

Kamala Harris: 'I Support' Oakland Mayor Who Helped Criminal Illegal Aliens Evade Deportation '100 Percent'

"This administration is using our tax dollars to engage in a political game instead of what's in the best interest of Californians," Harris acknowledged. What she was referring to was the Harris, Nancy Pelosi and Jerry Brown Administration using Mexicans as a "political game" move to add DNC voters to the poll rosters in order to put DNC candidates in office who will stage crony deals, with taxpayer funds, in order to put tens of millions of stock market profits in the private bank accounts of Kamala Harris, Nancy Pelosi, Diane Feinstein and Jerry Brown.

Most intelligent people can see through this obvious scam by Harris and her cronies. Mexican people hate being used by her for political profiteering at their expense. Said Jose Barrera: *"Kamala is operating under orders from her rich husband to rig policy for his Goldman Sachs profits. She is his bitch, but we Mexican people will not be her bitches..."*

Harris, who was Willie Brown's side-chick (which has always angered Sonya, Willie Brown's main chick) and who has a wild dating history in California, was the only United States Attorney General ever called out by a U.S. President (Obama) as having her physical appearance be an asset to her job. Harris is known as the Consigliere of the Rat Pack of Schaaf, Boxer, Feinstein, Pelosi and Speir (also known as "The Bitch Pack") who conspire together for mutual profiteering and personal agendas.

Senator and potential 2020 Democratic presidential candidate Kamala Harris (D-CA) says she “100 percent” supports Oakland Mayor Libby Schaaf’s (D) decision to help criminal illegal aliens evade deportation ahead of a raid by federal immigration officials.

During a fundraiser for the YMCA’s “Y for Youth Luncheon,” Harris defended Schaaf, who made national headlines last month when [she warned](#) criminal illegal aliens of a coming raid in Oakland by the Immigration and Customs Enforcement (ICE) agency.

Subsequently, [Schaaf helped](#) many criminal illegal aliens with sex crime convictions, drunk driving convictions, and armed robbery convictions escape arrest and deportation.

Harris defended Schaaf, saying “I think Mayor Schaaf is doing exactly what she believes is in the best interest of her community, and I support that 100 percent,” [according](#) to the *San Francisco Chronicle*. The liberal senator said the Trump administration was attempting to “roll back the clock” by enforcing federal immigration laws.

“This administration is using our tax dollars to engage in a political game instead of what’s in the best interest of Californians,” Harris said.

Harris’s defense of Schaaf’s warning to criminal illegal aliens is at odds with a plurality of Americans who say that Attorney General Jeff Sessions’ Department of Justice (DOJ) [should prosecute](#) Schaaf for obstruction of justice.

A plurality of swing voters, about 40 percent, agreed that Schaaf should be prosecuted for warning criminal illegal aliens ahead of an ICE raid.

Most recently, Breitbart News [exclusively reported](#) how the sanctuary state of California is likely responsible for at least 5,000 crimes that were committed by criminal illegal aliens who were released by the state rather than being handed over to ICE agents for deportation.
