each Interest Period applicable thereto, equal to the sum of the LIBO Rate for such Interest Period plus the Applicable Margin.

All LIBO Rate Loans shall bear interest from and including the first day of the applicable Interest Period to (but not including) the last day of such Interest Period at the interest rate determined as applicable to such LIBO Rate Loan. All Base Rate Loans shall bear interest from and including the day they are made to and excluding the day they are repaid or converted into LIBO Rate Loans.

Section 3.3.2 Post-Maturity Rates . After the date any principal amount of any Loan or Reimbursement Obligation is due and payable (whether on the Maturity Date, upon acceleration, an Event of Default or otherwise), or after any other monetary Obligation of the Borrower shall have become due and payable, the Borrower shall pay, but only to the extent permitted by law, interest (after as well as before the entry of judgment thereon) on such amounts at a rate per annum equal to (x) in the case of overdue principal and interest the rate which is 4% in excess of the rate then borne by the applicable Loans, and (y) in the case of all other overdue amounts, the rate which is 4% in excess of the rate applicable to Base Rate Loans from time to time. Anything herein to the contrary notwithstanding, the obligations of the Borrower to any Lender hereunder shall be subject to the limitation that payments of interest shall not be required for any period for which interest is computed hereunder, to the extent (but only to the extent) that contracting for or receiving such payment by such Lender would be contrary to the provisions of any law applicable to such Lender limiting the highest rate of interest that may be lawfully contracted for, charged or received by such Lender, and in such event the Borrower shall pay such Lender interest at the highest rate permitted by applicable law.

Section 3.3.3 Payment Dates. Interest accrued on each Loan shall be payable, without duplication:

(a) on the Maturity Date;

(b) on the date of any payment or prepayment, in whole or in part, of principal outstanding on such Loan on the principal amount so paid or prepaid;

(c) with respect to Base Rate Loans, in arrears on each Monthly Payment Date occurring after the Closing Date;

(d) with respect to LIBO Rate Loans, in arrears on the last day of each applicable Interest Period; provided that if an Interest Period is longer than three months, then on the date which is three months after the first day of such Interest Period;

(e) with respect to any Base Rate Loans converted into LIBO Rate Loans on a day when interest would not otherwise have been payable pursuant to clause (c) above, on the date of such conversion;

(f) with respect to Swingline Loans, as provided in Section 2.9 ; and

(g) on that portion of any Loans which is accelerated pursuant to Section 8.2 or Section 8.3 , immediately upon such acceleration.

Interest accrued on Loans or other monetary Obligations arising under this Agreement or any other Loan Document after the date such amount is due and payable (whether on the Maturity Date, upon acceleration or otherwise) shall be payable upon demand.

Section 3.4 Fees . The Borrower agrees to pay the fees set forth in this Section 3.3 . All such fees shall be non-refundable.

Section 3.4.1 Revolving Loan Unused Fee . The Borrower agrees to pay to the Administrative Agent for the account of each Lender, for the period (including any portion thereof when any of its Commitments are suspended by reason of the Borrower's inability to satisfy any condition of Article V) commencing on the Closing Date and continuing through the Revolving Loan Commitment Termination Date, an unused fee at a rate per annum equal to (a) 0.20% for any Fiscal Quarters that the average daily unused Revolving Loan Commitment Amount was less than fifty percent (50%) and (b) 0.125% for any Fiscal Quarter that the average daily unused Revolving Loan Commitment Amount was fifty percent (50%) or greater, in each case on such Lender's Percentage of the average daily unused portion of the Revolving Loan Commitment Amount (net of Letter of Credit Outstandings but without giving effect to Swingline Loans made during such Fiscal Quarter). All unused fees payable pursuant to this Section shall be calculated on a year comprised of 360 days and payable by the Borrower in arrears on each

Quarterly Payment Date, commencing with the first Quarterly Payment Date following the Closing Date, and on the Revolving Loan Commitment Termination Date.

Section 3.4.2 Fees . The Borrower agrees to pay to the Arrangers, the Administrative Agent, and the Lenders, each for its own account, the fees in the amounts and on the dates set forth in the Fee Letters.

Section 3.4.3 Letter of Credit Fee . The Borrower agrees to pay to the Administrative Agent, for the pro rata account of each Lender, a Letter of Credit fee for each Letter of Credit in an amount equal to a rate per annum equal to the then Applicable Margin for LIBO Rate Loans on the Stated Amount of each such Letter of Credit, with such fees being payable in arrears on each Monthly Payment Date. The Borrower further agrees to pay to the Issuer, for its own account, (x) monthly in arrears payable on each Monthly Payment Date for each Letter of Credit issued by it, a fronting fee at a rate per annum equal to 0.125% multiplied by the Stated Amount of each such Letter of Credit, and (y) from time to time promptly after demand, the normal issuance, payment, amendment and other processing fees, and other standard administrative costs and charges of the Issuer relating to Letters of Credit as from time to time in effect.

Section 3.4.4 Additional Revolving Loan Commitment Fees . The Borrower shall pay to the Administrative Agent for distribution to each Additional Revolving Loan Lender such fees and other amounts, if any, as are specified in the relevant Additional Revolving Loan Commitment Agreement, with the fees and other amounts, if any, to be payable on the effective date of the respective Additional Revolving Loan Commitment.

ARTICLE IV
CERTAIN LIBO RATE AND OTHER PROVISIONS

Section 4.1 LIBO Rate Lending Unlawful . If any Lender shall reasonably determine (which determination shall, upon notice thereof to the Borrower and the Administrative Agent, be conclusive and binding on the Borrower) that the introduction of or any change in or in the interpretation of any law makes it unlawful, or any central bank or other Governmental Authority asserts that it is unlawful, for such Lender to make, continue or maintain any Revolving Loan as, or to convert any Revolving Loan into, a LIBO Rate Loan, the obligations of such Lender to make, continue or maintain or to convert any Revolving Loan into, a LIBO Rate Loan shall, upon such determination, forthwith be suspended until such Lender shall notify the Administrative Agent that the circumstances causing such suspension no longer exist, and all outstanding LIBO Rate Loans of such Lender shall automatically convert into Base Rate Loans at the end of the then current Interest Periods with respect thereto or sooner, if required by such law or assertion. Each Lender agrees to promptly give notice to the Administrative Agent and the Borrower when the circumstances causing such suspension cease to exist.

Section 4.2 Deposits Unavailable . If the Required Lenders shall have reasonably determined that (a) Dollar deposits in the relevant amount and for the relevant

Interest Period are neither available to such Required Lenders in the eurodollar market nor available to them in their respective relevant markets, or (b) by reason of circumstances affecting the eurodollar market, adequate means do not exist for ascertaining the interest rate applicable hereunder to LIBO Rate Loans, then, upon notice from the Administrative Agent to the Borrower and the Lenders, the obligations of all Lenders under Section 2.3 and Section 2.4 to make or continue any Revolving Loans as, or to convert any Revolving Loans into, LIBO Rate Loans shall forthwith be suspended until the Administrative Agent shall notify the Borrower and the Lenders that the circumstances causing such suspension no longer exist. Upon receipt of notice from the Administrative Agent that the Required Lenders are unable to determine the LIBO Rate, the Borrower may revoke any Borrowing Request or Continuation/Conversion Notice then submitted by it. If the Borrower does not revoke such Borrowing Request or Conversion/Continuation Notice, the Lenders shall make, convert or continue the Revolving Loans, as proposed by the Borrower, in the amount specified in the applicable notice submitted by the Borrower, but such Revolving Loans shall be made, converted or continued as Base Rate Loans instead of LIBO Rate Loans. The Administrative Agent agrees to give prompt notice to the Borrower and the Lenders when it ascertains that the circumstances causing such suspension cease to exist.

Section 4.3 Change of Circumstances . If, after the Closing Date, the introduction of or any change in or in the interpretation of, or any change in the application of, any law or any regulation (including Regulation D of the F.R.S. Board) or guideline issued by any central bank or other Governmental Authority (whether or not having the force of law), or by the NAIC or any other comparable agency charged with the interpretation or administration thereof or including any reserve or special deposit requirement or any tax (other than Taxes covered by Section 4.6 and taxes on a Lender's overall net income) or any capital requirement, has, due to a Lender's compliance the effect, directly or indirectly, of (i) increasing the cost to such Lender or any corporation controlling such Lender of performing its obligations hereunder (including the making, continuing or maintaining of any Revolving Loans as or converting any Revolving Loans into, LIBO Rate Loans); (ii) reducing any amount received or receivable by such Lender or any corporation controlling such Lender hereunder or its effective return hereunder or on its capital; or (iii) causing such Lender or any corporation controlling such Lender to make any payment or to forego any return based on any amount received or receivable by such Lender hereunder, then upon demand of such Lender to the Borrower through the Administrative Agent, accompanied by written notice showing in reasonable detail the basis for calculation of any such amounts, from time to time, the Borrower shall be obligated to pay such amounts and shall compensate such Lender promptly after receipt of such notice and demand for any such cost, reduction, payment or foregone return. Any certificate of Lender in respect of the foregoing will be conclusive and binding upon the Borrower, except for clearly demonstrable error.

Section 4.4 Replacement of Lender . If (a) the Borrower receives notice from any Lender requesting increased costs or additional amounts under Section 4.3 or 4.6 , (b) any Lender is affected in the manner described in Section 4.1 or (c) a Lender becomes a Defaulting Lender, then in each case, the Borrower shall have the right, so long as no Event of Default shall have occurred and be continuing and unless, in the case

of clause (a) above, such Lender has removed or cured the conditions which resulted in the obligation to pay such increased costs or additional amounts or agreed to waive and otherwise forego any right it may have to any payments provided for under Section 4.3 or 4.6 in respect of such conditions, to replace in its entirety such Lender (the " Replaced Lender"), upon prior written notice to the Administrative Agent and such Replaced Lender, with one or more other Eligible Assignee(s) (collectively, the "Replacement Lender") acceptable to the Administrative Agent and the Issuer (which acceptance, in each case, shall not be unreasonably withheld); provided , however , that, at the time of any replacement pursuant to this Section 4.4 , the Replaced Lender and the Replacement Lender shall enter into (each Replaced Lender hereby unconditionally agreeing to enter into) one or more Lender Assignment Agreements (appropriately completed), pursuant to which (A) the Replacement Lender shall acquire all of the Commitments and outstanding Revolving Loans of, and participations in Letter of Credit Outstandings of, the Replaced Lender and, in connection therewith, shall pay (x) to the Replaced Lender in respect thereof an amount equal to the sum of (1) an amount equal to the principal of, and all accrued but unpaid interest on, all outstanding Loans of the Replaced Lender and (2) an amount equal to all accrued but theretofore unpaid fees owing to the Replaced Lender pursuant to Section 3.4 and (y) to the Issuer, an amount equal to any portion of the Replaced Lender's funding of an unpaid drawing under a Letter of Credit as to which the Replaced Lender is then in default; and (B) the Borrower shall pay to the Replaced Lender any other amounts payable to the Replaced Lender under this Agreement (including amounts payable under Sections 4.3 , 4.5 and 4.6 which have accrued to the date of such replacement). Upon the execution of the Lender Assignment Agreement(s), the payment to the Administrative Agent of the processing fee referred to in clause (a) of Section 10.9.1 , the payment of the amounts referred to in the preceding sentence and, if so requested by the Replacement Lender in accordance with clause (b) of Section 10.9.1 , delivery to the Replacement Lender of a Revolving Note executed by the Borrower, the Replacement Lender shall automatically become a Lender hereunder and the Replaced Lender shall cease to constitute a Lender hereunder, except with respect to indemnification provisions under this Agreement, which shall survive as to such Replaced Lender. It is understood and agreed that if any Replaced Lender shall fail to enter into a Lender Assignment Agreement in accordance with the foregoing, it shall be deemed to have entered into such a Lender Assignment Agreement.

Section 4.5 Funding Losses . In the event any Lender shall reasonably incur any loss or expense (including any loss or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to make, continue or maintain any portion of the principal amount of any Revolving Loan as, or to convert any portion of the principal amount of any Revolving Loan into, a LIBO Rate Loan) as a result of (a) any conversion or repayment or prepayment of the principal amount of any LIBO Rate Loans on a date other than the scheduled last day of the Interest Period applicable thereto, whether pursuant to Section 3.2 or otherwise, or (b) any Revolving Loans not being made or continued as, or converted into, LIBO Rate Loans as a result of a withdrawn or revoked Borrowing Request or Continuation/Conversion Notice or for any other reason (other than a default by such Lender or the Administrative Agent), then, upon the written notice of such Lender to the Borrower (with a copy to the Administrative Agent), the Borrower shall, promptly after

its receipt thereof and prior to the expiration of the applicable Interest Period, pay to the Administrative Agent for the account of such Lender such amounts required to compensate such Lender for any additional losses, costs or expenses that such Lender may reasonably incur as a result of such payment, failure to convert or failure to continue, including any loss, cost or expense (excluding loss of anticipated profits) actually incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund or maintain such LIBO Rate Loan. Such written notice (which shall set forth in reasonable detail the basis for requesting such amount and include calculations in reasonable detail in support thereof) shall, in the absence of clearly demonstrable error, be conclusive and binding on the Borrower.

Section 4.6 Taxes .

(a) Any and all payments by the Borrower to each Lender and the Administrative Agent under this Agreement and under any other Loan Document shall be made free and clear of, and without deduction or withholding for, any Taxes and any and all interest, penalties, or similar liabilities with respect to such Taxes. In addition, the Borrower shall pay all Other Taxes to the relevant taxing authority or other authority in accordance with applicable law.

(b) If the Borrower shall be required by law to deduct or withhold any Taxes or Other Taxes from or in respect of any sum payable hereunder to any Lender or the Administrative Agent, then:

(i) the sum payable shall be increased as necessary so that, after making all required deductions and withholdings (including deductions and withholdings applicable to additional sums payable under this Section), such Lender or the Administrative Agent, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made;

(ii) the Borrower shall make such deductions and withholdings; and

(iii) the Borrower shall pay the full amount deducted or withheld to the relevant taxing authority or other authority in accordance with applicable law and shall as promptly as possible thereafter send to the Administrative Agent for its own account or for the account of such Lender, as the case may be, a certified copy of an original receipt (or other written evidence) showing payment thereof.

(c) The Borrower agrees to indemnify and hold harmless each Lender and the Administrative Agent for the full amount of (i) Taxes and (ii) Other Taxes that are payable by such Lender or the Administrative Agent and any penalties, interest, additions to tax, expenses or other similar liabilities arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally asserted. Payment under this indemnification shall be made within forty- five (45) days after the date such Lender or the Administrative Agent makes written demand therefor.

(d) Each Lender that is a U.S. Person (as such term is defined in Section 7701(a)(30) of the Code) (a "U.S. Lender") shall:

(i) deliver to the Borrower and the Administrative Agent, prior to the first day on which the Borrower is required to make any payments hereunder to Lender, two (2) copies of United States Internal Revenue Service Form W-9 (or successor forms). Each U.S. Lender that shall become a Participant pursuant to Section 10.9.2 or a Lender pursuant to Section 10.9.1 shall, upon the effectiveness of the related transfer, be required to provide all the forms and statements required pursuant to this Section 4.6(d) , provided that in the case of a Participant such Participant shall furnish all such required forms and statements to the Lender from which the related participation shall have been purchased; and

(ii) deliver to the Borrower and the Administrative Agent two (2) further copies of any such form of certification on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form previously delivered by it to the Borrower.

(e) Each Lender that is not a U.S. Person (as such term is defined in Section 7701(a)(30) of the Code) (a "Non-U.S. Lender") shall:

(i) deliver to the Borrower and the Administrative Agent, prior to the first day on which the Borrower is required to make any payments hereunder to Lender, two (2) copies of either United States Internal Revenue Service Form W-8BEN or Form W-8ECI (or successor forms) or, in the case of a Non-U.S. Lender claiming exemption from U.S. Federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest," a Form W-8BEN, or any subsequent versions thereof or successors thereto (and, if such Non-U.S. Lender delivers a Form W-8BEN (with respect to the portfolio interest exemption), a certificate representing that such Non-U.S. Lender (x) is not a bank for purposes of Section 881(c) of the Code, is not subject to regulatory or other legal requirements as a bank in any jurisdiction, and has not been treated as a bank for purposes of any tax, securities law or other filing or submission made to any Governmental Agency, any application made to a rating agency or qualification for any exemption from tax, securities law or other legal requirements, (y) is not a 10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Code) of the Borrower and (z) is not a controlled foreign corporation related to the Borrower (within the meaning of Section 864 (d)(4) of the Code)), properly completed and duly executed by such Non-U.S. Lender claiming complete exemption from, or a reduced rate of, U.S. Federal withholding tax on payments by the Borrower under this Agreement;

(ii) deliver to the Borrower and the Administrative Agent two (2) further copies of any such form of certification on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form previously delivered by it to the Borrower; and

(iii) obtain such extensions of time for filing and completing such forms or certifications as may reasonably be requested by the Borrower or the Administrative Agent;

unless in any such case any change in treaty, law or regulation has occurred prior to the date on which any such delivery would otherwise be required that renders any such form inapplicable or would prevent such Lender from duly completing and delivering any such form with respect to it and such Lender so advises the Borrower and the Administrative Agent. Each Non-U.S. Lender that shall become a Participant pursuant to Section 10.9.2 or a Lender pursuant to Section 10.9.1 shall, upon the effectiveness of the related transfer, be required to provide all the forms and statements required pursuant to this Section 4.6(e) , provided that in the case of a Participant such Participant shall furnish all such required forms and statements to the Lender from which the related participation shall have been purchased.

(f) Notwithstanding anything to the contrary herein, the Borrower shall not be required to indemnify any U.S. Lender or the Administrative Agent, or to pay any additional amounts to such U.S. Lender or the Administrative Agent pursuant to this Section 4.6 to the extent that the obligation to pay such additional amounts would not have arisen but for a failure by such U.S. Lender to comply with the provisions of clause (d) above.

(g) Notwithstanding anything to the contrary herein, the Borrower shall not be required to indemnify any Non-U.S. Lender or the Administrative Agent, or to pay any additional amounts to such Non-U.S. Lender or the Administrative Agent, in respect of U.S. Federal withholding tax pursuant to this Section 4.6 to the extent that (i) the obligation to withhold amounts with respect to U.S. Federal withholding tax existed on the date such Non-U.S. Lender became a party to this Agreement (or, in the case of a Non-U.S. Participant, on the date such Participant became a Participant hereunder) or as of the date such Non-U.S. Lender changes its applicable lending office; provided , however , that this clause (i) shall not apply to the extent that (x) in the case of an assignee Lender or a Participant or a change in the Lender's applicable lending office, the indemnity payments or additional amounts Lender (or Participant) would be entitled to receive (without regard to this clause (i)) do not exceed the indemnity payment or additional amounts that the Person making the assignment, participation, transfer or change in lending office would have been entitled to receive in the absence of such assignment, participation, transfer or change in lending office, or (y) such

assignment, participation, transfer or change in lending office had been requested by the Borrower, (ii) the obligation to pay such additional amounts would not have arisen but for a failure by such Non-U.S. Lender or Non-U.S. Participant to comply with the provisions of clause (e) above or (iii) any of the representations or certifications made by a Non-U.S. Lender or Non-U.S. Participant pursuant to clause (e) above are incorrect at the time a payment hereunder is made, other than by reason of any change in treaty, law or regulation having effect after the date such representations or certifications were made.

(h) If the Borrower determines in good faith that a reasonable basis exists for contesting any Taxes for which indemnification has been demanded hereunder, the relevant Lender or the Administrative Agent, as applicable (to the extent such Lender or the Administrative Agent reasonably determines in good faith that it will not suffer any adverse effect as a result thereof), shall, subject to clause (i) of the proviso in the immediately succeeding sentence, cooperate with the Borrower in challenging such Taxes at the Borrower's expense if so requested by the Borrower in writing. If any Lender or the Administrative Agent, as applicable, receives a refund of, or a credit relating to a Tax for which a payment has been made or borne by the Borrower pursuant to this Agreement, which refund in the good faith judgment of such Lender or the Administrative Agent, as the case may be, is attributable to such payment, then such Lender or the Administrative Agent, as the case may be, shall reimburse the Borrower for such amount as such Lender or the Administrative Agent, as the case may be, determines to be the proportion of the refund as will leave it, after such reimbursement, in no better or worse position than it would have been in if the payment by or borne by the Borrower had not been required; provided , however , that (i) any Lender or the Administrative Agent may determine, in its reasonable discretion consistent with the policies of such Lender or the Administrative Agent, whether to seek a refund and (ii) any Taxes that are imposed on a Lender or the Administrative Agent as a result of a disallowance or reduction of any refund with respect to which such Lender or the Administrative Agent has made a payment to the Borrower pursuant to this clause (h) shall be treated as a Tax for which the Borrower is obligated to indemnify such Lender or the Administrative Agent pursuant to this Section 4.6 . Neither the Lenders nor the Administrative Agent shall be obliged to disclose information regarding its tax affairs or computations to the Borrower in connection with this clause (h) or any other provision of this Section 4.6 .

(i) Promptly after the date of any payment by the Borrower of Taxes or Other Taxes, the Borrower shall furnish to each Lender and the Administrative Agent the original or a certified copy of a receipt evidencing payment thereof, or other evidence of payment satisfactory to such Lender or the Administrative Agent.

Section 4.7 Change of Lending Office . Each Lender agrees that, as promptly as practicable after it becomes aware of the occurrence of an event or the existence of a condition that would give rise to the operation of Sections 4.1 , 4.3 , 4.6(a) ,

4.6(b) or 4.6(c) with respect to such Lender, it will exercise commercially reasonable efforts to make, fund or maintain the affected Revolving Loans of such Lender through another lending office and to take such other actions as it deems appropriate to remove or lessen the impact of such condition and if, as determined by such Lender in its discretion, the making, funding or maintaining of such affected Revolving Loans through such other lending office or the taking of such other actions would not otherwise adversely affect such Revolving Loans or such Lender and would not, in such Lender's discretion, be commercially unreasonable. Nothing in this Section 4.7 shall affect or postpone any of the Obligations of the Borrower or the right of any Lender provided in Sections 4.1 , 4.3 , 4.6(b) or 4.6(c) .

Section 4.8 Payments, Computations, etc. Unless otherwise expressly provided, all payments by the Borrower pursuant to this Agreement, the Notes, each Letter of Credit or any other Loan Document shall be made by the Borrower to the Administrative Agent for the pro rata account of the Lenders entitled to receive such payment. All such payments required to be made to the Administrative Agent shall be made, without setoff, deduction or counterclaim, not later than 1:00 p.m., New York City time, on the date due, in same day or immediately available funds, to such account as the Administrative Agent shall specify from time to time by notice to the Borrower. Funds received after 2:00 p.m., New York City time, on such due date shall be deemed to have been received by the Administrative Agent on the next succeeding Business Day. The Administrative Agent shall promptly remit in same day funds to each Lender its share, if any, of such payments received by the Administrative Agent for the account of such Lender. All computations of interest for LIBO Rate Loans and Base Rate Loans (calculated at the Federal Funds Rate), and all computations of Letter of Credit fees and issuance fees pursuant to Section 3.3.3 , in each case shall be made on the basis of a 360-day year and actual days elapsed, and, with respect to LIBO Rate Loans, on the expiration of the applicable LIBO contract. Whenever any payment to be made shall otherwise be due on a day which is not a Business Day, such payment shall (except as otherwise required by clause (c) of the definition of the term "Interest Period ") be made on the next succeeding Business Day and such extension of time shall be included in computing interest and fees, if any, in connection with such payment.

Section 4.9 Sharing of Payments . If any Lender shall obtain any payment or other recovery (whether voluntary, involuntary, by application of setoff or otherwise) on account of any Loan or Reimbursement Obligation (other than pursuant to the terms of Section 4.3 , 4.4 , 4.5 or 4.6) in excess of its pro rata share of payments then or therewith obtained by all Lenders, such Lender shall purchase from the other Lenders such participations in Credit Extensions made by them as shall be necessary to cause such purchasing Lender to share the excess payment or other recovery ratably with each of them; provided , however , that if all or any portion of the excess payment or other recovery is thereafter recovered from such purchasing Lender, the purchase shall be rescinded and each Lender which has sold a participation to the purchasing Lender shall repay to the purchasing Lender the purchase price to the ratable extent of such recovery together with an amount equal to such selling Lender's ratable share (according to a fraction having a numerator of (a) the amount of such selling Lender's required repayment to the purchasing Lender and a denominator of (b) total amount so recovered

from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered. The Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to this Section may, to the fullest extent permitted by law, exercise all its rights of payment (including pursuant to Section 4.10) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. If under any applicable bankruptcy, insolvency or other similar law, any Lender receives a secured claim in lieu of a setoff to which this Section applies, such Lender shall, to the extent practicable, exercise its rights in respect of such secured claim in a manner consistent with the rights of the Lenders entitled under this Section to share in the benefits of any recovery on such secured claim.

Section 4.10 Setoff . Each Lender shall, if the Loans have been accelerated or otherwise have become due and payable or upon the occurrence and during the continuance of any Event of Default described in Section 8.1.1 or in clauses (a) through (e) of Section 8.1.9 with respect to the Borrower or, with the consent of the Required Lenders, upon the occurrence and during the continuance of any other Event of Default, without prior notice to the Borrower (any such notice being waived by the Borrower to the fullest extent permitted by law), have the right to appropriate and apply to the payment of the Obligations then due or owing to it, any and all balances, credits, deposits, accounts or moneys of the Borrower then or thereafter maintained with such Lender; provided , however , that any such appropriation and application shall be subject to the provisions of Section 4.9 . Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such setoff and application made by such Lender; provided , however , that the failure to give such notice shall not affect the validity of such setoff and application. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff under applicable law or otherwise) which such Lender may have.

Section 5.1.18 Guarantor Pledge Agreement .

The Guarantor shall have duly authorized, executed and delivered to the Administrative Agent the Guarantor Pledge Agreement substantially in the form of Exhibit G-2 hereto (as modified, supplemented or amended from time to time, the "Guarantor Pledge Agreement"), and shall have delivered to the Administrative Agent all of the certificated Guarantor Pledge Agreement Collateral referred to therein (to the extent required to be pledged by the Guarantor Pledge Agreement), together with duly executed and undated stock powers, or, if any Guarantor Pledge Agreement Collateral are uncertificated securities, confirmation and evidence reasonably satisfactory to the Administrative Agent that the security interest in such uncertificated securities has been transferred to and perfected by the Administrative Agent for the benefit of the Lenders in accordance with Article 8 of the Uniform Commercial Code, as in effect in the State of New York, and all laws otherwise applicable to the perfection of the pledge of such shares; and the Administrative Agent and its counsel shall be satisfied that:

(i) the Lien granted to the Administrative Agent, for the benefit of the Secured Creditors, in the Guarantor Pledge Agreement Collateral is a first priority security interest; and

(ii) no Lien exists on any of the Guarantor Pledge Agreement Collateral other than the Lien created in favor of the Administrative Agent, for the benefit of the Secured Creditors, pursuant to the Guarantor Pledge Agreement.

Section 5.2 All Credit Extensions . The obligation of each Lender and the Issuer to make any Credit Extension shall be subject to Sections 2.1.3 and 2.1.4 and the satisfaction of each of the conditions precedent set forth in this Section 5.2 .

Section 5.2.1 Representations and Warranties, No Default, etc. Both before and after giving effect to any Credit Extension:

(a) the representations and warranties set forth in Article VI and in each other Loan Document shall, in each case, be true and correct in all material

respects with the same effect as if then made (unless stated to relate solely to an earlier date, in which case such representations and warranties shall be true and correct in all material respects as of such earlier date);

(b) no Default or Event of Default shall have then occurred and be continuing;

(c) the occurrence of such Credit Extension on such date does not violate any Requirement of Law and is not enjoined, temporarily, preliminarily or permanently and no litigation shall be pending or threatened, which in the good faith judgment of Administrative Agent or the Required Lenders would enjoin, prohibit or restrain, or impose or result in the imposition of any material adverse condition upon, such Credit Extension or any member of the Consolidated Group's obligations with respect thereto; and

(d) Administrative Agent shall have received a Borrowing Request or an Issuance Request in the form attached as Exhibit B-1 and Exhibit B-2 .

Section 5.2.2 Credit Extension Request, etc . Each of the delivery of a Borrowing Request and the acceptance by the Borrower of the proceeds of such Credit Extension shall constitute a representation and warranty by the Borrower that on the date of such Credit Extension (both immediately before and after giving effect to such Credit Extension and the application of the proceeds thereof) the conditions set forth in clauses (a) and (b) of Section 5.2.1 have been satisfied.

ARTICLE VI
REPRESENTATIONS AND WARRANTIES

In order to induce the Lenders, the Issuer and the Administrative Agent to enter into this Agreement and to make Credit Extensions hereunder, the Borrower represents and warrants unto the Administrative Agent, the Issuer and each Lender as set forth in this Article VI .

Section 6.1 Organization, etc . Each of Guarantor, Borrower and, in the case of each other member of the Consolidated Group except where failure could not reasonably be expected to have a Material Adverse Effect:

(a) is a corporation, limited liability company, or partnership, as the case may be, validly organized and existing and in good standing under the laws of the state or jurisdiction of its incorporation or organization;

(b) is duly qualified to do business and is in good standing as a foreign corporation, limited liability company or partnership, as the case may be, in each jurisdiction where the nature of its business requires such qualification; and

(c) has full power and authority and holds all requisite governmental licenses, permits and other approvals to enter into and perform its Obligations under this Agreement, the Notes and each other Loan Document to which it is a party and to own and hold under lease its property and to conduct its business substantially as currently conducted by it.

Section 6.2 Due Authorization, Non-Contravention, etc . The execution, delivery and performance by the Borrower of this Agreement, the Notes and each other Loan Document executed or to be executed by it, the execution, delivery and performance by Guarantor and Subsidiary Guarantor of each Loan Document executed or to be executed by it, the granting of the Liens contemplated by the Security Documents and the Borrower's, and each Subsidiary Guarantor's or Guarantor's participation in the consummation of all aspects of the transactions contemplated hereby, are in each case within each such Person's corporate, limited liability company or partnership powers, as the case may be, have been duly authorized by all necessary corporate, limited liability company or partnership action, as the case may be, and do not

(a) contravene any such Person's Organic Documents;

(b) contravene any material contractual restriction binding on or affecting any such Person or result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under the terms of any material indenture, loan agreement, lease agreement, mortgage, deed of trust, agreement or other material instrument to which the Borrower or any of the Subsidiaries or Guarantor is a party or by which it or any of its property or assets is bound;

(c) contravene (i) any court decree or order binding on or affecting any such Person or (ii) any law or governmental regulation binding on or affecting any such Person; or

(d) result in, or require the creation or imposition of, any Lien on any of such Person's material properties (except as permitted by this Agreement).

Section 6.3 Government Approval, Regulation, etc . No approval, consent, exemption, authorization or other action by, or notice to, or filing with, any Governmental Authority or regulatory body or other Person (other than those that have been, or on the Closing Date will be, duly obtained or made and which are, or on the Closing Date will be, in full force and effect and other than those, singly or in the aggregate, with respect to which the failure to obtain or make could not reasonably be expected to have a Material Adverse Effect) is necessary or required for the consummation of the transactions contemplated hereby or the due execution, delivery or performance by, or to make enforceable against, the Borrower, Guarantor or Subsidiary Guarantor, the Notes or any other Loan Document to which it is a party or the granting of the Liens contemplated by the Security Documents. Neither the Borrower nor any Subsidiary nor Guarantor is an "investment company" within the meaning of the Investment Company Act of 1940, as amended. Neither the Borrower nor any of its Subsidiaries nor Guarantor is a "holding company," or a "subsidiary company" of a

"holding company," or an "affiliate" of a "holding company" or of a "subsidiary company" of a "holding company" within the meaning of the Public Utility Holdings Company Act of 1935, as amended.

Section 6.4 Validity, etc . This Agreement constitutes, and the Notes and each other Loan Document, executed by the Borrower will, on the due execution and delivery thereof, constitute, the legal, valid and binding obligations of the Borrower, enforceable against the Borrower in accordance with their respective terms; and each other Loan Document executed pursuant hereto by each Subsidiary Guarantor or Guarantor will, on the due execution and delivery thereof by such Subsidiary Guarantor or Guarantor, constitute the legal, valid and binding obligation of such Subsidiary Guarantor or Guarantor enforceable against such Subsidiary Guarantor or Guarantor in accordance with its terms (except, in any case above, as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally and by principles of equity).

Section 6.5 Financial Information .

(a) The financial statements furnished to the Administrative Agent and the Lenders pursuant to Section 5.1.5 have been prepared in accordance with GAAP consistently applied, except as otherwise expressly noted therein, and present fairly in all material respects the consolidated financial condition of the Persons covered thereby as at the dates thereof and the results of their operations for the periods then ended. All balance sheets, all statements of operations, shareholders' equity, earnings and cash flow and all other financial information of each member of the Consolidated Group and the Unconsolidated Subsidiaries furnished pursuant to Section 7.1.1 have been and will for periods following the Closing Date be prepared in accordance with GAAP consistently applied, except as otherwise expressly noted therein, and do or will present fairly in all material respects the consolidated financial condition of the Persons covered thereby as at the dates thereof and the results of their operations for the periods then ended.

(b) On and as of the Closing Date, after giving effect to all Indebtedness (including the Loans) being incurred or assumed and Liens created by the Borrower and Guarantor in connection therewith, (a) the sum of the assets, at a fair valuation, of the Guarantor and its Subsidiaries taken as a whole and the Borrower on a stand-alone basis will exceed their respective debts; (b) Guarantor and its Subsidiaries taken as a whole and the Borrower on a stand-alone basis have not incurred and do not intend to incur, and do not believe that they will incur, debts beyond their ability to pay such debts as such debts mature; and (c) the Guarantor and its Subsidiaries taken as a whole and the Borrower on a stand-alone basis will have sufficient capital with which to conduct their respective businesses. For purposes of this Section 6.5(b) , "debt" means any liability on a claim, and "claim" means (i) right to payment, whether or not such a right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured, or unsecured or (ii) right to an equitable remedy for breach of performance if such breach gives rise to

a payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured.

(c) Except as disclosed in the financial statements delivered pursuant to Section 6.5(a) or in Item 6.5(c) of the Disclosure Schedule and the Indebtedness incurred in connection with the Commitments, there were as of the Closing Date no liabilities or obligations with respect to the Borrower or any of its Subsidiaries of any nature whatsoever (whether absolute, accrued, contingent or otherwise and whether or not due) which, either individually or in aggregate, has had or could reasonably be expected to have a Material Adverse Effect. As of the Closing Date, Borrower does not know of any basis for the assertion against it or any of its Subsidiaries of any liability or obligation of any nature whatsoever that is not disclosed in the financial statements delivered pursuant to Section 6.5(a) which, either individually or in the aggregate, has had or could reasonably be expected to have a Material Adverse Effect.

(d) On and as of the Closing Date, the Projections have been prepared in good faith and are based on assumptions believed by Borrower to be reasonable and attainable under the then known facts and circumstances, and there are no statements or conclusions in any of the Projections which are based upon or include information known to the Borrower to be misleading in any material respect or which knowingly fail to take into account material information regarding the matters reported therein; it being understood, however, that nothing contained herein shall constitute a representation that the results forecasted in such Projections will in fact be achieved.

Section 6.6 No Material Adverse Effect . Since the Closing Date, there has been no change in the business, assets, operations, properties or financial condition of the Consolidated Group that, either individually or in the aggregate, has had, or could reasonably have, a Material Adverse Effect.

Section 6.7 Litigation, etc . There is no pending or, to the knowledge of the Borrower, threatened litigation, action, proceeding or controversy affecting the Borrower or any of its Subsidiaries or Guarantor, or any of their respective Properties, businesses, assets or revenues, which, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

Section 6.8 Subsidiaries . The Borrower has no Subsidiaries, except (i) those Subsidiaries existing on the Closing Date which are identified in Item 6.8 of the Disclosure Schedule or (ii) those Subsidiaries which have been identified to the Administrative Agent pursuant to Section 7.1.9 hereof.

Section 6.9 Ownership of Properties . The Borrower or, as applicable, each Property Owner, has good title, or leasehold interests in, or indirect ownership of, (i) each Borrowing Base Property, except for Permitted Borrowing Base Liens and (ii) except where the failure to have such good title or leasehold interests could not, either

individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, all of its other Properties and assets, real and personal, tangible and intangible, of any nature whatsoever, free and clear in each case of all Liens or claims, except for Liens permitted pursuant to Section 7.2.3 .

Section 6.10 Taxes . The members of the Consolidated Group and all other Persons with whom the members of the Consolidated Group join in the filing of a consolidated return have filed all Federal income tax returns and other material tax returns and reports, domestic and foreign, required by law to have been filed, and have paid all material taxes, assessments, fees and other governmental charges levied or imposed upon them or their properties, income or assets otherwise due and payable except those not yet delinquent or those which are being diligently contested in good faith and for which adequate reserves have been established (in the good faith judgment of the Borrower) in accordance with GAAP. The members of the Consolidated Group and each such other Person with whom the members of the Consolidated Group join in the filing of a consolidated return have paid, or have provided adequate reserves (in the good faith judgment of the management of the Borrower) in accordance with GAAP for the payment of all such material taxes, assessments, fees and charges relating to all prior taxable years and the current taxable year of the members of the Consolidated Group and each such other Person with whom the members of the Consolidated Group join in the filing of a consolidated return. To the best knowledge of the Borrower, there is no proposed tax assessment against the members of the Consolidated Group or any such other Person with whom the members of the Consolidated Group join in the filing of a consolidated return that, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

Section 6.11 ERISA Compliance .

(a) Each Plan is in compliance in all material respects with the terms thereof and the applicable provisions of ERISA, the Code and other federal or state law except to the extent that failure to comply could not result, either individually or in the aggregate, in an amount of liability that could reasonably be expected to have a Material Adverse Effect. The Borrower and each ERISA Affiliate have made all required contributions to each Plan, except to the extent that a failure to do so could not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, and no application for a funding waiver or an extension of any amortization period pursuant to Section 412 of the Code or Section 302 of ERISA has been made with respect to any Plan subject to either such Section of the Code or ERISA.

(b) There are no pending or, to the best knowledge of Borrower, threatened claims, actions or lawsuits, or action by any Governmental Authority, with respect to any Pension Plan which has resulted or could reasonably be expected to result in, either individually or in the aggregate, a Material Adverse Effect.

(c) (i) No ERISA Event has occurred or is reasonably expected to occur; (ii) no Pension Plan has any Unfunded Pension Liability in an amount which could reasonably be expected to have a Material Adverse Effect if such Pension Plan were then terminated; and (iii) neither the Borrower nor any ERISA Affiliate has engaged in a transaction that could be subject to Section 4069 or 4212(c) of ERISA that, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

Section 6.12 Compliance with Environmental Laws . The Borrower and each of its Subsidiaries is in compliance with all applicable Environmental Laws in respect of the conduct of its business and the ownership of its property, except such noncompliance as could not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Without limiting the effect of the preceding sentence:

(a) neither the Borrower nor any of its Subsidiaries has received a complaint, order, citation, notice or other written communication with respect to the existence or alleged existence of a violation of, or liability arising under, any Environmental Law, the outcome of which, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect;

(b) to the best of the Borrower's knowledge, after due inquiry, there are no environmental, health or safety conditions existing or reasonably expected to exist at any real property owned, operated, leased or used by the Borrower or any of its existing or former Subsidiaries or any of their respective predecessors, including off-site treatment or disposal facilities used by the Borrower or its existing or former Subsidiaries for wastes treatment or disposal, which could reasonably be expected to require any construction or other capital costs or clean-up obligations to be incurred prior to the Maturity Date in order to assure compliance with any Environmental Law, including provisions regarding clean-up, to the extent that any of such conditions, construction or other capital costs or clean-up obligations, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect; and

(c) neither the Borrower nor any of its Subsidiaries has treated, stored, transported or disposed of Hazardous Materials at or from any currently or formerly owned Real Estate or facility relating to its business in a manner that, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

Section 6.13 Regulations T, U and X . Neither the Borrower nor any of its Subsidiaries is engaged in the business of extending credit for the purpose of purchasing or carrying margin stock, and no use of any proceeds of any Credit Extensions will violate F.R.S. Board Regulation T, U or X. Terms for which meanings are provided in F.R.S. Board Regulation T, U or X or any regulations substituted therefor, as from time to time in effect, are used in this Section with such meanings.

