A public effort has sent out flyers stating:

HELP SAVE SILICON VALLEY. JOIN THE INTERNATIONAL ALLIANCE!

Imagine a young girl who makes Nike shoes in India who gets raped every single day. She bleeds from every hole in her body. Every American is like that thanks to Silicon Valley's Kleiner Perkins, A16Z, Greylock, Khosla Ventures, Draper Fisher and the other "venture capital" companies who push the sick idea that "AF", "Big Data" and other privacy rape mass social abuse technologies are "GOOD FOR US".

These sick, lying, scumbag, khaki pants delusional sociopaths are building a global system that has already sucked every photo and personal information item into their giant spy databases. All of your medical data, abortion data, bank records, voting files, personal thoughts, dating texts and EVERYTHING you hold dear is out on the web for any hacker, collection agency or enemy to view and analyze with a single click. Any kid can hack into these databases and NOBODY can secure these databases.

These scumbag Silicon Valley VC's have RAPED SOCIETY. Demand the mass erasure of their databases. Tell Silicon Valley to STOP RAPING US!
