The Secret's Of Playboy – EVERYONE Knew The Mansion Was A Brothel Operating In Plain Sight

The girls were paid prostitutes compensated with fame, notoriety, free rent and food and party tickets.

It was impossible for any girl to not know that she was going to the mansion in order to provide sex to men.

The fact that it was globally obvious and well advertised as a sex palace makes any rationalizations by 'former playmates' simply sad. All of the girls talked to each other and knew what was expected and that they were going to be plied with booze and drugs.

The true shame was that nobody in the County protected the girls because County bosses were coming to the mansion to get sex! Nancy Pelosi's husband loved it there.