Section 6.14 Accuracy of Information . All factual information (taken as a whole) heretofore or contemporaneously furnished by or on behalf of the Consolidated Group in writing to the Administrative Agent, the Issuer or any Lender on or before the Closing Date (including (i) the Confidential Memorandum and (ii) all information contained in the Loan Documents) for purposes of or in connection with this Agreement or any transaction contemplated hereby is true and complete in all material respects on the date as of which such information is dated or certified and not incomplete by omitting to state any material fact necessary to make such information (taken as a whole) not misleading at such time in light of the circumstances under which such information was provided, it being understood and agreed that for purposes of this Section 6.14 , such factual information shall not include Projections and pro forma financial information.

Section 6.15 REIT . Guarantor is qualified as a REIT and its proposed methods of operation will enable it to continue to be so qualified.

Section 6.16 No Bankruptcy Filing . None of the members of the Consolidated Group are contemplating either the filing of a petition by it under any state or federal bankruptcy or insolvency laws or the liquidation of all or a major portion of such entity's assets or property, and Borrower has no knowledge of any Person contemplating the filing of any such petition against it or against any Guarantor or Subsidiary, except for any such filing or liquidation after the date hereof which would not constitute an Event of Default hereunder and regarding which the Administrative Agent has received written notice.

Section 6.17 Use of Proceeds . The proceeds of all Loans shall be used by the Borrower and its Subsidiaries, subject to the other restrictions set forth in this Agreement, for their working capital and general corporate, partnership or limited liability company purposes. Each Letter of Credit may be used in support of any purpose not prohibited by this Agreement or the other Loan Documents.

Section 6.18 Other Debt . No member of the Consolidated Group is in default in the payment of any other Indebtedness or under any agreement, mortgage, deed of trust, security agreement, or lease to which it is a party, which default could reasonably be expected to have a Material Adverse Effect.

Section 6.19 Security Interests . Once executed and delivered, and until terminated in accordance with the terms thereof, the Pledge Agreement and the Guarantor Pledge Agreement create, as security for the obligations purported to be secured thereby, a valid and enforceable first priority Lien on all of the Pledge Agreement Collateral and Guarantor Pledge Agreement Collateral subject thereto from time to time, superior to and prior to the rights of all third Persons in favor of the Administrative Agent, for the benefit of the Lenders. No filings or recordings are required in order to perfect the security interests created under the Pledge Agreement and the Guarantor Pledge Agreement except for such filings as have been made, or provided for to the satisfaction of Administrative Agent, at the time of the execution and delivery thereof.

Section 6.20 Material Agreements . Each management agreement and each other Material Agreement is in full force and effect, and no terminating event, default, or failure or performance has accrued thereunder except where such terminating event, default, or failure of performance could not reasonably be expected to have a Material Adverse Effect. The Material Agreements furnished to Administrative Agent constitute all Material Agreements of the Borrower and Guarantor as of the Closing Date. No party to any management agreement or any Material Agreement has challenged or denied the validity or enforceability of any such agreement. The Borrower shall promptly furnish to Administrative Agent copies of all Material Agreements of the Borrower or the Guarantor entered into after the Closing Date.

Section 6.21 Office of Foreign Assets Control . Neither Borrower nor Guarantor shall (a) be or become subject at any time to any law, regulation, or list of any government agency (including, without limitation, the OFAC List) that prohibits or limits any Lender from making any advance or extension of credit to Borrower or from otherwise conducting business with Borrower and/or Guarantor, or (b) fail to provide documentary and other evidence of Borrower's identity as may be requested by the Administrative Agent at any time to enable the Administrative Agent to verify Borrower's identity or to comply with any applicable law or regulation, including, without limitation, Section 326 of the USA Patriot Act of 2001, 31 U.S.C. § 5318 (the "Patriot Act"). In addition, Borrower hereby agrees to provide Administrative Agent with any additional information that Administrative Agent deems reasonably necessary from time to time in order to ensure compliance with all legal requirements concerning money laundering and similar activities.

Section 6.22 Labor Relations . None of Guarantor, Borrower, nor any of its Subsidiaries has received written notice, or otherwise has reason to believe that it is engaged in any unfair labor practice that could reasonably be expected to have a Material Adverse Effect. There is (i) no unfair labor practice complaint pending against Guarantor, Borrower or any of its Subsidiaries or, to the best knowledge of Borrower, threatened against any of them, before the National Labor Relations Board, and no grievance or arbitration proceeding arising out of or under any collective bargaining agreement is so pending against Guarantor, Borrower or any of its Subsidiaries or, to the best knowledge of Borrower, threatened against any of them, (ii) no strike, labor dispute, slowdown or stoppage pending against Guarantor, Borrower or any of its Subsidiaries or, to the best knowledge of Borrower, threatened against Guarantor, Borrower or any of its Subsidiaries and (iii) to the best knowledge of Borrower, no union representation question existing with respect to the employees of Guarantor, Borrower or any of its Subsidiaries and, to the best knowledge of Borrower, no union organizing activities are taking place, except (with respect to any matter specified in clause (i), (ii) or (iii) above, either individually or in the aggregate) such as could not reasonably be expected to have a Material Adverse Effect.

Section 6.23 Intellectual Property, Licenses, Franchises and Formulas . Guarantor, Borrower and each of its Subsidiaries owns, or has the right to use, all the patents, trademarks, permits, service marks, trade names, copyrights, licenses, franchises, proprietary information (including, but not limited to, rights in computer programs and

databases) and formulas, or other rights with respect to the foregoing, or has obtained assignments of all leases and other rights of whatever nature, necessary for the present conduct of its business, without any known conflict with the rights of others which, or the failure to obtain which, as the case may be, could reasonably be expected to result in a Material Adverse Effect.

Intercompany Indebtedness shall generally be permitted provided (i) the same is subordinated to this Facility and the full repayment of the Obligations and all obligations of Guarantor and any Subsidiary Guarantor under this Facility, (ii) the incurrence of such Indebtedness will not otherwise cause an Event of Default, (iii) intercompany loans to Subsidiaries which are not wholly-owned directly or indirectly by the Borrower or Subsidiary Guarantors are subject to reasonable approval by Administrative Agent and (iv) such Indebtedness otherwise complies with the terms and restrictions set forth in this Agreement; and provided, further, that, in addition to the foregoing, in the case of Indebtedness relating to a Borrowing Base Property or Borrowing Base Property Owner, (A) the holder thereof is (or becomes) a Subsidiary Guarantor and (B) such Indebtedness is pledged to the Administrative Agent as Loan Pledge Collateral pursuant to the Loan Pledge Agreement. All financial statements of Guarantor and Borrower provided to creditors will, to the full extent permitted by GAAP, clearly evidence the corporate separateness of Borrower and its Subsidiaries from Guarantor. Finally, no such company will take any action, or conduct its affairs in a manner which is likely to result in the corporate existence of Borrower and/or any of its Subsidiaries on the one hand, and Guarantor on the other, being ignored, or in the assets and liabilities of Borrower or any of its Subsidiaries being substantively consolidated with those of Guarantor in a bankruptcy, reorganization, or other insolvency proceeding.

(c) The Borrower hereby authorizes the Administrative Agent for the ratable benefit of the Lenders to apply, from time to time after funds are deposited in the Letter of Credit Collateral Account, funds then held in the Letter of Credit Collateral Account to the payment of any amounts, in such order as the Administrative Agent may elect, as shall have become due and payable by the Borrower to the Lenders in respect of the Letters of Credit.

The Administrative Agent may perform any of its respective duties hereunder or under the other Loan Documents by or through its officers, directors, agents, employees or affiliates.

(b) Each Lender hereby irrevocably appoints the Issuer to act on behalf of such Lenders with respect to any Letters of Credit issued by the Issuer and the documents associated therewith until such time and except for so long as the Administrative Agent may agree at the request of the Required Lenders to act for such Issuer with respect thereto; provided , however , that the Issuer shall have

all of the benefits and immunities (i) provided to the Administrative Agent in this Article IX with respect to any acts taken or omissions suffered by the Issuer in connection with Letters of Credit issued by it or proposed to be issued by it pertaining to the Letters of Credit as fully as if the term "Administrative Agent," as used in this Article IX, included the Issuer with respect to such acts or omissions and (ii) as additionally provided in this Agreement with respect to the Issuer.

Section 9.2 Hedging Counterparty Intercreditor Agreements . At the request of Borrower, the Administrative Agent on behalf of the Lenders will enter into a Hedging Counterparty Intercreditor Agreement in order to permit the sharing of Collateral on a *pari pasu* basis among the Lenders and the Pari-Pasu Hedging Counterparties, provided that such Hedging Counterparty Intercreditor Agreement:

(i) limits the maximum aggregate pro rata share in Collateral to which the Pari-Pasu Hedging Counterparties could be entitled to Ten Million Dollars ($10,000,000) in principal amount, including with respect to any interests, liabilities or Net Termination Values under the Pari-Pasu Hedging Agreements, whether or not actually in excess of Ten Million Dollars ($10,000,000);

(ii) requires the Pari-Pasu Hedging Counterparties to in all events standstill and forebear with respect to any actions relating to the Collateral;

(iii) provides for reasonable acknowledgment by each Pari-Pasu Hedging Counterparty that it has no rights or obligations with respect to the Facility or Collateral, other than the sharing arrangements expressly provided in the intercreditor agreement;

(iv) requires as a condition to the sharing of such Collateral that such Pari-Pasu Hedging Counterparty bear its pro rata share of all expenses incurred by the Administrative Agent and Secured Creditors in connection with the ownership, operation, maintenance, marketing and sale of the Collateral;

(v) relates to a Hedging Agreement that has been pledged by Borrower (and/or Guarantor, as applicable), pursuant to documents in form and substance reasonably acceptable to the Administrative Agent, as additional Collateral for the Facility; and

(vi) is otherwise on terms and conditions and in form and substance, including with respect to indemnification of the Administrative Agent and the Lenders, reasonably acceptable to the Administrative Agent and the Required Lenders.

Section 9.3 Nature of Duties . The Administrative Agent shall not have any duties or responsibilities except those expressly set forth in this Agreement and in the other Loan Documents. Neither the Administrative Agent nor any of its officers, directors, agents, employees or affiliates shall be liable to any Person for any action taken or omitted by it or them hereunder or under any other Loan Document or in connection herewith or therewith, unless caused by its or their gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable

decision). The duties of the Administrative Agent shall be mechanical and administrative in nature; the Administrative Agent shall not have by reason of this Agreement or any other Loan Document a fiduciary relationship in respect of any Lender or the holder of any Note; and nothing in this Agreement or in any other Loan Document, expressed or implied, is intended to or shall be so construed as to impose upon the Administrative Agent any obligations in respect of this Agreement or any other Loan Document except as expressly set forth herein or therein.

Section 9.4 Lack of Reliance on the Administrative Agent . Independently and without reliance upon the Administrative Agent, each Lender and the holder of each Note, to the extent it deems appropriate, has made and shall continue to make (i) its own independent investigation of the financial condition and affairs of the Borrower, Guarantor and their respective Subsidiaries in connection with the making and the continuance of the Credit Extensions and the taking or not taking of any action in connection herewith and (ii) its own appraisal of the creditworthiness of the Borrower, Guarantor and their respective Subsidiaries and, except as expressly provided in this Agreement, the Administrative Agent shall not have any duty or responsibility, either initially or on a continuing basis, to provide any Lender or the holder of any Note with any credit or other information with respect thereto, whether coming into its possession before the making of any Credit Extension or at any time or times thereafter. The Administrative Agent shall not be responsible to any Lender or the holder of any Note for any recitals, statements, information, representations or warranties herein, in any other Loan Document or in any document, certificate or other writing delivered in connection herewith or therewith or for the execution, effectiveness, genuineness, validity, enforceability, perfection, collectibility, priority or sufficiency of this Agreement or any other Loan Document or the financial condition of the Borrower, Guarantor or any of their respective Subsidiaries or be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement or any other Loan Document, or the financial condition of the Borrower, Guarantor or any of their respective Subsidiaries or the existence or possible existence of any Default or Event of Default.

Section 9.5 Certain Rights of the Administrative Agent . If the Administrative Agent requests instructions from the Required Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any other Loan Document, the Administrative Agent shall be entitled to refrain from such act or taking such action unless and until the Administrative Agent shall have received written instructions from the Required Lenders; and the Administrative Agent shall not incur liability to any Lender by reason of so refraining. Without limiting the foregoing, neither any Lender nor the holder of any Note shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting hereunder or under any other Loan Document in accordance with the instructions of the Required Lenders, or such greater number of Lenders as may be expressly required under Section 10.1 .

Section 9.6 Reliance . The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice,

statement, certificate, telex, teletype or telecopier message, cablegram, radiogram, order or other document or telephone message signed, sent or made by any Person that the Administrative Agent believed to be the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Loan Document and its duties hereunder and thereunder, upon advice of counsel selected by the Administrative Agent.

Section 9.7 Indemnification . To the extent the Administrative Agent (or any affiliate thereof) is not reimbursed and indemnified by the Borrower, the Lenders will reimburse and indemnify the Administrative Agent (and any affiliate thereof) in proportion to their respective "percentage" as used in determining the Required Lenders for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent (or any affiliate thereof) in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's (or such affiliate's) gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

Section 9.8 The Administrative Agent in its Individual Capacity . With respect to its obligation to make Loans, or issue or participate in Letters of Credit, under this Agreement, the Administrative Agent shall have the rights and powers specified herein for a "Lender" and may exercise the same rights and powers as though it were not performing the duties specified herein; and the terms "Lender," "Required Lenders," or any similar terms shall, unless the context clearly indicates otherwise, include the Administrative Agent in its respective individual capacities. The Administrative Agent and its affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, investment banking, trust or other business with, or provide debt financing, equity capital or other services (including financial advisory services) to any member of the Consolidated Group or any Affiliate of any member of the Consolidated Group (or any Person engaged in a similar business with any member of the Consolidated Group or any Affiliate thereof) as if they were not performing the duties specified herein, and may accept fees and other consideration from any member of the Consolidated Group or any Affiliate of any member of the Consolidated Group for services in connection with this Agreement and otherwise without having to account for the same to the Lenders.

Section 9.9 Holders . The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes hereof unless and until a written notice of the assignment, transfer or endorsement thereof, as the case may be, shall have been filed with the Administrative Agent. Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is the holder of any Note shall be conclusive and binding on any subsequent holder, transferee, assignee or endorsee, as the case may be, of such Note or of any Note or Notes issued in exchange therefor.

Section 9.10 Resignation by the Administrative Agent .

(a) The Administrative Agent may resign from the performance of all its respective functions and duties hereunder and/or under the other Loan Documents at any time by giving thirty (30) days prior written notice to the Lenders and, unless an Event of Default then exists with respect to the Borrower, the Borrower. Any such resignation by the Administrative Agent hereunder shall also constitute its resignation as the Issuer, in which case the resigning Administrative Agent (x) shall not be required to issue any further Letters of Credit and (y) shall maintain all of its rights as the Issuer with respect to any Letters of Credit issued by it prior to the date of such resignation. Such resignation shall take effect upon the appointment of a successor Administrative Agent pursuant to clauses (b) and (c) below in this Section 9.10 or as otherwise provided below in this Section 9.10 .

(b) Upon any such notice of resignation by the Administrative Agent, the Required Lenders shall appoint a successor Administrative Agent and Issuer hereunder and who shall be either an Affiliate of the Administrative Agent or a commercial bank or trust company reasonably acceptable to the Borrower, which acceptance shall not be unreasonably withheld or delayed (provided that the Borrower's approval or acceptance shall not be required if an Event of Default then exists).

(c) If a successor Administrative Agent shall not have been so appointed within such 30 day period, the Administrative Agent, with the consent of the Borrower (which consent shall not be unreasonably withheld or delayed, provided that the Borrower's consent shall not be required if an Event of Default then exists), shall then appoint a successor Administrative Agent who shall serve as Administrative Agent and Issuer hereunder and until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

(d) If no successor Administrative Agent has been appointed pursuant to clause (b) or (c) above in this Section 9.10 by the 35th Business Day after the date such notice of resignation was given by the Administrative Agent, the Administrative Agent's resignation shall become effective and the Required Lenders shall thereafter perform all the duties of the Administrative Agent hereunder and/or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

(e) Upon a resignation of the Administrative Agent pursuant to this Section 9.10 , the Administrative Agent shall remain indemnified to the extent provided in this Agreement and the other Loan Documents and the provisions of this Article IX shall continue in effect for the benefit of the Administrative Agent for all of its actions and inactions while serving as the Administrative Agent.

ARTICLE X

(c) No failure or delay on the part of the Administrative Agent, the Issuer or any Lender in exercising any power, privilege or right under this Agreement or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, privilege or right preclude any other or further exercise thereof or the exercise of any other power, privilege or right. No waiver or approval by the Administrative Agent, the Issuer or any Lender under this Agreement or any other Loan Document shall, except as may be otherwise stated in such waiver or approval, be applicable to subsequent transactions. No waiver or approval hereunder shall require any similar or dissimilar waiver or approval thereafter to be granted hereunder. The rights, powers and remedies herein or in any other Loan Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Issuer or any Lender would otherwise have.

Section 10.2 Notices . Any notice, if mailed and properly addressed with postage prepaid or if properly addressed and sent by pre-paid courier service, shall be deemed given when received; any notice, if transmitted by facsimile, shall be deemed given when the confirmation of transmission thereof is received by the transmitter.

Section 10.3 Payment of Costs and Expenses; Indemnification . The Borrower hereby agrees to: (i) whether or not the transactions herein contemplated are consummated, pay all reasonable out-of-pocket costs and expenses of the Administrative Agent (including, without limitation, the reasonable fees and disbursements of Skadden, Arps, Slate, Meagher & Flom LLP and the Administrative Agent's other counsel and consultants) in connection with the preparation, execution and delivery of this Agreement and the other Loan Documents and the documents and instruments referred to herein and therein and any amendment, waiver or consent relating hereto or thereto, of the Administrative Agent in connection with its syndication efforts and administrative functions with respect to this Agreement and of the Administrative Agent and, after the

occurrence of an Event of Default, each of the Lenders and the Issuer in connection with the enforcement of this Agreement and the other Loan Documents and the documents and instruments referred to herein and therein or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or pursuant to any insolvency or bankruptcy proceedings (including, in each case without limitation, the reasonable fees and disbursements of counsel and consultants for the Administrative Agent and, after the occurrence of an Event of Default, counsel for each of the Lenders and the Issuer); (ii) pay and hold the Administrative Agent, each of the Lenders and the Issuer harmless from and against any and all present and future stamp, excise and other similar documentary taxes with respect to the foregoing matters and save the Administrative Agent, each of the Lenders and the Issuer harmless from and against any and all liabilities with respect to or resulting from any delay or omission (other than to the extent attributable to the Administrative Agent, each of the Lenders and the Issuer) to pay such taxes; and (iii) indemnify the Administrative Agent, each Lender and the Issuer, and each of their respective officers, directors, employees, representatives, agents, affiliates, trustees and investment advisors from and hold each of them harmless against any and all liabilities, obligations (including removal or remedial actions), losses, damages, penalties, claims, actions, judgments, suits, costs, expenses and disbursements (including reasonable attorneys' and consultants' fees and disbursements) incurred by, imposed on or assessed against any of them as a result of, or arising out of, or in any way related to, or by reason of, (a) any investigation, litigation or other proceeding (whether or not the Administrative Agent, any Lender or the Issuer is a party thereto and whether or not such investigation, litigation or other proceeding is brought by or on behalf of Borrower) related to the entering into and/or performance of this Agreement or any other Loan Document or the use of any Letter of Credit or the proceeds of any Loans hereunder or the consummation of the Transaction or any other transactions contemplated herein or in any other Loan Document or the exercise of any of their rights or remedies provided herein or in the other Loan Documents, or (b) the actual or alleged presence of Hazardous Materials in the air, surface water or groundwater or on the surface or subsurface of any real property at any time owned, leased or operated by the Borrower or any of its Subsidiaries, the generation, storage, transportation, handling or disposal of Hazardous Materials by the Borrower or any of its Subsidiaries at any location, whether or not owned, leased or operated by the Borrower or any of its Subsidiaries, the non-compliance by the Borrower or any of its Subsidiaries with any Environmental Law (including applicable permits thereunder) applicable to any real property, or any Environmental Claim asserted against the Borrower, any of its Subsidiaries or any real property at any time owned, leased or operated by the Borrower or any of its Subsidiaries, including, in each case, without limitation, the reasonable fees and disbursements of counsel and other consultants incurred in connection with any such investigation, litigation or other proceeding (but excluding any portion of any such losses, liabilities, claims, damages or expenses to the extent incurred by reason of the gross negligence or willful misconduct of the Person to be indemnified (as determined by a court of competent jurisdiction in a final and non-appealable decision)). To the extent that the undertaking to indemnify, pay or hold harmless the Administrative Agent, any Lenders or the Issuer set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, the Borrower shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law.

Section 10.4 Survival and Recourse Nature of Obligations . The obligations of the Borrower under Sections 4.3 , 4.4 , 4.5 , 4.6 and 10.3 , and the obligations of the Lenders under Section 9.7 and Section 10.9.2 , shall in each case survive any assignment from one Lender to another (in the case of Section 10.3 or Section 10.9.2) and any termination of this Agreement, the payment in full of all the Obligations and the termination of all the Revolving Loan Commitments. In addition, all provisions herein and in any other Loan Document (other than Section 3.3.3 hereof) relating to outstanding Letters of Credit and Excess Cash Collateral shall survive termination of this Agreement until all outstanding Letters of Credit have been drawn in full or terminated and all Excess Cash Collateral has been returned to the Borrower if required pursuant to Section 2.6.7 or Section 8.4 . The representations and warranties made by Borrower, Guarantor, and each Subsidiary Guarantor, in this Agreement and in each other Loan Document shall survive the execution and delivery of this Agreement and each such other Loan Document. Borrower, pursuant to this Agreement, and Guarantor and each Subsidiary Guarantor, pursuant to the Guaranty and the Subsidiary Guaranty, as applicable, agrees that they shall be personally liable (whether by suit, deficiency judgment or otherwise) and there shall be full recourse to the Borrower, Guarantor and each Subsidiary Guarantor, for the full payment and performance of the Obligations; provided that the amount of liability of any Subsidiary Guarantor shall not exceed the fair market value of its assets less any liabilities (it being the intention of the parties that no Subsidiary Guarantor shall become insolvent as a result of its obligations hereunder and under the other Loan Documents). It is understood and agreed that each of Borrower, Guarantor and each Subsidiary Guarantor shall remain liable with respect to their Obligations to the extent of any deficiency between the amount of the proceeds of the Collateral pledged to Lender under the Pledge Agreement, the Guarantor Pledge Agreement and the aggregate amount of such Obligations.

Section 10.5 Headings . The various headings of this Agreement and of each other Loan Document are inserted for convenience only and shall not affect the meaning or interpretation of this Agreement or such other Loan Document or any provisions hereof or thereof.

Section 10.6 Execution in Counterparts, Effectiveness, etc . This Agreement may be executed by the parties hereto in several counterparts, each of which shall be an original and all of which shall constitute together but one and the same agreement. This Agreement shall become effective when counterparts hereof executed on behalf of the Borrower, the Administrative Agent and each of the Lenders (or notice thereof satisfactory to the Administrative Agent) shall have been received by the Administrative Agent and notice thereof shall have been given by the Administrative Agent to the Borrower and each Lender.

Section 10.7 Governing Law; Entire Agreement . THIS AGREEMENT (INCLUDING PROVISIONS WITH RESPECT TO INTEREST, LOAN CHARGES AND COMMITMENT FEES) SHALL EACH BE DEEMED TO BE A CONTRACT

MADE UNDER AND GOVERNED BY THE INTERNAL LAWS OF THE STATE OF NEW YORK (INCLUDING FOR SUCH PURPOSE SECTIONS 5-1401 AND 5-1402 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK). This Agreement, the Notes and the other Loan Documents constitute the entire understanding among the parties hereto with respect to the subject matter hereof and thereof and supersede any prior agreements, written or oral, with respect thereto.

Section 10.8 Successors and Assigns . This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns; provided , however , that:

(a) the Borrower may not assign or transfer its rights or obligations hereunder or under any of the other Loan Documents without the prior written consent of the Administrative Agent and all of the Lenders; and

(b) the rights of sale, assignment and transfer of the Lenders are subject to Section 10.9 .

Section 10.9 Sale and Transfer of Loans and Notes; Participations in Loans and Notes . Lender may assign, or sell participations in, its Loans, Letter of Credit Outstandings and Commitments to one or more other Persons in accordance with this Section 10.9 .

Section 10.9.1 Assignments .

(a) Upon prior notice to the Borrower, and the Administrative Agent, any Lender may at any time assign and delegate to one or more Eligible Assignees with the consent of the Borrower, the Administrative Agent and the Issuer (which consents of the Borrower and the Issuer shall not be required (x) if the Eligible Assignee is a Lender or an Affiliate of a Lender, or (y) in the case of the Borrower, if a Specified Default or an Event of Default exists, and each of which consents shall not be unreasonably withheld or delayed if such consents are in fact required), all or any fraction of such Lender's total Loans, Letter of Credit Outstandings and Commitments; provided , however , that (x) the assigning Lender must assign a pro rata portion of each of its Revolving Loan Commitments, Revolving Loans and interest in Letter of Credit Outstandings and (y) no Lender may assign a Commitment of less than $5,000,000 or, unless such Lender has assigned the entirety of its Commitment, retain a Commitment of less than $5,000,000. The Borrower and the Administrative Agent shall be entitled to continue to deal solely and directly with such Lender in connection with the interests so assigned and delegated to an Eligible Assignee until:

(i) notice of such assignment and delegation, together with (A) payment instructions, (B) the Internal Revenue Service Forms or other statements contemplated or required to be delivered pursuant to Section 4.6 , if applicable, (C) addresses and related information with respect to such Eligible Assignee, shall have been delivered to the Borrower and the

Administrative Agent by such Lender and such Eligible Assignee and (D) the Administrative Agent has made the appropriate entries in the Register;

(ii) such Eligible Assignee shall have executed and delivered to the Borrower and the Administrative Agent a Lender Assignment Agreement, accepted by the Administrative Agent; and

(iii) the processing fees described below shall have been paid.

From and after the date that the Administrative Agent accepts such Lender Assignment Agreement, (x) the Eligible Assignee thereunder shall be deemed automatically to have become a party hereto and to the extent that rights and obligations hereunder have been assigned and delegated to such Eligible Assignee in connection with the Lender Assignment Agreement, shall have the rights and obligations of assignor Lender hereunder and under the other Loan Documents, and (y) the assignor Lender, to the extent that rights and obligations hereunder have been assigned and delegated by it in connection with the Lender Assignment Agreement, shall be released from its obligations hereunder and under the other Loan Documents. Accrued interest on that part of the Loans assigned, if any, and accrued fees, shall be paid as provided in the Lender Assignment Agreement. Accrued interest and accrued fees shall be paid at the same time or times provided in this Agreement. Unless such Eligible Assignee is an Affiliate of the assignor Lender, such assignor Lender or such Eligible Assignee must also pay a processing fee in the amount of $3,500 to the Administrative Agent upon delivery of any Lender Assignment Agreement. Any attempted assignment and delegation not made in accordance with this Section 10.9.1 shall be null and void.

(b) Nothing in this Agreement shall prevent or prohibit Lender from pledging its Loans and Notes hereunder to a Federal Reserve Bank in support of borrowings made by Lender from such Federal Reserve Bank and, with prior notification to the Administrative Agent (but without the consent of the Administrative Agent or the Borrower), any Lender which is a fund may pledge all or any portion of its Loans and Notes to its trustee or to a collateral agent providing credit or credit support to Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (b) shall release the transferor Lender from any of its obligations hereunder.

(c) The Administrative Agent, on behalf of the Borrower, shall maintain at the address of the Administrative Agent specified below its signature hereto (or at such other address as may be designated by the Administrative Agent from time to time in accordance with Section 10.2) a copy of each Lender Assignment Agreement delivered to it and a register (the "Register") for the recordation of the names and addresses of the Lenders and the Commitment of and principal amount of the Loans owing to each Lender from time to time. The entries in the Register shall be conclusive and binding, in the absence of clearly demonstrable error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register as the owner of a

Loan or other obligation hereunder as the owner thereof for all purposes of this Agreement and the other Loan Documents, notwithstanding any notice to the contrary. Any assignment of any Loan or other obligation hereunder shall be effective only upon appropriate entries with respect thereto being made in the Register. The Register shall be available for inspection by the Borrower or any Lender at any reasonable time and from time to time upon reasonable prior notice.

Section 10.9.2 Participations . Any Lender may at any time sell to one or more commercial lenders, financial institutions or other Persons (each of such commercial lenders, financial institutions or other Persons being herein called a " Participant") participating interests in any of the Loans, Letter of Credit Outstandings, Commitments, or other interests of such Lender hereunder (including loan derivatives and similar swap arrangements based on such Lender's interests hereunder); provided , however , that

(a) no participation contemplated in this Section 10.9.2 shall relieve Lender from its Commitments or its other obligations hereunder or under any other Loan Document;

(b) Lender shall remain solely responsible for the performance of its Commitments and such other obligations;

(c) the Borrower and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and under each of the other Loan Documents;

(d) no Participant, unless such Participant is an Affiliate of Lender or is itself a Lender shall be entitled to require such Lender to take or refrain from taking any action hereunder or under any other Loan Document, except that such Lender may agree with any Participant that such Lender will not, without such Participant's consent, to the extent requiring the consent of such Lender, take any action of the type described in clauses (i) through (vi) of the first proviso of Section 10.1 ; and

(e) the Borrower shall not be required to pay any amount under this Agreement that is greater than the amount which it would have been required to pay had no participating interest been sold.

In the case of any such participation, the Participant shall not have any rights under this Agreement or any of the other Loan Documents (the Participant's rights against such Lender in respect of such participation to be those set forth in the agreement executed by such Lender in favor of the Participant relating thereto) and all amounts payable by the Borrower hereunder shall be determined and paid as if such Lender had not sold such participation. Any Lender that sells a participating interest in any Loan, Revolving Loan Commitment or other interest to a Participant under this Section 10.9.2 , shall indemnify and hold harmless the Borrower and the Administrative Agent from and against any taxes, penalties, interest or other costs or losses (including reasonable attorneys' fees and

expenses) incurred or payable by the Borrower or the Administrative Agent as a result of the failure of the Borrower or the Administrative Agent to comply with its obligations to deduct or withhold any Taxes from any payments made pursuant to this Agreement to such Lender or the Administrative Agent, as the case may be, which Taxes would not have been incurred or payable if such Participant had delivered a valid Form W-9 to the Borrower or if such Participant had been a Non-U.S. Lender that was entitled to deliver to the Borrower, the Administrative Agent or such Lender, and did in fact so deliver, a duly completed and valid Form W-8ECI or W-8BEN (with respect to a complete exemption under an income tax treaty (or applicable successor form) entitling such Participant to receive payments under this Agreement without deduction or withholding of any United States federal taxes.

Section 10.10 Intentionally Omitted .

Section 10.11 Confidentiality . Administrative Agent, Issuer and each Lender agrees to maintain, in accordance with its customary procedures for handling confidential information, the confidentiality of all information provided to it by or on behalf of the Borrower, the Guarantor, any Subsidiary or any Unconsolidated Subsidiary or by the Administrative Agent on the Borrower's, the Guarantor's or such Subsidiary's or Unconsolidated Subsidiary's behalf, under this Agreement or any other Loan Document ("Confidential Information"), and neither it nor any of its Affiliates shall use any such information other than in connection with or in enforcement of this Agreement and the other Loan Documents or in connection with other business now or hereafter existing or contemplated with the Borrower or any Subsidiary or Unconsolidated Subsidiary, except to the extent such information (i) was or becomes generally available to the public other than as a result of disclosure by the Administrative Agent, Issuer or the Lender or (ii) was or becomes available on a non-confidential basis from a source other than the Borrower, provided that such source is not bound by a confidentiality agreement with the Borrower, Guarantor or any Subsidiary or Unconsolidated Subsidiary known to the Lender; provided , however , that Lender may disclose such information (A) at the request or pursuant to any requirement of any Governmental Authority to which the Lender is subject or in connection with an examination of such Lender by any such Governmental Authority; (B) pursuant to subpoena or other court process; (C) when required to do so in accordance with the provisions of any applicable Requirement of Law; (D) to the extent reasonably required in connection with any litigation or proceeding to which the Administrative Agent, any Lender or their respective Affiliates may be party; (E) to the extent reasonably required in connection with the exercise of any remedy hereunder or under any other Loan Document; (F) to such Lender's independent auditors and other professional advisors who have been advised that such information is confidential pursuant to this Section 10.11 ; (G) to any Participant or Eligible Assignee in respect of such Lender's rights and obligations hereunder, actual or potential, provided that such Person shall have agreed in writing to keep such information confidential to the same extent required of the Lenders hereunder with the Borrower being a third party beneficiary of such agreement; (H) to its Affiliates who have been advised that such information is confidential pursuant to this Section 10.11 ; or (I) to any direct or indirect contractual counterparty to swap agreements or such contractual counterparty's professional advisor, provided that such Person shall have agreed in writing to keep such

information confidential to the same extent required of the Lenders hereunder with the Borrower being a third party beneficiary of such agreement. Unless prohibited by applicable law or court order, each Lender and the Administrative Agent shall notify the Borrower of any request by any Governmental Authority (other than any request in connection with an examination of the financial condition of such Lender) for disclosure of Confidential Information prior to such disclosure; provided further , that in no event shall the Administrative Agent or any Lender be obligated to return any materials furnished by the Borrower, Guarantor or any of their respective Subsidiaries. This Section shall supersede any confidentiality letter or agreement with respect to the Borrower, the Guarantor or the Transaction entered into prior to the date hereof.

Section 10.12 Tax Advice . None of the Lenders nor the Administrative Agent provides accounting, tax or legal advice. Notwithstanding anything provided herein, and any express or implied claims of exclusivity or proprietary rights, the Borrower each Lender and the Administrative Agent hereby agree and acknowledge that the Borrower each Lender and Administrative Agent (and each of their employees, representatives or other agents) are authorized to disclose to any and all Persons, beginning immediately upon commencement of their discussions and without limitation of any kind, the tax treatment and tax structure of the transactions contemplated by this Agreement, and all materials of any kind (including opinions or other tax analyses) that are provided by the Borrower, any Lender or the Administrative Agent to the other relating to such tax treatment and tax structure except to the extent that such disclosure is subject to restrictions reasonably necessary to comply with securities laws. In this regard, the Borrower, each Lender and the Administrative Agent acknowledge and agree that disclosure of the tax treatment and tax structure of the transactions contemplated by this Agreement has not been and is not limited in any way by an express or implied understanding or agreement, whether oral or written, and whether or not such understanding or agreement is legally binding, except to the extent that such disclosure is subject to restrictions reasonably necessary to comply with securities laws. For purposes of this authorization, “tax treatment” means the purported or claimed U.S. Federal income tax treatment of the transaction, and “tax structure” means any fact that may be relevant to understanding the purported or claimed U.S. Federal income tax treatment of the transaction. This Section 10.12 is intended to reflect the understanding of the Borrower, any Lender or the Administrative Agent that no transaction contemplated by this Agreement has been offered under “Conditions of Confidentiality” as that phrase is used in Treasury Regulation 9 § 1.6011-4(b)(3)(i) and 301.6111-2(c)(i), and shall be interpreted in a manner consistent therewith. Nothing herein is intended to imply that any of the Borrower, each Lender and the Administrative Agent has made or provided to, or for the benefit of, the other any oral or written statement as to any potential tax consequences that are related to, or may result from, the transactions contemplated by this Agreement.

Section 10.13 Forum Selection and Consent to Jurisdiction . ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH, THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER ORAL OR WRITTEN) OR ACTIONS OF THE ADMINISTRATIVE

AGENT, THE LENDERS, THE ISSUER OR THE BORROWER IN CONNECTION HEREWITH OR THEREWITH SHALL BE BROUGHT AND MAINTAINED EXCLUSIVELY IN THE COURTS OF THE STATE OF NEW YORK LOCATED IN THE COUNTY OF NEW YORK OF THE STATE OF NEW YORK OR IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK; PROVIDED , HOWEVER , THAT ANY SUIT SEEKING ENFORCEMENT AGAINST ANY COLLATERAL OR OTHER PROPERTY MAY BE BROUGHT, AT THE ADMINISTRATIVE AGENT'S OPTION, IN THE COURTS OF ANY JURISDICTION WHERE SUCH COLLATERAL OR OTHER PROPERTY MAY BE FOUND. THE BORROWER HEREBY EXPRESSLY AND IRREVOCABLY SUBMITS TO THE PERSONAL JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK LOCATED IN THE COUNTY OF NEW YORK OF THE STATE OF NEW YORK AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK FOR THE PURPOSE OF ANY SUCH LITIGATION AS SET FORTH ABOVE AND IRREVOCABLY AGREES TO BE BOUND BY ANY JUDGMENT RENDERED THEREBY IN CONNECTION WITH SUCH LITIGATION, SUBJECT TO THE BORROWER'S RIGHT TO CONTEST SUCH JUDGMENT BY MOTION OR APPEAL ON ANY GROUNDS NOT EXPRESSLY WAIVED IN THIS SECTION 10.13 . THE BORROWER IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS BY REGISTERED MAIL, POSTAGE PREPAID, OR BY PERSONAL SERVICE WITHIN OR WITHOUT THE STATE OF NEW YORK AT THE ADDRESS FOR NOTICES SPECIFIED IN SECTION 10.2 . EACH OF THE BORROWER, ADMINISTRATIVE AGENT, LENDER AND ISSUER HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY HAVE OR HEREAFTER MAY HAVE TO THE LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. TO THE EXTENT THAT THE BORROWER HAS OR HEREAFTER MAY ACQUIRE ANY IMMUNITY FROM JURISDICTION OF ANY COURT OR FROM ANY LEGAL PROCESS (WHETHER THROUGH SERVICE OR NOTICE, ATTACHMENT PRIOR TO JUDGMENT, ATTACHMENT IN AID OF EXECUTION OR OTHERWISE) WITH RESPECT TO ITSELF OR ITS PROPERTY, THE BORROWER HEREBY IRREVOCABLY WAIVES TO THE FULLEST EXTENT PERMITTED BY LAW SUCH IMMUNITY IN RESPECT OF ITS OBLIGATIONS UNDER THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS.

LENDERS, THE ISSUER OR THE BORROWER IN CONNECTION HEREWITH OR THEREWITH. THE BORROWER ACKNOWLEDGES AND AGREES THAT IT HAS RECEIVED FULL AND SUFFICIENT CONSIDERATION FOR THIS PROVISION (AND EACH OTHER PROVISION OF EACH OTHER LOAN DOCUMENT TO WHICH IT IS A PARTY) AND THAT THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE AGENTS, THE LENDERS, AND THE ISSUER ENTERING INTO THIS AGREEMENT AND EACH SUCH OTHER LOAN DOCUMENT.

