Is This How the Crimes Were Committed?

One theory from investigator Mark Stevens (Graphics - Copyright M. Stevens):

DIANNE FEINSTEIN ORGANIZED CRIME CHART

THE TESLA TAX MONEY SCAM

"Corrupt politicians, and criminals, who engage in crimes in the dark will always, eventually, have to face the light. Welcome to the AGE OF TRANSPARENCY"

This site has been replicated on a vast number of mirror servers. Any take-down attempts will be trace-routed back to source and crime-reported, Constitutionally charged and the individuals, and their sponsors litigated, against. Hard bound copies from LuLu, and other printing services, as well as DVD's of this site, and the top 4 reference sites, are provided, on request, to all members of The U.S. Congress, weekly. Multiple federal law enforcement agencies are now advising. All material provided by agencies, reporters and witnesses. No illegal material is on this site, but investigators do have much material in hand that the public has yet to see.

See what happened to reporters and taxpayers members of the public who tried to report the crimes in the XYZ case at: <http://www.paybackpolitics.org>

Mr. Alex Padilla
Secretary of State

Ms. Kamala Harris
Attorney General

We are some of the companies that you F***** in the A** in your "Cleantech Kickback Scam".

We see that the LA Times, and many other newspapers, have been exposing this organized crime activity in the main-stream press.

We see that the HSBC Swiss leaks, the Snowden leaks, The Sony leaks and a bunch of new hacks and leaks show the financial tracks, the payola recipients, the beneficiaries, the front organizations, the family trusts and PACs that acted to conduit the money... and all sorts of interesting things. When you web search the term: "Silicon Valley Cartel" and "AngelGate" most of the players are revealed.

Federal and international investigators have now revealed that **You State of California People** assisted with a mineral mining and commodity stock scam for lithium and indium that Tesla and Solyndra were set-up to exploit in order to rape taxpayer tax dollars in state, and federal funding scams, by exploiting, and pumping, the stock market, in exchange for campaign kickbacks.

- California State Senator [Leland Yee](#) (D) charged with bribery, public corruption and gun trafficking. (2014)^{[9][10][11]}
- State Senator [Roderick Wright](#) (D) was convicted of eight counts of perjury and voter fraud. He was sentenced to 90 days and barred him from ever holding public office again and will be required to perform 1,500 hours of community service and three years' probation under the terms of his conviction. (2014)^[12]
- State Assemblywoman [Mary Hayashi](#) (D) She was charged with [felony grand theft](#) after being caught on video surveillance allegedly shoplifting \$2,445 worth of merchandise from [San Francisco's Neiman Marcus](#) store.^{[13][14]} She was sentenced to \$180 fine and three years probation and was ordered to stay more than 50 feet from the store. (2011)
- California Treasurer Bill Locker under investigation for Solyndra/Tesla Tax kickback participation
- California director James Brown Jr. arrested for racketeering and corruption
- Associate of many of the suspects: Raj Gupta, arrested and imprisoned for racketeering and corruption
- Associate of many of the suspects: Steven Rattner, indicted for stock fraud and corruption by New York Attorney General
- Suspect Ray Lane indicted for massive tax fraud
- Four additional State Senators under investigation for racketeering and Corruption
- California State Senator [Roy Ashburn](#) (R) of Bakersfield was noted leaving a gay bar and arrested on two counts of DUI. (2010)^{[15][16]}
- California Southern California Treasurer [Kinde Durkee](#) (D) was arrested for possible mail fraud.^[17]
- And over 80 others....
- Many of us are aware that bigger arrests are on the horizon...

Can you explain why a large number of the people who knew about this scam turned up, unexpectedly dead after being in perfect health the day prior? We are referring to Gary D. Conley, Rajeev Motwani, David Bird, Forrest Hayes, Dave Sandberg, Doug Bourn, Brian M. Finn, Andrew Ingram, Ravi Kumra, Karl Szym, Nicholas Valtz, Greg Smith, William Broeksmit, Julian Knott, Ryan Henry Crane... and more. That is really a lot of death-by-coincidence! In any case, we are seeking a contingency law firm to sue the State of California to the maximum allowed. The press, the investigators and the community groups now have all of the evidence required to lock more of you up.

No amount of stone-walling, further character assassination against us and running around with blinders on is going to help you.

You raped California residents of their dreams, tax money, jobs and morality by your schemes.

When the FBI raided Solyndra they found that \$500 million dollars of taxpayer money had gone missing. Now it turns out to be ten times as much taxpayer cash that was ripped off from our state in this scam. Tesla and Solyndra sit on the same property and both of them engaged in the same crimes, it turns out. What a coincidence. You people are scam-bags, crooks and criminals. You do not deserve to represent any taxpayers.

Signed-

The little companies of California that you screwed so you could buy your new condos.

Their actions provide the proof. When you look out on the internet and add up the pronouncements of "scam", "sleeping with goats", etc. The volume of attack items proves that no mere mortal, or company, could have acquired that much media unless it was placed there by very wealthy parties. Everyone now knows that the web is controlled. The volume of attacks can often prove that those attacks are fabricated. Additionally, IP Trace Routing and digital tracking now can prove the attackers manipulation of your data, email and website traffic. One of your best sets of evidence will come from the attackers, themselves. The bad guys always leave a digital trail of bread-crumbs leading right back to themselves. You can hire an IT company to build a "tracking array" comprised of hundreds of websites which are bait to catch them in the act. Regarding: Paranoia vs. documented evidence. If you, and others have experienced the tactics, and the police

have recorded the tactics being used against you, it isn't paranoia to be cautious.

A TRILLION DOLLARS OF YOUR TAX MONEY...MISSING...

You work hard. Your pay stub has 40% taken out of it. This is over a Trillion Dollars of your money that was taken and put into the "bad guys" pockets so they could buy private jets and roller coasters.

Type "Silicon Valley Cartel" into the www.duckduckgo.com search engine and read the hard facts about an actual, operating, organized crime effort in Silicon Valley. Then type "AngelGate", and read more about it.

The following broadcast news stories, and over 5000 others you can see at THIS LINK, go into details about the crime that investigators believe the suspects engaged in:

Do people really do extreme attacks, like these, on average American citizens?

What do you think "bad guys" would do to steal a Trillion Dollars?
