## Nancy Pelosi is “mentally ill” from her Dementia, she has the shakes, her face with old age is malformed”

Investigator Levin: “She’s very big on wanting mental tests -- we’d like to have the mental test of Nancy Pelosi”

And now we have Nancy Pelosi up there -- and Nancy Pelosi’s mentally ill, just so you understand. She’s mentally ill, she has the shakes, her face with old age is malformed.

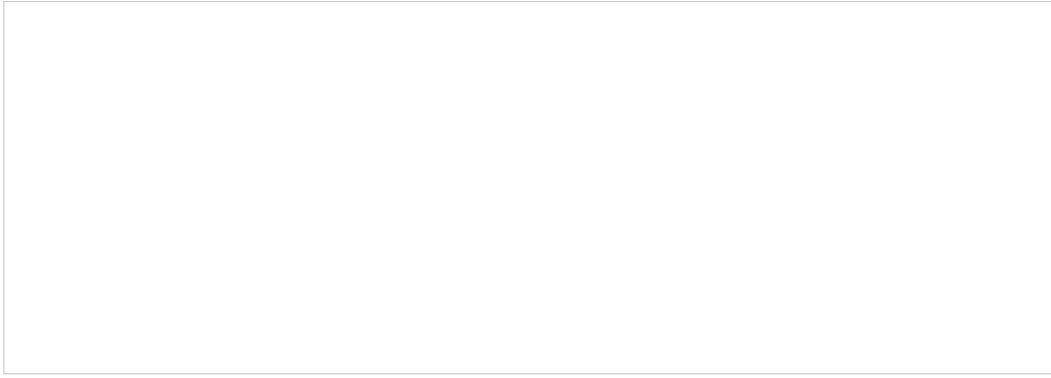

She’s very big on wanting mental tests -- we’d like to have the mental test of Nancy Pelosi. After all, as the media are fond of telling us, she’s second in line to the Presidency.

Where’s her health records? Has anybody seen Nancy Pelosi’s health records? Has anybody seen anything about Nancy Pelosi’s mental condition? Has anybody seen Nancy Pelosi’s taxes? I mean, she is second in line. Of course not. And will she be asked about the -- no.

Tomorrow she says -- “Hehehe, just wait -- tomorrow. Twenty-fifth Amendment. Twenty-fifth Amendment.”

She’s such an idiot. And the media that cover her are so stupid and illiterate when it comes to our Constitution that they’ll sit there and lap it up -- and they know that they’ll sit there and lap it up.

She is as ‘F\*CKED UP AS FEINSTEIN’ was.