(i) to receive all amounts payable in respect of the Collateral otherwise payable under Section 6 hereof to the respective Pledgor;

(ii) to transfer all or any part of the Collateral into the Pledgee's name or the name of its nominee or nominees;

(iii) to vote all or any part of the Collateral (whether or not transferred into the name of the Pledgee) and give all consents, waivers and ratifications in respect of the Collateral and otherwise act with respect thereto as though it were the outright owner thereof (each Pledgor hereby irrevocably constituting and appointing the Pledgee the proxy and attorney-in-fact of such Pledgor, with full power of substitution to do so);

(iv) at any time and from time to time to sell, assign and deliver, or grant options to purchase, all or any part of the Collateral, or any interest therein, at any public or private sale, without demand of performance, advertisement or, notice of intention to sell or of the time or place of sale or adjournment thereof or to redeem or otherwise (all of which are hereby waived by each Pledgor), for cash, on credit or for other property, for immediate or future delivery without any assumption of credit risk, and for such price or prices and on such terms as the Pledgee in its absolute discretion may determine, provided that at least ten (10) days' written notice of the time and place of any such sale shall be given to the respective Pledgor. The Pledgee shall not be obligated to make any such sale of Collateral regardless of whether any such notice of sale has theretofore been given. Each Pledgor hereby waives and releases to the fullest extent permitted by law any right or equity of redemption with respect to the Collateral, whether before or after sale hereunder, and all rights, if any, of marshalling the Collateral and any other security or the Obligations or otherwise. At any such sale, unless prohibited by applicable law, the Pledgee on behalf of the Secured Creditors may bid for and purchase all or any part of the Collateral so sold free from any such right or equity of redemption. Neither the Pledgee nor any other Secured Creditor shall be liable for failure to collect or realize upon any or all of the Collateral or for any delay in so doing nor shall any of them be under any obligation to take any action whatsoever with regard thereto; and

(v) to set-off any and all Collateral against any and all Obligations, and to withdraw any and all cash or other Collateral from any and all accounts referred to Section 3.2(a)(v) hereof and to apply such cash and other Collateral to the payment of any and all Obligations.

8. REMEDIES, CUMULATIVE, ETC. Each and every right, power and remedy of the Pledgee provided for in this Agreement or in any other Loan Document, or now or hereafter existing at law or in equity or by statute shall be cumulative and concurrent and shall be in addition to every other such right, power or remedy. The exercise or beginning of the exercise by the Pledgee or any other Secured Creditor of any one or more of the rights, powers or remedies provided for in this Agreement or any other Loan Document or now or hereafter existing at law or in equity or by statute or otherwise shall not preclude the simultaneous or later exercise by the Pledgee or any other Secured Creditor of all such other rights, powers or remedies, and no failure or delay on the part of the Pledgee or any other Secured Creditor to exercise any such right, power or remedy shall operate as a waiver thereof. No notice to or demand on any Pledgor in any case shall entitle it to any other or further notice or demand in similar or other circumstances or constitute a waiver of any of the rights of the Pledgee or any other Secured Creditor to any other or further action in any circumstances without notice or demand. The Secured Creditors agree that this Agreement may be enforced only by the action of the Pledgee, acting upon the instructions of the Required Lender and that no other Secured Creditor shall have any right individually to seek to enforce or to enforce this Agreement or to realize upon the security to be granted hereby, it being understood and agreed that such rights and remedies may be exercised by the Pledgee for the benefit of the Secured Creditors upon the terms of this Agreement.

9. APPLICATION OF PROCEEDS. (a) All moneys collected by the Pledgee upon any sale or other disposition of the Collateral, together with all other moneys received by the Pledgee hereunder, shall be applied as follows:

(i) first , to the payment of all amounts owing the Pledgee of the type described in clauses (i), (ii), (iii) and (iv) of the definition of "Obligations" contained in Section 1 hereof;

(ii) second , to the extent proceeds remain after the application pursuant to preceding clause (i), an amount equal to the outstanding Primary Obligations shall be paid to the Secured Creditors as provided in Section 9(e) hereof, with each Secured Creditor receiving an amount equal to its outstanding Primary Obligations or, if the proceeds are insufficient to pay in full all such Primary Obligations, its Pro Rata Share of such amount remaining to be distributed;

(iii) third , to the extent proceeds remain after the application pursuant to preceding clauses (i) and (ii), an amount equal to the outstanding Secondary Obligations shall be paid to the Secured Creditors as provided in Section 9(e) hereof, with each Secured Creditor receiving an amount equal to its outstanding Secondary Obligations or, if the proceeds are insufficient to pay in full all such Secondary Obligations, its Pro Rata Share of such amount remaining to be distributed; and

(iv) fourth , to the extent proceeds remain after the application pursuant to preceding clauses (i) through (iii), inclusive, and following the termination of this Agreement pursuant to Section 20(a) hereof, to the relevant Pledgor or to whomever may be lawfully entitled to receive such surplus.

(b) For purposes of this Agreement, (x) "Pro Rata Share" shall mean, when calculating a Secured Creditor's portion of any distribution or amount, that amount (expressed as a percentage) equal to a fraction the numerator of which is the then unpaid amount of such Secured Creditor's Primary Obligations or Secondary Obligations, as the case may be, and the denominator of which is the then outstanding amount of all Primary Obligations or Secondary Obligations, as the case may be, (y) "Primary Obligations" shall mean all principal of, premium, if any, and interest on, all Loans, all Disbursements, all contingent reimbursement obligations equal to the Stated Amount of all outstanding Letters of Credit and all fees payable under the Credit Agreement, and (z) "Secondary Obligations" shall mean all Obligations other than Primary Obligations.

(c) When payments to Secured Creditors are based upon their respective Pro Rata Shares, the amounts received by such Secured Creditors hereunder shall be applied (for purposes of making determinations under this Section 9 only) (i) first, to their Primary Obligations and (ii) second, to their Secondary Obligations. If any payment to any Secured Creditor of its Pro Rata Share of any distribution would result in overpayment to such Secured Creditor, such excess amount shall instead be distributed in respect of the unpaid Primary Obligations or Secondary Obligations, as the case may be, of the other Secured Creditors, with each Secured Creditor whose Primary Obligations or Secondary Obligations, as the case may be, have not been paid in full to receive an amount equal to such excess amount multiplied by a fraction the numerator of which is the unpaid Primary Obligations or Secondary Obligations, as the case may be, of such Secured Creditor entitled to distribution and the denominator of which is the unpaid Primary Obligations or Secondary Obligations, as the case may be, of all Secured Creditors entitled to such distribution.

(d) Each of the Secured Creditors, by their acceptance of the benefits hereof and of the other Loan Documents, agrees and acknowledges that if the Secured Creditors are to receive a distribution on account of undrawn amounts with respect to Letters of Credit issued under the Credit Agreement (which shall only occur after all outstanding Loans under the Credit Agreement and Disbursements have been paid in full), such amounts shall be paid to the Administrative Agent under the Credit Agreement and held by it, for the equal and ratable benefit of the Secured Creditors, as cash security for the repayment of Obligations owing to the Secured Creditors as such. If any amounts are held as cash security pursuant to the immediately preceding sentence, then upon the termination of all outstanding Letters of Credit under the Credit Agreement, and after the application of all such cash security to the repayment of all Obligations owing to the Secured Creditors after giving effect to the termination of all such Letters of Credit, if there remains any excess cash, such excess cash shall be distributed by the Pledgee in accordance with Section 9(a) hereof.

(e) All payments required to be made hereunder shall be made to the Administrative Agent for the account of the Secured Creditors.

(f) This Agreement is made with full recourse to each Pledgor and pursuant to and upon all the warranties, representations, covenants and agreements on the part of such Pledgor contained herein, in the Loan Documents and otherwise in writing in connection herewith or therewith. It is understood and agreed that each Pledgor shall remain liable with respect to its Obligations to the extent of any deficiency between the amount of the proceeds of the Collateral pledged by it hereunder and the aggregate amount of such Obligations.

10. PURCHASERS OF COLLATERAL. Upon any sale of the Collateral by the Pledgee hereunder (whether by virtue of the power of sale herein granted, pursuant to judicial process or otherwise), the receipt of the Pledgee or the officer making such sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold, and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Pledgee or such officer or be answerable in any way for the misapplication or nonapplication thereof.

11. INDEMNITY. Each Pledgor jointly and severally agrees (i) to indemnify and hold harmless the Pledgee and each other Secured Creditor (in their capacity as such) and their respective successors, assigns, employees, advisors, agents and affiliates (individually an "Indemnitee," and collectively, the "Indemnitees ") from and against any and all claims, demands, losses, judgments and liabilities (including liabilities for penalties) of whatsoever kind or nature, and (ii) to reimburse each Indemnitee for all reasonable costs and expenses, including reasonable attorneys' fees, in each case arising out of or resulting from this Agreement or the exercise by any Indemnitee of any right or remedy granted to it hereunder (but excluding any claims, demands, losses, judgments and liabilities or expenses to the extent incurred by reason of gross negligence or willful misconduct of such Indemnitee (as determined by a court of competent jurisdiction in a final and non-appealable decision)). In no event shall the Pledgee be liable, in the absence of gross negligence or willful misconduct on its part (as determined by a court of competent jurisdiction in a final and non-appealable decision), for any matter or thing in connection with this Agreement other than to account for monies actually received by it in accordance with the terms hereof. If and to the extent that the obligations of any Pledgor under this Section 11 are unenforceable for any reason, such Pledgor hereby agrees to make the maximum contribution to the payment and satisfaction of such obligations which is permissible under applicable law. The indemnity obligations of each Pledgor contained in this Section 11 shall continue in full force and effect notwithstanding the full payment of all the Notes issued under the Credit Agreement, the termination of all Letters of Credit, and the payment of all other Obligations and notwithstanding the discharge thereof.

12. PLEDGEE NOT A OFFICER, LIMITED LIABILITY COMPANY OR MEMBER. (a) Nothing herein shall be construed to make the Pledgee or any other Secured Creditor liable as a member of any Limited Liability Company or as an officer of any Corporation and neither the Pledgee nor any other Secured Creditor by virtue of this Agreement or otherwise shall have any of the duties, obligations or liabilities of a member of any Limited Liability Company or as an officer of any Corporation. The parties hereto expressly agree that, this Agreement shall not be construed as creating a partnership or joint venture among the Pledgee, any other Secured Creditor, any Pledgor and/or any other Person.

(b) The Pledgee shall have only those powers set forth herein and the Secured Creditors shall assume none of the duties, obligations or liabilities of a member of any Limited Liability Company or as an officer of any Corporation or any Pledgor.

(c) The Pledgee and the other Secured Creditors shall not be obligated to perform or discharge any obligation of any Pledgor as a result of the pledge hereby effected.

(d) The acceptance by the Pledgee of this Agreement, with all the rights, powers, privileges and authority so created, shall not at any time or in any event obligate the Pledgee or any other Secured Creditor to appear in or defend any action or proceeding relating to the Collateral to which it is not a party, or to take any action hereunder or thereunder, or to expend any money or incur any expenses or perform or discharge any obligation, duty or liability under the Collateral.

13. FURTHER ASSURANCES; POWER-OF-ATTORNEY. (a) Each Pledgor authorizes the Pledgee to cause to be filed, at such Pledgor's own expense, UCC financing statements, continuation statements or amendments thereto and other documents, in form reasonably acceptable to the Pledgee, in such offices as the Pledgee may deem reasonably necessary and wherever required by law in order to perfect and preserve the Pledgee's security interest in the Collateral, and agrees to do such further acts and things and to execute and deliver to the Pledgee such additional conveyances, assignments, agreements and instruments as the Pledgee may reasonably require or deem necessary to carry into effect the purposes of this Agreement or to further assure and confirm unto the Pledgee its rights, powers and remedies hereunder.

(b) Each Pledgor hereby appoints the Pledgee such Pledgor's attorney-in-fact with full authority in the place and stead of such Pledgor and in the name of such Pledgor or otherwise, to act from time to time solely after the occurrence and during the continuance of an Event of Default and upon notice to the relevant Pledgor (although no such notice shall be required if an Event of Default described in any of clauses (a) through (e) of Section 8.1.9 of the Credit Agreement shall have occurred and be continuing), in the Pledgee's reasonable discretion, to take any action and to execute any instrument which the Pledgee may deem reasonably necessary or advisable to accomplish the purposes of this Agreement, which appointment as attorney is coupled with an interest.

14. THE PLEDGEE. The Pledgee will hold in accordance with this Agreement all items of the Collateral at any time received under this Agreement. It is expressly understood and agreed by each Secured Creditor that by accepting the benefits of this Agreement, each such Secured Creditor acknowledges and agrees that the obligations of the Pledgee as holder of the Collateral and interests therein and with respect to the disposition thereof, and otherwise under this Agreement, are only those expressly set forth in this Agreement and in Article IX of the Credit Agreement. The Pledgee shall act hereunder on the terms and conditions set forth herein and in Article IX of the Credit Agreement.

15. TRANSFER BY THE PLEDGORS. No Pledgor will sell or otherwise dispose of, grant any option with respect to, or mortgage, pledge or otherwise encumber any of the Collateral or any interest therein except as permitted by the respective Loan Documents.

16. REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE PLEDGORS. (a) Each Pledgor represents, warrants and covenants that on the date hereof with respect to such Pledgor's respective portion of the Collateral that it is pledging herewith:

(i) it is the legal, beneficial and record owner of, and has good and marketable title to, all of its Collateral and that it has sufficient interest in all of its Collateral in which a security interest is purported to be created hereunder for such security interest to attach (subject, in each case, to no pledge, lien, mortgage, hypothecation, security interest, charge, option, Adverse Claim or other encumbrance whatsoever, except the liens and security interests created by this Agreement);

(ii) it has full power, authority and legal right to pledge all the Collateral pledged by it pursuant to this Agreement;

(iii) all of the Collateral has been duly and validly issued and acquired, is fully paid and non-assessable and is subject to no options to purchase or similar rights;

(iv) the Certificated Securities have been "certificated" and are "securities" within the meaning of Article 8 of the UCC;

(v) the pledge and collateral assignment and possession by the Pledgee of the Collateral consisting of Certificated Securities pursuant to this Agreement creates a valid and perfected first priority security interest in such Certificated Securities, and the proceeds thereof, subject to no prior Lien or encumbrance or to any agreement purporting to grant to any third party a Lien or encumbrance on the property or assets of such Pledgor which would include the Securities and the Pledgee is entitled to all the rights, priorities and benefits afforded by the UCC or other relevant law as enacted in any relevant jurisdiction to perfect security interests in respect of such Collateral; and

(vi) "control" (as defined in Section 8-106 of the UCC) has been obtained by the Pledgee over all Collateral with respect to which such "control" may, as of the date hereof, be obtained pursuant to Section 8-106 of the UCC.

(b) Each Pledgor covenants and agrees that it will use its best efforts to defend the Pledgee's right, title and security interest in and to the Collateral and the proceeds thereof against the claims and demands of all Persons whomsoever; and each Pledgor covenants and agrees that it will have like title to and right to pledge any other property at any time hereafter pledged to the Pledgee as Collateral hereunder and will likewise use its best efforts to defend the right thereto and security interest therein of the Pledgee and the other Secured Creditors.

Each Pledgor covenants and agrees that it shall promptly deliver to the Pledgee any note or other document or instrument entered into after the date hereof which evidences, constitutes, guarantees or secures any of the distributions or any right to receive a distribution, which notes or other documents and instruments shall be accompanied by such endorsements or assignments as the Pledgee may require to transfer title to the Pledgee.

17. CHANGES TO LEGAL NAMES; TYPE OF ORGANIZATION (AND WHETHER A REGISTERED ORGANIZATION AND/OR A TRANSMITTING UTILITY); JURISDICTION OF ORGANIZATION; LOCATION; ORGANIZATIONAL IDENTIFICATION NUMBERS; CHANGES THERETO; ETC. No Pledgor shall change its legal name, its type of organization, its status as a Registered Organization (in the case of a Registered Organization), its status as a Transmitting Utility or as a Person which is not a Transmitting Utility, as the case may be, its jurisdiction of organization or, its Location, or its organizational identification number (if any), except that any such changes shall be permitted (so long as not in violation of the applicable requirements of the Loan Documents and so long as same do not involve (x) a Registered Organization ceasing to constitute same or (y) any Pledgor changing its jurisdiction of organization or Location from the United States or a State thereof to a jurisdiction of organization or Location, as the case may be, outside the United States or a State thereof) if (i) it shall have given to the Pledgee not less than fifteen (15) days' prior written notice of each change to the information listed on Annex A (as adjusted for any subsequent changes thereto previously made in accordance with this sentence), and (ii) in connection with such respective change or changes, it shall have taken all action reasonably requested by the Pledgee to maintain the security interests of the Pledgee in the Collateral intended to be granted hereby at all times fully perfected and in full force and effect. In addition, to the extent that any Pledgor does not have an organizational identification number on the date hereof and later obtains one, such Pledgor shall promptly thereafter notify the Pledgee of such organizational identification number and shall take all actions reasonably satisfactory to the Pledgee to the extent necessary to maintain the security interest of the Pledgee in the Collateral intended to be granted hereby fully perfected and in full force and effect.

18. PLEDGORS' OBLIGATIONS ABSOLUTE, ETC. The obligations of each Pledgor under this Agreement shall be absolute and unconditional and shall remain in full force and effect without regard to, and shall not be released, suspended, discharged, terminated or otherwise affected by any circumstance or occurrence whatsoever, including, without limitation: (i) any renewal, extension, amendment or modification of or addition or supplement to or deletion from any Loan Document or any other instrument or agreement referred to therein, or any assignment or transfer of any thereof; (ii) any waiver, consent, extension, indulgence or other action or inaction under or in respect of any such agreement or instrument including, without limitation, this Agreement; (iii) any furnishing of any additional security to the Pledgee or its assignee or any acceptance thereof or any security by the Pledgee or its assignee; (iv) any limitation on any party's liability or obligations under any such instrument or agreement or any invalidity or unenforceability, in whole or in part, of any such instrument or agreement or any term thereof; or (v) any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation or other like proceeding relating to any Pledgor or any Subsidiary of any Pledgor, or any action taken with respect to this Agreement by any trustee or receiver, or by any court, in any such proceeding, whether or not such Pledgor shall have notice or knowledge of any of the foregoing.

19. PRIVATE SALES. If at any time when the Pledgee shall determine to exercise its right to sell all or any part of the Collateral pursuant to Section 7 hereof, and the

Collateral or the part thereof to be sold shall not, for any reason whatsoever, be effectively registered under the Securities Act, as then in effect, the Pledgee may, in its sole and absolute discretion, sell such Collateral, as the case may be, or part thereof by private sale in such manner and under such circumstances as the Pledgee may deem necessary or advisable in order that such sale may legally be effected without such registration. Without limiting the generality of the foregoing, in any such event the Pledgee, in its sole and absolute discretion (i) may proceed to make such private sale notwithstanding that a registration statement for the purpose of registering such Collateral or part thereof shall have been filed under such Securities Act, (ii) may approach and negotiate with a single possible purchaser to effect such sale, and (iii) may restrict such sale to a purchaser who will represent and agree that such purchaser is purchasing for its own account, for investment, and not with a view to the distribution or sale of such Collateral or part thereof. In the event of any such sale, the Pledgee shall incur no responsibility or liability for selling all or any part of the Collateral at a price which the Pledgee, in its sole and absolute discretion, in good faith deems reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might be realized if the sale were deferred until after registration as aforesaid.

20. TERMINATION; RELEASE. (a) After the Termination Date, this Agreement and the security interest created hereby shall automatically terminate (provided that all indemnities set forth herein including, without limitation, in Section 11 hereof shall survive any such termination), and the Pledgee, at the request and expense of such Pledgor, will execute and deliver to any Pledgor a proper instrument or instruments acknowledging the satisfaction and termination of this Agreement, and will duly assign, transfer and deliver to such Pledgor (without recourse and without any representation or warranty) such of the Collateral as has not theretofore been sold or otherwise applied or released pursuant to this Agreement, together with any monies at the time held by the Pledgee or any of its sub-agents hereunder and, with respect to any Collateral consisting of an Uncertificated Security, Corporate Stock or a Limited Liability Company Interest (other than an Uncertificated Security, Corporate Stock or Limited Liability Company Interest credited on the books of a Clearing Corporation or Securities Intermediary), a termination of the agreement relating thereto executed and delivered by the issuer of such Uncertificated Security pursuant to Section 3.2(a)(ii) or by the respective partnership or limited liability company pursuant to Section 3.2(a)(iv)(2) . As used in this Agreement, "Termination Date" shall mean the date upon which all Commitments under the Credit Agreement have been terminated, no Note under the Credit Agreement is outstanding and all Loans thereunder have been repaid in full in accordance with the terms thereof, all Letters of Credit issued under the Credit Agreement have been terminated, and all other Obligations then due and payable have been paid in full in cash in accordance with the terms thereof. In the event that any Subsidiary Guarantor is released from its Obligations hereunder pursuant to Section 7.1.9 of the Credit Agreement, the Pledgee, at the request and expense of such Subsidiary Guarantor, shall execute and deliver an instrument acknowledging such Subsidiary Guarantor's release from this Agreement.

(b) In the event that any part of the Collateral is sold or otherwise disposed of in connection with a sale or other disposition permitted by the Loan Documents (other than a sale or other disposition to any Pledgor or any Subsidiary thereof) or is otherwise released with the consent of the Required Lenders and the proceeds of such other sale or disposition or from such release are applied in accordance with the provisions of the Loan Documents to the extent

required to be so applied, the Pledgee, at the request and expense of the respective Pledgor, will duly assign, transfer and deliver to such Pledgor (without recourse and without any representation or warranty) such of the Collateral (and releases therefore) as is then being (or has been) so sold or released and has not theretofore been released pursuant to this Agreement.

(c) At any time that a Pledgor desires that the Pledgee assign, transfer and deliver Collateral (and releases therefore) as provided in Section 20(a) or (b) hereof, such Pledgor shall deliver to the Pledgee a certificate signed by an authorized officer of such Pledgor stating that the release of the respective Collateral is permitted pursuant to such Section 20 (a) or (b) .

(d) The Pledgee shall have no liability whatsoever to any other Secured Creditor as the result of any release of Collateral by it in accordance with this Section 20 .

23. MISCELLANEOUS. This Agreement shall and shall be binding upon the parties hereto and their respective successors and assigns and shall inure to the benefit of and be enforceable by each of the parties hereto and their respective successors and assigns, provided that no Pledgor may assign any of its rights or obligations except in accordance with the terms of the other Loan Documents.

EACH PLEDGOR HEREBY FURTHER IRREVOCABLY WAIVES ANY CLAIM THAT ANY SUCH COURTS LACK PERSONAL JURISDICTION OVER SUCH PLEDGOR, AND AGREES NOT TO PLEAD OR CLAIM IN ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT BROUGHT IN ANY OF THE AFORESAID COURTS THAT ANY SUCH COURT LACKS PERSONAL JURISDICTION OVER SUCH PLEDGOR. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE PLEDGEE UNDER THIS AGREEMENT, OR ANY SECURED CREDITOR, TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST ANY PLEDGOR IN ANY OTHER JURISDICTION.

(i) with respect to a Certificated Security (other than a Certificated Security credited on the books of a Clearing Corporation or Securities Intermediary), the Pledgor shall deliver such Certificated Security to the Pledgee, indorsed to the Pledgee or indorsed in blank;

(ii) with respect to an Uncertificated Security (other than an Uncertificated Security credited on the books of a Clearing Corporation or Securities Intermediary), the Pledgor shall cause the issuer of such Uncertificated Security to duly authorize, execute and deliver to the Pledgee, an agreement for the benefit of the Pledgee and the other Secured Creditors substantially in the form of Annex C hereto (appropriately completed to the reasonable satisfaction of the Pledgee and with such modifications, if any, as shall be reasonably satisfactory to the Pledgee) pursuant to which such issuer agrees to comply with any and all instructions originated by the Pledgee without further consent by the registered owner and not to comply with instructions regarding such Uncertificated Security originated by any other Person other than a court of competent jurisdiction;

(iii) with respect to a Certificated Security, Uncertificated Security or Limited Liability Company Interest credited on the books of a Clearing Corporation or Securities Intermediary (including a Federal Reserve Bank, Participants Trust Company or The Depository Trust Company), the Pledgor shall promptly notify the Pledgee thereof and shall promptly take all actions required (x) to comply with the applicable rules of such Clearing Corporation or Securities Intermediary and (y) to perfect the security interest of the Pledgee under applicable law (including, in any event, under Sections 9-314 (a) and (c), 9-106 and 8-106(d) of the UCC). The Pledgor further agrees to take such actions as the Pledgee deems reasonably necessary or desirable to effect the foregoing;

(iv) with respect to the Limited Liability Company Interest (other than a Limited Liability Company Interest credited on the books of a Clearing Corporation or Securities Intermediary), (x) if the Limited Liability Company Interest is represented by a certificate and is a "security" for purposes of Section 8-102(a)(15) of the UCC, the procedure set forth in Section 3.2(a)(i) hereof, and (y) if the Limited Liability Company Interest is not represented by a certificate or is not a "security" for purposes of the UCC, the procedure set forth in Section 3.2(a)(ii) hereof; and

(v) with respect to cash proceeds from any of the Collateral described in Section 3.1 hereof which are required to be paid over to (or may be received by) the Pledgee or any of the other Secured Creditors pursuant to the terms of this Agreement, (i) establishment by the Pledgee of a cash account in the name of the Pledgor over which the Pledgee shall have "exclusive and absolute control" and dominion (and no withdrawals or transfers may be made therefrom by any Person except with the prior written consent of the Pledgee) and (ii) deposit of such cash in such cash account.

(b) In addition to the actions required to be taken pursuant to Section 3.2(a) hereof, the Pledgor shall take the following additional actions with respect to the Collateral:

(i) with respect to all Collateral of the Pledgor whereby or with respect to which the Pledgee may (and in accordance with the terms hereof is entitled to) obtain "control" thereof within the meaning of Section 8-106 of the UCC (or under any provision of the UCC as same may be amended or supplemented from time to time, or under the laws of any relevant State other than the State of New York), the Pledgor shall take all actions as may be reasonably requested from time to time by the Pledgee so that "control" of such Collateral is obtained and at all times held by the Pledgee; and

(ii) the Pledgor shall from time to time cause appropriate financing statements (on Form UCC-1 or other appropriate form) under the Uniform Commercial Code as in effect in the various relevant States, covering all Collateral hereunder (with the form of such financing statements to be satisfactory to the Pledgee), to be filed in the relevant filing offices so that at all times the Pledgee has a security interest in all Collateral which also may be perfected by the filing of such financing statements under the laws of the relevant States, including, without limitation, Section 9-312(a) of the UCC.

3.3 Subsequently Acquired Collateral . (a) If the Pledgor shall acquire (by purchase, stock dividend or similar distribution or otherwise) any additional Collateral at any time or from time to time after the date hereof, such Collateral shall automatically (and without any further action being required to be taken) be subject to the pledge and security interests created pursuant to Section 3.1 hereof and, furthermore, the Pledgor will promptly thereafter take (or cause to be taken) all action with respect to such Collateral in accordance with the procedures set forth in Section 3.2 hereof, and will promptly thereafter deliver to the Pledgee (in the case of any such additional Collateral consisting of additional Equity Interests) (i) a certificate executed by an authorized officer of the Pledgor describing such Collateral and certifying that the same has been duly pledged in favor of the Pledgee (for the benefit of the Secured Creditors) hereunder and (ii) such supplements to Annexes A through C hereto as are reasonably necessary to cause such annexes to be complete and accurate at such time.

(b) In addition, if any Pledgor shall acquire (by purchase, stock dividend or similar distribution or otherwise) any Capital Stock of any Subsidiary whose Capital Stock is required to be pledged to Pledgee pursuant to Section 7.1.9(b) of the Credit Agreement, at any time or from time to time after the date hereof, such Capital Stock shall automatically (and without any further action being required to be taken) be subject to the pledge and security interests created pursuant to Section 3.1 hereof and, furthermore, the respective Pledgor will promptly thereafter take (or cause to be taken) all action with respect to such Capital Stock in accordance with the procedures set forth in Section 3.2 hereof, and will promptly thereafter deliver to the Pledgee (i) a certificate executed by an authorized officer of such Pledgor describing such Capital Stock and certifying that the same has been duly pledged in favor of the Pledgee (for the benefit of the Secured Creditors) hereunder and (ii) such supplements to Annexes A through C hereto as are reasonably necessary to cause such annexes to be complete and accurate at such time.

3.4 Transfer Taxes . Each pledge of Collateral under Section 3.1 or Section 3.3 hereof shall be accompanied by any transfer tax stamps required in connection with the pledge of such Collateral.

3.5 Certain Representations and Warranties Regarding the Collateral . The Pledgor represents and warrants that on the date hereof: (i) the exact legal name of the Pledgor, the type of organization of the Pledgor, whether or not the Pledgor is a Registered Organization, the jurisdiction of organization of the Pledgor, the Pledgor's Location, the organizational identification number (if any) of the Pledgor, and whether or not the Pledgor is a Transmitting Utility, is listed on Annex A hereto; (ii) the Limited Liability Company Interests held by the Pledgor consist of the number and type of interests of the Limited Liability Companies described in Annex B hereto; (iii) each such Limited Liability Company Interest constitutes that percentage

of the issued and outstanding Equity Interest of the issuing Limited Liability Company as set forth in Annex B hereto; (iv) the Pledgor has complied with the respective procedure set forth in Section 3.2(a) hereof with respect to each item of Collateral described in Annex B hereto; and (v) on the date hereof, the Pledgor owns no other stock, or Limited Liability Company Interests that would otherwise constitute Collateral.

4. APPOINTMENT OF SUB-AGENTS; ENDORSEMENTS, ETC. If and to the extent necessary to enable the Pledgee to perfect its security interest in any of the Collateral or to exercise any of its remedies hereunder, the Pledgee shall have the right to appoint one or more sub-agents for the purpose of retaining physical possession of the Collateral, which may be held (in the discretion of the Pledgee) in the name of the Pledgor, endorsed or assigned in blank or in favor of the Pledgee or any nominee or nominees of the Pledgee or a sub-agent appointed by the Pledgee.

5. VOTING, ETC., WHILE NO EVENT OF DEFAULT. Unless and until there shall have occurred and be continuing an Event of Default, the Pledgor shall be entitled to exercise any and all voting and other consensual rights pertaining to and attaching to any and all of the Collateral owned by it, and to give consents, waivers or ratifications in respect thereof; provided that, in each case, no vote shall be cast or any consent, waiver or ratification given or any action taken or omitted to be taken which would violate in any material respect, result in a breach of any covenant contained in, or be inconsistent with any of the terms of any Loan Document, or which could reasonably be expected to have a Material Adverse Effect (collectively, the "Voting Rights"). All such rights of the Pledgor to vote and to give consents, waivers and ratifications shall cease in case an Event of Default has occurred, and is continuing and the Pledgee shall have given notice to the Pledgor of its intent to exercise rights pursuant to Section 7 hereof (although no such notice shall be required if an Event of Default described in any of clauses (a) through (e) of Section 8.1.9 of the Credit Agreement shall have occurred and be continuing) and Section 7 hereof shall become applicable.

6. DIVIDENDS AND OTHER DISTRIBUTIONS. Unless and until there shall have occurred and be continuing an Event of Default and the Pledgee shall have given notice to the Pledgor of its intent to exercise rights pursuant to Section 7 hereof (although no such notice shall be required if an Event of Default described in any of clauses (a) through (e) of Section 8.1.9 of the Credit Agreement shall have occurred and be continuing), all cash dividends, cash distributions, cash Proceeds and other cash amounts payable in respect of the Collateral shall be paid to the Pledgor free of liens and security interests created hereby and by the other Loan Documents. The Pledgee shall be entitled to receive directly, and to retain as part of the Collateral:

(i) all other or additional stock, certificates, limited liability company interests, partnership interests, instruments or other securities or property (including, but not limited to, cash dividends other than as set forth above) paid or distributed by way of dividend or otherwise in respect of the Collateral;

(ii) all other or additional stock, certificates, limited liability company interests, partnership interests, instruments or other securities or property (including, but not limited to, cash (although such cash may be paid directly to the Pledgor so long as no

Event of Default then exists)) paid or distributed in respect of the Collateral by way of stock-split, spin-off, split-up, reclassification, combination of shares or similar rearrangement; and

(iii) all other or additional stock, certificates, limited liability company interests, partnership interests, instruments or other securities or property (including, but not limited to, cash (although such cash may be paid directly to the Pledgor so long as no Event of Default then exists)) which may be paid in respect of the Collateral by reason of any consolidation, merger, exchange of stock, conveyance of assets, liquidation or similar corporate or other reorganization.

All dividends, distributions or other payments which are received by the Pledgor contrary to the provisions of this Section 6 and Section 7 hereof shall be received in trust for the benefit of the Pledgee, shall be segregated from other property or funds of the Pledgor and shall be forthwith paid over to the Pledgee as Collateral in the same form as so received (with any necessary endorsement).

7. REMEDIES IN CASE OF AN EVENT OF DEFAULT. If there shall have occurred and be continuing an Event of Default and the Pledgee shall have given notice to the Pledgor of its intent to exercise rights pursuant to this Section 7 (although no such notice shall be required if an Event of Default described in any of clauses (a) through (e) of Section 8.1.9 of the Credit Agreement shall have occurred and be continuing), then and in every such case, the Pledgee shall be entitled to exercise all of the rights, powers and remedies (whether vested in it by this Agreement, any other Loan Document or by law) for the protection and enforcement of its rights in respect of the Collateral, and the Pledgee shall be entitled to exercise all the rights and remedies of a secured party under the UCC as in effect in any relevant jurisdiction and also shall be entitled, without limitation, to exercise the following rights, which the Pledgor hereby agrees to be commercially reasonable:

(i) to receive all amounts payable in respect of the Collateral otherwise payable under Section 6 hereof to the Pledgor;

(ii) to transfer all or any part of the Collateral into the Pledgee's name or the name of its nominee or nominees;

(iii) to vote all or any part of the Collateral (whether or not transferred into the name of the Pledgee) and give all consents, waivers and ratifications in respect of the Collateral and otherwise act with respect thereto as though it were the outright owner thereof (the Pledgor hereby irrevocably constituting and appointing the Pledgee the proxy and attorney-in-fact of the Pledgor, with full power of substitution to do so);

(iv) at any time and from time to time to sell, assign and deliver, or grant options to purchase, all or any part of the Collateral, or any interest therein, at any public or private sale, without demand of performance, advertisement or, notice of intention to sell or of the time or place of sale or adjournment thereof or to redeem or otherwise (all of which are hereby waived by the Pledgor), for cash, on credit or for other property, for immediate or future delivery without any assumption of credit risk, and for such price or

prices and on such terms as the Pledgee in its absolute discretion may determine, provided that at least 10 days' written notice of the time and place of any such sale shall be given to the Pledgor. The Pledgee shall not be obligated to make any such sale of Collateral regardless of whether any such notice of sale has theretofore been given. The Pledgor hereby waives and releases to the fullest extent permitted by law any right or equity of redemption with respect to the Collateral, whether before or after sale hereunder, and all rights, if any, of marshalling the Collateral and any other security or the Obligations or otherwise. At any such sale, unless prohibited by applicable law, the Pledgee on behalf of the Secured Creditors may bid for and purchase all or any part of the Collateral so sold free from any such right or equity of redemption. Neither the Pledgee nor any other Secured Creditor shall be liable for failure to collect or realize upon any or all of the Collateral or for any delay in so doing nor shall any of them be under any obligation to take any action whatsoever with regard thereto; and

(v) to set-off any and all Collateral against any and all Obligations, and to withdraw any and all cash or other Collateral from any and all accounts referred to Section 3.2(a)(v) hereof and to apply such cash and other Collateral to the payment of any and all Obligations.

8. REMEDIES, CUMULATIVE, ETC. Each and every right, power and remedy of the Pledgee provided for in this Agreement or in any other Loan Document, or now or hereafter existing at law or in equity or by statute shall be cumulative and concurrent and shall be in addition to every other such right, power or remedy. The exercise or beginning of the exercise by the Pledgee or any other Secured Creditor of any one or more of the rights, powers or remedies provided for in this Agreement or any other Loan Document or now or hereafter existing at law or in equity or by statute or otherwise shall not preclude the simultaneous or later exercise by the Pledgee or any other Secured Creditor of all such other rights, powers or remedies, and no failure or delay on the part of the Pledgee or any other Secured Creditor to exercise any such right, power or remedy shall operate as a waiver thereof. No notice to or demand on the Pledgor in any case shall entitle it to any other or further notice or demand in similar or other circumstances or constitute a waiver of any of the rights of the Pledgee or any other Secured Creditor to any other or further action in any circumstances without notice or demand. The Secured Creditors agree that this Agreement may be enforced only by the action of the Pledgee, acting upon the instructions of the Required Lender, and that no other Secured Creditor shall have any right individually to seek to enforce or to enforce this Agreement or to realize upon the security to be granted hereby, it being understood and agreed that such rights and remedies may be exercised by the Pledgee for the benefit of the Secured Creditors upon the terms of this Agreement.

9. APPLICATION OF PROCEEDS. (a) All moneys collected by the Pledgee upon any sale or other disposition of the Collateral, together with all other moneys received by the Pledgee hereunder, shall be applied as follows:

(i) first , to the payment of all amounts owing the Pledgee of the type described in clauses (i), (ii) (iii) and (iv) of the definition of "Obligations" contained in Section 1 hereof;

(ii) second , to the extent proceeds remain after the application pursuant to preceding clause (i), an amount equal to the outstanding Primary Obligations shall be paid to the Secured Creditors as provided in Section 9(e) hereof, with each Secured Creditor receiving an amount equal to its outstanding Primary Obligations or, if the proceeds are insufficient to pay in full all such Primary Obligations, its Pro Rata Share of such amount remaining to be distributed;

(iii) third , to the extent proceeds remain after the application pursuant to preceding clauses (i) and (ii), an amount equal to the outstanding Secondary Obligations shall be paid to the Secured Creditors as provided in Section 9(e) hereof, with each Secured Creditor receiving an amount equal to its outstanding Secondary Obligations or, if the proceeds are insufficient to pay in full all such Secondary Obligations, its Pro Rata Share of such amount remaining to be distributed; and

(iv) fourth , to the extent proceeds remain after the application pursuant to preceding clauses (i) through (iii), inclusive, and following the termination of this Agreement pursuant to Section 20(a) hereof, to the Pledgor or to whomever may be lawfully entitled to receive such surplus.

(b) For purposes of this Agreement, (x) "Pro Rata Share" shall mean, when calculating a Secured Creditor's portion of any distribution or amount, that amount (expressed as a percentage) equal to a fraction the numerator of which is the then unpaid amount of such Secured Creditor's Primary Obligations or Secondary Obligations, as the case may be, and the denominator of which is the then outstanding amount of all Primary Obligations or Secondary Obligations, as the case may be, (y) "Primary Obligations" shall mean all principal of, premium, if any, and interest on, all Loans, all Disbursements, all contingent reimbursement obligations equal to the Stated Amount of all outstanding Letters of Credit and all fees payable under the Credit Agreement, and (z) "Secondary Obligations" shall mean all Obligations other than Primary Obligations.

(c) When payments to Secured Creditors are based upon their respective Pro Rata Shares, the amounts received by such Secured Creditors hereunder shall be applied (for purposes of making determinations under this Section 9 only) (i) first, to their Primary Obligations and (ii) second, to their Secondary Obligations. If any payment to any Secured Creditor of its Pro Rata Share of any distribution would result in overpayment to such Secured Creditor, such excess amount shall instead be distributed in respect of the unpaid Primary Obligations or Secondary Obligations, as the case may be, of the other Secured Creditors, with each Secured Creditor whose Primary Obligations or Secondary Obligations, as the case may be, have not been paid in full to receive an amount equal to such excess amount multiplied by a fraction the numerator of which is the unpaid Primary Obligations or Secondary Obligations, as the case may be, of such Secured Creditor entitled to distribution and the denominator of which is the unpaid Primary Obligations or Secondary Obligations, as the case may be, of all Secured Creditors entitled to such distribution.

