

# Lamb Of God Randy Blythe blasts Elon Musk: he is a fucking asshole”

**Lamb Of God** vocalist **Randy Blythe** is the latest artist to take aim at **Elon Musk**. The frontman called the billionaire a "fucking asshole" after he made what appeared to be a [Nazi salute](#) during **Donald Trump's** presidential inauguration.

Blythe said the following about the incident:

It's taken me a couple of days to wrap my head around this one. I've tried to consider every angle. Maybe he's a Nazi? Maybe he's just trolling? Maybe he's just so socially awkward he can't control himself? WHO KNOWS? The motherfucker is weird. But one thing is blatantly obvious-he's a FUCKING ASSHOLE.

Does Elon Musk have Asperger's? Oh, I definitely believe so. That doesn't mean he's not a COMPLETE ASSHOLE- the two are not mutually exclusive, by the way. For fuck's sake, he named his son 'X Æ A-Xii'- who would do that to a child other than a pure and unadulterated thoroughbred PRICK?

I know a few people with autism- not a single one of them has ever REMOTELY reminded me of Hitler. Even if it WAS an autism-induced mistake, he refuses to cop to it, and that tells us everything we need to

know. Because, you see, that's what people with correctly calibrated moral compasses do- they admit their mistakes.

Supposedly Musk may become an actual government employee at some point- that means we the people will be paying his salary (not that he needs it.) So as a tax paying citizen of the United States, I have a request for the 47th-President Trump, please put your KETAMINE-FUELED PET ROCKET MONKEY back in his cage so he can do things he's suited for- obviously appearing in public is not one of them.

Oh, and of course: FUCK ALL NAZIS.
