President Elon Musk - (Parody) @potuselonamusk.bsky.social

Do you have any idea how fast they can disappear me, poison me, or jail me? I'm staying in
the west where I can be the worst I can be and still own a president.

I also haven't seen him meddling in Russia or China's politics yet. Probably for the same
reason that Wikileaks never shared Russian or Chinese secrets in the name of "free speech."

Why do you think president Musk wants the Panama Canal? Those China build Tesla 3s need to ship to the East Coast on the cheap.