(d) Each of the Secured Creditors, by their acceptance of the benefits hereof and of the other Loan Documents, agrees and acknowledges that if the Secured Creditors are to receive a distribution on account of undrawn amounts with respect to Letters of Credit issued

under the Credit Agreement (which shall only occur after all outstanding Loans under the Credit Agreement and Disbursements have been paid in full), such amounts shall be paid to the Administrative Agent under the Credit Agreement and held by it, for the equal and ratable benefit of the Secured Creditors, as cash security for the repayment of Obligations owing to the Secured Creditors as such. If any amounts are held as cash security pursuant to the immediately preceding sentence, then upon the termination of all outstanding Letters of Credit under the Credit Agreement, and after the application of all such cash security to the repayment of all Obligations owing to the Secured Creditors after giving effect to the termination of all such Letters of Credit, if there remains any excess cash, such excess cash shall be distributed by the Pledgee in accordance with Section 9(a) hereof.

(e) All payments required to be made hereunder shall be made to the Administrative Agent for the account of the Secured Creditors.

(f) This Agreement is made with full recourse to the Pledgor and pursuant to and upon all the warranties, representations, covenants and agreements on the part of the Pledgor contained herein, in the Loan Documents and otherwise in writing in connection herewith or therewith. It is understood and agreed that the Pledgor shall remain liable with respect to its Obligations to the extent of any deficiency between the amount of the proceeds of the Collateral pledged by it hereunder and the aggregate amount of such Obligations.

10. PURCHASERS OF COLLATERAL. Upon any sale of the Collateral by the Pledgee hereunder (whether by virtue of the power of sale herein granted, pursuant to judicial process or otherwise), the receipt of the Pledgee or the officer making such sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold, and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Pledgee or such officer or be answerable in any way for the misapplication or nonapplication thereof.

11. INDEMNITY. The Pledgor agrees (i) to indemnify and hold harmless the Pledgee and each other Secured Creditor (in their capacity as such) and their respective successors, assigns, employees, advisors, agents and affiliates (individually an " Indemnitee," and collectively, the "Indemnitees") from and against any and all claims, demands, losses, judgments and liabilities (including liabilities for penalties) of whatsoever kind or nature, and (ii) to reimburse each Indemnitee for all reasonable costs and expenses, including reasonable attorneys' fees, in each case arising out of or resulting from this Agreement or the exercise by any Indemnitee of any right or remedy granted to it hereunder (but excluding any claims, demands, losses, judgments and liabilities or expenses to the extent incurred by reason of gross negligence or willful misconduct of such Indemnitee (as determined by a court of competent jurisdiction in a final and non-appealable decision)). In no event shall the Pledgee be liable, in the absence of gross negligence or willful misconduct on its part (as determined by a court of competent jurisdiction in a final and non-appealable decision), for any matter or thing in connection with this Agreement other than to account for monies actually received by it in accordance with the terms hereof. If and to the extent that the obligations of the Pledgor under this Section 11 are unenforceable for any reason, the Pledgor hereby agrees to make the maximum contribution to the payment and satisfaction of such obligations which is permissible under applicable law. The indemnity obligations of the Pledgor contained in this Section 11 shall continue in full force and

effect notwithstanding the full payment of all the Notes issued under the Credit Agreement, the termination of all Letters of Credit, and the payment of all other Obligations and notwithstanding the discharge thereof.

12. PLEDGEE NOT A OFFICER, LIMITED LIABILITY COMPANY OR MEMBER. (a) Nothing herein shall be construed to make the Pledgee or any other Secured Creditor liable as a member of the Limited Liability Company and neither the Pledgee nor any other Secured Creditor by virtue of this Agreement or otherwise shall have any of the duties, obligations or liabilities of a member of the Limited Liability Company. The parties hereto expressly agree that, this Agreement shall not be construed as creating a partnership or joint venture among the Pledgee, any other Secured Creditor, the Pledgor and/or any other Person.

(b) The Pledgee shall have only those powers set forth herein and the Secured Creditors shall assume none of the duties, obligations or liabilities of a member of the Limited Liability Company or the Pledgor.

(c) The Pledgee and the other Secured Creditors shall not be obligated to perform or discharge any obligation of the Pledgor as a result of the pledge hereby effected.

(d) The acceptance by the Pledgee of this Agreement, with all the rights, powers, privileges and authority so created, shall not at any time or in any event obligate the Pledgee or any other Secured Creditor to appear in or defend any action or proceeding relating to the Collateral to which it is not a party, or to take any action hereunder or thereunder, or to expend any money or incur any expenses or perform or discharge any obligation, duty or liability under the Collateral.

13. FURTHER ASSURANCES; POWER-OF-ATTORNEY. (a) The Pledgor authorizes the Pledgee to cause to be filed, at the Pledgor's own expense, UCC financing statements, continuation statements or amendments thereto and other documents, in form reasonably acceptable to the Pledgee, in such offices as the Pledgee may deem reasonably necessary and wherever required by law in order to perfect and preserve the Pledgee's security interest in the Collateral, and agrees to do such further acts and things and to execute and deliver to the Pledgee such additional conveyances, assignments, agreements and instruments as the Pledgee may reasonably require or deem necessary to carry into effect the purposes of this Agreement or to further assure and confirm unto the Pledgee its rights, powers and remedies hereunder.

(b) The Pledgor hereby appoints the Pledgee as its attorney-in-fact with full authority in the place and stead of the Pledgor and in the name of the Pledgor or otherwise, to act from time to time solely after the occurrence and during the continuance of an Event of Default and upon notice to the Pledgor (although no such notice shall be required if an Event of Default described in any of clauses (a) through (e) of Section 8.1.9 of the Credit Agreement shall have occurred and be continuing), in the Pledgee's reasonable discretion, to take any action and to execute any instrument which the Pledgee may deem reasonably necessary or advisable to accomplish the purposes of this Agreement, which appointment as attorney is coupled with an interest.

14. THE PLEDGEE. The Pledgee will hold in accordance with this Agreement all items of the Collateral at any time received under this Agreement. It is expressly understood and agreed by each Secured Creditor that by accepting the benefits of this Agreement, each such Secured Creditor acknowledges and agrees that the obligations of the Pledgee as holder of the Collateral and interests therein and with respect to the disposition thereof, and otherwise under this Agreement, are only those expressly set forth in this Agreement and in Article IX of the Credit Agreement. The Pledgee shall act hereunder on the terms and conditions set forth herein and in Article IX of the Credit Agreement.

15. TRANSFER BY THE PLEDGORS. The Pledgor will not sell or otherwise dispose of, grant any option with respect to, or mortgage, pledge or otherwise encumber any of the Collateral or any interest therein except as permitted by the respective Loan Documents.

16. REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE PLEDGORS. (a) The Pledgor represents, warrants and covenants that on the date hereof with respect to such Pledgor's respective portion of the Collateral that it is pledging herewith:

(i) it is the legal, beneficial and record owner of, and has good and marketable title to, all of its Collateral and that it has sufficient interest in all of its Collateral in which a security interest is purported to be created hereunder for such security interest to attach (subject, in each case, to no pledge, lien, mortgage, hypothecation, security interest, charge, option, Adverse Claim or other encumbrance whatsoever, except the liens and security interests created by this Agreement);

(ii) it has full power, authority and legal right to pledge all the Collateral pledged by it pursuant to this Agreement;

(iv) the Certificated Securities have been "certificated" and are "securities" within the meaning of Article 8 of the UCC;

(v) the pledge and collateral assignment and possession by the Pledgee of the Collateral consisting of Certificated Securities pursuant to this Agreement creates a valid and perfected first priority security interest in such Certificated Securities, and the proceeds thereof, subject to no prior Lien or encumbrance or to any agreement purporting to grant to any third party a Lien or encumbrance on the property or assets of the Pledgor which would include the Securities and the Pledgee is entitled to all the rights, priorities and benefits afforded by the UCC or other relevant law as enacted in any relevant jurisdiction to perfect security interests in respect of such Collateral; and

(vi) "control" (as defined in Section 8-106 of the UCC) has been obtained by the Pledgee over all Collateral with respect to which such "control" may, as of the date hereof, be obtained pursuant to Section 8-106 of the UCC.

(b) The Pledgor covenants and agrees that it will use its best efforts to defend the Pledgee's right, title and security interest in and to the Collateral and the proceeds thereof

against the claims and demands of all Persons whomsoever; and the Pledgor covenants and agrees that it will have like title to and right to pledge any other property at any time hereafter pledged to the Pledgee as Collateral hereunder and will likewise use its best efforts to defend the right thereto and security interest therein of the Pledgee and the other Secured Creditors.

(c) The Pledgor covenants and agrees that it shall promptly deliver to the Pledgee any note or other document or instrument entered into after the date hereof which evidences, constitutes, guarantees or secures any of the distributions or any right to receive a distribution, which notes or other documents and instruments shall be accompanied by such endorsements or assignments as the Pledgee may require to transfer title to the Pledgee.

17. CHANGES TO LEGAL NAMES; TYPE OF ORGANIZATION (AND WHETHER A REGISTERED ORGANIZATION AND/OR A TRANSMITTING UTILITY); JURISDICTION OF ORGANIZATION; LOCATION; ORGANIZATIONAL IDENTIFICATION NUMBERS; CHANGES THERETO; ETC. In addition, to the extent that the Pledgor does not have an organizational identification number on the date hereof and later obtains one, the Pledgor shall promptly thereafter notify the Pledgee of such organizational identification number and shall take all actions reasonably satisfactory to the Pledgee to the extent necessary to maintain the security interest of the Pledgee in the Collateral intended to be granted hereby fully perfected and in full force and effect.

18. PLEDGORS' OBLIGATIONS ABSOLUTE, ETC. The obligations of the Pledgor under this Agreement shall be absolute and unconditional and shall remain in full force and effect without regard to, and shall not be released, suspended, discharged, terminated or otherwise affected by any circumstance or occurrence whatsoever, including, without limitation: (i) any renewal, extension, amendment or modification of or addition or supplement to or deletion from any Loan Document or any other instrument or agreement referred to therein, or any assignment or transfer of any thereof; (ii) any waiver, consent, extension, indulgence or other action or inaction under or in respect of any such agreement or instrument including, without limitation, this Agreement; (iii) any furnishing of any additional security to the Pledgee or its assignee or any acceptance thereof or any security by the Pledgee or its assignee; (iv) any limitation on any party's liability or obligations under any such instrument or agreement or any invalidity or unenforceability, in whole or in part, of any such instrument or agreement or any

term thereof; or (v) any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation or other like proceeding relating to the Pledgor or any Subsidiary of the Pledgor, or any action taken with respect to this Agreement by any trustee or receiver, or by any court, in any such proceeding, whether or not the Pledgor shall have notice or knowledge of any of the foregoing.

19. PRIVATE SALES. (a) If at any time when the Pledgee shall determine to exercise its right to sell all or any part of the Collateral pursuant to Section 7 hereof, and the Collateral or the part thereof to be sold shall not, for any reason whatsoever, be effectively registered under the Securities Act, as then in effect, the Pledgee may, in its sole and absolute discretion, sell such Collateral, as the case may be, or part thereof by private sale in such manner and under such circumstances as the Pledgee may deem necessary or advisable in order that such sale may legally be effected without such registration. Without limiting the generality of the foregoing, in any such event the Pledgee, in its sole and absolute discretion (i) may proceed to make such private sale notwithstanding that a registration statement for the purpose of registering such Collateral or part thereof shall have been filed under such Securities Act, (ii) may approach and negotiate with a single possible purchaser to effect such sale, and (iii) may restrict such sale to a purchaser who will represent and agree that such purchaser is purchasing for its own account, for investment, and not with a view to the distribution or sale of such Collateral or part thereof. In the event of any such sale, the Pledgee shall incur no responsibility or liability for selling all or any part of the Collateral at a price which the Pledgee, in its sole and absolute discretion, in good faith deems reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might be realized if the sale were deferred until after registration as aforesaid.

20. TERMINATION; RELEASE. (a) After the Termination Date, this Agreement and the security interest created hereby shall automatically terminate (provided that all indemnities set forth herein including, without limitation, in Section 11 hereof shall survive any such termination), and the Pledgee, at the request and expense of the Pledgor, will execute and deliver to the Pledgor a proper instrument or instruments acknowledging the satisfaction and termination of this Agreement, and will duly assign, transfer and deliver to the Pledgor (without recourse and without any representation or warranty) such of the Collateral as has not theretofore been sold or otherwise applied or released pursuant to this Agreement, together with any monies at the time held by the Pledgee or any of its sub-agents hereunder and, with respect to any Collateral consisting of an Uncertificated Security or a Limited Liability Company Interest (other than an Uncertificated Security or Limited Liability Company Interest credited on the books of a Clearing Corporation or Securities Intermediary), a termination of the agreement relating thereto executed and delivered by the issuer of such Uncertificated Security pursuant to Section 3.2(a)(ii) or by the respective partnership or limited liability company pursuant to Section 3.2(a)(iv)(2) . As used in this Agreement, "Termination Date" shall mean the date upon which all Commitments under the Credit Agreement have been terminated, no Note under the Credit Agreement is outstanding and all Loans thereunder have been repaid in full in accordance with the terms thereof, all Letters of Credit issued under the Credit Agreement have been terminated, and all other Obligations then due and payable have been paid in full in cash in accordance with the terms thereof.

(b) In the event that any part of the Collateral is sold or otherwise disposed of in connection with a sale or other disposition permitted by the Loan Documents (other than a sale or other disposition to the Pledgor or any Subsidiary thereof) or is otherwise released with the consent of the Required Lenders and the proceeds of such other sale or disposition or from such release are applied in accordance with the provisions of the Loan Documents to the extent required to be so applied, the Pledgee, at the request and expense of the Pledgor, will duly assign, transfer and deliver to the Pledgor (without recourse and without any representation or warranty) such of the Collateral (and releases therefore) as is then being (or has been) so sold or released and has not theretofore been released pursuant to this Agreement.

(c) At any time that the Pledgor desires that the Pledgee assign, transfer and deliver Collateral (and releases therefore) as provided in Section 20(a) or (b) hereof, the Pledgor shall deliver to the Pledgee a certificate signed by an authorized officer of the Pledgor stating that the release of the respective Collateral is permitted pursuant to such Section 20 (a) or (b) .

(d) The Pledgee shall have no liability whatsoever to any other Secured Creditor as the result of any release of Collateral by it in accordance with this Section 20 .

2. Pledge of Collateral .

(a) As collateral security for the full and punctual payment of the Obligations (as such term is defined in the Loan Agreement), and to secure the faithful performance of each and every covenant, term, condition and agreement of the Loan Pledgor herein and in the other Loan Documents, the Loan Pledgor hereby mortgages, grants and pledges a continuing first priority lien on and security interest in, and, as a part of such grant and pledge, hereby collaterally transfers and assigns to Lender, all of Loan Pledgor's right, title and interest in and to the following (collectively, the "Collateral"):

(i) the Pledged Note, including without limitation, payments (whether, principal, premium, penalties, interest, contingent interest, additional interest, or otherwise) and distributions to which the Loan Pledgor shall at any time be entitled in respect of the Pledged Note;

(ii) all of the Loan Pledgor's claims, rights, powers, privileges, authority, options, security interest, liens and remedies under or arising out or in respect of the Pledged Note;

(iii) the rights to exercise and enforce every right, power, remedy, authority, option and privilege of Loan Pledgor relating to the Pledged Note to execute any instruments and to take any and all other action on behalf of and in the name of Loan Pledgor in respect of the Pledged Note, to make determinations, to exercise any election (including, but not limited to, election of remedies) or option or to give or receive any notice, consent, amendment, waiver or approval, together with full power and authority to demand, receive, enforce, collect or receipt for any of the foregoing or for any property related to the Pledged Note, to enforce or execute any checks, or other instruments or orders, to file any claims and to take any action in connection with any of the foregoing;

(iv) to the extent not otherwise included, all proceeds (as defined under the UCC) of any or all of the foregoing.

(b) In order to confirm and perfect such collateral assignment and security interest, and as a condition to the Lender making the Loan, Loan Pledgor has delivered to Lender on behalf of the Lender the following:

(i) true and complete originals of the executed Pledged Note, duly endorsed by allonge by an authorized representative of Loan Pledgor, in the form attached hereto as Exhibit A ;

(ii) any and all UCC Financing Statements as may be required in order to perfect the security interest created by this Pledge Agreement;

(iii) a signed notice requiring that all payments (whether principal, premium, penalties, interest, contingent interest, additional interest, damages or otherwise and including all insurance and/or condemnation proceeds) made pursuant to the Pledged Note be made payable directly to Lender (or such Person as Lender on behalf of the Lender shall designate) and to be sent directly to Lender promptly after Loan Pledgor receive notice of an Event of Default under the Loan Agreement;

3. Obligations Secured . This Pledge Agreement is made and delivered as continuing security for the Obligations (as defined in the Loan Agreement).

4. Representations, Warranties and Covenants of Loan Pledgor . Loan Pledgor represents and warrants that it is the sole legal, beneficial and equitable owner of, and has good and marketable title to, the Collateral free and clear of all liens, charges and encumbrances thereon whatsoever. Loan Pledgor covenants that it will warrant and defend title to the Collateral and the lien thereon assigned to Lender by this Pledge Agreement against all claims of all Persons claiming by, through or under Loan Pledgor and will maintain and preserve such lien.

5. Remedies .

(a) If an Event of Default shall occur and be continuing, Lender may, for its own account: enforce all the rights of the holder of the Collateral, give consent or approval to any matters provided for in the Collateral, take or omit to take any action, institute or withdraw any action or proceeding and otherwise deal with the Collateral as if it were the beneficial owner of the Collateral, and Lender is hereby appointed Loan Pledgor's attorney-in-fact for such purposes. The power and authority hereby given are declared by Loan Pledgor to constitute a power coupled with an interest.

(b) If an Event of Default shall occur and be continuing, Lender may, without obligation to resort to other security, have the right at any time (but upon at least 10 days prior written notice to Loan Pledgor, which the parties agree shall constitute commercially reasonable advance notice of scheduling a UCC foreclosure sale with respect to the Collateral) and from time to time to sell, assign and deliver, or grant options to purchase, all or any part of the Collateral, or any interest therein in such order or priority as Lender shall determine at any public or private sale, at any exchange, broker's board or any of Lender's offices or elsewhere, without demand of performance, advertisement of notice of intention to sell, or any other notice (all of which are hereby expressly waived by Loan Pledgor), except notice of the time or place of sale or adjournment thereof or such other notice as may be required by applicable law and cannot be waived in any fashion, for cash, or credit or for other property, for immediate or future delivery, without any assumption of credit risk, and, provided that same is not in violation of applicable law, for such price or prices and on such terms as Lender may determine. To the extent permitted by law, Loan Pledgor hereby waives and releases any right or equity of redemption with respect to the Collateral whether before or after sale hereunder, and all rights, if any, of marshalling the Collateral and any other security at the time held by Lender, and any right of valuation or appraisement. At any sale hereunder, unless prohibited by application of law, Lender may bid for and purchase all or any part of the Collateral so sold free from any right or equity of redemption, and may apply to the purchase price any amounts owing in respect of any Obligations. Any sale of the Collateral or any part thereof or any interest therein pursuant hereto shall forever be a perpetual bar against Loan Pledgor with respect thereto. No purchaser at any such sale shall be obligated to see to the proper application by Lender of the proceeds of any such sale. Subject to all of the foregoing provisions of this Section 5(b) , Loan Pledgor shall have the right to repurchase from a purchaser under this Section 5 all or any part of the Collateral. It is expressly acknowledged and agreed that Lender may exercise its rights with respect to less than all of the Collateral, leaving unexercised its rights with respect to the remainder of the Collateral and with the understanding that any such partial exercise shall in no way restrict or jeopardize Lender's right to exercise its rights with respect to all or any portion of the Collateral at a later time or times.

(c) If an Event of Default shall occur and be continuing, Lender shall have the right, without notice to Loan Pledgor, to collect all sums and payments of whatsoever nature payable or paid under the Collateral (including without limitation, principal, interest, escrows, proceeds of any fire, casualty or title insurance policy or awards made in any condemnation or eminent domain proceeding).

(d) If an Event of Default shall occur and be continuing, upon Lender's written demand, Loan Pledgor (i) will do any and all acts and things which may be necessary or advisable in Lender's reasonable opinion to enable Lender to consummate any proposed sale or other disposition of any of the Collateral pursuant to this Pledge Agreement; and (ii) will reimburse Lender for all costs and expenses (including, without limitation, reasonable attorneys' fees and disbursements) of enforcing the remedies provided in this Section 5 .

(e) If, after an Event of Default has occurred, Lender shall elect to exercise its right to sell all or any of the Collateral pursuant to this Section 7 , Loan Pledgor agrees that Loan Pledgor will, at its own expense, execute and deliver, and cause the members of Loan Pledgor to execute and deliver, all such instruments and documents and do or cause to be done all such other acts and things as may be reasonably necessary, or in the reasonable opinion of Lender advisable, to make such sale of the Collateral or any part thereof valid and binding and in compliance with applicable law.

(f) Lender may exercise all of the rights and remedies of a secured party under the Uniform Commercial Code.

6. Loan Pledger's Release and Indemnity of Lender .

(a) Under no circumstances shall Lender be deemed to assume any responsibility for or obligation or duty with respect to any part or all of the Collateral of any nature or kind or any matter or proceeding arising out of or related thereto, but the same shall be at Loan Pledgor's sole risk at all times. Lender shall not be required to take any action of any kind to collect, preserve or protect its or Loan Pledgor's rights in the Collateral, or against any other party to the Pledged Loan Documents. Loan Pledgor hereby releases Lender from any claims, causes of action and demands at any time arising out of or with respect to any action taken by Lender in connection with the exercise of any rights or remedies under this Pledge Agreement, the Assignments or the other Loan Documents, the use of the Collateral or any actions taken or omitted to be taken by Lender with respect thereto

(b) Loan Pledgor shall protect, indemnify, save, defend, and hold harmless Lender, including its directors, officers, Lenders, and legal representatives (collectively, the " Indemnified Parties") from and against any and all liability, loss, damage, demands, assessments, actions, causes of action, costs or expenses whatsoever (including, without limitation, reasonable attorneys' fees and disbursements) and any and all claims, suits and judgments which any Indemnified Party may suffer, whether arising before or after Lender's foreclosure of the Collateral by any party as a result of any actions taken by Loan Pledgor in connection with the enforcement of any remedy or remedies available to Loan Pledgor under the Pledged Loan Documents (collectively, "Claims"), except to the extent such Claims arising from Lender's gross negligence, fraud, bad faith or willful misconduct. Promptly after Lender receives notice of the commencement of any claim in respect of which indemnification is sought hereunder, Lender shall promptly notify Loan Pledgor in writing thereof. If any such action or

other proceeding shall be brought against Lender, upon written notice (given reasonably promptly following Lender's notice to Loan Pledgor of such action or proceeding), Loan Pledgor shall be entitled to assume the defense thereof, at Loan Pledgor's expense, with counsel reasonably acceptable to Lender; provided, however, that Lender may, at its own expense, retain separate counsel to participate in such defense, but such participation shall not be deemed to give Lender a right to control such defense, which right Loan Pledgor expressly retains. Notwithstanding the foregoing, Lender shall have the right to employ separate counsel at Loan Pledgor's expense and to control its own defense of such action or proceeding if, in the reasonable opinion of legal counsel, a conflict or potential conflict exists between Lender and Loan Pledgor that would make such separate representation advisable; provided, however, in no event shall Loan Pledgor be required to pay fees and expenses under this indemnity that are not reasonable or that are for more than one separate firm of attorneys for Lender in any jurisdiction in any one legal action. Notwithstanding anything to the contrary provided in this Pledge Agreement or in any other Loan Document, the indemnification provided in this Section 6 shall be independent of, and shall survive, the repayment and discharge of the Loan, the release of the lien created under this Pledge Agreement, and/or the conveyance of title to the Collateral to Lender or any purchaser or designee in connection with a foreclosure of the Collateral, conveyance thereof in lieu of foreclosure or otherwise.

7. Termination . Upon the payment in full to Lender of all amounts due under the Loan Agreement, except as otherwise provided herein, this Pledge Agreement shall terminate, and such of the Collateral (including, without limitation, the Pledged Note) as have not theretofore been sold or otherwise applied pursuant to the terms of this Pledge Agreement shall be duly assigned, transferred and delivered to Loan Pledgor or as Loan Pledgor may direct in writing at the expense of Loan Pledgor and such delivery shall be without representation or warranty by Lender and wholly without recourse to Lender, and Lender shall promptly execute, upon termination of this Pledge Agreement, an instrument so evidencing such termination.

8. Further Assurances . Loan Pledgor agrees that at any time and from time to time, at the sole cost and expense of Loan Pledgor, Loan Pledgor will promptly execute and deliver all further instruments, notices and documents, and take all further action that may be reasonably necessary, or that Lender may reasonably request, in order to perfect and protect any security interest granted or purported to be granted hereby or to enable Lender to exercise and enforce the rights and remedies hereunder with respect to the Collateral.

9. Notices . All notices hereunder shall be given in the manner and to the addresses set forth in the Loan Agreement.

10. General . This Pledge Agreement shall bind and inure to the benefit of the respective successors and permitted assigns of the parties hereto. All covenants of Loan Pledgor contained herein are for the benefit of Lender and its successors and assigns, which shall include any subsequent holder of the Note. Lender shall have the right to transfer its rights in and to the Collateral to any other Person that acquires an interest in all or any portion of the Loan. This Pledge Agreement and the rights of the parties hereto and of any subsequent holder hereof may not be changed orally, but only by an instrument in writing signed by the party against whom enforcement of such change, modification or discharge is sought.

11. Severability . If any word, phrase, sentence, paragraph, provision or section of this Pledge Agreement shall be held, declared, pronounced or rendered invalid, void, unenforceable or inoperative for any reason by any court of competent jurisdiction, Governmental Authority, statute, or otherwise, such holding, declaration, pronouncement or rendering shall not adversely affect any other word, phrase, sentence, paragraph, provision or section of this Pledge Agreement, which shall otherwise remain in full force and effect and be enforced in accordance with its terms.

12. Continuing Interest . This Pledge Agreement shall constitute and create a continuing pledge and security interest notwithstanding any settlement of account or other matters or things whatsoever and, in particular, but without limitation, shall not be considered satisfied by any intermediate partial payment or satisfaction of less than all of the Obligations and shall (i) remain in full force and effect until payment in full of the Obligations, (ii) be binding upon Loan Pledgor, its successors and assigns, (iii) inure to the benefit of Lender and its successors, transferees and assigns, and (iv) shall continue in full force and effect until such time as pursuant to Section 7 hereof this Pledge Agreement terminates. Without limiting the generality of the foregoing clause (iii), Lender may assign or otherwise transfer its rights in and to the Note to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to Lender on behalf of such Lender herein and otherwise.

13. Counterparts . This Pledge Agreement may be executed in any number of counterparts, each of which for all purposes shall be deemed to be an original.

14. Waiver of Jury Trial . BY ITS SIGNATURE BELOW WRITTEN, EACH OF THE UNDERSIGNED HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS PLEDGE AGREEMENT, THE PROMISSORY NOTE HEREIN DESCRIBED OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

15. GOVERNING LAW . THIS PLEDGE AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK PURSUANT TO SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW, WITHOUT REGARD TO CHOICE OF LAW RULES. EQUITY PLEDGOR AGREES THAT ANY SUIT FOR THE ENFORCEMENT OF THIS PLEDGE AGREEMENT OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE BOROUGH OF MANHATTAN (IN THE CITY, COUNTY AND STATE OF NEW YORK) OR ANY FEDERAL COURT SITTING THEREIN AND CONSENTS TO THE NONEXCLUSIVE JURISDICTION OF SUCH COURT AND THE SERVICE OF PROCESS IN ANY SUCH SUIT BEING MADE UPON EQUITY PLEDGOR IN THE MANNER AND AT THE ADDRESS SPECIFIED FOR NOTICES IN THE LOAN AGREEMENT. EQUITY PLEDGOR HEREBY WAIVES ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE VENUE OF ANY SUCH SUIT OR ANY SUCH COURT OR THAT SUCH SUIT IS BROUGHT IN AN INCONVENIENT COURT.

WITNESS WHEREOF, the parties hereto have caused this Pledge Agreement to be executed and delivered on the day and year first above written.

GUARANTY

THIS GUARANTY, dated as of March 9, 2007 (as amended, modified, or supplemented from time to time, this "Guaranty"), is made by the undersigned ("Guarantor") to and for the benefit of the "Credit Parties" (as defined herein). Except as otherwise defined herein, terms used herein and defined in the Credit Agreement (as defined below) shall be used herein as therein defined.

W I T N E S S E T H :

WHEREAS, Strategic Hotel Funding, L.L.C. ("Borrower"), the lenders from time to time party thereto ("Lenders"), Deutsche Bank Trust Company Americas, as administrative agent ("Administrative Agent", and together with the Issuer, the Lenders and each Person (other than Borrower, Guarantor or any Subsidiary of either) party to a Credit Hedging Agreement or a Pari-Pasu Hedging Agreement, to the extent such party is a Lender or any affiliate thereof (even if such Lender subsequently ceases to be a Lender under the Credit Agreement for any reason), and their subsequent successors and assigns, the "Credit Parties") have entered into a Credit Agreement, dated as of March 9, 2007 (as amended, modified, or supplemented from time to time, the "Credit Agreement");

WHEREAS, Guarantor is the owner of a direct or indirect beneficial interest in the Borrower, will obtain material direct and indirect benefits from the extensions of credit to Borrower under the Credit Agreement and the entering into of Credit Hedging Agreements by Credit Parties and Pari-Pasu Hedging Agreements by the Lenders and the Pari-Pasu Hedging Counterparties;

WHEREAS, in order to induce the Lenders to enter into the Credit Agreement and to extend credit thereunder, and as a condition thereto, to induce the Lenders or any of their respective Affiliates to enter into Credit Hedging Agreements and Pari Pasu Hedging Agreements, and in recognition of the direct and indirect benefits to be received by Guarantor from the proceeds of the Loans, the issuance of the Letters of Credit and the entering into of Credit Hedging Agreements and Pari-Pasu Hedging Agreements, Guarantor desires to execute this Guaranty;

NOW, THEREFORE, in consideration of the foregoing and other benefits accruing to Guarantor, the receipt and sufficiency of which are hereby acknowledged, Guarantor hereby makes the following representations and warranties to the Credit Parties and hereby covenants and agrees with each Credit Party as follows:

1. Guarantor hereby absolutely irrevocably and unconditionally guarantees:

(a) to the Credit Parties the full, prompt and unconditional payment when due (whether at the stated maturity, by acceleration or otherwise) of (i) the principal of and interest on the Revolving Notes issued to, the Loans made to, any Additional Revolving Loan Commitments made to, and the issuance of Letters of Credit for the account of, Borrower under the Credit Agreement, (ii) all other obligations (including obligations which, but for any automatic stay under *Section 362(a)* of Title 11 of the United States Code, entitled "Bankruptcy", as amended from time to time and any successor statute or statutes (the "Bankruptcy Code"), would become due) and liabilities owing by Borrower to the Credit Parties under the Credit Agreement and the Loan Documents referred to therein (including, without limitation, indemnities, fees, and interest thereon) now existing or hereafter incurred under, arising out of or in connection with the Credit Agreement or any other Loan Document, and the due performance and compliance with the terms of the Loan Documents, (iii) all obligations (including obligations which, but for the automatic stay under *Section 362(a)* of the Bankruptcy Code, would become due) and liabilities of Borrower and Guarantor, whether now in existence or hereunder arising, owing under any Credit Hedging Agreement entered into by Borrower or Guarantor with any Lender or any affiliate thereof (even if such Lender subsequently ceases to be a Lender under the Credit Agreement for any reason) so long as such Lender or affiliate participates in such Credit Hedging Agreement, and their subsequent assigns, if any, and the due performance and compliance with all terms, conditions and agreements contained therein and (iv) all obligations (including obligations which, but for the automatic stay under *Section 362(a)* of the Bankruptcy Code, would become due) and liabilities of Borrower, whether now in existence or hereunder arising, owing under any Pari-Pasu Hedging Agreement entered into by Borrower or Strategic Hotels & Resorts, Inc. with any Counterparty or any affiliate thereof so long as such Counterparty or affiliate participates in such Pari-Pasu Hedging Agreement, and their subsequent assigns, if any, and the due performance and compliance with all terms, conditions and agreements contained therein (all such principal, interest, liabilities, and obligations, the "Guaranteed Obligations").

This Guaranty shall constitute a guaranty of payment, and not of collection and upon any failure of Borrower to pay the Guaranteed Obligations, the Credit Parties may, at their option, proceed directly and at once, without notice, against Guarantor to collect and recover the full amount of the liability to pay the Guaranteed Obligations hereunder or any portion thereof, without proceeding against Borrower or any other Person, or foreclosing upon, selling, or otherwise disposing of or collecting or applying against any of the collateral for the Loans.

2. Additionally, Guarantor, absolutely, unconditionally and irrevocably, guarantees the payment of any and all Guaranteed Obligations whether or not due or payable by Borrower upon the occurrence in respect of Borrower of any of the events specified in Section 8.1.9 of the Credit Agreement, and absolutely, unconditionally and irrevocably promises to pay such Guaranteed Obligations to the Credit Parties, on demand, in lawful money of the United States.

3. The liability of Guarantor hereunder is exclusive and independent of any security for or other guaranty of the indebtedness of Borrower whether executed by the Guarantor, any other guarantor, Borrower, or by any other party, and the liability of Guarantor hereunder shall not be affected or impaired by (a) any direction as to application of payment by Borrower or by any other party, (b) any other continuing or other guaranty, undertaking or maximum liability of a guarantor or of any other party as to the indebtedness of Borrower, (c) any payment on or in reduction of any such other guaranty or undertaking, (d) any dissolution, termination, or increase, decrease, or change in personnel by Borrower, or (e) any payment made to any Credit Party on the indebtedness which any Credit Party repays to Borrower pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium, or other debtor relief proceeding, and Guarantor waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding.

4. The obligations of Guarantor hereunder are independent of the obligations of any other guarantor or Borrower, and a separate action or actions may be brought and prosecuted against Guarantor whether or not action is brought against any other guarantor or Borrower and whether or not any other guarantor of Borrower or Borrower be joined in any such action or actions.

5. Guarantor hereby waives notice of acceptance of this Guaranty and notice of any liability to which it may apply, and waives notices of the existence, creation, or incurring of additional Indebtedness, promptness, diligence, presentment, demand for performance, notice of non-performance, demand of payment, notice of intention to accelerate, notice of acceleration, protest, notice of dishonor or nonpayment of any such liabilities, suit or taking of other action by Administrative Agent or any other Credit Party against, and any other notice to, any party liable thereon (including Guarantor or any other guarantor of Borrower).

6. Any Credit Party may at any time and from time to time without the consent of, or notice to, Guarantor, without incurring responsibility to the Guarantor, without impairing or releasing the obligations of the Guarantor hereunder, upon or without any terms or conditions and in whole or in part:

(1) change the manner, place, or terms of payment of, and/or change or extend the time of payment of, renew, or alter, any of the Guaranteed Obligations, any security therefor, or any liability incurred directly or indirectly in respect thereof, and the guaranty herein made shall apply to the Guaranteed Obligations as so changed, extended, renewed, or altered;

(2) sell, exchange, release, surrender, realize upon, or otherwise deal with in any manner and in any order any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset there against;

(3) exercise or refrain from exercising any rights against Borrower, any other guarantor, or others or otherwise act or refrain from acting;

(4) settle or compromise any of the Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of Borrower to creditors of such Borrower (other than the Credit Parties);

(5) apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of Borrower to the Credit Parties regardless of what liabilities of such Borrower remain unpaid;

(6) consent to or waive any breach of, or any act, omission or default under, any of the Loan Documents or any of the instruments or agreements referred to therein, or otherwise amend, modify, or supplement any of the Loan Documents or any of such other instruments or agreements; and/or

(7) act or fail to act in any manner referred to in this Guaranty which may deprive the Guarantor of its right to subrogation against Borrower to recover full indemnity for any payments made pursuant to this Guaranty.

7. No invalidity, irregularity, or unenforceability of all or any part of the Guaranteed Obligations or of any security therefor shall affect, impair, or be a defense to this Guaranty, and this Guaranty shall be primary, absolute, and unconditional notwithstanding the occurrence of any event or the existence of any other circumstances which might constitute a legal or equitable discharge of a surety or guarantor except payment in full of the Guaranteed Obligations.

8. This Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. No failure or delay on the part of any Credit Party in exercising any right, power, or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein expressly specified are cumulative and not exclusive of any rights or remedies which any Credit Party would otherwise have. No notice to or demand on Guarantor in any case shall entitle Guarantor to any other further notice or demand in similar or other circumstances or constitute a waiver of the rights of any Credit Party to any other or further action in any circumstances without notice or demand. It is not necessary for any Credit Party to inquire into the capacity or powers of Borrower or any of its Subsidiaries or the officers, directors, partners, or agents acting or purporting to act on its behalf, and any indebtedness made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

9. Any Indebtedness of Borrower to Guarantor now or hereafter existing, including, without limitation, any rights to subrogation which Guarantor may have as a result of any payment by Guarantor under this Guaranty, together with any interest thereon, shall be, and such Indebtedness is, hereby deferred, postponed and subordinated to the prior payment in full of the Guaranteed Obligations. Until payment in full of the Guaranteed Obligations, including interest accruing on the Revolving Notes after the commencement of a proceeding by or against Borrower under the Bankruptcy Code which interest the parties agree shall remain a claim that is prior and superior to any claim of Guarantor notwithstanding any contrary practice, custom or ruling in cases under the Bankruptcy Code generally, Guarantor agrees not to accept any payment or satisfaction of any kind of Indebtedness of Borrower to Guarantor and hereby assigns such Indebtedness to the Administrative Agent, including the right to file proof of claim and to vote thereon in connection with any such proceeding under the Bankruptcy Code, including the right to vote on any plan of reorganization.

10. Guarantor:

(a) hereby waives any right (except as shall be required by applicable statute and cannot be waived) to require the Credit Parties to: (i) proceed against Borrower, any other guarantor of Borrower, or any other party; (ii) proceed against or exhaust any security held from Borrower, any other guarantor of Borrower, or any other party; or (iii) pursue any other remedy in the Credit Parties' power whatsoever. Guarantor waives any defense based on or arising out of any defense of Borrower, any other guarantor of Borrower, or any other party other than payment in full of the Guaranteed Obligations, including, without limitation, any defense based on or arising out of the disability of Borrower, any other guarantor of Borrower, or any other party, or the unenforceability of the Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of Borrower other than payment in full of the Guaranteed Obligations of Borrower. The Credit Parties may, at their election, foreclose on any security held by the Administrative Agent or the other Credit Parties by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Credit Parties may have against Borrower or any other party, or any security, without affecting or impairing in any way the liability of Guarantor hereunder except to the extent the Guaranteed Obligations have been paid in full. Guarantor waives any defense arising out of any such election by the Administrative Agent and/or any other Credit Parties, even though such election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of the Guarantor against Borrower, any other guarantor of Borrower, or any other party or any security.

(b) assumes all responsibility for being and keeping itself informed of Borrower's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope, and extent of the risks which Guarantor assumes and incurs hereunder, and agrees that the Credit Parties shall have no duty to advise Guarantor of information known to them regarding such circumstances or risks.

11. If and to the extent that Guarantor makes any payment to any Credit Party or to any other Person pursuant to or in respect of this Guaranty, then any claim which Guarantor may have against Borrower by reason thereof shall be subject and subordinate to the prior payment in full of the Guaranteed Obligations to each Credit Party. Prior to the transfer by Guarantor of any note or negotiable instrument evidencing any Indebtedness of Borrower to Guarantor, Guarantor shall mark such note or negotiable instrument with a legend that the same is subject to this subordination.

12. Guarantor covenants and agrees that on and after the date hereof and until the Commitments under the Credit Agreement have been terminated and all Guaranteed Obligations have been paid in full, Guarantor shall take, or will refrain from taking, as the case may be, all actions that are necessary to be taken or not taken so that no Event of Default is caused by the actions of Guarantor or any of its Subsidiaries.

13. Guarantor hereby agrees to pay, to the extent not paid by Borrower pursuant to Section 10.3 of the Credit Agreement, all out-of-pocket costs and expenses (including, without limitation, the reasonable fees and disbursements of counsel) of each Credit Party in connection with the enforcement of this Guaranty or the collection of the Guaranteed Obligations and in connection with any amendment, waiver, or consent relating to this Guaranty.

14. This Guaranty shall be binding upon Guarantor and its successors and assigns and shall inure to the benefit of the Credit Parties and their successors and assigns to the extent permitted under the Credit Agreement.

15. Neither this Guaranty nor any provision hereof may be changed, waived, discharged or terminated except with the written consent of the Required Lenders (or to the extent required by Section 10.1 of the Credit Agreement, each Lender, as the case may be) and Guarantor affected thereby (it being understood that the addition or release of Guarantor hereunder shall not constitute a change, waiver, discharge or termination affecting any Guarantor other than the Guarantor so added or released).

16. Guarantor acknowledges that an executed (or conformed) copy of each of the Loan Documents has been made available to its principal executive officers and such officers are familiar with the contents thereof.

17. In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, each Credit Party is hereby authorized, at any time or from time to time, without notice to Guarantor or to any other Person, any such notice being expressly waived, to set off and to appropriate and apply any and all deposits (general or special) and any other indebtedness at any time held or owing by such Credit Party to or for the credit or the account of Guarantor, against and on account of the obligations and liabilities of Guarantor to such Credit Party under this Guaranty, irrespective of whether or not such Credit Party shall have made any demand hereunder; *provided* that said obligations, liabilities, deposits, or claims, or any of them, shall be

then due and owing. Each Credit Party agrees to promptly notify Guarantor after any such set off and application, *provided that* the failure to give such notice shall not affect the validity of such set off and application.

18. All notices, requests, demands, or other communications provided for hereunder made in writing (including communications by facsimile transmission) shall be deemed to have been duly given or made when delivered to the Person to which such notice, request, demand, or other communication is required or permitted to be given or made under this Guaranty, addressed to such party (i) in the case of any Credit Party, as provided in the Credit Agreement and (ii) in the case of Guarantor, at its address set forth in Schedule I to this Guaranty.

19. Guarantor hereby agrees that if at any time all or any part of any payment at any time received by a Credit Party from the Borrower under any of the Revolving Notes or other Loan Documents or from Guarantor under or with respect to this Guaranty is or must be rescinded or returned by such Credit Party for any reason whatsoever (including, without limitation, the insolvency, bankruptcy or reorganization of the Borrower or Guarantor), then Guarantor's obligations hereunder shall, to the extent of the payment rescinded or returned, be deemed to have continued in existence notwithstanding such previous receipt by such Credit Party, and Guarantor's obligations hereunder shall continue to be effective or reinstated, as the case may be, as to such payment, as though such previous payment to the Credit Party had never been made. In addition, if any court of competent jurisdiction determines that the incurrence by Guarantor of its obligations under this Guaranty or the payment by Guarantor of its obligations hereunder is or would be voidable as a fraudulent transfer or conveyance under *Section 548* of the Bankruptcy Code, any analogous state law, or any other law relating to debtor protection or creditors' rights, the obligation of Guarantor hereunder shall automatically be reduced to the maximum amount (if any) of the obligation that Guarantor could incur or pay without such incurrence or payment being subject to avoidance as a fraudulent transfer or conveyance.

20. (a) GOVERNING LAW . THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. GUARANTOR AGREES THAT ANY SUIT FOR THE ENFORCEMENT OF THIS AGREEMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK OR ANY FEDERAL COURT SITTING THEREIN AND CONSENTS TO THE NONEXCLUSIVE JURISDICTION OF SUCH COURT AND THE SERVICE OF PROCESS IN ANY SUCH SUIT BEING MADE UPON GUARANTOR IN THE MANNER AND AT THE ADDRESS SPECIFIED FOR NOTICES IN THIS AGREEMENT. GUARANTOR HEREBY WAIVES ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE VENUE OF ANY SUCH SUIT OR ANY SUCH COURT OR THAT SUCH SUIT IS BROUGHT IN AN INCONVENIENT COURT.

(b) JURY TRIAL WAIVER . GUARANTOR AND ALL PERSONS CLAIMING BY, THROUGH OR UNDER IT, HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHTS THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION

BASED HEREON, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH, THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER ORAL OR WRITTEN) OR ACTIONS OF EACH GUARANTOR IN CONNECTION HEREWITH OR THEREWITH. GUARANTOR AND ALL PERSONS CLAIMING BY, THROUGH OR UNDER IT, ACKNOWLEDGES AND AGREES THAT IT HAS RECEIVED FULL AND SUFFICIENT CONSIDERATION FOR THIS PROVISION (AND EACH OTHER PROVISION OF EACH OTHER LOAN DOCUMENT TO WHICH IT IS A PARTY) AND THAT THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE AGENTS, THE LENDERS, AND THE ISSUER ENTERING INTO THIS AGREEMENT AND EACH SUCH OTHER LOAN DOCUMENT.

(c) MARSHALING. GUARANTOR WAIVES ANY RIGHT OR CLAIM OF RIGHT TO CAUSE A MARSHALING OF BORROWER'S ASSETS OR TO CAUSE ANY CREDIT PARTY TO PROCEED AGAINST ANY OF THE SECURITY FOR THE LOAN BEFORE PROCEEDING UNDER THIS AGREEMENT AGAINST BORROWER OR TO PROCEED AGAINST GUARANTOR IN ANY PARTICULAR ORDER. GUARANTOR AGREES THAT ANY PAYMENTS REQUIRED TO BE MADE HEREUNDER SHALL BECOME DUE AND PAYABLE TEN (10) DAYS AFTER DEMAND. GUARANTOR EXPRESSLY WAIVES AND RELINQUISHES ALL RIGHTS AND REMEDIES (INCLUDING ANY RIGHTS OF SUBROGATION) ACCORDED BY APPLICABLE LAW TO GUARANTOR.

21. The Credit Parties agree that this Guaranty may be enforced only by the action of Administrative Agent acting upon the instructions of the Required Lenders and until the Credit Agreement is terminated, no other Credit Party shall have any right individually to seek to enforce or to enforce this Guaranty, it being understood and agreed that such rights and remedies may be exercised by Administrative Agent for the benefit of the Credit Parties upon the terms of this Guaranty.

22. This Guaranty may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument.

23. **THIS GUARANTY AND THE OTHER WRITTEN LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS BY THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.**

24. Except with respect to Section 19 hereof, upon repayment in full of the Guaranteed Obligations, this Guaranty shall automatically terminate and cease to be of any further force or effect.

SUBSIDIARY GUARANTY

THIS SUBSIDIARY GUARANTY, dated as of March 9, 2007 (as amended, modified, or supplemented from time to time, this "Guaranty"), is made by each of the undersigned (each, a " Guarantor" and together with any other entity that becomes a party hereto pursuant to Section 23 hereof, collectively, the "Guarantors ") to and for the benefit of the "Credit Parties" (as defined herein). Except as otherwise defined herein, terms used herein and defined in the Credit Agreement (as defined below) shall be used herein as therein defined.

W I T N E S S E T H :

WHEREAS, Strategic Hotel Funding, L.L.C. ("Borrower"), the lenders from time to time party thereto ("Lenders") and Deutsche Bank Trust Company Americas, as administrative agent ("Administrative Agent", and together with the Issuer, the Lenders and each Person (other than Borrower, Strategic Hotels & Resorts, Inc. or any Subsidiary of either) party to a Credit Hedging Agreement or a Pari-Pasu Hedging Agreement, to the extent such party is a Lender or any affiliate thereof, and their subsequent successors and assigns, the "Credit Parties ") have entered into a Credit Agreement, dated as of March 9, 2007 (as amended, modified, or supplemented from time to time, the "Credit Agreement ");

WHEREAS, each Guarantor is a Subsidiary of Borrower;

WHEREAS, it is a condition to the extensions of credit under the Credit Agreement that each Guarantor shall have executed and delivered this Guaranty; and

WHEREAS, each Guarantor will obtain material direct and indirect benefits from the extensions of credit to Borrower under the Credit Agreement and the entering into of Credit Hedging Agreements by the Credit Parties and Pari-Pasu Hedging Agreements by the Lenders and the Pari-Pasu Hedging Counterparties and, accordingly, desires to execute this Guaranty in order to satisfy the conditions described in the preceding paragraph;

NOW, THEREFORE, in consideration of the foregoing and other benefits accruing to each Guarantor, the receipt and sufficiency of which are hereby acknowledged, each Guarantor hereby makes the following representations and warranties to the Credit Parties and hereby covenants and agrees with each Credit Party as follows:

1. Each Guarantor hereby absolutely irrevocably and unconditionally, and jointly and severally, guarantees:

(a) to the Credit Parties the full, prompt and unconditional payment when due (whether at the stated maturity, by acceleration or otherwise) of (i) the principal of and interest on the Revolving Notes issued to, the Loans made to, any Additional Revolving Loan Commitments made to, and the issuance of Letters of Credit for the account of,

Borrower under the Credit Agreement, (ii) all other obligations (including obligations which, but for any automatic stay under *Section 362(a)* of Title 11 of the United States Code, entitled "Bankruptcy", as amended from time to time and any successor statute or statutes (the "Bankruptcy Code "), would become due) and liabilities owing by Borrower to the Credit Parties under the Credit Agreement and the Loan Documents referred to therein (including, without limitation, indemnities, fees, and interest thereon) now existing or hereafter incurred under, arising out of or in connection with the Credit Agreement or any other Loan Document, and the due performance and compliance with the terms of the Loan Documents, (iii) all obligations (including obligations which, but for the automatic stay under *Section 362(a)* of the Bankruptcy Code, would become due) and liabilities of Borrower, whether now in existence or hereunder arising, owing under any Credit Hedging Agreement entered into by Borrower or Strategic Hotels & Resorts, Inc. with any Lender or any affiliate thereof so long as such Lender or affiliate participates in such Credit Hedging Agreement, and their subsequent assigns, if any, and the due performance and compliance with all terms, conditions and agreements contained therein and (iv) all obligations (including obligations which, but for the automatic stay under *Section 362(a)* of the Bankruptcy Code, would become due) and liabilities of Borrower, whether now in existence or hereunder arising, owing under any Pari-Pasu Hedging Agreement entered into by Borrower or Strategic Hotels & Resorts, Inc. with any Counterparty or any affiliate thereof so long as such Counterparty or affiliate participates in such Pari-Pasu Hedging Agreement, and their subsequent assigns, if any, and the due performance and compliance with all terms, conditions and agreements contained therein (all such principal, interest, liabilities, and obligations, the "Guaranteed Obligations").

This Guaranty shall constitute a guaranty of payment, and not of collection and upon any failure of Borrower to pay the Guaranteed Obligations, the Credit Parties may, at their option, proceed directly and at once, without notice, against Guarantor to collect and recover the full amount of the liability to pay the Guaranteed Obligations hereunder or any portion thereof, without proceeding against Borrower or any other Person, or foreclosing upon, selling, or otherwise disposing of or collecting or applying against any of the collateral for the Loans.

2. Additionally, each Guarantor, jointly and severally, unconditionally and irrevocably, guarantees the payment of any and all Guaranteed Obligations whether or not due or payable by Borrower upon the occurrence in respect of Borrower of any of the events specified in Section 8.1.9 of the Credit Agreement, and unconditionally and irrevocably, jointly and severally, promises to pay such Guaranteed Obligations to the Credit Parties, on demand, in lawful money of the United States.

3. The liability of each Guarantor hereunder is exclusive and independent of any security for or other guaranty of the indebtedness of Borrower whether executed by such Guarantor, any other Guarantor, any other guarantor, Borrower, or by any other party, and the liability of each Guarantor hereunder shall not be affected or impaired by (a) any direction as to application of payment by Borrower or by any other party, (b) any other continuing or other guaranty,

undertaking or maximum liability of a guarantor or of any other party as to the indebtedness of Borrower, (c) any payment on or in reduction of any such other guaranty or undertaking, (d) any dissolution, termination, or increase, decrease, or change in personnel by Borrower, or (e) any payment made to any Credit Party on the indebtedness which any Credit Party repays to Borrower pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium, or other debtor relief proceeding, and each Guarantor waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding.

4. The obligations of each Guarantor hereunder are independent of the obligations of any other Guarantor, any other guarantor or Borrower, and a separate action or actions may be brought and prosecuted against each Guarantor whether or not action is brought against any other Guarantor, any other guarantor or Borrower and whether or not any other Guarantor, any other guarantor of Borrower or Borrower be joined in any such action or actions.

5. Each Guarantor hereby waives notice of acceptance of this Guaranty and notice of any liability to which it may apply, and waives notices of the existence, creation, or incurring of additional Indebtedness, promptness, diligence, presentment, demand for performance, notice of non-performance, demand of payment, notice of intention to accelerate, notice of acceleration, protest, notice of dishonor or nonpayment of any such liabilities, suit or taking of other action by Administrative Agent or any other Credit Party against, and any other notice to, any party liable thereon (including such Guarantor or any other guarantor of Borrower).

6. Any Credit Party may at any time and from time to time without the consent of, or notice to, any Guarantor, without incurring responsibility to such Guarantor, without impairing or releasing the obligations of such Guarantor hereunder, upon or without any terms or conditions and in whole or in part:

(1) change the manner, place, or terms of payment of, and/or change or extend the time of payment of, renew, or alter, any of the Guaranteed Obligations, any security therefor, or any liability incurred directly or indirectly in respect thereof, and the guaranty herein made shall apply to the Guaranteed Obligations as so changed, extended, renewed, or altered;

(2) sell, exchange, release, surrender, realize upon, or otherwise deal with in any manner and in any order any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset there against;

(3) exercise or refrain from exercising any rights against Borrower, any other guarantor, or others or otherwise act or refrain from acting;

(4) settle or compromise any of the Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly

in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of Borrower to creditors of such Borrower (other than the Credit Parties);

(5) apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of Borrower to the Credit Parties regardless of what liabilities of such Borrower remain unpaid;

(6) consent to or waive any breach of, or any act, omission or default under, any of the Loan Documents or any of the instruments or agreements referred to therein, or otherwise amend, modify, or supplement any of the Loan Documents or any of such other instruments or agreements; and/or

(7) act or fail to act in any manner referred to in this Guaranty which may deprive such Guarantor of its right to subrogation against Borrower to recover full indemnity for any payments made pursuant to this Guaranty.

7. No invalidity, irregularity, or unenforceability of all or any part of the Guaranteed Obligations or of any security therefor shall affect, impair, or be a defense to this Guaranty, and this Guaranty shall be primary, absolute, and unconditional notwithstanding the occurrence of any event or the existence of any other circumstances which might constitute a legal or equitable discharge of a surety or guarantor except payment in full of the Guaranteed Obligations.

8. This Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. No failure or delay on the part of any Credit Party in exercising any right, power, or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein expressly specified are cumulative and not exclusive of any rights or remedies which any Credit Party would otherwise have. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other further notice or demand in similar or other circumstances or constitute a waiver of the rights of any Credit Party to any other or further action in any circumstances without notice or demand. It is not necessary for any Credit Party to inquire into the capacity or powers of Borrower or any of its Subsidiaries or the officers, directors, partners, or agents acting or purporting to act on its behalf, and any indebtedness made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

9. Any Indebtedness of Borrower to Guarantor, excluding Indebtedness arising in the ordinary course of business in connection with a centralized cash management system used by Borrower and some or all of its Affiliates, now or hereafter existing, including, without limitation, any rights to subrogation which Guarantor may have as a result of any payment by Guarantor under this Guaranty, together with any interest thereon, shall be, and such Indebtedness is, hereby deferred, postponed and subordinated to the prior payment in full of the

Guaranteed Obligations. Until payment in full of the Guaranteed Obligations, including interest accruing on the Revolving Notes after the commencement of a proceeding by or against Borrower under the Bankruptcy Code which interest the parties agree shall remain a claim that is prior and superior to any claim of Guarantor notwithstanding any contrary practice, custom or ruling in cases under the Bankruptcy Code generally, Guarantor agrees not to accept any payment or satisfaction of any kind of Indebtedness of Borrower to Guarantor (other than the Indebtedness excluded in the preceding sentence) and hereby assigns such Indebtedness to the Administrative Agent, including the right to file proof of claim and to vote thereon in connection with any such proceeding under the Bankruptcy Code, including the right to vote on any plan of reorganization.

10. Each Guarantor:

(a) hereby waives any right (except as shall be required by applicable statute and cannot be waived) to require the Credit Parties to: (i) proceed against Borrower, any other Guarantor, any other guarantor of Borrower, or any other party; (ii) proceed against or exhaust any security held from Borrower, any other Guarantor, any other guarantor of Borrower, or any other party; or (iii) pursue any other remedy in the Credit Parties' power whatsoever. Each Guarantor waives any defense based on or arising out of any defense of Borrower, any other Guarantor, any other guarantor of Borrower, or any other party other than payment in full of the Guaranteed Obligations, including, without limitation, any defense based on or arising out of the disability of Borrower, any other Guarantor, any other guarantor of Borrower, or any other party, or the unenforceability of the Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of Borrower other than payment in full of the Guaranteed Obligations of Borrower. The Credit Parties may, at their election, foreclose on any security held by the Administrative Agent or the other Credit Parties by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Credit Parties may have against Borrower or any other party, or any security, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Guaranteed Obligations have been paid in full. Each Guarantor waives any defense arising out of any such election by the Administrative Agent and/or any other Credit Parties, even though such election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against Borrower, any other Guarantor, any other guarantor of Borrower, or any other party or any security.

(b) assumes all responsibility for being and keeping itself informed of Borrower's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope, and extent of the risks which any Guarantor assumes and incurs hereunder, and agrees that the Credit Parties shall have no duty to advise such Guarantor of information known to them regarding such circumstances or risks.

11. If and to the extent that any Guarantor makes any payment to any Credit Party or to any other Person pursuant to or in respect of this Guaranty, then any claim which such Guarantor may have against Borrower by reason thereof shall be subject and subordinate to the prior payment in full of the Guaranteed Obligations to each Credit Party. Prior to the transfer by any Guarantor of any note or negotiable instrument evidencing any Indebtedness of Borrower to such Guarantor, such Guarantor shall mark such note or negotiable instrument with a legend that the same is subject to this subordination.

12. Each Guarantor covenants and agrees that on and after the date hereof and until the Commitments under the Credit Agreement have been terminated and all Guaranteed Obligations have been paid in full, such Guarantor shall take, or will refrain from taking, as the case may be, all actions that are necessary to be taken or not taken so that no Event of Default is caused by the actions of such Guarantor or any of its Subsidiaries.

13. Each Guarantor hereby jointly and severally agrees to pay, to the extent not paid by Borrower pursuant to Section 10.3 of the Credit Agreement, all out-of-pocket costs and expenses (including, without limitation, the reasonable fees and disbursements of counsel) of each Credit Party in connection with the enforcement of this Guaranty or the collection of the Guaranteed Obligations and in connection with any amendment, waiver, or consent relating to this Guaranty.

14. This Guaranty shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the Credit Parties and their successors and assigns to the extent permitted under the Credit Agreement.

15. Neither this Guaranty nor any provision hereof may be changed, waived, discharged or terminated except with the written consent of the Required Lenders (or to the extent required by Section 10.1 of the Credit Agreement, each Lender, as the case may be) and each Guarantor affected thereby (it being understood that the addition or release of any Guarantor hereunder shall not constitute a change, waiver, discharge or termination affecting any Guarantor other than the Guarantor so added or released). In the event that any Subsidiary Guarantor is released from the Guaranteed Obligations hereunder pursuant to Section 7.1.9 of the Credit Agreement, the Administrative Agent, at the request and expense of such Subsidiary Guarantor, shall execute and deliver an instrument acknowledging such Subsidiary Guarantor's release from this Guaranty.

16. Each Guarantor acknowledges that an executed (or conformed) copy of each of the Loan Documents has been made available to its principal executive officers and such officers are familiar with the contents thereof.

17. In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, each Credit Party is hereby authorized, at any time or from time to time, without notice to any Guarantor or to any other Person, any such notice being expressly waived, to set off and to appropriate and apply any and all deposits (general or special) and any other indebtedness at any

time held or owing by such Credit Party to or for the credit or the account of any Guarantor, against and on account of the obligations and liabilities of such Guarantor to such Credit Party under this Guaranty, irrespective of whether or not such Credit Party shall have made any demand hereunder; *provided* that said obligations, liabilities, deposits, or claims, or any of them, shall be then due and owing. Each Credit Party agrees to promptly notify the relevant Guarantor after any such set off and application, *provided that* the failure to give such notice shall not affect the validity of such set off and application.

18. All notices, requests, demands, or other communications provided for hereunder made in writing (including communications by facsimile transmission) shall be deemed to have been duly given or made when delivered to the Person to which such notice, request, demand, or other communication is required or permitted to be given or made under this Guaranty, addressed to such party (i) in the case of any Credit Party, as provided in the Credit Agreement and (ii) in the case of each Guarantor, at its address set forth in Schedule I to this Guaranty.

19. Each Guarantor hereby agrees that if at any time all or any part of any payment at any time received by a Credit Party from the Borrower under any of the Revolving Notes or other Loan Documents or from any Guarantor under or with respect to this Guaranty is or must be rescinded or returned by such Credit Party for any reason whatsoever (including, without limitation, the insolvency, bankruptcy or reorganization of the Borrower or any such Guarantor), then each Guarantor's obligations hereunder shall, to the extent of the payment rescinded or returned, be deemed to have continued in existence notwithstanding such previous receipt by such Credit Party, and each Guarantor's obligations hereunder shall continue to be effective or reinstated, as the case may be, as to such payment, as though such previous payment to the Credit Party had never been made. In addition, if any court of competent jurisdiction determines that the incurrence by any Guarantor of its obligations under this Guaranty or the payment by a Guarantor of its obligations hereunder is or would be voidable as a fraudulent transfer or conveyance under *Section 548* of the Bankruptcy Code, any analogous state law, or any other law relating to debtor protection or creditors' rights, the obligation of that Guarantor hereunder shall automatically be reduced to the maximum amount (if any) of the obligation that the Guarantor could incur or pay without such incurrence or payment being subject to avoidance as a fraudulent transfer or conveyance. Each Guarantor's obligations hereunder shall not exceed its tangible net worth.

20. (a) GOVERNING LAW . THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. EACH GUARANTOR AGREES THAT ANY SUIT FOR THE ENFORCEMENT OF THIS AGREEMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK OR ANY FEDERAL COURT SITTING THEREIN AND CONSENTS TO THE NONEXCLUSIVE JURISDICTION OF SUCH COURT AND THE SERVICE OF PROCESS IN ANY SUCH SUIT BEING MADE UPON ANY GUARANTOR IN THE MANNER AND AT THE ADDRESS SPECIFIED FOR NOTICES IN THIS AGREEMENT. EACH GUARANTOR HEREBY WAIVES ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE VENUE OF ANY SUCH SUIT OR ANY SUCH COURT OR THAT SUCH SUIT IS BROUGHT IN AN INCONVENIENT COURT.

(b) JURY TRIAL WAIVER . EACH GUARANTOR AND ALL PERSONS CLAIMING BY, THROUGH OR UNDER IT, HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHTS THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH, THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER ORAL OR WRITTEN) OR ACTIONS OF EACH GUARANTOR IN CONNECTION HEREWITH OR THEREWITH. EACH GUARANTOR AND ALL PERSONS CLAIMING BY, THROUGH OR UNDER IT, ACKNOWLEDGES AND AGREES THAT IT HAS RECEIVED FULL AND SUFFICIENT CONSIDERATION FOR THIS PROVISION (AND EACH OTHER PROVISION OF EACH OTHER LOAN DOCUMENT TO WHICH IT IS A PARTY) AND THAT THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE AGENTS, THE LENDERS, AND THE ISSUER ENTERING INTO THIS AGREEMENT AND EACH SUCH OTHER LOAN DOCUMENT.

(c) MARSHALING. GUARANTOR WAIVES ANY RIGHT OR CLAIM OF RIGHT TO CAUSE A MARSHALING OF BORROWER'S ASSETS OR TO CAUSE ANY CREDIT PARTY TO PROCEED AGAINST ANY OF THE SECURITY FOR THE LOAN BEFORE PROCEEDING UNDER THIS AGREEMENT AGAINST BORROWER OR TO PROCEED AGAINST GUARANTOR IN ANY PARTICULAR ORDER. GUARANTOR AGREES THAT ANY PAYMENTS REQUIRED TO BE MADE HEREUNDER SHALL BECOME DUE AND PAYABLE TEN (10) DAYS AFTER DEMAND. GUARANTOR EXPRESSLY WAIVES AND RELINQUISHES ALL RIGHTS AND REMEDIES (INCLUDING ANY RIGHTS OF SUBROGATION) ACCORDED BY APPLICABLE LAW TO GUARANTOR.

21. The Credit Parties agree that this Guaranty may be enforced only by the action of Administrative Agent acting upon the instructions of the Required Lenders and until the Credit Agreement is terminated, no other Credit Party shall have any right individually to seek to enforce or to enforce this Guaranty, it being understood and agreed that such rights and remedies may be exercised by Administrative Agent for the benefit of the Credit Parties upon the terms of this Guaranty.

22. This Guaranty may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument.

23. It is understood and agreed that any Subsidiary of Borrower that is required to execute a counterpart of this Guaranty after the date hereof pursuant to the Credit Agreement shall become a Guarantor hereunder by executing a counterpart hereof and delivering the same to Administrative Agent.

24. **THIS GUARANTY AND THE OTHER WRITTEN LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS BY THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.**

25. Except with respect to Section 19 hereof, upon repayment in full of the Guaranteed Obligations, this Guaranty shall automatically terminate and cease to be of any further force or effect.

OFFICER'S SOLVENCY CERTIFICATE

I, the undersigned, the chief financial officer of Strategic Hotel Funding, L.L.C., a limited liability company existing under the laws of the State of Delaware (the "Borrower "), do hereby certify that:

1. This Certificate is furnished to the Lenders pursuant to Section 5.1.12 of the Credit Agreement, dated as of March 9, 2007, among the Borrower, the various financial institutions as are or may become parties thereto and Deutsche Bank Trust Company Americas, as Administrative Agent (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"). Unless otherwise defined herein, capitalized terms used in this Certificate shall have the meanings set forth in the Credit Agreement.

2. For purposes of this Certificate, the terms below shall have the following meanings:

   (a) "Market Capitalization" – The total outstanding number of shares of Guarantor multiplied by the price of a share of Guarantor's stock as of the close of business on March 8, 2007.

   (b) "New Financing" – The Indebtedness being incurred, assumed or guaranteed by Borrower through Loans from the Lenders and the issuance of Letters of Credit by the Issuer under the Credit Agreement and/or the other Loan Documents.

3. For purposes of this Certificate, I, or officers of the Borrower under my direction and supervision, have performed the following procedures as of and for the periods set forth below.

   (a) I have reviewed the financial statements referred to in Section 6.5 of the Credit Agreement.

   (b) I have knowledge of and have reviewed to my satisfaction the Loan Documents and all the other respective documents relating thereto, and the respective schedules and exhibits thereto.

4. Based on and subject to the foregoing, I hereby certify on behalf of the Borrower that, after giving effect to the consummation of the transactions contemplated by the New Financing, the Credit Agreement and the related financing transactions (including the making of Loans and the issuance of Letters of Credit under the Credit Agreement), it is my opinion that each of:

   (i) the Market Capitalization of Guarantor is not less than $1,589,812,800;

(ii) Guarantor has no liabilities other than the amounts being drawn today under the Credit Agreement and those liabilities reflected in the financial statements of Guarantor previously delivered to the Administrative Agent (as such liabilities have been reduced in the ordinary course or paid off with the proceeds of the Loan), and liabilities incurred in the ordinary course and not materially different than the ones reflected on the most recent of such financial statements;

(iii) based on the Market Capitalization of Guarantor and the fact that Guarantor owns 98.8% of Borrower, the equity value of the ownership interest in Borrower is not less than $1,570,735,046;

(iv) Borrower has no liabilities other than the amounts being drawn today under the Credit Agreement and those liabilities reflected in the financial statements of Borrower previously delivered to the Administrative Agent (as such liabilities have been reduced in the ordinary course or paid off with the proceeds of the Loan), liabilities incurred in the ordinary course and not materially different than the ones reflected on the most recent of such financial statements, and as disclosed in Schedule I to the Credit Agreement.

(v) each of Borrower and Guarantor (taken as a whole), after giving effect to the New Financing and the consummation of the transactions contemplated by the Credit Agreement, is a going concern and does not lack sufficient capital for its needs and currently anticipated needs, without substantial unplanned disposition of assets outside the ordinary course of business, restructuring of debt, externally forced revisions of its operations or other similar actions.

2.1.2 Disbursement to Borrower . Borrower may request and receive only one borrowing hereunder in respect of the Loan and any amount borrowed and repaid hereunder in respect of the Loan may not be reborrowed. Borrower acknowledges and agrees that the full proceeds of the Loan have been disbursed by Lender to Borrower on the Closing Date.

2.1.3 The Note, Security Instrument and Loan Documents . The Loan shall be evidenced by the Note and secured by the Security Instrument, the Assignment of Leases, this Agreement and the other Loan Documents.

2.1.4 Use of Proceeds . Borrower shall use the proceeds of the Loan to repay and discharge any existing mortgage loans secured by the Property, to provide any necessary or appropriate reserves, to make cash distributions to its members for, among other things, repayment of any existing mezzanine loans secured by direct or indirect interests in Borrower, and as may be otherwise set forth on the Loan closing statement executed by Borrower at closing.

Section 2.2 Interest; Loan Payments; Late Payment Charge .

2.2.1 Payment of Principal and Interest .

(i) Except as set forth in Section 2.2.1(ii) , interest shall accrue on the Principal Amount as set forth in the Note.

(ii) Upon the occurrence and during the continuance of an Event of Default and from and after the Maturity Date if the entire Principal Amount is not repaid on the Maturity Date, interest on the outstanding principal balance of the Loan and, to the extent permitted by law, overdue interest and other amounts due in respect of the Loan shall accrue at the Default Rate calculated from the date such payment was due without regard to any grace or cure periods contained herein. Interest at the Default Rate shall be computed from the occurrence of the Event of Default until the actual receipt and collection of the Indebtedness (or that portion thereof that is then due). To the extent permitted by applicable law, interest at the Default Rate shall be added to the Indebtedness, shall itself accrue interest at the same rate as the Loan and shall be secured by the Security Instrument. This paragraph shall not be construed as an agreement or privilege to extend the date of the payment of the Indebtedness, nor as a waiver of any other right or remedy accruing to Lender by reason of the occurrence of any Event of Default, and Lender retains its rights under the Note to accelerate and to continue to demand payment of the Indebtedness upon the happening of any Event of Default.

2.2.2 Method and Place of Payment .

(a) On each Payment Date, Borrower shall pay or cause to be paid to Lender interest accruing pursuant to the Note for the entire Interest Period during which said Payment Date shall occur.

(b) All amounts advanced by Lender pursuant to the applicable provisions of the Loan Documents, other than the Principal Amount, together with any interest at the Default Rate or other charges as provided therein, shall be due and payable hereunder as provided in the Loan Documents. In the event any such advance or charge is not so repaid by Borrower, Lender may, at its option and upon notice to Borrower, first apply any payments received under the Note to repay such advances, together with any interest thereon, or other charges as provided in the Loan Documents, and the balance, if any, shall be applied in payment of any installment of interest or principal then due and payable.

(c) The Maturity Date Payment shall be due and payable in full on the Maturity Date.

2.2.3 Late Payment Charge . If any interest payment due under the Loan Documents is not paid by Borrower within five (5) days after the date on which it is due (or, if such fifth (5th) day is not a Business Day, then the Business Day immediately preceding such day), Borrower shall pay to Lender upon demand an amount equal to the lesser of three percent (3%) of such unpaid sum or the Maximum Legal Rate (the**"Late Payment Charge"**) in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment. Any such amount shall be secured by this Agreement, the Security Instrument and the other Loan Documents to the extent permitted by applicable law. Borrower acknowledges and agrees that the five day grace period with respect to the applicability of the Late Payment Charge (i) shall only apply to Borrower's first failure to make a monthly interest payment in any calendar year and (ii) shall not constitute a payment grace period and shall in no way limit Lender's rights under Article XVII .

2.2.4 Usury Savings . This Agreement and the Note are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the Principal Amount of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the Principal Amount due under the Note at a rate in excess of the Maximum Legal Rate, then the LIBOR Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due under the Note. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of

the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

Section 2.3 Prepayments .

2.3.1 Prepayments . No prepayments of the Indebtedness shall be permitted except as set forth in Section 4 of the Note. Borrower agrees and acknowledges after the closing of the Loan that prior to a material Event of Default (as determined by Lender in its sole and absolute discretion) (x) in the case of prepayments of the Loan in connection with a Casualty or Condemnation, principal will be applied (to the extent not used for restoration pursuant to the terms hereof) to the Note, any substitute or component notes (as applicable) sequentially starting with the most senior securitized tranche and (y) in the case of all prepayments of the Loan other than in accordance with the preceding clause (x), such prepayments will be applied to the Note, any substitute or component notes (as applicable) pro-rata (on the basis of their respective principal balances) among the securitized and any non-securitized portions of the Loan (and pro-rata within the securitized portions of the Loan). Notwithstanding the foregoing, upon the occurrence and during the continuance of a material Event of Default (as determined by Lender in its sole and absolute discretion), Borrower agrees and acknowledges that any principal prepayments of the Loan will be applied to the Note, any substitute or component notes (as applicable) sequentially, starting with the most senior securitized tranche (it being acknowledged that during the continuance of a material Event of Default all securitized portions of the Loan shall be paid in full prior to the payment of any non-securitized portions of the Loan).

2.3.2 Prepayments after Event of Default . If, following an Event of Default, Lender shall accelerate the Indebtedness and Borrower thereafter tenders payment of all or any part of the Indebtedness, or if all or any portion of the Indebtedness is recovered by Lender after such Event of Default, (a) such payment may be made only on the next occurring Payment Date together with all unpaid interest thereon as calculated through the end of the Interest Period during which such Payment Date occurs (even if such period extends beyond such Payment Date and calculated as if such payment had not been made on such Payment Date), and all other fees and sums payable hereunder or under the Loan Documents, including without limitation, interest that has accrued at the Default Rate and any Late Payment Charges), (b) such payment shall be deemed a voluntary prepayment by Borrower, and (c) Borrower shall pay, in addition to the Indebtedness, an amount equal to the Prepayment Fee, if applicable.

2.3.3 Release of Property . Lender shall, at the reasonable expense of Borrower, upon payment in full of the Principal Amount and interest on the Loan and all other amounts due and payable under the Loan Documents in accordance with the terms and provisions of the Note and this Agreement, release the Lien of (i) this Agreement upon the Account Collateral and the Rate Cap Collateral and (ii) the Security Instrument on the Property or assign it, in whole or in part, to a new lender. In such event, Borrower shall submit to Lender, on a date prior to the date of such release or assignment sufficient to provide a reasonable period for review thereof, a release of lien or assignment of lien, as applicable, for such property for execution by Lender. Such release or assignment, as applicable, shall be in a form appropriate in each jurisdiction in which the Property is located and satisfactory to Lender in its reasonable discretion. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such release or assignment, as applicable.

Section 2.4 Regulatory Change; Taxes .

2.4.1 Increased Costs . If, at any time prior to the first Securitization of the Loan, as a result of any Regulatory Change or compliance of Lender therewith, the basis of taxation of payments to Lender of the principal of or interest on the Loan is changed or Lender or the company Controlling Lender shall be subject to (i) any tax, duty, charge or withholding of any kind with respect to this Agreement (excluding federal taxation of the overall net income of Lender); or (ii) any reserve, special deposit or similar requirements relating to any extensions of credit or other assets of, or any deposits with or other liabilities, of Lender or any company Controlling Lender is imposed, modified or deemed applicable; or (iii) any other condition affecting loans to borrowers subject to LIBOR-based interest rates is imposed on Lender or any company Controlling Lender and Lender determines that, by reason thereof, the cost to Lender or any company Controlling Lender of making, maintaining or extending the Loan to Borrower is increased, or any amount receivable by Lender or any company Controlling Lender hereunder in respect of any portion of the Loan to Borrower is reduced, in each case by an amount deemed by Lender in good faith to be material (such increases in cost and reductions in amounts receivable being herein called **"Increased Costs"**), then Lender shall provide notice thereof to Borrower and Borrower agrees that it will pay to Lender upon Lender's written request such additional amount or amounts as will compensate Lender or any company Controlling Lender for such Increased Costs to the extent Lender determines that such Increased Costs are allocable to the Loan and provided that Lender is generally exercising rights similar to those set forth in this Section 2.4.1 against other borrowers similarly situated to Borrower. Lender will notify Borrower of any event occurring after the date hereof which will entitle Lender to compensation pursuant to this Section 2.4.1 as promptly as practicable after it obtains knowledge thereof and determines to request such compensation; provided , however , that, if Lender fails to deliver a notice within 90 days after the date on which an officer of Lender responsible for overseeing this Agreement knows or has reason to know of its right to additional compensation under this Section 2.4.1 , Lender shall only be entitled to additional compensation for any such Increased Costs incurred from and after the date that is 90 days prior to the date Borrower received such notice. If Lender requests compensation under this Section 2.4.1 , Borrower may, by notice to Lender, require that Lender furnish to Borrower a statement setting forth the basis for requesting such compensation and the method for determining the amount thereof, and a description as to why Section 2.4.5 is not applicable.

deductions, and (iii) Borrower shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

2.4.3 Other Taxes . In addition, for all periods prior to the first Securitization of the Loan, Borrower agrees to pay any present or future stamp or documentary taxes or other excise or property taxes, charges, or similar levies which arise from any payment made hereunder, or from the execution, delivery or registration of, or otherwise with respect to, this Agreement, the other Loan Documents, or the Loan (hereinafter referred to as**"Other Taxes"**).

This indemnification shall be made within thirty (30) days after the date Lender makes written demand therefor.

5.1.5 Consents . If Borrower is a corporation, the board of directors of such Person may not take any action requiring the unanimous affirmative vote of 100% of the members of the board of directors unless all of the directors, including the Independent Directors, shall have participated in such vote if such vote relates to a Material Action (as such term is defined in the Borrower's organizational documents). If Borrower is a limited liability company, (a) if such Person is managed by a board of managers, the board of managers of such Person may not take any action requiring the unanimous affirmative vote of 100% of the members of the board of managers unless all of the managers, including the Independent Managers, shall have participated in such vote if such vote relates to a Material Action (as such term is defined in the Borrower's organizational documents), (b) if such Person is not managed by a board of managers, the members of such Person may not take any action requiring the affirmative vote of 100% of the members of such Person unless all of the members, including the Independent Members, shall have participated in such vote if such vote relates to a Material Action (as such term is defined in the Borrower's organizational documents). (b) Borrower shall comply with all Insurance Requirements and shall not bring or keep or permit to be brought or kept any article upon any of the Property or cause or permit any condition to exist thereon which would be prohibited by any Insurance Requirement, or would invalidate insurance coverage required hereunder to be maintained by Borrower on or with respect to any part of the Property pursuant to Section 6.1 .

5.1.11 Further Assurances; Separate Notes . (a) Borrower shall execute and acknowledge (or cause to be executed and acknowledged) and deliver to Lender all documents, and take all actions, reasonably required by Lender from time to time to confirm the rights created or now or hereafter intended to be created under this Agreement and the other Loan Documents and any security interest created or purported to be created thereunder, to protect and further the validity, priority and enforceability of this Agreement and the other Loan Documents, to subject to the Loan Documents any property of Borrower intended by the terms of any one or more of the Loan Documents to be encumbered by the Loan Documents, or otherwise carry out the purposes of the Loan Documents and the transactions contemplated thereunder. At any time after the Closing Date, Borrower agrees that it shall, upon request, reasonably cooperate with Lender in connection with any request by Lender to reallocate the LIBOR Margin among the Notes or to sever the Note into two (2) or more separate substitute or component notes in an aggregate principal amount equal to the Principal Amount and to reapportion the Loan among such separate substitute notes, including, without limitation, by executing and delivering to Lender new substitute or component notes to replace the Note, amendments to or replacements of existing Loan Documents to reflect such severance and/or Opinions of Counsel with respect to such substitute or component notes, amendments and/or replacements, provided that Borrower shall bear no costs or expenses in connection therewith (other than administrative costs and expenses of Borrower and legal fees of counsel to the Borrower and Guarantor), and the holders of such substitute or component notes shall designate a lead lender or agent for such holders to whom Borrower may direct all communications with respect to the Loan. Upon the occurrence and during the continuance of an Event of Default, Lender may apply payment of all sums due under such substitute notes in such order and priority as Lender shall elect in its sole and absolute discretion.

(b) Borrower further agrees that if, in connection with the Securitization, it is determined by the Rating Agencies that a portion of the Securitization would not receive an "investment grade" rating unless the principal amount of the Loan were to be decreased and, as a result, the principal amount of the Loan is decreased, then the Borrower shall take all actions as are necessary to effect the "resizing", including the reallocation of the LIBOR Margin of the Loan, and Borrower shall execute and deliver any and all necessary amendments or modifications to the Loan Documents. In connection with the foregoing, Borrower agrees, at Lender's sole cost and expense other than with respect to (1) Borrower's, Operating Lessee's, the Guarantor's, each Ultimate Equity Owners' and their Affiliate's counsel fees and (2) if the principal amount of the Loan is increased, an endorsement to the Title Policy reflecting an increase in the insured amount thereunder which shall be at Borrower's sole cost and expense, to execute and deliver such documents and other agreements reasonably required by Lender to "re-size" the Loan, including, without limitation, an amendment to this Agreement, the Note, the Security Instrument and the other Loan Documents. Borrower agrees to reimburse Lender for all costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) incurred by Lender in connection with any "resizing" of the Loan. Notwithstanding the foregoing, Lender agrees that any "resizing" of the Loan shall not change the economics of the Loan in a manner which is adverse to Borrower .

(c) In addition, Borrower shall, at Borrower's sole cost and expense:

(i) furnish to Lender, to the extent not otherwise already furnished to Lender and reasonably acceptable to Lender, all instruments, documents, boundary surveys, footing or foundation surveys, certificates, plans and specifications, appraisals, title and other insurance reports and agreements, and each and every other document, certificate, agreement and instrument required to be furnished by Borrower pursuant to the terms of the Loan Documents;

5.1.15 Title to the Property . Borrower shall warrant and defend (a) its title to the Property and every part thereof, subject only to Liens permitted hereunder (including Permitted Encumbrances) and (b) the validity and priority of the Liens of the Security Instrument, the Assignment of Leases and this Agreement on the Property, subject only to Liens permitted hereunder (including Permitted Encumbrances), in each case against the claims of all Persons whomsoever. Borrower shall reimburse Lender for any losses, costs, damages or expenses (including reasonable attorneys' fees and court costs) incurred by Lender if an interest in the Property, other than as permitted hereunder, is claimed by another Person.

(v) Insurance against loss or damage from (A) leakage of sprinkler systems and (B) explosion of steam boilers, air conditioning equipment, high pressure piping, machinery and equipment, pressure vessels or similar apparatus now or hereafter installed in any of the Improvements (without exclusion for explosions) and insurance against loss of occupancy or use arising from any breakdown, in such amounts as are generally available at reasonable premiums and are generally required by institutional lenders for properties comparable to the Property;

(vi) Worker's compensation insurance with respect to all employees of Borrower as and to the extent required by any Governmental Authority or Legal Requirement and employer's liability coverage of at least $2,000,000 which is scheduled to the excess and/or umbrella liability insurance as referenced in clause (ii) above;

(vii) During any period of repair or restoration, completed value (non-reporting) builder's "all risk" insurance in an amount equal to not less than the full insurable value of the Property against such risks (including fire and extended coverage and collapse of the Improvements to agreed limits) as Lender may request, in form and substance acceptable to Lender;

(viii) Coverage to compensate for the cost of demolition and the increased cost of construction for the Property;

(ix) Intentionally Deleted;

(x) Windstorm insurance in an amount equal to the probable maximum loss (as reasonably determined by Lender) of the Property per occurrence and in the aggregate and shared with other properties covered by the blanket insurance (if any) provided , that any credit enhancement proposed to be provided by or on behalf of Borrower in connection with the deductible on such windstorm insurance shall be subject to the prior receipt of a Rating Agency Confirmation;

(xi) Law and ordinance insurance coverage in an amount no less that set forth in the insurance policies as of the date hereof;

(xii) Provided that insurance coverage relating to the acts of terrorist groups or individuals is either (a) available at commercially reasonable rates and (b) commonly obtained by owners of commercial properties in the same geographic area and which are similar to the Property, Borrower shall be required to carry terrorism insurance throughout the term of the Loan (including any extension terms) in an amount equal to, with respect to "certified" and "non-certified" acts of terrorism, an amount equal to the Terrorism Coverage Required Amount (per occurrence). Lender agrees that terrorism insurance coverage may be provided under a blanket policy that is acceptable to Lender;

(xiii) Such other insurance as may from time to time be reasonably required by Lender in order to protect its interests; and

(xiv) All insurance required under this Section 6.1 may be provided by or on behalf of Borrower in a blanket policy covering the Property and other properties.

(c) All policies of insurance (the "**Policies**") required pursuant to this Section 6.1 shall be issued by companies approved by Lender and licensed or authorized to do business in the state where the Property is located. Further, unless otherwise approved by Lender in its reasonable discretion (prior to a Securitization) and the Rating Agencies in writing, the issuer(s) of the Policies required under this Section 6.1 shall have a claims paying ability rating of "A" or better by Standard & Poor's and "Aa2" or better by Moody's, except that the issuer(s) of the Policies required under Section 6.1(b)(viii) hereof shall have a claims paying ability rating of "A" or better by Standard & Poor's and "A2" or better by Moody's; provided, however, if the insurance provided hereunder is procured by a syndication of more then five (5) insurers then the foregoing requirements shall not be violated if at least (i) sixty percent (60%) of the coverage is with carriers having a claims paying ability rating of "A" or better by Standard & Poor's and "Aa2" or better by Moody's and (ii) each other carrier providing coverage has a claims paying ability rating of "BBB-" or better by Standard & Poor's and Fitch Ratings and "Baa3" or better by Moody's. The Policies (i) shall name Lender (or an agent on Lender's behalf) and its successors and/or assigns as their interest may appear as an additional insured or as a loss payee (except that in the case of general liability insurance, Lender (or an agent on Lender's behalf) shall be named an additional insured and not a loss payee); (ii) shall contain a Non-Contributory Standard Lender Clause and, except with respect to general liability insurance, a Lender's Loss Payable Endorsement, or their equivalents, naming Lender as the Person to which all payments made by such insurance company shall be paid; (iii) shall include effective waivers by the insurer of all claims for insurance premiums against all loss payees, additional insureds and named insureds (other than Borrower) and all rights of subrogation against any loss payee,

additional insured or named insured; (iv) shall be assigned to Lender; (v) except as otherwise provided above, shall be subject to a deductible, if any, not greater in any material respect than the deductible for such coverage on the date hereof; (vi) shall contain such provisions as Lender deems reasonably necessary or desirable to protect its interest, including endorsements providing that neither Borrower, Lender nor any other party shall be a Contributor-insurer (except deductibles) under said Policies and that no material modification, reduction, cancellation or termination in amount of, or material change (other than an increase) in, coverage of any of the Policies shall be effective until at least thirty (30) days after receipt by each named insured, additional insured and loss payee of written notice thereof or ten (10) days after receipt of such notice with respect to nonpayment of premium; (vii) shall permit Lender to pay the premiums and continue any insurance upon failure of Borrower to pay premiums when due, upon the insolvency of Borrower or through foreclosure or other transfer of title to the Property (it being understood that Borrower's rights to coverage under such policies may not be assignable without the consent of the insurer); and (viii) shall provide that any proceeds shall be payable to Lender and that the insurance shall not be impaired or invalidated by virtue of (A) any act, failure to act, negligence of, or violation of declarations, warranties or conditions contained in such policy by Borrower, Lender or any other named insured, additional insured or loss payee, except for the willful misconduct of Lender knowingly in violation of the conditions of such policy, (B) the occupation, use, operation or maintenance of the Property for purposes more hazardous than permitted by the terms of the Policy, (C) any foreclosure or other proceeding or notice of sale relating to the Property, or (D) any change in the possession of the Property without a change in the identity of the holder of actual title to the Property (provided that with respect to items (C) and (D), any notice requirements of the applicable Policies are satisfied). Notwithstanding the foregoing, for purposes of this Section 6.1 hereof, Lender hereby approves the existing blanket insurance policies and any renewals thereof with the same insurance ratings and terms.

(d) **Insurance Premiums; Certificates of Insurance .**

(i) Borrower shall pay the premiums for such Policies (the "**Insurance Premiums**") as the same become due and payable and shall furnish to Lender the receipts for the payment of the Insurance Premiums or other evidence of such payment reasonably satisfactory to Lender (provided , however , that Borrower is not required to furnish such evidence of payment to Lender if such Insurance Premiums are to be paid by Lender pursuant to the terms of this Agreement). Within thirty (30) days after request by Lender, Borrower shall obtain such increases in the amounts of coverage required hereunder as may be reasonably requested in writing by Lender or as may be requested in writing by the Rating Agencies, (except with respect to the Terrorism Insurance), taking into consideration changes in liability laws, changes in prudent customs and practices, and the like. In the event Borrower satisfy the requirements under this Section 6.1 through the use of a Policy covering properties in addition to the Property (a "**Blanket Policy**"), then (unless such policy is provided in substantially the same manner as it is as of the date hereof), Borrower shall provide evidence satisfactory to Lender that the Insurance Premiums for the Property is separately allocated under such Policy to the Property and that payment of such allocated amount (A) shall maintain the effectiveness of such Policy as to the Property and (B) shall otherwise provide the same protection as would a separate policy that complies with the terms of this Agreement as to the Property, notwithstanding the failure of payment of any other portion of the insurance premiums. If no such allocation is available, Lender shall have the right to increase the amount required to

be deposited into the Insurance Reserve Account in an amount sufficient to purchase a non-blanket Policy covering the Property from insurance companies which qualify under this Agreement.

(ii) Borrower shall deliver to Lender on or prior to the Closing Date certificates setting forth in reasonable detail the material terms (including any applicable notice requirements) of all Policies from the respective insurance companies (or their authorized agents) that issued the Policies, including that such Policies may not be canceled or modified in any material respect without thirty (30) days' prior notice to Lender, or ten (10) days' notice with respect to nonpayment of premium. Borrower shall deliver to Lender, concurrently with each change in any Policy, a certificate with respect to such changed Policy certified by the insurance company issuing that Policy, in substantially the same form and containing substantially the same information as the certificates required to be delivered by Borrower pursuant to the first sentence of this clause (d)(ii) and stating that all premiums then due thereon have been paid to the applicable insurers and that the same are in full force and effect (or if such certificate and/or other information described in clause (d)(ii) shall not be obtainable by Borrower, Borrower may deliver an Officer's Certificate to such effect in lieu thereof).

(e) **Renewal and Replacement of Policies .**

(i) Not less than three (3) Business Days prior to the expiration, termination or cancellation of any Policy, Borrower shall renew such policy or obtain a replacement policy or policies (or a binding commitment for such replacement policy or policies), which shall be effective no later than the date of the expiration, termination or cancellation of the previous policy, and shall deliver to Lender a certificate in respect of such policy or policies (A) containing the same information as the certificates required to be delivered by Borrower pursuant to clause (d)(ii) above, or a copy of the binding commitment for such policy or policies and (B) confirming that such policy complies with all requirements hereof.

(ii) If Borrower does not furnish to Lender the certificates as required under clause (e)(i) above, Lender may procure, but shall not be obligated to procure, such replacement policy or policies and pay the Insurance Premiums therefor, and Borrower agrees to reimburse Lender for the cost of such Insurance Premiums promptly on demand.

(iii) Concurrently with the delivery of each replacement policy or a binding commitment for the same pursuant to this clause (e) , Borrower shall deliver to Lender a report or attestation from a duly licensed or authorized insurance broker or from the insurer, setting forth the particulars as to all insurance obtained by Borrower pursuant to this Section 6.1 and then in effect and stating that all Insurance Premiums then due thereon have been paid in full to the applicable insurers, that such insurance policies are in full force and effect and that, in the opinion of such insurance broker or insurer, such insurance otherwise complies with the requirements of this Section 6.1 (or if such report shall not be available after Borrower shall have used reasonable efforts to provide the same, Borrower will deliver to Lender an Officer's Certificate containing the information to be provided in such report).

(f) **Separate Insurance .** Borrower will not take out separate insurance concurrent in form or contributing in the event of loss with that required to be maintained pursuant to this Section 6.1 unless such insurance complies with clause (c) above.

(g) **Securitization .** Following any Securitization, Borrower shall name any trustee, servicer or special servicer designated by Lender as a loss payee, and any trustee, servicer and special servicer as additional insureds, with respect to any Policy for which Lender is to be so named hereunder.

Section 6.2 Condemnation and Insurance Proceeds .

6.2.1 Right to Adjust . (a) If the Property is damaged or destroyed, in whole or in part in any material respect, by a Casualty, Borrower shall give prompt written notice thereof to Lender, generally describing the nature and extent of such Casualty. Following the occurrence of a Casualty, Borrower, regardless of whether proceeds are available, shall in a reasonably prompt manner proceed to restore, repair, replace or rebuild the Property to the extent practicable to be of at least equal value and of substantially the same character as prior to the Casualty, all in accordance with the terms hereof applicable to Alterations.

(b) Subject to clause (e) below, in the event of a Casualty which is not a Material Casualty, Borrower may settle and adjust such claim; provided that such adjustment is carried out in a competent and timely manner. In such case, Borrower is hereby authorized to collect and receipt for Lender any Proceeds.

(c) Subject to clause (e) below, in the event of a Casualty where the loss exceeds the Threshold Amount, Borrower may settle and adjust such claim only with the consent of Lender (which consent shall not be unreasonably withheld, delayed or conditioned) and Lender shall have the opportunity to participate, at Borrower's cost, in any such adjustments.

(d) Except as provided in clause (b) above, the proceeds of any Policy shall be due and payable solely to Lender and held and applied in accordance with the terms hereof (or, if mistakenly paid to the Borrower, shall be held in trust by the Borrower for the benefit of Lender and shall be paid over to Lender by the Borrower within two (2) Business Days of receipt).

(e) Notwithstanding the terms of clauses (a) and (b) above, Lender shall have the sole authority to adjust any claim with respect to a Casualty and to collect all Proceeds if an Event of Default shall have occurred and is continuing.

6.2.2 Right of the Borrower to Apply to Restoration . In the event of (a) a Casualty that does not constitute a Material Casualty, or (b) a Condemnation that does not constitute a Material Condemnation, Lender shall permit the application of the Proceeds (after reimbursement of any expenses incurred by Lender) to reimburse or pay Borrower for the cost of restoring, repairing, replacing or rebuilding or otherwise curing title defects at the Property (the " **Restoration**"), in the manner required hereby, provided and on the condition that (1) no Event of Default shall have occurred and be then continuing and (2) in the reasonable judgment of Lender:

(i) the Property can be restored to an economic unit not materially less valuable (taking into account the effect of the termination of any Leases and the proceeds of any rental loss or business interruption insurance which the Borrower receives or is entitled to receive, in each case, due to such Casualty or Condemnation) and not materially less useful than the same was prior to the Casualty or Condemnation,

(ii) the Property, after such Restoration and stabilization, will adequately secure the outstanding balance of the Loan,

(iii) the Restoration can be completed by the earliest to occur of:

(A) the date on which the business interruption insurance carried by Borrower with respect to the Property shall expire;

(B) the 180th day prior to the Maturity Date (taking into account any extension thereof), and

(C) with respect to a Casualty, the expiration of the payment period on the rental loss or business interruption insurance coverage in respect of such Casualty; and

(iv) after receiving reasonably satisfactory evidence to such effect, during the period of the Restoration, the sum of (A) income derived from the Property, plus (B) proceeds of rental loss insurance or business interruption insurance, if any, payable together with such other monies as Borrower may irrevocably make available for the Restoration, will equal or exceed the sum of (x) 105% of Operating Expenses and (y) the Debt Service.

Notwithstanding the foregoing, if any of the conditions set forth in sub-clauses (1) and (2) of the proviso in this Section 6.2.2 is not satisfied, then, unless Lender shall otherwise elect, at its sole option, the Proceeds shall be applied in the following order of priority: (A) first, to prepay the principal of the Loan; (B) second, to pay the amount of (1) all accrued and unpaid interest in respect of the Principal Amount of the Indebtedness so prepaid through the date which is the final day of the Interest Period in which such prepayment is made (including, if an Event of Default has occurred and is then continuing, interest owed at the Default Rate), and (2) all other sums (excluding any Prepayment Fee) then due and owing under the Loan Documents and (C) third, to reimburse Lender for any fees and expenses of Lender incurred in connection therewith (it being agreed that, upon satisfaction in full of the entitlements under clauses (A), (B) and (C) of this sentence, Borrower shall be entitled to receive a release of the Lien of the Security Instrument and the other Loan Documents with respect to the Property in accordance with and subject to the terms of Section 2.3.3 hereof and any surplus Proceeds shall be paid over to the Borrower or as the Borrower directs. Notwithstanding the foregoing, or anything else to the contrary contained herein, all Proceeds with respect to the insurance determined pursuant to Section 6.1.4 shall be deposited directly into the Collection Account and shall be disbursed in accordance with Article III as if such Proceeds are applied in the manner amounts received from the Manager are applied

6.2.3 Material Casualty or Condemnation and Lender's Right to Apply Proceeds . In the event of a Material Casualty or a Material Condemnation, then Lender

shall have the option to (i) apply the Proceeds hereof in the following order of priority: (A) first, to prepay the principal of the Loan; (B) second, to pay the amount of (1) all accrued and unpaid interest in respect of the Principal Amount of the Indebtedness so prepaid through the date which is the final day of the Interest Period in which such prepayment is made (including, if an Event of Default has occurred and is then continuing, interest owed at the Default Rate), and (2) all other sums (excluding any Prepayment Fee) then due and owing under the Loan Documents; (C) third, to reimburse Lender for any fees and expenses of Lender incurred in connection therewith; and (D) fourth, it being agreed that, upon satisfaction in full of the entitlements under clauses (A), (B) and (C) of this sentence, Borrower shall be entitled to receive the balance of the Proceeds, if any and a release of the Lien of the Security Instrument and the other Loan Documents with respect to the Property in accordance with and subject to the terms of Section 2.3.3 hereof), or (ii) make such Proceeds available to reimburse Borrower for the cost of any Restoration in the manner set forth below in Section 6.2.4 hereof provided , however , that if the Management Agreement provides that the Operating Lessee or Borrower is required to use the Proceeds to restore the Property and Operating Lessee or Borrower does not have the right to terminate the Management Agreement pursuant to the terms of the Management Agreement as a result of such Casualty or Condemnation or otherwise, then the Lender shall be obligated to make such Proceeds available to the Borrower for the Restoration of such Property pursuant to Section 6.2.4 below. Notwithstanding anything to the contrary contained herein, in the event of a Material Casualty or a Material Condemnation, where Borrower cannot restore, repair, replace or rebuild the Property to be of at least substantially equal value and of substantially the same character as prior to the Material Casualty or Material Condemnation or title defect because the Property is a legally non-conforming use or as a result of any other Legal Requirement, Borrower hereby agrees that Lender may apply the Proceeds payable in connection therewith in accordance with clauses (A), (B) (C) and (D).

6.2.4 Manner of Restoration and Reimbursement . If Borrower is entitled pursuant to Sections 6.2.2 or 6.2.3 above to reimbursement out of Proceeds (and the conditions specified therein shall have been satisfied), such Proceeds shall be disbursed on a monthly basis upon Lender being furnished with (i) such architect's certificates, waivers of lien, contractor's sworn statements, title insurance endorsements, bonds, plats of survey and such other evidences of cost, payment and performance as Lender may reasonably require and approve, and (ii) all plans and specifications for such Restoration, such plans and specifications to be approved by Lender prior to commencement of any work (such approval not to be unreasonably withheld, delayed or conditioned). In addition, no payment made prior to the Final Completion of the Restoration (excluding punch-list items) shall exceed ninety percent (90%) of the aggregate value of the work performed from time to time; funds other than Proceeds shall be disbursed prior to disbursement of such Proceeds; and at all times, the undisbursed balance of such Proceeds remaining in the hands of Lender, together with funds deposited for that purpose or irrevocably committed to the satisfaction of Lender by or on behalf of Borrower for that purpose, shall be at least sufficient in the reasonable judgment of Lender to pay for the cost of completion of the Restoration, free and clear of all Liens or claims for Lien. Prior to any disbursement, Lender shall have received evidence reasonably satisfactory to it of the estimated cost of completion of the Restoration (such estimate to be made by Borrower's architect or contractor and approved by Lender in its reasonable discretion), and Borrower shall have deposited with Lender Eligible Collateral in an amount equal to the excess (if any) of such estimated cost of completion over the net Proceeds. Any surplus which may remain out of

Proceeds received pursuant to a Casualty after payment of such costs of Restoration shall be paid to the Borrower or as the Borrower directs . Any surplus which may remain out of Proceeds received pursuant to a Condemnation shall be paid to the Borrower or as the Borrower directs.

6.2.5 Condemnation . (a) Borrower shall promptly give Lender written notice of the actual commencement or written threat of commencement of any Condemnation and shall deliver to Lender copies of any and all papers served in connection with such Condemnation. Following the occurrence of a Condemnation, Borrower, regardless of whether Proceeds are available, shall promptly proceed to restore, repair, replace or rebuild the same to the extent practicable to be of at least equal value and of substantially the same character as prior to such Condemnation, all to be effected in accordance with the terms hereof applicable to Alterations.

(b) Lender is hereby irrevocably appointed as Borrower's attorney-in-fact, coupled with an interest, with exclusive power to collect, receive and retain any Proceeds in respect of a Condemnation and to make any compromise or settlement in connection with such Condemnation, subject to the provisions of this Section. Provided no Event of Default has occurred and is continuing, (x) in the event of a Condemnation which is not a Material Condemnation, Borrower may settle and compromise such Proceeds; provided that the same is effected in a competent and timely manner, and (y) in the event of a Condemnation, where the loss exceeds the Threshold Amount, Borrower may settle and compromise the Proceeds only with the consent of Lender (which consent shall not be unreasonably withheld, delayed or conditioned) and Lender shall have the opportunity to participate, at Borrower' cost, in any litigation and settlement discussions in respect thereof. Notwithstanding any Condemnation by any public or quasi-public authority (including any transfer made in lieu of or in anticipation of such a Condemnation), Borrower shall continue to pay the Indebtedness at the time and in the manner provided for in the Note, this Agreement and the other Loan Documents, and the Indebtedness shall not be reduced unless and until any Proceeds shall have been actually received and applied by Lender to discharge the Indebtedness, pay required interest and pay any other required amounts, in each case, pursuant to the terms of Sections 6.2.2 or 6.2.3 above. Lender shall not be limited to the interest paid on the Proceeds by the condemning authority but shall be entitled to receive out of the Proceeds interest at the rate or rates provided in the Note. Borrower shall cause any Proceeds that are payable to Borrower to be paid directly to Lender to be held and applied in accordance with the terms hereof.

VII. IMPOSITIONS, OTHER CHARGES, LIENS AND OTHER ITEMS

Section 7.1 Impositions and Other Charges . Subject to the third sentence of this Section 7.1 , Borrower shall pay, or shall cause Operating Lessee to pay all Impositions now or hereafter levied or assessed or imposed against the Property or any part thereof prior to the imposition of any interest, charges or expenses for the non-payment thereof and shall pay all Other Charges on or before the date they are due. Subject to Borrower's right of contest set forth in Section 7.3 , as set forth in the next two sentences and provided that there are sufficient funds available in the Tax Reserve Account, Lender, on behalf of Borrower, shall pay all Impositions and Other Charges which are attributable to or affect the Property or Borrower, prior to the date such Impositions or Other Charges shall become delinquent or late charges may be imposed thereon, directly to the applicable taxing authority with respect thereto. Lender shall, or Lender

shall direct the Cash Management Bank to, pay to the taxing authority such amounts to the extent funds in the Tax Reserve Account are sufficient to pay such Impositions. Nothing contained in this Agreement or the Security Instrument shall be construed to require Borrower to pay any tax, assessment, levy or charge imposed on Lender in the nature of a franchise, capital levy, estate, inheritance, succession, income or net revenue tax.

Section 7.2 No Liens . Subject to its right of contest set forth in Section 7.3 , Borrower shall at all times keep, or cause to be kept, the Property free from all Liens (other than Permitted Encumbrances) and shall pay when due and payable (or bond over) all claims and demands of mechanics, materialmen, laborers and others which, if unpaid, might result in or permit the creation of a Lien on the Property or any portion thereof and shall in any event cause the prompt, full and unconditional discharge of all Liens imposed on or against the Property or any portion thereof within forty-five (45) days after receiving written notice of the filing (whether from Lender, the lienor or any other Person) thereof. Borrower shall do or cause to be done, at the sole cost of Borrower, everything reasonably necessary to fully preserve the first priority of the Lien of the Security Instrument against the Property, subject to the Permitted Encumbrances. Upon the occurrence and during the continuance of an Event of Default with respect to its Obligations as set forth in this Article VII , Lender may (but shall not be obligated to) make such payment or discharge such Lien, and Borrower shall reimburse Lender within three (3) Business Days following demand for all such advances pursuant to Section 19.12 (together with interest thereon at the Default Rate).

Section 7.3 Contest . Nothing contained herein shall be deemed to require Borrower to pay, or cause to be paid, any Imposition or to satisfy any Lien, or to comply with any Legal Requirement or Insurance Requirement, so long as Borrower is in good faith, and by proper legal proceedings, where appropriate, diligently contesting the validity, amount or application thereof, provided that in each case, at the time of the commencement of any such action or proceeding, and during the pendency of such action or proceeding (i) no Event of Default shall exist and be continuing hereunder, (ii) Borrower shall keep Lender informed of the status of such contest at reasonable intervals, (iii) if neither Borrower nor Operating Lessee is providing security as provided in clause (vi) below, adequate reserves with respect thereto are maintained on Borrower's books in accordance with GAAP or in the Tax Reserve Account or Insurance Reserve Account, as applicable, (iv) either such contest operates to suspend collection or enforcement as the case may be, of the contested Imposition, Lien or Legal Requirement and such contest is maintained and prosecuted continuously and with diligence or the Imposition or Lien is bonded, (v) in the case of any Insurance Requirement, the failure of Borrower to comply therewith shall not impair the validity of any insurance required to be maintained by Borrower under Section 6.1 or the right to full payment of any claims thereunder, and (vi) in the case of Impositions and Liens which are not bonded in excess of $1,000,000 individually, or in the aggregate, during such contest, Borrower, shall deposit with or deliver to Lender either Cash and Cash Equivalents or a Letter or Letters of Credit in an amount equal to 125% of (A) the amount of Borrower's obligations being contested plus (B) any additional interest, charge, or penalty arising from such contest. Notwithstanding the foregoing, the creation of any such reserves or the furnishing of any bond or other security, Borrower promptly shall comply with any contested Legal Requirement or Insurance Requirement or shall pay any contested Imposition or Lien, and compliance therewith or payment thereof shall not be deferred, if, at any time the Property or any portion thereof shall be, in Lender's reasonable judgment, in imminent danger of being forfeited

or lost or Lender is likely to be subject to civil or criminal damages as a result thereof. If such action or proceeding is terminated or discontinued adversely to Borrower, Borrower shall deliver to Lender reasonable evidence of Borrower's compliance with such contested Imposition, Lien, Legal Requirements or Insurance Requirements, as the case may be.

VIII. TRANSFERS, INDEBTEDNESS AND SUBORDINATE LIENS

Section 8.1 Restrictions on Transfers and Indebtedness . (a) Except in connection with such action as is permitted by the subsequent provisions of this Article VIII , Borrower will not, without Lender's prior written consent and a Rating Agency Confirmation with respect to the transfer or other matter in question, (A), Transfer legal, Beneficial or direct or indirect equitable interests in all or any part of the Property, the Borrower or Operating Lessee, (B) permit or suffer any owner, directly or indirectly, of a legal, Beneficial or equitable interest in the Property, the Borrower or Operating Lessee to Transfer such interest, whether by transfer of stock or other legal, Beneficial or equitable interest in any entity or otherwise, (C) mortgage, hypothecate or otherwise encumber or grant a security interest in all or any part of the legal, Beneficial or equitable interests in all or any part of the Property, the Borrower or the Operating Lessee, or (D) file of record a declaration of condominium with respect to the Property. Notwithstanding any provision herein to the contrary, nothing contained herein shall be deemed to restrict or otherwise interfere with (i) the ability of the holders of direct or indirect legal, Beneficial or equitable interests in the Ultimate Equity Owner to Transfer such interests, whether in connection with an initial public offering of shares in Ultimate Equity Owner or otherwise or (ii) the ability of the holders of direct or indirect legal, Beneficial or equitable interests in the Borrower or Operating Lessee to pledge such interests to secure the Revolver Loan or the enforcement or foreclosure thereof pursuant to such pledge, provided, with respect to this subparagraph (ii) only, with respect to any pledge, (x) the Property will be directly owned by a Single Purpose Entity in compliance with the representations, warranties and covenants in Section 4.1.29 hereof, (y) an Acceptable Manager shall continue to act as Manager for the Property pursuant to the existing Management Agreement or an Acceptable Management Agreement and (z) such pledgee shall be one or more of the initial Lenders (as such term is defined in the Credit Agreement) or wholly owned (directly or indirectly) by such initial Lender(s).

(b) Borrower shall not incur, create or assume any Indebtedness without the consent of Lender; provided , however , Borrower may, without the consent of Lender, incur, create or assume Permitted Debt (other than the Revolver Loan) or allow or suffer such Permitted Debt to be incurred, created or assumed.

(c) Notwithstanding the foregoing, nothing herein shall prevent Borrower or any direct or indirect owner of any legal or Beneficial or equitable interest therein, to enter into a purchase and sale agreement or other similar arrangements to Transfer any interest in connection with any sale of the Property or other interest so long as a condition precedent to such Transfer is the payment, in full, of the Indebtedness.

Section 8.2 Sale of Building Equipment . Borrower may Transfer or dispose of Building Equipment which is being replaced or which is no longer necessary in connection with the operation of the Property free from the Lien of the Security Instrument provided that

such Transfer or disposal will not have a Material Adverse Effect on the value of the Property taken as a whole, will not materially impair the utility of the Property, and will not result in a reduction or abatement of, or right of offset against, the Rents payable under any Lease, in either case as a result thereof, and provided , further , that any new Building Equipment acquired by Borrower or Operating Lessee(and not so disposed of) shall be subject to the Lien of the Security Instrument. Lender shall, from time to time, upon receipt of an Officer's Certificate requesting the same and confirming satisfaction of the conditions set forth above, execute a written instrument in form reasonably satisfactory to Lender to confirm that such Building Equipment which is to be, or has been, sold or disposed of is free from the Lien of the Security Instrument.

Section 8.3 Immaterial Transfers and Easements, etc . Borrower and Operating Lessee may, without the consent of Lender, (i) make immaterial Transfers of portions of the Property to Governmental Authorities for dedication or public use (subject to the provisions of Section 6.2) or, portions of the Property to third parties for the purpose of erecting and operating additional structures whose use is integrated with the use of the Property, and (ii) grant easements, restrictions, covenants, reservations and rights of way in the ordinary course of business for access, water and sewer lines, telephone and telegraph lines, electric lines or other utilities or for other similar purposes, provided that no such Transfer, conveyance or encumbrance set forth in the foregoing clauses (i) and (ii) shall materially impair the utility and operation of the Property or have a Material Adverse Effect on the value of the Property taken as a whole. In connection with any Transfer permitted pursuant to this Section 8.3 , Lender shall execute and deliver any instrument reasonably necessary or appropriate, in the case of the Transfers referred to in clause (i) above, to release the portion of the Property affected by such Condemnation or such Transfer from the Lien of the Security Instrument or, in the case of clause (ii) above, to subordinate the Lien of the Security Instrument to such easements, restrictions, covenants, reservations and rights of way or other similar grants upon receipt by Lender of:

(a) thirty (30) days prior written notice thereof;

(b) a copy of the instrument or instruments of Transfer;

(c) an Officer's Certificate stating (x) with respect to any Transfer, the consideration, if any, being paid for the Transfer and (y) that such Transfer does not materially impair the utility and operation of the Property, materially reduce the value of the Property or have a Material Adverse Effect; and

(d) reimbursement of all of Lender's reasonable costs and expenses incurred in connection with such Transfer.

Section 8.4 Transfers of Interests in Borrower . In addition to any transfer permitted by any other provision of this Article VIII , each holder of any direct or indirect interest in the Borrower shall have the right to transfer (but not pledge, hypothecate or encumber) its equity interest in the Borrower to any Person who is not a Disqualified Transferee without Lender's consent or a Rating Agency Confirmation if Section 8.6 is complied with and, after giving effect to such transfer:

(a) (i) the Property will be directly owned by a Single Purpose Entity in compliance with the representations, warranties and covenants in Section 4.1.29 hereof (as if the Borrower shall have remade all of such representations, warranties and covenants as of, and after giving effect to, the transfer), and which shall have executed and delivered to Lender an assumption agreement in form and substance acceptable to Lender, evidencing the continuing agreement of the Borrower to abide and be bound by all the terms, covenants and conditions set forth in this Agreement, the Note, the Security Instrument and the other Loan Documents and all other outstanding obligations under the Loan, together with such legal opinions and title insurance endorsements as may be reasonably requested by Lender;

(b) an Acceptable Manager shall continue to act as Manager for the Property pursuant to the existing Management Agreement or an Acceptable Management Agreement;

(c) the Ultimate Equity Owner or a Close Affiliate of such entity owns directly or indirectly at least fifty-one percent (51%) of the equity interests in the Borrower and the Person that is the proposed transferee is not a Disqualified Transferee; provided that, after giving effect to any such transfer, in no event shall any Person other than Ultimate Equity Owner or a Close Affiliate of Ultimate Equity Owner exercise Management Control over the Borrower. (b) The Rate Cap Collateral is free and clear of all claims or security interests of every nature whatsoever, except such as are created pursuant to this Agreement and the other Loan Documents, and Borrower has the right to pledge and grant a security interest in the same as herein provided without the consent of any other Person other than any such consent that has been obtained and is in full force and effect.

(c) The Rate Cap Collateral has been duly and validly pledged hereunder. All consents and approvals required to be obtained by Borrower for the consummation of the transactions contemplated by this Agreement have been obtained.

(d) Giving effect to the aforesaid grant and assignment to Lender, Lender has, as of the date of this Agreement, and as to Rate Cap Collateral acquired from time to time after such date, shall have, a valid, and upon proper filing, perfected and continuing first priority lien upon and security interest in the Rate Cap Collateral; provided that no representation or warranty is made with respect to the perfected status of the security interest of Lender in the proceeds of Rate Cap Collateral consisting of "cash proceeds" or "non-cash proceeds" as defined in the UCC except if, and to the extent, the provisions of Section 9-306 of the UCC shall be complied with.

(e) Except for financing statements filed or to be filed in favor of Lender as secured party, there are no financing statements under the UCC covering any or all of the Rate Cap Collateral and Borrower shall not, without the prior written consent of Lender, until payment in full of all of the Obligations, execute and file in any public office, any enforceable financing statement or statements covering any or all of the Rate Cap Collateral, except financing statements filed or to be filed in favor of Lender as secured party.

Section 9.5 Payments . If Borrower at any time shall be entitled to receive any payments with respect to the Interest Rate Cap Agreement, such amounts shall, immediately upon becoming payable to Borrower, be deposited by Counterparty into the Holding Account.

Section 9.6 Remedies . Subject to the provisions of the Interest Rate Cap Agreement, if an Event of Default shall occur and then be continuing:

(a) Lender, without obligation to resort to any other security, right or remedy granted under any other agreement or instrument, shall have the right to, in addition to all rights, powers and remedies of a secured party pursuant to the UCC, at any time and from time to time, sell, resell, assign and deliver, in its sole discretion, any or all of the Rate Cap Collateral (in one or more parcels and at the same or different times) and all right, title and interest, claim and demand therein and right of redemption thereof, at public or private sale, for cash, upon credit or for future delivery, and in connection therewith Lender may grant options and may impose reasonable conditions such as requiring any purchaser to represent that any "securities" constituting any part of the Rate Cap Collateral are being purchased for investment only, Borrower hereby waiving and releasing any and all equity or right of redemption to the fullest extent permitted by the UCC or applicable law. If all or any of the Rate Cap Collateral is sold by Lender upon credit or for future delivery, Lender shall not be liable for the failure of the purchaser to purchase or pay for the same and, in the event of any such failure, Lender may resell such Rate Cap Collateral. It is expressly agreed that Lender may exercise its rights with respect to less than all of the Rate Cap Collateral, leaving unexercised its rights with respect to the remainder of the Rate Cap Collateral, provided , however , that such partial exercise shall in no way restrict or jeopardize Lender's right to exercise its rights with respect to all or any other portion of the Rate Cap Collateral at a later time or times.

(b) Lender may exercise, either by itself or by its nominee or designee, in the name of Borrower, all of Lender's rights, powers and remedies in respect of the Rate Cap Collateral, hereunder and under law.

(c) Borrower hereby irrevocably, in the name of Borrower or otherwise, authorizes and empowers Lender and assigns and transfers unto Lender, and constitutes and

appoints Lender its true and lawful attorney-in-fact, and as its agent, irrevocably, with full power of substitution for Borrower and in the name of Borrower, upon the occurrence and during the continuance of an Event of Default, (i) to exercise and enforce every right, power, remedy, authority, option and privilege of Borrower under the Interest Rate Cap Agreement, including any power to subordinate or modify the Interest Rate Cap Agreement (but not, unless an Event of Default exists and is continuing, the right to terminate or cancel the Interest Rate Cap Agreement), or to give any notices, or to take any action resulting in such subordination, termination, cancellation or modification and (ii) in order to more fully vest in Lender the rights and remedies provided for herein, to exercise all of the rights, remedies and powers granted to Lender in this Agreement, and Borrower further authorizes and empowers Lender, as Borrower's attorney-in-fact, and as its agent, irrevocably, with full power of substitution for Borrower and in the name of Borrower, upon the occurrence and during the continuance of an Event of Default, to give any authorization, to furnish any information, to make any demands, to execute any instruments and to take any and all other action on behalf of and in the name of Borrower which in the opinion of Lender may be necessary or appropriate to be given, furnished, made, exercised or taken under the Interest Rate Cap Agreement, in order to comply therewith, to perform the conditions thereof or to prevent or remedy any default by Borrower thereunder or to enforce any of the rights of Borrower thereunder. These powers-of-attorney are irrevocable and coupled with an interest, and any similar or dissimilar powers heretofore given by Borrower in respect of the Rate Cap Collateral to any other Person are hereby revoked.

(d) Upon the occurrence and during the continuance of an Event of Default, Lender may, without notice to, or assent by, Borrower or any other Person (to the extent permitted by law), but without affecting any of the Obligations, in the name of Borrower or in the name of Lender, notify the Counterparty, or if applicable, any other counterparty to the Interest Rate Cap Agreement, to make payment and performance directly to Lender; extend the time of payment and performance of, compromise or settle for cash, credit or otherwise, and upon any terms and conditions, any obligations owing to Borrower, or claims of Borrower, under the Interest Rate Cap Agreement; file any claims, commence, maintain or discontinue any actions, suits or other proceedings deemed by Lender necessary or advisable for the purpose of collecting upon or enforcing the Interest Rate Cap Agreement; and execute any instrument and do all other things deemed necessary and proper by Lender to protect and preserve and realize upon the Rate Cap Collateral and the other rights contemplated hereby.

(e) Pursuant to the powers-of-attorney provided for above, Lender may take any action and exercise and execute any instrument which it may deem necessary or advisable to accomplish the purposes hereof; provided , however , that Lender shall not be permitted to take any action pursuant to said power-of-attorney that would conflict with any limitation on Lender's rights with respect to the Rate Cap Collateral. Without limiting the generality of the foregoing, Lender, after the occurrence of an Event of Default, shall have the right and power to receive, endorse and collect all checks and other orders for the payment of money made payable to Borrower representing: (i) any payment of obligations owed pursuant to the Interest Rate Cap Agreement, (ii) interest accruing on any of the Rate Cap Collateral or (iii) any other payment or distribution payable in respect of the Rate Cap Collateral or any part thereof, and for and in the name, place and stead of Borrower, to execute endorsements, assignments or other instruments of conveyance or transfer in respect of any property which is or may become a part of the Rate Cap Collateral hereunder.

(f) Lender may exercise all of the rights and remedies of a secured party under the UCC.

(g) Without limiting any other provision of this Agreement or any of Borrower's rights hereunder, and without waiving or releasing Borrower from any obligation or default hereunder, Lender shall have the right, but not the obligation, to perform any act or take any appropriate action, as it, in its reasonable judgment, may deem necessary to protect the security of this Agreement, to cure such Event of Default or to cause any term, covenant, condition or obligation required under this Agreement or the Interest Rate Cap Agreement to be performed or observed by Borrower to be promptly performed or observed on behalf of Borrower. All amounts advanced by, or on behalf of, Lender in exercising its rights under this Section 9.7(g) (including, but not limited to, reasonable legal expenses and disbursements incurred in connection therewith), together with interest thereon at the Default Rate from the date of each such advance, shall be payable by Borrower to Lender upon demand and shall be secured by this Agreement.

Section 9.7 Sales of Rate Cap Collateral . No demand, advertisement or notice, all of which are, to the fullest extent permitted by law, hereby expressly waived by Borrower, shall be required in connection with any sale or other disposition of all or any part of the Rate Cap Collateral, except that Lender shall give Borrower at least thirty (30) Business Days' prior written notice of the time and place of any public sale or of the time when and the place where any private sale or other disposition is to be made, which notice Borrower hereby agrees is reasonable, all other demands, advertisements and notices being hereby waived. To the extent permitted by law, Lender shall not be obligated to make any sale of the Rate Cap Collateral if it shall determine not to do so, regardless of the fact that notice of sale may have been given, and Lender may without notice or publication adjourn any public or private sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. Upon each private sale of the Rate Cap Collateral of a type customarily sold in a recognized market and upon each public sale, unless prohibited by any applicable statute which cannot be waived, Lender (or its nominee or designee) may purchase any or all of the Rate Cap Collateral being sold, free and discharged from any trusts, claims, equity or right of redemption of Borrower, all of which are hereby waived and released to the extent permitted by law, and may make payment therefor by credit against any of the Obligations in lieu of cash or any other obligations. In the case of all sales of the Rate Cap Collateral, public or private, Borrower shall pay all reasonable costs and expenses of every kind for sale or delivery, including brokers' and attorneys' fees and disbursements and any tax imposed thereon. However, the proceeds of sale of Rate Cap Collateral shall be available to cover such costs and expenses, and, after deducting such costs and expenses from the proceeds of sale, Lender shall apply any residue to the payment of the Obligations in the order of priority as set forth in Section 11 of the Security Instrument.

Section 9.8 Public Sales Not Possible . Borrower acknowledges that the terms of the Interest Rate Cap Agreement may prohibit public sales, that the Rate Cap Collateral may not be of the type appropriately sold at public sales, and that such sales may be prohibited by law. In light of these considerations, Borrower agrees that private sales of the Rate Cap Collateral shall not be deemed to have been made in a commercially unreasonably manner by mere virtue of having been made privately.

Section 9.9 Receipt of Sale Proceeds . Upon any sale of the Rate Cap Collateral by Lender hereunder (whether by virtue of the power of sale herein granted, pursuant to judicial process or otherwise), the receipt by Lender or the officer making the sale or the proceeds of such sale shall be a sufficient discharge to the purchaser or purchasers of the Rate Cap Collateral so sold, and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to Lender or such officer or be answerable in any way for the misapplication or non-application thereof.

Section 9.10 Extension Interest Rate Cap Agreement . (a) The Alteration or Expansion shall be undertaken in accordance with the applicable provisions of this Agreement, the other Loan Documents, the Leases and all Legal Requirements.

(b) No Event of Default shall have occurred and be continuing or shall occur as a result of such action.

(c) A Material Alteration or Material Expansion, to the extent architects are customarily used for alterations or expansions of those types, but including any structural change to any of the Property or the Improvements, shall be conducted under the supervision of an Independent Architect and shall not be undertaken until ten (10) Business Days after there shall have been filed with Lender, for information purposes only and not for approval by Lender, detailed plans and specifications and cost estimates therefor, prepared and approved in writing by such Independent Architect. the Eligible Collateral to be furnished pursuant hereto need not exceed the aggregate cost of such Restoration and such Material Alteration or Material Expansion (in either case, as estimated by the Independent Architect) less the sum of the amount of any Proceeds which the Borrower is entitled to withdraw pursuant to Section 6.2 hereof and the Threshold Amount;

(ii) Prior to commencement of construction of such Material Alteration or Material Expansion, Borrower shall deliver to Lender a schedule (with the concurrence of the Independent Architect) setting forth the projected stages of completion of such Alteration or Expansion and the corresponding amounts expected to be due and payable by or on behalf of Borrower in connection with such completion, such schedule to be updated quarterly by Borrower (and with the concurrence of the Independent Architect) during the performance of such Alteration or Expansion.

From time to time as the Alteration or Expansion progresses, the amount of any Eligible Collateral so furnished may, upon the written request of Borrower to Lender, be withdrawn by Borrower and paid or otherwise applied by or returned to Borrower in an amount equal to the amount Borrower would be entitled to so withdraw if Section 6.2.4 were applicable, and any Eligible Collateral so furnished which is a Letter of Credit may be reduced by Borrower in an amount equal to the amount Borrower would be entitled to so reduce if Section 6.2.4 hereof were applicable, subject, in each case, to the satisfaction of the conditions precedent to withdrawal of funds or reduction of the Letter of Credit set forth in Section 6.2.4 hereof. In connection with the above-described quarterly update of the projected stages of completion of the Material Alteration or Material Expansion (as concurred with by an Independent Architect), Borrower shall increase (or be permitted to decrease, as applicable) the Eligible Collateral then deposited with Lender as necessary to comply with Section 10.2(h)(i) hereof.

(iv) At any time after Final Completion of such Material Alterations or Material Expansions, the whole balance of any Cash deposited with Lender pursuant to Section 10.2(h) hereof then remaining on deposit may be withdrawn by Borrower and shall be paid by Lender to Borrower, and any Eligible Collateral so deposited shall, to the extent it has not been called upon, reduced or theretofore released, be released by Lender to Borrower, within ten (10) days after receipt by Lender of an application for such withdrawal and/or release together with an Officer's Certificate, and as to the following clauses (A) and (B) of this clause also a certificate of the Independent Architect, setting forth in substance as follows:

(B) that to the knowledge of the certifying Person, (x) such Material Alteration(s) or Material Expansion(s) has been completed in compliance with all Legal Requirements, and (y) to the extent required for the legal use or occupancy of the portion of the

Property affected by such Alteration(s) or Expansion(s), the applicable Borrower has obtained a temporary or permanent certificate of occupancy (or similar certificate) or, if no such certificate is required, a statement to that effect;

(C) that to the knowledge of the certifying Person, all amounts that a Borrower is or may become liable to pay in respect of such Material Alteration(s) or Material Expansion(s) through the date of the certification have been paid in full or adequately provided for and, to the extent that such are customary and reasonably obtainable by prudent property owners in the area where the applicable Property is located, that Lien waivers have been obtained from the general contractor and subcontractors performing such Alteration(s) or Expansion(s) or at its sole cost and expense, Borrower shall cause a nationally recognized title insurance company to deliver to Lender an endorsement to the Title Policy, updating such policy and insuring over such Liens without further exceptions to such policy other than Permitted Encumbrances, or shall, at its sole cost and expense, cause a reputable title insurance company to deliver a lender's title insurance policy, in such form, in such amounts and with such endorsements as the Title Policy, which policy shall be dated the date of completion of the Material Alteration and shall contain no exceptions other than Permitted Encumbrances; provided , however , that if, for any reason, Borrower is unable to deliver the certification required by this clause (C) with respect to any costs or expenses relating to the Alteration (s) or Expansion(s), then, assuming Borrower is able to satisfy each of the other requirements set forth in clauses (A) and (B) above, Borrower shall be entitled to the release of the difference between the whole balance of such Eligible Collateral and the total of all costs and expenses to which Borrower is unable to certify; and

XII. ENVIRONMENTAL MATTERS

Section 12.1 Representations . Borrower hereby represents and warrants that except as set forth in the environmental reports and studies delivered to Lender (the **"Environmental Reports"**), (i) Borrower has not engaged in or knowingly permitted any operations or activities upon, or any use or occupancy of the Property, or any portion thereof, for the purpose of or in any way involving the handling, manufacture, treatment, storage, use, generation, release, discharge, refining, dumping or disposal of any Hazardous Materials on, under, in or about the Property, or transported any Hazardous Materials to, from or across the Property, except in all cases in material compliance with Environmental Laws and only in the course of legitimate business operations at the Property; (ii) to the Best of Borrower's Knowledge, no tenant, occupant or user of the Property, or any other Person, has engaged in or permitted any operations or activities upon, or any use or occupancy of the Property, or any portion thereof, for the purpose of or in any material way involving the handling, manufacture, treatment, storage, use, generation, release, discharge, refining, dumping or disposal of any Hazardous Materials on, in or about the Property, or transported any Hazardous Materials to, from or across the Property, except in all cases in material compliance with Environmental Laws and only in the course of legitimate business operations at the Property; (iii) to the Best of Borrower's Knowledge, no Hazardous Materials are presently constructed, deposited, stored, or otherwise located on, under, in or about the Property except in material compliance with Environmental Laws; (iv) to the Best of Borrower's Knowledge, no Hazardous Materials have migrated from the Property upon or beneath other properties which would reasonably be expected to result in material liability for Borrower; and (v) to the Best of Borrower's Knowledge, no Hazardous Materials have migrated or threaten to migrate from other properties upon, about or beneath the Property which would reasonably be expected to result in material liability for Borrower.

Section 12.2 Covenants . Compliance with Environmental Laws .

Subject to Borrower's right to contest under Section 7.3 , Borrower covenants and agrees with Lender that it shall comply with all Environmental Laws. If at any time during the continuance of the Lien of the Security Instrument, a Governmental Authority having jurisdiction over the Property requires remedial action to correct the presence of Hazardous Materials in, around, or under the Property (an**"Environmental Event** "), Borrower shall deliver prompt notice of the occurrence of such Environmental Event to Lender. Within thirty (30) days after Borrower has knowledge of the occurrence of an Environmental Event, Borrower shall deliver to Lender an Officer's Certificate (an**"Environmental Certificate"**) explaining the

Environmental Event in reasonable detail and setting forth the proposed remedial action, if any. Borrower shall promptly provide Lender with copies of all notices from any Governmental Authority which allege or identify any actual or potential violation or noncompliance received by or prepared by or for Borrower in connection with any Environmental Law. For purposes of this paragraph, the term "notice" shall mean any summons, citation, directive, order, claim, pleading, letter, application, filing, report, findings, declarations or other materials provided by any Governmental Entity pertinent to compliance of the Property and Borrower with such Environmental Laws.

Section 12.3 Environmental Reports . Upon the occurrence and during the continuance of an Environmental Event with respect to the Property or an Event of Default, Lender shall have the right to direct Borrower to obtain consultants reasonably approved by Lender to perform a comprehensive environmental audit of the Property. Such audit shall be conducted by an environmental consultant chosen by Lender and may include a visual survey, a record review, an area reconnaissance assessing the presence of hazardous or toxic waste or substances, PCBs or storage tanks at the Property, an asbestos survey of the Property, which may include random sampling of the Improvements and air quality testing, and such further site assessments as Lender may reasonably require due to the results obtained from the foregoing. Borrower grants Lender, its agents, consultants and contractors the right to enter the Property as reasonable or appropriate for the circumstances for the purposes of performing such studies and the reasonable cost of such studies shall be due and payable by Borrower to Lender upon demand and shall be secured by the Lien of the Security Instrument. Lender shall not unreasonably interfere with, and Lender shall direct the environmental consultant to use its commercially reasonable efforts not to hinder, Borrower's or any Tenant's, other occupant's or Manager's operations upon the Property when conducting such audit, sampling or inspections. By undertaking any of the measures identified in and pursuant to this Section 12.3 , Lender shall not be deemed to be exercising any control over the operations of Borrower or the handling of any environmental matter or hazardous wastes or substances of Borrower for purposes of incurring or being subject to liability therefor.

Section 12.4 Environmental Indemnification . Borrower shall protect, indemnify, save, defend, and hold harmless the Indemnified Parties from and against any and all liability, loss, damage, actions, causes of action, costs or expenses whatsoever (including reasonable attorneys' fees and expenses) and any and all claims, suits and judgments which any Indemnified Party may suffer, as a result of or with respect to: (a) any Environmental Claim relating to or arising from the Property; (b) the violation of any Environmental Law in connection with the Property; (c) any release, spill, or the presence of any Hazardous Materials affecting the Property; and (d) the presence at, in, on or under, or the release, escape, seepage, leakage, discharge or migration at or from, the Property of any Hazardous Materials, whether or not such condition was known or unknown to Borrower; provided that, in each case, Borrower shall be relieved of its obligation under this subsection if any of the matters referred to in clauses (a) through (d) above did not occur (but need not have been discovered) prior to (1) the foreclosure of the Security Instrument, (2) the delivery by Borrower to Lender or its designee of a deed-in-lieu of foreclosure with respect to the Property, or (3) Lender's or its designee's taking possession and control of the Property after the occurrence of an Event of Default hereunder. If any such action or other proceeding shall be brought against Lender, upon written notice from Borrower to Lender (given reasonably promptly following Lender's notice to Borrower of such

action or proceeding), Borrower shall be entitled to assume the defense thereof, at Borrower's expense, with counsel reasonably acceptable to Lender; provided , however , Lender may, at its own expense, retain separate counsel to participate in such defense, but such participation shall not be deemed to give Lender a right to control such defense, which right Borrower expressly retains. Notwithstanding the foregoing, each Indemnified Party shall have the right to employ separate counsel at Borrower's expense if, in the reasonable opinion of legal counsel, a conflict or potential conflict exists between the Indemnified Party and Borrower that would make such separate representation advisable. Borrower shall have no obligation to indemnify an Indemnified Party for damage or loss resulting from such Indemnified Party's gross negligence or willful misconduct.

Section 12.5 Recourse Nature of Certain Indemnifications . Notwithstanding anything to the contrary provided in this Agreement or in any other Loan Document, the indemnification provided in Section 12.4 shall be fully recourse to Borrower (but not its constituent parties) and shall be independent of, and shall survive, the discharge of the Indebtedness, the release of the Lien created by the Security Instrument, and/or the conveyance of title to the Property to Lender or any purchaser or designee in connection with a foreclosure of the Security Instrument or conveyance in lieu of foreclosure.

XIV. SECURITIZATION AND PARTICIPATION

Section 14.1 Sale of Note and Securitization . At the request of Lender and, to the extent not already required to be provided by Borrower under this Agreement, Borrower shall use reasonable efforts to satisfy the market standards which may be reasonably required in the marketplace or by the Rating Agencies in connection with the sale of the Note or participation therein as part of the first successful securitization (such sale and/or securitization, the **" Securitization"**) of rated single or multi-class securities (the " **Securities**") secured by or evidencing ownership interests in the Note and this Agreement, including using reasonable efforts to do (or cause to be done) the following (but Borrower shall not in any event be required to incur, suffer or accept (except to a de minimis extent)) (i) any lesser rights or greater obligations or liability than as currently set forth in the Loan Documents and (ii) except as set forth in this Article XIV and other than payment by Borrower of any legal fees of Borrower and Guarantor, any expense or any liability:

14.1.1 Provided Information . (i) Provide, at the sole expense of the holder of the Note (other than legal fees of counsel to the Borrower and Guarantor), such non-confidential financial and other information (but not projections) with respect to the Property and Borrower and Manager to the extent such information is reasonably available to Borrower or Manager, (ii) provide, at the sole expense of the holder of the Note (other than legal fees of counsel to the Borrower and Guarantor), business plans (but not projections) and budgets relating to the Property, to the extent prepared by the Borrower or Manager and (iii) cooperate with the holder of the Note (and its representatives) in obtaining, at the sole expense of the holder of the Note (other than legal fees of counsel to the Borrower and Guarantor), such site inspection, appraisals, market studies, environmental reviews and reports, engineering reports and other due diligence investigations of the Property, as may be reasonably requested by the

holder of the Note or reasonably requested by the Rating Agencies (all information provided pursuant to this Section 14.1 together with all other information heretofore provided to Lender in connection with the Loan, as such may be updated, at Borrower's request, in connection with a Securitization, or hereafter provided to Lender in connection with the Loan or a Securitization, being herein collectively called the "Provided Information");

14.1.2 Opinions of Counsel . Use reasonable efforts to cause to be rendered such customary updates or customary modifications to the Opinions of Counsel delivered at the closing of the Loan as may be reasonably requested by the holder of the Note or the Rating Agencies in connection with the Securitization. Borrower's failure to use reasonable efforts to deliver or cause to be delivered the opinion updates or modifications required hereby within twenty (20) Business Days after written request therefor shall constitute an **"Event of Default"** hereunder. To the extent any of the foregoing Opinions of Counsel were required to be delivered in connection with the closing of the Loan, any update thereof shall be at the expense of Lender and without cost to Borrower. Any such Opinions of Counsel that Borrower is reasonably required to cause to be delivered in connection with a Securitization (which the parties agree shall consist of a "Review Letter" and bring downs of the Opinions of Counsel delivered as of the date hereof which Borrower acknowledges will be required to be delivered by Borrower's counsel in connection with a Securitization taking into account the due diligence Borrower's counsel deems reasonably necessary to deliver such "Review Letter"). Borrower shall not be required to pay the cost of any reliance letters or new opinions to permit successor holders of the Loan or any interest therein to rely on the opinions delivered at Closing in connection with Securitization or assignments of the Loan.

14.1.3 Modifications to Loan Documents . Without cost to the Borrower (other than legal fees of counsel to the Borrower and Guarantor), execute such amendments to the organizational documents of Borrower, Security Instrument and Loan Documents as may be reasonably requested by Lender or the Rating Agencies in order to achieve the required rating or to effect the Securitization (including, without limitation, modifying the Payment Date, as defined in the Note, to a date other than as originally set forth in the Note), provided , that nothing contained in this Section 14.1.3 shall result in any economic or other adverse change in the transaction contemplated by the Security Instrument or the Loan Documents (unless Borrower is made whole by the holder of Note) or result in any operational changes that are burdensome to the Property, Operating Lessee, Manager or Borrower.

Section 14.2 Cooperation with Rating Agencies . Borrower shall, at Lender's expense (other than legal fees of counsel to the Borrower and Guarantor), (i) at Lender's request, meet with representatives of the Rating Agencies at reasonable times to discuss the business and operations of the Property, and (ii) cooperate with the reasonable requests of the Rating Agencies in connection with the Property. Until the Obligations are paid in full, Borrower shall provide the Rating Agencies with all financial reports required hereunder and such other information as they shall reasonably request, including copies of any default notices or other material notices delivered to and received from Lender hereunder, to enable them to continuously monitor the creditworthiness of Borrower and to permit an annual surveillance of the implied credit rating of the Securities.

Section 14.3 Securitization Financial Statements . Borrower acknowledges that all such financial information delivered by Borrower to Lender pursuant to Article XI may, at Lender's option, be delivered to the Rating Agencies.

Section 14.4 Securitization Indemnification .

14.4.1 Disclosure Documents . Borrower understands that certain of the Provided Information may be included in disclosure documents in connection with the Securitization, including a prospectus or private placement memorandum or a public registration statement (each, a**"Disclosure Document"**) and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the**"Securities Act "**) or the Securities and Exchange Act of 1934, as amended (the**" Exchange Act**"), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. (a) certifying that Borrower has carefully examined those portions of such memorandum or prospectus, as applicable, reasonably designated in writing by Lender for Borrower's review pertaining to Borrower, the Property, the Loan and/or the Provided Information and insofar as such sections or portions thereof specifically pertain to Borrower, the Property, the Provided Information or the Loan (such portions, the **"Relevant Portions"**), the Relevant Portions do not (except to the extent specified by Borrower if Borrower does not agree with the statements therein), as of the date of such certificate, to the Best of Borrower's Knowledge, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading.

(b) indemnifying Lender and the Affiliates of JPMorgan Chase Bank N.A. (collectively,**"JPM"**) that have prepared the Disclosure Document relating to the Securitization, each of its directors, each of its officers who have signed the Disclosure Document and each person or entity who controls JPM within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the**"JPM Group** "), and JPM, together with the JPM Group, each of their respective directors and each person who controls JPM or the JPM Group, within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act (collectively, the**"Underwriter Group**") for any actual, out-of-pocket losses, third party claims, damages (excluding lost profits, diminution in value and other consequential damages) or liabilities arising out of third party claims (the**"Liabilities"**) to which any member of the Underwriter Group may become subject to the extent such Liabilities arise out of or are based

upon any untrue statement of any material fact contained in the Relevant Portions and in the Provided Information or arise out of or are based upon the omission by Borrower to state therein a material fact required to be stated in the Relevant Portions in order to make the statements in the Relevant Portions in light of the circumstances under which they were made, not misleading (except that (x) Borrower's obligation to indemnify in respect of any information contained in a preliminary or final registration statement, private placement memorandum or preliminary or final prospectus shall be limited to any untrue statement or omission of material fact therein known to Borrower to the extent in breach of Borrower's certification made pursuant to clause (a) above and (y) Borrower shall have no responsibility for the failure of any member of the Underwriting Group to accurately transcribe written information supplied by Borrower or to include such portions of the Provided Information).

(c) Borrower's liability under clauses (a) and (b) above shall be limited to Liabilities arising out of or based upon any such untrue statement or omission made in a Disclosure Document in reliance upon and in conformity with information furnished to Lender by, or furnished at the direction and on behalf of, Borrower in connection with the preparation of those portions of the registration statement, memorandum or prospectus pertaining to Borrower, the Property or the Loan, including financial statements of Borrower and operating statements with respect to the Property. This indemnity agreement will be in addition to any liability which Borrower may otherwise have.

(d) Promptly after receipt by an indemnified party under this Article XIV of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Article XIV , notify the indemnifying party in writing of the commencement thereof, but the omission to so notify the indemnifying party will not relieve the indemnifying party from any liability which the indemnifying party may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the indemnifying party. In the event that any action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party. After notice from the indemnifying party to such indemnified party under this Article XIV of its assumption of such defense, the indemnifying party shall not be liable for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof; provided , however , if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there are any legal defenses available to it and/or other indemnified parties that are different from or in conflict with those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties at the expense of the indemnifying party. The indemnifying party shall not be liable for the expenses of separate counsel unless an indemnified party shall have reasonably concluded that there may be legal defenses available to it that are different from or in conflict with those available to another indemnified party.

(e) In order to provide for just and equitable contribution in circumstances in which the indemnity provided for in this Article XIV is for any reason held to be unenforceable by an indemnified party in respect of any actual, out-of-pocket losses, claims, damages or liabilities relating to third party claims (or action in respect thereof) referred to therein which would otherwise be indemnifiable under this Article XIV , the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such actual, out of pocket losses, third party claims, damages or liabilities (or action in respect thereof) (but excluding damages for lost profits, diminution in value of the Property and consequential damages); provided , however , that no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution for Liabilities arising therefrom from any person who was not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the JPM Group's and Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; (iii) the limited responsibilities and obligations of Borrower as specified herein; and (iv) any other equitable considerations appropriate in the circumstances.

Section 14.5 Retention of Servicer . Lender reserves the right to retain the Servicer. Lender has advised Borrower that the Servicer initially retained by Lender shall be Wachovia Securities and Borrower shall pay any reasonable servicing fees, special servicing fees, trustee fees and any administrative fees and expenses of the Servicer, including, without limitation, reasonable attorney and other third-party fees and disbursements in connection with a prepayment, release of the Property, assumption or modification of the Loan or enforcement of the Loan Documents. Borrower shall also pay the ongoing standard monthly servicing fee.

XV. ASSIGNMENTS AND PARTICIPATIONS

Section 15.1 Assignment and Acceptance . At no incremental cost or liability to Borrower, Lender may assign to one or more Persons all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including, without limitation, all or a portion of the Note); provided that the parties to each such assignment shall execute and deliver to Lender, for its acceptance and recording in the Register (as hereinafter defined), an Assignment and Acceptance. In addition, at no incremental cost to Borrower, Lender may participate to one or more Persons all or any portion of its rights and obligations under this Agreement and the other Loan Documents (including without limitation, all or a portion of the Note) utilizing such documentation to evidence such participation and the parties' respective rights thereunder as Lender, in its sole discretion, shall elect.

Section 15.2 Effect of Assignment and Acceptance . Upon such execution, delivery, acceptance and recording, from and after the effective date specified in such Assignment and Acceptance, (i) the assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, have the rights and obligations of Lender, as the case may be, hereunder and such assignee shall be deemed to have assumed such rights and obligations, and (ii) Lender shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such

Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement and the other Loan Documents (and, in the case of an Assignment and Acceptance covering all or the remaining portion of Lender's rights and obligations under this Agreement and the other Loan Documents, Lender shall cease to be a party hereto) accruing from and after the effective date of the Assignment and Acceptance, except with respect to (A) any payments made by Borrower to Lender pursuant to the terms of the Loan Documents after the effective date of the Assignment and Acceptance and (B) any letter of credit, cash deposit or other deposits or security (other than the Lien of the Security Instrument and the other Loan Documents) delivered to or for the benefit of or deposited with JPMorgan Chase Bank N.A., as Lender, for which JPMorgan Chase Bank N.A. shall remain responsible for the proper disposition thereof until such items are delivered to a party who is qualified as an Approved Bank and agrees to hold the same in accordance with the terms and provisions of the agreement pursuant to which such items were deposited.

Section 15.3 Content . By executing and delivering an Assignment and Acceptance, Lender and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any other Loan Documents or the execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, this Agreement or any other Loan Documents or any other instrument or document furnished pursuant hereto or thereto; (ii) Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of Borrower or the performance or observance by Borrower of any of its obligations under any Loan Documents or any other instrument or document furnished pursuant thereto; (iii) such assignee confirms that it has received a copy of this Agreement, together with copies of such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement and the other Loan Documents; (v) such assignee appoints and authorizes Lender to take such action as agent on its behalf and to exercise such powers and discretion under the Loan Documents as are delegated to Lender by the terms hereof together with such powers and discretion as are reasonably incidental thereto; and (vi) such assignee agrees that it will perform, in accordance with their terms, all of the obligations which by the terms of this Agreement and the other Loan Documents are required to be performed by Lender.

Section 15.4 Register . Borrower shall maintain a copy of each Assignment and Acceptance delivered to and accepted by it and a register for the recordation of the names and addresses of Lender and each assignee pursuant to this Article XV and the Principal Amount of the Loan owing to each such assignee from time to time (the **"Register"**). The entries in the Register shall, with respect to such assignees, be conclusive and binding for all purposes, absent manifest error. The Register shall be available for inspection by Lender or any assignee pursuant to this Article XV at any reasonable time and from time to time upon reasonable prior written notice.

Section 15.5 Substitute Notes . Upon its receipt of an Assignment and Acceptance executed by an assignee, together with any Note or Notes subject to such assignment, Lender shall, if such Assignment and Acceptance has been completed and is in substantially the form of **Exhibit J** hereto, (i) accept such Assignment and Acceptance, (ii) record the information contained therein in the Register, and (iii) give prompt written notice thereof to Borrower. Within five (5) Business Days after its receipt of such notice, Borrower, at Lender's own expense, shall execute and deliver to Lender in exchange and substitution for the surrendered Note or Notes a new Note to the order of such assignee in an amount equal to the portion of the Loan assigned to it and a new Note to the order of Lender in an amount equal to the portion of the Loan retained by it hereunder. Such new Note or Notes shall be in an aggregate Principal Amount equal to the aggregate then outstanding principal amount of such surrendered Note or Notes, shall be dated the effective date of such Assignment and Acceptance and shall otherwise be in substantially the form of the Note (modified, however, to the extent necessary so as not to impose duplicative or increased obligations on Borrower and to delete obligations previously satisfied by Borrower). Notwithstanding the provisions of this Article XV , Borrower and Operating Lessee shall not be responsible or liable for any additional taxes, reserves, adjustments or other costs and expenses that are related to, or arise as a result of, any transfer of the Loan or any interest or participation therein that arise solely and exclusively from the transfer of the Loan or any interest or participation therein or from the execution of the new Note contemplated by this Section 15.5 , including, without limitation, any mortgage tax. Lender and/or the assignees, as the case may be, shall from time to time designate one agent through which Borrower shall request all approvals and consents required or contemplated by this Agreement and on whose statements Borrower, Operating Lessee and Guarantor may rely.

Section 15.6 Participations . Each assignee pursuant to this Article XV may sell participations to one or more Persons (other than Borrower or any of its Affiliates) in or to all or a portion of its rights and obligations under this Agreement and the other Loan Documents (including, without limitation, all or a portion of the Note held by it); provided, however, that (i) such assignee's obligations under this Agreement and the other Loan Documents shall remain unchanged, (ii) such assignee shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) such assignee shall remain the holder of any such Note for all purposes of this Agreement and the other Loan Documents, and (iv) Borrower, Lender and the assignees pursuant to this Article XV shall continue to deal solely and directly with such assignee in connection with such assignee's rights and obligations under this Agreement and the other Loan Documents. In the event that more than one (1) party comprises Lender, Lender shall designate one party to act on the behalf of all parties comprising Lender in providing approvals and all other necessary consents under the Loan Documents and on whose statements Borrower, Operating Lessee and Guarantor may rely.

Section 15.7 Disclosure of Information . Any assignee pursuant to this Article XV may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Article XV , disclose to the assignee or participant or proposed assignee or participant, any information relating to Borrower furnished to such assignee by or on behalf of Borrower; provided , however , that, prior to any such disclosure, the assignee or participant or proposed assignee or participant shall agree in writing for the benefit of Borrower to preserve the confidentiality of any confidential information received by it.

Section 15.8 Security Interest in Favor of Federal Reserve Bank . Notwithstanding any other provision set forth in this Agreement or any other Loan Document, any assignee pursuant to this Article XV may at any time create a security interest in all or any portion of its rights under this Agreement or the other Loan Documents (including, without limitation, the amounts owing to it and the Note or Notes held by it) in favor of any Federal Reserve Bank in accordance with Regulation A of the Board of Governors of the Federal Reserve System.

XVI. RESERVE ACCOUNTS

Section 16.1 Tax Reserve Account . In accordance with the time periods set forth in Section 3.1 , if an Event of Default shall have occurred and be continuing, if required under Section 3.1 , Borrower shall deposit into the Tax Reserve Account an amount equal to (a) one-twelfth of the annual Impositions that Lender reasonably estimates, based on the most recent tax bill for the Property, will be payable during the next ensuing twelve (12) months in order to accumulate with Lender sufficient funds to pay all such Impositions at least twenty (20) days prior to the imposition of any interest, charges or expenses for the non-payment thereof and (b) one-twelfth of the annual Other Charges that Lender reasonably estimates will be payable during the next ensuing twelve (12) months (said monthly amounts in (a) and (b) above hereinafter called the " **Monthly Tax Reserve Amount**", and the aggregate amount of funds held in the Tax Reserve Account being the**"Tax Reserve Amount**"). As of the Closing Date, the Monthly Tax Reserve Amount is $0.00, but such amount is subject to adjustment by Lender in accordance with the provisions of Section 3.1 and this Section 16.1 . The Monthly Tax Reserve Amount shall be paid by Borrower to Lender on each Payment Date during the continuance of an Event of Default to the extent required to be paid hereunder. Lender will apply the Monthly Tax Reserve Amount to payments of Impositions and Other Charges required to be made by Borrower pursuant to Article V and Article VII and under the Security Instrument, subject to Borrower's right to contest Impositions in accordance with Section 7.3 . In making any payment relating to the Tax Reserve Account, Lender may do so according to any bill, statement or estimate procured from the appropriate public office, without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of funds in the Tax Reserve Account shall exceed the amounts due for Impositions and Other Charges pursuant to Article V and Article VII , Lender shall credit such excess against future payments to be made to the Tax Reserve Account. If at any time Lender reasonably determines that the Tax Reserve Amount is not or will not be sufficient to pay Impositions and Other Charges by the dates set forth above, Lender shall notify Borrower of such determination and Borrower shall increase its monthly payments to Lender by the amount that Lender reasonably estimates is sufficient to make up the deficiency at least thirty (30) days prior to the imposition of any interest, charges or expenses for the non-payment of the Impositions and Other Charges. Upon payment of the Impositions and Other Charges, Lender shall reassess the amount necessary to be deposited in the Tax Reserve Account for the succeeding period, which calculation shall take into account any excess amounts remaining in the Tax Reserve Account.

Section 16.2 Insurance Reserve Account . If an Event of Default shall have occurred and be continuing and if required as provided in Section 3.1 hereof, Borrower will immediately pay to Lender for transfer by Lender to the Holding Account (or if Borrower fails to

so pay Lender, Lender will transfer from the Holding Account) an amount (the**"Insurance Reserve Amount "**) equal to payments of insurance premiums required to be made by Borrower to pay (or to reimburse Borrower or Operating Lessee for) the insurance required pursuant to Article VI and under the Security Instrument in accordance with the time periods set forth in Section 3.1 , an amount equal to one-twelfth of the insurance premiums that Lender reasonably estimates based on the most recent bill, will be payable for the renewal of the coverage afforded by the insurance policies upon the expiration thereof in order to accumulate with Lender sufficient funds to pay all such insurance premiums at least twenty (20) days prior to the expiration of the policies required to be maintained by Borrower pursuant to the terms hereof (said monthly amounts hereinafter called the "**Monthly Insurance Reserve Amount**"); provided, however, that immediately following an Insurance Reserve Trigger, Borrower will pay to Lender for transfer by Lender to the Insurance Reserve Account (or if Borrower fails to so pay Lender, Lender will transfer from the Holding Account) an amount equal to payments of insurance premiums required to be made by Borrower to pay (or to reimburse Borrower or Operating Lessee) for the insurance required pursuant to Article VI and under the Security Instrument. As of the Closing Date, the Monthly Insurance Reserve Amount is $0.00. The Monthly Insurance Reserve Amount, if same is payable pursuant to Section 3.1 and this Section 16.2 , shall be paid by Borrower to Lender on each Payment Date. Lender will apply the Monthly Insurance Reserve Amount to payments of insurance premiums required to be made by Borrower to pay for the insurance required pursuant to Article VI and under the Security Instrument. In making any payment relating to the Insurance Reserve Account, Lender may do so according to any bill, statement or estimate procured from the insurer or agent, without inquiry into the accuracy of such bill, statement or estimate or into the validity thereof. If at any time Lender reasonably determines that the Insurance Reserve Amount is not or will not be sufficient to pay insurance premiums (up to a maximum amount equal to the aggregate annual insurance premium required hereunder), Lender shall notify Borrower of such determination and Borrower shall increase the Insurance Reserve Amount by the amount that Lender reasonably estimates is sufficient to make up the deficiency at least thirty (30) days prior to expiration of the applicable insurance policies. Upon payment of such insurance premiums, Lender shall reassess the amount necessary to be deposited in the Insurance Reserve Account for the succeeding period, which calculation shall take into account any excess amounts remaining in the Insurance Reserve Account.

Section 16.3 Intentionally Deleted .

Section 16.4 FF&E Reserve Account . In accordance with Section 3.1 , and during any period when Manager is not reserving for FF&E pursuant to the terms of the Management Agreement, upon the request of Borrower, Lender will, within fifteen (15) Business Days (or such shorter time as may be appropriate in Lender's reasonable discretion during emergency situations identified to Lender by Borrower in writing) after the receipt of such request and the satisfaction of the other conditions set forth in this Section, cause disbursements to Operating Lessee from the FF&E Reserve Account to pay or to reimburse Operating Lessee or Manager for actual costs incurred in connection with capital expenditures relating to FF&E at the Property (to the extent such expenditures are permitted hereunder), provided that (A) Lender has received invoices evidencing that the costs for which such disbursements are requested are due and payable and are in respect of capital expenditures relating to FF&E at the property, (B) Operating Lessee has applied any amounts previously received by it in accordance with this

Section for the expenses to which specific draws made hereunder relate and received any Lien waivers or other releases which would customarily be obtained with respect to the work in question and (C) Lender has received an Officer's Certificate confirming that the conditions in the foregoing clauses (A) and (B) have been satisfied and that the copies of invoices and evidence of Lien waivers (to the extent required above) attached to such Officer's Certificate are true, complete and correct.

Section 16.5 Letter of Credit Provisions .

16.5.1 Delivery of Letter of Credit . In lieu of maintaining on deposit all or any portion of the funds in the FF&E Reserve Account with Lender pursuant to Section 16.4 , Borrower shall have the right to deliver a Letter of Credit in the amount of all or any portion of the amounts on deposit with Lender from time to time under Sections 16.4 .

16.5.2 Reduction of Letter of Credit . In the event that Borrower elects to deliver the Letter of Credit to Lender under the terms of Section 16.4.1 , Lender agrees to permit the reduction from time to time of the outstanding amount of the Letter of Credit by (i) the amount of cash funds delivered to Lender as reserve funds by Borrower in place of such Letter of Credit, and (ii) the amount that Borrower would otherwise be entitled to receive as a disbursement from the applicable reserve account pursuant to Section 16.4 .

16.5.3 Security for Debt . Each Letter of Credit delivered under this Agreement shall be additional security for the payment of the Indebtedness. Upon the occurrence and during the continuance of an Event of Default, Lender shall have the right, at its option, to draw on any Letter of Credit and to apply all or any part thereof to the payment of the items for which such Letter of Credit was established or to apply each such Letter of Credit to payment of the Indebtedness in such order, proportion or priority as Lender may determine.

16.5.4 Additional Rights of Lender . In addition to any other right Lender may have to draw upon a Letter of Credit pursuant to the terms and conditions of this Agreement, Lender shall have the additional rights to draw in full any Letter of Credit: (a) if Lender has received a notice from the issuing bank that the Letter of Credit will not be renewed and a substitute Letter of Credit is not provided at least thirty (30) days prior to the date on which the outstanding Letter of Credit is scheduled to expire; (b) upon receipt of notice from the issuing bank that the Letter of Credit will be terminated (except if a substitute Letter of Credit is provided); or (c) if Lender has received notice that the bank issuing the Letter of Credit shall cease to be an Approved Bank (unless an alternative Approved Bank issues an equivalent Letter of Credit within fifteen (15) days of Borrower's receipt of notice of same). Notwithstanding anything to the contrary contained in the above, Lender is not obligated to draw any Letter of Credit upon the happening of an event specified in (a), (b) or (c) above and shall not be liable for any losses sustained by Borrower due to the insolvency of the bank issuing the Letter of Credit if Lender has not drawn the Letter of Credit.

Any payment hereunder may be enforced and recovered in whole or in part at such time by one or more of the remedies provided to Lender in the Loan Documents.

Section 17.2 Remedies . (a) Unless waived in writing by Lender, upon the occurrence and during the continuance of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Indebtedness shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to the Property. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents. Without limiting the generality of the foregoing, Borrower agrees that if an Event of Default is continuing (i) Lender shall not be subject to any one action or election of remedies law or rule and (ii) all liens and other rights, remedies or privileges provided to Lender shall remain in full force and effect until Lender has exhausted all of its remedies against the Property and the Security Instrument has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Indebtedness or the Indebtedness has been paid in full.

(b) Upon the occurrence and during the continuance of an Event of Default, with respect to the Account Collateral, the Lender may:

(iii) subject to the terms of the Subordination of Operating Lease and/or Manager Subordination Agreements, demand, collect, take possession of or receipt for, settle, compromise, adjust, sue for, foreclose or realize upon the Account Collateral (or any portion thereof) as Lender may determine in its sole discretion; and

(iv) take all other actions provided in, or contemplated by, this Agreement.

(c) With respect to Borrower, the Account Collateral, the Rate Cap Collateral and the Property, nothing contained herein or in any other Loan Document shall be construed as requiring Lender to resort to the Property for the satisfaction of any of the Indebtedness, and Lender may seek satisfaction out of the Property or any part thereof, in its absolute discretion in respect of the Indebtedness. In addition, Lender shall have the right from time to time to partially foreclose this Agreement and the Security Instrument in any manner and for any amounts secured by this Agreement or the Security Instrument then due and payable as determined by Lender in its sole discretion including, without limitation, the following circumstances: (i) in the event Borrower defaults beyond any applicable grace period in the payment of one or more scheduled payments of principal or interest, Lender may foreclose this Agreement and the Security Instrument to recover such delinquent payments, or (ii) in the event Lender elects to accelerate less than the entire outstanding principal balance of the Loan, Lender may foreclose this Agreement and the Security Instrument to recover so much of the principal balance of the Loan as Lender may accelerate and such other sums secured by this Agreement or the Security Instrument as Lender may elect. Notwithstanding one or more partial foreclosures, the Property shall remain subject to this Agreement and the Security Instrument to secure payment of sums secured by this Agreement and the Security Instrument and not previously recovered.

Section 17.3 Remedies Cumulative; Waivers . The rights, powers and remedies of Lender under this Agreement and the Security Instrument shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower or Guarantor shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or Guarantor or to impair any remedy, right or power consequent thereon.

Section 17.4 Costs of Collection . In the event that after an Event of Default: (i) the Note or any of the Loan Documents is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding; (ii) an attorney is retained to represent Lender in any bankruptcy, reorganization, receivership, or other proceedings affecting creditors' rights and involving a claim under the Note or any of the Loan Documents; or (iii) an attorney is retained to protect or enforce the lien or any of the terms of this Agreement, the Security Instrument or any of the Loan Documents; then Borrower shall pay to Lender all reasonable attorney's fees, costs and expenses actually incurred in connection therewith, including costs of appeal, together with interest on any judgment obtained by Lender at the Default Rate.

Section 19.8 Headings . The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 19.9 Severability . Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

Section 19.10 Preferences . To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

Section 19.11 Waiver of Notice . Borrower shall not be entitled to any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. Borrower hereby expressly waives the right to receive any notice from Lender with respect to any matter for which this Agreement or the other Loan Documents do not specifically and expressly provide for the giving of notice by Lender to Borrower.

Section 19.12 Expenses; Indemnity . (a) Except as may be otherwise expressly set forth in the Loan Documents, Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender upon receipt of written notice from Lender for all reasonable costs and expenses (including reasonable attorneys' fees and disbursements) incurred by Lender in

connection with (i) the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower (including without limitation any opinions requested by Lender pursuant to this Agreement); (ii) Lender's ongoing performance of and compliance with all agreements and conditions contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date; (iii) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan Documents and any other documents or matters as required herein or under the other Loan Documents; (iv) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement; (v) the filing and recording fees and expenses, mortgage recording taxes, title insurance and reasonable fees and expenses of counsel for providing to Lender all required legal opinions, and other similar expenses incurred in creating and perfecting the Lien in favor of Lender pursuant to this Agreement and the other Loan Documents; (vi) enforcing or preserving any rights, in response to third party claims or the prosecuting or defending of any action or proceeding or other litigation, in each case against, under or affecting Borrower, this Agreement, the other Loan Documents, the Property, or any other security given for the Loan; (vii) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other Loan Documents or with respect to the Property or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a work-out or of any insolvency or bankruptcy proceedings and (viii) procuring insurance policies pursuant to Section 6.1.11 ; provided , however , that Borrower shall not be liable for the payment of any such costs and expenses to the extent the same arise (A) by reason of the gross negligence, illegal acts, fraud or willful misconduct of Lender or (B) in connection with any action taken under Article IV or a Securitization, other than the Borrower's internal administrative costs. Any cost and expenses due and payable to Lender may be paid from any amounts in the Collection or the Holding Account if same are not paid by Borrower within ten (10) Business Days after receipt of written notice from Lender.

(b) Subject to the non-recourse provisions of Section 18.1 , Borrower shall protect, indemnify and save harmless Lender, and all officers, directors, stockholders, members, partners, employees, agents, successors and assigns thereof (collectively, the Indemnified Parties) from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses (including all reasonable attorneys' fees and expenses actually incurred) imposed upon or incurred by or asserted against the Indemnified Parties or the Property or any part of its interest therein, by reason of the occurrence or existence of any of the following (to the extent Proceeds payable on account of the following shall be inadequate; it being understood that in no event will the Indemnified Parties be required to actually pay or incur any costs or expenses as a condition to the effectiveness of the foregoing indemnity) prior to (i) the acceptance by Lender or its designee of a deed-in-lieu of foreclosure with respect to the Property, or (ii) an Indemnified Party or its designee taking possession or control of the Property or (iii) the foreclosure of the Security Instrument, except to the extent caused by the willful misconduct or gross negligence of the Indemnified Parties (other than such willful misconduct or gross negligence imputed to the Indemnified Parties because of their interest in the Property): (1) ownership of Borrower's interest in the Property, or any interest therein, or receipt of any Rents or other sum therefrom, (2) any accident, injury to or death of any persons or loss of or damage to property occurring on or about the Property or any Appurtenances thereto, (3) any

design, construction, operation, repair, maintenance, use, non-use or condition of the Property or Appurtenances thereto, including claims or penalties arising from violation of any Legal Requirement or Insurance Requirement, as well as any claim based on any patent or latent defect, whether or not discoverable by Lender, any claim the insurance as to which is inadequate, and any Environmental Claim, (4) any Default under this Agreement or any of the other Loan Documents or any failure on the part of Borrower to perform or comply with any of the terms of any Lease within the applicable notice or grace periods, (5) any performance of any labor or services or the furnishing of any materials or other property in respect of the Property or any part thereof, (6) any negligence or tortious act or omission on the part of Borrower or any of its agents, contractors, servants, employees, sublessees, licensees or invitees, (7) any contest referred to in Section 7.3 hereof, (8) any obligation or undertaking relating to the performance or discharge of any of the terms, covenants and conditions of the landlord contained in the Leases, or (9) except as may be expressly limited herein, the presence at, in or under the Property or the Improvements of any Hazardous Materials in violation of any Environmental Law. Any amounts the Indemnified Parties are legally entitled to receive under this Section which are not paid within fifteen (15) Business Days after written demand therefor by the Indemnified Parties or Lender, setting forth in reasonable detail the amount of such demand and the basis therefor, shall bear interest from the date of demand at the Default Rate, and shall, together with such interest, be part of the Indebtedness and secured by the Security Instrument. In case any action, suit or proceeding is brought against the Indemnified Parties by reason of any such occurrence, Borrower shall at Borrower's expense resist and defend such action, suit or proceeding or will cause the same to be resisted and defended by counsel at Borrower's reasonable expense for the insurer of the liability or by counsel designated by Borrower (unless reasonably disapproved by Lender promptly after Lender has been notified of such counsel); provided , however , that nothing herein shall compromise the right of Lender (or any Indemnified Party) to appoint its own counsel at Borrower's expense for its defense with respect to any action which in its reasonable opinion presents a conflict or potential conflict between Lender and Borrower that would make such separate representation advisable; provided , further , that if Lender shall have appointed separate counsel pursuant to the foregoing, Borrower shall not be responsible for the expense of additional separate counsel of any Indemnified Party unless in the reasonable opinion of Lender a conflict or potential conflict exists between such Indemnified Party and Lender. So long as Borrower is resisting and defending such action, suit or proceeding as provided above in a prudent and commercially reasonable manner, Lender and the Indemnified Parties shall not be entitled to settle such action, suit or proceeding without Borrower's consent which shall not be unreasonably withheld, delayed or conditioned, and claim the benefit of this Section with respect to such action, suit or proceeding and Lender agrees that it will not settle any such action, suit or proceeding without the consent of Borrower; provided , however , that if Borrower is not diligently defending such action, suit or proceeding in a prudent and commercially reasonable manner as provided above, and Lender has provided Borrower with thirty (30) days' prior written notice, or shorter period if mandated by the requirements of applicable law, and opportunity to correct such determination, Lender may settle such action, suit or proceeding and claim the benefit of this Section 19.12 with respect to settlement of such action, suit or proceeding. Any Indemnified Party will give Borrower prompt notice after such Indemnified Party obtains actual knowledge of any potential claim by such Indemnified Party for indemnification hereunder. The Indemnified Parties shall not settle or compromise any action, proceeding or claim as to which it is indemnified hereunder without notice to Borrower.

Section 19.13 Exhibits and Schedules Incorporated . The Exhibits and Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 19.14 Offsets, Counterclaims and Defenses . Any assignee of Lender's interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

Section 19.15 Liability of Assignees of Lender . No assignee of Lender shall have any personal liability, directly or indirectly, under or in connection with this Agreement or any other Loan Document or any amendment or amendments hereto made at any time or times, heretofore or hereafter, any different than the liability of Lender hereunder. In addition, no assignee shall have at any time or times hereafter any personal liability, directly or indirectly, under or in connection with or secured by any agreement, lease, instrument, encumbrance, claim or right affecting or relating to the Property or to which the Property is now or hereafter subject any different than the liability of Lender hereunder. The limitation of liability provided in this Section 19.15 is (i) in addition to, and not in limitation of, any limitation of liability applicable to the assignee provided by law or by any other contract, agreement or instrument, and (ii) shall not apply to any assignee's gross negligence or willful misconduct.

Section 19.16 No Joint Venture or Partnership; No Third Party Beneficiaries . (a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Property other than that of mortgagee, beneficiary or lender.

(b) This Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

Section 19.17 Publicity . All news releases, publicity or advertising by Borrower or its Affiliates through any media intended to reach the general public which refers to the Loan

Documents or the financing evidenced by the Loan Documents, to Lender, or any of its Affiliates shall be subject to the prior written approval of Lender.

Section 19.18 Waiver of Marshalling of Assets . To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's shareholders and others with interests in Borrower and of the Property, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Property for the collection of the Indebtedness without any prior or different resort for collection or of the right of Lender to the payment of the Indebtedness out of the net proceeds of the Property in preference to every other claimant whatsoever.

Section 19.19 Waiver of Counterclaim and Other Actions . Borrower hereby expressly and unconditionally waives, in connection with any suit, action or proceeding brought by Lender on this Agreement, the Note, the Security Instrument or any Loan Document, any and every right it may have to (i) interpose any counterclaim therein (other than a counterclaim which can only be asserted in the suit, action or proceeding brought by Lender on this Agreement, the Note, the Security Instrument or any Loan Document and cannot be maintained in a separate action) and (ii) have any such suit, action or proceeding consolidated with any other or separate suit, action or proceeding.

Section 19.20 Conflict; Construction of Documents; Reliance . In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents, the provisions of this Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. (c) No order, consent, approval, license or authorization of, or filing, recording or registration with, any governmental or public body or authority of the United States of America or the State of New York or any agency or political subdivision of either thereof is required in connection with the execution and delivery of any of the Loan Documents, the validity, binding effect or enforceability of any of the Loan Documents or the consummation of the transactions contemplated thereby.

(d) There are no actions, suits or proceedings by or before any court, governmental or regulatory authority or agency of which, after due inquiry, we have actual

knowledge pending or threatened against or affecting any Loan Party or Borrower's rights with respect to the Property wherein an adverse ruling or decision, individually or collectively with other such actions, suits or proceedings, is reasonably likely (i) to affect materially and adversely the ability of any Loan Party to consummate the transactions contemplated by the Loan Documents or to perform its obligations under any of the Loan Documents, or (ii) to result in a challenge to the legality, validity, binding effect or enforceability of any of the Loan Documents.

(e) The payment by Borrower and receipt by Lender of all principal and interest will not violate the usury laws of the State of New York or otherwise constitute unlawful interest.

(f) The provisions of the Loan Agreement and the Security Instrument are effective to create, in favor of Lender to secure the obligations purported to be secured thereby, a valid security interest in Borrower's rights in the UCC Collateral.

(g) Under New York UCC, the provisions of the Account Agreement are effective to perfect the security interest of Lender in Borrower's rights in the Collateral Accounts (as defined in the Account Agreement).

Opinions with respect to the law of States in which the Property is located

(a) Each Loan Party is authorized to do business and in good standing in the State of [*Relevant State*].

(b) To the extent governed by the laws of the State of [*Relevant States*], the Security Instrument and the Assignment of Leases are the legal, valid and binding obligations of Borrower, enforceable against Borrower in accordance with their terms.

(c) The Security Instrument is in proper form so as to comply with recording requirements of the State of [*Relevant State*]. The Security Instrument creates in favor of Lender valid liens on the portion of the Property that are located in the State of [*Relevant States*], securing payment of the Obligations (as defined in the Security Instrument), and no further action will be required for the valid creation of such liens. Upon recordation in the office of the [*Recording Office*] the Security Instrument will provide constructive notice of the terms thereof and the liens created thereby to third parties acquiring interests in the portion of the Property that are located in the State of [*Relevant States*] subsequent to such recordation.

(d) The Assignment of Leases is in proper form so as to comply with the recording requirements of the State of [*Relevant States*]. At the time the Assignment of Leases is delivered to the Recording Office for recording, it will take effect as to all creditors and subsequent purchasers for a valuable consideration without notice, and it shall be entitled to priority over any other similar instrument delivered to said Recording Office for recording after that time, in the absence of actual notice.

(e) Pursuant to the provisions of the Security Instrument Borrower has authorized the filing of the Fixture Financing Statement identifying the Fixture Collateral for purposes of Section 9-509 of the [*Relevant States*] UCC. "Fixture Collateral " means that portion

of the UCC Collateral which consists of "fixtures" (as defined in Article 9 of the UCC) to the extent the UCC governs a security interest in such collateral.

(f) The Fixture Financing Statement includes not only all the types of information required by Section 9-502(a) and 9-502(b) of the [*Relevant States*] UCC but also the types of information without which the Fixture Filing Office may refuse to accept the Fixture Financing Statement pursuant to Section 9-516 of the State of [*Relevant States*] UCC.

(g) Under the [*Relevant States*] UCC, the security interest of the Secured Party will be perfected in Borrower's rights in any Fixture Collateral located on the real property described on Schedule 1 to the Fixture Financing Statement upon the later of the attachment of the security interest and the filing of the Fixture Financing Statement in the Fixture Filing Office.

(h) Borrower has paid all recording tax due in connection with the recording of the Security Instrument and the Assignment of Leases. No additional deed of trust recording, intangibles tax, documentary stamp tax or similar taxes or charges, other than nominal recordation or filing fees, are required to be paid as a condition of the legality of enforceability of the Security Instrument or the Assignment of Leases.

(i) The State of [*Relevant States*] has no law pursuant to which a lien against any assets or properties of Borrower (whether real, personal, mixed, tangible or intangible) superior to the lien created by the Security Instrument could arise as a result of a violation of environmental laws or regulations of such State. No environmental law or regulation of the State of [Relevant States] would require any remedial or removal action or certification of non applicability as a condition to the granting of the Security Instrument, the foreclosure or other enforcement of the Loan Documents or the sale of any assets or properties of Borrower (whether real, personal, mixed, tangible or intangible) located in the State of [*Relevant States*].

(j) No order, consent, approval, license or authorization of, or filing, recording or registration with, any governmental or public body or authority of the United States of America or the State of [*Relevant States*] or any agency or political subdivision of either thereof is required in connection with the execution and delivery of any of the Loan Documents, the validity, binding effect or enforceability of any of the Loan Documents or the consummation of the transactions contemplated thereby.

(k) There are no actions, suits or proceedings by or before any court, governmental or regulatory authority or agency of which, after due inquiry, we have actual knowledge pending or threatened against or affecting any Loan Party or Borrower's rights with respect to the Property wherein an adverse ruling or decision, individually or collectively with other such actions, suits or proceedings, is reasonably likely (i) to affect materially and adversely the ability of any Loan Party to consummate the transactions contemplated by the Loan Documents or to perform its obligations under any of the Loan Documents, or (ii) to result in a challenge to the legality, validity, binding effect or enforceability of any of the Loan Documents.

(l) If the Obligations (as defined in the Security Instrument) were to be governed by the laws of the State of [*Relevant States*], the payment by Borrower and receipt by

Lender of all principal and interest will not violate the usury laws of the State of [*Relevant States*] or otherwise constitute unlawful interest.

(m) A federal court sitting in the State of [*Relevant States*] and applying the conflict of law rules of the State of [*Relevant States*], and the state courts in the State of [*Relevant States*], would give effect to the choice of law provisions contained in the Loan Documents. If counsel is not able to give this opinion as an unqualified opinion, an opinion that the Loan Agreement and Note would be enforceable under the law of the State of [*Relevant States*] if such law were held to apply will be required.

(n) The operation of any term of the Loan Documents, including, without limitation, the terms regarding late charges, default interest or prepayment premiums, or the lawful exercise of any right thereunder, shall not render the Loan Documents unenforceable, in whole or in part, or subject to any right of rescission, set-off, counterclaim or defense.

5. The Opinion shall be addressed to Lender and its successors and assigns and shall state that it may be relied upon by (i) any assignee of Lender's interest in the Loan, (ii) any servicer of the Loan, (iii) any purchaser of the Loan or any portion thereof in any Securitization, (iv) any Rating Agency involved in a Securitization of the Loan, (v) the issuer of securities in a Securitization of the Loan, and (vi) any trustee or servicer appointed in connection with a Securitization of the Loan.

EXHIBIT E

NON-CONSOLIDATION OPINION REQUIREMENTS

1. The Nonconsolidation Opinion shall be delivered on the Closing Date and shall satisfy all applicable requirements of the Rating Agencies in relation thereto.

2. The Nonconsolidation Opinion shall be given by a professional law firm selected by Borrower and reasonably acceptable to Lender.

3. The Nonconsolidation Opinion shall be in form and substance acceptable to Lender and shall be given in relation to both Borrower and any other SPE Entity relevant to the Loan. The Nonconsolidation Opinion shall identify each entity (a "Relevant Entity") which owns more than a 49% direct or indirect interest in either Borrower and/or such SPE Entity. Depending on the circumstances and nature of the transaction structure, a non-affiliated entity, such as a third party property manager, shall be included as a Relevant Entity if required by the Rating Agencies.

4. The Nonconsolidation Opinion shall state that, in the event that any Relevant Entity were to be a debtor in a case under the Bankruptcy Code, it is counsel's opinion that, under present reported decisional authority and statutes applicable to federal bankruptcy cases, in a properly presented and argued case, a court would not, in the proper exercise of its equitable discretion, disregard the separate existence of Borrower or any SPE Entity so as to order substantive consolidation under the Bankruptcy Code of the assets and liabilities of such Relevant Entity with the assets and liabilities of either Borrower or any SPE Entity and treat such assets and liabilities as though either Borrower and such Relevant Entity or any SPE Entity and such Relevant Entity were one entity.

5. The Nonconsolidation Opinion shall be addressed to Lender and its successors and assigns and shall state that it may be relied upon by (i) any assignee of Lender's interest in the Loan, (ii) any participant of Lender's interest in the Loan, (iii) any servicer of the Loan, (iv) any purchaser of the Loan or any portion thereof in any Securitization, (v) any Rating Agency involved in a Securitization of the Loan, (vi) the issuer of securities in a Securitization of the Loan, and (vii) any trustee or servicer appointed in connection with a Securitization of the Loan.

DELAWARE BANKRUPTCY OPINIONS

As a general rule, the following opinions are required with respect to any single-member Delaware limited liability companies (having independent members/managers) in the organizational structure:

1. An opinion of Delaware counsel that federal bankruptcy court would hold that Delaware law, and not federal law, governs the determination of what persons or entities have authority to file a voluntary bankruptcy petition on behalf of the limited liability company.

2. Opinions of Delaware counsel as follows:

a. The limited liability company agreement constitutes a legal, valid and binding agreement of its member, and is enforceable against such member, in accordance with its terms.

b. In order for a voluntary bankruptcy petition to be filed on behalf of the Company, the unanimous consent of all of the independent managers/members is required and the provision requiring such unanimous consent in the limited liability company agreement constitutes a legal, valid and binding agreement of the member, enforceable against the member, in accordance with its terms.

c. The bankruptcy or dissolution of the limited liability company's sole member will not, by itself, cause the limited liability company to be dissolved or its affairs to be wound up.

d. A judgment creditor of the member may not satisfy its claims against the member by asserting a claim against the assets of the limited liability company.

e. The limited liability company is a separate legal entity, and shall continue as such until the cancellation of the limited liability company certificate.

(c) All consents, authorizations and approvals required for the execution and delivery by Interest Rate Cap Guarantor of the Interest Rate Cap Guaranty, and any other agreement which Interest Rate Cap Guarantor has executed and delivered pursuant thereto, and the performance of its obligations thereunder have been obtained and remain in full force and effect, all conditions thereof have been duly complied with, and no other action by, and no notice to or filing with any governmental authority or regulatory body is required for such execution, delivery or performance.

6. The Counterparty Opinion shall be addressed to Lender and its successors and assigns and shall state that it may be relied upon by (i) any assignee of Lender's interest in the Loan, (ii) any participant of Lender's interest in the Loan, (iii) any servicer of the Loan, (iv) any purchaser of the Loan or any portion thereof in any Securitization, (v) any Rating Agency involved in a Securitization of the Loan, (vi) the issuer of securities in a Securitization of the Loan, and (vii) any trustee or servicer appointed in connection with a Securitization of the Loan.

Terms defined in the Loan Agreement and not otherwise defined herein are used herein with the same meaning.

The **Assignor** and the **Assignee** referred to on Schedule 1 attached hereto agree as follows:

1. The Assignor hereby sells and assigns to the Assignee, and the Assignee hereby purchases and assumes from the Assignor, an interest in and to the Assignor's rights and obligations under the Note and the Loan Agreement as of the date hereof equal to the percentage interest specified on Schedule 1 attached hereto. After giving effect to such sale and assignment, the amount of the Loan and the Note owing to the Assignee will be as set forth on Schedule 1 attached hereto.

4. Following the execution of this Assignment and Acceptance, it will be delivered to Lender for acceptance and recording. The effective date for this Assignment and Acceptance (the **Effective Date)** shall be the date of acceptance hereof by the Lender, unless otherwise specified on Schedule 1 attached hereto.

5. Upon such acceptance and recording by Lender, as of the Effective Date, (i) the Assignee shall be a party to the Loan Agreement and the Note and, to the extent provided in this Assignment and Acceptance, have the rights and obligations of an assignee thereof, and (ii) the Assignor shall, to the extent provided in the Loan Agreement and this Assignment and Acceptance, relinquish its rights and be released from its obligations under the Loan Agreement and the Note.

6. Upon such acceptance and recording by Lender, from and after the Effective Date, Lender shall make all payments under the Loan Agreement and the Note or notes in respect of the interest assigned hereby (including, without limitation, all payments of principal, interest and commitment fees with respect thereto) to the Assignee. The Assignor and Assignee shall make all appropriate adjustments in payments under the Loan Agreement and the Note or notes for periods prior to the Effective Date directly between themselves.

7. This Assignment and Acceptance shall be governed by, and construed in accordance with, the laws of the State of New York.

8. This Assignment and Acceptance may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of Schedule 1 to this Assignment and Acceptance by telecopier shall be effective as delivery of a manually executed counterpart of this Assignment and Acceptance.

W I T N E S S E T H :

WHEREAS, by a lease (the " Original Lease") dated_____ , 200___ between_____ (hereinafter called "Landlord"), as landlord, and Tenant, as tenant, as amended by lease amendment[s] dated_____ , 200 ___ , [_____, 200___ and_____ , 200___] (the Original Lease, as so amended, is hereinafter the "Lease"), a memorandum of which Lease was dated_____and was recorded in_____in Reel _____ , Page___ , [add recording data for memoranda of amendments, if applicable], Landlord leased to Tenant certain premises located in_____(the "Premises") on the property described in Schedule "A" annexed hereto and made a part hereof (the "Property"); and

WHEREAS, Lender is about to make a loan to Landlord, which loan shall be secured by, among other things, a mortgage or deed of trust (which mortgage or deed of trust, and all amendments, renewals, increases, modifications, replacements, substitutions, extensions, spreaders and consolidations thereof and all re-advances thereunder and addictions thereto, is referred to as the "Security Instrument") encumbering the Property; and

WHEREAS, Lender and Tenant desire to confirm their understanding and agreement with respect to the Lease and the Security Instrument.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, Lender and Tenant hereby agree and covenant as follows:

1. The Lease, and all of the terms, covenants, provisions and conditions thereof (including, without limitation, any right of first refusal, right of first offer, option or any similar right with respect to the sale or purchase of the Property, or any portion thereof) is, shall be and shall at all times remain and continue to be subject and subordinate in all respects to the lien, terms, covenants, provisions and conditions of the Security Instrument and to all advances and re-advances made thereunder and all sums secured thereby. This provision shall be self-operative but Tenant shall execute and deliver any additional instruments which Lender may reasonably require to effect such subordination.

2. So long as (i) Tenant is not in default (beyond any period given in the Lease to Tenant to cure such default) in the payment of rent, percentage rent or additional rent or in the performance or observance of any of the other terms, covenants, provisions or conditions

of the Lease on Tenant's part to be performed or observed, (ii) Tenant is not in default under this Agreement and (iii) the Lease is in full force and effect: (a) Tenant's possession of the Premises and Tenant's rights and privileges under the Lease, or any extensions or renewals thereof which may be effected in accordance with any option therefor which is contained in the Lease, shall not be diminished or interfered with by Lender, and Tenant's occupancy of the Premises shall not be disturbed by Lender for any reason whatsoever during the term of the Lease or any such extensions or renewals thereof and (b) Lender will not join Tenant as a party defendant in any action or proceeding to foreclose the Security Instrument or to enforce any rights or remedies of Lender under the Security Instrument which would cut-off, destroy, terminate or extinguish the Lease or Tenant's interest and estate under the Lease (except to the extent required so that Tenant's right to receive or set-off any monies or obligations owed or to be performed by any of Lender's predecessors-in-interest shall not be enforceable thereafter against Lender or any of Lender's successors-in-interest). Notwithstanding the foregoing provisions of this paragraph, if it would be procedurally disadvantageous for Lender not to name or join Tenant as a party in a foreclosure proceeding with respect to the Security Instrument, Lender may so name or join Tenant without in any way diminishing or otherwise affecting the rights and privileges granted to, or inuring to the benefit of, Tenant under this Agreement.

3. (A) After notice is given by Lender that the Security Instrument is in default and that the rentals under the Lease should be paid to Lender, Tenant will attorn to Lender and pay to Lender, or pay in accordance with the directions of Lender, all rentals and other monies due and to become due to Landlord under the Lease or otherwise in respect of the Premises. Such payments shall be made regardless of any right of set-off, counterclaim or other defense which Tenant may have against Landlord, whether as the tenant under the Lease or otherwise.

(B) In addition, if Lender (or its nominee or designee) shall succeed to the rights of Landlord under the Lease through possession or foreclosure action, delivery of a deed or otherwise, or another person purchases the Property or the portion thereof containing the Premises upon or following foreclosure of the Security Instrument or in connection with any bankruptcy case commenced by or against Landlord, then at the request of Lender (or its nominee or designee) or such purchaser (Lender, its nominees and designees, and such purchaser, and their respective successors and assigns, each being a " Successor-Landlord"), Tenant shall attorn to and recognize Successor-Landlord as Tenant's landlord under the Lease and shall promptly execute and deliver any instrument that Successor-Landlord may reasonably request to evidence such attornment. Upon such attornment, the Lease shall continue in full force and effect as, or as if it were, a direct lease between Successor-Landlord and Tenant upon all terms, conditions and covenants as are set forth in the Lease. If the Lease shall have terminated by operation of law or otherwise as a result of or in connection with a bankruptcy case commenced by or against Landlord or a foreclosure action or proceeding or delivery of a deed in lieu, upon request of Successor-Landlord, Tenant shall promptly execute and deliver a direct lease with Successor-Landlord which direct lease shall be on substantially the same terms and conditions as the Lease (subject, however, to the provisions of clauses (i)-(v) of this paragraph 3(B)) and shall be effective as of the day the Lease shall have terminated as aforesaid. Notwithstanding the continuation of the Lease, the attornment of Tenant thereunder or the execution of a direct lease between Successor-Landlord and Tenant as aforesaid, Successor-Landlord shall not:

(i) be liable for any previous act or omission of Landlord under the Lease;

(ii) be subject to any off-set, defense or counterclaim which shall have theretofore accrued to Tenant against Landlord;

(iii) be bound by any modification of the Lease or by any previous prepayment of rent or additional rent made more than one (1) month prior to the date same was due which Tenant might have paid to Landlord, unless such modification or prepayment shall have been expressly approved in writing by Lender;

(iv) be liable for any security deposited under the Lease unless such security has been physically delivered to Lender or Successor-Landlord; and

(v) be liable or obligated to comply with or fulfill any of the obligations of the Landlord under the Lease or any agreement relating thereto with respect to the construction of, or payment for, improvements on or above the Premises (or any portion thereof), leasehold improvements, tenant work letters and/or similar items.

4. Tenant agrees that without the prior written consent of Lender, it shall not (a) amend, modify, terminate or cancel the Lease or any extensions or renewals thereof, (b) tender a surrender of the Lease, (c) make a prepayment of any rent or additional rent more than one (1) month in advance of the due date thereof, or (d) subordinate or permit the subordination of the Lease to any lien subordinate to the Security Instrument. Any such purported action without such consent shall be void as against the holder of the Security Instrument.

5. (A) Tenant shall promptly notify Lender of any default by Landlord under the Lease and of any act or omission of Landlord which would give Tenant the right to cancel or terminate the Lease or to claim a partial or total eviction.

(B) In the event of a default by Landlord under the Lease which would give Tenant the right, immediately or after the lapse of a period of time, to cancel or terminate the Lease or to claim a partial or total eviction, or in the event of any other act or omission of Landlord which would give Tenant the right to cancel or terminate the Lease, Tenant shall not exercise such right (i) until Tenant has given written notice of such default, act or omission to Lender and (ii) unless Lender has failed, within sixty (60) days after Lender receives such notice, to cure or remedy the default, act or omission or, if such default, act or omission shall be one which is not reasonably capable of being remedied by Lender within such sixty (60) day period, until a reasonable period for remedying such default, act or omission shall have elapsed following the giving of such notice and following the time when Lender shall have become entitled under the Security Instrument to remedy the same (which reasonable period shall in no event be less than the period to which Landlord would be entitled under the Lease or otherwise, after similar notice, to effect such remedy), provided that Lender shall with due diligence give Tenant written notice of its intention to and shall commence and continue to, remedy such default, act or omission. If Lender cannot reasonably remedy a default, act or omission of Landlord until after Lender obtains possession of the Premises, Tenant may not terminate or cancel the Lease or claim a partial or total eviction by reason of such default, act or omission

until the expiration of a reasonable period necessary for the remedy after Lender secures possession of the Premises. To the extent Lender incurs any expenses or other costs in curing or remedying such default, act or omission, including, without limitation, attorneys' fees and disbursements, Lender shall be subrogated to Tenant's rights against Landlord.

(C) Notwithstanding the foregoing, Lender shall have no obligation hereunder to remedy such default, act or omission.

6. To the extent that the Lease shall entitle Tenant to notice of the existence of any mortgage and the identity of any mortgagee or any ground lessor, this Agreement shall constitute such notice to Tenant with respect to the Security Instrument and Lender.

7. Upon and after the occurrence of a default under the Security Instrument, which is not cured after any applicable notice and/or cure periods, Lender shall be entitled, but not obligated, to exercise the claims, rights, powers, privileges and remedies of Landlord under the Lease and shall be further entitled to the benefits of, and to receive and enforce performance of, all of the covenants to be performed by Tenant under the Lease as though Lender were named therein as Landlord.

8. Anything herein or in the Lease to the contrary notwithstanding, in the event that a Successor-Landlord shall acquire title to the Property or the portion thereof containing the Premises, Successor-Landlord shall have no obligation, nor incur any liability, beyond Successor-Landlord's then interest, if any, in the Property, and Tenant shall look exclusively to such interest, if any, of Successor-Landlord in the Property for the payment and discharge of any obligations imposed upon Successor-Landlord hereunder or under the Lease, and Successor-Landlord is hereby released or relieved of any other liability hereunder and under the Lease. Tenant agrees that, with respect to any money judgement which may be obtained or secured by Tenant against Successor-Landlord, Tenant shall look solely to the estate or interest owned by Successor-Landlord in the Property, and Tenant will not collect or attempt to collect any such judgement out of any other assets of Successor-Landlord.

9. Notwithstanding anything to the contrary in the Lease, Tenant agrees for the benefit of Landlord and Lender that, except as permitted by, and fully in accordance with, applicable law, Tenant shall not generate, store, handle, discharge or maintain in, on or about any portion of the Property, any asbestos, polychlorinated biphenyls, or any other hazardous or toxic materials, wastes and substances which are defined, determined or identified as such (including, but not limited to, pesticides and petroleum products if they are defined, determined or identified as such) in any federal, state or local laws, rules or regulations (whether now existing or hereafter enacted or promulgated) or any judicial or administrative interpretation of any thereof, including any judicial or administrative interpretation of any thereof, including any judicial or administrative orders or judgments.

10. If the Lease provides that Tenant is entitled to expansion space, Successor-Landlord shall have no obligation nor any liability for failure to provide such expansion space if a prior landlord (including, without limitation, Landlord), by reason of a lease or leases entered into by such prior landlord with other tenants of the Property, has precluded the availability of such expansion space.

11. Except as specifically provided in this Agreement, Lender shall not, by virtue of this Agreement, the Security Instrument or any other instrument to which Lender may be a party, be or become subject to any liability or obligation to Tenant under the Lease or otherwise.

12. (A) Tenant acknowledges and agrees that this Agreement satisfies and complies in all respects with the provisions of Article___ of the Lease and that this Agreement supersedes (but only to the extent inconsistent with) the provisions of such Article and any other provision of the Lease relating to the priority or subordination of the Lease and the interests or estates created thereby to the Security Instrument.

(B) Tenant agrees to enter into a subordination, non-disturbance and attornment agreement with any lender which shall succeed Lender as lender with respect to the Property, or any portion thereof, provided such agreement is substantially similar to this Agreement. Tenant does herewith irrevocably appoint and constitute Lender as its true and lawful attorney-in-fact in its name, place and stead to execute such subordination, non-disturbance and attornment agreement, without any obligation on the part of Lender to do so. This power, being coupled with an interest, shall be irrevocable as long as the Indebtedness secured by the Security Instrument remains unpaid. Lender agrees not to exercise its rights under the preceding two sentences if Tenant promptly enters into the subordination, non-disturbance and attornment agreement as required pursuant to the first sentence of this subparagraph (B).

13. (A) Any notice required or permitted to be given by Tenant to Landlord shall be simultaneously given also to Lender, and any right to Tenant dependent upon notice shall take effect only after notice is so given. Performance by Lender shall satisfy any conditions of the Lease requiring performance by Landlord, and Lender shall have a reasonable time to complete such performance as provided in Paragraph 5 hereof.

(B) All notices or other communications required or permitted to be given to Tenant or to Lender pursuant to the provisions of this Agreement shall be in writing and shall be deemed given only if mailed by United States registered mail, postage prepaid, or if sent by nationally recognized overnight delivery service (such as Federal Express or United States Postal Service Express Mail), addressed as follows: to Tenant, at the address first set forth above, Attention: _____; to Lender, at the address first set forth above, Attention:_____and General Counsel, with a copy to Cadwalader, Wickersham & Taft LLP, One World Financial Center, New York, New York 10281, Attention: Frederic L. Altschuler, Esq.; or to such other address or number as such party may hereafter designate by notice delivered in accordance herewith. All such notices shall be deemed given three (3) business days after delivery to the United States Post office registry clerk if given by registered mail, or on the next business day after delivery to an overnight delivery courier.

14. This Agreement may be modified only by an agreement in writing signed by the parties hereto, or their respective successors-in-interest. This Agreement shall inure to the benefit of and be binding upon the parties hereto, and their respective successors and assigns. The term "Lender" shall mean the then holder of the Security Instrument. The term "Landlord" shall mean the then holder of the landlord's interest in the Lease. The term " person" shall mean

an individual, joint venture, corporation, partnership, trust, limited liability company, unincorporated association or other entity. All references herein to the Lease shall mean the Lease as modified by this Agreement and to any amendments or modifications to the Lease which are consented to in writing by Lender. Any inconsistency between the Lease and the provisions of this Agreement shall be resolved, to the extent of such inconsistency, in favor of this Agreement.

15. Tenant hereby represents to Lender as follows:

(a) The Lease is in full force and effect and has not been further amended.

(b) There has been no assignment of the Lease or subletting of any portion of the premises demised under the Lease.

(c) There are no oral or written agreements or understandings between Landlord and Tenant relating to the premises demised under the Lease or the Lease transaction except as set forth in the Lease.

(d) The execution of the Lease was duly authorized and the Lease is in full force and effect and to the best of Tenant's knowledge there exists no default (beyond any applicable grace period) on the part of either Tenant or Landlord under the Lease.

(e) There has not been filed by or against nor to the best of the knowledge and belief of Tenant is there threatened against Tenant, any petition under the bankruptcy laws of the United States.

(f) To the best of Tenant's knowledge, there is no present assignment, hypothecation or pledge of the Lease or rents accruing under the Lease by Landlord, other than pursuant to the Security Instrument.

16. Whenever, from time to time, reasonably requested by Lender (but not more than three (3) times during any calendar year), Tenant shall execute and deliver to or at the direction of Lender, and without charge to Lender, one or more written certifications, in a form acceptable to Tenant, of all of the matters set forth in Paragraph 15 above, and any other information the Lender may reasonably require to confirm the current status of the Lease.

17. BOTH TENANT AND LENDER HEREBY IRREVOCABLY WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT.

18. This Agreement shall be governed by and construed in accordance with the laws of the State in which the Property is located.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
